

# 2024 WSDA PESTICIDE COLLECTION CALENDAR

Individuals and organizations should submit a disposal inventory form or ask for assistance when a disposal need arises rather than waiting for an announced collection event. Collection areas are planned based upon local need and from where we are receiving disposal inventories.

**To participate in announced collection areas, potential customers should submit a disposal inventory or contact WSDA at least one month prior to the collection week.**

**Note: The following calendar was updated on March 5, 2024, and will be updated further during the year if changes occur.**

Dates (2024)	Collection Area(s)
Late March & April	Pre-event Customer Site Assistance Visits (Eastern WA)
April 23-25	Spokane Region (Plus Palouse and Northeast WA)
May 14-16	Othello – Columbia Basin Region
June 11-13	Kitsap and Olympic Peninsula Regions
August 27 - 29	SW WA Region – Cranberry Coast Region
Late Summer / Early Fall (TBD*)	White Salmon – Columbia Gorge Region
