Harris Pavilion Ice Skating Closed for the Season

City of Manassas, VA . . . Due to the resurgence in Covid-19 cases and capacity restrictions put in place by the Governor's office to protect public safety, the Harris Pavilion will not be able to open this season for ice skating. Public safety is our main priority but the limitation in how many people can be on the ice at any given time also makes opening the rink financially unfeasible. In lieu of ice skating, the City has purchased several propane heaters that will be placed strategically within the pavilion to allow for expanded outdoor dining during the lunch and dinner hours. By doing this, we hope to support our restaurants by providing additional opportunities for outdoor dining and encourage our community to support City restaurants this winter. The City, along with our partner, Rink Management, Inc., look forward to returning ice skating to the Harris Pavilion next winter.
