

OKANOGAN COUNTY

ORDINANCE 2006-005

WHEREAS, Okanogan County has enacted Ordinance 97-03 relating to speed limits on Okanogan County roads, and

WHEREAS, it is necessary to amend that ordinance in order to make it more effective and establish additional criteria that can be used as guidelines in determining which County Roads may or may not become subject to the above identified ordinance; and said Ordinance 97-03 shall be as amended follows:

Section 2: Temporary Work Zone Speed Limits

A maximum speed limit of ~~twenty five (25) miles per hour~~ as determined by the County Engineer is hereby established for those roads or portions of roads in Okanogan County being affected by the following:

- A. Freshly applied bituminous surface treatment; or
- B. County forces at work; or
- C. Private contractor working on a county project, or
- D. State forces at work on a state highway; or
- E. Private contractor working on a state project.

Provided such roads or portions of roads are properly posted with signs in accordance with the ~~Federal Highway Administration~~ "Manual on Uniform Traffic Control Devices" as adopted and amended by the State of Washington.

**THEREFORE BE IT RESOLVED**, that the identified ordinance be amended by above criteria and used as guidelines for the application of the ordinance.

DATED this 8 day of Aug 2006.
