

Murray County Sheriff's Office

Policy and Procedures

Life Jackets Boat and Water 11/12/2018

1. Life Jackets

- a. All watercraft used by Murray County Employees in the course of their work shall be equipped with life jackets as required by Minnesota Law and Federal Regulations.
- b. Murray County Employees working over or near water, where the danger of drowning exists, or in any county watercraft shall wear a provided life jacket, float coat, survival suit, or buoyant work vest.
- c. Flotation equipment shall be inspected before and after each use for defects that would impair buoyance and strength. Damaged and defective units shall be taken out of service.
