13. The former owner of the property, or his agent, shall not be deemed to be the successful bidder on the property or purchase same at the public auction, unless the bid amount exceeds the amount of the purchase price to affect the release of County's interest. If the former owner or his agent reacquires the property, all liens existing prior to the foreclosure, will be reinstated and the purchaser (former owner) must sign the deed to reinstate the liens.
14. Purchaser shall provide information necessary to complete, and shall execute, the necessary forms and documents required for recording the deed in the Orleans County Clerk's Office. The purchaser executing the auction terms and conditions of sale may not assign or otherwise transfer his right to complete the bid, unless the County agrees in writing. The deed prepared will be in the name of the successful bidder (and spouse) only. No third-party bidding will be accepted, unless the bidder identifies that he is bidding as an agent for a disclosed principal.
15. The auctioneer's decision regarding any disputes is final, and the auctioneer reserves the right to reject any bid that is not an appreciable advancement over the proceeding bid.
16. The Purchaser will execute an Offer to Purchase form immediately upon being declared the high bidder. The approval of each bid by Resolution of the County Legislature will not constitute a Contract of Sale and the County reserves the right to reject any bid prior to the closing of title and the recording of the deed.
17. The Purchaser shall be responsible for the payment of an eleven percent (11%) buyer's premium (1% buyer's premium discount for cash or other guaranteed funds) in addition to the accepted purchase price, an advertising fee of 1.5% of the bid price, and the closing fees/costs. The "buyer's premium" is the fee/commission earned by the auctioneer. Accepted purchase price is the amount bid by the highest bidder, which has been approved by the Orleans County Legislature.
18. All required deposits must be paid in full for all successful bids immediately upon being declared the successful bidder. Any successful bidder, who fails to tender the deposit immediately upon being declared the successful bidder, will be forbidden to participate in this or any other auction. Any parcels which the County did not receive deposits for, as

per these terms and conditions, will be considered to be defaulted, and resold and the bidder will be disqualified from further bidding.

19. 25% of the total contract price (total contract price is the combination of the high bid plus the buyer's premium, as defined in section 17 of these terms and conditions), shall be paid as a down payment on the day of the auction upon execution of an Offer to Purchase Form. The buyer's premium is wholly based on the downpayment type. Total contract prices selling \$250 or less must be paid in full at auction, including all closing costs which consist of the following will be paid with the down payment on the day of the auction for each parcel: (a) New York State Transfer Tax [\$4.00 for the first \$1,000; \$2.00 for each \$500 thereafter of the purchase/bid price]; (b) Filing Fee for the Real Property Transfer Report [\$125.00 if the parcels classification code is 100-199, 200-299 or 411-C; \$250.00 for all parcels otherwise classified], (c) Filing Fee for combined Gains Transfer Tax Affidavit [\$5.00]; (c) all fees required by the Orleans County Clerk for recording of the deed [\$50.00 to record a one page deed; \$5.00 for each additional page], (d) 1.5% advertising fee as described in section 17. Closing costs may be subjected to an increase in fees as required by law, without notice. All deposits must be made in cash or guaranteed funds payable to the "Orleans County Treasurer" and drawn on banks insured by the Federal Deposit Insurance Corporation (FDIC). No exceptions.
20. The Purchaser paying the minimum deposit by credit card understands and agrees that all deposits collected by credit card will be turned over to the Orleans County Treasurer. Credit cards can be used for the minimum deposit only, not the total contact price. The Purchaser paying by credit card(s) agrees that they shall NOT attempt a charge back on their credit card(s) used in this/these transaction(s) for any reason whatsoever. In such event that a charge back is initiated by Purchaser and that such attempt is upheld in favor of Auctioneer/Orleans County, Purchaser agrees and authorizes to compensate Auctioneer with a \$750.00 recovery fee as a new charge to their credit card(s) without requiring additional Purchaser signature(s). Failure to pay such recovery fee will result in collection action against said Purchaser(s).
21. All bids shall be subject to approval by the Orleans County Legislature, which shall have the right, in the Legislature's sole discretion, to reject any bid for any reason whatsoever.
22. All parcels for which you are the successful bidder for must be paid in full. No selective closings subsequent to the auction. Failure to remit full payment on all parcels for which you are the successful bidder will result in a default of all deposits tendered, and you will not be permitted to close on any other parcels for which you are the successful bidder.
23. The entire balance of the accepted purchase price, the buyer's premium, as defined in section 17 of these terms and conditions, and all closing costs/fees must be paid by cash or guaranteed funds to the Orleans County Treasurer's Office on or before September 30, 2021. The County is not required to send notice of acceptance to a purchaser. If the purchaser fails to pay the balance of the total contract price plus closing costs and fees as herein provided, the deposit shall be forfeited. The County reserves the right, in its sole discretion, to extend the time of payment upon such terms and conditions it deems appropriate.
24. If the successful bidder fails to tender such amount due by the close of business on September 30, 2021, then the County may, but is not obligated to offer any unsold property to the second highest bidder. All terms and conditions for the sale set forth herein above shall apply to the second highest bidder and/or any other purchaser.

25. All sales shall be final, absolute and without recourse, once title has closed and the deed has been recorded. In no event, shall Orleans County and/or Absolute Auctions & Realty, Inc. be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, its heirs, success or assigns, against Orleans County and/or Absolute Auctions & Realty, Inc. arising from this sale.
26. The County of Orleans will execute no warranties concerning the parcel or title thereto and will not deliver or be responsible for abstracts, title insurance, title searches, surveys, maps or other documents concerning a parcel whatsoever.
27. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the County acquired title or as corrected up to date of deed. The deed will be recorded by the County upon payment in full of the accepted purchase price, buyer's premium, and closing fees/costs. POSSESSION OF PROPERTY IS FORBIDDEN UNTIL THE DEED IS RECORDED WITH THE ORLEANS COUNTY CLERK CONVEYING TITLE TO THE PURCHASER. TITLE VESTS AT THE RECORDING OF THE DEED. It is agreed between the County and the purchaser that delivery and acceptance of the deed occurs upon recording the deed.
28. A quitclaim deed issued as a result of the auction shall contain the following provisions: (a) "Nothing contained in any description herein is intended to convey more than the assessed owner owned at the time of the levy of the tax, the non-payment of which resulted in the tax sale. There is no representation as to the extent of the acreage conveyed herein;" (b) Orleans County shall in no event be or become liable for any defect in the title so conveyed for any cause whatsoever, or for any encroachments or disputed boundaries; and that no claim or demand of any nature shall ever be made against said Orleans County arising from such sale or conveyance or any proceedings leading thereto.
29. Evictions, if necessary, are solely the responsibility of the successful purchaser after closing and recording of the deed. PLEASE NOTE: All bidders are advised that the properties are sold subject to the rights of tenants or persons otherwise occupying the properties, if any. Responsibility to evict any tenants or take similar action concerning occupancy of the premises is the sole responsibility of the bidder. Eviction proceedings are subject to NYS law including any Executive Orders of the Governor and Administrative Orders of the NYS court system.
30. Bidder gives permission for Auctioneer and those acting pursuant to its authority to photograph, video tape, or use any other electronic method of recording my likeness and/or voice to be used at the Auctioneer's discretion in auction-related publications and/or websites.

INTRODUCTION

Due to events leading to civil unrest within communities throughout our country, New York State Governor Andrew Cuomo issued Executive Order 203 on June 12, 2020.

Executive Order 203 requires law enforcement agencies to comprehensively review all police force deployments, strategies, policies, procedures and practices.

Additionally, a review must be conducted by community stakeholders. Stakeholders will provide input in areas of evidence based policing strategies. Input will include, but is not limited to: policies, procedural justice, implicit bias awareness training, de-escalation training, law enforcement assisted diversion programs, community based outreach, and problem-oriented policing.

Upon completion of this plan, it must be offered for public comment to all citizens within the local community. Upon completion of the review and public comment, the plan must be presented to the local legislature to be adopted by resolution.

MISSION STATEMENT

The Mission of the Orleans County Sheriff's Office is to be a Sheriff's Office for the people. The Orleans County Sheriff's Office strives to serve and protect the citizens of Orleans County; provide a safe and secure jail, ensuring necessary treatment is provided to better prepare inmates to reenter society; to be visible and accessible; to maintain peace and order in Orleans County; to provide professional public safety dispatching; to properly receive and execute all legal and civil processes referred to the Office of the Sheriff; to deliver effective law enforcement services to all citizens of Orleans County; and to support and defend the Constitution of the United States of America.

ROAD PATROL DIVISION DEPLOYMENT AND SERVICES

The most visible division of the Sheriff's Office is the Road Patrol. This division is under the direct supervision of the Chief Deputy. He currently has a command staff of one Lieutenant and three Sergeants, who supervise 17 patrol Deputies. The Chief Deputy also supervises 2 Criminal Investigators and 1 Juvenile Aid Officer. Road Patrol has the task of enforcing state, county, and local. They investigate both criminal and civil complaints, as well as domestic disputes and family matters. They respond to intrusion alarms and investigate motor vehicle accidents. Road Patrol Deputies are tasked with patrolling 739 miles of public roadways in Orleans County.

Patrol Deputies also serve as members of a countywide Special Weapons & Tactics (SWAT) Team. They are appointed by the Sheriff and report to the Chief Deputy. The team also includes select members from two municipal police agencies within the county (Albion & Medina). These dedicated individuals have received specialized training in a variety of topics.

The Sheriff's K-9 Unit consists of a male German shepherd that was imported from Holland and was acquired with community donations. K-9 "Otto" is a criminal apprehension dog, specialized in drug detection. K-9 "Otto" and his handler, Deputy Jeff Cole, are certified through both the New York State.

Department of Criminal Justice Services and North America Police Working Dog Association. Deputy Cole and K-9 "Otto" are available to assist all Law Enforcement agencies within Orleans County, as well as surrounding counties. The K-9 team is also available for community demonstrations upon request.

One patrol deputy is a certified S.C.U.B.A. diver, and two are trained in Commercial Vehicle Enforcement. Five deputies are certified as Child Safety Seat Technicians. One Sergeant & two patrol deputies also currently serve as Certified Crime Scene Photo & Evidence Technicians. One Deputy Sheriff also provides security for the Orleans County Office Building on a daily basis Monday – Friday. In addition, the Orleans County Sheriff's Office has two Deputies assigned to School Resource Officer roles in the Lyndonville School District and Kendall School District.

The Orleans County Sheriff's Office operates on three shifts; day shift, 7:30 AM to 4:00 PM; afternoon shift, 3:30 PM to 12:00 AM; and midnight shift, 11:30 PM to 8:00 AM. Deputies are assigned to a shift based on a bidding process set forth in the Orleans County Deputy

Sheriff's Association contract. The county is split up into three zones for patrol purposes; center, east and west. During each shift, a Deputy Sheriff is assigned to one of the zones and if staffing levels allow, a supervisor will be the fourth car, "floating" not assigned to a zone. It is common practice for deputies to work the same zone on a regular basis. This enables them to become more familiar with their patrol area(s) and the community members therein.

CIVIL DIVISION ROLE AND RESPONSIBILITIES

The Civil Division is responsible for the service of Civil Process. This includes Summons' and Subpoenas, Family Court Orders, Income & Property Executions, Orders of Protection, Notices & Warrants of Eviction, etc. Civil Process Service is a constitutionally mandated responsibility of all Sheriff's Offices in New York State.

A Sergeant is assigned to the Civil Division and oversees the day to day operations. This includes developing the departmental budget in cooperation with division heads and for approval of the Sheriff, administering purchasing procedures, supervising the processing of personnel, the maintenance of personnel records, supervising budget control and administration, assisting employees with retirement benefits, compiling statistics, maintaining time and attendance records for both full-and part-time employees, responding to employment inquires.

CORRECTIONS DIVISION ROLES AND RESPONSIBILITIES

The Corrections Division operates under the direct supervision of the Jail Superintendent. The Corrections Division is responsible for the safe and secure operation of the Orleans County Jail. The facility is approved to house 82 inmates and often exceeds that capacity with variances issued by the NYS Commission of Correction. The jail serves as a detention center for pre-trial felony or misdemeanor defendants & those convicted of misdemeanors or violations in county or town courts. The Jail Superintendent currently has a command staff of 3 Lieutenants and 6 Sergeants. They supervise 17 full-time and 10 part-time Correction Officers. There are also 7 civilian employees. In addition to their normal duties, Correction Officers are also responsible for inmate transports to and from county and town courts. They also handle transports to and from medical and dental appointments, and they deliver convicted state-ready inmates to the NYS Department of Corrections & Community Supervision (DOCCS). The jail occasionally houses inmates from other counties or for Immigration & Customs Enforcement, the United States Border Patrol, or the United States Marshal's Service. The Orleans County Jail operates within the standards & guidelines established by the New York State Commission of Correction.

COMMUNICATIONS DIVISION

The mission of the Orleans County Emergency 9-1-1 Communication Center is to provide all citizens with a lifeline to all of the emergency service agencies within the county. Our goal is to be reliable, courteous, and knowledgeable first link in the chain of organizations that provide law enforcement, fire, and emergency medical assistance for any individual who may request it.

The Communications Division strives to provide this through the dedication of Public Safety Dispatchers, who maintain high standards of service and concern for individuals in need. Even as technology evolves, it is still a human voice that first answers the call for help.

Public Safety Dispatchers provide 24/7 Police, Fire and Emergency Medical Dispatch services to all of Orleans County. This includes the Sheriff's Office, New York State Police, and village police departments located in Albion, Medina, Holley and Lyndonville.

MARINE PATROL DIVISION

The Marine Patrol Division is under the direct supervision of the Chief Deputy. This division is staffed by 1 full-time and 9 seasonal deputies, all of whom are NYS Certified Law Enforcement Officers. The division maintains two vessels that patrol approximately 24 miles of Lake Ontario Shoreline and adjacent coastal waters. A third vessel patrols Lake Alice, a large body of water on Oak Orchard River. A fourth vessel was recently acquired and completely funded by the United States Department of Homeland Security. This vessel is a Jet Boat, which is a boat propelled by a jet of water from the back of the craft. It is particularly useful in shallow bodies of water. The Marine Patrol Unit responds to various calls for service including disabled vessels, boaters in distress, overturned vessels, vessel fires, vessel accidents and drownings. The Marine Patrol Unit is also visible at various community events, building a stronger community within Orleans County.

Sheriff's Office (Road Patrol, Marine Patrol, Corrections and Animal Control) frequently attend community events, interacting with the public, providing activities and resources for children, adults and families. During the Christmas season, the Sheriff's Office partners with Albion Walmart for "Shop with a Cop" for underprivileged youth. The Criminal Investigation Division operates a computer system at community events to provide children and families with Safe ID cards. These cards include a picture of the child, their information and fingerprint, all of which can be used in the tragic events they go missing or are abducted. Deputies are encouraged to get out of their patrol vehicles and interact with the community beyond responding to calls for service. Deputies often take opportunities to go into the school districts to sit down and have lunch with children and students. The Sheriff's Office provides pistol permit classes for the public. Orleans County has a strong network of pastors and religious leaders. The Sheriff's Office has tapped into this network and has created an all-volunteer Sheriff's Chaplain team. Targeted Patrol

The Road Patrol Division not only responds to calls for service, but also provides proactive patrolling to deter crime. Deputies routinely patrol their assigned patrol areas when they are not answering calls for service. Deputies look for suspicious activity and other indicators of potential criminal activity. Upon receiving complaints about various concerns from the public, the Sheriff's Office will target these areas in concern and direct their attention and patrol time accordingly. Additionally, if there is an increase in criminal activity in an area of the county, patrols will also increase their presence as a means to deter criminal activity.

The Orleans County Sheriff's Office is required to report specific use of force incidents to the Department of Criminal Justice Services repository. The criteria for reportable use of force includes: the use of chemical agents, the use of a firearm, the use of an electronic control weapon, the use of a chokehold, or any force which resulted in death or serious bodily injury as defined by NYS Penal Law.
