Manassas VA 20110

Your nutrient management plan (NMP) dated 3/1/2023 located in the City of Manassas has been approved by the Virginia Department of Conservation and Recreation (DCR). The approved plan is for 3.5 acres. Only nutrient recommendations for applications to be made after the date of this letter are approved by this letter. Your NMP was written by Travis Martin, a nutrient management planner certified by DCR.

This site has not been inspected by DCR and this approval is contingent upon site conditions being as stated in the NMP. Any revisions to this plan must be approved by DCR. Any change in personnel resulting in a change to the plan manager should be reported to the Certified Nutrient Management Planner who will then make DCR aware. Please note that this letter should be kept with the NMP and supporting documentation including nutrient application records. This plan expires on 2/28/2026. Please feel free to contact me with any questions or concerns regarding this approval.

Best regards,
