

WORK SESSION LOCAL BOARD OF APPEAL AND EQUALIZATION  
MARCH 14, 2017

Attendance – David Parsons, Carolyn Runholt, Nick Johnson, Glenn Bayerkohler, James Lozinski, Steven Mister, John DeCramer, Bob Byrnes.

Meeting called to order by Byrnes at 4:30 p.m. at the Middle School District Office. Parsons reviewed information sent to the Council previously regarding property sales and valuation/classification adjustments for the 2017 assessment and the upcoming Local Board of Appeal and Equalization (LBAE) meeting. Discussion followed.

On-line LBAE training was discussed. Currently Councilmembers DeCramer and Byrnes are certified LBAE members through 7/1/20 and Bayerkohler is certified until 7/1/17. Discussed the requirement for at least one certified member to be in attendance at the LBAE meeting. If a certified member is not in attendance, the LBAE reverts to an open book meeting and the Local Board loses its meeting authority for the current and the following year.

Meeting adjourned by Byrnes at 5:15 p.m.
