52 Ms. Peasley explained her department updates and how her staff is prepping for fair.
53
54 Ms. Peasley asked permission from the commissioners to purchase 2 light towers that the PUD
55 will be surplus. The towers are \$3,800 per tower. Commissioner Neal would like to see if Public
56 Works could use them as well and if they have the budget to purchase them.
57
58 Fogle looked at the well at the Fairgrounds. They think the wells needs to be blown and cleaned
59 out completely, which is a two-day process.
60
61 Commissioner Branch would like Ms. Peasley to get a second option, because there seemed to
62 be a lot of guessing.
63
64 Ms. Peasley said that the fair committee will be meeting this week.
65
66 Commissioner Branch was concerned of the air quality issues in the planning department. Staff
67 have been getting sick and he would like to address the problem.
