

2023-2028 General Permit Overview

This general permit regulation governs point source stormwater discharges from regulated small municipal separate storm sewer systems (MS4s) to surface waters of the Commonwealth of Virginia. This general permit outlines what needs to be included in the City's MS4 Program Plan, the TMDL Action Plans (Local and Chesapeake Bay), etc. This general permit came into effect on November 1, 2023 and will expire on October 31, 2028.
