FULL HOOK UP CAMPERS PLEASE NOTE...

1. Camping spaces are meant to be 12 x 30.
2. There are four hook-ups around each numbered post.
3. Your space # is on the post you plug your power cord into.
4. Please make sure you are hooked up to the correct sewer.
5. The end of your RV should not go beyond the post. Please line up your bumper with the post.
