Moultrie County Dive Team Board Meeting

4:00 P.M., October 18, 2023, at Sullivan Fire House

Meeting opened at 4:02pm with roll call by Tyler Graven. A quorum was present.

- A. Motion to approve claims. No claims. However clarification was given to Joash on how claims are submitted and then reviewed by the board, not the other way around.
- B. Discussion/Update on recent developments with SC Dive Team and what it means to/for Moultrie County. To date we are still covering Shelby County as there is no agreement yet with Shelby County or the City of Shelbyville. Word is that they are in talks about county equipment.
- C. Update on ARPA expenditures. In process of purchasing a new command vehicle with ARPA funds for \$62,400 including delivery. This should be delivered in time for the board to see it next month at the meeting. The rest of the funds will be used to make it Moultrie County Specific as well as to purchase a pontoon boat. When asked what they were planning on doing with the old vehicle, it is intended to be sold.
- D. Discussion on recent dive calls. There have been no calls in the last 30 days.

Public comments:
