Dawood Named Utilities Director

City of Manassas, VA . . .After a national search of candidates, Tony Dawood, Acting Director of Utilities, has been promoted to Utilities Director for the City of Manassas. In this position, Dawood will be responsible for the day-to-day operations and management of the water, sewer, electric, customer services and utilities finance functions for the city.

Tony Dawood has more than 30 years experience working for public sector water and sewer utilities in Virginia and Florida. He began working for the City of Manassas in December 2010 as Deputy Director of Water and Sewer and has been serving as Acting Utilities Director for the past several months. Besides leading the day-to-day activities of the department, Dawood has been personally involved in upgrades to the Water Treatment Plant, the Lake Manassas Dam Safety Modification Project and the new 36-inch transmission main being constructed from the water plant to the City of Manassas. He is a graduate of Penn State with a Bachelor's Degree in Environmental Engineering and is a registered Professional Engineer in the Commonwealth of Virginia.
