I authorize the State of Michigan to deposit all support payments into the designated financial institution and account, and to initiate correcting entries, if necessary. I understand that the deposits will be made electronically, under the rules of the National Automated Clearing House Association (NACHA), and the State of Michigan. This authorization will remain in effect until cancelled by me with written notification to the state, or cancelled by the financial institution or the State of Michigan, at which time they will notify me by mail at the most current address they have on file for me.

The Michigan Department of Health and Human Services will not exclude from participation in, deny benefits of, or discriminate against any individual or group because of race, sex, religion, age, national origin, color, height, weight, marital status, gender identification or expression, sexual orientation, partisan considerations, or a disability or genetic information that is unrelated to the person's eligibility.

Michigan Law requires that child support be sent electronically. Child support payments are received through:

Direct deposit into a personal checking or savings account; or Direct deposit to a child support debit card.

You will receive a check for your first payment, but will be asked to set up either direct deposit or a debit card. If you do not make a choice, you will automatically be issued a debit card.
