16.3 Sick leave is accumulated to a total of nine hundred sixty (960) hours. Any employee who accumulated sick leave in excess of the allowable limit shall receive a cash bonus at the end of the year, when said leave is lost, in an amount equal to twenty-five percent (25%) of the normal salary rate times the number of hours, but in no case, less than one hundred dollars (\$100.00). Payments from the Department of Labor and Industries must be turned over to the County if the employee elects to use accumulated leave time. The payments turned over to the County will restore the accumulated leave credits in proportion to the amount of the payment. Sick leave pay shall be integrated with any health and welfare plan, income benefit, or State Workman's Temporary Disability Compensation schedule of benefits, so that the sum of the daily sick leave allowance hereunder, and the aforesaid Health and Welfare Plan, accident and sickness income benefit, or State Disability daily benefits, shall not exceed one hundred percent (100%) of the regular daily rate of pay for any one (1) day. Any portion of the sick leave pay allowance not received by the employee by reason of any such reduction shall be retained in the employee's sick leave pay account as part of accumulated sick leave pay credits.

C. Whenever an employee is given a permanent and fixed disability rating, return to the job must be based on the same medical information which the employee used to obtain the award. D. The medical criteria presented to the disability board by the employee and the employee's doctor shall be obtained and utilized by the County and interpreted in terms of specific job restrictions and limitations. The County shall then interpret and apply such job restrictions and limitations to the specific physical requirements as to whether or not the employee shall:

21.1 Regular full-time employees. The County contributes specified maximum dollar amounts for medical/vision/dental coverage. These specified amounts and the type of coverage provided are set forth in Article 20.

21.2 Regular part-time employees. The County pays 50% of the medical, dental, and vision benefit for regular part-time salaried employees who work at least 50% of the time. If the employee works 60% of the time or more, the County pays a percentage of the above benefits in proportion to the percentage of time worked.

21.3 Eligibility new employees. Initial Eligibility will be established when the employer has submitted contributions on behalf of an employee for two months within a nine-month period. Upon receipt of the second month of employer contributions, the Trust Office will notify the newly eligible participant with enrollment information, and coverage will be effective retroactive to the first day of the month in which the second month of contributions were received. Eligible employees shall be defined as any regular full-time or part-time employee who had compensatory hours of at least eighty (80) hours in the preceding month. Once an employee becomes eligible, he or she shall continue to be eligible on a monthly basis, as long as the monthly eligibility requirements of the Agreement are met, and the required Employer contribution is paid to the Plan. Such employment and the contribution payment provides eligibility for benefits in the following month.

21.4 The County contributes the amount required by the State Department of Retirement Systems for the employer's share of retirement. Regular part-time employees who meet the eligibility requirements for the Department of Retirement Systems are also eligible for retirement benefits.

21.5 Benefits, excluding Article 20.1, cease on the last day of the month of the employee's termination date unless the employee elects to continue coverage under terms of the Consolidated Omnibus Budget Reconciliation Act (COBRA). The cost of continued medical coverage shall be borne by the terminated employee.

ARTICLE 22 - MANAGEMENT RIGHTS

22.1 Subject to the express terms and conditions of the Agreement, all of management's inherent rights, powers, authority, and functions shall remain vested exclusively in the Employer. It is expressly recognized that such rights, power, authority and functions include but are by no means limited to the full and exclusive control, management and operation of the County affairs; the determination of the scope of its activities, the business to be transacted, the work to be performed, and the methods pertaining thereto; the equipment and facilities to be utilized, the process and procedures to be followed; the right to contract or subcontract work, to establish the qualifications

for employment and to employ employees, the right to maintain, train and utilize non-paid reserve officers to assist and support regular employees in maintaining public safety; the right to make and enforce reasonable work rules, regulations and procedures; the right to maintain order, efficiency and standards of performance; the right to fix standards of quality and quantity of work, and the right to control the scheduling of such work; the right to determine the number of employees and the direction of working forces; the right to hire, select and train, discipline, suspend, discharge for cause, assign, promote, retire and transfer its employees, the action necessary to carry out the mission of the County in emergencies, and to determine the department budget.

22.2 The Employer and the Union agree that the above statement of management rights is for illustrative purposes and is not to be construed as restrictive or interpreted so as to exclude those prerogatives not mentioned which are inherent to management.

22.3 The County shall have no obligation to negotiate with the Union with respect to any decision, in the exercise of its discretion. The exercise of any management prerogative, function, or right which is not specifically modified by this Agreement is not subject to the grievance procedure, to arbitration, or to bargaining during the term of this Agreement. Without limitation, the parties agree the examples set forth in Section 22.1 are within the exclusive prerogatives, functions, and rights of the County.

ARTICLE 23 – DISCIPLINE

23.1 Employee Discipline. The County agrees that arbitrary or capricious discipline shall be subject to the grievance procedure. The County agrees that notice of alleged misconduct or actions that would subject the employee to discipline will be given to the employee within ten (10) working days of department head or elected official's knowledge of the incident or within ten (10) working days of the completion of the investigation, whichever is later.

23.2 Corrective Discipline. The County agrees with the tenets of progressive discipline, where appropriate. The County may bypass progressive discipline for serious misconduct.

23.3 Disciplinary Records. Copies of all records of disciplinary action shall be placed in the employee's personnel file with a copy forwarded to the Union.

23.4 The County specifically reserves the right to make all disciplinary decisions, provided that those decisions shall be based on just cause. In determining just cause, the Arbitrator shall be limited to considering whether (1) the County's action was based upon facts, reasonably believed by the County to support the discipline; (2) the employee knew or should have known of the possible or probable consequences of the employee's actions; (3) the County, before administering the particular disciplinary action, made a reasonable effort to investigate and discover whether the employee violated any County policy, rule, regulation, or generally accepted work practice; and (4) the discipline imposed was consistent and non-discriminatory based upon the seriousness of the offense and the employee's past disciplinary and work record.

ARTICLE 24 - GRIEVANCE PROCEDURE

GRIEVANCE DEFINED:

A grievance is defined as an alleged violation of the terms and conditions of this Agreement. If any such grievance arises, it shall be submitted to the following grievance procedure. Time limits for processing a grievance pursuant to this Grievance Procedure may be extended only by mutual written consent of the parties hereto. Any day referenced in this article shall be understood by both parties to mean “**calendar**” days.

Step One: Immediate Supervisor

The grievance in the first instance will be presented to the Immediate Supervisor, either orally or in writing, within ten (10) days of the alleged breach of the express terms and conditions of this Agreement. Every effort shall be made to settle the grievance at this Step One. The Union may, at the employee's request, represent the employee throughout the grievance procedure.

Step Two: Department Head (Discharge grievances shall commence at Step 2 within ten (10) days of discharge).

If the Immediate Supervisor does not adjust the grievance to the complainant's satisfaction within ten (10) days from the time the grievance was submitted in Step One, then the grievance may be presented to the Department Head or designated representative within ten (10) days after the Immediate Supervisor's response was due. The grievance shall be presented to the Department Head or designated representative in writing, setting forth detailed facts concerning the nature of the grievance. Upon receipt of the written grievance, the Department Head or designated representative shall, within ten (10) days, meet with the grievant and/or the representative of the Union in an attempt to resolve the grievance. Within ten (10) days after such meeting, the Department Head or designated representative shall send to the Union a written answer stating the Employer's decision concerning the grievance.

Step Three: Superior Court Judge

If the Department Head does not adjust the grievance to the complainant's satisfaction within ten (10) days from the time the grievance was submitted in Step Two, then the grievance may be presented to the Superior Court Judge or his designated representative within ten (10) days after the Department Head response was due. The grievance shall be presented to the Superior Court Judge or his designated representative in writing, setting forth detailed facts concerning the nature of the grievance. Upon receipt of the written grievance, the Superior Court Judge or his designated representative shall, within ten (10) days, meet with the Secretary/Treasurer or his designee of the Union in an attempt to resolve the grievance.

Step Four: Arbitration

If the Union after completing the grievance procedure outlined herein still believes the grievance has not been dealt with justly, the Union may request independent arbitration of the matter. Any grievance involving a dispute with respect to the application, meaning or interpretation of this Agreement may be submitted to arbitration in the following manner. If arbitration is desired by the Union and/or the Board of County Commissioners, the arbitrator shall be appointed by agreement between the arbitrating parties. If the parties are unable to agree upon an arbitrator within ten (10) working days after they meet to determine such an appointee, either party may request the Washington State Public Employment Relations Commission to provide a list of five (5) arbitrators. The representatives of the Employer and the Union shall alternatively eliminate the name of one (1) person on the list until only (1) remains. The person whose name was not eliminated shall be the arbitrator.

It shall be the duty of the arbitrator to represent the public interest in reviewing appeals; only after all other grievance procedures have been exhausted. During such review, both the Union and the Employer shall have the right to be heard and to present evidentiary facts. At the hearing of such appeals or grievances technical rules of evidence shall not apply.

In conducting the hearing, the arbitrator has the power to administer oaths, issue subpoenas, receive relevant evidence, compel the production of books and papers relevant to the hearing, and question witnesses. It shall be the duty of the arbitrator, at the conclusion of the hearing, to forward his findings concerning the appeal to the Board of County Commissioners and the Union. The findings of the arbitrator shall be certified in writing to the Board of County Commissioners and shall be forthwith enforced.

The decision shall be final and binding upon the parties to the grievance provided the decision does not involve action by the County which is beyond its jurisdiction nor shall the decision have the authority to amend, alter or modify this Agreement and its terms shall be limited to the interpretation and application of this Agreement. The expenses of the arbitrator will be borne equally by the parties hereto.

Each party will bear all of its own costs inclusive of attorney's fees necessary to present the party's case to arbitration.

ARTICLE 25 - SEXUAL HARASSMENT

25.1 Statement.

It is the policy of Okanogan County to promote and support the individual human dignity of all of its employees. Okanogan County further recognizes that unwelcome sexual advances, offensive verbal or physical conduct of a sexual nature, and other forms of harassment based on gender and sexual orientation create an unpleasant and stressful

work environment and demean the value of the individual and the individual's work. It is therefore the aim of Okanogan County, with this agreement to prevent all types of sexual harassment with County employment.

25.2 It is illegal and a violation of this agreement for any worker, male or female, to harass another worker on the basis of sex. Unwelcomed sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment,
2. Submission or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or,
3. Such conduct has the purpose of effect or unreasonable interference with an individual's work performance or creates an intimidating, hostile or offensive working environment.

25.3 The creation of an intimidating, hostile, or offensive working environment may include, but is not limited to, such actions as persistent comments on a worker's sexual preferences or the display of obscene or sexually oriented photographs or drawings.

25.4 Conduct or actions that arise out of a personal or social relationship and that are not intended to have a discriminatory employment effect can be acceptable and not viewed as harassment. In determining whether alleged conduct constitutes sexual harassment, the County will examine the facts and circumstances on a case-by-case basis.

25.5 The County will not condone any sexual harassment of its employees. All workers, including supervisory employees, will be subject to severe discipline, up to and including discharge, for any act of sexual harassment committed.

25.6 Retaliation against one who complains about sexual harassment, even if that complaint is determined to be unfounded, is a form of sexual harassment itself and will be dealt with according to the procedures set forth in this section.

25.7 Any employee making false accusations of sexual harassment shall be subject to discipline up to and including discharge for such misrepresentations.

25.8 The procedure for handling sexual harassment complaints is as follows:

1. Any employee who feels victimized by sexual harassment should report that harassment to their supervisor immediately. If the employee's immediate supervisor is the source of the alleged harassment or is so closely associated with the source of the harassment that the employee does not believe that the employee can get a fair hearing from the supervisor, the employee may report the problem to the supervisor's superior.

2. A supervisor or department head who receives a sexual harassment complaint must take immediate and appropriate confidential corrective action, even before investigation, to ensure that the behavior the complainant finds offensive is not repeated during investigation.
3. If the complainant does not wish that further investigation or action be taken, the complainant must so state in writing. The supervisor or department head who receives a complaint shall inform the complainant that a confidential written record must be kept if further investigation is done or disciplinary action is taken.
4. The supervisor or department head who receives a sexual harassment complaint must carefully and confidentially investigate the matter questioning all employees who may have knowledge of either the incident in question or similar problems. The investigating supervisor or department head should keep contemporaneous notes of all investigative conversations and findings. Such notes must be kept confidential except to the extent that either a court orders release, or the object of disciplinary action wishes to examine evidence used in such action.
5. Upon a finding that sexual harassment has taken place, the supervisor or department head shall take disciplinary action against any offending parties according to the procedure set forth in Article 23.1 of this agreement. The objective of such disciplinary action should be to ensure that incidents of sexual harassment do not continue or recur.
6. Employees who are dissatisfied with the investigating supervisor or department head's resolution of a sexual harassment complaint may file a complaint with the Board of County Commissioners. No employee will be subject to any form of retaliation or discipline for pursuing a bona fide sexual harassment complaint.

ARTICLE 26 - DRUG AND ALCOHOL

26.1 Drug and alcohol dependence and substance abuse have become serious problems in modern society and in the modern workplace. These problems include increased number of sick days and illness, loss of productivity, and an impairment of the quality of work. As well, drug and alcohol abuse leads to the loss of self-esteem and well-being of the individual. It is therefore the policy of Okanogan County to create a drug-free workplace and healthful work environment for its employees while at the same time preserving the right of privacy, individual liberty, and personal dignity of its employees. Testing based on individualized suspicion combined with treatment and/or disciplinary actions are among the methods the County may use to accomplish these ends.

26.2 An employee whose conduct indicates the employee is not in a physical or mental condition that would permit the employee to perform in a job safely or efficiently will be subject to submitting to a urine, blood, or breathalyzer test to determine the presence of alcohol or drugs in the body.

1. A supervisor must have reasonable suspicion to believe that the employee is under the influence of or affected by alcohol or drugs. Reasonable suspicion includes,

but is not limited to, abnormal coordination, appearance, behavior, speech or odor, unusual work performance or attendance problems.

2. If two management employees are on the premises, the reasonable suspicion for testing must be confirmed by another member of management wherever practicable. If only one is on the premises, the supervisor must make a good faith effort to confirm the supervisor's reasons for testing with another member of management by telephone prior to testing.
3. An accident for which there is no reasonable explanation will establish sufficient reason for testing the employee(s) involved. An employee who is not an actuator in the accident, but only a passive participant will not be subject to testing unless the County has reasonable suspicion that the employee has otherwise violated this agreement. Examples of a non-actuator party to an accident include, but are not limited to, a vehicle passenger, a passenger, driver, or pedestrian found to have no fault in an accident caused by another vehicle, or the victim of a workplace accident caused by another party.

26.3 Failure to submit to a test after procedures set forth in Section 26.2 of this Article have been followed will be sufficient reason for termination. Employees who feel that they have a legitimate grievance must still submit to the test and then file a grievance in accordance with the collective bargaining agreement.

26.4 The County shall select reputable facilities for drug or alcohol testing and such testing shall be performed at County expense. The facility for such testing shall meet accepted standards of the industry and must employ technologists and technicians possessing credentials commensurate with accepted norms for the industry. The Union or individual if non-union, will be provided with the testing facilities' name, addresses and credentials if requested.

26.5 Employee representatives and/or the employee will have the opportunity to review the testing procedure.

26.6 All samples which test positive will be confirmed using a gas chromatography/mass spectrometry test or an equally reliable test if same becomes reasonably available.

26.7 The employee, at the employee's expense, will have the opportunity to have a reputable testing facility test the same sample submitted to the original test facility. Accepted chain of custody procedures must be followed in such testing and the test facility must meet accepted standards of the industry, and such facility must employ technologists and technicians possessing credentials commensurate with accepted norms for the industry. The County will be provided with the testing facilities' names, addresses and credentials if requested. An employee may request the independent test by notifying the County in writing within twenty-four hours after the day the employee is informed of the test results. The test results will be kept confidential and will be available only to designated employer representatives, designated union representatives, or designated legal representatives.

26.8 None of the testing procedures are intended to be in violation of the law, and, if found to be invalid by a court of competent jurisdiction, they shall be eliminated or amended to comply with current Washington State Court decision, and the remaining language of this agreement shall remain in full force and effect.

26.9 If test results indicate the presence of alcohol at a level suggesting impairment, or illegal controlled substances at any level, the employee may be disciplined or discharged or may be required to undergo treatment as a condition of continued employment. Treatment will be at the employee's own expense unless otherwise provided for in this manual or under a County Health insurance plan, and the employee may be suspended until the employee can produce a certificate from a certified treatment facility showing completion of a treatment program.

26.10 Other actions, such as notification to and involvement of law enforcement agencies, may be taken in regard to any employee suspected of violating this agreement, at the County's discretion as it deems appropriate.

26.11 Employees must, as a condition of employment, abide by the terms of this drug and alcohol agreement and report any conviction under a criminal drug or alcohol statute including DWI convictions for violations occurring on or off County premises while conducting County business. A report of a conviction must be made within five (5) days after the conviction. Failure to report a conviction within the five (5) day period may result in disciplinary action, including immediate termination.

ARTICLE 27 - LIFE THREATENING ILLNESS AND COMMUNICABLE DISEASE

27.1 The County recognizes that many employees with life-threatening and other chronic illness desire to lead normal lives, which includes working as long as their health permits. Employees are encouraged to continue working as long as they are able to perform their full and complete duties and their illness presents no threat to themselves, other employees, or the public. The County further recognizes that many diseases, although infectious in nature, are not spread in the normal working environment and pose no threat to co-workers, other employees, or members of the public services by such employees in the employment context.

27.2 Employees with life-threatening illnesses are entitled to the same employment benefits as are other county employees who have medical problems. The County will attempt to ensure within its benefit plan, that workers with life-threatening illnesses are provided with competent medical care and with information concerning counseling and other services where needed.

27.3 The County will attempt to supply pertinent medical information to supervisors and other employees when a co-worker has a life-threatening illness. Supervisors and other employees would be aware that continued employment for a worker who has a life-threatening illness may have a therapeutic value and contribute to the individual's remission or recovery process.

27.4 Managers and supervisors should remember that all medical records of employees are confidential.

27.5 The County reserves the right to require an employee to undergo a medical examination by a doctor chosen by the County whenever there is a question of an employee's fitness to work or where there is reason to fear that a worker's condition might pose safety or health hazards for the employees or the public.

27.6 The County will make reasonable job accommodations where necessary to assist employees with a life-threatening illness, when such accommodation does not impose an undue business or economic hardship upon the County.

ARTICLE 28 – WHISTLEBLOWER

Refer to the Okanogan County Personnel Policy Manual 9.2 Whistleblower Act. Any changes to the 9.2 Whistleblower Act policy shall be communicated to the Union in writing prior to enactment unless otherwise required by law.

ARTICLE 29 - CONTINUITY OF WORK

29.1 Neither the Union nor its members, agents, representatives, employees, or persons acting in concert with them, shall incite, encourage, or participate in any strike, walkout, slowdown, or other work stoppage of any nature whatsoever during the life of this Agreement for any cause whatsoever. In the event of any strike, walkout, slowdown, or work stoppage or a threat thereof, the Union and its officers will do everything within their power to end or avert the same.

29.2 Any employee authorizing, engaging in, recognizing, or assisting any strike, slowdown, picketing or other concerted interference against the Employer, or who refuses to perform services duly assigned to him, shall be subject to immediate dismissal.

ARTICLE 30 - SAVINGS CLAUSE

Should any part hereof or any provision herein contained be rendered or declared invalid by reason of any existing or subsequently enacted legislation or by any decree of court of competent jurisdiction, such invalidation of such part or portion of this Agreement shall not invalidate the remaining portions hereof provided, however, upon such invalidation the parties agree immediately to meet and negotiate such parts or provisions affected. The remaining parts or provisions shall remain in full force and effect.

ARTICLE 31 - TERM OF AGREEMENT

31.1 This agreement shall be effective January 1, 2024 and shall be in full force and effect through December 31, 2026.
