E-MAIL _____

Requestor plans to demolish building(s) or structure(s) at the following address:

Demolition is to begin on or about: Date _____, 200 ____.

I have contacted **Columbia Gas of Virginia at 1-800-543-8911** to have the natural gas service disconnected and the natural gas facilities abandoned at the property noted above.

Please provide verification, as required by Section 117.3 of the Virginia Statewide Building Code, that all service connections of Columbia Gas of Virginia at that address have been removed, sealed or plugged satisfactorily.

Requestor will not begin demolition until he/she receives verification from Columbia Gas that its facilities are ready for the demolition.

In addition Requestor will call Miss Utility at 1-800-552-7001 prior to beginning the demolition, and will follow all applicable Virginia laws and regulations regarding (1) locating and verifying underground utility lines, and (2) demolition activities in the vicinity of such lines.

TO BE COMPLETED BY COLUMBIA GAS OF VIRGINIA

Customer Account Number: _____

This is to confirm that the natural gas service has been abandoned at the above address in preparation for demolition activities.
