

CIVIC and Local Government Federal Credit Unions' Round Table Sessions

The Leadership Team of The Local Government Federal Credit Union are excited to have the opportunity to meet with Martin County residents to answer any questions about the Credit Union.

The goal is to provide insight and clarity on the current state of LGFCU and what the path to independence means for the members and our future. We recognize members are confused, anxious and have lots of questions. This is a time to meet with some of our leadership team to get those answers.

These sessions are very casual and conversational. An open dialogue with the attendees is encouraged and contact information will be provided for those who wish to speak privately.
