Statement of Evidence

The corner was originally established during the Public Land Survey of 1854, by Oswald Brunius.

The Martin County Highway Dept. Tie Records indicate the corner was a stone, now gone, a conc. mon. was set in its place (16" deep), with a R.R. Spk over mon. (surface)

On Aug. 03, 1993, I found a R.R. Spk (surface)

The History shown was obtained from the Martin County Highway Dept. Tie Records and existing Certificates of Location, only. Further History information may be obtained from the Martin County Recorder.
