

ANNOUNCEMENT

August 20, 2021

Potable water served by **Martin County Water District 1** (NC PWS ID #60-59-003) has been restored to near capacity. Samples collected from multiple locations within the system have been analyzed by a State Certified Laboratory and found to be free of coliform bacteria.

Based on these results and the continued presence of consistent pressure throughout the system, the **SYSTEM PRESSURE ADVISORY** issued on August 19, 2021 for the customers with service addresses on **NC Highway 111** is **RESCINDED**, effective immediately.

Persons served by this system are urged to continue to manage their water usage and consumption, and report any leaks or problems to the *Martin County Water Department*.

Thank you for your patience and cooperation.

Ed Warren, County Water Systems Manager
