WATER CONSERVATION ADVISORY RESCINDED

MARTIN COUNTY WATER DISTRICT 1
ID NO. NC 60-59-003

The Water Conservation Advisory for the water customers of Martin County Water District 1 in the area north of the Town of Hamilton has been **RESCINDED**. Maintenance on the main water line that serves the area north of the Town of Hamilton scheduled for Monday, February 3, 2020 has been completed with no water service interruption.

Water customers may return to normal usage with no restrictions.

This advisory has been issued on Monday, February 3, 2020 by Ed Warren, County Water Manager, Martin County Water District 1 (252-789-4345).

Questions may also be directed to Jamie Midgett, Regional Engineer, Public Water Supply Section, Division of Water Resources, Washington, NC (252-946-6481).

The Water Department apologizes for any inconvenience this may have caused our customers. We also thank our customers for their understanding and patience concerning this necessary repair.

As always, the Water Department urges consumers to conserve water whenever possible.
