Final Public Bidding Results by Allocation:

See the August 6, 2020 detailed summary for back up

Sitework Allocation \$ 4,148,500
Sheriff Substation 2,470,000
Township Hall Building 9,705,000

Preliminary Grand Total for Construction: 16,323,500

Projected Design Development Budget: 16,551,000

Delta: Over / (Under) anticipated budget: \$ (227,500)

Key Notes:

Value Engineering and Options are not reflected within the Final Public Bidding Result Total
Final Construction Costs shall be reconciled after Client review of Value Engineering and Options, but prior to August 17, 2020 Board Meeting

EXECUTIVE SUMMARY – FINAL CONSTRUCTION COST

Orion Township Municipal Complex & Future Park Executive Summary of Construction Costs August 6, 2020

Final Project Construction Costs by Work Segment:	As	sociated Value
New Township Hall Facility Construction Cost: 43,675 Total Square Feet Full Basement	\$	9,705,000
New Oakland County Sheriff's Substation Construction Cost: 8,820 Total Square Feet Sizing based on Future Staff Count		2,470,000
Activation of 76 Acres of Site Development: Development of Infrastructure for 76 Total Acres Joslyn Road Turn Land and Improvements		4,148,500
Subtotal of Construction Costs From Bidding Results		16,323,500
Recommended Construction Contingency		500,000
Options and Value Engineering Items To be updated post August 6, Board Workshop		Pending
Preliminary Guaranteed Maximum Price for Construction:	\$	16,823,500

DETAILED BUDGET SUMMARY CONSTRUCTION COST

Description	Esti	mated Cost	Painting	83,500
			Floor Coverings	216,000
Preconstruction Services	\$	88,500	Plumbing	406,500
Safety & Technology		26,500	HVAC	1,029,000
General Conditions		405,000	Snow Melt System	101,000
Construction Testing Allowance		70,000	Electrical	1,537,000
Construction Staking		84,000	Fire Alarm Allowance	77,500
Earthwork		1,338,000	Fire Protection	124,500
Site Utilities		828,000	Window Treatments Allowance	35,000
Landscaping Allowance		500,000	Conveyance Systems	102,000
Asphalt Paving		612,500	Code Signage, Flag Poles, Fire Ext. & Final Cleaning	35,500
Site Concrete		375,000	Fire Place	25,000
Foundations		1,017,500	Fencing & Gates Tool Cribs	108,000

Restroom Partitions & Accessories		24,000	Subtotal of Construction Cost	\$ 16,323,500
Millwork		253,000	Recommended Construction Contingency	 500,000
			Guaranteed Maximum Price for Construction:	\$ 16,823,500

OPTIONS & VALUE ENGINEERING ITEMS FOR DISCUSSION

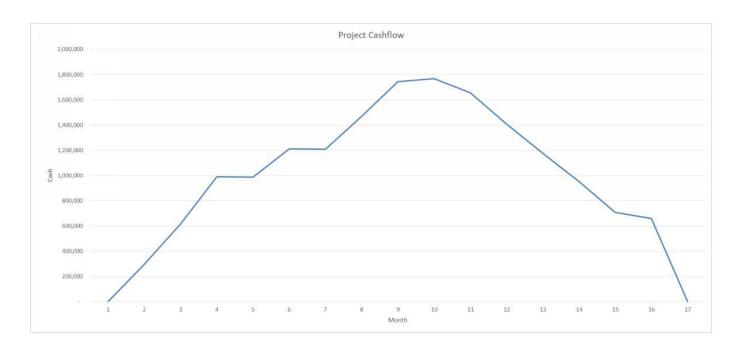

Description	Est	imated Cost	Accepted: Yes / No
Roofing			
Roofing Membrane: Fully adhered roof system over (2) layers of 2.6" ISO (R-30)	\$	(20,000)	Yes
Standing Seam: 16" wide rib at metal roof ILO 12" wide rib		(22,000)	Pending
Interior Carpentry, Ceilings, Painting & Door Hardware			
Change exterior sheathing from Dens Element to National Gyp Exp Sheathing		(8,250)	Yes
Change ceiling grid to standard white in lieu of buzzard white		(11,500)	Yes
Change ACT #1 to USG Olympia #4231		(36,500)	Pending
Change ACT #2 to USG Olympia #4431		(2,000)	Pending
Change ACT #3 to USG Olympia #4913		(2,500)	Pending
Eliminate wall covering		(4,500)	Pending
Mechanical & Electrical			
CPVC pipe ILO copper (Pending Engineers Approval)		(11,000)	Pending
Reduction of gas pipe size for 2 PSI service (Pending Consumers Approval)		(10,500)	Pending
Eliminate (1) manhole		(9,000)	Yes
Alternate design for electrical Generator Transfer Devices		(10,000)	Pending
Rings & strings ILO card reader conduit		(19,500)	Pending
Aluminum wiring ILO copper		(15,000)	Pending
Power distribution		(16,000)	Pending
Alternate floor box manufacturer		(3,000)	Yes
Specialty Items / Other			
Replace approx. 230 LF of SD fence with 6' high black vinyl chain link fence		(12,500)	Pending
Tool Cribs: Chain linked enclosure & gates ILO wire mesh design		(3,000)	Pending
Landscape Allowance Reduction		Rebidding	Pending
Construction Contingency Options			
Construction Contingency (2%)		325,000	
Construction Contingency (3%)		500,000	Included in GMP
Construction Contingency (5%)		800,000	
Sitework & Amenities Items Not Included in Construction Budget			
Site Furnishings		71,500	Pending
Carports		52,500	Yes
Scripps Road Improvements Allowance - Pending Design		840,000	No

EXECUTIVE SUMMARY – OWNER DIRECT PURCHASE COST BREAKDOWN

Description		Estimated	Cost	
Municipal Hall Project Cost Breakdown:				
Fixtures, Furniture & Equipment	s	473,500		
Low Voltage Allowance		650,000		
Artwork Allowance		32,000		
Appliances Allowance		18,000		
Active White Noise System		69,000		
Building Signage Allowance		28,000		
Monument Signage Allowance		35,000		
Relocation & Moving Fees Allowance		14,000		
Subtotal Cost:			\$	1,319,500
Sheriffs Substation Project Cost Breakdown:				
Fixtures, Furniture & Equipment		109,700		
Low Voltage		300,000		
Lockers Allowance		152,000		
Emergency Call Tower		20,000		
Artwork Allowance		8,000		
Appliances Allowance		12,000		
Building Signage Allowance		12,000		
Monument Signage Allowance		15,000		
Relocation & Moving Fees Allowance		6,000		
Subtotal Cost:			_	634,700
Owner Direct Purchase Total Cost:			\$	1,954,200

Key Notes:

Design fees and bonding cost are not included above.

Cost for design and bonding fees are accounted for in the Township funding matrix.

EXECUTIVE SUMMARY – TOTAL PROJECT COST

Description:	Asso	Associated Value			
Preliminary Grand Total of Construction Costs:					
Township Hall Cost	\$	9,705,000			
Sheriff's Substation Costs		2,470,000			
Site Development of 76 Acres		4,148,500			
Subtotal of Construction Cost		16,323,500			
Recommended Construction Contingency		500,000			
Grand Total of Construction Costs:		16,823,500			
Grand Total of Owner Direct Purchase Costs: Bond Issuance Cost AKA Design Fees		1,319,500 131,500 107,500			
Preliminary Grand Total of Project Costs:	\$	18,382,000			

Key Note:

A procurement cost of \$737,380 has been projected for the Sheriff's Substation.
