PERMIT TO TEMPORARILY WORK IN MURRAY COUNTY RIGHT OF WAY

Name of Applicant _____ Phone Number _____

Address _____

Name of Party or Organization Performing Work _____

County Highway No. _____ City: _____

Location: _____

When Work is Scheduled: _____

Type of Work to be Done: _____

Restoration Requirements: _____

Agreement: Applicant and/or Contractor (referred to as 'they') agrees to restore the job site to as good of condition before the project began. They agree to restore the Right of Way to the satisfaction of Murray County Engineer.

They agree to pay all costs associated with the project and agree to pay all costs to restore the job site.

Examples of restoration are, but not limited to: If dirt or grass is disturbed, they will finish the job site with level dirt and re-seed affected area. If any part of the road is disturbed, they will restore the road to a like condition. If the roadbed is dug into, they will thoroughly compact the backfilling operations so that no future settlement will occur. If the gravel is dug out, it will be replaced with fresh compacted Class 5 gravel of the same thickness. If the bituminous is removed, they will replace with compacted hot mix asphalt of the same thickness. If any concrete or curb and gutter is removed, they will restore the concrete or curb and gutter with the same dimensional concrete as taken out.

By signing below, Applicant and/or Contractor agrees to restore the project site at their expense.
