MEMBERS PRESENT: All via Zoom Meeting

OTHERS PRESENT: Peter Breen & Michael Obasohan

CALLED TO ORDER: Commissioner Dickinson hosted the Zoom Meeting by reading the statement
Pertaining to virtual meetings.

Mr. Obasohan motioned to accept minutes, seconded by Ms. Dickinson. All in favor.

Called to Order:

Two applications from Greylock Flume were discussed for dinner events at Greylock Works. Ms Dickinson explained in Mr. Perry's absence the reason for the one day applications. Mr. Perry said it is to compliment the dinners which are done by reservation on Saturday evenings, August 28th and September 5th. Mr. Breen asked if it were like a bar set up for drinking only which it was not the intent of the application. The hours are from 5 to 10 p.m. with dinner. A motion was made by Mr. Breen, to grant the licenses for each day individually. Mr. Obasohan seconded the motion. All in favor. Motions carried.

Ms Dickinson told the Commission she was notified by the Ashland Street Parlor owner that they would be surrendering their license for the Ashland St. location and work under the license at HiLo on Union St. It was discussed that at the September meeting if we have not received anything we will act on it if it is still closed.

OPEN FORUMN: No one participated.

ADJOURNMENT:

Respectfully submitted,
Rosemari Dickinson
