MINUTES OF THE
MOULTRIE COUNTY
FARMLAND ASSESSMENT REVIEW COMMITTEE
JUNE 1, 2017 MEETING

The Moultrie County Farmland Assessment Review Committee met on Thursday, June 1, 2017 in the 2nd Floor County Board Meeting Room of the Moultrie County Courthouse, Sullivan, Illinois. Chairman Barringer called the meeting to order at 8:30 a.m. The following Farmland Assessment Review Committee members were present: Lori Barringer, Michael Brewer, Steven Jurgens, Lucas Roney, and Robert Riley.

There was no correspondence other than that discussed below.

Lori Barringer stated that there was to be a guest speaker, Brenda Matherly from the Springfield Farm Bureau, but she was unable to attend per being out of state for her job. Brenda suggested that the committee contact the local farm bureau to schedule a land owner meeting if necessary. A few committee members had been to the meeting in Douglas County and did not feel there was enough of a turn out to justify having one in Moultrie County.

Mr. Jurgens made a motion that the Moultrie County Farmland Assessment Review Committee approve the Illinois Department of Revenue “Certified Values for 2018 Farmland Assessments” and the procedures for implementing same. Mr. Brewer seconded the motion. The motion passed by a unanimous voice vote.

There was discussion on how the assessment office handles the CRP that are no longer enrolled. Lori stated that the assessment office has a binder with the contracts for CRP and plans to check every year to be able to notify landowners ahead of time that their CRP is about to expire so that they can take the necessary steps to renew if they choose to. If they choose not to renew, then the part of the land will go back to the primary use of that land.

With no other business to come before the Committee, Mr. Roney made a motion to adjourn the meeting at 8:50 a.m. Mr. Riley seconded the motion. The motion passed by a unanimous voice vote.

Respectfully submitted,

Lori Barringer
