PC-2021-71, F & D Silverbell Rezone Request, the request is to rezone approx. 23.05 acres of vacant parcel (#09-35-100-019) located at the SW corner of Silverbell and Lapeer Road from Office Professional (OP) to General Business (GB). Ms. Sara D’Agostini on behalf of F & D Silverbell Co. LLC, with her was Gene D’Agostini as well, both of their addresses are 38700 Van Dyke, Suite 200, Sterling Hts., MI.

Ms. D’Agostini said that F & D Silverbell Company owns the undeveloped parcel on the SW corner of Silverbell and Lapeer Rd. and is approx. 30.087 acres. The parcel is currently zoned Office Professional (OP) and it is Master Planned for mixed-use industrial commercial, and residential. By way of background F & D Silverbell directly and through affiliates have owned this parcel for over 20-years. They have broadly marketed under the (OP) use and went so far as to engineer and design a development that would fall squarely within the (OP) zoning back in 2000. Since that time, they have marketed and have had no success so this evening they are there to request a rezone to Industrial Park (IP) for the 23 acres that are the western portion of the property, and rezone to General Business (GB) for the 7 acres that are along the eastern portion of the property. They believe that it was consistent with the uses that the market demands. By way of background, the parcels to the north are zoned Industrial Park (IP) and General Business (GB) the parcel directly to the north that actually is similarly situated to theirs, so it mirrors the zoning they were requesting tonight. The zoning to the west is Industrial Park (IP) and that use is warehouse space, the zoning to the south is Limited Industrial (LI) and those are manufacturing and warehouse uses. Across Silverbell Rd. to the east, they have (OP) zoning, one vacant parcel, and one on the corner is a credit union. Kitty-corner they have (PUD) zoning with a gas station being developed as they speak. They believe that this rezoning would be consistent with the development around them and those developments have been very successful. They ask that they recommend to the Board of Trustees that they are allowed to rezone to these uses.
Chairman Reynolds asked if there were any citizens that would like to ask questions and provide comments on the public hearing, to state their name and address for the record. There was not.

Chairman Reynolds closed the public hearing at 7:20 p.m.

Respectfully submitted,
