REQUEST
The request before the Board is authorization to purchase replacement kitchen appliances at the Orion Center.

REASON
Recently, the freezer in the Orion Center kitchen has become non-functional, and repairs would not be cost-effective. The other appliances are also entering the end of their useful life.

PROCESS
Per the purchasing policy, we have sought bids from multiple providers; Central Restaurant Products was the low bidder, with a total cost of $14,500.00. $30,000 was allocated for this project in the 2021 Budget.

REQUEST
Approve the attached ACH Policy in relationship to our adopted Resolution for participation in Automatic Payments from the previous Board meeting.

REASON
During the September 7th meeting the Board adopted a resolution to approve the participation of automatic payments effective upon the adoption of an internal ACH policy.

PROCESS
After the adoption of the resolution, Nancy Olind from Dan Kelly's office drafted a policy outline. With that outline I added verbiage utilizing our internal process and other municipalities policy verbiage. We then had an internal meeting including Tina Thrift from Woodhill (our financial consultant); Clerk's office and the Treasurer's office to discuss our internal process and review the draft document. After our meeting we made some additional changes and submitted to Nancy for final review.

RECOMMENDATION (MOTION)
I move to approve the attached Automated Clearing House (ACH) Policy as presented.
1. **Purpose**
   To provide internal controls and processes for the entering into agreements, set-up, payment, and accounting of electronic transfers for automated payments.

2. **Definitions**
   “Automated clearing house” or “ACH” means a national and governmental organization that has authority to process electronic payments, including, but not limited to, the national automated clearing house association and federal reserve system.

   An “ACH arrangement” means the agreement between the originator of the ACH transaction and the receiver of an ACH transaction.

   An “ACH transaction” means an electronic payment, debit, or credit transfer processed through and automated clearing house.

   An “ACH policy” means the procedures and internal controls as determined under the written policy developed and adopted by the township treasurer.

3.3. **Scope**
   The scope of this policy is restricted to the payment of Township bills through automated electronic transactions, as authorized under the provisions of the Electronic Transaction of Public Funds Act and the provisions of this policy.

3.4. **Responsibility**
   The Township Treasurer is responsible for ensuring compliance with this policy and for authorizing policy revisions. The Treasurer is responsible for presenting the policy, as well as revisions, to the Board of Trustees for approval.
4-5. **Policy**

AS provided by Public Act 738 of 2002, the Electronic Transaction of Public Funds Act, the Township may participate in automated payment plans through the Board of Trustee’s adoption of this policy and corresponding passage of a resolution authorizing electronic transactions, adopted September 7, 2021.

6. **Authority** to Enter into Electronic Transactions of Public Funds:

The Treasurer, or employee formally designated by the Treasurer, is responsible for the Township’s automated payment agreements and arrangements, as provided by Public Act 738 of the Electronic Transaction of Public Funds Act, 2002 effective December 30, 2002.

7. **Responsibility and Reporting**

The Treasurer and Clerk (employee position designated by treasurer and clerk Accounts Payable/Payroll Administrator) are responsible for ACH, including payment approval, accounting, reporting, and generally for overseeing ensuring compliance with this policy. The Board of Trustees may assign responsibility to a duly designated Electronic Transactions Officer (ETO). The Clerk shall submit to the township board documentation detailing the goods or services purchased, the cost of the goods or services, the date of the payment electronic payment transaction, and the department levels serviced by each payment of public funds made by electronic transfer to the township board for review and approval. This report may be contained in the township’s electronic general ledger software system or in a separate report to the township board.

2. **Participating Vendors**

[insert title of assigned party], shall prepare a vendor list. When determined to be in the Township’s best interest, the Township may enter an agreement to utilize electronic transactions with selected vendors. The [assigned party] presents a list of bills for payment, including electronic payments for Township Board approval. Orion Township has identified specific payments that have pre-approved authorization. Any pre-approved payments are provided to Township Board for post-audit purposes to confirm their disbursement at the next regular meeting following their disbursement.

8. **Internal Controls**: [insert the internal accounting controls to monitor the use of electronic transactions]
The AP/PA Administrator shall prepare a list of vendors authorized to be paid by ACH (Automated Clearing House)/EFT (Electronic Funds Transfer) transactions and provide that list to the clerk and treasurer for approval.

The AP/PA Administrator shall identify and process invoices to be paid prior to board approval from the list of authorized vendors. These invoices include monthly utility bills, payroll, federal/state payroll taxes, bond refunds, deposit refunds & prior board approved contracts. This list of invoices will be clearly identified to the clerk and treasurer to be paid prior to board approval. The clerk initiates the transaction upon receipt of an invoice included on the authorized ACH list approved by the Treasurer. The clerk signs the ACH invoice which then acts as the warrant.

The clerk presents the warrants, a list of bills for payment by check and a separate list of the electronic payments for township board approval. The Board approves all transactions prior to disbursements; unless identified specific payments have pre-approval authorization as noted above. These post-audit payments and confirmed disbursements shall be approved at the next board meeting following their disbursement along with the appropriate documentation.

Following Board approval, the treasurer signs the ACH warrant, the clerk (or designated employee AP/PA Administrator) initiates the electronic transaction with the vendor/bank and makes the actual transfer of funds, unless payments are authorized with prior approval as stated above.

Suggested from sample language within the State.

- The Treasurer, formal designee, or ETO shall notify the (person responsible for approval and payment) of those accounts to be paid by electronic transaction.
- Upon receipt of an invoice for payment for accounts paid via electronic transaction, the (person responsible for approval and payment) shall approve payment and notify the (treasurer or ETO) of the date of debit to the township accounts.
- All payments made via electronic transaction shall be included on the report of payments to the Board of Trustees.
- For payment of State and Federal payroll taxes, the (treasurer and clerk or designated employee or ETO) shall initiate payment to the proper authority upon receipt of the information from the payroll department using the established EFTPS and state program.
- For deposits from state, county, and/or federal authorities, and from third-party payment processors, e.g. (Banks, vendors), the (treasurer or designated employee or ETO) shall obtain the amount of the deposit and send an advice to the person responsible for accounting records.
- All invoices shall be held by the clerk (person charged with keeping the records) along with copies of payment advices for audit purposes.

4. Reporting of Automated Payments through Electronic Transactions

The Clerk and designated employee responsible for disbursement of funds (Treasurer, Treasurer’s formal designee, or Board designated ETO) shall a detailed report to the Board of
Trustees at the meeting immediately preceding or following disbursement of automated payment to include

- goods or services purchased
- cost of the goods or services
- date of the payment
- department(s)/program(s) serviced by payment

This report can be contained in the Township’s electronic general ledger software system or in a separate report provided to the Board of Trustees.

5. [insert any other matters the Township/Clerk/Treasurer considers necessary.]

From: Penny Shults, Township Clerk
Meeting Date: September 20, 2021
Memo Date: September 15, 2021
Subject: Temporary Sign Fee Waiver Request - Friends of the Orion Township Library

REQUEST
Attached is an application for a temporary sign permit from Friends of the Orion Township. The wish to erect signs to advertise their book sale located at 825 Joslyn Rd. They are requesting a waiver of the permit application fee.

REASON
The group is requesting the waiver due to their non-profit status. According to the Sign Ordinance, "if an applicant does not have adequate funds to pay the fees required under this section, an affidavit of indigency may be filed with the application, stating, under oath, that such person does not have and will not have adequate or available funds to pay the required fee."

PROCESS
The applicant has submitted the required documentation, and the application has been submitted to the Building Department for review.

RECOMMENDATION (MOTION)
Board action would be to waive the temporary sign permit fee for the Friends of the Orion Township Public Library.

Agenda Item Summary

To: Board of Trustees
From: Donni Steele, Township Treasurer & Chris Barnett Supervisor
Meeting Date: September 20, 2021
Memo Date: September 15, 2021
Subject: Set Corridor Improvement Authority Interest Rate (CIA)

REQUEST
In May 2021 the interest rate for the Corridor Improvement Authority promissory note for water and sewer promissory note obligation was adjusted to match the market at 1.5% for the remaining 15-year term, starting in 2022 budget cycle. As we continue to prepare for the 2022 budget, we are witnessing a continuous dropping of interest rates in the market and our investment yield, so we have found it necessary to review this prior to final 2022 budgeting cycle.

REASON
Under the original loan terms the initial CIA Finance Plan included a fixed interest rate of 2% for the first 5 years 2016-2021, interest only payments with the remaining repayment to have a floating interest rate. In October 2020, the Township Board approved a reduction in the rate to .75% for 2021 (based on the market at the time) and to revisit the future interest rate in 2021 which we did in May 2021 and set the rate prematurely at 1.5% for the remainder of the loan.

PROCESS
The Oakland County Investment Pool net average year to maturity (YTM) though 8/31/21 was .43838 %. The township water and sewer investments with Robinson Capital year to date as of 8/31/21 was .13%, with the index at .05%, and the past entire year it was .61% and .10% index with the total yield on the investment w/s portfolio at .71%. If the CIA had not borrowed the funds, Water & Sewer would be earning less than .5% on their investment. With this rationale, based on the market conditions and to be fair to both the Water & Sewer Fund and the CIA, it is recommended that the promissory note be amortized with a fixed interest rate of .71% (based on the yield for water/sewer from Robinson).

RECOMMENDATION (MOTION)
I move to approve an interest rate of .71% for the Baldwin-Brown Road Corridor Improvement Authority Promissory Note, with the Board retaining the authority to periodically review the circumstances and make further adjustments in the interest rate when appropriate.
Calculated annual payment $489,168.33

No purchases were made in August.
In August, the market's attention was turned toward the Federal Reserve's comments on tapering (slowing) their bond purchases. With strong inflation and employment numbers, Fed Chair Powell said, "It could be appropriate to start reducing the pace of asset purchases this year." He also made clear that the timing of tapering would not directly signal the timing of interest rate hikes.

In August, longer interest rates moved higher, recovering about half of their 20 basis point decline from the previous month.

The Citi Economic Surprise Index measures data surprises relative to market expectations. A positive reading means that data releases have been stronger than expected and negative means they've been weaker than expected. The Index now sits well into negative territory, signaling that overly optimistic outlooks for the 2nd half of 2021 may need to be revised downward.
Economic Comments

- **Market Review:** The Robinson Leading Economic Index remained deep into expansion territory in August. Recent moves in the Index reflect a broadening economic recovery as businesses and consumers continue to heal. The Delta coronavirus variant represents a threat to the economy as it makes its way throughout the country.

- **Inflation:** A small business survey recently reported that an all-time record number of businesses indicated their intention to raise their prices (see bottom left). This is likely a response to higher costs businesses have been facing throughout 2021 due to market imbalances such as raw materials or supplies shortages and an irregular labor market. There is a ceiling to how high prices can raise prices without meaningful wage inflation and that ceiling is likely lower than the businesses would like.

- **Employment:** The total number of people receiving government benefits has continued to fall and currently sits at a pandemic low (see bottom right). This number is certain to drop aggressively with the aforementioned federal programs expiring. As this number drops we expect to see a link to strong job reports and falling unemployment rate - if not, it may signal a labor market that is not functioning properly.

Subject: Purchase Facilities Access Control

REQUEST
The request is to authorize the purchase of access control devices, software, and licenses for the Township's four fire stations, the Orion Center, Public Services garage, and the new Municipal Complex.

REASON
When the Township upgraded its server, it was found that the software being used for door access control at the fire stations and Public Services garage was outdated and no longer being supported. Since this discovery coincided with the installation of access controls at the new Municipal Complex, AllComm, the company awarded the technology contract for the municipal complex project, was asked to provide a quote to transition the outdated system at the fire stations and DPS garage to be on the same system as the municipal complex. Additionally, the three doors at the Orion Center were requested to be added to the access control system. While an unanticipated expenditure, completing this work now will place all facilities on the same operating and support systems.

PROCESS
AllComm was awarded the technology contract for the new Municipal Complex project, and provided the attached quote to for updating the door access control system across Township facilities.

Agenda Item Summary

To: Board of Trustees
From: Chris Barnett, Township Supervisor
Meeting Date: September 20, 2021
Memo Date: September 16, 2021
Subject: Medical Marihuana Act Moratorium

REQUEST
The request is to approve a Resolution to approve a 90-day moratorium on the granting approvals, permits, and licenses for registered marihuana caregivers.

REASON
Until recently, the Michigan Court of Appeals held on multiple occasions that the MMMA preempts a municipality from imposing zoning or land-use planning restrictions on a caregiver engaged in the act of cultivating medical marihuana. However, in the recently issued Michigan Supreme Court case, Deruiter v. Twp. of Byron, 2020 Mich., the Court ruled that subject to certain restrictions, municipalities have the authority to limit where patients or caregivers may cultivate medical marihuana plants under their zoning authority.

PROCESS
As a result of the above decision, the Township is in the process of amending its Ordinance to regulate registered marihuana caregivers, at the same time, the Township is also updating Ordinance No. 154 to address Medical Marihuana Provisioning Centers. In the interim, we are requesting the Board consider a moratorium on the granting of any Township approval of permits or licenses for caregivers, as well as all licensed facilities until such time Ordinance No. 154 is amended. The moratorium will be for a period of 90-days or until an amendment of Ordinance No. 154 is approved by the Township Board after a public hearing, whichever occurs first.

RECOMMENDATION (MOTION)
The recommended motion is:

"In light of the Michigan Supreme Court Case of Deruiter v. Twp. of Byron and for the reasons that the Township is actively engaged in revising its Zoning and Permitting Ordinances to reasonably regulate Licensed Marihuana Facilities and Registered Primary Caregiver Operations, effective immediately, I move to establish a moratorium for ninety (90) days or until the Township Board approves an amendment of Ordinance No. 154 after a public hearing, whichever occurs first, on the review and approval of all permits, licenses or other approvals of Licensed Marihuana Facilities and Registered Primary Caregiver Operations, and hereby give notice to all Operations and Facilities that the Township intends to regulate marihuana facilities and operations as legally permitted and to do so retroactively to the date of this resolution."
CHARTER TOWNSHIP OF ORION
OAKLAND COUNTY, MICHIGAN

RESOLUTION TO APPROVE A MORATORIUM ON ISSUANCE OF APPROVALS, PERMITS, OR LICENSES FOR LICENSED MARIHUANA FACILITIES AND REGISTERED MEDICAL MARIHUANA CAREGIVERS

At a regular session of the Charter Township of Orion Board of Trustees, Oakland County, Michigan, held in the Township Hall on the 16th day of September 2021, the following Resolution was adopted:

PRESENT:

WHEREAS, it is within the rights of the Township under the Michigan Zoning Enabling Act (the “MZEA”) MCL 125.3101 et seq., and pursuant to a recent Michigan Supreme Court case (Deruiter v. Twp. of Byron, 505 Mich. 130 (2020)), to establish reasonable regulations to control and regulate Licensed Marihuana Facilities and Registered Primary Caregiver Operations; together with enacting reasonable zoning district locations, and a permitting system for purposes of protecting the public health, safety, and welfare of its residents;

WHEREAS, this moratorium shall apply solely to local approval of permits, licenses, or other approvals for all Licensed Marihuana Facilities and Registered Primary Caregiver Operations within the Township;

WHEREAS, a moratorium should be imposed upon the issuance of any and all approvals, permits, licenses, or other approvals for the Licensed Marihuana Facilities and cultivation of medical marijuana by registered caregivers for ninety (90) days or until an amendment of Ordinance No. 154 is approved by the Township Board after a public hearing, whichever occurs first, or if further extended by the Township Board for good cause;

WHEREAS, the Township does hereby give notice and advise that the Township intends to regulate all Licensed Marihuana Facilities and Registered Primary Caregiver Operations as legally permitted and to do so retroactively to the date of this Resolution.

NOW, THEREFORE, BE IT RESOLVED that the Charter Township of Orion does hereby impose a moratorium upon the issuance of any and all approvals, permits, or licenses for any new facility related to the cultivation of medical marijuana by Licensed Marihuana Facilities and Registered Primary Caregiver Operations for a period of ninety (90) days from the date of this Resolution or until an amendment of Ordinance No. 154 is approved by the Township Board and does hereby give notice to all such Facilities and Operations that the Township intends to regulate such Facilities and Operations as legally permitted and to do so retroactively to the date of this Resolution;
NOW, THEREFORE, BE IT FURTHER RESOLVED, the moratorium imposed herein is intended for the proper and orderly amendment to Orion Township Ordinance No. 154 to establish reasonable regulations consistent with the Medical Marijuana Act (MCL 333.26424, et al.) and MZEA (MCL 125.3101 et seq.) and should it be necessary may be extended for an additional period of time by vote of the Township Board.

21-175027  9:51AM  8/24/2021  Larceny of Catalytic Converter

Deputies were dispatched to the 1200 block of Lapeer Rd for a Larceny from Vehicle complaint. An Oxford resident stated that she parked her vehicle on 8/23/2021 in the parking lot. When she returned in the morning on 8/24/2021 she noticed that catalytic converter was missing. All information was collected and turned over to OCSO Auto Theft Detectives.

21-175341  6:01PM  8/24/2021  Fraud – ID Theft

Deputies responded to 300 block of Fourseasons for a Fraud complaint. A 60-year-old resident stated that she received an email from GameStop, and an email from her financial institution informing her of two orders that were placed using her personal information. Victim notified both parties that she never placed the orders and wanted them canceled. The victim stated that she did not authorize anyone to use her personal information. All information was collected and turned over to detectives. Investigation continues.
21-176034  8/25/2021  3:06PM  Larceny of Catalytic Converter

Deputies responded to the 4800 block of Joslyn Rd for a Larceny complaint. A 60-year-old resident stated that two vehicles were parked in the parking lot of his business before he left on vacation on 8/25/2021. When he returned to his vehicles on 8/25/2021 he noticed that the catalytic converters had been removed from the vehicles. Suspects unknown. All information was collected and turned over to OCSO Auto Theft Detectives.

21-176695  10:55PM  8/26/2021  Stolen ATV

Deputies received a walk-in complaint at the Orion Twp Sub for a UDAA report. A 37-year-old resident stated he purchased an ATV and parked it in his shed. Since she has been doing work on her residence, she left the ATV in the front yard. On 8/11/2021 she noticed that her ATV had been stolen. Suspects unknown. All information collected and turned over to OCSO Auto Theft Detectives.

While on routine patrol Deputies observed a vehicle without a visible license plate that was speeding on Lapeer near Clarkston. Deputies initiated a traffic stop and the operator of the vehicle, a 29-year-old male resident of Flint, failed to display all required documents. Deputies obtained permission to search the vehicle. Deputies located drug paraphernalia. The operator of the vehicle was issued a citation and released on the scene.

21-178366  3:04PM  8/28/2021  Domestic Assault - Arrest

Deputies were dispatched to Starling Hill Dr for a domestic violence call. Deputies arrived and located both parties and made the scene safe. A 47-year-old resident was having an argument with his brother 43-year-old resident when it turned physical, when the suspect punched his brother in the face. Based upon the victim’s statements and the evidence, the 47-year-old suspect was placed under arrest for Domestic Assault and lodged at the Oakland County Jail pending prosecutor review.

UPDATE: The Oakland County Prosecutor’s Office authorized a complaint for Domestic Violence. The warrant was authorized by a Magistrate from the 52nd 3rd D.C. He will be arraigned and given a bond.
Deputies responded to 465 Brown Rd Menards for a Retail Fraud report. Deputies arrived and spoke with the employee who stated that a 59-year-old male entered the store and proceeded to the outdoor power section and selected a pole saw. The suspect proceeds to the return counter and attempted to return the saw. When the employee asked for his ID, the suspect stated that he did not have it then exited the store passing all points of purchase making no attempt to pay for the items. All information was collected and turned over to detectives. Investigation continues.

Deputies responded to the area of Bluebird Hill and Canary Hill for a neighborhood trouble / assault complaint. Deputies arrived in the area and were stopped by a male and female who stated they were assaulted by a male and female that were in a white Cadillac. Deputies were advised that when the female was driving the vehicle, she attempted to run one of the witnesses over. The couple continue to say that the Cadillac was still in the park and now being driving by the male subject. Deputies located the vehicle, occupied by a 28-year-old Pontiac resident along with his two children. During the investigation it was determined the driver was under the influence of alcohol.
