The location of the proposed development has a unique characteristic or barrier of such significance that one or more of the location requirements is rendered so insignificant or moot that allowing the proposed use would continue to satisfy, and not diminish in any substantial way, the purpose or health and safety concerns of this Ordinance;

   c. Where denial of a Development or use under this Ordinance would violate any law or Court Order, would constitute an error at law, or would otherwise uphold and enforce a location requirement that has been ruled illegal or unenforceable by any Court, Administrative Proceeding, or any Legislative law, regulation, or action; and
d. The above waiver of location requirements shall have no effect on the prohibition on recreational marihuana retail (dispensaries) facilities which remain prohibited under this Ordinance and are not subject to waiver by the Board of Trustees or any other Board, Commission, or Officer of the Township. Except as provided by law, the Board of Trustee’s decision on any location waiver is discretionary within the standards set forth herein and is a final decision and not appealable to any Township Board or Commission. It is the intent of this Ordinance to only approve a location waiver in unique and rare circumstances where no substantial public benefit is derived from its denial.
