

Public Notice

The Martin County Board of Commissioners will have the final meeting of the year on December 13th at 7:00 pm. Your support throughout the year has been invaluable, and we look further to your participation on Wednesday.

To ensure the safety and security of all attendees, we would like to notify you that there will be additional security measures in place prior to entering and exiting the building. These measures will be implemented to guarantee the well-being of everyone present and to create a secure environment for open and productive discussions.

As a result, we anticipate that entry and exit from the building may take longer than usual. We kindly ask for your understanding and cooperation as we work together to maintain a safe and welcoming atmosphere.
