ORDINANCE 78, SECTION 27.04 C.2.C

ADDRESS: ____________________________________________________________

Name/Owner: ___________________________________________ Phone:______________

Type of Recreational Vehicle: __________________________________________

Location of Recreation Vehicle: __________________________________________

Email: ___________________________ Permit Fee: $60.00

Ordinance 27.04 C.2.C
Where the storage or parking of not more than one (1) recreational vehicle trailer, or not more than one (1) recreational vehicle holding not more than two (2) recreational vehicles such as snowmobiles, jet ski, etc. is within the front yard area (excluding front yard setback areas) and where the recreational vehicles are within ten (10) feet of a property line, the Building Department shall require a permit, subject to the following:

- Sight visibility and corner clearance shall be maintained from adjoining roads, streets, driveways, or sidewalks.
- Storage of recreational vehicles shall be located on a paved or gravel surface.
- The Building Official may require a screening fence, wall or landscaping positioned in a manner to screen the views of recreational vehicles from adjoining property lines.
- Recreational Vehicles may not be stored on vacant residential parcels which do not contain a principal use such as a home, garage or dwelling unit.
