

WINTER-SPRING 2024

m
MARSHALL
COMMUNITY SERVICES

Cultivating the Best in Fun!

In gratitude,

As we approach the upcoming winter months, we look forward to family gatherings and showing appreciation and gratitude through our various celebrations with each other. We, too, are grateful for a successful 2023.

In reflection, the Community Services Department's past year has certainly been one of transition and forward momentum.

We enjoyed an active Red Baron Arena and Expo Center with daily use, tournaments and community events. Our Parks Department ensured facilities were ready for enjoyment while also overseeing the construction of a new park shelter at the Amateur Sports Complex, a new inclusive playground at Independence Park as well as a shared partnership with SMSU and the community that supported the construction of an outdoor basketball court. Recreation saw increased enrollment numbers in a variety of programs.

We appreciated Office Assistant LuAnn Anderson joining us on a permanent, part-time basis to help us administratively, but also provide consistent public support.

Community Education welcomed our new Community Education Director Jasmine DeSmet in late August, and she has been busy getting acclimated to the position as well as connecting with instructors, students and her peers in the profession.

The Adult Community Center not only looked back on 2023, but the past 35 years as it celebrated the Center's opening in 1988. This facility was made possible by members of our senior population who strived to have dedicated space for their activities and formulated the project along with the help of a voter approved referendum.

Like the Adult Community Center 35 years ago, the proposed aquatic center this past year had been carefully reviewed, studied and presented to the public for their consideration with a referendum vote that took place on November 7th. After a successful referendum of over 65%, final design plans for a new Marshall Aquatic Center are underway! We are so appreciative of your support!

Many moments this past year can be celebrated, and we want to thank you for being able to share your time with us. Take the opportunity to view our community offerings, and as always, please contact us with any questions or suggestions.

Marshall Community Services Mission Statement

The mission of Marshall Community Services is to promote or provide, through leadership, facilitation, partnerships and collaboration, an enriched community experience for all citizens.

Welcome to our 2024 Marshall Community Services Winter/Spring offerings.

Check out the NEW classes and activities available within this edition. Browse and find something right for you and your family.

Registration for Marshall Community Services' classes and activities begins **Wednesday, December 20 at 8:30 a.m.** (unless otherwise noted in class description) and is available online, 24 hours a day, 7 days a week.

Register online at <https://bit.ly/MCS-Registration>

Please call 507-537-6767 with any questions. You can visit the MCS office to register or MCS staff can take care of your registration over the phone with a Visa, MasterCard or Discover. MCS office hours are 8:00 a.m. to 4:30 p.m. Monday - Friday.

Satisfaction Guarantee Policy - If you are not satisfied with a class or are unable to participate for any reason, please contact MCS immediately. MCS's policy is to provide 100% refund to anyone who makes a request before the beginning of the 2nd class meeting. Requests received after the second-class meeting will entitle participants to a prorated refund, based on the number of classes remaining at the time the application for refund is made. **Satisfaction guarantee does not apply to adult sports leagues, one-time classes, Driver's Education classes, special events or trips. There will be no refunds on class materials purchased.**

Cancellation Policy - MCS reserves the right to cancel classes due to enrollment numbers. Registrants will be notified of cancellation before the class begins, and a full refund will be given.

Class Limit - When classes have limited registration, they will be on a first-come, first-serve basis.

Scholarships - Scholarships are available to Marshall city and school district residents of all ages who have the need and attend Marshall Public Schools. It is the philosophy of the MCS Advisory Board that no person should be deprived of an activity because of the inability to pay the fee. Parents must request the scholarships for their families. Approval for scholarships must be made **prior** to registration. Call the MCS Office (507-537-6767) for more information.

Thank you for participating in Marshall Community Services (MCS) activities and classes. The MCS Department does not provide accident insurance in any of its programs or activities and participants assume all inherent risk of injury resulting from their involvement in programs or activities. Participants, upon payment of activity/program fee, give consent to the use of any photographs taken by the MCS office, its employees, agents and elected officials and agree such photographs shall be the property of the MCS Department and are not entitled to compensation of any kind for the use of such photographs.

Photographs may be used by the City on its website, social media venues, including but not limited to Facebook/Instagram/Twitter (now called X), as well as promotional materials.

*Thank
you!*

Thank You For Making A Splash!

Thank you to everyone who took time to vote on this very important decision for our community! The question of whether to extend the sales tax to fund construction of an aquatic center passed with a total of 1,455 “yes” votes to 735 “no” votes. City staff are in the process of working with Stockwell Engineering on final design plans for the new aquatic center and are excited to keep this project moving forward.

Initial design concepts for the new aquatic center were developed with input from the public. Community members expressed their desire for a variety of new amenities and offerings including increased opportunities for younger children, modernized pool features, an improved bath house, a concessions area in view of the pool area, a splash pad, and more shade. The current design plans include aquatic elements that can accommodate a wide age range of activities and offer more space for different programs that better serve patrons and staff.

WELCOME TO EARLY CHILDHOOD FAMILY EDUCATION (ECFE)

ECFE is an Early Childhood Family Education and School Readiness program.

We honor families and parents as a child's first teacher by providing Parent Education through ECFE classes. ECFE classes are designed to strengthen families and support a child's healthy growth and development.

We provide parent education, together with early childhood education, for parents and their children aged birth to kindergarten enrollment. This includes expecting parents.

Classes are held at Park Side Elementary in the Early Childhood Wing, 1300 E. Lyon Street, Marshall, MN.

Follow us on Facebook for announcements and events at 413 Marshall Early Childhood-ECFE/Preschool

Registration: In person, phone or online at Marshall Community Services at 507-537-6767 or <https://bit.ly/MCS2023Registration>. *If you plan to utilize the family fee and register more than one child, please **register all children attending classes, including infants.**

*No one will be excluded because of inability to pay. *Class fees are charged for all sessions. *Children must be appropriate age on the first day of class and have immunizations up to date. *Registration gives the program permission to use photographs or video for program use. *If we have a 2 hour late start, class will be from 10:00 – 11:00 AM. *Classes will not be made up if cancelled due to inclement weather, as we have a virtual option.

For cancellation notices: www.marshallradio.net

CLASS AGE RANGES

When reviewing the class offerings, you will find specified ages for each class. The age range pertains to the first day the class.

WHAT CAN I EXPECT WHEN ENROLLING IN AN ECFE CLASS?

While many summer classes focus on a non-separating parent child experience, a typical ECFE class has 3 components:

- **Parent/Child Interaction** - During this time, parents and children will participate together in fun activities that support foundational learning, planned by a licensed early childhood teacher.
- **Parent Discussion Time** - Parent discussion provides an opportunity to connect with other parents in a supportive environment. You will discuss and gain relevant information on topics related to supporting children's growth and development as well as topics. A licensed educator facilitates the parent discussion component.
- **Early Childhood Education** - As parents participate in parent discussion, children are participating in age-appropriate learning activities planned by a licensed early childhood teacher. The activities that your child will participate in are intentionally planned to support social/emotional, language and literacy, math, creativity, cognitive, physical, and motor development.

ECFE Winter/Spring CLASSES

Family Fun Times (birth - 4 years 11 months) *Non-separating*

Dress up for dramatic play, explore the wonders of math, science and your senses while you squish, squeeze and create. Expand language skills at story and circle time.

575.001 Tuesdays 9:30 – 11:00 A January 2 - May 7
Fee: \$56 **No Class:** Jan. 23, Feb. 20, Mar. 26, Apr. 2 **Min. 3, Max. 11**

Creating Connections (birth - 4 years 11 months) *Gradual-separating*

Teaching kids to share, care, and be self-aware. Come find out how to support your child in making connections through eye contact, presence, touch and playfulness. Children will enjoy activities that teach sharing, making friends, and solving problems. Parent discussion will be held in the classroom while children continue to play. Discussion topics will be chosen by the parents in the class to best support their current needs in supporting their children.

575.002 Wednesdays 9:30 – 11:30 A January 3 - May 8
Fee: \$60 **No Class:** Feb. 21, Mar. 20, 27, Apr. 17 **Min. 4, Max. 11**

One's and Two's (12 - 30 months) *Non-separating*

This age is filled with a driven sense of wonder and discovery. Children are fascinated as they explore their world, learning to talk, think for themselves and to act independently. Come sing, play, and explore our educational early childhood room. Parents remain in the room and younger siblings are welcome. Parent educator visits: second Thursday of each month.

575.003 Thursdays 9:30 – 11:00 A January 4 - May 9
Fee: \$60 **No Class:** Jan. 18, Feb. 22, Mar. 21, 28 **Min. 4, Max. 11**

Successful Separation (birth - 4 years 11 months) *Separating class with Parent Education*

Want your child to be successful? Let them play! Playtime is precious and builds brain pathways for thinking, creativity, flexibility, empathy, impulse control, and many other lifelong skills. When children gain social and emotional skills and confidence in the early years, academic learning naturally follows. *If your child is not ready to separate, please consider registering for a non or gradual separating class. Topics will be chosen by the group of parents according to their current needs to be successful.

575.004 Fridays 9:30 – 11:30 A January 5 - May 10
Fee: \$60 **No Class:** Jan. 19, Feb. 16, Mar. 22, 29 **Min. 4, Max. 11**

To Register

575.005

Please **register by February 16th** - and include everyone that will be attending.

New baby in the house? Congratulations! ECFE would like to tell you about the fun, educational opportunities we offer for you and your child. We would also like your contact information for the census and to update you on early childhood screening.

Call 507-929-2633 to share your good news or email: SaraJean.Kompelien@Marshall.k12.mn.us

Early Childhood Screening

Minnesota statute states that all children be screened prior to school enrollment. Age 3 is the recommended age for this health and developmental screening. Screening helps identify children who may benefit from additional learning or health services before they enter kindergarten. This simple, free screening checks your child's height, weight, vision, hearing, speech and development. Your child's immunizations will also be reviewed.

When your child is 3 years old, sign up for screening at 507-929-2639. Screenings are held at Park Side School, 1300 E. Lyon Street Marshall, MN 56258.

Marshall Little Cubs Preschool – Preschool classrooms are located at Park Side Elementary School. Join Little Cubs where learning is “roaring” fun! Children must be 3 or 4 years old by September 1, 2024. Call 507-929-2633 for more information and class availability. Registration opens in February. Scholarships are available.

Are you concerned with your child's development?

www.Helpmegrowmn.org is a great site to check your child's development milestones and if needed complete a referral. There are no fees, and your local school district will help provide resources to you and your little one.

Music of the Civil War**Thursday, January 25 at 10:30 a.m.**

The Civil War has been called "The Musical War" because of the astounding impact that music had on the conflict. Over 50,000 soldiers served as musicians on both sides of the battle, over 10,000 songs were written during the short 4 years of the war, and over 1,200 bands played and performed for soldiers and officers throughout the war. The music of the Civil War rang true in the hearts and minds of the soldiers many years after the conflict had ended. Join us as we learn more from American History Storyteller, David Johnston. Contact the center to reserve your seat.

**SAIL April 9 - June 7, 2024**

Stay Active and Independent for Life (SAIL) is an evidence-based strength, balance, and fitness program for adults 65 and older. Man Cave

Written and performed by Timothy Mooney

February 12 - 13, 2024

The last man on earth broadcasts warnings for anyone who might still be out there listening. As he gradually accepts that maybe there ISN'T anyone left to listen, he turns his attention to the vast expanse of space, trying to explain to other species how not to do what we did! Man Cave is a stirring rallying cry for saving the planet, dripping with irony and edgy humor.

An Inspector Calls

By J.B. Priestley

April 10 - 14, 2024

In this suspenseful thriller, the mysterious Inspector Goole interrupts a family celebration to interrogate the well-to-do Birling family about the death of a young woman. One startling revelation after another drives the family – and the audience – to consider how our actions impact the lives of those around us.
