

Advertisement of 2024 Tax Liens on Real Property

Under and by virtue of the authority vested in me by Section 105-369 of the North Carolina General Statutes and pursuant to an order of the Board of Commissioners of Martin County and an order from the Town Councils of Bear Grass, Everetts, Hassell, Hamilton, Jamesville, Oak City, Parmele, and Robersonville, I hereby advertise tax liens for the 2024 tax year upon the real estate described herein by Parcel Number and Description. The amount advertised will be increased by costs and interest and the omission of any costs or interest from the amount advertised will not constitute a waiver of the taxing units’ claim for these items.

The real estate that is subject to the lien, the name of the owner of record on January 6, 2025, and the principal amount of taxes due thru this date are set out below. If the taxes remain unpaid the lien may be foreclosed and the real property subject to the liens may be sold in satisfaction of the taxing unit’s claim for taxes.

April 3, 2025
Kimberly Ross
Tax Collector for Martin County and the Towns of
Bear Grass, Everetts, Hassell, Hamilton, Jamesville,
Oak City, Parmele , and Robersonville

Additional Notes:
• Payments received after April 3, 2025 may not be reflected in this list

Information Regarding the Advertisement of Tax Liens

North Carolina law requires local tax collectors to annually advertise current year unpaid tax liens on real property. The advertisement of tax liens is a very serious matter because it is the first step in the in rem foreclosure process.

Taxes levied on real estate for 2024 became delinquent on January 6 , 2025. The owner of record as of January 6, 2025 is responsible for the payment of taxes. Proration agreements between buyers and sellers are strictly between the buyer and seller. As far as the Tax Collector is concerned, the January 6 owner bears the responsibility for payment and is the owner listed in the unpaid tax advertisement.

The advertising list contains the name of the January 6 owner, the parcel identification number, the property description, and the principal amount of unpaid 2024 real estate taxes. This listing reflects payments processed in the Tax Collector's office through April 3, 2025. Any payments processed after that is charged advertisement costs in addition to applicable interest.

Delinquent taxes are collected through all remedies available by the North Carolina General Statutes including (but not limited to) wage garnishment, bank attachment, the NC Debt Setoff Program, and foreclosure on real property. Martin County began using enforcement procedures on delinquent 2024 taxes on January 6, 2025, the “past due or delinquent” date. More than one enforcement procedure may be used at the same time. Additional costs and fees associated with enforcement will be added to past due tax bills as per NC General Statutes. Enforced collection procedures do not apply to taxpayers who have a current United States bankruptcy court case.
