Public Comment NONE

Tablets for COA Seniors Finance Officer

Discussion: The Committee reviewed a request regarding tablets for seniors. This is similar to the Grandpads program that was so popular but with the MiDEAL program we can get a better rate from Verizon. The tablets would be \$99.99 each with a monthly cost of \$35.99 with no set up fee. The funding would cover 16 tablets with one year of internet service plus 4 additional tablets for seniors use without internet for a total cost of \$9,274.88.

Conclusions: The Committee will recommend to the Board that the purchase be approved as requested.

Financial Reports Finance Officer

Discussion: The Committee reviewed the February Financial Reports.

Conclusions: The Committee will recommend to the Board that the reports be accepted and placed on file.

Commissioner Per Diem and Travel

Discussion: The Committee reviewed and approved all Commissioner per diem and travel.

Listed Bills

Discussion: The Committee reviewed all bills.

Conclusions: The Committee will recommend that all bills be paid.

Other Business

Discussion: The Committee reviewed a memo with the list of possible projects that came out of the two Committee of the Whole meetings. The next step would be to send out letters to seek established partners in the community to implement these.

Conclusions: The Committee will recommend to the Board that letters be written and signed by the Board Chair.

Adjournment 2:07 PM

RE:

computers for seniors

Here is an update and request regarding the tablets. There is a better deal by purchasing through Verizon and utilizing the county's MiDEAL program. Kyle, who is the county's Verizon representative, can supply these tablets for \$99.99 each and the monthly cost would be \$35.99. No set up fee per Kyle. Service and the tablets can be paid for by invoice and at the end of the one year term Kyle can shut off the internet. At that point it would be up to the senior to continue on with service or use the tablet as is. We would have a few hundred dollars left over with the new plan which would allow us to purchase a few additional tablets for seniors to use on their own without prepaid service.

Previous Plan:

						Total annual		With	
Tablet	QTY	Cost ea.	Set up fee	Monthly cost	Carrier	Expense Each	Total	Instructor	Total
Samsung Galaxy Tab A7 Lite 4G	15	\$204.25	\$35	\$30	Verizon	\$599	\$8,985	\$365	\$9,350

Updated Plan:

TABLET BUDGET 2022	\$ 9,350.00		C THE COLUMN TO					**************************************
					Total annual		With	
Tablets with service	QTY	Cost ea.	Monthly cost	Annual cost	Expense Each	Total	Instructor	Total
Samsung Galaxy Tab A7 Lite 4G	16	\$99.99	\$ 35.99	431.88	\$ 531.87	\$ 8,509.92	\$ 365.00	\$ 8,874.92

Plus 4 additional tablets at \$99.99 each for seniors with the remainder of the funding would bring us to a total of \$9,274.88 for 20 tablets.

We were given permission to accept these dollars and I would like to move forward by having Janet make the purchase in the updated plan above through the MiDEAL program with Kyle at Verizon.

Thank you!
