Site Plan Approval Application

30.1 A. Intent: The site plan review procedures and standards are intended to provide an opportunity for consultation and cooperation between the applicant and the Planning Commission so as to achieve maximum utilization of land with minimum adverse effects on adjoining property. Furthermore, it is the intent of these procedures and standards to allow for review of site plans by the Planning Commission, to provide a consistent and uniform method of review, and to ensure full compliance with the standards contained within Zoning Ordinance 78, and other applicable local ordinances and State and Federal laws.

Did you know Orion Township is located within the Clinton River Watershed?

A watershed is another name for a river basin. It is an area of land that drains into a common body of water. Did you know that rainwater and melting snow makes its way into our lakes and the Clinton River after it leaves the parking lot or storm drain? Orion Township, along with our neighboring communities, is in the process of developing a watershed management plan to comply with Federal stormwater permit regulations to improve the quality of stormwater generated from new development and redevelopment. Your opinion on the following questions would be appreciated. Please answer these short questions and return to the Building Department.

1. Please rate the following governmental goals and objectives.
