MIDDLETOWN TOWN COUNCIL MEETING

JULY 7, 2009

The Middletown Town Council met at its regular meeting on July 7, 2009 at 7:00 P.M. in the meeting room at the town hall. The meeting was called to order by council president, Jake Smith. Members Dan Fountain, Lisa Hicks-Smith, Jim Mundell and Tim Mundell were also present. After the pledge to the flag, the minutes of the previous meeting were approved as presented by Clerk-Treasurer Jim Hanson.

1. Jake Smith opened the business part of the meeting with the announcement of the annual car show and cruise-in to be held Saturday, August 8, 2009.
2. Larry Sheddric approached council concerning the organization of a town wide yard sale. He related that other communities he had lived in had used these sales in conjunction with their annual clean-up programs. In some places they have become annual affairs. Consensus of the council was to allow Larry to proceed with organizing and planning a sale for the third weekend in September, 2009.
3. Tracy Harrison announced that the next water board meeting would be August 4, 2009 at 6:00 P.M. in the training room. At this meeting the board will officially select officers for the board. Also, the clean-up for Fall Creek is now scheduled for August 1, 2009.
4. The public hearing for the consideration of Ordinance 06-16-2009 to re-establish the Cumulative Capitol Development Fund under Indiana Code 36-9-15.5 was re-opened after being tabled at the last meeting. Council president Jake Smith read the ordinance. Dan Fountain moved to pass the ordinance. Lisa Hicks-Smith seconded. After much discussion, a roll call vote showed Jake, Dan and Lisa voting yes and Jim and Tim voting no. The motion carried. The public hearing was closed.
5. Police chief Randy Wray reported to council that he had completed the firearm instructor's academy. Also, the police will be in the dunk tank at the car show to raise money toward their certification in firearm instruction.
6. Utility superintendent David Real informed council of the need for radio equipment in the trucks. Some of the current equipment needs repair and some just needs replaced. David will seek prices and report back.
7. There being nothing further to come before council, the meeting was adjourned.
