

DIVISION 2. AIRPORT COMMISSION

Code 1976, § 2.25; Ord. No. 371 2nd series, § 1, 4-7-1997

Sec. 2-162. Composition.

An airport commission is hereby established.

Sec. 2-162. Composition.

The Airport Commission shall be composed of seven members.

Sec. 2-163. Terms and qualifications.

All appointments thereto shall be made for a term of three years from and after the June 1 of the year of their respective appointments and shall be staggered so that the terms of two members shall expire each year on May 31. No commissioner shall, during the term of his membership, hold any other office or position in the city government. The commission shall elect its chairman, vice-chairman and secretary from among the appointed members

Sec. 2-164. Powers.

The airport commission shall have power and shall be required to:

- (1) Develop and submit to the council for adoption a master plan for the physical development of the municipal airport and from time to time offer amendments, extensions and additions to such master plan which shall show the commission's recommendations for development of the municipal airport
- (2) Make and recommend to the council an airport zoning plan for the protection of the airport and the airport users
- (3) Submit annually to the council, not less than 90 days prior to the beginning of the budget year, a recommended budget including a list of capital improvements, which in the opinion of the airport commission are necessary or desirable to be constructed during the forthcoming year
- (4) Promote public interest and understanding of the master plan and of the airport zoning and physical development of the municipal airport
- (5) Meet no less than once each month and keep a public record of its resolutions, findings and determinations
- (6) Cooperate and consult with the state department of aeronautics and with the Federal Aviation Administration in the development, maintenance and operation of the municipal airport
- (7) Develop and submit to the council for adoption policies pertaining to the general management of the airport and the use of airport facilities and to recommend rental fees and service rates for the use of the airport facilities.
