## *Share Your Story*

### WHAT IS A LOVE STORY?

Love here, is an acronym for "Lake Orion Values Everyone."

The Township wants to hear and share the unique ways our incredible community shows and experiences LOve.

Who in our community inspires you? Whose story needs to be told?

We care about every individual, every organization, every success, and struggle.

If you have someone you think we should feature or a story you think we should hear, please let us know! You can send us a message on Facebook, or reach out to [mbrandon@oriontownship.org](mailto:mbrandon@oriontownship.org).
