AGREEMENT

This Agreement, made and entered into this 2nd day of February 2023, effective February 2, 2023, by and between the MECOSTA COUNTY BOARD OF COMMISSIONERS and the MECOSTA COUNTY SHERIFF (hereinafter referred to as "Employer" or "County") and the POLICE OFFICERS ASSOCIATION OF MICHIGAN (hereinafter referred to as "Union" or "POAM").

ARTICLE 1 PURPOSE AND INTENT

1.1: Purpose.

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and peaceful labor relations for the mutual interest of the Employer, and the Union.

1.2: Service to Community.

The parties recognize that the interest of the community and the job security of the Sheriff's Department employees depends upon the success in establishing a proper service to the community.

1.3: Cooperation.

To these ends the Employer and the Union encourage, to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

1.4: Past Practice.

This agreement, including appendices, supersedes and cancels all previous agreements, verbal or written or based upon alleged past practices, between the parties and constitutes the entire agreement between the parties. Any amendment or agreement supplemental hereto shall not be binding upon either party unless executed in writing by the parties to this agreement.

ARTICLE 2 RECOGNITION OF UNION

2.1: Recognition.

Pursuant to and in accordance with all applicable provisions of Act 379 of the Public Acts of 1965, as amended, the Employer does hereby recognize the Police Officers Association of Michigan as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment and other conditions of employment for the term of this Agreement of all employees of the Employer included in the bargaining unit described below:

All full time certified Mecosta County Sheriff's Department employees who are in the Sergeant and Detective Sergeant classification, and excluding Sheriff, Undersheriff, Captains, Lieutenants, Deputies, Animal Control Officers, Corrections Sergeants, Corrections Officers/ Court Officers, Secretaries, and all other employees.

2.2: Aid to Other Bargaining Agents.

The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union's representation of the bargaining unit described in Paragraph 2.1.

2.3: Strikes.

The Union agrees that neither the Union, its agents, nor its members will authorize, instigate, aid, condone or engage in a work stoppage, slowdown, strike or other concerted activity which interferes with the operation of the department. Individual employees or groups of employees who instigate, aid, or engage in a work stoppage, slowdown or strike may be disciplined up to and including discharge.

ARTICLE 3 RECOGNITION OF RIGHT OF EMPLOYER

3.1: Employer Rights Reserved.

Nothing in this Agreement shall be deemed to limit or curtail the Employer in any way in the exercise of its rights, powers and authority, unless and only to the extent that specific provisions of the Agreement curtail or limit such rights, powers and authority. The Union recognizes that the Employer's rights, powers and authority include, but are not limited to, the right to direct and manage the work force, including, by way of illustration, the determination of policies, operations, assignments, schedules, discipline, layoff of employees, purchasing equipment and maintenance of equipment, except as any of these rights are expressly abridged by the provisions of this Agreement.

3.2: Rules.

The Employer shall have, within its discretion, the right to make, amend, supplement or delete rules and regulations. However, the Association President shall receive a copy of any new or modified rules or regulations twenty-four (24) hours prior to its effective date, unless conditions warrant immediate implementation. If there is concern regarding the fairness of the rule or rule change, the President may request a special conference between himself and another Association representative, the Sheriff or his/her representative and the Chair of the Personnel Committee.

ARTICLE 4 AUTHORIZATION FOR DUES/FEES DEDUCTION

4.1: Dues.

A bargaining unit employee may sign an authorization for deduction of dues/fees for membership in the Union. The authorization for deduction of dues/fees may be revoked by the bargaining unit member upon written notice to the Employer, with copy to the Union.

4.2: Amount.

The amount of dues/fees shall be designated by written notice from the Union to the Employer. If there is a change in the amount of dues/fees, such change shall become effective the month following transmittal of the written notice to the Employer. The Employer shall deduct the dues/fees once each month from the pay of the employees that have authorized such deductions.

4.3: Deductions.

Deduction of dues/fees shall be remitted to the Union at 27056 Joy Rd., Redford, MI., 48239-1949. In the event a refund is due an employee for any sums deducted from wages and paid to the Union, it shall be the responsibility of such employee to obtain the appropriate refund from the Union.

4.4: Correction of Errors.

If an authorized deduction for an employee is not made, the Employer shall make the deduction from the employee's next pay after the error has been called to the Employer's attention by the employee or Union.

4.5: Employer Obligation.

The Employer shall only check-off obligations which come due at the time of check-off, and will make check-off deduction only if the employee has enough pay due to cover such obligation. The Employer is not responsible for refund to the employee if he/she has duplicated a check-off deduction by direct payment to the Association.

4.6: Notice to Employer.

The Employer's remittance shall be deemed correct if the Association does not give written notice to the Employer within two (2) calendar weeks after a remittance is transmitted of its belief, with reason(s) stated therefore, that the remittance is incorrect.

4.7: Union Authority.

Unless otherwise provided in this article, all matters pertaining to a bargaining unit employee establishing or reestablishing membership in the Union, including requirements established by the Union for providing paid services to non-union bargaining unit employees, shall be governed by the internal conditions mandated by the Union pursuant to its authority under section 10 (2) of the Public Employment Relations Act.

4.8: Indemnity of Employer.

The Union will protect, save harmless and indemnify the Employer from any and all claims, demands, suits and other forms of liability by reason of action taken by the Employer for the purpose of complying with this article of the agreement.

ARTICLE 6 BARGAINING COMMITTEE

6.1: Bargaining Committee.

The bargaining committee will include not more than two (2) employees; and, in addition thereto, may include not more than two (2) non-employee representatives. The Association will furnish the Employer with a written list of the bargaining committee members prior to the first bargaining meeting and substitution changes thereto, if necessary.

6.2: Compensation When Scheduled.

No more than two (2) employee members on the bargaining committee will be paid for the time spent in negotiations in the event they are scheduled to work during a bargaining meeting. Said time shall be only for straight time hours they would otherwise have worked on their regularly scheduled shift. Employees shall return to their work stations after negotiations have terminated, provided that there is time left in their normal schedule. Employees shall report to work prior to negotiations in the event that negotiations are to commence subsequent to the start of their normal shift. Prior approval of the Sheriff is required for attendance at negotiation caucuses if they are to occur during the employee's regularly scheduled work time.

6.3: Not Scheduled.

No pay shall be received for time spent in accordance with this section if the employee is not scheduled to work.

ARTICLE 7 GRIEVANCE AND ARBITRATION PROCEDURES

7.1: Grievance Definition.

For the purpose of this Agreement, "grievance" means any dispute filed by an employee covered by this Agreement or the Union regarding the meaning, interpretation or alleged violation of the specific terms and provisions of this Agreement, as written.

7.2: Grievance Procedure.

Every effort shall be made to adjust disputes in an amicable manner between the Employer and the Union. All grievances shall be processed under the following procedures:

A. Non-Economic Grievance Procedure.

All grievances that involve discipline or discharges; departmental operations without direct fiscal impact; or fiscal matters within the Sheriff's jurisdiction, shall be processed in the following manner:

Step 1. Verbal Procedure. An employee, or the Union President, with a grievance shall, either within five (5) days of the occurrence or the incident which gave rise to the grievance, or the employee first becomes aware of or should reasonably have become aware of the occurrence of the grievance, first discuss the grievance with the Sheriff or his designee with the object of resolving the matter informally. If requested, the Union Representative may be present. The Sheriff or his designee shall give his answer to the grievance within ten (10) working days.

Step 2. If the grievance is not satisfactorily settled in Step 1, it shall be reduced to writing, dated and signed by the aggrieved employee and union representative or by the Union President and shall set forth the facts and the provisions of the Agreement that are alleged to have been violated and the remedy desired. The grievance shall be submitted within five (5) working days after the Sheriff's Step 1 answer. Any claims not conforming to these requirements shall automatically be defined as not constituting a valid grievance. A meeting between the Sheriff or his designee, the officer filing the grievance and one Union representative shall be held to discuss the grievance within seven (7) working days after receipt of the grievance by the Sheriff.

The Sheriff or his designee will then answer the grievance in writing within seven (7) working days from the date of the meeting at which the written grievance was discussed.

Step 3. Request for Arbitration. If the grievance has not been settled in Step 2 the Union may submit such grievance to arbitration, provided such arbitration is requested in writing within thirty (30) working days after receipt of the Step 2 answer.

B. Economic Grievance Procedure.

All grievances that involve fiscal matters outside of the Sheriff's jurisdiction shall be processed as follows:

Step 1. Verbal Procedure. An employee, or the Association President, with a grievance shall, either within five (5) days of the occurrence or the incident which gave rise to the grievance, or the employee first becomes aware of or should reasonably have become aware of the occurrence of the grievance, first discuss the grievance with the Sheriff or his designee with the object of resolving the matter informally. If requested, the Union Representative may be present. The Sheriff or his designee shall give his answer to the grievance within ten (10) working days.

Step 2. If the grievance is not satisfactorily settled in Step 1, it shall be reduced to writing, dated and signed by the aggrieved employee and union representative or by the Union President and shall set forth the facts and the provisions of the Agreement that are alleged to have been violated and the remedy desired. Within ten (10) working days after the grievance has been appealed, a meeting shall be held between

representatives of the Employer and the Union. The Employer representatives shall be the Sheriff and the County Administrator. The Union's representative shall be the Union representative or his alternate. Either party may have non-employee representatives present, if desired. If the meeting cannot be held within the ten (10) working day period, it shall be scheduled for a date mutually convenient to the parties. The Employer shall give its written answer on the grievance within five (5) working days after the meeting and return the grievance to the Union representative.

Step 3. If the grievance disposition given in Step 2 is not considered satisfactory, the grievance may be appealed to Step 3 by the Union President who shall submit it to the Chairperson of the County Board of Commissioners no later than the end of the fifth (5th) working day following the date of the disposition of the grievance in Step 2. The Chairperson of the Board of Commissioners, or the Chairperson's designated representative, shall endorse the Union's copy of the grievance to show the date of receipt. The Board of Commissioners shall consider the grievance appeal at the Board's next regularly scheduled meeting set for a date more than seven (7) days after receipt of the Union's appeal. The Board shall give its written disposition of the grievance to the Union President within thirty (30) working days of the grievance meeting.

Step 4. Request for Arbitration. If the grievance has not been settled in Step 3, the Union may submit such grievance to arbitration, provided such arbitration is requested in writing within thirty (30) working days after receipt of the Step 3 answer.

- C. The same dispute shall not be considered under both the economic and non-economic procedures.

7.3: Arbitration.

The Employer and Union agree to use the following arbitrators on a rotating basis with arbitrator "A" being selected first:

- A. Thomas Barnes
- B. Mark Glazer
- C. George Roumell

If the arbitrator up for selection is not available, the next arbitrator on the list will be used. If none of the listed arbitrators are available, the Employer and the Union will attempt to agree on an impartial arbitrator. In the event the Employer and the Union are unable to agree on an impartial arbitrator, the arbitrator will be selected from a list of arbitrators submitted by the Michigan Employment Relations Commission (MERC). A list of seven (7) Michigan arbitrators will be requested from MERC, with each party having the right to strike three (3) names.

7.4: Arbitrator's Powers.

The arbitrator's powers shall be limited to the application and interpretation of this Agreement. The arbitrator shall be at all times governed wholly by the terms of this Agreement and he shall have no power or authority to amend, alter or modify this Agreement in any respect. It shall not be within the jurisdiction of the arbitrator to change an existing wage rate, or to establish a new wage rate, nor to rule on the Employer's right to manage and direct its work force unless there is contained in this Agreement a specific and explicit limitation of those rights, nor to infer from any provisions in this Agreement any limitation of those rights. If the issue of arbitrability is raised, the arbitrator shall only determine the merits of the grievance if arbitrability is affirmatively decided. By accepting a case from the parties, the arbitrator acknowledges his limitation of authority, and agrees not to decide an issue which is outside of his jurisdiction under this Agreement. The arbitrator recognized that the Employer is governed by certain laws of the State of Michigan and that the Employer exists for the purpose of serving the public and the arbitrator agrees that this Agreement shall be interpreted and construed consistent with such laws. Any award of the arbitrator shall not be retroactive prior to the time the grievance was first submitted in writing.

7.5: Arbitration Fees.

The arbitrator's charges for his services and expenses shall be shared equally by the Employer and the Association.

7.6: Arbitrator's Decision.

The arbitrator's decision shall be final and binding on the Employer, Union and employee, provided, however, that this shall not prohibit a challenge to the arbitration decision in a court of competent jurisdiction, if it is alleged that the arbitrator has exceeded his jurisdiction, or that such decision was obtained through fraud or other unlawful action.

7.7: Time Computation.

In applying the term "working days", Saturdays, Sundays and holidays recognized by this Agreement shall not be counted under the time limits established in the grievance procedure.

7.8: Time Limitation.

The time limits established in the grievance procedures shall be followed by the parties and the aggrieved employee. If the time limit procedure is not followed by the Union or the aggrieved employee, the grievance shall be considered settled without precedent. If the time procedure is not followed by the Employer, the grievance shall automatically advance to the next step, but arbitration shall only be instituted upon timely written notice by the Union. The time limits established in the grievance and arbitration procedure may be extended by mutual agreement reduced to writing and signed by the parties.

7.9: Grievance Settlements.

Settlement on any written grievance shall be reduced to writing and signed by the parties.

7.10: Expedited Grievance.

Should an employee who has been discharged or given disciplinary suspension consider such discipline to be improper, or if an employee feels they were improperly laid off, a grievance may be

processed initially at the written step of the grievance procedure (Step 2) of the non-economic grievance procedure within three (3) days of such action.

7.11: Back Pay.

Back pay shall be limited to the amount of the wages the employee would have earned from the time the grievance is submitted, less any amount received by the employee as Unemployment Compensation.

7.12: Election of Remedies.

A. When remedies are available for any complaint and/or grievance of an employee through any administrative or statutory scheme or procedure, such as, but not limited to, a veteran's preference hearing, or a Department of Labor hearing, in addition to the grievance procedure provided under this contract and the employee elects to utilize the statutory or administrative remedy, the Union and the affected employee shall not process the complaint through any grievance procedure provided for under this contract. If an employee elects to use the grievance procedure provided for in this contract, and, subsequently elects to utilize the statutory or administrative remedies, then the grievance shall be deemed to have been withdrawn and the grievance procedure provided for hereunder shall not be applicable and any relief granted shall be forfeited. However, it is further agreed that the election of a non-grievance procedure remedy by any employee shall not affect any grievances of other employees, nor shall any such non-grievance procedure remedy elected by an employee be binding upon the Union or other bargaining unit members unless the Union represents the employee in the non-grievance procedure forum. If a complaint is filed under the grievance procedure and the Michigan Employment Relations Commission (MERC), the parties agree that the grievance time limits shall be extended until the jurisdiction of MERC on the issue has been determined.

B. This section will not apply when its application would be contrary to or inconsistent with State or Federal law, including but not limited to, civil rights complaints, federal ADA and Rehabilitation Act complaints, and charges filed with the Michigan Department of Civil Rights or the U.S. Equal Employment Opportunity Commission (EEOC)

ARTICLE 8 SPECIAL CONFERENCES

8.1: Special Conferences.

For important matters, a special conference will be arranged between the President of the Association and the Sheriff or his/her designated representative upon the request of either party. Such meeting shall be between no more than two (2) representatives of the Association and one outside representative and not more than four (4) representatives of the Employer. Arrangements for such special conferences shall be made in advance and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those in the agenda. Conferences shall be held at a mutually agreed time. Special conferences shall not be used for further collective bargaining purposes. The members of the Association shall be excused from duty without penalty to attend special conferences held during a regularly scheduled work day, but shall not be compensated in any way for the time spent attending conferences which are not held during a regularly scheduled work day.

ARTICLE 9 DISCHARGE AND DISCIPLINE

9.1: Discipline and Discharge.

- A. Just Cause. The Employer may discipline a non-probationary employee for just cause only.
- B. Disciplinary Action. The disciplinary action against a non-probationary employee shall be reduced to writing by the commanding officer invoking the action and copies shall be furnished the member against whom the charges are brought, and if the employee wishes, to the Association.
- C. Meeting. If the disciplinary action involves discharge or a disciplinary layoff, the Employer representative effecting the disciplinary action shall meet with the non-probationary employee and the employee's steward if the employee requests, or in the steward's absence, another Association representative if one is working. The employee shall be given an opportunity to present his/her side of the facts concerning the disciplinary charges. The Association representative shall be given the right to meet with the disciplined employee before the non-probationary employee leaves the premises.
- D. Specific Section. The written disciplinary action shall be specific and shall cite the appropriate sections of rules and regulations and/or appropriate law or ordinance which the member is alleged to have violated, if applicable. Nothing shall preclude the Sheriff from disciplining or discharging an employee for an offense even if not provided for under the rules and regulations and/or law or ordinance as long as it is for just cause.
- E. Statement. Once an non-probationary employee has been issued the written disciplinary action, he/she shall not be required to make any further statement concerning the disciplinary action prior to the Step 1 grievance hearing. The employee shall be permitted the presence of a steward before any further voluntary questioning is done.
- F. Representation. The non-probationary member against whom charges have been made may be represented at the grievance hearing by the steward or Union representative.
- G. Past Infractions. In imposing any discipline on a current charge, the Employer will not base its decision upon any prior infractions or departmental rules and regulations which occurred more than two (2) years previously unless directly related to the current charge.

- H. Verbal Reprimands: Each notation entered as a verbal action reprimand shall be removed from the employee's file after twenty four (24) calendar months upon the employee's request.
- I. Written Reprimands: Each written reprimand shall be removed from the employee's file after twenty four (24) calendar months upon the employee's request. (Exception: If the same violation occurs within the two (2) year period, the first violation will be kept on record until the passing of twenty-four (24) months without the same violation.)
- J. Suspension Pending Investigation. In the event a member is suspended pending investigation for any reason, and as a result of the investigation is exonerated of the charges causing the suspension, he/she shall be compensated for all back wages lost due to the suspension, as determined by the arbitrator. The Sheriff may suspend employees pending investigation with or without pay, as determined by the Sheriff, in the Sheriff's sole discretion.
- K. Grievances. If there is to be a grievance concerning such disciplinary action, it shall be filed at Step 2 of the grievance procedure no later than the end of the fifth (5th) working day following the date of the disciplinary action.
- L. Final Effect. If any employee who is disciplined fails to file a grievance within the time specified, or if, upon the hearing of his/her grievance, he/she is found to have been properly disciplined, then his/her discipline shall be absolute as of the date of his/her discipline.
- M. Back Wages. If it is found that the employee should not have been disciplined, or that the penalty assessed him/her was too severe, then the employee's grievance shall be settled as shall be determined by the Employer and the Association at the Step 1 hearing, and the employee's payroll and personnel records shall be adjusted accordingly. If the employee is exonerated of the charges causing the suspension at the Step 1 hearing, he/she shall be compensated for all back wages to the suspension. Such wages shall be based on regular base pay hours and not include overtime, and shall be less any unemployment compensation received.
- N. Days. Days referred to in the above article shall be Monday through Friday, excluding Saturdays, Sundays and holidays.
- O. Political Elections. It is further agreed that no Association member shall be discharged or suspended as a result of the outcome of any political election.
- P. Discharges. Included among the violations for which an employee may be subject to discharge are conviction of a job related misdemeanor or making an intentionally false statement on any official police report.

ARTICLE 10 SENIORITY
