Safety Reminders

You can deter crimes by following some basic practices:

• Lock your vehicles, homes, sheds, garages and secure your property at all times. Keep items out of plain view in your vehicle.
• Use lighting with timers and/or motion sensors inside and out.
• Keep trees, shrubs and vegetation trimmed back to avoid concealment.
• Be a good neighbor by knowing what is normal in your community.
• Most important, call the police when something does not seem right and let your team check the situation.
• When in doubt call, we encourage it.

Program our non-emergency immediate response phone number into your phone # 248 858-4911 and label it “A Dispatch.” It will be conveniently at the top of your phone contact list.

HOSTING A FOOD TRUCK IN YOUR NEIGHBORHOOD?

FOLLOW ORDINANCE 162

The purpose of this ordinance is to ensure the safe and orderly operation of food trucks within Orion Township.

If your neighborhood is hosting food truck, please make sure that the food truck vendor is compliant with Orion Township Ordinance 162.

For questions regarding the Fire Department inspection process, please call:
248-391-0304 ext. 2000
**Summer Watering Restrictions**

Mandatory watering restriction in effect from May 1st through September 30th for everyone who is connected to Orion Township water and has an automatic sprinkling system.

The following mandatory watering restrictions shall apply:

**Monday - Saturday:** Watering may only be done between the hours of midnight and 5:00 a.m.

**Sunday:** Watering may be done at any time

Watering of any kind may not be done during the hours of 5:00 a.m. and 10:00 a.m. Monday through Saturday. If the restrictions for Monday through Saturday are not followed, then your water service could be discontinued.

**If your home is connected to Orion Township water, and do not have an automatic sprinkling system** (meaning you water your lawn from a hose) please water your lawn between the hours of 10:00 a.m. and 4:00 p.m. Monday through Saturday.**
Backflow Device Testing

Backflow Devices are installed on water lines to prevent backflows from occurring. There are many types of backflow devices and MDEQ requires testing of these devices at a minimum of every three years.

Residential properties who are required to test this year will receive a letter asking them to have their backflow device tested.

Only licensed plumbing contractors who are ASSE Certified can test, repair, and install backflow assemblies pursuant to State of Michigan Law.
What if my irrigation sprinklers are NOT connected to municipal water?

- Underground Irrigation System Affidavit must be completed if:
  a) An underground irrigation system IS NOT PRESENT at the property or
  b) An underground irrigation system IS PRESENT at the property but the water source is a WELL OR OTHER WATER SOURCE (the system IS NOT connected to the Charter Township of Orion water supply)

Testing must be completed and form submitted by August 31st

- Test reports must be turned in to our office by mail or email at kgordon@oriontownship.org.

List of local ASSE certified backflow testers, blank report forms and underground irrigation affidavits are available at:

  www.oriontownship.org  Department of Public Services  Applications, Forms & Documents
Sewer Jetting

• Normal sewer maintenance and jetting ensures sewer mains remain clear.

• This summer, sewer jetting will be focused on the Southwest side of Orion Township

GIS Mapping

• DPS crews continue to work on mapping curb box locations around the Township.

• Currently, we are mapping in Hills of Indianwood subdivision and will be moving east down Indianwood Road and Marina Pointe. If you notice blue paint and/or flags in your front yard, it is likely that the DPS crew is mapping curb boxes in your neighborhood.
ACH Automatic Payment

If you are interested in monthly auto payments through your checking or savings account, please complete the ACH automatic payment form found at:

www.oriontownship.org  ➔  Department of Public Services  ➔  Applications, Forms & Documents

Forms must be returned to Elizabeth Guzanek (DPS Office Administrator):

Via Email: eguzanek@oriontownship.org

Or Via Mail: Water/Sewer Dept
  Attn: Elizabeth Guzanek
  2323 Joslyn Road
  Lake Orion, MI 48360

The ACH enrollment form is due by the 15th of the month prior to your bill due date.
**Paperless Billing**

- Instead of receiving your bill via postal service, you may opt into paperless billing.

  If interested, please email your request to Mary Einheuser at meinheuser@oriontownship.org.

- Be sure to include your service address in the email!

**2022 Water Quality Report**

- Orion Township’s annual water quality report can be viewed online at: www.oriontownship.org/WaterQualityReport2022

- Paper copies of the report are available at Township Hall.
GFL & Garbage Service

Regular Garbage Collection
- Place your garbage and recycling in your Orion Township rolling carts, and set them out by 7:00 a.m. on your collection day. Carts should be removed by 8:00 p.m. that evening.

Holiday shift
- GFL observes the following holidays: Labor Day, Thanksgiving Day, Christmas Day, New Year's Day, Memorial Day Independence Day. If a holiday falls on a weekday, collection will be delayed by one day and Saturday will be used.

Yard Waste
- Accepted April 1st – December 15th
- Please clearly mark containers as compost (stickers are available at Township Hall and the Orion Center).
- No limit to the amount of yard waste you may set out each week.

Bulk Items
- Bulk waste (such as appliances and furniture) pick-up will be available each week on your scheduled collection day.

  - September 16

**Eagle Valley Free Disposal Day 2023**

- **Saturday, June 10 & September 16** are the disposal day at Eagle Valley
- Complimentary to Orion residents – must have a valid ID
Phragmites

What’s the problem with Phragmites?

While Phragmites australis is native to Michigan, an invasive, non-native, variety is becoming widespread.

This variety:
- Crowds out native plants/animals
- Blocks shoreline views
- Reduces access for swimming, fishing, and hunting
- Potentially creates fire hazards from dry plant material

Treatment Options
- Phragmites can be controlled using an integrated pest management approach which includes herbicide treatment and could be followed up by a mechanical removal (such as cutting or mowing), and annual maintenance.
- Herbicide treatment for phragmites usually occurs before the first frost of the year, in September or October.

Orion Township Phragmites Program
- To receive an application packet for a free, no-cost estimate to treat phragmites on your property, please contact Kristine Gordon at kgordon@oriontownship.org.
West Nile Virus

What is West Nile Virus and how does it spread?

- West Nile virus (WNV) is a seasonal epidemic in North America that flares up in the summer and continues into the fall. It can infect humans, birds, horses, and some other mammals. In a small number of people infected by the virus, the disease can be serious, even fatal.
- Most often spread to humans by the bite of an infected mosquito. Whenever mosquitoes are active, there is a risk of getting WNV; however, the risk is highest from late July through September.

Information provided by Oakland County Health Department at: www.oakgov.com/health

Free resources offered at Orion Township Hall for residents include:

- Mosquito dunks
  - Meant for standing water near your home
  - Helps to control mosquito population in the area
- Bug spray
  - Natrapel: Picaridin 12 hour spray
  - Ben’s: Water-based spray with 30% DEET

Collection Event Best Practices

- Pre-register and pay applicable fees at NoHaz.com* (registration opens about three weeks prior to each collection event)
- Due to the increasing costs of proper Household Hazardous Waste (HHW) disposal, please attend only one collection event this year, if possible
- Bring HHW only — we will NOT accept business, institution or contractor waste
- Separate HHW in your vehicle into three types:
  1. Paint
  2. Electronics
  3. All other HHW**
- Clearly separate HHW from other items that should remain in your vehicle
- Bring acceptable HHW** only; liquids must be in sealed, leakproof five-gallon containers or smaller
- Present your driver’s license or other proof of residency and your registration ticket (either a printed or digital copy)
- Remain in your vehicle at all times

*If you are unable to register online, registration forms will be available onsite. If fees are applicable, please pay with cash or a check (written out to Oakland County NoHaz).
**Chemicals, motor oil, fertilizers, batteries, syringes, etc.
**A comprehensive list of acceptable materials is available at NoHaz.com

The Sound of Safety

What is the most important thing to remember when installing a smoke alarm or carbon monoxide alarm?
Location, location, location!

Smoke Alarm Safety

- Install at least one smoke alarm in every bedroom, outside of each sleeping room area and on each level of a multi-level building.
- Test each smoke alarm regularly.
- Keep batteries fresh by replacing them annually.
- Check the manufacturer date on your smoke alarm. Replace if it is over 10 years old.

Smoke alarms can't help you unless they are functional and you can hear them. Building safety codes require smoke alarms. Contact your local building safety department for more information.

Carbon Monoxide (CO) Alarm Safety

- Install a CO alarm in the hallway outside of each sleeping room area and in bedrooms containing fuel burning appliances or fireplace.
- Test each CO alarm regularly in accordance with the manufacturer’s instructions.
- Permanently wired or plug-in CO alarms should have a battery backup. Keep batteries fresh by replacing them annually.

CO alarms can't help you unless they are functional and you can hear them. Building safety codes require CO alarms in all dwelling units that contain a fuel-fired appliance and dwelling units that have an attached garage. Contact your local building safety department for more information.
1. Put a smoke alarm on every level of your home and outside each sleeping area. Put a smoke alarm inside every bedroom.

2. Make sure your smoke alarms work. Test your smoke alarms. When you push the test button, you should hear a loud noise. If you don’t hear the noise, you need a new battery or a new alarm.

3. Make sure the smoke alarm always has a good battery. Put a new battery in the alarm every year.

4. Smoke alarms with long-life batteries will work for up to 10 years. You do not change the battery.

5. Smoke alarms do not last forever. Replace every 10 years. Newer smoke alarms provide the 10 year date.

6. Tell your family what to do if they hear the smoke alarm. Make an escape plan so everyone knows how to get out fast. Pick a meeting place outside the home where everyone will meet. Some children and older adults cannot hear the smoke alarm when they are sleeping. Make a plan for how to wake them up. Practice your escape plan with everyone in your family two times each year.

7. Install home fire sprinklers in your home. Home fire sprinklers and working smoke alarms greatly increase your chance of surviving a fire. Sprinklers are affordable and they can increase your property value and lower your insurance rates.

8. Portable heaters should be avoided but where used they need their space. Keep anything that can burn at least three feet away.

If you live in an area where homes are located in or close to forests or vegetation areas, you should think about the following safety tips:

9. Install 1/8 inch or smaller, noncombustible corrosion-resistant mesh screening that cannot burn on attic/soffit vents and around wood decks to keep out embers. Install spark arrestors on fire place chimneys or wood stove vents.

10. Keep all items that can burn away from your home. Clean leaves from your gutters. Clear dead leaves and branches from shrubs and trees.
Thank You!

DEPARTMENTS

Orion Township is comprised of nine departments, including the elected offices of the Township Supervisor, Clerk, and Treasurer. The organizational chart below highlights various functions of each department. While not Township departments, the Township contracts with the Oakland County Sheriff's Office to provide police services, and Oakland County Equalization to provide Assessing services. Select a department from the left navigation menu for more information.

PLANNING & ZONING

WHAT DO WE DO?
The Planning & Zoning Department serves as the Township’s primary point of contact for citizens, developers, and members of the business community with questions regarding the Township’s Zoning Ordinance and land use regulations. The Department also provides professional administrative staff support for the Planning Commission and Zoning Board of Appeals. Administrative staff duties include processing publications, preparing agendas, transcribing minutes, public notifications, and coordinating reviews. The Planning & Zoning Department also reviews permanent sign applications and temporary use permits. Click here to see forms for Planning Commission and Zoning Board of Appeals.
CURRENT DEVELOPMENTS

GM EXPANSION

50 KAY INDUSTRIAL DRIVE
The project is to develop vacant property on the southeast corner of Kay Industrial Drive and M-24. The applicant is proposing to construct a 48,060-sq. ft. industrial spec building with 5,400-sq. ft. of office space on the first floor.

KAY INDUSTRIAL DRIVE
The project is to develop vacant property immediately south of 100 Kay Industrial Drive. The applicant is proposing to construct a 86,855-sq. ft. industrial spec building with 6,000-sq. ft. of office space on the first floor and 6,000-sq. ft. of office space above.
Job correlates directly with her past experiences, making her well-suited for the position.

Kimi was attending college for a degree in communications when she put that on hold to pursue the full-time director position with the MACC. With only two classes left to finish her degree, Oakland University offered her a small grant to entice her to return to school. After all those years, she was finally able to complete her Bachelor’s Degree in Communications in 2021.

“My position at the MACC afforded me the opportunity to work with the Township team on cool projects that I’m proud of, like the KidsMOM Playground at Camp Agawam and the Orion Living Magazine,” Urbanski said. “As a Trustee, I learned even more about how our Township operates, which I found fascinating. When I realized there may be an opportunity to fill the Treasurer’s position, I started researching the statutory requirements, taking treasury-related webinars through the Michigan Township Association, and just asking a lot of questions.”

One of her favorite things is the Citizen of the Month presentation at Township Board Meetings.

“Every single one of those moments is wonderful to see,” Urbanski said. Kimi is looking forward to getting to know the people she works with better, as well as continuing to build relationships with residents and businesses throughout the community.

We are excited to have Urbanski as our new Treasurer and ask that you join us in congratulating her as she embarks upon her new role and responsibilities. Be sure to stop by and introduce yourself when visiting Township Hall.

Ordinance No. 95: Approved Peddlers & Solicitors Information

Non-profit groups who wish to solicit funds in the community must register with the Township Clerk’s Office. Per Ordinance 95, all other solicitors must apply for a permit ($35 application fee for the first 30 days and $15 for each additional 30-day period). Solicitors are allowed to go door-to-door between the hours of 11:00 a.m. to a half-hour before sunset in Orion Township.

If a solicitor comes to your door, ask to see their license. If it cannot be produced, call the Clerk’s Office at (248) 991-0304, to verify the approval status, or non-emergency dispatch (248) 988-4911, to report the violation.
