Do Not Withdraw from DSRIP

Section 4: Performing Provider Overview

Performing Provider Description: Yoakum Community Hospital is a 25 bed, critical access hospital that has served the residents in Yoakum, Texas and the surrounding area for almost a century. Yoakum Community Hospital delivers comprehensive services to the rural community for both primary and specialty care.

Overall DSRIP Goals: Yoakum Community Hospital is striving to continue the successes of participating in the DSRIP program through our primary and specialty care projects. In addition, our goal is to provide a wider range of care options for our patients and to continue to improve our outcomes for diabetic patients.

Alignment with regional community needs assessment: Yoakum Community Hospital has identified the needs of the rural community surrounding the hospital and is continually striving to meet those needs. We have created a comprehensive health needs assessment and prepared a final list of prioritized needs that we will address. The plan includes objectives, specific implementation activities, responsible leaders, annual updates and progress, and key results.

Please describe your rationale for selecting this Measure Bundle, and describe the primary system components (clinics, facilities) that will be used to report on and drive improvement in this Measure Bundle.

Since Yoakum Community Hospital is located in a rural community, we thought this would be a good bundle to measure. We do a good job at providing emergency care in a rural environment, but we know this is an area we can continue to improve.

Section 1: Measure Exemption Requests and Measure Setting System Components

In order to be eligible for payment for a measure's reporting milestone, the Performing Provider must report its performance on the all-payer, Medicaid-only, and LIU-only payer types. Performing Providers may request to be exempted from reporting a measure's performance on the Medicaid-only payer type or the LIU-only payer type with good cause, such as data limitations. Note that reporting a measure's all-payer performance is still required to be eligible for payment for a measure's reporting milestone.
