## Additional Performance Credit Calculations and Supplemental Information

Describe below the progress made in meeting your program year work plan inspection goals. You must provide quantitative results for each compliance inspection and land application goal listed in your work plan.

There wasn't any construction in 2023 on new or existing facilities the required a permit to be issued. We continue to work in the Minnesota and the Des Moines River water sheds. We are continuing to inspect feedlots that have not been inspected or sites looking at making changes to their operations.
