Chairman Callard explained that he wanted to address Resolution No. 35-112 hopefully to answer the question raised by Mr. Lofthouse. A resolution is on today to sell the former Jubilee building in Medina to ZOR Inc., a holding company affiliated with Evans Ace Hardware (formerly Hahn's Hardware) for a sum of no less than \$100,000. That amount represents the full amount owed on the property in back taxes as well as a portion of the interest and penalties. This is a commercial property of significant size and if properly redeveloped of significant value to the county taxpayers. The agreement conveys the county's interest in the property and sets forth the terms of sale.

The resolution states that the county has agreed to assist as a term of the sale with certain improvements to the property in the same way someone selling a home would agree to fix the septic system after an inspection showed problems with the system prior to closure. Zor Inc. will pay for all the associated materials and labor. In the event that the Zor Inc., invests \$500,000 into the property within 24 months, up to \$17,000 in labor will be forgiven.

*January 25, 2012*  
*Resolutions 29-38*

As a reminder, the County took possession of the old Mic-Jac building and it was offered in the 2007 In Rem auction. The assessed value at the time was \$169,100 and the top bid was \$2000. It was rejected. The following year the property was again placed in the county auction and drew a top bid of \$5000 and that bid was accepted. The assessed value at that time was \$136,400 and the outstanding taxes were \$96,372.57. The county taxpayers lost \$91,372.

In the case of the Jubilee building, there is an active credible local small business owner with a plan and financing that has a desire to redevelop a distressed property in a distressed area of the village. The county has an opportunity to redevelop a piece of property that is a blight on Orleans County and the Village of Medina. There is an opportunity to grow the sales and property tax bases through a well considered placement of the distressed property. The county will also recover the entire principal owed and a portion of the interest and penalties (\$88,620 = principal, interest and penalties = \$23,630).

This is a much better result than the case of the Mic-Jac building, in which the County Taxpayers lost \$91,372, this was reached through a more proactive and well thought out strategy to market and place the property with a committed business developer. Chairman Callard hoped that answered the questions raised today.

The following resolutions were presented for adoption:

**RESOLUTION NO. 29-112**

Legislator Bower moved to support the ALERT ACT. He explained that if a text message is sent to the 911 center today it does not go through and the center does not know it was sent, therefore could result in serious consequences. If this Legislation goes through, if a text message is made to the 911 center it would be received just the same as a telephone call to

the 911 center. Legislator Johnson seconded the motion. The following resolution was adopted:

**RESOLUTION NO. 37-112**

**RESOLUTION IN SUPPORT OF ALERT ACT, H.R 3654**

WHEREAS, the ALERT ACT would require the Federal Communications Commission (FCC) to complete a rule within one year requiring wireless phone carriers to send an error message to consumers who unsuccessfully attempt to send text messages to 9-1-1; and

WHEREAS, the ALERT ACT would require the Federal Emergency Management Agency (FEMA) Administrator to dedicate at least 10% of federal Emergency Management Performance Grant funds to the testing or implementation of equipment or services allowing the public to send text messages to 9-1-1; and

WHEREAS, wireless phone carriers are currently not required to send error messages to consumers who attempt to send text messages to 9-1-1; this has resulted in victims in crisis situations incorrectly assuming that help is on the way; and

WHEREAS, with the necessary technology already developed, 9-1-1 dispatchers in Blackhawk County, Iowa currently receive and respond to emergency text messages. During the 2007 Virginia Tech tragedy, students sent text messages to 9-1-1 as they hid from a gunman who ultimately killed 32 people. Records show that the students who were successful in reaching emergency responders via voice calls had to speak so softly that potentially vital information was sometimes not heard on the other end of the line. This tragedy showed that many young people will turn to text messaging before voice calls in panic situations; and

WHEREAS, Text-to-9-1-1 capabilities would greatly enhance the safety of those who need to silently request help without drawing an aggressors' attention, such as victims of domestic violence, burglaries, home invasions, and kidnappings; and

WHEREAS, Text-to-9-1-1 would be of great benefit to people with disabilities and others who are unable to communicate over the phone. The President of the National Technical Institute for the Deaf has

## LEGISLATURE MEETING

February 8, 2012

---

Chairman Callard called the meeting to order at 4:35 PM. After the pledge to the flag and invocation, led by Rev. Jon Rieley-Goddard of the Gaines congregational United Church of Christ, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: JP Morgan Chase has requested permission to sell a special Kids Day edition of the Buffalo News on March 20<sup>th</sup> from 6 a.m. to 8 a.m. in front of the County Office Building – at the Route 31 entrance. The proceeds from the sale of this special edition are presented to a variety of Children’s Charities throughout Western New York. The Albion Strawberry Festival Committee is requesting permission to hold its annual festival on the Courthouse Lawn on Friday, June 8<sup>th</sup> and Saturday, June 9<sup>th</sup>. Hours of operation will be from 11 a.m. to 9 p.m. on Friday and 9 a.m. to 8 p.m. on Saturday. The grounds would be used for the same purpose in the past, which is for arts and crafts and entertainment. The Board unanimously approved these requests. A resolution was received from the Niagara County Legislature for the Creation of Niagara-Orleans Regional Alliance. A retirement open house will be held for Debbie Kerr-Rosenbeck, Director of the Genesee/Orleans Youth Bureau on February 9, 2012 from 4:30-6:30 p.m. at Larry’s Steakhouse in the Batavia Room at 60 Main Street, Batavia. The Oak Orchard Watershed Protection Alliance will meet on February 15, 2012 at the Orleans County Soil and Water Conservation District Office at 7:00 p.m.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through December. She indicated that cash is still available. The January report is off to a good start but does not include any real property taxes collected. In the first week of February \$4,600,000 has arrived in real property taxes from five towns. Sales tax year-end report should be received by February 20<sup>th</sup> which will provide last year’s dollar amount to wrap up the 2011 financials.

During open discussion, Allen Lofthouse, Kendall, referenced the first paragraph of Open Meetings Law, that people must remain informed if they are to retain control over those that are public servants. He inquired about a previous discussion with Soil and Water which a statement was

*February 8, 2012*  
*Resolutions 39-59*

made that every dollar spent has \$19 returned. Mr. Lofthouse asked Legislator Rush if that is pretty accurate and how does that work? Mr. Lofthouse said that if that is the case, that the board should take his ingenuity and put it into other various parts of county operations. Legislator Rush said that they receive a lot of grants. Legislator Allport stated that it all started with James Kingston. Through the Oak Orchard Watershed, there is an ability to get grants to buy equipment by Soil and Water and be able to share with various municipalities. It was a five year project, which protects the Oak Orchard watershed; and in every year they invest money into that project, they receive money back in grants. Legislator Allport further explained that when a farmer goes to tile a field and Soil and Water survey's the field and helps in the tiling project, putting the field back into production, they include that into the return. Mr. Lofthouse stated that grants, or taxpayer's money, have a lot to do with the return. Chairman Callard said that the return is actually more, \$50 for every dollar invested by taxpayer money, which is to assist Soil and Water. That money is leveraged through grants that have gone into the millions of dollars. Legislator Eick also added that fruit farmers erect spray barns, at least 25 to 30 are up throughout the county, and they are installed through application of grant money. These are put up by local contractors which are monies that are being returned to our County. Legislator Rush also said that programs are in place to pay for staff salaries.

Paul Lauricella, Yates, commented on Resolution No. 57-212, regarding the Board of Ethics, which he stated he had a hand in establishing. He is big on ethics and in going around to various town meetings with the Conservative Party; he sees all types of ethics violations. Mr. Lauricella stated that Comptroller DiNapoli is making his rounds in Orleans County so hopefully things will get cleaned up. Chairman Callard stated that the way the County Board of Ethics is structured; the Towns can opt into this board and have oversight if they wish. Mr. Lauricella stated that they have all adopted the code of ethics. Chairman Callard stated that they have their individual code of ethics, but not all of the Towns participate in using the County Board of Ethics.

Chairman Callard asked if any of the Legislators wished to report. Legislator Smith informed the board that it is Black History Month and he read two quotes from George Washington Carver and Jesse Owens. Legislator Smith stated that he hopes that one day we won't have Black History we will just have American History.

Chairman Callard commented that he will be giving the State of the County Message at the next meeting. As part of that, he wants to express the vision for the future and in such he has been visiting Town Supervisors and Village Mayors. He stated that he is getting a full understanding of what their goals are as they move forward. He expressed the importance of interaction between each level of government on the local Orleans County level and the importance as such as we move forward. Chairman Callard stated, “we have to consider the fact that the State is doing what it can to bring itself into order but at the same time, there are unfunded mandates but the State is trying to reduce that rate of increase which directly impacts on the taxpayers of the county and subsequently can cause a reduction in local serves.” Chairman Callard stated it behooves us all to work together to find new ways to save money to help offset the State’s spending and he further emphasized the importance of us moving outward, like we did today with Niagara County. We will be outreaching to Genesee and Monroe counties as well, he stated. Although, we do a lot with each county, we want to do even more to help benefit us all. The Chairman asked if any group or people wish to comment to him, within the next two weeks, of what their thoughts and feelings are towards the vision of Orleans County, he welcomes their calls either at the office or at home. He said it will help him develop what is really the people’s vision of Orleans County.

Legislator Allport stated that there is a website, [www.mandaterelief.com](http://www.mandaterelief.com), available for people to visit. This sends messages to our state elected officials that requests that Albany reduce unfunded mandate costs being pushed down to the Counties and start paying for it in Albany. A handout is available today with the website address. Paul Lauricella asked if this is the one on the County website. Mr. Nesbitt indicated that we have two up now. Enough mandates is more of an informational website. Mr. Nesbitt also said we could also make some copies available of the NYSAC brochures for our upcoming meetings. MandateRelief.com is a NYSAC sponsored website.

Legislator Eick moved to add two resolutions to the agenda; second by Legislator Allport. Motion carried. The following resolutions were presented for adoption:

February 8, 2012  
Resolutions 39-59

**RESOLUTION NO. 39-212**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Johnson moved to create the Niagara-Orleans Regional Alliance, which we had a presentation on earlier during conference session, and it is a great honor to move this. She said that as past Chairman of the Public Safety Committee for the last two years, this is something that our volunteer firemen do without a blink. Mutual aid and public safety sees no county borders and now it is a stride forward to realize that a county board does not need to inhibit us. Legislator Bower seconded her motion. The following resolution was adopted:

#### **RESOLUTION NO. 41-212**

#### **CREATION OF NIAGARA-ORLEANS REGIONAL ALLIANCE**

WHEREAS, the Orleans County Legislature has demonstrated and benefitted from an ongoing commitment to regional initiatives; and

WHEREAS, while most of this Legislature's regional initiatives to date have focused on Orleans County it is clear that our region extends beyond this geographic border, and for this reason it is, therefore, desirable to extend our scope of effort as well; and

WHEREAS, cooperative efforts between Orleans and Niagara County, such as Emergency Services, have proven that successful regional initiatives are possible on a grander scale; and

WHEREAS, leadership in both Legislatures have met to discuss an organized, sustained partnership to identify and act on regional priorities for the betterment of both counties and the entire area, and have

## LEGISLATURE MEETING

February 22, 2012

---

Chairman Callard called the meeting to order at 4:33 PM. After the pledge to the flag and invocation led by Father Dick Cszimar of Holy Family Parish, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: The Eastman at Albion Courthouse Square Concert Series committee is requesting to place a sign at the corner of Rte. 31A and 98 again this year to advertise their Eastman at the Albion Courthouse Square 2012 Concert Series. The Board unanimously approved this request. The Orleans County Youth Bureau is calling for nominations for Youth Recognition Awards, the Helen R. Brinsmaid Award and the Eileen Heye Adult Volunteer Recognition Award. All nominations are due to the Youth Bureau by March 2, 2012 and will be awarded at the 30<sup>th</sup> Annual Youth Recognition Banquet which is scheduled for May 10, 2012. Chairman Callard announced the Governor Cuomo's 2012 Budget Reform and Agenda presentation on Friday, February 24 at 2pm. Sam Hoyt, Senior Vice President of the NYS Empire State Development Corporation will be giving the presentation, here in the Legislative Chambers. All are welcome to attend.

Chairman David Callard presented the following "STATE OF THE COUNTY MESSAGE":

*The people of Orleans County are good and hard-working. They are resilient and generous. They have not been deterred by the economic woes of the state and nation and its impact upon our lives. People across the county have most recently contributed several million dollars to build a state of the art library and a respite home for the gravely ill. Yet they have not forgotten those in need, nor will they ever. Volunteerism abounds assisting the people of this county. People care.*

*We need to continue in these efforts - standing together and working for a common good. Life must be approached in a positive and constructive manner and the negativism of the few cannot be allowed to thwart progress. This legislature has been elected by the people, serves the people, and will continue to be consistent and responsive to the people, in an effort to improve life within the county.*

February 22, 2012  
Resolutions 60-79

*During the past month I have met individually with the village mayors and the town supervisors, and will soon outreach to the school superintendants to get a greater appreciation of current needs and concerns. From those meetings I have developed a synthesis of their ideas that I will discuss with you as I proceed. These ideas set the course for this year and thereafter. Dialogue will be on-going. I shall be proposing joint meetings of the representatives of the villages, the towns, and the county throughout the year. I shall call for a public forum in the spring and the fall. I ask also for the opportunity to speak before any citizen group. It is important that the people be informed and their input is critical for the overall success of our efforts. Together we shall meet the challenges that are set before us.*

*Before I proceed I would like to comment on two heart-warming experiences this past year. One was when a group of Albion seventh-graders extensively researched the abandoned cemetery on Route 31 where residents of the Orleans County Alms house had been buried. Through their learning experience, public interest, and assistance from the Orleans County Highway Department, that cemetery was restored, a monument was dedicated, and new landscaping put in place. Another such experience was when the legislature was approached by the American Legion posts throughout the county to commemorate the 10<sup>th</sup> anniversary of 9/11. Together a memorial stone was placed at Court House Square, adorned by a new flag pole and floral vases, and was publically dedicated. These collaborative efforts were a tribute to the people.*

*Perhaps the biggest challenge of the year was the comprehensive review of The Villages of Orleans Health and Rehabilitation Center. This was necessitated by the submission of its budget estimating an operating loss of \$1.1 million for 2010 and projections for 2011-2015 showing consistent growth in its annual operational deficit in each subsequent year from over \$2 million to nearly \$4 million. Since then, unexpectedly favorable rebased Medicaid rates have been established and overdue Medicaid reimbursements have been received, resulting in a significant reduction in net operating losses. We are hopeful that as we continue to expand available services revenues will increase providing needed relief to the continuing Nursing Home deficits.*

*Despite a great performance by the Villages in 2011, census numbers early in 2012 have been down. So it is important that we stand together*

February 22, 2012

Resolutions 60-79

*now and concentrate on promoting our nursing home, increasing its occupancy, and strengthening its operation.*

*This year, the legislature plans to implement the recommendations of the energy efficiency study, implement the new county-wide emergency radio system for law enforcement, fire-fighters, ambulance, and highway workers. There will be a major overhaul to the county emergency communication system. We shall also undertake an upgrade of the county Marine Park including replacement of the decking and the south stair case.*

*Increased emphasis will be given to the infrastructure. Highways have been well-maintained and bridge work completed as planned, but now, with reduction in state and federal aid, very carefully planned preventive maintenance will have to be undertaken to extend the life of our existing infrastructure.*

*The County Legislature and the County Economic Development Agency will continue its strategic planning that focuses on site selection and targeted industries. The county possesses many of the ingredients necessary to support larger scale commercial and industrial development, but needs to pre-identify and offer a variety of shovel-ready sites. The legislature and the EDA will be analyzing the land characteristics necessary to produce a complete inventory and database of multiple appropriate sites that the county can offer for new development. This will lead to action-oriented recommendations that will ultimately lead to direct job growth.*

*The budget will continue to be closely scrutinized. Salaries are held to less than 1%, which is exceptional, but health insurance and New York State retirement will rise 10% and 28% respectively. The state continues to lower revenue aid to the counties, while it increases unfunded mandate costs. One such unfunded mandate cost - Medicaid - is the county's greatest expense. New York spends over \$1 billion a week on Medicaid and over \$7 billion of that cost goes to the counties. If the state assumes responsibility for this spending, then local taxes will be markedly reduced and local services increased.*

*The legislators review departmental operations on a monthly basis encouraging department heads to make cost saving recommendations wherever possible. I was excited when an employee director made a*

February 22, 2012  
Resolutions 60-79

*\$10,000+ savings suggestion several days ago just in conversation. The legislature is also looking to reduce operational costs and increase services on a multi-county basis. While Orleans County has never formalized regional alliances with its neighboring counties, it has had informal working relationships. At the February 8<sup>th</sup> meeting of the legislature a historic first alliance was established with the creation of the Niagara-Orleans Regional Alliance (NORA). The legislature will seek next to formalize an alliance with Genesee County, then Monroe County.*

*On a countywide basis the best way to deal with the imposition of unfunded mandate costs will be to encourage the growth and development of businesses, to improve the housing market, and to improve the delivery of services in general. Zoning laws need to be reviewed, updated, and standardized to support one stop shops with common codes, thereby reducing costs to both the municipality and the developer, and speeding up an otherwise cumbersome process. New construction is vitally important and must be encouraged for with it comes either new jobs and/or newly established assessments to be added to the valuation base – and this ultimately leads to lower taxes. Construction is a visible sign of progress.*

*Part of the overall strategy to grow and develop the county should be to concentrate on the county corridors, running east to west - the northern lake front, Route 104, and Route 31, and running north to south - Route 98 and Route 63. That does not discount the importance of any other locations. The chart beside me shows where the county is at as of now with green indicating growth and development in process. There are 16 “points of progress” with two more being identified – one in Gaines and one in Ridgeway. Two “points of progress” that should be noted are the Orleans Community Health Center, that will be the first construction in the Albion Corporate Park, and the possible lake front development in the Town of Kendall that could reach up to \$30 million. Red indicates completed and open projects. The first success of the year is Pawlak’s Save-A-Lot in the Village of Holley, Town of Murray, which opened February 15th. As the year progresses we shall seek success in every village and in every town and shall visualize progress as it is made.*

*Each village and each town need to look at its housing stock. Dilapidated homes do not add to the overall assessed valuations of the municipality, but rather, lower it. People are discouraged from purchasing in a blighted neighborhood and those selling from within are unable to sell at*

February 22, 2012

Resolutions 60-79

*higher prices. Dilapidated homes stigmatize a community. Each entity must also seek ways to improve its existing structures. Curbside appeal encourages growth and development.*

*Villages and towns determine the direction of growth and development. With user friendly zoning and codes consistent throughout the county, and an adequate delivery of water, growth and development can be promoted and take effect. The Town of Ridgeway just announced that not only is Water District 11 in process but that monies are now available for it to begin application for Water Districts 12 and 13.*

*The villages need to continue in their efforts to upgrade the downtowns, achieve full occupancy, and offer unique shops and fine dining. Strong business associations add much to the effort. The Town of Albion has been awarded a \$477,000 grant that will be used to improve its downtown buildings. Festivals, parades, and walking tours do much to promote the communities.*

*Arts and culture must be nurtured throughout the county. They are a barometer of the health of a community and serve as an uplifting experience for the residents. The Buffalo Philharmonic and Eastman Series, the library programs, and the efforts of Go-Art, to name a few, are fine examples of such and are an attracting magnet for people from outside the county. The idea of an Orleans County Historical Museum will soon become a major topic of interest.*

*There is much more to discuss, and much more to do, but I am convinced that the people of Orleans County are up to the task. By working together for a common good our hopes will become a reality. Thank-you.*

During open discussion, Paul Rusin, Murray, extended an open invitation to attend the TEA party meetings. They are held on the third Thursday and are being held at Burger King due to some remodeling at their previous location.

Allen Lofthouse, Kendall, Conservative Party, for the most part your message was good, but this may come across as negative, I'd like to ask for an accurate accounting for the 4 cents on the gallon and also on home heating in this county. Or is it 4%? Mr. Nesbitt clarifies that it is 4% on the price per gallon. Mr. Lofthouse, when the price of gas goes up its better for you then, the higher the gas, the better off you are, right? Mr.

Nesbitt, I don't know if I'm any better off personally, I am in the same position as you are as a taxpayer. The State will find a way to use this money.

Paul Lauricella, Yates, Conservative Party, was reading the paper last week, and the Town of Yates has been audited by the State Comptroller for water improvement capital charges. My interpretation is that Mr. Schubel is the Town's attorney and the Town broke the 1993 resolution on waterline installation. They broke the Town Law and starting in 2001. In a convoluted way they stated that by creating separate water district they would be able to charge his legal fees for something that didn't require his services. If those mistakes were made in our town, he represents a lot of other towns and also the County. Those kind of mistakes are for charging for services that weren't required. Again, this is my interpretation of the article, and I would like Mr. Schubel to address that. There are a lot of water districts going on and things weren't done right and against the law. Chairman Callard stated that he could have further discussion of that, but it is not appropriate here at the County level. Mr. Lauricella stated that he brought it up here, because Mr. Schubel is the County Attorney and if mistakes were made at the Town level he is concerned. The Chairman again stated that this discussion is inappropriate here at this time and would be better dealt with at the town level. Legislator Allport added that the Towns are responsible for the water lines, the County has no say in what water districts go in or how they do. Those are Town issues. Furthermore, the State Comptroller's office audits any kind of public entity including schools.

Chairman Callard called for any other questions or concerns. Legislator Allport announced a stuffed chicken breast fundraiser for Meals on Wheels tomorrow night to be held at the Academy Street location from 4:30-7. There is dine in and take out. This helps support the Meals on Wheels program which furnishes about 40,000 meals per year to people who are in their house and can't get out. It is volunteers that deliver the meals and it is a fantastic program in our County. I would hope they would get the support. Legislator Allport also wanted to thank County Clerk, Karen Lake-Maynard and Veterans Director Paul Fulcomer for their hard work on the Thank a Vet program. I would strongly recommend if you have a family member or neighbor who is a Veteran, please have them go to the Veterans Administration Building to get the benefits they so justly deserve. Our Veterans stepped forward and volunteered to defend this nation and our constitution. Roughly 12% of

February 22, 2012

Resolutions 60-79

the population in Orleans County are Veterans. The benefits they earn brings approximately 16 million dollars back into the County. The Thank a Vet program is a discount card that will save them money at some of our local businesses. If you know a Vet, tell them about it. If you know a business owner, tell them about it, ask them to sign up on the card.

Legislator Johnson introduced our new Medina Central School Superintendent, Jeff Evoy. Legislators Rush and Johnson were invited to Niagara County to listen to a plan the International Joint Commission is introducing on the proposed changed on the Lake Ontario levels, which could potentially be very devastating to not only our Tourism and Sport Fishing, but to our lake frontage property owners. We have been working with Niagara through NORA to bring forward a resolution opposing this plan.

Legislator Smith shared that OTS has hired a new manager. As he gets acclimated, Legislator Smith will have him up to meet the Board and give an overview of OTS. He also read two quotes in celebration of Black History Month.

**RESOLUTION NO. 68-212**

ADOPTING GASB 54 POLICY FOR ORLEANS COUNTY

WHEREAS, the Governmental Accounting Standards Board (GASB) has adopted rules pertaining to Fund Balance for municipalities, issued Statement 54 which requires municipalities to adopt a policy on the components of the Fund Balance;, and

WHEREAS, the County Treasurer and Budget Officer did seek advice from the county's independent auditors, EFP Rotenberg, for assistance in writing such policy; and

WHEREAS, the Administration & Finance Committee did review the policy and does recommend approval at this time; therefore, be it

RESOLVED, that the Orleans County Legislature does hereby adopt the below GASB 54 policy for Orleans County.

Orleans County Fund Balance Policy  
Effective December 2011

BACKGROUND:

The Governmental Accounting Standards Board (GASB) has issued Statement 54, Fund Balance and Governmental Fund Type Definitions, which will be required to be incorporated in to the County's financial statements for the year ending December 31, 2011.

The Government Finance Officers Association (GFOA) recommends that governments establish a policy on the level of unrestricted fund balance that should be maintained in the general fund.

DEFINITIONS:

GASB has replaced the earlier reserved and unreserved fund balance classifications with the following ones:

Nonspendable - Consists of assets that are inherently nonspendable in the current period either because of their form or because they must be maintained intact, including prepaid items, inventories, long-term portions of loans receivable, financial assets held for resale, and principle of endowments.

Restricted - Consists of amounts that are subject to externally enforceable

February 22, 2012

Resolutions 60-79

legal purpose restrictions imposed by creditors, or laws and regulations of other governments; or through constitutional provisions or enabling legislation.

Committed - Consists of amounts that are subject to a purpose constraint imposed by a formal action of the government's highest level of decision-making authority before the end of the fiscal year, and the same level of formal action is required to remove the constraint.

Assigned - Consists of amounts that are subject to a purpose constraint that represents an intended use established by the government's highest decision-making authority, or by their designated body or official. The purpose of the assignment must be narrower than the purpose of the general fund, and in funds other than the general fund, assigned fund balance represents the residual amount of fund balance.

Unassigned - Represents the residual classification for the government's general fund, and could report a surplus or a deficit. In funds other than the general fund, the unassigned classification should be used only to report a deficit balance resulting from overspending for the specific purposes for which amounts had been restricted, committed or assigned.

#### POLICY:

1. When resources have been spent, the County deems that they have been first spent from the highest constraint level available; therefore, they are considered to have been spent in the following order: restricted, committed, assigned, and unassigned.
2. The County will maintain an adequate fund balance in its general fund to provide flexibility and to mitigate current and future risks (e.g., revenue shortfalls and unanticipated expenditures), to ensure stable tax rates, to provide for one-time opportunities and to retain favorable credit ratings. The County will endeavor to maintain assigned and unassigned fund balance in its general fund of fifteen percent (15%) of regular general fund operating expenditures.
3. The actual level of fund balance in the County's general fund is determined in its annual financial statement, several months after the end of the fiscal year. The County's budgeting process, which culminates both in the establishment of the following year's tax rate

and the use of any appropriated fund balance, begins approximately two years in advance of the financial statement that will show the budget's results. Because of this time lag and because of the uncertainties of the budgeting process (such as the amounts of appropriated fund balance actually used each year), it is not possible to guarantee in advance a specific level of fund balance at the close of any fiscal year. Therefore, the County will use the following procedure to adjust the levels of fund balance, as necessary.

**PROCEDURE:**

1. Once the external auditor has reviewed the County's financial statements for the prior year and has confirmed the fund balances of the general fund, the Chief Administrative Officer/Budget Officer will recommend to the Finance Committee of the Legislature the amounts and types of assignments for the fund balance to be included in the financial statement.
2. The Finance Committee will review these assignments, discuss them with the external auditor as necessary and accept or modify the assignments prior to the presentation of the statement to the Board.
3. The Chief Administrative Officer, as Budget Officer, shall make recommendations regarding the use of fund balance to be appropriated in the following year's budget based on this policy; specifically, he shall recommend an amount that will, in his estimation, retain the requisite/appropriate level of fund balances established in this policy.

This Policy will take effect immediately.

A RESOLUTION OPPOSING GOVERNOR ANDREW M. CUOMO'S PROPOSED BUDGET RECOMMENDATION TO CURTAIL CURRENT NEW YORK STATE FUNDING TO THE ROSWELL PARK CANCER INSTITUTE AND TO ELIMINATE NEW YORK STATE FUNDING ENTIRELY BY MARCH 2014, CEASING NECESSARY STATE FUNDING STREAMS.

WHEREAS, Roswell Park Cancer Institute (RPCI) is America's first cancer center founded in 1898 by Dr. Roswell Park with a revolutionary model of "multidisciplinary approach" to cancer with scientists and clinicians working in concert and in consult has become the standard by which all modern-day comprehensive cancer centers are measured; and

WHEREAS, RPCI is a treasured world class hospital with outpatient and research operations saving lives of New Yorkers; and

WHEREAS, RPCI is a beacon of help, hope, and cure to the residents of upstate New York; and

WHEREAS, RPCI has been funded by the New York State as a cutting edge research center and clinical care facility for over 100 years; and

WHEREAS, RPCI is America's First Comprehensive Cancer Center and is nationally recognized for its first class cancer treatment and cutting edge research; and

WHEREAS, RPCI has made fundamental contributions to reducing the cancer burden and has successfully maintained an exemplary leadership role in setting the national standards for cancer care, research and education; and

WHEREAS, RPCI returns to New York State \$5 for every \$1 invested, created 1,000 new jobs, designated as one of only 40 National Cancer Institute comprehensive cancer centers in the United States and the only one operating upstate; and

*February 22, 2012*  
*Resolutions 60-79*

WHEREAS, RPCI is a founding member of and the heart of the Buffalo Niagara Medical Campus; and

WHEREAS, RPCI trains 294 clinical residents/oncology fellows annually as well as 75 postdoctoral research fellows, 112 predoctoral graduate students and hosts 54 high school and college summer research students; and

WHEREAS, RPCI has been recognized by US News & World Report as one of the Best Hospitals for Cancer, ranked 27<sup>th</sup> in the nation in 2011; and

WHEREAS, RPCI research and innovation has produced 9 spin-off companies in the last 10 years; and

WHEREAS, RPCI has been designated Leapfrog Top Hospital for Patient Safety and Quality Care 1 of 65 from a field of nearly 1,200 nationwide for 2 consecutive years; and

WHEREAS, RPCI developed the Prostate Specific Antigen (PSA), the international standard for prostate cancer screening; and

WHEREAS, RPCI pioneered Photodynamic Therapy (PDT) which uses a light sensitive drug and lasers to treat various cancers; now, therefore be it

RESOLVED, that the withdrawal of New York State funding to Roswell Park Cancer Institute could seriously impact the world class patient care along with devastating the ground breaking, internationally recognized research and innovation that is saving lives, advancing medical science and contributing significantly to the economy of New York State this body hereby requests that New York State in its fiscal year 2012 budget provide the \$118 million annual funding for Roswell Park Cancer Institute; and be it

Chairman Callard called for any old business. He then thanked everyone for coming today and stated that the public's input is very important to us.

Legislator Bower moved to adjourn; second by Legislator Eick. Meeting adjourned at 5:15 p.m.

**LEGISLATURE MEETING**

March 14, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, led by Pastor Roy Harriger, the Clerk called the roll. All Legislators were present, with the exception of Legislator Eick.

The Clerk presented the following communications: The Orleans County Chapter of ABATE of New York has scheduled this year's Motorcycle Safety & Awareness Rally for Sunday, May 6, 2012. They are requesting permission to use the County Courthouse steps again and access to an electrical outlet for the rally on May 6th from Noon to approximately 3 p.m. The Board was unanimously in favor of them holding their Rally at Courthouse square.

Legislator Rush presented a proclamation to Kelly Kiebala, Executive Director of Go ART!, proclaiming March as Arts Awareness Month in Orleans County. Kelly presented information to all of the Legislators on Arts Awareness Month and thanked Legislator Allport for attending the grants awards dinner last Friday night. Legislator Allport indicated it was an honor to attend.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through February 2012. The bottom looks very good and must credit the Town tax collectors for speeding up their tax receipts to the County Treasurer because they are over \$2.3 million in what they turned in at this time last year. Treasurer Heard stated that the Town tax collectors are doing a good job.

During open discussion Chairman Callard welcomed former chairperson Marcia Tuohey who is present today. He requested comments from the floor.

Paul Lauricella, Yates, stated he had a concern with Resolution No. 88-312. He stated that he has a hard time getting his hands around paying for promiscuous people, who don't work; and a problem with funding Planned Parenthood, an agency which murders babies. He indicated that he is pro-life and with his convictions, he cannot support it.

March 14, 2012  
Resolutions 80-97

Paul Rusin, Murray, stated that he has been reviewing County local laws concerning gun control. He referenced several common locations, (i.e. Littleton, Colorado; Virginia Tech, a Georgia Courtroom,) where they have all been victim disarmament zones. The people responsible for them were lawmakers. They disarmed them before entering certain locations. He referenced a woman, who became a Senator in the Texan government, who spoke eloquently to the federal government on how she had to sit and watch her parents be shot to death because the gun she had in her car could not be brought into the cafeteria to protect herself. He read Orleans County Local Law 3 of 1993. He indicated that Local Law No. 4 of 1993 amended section 2 of Local Law No. 3 of 1993. Mr. Tinker Young, Chairman of SCOPE, helped in making the amendment happen per Mr. Rusin. He said first and foremost the second amendment says that the right to keep arms shall not be infringed. He provided the definition of infringe. In summary, he said that our second amendment right allows that every citizen in the United States shall have some form of weapon on them at all times to protect themselves, fellow man, or our country against attack. Chairman Callard asked if Mr. Rusin has a request of the Legislature. Mr. Rusin stated that he would like to see Local Law #3 and #4 of 1993 repealed because he personally felt it is unconstitutional and it does not, in any way, protect the people that work for the county, or people that come to the county buildings or people that are fired by the county.

Legislator Johnson moved to add two resolutions to the agenda; second by Legislator Bower. Motion carried. The following resolutions were presented for adoption:

**LEGISLATURE MEETING**

March 28, 2012

---

Chairman Callard called the meeting to order at 4:37 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present, with the exception of Legislator Rush.

The Clerk presented the following communications: Susan Heard, Orleans County Treasurer, provided a listing of Real Property Tax Refunds that have been issued to date. A letter has been received by Senator Patrick Gallivan, 59<sup>th</sup> District, advising that in the recent adoption of budget resolutions, both the Senate and Assembly Majorities denied the proposal to withdraw Roswell Park's state support by 2014. He also indicated that the Senate also proposed to restore \$25 million in funding that was cut by the Governor. Orleans County Office for the Aging will be holding their Annual Volunteer Luncheon on April 18, 2012 at Noon at the Albion First Methodist Church. The Town of Kendall will be holding their Opening Ceremony for the Kendall 2012 Bicentennial Celebration on April 28, 2012 at 7:00 p.m. at the David J. Doyle Kendall Jr/Sr. High School with a reception to follow. The Orleans County Youth Board will hold their 30<sup>th</sup> Annual Youth Recognition Banquet on May 10, 2012 at Hickory Ridge - registration and social hour is at 6 p.m. with dinner beginning at 6:30 p.m.

Legislator Bill Eick, Chairman of the Health Committee and James Graziano, Director of Mental Health presented a Special Recognition Certificate to Sharon Ludwick who was recognized for 35 years of services to the County of Orleans. Mrs. Ludwick will be retiring after working 35 years at the Orleans County Mental Health Department starting as a stenographer, then moving to a Senior Typist and then advancing to a Principal Account Clerk in 1983. Mr. Graziano also thanked her for her thirty five years of dedication to the Mental Health Department and wished her well.

During open discussion, Paul Rusin, Murray, commented regarding the resolutions pertaining to the elderly and the weatherization programs. He said it has been about 35 to 40 years since they started the weatherization program and he thinks that all the homes should be weatherized so he does not know why money continues to be authorized for this program. Mr. Rusin questioned Resolution No. 103-312 which abolishes two positions, grade 10 and grade 8 and creates two positions both at grade 18. Mr.

*March 28, 2012*  
*Resolutions 98-118*

Nesbitt stated that two positions are being abolished and one is being created. Mr. Rusin also questioned Resolution No. 109-312 regarding rabies vaccinations at a cost of \$1,900 per person which he thinks is excessive. He also stated that First Niagara Bank is taking over some of HSBC branches and he feels that in Resolution No. 114-312 that those banks are a little heavily weighted and funds should be redistributed to the other banks. He stated reports also said under HSBC management there was quite a bit of malfeasance because a lot of money was placed in dummy funds and corporations; loans were given and then people were going bankrupt. He feels there is a problem there and he thinks money should be taken out of First Niagara/HSBC and placed at other banks. He also brought up again Local Law No. 3 and 4 of 1993 and asked if it can be repealed.

Chairman Callard asked if any of the Legislators would like to speak. Legislator Bower stated that he reads a lot of letters to the editor. He recently read one on March 26, 2012 in the Journal Register in respect to suspending the tax on fuel provided by Mr. Lofthouse. Legislator Bower stated he thinks it would be a great idea to do it but Orleans County generates roughly 3 to 4 million dollars from that tax. What that really means, would be a \$2 to \$3 increase per thousand on your tax rate if we eliminate that. We still need that money and it would be a 25% to 30% raise in the property tax. If the State could be convinced to reduce the mandates that are imposed on the County of Orleans by 3 to 4 million dollars, he would be glad to sponsor a bill on the Orleans County Legislative floor to remove the tax that Mr. Lofthouse is complaining about. Legislator Bower indicated that he does not like the tax either and he does not know how to generate the 3 to 4 million dollars elsewhere. Legislator Bower asked Mr. Lofthouse if he had any good ideas to do eliminate the tax, he would be glad to sit down with him.

Legislator Eick updated the board on the Marine Park stairs. He stated that the stairs have been removed by the Highway/Buildings and Grounds Department. The new stairs will be installed very soon.

The following resolutions were presented for adoption:

**RESOLUTION NO. 98-312**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	10442-10584	\$201,706.57

Job Development	1504-1509	\$5,066.71
Self Insurance	1017,50054-50055, 50129	\$89,213.15

Moved, Allport; second, Smith.

Adopted. 6 ayes; 0 nays; 1 absent, Rush.

Legislator Allport moved a resolution for preventative maintenance project funding for the Waterport Bridge; seconded by Legislator Smith. Chairman stated it is for the Waterport Bridge over the Oak Orchard Creek in the Town of Carlton. Mr. Nesbitt mentioned how this relates to our earlier conference session presentation by John Papponetti. He said that the replacement of the bridge could cost about \$30 million but the maintenance program that has been discussed is about \$1.3 million investment and if we are fortunate enough to get Marcheselli funding with the federal funding then 95% of it would be paid for, with only 5% being paid for by the County. The following resolution was adopted:

**RESOLUTION NO. 99-312**

AUTHORIZING EXPENDING GRANT FUNDS IN EMERGENCY  
MANAGEMENT

March 28, 2012  
Resolutions 98-118

RESOLVED, that this Legislature authorizes the Director of Emergency Management to purchase two high band radios at a cost not to exceed \$1,500, said purchases to be paid from 3640.486.2009, SHSP Grant FY09, in accordance with State Homeland Security Grant FY2009 guidelines and approved work plan.

Adopted. 6 ayes; 0 nays; 1 absent, Rush.

Legislator Johnson moved to fill a vacancy in the Treasurer's Office; seconded by Legislator Smith. Legislator Bower stated that he thinks that we should eliminate positions wherever we can. We have eliminated full time jobs and he knows this position does not incorporate a lot of money but he does not believe the position is needed therefore he does not support the resolution. The following resolution was adopted:

**RESOLUTION NO. 113-312**

**AUTHORIZING FILLING OF VACANCY IN THE TREASURER'S OFFICE**

WHEREAS, the County Treasurer's office desires to continue to provide the best quality of service to the taxpayers, residents, and departments of the County; and

WHEREAS, a long term part-time Principal Account Clerk who has worked in the Treasurer's office during times when full time employees are on a scheduled leave has retired and the need for this position still exists; be it

RESOLVED, that this Legislature hereby authorizes the filling of the vacant part time position of Principal Account Clerk at Grade 15 of the CSEA salary schedule effective April 1, 2012; wages not to exceed \$2,500.

Moved, Johnson; second, Smith.  
Adopted. 5 ayes; 1 nays, Bower; 1 absent, Rush.

Legislator Johnson moved a resolution to designate the depositories in the amounts allowed. Legislator Johnson deferred to the Orleans County Treasurer to defend the position on the HSBC and First Niagara choices

seeing there was an earlier question. Treasurer Heard explained that this allows her to have a pot of money in the bank, not saying she always had this much in all these banks in these accounts as indicated. This allows her to move money between the banks in big chunks if she can make more money. The only addition to this is Five Star which is taking over the Albion Branch of HSBC. Chairman Callard also added that all depository monies are collateralized by an agreement with the respected banks otherwise we would not be depositing with those banks. Legislator Smith asked how the amounts are established. Treasurer Heard said it provides wide parameters because of the location of the branches and this just allows flexibility. Legislator Johnson confirmed her motion to approve this resolution; seconded by Legislator Bower. The following resolution was adopted:

**RESOLUTION NO. 114-312**

**DESIGNATING DEPOSITORIES AND AMOUNTS ALLOWED**

RESOLVED, that Pursuant to Section 212 of the County Law, the following institutions be, and hereby are, designated as depositories of all monies received by the County Treasurer; and be it

FURTHER RESOLVED, that the maximum amount which may be on deposit at any time in depository shall not exceed the amount listed below:

HSBC	\$20,000,000
Bank of America	\$10,000,000
M & T Bank	\$10,000,000
JPMorgan Chase	\$ 5,000,000

**RESOLUTION NO. 117-312**

A RESOLUTION SUPPORTING THE REINSTATEMENT OF FUNDING FOR NEW YORK'S STATE PRESCRIPTION DRUG INSURANCE PROGRAM FOR THE ELDERLY KNOWN AS EPIC

WHEREAS, EPIC helps 300,000 older New Yorkers pay for the prescription drugs they need to stay healthy, the average EPIC enrollee is a 78 year old widow who takes 4 prescriptions; and

WHEREAS, the 2012 funding cut of 12 million dollars to EPIC in the New York State budget eliminated the coverage that EPIC used to provide to help pay for Medicare Part D premiums and co-pays for prescription drugs resulting in EPIC members seeing their co-pays double and triple and leading many to stop purchasing their prescriptions or are splitting their pills to make them last longer; and

WHEREAS, our seniors comprise their health and need more costly medical care at hospitals and nursing homes at further expense to the state and local taxpayers; now, be it

RESOLVED, the Orleans County Legislature request elected state officials to restore the funding to the EPIC program so that seniors can continue to afford and purchase their prescriptions; and be it

FURTHER RESOLVED, that the Clerk of the Legislature is requested to forward this resolution to Governor Andrew Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, NYSAC, and InterCounty of Western New York.

Moved, Eick; second, Smith.

Adopted. 6 ayes; 0 nays; 1 absent, Rush.

Legislator Johnson moved a resolution, on behalf of the Niagara Orleans Regional Alliance, (NORA) requesting the International Joint Commission to reject its current plans for controlling the levels of Lake Ontario under their proposed BV7 Plan. She stated that this is the very first Niagara Orleans Regional Alliance resolution that we are jointly moving in both Niagara and Orleans counties. It pertains to the International Joint Commission making a decision to change the Lake Ontario water levels. It has been determined by the engineering firm that this would be a grave consequence to Orleans County especially on lake frontage erosion. In all

of the southern boarding counties on Lake Ontario, Orleans County stands to lose the most money on this lake frontage erosion. The baseline of Lake Ontario now was used in all the planning of the design and construction of building was used on the current lake levels and now the International Joint Commission wants to change these. Legislator Johnson said that each County is appealing to reject that plan. Legislator Bower seconded the motion. Legislator Allport stated that Lake Ontario is the only lake in the great lakes system that has regulations on the lake levels. It is a treaty between us and Canada and unfortunately Canada has the most say. It was recorded a few years ago when the lake level was so high, and kept at that level, if let out Montreal would have been flooded and it was not an option as far as Canada was concerned. The second thing working against us, explained Legislator Allport, is that the bed rock on the north shore, the Canadian side, is rising one foot every 100 years which is pushing Lake Ontario south. Canada is not seeing the lake erosion because of this natural happening that we see on the south side of Lake Ontario. He hopes that our government and the Canadian government can come to some type of agreement to better control the lake levels because we are getting hurt and they are not. Mr. Nesbitt added that the earth's crust is bouncing back after the receding glaciers that is why the Canadian side is rising, a crazy geological happening. The following resolution was adopted:

#### **RESOLUTION NO. 118-312**

**NIAGARA-ORLEANS REGIONAL ALLIANCE (NORA) REQUESTS THE INTERNATIONAL JOINT COMMISSION TO REJECT ITS CURRENT PLANS FOR CONTROLLING THE LEVELS OF LAKE ONTARIO UNDER THEIR PROPOSED BV7 PLAN**

WHEREAS, the International Joint Commission (IJC) has announced consideration of a very radical plan that will replace the current regulation plan (58DD) that controls the water levels of Lake Ontario for their stated purpose of potentially providing more environmental benefits to the surrounding ecosystem; and

WHEREAS, this new plan, called BV7, will remove the current range of operation that private and public property owners and business have relied on for the last 50 years for untested environmental affects whose research has been proven faulty by a peer review conducted under the auspices of the National Academy of Sciences; and

WHEREAS, projected lake levels under the proposed plan will result in increased duration and frequency of extremely high and low water, imposing extensive damages to Lake Ontario riparian's. Although the IJC estimates damages at \$3.2 million per year, we believe that number could in reality reach \$10 million annually; and

WHEREAS, the IJC working group stated the proposed lake levels are going to reduce recreational boating / sport fishing benefits by 25%, resulting in a devastating negative impact on those economics in Niagara County which is estimated at \$30 million per year, and in Orleans County which is estimated \$12 million per year, thus an area-wide loss of revenue of over \$10.5 million annually; and

WHEREAS, this new plan removes all protections that exist in the current plan, replacing them with a plan that basically transfers prosperity from Niagara and Orleans counties to Hydropower (NYPS) and Commercial Navigation entities who will realize a benefit of approximately \$6 million per year on average; and

WHEREAS, Niagara and Orleans county residents who own property or businesses along the Lake Ontario shore including its bays, ponds and embayments have voiced their concern about a proposed change in the lake levels that would result in significant damage to their properties; and

WHEREAS, recreational boaters and fishermen, both locally-based and those traveling internationally, are resolute in protecting the waters, streams, and harbors of Lake Ontario for some of the best sport fishing in the world and for pleasure sailing and power-boating; and

WHEREAS, removal of the current range of operation by Plan BV7 further hinders boating access when considered with the long-term lack of federal funding for maintenance dredging of our federal shallow draft harbors; now, therefore be it

RESOLVED, the Niagara Orleans Regional Alliance (NORA), a county government collaboration between Niagara and Orleans Counties to identify and capitalize on common ideas, experience, and opportunities for the betterment of our citizens, and the conservancy of tax dollars, does

herewith respectfully request the International Joint Commission *reject* its current plans for the BV7 Project; and be it

FURTHER RESOLVED, NORA recommends the Commission enact an all-inclusive and thorough analysis on the potential economic damages that any future plans will have on tourism, recreation, business, and homeowners along the south shore of Lake Ontario (including harbors, rivers, and streams), specifically in Niagara and Orleans counties, where projected damage has already been identified as the most extreme; and be it

FURTHER RESOLVED, NORA recommends the Commission assess the amount of civil work and financial assistance required to mitigate the damage of any future plans, and identify funding sources available to offset said actions; and be it

FURTHER RESOLVED, the Niagara Orleans Regional Alliance dutifully requests a formal response to this resolution by the International Joint Commission at their earliest convenience; and be it

FURTHER RESOLVED, that certified copies of this resolution be forwarded to the International Joint Commission, the New York Department of State, the New York State Department of Environmental Conservation, the New York State Environmental Facilities Corporation, U.S. Senator Charles E. Schumer, U.S. Senator Kirsten E. Gillibrand, U.S. Congresswoman Louise Slaughter, Governor Andrew M. Cuomo, Senator George D. Maziarz, Assemblyman John D. Legislator Bower moved to adjourn; second by Legislator Allport.  
Meeting adjourned at 5:08 p.m

## LEGISLATURE MEETING

April 11, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Pastor Harriger, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Genesee Community College will be hosting a “Coffee at the College” event at the Albion Campus Center on April 12<sup>th</sup> at 8:00 a.m. This event will provide community leaders an opportunity to learn about GCC, share questions and thoughts, and meet Dr. James M. Sunser - the new GCC President. InterCounty Association of Western New York will be holding their monthly meeting in Schuyler County at the Montour Mouse Lodge on April 20<sup>th</sup>. In celebration of Crime Victims Rights Week, the Annual Candle Light Vigil will be held on April 27<sup>th</sup> at 7:00 p.m. on the Orleans County Courthouse steps. Permission is being requested to use the Courthouse for this event. The Legislative Board granted the use of the Courthouse for this event. A letter has been received by Senator Catharine M. Young, 57<sup>th</sup> District, concerning Roswell Park Cancer Institute, a copy supplied to each of the Legislative members.

During open discussion, Paul Rusin, Murray, commended Legislator Allport in presenting Resolution 136–412 today concerning the Universal Service Fund. Mr. Rusin also commented on Resolution No. 139-412 and voiced his concern with the taxation on property owners concerning the Emergency Management Radio Project and felt it was a little excessive. Mr. Rusin requested that rather than passing a resolution for this proposal, to request a referendum on the proposal at the next election. Mr. Rusin also suggested an article “The Answer to School Shootings is More Guns” by Dr. Don Boys to be found at [www.canadafreepress.com](http://www.canadafreepress.com).

Chairman Callard asked Mr. Rusin if he believes there is a need for an Emergency Communication System. Mr. Rusin thought one was already in place. Mr. Nesbitt indicated that the current one that has been in operation since 1991 is failing. Mr. Rusin does not know if one is needed or not but still feels that a referendum should be offered. Chairman Callard noted that the resolution states it is up to an amount of which we will be looking for grant monies as well, which will reduce our costs. It

will be on a borrowing bond which will be repaid over a number of years so the impact will not be so great per property as Mr. Rusin estimated. Mr. Rusin estimated an increase of \$40 to \$50 per home.

Paul Lauricella, Yates, stated that Resolution 131-412 is very disturbing to him. He said it sounded like “Agenda 21” which details can be found on the internet. It is a UN program which was started by President George H. Bush, then funded both by President Bill Clinton and President George W. Bush. Its main focus is a cleaner, greener communities program, the environment and bike paths. Mr. Lauricella stated that they want to get people out of the rural areas and push them into the cities. That is why they are pushing mass transit systems, such like the light rail. Once they get the people back into the cities, they can take the land and declare it wilderness area. It is pretty deep stuff and they are rolling with it. He believes this should be tabled because our sovereignty and will be ruled under world order and dictate everything in our own homes. He knows it sounds farfetched but this is what the plan is. If this goes through, you will get money for it and basically selling out the sovereignty. They are talking about eliminating a lot of the midwest and turning it into national parks. Chairman Callard expressed that he thought Mr. Lauricella was making very broad comments to a very specific program. He disagreed with Mr. Lauricella’s comments and his conclusions. Chairman Callard said that most likely this resolution will be approved knowing that the monies will be monitored to make sure that Mr. Lauricella’s expectations do not occur.

David Knapp, Murray, spoke on behalf of the fire service for the radio upgrade system. He stated that as a frequent user of the system, it has been failing over the last few years and it does need an upgrade. He feels that the cost to upgrade the system at a standard that is useable far outweighs the possibility of a loss of life or a serious injury because of a lack of communications. He is in favor of this project.

Mike Fuller, East Shelby Fire Chief and Shelby Highway Superintendent, stated that an upgrade is needed to the radio system. There are safety issues and it has been failing. The life expectancy of this system is about done and there is a need to upgrade the towers and dispatch.

Allen Lofthouse, Kendall, stated the he believes that the radio system may need to be brought up to date and maybe there is no way around the cost but feels it is expensive for this County. He referenced Resolution No.

*Resolutions 119-139*

131-412 and thought maybe things should be slowed down and more information should be gathered before approval. Chairman Callard stated that it has been researched. Seven regions out of the ten have already applied for it and have taken advantage of the money. Chairman Callard felt we would be neglectful in not having done the same in using the money to help develop our future.

William Murphy, Chief of the Holley Police Department, stated he is in favor of the radio upgrade. The safety issue continues to get worse by the day. The radios are failing and the infrastructure does not work at times. The bottom line of the cost is up there but what is the cost of a life, or two, or three; or the safety of our officers which there is no comparison.

Legislator Allport reminded everyone about the Home and Garden show this weekend hosted by the Chamber of Commerce and encouraged everyone to attend. He also stated that the ARC Best Friends dinner is quickly approaching.

The following resolutions were then presented for adoption:

Legislator Johnson moved to authorize payment of claims of which she audited all of the vouchers. She commended the Clerk of the Legislature and the staff for a job well done in having the vouchers together. She indicated that a lot of work goes on behind the scenes in getting prior authorizations and items in place to make our auditing a lot easier, of which she thanked them very much for their hard work. Legislator Bower seconded her motion. The following resolution was adopted:

**RESOLUTION NO. 119-412**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

Legislator Rush moved to support a Regional Sustainability Planning Grant Application that Wayne Hale, Director of Planning and Tourism, presented today during Conference Session. Legislator Eick seconded the motion. The following resolution was adopted:

**RESOLUTION NO. 131-412**

**SUPPORTING A REGIONAL SUSTAINABILITY PLANNING GRANT APPLICATION**

WHEREAS, the New York State Energy Research and Development Authority (NYSERDA) is requesting proposals to develop regional plans that coordinate sustainability efforts in housing, transportation, emissions and energy efficiency, among others; and

Legislator Allport explained that if someone receives advertisements for free phones given away by any specific company such like Verizon or AT&T, we pay for this program by owning a cell phone. There is an FCC tax on each personal cell phone and portion of this is given to private companies to pay for this program. The private companies are not giving these cell phones away for free and he further pointed out that Orleans County and our Department of Social Services does not hand out free phones. This is a federal program and for those that qualify, we pay for. Legislator Allport moved a resolution to repeal the portion of the Universal Service Fund, a hidden tax, to provide free cell phone services at our expense. Legislator Johnson seconded the motion. Legislator Smith asked if we have any say in this program. Legislator Allport stated that it is a federal program and Legislator Johnson added that there is no oversight and no say how this tax money is being used. The following resolution was adopted:

*Resolutions 119-139*

TRACFONE "SAFELINK" MOBILE TELEPHONES AND OTHER SIMILAR FREE CELL PHONE SERVICES PROVIDED TO "INCOME-ELIGIBLE" INDIVIDUALS AT THE EXPENSE OF PAYING TELEPHONE CUSTOMERS

WHEREAS, Tracfone's Safelink Wireless subsidiary, Assurance, ReachOut, LifeLine, Cintex Wireless, Conexion Wireless, Standup Wireless, and other telecommunications companies have provided taxpayer-funded cellular telephone services to individuals deemed "income-eligible," as defined as either those receiving incomes up to 135% of the poverty line, or those receiving Medicaid, Food Stamps, Supplement Security Income, federal public housing, Temporary Assistant for Needy Families, or free lunch through the federal school lunch program; and

WHEREAS, the "free" cellular telephones are in fact funded by a hidden tax placed on paying cellular telephone customers' telephone bills, namely the Federal Communication Commission's "Universal Service Fund," which is passed along as a "Universal Connectivity Charge"; and

WHEREAS, per the Federal Communications Commission, the Universal Service Fund rate is "increased or decreased depending on the needs of the Universal Service programs," meaning that increases in the number of individuals receiving free cell phones and cellular service will increase the costs to paying customers; and

WHEREAS, per the Federal Communications Commission, the Universal Service Fund rate for the First Quarter of 2012 is 17.9% of telecommunications revenues; and

WHEREAS, this constitutes a 17% increase in the Universal Service Fund tax from the Fourth Quarter of 2011, when it was set at 15.3%, and a 57% increase in the Universal Service Fund tax since the Fourth Quarter of 2008, when it was set at 11.4%; and

WHEREAS, annual expenditures on Universal Service programs has increased from \$4.3 billion in 2000 to \$8 billion in 2010, a 86% spending increase in one decade; and

WHEREAS, the stated rationale in materials provided by Tracfone and Safelink Wireless is that Lifeline telephones "provide the people with a sense of

security because they have access to help during an emergency," despite the fact that even deactivated cellular phones may be utilized to dial 911; and

WHEREAS, there is no oversight over the usage of monthly minutes and text services for Lifeline service, meaning that the "free" minutes may be used for any activities, including the illicit, rather than purposes outlined by the providers of said "free" service as justification (e.g. job searches and emergencies); and

RESOLVED, that the Legislature of the County of Orleans does hereby call upon the U.S. Representative Kathleen C. Hochul and U.S. Representative Louise M. Slaughter to introduce legislation to initiate repeal of the portion of the Universal Service Fund tax providing free cellular service to individuals and terminate federal funding of free cell phones; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans calls upon U.S. Senator Charles E. Schumer and U.S. Senator Kirsten E. Gillibrand to initiate the same in the Senate; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans does hereby call upon President Barack H. Obama to sign into law such legislation as repeals the portion of the Universal Service Fund that subsidizes free cellular service or defunds SafeLink, Lifeline, and other similar programs; and be it

RESOLVED that the County of Orleans shall forward copies of this Resolution to President Barack H. Obama, U.S. Charles E. Schumer, U.S. Senator Kirsten E. Gillibrand, U.S. Representative Kathleen C. Hochul, U.S. Representative Louise M. Slaughter, Federal Communications Commission Chairman Julius Genachowski, and all others deemed necessary and proper.

Legislator Johnson moved a resolution to authorize an Emergency Communication System Radio Tower Project in and for the County of Orleans at a maximum estimated cost of \$5,300,000 and authorizing the issuance of \$4,500,000 in bonds to pay for part of the cost. She expressed that this is a resolution that has been very near and dear to her heart since the first day she became a Legislator. She has attended many Fire Chief meetings and Emergency Manager meetings to where it was expressed that the risk of their first responders was at their utmost concern. We had radios, specifically in Holley that would not reach the fireman outside the building and also back at dispatch. She read the following briefing

prepared by Chuck Nesbitt, Chief Administrative Officer regarding this project:

*Essentially, the resolution authorizes the borrowing of **up to \$4.5 million** to re-band the infrastructure, install a Harris P25 system and expand the system with two additional towers, one in the east end of the county and one in the west end of the county (final locations TBD) as well as the purchase of Harris portable radios to put in the hands of police, fire and ambulance personnel countywide. Upon completion it is our expectation that we will have dramatically improved radio system coverage countywide and particularly in the Village of Holley, which is directly in line with the request made by Chief Murphy (Holley) and Chief Nenni (Albion) at the July 27, 2011 meeting of the county legislature.*

*This is another important step in the process to replace and upgrade the public safety radio infrastructure. The county has struggled to get things moving through the re-banding process since 2004, anxiously working to bring the situation to resolution. We have succeeded in getting many of the obstacles to progress removed and are gaining momentum in this process.*

*In order to reach settlement with Sprint Nextel on the backbone the FCC requires that financing be in place and that the impacted entity be ready to proceed with the proposed project. We have finally reached the cusp of a settlement on most of the major issues and are beginning to regain control over our own fate and the ability to advance the project. This has been a difficult and involved process of negotiating agreements involving millions of dollars with as many as five different entities relative to issues that are impacted not only by local and state circumstances but also federal law and international treaties, requiring the assistance of engineers and special counsel.*

*This turned out to be a case unparalleled in complexity and conflict nationally. Our counsel, Alan Tilles from Shulman Rogers, a well respected Washington DC area law firm practicing in this specialty, indicates that there has not been a more difficult or complicated situation that he is aware of in the entire country.*

Legislator Johnson stated that it is with the hope of protecting our first responders much better than we have been able to, that she moved the following resolution; seconded by Legislator Bower. Chairman Callard

April 11, 2012  
Resolutions 119-139

stated that this resolution marks the beginning of the end of this project. A need that has been there for a number of years and we will finally complete this by the end of this year or the first quarter of 2013. Chairman Callard called for a roll call vote:

**RESOLUTION NO. 139-412**

A RESOLUTION AUTHORIZING AN EMERGENCY COMMUNICATION SYSTEM RADIO TOWER PROJECT, IN AND FOR THE COUNTY OF ORLEANS, NEW YORK, AT A MAXIMUM ESTIMATED COST OF \$5,300,000 AND AUTHORIZING THE ISSUANCE OF \$4,500,000 BONDS OF SAID COUNTY TO PAY PART OF THE COST THEREOF

BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Orleans, New York, as follows:

Section 1. An emergency communication system radio tower project, consisting of the construction of towers and installation of related infrastructure, the acquisition of equipment, and land or rights-in-land, in and for the County of Orleans, New York, including incidental expenses in connection therewith, is hereby authorized at a maximum estimated cost of \$5,300,000; provided, however, no expenditures shall be made in connection therewith unless and until all procedural requirements of the State Environmental Quality Review Act have been satisfied.

Section 2. It is hereby determined that the plan for the financing of said specific object or purpose is as follows:

- (a) by the issuance of the \$4,500,000 serial bonds hereby authorized to be issued pursuant to the provisions of the Local Finance Law; and
- (b) by the expenditure of \$800,000 monies received or to be received from grants-in-aid and other available funds, which monies are hereby appropriated therefore

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is ten years, pursuant to subdivision 25 of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said County of Orleans, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the

principal of and interest on such bonds becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County, a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the County Treasurer, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said County Treasurer, consistent with the provisions of the Local Finance Law.

Section 6. All other matters except as provided herein relating to the serial bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue serial bonds with substantially level or declining annual debt service, shall be determined by the County Treasurer, the chief fiscal officer of such County. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the County Treasurer shall determine consistent with the provisions of the Local Finance Law.

Section 7. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 9. This resolution, which takes effect immediately, shall be published in summary form in *The Medina Journal* and *The Daily News*,

**LEGISLATURE MEETING**

April 25, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Pastor Harriger, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Underage Drinking Town Hall Meeting will be held tonight, April 25, 2012 at 7:00 pm at the LA Webber Middle-High School Auditorium, 25 Housel Avenue, Lyndonville sponsored by the Orleans United Drug Free Communities Coalition. National Prescription Drug Take Back Day will be held April 28, 2012 between 10 a.m. and 2 p.m. Collection points include the Orleans County Public Safety Building in Albion and the Holley and Medina Fire Departments. The 2012 Spring Jubilee will be held on May 4<sup>th</sup> at the Orleans County 4-H Fairgrounds hosted by the Orleans County Office for the Aging and the ARC of Orleans. Doors open at 10:00 a.m. and Lunch will be served at Noon. The 52<sup>nd</sup> Annual Armed Forces Week Opening Ceremony will be held at the Buffalo Erie Canal Park, adjacent to the Naval & Servicemen's Park on May 6 2012 at 12:45 p.m. The Fire and EMS Training Recognition Dinner is Saturday, May 12, 2012 at the Carlton Recreation Hall. Doors open at 6 p.m. and dinner will be served at 6:30 p.m. with an award program to follow. The League of Women Voters of Orleans County will be hosting their Annual Dinner Meeting at the Crooked Door Tavern on May 24<sup>th</sup> at 5:00 p.m. Congresswoman Kathy Hochul will join them as their guest speaker at 5:30 p.m.

Legislators Smith and Allport, of the Economic Assistance and Opportunity Committee presented a Special Recognition award to Diana Fackler, who is retiring as a Principal Stenographer at the Department of Social Services after completing forty-one and a half years of service to the County of Orleans.

Chairman Callard stated that Diana is the longest serving county employee that we have in the County. We wish her well in her retirement.

Legislators Rush and Bower, who represents the Town of Kendall, presented a Proclamation to the Kendall Bicentennial Committee in

*April 25, 2012*

*Resolutions 140-163*

celebration of their Town of Kendall Bicentennial and wishes them much success in all of their scheduled events.

Legislators Johnson and Bower, of the Public Safety committee presented a Proclamation to Chuck Persons, President of the Orleans County Chapter of ABATE, to designate the month of May as Motorcycle Safety and Awareness in Orleans County. Legislator Johnson stated that Pastor Harriger, also an avid motorcyclist, will be presenting the proclamation at the Rally on May 6<sup>th</sup>.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through March of 2012. Treasurer Heard stated that on the first of April sales tax checks were paid to the Towns and Villages and school and village relevies were paid so approximately \$3 million was paid out the next day so keep that in mind when next month's report is submitted.

During open discussion, Allen Lofthouse, Kendall, stated that at the last meeting Paul Lauricella brought up "Agenda 21". At that time it didn't seem like too many people knew about it, including him. He advised that he further researched it and provided handouts to the Clerk to distribute to the Board. He questioned Resolution 146-412, if the part-time position being created is over and above normal amount of hired people. Mr. Nesbitt explained that last year we exceeded revenue in the Motor Vehicle Department by about \$100,000 and we are having difficulty with the amount of work to make money. He further explained that we have dealership business out of Rochester. He stated that they feel the services are better here than in Monroe County. Mr. Lofthouse said he always took his DMV business to areas that his wife did her shopping in and his father always took the DMV workers candy on every holiday and he never had a problem. Mr Lofthouse asked what HAVA stood for. Help America Vote Act, Mr. Nesbitt indicated.

Paul Rusin, Murray, mentioned a new czar appointed by President Obama under the right to protect formula that the United Nations has put together. Mr. Rusin said that basically what that says is that if any anyone notices that there is any problem with any government in power that the United Nation and its auspices would have their militaries step in and try to control any violence. Mr. Rusin admitted that it doesn't relate too much of what is going on in this chamber but does relate to the Agenda 21 issue

that was spoken of before. He referenced sustainable development and that it destroys personal property rights which are included under the Fifth Amendment. Under the environmental protocols meaning that they can basically do anything they want to under the auspices of the environmental protection agency. He discussed in length the fact that the Department of Homeland Security bought 480 million hollow point ammo. He thought this was wasteful for the federal government to purchase. He asked if our nation should prepare for unrest. After further comments, he sees everything coming down the pike to be more tyranny. He also said he reviewed the information that was given to him regarding Michael Connors from Albany County regarding the reprieve from taxes on fuel. He thought that it would take awhile before it would work.

Paul Lauricella, Yates, reiterated on Agenda 21 and concerned with passing Resolution No.131-412 at the last meeting. He said that there is another organization involved called International Council on Local Environmental Initiatives. They use greenhouse gases to control what you eat, what you drive and more. Your personal rights can be restricted under environmental concerns. The over arching of political and social theory behind it is communitarianism. In which individual rights come below the ranks of the community. Inalienable rights are given to us by our god and the constitution and for whatever of the greater good, the community becomes first. By expressing your individual rights, you are a threat to the community. Mr. Lauricella said that this stuff is being taught in school. We need to stop this stuff. We need to save a future for them to be free. They are the last line of defense for the citizens. These things are becoming real and it is up to us to do something. He wishes this Board would rethink giving money to this cleaner, greener community program. Is Orleans County going to give up its sovereignty to the United Nations. These things are very real and coming down the pike and we need to do something. He said there are not enough of us to stand up because we are a minority but need our elected leaders to understand this.

Legislator Rush stated that the Lighthouse committee has just put a sidewalk down there. They are selling bricks that go into the sidewalk at a cost of \$75 each. We will have applications available here at the office or when the Lighthouse is open.

Chairman Callard reported that many of the Legislators attended the ARC Best Friends Dinner and he congratulated Legislator Allport who is completing his tenure as President of the ARC Board. Chairman Callard

stated that he has served the organization well and also serves the county well as Legislator.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Bower. Motion carried. The following resolutions were presented for adoption:

Legislator Johnson moved to approve the Sheriff's Office to apply for two grants; seconded by Legislator Smith. Legislator Allport stated that this is nothing more than an Albany's attempt at a revenue maker. They disguise it as public safety. If they were truly involved in public safety they would not be closing down jails nor having more people on house arrest with bracelets on them, they would be putting them in jail where they belong. They would be providing funds to local municipalities for solving murders, rapes, child molesting, and so forth. This is attacking travelers who don't have their seat belts on or have child seats installed. Hospitals do not let babies go home without the proper safety and even organizations are available to provide free child safety seats to those that need them. He said that every county should send a note back to Albany telling them to use this fund for training their own people on how to be

fiscally responsible. He does not believe this should not be passed. Legislator Bower also cannot support this and has not supported this for years. He will supply more information to the board before the grant is accepted concerning the lack of issuing citations. He will have these records for 2011 and he will also provide the number of seat belt violations issued during the course of this grant on overtime. The following resolution was adopted:

**RESOLUTION NO. 143-412**

**AUTHORIZING SHERIFF TO APPLY FOR GOVERNOR'S TRAFFIC SAFETY GRANTS**

SETTING DATE AND TERMS FOR AUCTION OF COUNTY-OWNED TAX PROPERTIES NOTWITHSTANDING ANY RESOLUTION HERETOFORE ADOPTED

RESOLVED, that the following terms of auction for County-owned property for the auction to be held Wednesday, June 27, 2012 at 11:00 a.m. at the Albion American Legion Post, 131 South Main Street, Albion, New York, be approved by this Legislature as follows:

TERMS OF AUCTION  
ORLEANS COUNTY TAX PROPERTY AUCTION  
ALBION AMERICAN LEGION POST  
ALBION, NEW YORK  
June 27, 2012  
11:00 AM

This is the sale at public auction of various parcels of real property, which have been conveyed in the County of Orleans by final judgment under the so-called In Rem Tax Foreclosure Proceedings. This sale is ordered by various resolutions of the Orleans County Legislature and is in accordance with the appropriate provisions of the Real Property Tax Law. This sale and sale of each and every parcel herein is upon the following terms:

TERMS AND CONDITIONS

OF THE  
ORLEANS COUNTY AUCTION OF TAX FORECLOSED PROPERTY

1. Orleans County acquired title to these properties in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings; and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water assessments are the responsibility of the purchaser, whether they are received or not; (d) the levied 2012 Town and County tax bill including any relieved taxes, 2011/2012 village taxes, 2011/2012 school tax, any village or town water and sewer rents and assessments, in addition to any other applicable charges (including, but not limited to, omitted and pro rata taxes, demolition charges, interest and penalties); and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the public auction.
4. The purchaser shall be solely responsible for the payment of: the levied 2012 Town and County tax bill including any relieved taxes; any Village taxes levied after May 31, 2012, the 2012/2013 school taxes, the 2013 Town and County taxes, penalties and interest and charges levied against the property subsequent to the auction.
5. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date of the auction. Upon delivery of the quitclaim deed by the County of Orleans to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
6. No personal property is included in the sale of any of the parcels owned by Orleans County, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the successful purchaser following the closing of sale.
7. All informational tools, such as slides, tax maps, deeds, photos, auction listings, auction catalogs, auction signs, property record

cards, etc., are for identification purposes only and are neither a guarantee nor a warranty as to location, dimensions, parcel use and/or size, or anything else. THE COUNTY, THE AUCTIONEER, AND THE AUCTION SERVICE MAKE NO WARRANTY EXPRESSED OR IMPLIED IN CONNECTION WITH THIS SALE.

8. The County of Orleans reserves the right, in its sole discretion, to withdraw from the auction any of the properties listed on the schedule of real property.
9. Notice is hereby given that the premises being sold may lie within an Agricultural District as designated upon the tax map. It is the sole responsibility of any bidder to ascertain which specific parcel(s) is so designated and sold subject to the provisions of law applicable thereto.
10. All bidders are required to register and provide suitable personal identification prior to the auction. Auctioneer reserves the right to decline registration if identification is not sufficient.
11. All bidders are required to use the bidder number issued to them for all purposes associated with the auction. A bidder may not bid on behalf of a party who is on the prohibited bidder list.
12. Bidder acknowledges receipt of the pamphlet entitled "Protecting Your Family From Lead in Your Home." Bidder also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards, mold, asbestos or any other hazardous substances.
13. The former owner of the property, or his agent, shall not be deemed to be the successful bidder on the property or purchase same at the public auction, unless the bid amount exceeds the amount of the purchase price to affect the release of County's interest. If the former owner or his agent reacquires the property, all liens existing prior to the foreclosure, will be reinstated and the purchaser (former owner) must sign the deed to reinstate the liens.
14. Purchaser shall provide information necessary to complete, and shall execute, the necessary forms and documents required for recording the deed in the Orleans County Clerk's Office. The purchaser executing the auction terms and conditions of sale may not assign or otherwise transfer his right to complete the bid, unless the County agrees in writing. The deed prepared will be in the name of the successful bidder (and spouse) only. No third

- party bidding will be accepted, unless the bidder identifies that he is bidding as an agent for a disclosed principal.
15. The auctioneer's decision regarding any disputes is final, and the auctioneer reserves the right to reject any bid that is not an appreciable advancement over the proceeding bid.
  16. The Purchaser will execute an Offer to Purchase form immediately upon being declared the high bidder. The approval of each bid by Resolution of the County Legislature *will not constitute a Contract of Sale* and the County reserves the right to reject any bid prior to the closing of title and the recording of the deed.
  17. The Purchaser shall be responsible for the payment of an eleven percent (11%) buyer's premium should buyer be paying by credit card or a ten percent (10%) buyer's premium should the buyer be paying by cash or by bank check in addition to the accepted purchase price and the closing fees/costs. The "buyer's premium" is the fee/commission earned by the auctioneer. An additional one and one half percent (1.5%) of the purchase price will be added to each parcel for advertising expenses. Accepted purchase price is the amount bid by a perspective bidder, which has been approved by the Orleans County Legislature.
  18. All required deposits must be paid in full for all successful bids immediately upon being declared the successful bidder. Any successful bidder, who fails to tender the deposit immediately upon being declared the successful bidder, will be forbidden to participate in this or any other auction. Any parcels which the County did not receive deposits for, as per these terms and conditions, will be considered to be defaulted, and resold and the bidder will be disqualified from further bidding.
  19. 25% of the total contract price (total contract price is the combination of the high bid and the buyer's premium, as defined in section 17 of these terms and conditions), shall be paid as a down payment on the day of the auction upon execution of an Offer to Purchase Form. Total contract prices selling for \$250.00 or less must be paid in full at auction, including all closing costs which consist of the following will be paid with the down payment on the day of the auction for each parcel: (a) New York State Transfer Tax [\$4.00 for the first \$1,000; \$2.00 for each \$500 thereafter of the purchase/bid price]; (b) Filing Fee for the Real Property Transfer Report [\$125.00 if the parcels classification code is 100-199, 200-299 or 411-C; \$250.00 for all parcels otherwise classified]; (c) Filing Fee for combined Gains Transfer Tax

Affidavit [\$5.00]; (d) all fees required by the Orleans County Clerk for recording of the deed [\$50.00 to record a one page deed; \$5.00 for each additional page] *Closing costs may be subjected to an increase in fees as required by law, without notice.* All deposits must be made in cash or guaranteed funds payable to the “Orleans County Treasurer” and drawn on banks insured by the Federal Deposit Insurance Corporation (FDIC). No exceptions.

20. All bids shall be subject to approval by the Orleans County Legislature, which shall have the right, in the Legislature’s sole discretion, to reject any bid for any reason whatsoever.
21. All parcels for which you are the successful bidder for must be paid in full. No selective closings subsequent to the auction. Failure to remit full payment on all parcels for which you are the successful bidder will result in a default of all deposits tendered, and you will not be permitted to close on any other parcels for which you are the successful bidder.
22. The entire balance of the accepted purchase price, the buyer’s premium, as defined in section 17 of these terms and conditions, and all closing costs/fees must be paid by cash or guaranteed funds payable to received by the Orleans County Treasurer’s Office on or before July 31, 2012. The County is not required to send notice of acceptance to a purchaser. If the purchaser fails to pay the balance of the total contract price plus closing costs and fees as herein provided, the deposit shall be forfeited. The County reserves the right, in its sole discretion, to extend the time of payment upon such terms and conditions it deems appropriate.
23. If the successful bidder fails to tender such amount due by the close of business on July 31, 2012, then the County may, but is not obligated to offer any unsold property to the second highest bidder. All terms and conditions for the sale set forth herein above shall apply to the second highest bidder and/or any other purchaser.
24. All sales shall be final, absolute and without recourse, once title has closed and the deed has been recorded. In no event, shall Orleans County and/or Haroff Auction & Realty, Inc. and/or Absolute Auctions & Realty, Inc. be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, its heirs, success or assigns, against Orleans County and/or Haroff Auction & Realty, Inc. and/or Absolute Auctions & Realty, Inc. arising from this sale.

April 25, 2012  
Resolutions 140-163

25. The County of Orleans will execute no warranties concerning the parcel or title thereto and will not deliver or be responsible for abstracts, title insurance, title searches, surveys, maps or other documents concerning a parcel whatsoever.
26. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the County acquired title or as corrected up to date of deed. The deed will be recorded by the County upon payment in full of the accepted purchase price, buyer's premium, and closing fees/costs. POSSESSION OF PROPERTY IS FORBIDDEN UNTIL THE DEED IS RECORDED WITH THE ORLEANS COUNTY CLERK CONVEYING TITLE TO THE PURCHASER. TITLE VESTS AT THE RECORDING OF THE DEED. It is agreed between the County and the purchaser that delivery and acceptance of the deed occurs upon recording the deed.
27. A quitclaim deed issued as a result of the auction shall contain the following provisions: (a) "Nothing contained in any description herein is intended to convey more than the assessed owner owned at the time of the levy of the tax, the non-payment of which resulted in the tax sale. There is no representation as to the extent of the acreage conveyed herein;" (b) Orleans County shall in no event be or become liable for any defect in the title so conveyed for any cause whatsoever, or for any encroachments or disputed boundaries; and that no claim or demand of any nature shall ever be made against said Orleans County arising from such sale or conveyance or any proceedings leading thereto.
28. Evictions, if necessary, are solely the responsibility of the successful purchaser after closing and recording of the deed.

## LEGISLATURE MEETING

May 9, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag, the Clerk called the roll. All Legislators were present, with the exception of Legislators Allport and Eick.

The Clerk presented the following communications: The Annual Financial Report Update Document for the County of Orleans for the Fiscal Year ending December 31, 2011 has been filed by the Orleans County Treasurer. The Traffic Diversion Program has reported their Distribution of Revenue for the period of January 1, 2012 through March 31, 2012.

Legislator Rush presented a proclamation on behalf to Communities Can in celebration of National Children's Mental Health Day. Those present to accept the proclamation included Lynne N. Wright, Freddie Stewart, Beth Nesbitt and Lynne Williams.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through April 2012. In April the worker's compensation bill was paid so employee benefits look high. The schools and villages were paid their unpaid tax relevies. State aid is down because they implemented new financial software and it took two weeks before that money came in so we should see improvement for next month.

During open discussion, Chairman Callard reminded the public that questions or concerns should be related to the Legislature and that the Board can't spend time on political philosophies. Allen Lofthouse, Kendall, questioned Resolution No.165-512 concerning a two year extension with CSEA and as to why it is a two year extension agreement and not one year. He was concerned that it can't be projected two years from now as to how things will be. The Union and the County negotiated a two year extension agreement to settle, stated Chairman Callard. It was half the term of the current contract. Mr. Lofthouse asked what temporary means for the "temporary layoffs". Mr. Nesbitt said that we have already cut many positions by attrition and not had to lay off people. He said they feel confident that they can continue to do it this way. Laying people off is costly to the County. Mr. Nesbitt stated that we can also repurpose employees to departments that have funding and needs for employment rather than paying high unemployment bills for layoff and laying people

off is not good for the community either. Mr. Lofthouse said the best way to cover that would be not to hire any new staff. Mr. Nesbitt stated that the best way of avoiding to lay people off for the next two years would be not to hire any additional full time staff.

Paul Lauricella, Yates, shared his opinion that the County should have insisted on a one year contract, with no increase for the next two years and no layoff provision. The County should show them who the boss is and should not have the layoff provision in there. Mr. Lauricella also inquired about the Resolution No. 172-512 concerning the \$5,000 contribution to the Lighthouse because if it is bringing people in than why is the taxpayers giving them \$5,000. Legislator Rush indicated that they do not charge a fee to visit the Lighthouse. When they were open last year, they had 2,600 people sign the visitor book. He said if they were opened full time, there is a possibility of having 5,000 people visit the Lighthouse. Legislator Rush stated that this is great for our tourism which also brings sales tax into our county. This is part of our tourism project as well. Mr. Lauricella asked if they sell souvenirs too? They may to help maintain the building. Chairman Callard said that this will help represent the completion of phase one which ties into phase one of the marina project that is being undertaken right now. We hope that there will be a phase two if money becomes available to help further embellish the area. It has been highly received within and outside of the county in stimulating tourism. Mr. Lauricella said that he hopes that they will be self supporting. Chairman Callard stated that they have already created \$250,000 of their own initiative to develop and construct the property. Mr. Lauricella said that they need \$5,000 more? Chairman Callard said that the Board is contributing to help finish phase one but looking at it as a \$5,000 investment and a return of \$250,000, is a good investment. Mr. Nesbitt stated there is a risk that if they run out of money and was unable to finish the project, it is on County controlled property so we would have to finish it. Mr. Lauricella said that people would probably pitch in if they have too. Chairman Callard said that people have already pitched in. Legislator Rush mentioned the ability to purchase bricks to have your name on the brick walk.

Paul Rusin, Murray, questioned Resolution 170-512 as to what the criteria was used in determining the various Mortgage Tax distributions to the towns and villages. Treasurer Heard said it is the result of the sales of mortgages in the various towns and calculated based town assessments.

Resolutions 164-182

Legislator Rush moved to add four resolutions to the agenda; second by Legislator George. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 164-512**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Resolutions 164-182

WHEREAS, the CSEA and Legislature desire a harmonious working relationship for the next two years; therefore be it

RESOLVED, that the Orleans County Legislature approves an extension of the existing agreement that provides for a 0% increase in 2013 and a 2% increase in 2014; all other terms remain in effect except for the addition of a temporary “no layoff provision”.

Moved, Johnson; second, Bower.

Adopted. 5 ayes; 0 nays; 2 absent, Allport and Eick.

Chairman Callard made the following statement: *“The Legislature is pleased that the CSEA and the county have reached an agreement that is sensitive to the current economic climate. It is important to have a strong partnership with our employees that represent the county in the community. The negotiating teams assessed the situation and came to a practical solution. Our employees are appreciated and their jobs are secure.*

*I thank the management negotiating team for its efforts working on the agreement and would ask CAO Nesbitt, as the lead, to take that message back to those involved in reaching this expeditious agreement. It not only finalizes some aspects of the 2013 budget, but provides certainty to the employees going forward. Thank-you again.”*

Legislator Rush moved to amend an agreement to get additional funds for the rabies program. Paul Pettit, Public Health Director, added that additional funds are available to help offset the costs related to the rabies program. He indicated that our expenses always run over and these additional funds will help with that. Legislator Bower seconded the motion. The following resolution was adopted.

#### **RESOLUTION NO. 166-512**

Legislator Smith moved to approve the Shared Highway Services agreements with the four villages in the county; seconded by Legislator Bower. Attorney Schubel wanted to thank and compliment Highway Superintendent Gray on all of his efforts in bringing this to fruition. Anytime a person can get ten towns and four villages to agree on an agreement, that is as complicated as this one, is a significant accomplishment. A number of towns had concerns for the language alike and Superintendent Gray was very effective in assisting Attorney Schubel's office in the resolution of those language issues and the towns were all supportive. Several weeks ago the State Comptroller's office complimented the Town of Batavia for having an inter-municipal agreement with the Town of Elba which he thinks pales in comparison in what is being done here. He stated that it is a real compliment to this Legislature and the towns and villages that there is unanimity on this. There is a long history of doing this informally throughout the county but the State Comptroller's office is requesting that we memorialize this in the form of an agreement and he believes this is a great achievement.

May 9, 2012  
Resolutions 164-182

Legislator Johnson moved to approve a municipal cooperation agreement for water and sewer. She added that we have been talking about cooperation between municipalities in the county. This is another historical document that was agreed upon between the Village of Medina, Towns of Ridgeway and Shelby, Medina School District and the County of Orleans and a lot of work was involved and a long time in the making of this agreement. Legislator Bower seconded the motion.

**RESOLUTION NO. 177-512**

**APPROVING A MUNICIPAL COOPERATION AGREEMENT FOR WATER AND SEWER**

WHEREAS, the Village of Medina owns, operates, and maintains water mains, hydrants, and other appurtenances, a waste water treatment plant, sewer mains, and other related sewage treatment appurtenances, and performs system maintenance and repairs; and

WHEREAS, the Village of Medina has determined that it has the capacity and capability to provide the aforescribed services on a cooperative or contract basis subject to the contingencies set forth in this Municipal Cooperation Agreement; and

WHEREAS, the parties believe that it will produce savings for the taxpayers of the parties by promoting industrial development in all areas of the community by making provision for the aforescribed services by the Village to development parcels outside the Village in a manner that preserves the tax base of the Town(s) while providing compensation to the Village for the provision of "joint services" as such services are defined in section 119-n (c) of the of the General Municipal Law of the State of New York; and

WHEREAS, pursuant to Article 5-G, section 119-o and Article 18-1, section 858(9) of the General Municipal Law of the State of New York, the parties are authorized and have the power to enter into a Municipal Cooperation Agreement with respect to functions which each may legally undertake such as the subject of this Agreement; now, therefore be it

Mr. Nesbitt stated he wished to compliment the Chairman for carrying the ball on this and that it has taken forty years to have everyone agree on this for the development of economic development sites on the west end and it is fantastic that this has been done and the Chairman deserves a hand shake and pat on the back for putting this together. Chairman Callard made the following comment: *The Village of Medina and the Town of Shelby talked about a water and sewer agreement through successive boards without success for decades. Without such an agreement during that time commercial and industrial development became contentious and often delayed.*

*In January 2011 I called upon the leaders of the village and the towns, now including Ridgeway, to come together and agree upon a tax-sharing deal. When such an agreement was made, then further discussions were conducted with the Medina Central School District. The county and the economic development agency facilitated all the discussions and negotiations and agreement was finalized this month.*

*The Medina Central School District and the Town of Shelby have already ratified the agreement, now the county, and the Village of Medina and the Town of Ridgeway will conclude ratification of the agreement in the next couple of weeks.*

May 9, 2012

Resolutions 164-182

*This agreement is paramount in this economic climate in bringing new business to the county.*

*I will next be calling upon other village and town leaders throughout the county to see if other similar needs exist.*

### **RESOLUTION NO. 178-512**

RESOLUTION DECLARING MAY 23, 2012 TO BE “MAYDAY FOR MANDATE RELIEF” AND URGING THE MANDATE RELIEF COUNCIL TO TAKE SWIFT ACTION IN SUBMITTING A PACKAGE OF MANDATE RELIEF PROPOSALS TO GOVERNOR CUOMO AND THE STATE LEGISLATURE TO BE VOTED ON THIS SESSION

WHEREAS, the State of New York mandates (requires) the delivery of State programs using local resources, causing some counties to dedicate more than 80 percent of their entire budget toward the funding of State mandated programs and fixed costs; and

WHEREAS, the New York State Association of Counties has identified just 9 state mandates that equal 90 percent of all county property taxes levied in 2010 (outside of New York City), consuming \$4 billion of \$4.4 billion in county property taxes levied. These mandates include: Medicaid, TANF/Public Assistance Safety Net, Child Welfare Protective and Preventive Care, Special Education Pre-School, Early Intervention, Probation, Indigent Defense, Youth Detention, and Pensions; and

WHEREAS, these State mandates are the root cause of high county property and sales taxes in New York and have led to a decline in the delivery of important local services; and

WHEREAS, these State imposed mandates continue to contribute to New York’s highest in the nation local tax burden for residents and businesses, severely damaging New York’s ability to attract, create and maintain good paying jobs, as well as contributing to population losses to other states; and

WHEREAS, when the State enacted a property tax cap in 2011, a Mandate Relief Council was established to review specific mandates and advance legislative proposals to reduce the statutory and regulatory burden on municipalities; now therefore be it

RESOLVED, that Orleans County Legislature does hereby declare May 23, 2012 to be “Mayday for Mandate Relief” to demonstrate that the decisions made in Albany have a direct impact on the property tax levy and local community services here in Orleans County; and be it

FURTHER RESOLVED, that Orleans County Legislature hereby calls on the Mandate Relief Council to take swift action in submitting a package of Mandate Relief proposals to Governor Cuomo and the State Legislature to be voted on by our State Representatives during the 2012 State Legislative Session; and

BE IT FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, members of the New York State Legislature, NYSAC and all those deemed necessary and proper.

## LEGISLATURE MEETING

May 23, 2012

---

Chairman Callard called the meeting to order at 4:32 PM. After the pledge to the flag and invocation, led by Legislator Smith, the Clerk called the roll. All Legislators were present, with the exception of Legislator Bower.

The Clerk presented the following communications: Care Net Center of Greater Orleans is part of the group organizing the Albion Strawberry Festival 5k & 8k Race. They are requesting permission to place a large vinyl banner on the Courthouse Square lawn as soon as possible to advertise this event. This event kicks off at 8 a.m. on Saturday, June 9<sup>th</sup>. This request was approved unanimously by the Legislature. The New York State Division of Local Government Services will be holding training for Local Boards on Thursday, June 14<sup>th</sup> from 5 p.m. to 9:30 p.m. at the Erie Community College North Campus in Williamsville, at Kittinger Hall. This event is sponsored by the Erie County Department of Environment and Planning, Orleans County Planning Board, and Niagara County Department of Economic Development. Resolution received from the County of Oswego entitled "A Resolution Opposing the Memorandum of Understanding between New York State and the Federal Government to Speed Development of Wind Towers in Lake Ontario's Eastern Basin." Resolution received from the County of Chenango entitled "A Resolution Requesting Sales Tax Exemption for the Purchase of Seeds and Plants used to Grow Food for Personal Consumption."

During open discussion, Paul Rusin, Murray, questioned the Mental Health position resolution and why there is a change in grades. Legislator Allport advised that the position is being replaced in the billing department with an Account Clerk Typist position because per civil service rules, she has been working out of title. He further stated that this will conform to the civil service rules and provide the proper title. Mr. Rusin raised Resolution No. 196, which he thanked Chairman Callard for his indication that he is looking into Agenda 21, but said part of Agenda 21 is that the Environmental Protection Act is designed to make everything more expensive. Almost everything done through government, or even in the private sector, will be done especially if there is a public/private partnership and dealing with union skill labors becomes expensive. In regards to Chairman Callard's comment regarding politics,

he said there is a definition going around about “politics”, with “poly” meaning many, and “tics” meaning blood sucking creatures. Let’s just hope we don’t have this in this forum here today.

Paul Lauricella, Yates, wanted to discuss the state programs and mandates. He said that everyone is being told that they need to get involved by Governor Cuomo and Assemblyman Hawley has been bringing up bills to try to get mandate relief. He said it has to be understood that everyone that is trying to get this done is in the minority, either liberals or hardcore lobbyists. The republicans are in name only. He asked what is going to happen if they keep drawing the line in the sand farther away and telling us to back up. Mr. Lauricella asked if this group has a plan B. Chairman Callard said that these are elected representative and it behooves the people to elect these individuals and if they are disgruntled, then they should elect new representation. It is up to us, in our voting, to make the change. Mr. Nesbitt stated that in fairness to the Governor, he submitted mandate relief proposals that not all went through. The four that we looked at as mandate relief proposals in the Governor’s budget, only two went through. The pension reform did not go through in its original form but a more watered down but still pretty strong pension reform version was approved. The Medicaid reform, in our view was positive. They did tinker around the edges with it a bit which brought to a halt a 8 million dollar bill that local governments are paying, further expressed Mr. Nesbitt. Paul Lauricella stated that all of the towns are onboard, all of the connecting County Legislators too; but it comes to the point where, when does defiance come in and this may be the only way we get mandate relief. People have had enough of the taxes. When the revolution was fought, if we had people sit there and do nothing, this country would not be here.

Allen Lofthouse, Kendall, asked who deals with the union negotiations. Chairman Callard indicated that a negotiation team of management is appointed. Mr. Nesbitt indicated that he is the lead on this team and others are included which include management of the broad sections of the work force. A representative is picked from the Nursing Home because they have 150 employees, another representative from DSS because they have 85 employees and to also include the County Attorney and the Personnel Director. Mr. Lofthouse asked how many unions are negotiated, Mr. Nesbitt indicated three.

*May 23, 2012*

*Resolutions 183-196*

Legislator Smith shared that on April 26<sup>th</sup> there was a job fair sponsored by ARC. There were 29 employers and over 300 job seekers. Kentucky Fried Chicken had 114 applicants and have hired 56 part time employees. Of those hired, 8 were Public Assistance recipients, 2 SafetyNet applicants, and 8 food stamp recipients. They plan to open on the 29<sup>th</sup> or 30<sup>th</sup> of May. The grand opening is scheduled for June 15<sup>th</sup>. Chairman Callard stated that those figures are heartening and it relieves the strain on Social Services. He said we have a host of retail stores and other businesses opening in the next month or two. Legislator Smith indicated that he feels it is great getting these people off assistance which is good for Orleans County.

Legislator Johnson responded to Mr. Lauricella's comment in that he said he has no power. She indicated that in November he does have the power when he votes and needs to remember this. She also reminded him that at our assembly level, our county level, and at our town level we are all in it together on these unfunded mandates. Western New York may be a very small area of the entire State but NYSAC put tonight's conference session presentation together which is supported by all the Counties across the State. She believes our voice is getting out there and it has become loud and clear.

Councilman Schaal personally commended the Legislative body for the efforts they are putting forward on this issue and a lot of other issues. Too often this body, and all other bodies, are being condemned for not doing enough. As Mr. Lauricella pointed out, that "you" have the power. Mr. Schaal thinks Mr. Lauricella doesn't understand that this is a nation of laws. We can do what we can do within the law. He believes this body has done everything it can do and he knows it will continue to provide the best government for the local people.

Legislator Eick announced that a new sign has been installed at The Villages of Orleans Health and Rehabilitation Center and it is lit at night.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Smith. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 183-512**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	1-124	\$212,020.95
Highway	No Claims	
Nursing Home	1003-1008; 1010-1015; 1018-1019; 25001-25040	\$211,427.69
Job Development	1003-1005	\$10,947.50
Self Insurance	1019; 50269-50270; 50326-50329	\$44,617.28

### **RESOLUTION NO. 185-512**

#### **APPROVING AGREEMENT BETWEEN THE BUILDINGS AND GROUNDS AND CONCREATIONS, LLC**

RESOLVED, that this Legislature approves an agreement between the Buildings and Grounds Division of the Highway Department and Concreations, LLC, 3890 Pike Rd., Batavia, NY 14020 for repairing stone work around foundation, replace and repoint damaged bricks on south section and repair steps in front of the Treasurer's Building, per written proposal submitted in the amount of \$6,000 with such work to be completed May of 2012. Project to be paid from Buildings & Grounds account A1620.403 – Maintenance Projects.

Moved, Allport; second, Smith.

Adopted. 6 ayes; 0 nays; 1 absent, Bower.

Legislator Eick moved to approve two agreements with the Health Department; seconded by Legislator Rush. Legislator Allport pointed out that the Public Water Supply Program is a cooperation between Soil and Water and the Public Health Department. Soil and Water has a watershed project that is renewed every five years to protect the watershed. That is why around the county you see spray sheds for the fruit growers; see better manure control for dairy and beef farms so the runoff from the cows does not make it to the streams. This is an outstanding cooperation between the two department added Legislator Allport. The following resolution was adopted:

### **RESOLUTION NO. 186-512**

#### **APPROVING AGREEMENTS WITH THE HEALTH DEPARTMENT AND VARIOUS AGENCIES**

RESOLVED, that this Legislature does hereby approve the following agreements between the Orleans County Health Department and the following agencies:

May 23, 2012  
Resolutions 183-196

NYS Department of Health, Bureau of Community Health and Food Prevention, 547 River Street; Room 515 Troy, NY 12180-2216, contract amendment to Resolution No. 275-911: amendment to provide an additional year; April 1, 2012 through March 31, 2013, with additional funding in the amount of \$26,089. Contract #C025046. All other terms of contract remain the same to provide funding to enforce and educate residents and retailers of Orleans County through the Adolescent Tobacco Use Prevention Act and Clean Indoor Air Act. No County Cost.

New York State Department of Health, Center for Environmental Health, Division of Environmental Protection, Bureau of Public Water Supply Protection, Flanagan Square, 547 River St., Troy, NY 12180-2216 to provide \$111,812 to the Orleans County Health Department for the Public Water Supply Program. Contract period April 1, 2012 through March 31, 2013. Contract #C026479. No County cost.

Moved, Eick; second, Rush.

Adopted. 6 ayes; 0 nays; 1 absent, Bower.

Legislator Johnson moved to extend the Crime Victim's Assistance program; seconded by Legislator Rush. Mr. Nesbitt added that this is a 2% funding cut. There is no county dollars spent on this program. The following resolution was adopted:

**RESOLUTION NO. 187-512**

**AUTHORIZING THE DISTRICT ATTORNEY TO ACCEPT A ONE-YEAR GRANT EXTENSION FOR FUNDING FOR THE CRIME VICTIM/WITNESS ASSISTANCE PROGRAM**

WHEREAS, Resolution No. 250-709 approved a three year grant from the New York State Crime Victims Board for the Crime Victims Assistance Program effective through September 30, 2012; now, be it

RESOLVED, that this Legislature authorizes the District Attorney to accept a one-year grant extension from the New York State Office of Victim Services for funding in the amount of \$101,688 for the Crime Victim Assistance Program to fund the period of October 1, 2012 through September 30, 2013; and be it

Moved, Smith; second, Allport.  
Adopted. 6 ayes; 0 nays; 1 absent, Bower.

Legislator Smith moved to approve an agreement with Berkshire Farm Center; seconded by Legislator Allport. DSS Commissioner Tom Kuryla added that this is a renewal of an existing contract for foster institutional care. Children are placed at this location because we do not have services available locally to accommodate the needs of certain children that may have behavioral, mental health, or substance abuse issues. This is a contracted service so they are rehabilitated and supervised appropriately. Mr. Kuryla advised that currently we have no children placed at this location. The following resolution was adopted:

## LEGISLATURE MEETING

June 13, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through May, 2012. Susan Heard, Treasurer stated that we are in good shape, but the month of June is going to be a little bit tougher, due to having to pay for mowing and snowplowing. Sales tax continues to be on the positive side. Legislature Rush commented that he saw the Towns had their mowing in for this audit. He then asked if they mow two or three times. The Treasurer thinks the Towns mow every couple of weeks and we make two payments to them. Mr. Nesbitt, CAO asked the Treasurer about the status of the FMAP. She had not.

During open discussion, Paul Lauricella, Yates, questioned if Resolution No. 199-512 was mandated. Legislator Bower stated that over the next 3 years there will an increase of 17% this year and then an increase of 5% over the next two years. We don't have a choice in the matter. Mr. Nesbitt added that the State law states that the District Attorney be paid the same as the County Court Judge. In this case, Judge Punch also serves as Supreme Court Judge and makes a little more than that, but the District Attorney will be making what the County Court Judge makes strictly as a County Court Judge. Mr. Lauricella then questioned why Orleans County is putting cameras up on the lakeshore line. Mr. Nesbitt stated that this is a NYS Homeland Security funded system that will monitor illegal activity along the lakeshore. Mr. Lauricella asked if there is something going on down there that would warrant this. Mr. Nesbitt stated that there are drugs run across, persons of interest come into our small harbor on Oak Orchard River. Mr. Lauricella argued that there is a lot of public traffic and stated that it is a violation of the 4<sup>th</sup> Amendment, pursuit of happiness. First it starts with a camera here and a camera there and pretty soon every move we make will be recorded. The Department of Homeland Security, since it has been created has done nothing but stomp on the civil liberties of our citizens. He then questioned Resolution No. 209-512, he state that he has read it five or six times and asked if someone would explain it to him. Mr. Nesbitt stated that he would gladly explain it. He continued that every two years we have to go back to the State Legislature and ask for the same

sales tax rate that we already have. Every two years all of the State Legislators get together to discuss whether or not they are going to grant us the ability to continue to charge us the same amount that we have. All we are asking for is not to have to beg them every two years and avoid the drama of going back and forth on it. We are asking for fairness and the ability to continue to keep what we already have. Chairman Callard called for any more questions. Mr. Lauricella stated that the Conservative Party circulated the petitions for mandate relief for Assemblyman Hawley. One of the big problems with the pensions is this Triborough Law that was formed in 1981. Repeal of the Triborough amendment would establish a more equitable, collective bargaining system in NYS. All of these need to be repealed. This was all started in 1962 by JFK as a payback to the AFL, CIO Union and he allowed the unions to go federal which opened the door. This is something that needs to be pushed at the federal level to repeal this. Even a communist like Roosevelt wanted to sign the bill of rights when everyone was against him. This is what resulted.

Allen Lofthouse, Kendall, question Resolution No. 205-512 if both of these positions were working positions at the time they were abolished. Mr. Nesbitt stated that one of the positions is retiring and the other position will be a layoff. Mr. Lofthouse asked what Mr. Nesbitt thought about what happened in Wisconsin and if Mr. Nesbitt thought a yearly union contract would be better. Mr. Nesbitt stated that he is not in Wisconsin and those are decisions of the Legislature.

Legislator Bower added that he would like it to be one year. Legislator Allport added the contract went from four years to two years. Chairman Callard asked if there anymore questions and with there being none, the following resolutions were presented for adoption:

#### **RESOLUTION NO. 197-612**

#### **AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature,

June 13, 2012  
Resolutions 197-209

the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

#### **RESOLUTION NO. 199-612**

AUTHORIZING THE FILLING OF POSITIONS IN THE DISTRICT ATTORNEY'S OFFICE, MODIFICATION OF SALARIES, AND AMENDING RESOLUTION 459-1210 REGARDING PUBLIC SAFETY PROGRAM MANAGER APPOINTMENT

WHEREAS, Resolution No. 459-1210 created and filled a Public Safety Program Manager position in the District Attorney's Office; and

WHEREAS, the New York State legislation passed two years ago set up a Judicial Compensation Commission that was tasked with reviewing statewide judicial salaries and to make recommendations on new salary levels. The Commission recommended a 27% increase from current salary levels to be implemented over a 3-year period. Pursuant to Judicial Law 183-a, which link judicial salaries with district attorneys' salaries and requires district attorneys' salaries to be at least as high as the County Court Judge in the County; and

WHEREAS, the County anticipates additional State revenue for 2012 to offset this additional expense; now, therefore be it

RESOLVED, that this Legislature authorizes this adjustment in the District Attorney's compensation effective April 1, 2012: and be it

FURTHER RESOLVED, that this Legislature authorizes the abolishing of the Public Safety Program Manager position in the District Attorney's Office effective March 31, 2012.

Moved, Bower; second, Johnson.  
Adopted. 7 ayes; 0 nays; 0 absent.

**RESOLUTION NO. 201-612**

**AUTHORIZING NORA TO CREATE A PROGRAM MANAGEMENT STRUCTURE AND AUTHORIZE NORA TO PURSUE FUNDING SOURCE(S)**

WHEREAS, the Niagara-Orleans Regional Alliance (NORA) was formed as a collaborative to pursue activities and projects of common interest in the most cost effective and efficient manner possible; and

WHEREAS, there is a common interest in escalating economic development, providing better access to regional and global markets, job growth, increased educational opportunity, and enhancing property value; and

WHEREAS, appropriate transportation and telecommunication/Internet infrastructure are key contributors to prosperity in these areas; and

WHEREAS, initial investigations imply that vast areas of our counties lack adequate access to stable, affordable, premises-based broadband Internet services despite the presence of Time-Warner cable modem and Verizon DSL service in population centers; and

WHEREAS, constituent legislators and key stakeholders lack adequately-detailed and concrete data upon which to properly strategize the most beneficial solution(s) for their region; therefore, be it

RESOLVED, that NORA shall CREATE A PROGRAM MANAGEMENT STRUCTURE and formalize a plan to PURSUE FUNDING SOURCE(S) sufficient to perform a detailed study for the purpose of providing comprehensive information upon which future solution strategies may be based; and be it

FURTHER RESOLVED, that a PROGRAM CHARTER shall be created, approved, and authorized by NORA, whose purpose is to provide overarching program structure and to identify executive and operational stakeholders along with their authority and roles subject to the approval of the respective governing bodies.

Moved, Johnson; second, Bower  
Adopted. 7 ayes; 0 nays.

Legislator Johnson added that Orleans County's lack of broadband internet services devalues property and places rural businesses at a competitive disadvantage locally, regionally, nationally, and globally. It is impossible to suggest or pursue any solution authoritatively as the official data in regard to broad band data is flawed. It claims that 95% of Orleans County is served by broadband internet. Federal Legislators use this flawed data to decide what areas of the county to grant broad band infrastructure development funds to. Orleans County is again disadvantaged. A significant amount of grass-roots activity has taken place with regard to finding ways of delivering affordable, premises based broad band to those who lack it. However, grass roots activity can only go so far. This resolution "officializes" the activity of pursuing our own , more accurate broadband penetration study by first forming a collaborative oversight board (NORA), secondly, pursue outside funding sources to defray study costs, and thirdly it empowers the oversight board to proceed with the study. Chairman Callard added that Orleans County has 50% coverage of broadband internet. This will be the second major initiative of the Niagara-Orleans Alliance, first being dedicated to the lakeshore and water level. Mr. Kinsey, Director of Computer Services commented that part of the issue of the broadband coverage is that when this data is reported to the State and Federal officials. A lot of the coverage was based on the wireless portion of the broadband. The infrastructure for a business, wireless would not handle the load. The road data, which shows the roads in the County that do not have coverage, was provided to the State of NY, by myself in 2008.

Resolutions 197-209

AUTHORIZING EXPENDING OPERATION STONEGARDEN  
GRANT FUNDS IN SHERIFF'S OFFICE

RESOLVED, that this Legislature authorize the purchase of Video Cameras from Linstar (NYS Contract #PT63106) to monitor the Lake Ontario shoreline and Oak Orchard River, in the amount of \$33,936.78, to be fully paid from FY2009 US Department of Homeland Security, paid through account A3110.486 – Special Grants. No county cost.

Moved, Bower; second, Johnson  
Adopted. 7 ayes; 0 nays.

Legislator Allport agrees with Paul Lauricella on the camera issue, but unfortunately they don't supply enough funds to hire the people to monitor the lakeshore to stop illegal activity. Anything it takes to stop people from coming into this country illegally, I support. Mr. Lofthouse asked if there was a cost to maintain the camera to the County. Legislator Allport stated that the maintenance is covered by the Homeland Security fund.

**RESOLUTION NO. 209-612**

RESOLUTION IN SUPPORT OF SENATE BILL NO. S5629-B AND ASSEMBLY BILL NO. A6575 AN ACT TO AMEND THE TAX LAW, IN RELATION TO AUTHORIZING CERTAIN COUNTIES, CITIES AND SCHOOL DISTRICTS TO IMPOSE UP TO A FOUR PERCENT RATE OF SALES AND COMPENSATING USE TAXES PURSUANT TO THE AUTHORITY OF ARTICLE 29 OF SUCH LAW AND TO PRESERVE THE AUTHORITY OF CERTAIN COUNTIES AND A CITY TO IMPOSE SUCH TAXES AT RATES IN EXCESS OF FOUR PERCENT; AND TO REPEAL CERTAIN PROVISIONS OF SUCH LAW RELATING THERETO

WHEREAS, the Orleans County Legislature strongly supports this home rule legislation as it provides mandate relief and enhanced fiscal management tools for local governments; and

WHEREAS, County and State legislative staff, along with elected officials, currently spend significant time and energy in order to deal with the renewals of existing local sales tax rate legislation every two years under the current State legislative model; and

WHEREAS, the proposed legislation would end the practice of requiring state approval and renewal for local sales tax rate changes, up or down, that do not exceed four percent; and

*June 13, 2012*  
*Resolutions 197-209*

WHEREAS, this will also allow county officials to manage their local sales tax rates in a way that is most efficient for local tax payers, and will reduce waste and redundancy in state and local legislative procedure; and

WHEREAS, County leaders make home rule requests out of necessity, as they are necessary in order to finance, implement and deliver state and federally mandated programs, ensure local public health and safety, foster economic development and enhance local quality of life services demanded by county residents; and

WHEREAS, these home rule requests allow local officials to manage their budgets and pay for state mandated and other services in the least intrusive and burdensome way for local taxpayers and are often requested to limited or prevent property tax increases; and

WHEREAS, this legislation would also provide counties with an important local fiscal management tool consistent with similar financial management flexibility granted to New York City a few years ago; now there be it

RESOLVED, that the Orleans County Legislature hereby supports Senate Bill No. S5629-B and Assembly Bill No. A6575 to amend the tax law; and be it

FURTHER RESOLVED, that certified copies of this Resolution be forwarded to Governor Cuomo, Senator George R. Maziarz, Assemblyman Steve Hawley, the New York State Association of Counties, Inter County Association of Western New York, and any others deemed necessary.

## LEGISLATURE MEETING

June 27, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and and invocation, the Clerk called the roll. All Legislators were present with the exception of Legislator Allport.

The Clerk presented the following communications: Treasurer Susan Heard has forwarded the notice of correction of taxes to this office and it has been filed. The ARC of Orleans County Meals on Wheels program is holding a Chiavetta's Chicken BBQ, Thursday, August 2, 2012 from 12:30 – 4 pm at the E. Academy St address. Tickets are \$9 and the proceeds from this fundraiser to directly to the Meals on Wheels program. The Oak Orchard Lighthouse is sponsoring "An Afternoon Tea" in conjunction with Oak Orchard Lighthouse Day, Saturday, August 4, 2012 from 2-3 pm. Reservations are required. The Oak Orchard Lighthouse Museum invites you to step back into the 1940's in Orleans County on the evening of Saturday, August 18, 2012 for the annual dinner and presentation. Reservations are required.

During open discussion, Paul Lauricella, Yates, commented on the Brownfield's presentation that took place in the conference session. He stated that PCB's really were a great product that was used in transformers. The reason they all blow up now is because they can't use them anymore. Back in 1968, Nixon started the EPA movement. Some people got sick and that was an in for the EPA to flex their muscles. Asbestos was another great product. Most of the people who got sick where heavy smokers and the two together don't mix. The environmental movement since the late 1960's has become this big business. They have created buzz words and people just go into hysteria because they have not done the research. With hysteria comes a lot of politicians will to give out money to satisfy the public. When you are dealing with these environmental issues, just try not to jump on the band wagon.

Allen Lofthouse, Kendall, asked how much money has the County received to protect the lakeshore through the Operation Stonegarden grants. CAO Nesbitt stated that last year's grant was \$150,000. Treasurer Heard added that we have received different chunks at a time. She doesn't have an exact figure with her, but stated that the money is reimbursed after it is spent up to the \$150,000. Mr. Lofthouse asked if the cameras were a

part of the money that was spent. CAO Nesbitt stated that is was. Mr. Lofthouse again asked about the maintenance and who is liable for it. Highway Superintendent Gray stated that there was minimal maintenance. There are no moving parts. Mr. Lauricella asked where the cameras are going to be placed. He also asked if they are going up the creek where people canoe and added that many people like to drink while they canoe and are concerned about being caught on camera. CAO Nesbitt stated that they are going to be placed mostly near the mouth of the creek and at the water treatment plant.

Legislator Smith had a group called the Biz Kids up to the Legislative Chambers earlier in the day to give an overview of the County. The group consisted of approximately 20 children and his feeling was that they were impressed by what the Legislature does. The group was formed about 4 years ago for children to learn business aspects and grow up to be leaders in the community. He added that it seems to work well and there has been a lot of positive feedback.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Bower. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 210-612**

## **RESOLUTION NO. 228-612**

### **ADOPTING PROPERTY IMPROVEMENT POLICY**

RESOLVED, that this Legislature adopts the following updated Property Improvement policy, amending the existing Policy as adopted by Resolution No. 91-296:

#### **Property Improvement Policy**

##### Policy

It shall be the policy of the Orleans County Legislature to require approval of any project involving renovation to or construction on any County property. Projects requiring in excess of \$5,000 of expenditure require Legislative Approval and all others require Chief Administrative Officer approval.

##### Purpose

The purpose of this policy is to:

1. Insure that all of the impacts and effects of a project have been considered.
2. To avoid the utilization of County resources on projects unlikely to be approved as proposed.
3. To prevent the “over commitment” of County resources and insure timely completion of approved projects.

##### Procedure

“Projects” shall be defined as the renovation, remodeling, construction or reconstruction of any County property, including HVAC and utilities. It also includes the relocation of any office. “Projects” shall exclude minor redecoration or rearranging, as well as routine and emergency repair or maintenance. Proposed projects should be described in summary on a work order and presented to the department’s Legislative Committee and

the CAO. This should generally be done *before* requesting the Buildings & Grounds Department to do any extensive planning, drafting or pricing.

If the project is in excess of \$5,000 and the Legislative Committee approves the project, it will be scheduled for discussion at a conference session. If Legislative approval is obtained at the conference session, the Legislature Chairman and the Committee Chairman will sign the work order, and the department may proceed with the project (subject to existing procedures, such as competitive bidding, purchase orders, etc.). All projects that involve relocation of departments, new construction or significant reconstruction must be approved by a resolution of the Legislature.

Once appropriate approval has been obtained, the Highway committee will oversee the Highway Superintendent's priority list and the project's progress unless the Legislature, in approving the project, has assigned this responsibility to another committee. In addition, the Highway Superintendent (unless another department head has been assigned responsibility for a specific project by the Legislature) will give an update to the committee at his committee meeting every month.

WHEREAS, bids for various properties were obtained by the auctioneer at such auction in accordance with the stated terms of auction; and

WHEREAS, due deliberation has been made by the Orleans County Legislature as to the propriety of each of the said bids; now, therefore be it

June 27, 2012  
 Resolutions 210-230

RESOLVED, that bids for various parcels set forth on the schedule hereto annexed be, and the same individually are accepted pursuant to the provisions of the Real Property Tax Law; and be it

FURTHER RESOLVED, that the standard form quitclaim tax deeds be prepared for the separate parcels and delivered to the County Treasurer for execution and delivery upon receipt of the balance of the purchase price set forth in the said deed.

**RESOLUTION NO. 230-612**

REQUESTING THAT NEW YORK STATE DEPARTMENT OF TRANSPORTATION ALLOCATE MARCHISELLI FUNDING FOR CRITICAL INFRASTRUCTURE TO FACILITATE ECONOMIC DEVELOPMENT IN THE TOWNS OF SHELBY AND RIDGEWAY AND THE VILLAGE OF MEDINA

WHEREAS, the Town of Shelby along with the Town of Ridgeway and Village of Medina have endeavored to support economic development and job creation by making investments in infrastructure, fostering multi-jurisdictional cooperation and facilitating shovel ready development; and

WHEREAS, it is incumbent upon the State of New York to demonstrate its commitment to improving critical infrastructure in Orleans County to facilitate economic development and job creation providing the State share for Bates Road Reconstruction Project-Phase II in the Towns of Shelby and Ridgeway and the Village of Medina; and

WHEREAS, not providing the anticipated Marchiselli funding match, the State of New York will place a greater share of the project costs onto the local real property taxpayer; therefore, be it

RESOLVED, that this Legislature requests that the State of New York Department of Transportation to allocate Marchiselli funding for the construction component of the Bates Road Reconstruction Project – Phase II.

FURTHER RESOLVED, that certified copies of this Resolution be forwarded to Governor Cuomo, Senator George R. Maziarz, Assemblyman Steve Hawley, Supervisor Merle Draper, Town of Shelby; Supervisor Brian Napoli, Town of Ridgeway; Mayor Andrew Meier, Village of Medina; Jim Whipple, OCEDA; and any others deemed necessary.

**LEGISLATURE MEETING**

July 11, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present.

During open discussion, Allen Lofthouse, Kendall, in regards to Resolution No. 234-712 he asked what a Memorandum of Understanding is. County Attorney Schubel stated that it is a lengthy agreement between the sites that are listed and the Department of Health to do vaccinations in the event of a mass emergency in the minority population. The memorandum allows the Department of Health to come onto the listed sites, which indemnifies them from any circumstance that arises from the visit. A Memorandum of Understanding is just another way of saying “contract” or “agreement”. Mr. Lofthouse questioned Resolution No. 237-712. He asked how the county enters into the HEAP program and how the 4% fuel tax is considered. Commissioner Kuryla explained that this is an agreement between DSS and the Office for the Aging to be an alternative site to take the HEAP applications for the senior citizens. It saves the seniors from coming upstairs to a busier environment and keeps a familiar face to work with. There no county cost what so ever, it is 100% reimbursable through the federal government. Legislator Allport added that the homeowner receives a bill from the supplier and then an assistance check is sent to help pay for the bill, so there is tax on the bill that is being paid. Chairman Callard also added the money is simply a flow through of federal money and there is no county cost. Mr. Lofthouse commented on Resolution No. 238-712 and 239-712 asking what the price difference would be for the vests for the probation department and the sheriff’s office. CAO Nesbitt answered that the two resolutions are for different purposes. One is for the amount of grant money that is to be reimbursed and the other is for the actual purchase of the vests. There is a difference in cost if the vest is special ordered for a person of larger carriage.

Paul Lauricella, Yates, asked if this Legislature thinks Resolution No. 236-712, an agreement between Real Property and Pictometry International is a bit invasive. Chairman Callard replied with an emphatic no. Mr. Lauricella continued that Google Earth is free to everyone and they update it every six months. Dawn Allen, Director of Real Property explained that Google Earth is a very nice website, however with Pictometry our department can overlay the tax maps on the images that are

provided. With this software we have the ability to measure buildings and calculate the pitch of a roof. Barry Flansburg, Assessor for the Towns of Barre, Oakfield, Byron, and Elba added that Google Earth only gives you a picture of property. Pictometry is a flyover of the entire county and merges it with the surrounding counties. It also allows us to look at the property from five different angles and then overlay the tax maps over that. This will tie in with tax maps and property records. Dawn Allen added that when a property is selected, the owners name, tax map number, and address come up. The program will allow us to overlay the utility line map and also allow the 911 communications center to access it in emergency situations. Mr. Lauricella asked if Pictometry should have permission from the homeowners, since they do own the airspace above the property. He also added that he feels that this is something that will be open to lawsuits down the road. Barry Flansburg, stated the Pictometry is an international company that conducts its business worldwide. Chairman Callard stated that when you own property, you don't own airspace. Barry Flansburg continued by stating that the NYS Office of Real Property, under rules and regulations for assessing Towns and Counties qualify for assessment aid from the State, if they contract with Pictometry International, and the photos are within three years old. The State has already said it is not an invasion, because it qualifies in the municipalities for State Aid. We need an upgrade here because the 2005 flyover no longer qualifies us for aid.

William Walters, Albion asked that the speakers identify themselves once again. They did as requested.

Legislator Eick commented on the Bates Road project in the Village of Medina and Towns of Ridgeway and Shelby. Last meeting a resolution was passed to urge the State to re-appropriate the funds that had previously been promised to redo this road. Word has come down that the money will be appropriated to finalize this project. Chairman Callard added that two weeks ago the State said those monies have been depleted, but now there is the question if they had ever been used. This is a fine example of municipalities within the County working in conjunction with our State Senator and Assemblyman.

Legislator Smith attended a meeting in Spencerport on June 27 in reference to the Rte 531 extension. The State did an overview of the project and they are projecting a completion date of August 2015. All of the engineering work is done. The total cost of this project will be 16

million dollars. He reviewed a brochure that explained the proposed project. The Rte 531 extension will run as a four lane highway on Rte 31 then reduce to a two lane highway.

Legislator Eick moved to add three resolutions to the agenda; second by Legislator Bower. Motion carried. The following resolutions were then presented for adoption:

Legislator Johnson stated that this is next step in the completion of the long anticipated radio reband project. It seems like this has been never-ending on the horizon, but this is a major agreement that has taken place. Many thanks go to our Chief Administrative Officer, Chuck Nesbitt and our Director of Emergency Management, Paul Wagner for all of the work that has been done on this project. It is with excitement that the following resolution is moved:

**RESOLUTION NO. 240-712**

**APPROVING AGREEMENT BETWEEN ORLEANS COUNTY AND SPRINT NEXTEL WITH REGARD TO REBANDING OF THE PUBLIC SAFETY RADIO SYSTEM**

WHEREAS, the FCC has mandated that all Public Safety 800MHz radio systems in the United States are required to reband; and

WHEREAS, Orleans County is in the Federal Communications Commission's Wave 4 region for the purposes of rebanding the 800MHz radio system and has conducted negotiations with Sprint Nextel and the FCC Transition Administrator; and

WHEREAS, Orleans County and Sprint Nextel have reached an agreement as to various cost and reimbursement issues; be it

RESOLVED, that the Chairman of the Legislature is hereby authorized to sign the agreement with Sprint Nextel to complete the reband of the Orleans County radio system. The terms of the agreement will be contingent upon County Attorney and Chief Administrative Officer review and approval.

## LEGISLATURE MEETING

July 25, 2012

---

Chairman Callard called the meeting to order at 4:32 PM. After the pledge to the flag and invocation, led by Legislator Smith, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Traffic Diversion Program has reported their Distribution of Revenue for the period of April 1 through June 30, 2012. The Arc of Orleans County is requesting to have a banner placed on the Courthouse Square from July 30<sup>th</sup> to August 2<sup>nd</sup> to promote the 10<sup>th</sup> Annual Signature Series Reception and Silent Auction which will be held on September 14, 2012. The Board approved this request.

Chairman Callard welcomed back the Clerk of the Legislature after being out several weeks recuperating and wished Melissa Blonar, Director of Office for the Aging, well as she will be having her first new born arriving very soon.

During open discussion, Dan Schuth, District Manager for Orleans Soil and Water, announced that they received notification of approval of a grant in the amount of \$335,569 through NYS Ag and Markets Ag Nonpoint Source Pollution Control Program. This money will be directed towards farmers to assist them in reducing contaminated run off from cattle feeding areas. This is run off that is high in phosphorus and nutrients causing pollution and problems within our waterways in Orleans County. This is a cost share grant where farmers will be contributing to this money as they implement their projects. Total economic benefit to the county will be around \$600,000 in addition to the improved water quality to residents and visitors.

Chairman Callard asked Mr. Schuth if this is a new grant in Orleans County. Mr. Schuth responded that Ag & Markets are calling this their round 18 grant time. Mr. Schuth said that the Ag Chemical Mixing Facilities fell under rounds 13 and 14, which we were involved in before. It is a similar process where farmers share in part of the costs.

Legislator Rush added that this is not a new grant, but an addition to other grants. It is added money to do more project with. Mr. Schuth stated that

it is a competitive process in that there were 74 applicants and we placed number 22.

Legislator Allport shared that Veterans Administration has 131 national cemeteries in 39 states with 4 million residents from the revolutionary war to today, with approximately 19,000 acres. He thinks that is amazing and that these patriots have been given such a good resting place. He said that the veterans take care of these sites themselves. If anyone knows of a veteran who has not registered with the Veteran's Administration, please have them do it because they have earned these benefits. Veterans can't receive benefits unless they register. Legislator Allport stated that they should get everything they have coming to them and more because they have earned it.

Legislator Allport also spoke about the Meals on Wheels program which is administered by OFA who contracts with the ARC of Orleans County to prepare the meals for the program. This program is for anyone who is over age 60, regardless of financial status and who is home bound. Legislator Allport indicated that the meals are delicious and people are eating well. He encourages anyone who knows of any Senior Citizen who meets these requirements to contact Office for the Aging to receive these nutritious meals.

Legislator Eick stated that he went by the Marine Park during the Tuesday Night concert and was amazed as to the number of attendees he saw and the good music that was playing.

The following resolutions were presented for adoption:

**RESOLUTION NO. 243-712**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature,

July 25, 2012

Resolutions 243-264

the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Self Insurance	1002; 50603-50604	\$14,405.28

Moved, Eick; second, Rush.

Adopted. 7 ayes; 0 nays; 0 absent.

Chairman Callard mentioned that the Treasurer's report was submitted and asked if Treasurer Heard wished to comment. Chairman Callard stated that the figures look very good. She stated that in June state and federal aid was received. We had not received any aid in the prior two months before that.

Legislator Smith moved to approve an agreement with Hillside Children's Center; seconded by Legislator Allport. Legislator Allport stated that this is a mandated service for children with extreme issues. Commissioner Kuryla added that this is institutional foster care that cannot be provided at a local level. Specialists are involved that have to deal with substance abuse, complex behavior problems, and many other issues that can be dealt with locally. The following resolution was adopted:

#### **RESOLUTION NO. 244-712**

#### **APPROVING AGREEMENT WITH THE DEPARTMENT OF SOCIAL SERVICES AND HILLSIDE CHILDREN'S CENTER**

RESOLVED, that this Legislature does hereby approve the following renewal agreement between the Orleans County Department of Social Services and Hillside Children's Center, Rochester, NY for the provision of residential foster care services; to be effective July 1, 2012 through June 30, 2013 at per diem rates as established by the State, not to exceed \$165,000. County cost will be at a percentage determined by both the program category and financial eligibility of each child so placed.

Legislator Eick moved to purchase human rabies vaccine. Legislator Eick asked Public Health Director Paul Pettit to explain the purchase. Mr. Pettit stated that we entering into our busy rabies season. We have some ongoing post exposure treatments that we need to provide vaccines for. These purchases are a requirement of Public Health law to treat anyone who has been exposed to a potentially rabid animal. Unfortunately it is a very costly vaccine and we need to have it available. We are entering into an active bat season. Legislator Rush seconded the motion. Legislator Allport made an important note that if someone has a bat in the house over the night, don't open the window and let it out. If you report that it was present, you will be mandated to be treated as though it bit you because you may not be aware that it bit you or came in contact with you. You should keep it so it can be tested to avoid any post exposure treatments. It holds true to any animal you think maybe rabid. Having it tested can avoid these treatments. Legislator Smith asked in terms in the dollars we spent this year versus last year, was it all spent. Mr. Pettit stated that we average 19 to 20 cases per year. As Legislator Allport stated that the more people are aware of having the animal tested, which bats 90% of those tested are negative but if we don't have a bat to test, then we have to go under the assumption of the bat was exposed. The following resolution was adopted:

**RESOLUTION NO. 258-712**

**AUTHORIZING EMERGENCY PURCHASE FROM HEALTH DEPARTMENT BUDGET FOR RABIES VACCINE**

WHEREAS, the Orleans County Health Department needs to purchase Human Rabies Vaccine for the residents of Orleans County; now, therefore be it

RESOLVED, that this Legislature approves a purchase of human rabies vaccine from Sanofi Pasteur (Vaccine Shoppe) for post-exposure treatment of approximately 5 residents at a cost of \$13,706.05 to be paid from the Health Department Budget account A4010.409 – Vaccines and Medications.

Legislator Smith moved to select Philips Lifeline for Personal Emergency Response Services; seconded by Legislator Allport. Legislator Allport stated that this is a critical service to allow people to stay in their homes. We have 292 clients that are on lifeline and we have 12 clients on Emma Reed, which is for those that can't afford the service. Melissa Blonar, Director of Office for the Aging, stated that it is a wonderful service. In case of an emergency, they have a necklace that they wear where they can push it anywhere in the home. It doesn't even have to be an emergency situation; it will call local responders on record. The following resolution was adopted:

**RESOLUTION NO. 260-712**

**APPROVING RFP SELECTION OF PHILIPS LIFELINE FOR PERSONAL EMERGENCY RESPONSE SERVICES**

WHEREAS, the Orleans County Office for the Aging issued an RFP for personal emergency response services June 1, 2012; and

WHEREAS, three proposals were received on June 30, 2012 and reviewed by the Office for the Aging; and based upon the review it was recommended to select Philips Lifeline, 111 Lawrence St, Framingham, MA 01702; now, therefore be it

## LEGISLATURE MEETING

August 22, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, led by Pastor Douglas Holmes of the Albion Presbyterian Church, the Clerk called the roll. All Legislators were present, with the exception of Legislator Johnson.

The Clerk presented the following communications: GCASA will be holding an Open House at their new office location of 249 East Avenue, the former Knights of Columbus Building, on September 11<sup>th</sup> between 4–6 p.m. The ribbon Cutting Ceremony will take place at 4:30 p.m. followed by tours. On September 25<sup>th</sup> a land use workshop will be held at Niagara County Community College in Sanborn. This workshop, sponsored by Orleans County Planning Board and Niagara County Department of Economic Development, will commence at 5:00 p.m. Registration deadline is September 18<sup>th</sup>. There is no training scheduled in Orleans County for the rest 2012. By attending all three sessions, four training hours will be credited, meeting the mandatory annual training requirement. Larry Montello, Commander of the Butts Clark Post 3204 in Medina wishes to invite everyone to the Tribute to the Fallen Heroes Ceremony on Tuesday, September 11<sup>th</sup> at 10:00 a.m. at the Elks Lodge on West State Street in Albion. Also, an invitation is open to all to attend the Candlelight Vigil at the County Court House lawn in Albion at 6:00 p.m. At this time Mr. Montello is requesting permission to use the Courthouse grounds, power, and to hang the 911 Flag on the pole for the Candle Light Vigil and also permission to post the banner on the lawn to advertise this event. The Legislature approved this request. Karen Watt, owner of Watt Farms, is requesting permission to post a banner on the Courthouse lawn to announce the American Cancer Society Making Strides against Breast Cancer Walk scheduled for October 14<sup>th</sup> at Watt Farms. The Legislature approved this request. State of New York Office of Real Property Tax Services has sent the List of Certified 2012 State Equalization Rates for the 2012 assessment rolls for Orleans County municipalities and has been filed in our office. New York State Department of Agriculture and Markets has certified that the land included in the Orleans County Agricultural Districts is viable agricultural land, and as proposed is feasible and shall serve the public interest in assisting in maintaining a viable agricultural industry within the Districts.

Economic Assistance and Opportunity Committee Chairmen Henry Smith and Donald Allport presented a Special Recognition Certificate to Christine Kinsey, upon her retirement, for 35 years of Service to the County of Orleans and to the Department of Social Services. Thomas Kuryla, Commissioner and Holli Nenni, Deputy Commissioner of Social Services were also present for her recognition. Ms. Kinsey stated that it has been an honor and privilege to serve the county for this length of time. She said there are a lot of great things happening, and will continue to happen because of all of the dedicated people in the Department of Social Services. She thanked the Legislature for all the work they do for the betterment of Orleans County.

During open discussion, Allen Lofthouse, Kendall, inquired about Resolution No. 276-812. He asked for the amount of time allocated by the caseworker at the Kendall Central School. Tom Kuryla, Commissioner of DSS, indicated it is 65% of the caseworkers 35 hour week. He further explained that preventative services are mandated by the State of New York. The caseworker goes to the school to head off any of the struggles or issues before they get out hand. The caseworker may also conduct services to the family doing whatever is necessary to prevent trouble down the road or even eventual placement into foster care. The local DSS expense is nothing. The cost break down includes 50% is paid by federal, 31% paid by State, and 19% paid by the School. Mr. Lofthouse indicated that he pays the school share, which is a local cost to him. Mr. Kuryla will follow up with Mr. Lofthouse with more of the details.

Paul Lauricella, Lyndonville, commented on the tobacco presentation. He stated that the federal government does subsidize tobacco growers; it is in the farm bill. He does not think it is government's business at the reservations to tell store owners that they need to pay sales tax on cigarettes. Possibly they should ban tobacco products from being sold. He believes it is hypocritical that Towns are falling into this politically correct anti smoking campaign when they are sharing tobacco sales with the County. In summary, he feels that the government is infringing on people's constitutional rights by the restrictions placed on tobacco users. People should not have pressure from government or groups who are getting money from taxpayers to push this anti smoking propaganda.

Legislator Allport further explained the DSS/Kendall Central School contract in which it is about \$14,000 being paid by the School District for these preventative services.

Legislator Allport congratulated the Major Felony Crime Task Force for their success this year. He announced that the ARC Signature Series will be held on September 14<sup>th</sup> at Hickory Ridge. He expressed that the ARC provides very critical services to our County. Legislator Allport also discussed his hand out that pertained to Agenda 21. He stated that it was written by the United Nations to be a global policy and was created by one of the leading socialists at that time. In 1993, President Clinton's administration propelled that into the US. Currently there are approximately 600 municipalities throughout the country that have signed on to this. This is to remove private land rights. Life, liberty, and the pursuit of happiness, our founders realized that in order for our countries to grow and achieve greatness, land needed to be in the private sector rather than owned by the King. This agenda, which is very active in the United States, is to remove private land ownerships and have a group counsel at the global level to decide how the land should be used. Legislator Allport stated that the reason he looked into this was because of our Resolution No. 131-412. At the time it was presented, he looked into it and checked NYSERDA and NYPA. He thought it was another useless NYS program to try to look like they are pro-business when he firmly believes they are anti-business. The term "greener communities program" just tugged at him. He thinks green technology is a scam. If green energy is there, the private sector would be buying it and using it, not going bankrupt. He further stated that the organization that pushed ethanol to replace fossil fuels to run our cars is now on TV saying that burning ethanol is worse than burning fossil fuels. His original thing with ethanol was to replace the MTBE's agent in gasoline because the government decided it was cancer forming. He asked that everyone investigate this and we should back out of Resolution No. 131-412 and get out of this program. He obtained the book, *Behind the Green Mask*, written by Rosa Koire and it distinctly linked New York State to Agenda 21. He would like to talk about overturning Resolution No. 131-412.

The following resolutions were presented for adoption:

Legislator Smith moved to approve agreements with the Department of Social Services; seconded by Legislator Allport. Legislator Allport stated that Snell Farms is a facility for mandated services involving intense specialized care that local foster homes can't provide. Commissioner Kuryla stated that this institution specializes in treatment therapy for sexually abused children which they can't get on the local foster care level. At this present time we do not have any children in Orleans County in this institution. Chairman Callard asked if we have had any in the past. Commissioner Kuryla stated we have had children there in the past. It is an older institution that holds a good reputation. The following resolution was adopted:

**RESOLUTION NO. 276-812**

**APPROVING AGREEMENTS WITH THE DEPARTMENT OF SOCIAL SERVICES**

RESOLVED, that this Legislature does hereby approve the following renewal agreements between the Department of Social Services and the following agencies:

Snell Farm Children's Center, Bath, NY for the provision of residential foster care services; to be effective July 1, 2012 through June 30, 2013 at per diem rates as established by the State, not to exceed \$165,000. Meeting adjourned at 5:08 p.m.

**LEGISLATURE MEETING**  
September 11, 2012/September 17, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and a moment of silence held in recognition of the 11<sup>th</sup> anniversary of the 9/11 attacks, the Clerk called the roll. All Legislators were present, with the exception of Legislators Bower, Eick, Rush, and Smith. In the absence of a quorum, Chairman Callard called for a recess and will reconvene on Monday, September 17<sup>th</sup>, 2012 at 11:30 a.m.

Chairman Callard called the recessed meeting of September 11, 2012 back to order today, Monday, September 17, 2012 at 11:30 a.m. The pledge to the flag was led by Chairman Callard. All Legislators were present, with the exception of Legislator Rush.

Chairman Callard opened the floor for discussion. Paul Rusin, Murray, shared his concerns regarding Resolution No. 289-912 and asked if this is for only commercial vehicles. Chairman Callard stated that they are targeting the trucks. Mr. Rusin feels it should be amended to include all motorists and add in the resolution the proposal to abolish the Thruway Authority itself. Chairman Callard explained that the toll increase is being imposed only on trucks. Chairman Callard also added that it sounds like there is going to be a reorganization between the NYS Department of Transportation and the NYS Canal Authority. Mr. Rusin also commented on Resolution No. 294-912 concerning the approval with out of state travel for a public health employee for migrant labor, which he assumed giving our current situation that most of those will be people of illegal nature. Paul Pettit, Director of Public Health, explained that it is a conference related to seasonal migrant workers. This conference, covered by grant funds, brings our Public Health Nurse up to date on the most recent immunizations and helps with the outreach through Oak Orchard Community Health Center using the information she learned. Mr. Nesbitt added that it helps in the prevention of the spreading of disease brought from Mexico or other countries amongst our population as a result of the failure to make sure public health practices are properly administered. Mr. Nesbitt indicated that he sees Mr. Rusin's point of view but the other point of view is to protect our citizens by having immunizations. Mr. Rusin commented on 301-912 stating that there is no such thing as bullet proof vests. He advised that there are bullet resistant vests which this resolution should not be approved unless this is changed. Mr Rusin also made a

comment about the benefit to the wealthy voters in Resolution No. 302-912.

Legislator Bower asked Luci Welch, Director of Probation, to comment about the Bullet Proof Vests. She said that Bullet Proof is not a term they coin, but the money they access for this is through the Federal Bullet Proof Vest Partnership money. She said that is why that term is used.

Paul Lauricella, Yates, addressed Resolution No. 287-912, establishing the standard work day for county officials. He stated that he is looking at the CSEA Management Compensation Plan. He stated that the work day is 9 to 5 and that everyone complains about the costly pensions. He asked why the standard work day for some is 6 and others are at 7. Mr. Nesbitt explained that this resolution was requested to be done by the NYS Comptroller's Office. All the Management personnel work the same work week as CSEA personnel. There are a few positions that are different. All the positions listed on this resolution are Management. Legislator Allport explained that all Management/Department Heads are non-union, not involved under the CSEA Contract. Mr. Nesbitt stated that our argument with the NYS Comptroller's office is that all of our Management employees who are not elected officials participate in time and attendance reporting and we should not need to pass this resolution. All Management employees are required to take leave credits when they are requesting to take time off. Mr. Nesbitt stated that the standard work day is actually what is worked, 9 to 5, that is why we thought we didn't need to task this but the State Comptroller's Office stated that this resolution needed to be done.

Mr. Lauricella referenced the CSEA Memorandum of Agreement in that employees can be terminated by budgetary reasons, abolishment of programs, or unsatisfactory job performance. Mr. Lauricella asked if the county does job performance analysis in the departments. Mr. Nesbitt explained that the County actively manages the employees on an ongoing basis. The employees that do not perform to standards are put on performance improvement programs. They then need to meet those program standards and if not then they are subject to disciplinary procedure. Legislator Allport stated the County has processes in place and if an employee is not performing there is a paper trail. He added that there are other processes in place to help the employee solve any issues to keep them employed.

*September 17, 2012*  
*Resolutions 286-304*

Mr. Lauricella questioned in the contract that two part-time jobs equal that of a full-time job, and they are subject to the same benefits as a full-time employee. Mr. Lauricella asked that in hiring a person at a part-time status is to avoid paying out benefits. Mr. Nesbitt stated that there are occasional reasons for hiring two part-time jobs. We look at skills needed for positions that we can't find because they are scarce in the market place. He used Registered Nurses (RN) as an example because the pay on the county level is not as much as hospitals or doctor offices. A RN may want to work in the Health Department and also work per diem in the Nursing Home. Mr. Nesbitt added that contracts need to address every situation that we may possibly run into. Jack Welch, Director of Personnel, commented that the reference Mr. Lauricella is making is in the Management Compensation package. Mr. Welch stated that none of our three collective bargaining units have that type of language in their contracts. In the Management Plan, containing that language, that part of the contract has not been exercised in nearly three to four years.

Allen Lofthouse, Kendall, reference back to a prior meeting, (July 25, 2012) concerning the announcement of a Soil and Water District Grant. He questioned Legislator Eick, who serves on the Soil and Water Conservation District Board, as to how many are dairy and beef farms out of the five farms involved in this grant. Legislator Eick indicated that it depends on herd sizes; having over a certain number of cattle. Mr. Lofthouse asked what the percentage of cost sharing is and how the funds are allocated. Legislator Eick did not know but was willing to get back to Mr. Lofthouse with that information. Mr. Lofthouse asked if the name of the farms would be public knowledge, and Legislator Eick stated that information he could provide too.

Legislator Allport announced that today is Constitution Day. He feels that everyone should reflect on just how much they are willing to sacrifice to keep our freedom because it seems to be under attack today more than ever. He thanked Jerry Gray, Orleans County Highway Superintendent/Buildings and Grounds in working with the Veteran's Administration for the installment of new flag pole in front of their office. Legislator Allport also thanked Senator Maziarz and Assemblyman Hawley for their donations toward the new flag pole. He advised that Paul Fulcomer, Veteran's Administrator, obtained a donation from a contractor for the cement. Legislator Allport also announced that this Saturday, at the Rotary Park in Medina, the Legion will be unveiling the new 911 monument at Noon.

Legislator Eick moved to add two resolutions to the agenda; second by Legislator Smith. Motion carried. The following resolutions were then presented for adoption:

**RESOLUTION NO. 286-912**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

<u>Fund/Department</u>	<u>Check Number (s):</u>	<u>Amount:</u>

*September 17, 2012*  
*Resolutions 286-304*

Legislator Allport presented a resolution to oppose the proposed thruway toll increase on commercial vehicles. He thinks it is important to know, which Albany must not understand, that all the goods that come to areas like Orleans County are on Semi's and truck companies do not have a pile of money sitting around to absorb this increase in cost. This then will be passed on to the businesses, which will then pass it down to the consumers. Legislator Allport stated that this is the wrong time to do this, considering that when this road was originally set up it was going to be toll road until the bond was paid for which has been paid off a long time ago. Legislator Allport requested that this resolution also be forwarded to New York State Department of Transportation. Legislator Eick seconded the motion. Legislator Smith added that there is never a good time for an increase in thruway tolls. Legislator Allport asked if a unanimous second could be obtained. Legislator Bower moved for a unanimous second. Chairman Callard called for a vote and the following resolution was adopted:

**RESOLUTION NO. 289-912**

**OPPOSING THE PROPOSED 45 PERCENT THRUWAY TOLL INCREASE ON COMMERCIAL VEHICLES**

WHEREAS, the New York State Association of Counties (NYSAC) has created the Blue Ribbon Task Force on the Future of Farming in New York State to support the long-term economic viability of farms and the agriculture industry in our state; and

WHEREAS, this group of dedicated county leaders continues to advocate in favor of actions that help farmers and in opposition to actions that will negatively impact farms; and

WHEREAS, public policy decisions by leaders in State government over the last few decades have put the long-term economic viability of farms at risk; and

WHEREAS, the New York State Thruway Authority is now proposing a 45% increase in tolls on commercial vehicles; and

WHEREAS, toll increases will directly impact the cost of doing business for farmers and all business owners in New York; and

*September 17, 2012  
Resolutions 286-304*

WHEREAS, toll increases will likely increase the price of food, fuel, feed, and other staples; and

WHEREAS, the State's economic development decisions should be focused on increasing the transportation of produce and goods on our roadways to further promote New York products; and

WHEREAS, NYSAC opposes the proposed 45% toll increase on commercial vehicles; now, therefore be it

RESOLVED, that the Orleans County Legislature supports NYSAC's opposition and calls on the NYS Thruway Authority to employ cost control measures that would stave off the need for toll increases that will stifle economic activity such as moving New York produce to market, and the transportation of other goods and services on New York State's Thruway; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, New York State Association of Counties, Inter County Association of Western New York, and all others deemed necessary and proper.

Moved, Allport; second, Unanimous.

Legislator Eick moved a resolution calling upon immediate federal assistance for harbor maintenance dredging at the Oak Orchard Harbor; seconded by Legislator Allport. Legislator Johnson stated that this was a Niagara Orleans Regional Alliance resolution that was approved for presentation at their last meeting. She added that Niagara County suffers more boating financial loss than we do but ours is still significant enough to plea for federal assistance. Legislator Allport stated that it should be noted that this is the only deep water harbor between Rochester and Niagara Falls along this section of the Lake Ontario and there are areas of this creek that are down to four feet in water levels. The dredging should be done every five years and we are three years overdue. It is critical to both safety and to our tourism. Chairman Callard added that the Army Corp of Engineers has called for it and money has been set aside for it but the monies have not been allocated for this purpose. He added that Wilson Harbor, in Niagara County, has water at the three feet level which is putting it out of business. The following resolution was adopted:

**RESOLUTION NO. 302-912**

**CALLING FOR IMMEDIATE FEDERAL ASSISTANCE FOR  
HARBOR MAINTENANCE DREDGING**

WHEREAS, since the beginning of the 2012 boating season, there have been 12 reported incidents of boats going aground and damaging their drives while entering Oak Orchard Harbor, which is evidence of severe, and unchecked deterioration of public boating access; and

WHEREAS, Oak Orchard Harbor was last dredged in 2004 and currently has a backlog of 18,000 cubic yards of sediment deposits according to the Army Corps of Engineers; and

*September 17, 2012  
Resolutions 286-304*

WHEREAS, Oak Orchard Harbor is the life blood of the 38 charter boat sport fishing fleet in Orleans County, 32 supporting businesses including marinas, lodging, tackle shops and restaurants, and offers over 400 private and public boat docks; and

WHEREAS, the video telephone provided by U.S. Customs for boats entering the United States from Canada is the only one available within a 30 mile distance on either side of Oak Orchard Harbor: and

WHEREAS, without the availability of this harbor, vessels seeking a harbor of refuge from storms would be in great peril and possible loss of life; and

WHEREAS, the Harbor Maintenance Trust Fund will hold approximately \$8 billion by the end of 2012, originally intended for dredging and maintenance of federal harbors; and

WHEREAS, H.R. 4348, Moving Ahead for Progress in the 21<sup>st</sup> Century (MAP-21) acknowledged the insufficient spending for federal harbor maintenance and, more specifically stated in Section 1536 (b) Sense of Congress, “the Administration should request full use of the Harbor Maintenance Trust Fund for operating and maintaining the navigation channels of the United States;” now, therefore be it

RESOLVED, that this Legislature hereby calls for immediate federal assistance from the Harbor Maintenance Trust Fund, MAP-21 or other sources to bring the Oak Orchard Harbor to a safe and adequate depth for the enjoyment of recreational boating and in support of the continued economic livelihood of our community and its businesses; and, be it

FURTHER RESOLVED, that a certified copy of this resolution shall be forwarded to the Niagara County Legislature, Charles May-Great Lakes Small Harbors Coalition, Rep. Louise Slaughter, Rep. Kathy Hochul, Sen. Charles Schumer, Sen. Kirsten Gillibrand, Sen. Carl Levin, State Sen. George Maziarz, and State Assemblyman Steve Hawley.

*Resolutions 286-304*

Legislator Bower moved to approve a vacant Civil Clerk position to be filled in the Sheriff's Office; seconded by Legislator Johnson. Legislator Allport stated that he does not understand what has happened because the number of employees in this office has been a discussion for years. In the past few years we have not filled 80 full and part time positions combined. Recently we have combined departments or combined jobs by having more employees do more work. The Sheriff Deputies, due to technology upgrades, fill out their own reports. He stated that computers have made offices more efficient. Legislator Allport expressed that he is against this position being filled at this time. He would like to have it tabled to research the financial impact on this and look to the future at the total number of employees we have. Legislator Bower stated that he did not put it on the agenda when it was first referred to him. He wanted to first meet with the Sheriff to be sure this position needed to be filled. Legislator Bower stated that he looked into the facts and figures and believes this should be on the agenda today. Chairman Callard asked Legislator Allport if he wished to table this resolution. Legislator Allport expressed that this board has asked every department to take a hit and pile more work on more people and this department is being excluded. He does not know what happened in the last week and a half. He said that every department head can come forward and justify the existence of every position we have not filled. It seems that the department heads are stepping forward in helping this board and county taxpayers by reducing employees by not filling vacant positions. Chairman Callard asked if Legislator Allport wanted to table this resolution for financial reasons or wish us to vote on this. Legislator Allport stated that he hopes that enough votes will vote this down. He said the vote can move forward. Chairman Callard confirmed that Legislator Allport was not going to table however Legislator Allport stated that he hoped that the person presenting it would table it. Legislator Eick asked if a motion is needed to table. Chairman Callard informed the board that anyone can ask for a resolution to be tabled for financial reasons; it then can be brought back for discussion at a future meeting. Legislator Eick stated that he does not sit on the Public Safety Committee. He understands what Legislator Allport is saying and in that Legislator Bower stated that he spoke with the Sheriff and the position is needed which we cannot put in jeopardy.

Legislator Eick tabled this resolution authorizing filling the vacant full-time Civil Clerk position in the Sheriff's Office due to financial concerns.

September 17, 2012  
Resolutions 286-304

Legislator Bower moved to authorize creating a temporary full-time Public Safety Dispatcher position; seconded by Legislator Johnson. Legislator Johnson added, because of the discussion on the last motion, that this is a temporary position. A full time dispatcher is on medical leave for an undetermined amount of time and this is to keep sufficient staff levels manning dispatch. Mr. Nesbitt added that dispatch is a 24/7 operation and in those hours that need to be manned, it is either using over time or by a part-time dispatcher, so we are authorizing the Sheriff to make one of the part-time employees a temporary full-time dispatcher. The following resolution was adopted:

**RESOLUTION NO. 303-912**

**AUTHORIZING CREATION AND FILLING OF A  
TEMPORARY FULL TIME POSITION AT THE SHERIFF'S OFFICE**

WHEREAS, a full-time Public Safety Dispatcher will be on medical leave for an undetermined length of time; and

WHEREAS, to assure sufficient staff levels are met in the Orleans County Dispatch Center to handle emergency situations; now, be it

RESOLVED, that this Legislature authorizes the creation of a temporary full-time Public Safety Dispatcher at the Orleans County Dispatch Center at Grade 4 of the Orleans County Sheriff Employees Association Salary Schedule; and be it

FURTHER RESOLVED, that this Legislature authorizes the filling of this newly created temporary full-time position until employee 3020.04 returns to work from medical leave.

Legislator Allport asked Paul Pettit, Director of Public Health, how many people have been treated to date this year. Mr. Pettit indicated twenty-six have been treated, which the average is about twenty per year, so right now it is over our average.

Legislator Eick moved to adjourn; second by Legislator Bower. Meeting adjourned at 12:04 PM.

**LEGISLATURE MEETING**  
September 26, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: The Albion FFA Chapter will have a formal ribbon cutting ceremony for the new land lab at the Albion High School on September 27, 2012 at 1:00 p.m. This land lab was made possible through a \$25,000 Monsanto grant and will be used by the FFA and other students to gain hands on experience in the field of agriculture. The Orleans County Treasurer has provided the annual examination of Petty Cash Accounts report which has been filed in our office. Regional Action Phone (RAP) will be celebrating their 40<sup>th</sup> Anniversary on October 17, 2012 from 7 to 9 p.m. at the Genesee County ARC Community Center, 38 Woodrow Rd, Batavia, NY. The Genesee/Finger Lakes Regional Planning Council announces the Fall 2012 Regional Local Government Workshop for November 16, 2012 at the Clarion Hotel in Batavia.

Tim Archer, Sue Starkweather, and Meredith Patterson were present on behalf of the Service Learning Class at the Albion Middle School. Mr. Archer stated that a few years ago the County worked with the School in conjunction with the very successful Alms House Project. Mr. Archer introduced Meredith Patterson who presented the results of the efforts of this project. Miss Patterson stated that the Alms House Project was very important to those that contributed to it and she thanked everyone for keeping it very beautiful. She presented books, *Orleans County Alms "Poor" House and Cemetery (1833-1960)*, to the Legislative Board. Mr. Archer stated that the books were put together the summer after the project was completed. A lot of writing, research, and transcribing went into the book by the students. Mr. Archer wanted everyone to receive a copy as a thank you for everyone's efforts. Sue Starkweather thanked Jerry Gray and his Highway crew for all that they did for this project. Ms. Starkweather stated it was a great experience for the students to realize that something needed to be done and they took action. Chairman Callard expressed it was an extraordinary project. Legislator Allport suggested that it be placed on the Orleans County Tourism Trail. They were applauded for their efforts.

Allen Lofthouse, Kendall, requested more information on what is the Workforce Investment Board (WIB). Mr. Nesbitt explained it is a regional organization made up of members appointed from Genesee, Livingston, Orleans, and Wyoming Counties. They are responsible for establishing policies for the distribution of Federal Grant Funds through the Workforce Investment Act. Generally those dollars are used for training programs to help people find work. He explained the CNA training program at the Nursing Home. Mr. Lofthouse asked if the members are professional people. Mr. Nesbitt stated that the people are appointed by their respective counties, with some being county employees. Chairman Callard serves as the Chief Elected Official, an executive committee official, that oversees the finances directly and who signs the contract with GLOW. The WIB has a staff including an Executive Director who oversees the fund distribution.

Mr. Lofthouse inquired about Resolution No. 316-912 and what accounts for the increasing demand at the DMV. Mr. Nesbitt stated that we have automotive dealers from outside of the county that bring their motor vehicle paperwork to our county. Chairman Callard added that we have excellent service that it provides. We have eleven large and small dealerships within the County, but we have nine dealerships outside of the County. We continue our outreach to even develop that further.

Mr. Lofthouse inquired about the cost associated with the conference set for approval in Resolution No. 320-912. Mr. Nesbitt stated it includes a plane ticket and registration fee, which he can provide to Mr. Lofthouse.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Bower. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 305-912**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	1385-1516	\$247,273.73

Adopted. 7 ayes; 0 nays; 0 absent.

**RESOLUTION NO. 306-912**

**APPROVING AGREEMENT BETWEEN CRIME VICTIMS ASSISTANCE PROGRAM AND SHEILA MCWETHY**

RESOLVED, that this Legislature does hereby approve an agreement between the Orleans County Crime Victim's Assistance Program and Sheila McWethy of 4008 S. Main St. Rd, Batavia, NY 14020 to provide night court advocate services on a per diem basis at a rate of \$15.25 per hour, not to exceed \$6,500 a year effective October 1, 2012 through September 30, 2013; unless sooner terminated as hereinafter; and be it

FURTHER RESOLVED, that this agreement will terminate when no further grant funds are available to maintain no county cost for these services.

Moved, Bower; second, Johnson.  
Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Johnson moved in its entirety a resolution to oppose an increase in Full-time Equivalency rate for GCC and Urging the New York State Legislature to Reform the Community College Funding System; seconded

*September 26, 2012*  
*Resolutions 305-320*

by Legislator Bower. Chairman Callard stated that the County Treasurer could attest that in the last few years this has been escalating. Treasurer Heard stated that our biggest enrollment is Genesee Community College. She added that Monroe Community College went up \$840 FTE although most of our students don't go there but we will feel that too. It appeared that all of the schools that we have students at, every single one went up. The following resolution was adopted:

**RESOLUTION NO. 307-912**

OPPOSING INCREASE OF FULL-TIME EQUIVALENCY (FTE) RATE AT GENESEE COMMUNITY COLLEGE AND URGING THE NEW YORK STATE LEGISLATURE TO REFORM THE COMMUNITY COLLEGE FUNDING SYSTEM

WHEREAS, Orleans County is required to pay a portion of the cost of community college for residents of the County; and

WHEREAS, this portion of the cost is designated as the full-time equivalency (FTE) rate and is set by each community college; and

WHEREAS, the FTE rate for Genesee Community College has doubled from \$1,100 to \$2,200 over the last two years; and

WHEREAS, the latest \$500 increase will result approximately in a \$400,000 increase in the upcoming Orleans County budget with no offsetting revenue; and

WHEREAS, New York State has ordered the state university system to conduct a study of the Community College Funding System as a result of the increased cost being incurred by county government; and

WHEREAS, a revision of the Funding System is necessary to relieve county taxpayers from unanticipated cost increases over which the elected officials have no control; now, therefore be it

RESOLVED, that the Orleans County Legislature strongly opposes the excessive increase in the FTE rate unilaterally imposed by the trustees of the Genesee Community College; and be it

*September 26, 2012  
Resolutions 305-320*

FURTHER RESOLVED, that the Orleans County Legislature urges the New York State Legislature to revise the Community College Funding System to alleviate the increased costs being forced upon already burdened county taxpayers; and be it

FURTHER RESOLVED, that certified copies of this resolution be forward to Senator George Maziarz and Assemblymen Steve Hawley, New York State Association of Counties, Inter-County of Western New York Association, and Genesee Community College, and any others deemed necessary and proper.

Moved, Johnson; second, Bower.  
Adopted. 7 ayes; 0 nays; 0 absent.

**RESOLUTION NO. 308-912**

**ABOLISHING A VACANT POSITION IN DEPARTMENT OF SOCIAL SERVICES**

RESOLVED, that this Legislature does hereby abolish a vacant part-time Caseworker position (6010.0214) in the Department of Social Services effective September 27, 2012.

Moved, Smith; second, Allport.  
Adopted. 7 ayes; 0 nays; 0 absent.

**RESOLUTION NO. 309-912**

**APPROVING AGREEMENT BETWEEN THE VILLAGES OF ORLEANS HEALTH AND REHABILITATION CENTER AND PNP COMPUTER SERVICES**

RESOLVED, that this Legislature approves an agreement between the Villages of Orleans Health and Rehabilitation Center and PNP Computer Services, 66 N. Main St, Brockport, NY 14420 to provide annual software support; effective September 1, 2012 through August 31, 2013. County cost is \$7,259.96.

Adopted. 7 ayes; 0 nays; 0 absent.

**RESOLUTION NO. 311-912**

**AUTHORIZING FILLING VACANCIES AT THE VILLAGES OF ORLEANS HEALTH AND REHABILITATION CENTER**

WHEREAS, a full-time RN Charge Nurse has resigned and a part-time RN Charge Nurse position is now vacant at the Villages of Orleans Health and Rehabilitation Center; and

WHEREAS, both the full-time and part-time RN Charge Nurse positions at the Villages of Orleans Health and Rehabilitation Center are critical positions for the effective operation of the Nursing Home; now, be it

RESOLVED, that this Legislature authorizes the filling of a vacant full-time RN Charge Nurse position (6030.018) and a vacant part-time RN Charge Nurse position (6030.016) at the Villages of Orleans Health and Rehabilitation Center effective September 27, 2012.

Moved, Eick; second, Rush.  
Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Bower moved to fill a vacancy in the Probation Department. He noted that in the last few months there have been two resignations of

Resolutions 305-320

which both went to the state, where they offer more money. The Director of Probation, with a lot of wisdom, didn't elect to fill the first one but when the second person resigned she presented to the committee, which they agreed, to have the second vacancy filled. Legislator Johnson seconded the motion and the following resolution was adopted:

**RESOLUTION NO. 312-912**

**AUTHORIZING FILLING VACANCY IN THE PROBATION DEPARTMENT**

WHEREAS, a Probation Officer has resigned and the position is essential to the operations of the Probation Department; now, be it

RESOLVED, that this Legislature authorizes the filling of a vacant full-time Probation Officer (Position #3140.14) in the Probation Department at a Grade 18 of the CSEA Salary Schedule effective October 4, 2012.

Moved, Bower; second, Johnson.  
Adopted. 7 ayes; 0 nays; 0 absent.

**RESOLUTION NO. 313-912**

**CALLING UPON ORLEANS/NIAGARA COUNTY'S CONGRESSIONAL DELEGATION, GOVERNOR CUOMO, THE DEPARTMENT OF DEFENSE, THE DEPARTMENT OF THE AIR FORCE, AND THE NATIONAL GUARD BUREAU TO ENACT PROPOSED TRANSITION TO RECONNAISSANCE ROLE FOR 107<sup>TH</sup> AIR WING, WITH AIR WING REMAINING AT NIAGARA FALLS AIR RESERVE STATION**

WHEREAS, the Niagara Falls Air Reserve Station does employ approximately 3,500 individuals from Niagara and Erie counties, as well as the rest of Western New York; and

WHEREAS, the Niagara Falls Air Reserve Station does have a direct impact on local economies of \$168 million per annum; and

WHEREAS, the loss of jobs and revenue from the closure of one of Niagara County's single largest employers would have devastating

consequences for the region's economy, and would likewise have devastating consequences for hundreds of Niagara County families; and

WHEREAS, the Defense Cuts also include the elimination of the 107<sup>th</sup> Airlift Wing of the New York Air National Guard, one of two missions currently assigned to the Niagara Falls Air Reserve Station; and

WHEREAS, the Council of Governors had proposed changing the mission of the 107<sup>th</sup> to a reconnaissance role, assigning either MC-12 reconnaissance aircraft or Unmanned Aerial Vehicles to said Air Wing; and

WHEREAS, the Orleans County Legislature does endorse any viable plan to preserve the 580 Air National Guard jobs, as well as full-time civilian support positions, at the Niagara Falls Air Reserve Station; now, therefore be it

RESOLVED, that the Orleans County Legislature strongly encourages U.S. Representative Kathleen C. Hochul, U.S. Representative Louise M. Slaughter, U.S. Senator Charles E. Schumer, and U.S. Senator Kirsten E. Gillibrand to introduce legislation to the same effect; and be it

FURTHER RESOLVED, the Orleans County Legislature hereby calls upon the Honorable Andrew Cuomo, Governor of the State of New York, to endorse the same in consultation with the Adjutant General of the State of New York, Major General Patrick A. Murphy; and be it

FURTHER RESOLVED, that the Orleans County Legislature hereby urges the Department of Defense, Department of the Air Force, National Guard Bureau, and such subordinate agencies as shall have various responsibilities to produce such transition plans as are necessary to implement the vision of the Council of Governors to initiate that process, and be it

FURTHER RESOLVED, that the Clerk of the Orleans County Legislature is hereby directed to send copies of this resolution to President Barack H. Obama; Secretary of Defense Leon Panetta; Secretary of the Air Force Michael B. Donley; U.S. Senator Charles E. Schumer; U.S. Senator Kirsten E. It was noted by Legislator Johnson that 41 Orleans County residents commute full-time to the Niagara Falls Air Reserve Station.

Legislator Bower moved to approve an agreement for food at the jail; seconded by Legislator Johnson. Legislator Bower stated it was well worth noting that some time ago the average meal at the Jail was over \$3.00 and now it is about \$1.50. He thanked everyone who helped in reducing this cost. Mr. Nesbitt noted that it is \$.50 per mile off of the normal prison delivery route, which in our case is less than \$.50 for every delivery. Chairman Callard added that Legislator Smith and himself visited the Correctional Services Food Service and it is very impressive that New York State contained the cost well and across the state could learn well from this agency. Legislator Johnson shared that every prisoner across New York State eats the exact same thing for every meal. The following resolution was adopted:

#### **RESOLUTION NO. 314-912**

**APPROVING AGREEMENT BETWEEN THE ORLEANS COUNTY SHERIFF'S OFFICE AND THE NEW YORK STATE DEPARTMENT OF CORRECTIONAL SERVICES OFFICE OF NUTRITIONAL SERVICES**

RESOLVED, that this Legislature approves a renewal agreement between the Orleans County Sheriff's Office and the New York State Department of Correctional Services Office of Nutritional Services, Rome, NY to participate in the Cook/Chill Program effective September 1, 2012 through August 31, 2017, and the food cost is based on quarterly pricing and .50 cents per mile delivery charge; and be it

Legislator Johnson moved to approve positions, create and fill, at the Orleans County DMV; seconded by Legislator Bower. Legislator Johnson commended Susan Rustay and Karen Lake-Maynard for their professionalism in this department. Their concern is not only processing all of the dealer work in an exceptional matter, but their professionalism in handling our County residents that come into the DMV is very impressive too. Chairman Callard pointed out too that the part-time positions are used on an as needed basis to cover absences based on vacations, etc. He

*September 26, 2012  
Resolutions 305-320*

added that he is very excited about the progress that has been in the DMV and has always been pleased with the servicing. The reputation speaks well for it because dealers are coming to us or even expand our business to more dealers. It will be more profitable to expand our employment base there because of the revenues that sustain that cost and more. It provides additional resources to our County when the State is reducing other revenue streams. The following resolution was adopted:

**RESOLUTION NO. 316-912**

**AUTHORIZING CREATING AND FILLING POSITIONS IN THE  
COUNTY CLERK DEPARTMENT OF MOTOR VEHICLES**

WHEREAS, there has been a steadily increasing demand for services at the Department of Motor Vehicle serves; and

WHEREAS, it is important to service the public's needs in the Department of Motor Vehicles especially in these challenging economic times; and

RESOLVED, that this Legislature does hereby authorize the creation of a full-time Motor Vehicle Application Examiner at Grade 9 of the CSEA Salary Schedule effective September 27, 2012; and be it

FURTHER RESOLVED, that this Legislature hereby authorizes the filling of a vacant part-time Motor Vehicle Application Examiner (1410.14) at a Grade 9 of the CSEA Salary Schedule effective upon the appointment of the newly created full-time Motor Vehicle Application Examiner; and be it

FURTHER RESOLVED, that this Legislature does hereby authorize the filling of a vacant part-time Motor Vehicle Application Examiners (1410.13) at a Grade 9 of the CSEA Salary Schedule effective November 1, 2012.

Legislator Johnson moved to set the date for a public hearing on Local Law No. 2 Intro regarding overriding the Tax Levy Limit for Fiscal Year 2013; seconded by Legislator Bower. Legislator Johnson expressed that a vote by the Orleans County Legislature to override the state imposed 2% limit on hiking the property tax levy does not commit us to that. The County faces the difficult task of crafting the 2013 budget with few options for cutting. We are looking at a \$400,000 increase on the charge backs for community colleges, retirement cost increase of over \$900,000 and ongoing increases in health insurance. Through all of this, we have held wages stagnant. So, we are looking at a 2% tax cap allowing \$337,000 in room and we just blew \$1.5 million. On top of this the NYS property tax cap calculations remain uncertain and are subject to accounting changes at the whim of New York State. Mr. Nesbitt stated that the overall expenses that Legislator Johnson mentioned were in part of the 9 for 90 calculation last year which ate up 4 ½ times or \$403,000 last year of the tax cap. The following resolution was adopted:

**RESOLUTION NO. 318-912**

**SETTING DATE OF PUBLIC HEARING FOR LOCAL LAW NO. 2-INTRO OF 2012 REGARDING OVERRIDING TAX LEVY LIMIT FOR FISCAL YEAR 2013**

WHEREAS, there has been duly presented and introduced to this Legislature a proposed local law entitled "A Local Law Overriding Tax

Levy Limit Established in General Municipal Law 3-c for Fiscal Year 2013”; therefore be it

RESOLVED, that a public hearing will be held on the said proposed local law by this Legislature on October 10, 2012 at 4:25 p.m. at which time all interested parties will be heard.

Legislator Eick moved a resolution authorizing Orleans County to enter into an agreement to share a Public Health Director and Deputy Public Health Director between Genesee and Orleans Counties. Legislator Eick indicated that this joint venture has been in discussions for many years now and we are finally acting on this pilot project today. Legislator Rush seconded the motion. Mr. Nesbitt stated that this is the first agreement of this kind in New York State. Paul Pettit, Director of Orleans County Public Health, explained that there is a Robert Lou Johnson Foundation Grant that focuses on shared services and it almost mirrors exactly our project. This grant application has been submitted. There will be additional funding to offset further costs associated with this project that will potentially put our County on a national stage for shared services and becoming the best practice toward this initiative. We will know later this year or into the New Year if we will be part of this national study on shared services which involves funding of \$125,000 over the two years. Chairman Callard stated it was important to note that our efforts are increasing to develop intermunicipal cooperation between villages, towns, and the County. We are now actively reaching out to our area Counties. This is a unique and exciting opportunity for Orleans and Genesee Counties and will serve as an example for the rest of New York State. Chairman Callard indicated that Mr. Pettit has unique opportunity to improve service between the expertise of Orleans and Genesee officials and also to reduce cost. The following resolution was adopted:

**RESOLUTION NO. 319-912**

**AUTHORIZING THE ORLEANS COUNTY HEALTH DEPARTMENT TO ENTER INTO AN AGREEMENT TO CONDUCT A PILOT PROJECT WITH GENESEE COUNTY TO SHARE A PUBLIC HEALTH DIRECTOR AND DEPUTY PUBLIC HEALTH DIRECTOR**

*September 26, 2012*  
*Resolutions 305-320*

**AND FURTHER EXPLORE SHARED SERVICES OPPORTUNITIES  
IN THE AREA OF PUBLIC HEALTH**

WHEREAS, the counties of Orleans and Genesee are empowered under Article 5-G of the General Municipal Law to enter into a Municipal Cooperation Agreement to provide Public Health Director and Deputy Public Health Director services; and

WHEREAS, Public Health Law Section 351 allows, with the approval of the New York State Commissioner of Health, up to three counties with a population of less than 150,000 to hire the same Public Health Director; and

WHEREAS, the counties of Orleans and Genesee are committed to providing essential public health services to their residents; and

WHEREAS, given the unprecedented fiscal pressures being faced by Counties in New York State and the mutual desire of Orleans and Genesee to work collaboratively to provide quality services at a reduced cost, the counties are desirous of entering into an agreement to conduct a pilot project focused on sharing a Public Health Director and a Deputy Public Health Director between them sharing the costs equally; and

WHEREAS, the terms and conditions of this Agreement have been approved by the Boards of Health of each county; now therefore be it

RESOLVED, the Orleans County Legislature authorizes the Chairman to sign a shared services agreement for the proposed pilot project focused on sharing Public Health Director and a Deputy Public Health Director (Deputy PHD) between the two counties for a period of two years ending on December 31, 2014 subject to the County Attorney and Chief Administrative Officer's approval; and be it

FURTHER RESOLVED, that the Public Health Director will receive an annual stipend of \$11,368 for the increased responsibility for a second county and a total population of over 100,000 effective upon the execution of the agreement by both counties.

Legislator Bower moved to take the resolution authorizing filling a vacancy in the Sheriff's Office off the table; seconded by Legislator Eick. Motion Carried – 6 ayes; 1 nay, Allport.

Legislator Bower requested to withdraw this resolution. He requested that the Personnel Office look into the Sheriff's Office clerical staffing and report back to the committee with the result from that review of proper staffing. Until this requested information is reported back to the committee, this resolution will remain withdrawn.

Chairman Callard announced that Legislator Johnson is the first Legislator in Orleans County to graduate from the Pelletier Institute and was recognized at the NYSAC Fall conference of this honor. Chairman Callard stated that Mr. Nesbitt is also a past graduate of the Pelletier Institute.

Upon the completion of the benediction by Pastor Roy Harriger, Legislator Rush moved to adjourn; second by Legislator Allport. Meeting adjourned at 5:07 p.m.

**LEGISLATURE MEETING**

October 10, 2012

---

Chairman Callard called the meeting to order at 4:35 PM. After the pledge to the flag and invocation led by Legislator Smith, the Clerk called the roll. All Legislators were present, with the exception of Legislator Bower. Chief Administrative Officer Nesbitt was also absent.

The Clerk presented the following communications: The Employee Assistance Program Committee is pleased to announce the September 2012 Employee of the Month. Maxine Boyle, a Keyboard Specialist in the Public Health Department was nominated by Kim Castricone. Maxine was nominated because she consistently has shown a willingness to go above and beyond her own workday responsibilities when she has completed them by querying others to offer her support. She is a 100% team player, and recognizes how important working together to get the job done is. She's willing to pitch in whenever and wherever help is needed, which is a wonderful quality.

Legislator Johnson presented a Special Recognition Award to Jeannette Riley for her 34 years of Service in the Orleans County Probation Department upon her retirement. Jeannette thanked everyone for this honor.

Chairman Callard also read the Special Recognition Award for Larry Pratt who was not present. Chairman Callard recognized Larry's 33 years of service dedication to the Orleans County Public Health Department upon his retirement.

Susan Heard, Treasurer, presented the Treasurer's report. She reported that we are in good shape. The retirement bill is paid in December and sales tax looks good through the check she received yesterday. She reported we are on target with sales tax revenue.

During open discussion, James Moore, Hulberton, submitted petitions from local volunteer organizations concerning the rules and regulations in the Public Health Department. He reported that many citizens are concerned with these changes and the impact this can cause on volunteer and charitable organizations. The new rules involve more training, additional fees, and some curtailing on what can be served. One

*Resolutions 321-332*

regulation in particular he mentioned was that cooking can only be done in an approved kitchen which eliminates baked food sales and pie auctions. Chairman Callard said that he will be sure the petitions will be distributed amongst the Board members and he will be willing to work with Mr. Moore and the Public Health Committee to make sure there is a correct understanding of the rules and regulations along with the common sense that has to go along with it. Mr. Moore stated that he is fully behind the Health Department but sometimes they can overreach. He expressed that many of these men and woman feed volunteers every day and we have never worried about it.

Paul Lauricella, Yates, inquired about Resolution No. 323-1012 and where they are getting the money for this increase of 7.5%. Legislator Allport summarized that Buildings and Grounds gets paid by the State to maintain the Courthouse, instead of employing someone else. Chairman Callard advised that the State reimburses the County therefore no direct county cost. Mr. Lauricella is concerned with the State paying for this increase. Chairman Callard directed him to take it up with State elected officials.

Paul Rusin, Murray, inquired about the payment of claims resolution that is passed first thing every month and why there are blank lines in the resolution. He was advised by the Treasurer that this resolution gives her authority to pay the audited bills, completed by the assigned Legislator. Legislator Allport explained the process. Clerk Hanlon added that after the bills are paid, abstracts are submitted to her and the check numbers and total payment for the funds are placed in the final minutes which can be found on our website.

Amy Hope Witroyl, Lewiston, explained her 2020 mission, incorporating good jobs, tax relief, and to get more people come to live here. She stated that the Finger Lakes Regional Economic Development Council Strategic Plan does not contain one project for Orleans County. Her Orleans 2020 project could help change that. She has suggested that Empire State Development give Orleans County dual membership to include the Buffalo Regional Economic Development Council. She raised in discussion the Counties proximity to low cost power, which has not been adequately cultivated in Orleans County. In summary, she said that no state local elected official has fought for Orleans County interests. She stated she looks forward to working with Orleans County on her initiatives.

Allen Lofthouse, Kendall, questioned if the tax cap override is according to the law. Chairman Callard stated that if we want to have the ability to override the tax cap in the budget, we must pass a Local Law which is prescribed by the law. Legislator Allport indicated it is not mandated. Mr. Lofthouse stated that he understood that it is being done for protection.

Paul Lauricella, Yates, inquired if the cost per student for community colleges is mandated. Legislator Allport stated it is and explained that it does not matter where they go to school. He shared an example of a student attending NYC Fashion Institute and it was considered a community college. Chairman Callard stated we are formulated to pay a share of the total tuition. Mr. Lauricella asked if we could reduce the number of students. Chairman Callard stated there is no flexibility. Mr. Lauricella asked why people are not storming New York State with pitch forks; Chairman Callard asked why he is not. Legislators Johnson and Rush indicated that these charge backs have doubled throughout the last two years. Susan Heard, Treasurer, stated that there is no choice in putting our foot down on this issue.

Paul Rusin, Murray, reported that he attended a Tea Party Rally in Albany in August of 2010. He did not see any powerful elected officials there. The Tea Party was there, they tried and they didn't get anywhere. There needs to be more input from the locals. We will need to come together and tell Albany what to do. Chairman Callard advised that we all need to do our part.

The following resolutions were presented for adoption:

## LEGISLATURE MEETING

October 24, 2012

---

Chairman Callard called the meeting to order at 4:38 PM. After the pledge to the flag and invocation led by Legislator Allport, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: The Employee Assistance Program Committee is pleased to announce the October 2012 Employee of the Month. Thomas Ashbery, an IT Operations Analyst in the Computer Services Department, was nominated by Patrick McGurn. Tom was nominated because he leads by example. He thoroughly researches and plans projects before execution. He conducts himself professionally at work and in the public. He is always conscious of the cost of projects to the taxpayers and works diligently to minimize project costs. His supervisor added that he exceeds expectations. Susan Heard, Treasurer, has filed notice of a Real Property Tax Refund per Resolution No. 62-211 and has been filed in the Legislature Office.

During open discussion, Paul Rusin, Murray, in Resolution No. 347-1012 he was concerned that they are traveling on the county dime. Chairman Callard stated that portions of the costs are paid by organizations and that fishing is a large industry in Orleans County. Mr. Rusin thought that both resolutions on today's agenda concerning tourism should be combined into one. Chairman Callard stated that they are two different issues. The designation resolution is suggested verbiage by the State. He asked if Resolution No. 351-1012 can't be done in house. Chairman Callard stated that time is of the essence and it is much more cost effective to have it written to see a large sum of money be awarded. In reference to Resolution No. 345-1012, Mr. Rusin shared his thoughts on designer drugs stating that they have drug laws on the books, and are not listened to and feels it is a public/mental health issue. Chairman Callard disagreed with his comments and indicated that the state needs to acknowledge that this is a problem and needs to deal with it. Legislator Allport added that the judicial system is helping people who want to be helped and services are being provided to treat the problem and not punish them.

Legislator Bower expressed that when he was a new Legislator he was concerned with the travel shows. He attended a show in Detroit and

Harrisburg. He indicated that he never worked so hard and could not believe the interest in fishing in Orleans County. This completely changed his mind and feels it is very beneficial to travel to these shows.

Paul Lauricella, Yates, in summary, he again raised issues with not producing a balanced budget. Mr. Nesbitt informed Mr. Lauricella that Counties, by law, are required to pass a balanced budget. He added that he could provide the math on all of the County's budgets, and Orleans County has done better than most Counties.

Allen Lofthouse, Kendall, indicated that he read an article that Governor Cuomo is not going to help New York State Counties and each will have to take care of their own problems. He said "that the county should deal with reality and get off of this entitlement mentality in hunting for grants and money out of the taxpayers." He referenced the 11% unemployment rate, which is one of the highest of two or three counties in the state. He believes a different approach needs to be taken. He indicated he feels that dealing with Legislators is the County's Job. Chairman Callard expressed it is the job of the people. Mr. Lofthouse referenced HR347. Chairman Callard stated that we have the right to vote and that is where we begin, we just can't give up. He added that we all are frustrated, you can't just give up and not take notice of what the State is doing and not say anything to the State.

Legislator Eick moved to add seven resolutions to the agenda; second by Legislator Smith. Motion carried. The following resolutions were then presented for adoption:

**RESOLUTION NO. 333-1012**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

**RESOLUTION NO. 345-1012**

RESOLUTION URGING NEW YORK STATE TO BAN THE MANUFACTURE, DISTRIBUTION, SALE, AND POSSESSION OF DANGEROUS UNREGULATED SYNTHETIC DRUGS

WHEREAS, the sale and abuse of synthetic "designer" drugs, known commonly as "bath salts," continues to increase among individuals in our communities; and

WHEREAS, these "designer drugs" are specifically synthesized with a similar, but slightly modified structure of a Schedule 1 controlled substance in order to avoid existing drug laws, and can be continually chemically modified to avoid legal repercussions, while maintaining their intended effects and usages; and

WHEREAS, these compounds stimulate the body's central nervous system, causing effects similar to those caused by cocaine and amphetamines, including but not limited to increased heart rate and blood pressure, hallucinations, paranoia, suicidal thoughts, violent behavior, nausea, and vomiting; and

WHEREAS, hospitals, health agencies, and poison control centers

are experiencing increased emergency room cases, illnesses, deaths, and reports linked to the use and abuse of these substances by children and adults; and

WHEREAS, law enforcement agencies and courts are seeing increased crime in our local communities associated with the sale and abuse of these substances; and

WHEREAS, these designer drugs are marketed as plant food, bath salts, insect repellent, and glass cleaner and can be obtained through storefront retailers, online retailers, and indirectly through others; and

WHEREAS, the Commissioner of Health in New York State issued an Order for Summary Action to Ban the Sale and Distribution of Designer Drugs Commonly Packaged and Marketed as Bath Salts on May 20, 2011; and

WHEREAS, on August 7, 2012 the Public Health and Health Planning Council and the Commissioner of Health amended Title 10 of the Official Compilation of Codes, Rules and Regulations of the State of New York to prohibit synthetic phenethylamines; and

WHEREAS, the New York State Association of Counties applauds Governor Andrew M. Cuomo, the Public Health and Health Planning Council, and the Commissioner of Health on this important first step towards eradicating bath salts in New York State; and

WHEREAS, the United States Senate passed a bill to ban permanently two substances commonly used in "bath salts"; and

WHEREAS, these facts support the assertion that these substances do pose a significant and immediate public health threat and danger to public safety; now, therefore be it

RESOLVED, that the Orleans County Legislature calls upon the State Legislature and Governor to immediately pass further meaningful and effective legislation criminalizing the manufacture, distribution, sale and possession of these substances and their future derivatives by anyone of any age in New York State with the intent of protecting the health and safety of all citizens of New York State; and be it

*October 24, 2012*  
*Resolutions 333-357*

FURTHER RESOLVED, that the Orleans County Legislature calls upon the State Legislature and the Governor to provide resources to counties for the development of education, prevention, and treatment services related to synthetic drugs; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, and all others deemed necessary and proper.

County cost will be at a percentage determined by both the program category and financial eligibility of each child so placed.

Legislator Johnson moved, in its entirety, a resolution to request our elected state leaders to help address our limited access across canal bridges in our County; seconded by Legislator Bower. Legislator Allport stated that he found it interesting that the State and Federal governments are pushing down more costs to the counties to repair roads and bridges. The state is mandating to the counties that we need to upkeep our infrastructure but they are not keeping up with theirs. Legislator Johnson

added that it came to her attention when she was told that fire engines cannot go across these bridges because of the weight reductions and now this has become a real public safety risk with these closures. Legislator Allport added that with the new design of the curve on Butt's Road makes it very difficult for large trucks to cross this bridge. The following resolution was adopted:

**RESOLUTION NO. 352-1012**

**REQUESTING ELECTED OFFICIALS TO HELP ADDRESS  
GROWING CONCERN WITH LIMITED ACCESS OF CANAL  
BRIDGES IN ORLEANS COUNTY**

WHEREAS, there is a growing concern of the continued limited access of canal bridges in Orleans County as a result of several bridges being closed over the Erie Canal or having had the weight restrictions significantly lowered; and

WHEREAS, currently the Brown Street Bridge over the Erie Canal in the Village of Albion was closed by NYS Department of Transportation on July 19, 2012 due to safety concerns identified during an annual bridge inspection; and

WHEREAS, with these limitations, Orleans County is extremely concerned with the ability of emergency servicing vehicles getting across the Erie Canal to an emergency under a very critical time frame to save lives; and

WHEREAS, Orleans County has seen serious restrictions in the movement of farm equipment and implements over the canal, having no other options but to drive through our busy villages or forced to drive long distances to access their land impacting our agricultural industry; and

WHEREAS, Orleans County has also seen the closed bridges, or weight reductions, significantly hinder commercial vehicles within our County, causing them to travel extensive miles to pass over the Erie Canal on a bridge that allows their weight limit; therefore be it

RESOLVED, that the Orleans County Legislature calls upon our elected officials to help address our growing concern of limited access of canal bridges in Orleans County, even neighboring Counties across New

**LEGISLATURE MEETING**

November 14, 2012

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Orleans County Employees raised \$1,431 for United for Hurricane Sandy Relief event held on Friday November 9<sup>th</sup>. Donations will be given to the American Red Cross for Hurricane Sandy Relief. Disclosure of Interest forms for Orleans County employees who received funds in addition to wages in Orleans County have been filed in our office by Susan Heard, Orleans County Treasurer. A Blood Drive is scheduled for November 16<sup>th</sup> at the Orleans County Administration Building Conference Rooms from 9 a.m. – 2 p.m.

Chairman Callard said he is especially proud of the employees in the county in their participation in the Hurricane Sandy Relief. Participation Ribbons, handmade by the Clerk of the Legislature, who formulated the effort along with the office staff members, drove the process and he said he was very proud of the time and effort by all that was put into this and he thanked everyone.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through October, 2012. Treasurer Heard stated that even though the cash balance looks good, \$2.8 million will be paid out of the general fund for the retirement.

During open discussion, Paul Rusin, Murray, voiced concern about our voting machines in that he does not receive a receipt of how he voted. He asked that the County Board of Elections look into machines that gives a confirmation of how a person votes. Chairman Callard stated that the machines are extremely expensive and was funded by the Federal government. He was not sure why they are not consistent across our states. Mr. Nesbitt stated that there were only a limited number of machines approved by the State Elections Board. The optical scan machines were the ones that were advocated for by the League of Women voters and other advocacy groups, that are the more accurate machines.

*November 14, 2012*  
*Resolutions 358-376*

Chairman Callard stated that this go around was less problematic and not as many complaints as in the past.

Paul Lauricella, Yates, stated that he does not support Resolution No. 360-1112, concerning the tax cap, along with not supporting Resolution No. 361-1112 concerning the Stop DWI plan. He does support Resolution No. 374-1112 regarding the Clean Water Act but is against any Legislation that comes out of the Obama/Lisa Jackson EPA Administration.

Chairman Callard wanted to make it clear that this Legislature has no intent of overriding the tax levy limit. It is only being passed in an abundance of caution because our experience has shown that the State has made opinions regarding the laws, after the fact that had negative ramifications on other counties after they have passed their budget. He stated that we will be within the tax levy limits.

Mike Elam, Carlton, a representative from the Orleans County Federation of Sportsman, thanked the Legislature for the support to the Sportsman Federation and in the ongoing renovations project of the Log Cabin at the Fairgrounds. They have additional structural problems and their funds are very limited. They need to replace the entire east wall; causing structural integrity therefore they may need to hire a professional to accomplish this. Mr. Elam stated that in the past this Legislature has always been good to them. He asked if it would be possible to support them more this year to help in completing this project while they have able volunteers. Mr. Elam asked for an additional \$5,000 to accomplish this project. He even stated that if they received extra this year, that they can be cut in the next few years. He thanked the Legislature for consideration of his request. Legislator Rush added that he has sat on the Sportsman Federation board since he was elected. He said that the Sportsman Federation did not take funds from the County for about six or seven years, passing up \$6,000 to \$8,000. Funds were restored to the Sportsman Federation again in 2008. Legislator Rush supported the request to restore the Log Cabin. A new roof was put on the log cabin about four years ago and two of the four walls have been repaired. This last wall needing repair is an extensive project. Chairman Callard asked if this will put the log cabin in good stead or will there be additional repairs. Mr. Elam stated it should last for twenty years with minimal maintenance. It was built in 1976, and unfortunately has had minimal maintenance since then. With the way they are repairing it, they are using simulated log siding which is tong and groove preventing moisture to damage them. The original logs used were

not intended to last long. Chairman Callard wished them success and indicated that the Board will see what they can do to help.

Allen Lofthouse, Kendall, questioned Resolution numbers 359 and 363 concerning vacancies and asked if these are mandated by the state. Mr. Nesbitt stated that in Resolution No. 359, is a position in Job Development which is fully federally funded. Resolution No. 363 is a Keyboard Specialist position in the Temporary Assistance Unit, which is our heaviest work loaded unit. Mr. Nesbitt indicated that Temporary Assistance is a mandated program and Mr. Kuryla added that 40% to 50% is reimbursed by the State. Chairman Callard called upon Jack Welch, Director of Personnel and asked him where we stand below budget on positions. Mr. Welch indicated we are 30 positions below in this year's budget. Chairman Callard stated that we have taken an aggressive look at positions. Mr. Welch added that we are very slow in filling positions.

Mr. Lofthouse asked about Resolution No. 367 and if the Sheriff's Department can take on the security contract at the County Office Building. Chairman Callard stated that it would be too costly to have a Deputy located there. In Resolution No. 372, concerning the sales tax extender, he asked if this is something done often. He was advised that it is done very two years. This is not an additional tax, stated Chairman Callard, it is the continuation of what we have ongoing now.

Paul Lauricella added that he is opposed to Resolution No. 372-1112.

Dan Schuth, Soil and Water Conservation District, voiced his commendation to Legislator Johnson for supporting the passage of today's Resolution No. 374-1112. He stated that in 1972 the United States Congress passed the Clean Water's Act which gave specific authority and duties to the US Army Corps of Engineers and the Environmental Protection Agency (EPA). At this time these agencies wish to increase their jurisdiction and coverage to include all waters in the United States including highway ditches, farm ditches, drainage tile on farm land, private ponds; all spelled out in the resolution presented. They are looking for this control through policy and guidance not through Legislation. It takes away the public review and comment from any changes in the Clean Water's Act, giving them sole authority to make these changes with no input from the taxpayers. Mr. Schuth expressed that this is a very serious situation and it is imperative that this policy is withdrawn and our representatives intercede with the EPA with clarification regarding our

concerns. Chairman Callard appreciated the comments Mr. Schuth made today.

Chuck Nesbitt, Chief Administrative Officer and Budget Officer filled the tentative 2013 Orleans County Budget with the Clerk of the Legislature and indicated that copies are available in the office for the public. Mr. Nesbitt presented the following 2013 Budget Message to the Orleans County Legislature:

*The 2013 Orleans County Tentative Budget is geared to sustain core services to the public while minimizing the property tax levy impact. The 2013 Tentative Budget proposes \$76,133,318 or a \$647,578 increase in appropriations and \$57,455,138 or a \$427,472 increase in revenues. Both figures represent less than a 1% increase.*

*The County Legislature, department heads, and county staff have worked diligently together to adapt to new economic realities. Staff has been reduced where possible as the 2013 spending plan shows a reduction of eight full time jobs from the 2012 budget. Programs have been downsized or cut where necessary and work flows have been streamlined. Implementing this plan, the county will have reduced full time head count by approximately 40 positions or 8.6% since 2010 through streamlined operations and program closures.*

*As you will see in the tentative budget submission that follows, the recommendation achieves one of the major goals of bringing the property tax levy in compliance with the New York State Property Tax Cap. The tax levy limit for Orleans County in 2013 is \$15,737,393. This is an increase of \$337,790 and the increase as proposed in the tentative budget is \$261,501 or under the cap by \$76,289. The \$76,289 will be available as carryover against the 2014 cap. The levy increase achieves a 1.70% growth from 2012 to 2013.*

*Despite coming in under the cap, it is the recommendation of the budget office to override the property tax cap until such time as the full and final interpretations of the tax cap law by the Executive Branch and the New York State Comptroller's Office have completely evolved. Twenty two counties were caught off guard in 2012 by a little known and unexpected, late fall interpretation by the New York State Comptroller related to sales tax sharing resulting in a negative impact to the finances of those*

*involved. A cautious approach to the new law continues to be in the best interest of the county taxpayers.*

*Orleans and Genesee Counties have now partnered in the area of Public Health Administration to provide cost reductions and program stability across county lines. This arrangement is the first of its kind in New York State. The merger was enabled by changes to state statutes that were lobbied for by the Orleans County Legislature, the Genesee County Legislature, the New York State Association of Counties and were fully supported by our local Assembly and Senate delegation as well as the respective Boards of Health. The realization of this change was a true team effort and one that all parties wish to see succeed both programmatically and financially.*

*The recommended budget plan includes the elimination of the Continuing Day Treatment Program in the Mental Health Department. The program funding through the state is being cut in 2013. New funding models do not appear to adequately support a program of the scale that Orleans County operates and is instead geared toward larger regional type programs. In the spirit of consolidation and shared services, Genesee County has agreed to accept Orleans County clients into their program of the same name. This program elimination results directly in the reduction of five fulltime jobs and based on current funding outlooks, substantial multi-year cost reductions.*

*Since the beginning of the recession the county has worked very hard to maintain financial stability while maintaining a relatively high level of service. Largely, we have achieved this goal. While doing so, we have changed our mind set, and our operation. We are smaller, more nimble, and better prepared to face what continues to be an uncertain future. This ongoing approach allows us to continue to maintain the vast majority of the important local services in the coming year.*

#### **Negative Factors**

*We do face a number of negative factors in the coming year that are financially difficult to overcome and outside of the control of the county government. Unfunded and underfunded state mandated programs continue to be the most difficult and stubborn problem facing county governments. Promises to bring mandate relief with the property tax cap remain unfulfilled by the Governor and State Legislature. Recent*

November 14, 2012  
Resolutions 358-376

*statements by the Governor indicate that no significant mandate relief for property tax payers is forthcoming.*

#### 9 for 90

*The 9 New York State mandated programs accounting for 90% of the county property taxes statewide; Medicaid, Indigent Defense, Probation, Physically Handicapped Children/ Early Intervention, Public Assistance/Safety Net, Child Welfare/Protection, Youth Detention, and the Employer contribution to the New York State Retirement accounts for 116% of the county property tax levy. Removing the pension contribution that increased approximately 11% since 2012, the remaining 8 mandated expenses consume approximately 88% or \$8.54 per thousand of assessed value.*

#### Community Colleges

*Orleans County pays the local share of student tuition required by state law for county residents attending community college. The cost has increased dramatically in recent years. The 2013 Tentative Budget calls for a \$340,000 (or 24.3%) increase in community college funding due to chargeback rate increases by the colleges themselves. This number has increased \$915,000 or 110% since 2005 an average of 15.7% per year.*

#### Medicaid

*The Governor and the State Legislature passed a law that eventually places a hard cap on the growth of Medicaid. However, the 2013 Tentative Budget calls for an additional \$316,058 to cover the 2013 increase in the local share of Medicaid. This represents 55% of the county property tax bill. No other state in the country uses local property taxes to fund Medicaid in the same way as New York. This number has increased \$1,145,482 or 15.3% since 2005, an average of 1.9% per year on an \$8.6 million dollar expense. This program is a key driving factor of New York State property taxes.*

#### New York State Retirement

*The 2013 Tentative Budget calls for an increase in the New York State Retirement employer contribution of \$432,707 for a total expense of \$4,440,393. This number has increased \$3,321,549 or 297% since 2005, an average of approximately 37% per year. The contribution rates are set by the New York State Comptroller and cannot be influenced by the county government.*

**THESE THREE INCREASES ALONE ACCOUNT FOR MORE THAN  
THE ENTIRE INCREASE IN OVERALL COUNTY SPENDING.**

**Positive Factors**

**Health Insurance**

*Health insurance is actually less expensive for 2013, reduced \$149,757 lower than the 2012 budget. This is the extraordinary result of several factors. First, the county received the lowest year over year growth in premium expense in recent memory. Second, the county has implemented strategies to increase employee cost sharing. Third, the county has continually worked to obtain less expensive insurance products through negotiated benefit reductions.*

**Wages**

*The 2013 Tentative Budget calls for total employee wages to be at the lowest level since 2009. Budgeted employee wages will be reduced \$287,393 from 2012. This is the result of less generous labor contracts as well as ongoing reductions in labor force. This is the third year in a row that spending on wages will show a decrease from the 2010 budget.*

**Sales Tax**

*On the revenue side, sales tax has recovered from recession levels showing growth in both 2011 and 2012. The 2013 Tentative Budget calls for an increase in the use of sales tax revenue in the amount of \$600,000 to offset cost increases.*

**Future Outlook**

*The Orleans County Legislature and county staff have worked very hard to leverage the Sprint Nextel frequency re-banding to the advantage of the county taxpayers and first responders, to reduce the cost of implementing a new public safety radio system. The county has applied for a 911 grant from the New York State Office of Homeland Security. The county also continues to explore partnerships with other counties and private companies to further reduce taxpayer investments. The county hopes to leverage outside funding sources and partnerships to provide Orleans County with a top notch public safety radio system with a tremendous bang for the taxpayer's buck.*

November 14, 2012  
Resolutions 358-376

*The county is beginning to experience a buildup of capital needs in the area of road and bridge infrastructure as well as investment in many of the county buildings and old and deteriorating equipment. This may result in a growing need for a more determined effort to address the investment needed to maintain all aspects of county infrastructure. It may be advisable in the near future for the county to explore a capital borrowing at the favorable rates to address growing infrastructure needs.*

### **Continuing Pressure on Local Programs**

*There will continue to be tremendous pressure on optional local services as we go forward. The county's growing capital needs, the increasing cost of state programs funded by county property tax, reduced state and federal revenues, and a sluggish economy jeopardize our ability to continue to fund local priorities like public safety, highway, and the Villages of Orleans. The prospect of meaningful mandate relief appears to be a heavy lift for the state government and local governments have been instructed by the Governor to "make the tough calls" when it comes to local priorities while state programs continue to grow virtually unchecked. Further, the worry remains that we may not yet have seen the bottom of the economic downturn.*

*I want to thank the county's department heads and staff who have worked hard to construct a 2013 budget that addresses priorities and maintains core services while meeting tight fiscal goals. These folks have contributed a great deal to the stability of the county government's financial outlook. I am also appreciative of the guidance and leadership of the County Legislature in shaping this budget and the last several budgets through very challenging times. Finally, I would like to thank Susan Heard, Treasurer, for her many contributions to this budget and the many hours we spend discussing and debating the financial issues facing the county.*

Legislator Allport thanked Chuck and Susan, along with the Department Heads on their efforts on this budget and the hours they put into it. Legislator Eick stated that Legislator Allport spoke for all of the Board. Chairman Callard stated that there is a lot of detail in the Tentative budget and copies are available. A Public Hearing will be set this evening for discussion on the budget.

Legislator Eick moved to add two resolutions to the agenda; second by Legislator Allport. Motion carried. The following resolutions were then adopted:

Legislator Bower moved to approve the claims against the county. He indicated that he reviewed the claims and one claim stood out, like it does often, and it is for Community Colleges. It has bothered him for many years and possibly this Legislature will press the State to do something about it. He added that if a student drops out, the County still pays for the course. If the student fails the course, the County still pays their share. He stated that nowhere in industry, that he knows of pays for someone who drops out or fails and we should not be paying for it either. Legislator Bower would like to know how many students are dropping out or are failing in Orleans County. Treasurer Heard is not sure if she would be able to get that information, but agrees that we should be able to obtain this information. Legislator Johnson seconded the motion. Chairman Callard further commented that a generalized letter was sent to the State and that there has been an overview committee to make recommendations but he does not believe people realize the specifics of the law. Chairman Callard asked Legislator Bower to entertain a resolution for the next meeting or shortly thereafter, that specifically spells out our questions or requests that those rules be changed. He said that Legislator Bower makes a very valid point and we need to be specific in what the people are paying for. The following resolution was adopted:

**RESOLUTION NO. 358-1112**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

#### **AUTHORIZE FILLING OF VACANCY IN THE JOB DEVELOPMENT AGENCY**

Legislator Johnson moved to adopt Local Law No. 2 of 2012 concerning overriding the tax levy limit. She said that we have had our public hearing and we just received a very good presentation from our Budget Officer as to why we are doing this. In that despite the State Comptroller's Office having given us the Tax Cap Law, they have still continued to make changes after the fact. This year alone, twenty-two counties were negatively affected regarding the way they were accounting for the sales tax revenue. Legislator Bower seconded the motion. Chairman Callard reaffirmed that we are not overriding the tax levy limit; we have come in under it. This is being passed in an abundance of caution. Legislator Allport wished to present a way to look at this and understand the reasoning. He said we playing in a game that is being controlled by liars and cheats. In the Governor's office and through the Senate and Assembly, for election reasons, they stood in front of the public and basically blamed the local legislators, local board supervisors and local schools for the high property taxes claiming that we are going reign in groups like ours with a 2% cap and that they would give us mandate relief

November 14, 2012  
Resolutions 358-376

in that following spring when they went into session, and it has been two years. He personally believes that this should be voted down and sent to the Governor, and members of our Senate and Assembly. They should be told what they can do with the 2% tax cap and no mandate relief they promised. You cannot protect us from people that control the game and can change the rules at anytime. Legislator Allport stated that in doing this, it justifies to them that we are the problem and not them. The counties are not the problem with the property taxes, it comes directly from the State out of Albany and that is why he is not supporting this. Chairman Callard stated he understands what Legislator Allport is saying and is being done strictly on an abundance of caution. He said that a resolution can be written saying what we think about the tax cap itself and he would entertain that resolution. Chairman Callard charged Legislator Allport to prepare this resolution. The following resolution was adopted:

**RESOLUTION NO. 360-1112**

ADOPTING LOCAL LAW NO. 2 OF 2012, ENTITLED A LOCAL LAW TO OVERRIDE THE TAX LEVY LIMIT ESTABLISHED IN GENERAL MUNICIPAL LAW 3-C FOR FISCAL YEAR 2013

WHEREAS, Local Law No. 2-Intro of 2012 was introduced at a regular meeting of the Orleans County Legislature on September 26, 2012 and a Public Hearing was held on October 10, 2012, at which time all interested persons wishing to speak were heard; therefore be it

RESOLVED, that Local Law No. 2 Intro of 2012, in the form hereto annexed below, and hereby is adopted as Local Law 2 of 2012; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall duly cause publication of the adoption of Local Law No. 2 of the year 2012, together with the required text thereof in the official newspaper and shall file such adopted Local Law No. 2 of 2012 as prescribed with the Office of the Secretary of State.

LOCAL LAW NO. 2 OF 2012  
A Local Law to Override the Tax Levy Limit Established in  
General Municipal Law 3-c for Fiscal Year 2013

**Section 1. Legislative Intent**

It is the intent of this local law to override the limit on the amount of real property taxes that may be levied by the County of Orleans pursuant to General Municipal Law §3-c, and to allow the County of Orleans to adopt a budget for the fiscal year 2013 that requires a real property tax levy in excess of the “tax levy limit” as defined by General Municipal Law §3-c.

**Section 2. Authority**

This local law is adopted pursuant to subdivision 5 of General Municipal Law §3-c, which expressly authorizes the county legislature to override the tax levy limit by the adoption of a local law approved by vote of sixty percent (60%) of the county legislature.

**Section 3. Tax Levy Limit Override**

The County Legislature of the County of Orleans, New York, is hereby authorized to adopt a budget for the fiscal year 2013 that requires a real property tax levy in excess of the amount otherwise proscribed in General Municipal Law, §3-c.

**Section 4. Severability**

If any clause, sentence, paragraph, subdivision, or part of this Local Law or the application thereof to any person, firm or corporation, or circumstance, shall be adjusted by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its separation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

**Section 5. Effective Date**

This local law shall take effect immediately upon filing with the Secretary of State.

Legislator Allport moved to approve an agreement with LaBella Associates for the Highway Department. Legislator Allport explained that we had nine bridges that we were to get money for. The State and Federal government is forcing down the costs to the county on bridge repairs, causing hard decisions on what infrastructure will be repaired. He stated that he believes this is part of the Agenda 21 plan and now New York State is in agreement with this and he believes that this is part of the plan by shutting down rural bridges and letting the roads deteriorate. He agrees with this resolution but opposes with what the State is doing to the local counties. Legislator Smith seconded the motion. The following resolution was adopted:

**RESOLUTION NO. 370-1112**

**APPROVING AGREEMENT BETWEEN THE HIGHWAY

ownership and enforcing the destruction of American rights. By passing this legislation, they are taking away personal rights. Legislator Allport requested that this resolution be forwarded to the U.S. President also. The following resolution was adopted:

**RESOLUTION NO. 374-1112**

**OPPOSING THE CLEAN WATER ACT DRAFT GUIDANCE  
PROPOSED BY THE ENVIRONMENTAL PROTECTION AGENCY**

WHEREAS, counties across New York State are committed to environmental stewardship and the protection of our natural resources, and recognize the need to harmonize municipal programs and services with the legislative intent and objectives of the Clean Water Act (CWA); and

WHEREAS, the CWA was not intended to protect ditches and other channels through which water flows intermittently nor was it intended to capture seeps, wet areas, isolated man-made ponds and other structures not currently subject to the CWA; and

WHEREAS, the Environmental Protection Agency (EPA) and the United States Corps of Engineers (Corps) have developed draft guidance on *Identifying Waters Protected by the Clean Water Act* (draft guidance) to clarify the EPA and Corps' understanding and definition of the CWA that will inform all of the EPA's regulatory programs and policy actions; and

WHEREAS, this draft guidance creates uncertainty, confusion and would capture a significant number of public works activities and transportation infrastructure projects that would, under the new guidance, be subject to the CWA and its costly and time-consuming permitting and regulatory protocols; and

WHEREAS, the draft guidance greatly expands the number of projects subject to jurisdictional determination or CWA permitting which do not currently require such oversight at great expense to taxpayers with little, if any, environmental benefit while diverting scarce resources from other programs that do provide environmental protection and conservation benefits; and

*November 14, 2012  
Resolutions 358-376*

WHEREAS, the financial impact of the draft guidance to New York's counties will be significant, with additional costs to roadside ditch projects and ongoing public works projects due to the need for jurisdictional determinations by the Corps or CWA permitting; and

WHEREAS, the financial impact of the draft guidance will also pose a serious threat to New York's farms, important pillars of New York's rural economies; and

WHEREAS, the Orleans County Legislature believes that it is improper to so significantly change the scope of the Clean Water Act without legislative authorization by the U.S. Congress or through the formal rulemaking process to allow public and stakeholder comments on this critically important and complex issue; now, be it

RESOLVED, that the Orleans County Legislature urges the EPA and the Corps to withdraw the draft CWA guidance immediately, work collaboratively with states and local governments to enforce the current scope of the CWA, and respect the Authority of state and local governments in ensuring the protection of our water resources; and be it

FURTHER RESOLVED, that the Orleans County Legislature supports federal legislation consistent with the above recommendations and urges its Congressional and State representatives to intercede with EPA, and requests that EPA report to them on their response, clarification, and adaptations regarding the aforementioned concerns; and be it

FURTHER RESOLVED, that a copy of this resolution will be sent to President Barack Obama, U.S. Senators Charles Schumer and Kirsten Gillibrand, New York Congresswomen Louise Slaughter and Kathy Hochul, Congressman-Elect Chris Collins, EPA Administrator Lisa Jackson, Governor Andrew Cuomo, New York Senator George Maziarz, New York Assemblyman Steve Hawley, EPA Region 2 Administrator Judith Enck, and all others deemed necessary and proper.

Legislator Bower stated the Kevin Doherty is the one who put this agreement together between the Sheriff's Office and Verizon Select Services. He added that he did a marvelous job and asked that Kevin spend just a few minutes to bring the Board up to date. Mr. Doherty explained that Orleans County maintains the 911 center. In the original scheme, when the original center was in the jail all of the equipment was leased. The last round of upgrades, the county purchased the equipment for approximately \$200K with the expectation that that would cover the county for five years. There have since been some industry issues with the company that build the equipment, Northern Telecom. This company has since gone bankrupt and the equipment is not longer being manufactured. Verizon is not willing to provide factory back up on this relatively new equipment. Knowing that the County would be going to the next generation of equipment in the next three years, and knowing that the county needs to stay within the general parameters of what 911 service is, we had the opportunity to replace the equipment. This will prepare the County for future technological advances, such as texting 911. This equipment is currently being used by Broome County. Legislator Allport brought up an incident that took place where many texts sent to 911 during a school shooting, when unheard and unanswered due to the lack of technology. He asked if there was a regulation being put in place on the federal or state government that a message is to be sent back to the sender that the message isn't being heard. Mr. Doherty stated that people have gotten ahead of the technology. There needs to be national standards put into place. Chairman Callard asked if Orleans or Broome County could be used as pilots for the program since they would have the most advanced

**SPECIAL LEGISLATURE MEETING**  
December 5, 2012

---

Chairman Callard called the meeting to order at 9:00 PM. After the pledge to the flag, the Clerk called the roll. All Legislators were present.

Chairman Callard opened the floor for discussion, with there being none he called for the presentation of resolutions. Legislator Eick moved to add seven resolutions to the agenda; second by Legislator Smith. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 399-1212**

**ADOPTING THE 2013 ORLEANS COUNTY BUDGET**

WHEREAS, the 2013 tentative budget for Orleans County was presented to the general public at a public hearing held at 7:00 p.m. on December 3, 2012; and

WHEREAS, this Legislature has reviewed and discussed said tentative budget; now, be it

RESOLVED, that this Legislature does hereby adopt the 2013 tentative budget, as the Orleans County budget for 2013, with a tax levy of \$15,661,104.

Moved, Johnson; second, Bower.  
Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Allport moved in its entirety a resolution requesting the Mandate Relief promised when the 2% Tax Cap was passed. Legislator Allport requested a unanimous second which the Board approved. Chairman Callard requested that this resolution be forwarded to the Pennysaver. He emphasized that if the State did what they promised then taxes would be lower. He expressed that without mandate relief, taxes cannot be lowered because unfunded mandates constitute 118% of our budget. We cannot cut enough, even eliminating services to the public that would carry us through that extra 18% and begin to lower the dollar amount of what the state has imposed upon us, stated Chairman Callard. The following resolution was adopted:

**RESOLUTION NO. 400-1212**

**REQUESTING THE MANDATE RELIEF PROMISED WHEN THE 2%  
TAX CAP WAS PASSED**

WHEREAS, the Orleans County Legislature urged the state not to impose a local property tax cap on county governments unless it is coupled with significant cuts and reforms to the state mandated programs that cause local property tax increases; and

WHEREAS, the New York State Association of Counties has identified just 9 state mandates that equal 90 percent of all county property taxes levied in 2010 (outside of New York City), consuming \$4 billion of \$4.4 billion in county property taxes levied. These mandates include: Medicaid, TANF/Public Assistance Safety Net, Child Welfare Protective and Preventive Care, Special Education Pre-School, Early Intervention, Probation, Indigent Defense, Youth Detention, and Pensions; and

WHEREAS, 100% of the county property taxes collected in Orleans County are consumed by unfunded or underfunded state mandates controlled at the state level; and

WHEREAS, New York is the only state to require a significant local share to fund Medicaid costs imposed at the state level representing 55% of the 2013 Orleans County property tax burden; and

WHEREAS, the State of New York mandates (requires) the delivery of State programs using local resources, causing some counties to dedicate more than 80 percent of their entire budget toward the funding of State mandated programs and fixed costs; and

WHEREAS, these State mandates are the root cause of high county property and sales taxes in New York and have led to a decline in the delivery of important local services; and

WHEREAS, these State imposed mandates continue to contribute to New York's highest in the nation local tax burden for residents and businesses, severely damaging New York's ability to attract, create and maintain good paying jobs, as well as contributing to population losses to other states; and

WHEREAS, one of the main reasons companies reject locating in New York State are the high property taxes caused by the mandates; and

WHEREAS, the State merely paying for the programs they impose would allow counties to lower property taxes, helping companies to lower operating expenses, thus helping them to be competitive in the global market; therefore be it

RESOLVED, that the Orleans County Legislature is requesting the Governor, NYS Senate and NYS Assembly to pass the mandate relief promised when the 2% Tax Cap was passed, to help counties lower property taxes; and be it

FURTHER RESOLVED, that Orleans County Legislature hereby calls on the Mandate Relief Council to take swift action in submitting a package of Mandate Relief proposals to Governor Cuomo and the State Legislature to be voted on by our State Representatives during the 2013 State Legislative Session; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, members of the New York State Legislature, NYSAC, WNY Intercounty Association and all those deemed necessary and proper.

Moved, Allport; second, Unanimous.  
Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Johnson inquired from Treasurer Heard if our unpaid taxes are higher this year. Treasurer Heard stated that they actually are all lower. The Waste/Recycling is down by \$3,000; unpaid school taxes is down \$90,000 which could include a few big parcels being paid and the unpaid school taxes are down by \$11,000. Chairman Callard was amazed at the size of the unpaid school taxes being \$2.4 million and the Villages is \$472,000. He said it is still sizable and we make those entities whole, as required by law, so we are absorbing those taxes.

Legislator Allport moved to adjourn; second by Legislator Rush. Meeting adjourned at 9:12 a.m.

## **LEGISLATURE MEETING**

December 12, 2012

---

Chairman Callard called the meeting to order at 4:32 PM. After the pledge to the flag and invocation, led by retiring Jail Chaplin Rev. Moss, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: The Employee Assistance Program is pleased to announce Janet Cheverie was recognized as Employee of the Month for November 2012. Janet is Coordinator of the Child Support Collections Unit. Staff nominating Janet described her as “a role model for the unit”, “very much a team player”, and “is always courteous, respectful, and caring to everyone.”

Legislator Bower, Chairman of the Public Safety Committee requested Sheriff Hess and Rev. Moss to join him. He presented a Special Recognition Award to recognize Rev. Moss retiring with 25 years of service as the Orleans County Jail Chaplin. Sheriff Hess also presented Rev. Moss with a plaque from the Sheriff’s Office and the Jail Administration for his dedicated support of his Jail ministry. Rev. Moss with gratefulness accepted the awards. He said it is not easy to work with those that are incarcerated. He thanked them all and stated he was proud of what our leaders are doing for Orleans County.

Legislator Smith, Chairman of the Economic Assistance & Opportunity Committee, presented a Special Recognition Award to Debra Sherk for 32 years of service to Orleans County. She retired as an Employment and Training Counselor in the Job Development Agency. She was applauded for her service.

Chairman Callard, on behalf of the Employee Assistance Committee, announced the December 2012 Employee of the Month. This person is an exemplar of what it truly means to be an employee of the month, read Chairman Callard. Susan Heard, Treasurer, nominated this employee for organizing the Red Cross Hurricane Sandy Relief effort for Orleans County Employees to wear jeans and red shirts. She made ribbons for employees to wear who have uniforms. She made this happen. Together Orleans County Employees raised over \$1,500. Departments submitted pictures and were displayed during our Legislature meeting. The EAP committee selected Nadine Hanlon, Clerk of the Legislature, as employee

*Resolutions 408-448*

of the month for recognition in taking the initiative in organizing this relief effort and donating her time in preparing ribbons. Clerk Hanlon was presented a certificate and congratulated by Chairman Callard and the entire room.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through November 2012. Treasurer Heard said that even though it looks good for November, keep in mind that \$3 million has left the General Fund to pay the retirement bill, and \$790,000 left the Nursing Home fund. Also note disbursements grew because \$858,000 was paid in Community College bills with a lot of that going to GCC.

Chairman Callard stated that before he opens the discussion, he wanted to make two announcements. He stated that in his presentation of the State of the County Address he discussed the idea of an Orleans County Historical Museum. Throughout the year he has participated in meetings regarding the same with interested community people. Today he is announcing that Legislator William Eick will be representing the County Legislature in the on-going conceptualization and development of the museum with community leaders and organizations with the intent of determining site location and operational mechanics by year-end 2013.

In order to better serve the museum project Legislator Eick is resigning his position on the Board of Directors of the Orleans County Economic Development Corporation effective December 31, 2012. Chairman Callard also has asked Legislator Bower to move up from the EDA Local Development Corporation into Legislator Eick's board position on the EDA; and Legislator Allport to move into Legislator Bower's board position on the EDA LDC.

Another one of his concerns has been restoring distressed properties to the tax rolls. Chairman Callard has met with the town supervisors and the village mayors throughout the year to discuss strategies of restoring properties to productive uses and to eliminate blight. This year the county has cooperated with the villages to remove a number of distressed properties where there is an opportunity for growth and development. Now the county will be formalizing an agreement with the Orleans County Land Restoration Corporation with the intent of facilitating the effort with a dedicated purpose, structure, and mechanism. The county will continue to have discussions with the local representatives on prospective

opportunities, but the execution of the projects will be handled by the corporation.

Chairman Callard stated that a resolution will be presented to that effect and wanted to thank Village of Holley trustee Ross Gaylord, Albion Village Mayor Theodorakos, and Medina Village Mayor Meier for attending today's meeting.

Chairman Callard opened the floor for discussion. Paul Lauricella, Yates, inquired of Resolution No. 448-1212 asking if this is \$100,000 or if it is \$50,000 going from one account to another. Chairman Callard stated it is \$50,000 going from the Contingency Fund to other contractual expenses which is not an annual thing, it is a new item. Mr. Lauricella suggested instead of spending \$50,000, that possibly someone in this legislative body or someone else in the county can research, for only a couple thousand dollars, through the internet as to what other states or counties are doing to be successful. Mr. Lauricella explained in length his thoughts on spurring economic development. He suggested that we look outside New York State, in states that make things work, referencing Houston, Texas.

Mr. Lauricella also expressed that he has had a hard time understanding why seven republicans voted to raise taxes. He further expressed that cuts need to be made in services that affect a lot of people and therefore more people will be available to complain to the State of New York.

Allen Lofthouse, Kendall, questioned why amounts are not entered in Resolution No. 408-1212. Treasurer Heard explained that amounts are not final until all checks are written. She expressed that she may want to hold a check from being paid. Amounts are entered into the final minutes when the abstract is issued with check numbers and final amount is signed off on, as explained by Clerk Hanlon. Mr. Lofthouse also asked about tax payer costs in Resolution No. 420-1212, and why would we need this program. Mr. Nesbitt explained in detail that we have this program for many reasons which includes using it for counseling services for our workforce, employees in distress, and an alternative to other forms of discipline, with additional reasons. He further explained that we spend money training our employees and this is a helpful tool to address employee relations.

Andrew Meier, Village Mayor of Medina, voiced his support for Resolution No. 444-1212. He thanked the Legislature for their support in

*Resolutions 408-448*

community blight. He said many meetings have been held and have yielded cooperative efforts for demolition of properties using village and county highway crews to save costs. He stated he appreciates the use of the In Rem process to address other blight areas and getting new owners to repair these properties and bring properties back on the tax rolls. Again, he thanked the efforts in the re-investment back into our communities.

Dean Theodorakos, Village Mayor of Albion, echoed Mayor Meier's comments in regard to the support of the county and the ongoing conversations on restorations. He said these are hardcore, abandoned, unproductive properties, off the tax rolls for three years, typically it is a vicious cycle. It then goes to tax sale, pays \$5,000 to purchase and in turn costs \$75,000 to bring properties up to code. These are the properties we need help with therefore the Village of Albion also supports Resolution No. 444-1212.

Paul Lauricella questioned if taxpayers money is going into fixing these properties and then asked if the property will be resold at an auction at a higher price. Chairman Callard indicated that some homes that are so deteriorated that it has a negative impact on the surrounding properties thus lowering the assessed valuation of the neighborhood and are beyond repair therefore should be leveled. We have worked with the villages to eliminate some of those properties, few in number, but they might be potential for commercial investment only after possible remediation. These are unique opportunities but want to set up a mechanism that it easier to handle, this is where the Land Restoration Corporation can help. We are not set up through this legislature to do this on our own so a dedicated corporation can do that for us stated Chairman Callard. Mr. Lauricella questioned with all of the zoning and a state code, once a property is demolished, can it be rebuilt with the setback requirements. Chairman Callard stated that all things need to be considered and a lot of investigative work done to make sure it is a good investment and accept a project. Mr. Lauricella is in favor of putting properties back onto the tax roll.

Legislator Eick reported on the hazardous intersection of Rte. 31 and Salt Works Road. He reported that the Town of Shelby sent a resolution to the State, which this Legislature also supported, for this intersection and asked that it have a no passing zone, with a double strip installed, and a reduced speed zone. He stated with the help of Assemblyman Hawley, NYS DOT finished their study and concluded that they felt a double line and lowered

speed zone would be installed at this intersection by spring. Legislator Eick stated that things can be done if enough pressure is placed on the right people. Mr. Lauricella questioned who would be responsible for maintaining this stripe. Legislator Eick indicated the State Highway would maintain it.

Legislator Eick moved to add four resolutions to the agenda; second by Legislator Allport. Motion carried. The following resolutions were presented for adoption. The following resolutions were presented for adoption:

**Honorable Members of the Orleans County Legislature:**

Please accept the filing of the following document as the 2013 Orleans County Tentative Budget.

The 2013 Orleans County Tentative Budget is geared to sustain core services to the public while minimizing the property tax levy impact. The 2013 Tentative Budget proposes \$76,133,318 or a \$647,578 increase in appropriations and \$57,455,138 or a \$427,472 increase in revenues. Both figures represent less than a 1% increase.

The County Legislature, department heads and county staff have worked diligently together to adapt to new economic realities. Staff has been reduced where possible as the 2013 spending plan shows a reduction of eight full time jobs from the 2012 budget. Programs have been downsized or cut where necessary and work flows have been streamlined. Implementing this plan, the county will have reduced full time head count by approximately 43 positions or 9.3% since 2010 through streamlined operations and program closures.

As you will see in the tentative budget submission that follows, the recommendation achieves one of the major goals of bringing the property tax levy in compliance with the New York State Property Tax Cap. The tax levy limit for Orleans County in 2013 is \$15,737,393. This is an increase of \$337,790 and the increase as proposed in the tentative budget is \$261,501 or under the cap by \$76,289. The \$76,289 will be available as carryover against the 2014 cap. The levy increase achieves a 1.70% growth from 2012 to 2013.

Despite coming in under the cap, it is the recommendation of the budget office to override the property tax cap until such time as the full and final interpretations of the tax cap law by the Executive Branch and the New York State Comptroller's Office have completely evolved. Twenty two counties were caught off guard in 2012 by a little known and unexpected, late fall interpretation by the New York State Comptroller related to sales tax sharing resulting in a negative impact to the finances of the those involved. A cautious approach to the new law continues to be in the best interest of the county taxpayers.

## 2013 Budget

increases by the colleges themselves. This number has increased \$915,000 or 110% since 2005 an average of 15.7% per year.

### Medicaid

The Governor and the State Legislature passed a law that eventually places a hard cap on the growth of Medicaid. However, the 2013 Tentative Budget calls for an additional \$316,058 to cover the 2013 increase in the local share of Medicaid. This represents 55% of the county property tax bill. No other state in the country uses local property taxes to fund Medicaid in the same way as New York. This number has increased \$1,145,482 or 15.3% since 2005, an average of 1.9% per year on an \$8.6 million dollar expense. This program is a key driving factor of New York State property taxes and

### New York State Retirement

The 2013 Tentative Budget calls for an increase in the New York State Retirement employer contribution of \$432,707. This number has increased \$3,321,549 or 297% since 2005, an average of approximately 37% per year. The contribution rates are set by the New York State Comptroller and cannot be influenced by the county government.

**THESE THREE INCREASES ALONE ACCOUNT FOR MORE THAN THE ENTIRE INCREASE IN OVERALL COUNTY SPENDING.**

### Positive Factors

#### Health Insurance

Health insurance is actually less expensive for 2013, reduced \$149,757 lower than the 2012 budget. This is the extraordinary result of several factors. First, the county received the lowest year over year growth in premium expense in recent memory. Second, the county has implemented strategies to increase employee cost sharing. Third, the county has continually worked to obtain less expensive insurance products through negotiated benefit reductions.

#### Wages

The 2013 Tentative Budget calls for total employee wages to be at the lowest level since 2009. Budgeted employee wages will be reduced \$287,393 from 2012. This is the result of less generous labor contracts as well as ongoing reductions in labor force. This is the third year in a row that spending on wages will show a decrease from the 2010 budget.

#### Sales Tax

On the revenue side, sales tax has recovered from recession levels showing growth in both 2011 and 2012. The 2013 Tentative Budget calls for an increase in the use of sales tax revenue in the amount of \$600,000 to offset cost increases.

**Future Outlook**

The Orleans County Legislature and county staff have worked very hard to leverage the Sprint Nextel frequency re-banding to the advantage of the county taxpayers and first responders, to reduce the cost of implementing a new public safety radio system. The county has applied for a 911 grant from the New York State Office of Homeland Security. The county also continues to explore partnerships with other counties and private companies to further reduce taxpayer investments. The county hopes to leverage outside funding sources and partnerships to provide Orleans County with a top notch public safety radio system with a tremendous bang for the taxpayer's buck.

The county is beginning to experience a buildup of capital needs in the area of road and bridge infrastructure as well as investment in many of the county buildings and old and deteriorating equipment. This may result in a growing need for a more determined effort to address the investment needed to maintain all aspects of county infrastructure. It may be advisable in the near future for the county to explore a capital borrowing at the favorable rates to address growing infrastructure needs.

**Continuing Pressure on Local Programs**

There will continue to be tremendous pressure on optional local services as we go forward. The county's growing capital needs, the increasing cost of state programs funded by county property tax, reduced state and federal revenues and a sluggish economy jeopardize our ability to continue to fund local priorities like public safety, highway and the Villages of Orleans. The prospect of meaningful mandate relief appears to be a heavy lift for the state government and local governments have been instructed by the Governor to "make the tough calls" when it comes to local priorities while state programs continue to grow virtually unchecked. Further, the worry remains that we may not yet have seen the bottom of the economic downturn.

I want to thank the county's department heads and staff who have worked hard to construct a 2013 budget that addresses priorities and maintains core services while meeting tight fiscal goals. These folks have contributed a great deal to the stability of the county government's financial outlook. I am also appreciative of the guidance and leadership of the County Legislature in shaping this budget and the last several budgets through very challenging times. Finally, I would like to thank Susan Heard, Treasurer, for her many contributions to this budget and the many hours we spend discussing and debating the financial issues facing the county.

Respectfully Submitted,

Charles H. Nesbitt, Jr.

## LEGISLATURE MEETING

January 9, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Genesee Community College, Albion Campus, will be holding their second Annual Coffee at the college series on January 17, 2013 from 8–9 a.m. at 456 West Avenue. There will be a 20 minute presentation on new academic programs, their new facilities master plan, workforce training initiative and other news. Orleans County Chamber of Commerce Legislative Luncheon is scheduled for Friday, January 25, 2013 at the Village Inn from 11:30 a.m. through 2:00 p.m. The public is welcome.

Treasurer Heard stated she did not have a report because December financials have not been completed in her office.

During open discussion, Paul Lauricella, Yates, announced that the Albion Police Department received an Agenda 21 type grant on sustainable transportation. He does not believe that they are aware of this. He distributed Agenda 21 informational videos to the Legislators. Mr. Lauricella indicated that there were questions unanswered concerning Resolution No. 448-1212, setting up funds for economic development. He said that he hears how dire things are and how positions and department spending needs to be cut but then money is found to help with economic development; which sounds like a duplicate program. He wanted to know who Keppler is and where this site is; he heard that name mentioned at the last meeting. He questioned who the players are. Chairman Callard stated that the board will be discussing this resolution later in this meeting and will be able to answer more questions when that resolution is brought off the table.

Allen Lofthouse, Kendall, stated he agreed with Paul's comments. Mr. Lofthouse, referenced Resolution No. 392 (11/28/12) concerning sending Mental Health clients to Genesee County. He stated that he usually agrees in cutting programs and staff, and expenses but with the recent happenings

with the mental unstableness of people, that this board should revisit this resolution before the board has egg on their face. He suggested taking the recent economic development funding, of which those people could possibly afford their own economic development money, and put funding back into this Mental Health program. This may prevent a mental health person from doing something awful.

Legislator Allport responded to Mr. Lofthouses's comments about the Orleans County Mental Health Program. He explained in detail that this program involved about thirty-five people who were consumed by other programs at Mental Health, or GCASA. These cuts were argued with the State by the Mental Health Director, Mr. Graziano and this Legislative body. The cuts that Albany was proposing to these programs would hurt counties of our size. Genesee County has approximately 80 people, which is the size the State indicated can sustain this type of Mental Health Program and they will continue to fund it. As discussed at the last ARC of Orleans Board meeting, eight people were introduced to their programs which appeared to be a good fit for them. The people who need this help are still getting the help. Funding is being cut across the board and this was a decision that needed to be made so the taxpayers did not have to face this burden. The ARC will continue to closely monitor this along with our Mental Health Department on how this transition is going.

Legislator Allport thanked the investigators at Social Services, the District Attorney's Office, the Sheriff's Department, and the local Police Departments concerning the 2012 numbers on fraud in our Social Services Department, which is up from 2011 and reflects our positive commitment in fighting this issue. He stated that roughly \$1.6 million was stopped from being paid out in services, which is called Cost Avoidance, because of the investigations done prior to them being put into the system. Also, \$85,000 was recovered, which is up from \$8,500 from the previous year and seventy-three people prosecuted for fraud. Chairman Callard stated he would like to applaud their efforts and added that he is very pleased with the progress that is being made.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Rush. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 1-113**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

Legislator Eick moved to amend a proposal with Venesky & Company to prepare a newly required Medicaid Cost Report associated with the Preschool/School Supportive Health Services Program at an additional cost; seconded by Legislator Rush. Paul Pettit, Public Health Director, explained that this is another new unfunded mandate that was brought to the attention of the Public Health department in December of 2012. They were not provided guidance of what the involved scope of the report was until early December with a due date of December 31<sup>st</sup>. After a request being made, additional time was granted for early February to submit this report. This report will be a yearly required cost report. Some of the costs of this report will be reimbursed from the preschool program. The following resolution was adopted:

Chairman Callard stated that at the last meeting a resolution was tabled for financial reasons. At this time it can automatically be removed from the table for board action today. We also had an amendment moved by Legislator Johnson and seconded by Legislator Rush. Legislator Johnson moved to withdraw her amendment and Legislator Rush rescinded his second. Legislator Eick moved an amended resolution, as presented; seconded by Legislator Johnson. Legislator Allport wanted it noted that this is not a duplicate service. These funds are being set aside for use by the EDA for potential businesses wanting to locate within our County. It can only be used for that purpose and only if the EDA provides a proper project plan to this board for the use of these funds for these businesses or site work done to sell the property to the business. Chairman Callard stated that this is open ended and is not set aside for any project. The Legislature would have to approve how the money will be distributed by resolution. Chairman Callard called for vote for the amendment to the original resolution. Motion Carried. The following resolution was adopted as amended:

## RESOLUTION NO. 29-113

With no further business conducted, Legislator Bower moved to adjourn; second by Legislator Allport. Meeting adjourned at 5:42 p.m.

## LEGISLATURE MEETING

January 23, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, led by Legislator Eick, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Notice is hereby given that the Fiscal Affairs of the Orleans County Department of Social Services for the period beginning January 1, 2011 and ending on September 7, 2012 have been examined by the Office of the State Comptroller and that the Report of Examination prepared by the Office of the State Comptroller has been filed in my office where it is available as a public record for inspection by all interested persons, pursuant to Section 35 of the General Municipal Law. The Albion Strawberry Festival Committee, under the authority of the Village of Albion, is requesting permission to hold its annual festival on the Courthouse Lawn on June 7<sup>th</sup> and June 8<sup>th</sup>, 2013. Hours of operation will be 11 a.m. to 9 p.m. on Friday and 9 a.m. to 9 p.m. on Saturday. As in the past, the Courthouse grounds will be used for the same purposes which include arts and crafts and entertainment. The Board unanimously approved this request. A letter of approval will be sent also requesting the proper insurance to be submitted for such use of the grounds.

Legislator Johnson introduced Chuck Kinsey, President of the Employee Assistance Committee. He recognized a few who were present today who serve on the EAP committee: Jackie Tarricone (Highway); Mark O'Brien (Mental Health); Jack Welch (Personnel); Leslie Pfalzer (Royal Employer Services); Nadine Hanlon (Legislature) were introduced who serve on this committee and there are many others who are not here today. Mr. Kinsey explained that the EAP Committee is tasked to recognize Employees of the Month and then the Employee of the Year. He expressed that it is very important and a very special occasion when fellow county employees are recognized for not only their service to the citizens of the county but to recognize those that go above and beyond their call of duty. The EAP Committee receives nominations from fellow employees and department directors and then are reviewed and discussed by the committee and then a selection is made. Mr. Kinsey introduced the employees of the months for

2012: Heather Jackson (DSS), January; Onnalee O'Connor (Clerk of the Legislature), February; Bill Oliver (Dispatch), March; Tobey Corke (Highway), April; Paula Bensley (DSS), May; Richard Ferris (DA), June; Elizabeth Jubenville (DSS), July; Danielle Kickbush (DSS), August; Maxine Boyle (Public Health), September. They were applauded for achieving this honor and were thanked for their exemplary services. Mr. Kinsey asked Legislator Johnson to open the "secret envelope" to announce the Employee of the Year. Mr. Kinsey indicated that the nomination of our Employee of the Year described this person as pleasant and courteous with a smile, a true multi-tasker with excellent quality of work.

Legislator Johnson expressed that every one of our employees of the month are incredibly special to us. She announced Danielle Kickbush as Orleans County Employee of the Year for 2012 and was presented a plaque.

Chairman Callard opened the floor for public comment. Paul Lauricella, Yates, shared his concerns with the Soil and Water Sustainability program and said it is a classic Agenda 21. He stated that any farmer that participates in this program will be cutting his own throat. That it will eventually be going to the NYS DEC and then the Federal government in the end. The environment will trump this land use and the farmer will be the big loser. He said that Governor Cuomo has a lot of money for Agenda 21, but not for the use of our County. He also mentioned that President Obama has the most radical EPA in this country.

Allen Lofthouse, Kendall, asked if a Legislator is a liaison between Soil and Water and this Board, and if there is another stipend they receive. Chairman Callard indicated that there is not.

Daniel Schuth, Soil and Water, stated that he didn't realize that a use of a specific word would put him in a specific group or category. He explained that we are talking project work to help farmers and our community. Money sources that come from the State or Federal government are not secret. He stated we don't get money for keeping secrets; we get it from telling facts. Also adding that we take information back about what our farmers are doing to get funding. Mr. Schuth advised that the work that

goes on at Orleans County Soil and Water or in our Agricultural and Environmental project area is not allowed to fall under the FOIL laws.

Legislator Bower stated that he has been reading, with a lot of interest, the benefits of a regional IDA. He knows that Wyoming County has been talking with Genesee County concerning this. He thinks that that our county should do the same and do everything we can to bring industry to this county. He stated should take a look at it and he advised that he will try to get someone in to present some facts of the benefit of this to this Board.

Legislator Bower, in respect to Continuing Day Treatment, stated that he has sat on the Community Services Board for many years and understands this program. He said when the State cut the funds for this program, he looked into this. Legislator Bower thought that the decision that was made was based on conversations we all have had with people telling us to consolidate when the State no longer provides funding for programs. Orleans County was the first to consolidate our Youth Bureau and now recently our Public Health Department with Genesee County. Legislator Bower agrees that we need to look to consolidate these programs to make sure we can provide the same services. He is satisfied with what the decision was made. He further expressed that people write newspaper editorials when they really don't know the facts. In summary, Legislator Bower will follow up with the Continuing Day Treatment now through Genesee County and will report back on how this has been conducted.

The following resolutions were presented for adoption:

### **RESOLUTION NO. 30-113**

#### **AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

Legislator Johnson moved to support Senate Bill S2026 to amend the Lien Law in relation to filing of false liens against Public Officials. She said that people can walk into the County Clerk's Office and file false liens against any public official; any elected county, town, or village officials. They would not know these were filed against them until possibly the time of the sale of such property then it would create attorney fees to prove these false liens. On the Federal level it is a crime and now Senator Maziarz has sponsored this bill for it to be a crime on the State level. Legislator Johnson requested the Clerk of the Legislature to also forward this resolution to the towns and villages in Orleans County. The following resolution was adopted:

## **RESOLUTION NO. 49-113**

### **RESOLUTION IN SUPPORT OF SENATE BILL NO. S2026-2013 TO AMEND THE LIEN LAW IN RELATION TO FILING OF FALSE LIENS AGAINST PUBLIC OFFICIALS**

WHEREAS, the Orleans County Legislature strongly supports this lien law legislation as it relates to the filing of false records against public officials and the prosecution of those who do; be it

RESOLVED, that the Orleans County Legislature does hereby support Senate Bill No. S2026-2013 to amend the lien law in relation to filing of false liens against public officials; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator Maziarz, Assemblyman Hawley, NYSAC, Intercounty Association of WNY, Orleans County Towns and Villages, and all those deemed necessary and proper.

Moved, Johnson; second, Bower.  
Adopted. 7 ayes; 0 nays; 0 absent.

## **RESOLUTION NO. 50-113**

Legislator Eick moved into executive session at 5:05 p.m. to discuss collective negotiations per Open Meetings Law Section 105 (e); seconded by Legislator Rush. Motion Carried.

Chairman Callard wished Legislator Smith a safe trip to Cuba.

Prior to entering into executive session, Ken Schaal, Town of Shelby Councilman, thanked the Board for their efforts they have put forth in consolidation and providing the same quality of service for less money to the taxpayer. He voiced a concern with comments that Legislator Bower made concerning the regionalization of an IDA/EDA. He expressed that IDA/EDA is a competitive organization. He stated that we are in competition with every other county for industrial development and jobs. As we all know, Trek left Medina and is going to Lockport. By regionalizing an IDA, a small county like ours has very little influence on bringing industrial development that will benefit this County. Councilman Schaal stated that he has no problem in researching the issue but wants to make sure that this Board knows how competitive it is.

Legislator Allport moved to reconvene the meeting from Executive Session at 5:50 p.m.; seconded by Legislator Bower.

With there being no further business conducted, Legislator Eick moved to adjourn; second by Legislator Rush. Meeting adjourned at 5:51 p.m.

## LEGISLATURE MEETING

February 13, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, led by Tim Lindsey, new Jail Chaplain and the Clerk called the roll. All Legislators were present, with the exception of Legislator Allport.

The Clerk presented the following communications: The Orleans County Employee Assistance Program announce Sandi Pszyk, a Supervising Mental Health Community Nurse with the Mental Health Department, as the Employee of the Month for January 2013. Some of the commentary on the multiple nominations included "... always goes above and beyond her job duties and what is expected of her..." and "...always the first to go out of your way for people whether it be coworkers or clients and she always does so with an extremely positive attitude no matter how busy she is..." Orleans County Youth Board called for nominations for Youth Recognition Awards, the Helen R. Brinsmaid Award, and the Eileen Heye Adult Volunteer Recognition Award. Nominations are due to the Youth Bureau by March 4<sup>th</sup>. These will be awarded at the 31<sup>st</sup> Annual Youth Recognition Banquet on May 9<sup>th</sup>. Nominations forms can be located on the Orleans County Website at

[www.orleansny.com/Departments/ResidentServices/YouthBureau.aspx](http://www.orleansny.com/Departments/ResidentServices/YouthBureau.aspx).

The 8th Annual Canal Clean Sweep is April 19-21. NYS Canal Corporation, in partnership with Parks & Trails New York and NYS Environmental Facilities Corporation is once again planning Canal Sweep in recognition of Earth Day 2013 and in advance of the 189th consecutive navigation season on the New York State Canal System. To register for this event visit [www.ptny.org/canalway/sweep](http://www.ptny.org/canalway/sweep). Genesee County Economic Development Center will hold their Annual Luncheon on March 8th at the Genesee Community College Forum. Oak Orchard Watershed Protection Alliance will hold their next meeting on February 20th at 7:00 p.m. at the Orleans County Soil and Water Conservation District Office. The Albion Strawberry Festival Committee is requesting the use of the Courthouse grounds to place a 5'x12' banner advertising their event from May 25<sup>th</sup> through June 8<sup>th</sup>. The Legislature was fully supportive of this request.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through January, 2013. She indicated that she squeezed through January but tax money has been paid in February.

Chairman Callard opened the floor for public comment and reminded the public that comments are to be made pertaining to today's resolutions.

Paul Rusin, Murray, thanked the Legislators for their quick action in putting the resolution on today for the NY Safe Act. He commented on one issue he saw in the resolution pertaining to mental health issues, which this portion should be stricken. He voiced concerns with the social welfare system and problems with children's upbringing. He understands that we have a serious mental health issue but with the rights to privacy, it is hard to see that that can be used to deny them their civil rights.

Legislator Rush presented a special recognition award to both Matt Trippi and Cable Witt for their brave and selfless actions taken on January 7, 2013. Legislator Rush expressed that on an ordinary day they became extraordinary human beings by saving the life of an elderly gentleman from the icy waters of Lake Alice. Their quick thought and accurate aim allowed this gentleman to catch a roofing harness and be dragged to safety before first responders could make it to the scene. By going above and beyond and by risking their own lives to save another, the Orleans County Legislature has a renewed sense that there are still many people that are willing to help others in times of need. They were applauded for their heroism.

Mattie Zarpentine, Holley, provided the following comments: *I emailed several of the legislators here to share my feelings about the NY SAFE Act and why I feel that the Orleans County Legislature should pass a resolution demanding its repeal.*

*I am a law abiding, taxpaying citizen. I am a wife and mother- my 20 year old son is away at college studying to be a Conservation Officer. I am a special education teacher's aide in Holley working with children there for the past 13 years.*

*I was just as horrified as anyone in this country as I watched the Sandy Hook tragedy unfold. Our children deserve to be safe wherever they are, and especially at school.*

*I am also a responsible gun owner. Unfortunately, it is that last descriptor that now labels me as a criminal.*

*America is a wonderful country. I am very proud that I come from a long line of patriots. My family tree has ancestors that have fought, and some who even died, in every war dating back to the Revolution. They took a stand to do what was right and defend our way of life. I think about my lineage a lot. It is important to me to remember their bravery and sacrifice. They fought to help establish the Constitution. They fought to defend it. It angers me that our governor and state legislators can blatantly ignore our 2<sup>nd</sup> Amendment rights.*

*Regardless of how you stand on the gun control issue, this legislation was wrongly executed. It was hastily rushed through, snubbing proper procedural channels. An entire group of law abiding, hard working people have become criminals with a quick stroke of a pen.*

*When this new ban doesn't work in reducing crime, because criminals don't abide by the law, what then...more laws to take more guns from law abiding citizens? The criminals will still be armed. Gun bans do not work. This is evident in countries that have tried to rid crime by gun restrictions and bans. Regardless of how many gun laws are implemented, there will still be evil in the world. The issue of violent crime is multi-faceted and needs to be addressed as such.*

*Law abiding, taxpaying citizens are tired of their rights being trampled upon. We are tired of knee-jerk legislation aimed to solve issues that cannot be fixed with a mere legislative "band-aid."*

*I have read with great interest about several counties across the State of New York that have drafted resolutions opposing the NY SAFE Act and asking for it to be repealed. Some counties that have, or will be presenting resolutions include: Jefferson, Ontario, Oswego, Lewis, Ulster, and Wayne. Erie County presented theirs on Monday night and Rensselaer*

*and Wyoming counties just last night. I implore you to join these other counties and let Albany know that we, the People, have had enough. Thank you.* She was applauded for her comments.

Paul Lauricella, Yates, also thanked the Legislators for action on the NY Safe Act. He wanted more “teeth” in the wording to include if anyone from the state or federal government confiscates firearms, they would be arrested or fined. He stated that if the second amendment falls, the rest will follow behind. He wanted the Cornell Cooperative Extension to not receive as much funding as is being authorized today. He indicated that Cornell University is a liberal school and until they change their liberal views he does not want his tax dollars going to them.

Mike Donahue, Albion, is the President of the Black North Rod and Gun Club and of the Orleans County Sportsmen Federation and has been a hunter safety instructor for thirty-three years for the State of New York. He commented that he applauds the resolution on opposing the NY Safe Act and he hopes it goes through.

Jim Flint, Ridgeway, thanked everyone for the good remarks made today. He stated that he is happy to be a citizen of Orleans County, State of New York and of the United States. We are fortunate to live in a civilized country that is held by the constitution, which was very well thought out by our forefathers. He does not know what this board’s job descriptions or oaths of offices encompass, but he knows that members need to defend the constitution of the State of New York and of the United States, and those laws. He stated he is close to being a criminal and all he wants to do is live in peace. Mr. Flint indicated it bothers him seeing peoples’ rights being taken away. He votes for total repeal of the NY Safe Act.

Jake Walters, Albion, stated if this board votes to pass the repeal of the NY Safe Act, this board would be in good company. Wyoming County passed a resolution and many other counties in the state along with many of the Sheriff and Police Associations have also opposed it. He referenced the comments made by former District Attorney Gerald Stout, who offered criticism on the new fire arms law and the murder cases he prosecuted that would not have been prevented by the NY Safe Act.

Legislator Johnson announced, with pleasure, that the Governor's Office has informed Orleans County of being awarded \$2 million dollars to support the application that we submitted for funding from the round two of Statewide Interoperable Communications Grant. There is no cost share affiliated with this grant and funding for this grant is provided by the State of New York. This will be assigned to the Harris project and it comes from the Division of Homeland Security Division of Emergency Services. She said it goes to show that not only New York State, but Orleans County has outstanding support for our responders.

Legislator Eick stated that a lot credit must be given to Paul Wagner, Chuck Nesbitt, and David Schubel for all of the hard work they put into obtaining these grant dollars. Chairman Callard stated that this is a significant size award that not every county sees. This will greatly facilitate the implementation of our radio project.

Chairman Callard made the following statement as it relates to the Villages of Orleans Health and Rehabilitation Center:

*The Orleans County Legislature has been and continues to be committed to maintaining the existence and continuing operation of a compassionate and well-run long term care facility for the residents of the county and ensuring the employment of our nursing home staff. Our first and overriding concern is to maintain the Villages of Orleans as an asset to the community and to our senior residents.*

*The county has been enhancing the services offered by the home, increasing its marketing efforts, improving its reimbursement oversight, and reducing its overhead as best it can. Yet, the losses continue and threaten to grow. The operating deficit for 2013 will be in excess of \$2.4 million. We have levied \$825,000 in taxes toward the nursing home operation for 2013. We are spending down the remaining nursing home reserves to offset the ongoing operational losses. The County Legislature is becoming increasingly concerned that more new taxes will be required to keep the home afloat perhaps as much as ten to twenty percent more.*

*As we move forward, it is apparent that costs are going to escalate and revenues driven by the state and federal government are going to lessen.*

*Medicare and Medicaid reimbursements are determined by the state and federal government and are inadequate for us to run a break-even operation. As the state and federal governments attempt to manage their growing costs, reimbursements to providers including the county are going to be cut and the resultant costs are going to have to be “passed” on to the county property tax-payers under the current model. There are so many factors that are beyond our control. We cannot wait and hope that things are going to get better. That would be fiscally irresponsible and simply “unfair” to the taxpayers.*

*There are thirty six (36) remaining county owned nursing homes in the same position as Orleans County. Twenty (20) counties or 55% of that total have either sold their facilities, or are selling their facilities, or are considering doing the same.*

*Should the Villages of Orleans be closed? NO! NO! NO!*

*The New York State Department of Health projects a need for 360 nursing home beds in the county by 2016. Present capacity in the county is 310 beds. There is a need for a continuance of the operation.*

*Should the county seek a way to stabilize the Villages as a county resource ensuring that it remains a viable asset to our residents? YES!*

*The resolution today will call for the Public Hearing for comments on the proposed transfer of the facility to a newly formed local development corporation which will manage the sale of the facility to a new operator. That will be its only responsibility and that process could take up to two (2) years. In the meantime, the county will continue its responsibilities providing care to our residents and honoring our commitments.*

*A **Frequently Asked Questions** will be posted on the county website for public use by Thursday, February 14, 2013. Hard copies will also be available at the county legislative offices.*

Legislator Eick moved to add one resolution to the agenda; seconded by Legislator Johnson. Motion carried. The following resolutions were presented for adoption:

Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Eick moved to approve out of state travel for Paul Pettit, Health Director. Legislator Eick requested Mr. Pettit to explain this opportunity. Mr. Pettit indicated that we began a shared service project back in October. We applied for the Robert Wood Johnson Foundation for a national study on shared services relative to Public Health. Orleans County was one out of 16 sites in the nation included in the project. Collaborative meetings have been scheduled to go over what is being done locally and review best practices, that is what this travel is for and then what is learned, can be brought back and applied to our County. Orleans County was the only one in New York State included in this study and accepted into this project. Legislator Rush seconded the motion and the following resolution was adopted:

### **RESOLUTION NO. 60-213**

#### **AUTHORIZING OUT OF STATE TRAVEL FOR HEALTH DEPARTMENT EMPLOYEE**

RESOLVED, that this Legislature approves the Out-of-State travel request by Paul A. Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Eick moved to set the date of a public hearing to consider the proposed transfer by the County to a newly formed Local Development Corporation of the Orleans County Nursing Home Facility; seconded by Legislator Rush. Legislator Bower stated that he does not disagree entirely with the commentary today. He thinks that there may come a time that we need to sell the Nursing Home because of the burden it creates on the taxpayer. The problem he has at this time is that the public was misled. The discussions held a few years ago were that we would not start the process until the end of 2014; the process started today. Chairman Callard commented that the process takes two years and will not be concluded until the end of 2014. The following resolution was adopted:

## **RESOLUTION NO. 62-213**

### **SETTING DATE OF PUBLIC HEARING TO CONSIDER PROPOSED TRANSFER BY THE COUNTY TO A NEWLY FORMED LOCAL DEVELOPMENT CORPORATION OF THE ORLEANS COUNTY NURSING HOME FACILITY**

RESOLVED, that pursuant to Not-for-Profit Corporation Law Section 1411(d)(3), the Orleans County Legislature (the “County”) will conduct a Public Hearing at 4:15 p.m. or as soon as such hearing may be called thereafter, on the 27<sup>th</sup> day of February, 2013, at the Orleans County Legislature Chambers, 3 S. Main St., Albion, New York to consider the proposed transfer by the County to a newly formed local development corporation of the Orleans County Nursing Home facility, known as “The

Villages of Orleans Health & Rehabilitation Center” located at 14012 Route 31, Albion, NY, 14411, and operated by the County under Certificate number 3620300N as a 120 bed Residential Health Care Facility.

**RESOLUTION NO. 70-213**

**ADOPTING POLICY GUIDELINES FOR IMPLEMENTING PROCEDURES FOR THE ASSESSMENT AND MANAGEMENT OF ROAD SIGN RETROREFLECTIVITY THROUGH THE HIGHWAY DEPARTMENT**

WHEREAS, the Federal Highway Administration (FHWA) has implemented new procedures for the Assessment and Management of Road Sign Retroreflectivity [FHWA Docket No. FHWA-2010-0159] RIN 2125-AF43; now be it

RESOLVED, that the Orleans County Legislature does hereby adopt the policy guidelines for implementation required by Section 2A.09 of the Manual of Uniform Traffic Control Devices (MUTCD).

Moved Smith; second, Bower.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

**Orleans County Highway Department  
Procedure for the Assessment and Management of Sign  
Retroreflectivity**

---

***Purpose:***

The purpose of this document is to establish a procedure for the assessment and management of road sign retroreflectivity as is required by the second revision of the 2003 MUTCD. “Agencies” have until June 13, 2014 to establish and implement a sign assessment or management method to maintain minimum levels of sign retroreflectivity. The compliance date for regulatory, warning, and ground-mounted guide signs is based on available resources. Publication No FHWA-SA-07-020 further states: “The new MUTCD language recognizes that there may be some individual signs that do not meet the minimum retroreflectivity levels at a particular point in time. As long as the agency with jurisdiction is maintaining signs in accordance with Section 2A.09 of the MUTCD (2a.08 in 2009 MUTCD), the agency will be considered to be in compliance.

***Exemptions:***

As per Section 2A.09 of the revised 2003 MUTCD (2a.08 of the 2009 MUTCD) the following signs are not required to meet the new retroreflectivity standard:

1. Parking, Standing and stopping signs (R7 and R8 series)
2. Walking/Hitchhiking/Crossing signs (R9 series, R10 through R10-4b)
3. Adopt-a-Highway signs
4. All sign with blue and brown backgrounds (includes County Route Markers)
5. Bikeway sign that are intended for exclusive use by bicyclists or pedestrians

***Procedure for Assessment:***

Orleans County will employ the Comparison Panels Procedure as described on pages 5 and 6 of Publication No. FHWA-SA-07-020. “Comparison panels are used to assess signs that have marginal retroreflectivity. The comparison panels are fabricated at retroreflectivity levels at or above the minimum levels. When the visual inspection identifies the retroreflectivity of a sign as marginal, a comparison panel is attached to the sign and the sign/panel combination is viewed and compared by the inspector.” If the comparison panel appears brighter than the sign, the sign needs to be replaced.

Signs with “marginal” retroreflectivity will be identified through a process of nighttime visual inspection. Once trained, personnel who hold any of the following job titles can conduct the nighttime inspection:

- Deputy Superintendent, Motor Equipment Operator or others may be trained when deemed necessary by management.

While conducting the nighttime inspections, the inspector will:

1. Travel at normal speed
2. Travel in the center of the travel lane
3. Headlamps will have been checked for proper alignment
4. Headlamps will be set at low beam
5. The vehicle will be a 2000 model year, or newer, SUV or pickup

The identification of marginal sign retroreflectivity is based on the inspectors experience and judgment. It is anticipated that as the inspector gains experience, the need to physically place the comparison panel on a marginal sign will diminish; however at a minimum the comparison panel will be placed on one (1) out of ten (10) signs, on average, inspected during any one session.

***Comparison Panels:***

Panels of an appropriate size will be over laid with new unused material meeting or exceeding the standards of ASTM D4956-04 Type II Beaded Sheeting on one third, material meeting the standards of ASTM D4956-04 Type III on the middle third and material meeting the standards of ASTM D4956-04 Type X on the remaining third. A panel as described above will be made for each color of sign material that is to be inspected.

The Type II Beaded sheeting which meets or exceeds the minimum required retroreflectivity for all colors and all conditions described in table 2A-3 “Minimum Maintained retroreflectivity Levels” will be the basis for identifying the minimum retroreflectivity of any sign that is to remain in service. If the Type II Beaded Sheeting on the comparison panel appears brighter than the sign then the sign is noted for replacement. The other sheeting materials on the comparison panel are there solely for comparison purposes.

When not in use, the comparison panels will be stored in the sign shop protected from light to prevent fading. New panels may be made up at the inspector’s discretion.

***Signs Noted for Replacement:***

During the nighttime visual inspection, any sign that fails to meet the established minimum retroreflectivity as described above will be noted in a logbook. This logbook will contain the date and time of the inspection along with the weather conditions and the inspector’s name. The install number and/or date decal that is applied to the back of the sign at the time of installation will identify the sign in the logbook. If there is no install number and/or date decal, the sign will be identified by sign type and location.

***Replacement Priority:***

Replacement of signs that are noted in the logbook will occur during normal working hours. The Sign Maintenance Mechanic will review the logbook and

plan his/her work time accordingly. It must be noted that the chose method used for identifying signs for replacement has a built in safety factor, meaning that even though a sign is noted for replacement, it may still meet or exceed the minimum retroreflectivity requirements.

***Priority list:***

- 1) Downed stop and yield signs
- 2) Downed warning and regulatory signs
- 3) Construction Signs
- 4) Regular maintenance: (list not all inclusive, priority to be determined case by case)
  - a. Scheduled relocation of signs
  - b. Trimming of brush
  - c. Scheduled relocation of signs

***Frequency of Night Time Visual Inspection:***

The Night Time Visual Inspection will be conducted on an annual basis.

Legislator Johnson moved the below resolution in its entirety; seconded by Legislator Bower. Legislator Johnson stated that this resolution represents at least three years of work by all involved. To first meet the FCC 800 MHz rebanding mandate which more importantly will provide enhanced coverage for our public safety radio system; along with a \$400,000 upgrade to the Sheriff's telephone system and installation of a fiber optic line between Public Safety and Emergency Management will vastly improve officer safety for law enforcement, fire, and EMS personnel; as well as all Orleans County user agencies. The Public Safety Radio System will be state of the art replacing the present obsolete system dating back from 1992. Legislator Johnson expressed that the agencies have been more than patient through the various hiccups that we have gone through and now will be rewarded for their patience. Legislator Johnson asked Paul Wagner, Director of Emergency Management to comment.

Paul Wagner, Director of Emergency Management stated that he has invested eight years into this. This project was started out in a rebanding project in January of 2004. It has been a long time coming and he said “quite frankly that if those of you who sat on this board back in early 1990’s if we had done the original radio system correctly at that time, we wouldn’t be here doing it now.” This present system expansion we are doing will last a lifetime in Orleans County. This will reduce the radio problems in the county. The hardware happens to be sound now but will likely change in 10 to 12 years as technology changes. This is a good thing and it will take a lot of heat off of the first responders and he appreciates everyone’s efforts. The following resolution was adopted:

**RESOLUTION NO. 79-213**

AMENDING RESOLUTION NO. 379-1211, ACCEPTING HARRIS CORPORATION SUPPLEMENTAL PROPOSAL DATED DECEMBER 4, 2012 AND AUTHORIZING EXECUTION OF AGREEMENTS

WHEREAS, this Legislature adopted Resolution No. 379-1211 selecting Harris Corporation as the vendor for rebanding the countywide, 800 MHz, radio system; and

WHEREAS, Harris Corporation subsequently submitted a proposal for system expansion and ancillary work dated June 1, 2012 and a supplemental proposal to its June 2012 proposal dated December 4, 2012 reflecting changes for system enhancements from the rebanding process, additional microwave connectivity, and County furnished equipment procurement; and

WHEREAS, this Legislature is desirous of accepting Harris Corporation supplemental proposal for a P25 trunking expansion and ancillary work to the countywide, 800 MHz, radio system dated December 4, 2012; now, be it

RESOLVED, that this Legislature hereby accepts and approves Harris Corporation supplemental proposal dated December 4, 2012 at a cost not to exceed \$5,024,246; and be it

FURTHER RESOLVED, that the Chairman of the Orleans County Legislature is authorized to execute the System Purchase Agreement, Software License Agreement, and the Software FX Agreement, and such other contractual documents as are necessary to implement this resolution, contingent upon the review and approval of Chief Administrative Officer and the Orleans County Attorney.

Moved, Johnson; second, Bower.

Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislature Smith moved to purchase windows for a remodeling project of the 2<sup>nd</sup> floor at the Public Safety Building; seconded by Legislator Rush. It was noted that these windows will be paid for from drug seizure money. The following resolution was adopted:

#### **RESOLUTION NO. 80-213**

#### **AUTHORIZING PURCHASE FROM BUILDINGS & GROUNDS BUDGET**

RESOLVED, that this Legislature authorizes the purchase of fifteen (15) Anderson windows, of various dimensions, from Stockham Lumber, 88 Geddes St., Holley, NY 14470 at a cost of \$6,510.95 for the remodeling project at the Public Safety Building, 2<sup>nd</sup> Floor to be paid from account A1620.403 Buildings & Grounds – Maintenance Projects.

Adopted. 6 ayes; 0 nays; 1 absent, Allport.

#### **RESOLUTION NO. 81-213**

#### **AUTHORIZING FILLING A VACANCY IN THE OFFICE FOR THE AGING**

RESOLVED, as a result of a vacancy, this Legislature authorizes the filling of a permanent full time Caseworker position (6772.29) at the Office for the Aging at grade 16 of the CSEA Salary Schedule effective February 19, 2013.

Moved, Smith; second, Eick.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Johnson moved in its entirety a resolution opposing the process of enactment and certain provisions contained within the New York Safe Act. Legislator Bower moved further for a unanimous second. All motions carried by the full board. The Legislature was applauded for the adoption of the following resolution:

**RESOLUTION NO. 82-213**

**OPPOSING THE PROCESS OF ENACTMENT AND CERTAIN PROVISIONS CONTAINED WITHIN THE NEW YORK SAFE ACT**

WHEREAS, the right of the people to keep and bear arms is guaranteed as an individual right under the Second Amendment to the United States Constitution; and

WHEREAS, the right of the people to keep and bear arms for defense of life, liberty, and property is regarded as an inalienable right by the people of Orleans County; and

WHEREAS, the lawful ownership of firearms is, and has been, a valued tradition in Orleans County, and the rights protected by the Second Amendment to the United States Constitution are exercised by many of our residents; and

WHEREAS, the people of Orleans County derive economic and environmental benefits from all safe forms of recreation involving firearms, including, but not limited to, hunting and target shooting while utilizing all types of firearms available under the Constitution of the United States; and

WHEREAS, members of the Orleans County Legislature, being elected to represent the people of Orleans County, are duly sworn by their oath of office to uphold the Constitution of the United States; and

WHEREAS, members of the New York State Assembly and the New York State Senate, being elected by the people of New York State, are duly sworn by their oath of office to uphold the Constitution of the United States; and

WHEREAS, the enactment of the NY SAFE Act (Chapter 1 of the Laws of 2013) has engendered significant controversy over both the process by which it was enacted and certain provisions contained within it; and

WHEREAS, it is our understanding that many State Legislators had less than an hour to read the legislation, which contained approximately twenty-five thousand words, before being forced to vote on it; and

WHEREAS, having reviewed the legislation and time constraints, it is our conclusion that there is no possible way any individual could have read the entire bill and understood its full implications prior to voting on it; and

WHEREAS, our State Legislators most certainly could not have had the time to request, and receive, the input of their constituents regarding this matter; and

WHEREAS, seeking and considering, such public input is a standard to which we hold ourselves in the Orleans County Legislature; and

WHEREAS, this legislation has 60 sections, of which only three take effect immediately; and

WHEREAS, in our opinion, there was no reason for the Governor to use a message of necessity to bring this bill to vote immediately and bypass the three day maturing process for all legislation; and

WHEREAS, the mishandling of the process in crafting the NY SAFE Act resulted in complex policy changes, many of which have been left up to interpretation, and are confusing even to the State Legislators

who voted on them, and the law enforcement officials who are required to enforce and explain them; and

WHEREAS, requiring law-abiding gun owners to verify ownership of certain types of firearms every five years, in addition to registering them on their permits, which now also must be renewed every 5 years, does not increase the safety of the public and is unnecessarily burdensome to the residents of New York State; and

WHEREAS, there will be a significant financial impact due to the approximately 5,300 Orleans County permits that will have to be renewed requiring additional manpower and computer systems; and

WHEREAS, this legislation prohibits the sale of firearm magazines with a capacity larger than seven rounds; and

WHEREAS, those firearm magazines with a capacity larger than seven rounds, which are authorized to be retained by existing owners, may only be loaded with seven rounds and eventually must be permanently altered to only accept seven rounds or be disposed of, thus constituting a seizure of legally owned personal property with no provision for compensation; and

WHEREAS, few or no low capacity (7 rounds or less) magazines currently exist for many of the firearms commonly possessed by law-abiding residents of New York State; and

WHEREAS, limiting the number of rounds to seven versus ten is arbitrary and capricious, has no correlation to public safety, unfairly burdens law-abiding gun owners, and puts an undue burden on gun manufacturers to retool their manufacturing plants; and

WHEREAS, the only persons who will comply with the new high-capacity magazine ban are law-abiding citizens, leaving the same high-capacity magazines in the hands of those who choose not to obey the law; and

WHEREAS, requiring documentation of all ammunition sales in New York State, as provided for in this legislation, is a significant unfunded mandate on business; and

WHEREAS, the New York State Combined Ballistic Identification System, which wasted \$44 million in taxpayer money and resulted in zero convictions, illustrates the propensity of government to waste taxpayer resources when legislation is not properly reviewed; and

WHEREAS, Governor Cuomo has proposed spending \$36 million dollars in his 2013-2014 Executive budget for the implementation of the NY SAFE Act at a time when New York State residents are crying out for tax relief; and

WHEREAS, this legislation severely impacts the possession and use of firearms now employed by the residents of Orleans County for defense of life, liberty, and property; and

WHEREAS, this legislation severely impacts the possession and use of firearms now employed for safe forms of recreation including, but not limited to, hunting and target shooting; and

WHEREAS, while there are some areas of the legislation that the Orleans County Legislature finds encouraging, such as addressing glaring shortcomings in the mental health system, the strengthening of Kendra's Law and Mark's law, as well as privacy protections for certain pistol permit holders, by-and-large, we find the legislation does little more than negatively impact lawful gun ownership; and

WHEREAS, this legislation fails to offer any meaningful solutions to gun violence and places increased burdens where they do not belong, squarely on the backs of law-abiding citizens; and

WHEREAS, this legislation effectively turns countless New York State law-abiding gun owners into criminals; and

WHEREAS, the manner in which this legislation was brought forward for vote in the State Legislature is deeply disturbing to the Orleans County Legislature; now, therefore be it

RESOLVED, that the Orleans County Legislature does hereby oppose, and request the repeal of, any legislation, including the sections within the NY SAFE Act (Chapter 1 of the Laws of 2013), which infringe upon the right of the people to keep and bear arms; and be it

FURTHER RESOLVED, that the Orleans County Legislature considers such laws to be unnecessary and beyond lawful legislative authority granted to our State representatives; and be it

FURTHER RESOLVED, that the Orleans County Legislature strongly encourages members of the New York State Legislature to hold public hearings to address the issue of gun violence in a way that will produce meaningful results; and be it

FURTHER RESOLVED, that the Orleans County Legislature requests the members of the New York State Senate and Assembly who represent all, or part of, Orleans County to reply, in writing, with their views on, and actions taken, in support of, or opposition to, the NY SAFE Act; and be it

FURTHER RESOLVED, that a copy of this resolution be sent to President Barack Obama, Vice President Joseph Biden, Governor Andrew Cuomo, Senator Charles Schumer, Senator Kirsten Gillibrand, Congressman Chris Collins, New York State Senator George Maziarz, Assembly Speaker Sheldon Silver, New York State Assembly members Steve Hawley and Jane Corwin, NYSAC, InterCounty of Western New York, and all other deemed necessary and proper.

Moved, Johnson; second, Unanimous.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Smith moved to adjourn; second by Legislator Bower. Meeting adjourned at 5:28 p.m.

## LEGISLATURE MEETING

February 27, 2013

---

Chairman Callard called the meeting to order at 4:56 PM. After the pledge to the flag and invocation led by Pastor Lee Richards of the Pullman Memorial Universalist Church, the Clerk called the roll. All Legislators were present, with the exception of Legislator Allport.

Chairman Callard continued the Public Hearing at 4:59 p.m. to hear the continuation of comments on considering the proposed transfer by the County to a newly formed Local Development (LDC) of the Orleans County Nursing Home facility. Chairman Callard closed the public hearing at 5:26 p.m. and reconvened the regular meeting.

Legislator Rush and Eick recognized Margo Bowerman with special recognition for her outstanding service as the Team Coordinator for the Orleans County 4-H Program for nearly 14 years. She will be taking a new job in Minnesota to supervise 4-H staff there in 17 counties. The Orleans County Legislature wished her well as she pursued her continuous endeavors as an educator in the 4-H Program and thanked her for her fine leadership to our youth in Orleans County. She was applauded for her service.

Chairman Callard opened the floor for discussion and stated that it must pertain to those resolutions presented on today's agenda. He requested name and address be stated for the record and to keep comments to three minutes.

Paul Lauricella, Yates, shared his concern with Resolution No. 84-213 concerning the purchase of thermal infrared imaging cameras and accessories through Homeland Security Operation Stonegarden grant funds. He said these are military items and asked why the Sheriff would be purchasing these. Sheriff Hess explained that these are used to see who is coming across the lake and to protect our borders. Mr. Lauricella said he sees our civil liberties being washed away more and more and we are turning into a surveillance nation. It is a hand held piece of equipment, no satellite to be used, stated the Sheriff.

Dee Smith, Gaines, indicated she is 78 and is scared. She indicated she has medical issues and has low income. She does not want a private nursing home and this is about her life and she wants good care.

Robin Nacca, Barre, stated that private nursing homes must follow the laws and they are all governed by those laws and people come in to check on them to make sure laws are followed.

Larry Eastlack, Barre, understands that finances come into play in the decision making in the sale of the nursing home. He asked if anyone has calculated the cost per thousand to financially maintain the nursing home as a county. Mr. Nesbitt indicated that it is \$.51/1000 of assessed value, for this year.

Paul Lauricella, Yates, supports Resolution No. 92-213, the protection of privacy of pistol permit holders. He also suggested tabling the Nursing Home Resolution so the full board could vote on it. He thought a delay for one more meeting would not hurt anything.

Emerson L. "Tinker" Young, Yates, expressed that he would like to see the Nursing Home resolution tabled. He agreed with Gary and the rest of them. The few cents more it would cost on the taxpayer, makes it worth keeping. These people cannot be replaced. He has been going there for many years. Chairman Callard asked if it could be tabled. Mr. Schubel indicated it would require a first and second on a motion and full vote by the Legislature. Mr. Young asked if we could get a Legislator to make the motion. Chairman Callard stated he was out of order and jokingly stated that was his job.

Chairman Callard offered the floor to the Legislators for comment. Legislator Bower stated that six years ago when he was Chairman there was a lot of discussion to hold meetings in the evenings to accommodate the public. It was tried for six months and did not see any increase in attendance. It was an inconvenience for our department heads as well and it was discontinued. He said the idea came around again and would like to open the discussion again with members to see if we should try it for three months, starting in April. Chairman Callard encouraged him to have the discussion and to offer a resolution at our next meeting.

Legislator Smith stated it was Black History Month and he offered a reading in celebration of this event. He ended by stating that he hopes that one day we will have the History of the United States, not Black History.

Legislator Johnson expressed that at the last Legislature meeting we passed unanimously a resolution Opposing the NY Safe Act. We have received a copy of a resolution that was offered by the Orleans County Federation of Sportsmen's Clubs also in support of the NY Safe Act. She also stated that the Towns of Ridgeway and Shelby also supported that and she wanted to thank them publically for doing that. Clerk Hanlon added that Clarendon also passed a resolution to support the NY Safe Act.

The following resolutions were presented for adoption:

**RESOLUTION NO. 83-213**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	3172-3291	\$273,137.39
Highway	No Claims	
Nursing Home	1203-1206; 25759-25794	\$96,551.80
Job Development	1146-1155	\$26,011.45
Self Insurance	1022-1023; 51676-51680	\$5,543.02

Moved, Smith; second, Bower.  
Adopted. 6 ayes, 0 nays; 1 absent, Allport.

**RESOLUTION NO. 84-213**

**AUTHORIZING TREASURER TO SET-UP NEW MONEY IN THE SHERIFF’S 2013 BUDGET AND AUTHORIZING PURCHASE OF THERMAL IMAGING INFRARED CAMERAS**

WHEREAS, Resolution No. 289-911 authorized the Sheriff to apply for grant funds from the U.S. Department of Homeland Security for Operation Stonegarden (FY2010); be it

RESOLVED, that the County Treasurer is authorized to set-up new monies in the Sheriff’s 2013 budget to purchase Thermal Imaging Infrared Cameras and accessories:

Revenue:

A4308	Homeland Security/Operation Stonegarden (FY2010)	\$8,234.92
-------	--	------------

Appropriation:

A3110.486	Special Grants	\$8,234.92
-----------	----------------	------------

FURTHER RESOLVED, this Legislature authorizes the purchase of Thermal Imaging Infrared Cameras and accessories from Port Supply, PO Box 50060, Watsonville, CA 95076, in the amount of \$8,234.92 to be paid from account A3110.486 – Special Grants.

Moved, Bower; second, Johnson.  
Adopted. 6 ayes, 0 nays; 1 absent, Allport.

**RESOLUTION NO. 85-213**

**APPROVING AGREEMENTS BETWEEN THE HEALTH DEPARTMENT AND VARIOUS AGENCIES**

RESOLVED, that this Legislature does hereby approve the following agreements with the Orleans County Public Health Department and the following agencies:

Orleans County Planning and Development, 14016 Rt. 31 West; Albion, NY 14411 to provide water education, mapping services and oversight to all water sources in Orleans County. Contract period April 1, 2013 through March 31, 2014. Contract amount \$4,000. Reimbursement at 100% from NYS Department of Health. County cost \$0. Contract runs concurrent with NYS Water Grant.

Office for the Aging, 14016 Rt. 31 West; Albion, NY 14411 to provide Accident training and Safety Programming for the eligible senior residents over the age of sixty (60) in Orleans County. Contract period January 1, 2013 through December 31, 2013. Reimbursement up to \$10,000. Reimbursement from State Aid; Injury and Accident prevention. County cost \$0.

Medina Memorial Hospital; 200 Ohio Street Medina, NY 14103, to provide Lead Poisoning Education information and programs towards targeted communities and individuals eligible in Orleans County. Contract period October 1, 2012 through September 30, 2013, contract amount up to \$14,000 Reimbursement from New York State Department of Health. County cost \$0.

Genesee/Orleans Council on Alcoholism and Substance Abuse (GCASA), 430 East Main Street Batavia, NY 14020, to provide screenings and referrals along with alcohol/substance abuse education to the Migrant Health Population through the New York State Migrant contract. Contract period; April 1, 2013 through March 31, 2014. County cost \$0.

Moved, Eick; second, Rush.

Adopted. 6 ayes, 0 nays; 1 absent, Allport.

Legislator Eick wished to offer a comment before he moved the following resolution. He stated that we take to heart what has been said today. It is not an easy decision to make. Both he and Legislator Rush have spent rehabilitation hours at the Villages with knee replacements. We understand it is a fabulous facility. We don't take this lightly. It has been

discussed in several committee meetings, incorporating numerous hours. We understand what everyone is saying. We also understand what the state can do to us in the near future and it is not a pretty picture. It will be more than doubling the tax rate. The federal government can't make their minds up either. Then we are the ones that have to make the tough decision. He indicated that he has a father in a privatized facility and for him to make a decision is not easy. Legislator Eick moved the resolution to authorize steps to create a LDC and transfer the Nursing Home to the newly formed LDC; seconded by Legislator Rush.

Legislator Smith commented concerning his mother who passed away in a nursing home. He never liked nursing homes because of this past experience but indicated he loves our facility. He has put a lot of effort in his decision. This does not come very easy and he is torn but feels he needs to do what is best for the County.

Legislator Bower stated he has been accused of being too close to the nursing home to make rational decisions. He believes it is the opposite. He can't support this and feels that the people here can understand where he comes from, from previous comments. He stated that the people here are not hearing everything today concerning the financial details of the nursing home. He indicated that we can project out that the IGT (Intergovernmental Transfer) will shortly be gone and this is when the problem will start. Legislator Bower asked if Mr. Nesbitt could explain now or hold this off until the next meeting to explain. This is a tough decision and we all want to keep the nursing home as a county run facility. Legislator Bower knows the nursing home backward and forward and loves the place but there might be a time that things have to be done that we don't want to do. We all should be aware of what the ramifications are going to be within the next few years. Chairman Callard asked Mr. Nesbitt to explain the financial situation we are facing.

Mr. Nesbitt stated he will explain the best he can on the spot. The current year operating deficit is \$2.4 million. The County budgets indicate that we are charging \$825,000 to the taxpayers of that \$2.4 million. That is the match of the anticipated IGT. The \$825,000 is put into a sweep account. When the Intergovernmental Transfer takes place it takes it out of the County's general fund and moves it into the Nursing Home and is

doubled. That is accounted as revenue in the Nursing Home's budget. We only pay half of that. The remaining \$840,000 that we are in operational deficit is taken out of the Nursing Home's bank account, which is a reserve account that was created when we did not receive an IGT for several years. That money was put away and we tried to ration it out over a period of time to stabilize the Nursing Home. Once these funds are depleted, the \$840,000 will go from a fund balance transfer into the Nursing Home Enterprise Fund for operational use. It will go on the tax bill for a charge, immediately doubling once these are gone. Recently we are projecting the IGT will go down over a period of time and will be reorganized on how it will be dealt out. This will bring uncertainty to us in terms of what the finances will be like, if it even remains after full implementation of the federal health care law. If it doesn't remain, and no increase of benefits, salaries, or retirement, we will not experience a larger operational deficit as a result. The immediate risk is doubling the long term risk or tripling and then the long term cost. Chairman Callard requested the Clerk to call for a roll call vote:

### **RESOLUTION NO. 86-213**

**AUTHORIZING STEPS TO BE TAKEN TO CREATE A LOCAL DEVELOPMENT CORPORATION UNDER SECTION 1411 OF THE NOT-FOR-PROFIT LAW AND THE TRANSFER OF THE ORLEANS COUNTY NURSING HOME TO THE NEWLY FORMED LOCAL DEVELOPMENT CORPORATION WITH CERTAIN RESERVATIONS OF RIGHTS AND ASSETS BY THE COUNTY**

WHEREAS, the Orleans County Legislature has met and considered the economic development benefits and liabilities associated with the County's continued ownership and operation of the Orleans County Nursing Home facility, known as "The Villages of Orleans Health & Rehabilitation Center" located at 14012 Route 31 West, Albion, New York 14411, and operated by the County under Certificate number 3620300N as a 120 bed Residential Health Care Facility (the "Facility"); and

WHEREAS, it the policy of the State of New York to promote the economic welfare and prosperity of its inhabitants and to actively

promote, attract, encourage, and develop economically sound commerce and industry; and

WHEREAS, the County of Orleans has the responsibility and burden to promote the health, safety, and general welfare of the residents of the County by, among other things, preventing unemployment and economic deterioration, including by increasing and maintaining employment opportunities and attracting and sustaining economically sound commerce; and

WHEREAS, the County has examined the operations at the Facility in order to determine the feasibility of continuing its operation as a County owned and operated facility, including but not limited to business impediments unique to municipalities such as rising municipal labor and employee benefit costs and the unreliability of continued intergovernmental transfer (“IGT”) payments and the cost of providing for major infrastructure improvements and/or reconstruction, among other impediments; and

WHEREAS, the County desires to evaluate the possible disposition of the Facility to a private entity to facilitate redevelopment of the Facility to provide improved services in a modern, efficient, and economical setting and thereby preserve jobs in the County and these services in the County; and

WHEREAS, Section 1411 of the Not-For-Profit Corporation Law of the State of New York (the “LDC Act”) authorizes the establishment of not-for-profit local development corporations operated exclusively charitable or public purposes of relieving and reducing unemployment, promoting and providing for additional and maximum employment, bettering and maintaining job opportunities, instructing or training individuals to improve or develop their capabilities for such jobs, carrying on scientific research for the purpose of aiding a community or geographical area by attracting new industry to the community or area or by encouraging the development of, or retention of, an industry in the community or area, and lessening the burdens of government and acting in the public interest; and

WHEREAS, the LDC Act further authorizes the legislative body of a county, by resolution, to determine that certain real property of the County not required for use by the County may be sold or leased to a not-for-profit local development corporation for purposes that include lessening the burdens of government and acting in the public interest; and

WHEREAS, Section 1411(d) of the LDC Act further provides that the sale or lease may be on such terms as may be agreed upon by the County and a local development corporation, without appraisal or public bidding; and

WHEREAS, in furtherance of the public purposes set forth above, the County proposes to transfer its fee interest in the Facility to the Orleans County Health Facilities Corporation, a local development corporation formed pursuant to Section 1411(a) of the LDC Act (hereinafter, the “Corporation”), subject to the County’s reserved leasehold interest in the Facility (collectively, the “Disposition”), with the foregoing Disposition allowing the County to continue operation of the Facility until such time as the Corporation determines that transferring ownership of the Facility to a third party or parties is in the best interest of the County; and

WHEREAS, pursuant to the LDC Act, the Disposition of the Facility to the Corporation may be on such terms and for such amount or amounts as may be agreed upon by the County and the Corporation, and as provided herein, the County shall require that the net proceeds of the Disposition and of any eventual sale to a third party are paid to the County; and

WHEREAS, while the County retains a leasehold interest, the employees of the Orleans County Nursing Home facility, known as “The Villages of Orleans Health & Rehabilitation Center” will continue as county employees with all County rights and benefits associated therewith; and

WHEREAS, pursuant to and in accordance with Section 1411(d) of the LDC Act, a public hearing relating to the Disposition was duly

scheduled, noticed, and conducted by the Orleans County Legislature prior to the adoption of this resolution.

NOW THEREFORE BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF ORLEANS AS FOLLOWS:

RESOLVED, that the Orleans County Legislature hereby authorizes the following:

1. Creation of the Corporation by the filing of the Certificate of Incorporation in the form presented with the Chair of the Legislature as the sole member with authority to designate a board of directors and other powers of a member acting under the LDC Act; and

2. Pursuant to Section 1411(d)(1) of the LDC Act and upon due consideration of the presentations and comments received during the public hearing, the County Legislature hereby determines that fee title to the Facility is not required for use by the County; and

3. Pursuant to Section 1411(d) of the LDC Act, the County of Orleans hereby authorizes the undertaking of the Disposition, including transfer of fee title to the Facility together with the equipment and assets situate thereon to the Corporation pursuant to a Deed to be approved by the County Attorney (the "Deed"), and under the authority of County Law Section 215, a Bill of Sale for related personal property ("Bill of Sale") with the County retaining accounts receivable, inventory, and supplies; and

4. The transfer of fee title to the Facility, and the related transfer of personal property, from the County to the Corporation shall be subject to the County's reserved leasehold interest in the Facility and related personal property for continued operation thereof by the County, such leasehold interest to be memorialized within a lease agreement by and between the County and the Corporation (the "Reservation of Rights Lease Agreement", to be approved by the County Attorney), a memorandum of which Reservation of Rights Lease Agreement shall be recorded with the Offices of the Orleans County Clerk and Clerk of the

Legislature immediately prior to the recording of the Deed and delivery of the Bill of Sale; and

5. The Chairman of the Orleans County Legislature is hereby authorized to executed any and all documents related to the Disposition, including the Deed, Bill of Sale, and Reservation of Rights Lease Agreement, along with any other agreements, forms, certificates, or applications necessary to effectuate the foregoing; and

6. During the interim, the employees of the Facility will remain employees of the County until such time as the leasehold is terminated or modified and/or the Corporation sells the Facility following termination of the Reservation of Rights Lease Agreement, and such employment during the interim period of employment shall continue to be subject to Civil Service law and regulations and applicable collective bargaining agreements.

BE IT FURTHER RESOLVED, that the County has identified the Disposition as an “Unlisted Action” as said term is defined pursuant to the State Environmental Quality Review Act (“SEQRA”). The County’s review of the Disposition pursuant to SEQRA is uncoordinated. Based upon the review by the County of an Environmental Assessment Form (the “EAF”) and related documents, the County hereby finds that (i) the Disposition will result in no major impacts and, therefore, is one which may not cause significant damage to the environment; (ii) the Disposition will not have a “significant effect on the environment” as such quoted terms are defined in SEQRA; and (iii) no “environmental impact statement” as such quoted term is defined in SEQRA, need be prepared for this action. This determination constitutes a negative declaration for purposes of SEQRA.

This Resolution shall take effect immediately.

Moved, Eick; second, Rush.

Legislator Johnson moved a resolution to protect the privacy of New York State pistol license and concealed carry permit holders. She pointed out several important points in the resolution. She is concerned that there are liberal newspapers in our state that, under NYS FOIL laws, are obtaining a list of gun owners and then publishing the location of pistol permit owners. This has created an information bank for criminals to know where people who do not own guns reside. This has created a huge issue and this Legislature opposes the release of this information. Legislator Bower seconded the resolution. Legislature Johnson informed the public that the forms are available here today to sign and submit to keep the County Clerk to keep their privacy. She invited Tinker Young, SCOPE, to speak and indicated that he will be personally delivering this resolution as he goes to Albany tomorrow.

Mr. Young, Chairman of the Orleans County Chapter of SCOPE, thanked the board personally on behalf of all gun owners in Orleans County on their stand in opposing the NYS Safe Act. This Act is not designed to stop crime in any way shape or form. No criminal walking into the mall with a 50 round clip will stop at 7 rounds. If so, it will give him more time to run or hide. He does not feel that all of us need to sign a piece of paper to keep our privacy. The Legislators should make that determination for us so that we can always keep our privacy. He asked if we could consider in Orleans County to put it in black in white for our county to keep our privacy. He knows that the County Clerk will do her utmost best to keep the privacy of our residents. He informed the board that Homeland Security is purchasing 1.5 billion rounds of ammunition. He indicated that we only used 70 million rounds in the Iraq war. Chairman Callard asked

that this resolution also be forwarded to our Towns and Villages. The following resolution was adopted:

**RESOLUTION NO. 93-213**

RESOLUTION CALLING ON THE NEW YORK STATE LEGISLATURE TO ENACT, AND GOVERNOR CUOMO TO SIGN INTO LAW, SUCH LEGISLATION AS SHALL PROTECT THE PRIVACY OF NEW YORK STATE PISTOL LICENSE AND CONCEALED CARRY PERMIT HOLDERS

WHEREAS, the Second Amendment to the Constitution of the United States clearly states that “the right of the people to keep and bear Arms, shall not be infringed;” and

WHEREAS, Article XII of the Constitution of the State of New York clearly states, “The defense and protection of the state and of the United States is an obligation of all persons within the state;” and

WHEREAS, the right to privacy of citizens, particularly within the confines of their own homes, is a cherished American tradition growing out from the Fourth, Ninth, and Fourteenth Amendments, and a right affirmed by the United State Supreme Court; and

WHEREAS, The Journal News, a liberal newspaper based in Westchester County, did obtain through Freedom of Information Law filings, the names and addresses of pistol permit holders in Westchester and Rockland counties, and has demanded the same in Putnam County, and may seek such information anywhere in the State of New York under the same law; and

WHEREAS, said liberal publication, The Journal News, did then use said pistol permit information to create an interactive map of pistol permit owners’ homes; and

WHEREAS, in addition to jeopardizing the privacy of citizens exercising their Second Amendment rights, this also jeopardizes the safety of those citizens who have elected not to exercise their Constitutional right

to keep and bear arms by identifying for criminals which households are less likely to resist an invasion; and

WHEREAS, this information has already been utilized by criminals currently incarcerated at the Rockland County Jail, who have taunted guards there by informing them they now know their home addresses, such information having been gleaned from the interactive maps created by The Journal News; and

WHEREAS, the Honorable Dennis Sant, County Clerk for Putnam County, having receive the same Freedom of Information Law request, has refused to comply in order to protect his county's citizens; and

WHEREAS, the Honorable Michael H. Ranzenhofer of Clarence and several colleagues in the Senate did introduce S.2360 during the 2012 session, and the Honorable Gregory R. Ball of Patterson, in Putnam County, did, while serving in the Assembly, did introduce in various years, similar legislation; and

WHEREAS, said legislation was unable to gain passage because the leadership of the New York State Assembly, including Speaker Sheldon Silver, refused to allow it to be acted on in committee; and

WHEREAS, Senator Ball has indicated he will introduce such legislation again this session; and

WHEREAS, it is the right of the citizens of Orleans County to take any reasonable measures necessary to be secure in their homes against criminals and other dangerous trespassers; now, therefore, be it

RESOLVED, that the Legislature of the County of Orleans does hereby call upon the New York State Legislature to set as a top legislative priority the passage of legislation amending §400 Subdivision 5 of the Penal Law, to make confidential the personal information of pistol permit holders and applicants; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans calls upon the leadership of the New York State Assembly to cease its blocking of such legislation; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans calls upon its full delegation to the New York State Assembly to vote in the affirmative on any bill as shall increase protection of the identities of pistol permit holders, except as such protections shall be included with legislation that restricts the Second Amendment rights of New Yorkers, and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans does hereby call upon the New York State Senate to vote upon, and pass, such legislation immediately; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans calls upon Governor Cuomo to endorse such legislation and sign it into law immediately upon its enactment by the New York State Legislature; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans commends the Honorable Dennis Sant for his execution of his charge, namely protecting the right to privacy of his county's citizens; and be it

FURTHER RESOLVED, that the County of Orleans shall forward copies of this Resolution to Governor Cuomo, Senate Vice President Pro Tem George D. Mazarz; Member of Assembly Steve Hawley; Member of the Assembly Jane L. Corwin; Senate Temporary President Dean G. Skelos, Senate Deputy Majority Leader Thomas W. Libous, Senator Gregory R. Ball, Senator Michael H. Ranzenhofer, Speaker of the Assembly Sheldon Silver, Assembly Majority Leader Joseph D. Morelle, Assembly Minority Leader Brian M. Kolb, EL Tinker Young, Orleans County Chapter of SCOPE; Orleans County Federation of Sportsmen Clubs; NYSAC; and InterCounty Association of Western New York; and all others deemed necessary and proper.

**RESOLUTION NO. 95-213**

**AUTHORIZING TAX ABATEMENT FOR TOWN OF CLARENDON OLD STONE STORE**

WHEREAS, the Town of Clarendon became vested with title to the real property commonly known as 16301 East Lee Road in the Town of Clarendon, tax map no. 98.9-1-21 commonly known as the Old Stone Store; and

WHEREAS, the Town of Clarendon is in the process of selling the said real property to a party for rehabilitation in a historically consistent fashion which sale is contingent upon relief from unpaid real property taxes and penalties; and

WHEREAS, the real property is currently included in the pending In Rem Tax Foreclosure Proceeding and the County Treasurer has

consented to withdraw the parcel from the In Rem Proceeding in order to allow the sale by the Town of Clarendon; and

WHEREAS, the Town of Clarendon has requested this Legislature to grant relief from unpaid taxes and penalties in order to allow the sale and rehabilitation of the parcel as part of the Town's revitalization efforts and to improve the visual impact of the parcel on the community in a historically consistent fashion; and

WHEREAS, this Legislature recognizes and determines that the sale and rehabilitation of said parcel is in the best interests of the Town of Clarendon which in turn serves the best interests of the County of Orleans; now, therefore be it

RESOLVED, that this Legislature hereby authorizes the County Treasurer as the chief tax enforcing officer of the County to permit a cancellation of all interest, penalties and solid waste/recycling charges with respect to said tax map parcel no. 98.9-1-21 without chargeback; and be it

FURTHER RESOLVED, that this Legislature directs cancellation of any unpaid taxes and relieved school tax with respect to said tax map parcel no. 98.9-1-21 with appropriate chargebacks of the unpaid taxes and relieved school tax to the taxing entities.

Legislator Eick announced that Congressman Collins will be in Medina this Saturday at 10:00 a.m. at the Shirt Factory to meet the public.

Legislator Eick moved into executive session at 6:10 p.m. to discuss information relating to a current investigation and union negotiations per Open Meetings Law Sections 105 (c) and (e); seconded by Legislator Johnson. Motion Carried. Legislator Bower informed the public that no further business will be conducted.

Legislator Eick moved to reconvene the meeting from Executive Session at 6:30 p.m.; seconded by Legislator Smith.

With there being no further business, Legislator Eick moved to adjourn; second by Legislator Smith. Meeting adjourned at 6:31 p.m.

**LEGISLATURE MEETING**  
March 13, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator Smith, the Clerk called the roll. All Legislators were present, with the exception of Legislator Rush.

The Clerk presented the following communications: InterCounty Association of Western New York will be holding their monthly meeting in Wyoming County at Beaver Hollow Conference Center, The Biggest Loser Resort, on March 15<sup>th</sup>. The Medical Reserve Corps will hold a fire/emergency preparedness session at the Hoag Library on March 16<sup>th</sup> from 10 a.m. to 12 p.m. In celebration of Crime Victims Rights Week, the Annual Candle Light Vigil will be held on Thursday, April 25<sup>th</sup> from 5:00 to 8:00 p.m. at the Orleans County Courthouse steps. Permission is being requested to use the Courthouse for this event.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through February, 2013.

Chairman Callard opened the floor for discussion. Paul Rusin, Murray, thanked the Legislators for their action on the NY SAFE Act. He expressed that it is hard to hear in the chambers and suggested that speakers be installed. Chairman Callard indicated to him that we do have hearing devices available to the public to use upon request. Paul also suggested that meetings be videotaped in the case of a circumstance to where they can review the meeting again.

Chairman Callard reminded the public that Legislators are available before or after the meeting to discuss issues that do not pertain to the agenda. He wanted public comment only on items that are agenda related.

Mr. Rusin inquired about Resolution No. 102-313. Mr. Nesbitt explained that this pertains to the billing for the Early Intervention Program which involves special needs children from ages 3 to 5, which is no additional cost to the County.

Allen Lofthouse, Kendall, inquired about Resolution No. 106-313. Legislator Bower explained that if an emergency call comes from a cellular phone, this new system will help in pinpointing their location. He also expressed that more people are relying on cell phones and many no longer maintain their landlines.

Paul Lauricella, Yates, expressed that the Local Law introduced today should be thrown into the garbage. He asked why anyone would want to take term limits away from board appointments. Legislator Bower stated that he has sat on many boards over the years and it is hard to get people to serve especially designated areas needed for representation so if they are willing to serve, such as a Doctor, they will be asked to continue to serve if there are no term limits. Mr. Lauricella indicated that he would be willing to serve if asked. Chairman Callard advised that comments pertaining to this issue can be made at the upcoming Public Hearing.

Mr. Lauricella inquired about Resolution No. 99-313, concerning the IDA sales tax breaks and he shared his concern about businesses getting sales tax breaks on the backs of the taxpayers. Chairman Callard indicated that we are delaying the possibility of the state taking power away from the counties and that is why the county is objecting to them and having decisions made on a reasonable basis. It is counterproductive on the county itself. Mr. Lauricella added that to give people money to come to set up business in our County and then tax breaks too is just not right.

Mr. Lauricella also commented on Resolution No. 106-313 in that we are going to become a surveillance nation and everyone is helping homeland security to achieve their goal.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Bower. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 97-313**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development

Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	3302-3456	\$394,580.39
Highway	134-141; 284-329	\$146,882.74
Nursing Home	1211-1218; 25795-25836	\$251,305.45
Job Development	No Claims	
Self Insurance	1024; 51749-51753; 51678	\$55,407.43

Moved, Allport; second, Smith.

### **RESOLUTION NO. 99-313**

#### **RESOLUTION OPPOSING THE GOVERNOR'S PROPOSAL TO LIMIT INDUSTRIAL DEVELOPMENT AGENCIES' ABILITY TO GRANT STATE SALES TAX EXEMPTIONS AS PART OF LOCAL ECONOMIC DEVELOPMENT EFFORTS**

WHEREAS, currently, an industrial development agency ("IDA") may grant exemption from State sales and use taxes for projects that the IDA determines advance the job opportunities, health, general prosperity, and economic welfare of the inhabitants of the county, region, and the State; and

WHEREAS, IDAs can provide State sales tax exemption without State approval and must give notice to the State of the agent/project operator's appointment; and

WHEREAS, IDA's are uniquely created and organized to cooperate with local economic development groups and deal with state agencies, local businesses, job retention, job creation, and grant inducements for economic development and stimulate economies of all sizes; and

WHEREAS, Governor Cuomo's proposed 2013-2014 Executive Budget contains a provision to restrict the authority of IDAs to provide State sales and use tax exemptions in the following ways:

- An IDA could only grant a State sales tax exemption to an agent or project operator that has been certified as a participant in the Excelsior Jobs Program, or is a business that would be eligible to participate in the Program,
- Eligibility in the Program is limited to certain types of firms, with specific criteria for job creation and capital investment for each type of firm,
- Before an IDA could award a State sales tax exemption, it would need to receive a determination from the Commissioner of Economic Development, in consultation with the Regional Economic Development Council, that the benefit plan is consistent with regional economic development strategies,
- An IDA would be prevented from providing a State sales tax exemption greater than that approved by the Commissioner of Economic Development,
- An agent or project operator would have to submit a claim for credit or refund to obtain a State sales tax exemption,
- An IDA would be required to send notice to the Tax Department when its appointment of an agent/project operator has expired or been revoked,
- An IDA would need to remit to the State any payments from a payment in lieu of taxes (PILOT) agreement for State sales and use taxes,
- If an IDA recaptures State sales and use tax monies from its agent or project operator, it would be required to turn such monies over to the NYS Commissioner of Tax and Finance,
- The bill would become effective immediately and apply to any IDA project, benefits, or PILOT agreements established or revised on or after the bill's effective date.

NOW THEREFORE BE IT RESOLVED, that the Orleans County Legislature opposes this proposal and calls for the Legislature to reject these reforms due to the detrimental impact they would have on local economic development and job creation efforts; and be it

FURTHER RESOLVED that the Orleans County Legislature shall forward copies of this resolution to Governor Andrew Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, the 10 regional economic development councils, The New York State Economic Development Council (NYS EDC), Orleans County Economic Development, NYSAC, InterCounty Association of Western New York, and all others deemed necessary and proper.

Moved, Bower; second, Johnson.

### **RESOLUTION NO. 106-313**

APPROVING AGREEMENT BETWEEN THE COUNTY OF ORLEANS AND NEW YORK STATE DIVISION OF HOMELAND SECURITY AND EMERGENCY SERVICES OFFICE OF CYBER SECURITY

WHEREAS, the need exists for a Statewide address database and Statewide parcel layer that will enhance the ability of 911 Centers throughout the state to better determine the location of citizens needing police, fire, or emergency medical services; and

WHEREAS, The New York State Division of Homeland Security and Emergency Services Office of Cyber Security (DHSES OCS) is engaged in two separate but related projects: building a statewide address database and statewide parcel layer; and

WHEREAS, The New York State Division of Homeland Security and Emergency Services Office of Cyber Security is developing a Street Address Mapping (SAM) Project and desires to use the best available sources for the data build while not duplicating existing work. Recognizing that some counties have already mapped address points and most have data containing address information that could be useful for the data build (e.g., address points, building footprints, Master Street Address Guide (MSAG) ranges, Local Exchange Carrier subscriber database, Master Address lists, tax parcels) DHSES OCS is requesting copies of Orleans County address-related data to support the Statewide address point build. Source data provided may be used to add new address points, to validate the location and/or attributes of existing address points, or for other DHSES OCS internal uses; and

WHEREAS, while the statewide Address Point Geographic Information System (GIS) database will be publicly available, source data-apart from parcel data-will not be distributed outside of DHSES OCS

unless Orleans County instructs otherwise (e.g., it requests a provided data set be posted on the NYS GIS Clearinghouse); and

WHEREAS, *DHSES OCS* is simultaneously engaged in the implementation of the NYS Business Plan for Centralized Access to Consistent Cadastral Data, the goal being to create a publicly accessible digital statewide parcel data layer. The NYS GIS Coordinating Body and *DHSES OCS* collaborated with stakeholders across the State, including counties and other local governments, to develop the plan; now be it

RESOLVED, that Orleans County enter into an agreement with *DHSES OCS* to provide the following Data Set Names:

- 911 Data Base address points (Computer-Aided Dispatch [CAD] parcel centroids
- MSAG list
- Landmarks
- Parcel boundaries with the following attributes:  
street number; street suffix; street name; display boundaries; property class codes; SBL(Sector, Block, Lot); MSAG list; Landmarks

Data will be provided but not in a downloadable format or used in any internet/web feature service.

and be it

FURTHER RESOLVED, that there will be no costs levied upon the County or to the residents of the county in providing this information to *DHSES OCS*; and be it

FURTHER RESOLVED, that this agreement will be subject to review five years from its execution; and be it

FURTHER RESOLVED, that the Chairman of the Legislature is authorized to sign this agreement subject to the review and approval of the Orleans County Attorney and Chief Administrative Officer.

## LEGISLATURE MEETING

March 27, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag, the Clerk called the roll. All Legislators were present, with the exception of Legislators Rush and Smith.

The Clerk presented the following communications: Jim Sinner President and CEO of Orleans Community Health are requesting that the Orleans County Legislature support Legislation, along with over 300 other municipalities throughout New York State to create tobacco free parks. He is also asking that the Orleans County Legislature take action to create a tobacco free policy for all county parks within Orleans County. Orleans County Treasurer has reported two Real Property Tax refunds issued this calendar year per Resolution No. 19-113. The Genesee Finger Lakes Regional Planning Council's Spring Regional Local Government (full-day) Workshop is May 16<sup>th</sup> at the Burgundy Basin Inn in Pittsford. Early registration deadline is May 7<sup>th</sup>. This training fulfills the state training requirement for local planning officials. Gia Arnold, of NYR (New York Revolution) Orleans County, is requesting use of the Courthouse steps and use of power on April 13<sup>th</sup> to hold a peaceful gathering of 2<sup>nd</sup> Amendment supporters in Orleans County between 11 a.m – 2 p.m. Their intent is to host speakers and network amongst supporters. They plan to set up at 10 a.m. and be off the premises by 4 p.m. after cleaning up. The Orleans County Legislature approved this request. Prescription Drug Take Back Day – Saturday, April 27<sup>th</sup> from 10 a.m. to 2 p.m. Locations to drop off prescriptions include Holley Fire Department, Medina Fire Department, and the Orleans County Public Safety Building.

The Treasurer stated that she handed out her report at the last meeting but did report that she was very close to closing the books for 2012.

Chairman Called opened the floor for discussion. John Panek, Albion, stated that he started Panek Farms on Countyhouse Road; dedicating his life to farming and didn't follow up on what was happening around him. In the last few years they have had health problems and have landed into

the Villages Rehab section, after being in several other facilities. He was amazed at the treatment that happens there. He shared his concern about the sale of the facility to go for profit and not for care. He wanted to express his feelings and to have the Board keep their family members in mind as to where they want to go for care. He also indicated that George Lamont, who was unable to make it today, has also been highly grateful for the care his family has received at the Villages.

Daniel Schuth, Orleans County Soil and Water District Manager, stated that in October of 2012 NYS Ag and Markets announced a grant opportunity for funding under the Ag Non- Point Source Pollution Abatement Control Program. They had \$14.2 million available to be handed out on a competitive basis. It was recently reported that 76 applications were submitted for \$21.5 million, but the pot shrunk to \$12.2 million available for these grants. Mr. Schuth received a call several weeks ago that 29 grants would be funded and that Orleans County Soil and Water made the cut. Orleans County was awarded \$290,402 for this grant program which is based on cover crops for farmers along the Oak Orchard Water Shed. He explained that this is a three year program and money will go towards the seed for putting in cover crops. It is to see how it affects sections of the Oak Orchard River which DEC has labeled stressed or impaired due to sediment and nutrients in the water. This grant will get the cover crops planted in Ag land so the roots help keep soil in place therefore reducing run off to our streams. He explained the process and explained that farmers will use less chemicals and fertilizer because they are being held in the field by this cover crop. Therefore the quality of our soil and water goes up.

Chairman Callard also stated that Mr. Schuth represented Orleans County at a recent multi county meeting concerning dredging in our harbors and asked if he would report on this meeting. Mr. Schuth stated that this meeting pulled together Legislators from Niagara County, county residents, stakeholders of area yacht clubs and marina operators, and Town Supervisors from Newfane and Olcott area. He expressed that the Oak Orchard Harbor is a tourism attraction and brings money to our county, same for Niagara County harbors. These other towns have gotten further along in looking into dredging their harbors. They feel they are losing tourism because word spreads fast if boats can't get into our

harbors. This was a pre-meeting to discuss working together. Wilson has prepared an engineering plan for dredging, Olcott is close in completing theirs and we are a bit behind, indicated Mr. Schuth. First is sampling of the material and analysis of the sediment in the harbor area. To dredge material out is \$30 - \$50 per ton to remove to the lake and dump it. If there are high levels of contaminants, it has to go to a hazardous material landfill which doubles the cost of the removal. The Army Corp of Engineers, and NYS DEC representatives from regions 8 and 9 were present. They all were very receptive in accepting sampling plans as the first step towards dredging. There is no money to go forward and we are at the talking stages on how to address this as a group, said Mr. Schuth. He felt this meeting brought together the right people at the right time and no negativism was noticed. Chairman Callard stated that we are moving ahead to have our plan completed this year but he understands that monies will not be available from the state or federal government until next year. He said our situation at Oak Orchard Harbor is four to five feet in depth but at Wilson Harbor is three feet, which is becoming very problematic. Mr. Schuth also voiced concern that the federal government could be responsible between two jetties but the boats near the marina's are the state or county responsibility and this needs to be worked through by each party and agreeing to do their part. The stakeholders are taking this seriously, stated Mr. Schuth. Chairman Callard thanked Mr. Schuth for his involvement and today's report.

Chairman Callard invited the Election Commissioners to come to address their concern for a resolution on the today's agenda for a proposed law change by New York State to expand voting days. He stated that it is important for the people to understand the consequences and the local impact to the taxpayers. Commissioners Piedimonte and Grabowski were welcomed to comment on this resolution

Commissioner Piedimonte informed us that the State's plan would cost Orleans County approximately \$55,000 for two primaries. They are proposing voting seven days a week before the primary from 8 a.m. to 7 p.m. They propose voting 14 consecutive days before the general election from 7 a.m. to 7 p.m. Under this law, hoping this does not affect Orleans County, every county would have to have five sites. If Orleans County would be permitted to have one site, the cost would be approximately

\$15,000 to \$20,000. It would be ridiculous to require five sites for the county of our size, indicated Commissioner Piedimonte. The Orleans County Board of Elections opposes this at this time. He also added that we would need two to four people, a Democrat and Republican, at each of the sites, which is also costly along with a concern of not having enough people to staff the sites based on these new requirements of the law. Commissioner Grabowski added that she does not see any reason for this in Orleans County. Now, if someone cannot get to the polls, they are able to apply for an absentee ballot application and an absentee ballot would be mailed to them. Chairman Callard asked if every state in the nation does this. Commissioner Piedimonte responded that thirty-two states do. New York City only had a 45% turnout at the last election and this is where it is being pushed from. They have the power and votes to make this law happen. Commissioner Piedimonte spoke to Assemblyman Hawley the other day and he does not think this will be stopped.

Legislator Bower spoke on the closure of the Continuing Day Treatment that was at Mental Health. On Monday, he rode the bus with twelve Orleans County people attending the Continuing Day Treatment program in Genesee County. He spoke with them along the ride there and indicated it was a very happy atmosphere and he found no problems at all with the ride. He spent an hour and a half going through the Genesee County program, speaking with those who provide the services. Legislator Bower indicated he is completely satisfied that this Legislature did the right thing because they provide more services due to a larger staff and more funds to do things with this program.

Legislator Bower announced that he will not be seeking re-election and he assured the public that he will be here until December 31<sup>st</sup> doing the people's work.

Legislator Eick thanked Legislator Bower for reporting on his travels. He appreciates knowing that the committee recommended the right thing. Chairman Callard credited Legislator Bower for taking the time and effort to look into this and for always caring, which has always been appreciated.

The following resolutions were presented for adoption:

### **RESOLUTION NO. 134-313**

#### **APPROVING AGREEMENT BETWEEN ORLEANS COUNTY PUBLIC DEFENDER AND NYS OFFICE OF INDIGENT LEGAL SERVICES**

RESOLVED, that this Legislature approves the agreement between the Orleans County Public Defender and NYS Office of Indigent Legal Services, State Capitol Rm. 128, Albany, NY 12224 to provide funds in the amount of \$78,219 to assist the County in improving the quality of indigent legal services; effective June 1, 2012 through May 31, 2015.

Moved, Bower; second, Johnson.

Adopted. 5 ayes; 0 nays; 2 absent, Rush and Smith.

Legislator Johnson moved a resolution to support NYS Senate Bill S02111 to give state income tax credit to volunteer firefighters and ambulance corps, in good standing, up to \$1,200; seconded by Legislator Bower. Legislator Johnson reported that there has been a reduction of 50 to 60% in total membership in our volunteer fire departments. She said if in this small way going from a \$200 credit that they now receive in their New York State Tax return to a \$1,200 credit gets a few more people involved in our volunteer fire departments to increase the membership, then there is truly a need. Legislator Johnson requested that this resolution be sent to our Towns, while Legislator Bower also suggested sending it to our Villages. Chairman Callard indicated that the training requirements have increased along with the costs. Emerson L. Tinker Young, Yates, who is a Lyndonville Fire Policeman, thanked the board for this resolution on

behalf of all volunteer firemen and EMS personnel. He reviewed the cost of the training and the increased requirements that these volunteer firemen have to complete. The EMT's have even more training. This \$1,200 is a dent to help with those costs. Leon Randall, Murray, is the Orleans County Trustee for the Western New York Firemen's Association stated that he supports this resolution. Legislator Allport stated that it should be noted, if he has the numbers right, that if Orleans County was forced to hire paid firemen to man ten of the firehouses, it would cost the county/towns \$7 to \$8 million a year. These volunteers deserve this because when 911 is called we expect them to show up, stated Legislator Allport. Legislator Johnson added that we should not be thanked, it is more appropriate for this Board to thank the volunteers that we rely on in emergencies. The following resolution was adopted:

**RESOLUTION NO. 135-313**

SUPPORTING NEW YORK STATE SENATE BILL S.02111 WHICH GIVES STATE INCOME TAX CREDIT TO VOLUNTEER FIRE FIGHTERS AND MEMBERS OF VOLUNTEER AMBULANCE CORPS IN GOOD STANDING UP TO \$1,200

RESOLVED, that the Orleans County Legislature hereby supports New York State Senate Bill S.02111, AN ACT to amend the tax law, in relation to providing for a credit against personal income tax for volunteer firefighters and members of volunteer ambulance corps, and asks that the New York State Assembly adopt similar legislation; and be it

FURTHER RESOLVED, that the Clerk to this Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz and New York State Assembly members Steve Hawley and Jane Corwin, NYSAC, Orleans County Towns and Villages, and all others deemed necessary and proper.

Moved, Johnson; second, Bower.

Appropriation:

A6772.452	Personal Serv. Contracts – Orleans Community Health	\$1,000
A6772.452	Personal Serv. Contracts – Hospice of Orleans	\$1,000

Moved, Allport; second, Bower.

Adopted. 5 ayes; 0 nays; 2 absent, Rush and Smith.

Legislator Johnson moved to approve the grant application to New York State Division of Homeland Security and Emergency Services as was presented by Chuck Kinsey, Director of Computer Services, during today’s conference session. This will provide door controls, file systems, and security needed in the county. Legislator Bower seconded the motion. Chairman Callard indicated it will include cameras also. The following resolution was adopted:

**RESOLUTION NO. 137-313**

**AUTHORIZING GRANT APPLICATION TO NEW YORK STATE DIVISION OF HOMELAND SECURITY AND EMERGENCY SERVICES**

RESOLVED, that this Legislature authorizes the County to apply to the office of the New York State Division of Homeland Security and

## LEGISLATURE MEETING

### April 10, 2013

---

Chairman Callard called the meeting to order at 4:35 PM. After the pledge to the flag and invocation, led by Pastor Roy Harriger, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: A Spaghetti Dinner Fundraiser to benefit the ARC of Orleans County's Nutri-Fair/Meals on Wheels Program will be held on Thursday, April 11<sup>th</sup> from 4:30 p.m. to 7:00 p.m. Coffee at the College series continues at the GCC Medina Campus on Tuesday, April 16<sup>th</sup> from 8 to 9 a.m. They will offer a 20-minute presentation on new academic programs, new facilities master plan, workforce training initiatives and other news. The next meeting of the Oak Orchard Watershed Protection Alliance will be held April 17, 2013 at 7:00 p.m. at the Orleans County Soil and Water Conservation District office, 446 West Avenue, Albion, NY 14411. InterCounty Association of Western New York will hold their April meeting on Friday, April 19, 2013 at the Lakeside Restaurant and Tavern in Hammondsport, Steuben County. Prescription Drug Take Back Day – April 27<sup>th</sup> from 10 a.m. to 2 p.m. Locations to drop off prescriptions include Holley Fire Department, Medina Fire Department, and the Orleans County Public Safety Building. Freedom of Information Act, Open Meetings Law, Personal Privacy Protection Law presented by Robert Freeman, Chairman of the Committee on Open Government, a New York State Agency and The League of Women Voters of Orleans County on April 29, 2013 at 7:00 p.m. at the Shelby Town Clerk's Office, 4062 Salt Works Road, Medina, New York. Topic: Updates to the law since his 2006 visit. The program is free and open to all members of the public and public officials. This presentation will be followed by a public question and answer session. Orleans County Office for the Aging and The ARC of Orleans will hold their Spring Jubilee celebrating "Older Americans Month" on May 3, 2013, 10:00 a.m., at the Trolley Building at the 4-H Fairgrounds. The 31<sup>st</sup> Annual Youth Recognition Banquet will be held on May 9, 2013 at Hickory Ridge Golf and Country Club at 6 p.m. Orleans County Board of Health submitted a letter supporting legislation to create a tobacco free environment on County-owned grounds, and parks and playgrounds throughout Orleans County. Marcia B. Tuohey, OTB Director for Orleans

County, has provided the Western Regional Off-Track Betting Corporation Revenue Summary through 2012. ABATE of New York – Orleans County Chapter is requesting permission to use the Courthouse steps and power on Sunday, May 5, 2013 for their Motorcycle Safety and Awareness Rally. The Board approved this request.

Legislator Johnson presented Terrissa Drennan, Crime Victim’s Services Coordinator, with a proclamation to proclaim April 21-27 as Nation Crime Victim’s Rights Week in Orleans County. Mrs. Drennan invited everyone to attend the Candlelight Vigil on Thursday, April 25<sup>th</sup> at the Courthouse Steps. They will be honoring victims and then a cookie and punch reception will follow.

Legislator Eick presented a proclamation to Paul Pettit, Director of Public Health, proclaiming April as National Donate Life Month in Orleans County.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through March, 2013. She stated that she also included the Capital Projects report through the end of December 2012. She made a million dollar loan to the radio capital project so don’t be nervous when you review the reports.

Chairman Callard opened the floor for discussion on the resolution for presentation today. Paul Rusin, Holley, inquired as to what the Major Felony Crime Task Force is and does. Mr. Nesbitt explained that it involves multi units that investigate major felonies. A lot of their activity is mostly focused on drug work in our County and it results in major seizures of drugs, guns, and money. Chairman Callard added that we have similar agreements with the Villages of Albion and Medina. Legislator Johnson stated that each of the Villages contributes an officer and we make payment back to the village to compensate their payroll for their time they commit to the task force.

Paul Lauricella, Yates, questioned Chairman Callard why there is a limitation on his first amendment rights to speak only on items on today’s agenda. He stated that he always praised the Legislature for allowing people to speak their mind. Now it seems to be limited to what is on the

agenda, when people have other concerns on county issues. Mr. Lauricella questioned Resolution No. 153 concerning the participation in NYS Homeland Security grant for inoperability and asked what this pertains to. Legislator Johnson requested Paul Wagner, Director of Emergency Management to provide information about this grant. Mr. Wagner explained that the LEMPG is an annual grant that is passed through from the Federal government down through the State office to the local office to aim at several different facets of emergency management planning and response, for equipment acquisition. It is the basis of how we maintain our Comprehensive Emergency Plan in Orleans County. Mr. Lauricella asked about what type of equipment they plan to acquire. Mr. Wagner indicated that they will seek interoperable radio equipment which will include 20 portable radios and accessories to be used by all emergency agencies.

Chairman Callard wanted it to be understood that people are not precluded in speaking about county issues but there are times that people have gotten carried away with national and world wide issues and we are limited in the time for these types of discussion. Chairman Callard did not want anyone to feel that their privileges had been rescinded. He is trying to limit the discussion to the business of the county. Mr. Lauricella expressed that he understands that but sometimes the national things do reflect down to the county level. Chairman Callard stated if time permits, we can have those discussions.

Chairman Callard asked if any of the Legislators wished to offer anything. Legislator Smith introduced the Life Partnership Program who is present at today's meeting. Legislator Smith explained the dynamics of the program which is lead by GCC through a grant from the NYS Department of Education. This program provides academic and personal support services for students in grades 6 through 12. In 1989 this program began in Albion and Medina Schools. Theresa Zwifka, Director of Building Partnerships Program at GCC, works in the Albion School District introduced herself along with her partner from Medina School, Andrea Zena. Mrs. Zwifka stated she brought twelve students today to expose them to some civic opportunities and to hopefully get them involved in their community. The students stood while they introduced themselves and indicated what school they attend. A photo was taken of them along

with Legislators and their leaders. Chairman Callard thanked them for attending today.

The following resolutions were presented for adoption:

**SETTING DATE AND TERMS FOR AUCTION OF COUNTY-OWNED TAX PROPERTIES NOTWITHSTANDING ANY RESOLUTION HERETOFORE ADOPTED**

RESOLVED, that the following terms of auction for County-owned property for the auction to be held Wednesday, May 22, 2013 at 11:00 a.m. at the Albion American Legion Post, 131 South Main Street, Albion, New York, be approved by this Legislature as follows:

TERMS OF AUCTION  
ORLEANS COUNTY TAX PROPERTY AUCTION  
ALBION AMERICAN LEGION POST  
ALBION, NEW YORK  
May 22, 2013  
11:00 AM

This is the sale at public auction of various parcels of real property, which have been conveyed in the County of Orleans by final judgment under the so-called In Rem Tax Foreclosure Proceedings. This sale is ordered by various resolutions of the Orleans County Legislature and is in accordance with the appropriate provisions of the Real Property Tax Law. This sale and sale of each and every parcel herein is upon the following terms:

TERMS AND CONDITIONS  
OF THE  
ORLEANS COUNTY AUCTION OF TAX FORECLOSED PROPERTY

1. Orleans County acquired title to these properties in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings; and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water assessments are the responsibility of the purchaser, whether they are received or not; (d) the levied 2013 Town and County tax bill including any releived taxes, 2012/2013 village taxes, 2012/2013 school tax, any village or town water and sewer rents and assessments, in addition to any other applicable charges (including, but not limited to, omitted and pro rata taxes, demolition charges, interest and penalties); and (e) for purposes of taxation, the

- purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the public auction.
4. The purchaser shall be solely responsible for the payment of: the levied 2013 Town and County tax bill including any relieved taxes; any Village taxes levied after May 31, 2013, the 2013/2014 school taxes, the 2014 Town and County taxes, penalties and interest and charges levied against the property subsequent to the auction.
  5. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date of the auction. Upon delivery of the quitclaim deed by the County of Orleans to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
  6. No personal property is included in the sale of any of the parcels owned by Orleans County, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the successful purchaser following the closing of sale.
  7. All informational tools, such as slides, tax maps, deeds, photos, auction listings, auction catalogs, auction signs, property record cards, etc., are for identification purposes only and are neither a guarantee nor a warranty as to location, dimensions, parcel use and/or size, or anything else. THE COUNTY, THE AUCTIONEER, AND THE AUCTION SERVICE MAKE NO WARRANTY EXPRESSED OR IMPLIED IN CONNECTION WITH THIS SALE.
  8. The County of Orleans reserves the right, in its sole discretion, to withdraw from the auction any of the properties listed on the schedule of real property.
  9. Notice is hereby given that the premises being sold may lie within an Agricultural District as designated upon the tax map. It is the sole responsibility of any bidder to ascertain which specific parcel(s) is so designated and sold subject to the provisions of law applicable thereto.
  10. All bidders are required to register and provide suitable personal identification prior to the auction. Auctioneer reserves the right to decline registration if identification is not sufficient.

11. All bidders are required to use the bidder number issued to them for all purposes associated with the auction. A bidder may not bid on behalf of a party who is on the prohibited bidder list.
12. Bidder acknowledges receipt of the pamphlet entitled “Protecting Your Family From Lead in Your Home.” Bidder also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards, mold, asbestos or any other hazardous substances.
13. The former owner of the property, or his agent, shall not be deemed to be the successful bidder on the property or purchase same at the public auction, unless the bid amount exceeds the amount of the purchase price to affect the release of County’s interest. If the former owner or his agent reacquires the property, all liens existing prior to the foreclosure, will be reinstated and the purchaser (former owner) must sign the deed to reinstate the liens.
14. Purchaser shall provide information necessary to complete, and shall execute, the necessary forms and documents required for recording the deed in the Orleans County Clerk’s Office. The purchaser executing the auction terms and conditions of sale may not assign or otherwise transfer his right to complete the bid, unless the County agrees in writing. The deed prepared will be in the name of the successful bidder (and spouse) only. No third party bidding will be accepted, unless the bidder identifies that he is bidding as an agent for a disclosed principal.
15. The auctioneer’s decision regarding any disputes is final, and the auctioneer reserves the right to reject any bid that is not an appreciable advancement over the proceeding bid.
16. The Purchaser will execute an Offer to Purchase form immediately upon being declared the high bidder. The approval of each bid by Resolution of the County Legislature *will not constitute a Contract of Sale* and the County reserves the right to reject any bid prior to the closing of title and the recording of the deed.
17. The Purchaser shall be responsible for the payment of an eleven percent (11%) buyer’s premium should buyer be paying by credit card or a ten percent (10%) buyer’s premium should the buyer be paying by cash or by bank check in addition to the accepted purchase price and the closing fees/costs. The “buyer’s premium”

is the fee/commission earned by the auctioneer. An additional one and one half percent (1.5%) of the purchase price will be added to each parcel for advertising expenses. Accepted purchase price is the amount bid by a perspective bidder, which has been approved by the Orleans County Legislature.

18. All required deposits must be paid in full for all successful bids immediately upon being declared the successful bidder. Any successful bidder, who fails to tender the deposit immediately upon being declared the successful bidder, will be forbidden to participate in this or any other auction. Any parcels which the County did not receive deposits for, as per these terms and conditions, will be considered to be defaulted, and resold and the bidder will be disqualified from further bidding.
19. 25% of the total contract price (total contract price is the combination of the high bid and the buyer's premium, as defined in section 17 of these terms and conditions), shall be paid as a down payment on the day of the auction upon execution of an Offer to Purchase Form. Total contract prices selling for \$250.00 or less must be paid in full at auction, including all closing costs which consist of the following will be paid with the down payment on the day of the auction for each parcel: (a) New York State Transfer Tax [\$4.00 for the first \$1,000; \$2.00 for each \$500 thereafter of the purchase/bid price]; (b) Filing Fee for the Real Property Transfer Report [\$125.00 if the parcels classification code is 100-199, 200-299 or 411-C; \$250.00 for all parcels otherwise classified]; (c) Filing Fee for combined Gains Transfer Tax Affidavit [\$5.00]; (d) all fees required by the Orleans County Clerk for recording of the deed [\$50.00 to record a one page deed; \$5.00 for each additional page] *Closing costs may be subjected to an increase in fees as required by law, without notice.* All deposits must be made in cash or guaranteed funds payable to the "Orleans County Treasurer" and drawn on banks insured by the Federal Deposit Insurance Corporation (FDIC). No exceptions.
20. All bids shall be subject to approval by the Orleans County Legislature, which shall have the right, in the Legislature's sole discretion, to reject any bid for any reason whatsoever.
21. All parcels for which you are the successful bidder for must be paid in full. No selective closings subsequent to the auction.

Failure to remit full payment on all parcels for which you are the successful bidder will result in a default of all deposits tendered, and you will not be permitted to close on any other parcels for which you are the successful bidder.

22. The entire balance of the accepted purchase price, the buyer's premium, as defined in section 17 of these terms and conditions, and all closing costs/fees must be paid by cash or guaranteed funds payable to received by the Orleans County Treasurer's Office on or before June 28, 2013. The County is not required to send notice of acceptance to a purchaser. If the purchaser fails to pay the balance of the total contract price plus closing costs and fees as herein provided, the deposit shall be forfeited. The County reserves the right, in its sole discretion, to extend the time of payment upon such terms and conditions it deems appropriate.
23. If the successful bidder fails to tender such amount due by the close of business on June 28, 2013, then the County may, but is not obligated to offer any unsold property to the second highest bidder. All terms and conditions for the sale set forth herein above shall apply to the second highest bidder and/or any other purchaser.
24. All sales shall be final, absolute and without recourse, once title has closed and the deed has been recorded. In no event, shall Orleans County and/or Haroff Auction & Realty, Inc. and/or Absolute Auctions & Realty, Inc. be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, its heirs, success or assigns, against Orleans County and/or Haroff Auction & Realty, Inc. and/or Absolute Auctions & Realty, Inc. arising from this sale.
25. The County of Orleans will execute no warranties concerning the parcel or title thereto and will not deliver or be responsible for abstracts, title insurance, title searches, surveys, maps or other documents concerning a parcel whatsoever.
26. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the County acquired title or as corrected up to date of deed. The deed will be recorded by the County upon payment in full of the accepted purchase price, buyer's premium, and closing fees/costs. POSSESSION OF PROPERTY IS

FORBIDDEN UNTIL THE DEED IS RECORDED WITH THE ORLEANS COUNTY CLERK CONVEYING TITLE TO THE PURCHASER. TITLE VESTS AT THE RECORDING OF THE DEED. It is agreed between the County and the purchaser that delivery and acceptance of the deed occurs upon recording the deed.

27. A quitclaim deed issued as a result of the auction shall contain the following provisions: (a) "Nothing contained in any description herein is intended to convey more than the assessed owner owned at the time of the levy of the tax, the non-payment of which resulted in the tax sale. There is no representation as to the extent of the acreage conveyed herein;" (b) Orleans County shall in no event be or become liable for any defect in the title so conveyed for any cause whatsoever, or for any encroachments or disputed boundaries; and that no claim or demand of any nature shall ever be made against said Orleans County arising from such sale or conveyance or any proceedings leading thereto.
28. Evictions, if necessary, are solely the responsibility of the successful purchaser after closing and recording of the deed.

Moved, Johnson; second, Bower.  
Adopted. 7 ayes; 0 nays; 0 absent.

## LEGISLATURE MEETING

### April 24, 2013

---

Chairman Callard called the meeting to order at 4:41 PM. After the pledge to the flag and invocation, led by Pastor Harriger, the Clerk called the roll. All Legislators were present, with the exception of Legislator Bower.

The Clerk presented the following communications: Orleans County Treasurer has submitted a report listing additional Real Property Tax refunds issued this calendar year per Resolution No. 19-113. Assemblyman Hawley will be hosting a public forum on New York's new gun laws on April 25 from 6:30 – 8:00 p.m. at Genesee Community College – Auditorium at Conable Technology Building, Room T102.

Susan Heard, Treasurer, reported that she just went through a Moody's Bond rating last week and we maintained our A1 standing. Chairman Callard congratulated her and emphasized how outstanding this is in today's market. Treasurer Heard indicated it is very good for the size of our county.

Chairman Callard opened the floor for discussion as it relates to today's agenda but stated he will take comments after the resolutions for any other concerns. Allen Lofthouse, Kendall, inquiring about Resolution No. 166, asking how many residents are served per year in this program and an idea as to the average hours per year. Chairman Callard referred the question to Melissa Blonar, Director of Office for the Aging. She indicated that Orleans County has sixty-five home care clients and actually are at developing a waiting list at this time. Currently there are three housekeeper aids on staff and have contract with two agencies, including Angels in Your Home. This is our back up agency and helps serve the eastern part of the county. Clients can get two hours of housekeeping service per week or every other week; and personal care, depending on their needs which they can receive anywhere between one to three hours of care per week.

Paul Lauricella, Yates, inquired about how the infrared cameras are going to be used. Sheriff Hess expressed that as he explained before, they will

be used on patrol and if a suspect is out in the woods, these hand held cameras will be used to see better. Sheriff Hess also explained that if services are needed for aircraft, other agencies will be called.

Legislator Johnson and Sheriff Hess presented a Motorcycle Safety and Awareness Month in Orleans County proclamation to Charlie McAllister. Mr. McAllister was grateful for the twenty-five years of support this Legislature has given to the Safety and Awareness to our Motorcyclists in our area.

Legislators Smith and Allport presented a proclamation to Melissa Blanar, Director of Office for the Aging, in celebration of Older Americans Month for May in Orleans County. Mrs. Blanar indicated that this proclamation will also be presented at the Annual Spring Jubilee on May 3<sup>rd</sup>.

Legislators Eick and Rush presented a Special Recognition Certificate to James Graziano as a result of retiring as Director of Mental Health Services in Orleans County upon eight years of leadership. Mr. Graziano received a standing ovation and was applauded for his service. Mr. Graziano voiced his appreciation in working with everyone in Orleans County to provide quality Mental Health services.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Rush. Motion carried. The following resolutions were presented for adoption:

\$135,800; said funds to be used to enhance capability to support international border and waterway security.

Moved, Johnson; second, Smith.

Adopted. 6 ayes; 0 nays; 1 absent, Bower.

Legislator Allport stated that he had the privilege, with Chairman Callard, to speak at the 2<sup>nd</sup> Amendment Rally held at the Courthouse opposing the NY SAFE Act. Legislator Allport thanked everyone in the large crowd for attending and for supporting and fighting for their constitutional rights. It was with his honor to present the following resolution, along with his distain towards Albany and Washington, calling for the repeal of the New York Safe Act, seconded by Legislator Johnson. Legislator Allport stated that he heard talk from the crowd that they are in favor of the Mental Health checks and considering Obama Care kicking in 2014 our doctor's will be answering to the government, and not their patients. Legislator Allport is sure with today's psychology tests, that they could find issues with everyone therefore it would give them a backdoor in confiscating guns. He strongly recommends opposing every piece of this act. We don't need more laws on the books and they should enforce the ones we have now than to continue to infringe on law abiding citizens and taking our rights away. The following resolution was adopted with applause from those in attendance:

### **RESOLUTION NO. 173-413**

**ORLEANS COUNTY LEGISLATURE CALLS FOR REPEAL OF THE  
"NEW YORK SAFE ACT"**

WHEREAS, the New York State Legislature enacted and Governor Andrew Cuomo signed into law the New York Secure Ammunition and Firearms Enforcement Act of 2013 (NY SAFE ACT); and

WHEREAS, this legislation is viewed by many citizens of the State of New York as being extremely controversial as those citizens view this Legislation as infringing upon their rights guaranteed to them under the second Amendment of the United State Constitution; and

WHEREAS, each and every issue that comes before the New York State Legislature before an enactment deserves a fair and open discussion which incorporates all points of views in order to ensure that all citizens are heard and that the Legislation incorporates the various points of view expressed during that discussion and benefits all of the citizens of the State of New York; and

WHEREAS, the NY SAFE ACT was adopted after minimal public discussion, contains serious flaws, i.e., police officers are not exempt, and having been on the desks of the members of the New York State Legislature for only a few hours, thereafter was literally adopted in the night and signed into law by Governor Andrew Cuomo; and

WHEREAS, the Governor has pledged to inflict no new unfunded mandates on local governments yet the Act contains no provision for funding the additional duties being imposed upon local Mental Health Departments, County Clerks, or local law enforcement agencies and as such constitutes yet another unfunded mandate by the State upon local municipal government with no corresponding revenue; and

WHEREAS, the Orleans County Legislature, by passage of Resolution No. 82-213, opposed the process of enactment and certain provisions contained within the New York Safe Act; and

WHEREAS, it is believed that many Orleans County residents are deeply concerned with this legislation, its effects, and the undue haste with which it was enacted; be it

RESOLVED, that the Orleans County Legislature calls for reconsideration and repeal of the so called NY SAFE ACT of 2013; and be it

FURTHER RESOLVED, that copies be sent to New York State Governor Andrew Cuomo, Senator George Maziarz, Assembly members Steve Hawley and Jane Corwin, NYSAC, Orleans County Towns and Villages, and all others deemed necessary and appropriate.

Moved, Allport; second, Johnson.  
Adopted. 6 ayes; 0 nays; 1 absent, Bower.

Legislator Eick moved to approve two collaborative agreements for the Health Department. Paul Pettit, Director of Orleans/Genesee Public Health indicated that it will be a cost savings for engineering and medical consulting services. These agreements will align and share these services amongst our two counties. Legislator Rush seconded the motion and the following resolution was adopted:

**RESOLUTION NO. 174-413**

**APPROVING AGREEMENTS BETWEEN THE ORLEANS COUNTY HEALTH DEPARTMENT AND VARIOUS CONTRACTORS**

RESOLVED, that this Legislature approves agreements between the Health Department and the following contractors:

Timothy Hens, PE, 7319 Quinlan Rd, Leroy, NY 14482 to provide Engineering Services to the Orleans County Health Department Environmental division. Contract period May 1, 2013 through December 31, 2014. Contractor to be paid \$85 per hour, with the maximum reimbursement amount of \$6,800 during the term of this agreement. Reimbursement from State Aid and collected fees. County Cost \$0.

Dr. Bruce Baker, 46 E. Main St., Leroy, NY 14482; to provide Medical Consultant services to the residents of Orleans County through the Orleans County Health Department. Medical Consultant services are needed in various departments throughout the Health Department. Contract period May 1, 2013 through December 31, 2014. Contract amount \$7,500. Dr. Baker will take a salary of \$2,500, and donate the remaining \$5,000 back to the Health Department for the training and education of staff. Reimbursement from State Aid.

and be it

FURTHER RESOLVED, that the Chairman is authorized to execute these agreements upon the review and approval of the Orleans County Attorney and Chief Administrative Officer.

Moved, Eick; second, Allport.  
Adopted. 6 ayes; 0 nays; 1 absent, Bower.

**RESOLUTION NO. 175-413**

**RESOLUTION NO. 176-413**

AUTHORIZING FILLING A VACANCY IN THE MOTOR VEHICLE DEPARTMENT

WHEREAS, it is important to service the public's needs in the Department of Motor Vehicles in these challenging times; and

WHEREAS, a forthcoming retirement of a Motor Vehicle Application Examiner effective May 3, 2013, will create a challenge to servicing the public's needs in the Department of Motor Vehicles; be it

RESOLVED, that this Legislature does hereby approve the filling of a vacant full-time Motor Vehicle Application Examiner position (1410.07) in the Motor Vehicle Department at Grade 9 of the CSEA Salary Schedule, effective May 6, 2013.

Moved, Johnson; second, Allport.

Adopted. 6 ayes; 0 nays; 1 absent, Bower.

Chairman Callard opened the floor for general discussion and comments. First, Chairman Callard recognized David Godfrey from the Niagara County Legislature who also serves as the Niagara County representative on the Niagara Orleans Regional Alliance (NORA). Chairman Callard mentioned that Legislators Johnson and Eick are his counterparts on NORA representing Orleans County. Legislator Godfrey thanked the Board for being here today and indicated he wanted to discuss the success NORA has brought to both Niagara and Orleans Counties. NORA started with our radio towers, the narrow banding mandates, in hopes to locate towers at each side of our borders to share the towers. It turned out it did not come to fruition however this started a really good relationship and he thanked Chairman Callard, Niagara County Chairman Bill Ross, and Orleans County Legislators Johnson and Eick for supporting this Alliance.

Legislator Godfrey explained that there is an initiative that came out of Orleans County for rural broadband to bring high speed internet into every single home and business within our counties. He said he is pleased that this was extended into Niagara County. He said they are trying to hold back all the bordering counties, because this initiative has gained a tremendous amount of visibility across our state and also in Washington because of the Connect America Initiative President Obama has. Currently we have three towns in Orleans County and four towns in Niagara County that have signed up for this initiative. This is an

economic requirement to bring jobs and businesses into our county. People are unable to apply through online job applications if they don't have access to the internet. At an educational standpoint, students need to have access to internet for their academic needs. It is an inhibitor to our growth for both for our students and businesses. He applauds Orleans County, Evhan Tupiss, who started this initiative and Legislator Johnson for moving this forward.

Legislator Godfrey complimented the passage on the NY SAFE Act resolutions in Orleans County. He indicated they have been in discussions through a relationship with Erie County under the Niagara Erie Regional Coalition. With the assistance of Legislator Ed Rath, they have identified opportunities to where all three counties will work together to go beyond the issues of the SAFE Act. Our administrative costs have escalated due to the increased paperwork that is hitting our clerks as a result of this legislation. All three counties will come together to support resolutions calling upon Albany to start funding these unfunded mandates that are literally being pushed down our throats.

Legislator Godfrey applauded the passage of the resolution to support our local volunteer firefighters and first responders. Taking quality time away from their families, they put their lives on the line for us so they are very deserving of this recognition. Niagara County was able to purchase imaging cameras for all of their volunteer fire companies, a life saving device, through Homeland Security Funding and will help Orleans County through Legislators Johnson and Eick to do the same for Orleans County.

Legislator Godfrey indicated that we have had a unified voice through the International Joint Commission (IJC) about our lake level. It goes on every single day. He reported that he had a good phone interview with WXXI of Rochester, raising that level of interest on our lake level from Rochester to the Niagara River thanks to NORA. Our dredging issues hit Albany using our unified voice. Senator Maziarz stood firm on getting our harbors - Oak Orchard, Olcott, and Wilson open. Congressman Collins has secured the Army Corp of Engineers funding and commitment to open all three of these harbors as a result of our alliance and standing strong together. He said with our growing relationship with Erie County

we will see, with all three counties working together and sharing services will result in a savings for our taxpayers.

Mattie Zarpentine, Holley, helped co-host the second amendment rally recently held at the County Courthouse. She thanked Legislators Allport and Chairman Callard for coming to speak at the rally which meant a lot to the citizens that were there. She thanked the entire board for the continuation in supporting the citizens in voicing their concerns about the rights that are slowly being taken away especially these second amendment rights. She was thanked for her help in the coordination of this rally.

Paul Lauricella, Yates, indicated how he continues to read in the newspaper about tax increases in our villages and in our towns. He commended the Kendall Central School District for lowering their taxes. He wishes it would rub off for the rest of them in this county. He questioned Legislator Allport regarding his comment on background checks and shared his concerns. Legislator Allport stated that background checks will help make sure we have good quality employees working for the County.

Chairman Callard requested Pastor Harriger to perform the benediction.

Legislator Allport moved to adjourn; second by Legislator smith. Meeting adjourned at 5:20 p.m.

## LEGISLATURE MEETING

May 8, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, led by Legislator Johnson, the Clerk called the roll. All Legislators were present, with the exception of Legislators Allport and Smith.

The Clerk presented the following communications: Orleans County Department of Planning and Development and the Niagara County Department of Economic Development will be hosting Land Use Training for Municipal Officials on Monday, June 24<sup>th</sup> at the Albion Middle School Auditorium from 5:00 p.m. to 9:30 p.m. Pre-registration required by June 17<sup>th</sup>. Al Capurso has requested use of the Courthouse Square lawn, in front of the County Clerk's Office, on Saturday, July 6, 2013 at 1:00 p.m. for the Historic Marker dedication to the people of Orleans County by the Capurso Family to commemorate Albion's first pioneer settlers, Mr. and Mrs. William McAllister. There will also be a musical presentation prior to and after the dedication. The Board approved this request.

Paul Lehman, the Interim Director at Cornell Cooperative Extension introduced himself and indicated that he came out of retirement to hold this position to work through a transitional period with new staff at the Extension. He stated that he appreciates Orleans County and the core volunteers who support the Extension. He is looking forward to looking at new staffing patterns and financial measures to keep Orleans County Cornell Cooperative Extension successful. Chairman Callard voiced appreciation of Mr. Lehman for coming to the Extension, out of his retirement.

During open discussion, Paul Lauricella, Yates, questioned Resolution No. 179-513 concerning the extension of the sales tax. Mr. Lauricella thought that it was just done. It was explained by Mr. Nesbitt that the process takes a long time due to the Home Rule Process through both State Legislative houses. It was explained that it does not involve a new tax, but extends the additional 1% that is due to expire on November 30, 2013.

Allen Lofthouse, Kendall, expressed his concern in reference to Resolution No. 190-513, for mandate relief in the new Common Core educational process. He said it is a way of taking our children's minds through taxpayers money. With the new software and computers, it will determine how children do in education. He indicated that it is a socialist agenda. He indicated that four or five states have opted out realizing that it is not beneficial to their education process. Mr. Lofthouse asked for the board to look into this mandate. Chairman Callard voiced appreciation to Mr. Lofthouse's comment.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Rush. Motion carried.

Legislator Bower stated that he received several calls in respect to the next scheduled LDC meeting and asked about the location. Per the three postings on the website and on the bulletin board outside of the Legislature office, the meeting will be held on Wednesday, May 15<sup>th</sup> at 1:30 in the Conference Room at the Public Health Office.

The following resolutions were presented for adoption:

**RESOLUTION NO. 187-513**

AMENDING RESOLUTION NO. 124-394, CALLING FOR THE PREPARATION OF AN INFORMATION TECHNOLOGY CAPITAL BUDGET PLAN

WHEREAS, the prevalence of computer related technology has increased dramatically in the conduct of County business and will continue to change the nature of the conduct of County business in the future; and

WHEREAS, there is a need for long-term planning for Information Technology related projects to maintain the existing technology

infrastructure, anticipate future need for expenditures, and to prioritize projects to allocate resources for the conduct of County business; now, be it

RESOLVED, that this Legislature does hereby amend Resolution No. 124-394 to include Information Technology project planning as part of the Capital Planning process for the year 2013, for budget year 2014, using forms and guidelines provided to Department Heads; and be it

FURTHER RESOLVED, that the Administration and Finance Committee with the Computer Services Director and Department Head associated with the proposed Information Technology project or their designee, will review and recommend each proposed project either as part of the Capital Planning process, or off-cycle from the Capital Planning process should the need arise.

Moved, Johnson; second, Bower.

Adopted. 5 ayes; 0 nays; 2 absent, Allport and Smith.

Legislator Johnson moved a resolution to support amending the Correction Law to require inmates to make medical co-payments. She stated that Senator Maziarz is sponsoring this bill to have inmates make a medical co-payment towards their medical needs which may curb unnecessary medical transports. Our inmates, in 2012, have spent over \$69,000 on commissary items which include telephone calls, postage, and miscellaneous items. This bill is asking for \$7 co-pays, which the Orleans County inmates could afford and would minimize our medical expenses. Legislator Johnson requested that this resolution also be sent to the towns. Legislator Bower seconded the following adopted resolution:

### **RESOLUTION NO. 188-513**

RESOLUTION IN SUPPORT OF NEW YORK STATE SENATE BILL S1894 – AN ACT TO AMEND THE CORRECTION LAW IN RELATION TO REQUIRING INMATES TO MAKE MEDICAL CO-PAYMENTS

WHEREAS, on January 9, 2013, Senator Michael F. Nozzolio sponsored bill S1894 in the New York State Senate 2013-2014 regular session, calling for an amendment to the correction law requiring inmates to make medical co-payments for medical services rendered within the jail. A companion bill in the Assembly, bill A6205 was introduced on March 15, 2013 sponsored by Assemblymen James Tedisco and Brian Kolb; and

WHEREAS, the cost for providing medical care has increased exponentially over the past several years, including prescription medications and in-jail medical treatment, without sufficient relief through state and federal reimbursements; and

WHEREAS, the savings that could be realized by decreasing the number of frivolous medical claims, in addition to the revenue generated by co-payments, would allow jail staff to provide better, more comprehensive care to those inmates with valid medical needs; and

WHEREAS, recorded spending by Orleans County Jail inmates for 2012 of \$69,089.13 on commissary items demonstrates their ability to pay a medical co-pay without creating a financial hardship; and

WHEREAS, it is the consensus of this legislative body that requiring small medical co-payments from inmates will deter malingerers who abuse the current system, and will also help defray the escalating cost of providing healthcare; and

WHEREAS, it is acknowledged that lack of funds on the part of an inmate will never be grounds for denying medical treatment as guaranteed under the Eighth Amendment to the Constitution of the United States; now be it

RESOLVED, that the Orleans County Legislature strongly supports New York State Senate Bill S1894, which seeks to implement a medical co-payment system for inmate healthcare; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Cuomo; Senator George D.

Maziarz; Senator Dean G. Skelos; Members of the Assembly Steve Hawley and Jane L. Corwin; Speaker of the Assembly Sheldon Silver; Assembly Minority Leader Brian M. Kolb; NYSAC; InterCounty of Western New York, Orleans County Towns; and all others deemed necessary and proper.

Moved, Johnson; second, Bower.

Adopted. 5 ayes; 0 nays; 2 absent, Allport and Smith.

### **RESOLUTION NO. 189-513**

**AUTHORIZING PLACEMENT OF A HISTORIC MARKER AT COURTHOUSE SQUARE HONORING MR. AND MRS. MCALLISTER, FIRST SETTLERS OF ALBION**

WHEREAS, Al Capurso of Gaines, NY, has done extensive research about Albion's first settlers, Mr. and Mrs. William McAllister, who in 1810 bought 368 acres from the Holland Land Company, the east side of the currently known Village of Albion; and

WHEREAS, in 1811 Mr. McAllister and his wife built a log cabin where the current County Clerk's building stands next to the County Courthouse and farmed the land around it; and

WHEREAS, in 1812 Mrs. McAllister passed away in the cabin and was laid to rest on the clearing near the home. Soon after his wife's death Mr. McAllister sold all of his land and moved away; and

WHEREAS, in 1957 the Orleans County Board of Supervisors awarded a construction contract to build an addition to the County Clerk's building, during which they discovered skeletal remains believed to be Mrs. McAllister and it is unclear as to where these remains were relocated; now be it

RESOLVED, that this Legislature authorizes the placement of a historic marker on the Courthouse Square to commemorate Mr. and Mrs. William McAllister as being Albion's first pioneer settlers; and be it

FURTHER RESOLVED, that this Legislature commends the Capurso Family for their extensive research into the history of our first settlers and is grateful for their donation towards the purchase and dedication for the placement of this historic marker celebrating this pioneer spirit.

Moved, Bower; second, Johnson.

Adopted. 5 ayes; 0 nays; 2 absent, Allport and Smith.

Legislator Bower publically thanked the Capurso Family for their generous donation and hours spent in researching these pioneers for the proper placement of this Historic Marker.

### **RESOLUTION NO. 190-513**

RESOLUTION DECLARING “MAYDAY FOR MANDATE RELIEF” AND URGING THE STATE TO ADOPT LAWS THAT DO NOT IMPOSE FURTHER FISCAL STRESS ON LOCAL GOVERNMENTS AND TAXPAYERS AND BUILD UPON RECENT EFFORTS TO REFORM COSTLY UNFUNDED MANDATES

WHEREAS, counties are mandated to administer and finance dozens of state and federal programs; and

WHEREAS, many counties in New York State face significant fiscal challenges made worse by the recent recession and slow economic recovery; and

WHEREAS, these county fiscal challenges are also directly tied to state-imposed mandates and in recent years reduced state reimbursement; and

WHEREAS, the New York State Association of Counties has identified 9 state mandates that consume 90 percent of all county property taxes levied across the state (outside of New York City), representing over \$4 billion in county property taxes levied. These mandates include: Medicaid, Public Assistance Safety Net, Child Welfare Protective and

Preventive Care, Special Education Pre-School, Early Intervention, Probation, Indigent Defense, Youth Detention, and Pensions; and

WHEREAS, these mandated and fixed employee costs can consume more than 80 percent of a county's total budget, leaving fewer local dollars that can be devoted to local programs and services; and

WHEREAS, these State mandates are the root cause of high county property and sales taxes in New York and have led to a decline in the delivery of important local services; now, therefore be it

RESOLVED, that Orleans County hereby declares the month of May to be "Mayday for Mandate Relief" to raise awareness that decisions made in Albany have a direct impact on the property tax levy and local community services here in Orleans County; and be it

FURTHER RESOLVED, that Orleans County strongly encourages the Governor and State Legislature to continue working to enact meaningful mandate relief; and be it

FURTHER RESOLVED, that Orleans County calls on State Lawmakers to enact legislation preventing future unfunded mandates without corresponding state aid to pay for them; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, the New York State Legislature, NYSAC, Orleans County Towns, and all others deemed necessary and proper.

Moved, Johnson; second, Bower.

Adopted. 5 ayes; 0 nays; 2 absent, Allport and Smith.

Legislator Eick moved to approve an agreement with NY eHealth Collaborative and the Mental Health Department. Legislator Eick called upon Mark O'Brien, Director of Orleans County Mental Health to explain their participation. Mr. O'Brien explained that this is a Department of Health subcontractor that will provide full service implementation of a complete medical record system at the Mental Health Department at no

cost to the County. The deadline to submit this application agreement is May 15<sup>th</sup> therefore we need to act on it quickly. Legislator Rush seconded the following resolution that was adopted:

**RESOLUTION NO. 191-513**

**APPROVING AGREEMENT BETWEEN NEW YORK eHEALTH COLLABORATIVE, INC. (“NYeC”) REGIONAL EXTENSION CENTER (REC) HEAL 22 FULL SERVICE PRACTICE PARTICIPATION AND ORLEANS COUNTY DEPARTMENT OF MENTAL HEALTH**

WHEREAS, NYeC has entered into a contract with the DOH Office of Health Information Technology Transformation (“OHITT”), under Phase 22 of the HEAL NY Program (the “HEAL 22 Grant”), under which NYeC will receive funds for use in connection with the Agreement to support mental and behavioral health providers with a Health Home; and

WHEREAS, toward that goal NYeC will provide support, including technical guidance and instructions, to assist behavioral and mental health providers with the selection and implementation of a Behavioral Health-EHR (“BH EHR”) ; and

WHEREAS, this is a NYSDOH funded initiative that provides assistance to providers at no cost to the provider and provides “full-service” assistance in adopting the Meaningful Use initiative and complete electronic health record implementation; and

WHEREAS, the Orleans County Department of Mental Health has committed to, and accepted the first monies for meaningful use; now be it

RESOLVED that this Legislature approves the agreement between New York eHealth Collaborative and the Mental Health Department to support mental and behavioral health providers who are actively engaged in a New York State Medical Health Home project (a “Health Home”) to accelerate healthcare provider adoption and support the “Meaningful Use” of Electronic Health Records (“EHRs”) as defined by the Centers for

Medicare and Medicaid Services (“CMS”), subject to the review and approval of the County Attorney and Chief Administrative Officer.

Moved, Eick; second, Rush.

Adopted. 5 ayes; 0 nays; 2 absent, Allport and Smith.

Chairman Callard made mention that this year’s Mortgage Tax apportionment is the highest we have received in the last five years so it is indicative of the fact that things are improving in our housing market.

Chairman Callard opened the floor to general concerns. Paul Lauricella, Yates, inquired about the resolution for Homeland Security and the purchase of equipment. Legislator Johnson explained that this is a Homeland Security Grant that we apply for and in asking for the money we have to be specific with a budget submitted as to what items will be purchased. We have to transfer money into the appropriations account in order to purchase the items. Mr. Lauricella asked if anyone wonders why Homeland Security continues to offer all of this money and why we invest in cameras, night vision, and soon it will be drones and tanks. He indicated that soon our country will be all set up with all of this equipment. Legislator Johnson stated that Orleans County gets these funds because we border international waters. Mr. Lauricella questioned if anyone has been caught coming across Lake Ontario and Legislator Johnson stated that he should direct that question to Sheriff Hess.

With there being no further business, Legislator Bower moved to adjourn; second by Legislator Eick. Meeting adjourned at 4:52 p.m.

## LEGISLATURE MEETING

May 22, 2013/May 30, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator Smith, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Annual Financial Report Update Document for the County of Orleans for the Fiscal Year ending December 31, 2012 has been filed by the Orleans County Treasurer. Traffic Diversion Program has reported their Distribution of Revenue for the period of January 1, 2013 through March 31, 2013.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through April, 2013. Treasurer Heard stated that on her report the loan is outstanding on the radio capital project but it was closed on yesterday at a rate of 1.415% and funds have been received. Treasurer Heard was complimented on the outstanding rate received for this loan.

During open discussion, Allen Lofthouse, per Resolution No. 205, asked what the Real Property Tax Director does and how many people work under this individual. Dawn Allen, Real Property Tax Director, stated that she oversees the assessment process and makes sure it is done in a uniform manner. She coordinates all of the tax functions for the schools, towns, and villages. She provides advisory appraisals to the assessors throughout the county when needed on complex properties. She provides training to the assessors across the county. She is responsible to do tax mapping for the county. The Real Property Tax office has contracts with the Towns of Albion and Gaines to provide full assessment services. Her office assists with the In Rem Auction. She explained that she has a full time assessor and a part time clerk on staff. Mr. Lofthouse asked how many years Mrs. Allen has in the business. Mrs. Allen replied that this year she will be starting her twenty-fifth year in the Real Property business.

Paul Lauricella, Yates, reported that he had a real good experience visiting the Orleans County Motor Vehicle Department last week. He also stated that he supports the repeal of the motor vehicle weight tax.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Bower. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 192-513**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

<u>Fund/Department</u>	<u>Check Number (s):</u>	<u>Amount:</u>

**RESOLUTION NO. 203-513**

RESOLUTION CALLING UPON NEW YORK STATE LEGISLATURE  
TO BLOCK CONSTRUCTION OF THE CHAMPLAIN HUDSON

POWER EXPRESS 1,000-MEGAWATT POWER LINE TO PROVIDE HYDROPOWER FROM QUEBEC TO NEW YORK CITY TO THE DETRIMENT OF NEW YORK STATE-BASED POWER SUPPLIERS

WHEREAS, the New York Public Service Commission did, on April 18, 2013 approve construction of the Champlain Hudson Transmission Line, a line capable of moving 1,000 megawatts of hydropower from Quebec to New York City; and

WHEREAS, construction of said line would benefit Canadian state-owned power producers HydroQuebec, as well as New York City-based international investment firm "The Blackstone Group"; and

WHEREAS, according to a March 9, 1988 article about Hydro-Quebec's long-term expansion plans in The New York Times, "from a start in the early 1970's, when the [United States and Canada] sold almost equal amounts of electricity to each other, Canada has built up a surplus of \$750 million to \$1 billion a year in its electricity trade with United States utilities. More than 70 percent of the Canadian electricity goes to New York State and New England ... Canada's advantage in power generation lies in the fact that 80 percent of the country's electricity is produced by hydroelectric plants [which are] are largely immune to the fluctuating fuel costs that face most American utilities, which rely primarily on thermal power generation, involving coal, oil, or nuclear power"; and

WHEREAS, the same 1988 article states, "Some American critics have resisted the increasing Canadian sales arguing that they make the United States too dependent on Canada, and that they result in cutbacks in production at United States power plants"; and

WHEREAS, construction of a 335-mile line under Lake Champlain and the Hudson River would come at the expense of existing New York State-based power producers, including Upstate New York Power Producers, Inc., which has repeatedly taken its Somerset power generating plant offline due to fluctuations in price in the coal industry as well as non-industry costs including government regulation of the coal industry; and

WHEREAS, the New York Power Authority has previously approved construction of a 660-megawatt power transmission line to supply Midtown Manhattan with electrical power from the State of New Jersey; and

WHEREAS, Mr. Gavin J. Donohue, President and CEO of the Independent Power Producers of New York, called the Champlain-Hudson Transmission Line "basically an electrical extension cord from Canada just flooding the marketplace in New York ... You have struggling areas in Upstate New York where smaller power plants are trying to make a go of it and this project will certainly take away huge ability of them to prosper in an economic development way"; and

WHEREAS, Mr. Donohue also stated that there are approximately 3,000 megawatts of electricity being generated in New York State that are available for transmission; and

WHEREAS, such competition against private-sector companies by a foreign state-owned company constitutes an unbalanced system where a giant state-funded monopoly is being permitted to compete against small, privately-owned companies by the very regulatory agency set up to protect small companies against undue power of monopolies, namely the Public Service Commission; and

WHEREAS, Angie O'Connor, president of the New England Power Generators Association, called Hydro-Quebec "a monopoly in the purest sense, and I don't think that's supportive of competition"; and

WHEREAS, Upstate New York Power Producers, Inc. is Niagara County's largest taxpaying entity as well as a significant employer, and the loss of both tax revenue and jobs associated with Upstate New York Power Producers and its suppliers would devastate both Niagara County and the larger Western New York region; now, therefore be it

RESOLVED, that the Legislature of the County of Orleans does oppose construction of the proposed Champlain Hudson Transmission Line; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans does hereby call upon the New York State Legislature to halt the actions of the City of New York, Transmission Developers Inc., Consolidated Edison, and the New York State Public Service Commission, the last of which has failed in its principal responsibility; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans calls upon the entire Western New York delegation to the New York State Legislature, and those chairmen and ranking minority members of relevant committees in the New York State Senate and Assembly, to use all oversight tools at their disposal to block construction of this transmission line which forces private businesses to compete with foreign state-run monopolies; and be it

FURTHER RESOLVED, that the County of Orleans shall forward copies of this Resolution to Governor Cuomo, Senate Vice President Pro Tern George D. Maziarz; Senate Temporary President Dean G. Skelos; Senate Majority Leader Thomas W. Libous; Member of the Assembly Jane L. Corwin; Member of the Assembly Steve Hawley; Mr. Garry A. Brown, Chairman, New York State Public Service Commission; Mr. Gregg C. Sayre, Commissioner; Mr. James L. Larocca, Commissioner; Ms. Maureen F. Harris, Commissioner; Ms. Patricia L. Acampora, Commissioner; NYSAC; InterCounty of Western New York; Niagara County Legislature; Orleans County Towns/Villages, and all others deemed necessary and proper.

Legislator Johnson moved to reappointment Dawn Allen for a six year appointment as the Orleans County Director of Real Property Tax Services. Legislator Johnson commended Mrs. Allen on the job that she has done. It has been a re-evaluation year and along with what she does, as explained today, she should add several other things that she does under her hat. Legislator Bower seconded the motion. Chairman Callard commented that our website and the information provided is one of the most easily accessible and most understandable of websites accessed across the state. Chuck Nesbitt added that it has been a complete transformation over the last five and a half years in the Real Property Tax Department and he indicated that he is pleased to see that Mrs. Allen is being re-appointed for another six years. Legislator Smith expressed to Mrs. Allen that she is doing a great job. The following resolution was adopted:

### **RESOLUTION NO. 205-513**

#### **APPOINTING REAL PROPERTY TAX DIRECTOR**

RESOLVED, that this Legislature re-appoints Dawn M. Allen to the position of Director of Real Property Tax Services, said appointment to be for a six-year term commencing October 1, 2013 and ending September 30, 2019 at Grade 9, Step 9 of the Management Salary Schedule.

Chairman Callard reminded everyone that the first meeting in June, June 12<sup>th</sup>, has been cancelled.

Chairman Callard recessed the meeting at 4:49 p.m. to reconvene on Thursday, May 30, 2013 at 4:00 p.m. in order to approve the sale results from the Orleans County In Rem Auction.

**Recessed from May 22, 2013  
May 30, 2013**

---

Chairman Callard called the recessed meeting of May 22, 2013 back into session at 4:00 p.m. on May 30, 2013. After the pledge to the flag, the Clerk called the roll. All Legislators were present with exception of Legislators Allport and Eick.

Susan Heard, Orleans County Treasurer, provided an overview of today's In Rem Auction. She indicated that it started out slow but ended in the black. She reviewed that on the final page on the report indicated that we had \$378,000 in grand total of delinquencies and we sold for \$410,000. She reported that in the first time in the last four or five years, we ended on a positive note. In review, she said last year we lost \$134,000, in 2011 we lost \$157,000, in 2010 we lost \$146,000 of tax principal. She indicated that she only had the last three years handy. This year if everyone pays and follows through, we will have a positive outcome on our Auction. There was much discussion on individual properties. It was well attended. They have until June 28<sup>th</sup> to pay in full. Attorney Schubel indicated that he already visited the County Clerk's Office, right after the auction ended, and two people had paid in full and wanted their deed. Chairman Callard asked how many were redeemed prior to the auction. Treasurer Heard indicated that about seventeen were either removed by legal issues or paid. Treasurer Heard stated that in whole it was one of our better auctions that we have held in the last few years. Legislator Johnson noted that we had a quite a few out of county buyers. Treasurer Heard indicated that we had a lot of local buyers and we sold everything from \$50 to \$60,000. She said that properties were being bought back even yesterday and removed from the auction list for today's sale.

The following resolutions were presented for adoption:

## RESOLUTION NO. 211-513

### APPROVING SALE OF COUNTY-OWNED PROPERTY

WHEREAS, a public auction of various parcels of property owned by the County under the In Rem Foreclosure was held May 30, 2013; and

WHEREAS, bids for various properties were obtained by the auctioneer at such auction in accordance with the stated terms of auction; and

WHEREAS, due deliberation has been made by the Orleans County Legislature as to the propriety of each of the said bids; now, therefore be it

RESOLVED, that bids for various parcels set forth on the schedule hereto annexed be, and the same individually are accepted pursuant to the provisions of the Real Property Tax Law; and be it

FURTHER RESOLVED, that the standard form quitclaim tax deeds be prepared for the separate parcels and delivered to the County Treasurer for execution and delivery upon receipt of the balance of the purchase price set forth in the said deed.

Legislator Johnson moved to approve an agreement between Emergency Management and New York State Division of Homeland Security and Emergency Services for the Round 2 Statewide Interoperable Communications Grant and we are accepting funding in the amount of \$2,000,000 towards our public safety communications capital project; seconded by Legislator Bower. Chairman Callard stated that this is one of the largest grants given from Homeland Security for emergency services. This is phenomenal help to us for bringing closure to our radio project stated Chairman Callard. Legislator Johnson commented that this shows how important communications are to our first responders when it is taken this seriously by awarding us this \$2,000,000. The following resolution was adopted:

### **RESOLUTION NO. 212-613**

**APPROVING AGREEMENT BETWEEN THE EMERGENCY MANAGEMENT AND NEW YORK STATE DIVISION OF HOMELAND SECURITY AND EMERGENCY SERVICES FOR THE ROUND 2 STATEWIDE INTEROPERABLE COMMUNICATIONS GRANT (SICG)**

RESOLVED, that this Legislature approves an agreement between the Emergency Management Office and the New York State Division of Homeland Security and Emergency Services to accept funding in the amount of \$2,000,000 (SI12-1016-D00) for the FY12 Statewide Interoperable Communications Grant to provide for the facilitation of the development, consolidation and/or improved operation of public safety communications to support and enhance statewide interoperable

communications for first responders effective February 4, 2013 through February 3, 2014; and be it

FURTHER RESOLVED, that the Chairman is hereby authorized to execute the grant agreement and all related documents associated with this grant, subject to review by the County Attorney.

## LEGISLATURE MEETING

June 26, 2013

---

Chairman Callard called the meeting to order at 4:36 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present.

During open discussion, Paul Lauricella, Town of Yates, in regards to Resolution No. 232-613 he stated that it is a good idea, but the problem that we face is something that society has created. It has become too easy for people to get assistance. The embarrassment and shame has been taken out of it. He recalls when he was a child; if you were to stand in line and pay for groceries with food stamps it was very embarrassing. People would look down on you. Most people who were on the assistance wanted to get off of it as quickly as possible because of the stigma. Now there is an electronic card that makes us wonder, is a credit card, debit card, or EBT card. The government likes it too because it spends just like cash and helps the economy. Go to Walmart and watch people sell their groceries in the parking lot for cash after paying for them on the EBT card. Benjamin Franklin said people need to feel uncomfortable in their poverty. He feels we have gotten away from that. Going out to eat should be a luxury, now McDonald's and Kentucky Fried Chicken accept the EBT cards. We as a society we have put up with it and now as taxpayers we have to pay for investigators. Half of them are fraudulent from the get go and the other half are legit.

Mr. Lauricella commented on the Driver's License Policy resolution. He feels we need to check the driving records when they come in. Chairman Callard informed him that this resolution was simply updating the existing policy on file to be consistent with NYS. Mr. Lauricella questioned if the driver's are required to be drug tested. Mr. Nesbitt stated that all of the DOT drivers are. Chairman Callard reiterated that the new position of Fraud Investigator, there is no additional cost to the County. The department is allocating the existing cost of the abolished position in a different direction for a greater return in dealing with welfare fraud. This local Legislator has zero tolerance for it, it must be dealt with, and our citizens must know the County is serious about it.

Marie Rice, Town of Carlton, relative to Resolution No. 236-613 cautions the Legislature about adding additional land to the Agriculture Districts. She stated that it is huge already. An article on the NYS Ag & Markets webpage addressed the question of who bears the cost of the agricultural assessment benefit. It stated that property taxes saved by farmers must be ultimately made up by all taxpayers in the effected municipalities. By giving more tax relief to farmers, which she has great respect for, will put an additional burden on those of us who don't own a farm. She questioned why Orleans County needs to add more land to the Ag District when there is a huge amount already.

Allen Lofthouse, Town of Kendall, asked how long the Orleans County Land Restoration Corporation has been in existence. Legislator Allport stated approximately six years. It was developed for the property next to the ethanol plant to get the railroad spur off the main rail so the trains could get to the ethanol plant. Chairman Callard added that it was east of Bates Rd next to Brunner Corp. Mr. Lofthouse asked if the amount of money in Resolution No. 243-613 is geared toward the property directly south of the ethanol plant. It was clarified that it is the property cattycorner.

Legislator Eick reported that he attended an ARC event on Monday. John Robinson, a disabled person is biking from Buffalo to Albany to raise awareness and funding. This was very inspiring. The event was well attended, including Adam Tabela, Senator Maziarz, and Assemblyman Hawley, amongst many others. He is due to arrive in Albany on the 8<sup>th</sup> of July.

Legislator Bower added that the Cottages at Troutburg are being built this summer by local builders. Chairman Callard added that that will be a significant development for the Town of Kendall and the County.

Legislator Rush reported that earlier in the day he and the Chairman attended a meeting this morning at Point Breeze, where a check for \$25,000 was awarded for being voted the "Ultimate Fishing Town" by WFN, and read the Special Recognition Award to the audience. This event was held at the Haines cottage at the Point. The Town of Carlton Board was also present to accept the award. Chairman Callard pointed out

that this was a proud moment for Orleans County, that a community was recognized as number one in the United States. This Board has invested greatly in the growth and development of Marine Park and promoted the fishing and tourism in this area. Legislator Rush added that he has been a resident of the Town of Carlton most of his life and when he sees things like this it really makes him feel great that he is a resident.

Chairman Callard continued by stating that he is working toward intercounty cooperation with Genesee and Niagara Counties similar to the Niagara-Orleans relationship NORA established. Legislator Johnson recently attended a gathering regarding the Niagara Falls Air Reserve Station. At that gathering it was determined that a new focus group be established to encompass Erie, Niagara, and Orleans to continue in the efforts to preserve 580 jobs. The inter relationships are important. Chairman Callard thanked Legislator Johnson for taking on this task.

The following resolutions were presented for adoption:

## **RESOLUTION NO. 240-613**

### **ADOPTING DRIVER RECORD CHECK POLICY**

RESOLVED, that this Legislature adopts the following updated Driver Record Check policy, amending the existing Policy as adopted by Resolution No. 376-792:

#### **Driver Record Check Policy**

##### **Background**

The operation of a motor vehicle in the delivery of County services presents one of the greatest exposures to a liability loss that the County can face.

Even though accidents cannot be totally eliminated, the frequency can be reduced, and the potential liability may be lowered if the number of unsafe drivers can be minimized.

This is the basis for the April 1, 1992 recommendation by the County's insurance carrier, the Hartford. Among other things, they request the County to obtain a licensed driver file search on newly hired drivers. The Legislature concurs with this recommendation, and in response, has developed this policy.

##### **Policy**

1. Before the final selection of a candidate is made for any position which requires the employee to drive a County vehicle as an essential function of their position, a licensed driver file search check will be made. This includes current non-driver employees being considered for promotions. The results of the check will be evaluated against the attached guidelines.

2. All employees who drive either a County vehicle or their own vehicle in the performance of their duties for the County must provide the County with a copy of their current driver license. These records will be maintained as part of the employee's personnel file. Annually, each employee assigned to a position which requires the operation of a County vehicle must complete a Verification of Driving Record form.

### **Procedure**

The Personnel Office will create and maintain a list of all positions which require an employee to drive a County vehicle, as well as a list of those positions where an employee may be required to use their own vehicle (employees who are reimbursed for mileage on a regular basis). This list will be periodically reviewed to insure that the driver license information is current. A copy will be provided to County departments upon request. Each department head along with the Director of Personnel and Self Insurance is responsible to obtain and evaluate the required licensed driver file search. To obtain a record check prior to the hiring or promotion of an employee to a driving position, the attached form should be completed and forwarded to the Personnel Office. The report will be returned to the department head, usually within two days. This will be provided without cost to the County.

### **DRIVER DISQUALIFICATION GUIDELINES**

The following will result in immediate disqualification of a candidate for hire or employee being considered for promotion/transfer for a position which requires the incumbent to drive a County vehicle as an essential function of the position:

- A conviction for the violation of provisions of §1192 of Vehicle Traffic Law within the three (3) year period preceding the date of application for hire, promotion or transfer
- Three (3) or more traffic violations or infractions (excluding parking) in the three (3) year period preceding the date of application for hire, promotion or transfer

An employee operating a County vehicle will be disqualified from their position or any position which requires the employee to drive a County vehicle as an essential function of their position for any of the following for a minimum period of three years. Additionally, such employee may be subject to disciplinary action up to and including termination and criminal prosecution.

- A conviction for the violation of provisions of §1192 of Vehicle Traffic Law
- Suspension, revocation or cancellation of driver's license
- Homicide by vehicle, including but not limited to criminally negligent homicide or involuntary manslaughter
- Driving without a license or while license suspended or revoked
- Hit and run
- Failure to notify the County of a suspended, revoked or cancelled license by the end of the business day following the notification
- Three (3) or more traffic violations or infractions (excluding parking) in a three year period

### **RESOLUTION NO. 241-613**

**AUTHORIZING CHAIRMAN TO FILE A CERTIFICATE DESIGNATING THE SECRETARY OF STATE AS THE AGENT FOR SERVICE OF NOTICES OF CLAIM**

WHEREAS, the State Legislature has enacted and Governor Cuomo has signed Chapter 24 of the Laws of 2013, which, *inter alia*, adds a new Section 53 to the General Municipal Law, effective June 15, 2013; and

WHEREAS, Chapter 24 of the Laws of 2013 permits claimants to serve notices of claim upon the Secretary of State rather than effecting personal service of such notices upon the municipality which is the subject of the claim; and

WHEREAS, the statute directs the Secretary of State to forward copies of notices of claim served in the above-referenced manner to the municipalities involved; and

WHEREAS, Section 53 of the General Municipal Law requires that municipalities, including Orleans County, within thirty days after the effective date of the law, file a certificate in the office of the Secretary of State designating the Secretary of State as the agent for service of notices of claim and providing the name, post office address and electronic mail address of an officer, person or designee, nominee or other agent-in-fact for the transmittal of notices of claim served upon the secretary; now, therefore be it

RESOLVED, that the Chairman be, and hereby is, authorized and directed to file, not later than July 12, 2013, a certificate with the Secretary of State designating the Secretary of State as Orleans County's agent for the service of notices of claim; and be it

FURTHER RESOLVED, that the County Attorney is hereby designated to receive such notices of claim served in the manner set forth herein; and be it

FURTHER RESOLVED, that the Chairman in such certificate, and in amendments thereof as from time to time may be necessary, shall provide the Secretary of State with the name, post office address and electronic mail address of the County Attorney.

Legislator Johnson moved to approve an agreement with the Bonadio Group; seconded by Legislator Bower. Legislator Johnson added that this agreement is for a dependant eligibility audit. It is good fiscal management. With the size of the Orleans County workforce it is estimated that there is as much as a 9% ineligible dependant situation on the employee health insurance. This agreement will more than pay for itself if Orleans County runs the average. The following resolution was adopted:

### **RESOLUTION NO. 242-613**

**APPROVING AGREEMENT WITH THE BONADIO GROUP TO PROVIDE AN AUDIT OF THE ORLEANS COUNTY EMPLOYEE HEALTH PLAN**

WHEREAS, the Orleans County Legislature wishes to ensure the responsible use of taxpayer resources; and

WHEREAS, such assurance requires periodic audits to make sure that county taxpayer dollars are being spent as they were intended; now be it

RESOLVED, that the Orleans County Legislature authorizes the Chairman to sign an agreement with The Bonadio Group for a “Dependent Eligibility Audit” of the Orleans County Employee Health Plan subject to Chief Administrative Officer and County Attorney approval; and be it

FURTHER RESOLVED, that the Legislature authorizes the Treasurer to transfer monies as follows:

<u>From:</u>		
A1990.435	Contingency Fund	\$7,500
 <u>To:</u>		
A1430.418	Other Contractual Expenses	\$7,500

RESCINDING RESOLUTION NO. 29-113; SETTING UP MONEY IN THE PLANNING BUDGET FROM THE 2013 CONTINGENCY FUND AND APPROVING AN AGREEMENT WITH THE ORLEANS COUNTY LAND RESTORATION CORPORATION

WHEREAS, the Orleans County Legislature feels an obligation to the citizens of Orleans County to make investments in the future of this county in order to provide economic opportunities for our citizens and their families; therefore, be it

RESOLVED, that this Legislature rescinds Resolution No. 29-113; and be it

FURTHER RESOLVED, that this Legislature authorizes the Treasurer to transfer 2013 funds into the Planning Department budget to

further the goal of Economic Development and rural broadband as follows:

FROM:

A1990.435            Contingency            \$55,000

TO:

A8020.418            Other Contractual Expenses            \$55,000

and be it

FURTHER RESOLVED, that the Chairman is authorized to sign an agreement with The Orleans County Land Restoration Corporation for completion of requirements to create a NYS Certified shovel ready site for an amount not to exceed \$49,281.25; subject to County Attorney approval.

Chairman Callard opened the floor for general discussion and comments. Mr. Lofthouse questioned whether the loan and bond was secured to the building when the renovation was done. Mrs. Heard, Orleans County Treasurer, stated that it is backed by the full faith of the County, which means the taxpayers. It is not secured to the building. Mr. Lofthouse asked when the LDC sells the Nursing Home, will that figure be included in the sale price or will the taxpayers be on the hook for the balance. Mr. Nesbitt stated that the expectation is to satisfy the bond with the proceeds.

Mr. Lauricella, stated that he has no trust for Homeland Security. He wonders when the founders won the revolution they envisioned towers erected so they could watch the citizens to make sure they were safe. Those willing to give up their liberty for safety and security deserve neither. He stated that he doesn't have a problem with Wal-Mart or private home having security cameras, but he does have a problem with government having them.

Legislator Allport moved to adjourn; second by Legislator Rush. Meeting adjourned at 5:22 p.m.

## LEGISLATURE MEETING

July 24, 2013

---

Chairman Callard called the meeting to order at 4:33 PM. After the pledge to the flag and invocation, led by Legislator Smith, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Susan Heard, Orleans County Treasurer, forwarded a listing of Real Property Tax Refunds, per Resolution No. 19-113, in the amount of \$979.19 that has been reviewed and authorized by her office. Traffic Diversion Program reported their Distribution of Revenue for the period of April through June, 2013. The Town of Hartland will hold a Public Hearing for an Amendment to the Zoning Code on August 8, 2013 at 7:30 p.m. at the Town of Hartland Town Hall. Larry Montello, Commander of the Butts Clark Post 204 in Medina invited everyone to the Tribute to the Fallen Heroes Ceremony on Wednesday, September 11<sup>th</sup> at 10:00 a.m. at the Elks Lodge on West State St. in Albion. Also an invitation is open to all to attend the Candlelight Vigil at the County Court House lawn in Albion at 6:00 p.m. At this time Mr. Montello is requesting permission to use of the Courthouse grounds, power, and to hang the 911 Flag on the pole for the Candle Light Vigil and also permission to post the banner on the lawn to advertise this event. The Board was unanimously in favor of this request.

Legislators Johnson and Bower presented recognition to Charles “Chuck” Kinsey who will be retiring on July 26<sup>th</sup> as Director of Computer Services after 13½ years of service to Orleans County. He was applauded for his efforts and dedication.

Legislators Eick and Rush presented recognition to Daniel Schuth, Orleans County Soil and Water Conservation District Field Manager, who will be retiring on July 31<sup>st</sup> with eight years of service to this agency.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through June 2013. She indicated that the balance shows a loan to the radio project of \$1 million from the general fund which affects the bottom line but otherwise everything is in good shape.

Chairman Callard requested comment from the public as it pertains to the resolutions presented today. Paul Lauricella, Yates, inquired about Resolution No. 259-713 asking what the “I AM Responding” Program is. He asked specifically about the cameras and projectors. Legislator Johnson introduced Paul Wagner, Director of Emergency Management and asked him to address that question. Mr. Wagner stated that the “I AM Responding” Program is a text messaging program that allows text messages to be sent to first responders in Orleans County including Fire/EMS, law enforcement agencies directly from dispatch to the responders. It also allows Fire/EMS to respond that they will be there for that emergency, therefore knowing how many people will be present at the scene. It is a secondary notification system to notify these responders should something happen to the voice paging system used now. It also comes with a lot of other capabilities to communicate with our emergency responders.

In response to the security cameras and recorders, Mr. Wagner explained that they will be used at the Emergency Management Office to essentially look at the base of the radio towers, should something occur there, a record will be available of what occurred. This also pertains to the cameras in the building to monitor for same reasons. In regards to the three multi-media projectors, these are used for training programs and public meetings. Trainings are done for fire service and EMS.

Mr. Lauricella thought that these grants are used for fighting terrorism not to fund local municipalities. Mr. Wagner stated that is exactly what they are doing in that we are trying to combat terrorism by getting first responders to the scene quickly and materials used for training to handle our home grown terrorists.

Legislator Bower stated there have been different points in his career that he has watched over things but one item he has been concerned with is the amount of money taxpayers have spent to educate our young and some older people. In his mind, it is money well spent. There are times that these students have dropped out of courses, or have failed, and the county still pays for these courses. He indicated that if a corporation paid for these classes, a student would need to show proof of passing the course by presentation of either a transcript or certificate and then would be

reimbursed for the class. Legislator Bower stated that New York State does not operate this way. They collect money from all registered students along with 1/3 from the County, 1/3 from the State and it goes into this fund. Legislator Bower wants to know how many of our students are failing or dropping out. He inquired from Genesee Community College because that has the most registered Orleans County students attending however; he has been unsuccessful in receiving that number. He does not want a person's name, he just wants the numbers. He stated that GCC has sent him, it is in the mail, a copy of the state law and he will review that in detail with Senator Maziarz and Assemblyman Hawley. He truly does not think that our hard working taxpayers should be paying for students tuitions that fail or drop out. He expressed in further discussion that not all students are college material and are more trades oriented. He wants this to stop and he may not get it done by the time he retires in December, but hopes that this Legislature will continue to look into this. He stated that he will try to FOIL GCC records to see if he can get numbers, not names. He believes this affects about 10% of the enrollment. He stated that the \$1.8 million that we allocate on this, even if it is 10% of that, we could use the money in our county in a much better way. Legislator Bower stated that he feels it is wrong.

Chairman Callard added that it has been in recent years that the cost has increasingly expanded at a greater percentage for Community Colleges. In 2012, the County had \$1.4 million budgeted and in 2013 there is budgeted \$1.74 million. The County overspent last year and it could likely be over \$2 million in 2014. It is growing at an alarming rate. There were years when the Board was worried about \$50,000 to \$100,000 and the County was under a million for a long period of time but now in the last few years it is just escalating ever rapidly and ever greater. It is a serious situation. Not only does the county need to review it but the State needs to review it and revamp the process because the costs are getting out of control. Chairman Callard thanked Legislator Bower for bringing this to the public's attention and encouraged him to follow through to get as much information as he can and he assured Legislator Bower that the continuing Legislature will follow through as they move into the next year.

Legislator Rush elaborated on the Orleans County Federation of Sportsmen. Since he has been Legislator he has been appointed to the

Orleans County Federation of Sportsman because he enjoys outdoor sports. He reviewed the makeup of about a dozen sports entities involved in the federation that include: The Holley Rod and Gun Club, The Albion Rod and Gun Club, The Black North Rod and Gun Club, Barre Sportsman, Jr. Wilson Sportsman, Medina Conservation Club, Yates Carlton Lakeshore Sportsman, Blue Bird Society, Oak Orchard Turkey Federation, The Archer's Club, and SCOPE. He reviewed the meeting agenda. He indicated that reports are made by delegates at the meeting which include reports on firearms, small and big game, water fowl, fish committee, turkey federation, NYS Bowhunters, Fish and Wildlife Management Board (which he reports on as being a member as an Orleans County Legislator), trapping, tourism, and on the log cabin. A report is also given by a conservation officer. This log cabin report has been a lengthy report because of the need of repairs and replacement of walls. He explained the details of the repairs and the cost. During the Orleans County 4-H Fair the log cabin houses booths for the Orleans County Soil and Water Conservation District, Ducks Unlimited, Blue Bird Society, SCOPE, and the Orleans County Sportsman Federation. Legislator Rush mentioned the Federation Officers: Michael Donahue, President; Denise Applebee, Secretary; and Bob Fox, Treasurer. Legislator Rush opened the invite to discuss any other further details of this at a later time by contacting him.

Chairman Callard stated that Legislator Rush was referring to the log cabin on the Cooperative Extension property. They intended to replace two walls but the costs have escalated suggesting the cost would be over \$6,000 per wall, rather than the first quote of \$3,000 per wall. Legislator Rush indicated that the first two walls were partial replacements. They hope to begin work in September if monies are available on the one wall replacement. The hope was to replace two walls.

Legislator Allport wanted to address what Dan Schuth said concerning the testing out at the Orleans County Landfill in the Town of Albion. He thanked SPOC, Senator Maziarz, Sue Seneca, and Dan Schuth in which he attended meetings with the NYS DEC, in getting this testing to happen. According to Dan Schuth, this testing plan – 6 NYCRR part 360 – is the most comprehensive sampling that DEC does on any project to find out if there is an issue. This testing will be done at the end of August and

everyone looks forward to the results. Chairman Callard asked Legislator Allport to elaborate more on SPOC. Legislator Allport explained that SPOC stands for Stop Polluting Orleans County, an organization of citizens that started in the 1990's when Waste Management wanted to expand the landfill the first time. They reorganized a few years ago, when the pumping of leachate at the landfill had stopped. They meet regularly to address this issue by communicating with state representatives and the DEC. Their efforts are to make sure the landfill does not open up again mainly due to the traffic that would generate in front of the Albion Schools. He referenced the billboard that is seen when you head east on Route 31 towards Albion that states "Thanks for not polluting our County". Legislator Allport was thanked by Chairman Callard for following through on a very difficult situation and it sounds like it is contained but we need to be ever diligent of this. Legislator Allport expressed that there are over 800 orphaned landfills and these two are on that list. Now through SPOC's efforts we became number one on the list for testing. Appreciation was given again to Soil and Water.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Rush. Motion carried. The following resolutions were presented for adoption:

### **RESOLUTION NO. 244-713**

**AUTHORIZING CHAIRMAN OF THE LEGISLATURE TO APPOINT NEW DIRECTOR OF COMPUTER SERVICES**

WHEREAS, the Orleans County Director of Computer Services will be retiring on July 26, 2013 and the county is currently undergoing the interviewing process seeking a candidate to fill this vacancy; now be it

RESOLVED, that the Chairman of the Legislature is authorized to appoint a new Director of Computer Services based on the recommendation made by the Administration and Finance Committee; and be it

FURTHER RESOLVED, that the Chairman of the Legislature is authorized to hire the new Director of Computer Services at compensation not to exceed Grade 10, Step 9 of the Management Compensation Schedule not to exceed 40 hours per week.

Moved, Johnson; second, Bower.  
Adopted. 7 ayes, 0 nays, 0 absent.

Legislator Eick moved, seconded by Legislator Rush, to authorize purchase of equipment to create a wireless computer network at the Villages. Chairman Callard expressed that this will be to create a wireless computer network so the residents can take advantage of it if they so choose. The following resolution was adopted:

**RESOLUTION NO. 273-713**

**AUTHORIZING PURCHASE OF VARIOUS WIRELESS EQUIPMENT  
FROM CDWG FOR THE VILLAGES OF ORLEANS HEALTH AND  
REHABILITATION CENTER**

RESOLVED, that this Legislature authorizes purchase from CDWG Government, 75 Remittance Dr., Suite 1515, Chicago, IL 60675-1515 for the purchase of various equipment to create a wireless computer network at the Villages of Orleans Health and Rehabilitation Center at a cost of \$5,139.95 (PO52850) to be paid from the Villages of Orleans Enterprise Account EH6030.250 – Other equipment.

Legislator Bower moved to approve an agreement with Legal Aid Bureau of Buffalo to provide legal services and appeals to the appellate division; seconded by Legislator Johnson. CAO Nesbitt advised that this is a cost savings over what we have been spending concerning parole violators. Chairman Callard praised that this is a cost savings going forward by approving this. The following resolution was adopted:

**RESOLUTION NO. 274-713**

**APPROVING AGREEMENT BETWEEN THE PUBLIC DEFENDER  
AND LEGAL AID BUREAU OF BUFFALO, INC**

RESOLVED, that this Legislature approves an agreement between the Public Defender and Legal Aid Bureau of Buffalo, Inc. 237 Main St., Suite 1602, Buffalo, NY 14203 to provide legal services and appeals to the appellate division at a cost of \$17,500 for the period of August 1, 2013 through July 31, 2014, completely cover by grant funds. County Cost \$0; and be it

FURTHER RESOLVED, that the Chairman is authorized to execute said agreement upon the review and approval of the County Attorney and Chief Administrative Officer.

Moved, Eick; second, Rush.  
Adopted. 7 ayes, 0 nays, 0 absent.

Chairman Callard opened the floor for additional comment. Paul Lauricella, Yates, questioned Resolution No. 265-713 concerning the Ridgeway parcel asking how much that was. Treasurer Heard stated it was about \$1,200. She explained that it was from 2007. It was not interest on the county's books. We don't book it until it was received. Mr. Lauricella asked who owns the property. The Orleans County IDA owns it. He asks if this sets a precedent that if he does not pay his taxes will he be excused. Legislator Allport explained that IDA is run on tax payer money so they will be using tax payer money to pay this. CAO Nesbitt stated that we would be paying ourselves.

Legislator Bower moved to adjourn; second by Legislator Allport. Meeting adjourned at 5:17 PM.

## LEGISLATURE MEETING

August 28, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, led by Pastor Roy Harriger, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Karen Watt, owner of Watt Farms, is requesting permission to post a banner on the Courthouse lawn from October 6, 2013 through October 20, 2013 to announce the American Cancer Society Making Strides against Breast Cancer Walk scheduled for October 20<sup>th</sup> at Watt Farms. The Board approved this request. Susan Heard, Orleans County Treasurer has filed nine (9) Disclosure of Interest Statements from various County Employees who receive funds in addition to wages from Orleans County. These have been filed in our office and are officially on record in accordance with General Municipal Law Section 803(1). New York State Department of Taxation and Finance has issued the list of the Final Certified 2013 State Equalization Rates for the municipalities in Orleans County. Orleans County Adult Learning Serves has been awarded ProLiteracy accreditation. This accreditation is designed to recognize literacy organizations that are distinguished by superior professional leadership, effective programs, committed governing boards, and outstanding volunteer support. Orleans County Adult Learning Services is being recognized for its excellence in each of these areas. Chairman Callard added that this is a National accreditation.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through July 2013. Treasurer Heard reminded everyone of the loan for the radio project a few months ago so if you factor the loan back in, everything looks good on this report.

Chairman Callard opened the floor to the public concerning items on today's agenda. Allen Lofthouse, Kendall, requested an understandable explanation for Resolution No. 291-813. Mr. Nesbitt explained that it is an extension of the sales tax that we have to request every two years. Mr. Lofthouse thought that we already went through it. Mr. Nesbitt explained that we have several actions that take place in requesting this extension

and this is the final action. Mr. Lofthouse asked if there is no increase. Mr. Nesbitt confirmed that our sales tax will remain at 8%.

Paul Lauricella, Yates, commented on Resolution No. 283-813. He explained that when he started his business the internet was becoming active but before that he advertised in magazines and newspapers. Only dial up was available when the internet began being popular, and was not too expensive at that time. As the technology evolved more, Time Warner Cable wanted \$4,000 to run it to his house, which he could not afford. He never thought of asking the government to help get him internet. He asked why the government would get involved in stuff like this. He said most cell phones can get you on the internet, if not you go to the library or just talk to your friends. He said if you have a business you work up to where you can pay for it. He said he does not understand all of this government wanting intervention in everything and he would still pay for his own internet because he does not anything to do with government internet.

Charles Kinsey, Clarendon, is in support of Resolution No. 283-813. He indicated that there have been multiple discussions in this chamber over the last three years about the impact of high speed internet and wireless internet services to the economic development of Orleans County. It has been proven across this nation that areas which have extensively invested in internet access have had tremendous growth in their economies. That is a point of fact and a proven statistic across our country. A small price for a tax credit in supporting this will have a very major impact in economic development.

Legislator Johnson introduced Bud Thompson as the new Orleans County Director of Computer Services. Chairman Callard welcomed him on board.

Legislator Eick moved to add three resolutions to the agenda; second by Legislator Rush. Motion carried. The following resolutions were presented for adoption:

### **RESOLUTION NO. 277-813**

#### **AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	5184-5302	\$287,885.67
Highway	No Claims	
Nursing Home	1332-1335; 26254-26290	\$146,186.76
Job Development	1282-1292	\$9,846.42
Self Insurance	52451, 52484, 52486, 52562-52563, 52566-52567, 52635	\$5,291.38

Moved, Johnson; second, Bower.  
Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Eick moved to approve two agreements with Health Department; seconded by Legislator Rush. Legislator Allport questioned if the ATUPA program is mandated by the state that Public Health Departments provide this. Paul Petitt, Public Health Director indicated that it is a program in each county that the Public Health needs to carry out. Mr. Nesbitt asked Paul to speak about the CDC Fellow program. Paul stated that we have been selected by the Center for Disease Control (CDC) to receive a PHAF (Public Health Associate Fellow) Fellow. This person is a federal government employee (CDC) and she has been placed here in Orleans and Genesee Counties for the next two years. All costs will be covered through the CDC to help assist our counties in the community health assessment and continue in other ongoing initiatives. This is a very competitive process in that there were over 4,000 applicants across the country and only 130 host sites were chosen. We were the first

site in New York other than what was chosen in New York City. The following resolution was adopted:

**RESOLUTION NO. 278-813**

## RESOLUTION NO. 283-813

SUPPORTING NEW YORK STATE ASSEMBLY BILL A-07588  
KNOWN AS THE RURAL BROADBAND DEPLOYMENT ACT  
WHICH PROMOTES RURAL BROADBAND DEPLOYMENT BY  
PROVIDING RESIDENTS AND SMALL BUSINESSES WITH TAX  
CREDITS FOR BROADBAND DEPLOYMENT

WHEREAS, high-speed Internet service is essential for commercial economic growth, for our education systems, and the overall well-being of our citizens; and

WHEREAS, the Internet Innovation Alliance has published the following statistics relative to broadband access and jobs:

- *More than 62% of American workers, including our farmers, rely on the Internet to do their jobs*
- *Among U.S. workers, 14% telecommute or work from home at least one day a week*
- *Jobs that depend upon broadband availability are projected to increase 25% by 2018*
- *37% of employees say the ability to telecommute would cause them to choose one job over another*
- *Job seekers had a 27% increase in success by using social networks to generate referrals*
- *Nearly 75% of public libraries offer computer resources for job seekers*
- *Nearly 18% of new jobs in North Carolina were created as a direct result of broadband*
- *In Minnesota, 60% of unemployed adults, 30% of homemakers, and 17% of retirees say they would likely join the workforce if empowered by teleworking*
- *A \$10 billion investment in broadband would produce nearly 500,000 new jobs*
- *Local economic growth and secondary investment enabled by broadband expansion is 10 times the initial investment; and*

WHEREAS, there are significant areas of the County without access to high speed broadband services because of geographic isolation, topographic conditions, and low population density; and

WHEREAS, the County has made broadband deployment a priority as evidenced by their commitment to having a broadband study performed (under the umbrella of the Niagara-Orleans Regional Alliance (NORA)) which will identify broadband deficiencies and potential solutions to address the deficiency; and

WHEREAS, broadband providers have not found it economically feasible to provide broadband services to many of the remote areas of the County; and

WHEREAS, New York State Assembly bill A-07588, known as the Rural Broadband Deployment Act, would promote rural broadband deployment by providing residents, and small business with tax credits for broadband deployment; and

WHEREAS, the bill would allow for residents, municipalities, and small business in un-served areas to come together, pool their economic power, and select a broadband provider to deploy services to their area; and

WHEREAS, any eligible out of pocket expenses the resident, municipalities, or small business incurs for the construction of the network, would be eligible for a 100% refundable tax credit over 5 years; and

WHEREAS, the New York State Senate has passed companion bill S-05481 in support of the Rural Broadband Deployment Act; now, therefore be it

RESOLVED, that the Orleans County Legislature supports New York State Assembly bill A-07588, known as the Rural Broadband Deployment Act; and be it

FURTHER RESOLVED, that certified copies of this resolution be forwarded to Governor Andrew M. Cuomo, State Majority Leader Dean Skelos, State Senator George D. Maziarz, State Assembly Speaker Sheldon Silver, State Assemblyman Steve Hawley, State Assemblywomen Jane Corwin, NYSAC, Intercounty of WNY, Orleans County Towns and Villages, and all others deemed necessary and proper.

Legislator Johnson moved to request that the International Joint Commission reject the proposed Plan 2014 in its entirety. She stated that this is a new plan with a new name that the IJC came up with to replace the old BV7 rejected plan. The International Joint Commission which is made up of representatives from Canada and the US determine the lake level of Lake Ontario. This has been in total disregard of our fishing, our tourism, and our lake front properties. Legislator Bower seconded the motion and asked what we would be up against with this Legislation. Legislator Allport explained that there is a federal treaty between the United States and Canada. Canada has control of the treaty and they also have controls of the levels of Lake Ontario so Montreal does not flood. The United States has very little say in the levels of the lake. The north shores of Lake Ontario are rising because of the way the glaciers have left the bed and it is pushing the water towards the US. We are getting the land erosion with not many ways of stopping this. The DEC has held many meetings with lake front property owners in helping them with ways to try to control the erosion. Until Canada decides that Montreal can flood, nothing will change and we will be punished for it, concluded Legislator Allport. Chairman Callard wanted it kept in mind that this has been brought up twice before and the proposals have been introduced on the American side dealing with environmental issues, not on the Canadian side. We need to continue to take action by reacting publically by taking a stand that people on the American side know we do not want this changed. We need to continue our effort by speaking our minds. The following resolution was adopted:

## **RESOLUTION NO. 286-813**

### **REQUEST TO THE INTERNATIONAL JOINT COMMISSION TO REJECT THE PROPOSED PLAN 2014 IN ITS ENTIRETY**

WHEREAS, the International Joint Commission (IJC) has announced consideration of a new plan that will replace the current regulation plan (58DD) that controls water levels of Lake Ontario and the stated purpose of the new plan, known as PLAN 2014 is to reverse environmental damage caused by the current regulation plan (58D), particularly with regard to the restoration of 65,000 acres of shoreline meadow marsh; and

WHEREAS, PLAN 2014 will increase the current range of water levels that private and public riparian property owners relied on for the last 50 years and according to a peer review conducted by the National Academy of Sciences, the potential environmental benefits of the PLAN 2014 are based upon speculative and unreliable research; and

WHEREAS, projected lake levels under the proposed plan will result in increased duration and frequency of high and low water, significantly increasing the potential for damages to Lake Ontario riparians (estimated at over \$2.2 million per year, which is likely an underestimate) and negatively impacting sport fishing and recreational boating economics across the entire region (estimated at over \$94 million per year); and

WHEREAS, PLAN 2014 greatly decreases protections that exist in the current plan, replacing them with a plan that results in the transfer of prosperity from Niagara County along with other Lake Ontario communities to Hydropower (NYPA and others) who will realize a benefit of approximately \$5.3 million per year on average; and

WHEREAS, Orleans County residents who own property or businesses along the Lake Ontario shore, including its bays, tributaries, and ponds have voiced their concern about a proposed change in the lake levels that would result in significant damage to their properties, and a

corresponding decrease in revenues from recreational boaters and fishermen, both locally-based and those traveling internationally; and

WHEREAS, Orleans County residents and elected officials are resolute in protecting the waters, streams, and harbors of Lake Ontario, the home for some of the best sport fishing, pleasure sailing, and power-boating in the world; and

WHEREAS, modifying the current range of operation by PLAN 2014 further hinders boating access and when combined with the protracted absence of federal funding for maintenance dredging of our federal shallow draft harbors, will cause significant and measurable negative financial impacts to the local and regional economy; now, therefore be it

RESOLVED, the Orleans County Legislature does herewith respectfully request that the International Joint Commission *reject*, in its entirety, all current plans for the implementation of the PLAN 2014; and be it

FURTHER RESOLVED, that the IJC immediately enact a moratorium on the development of any future proposals to modify the range of water levels on Lake Ontario until the completion of a thorough, objective, and all inclusive analysis of the potential economic damages on tourism, recreation, business, and residences along the south shore of Lake Ontario (including properties located along harbors, rivers, and streams) with a specific section dedicated to the thorough evaluation of damages in Orleans County where impacts have been identified as the most acute; and be it

FURTHER RESOLVED, that as part of this study, the Orleans County Legislature further recommends the Commission also assess the amount of civil work and financial assistance required to mitigate the damage of any future plans, and identify funding sources available to offset said actions; and be it

FURTHER RESOLVED, that this study must also evaluate the environmental impacts of repeated flooding of the built environment, to

include the identification of the constituents of point and non-point source runoff and the impacts of sediment and nutrient loading on the quality of water in the impacted areas; and be it

FURTHER RESOLVED, that certified copies of this resolution be forwarded to the International Joint Commission; Governor Andrew M. Cuomo; the New York Department of State; Joe Martens, Commissioner of the New York State Department of Environmental Conservation; the New York State Environmental Facilities Corporation; U.S. Senator Charles E. Schumer; U.S. Senator Kirsten E. Gillibrand; U.S. Congressman Chris Collins; Senate Environmental Conservation Committee; NY State Senator George Maziarz; NY Assemblyman Hawley; NY Assemblywoman Jane Corwin; NYSAC; Intercounty of WNY; Orleans County Towns of Kendall, Yates, and Carlton; and all others deemed necessary and proper.

Legislator Allport moved to approve an undertaking with NYS DOT and our Highway Department in connection with work affecting State Highways. He explained that this gives our Highway Department and Buildings and Grounds the authority to work under Route 31 to install the fiber optic line going to our emergency management along with the

construction of our radio towers. It covers all the work without waiting for the state permits, therefore we can move ahead faster. Legislator Smith seconded the motion. Mr. Nesbitt pointed out that the fiber optic line that we are installing has a cost of \$100,000 with about a three year payback, where we have been paying on leased lines. Once this is paid for in those three years, the county will have reduced costs permanently by using this fiber optic line that we own. The following resolution was adopted:

**RESOLUTION NO. 290-813**

**APPROVING “UNDERTAKING” WITH NYS DOT AND HIGHWAY DEPARTMENT IN CONNECTION WITH WORK AFFECTING STATE HIGHWAYS**

WHEREAS, the undersigned “Orleans County” from time to time receives permits from the New York State Department of Transportation (hereinafter referred to as the “NYSDOT”) and other wise conducts activities and operations upon highways and/or within right-of-way controlled by the State of New York for such purposes as the obstruction, installation, construction, maintenance, and/or operation of facilities; and

WHEREAS, Permittee’s access and operation upon state right-of-way is conditioned upon compliance with Highway Law Sections 52, 103, 2013 and/or 234, including the conditions that Permittee assume all responsibility for (a) the temporary control of all modes of traffic (including motorized and non-motorized travel) affected by Permittee’s operations, (b) complete restoration of state facilities to their condition prior to permitted use or activity, and (c) all claims, damages, losses and expenses; and

NOW, THEREFORE, in relation to all operations and/or actions undertaken within state right-of-way, Permittee hereby agrees to adhere by the terms and conditions in the agreement for Permit Applications, Applicable Rules, Regulations & Conditions, Site Restoration, Payment & Release of Liens, and Indemnity; and be it

RESOLVED, that this Undertaking shall be applicable to all permitted activities and operations undertaken after the date of execution and work initiated while this Undertaking is in effect. This Undertaking may be revoked by the Permittee or rejected by NYSDOT upon thirty days written notice but will continue to apply to all permitted activities/operations that were permitted by virtue of this Undertaking. Unless terminated for the purpose of future activities/operations, this Undertaking shall have a term of twenty (20) years and shall be kept on file to facilitate the issuance of future permits to which it will apply.

### **RESOLUTION NO. 291-813**

AMENDING RESOLUTION NO. 164 OF THE YEAR 1967 IN RELATION TO ORLEANS COUNTY SALES AND COMPENSATING USE TAXES, INCREASING THE RATE OF TAXES ON SALES AND USES OF TANGIBLE PERSONAL PROPERTY AND ON CERTAIN SERVICES, AND ON OCCUPANCY OF HOTEL ROOMS AND AMUSEMENT CHARGES, PURSUANT TO ARTICLE 29 OF THE TAX LAW OF THE STATE OF NEW YORK

BE IT RESOLVED, BY THE ORLEANS COUNTY LEGISLATURE AS FOLLOWS:

That Resolution No. 164 of the Orleans County Board of Supervisors adopted November 30, 1967, as amended by Resolution No. 17 of said Board, adopted February 6, 1969, Resolution No. 90 and 91 of said Board, both adopted June 4, 1970, and as further amended by the Orleans County Legislature by Resolution No. 547-1290, adopted December 12, 1990, of said Legislature, Resolution No. 264-593, adopted May 1, 1993, Resolution No. 388-795, adopted July 29, 1995, of said Legislature, Resolution No. 396-997, adopted September 24, 1997, Resolution No. 380-1099, adopted October 13, 1999, and Resolution No. 377-901, adopted September 12, 2001, and Resolution No. 387-903, adopted September 10, 2003, and Resolution No. 272-705, adopted July 27, 2005, and Resolution No. 361-807, adopted August 22, 2007 and Resolution No.

297-909, adopted on September 9, 2009, and Resolution No. 254-811, adopted on August 24, 2011 be amended in its several parts as follows:

SECTION 1. The first sentence of section 2 of Resolution No. 64 as enacted in 1967, as amended, is amended to read as follows:

SECTION 2. Imposition of sales tax.

On and after September 1, 1970, there is hereby imposed and there shall be paid a tax of three percent upon, and for the period commencing June 1, 1993 and ending November 30, 2015, there is hereby imposed and shall be paid an *additional* tax of one percent upon:

SECTION 2. Subdivision (g) of section three of Resolution No. 164 as enacted in 1967, as amended, is amended to read as follows:

(g) With respect to the additional tax of one percent imposed for the period commencing June 1, 1993 and ending November 30, 2015, the provisions of subdivisions (a), (b), (c), (d) and (e) of this section apply, except that for purposes of this subdivision, all references in said subdivisions (a), (b), (c) and (d) to an effective date shall be read as referring to June 1, 1993, all references in said subdivision (a) to the date four months prior to the effective date shall be read as referring to February 1, 1993, and the reference in subdivision (b) to the date immediately preceding the effective date shall be read as referring to May 31, 1993. Nothing herein shall be deemed to exempt from tax at the rate in effect prior to June 1, 1993 any transaction which may not be subject to the additional tax imposed effective on that date.

SECTION 3. Section four of Resolution No. 164 as enacted in 1967, as amended, is amended to read as follows:

SECTION 4. Imposition of compensating use tax.

(a) Except to the extent that property or services have already been or will be subject to the sales tax under this

enactment, there is hereby imposed on every person a use tax for the use within this taxing jurisdiction on and after June 1, 1993, except as otherwise exempted under this enactment, (A) of any tangible personal property purchased at retail, (B) of any tangible personal property (other than computer software used by the author or other creator) manufactured, processed or assembled by the user, (i) if items of the same kind of tangible personal property are offered for sale by him in the regular course of business or (ii) if items are used as such or incorporated into a structure, building or real property by a contractor, subcontractor or repairman in erecting structures or buildings, or building on, or otherwise adding to, improving, maintaining, servicing or repairing real property, property or land, as the terms real property, property or land are defined in the real property law, if items of the same kind are not offered for sale as such by such contractor, subcontractor or repairman or other user in the regular course of business, (C) of any of the services described in paragraphs (1), (7) and (8) of subdivision (c) of section two, (D) of any tangible personal property, however acquired, where not acquired for purposes of resale, upon which any of the services described under paragraphs (2), (3) and (7) of subdivision (c) of section two have been performed, (E) of any telephone answering service described in subdivision (b) of section two and (F) of any computer software written or otherwise created by the user if the user offers software of a similar kind for sale as such or as a component part of other property in the regular course of business.

(b) For purposes of clause (A) of subdivision (a) of this section, for the period commencing June 1, 1993, and ending November 30, 2015, the tax shall be at the rate of four percent, and on and after December 1, 2015, the tax shall be at the rate of three percent, of the consideration given or contracted to be given for such property, or for the use of such property, including any charges for shipping or delivery as described in paragraph three of subdivision (b) of section one, but excluding any credit for tangible personal property accepted in part payment and intended for resale.

(c) For purposes of subclause (i) of clause (B) of subdivision (a) of this section, for the period commencing June 1, 1993, and ending November 30, 2015, the tax shall be at the rate of four percent, and on and after December 1, 2015, the tax shall be at the rate of three percent, of the price at which items of the same kind of tangible personal property are offered for sale by the user, and the mere storage, keeping, retention or withdrawal from storage of tangible personal property by the person who manufactured, processed or assembled such property shall not be deemed a taxable use by him.

(d) For purposes of subclause (ii) of clause (B) of subdivision (a) of this section, for the period commencing June 1, 1993, and ending November 30, 2015, the tax shall be at the rate of four percent, and on and after December 1, 2015, the tax shall be at the rate of three percent, of the consideration given or contracted to be given for the tangible personal property manufactured, processed or assembled into the tangible personal property the use of which is subject to tax, including any charges for shipping or delivery as described in paragraph three of subdivision (b) of section one.

(e) Notwithstanding the foregoing provisions of this section, for purposes of clause (B) of subdivision (a) of this section, there shall be no tax on any portion of such price which represents the value added by the user to tangible personal property which he fabricates and installs to the specifications of an addition or capital improvement to real property, property or land, as the terms real property, property or land, as defined in the real property tax law, over and above the prevailing normal purchase price prior to such fabrication of such tangible personal property which a manufacturer, producer or assembler would charge an unrelated contractor who similarly fabricated and installed such tangible personal property to the specification of an addition or capital improvement to such real property, property or land.

(f) For purposes of Clauses (C), (D) and (E) of subdivision (a) of this section, for the period commencing June 1,

1993, and ending November 30, 2015, the tax shall be at the rate of four percent, and on and after December 1, 2015, the tax shall be at the rate of three percent, of the consideration given or contracted to be given for the service, including the consideration for any tangible personal property transferred in conjunction with the performance of the service and also including any charges for shipping and delivery of the property so transferred and of the tangible personal property upon which the service was performed as such charges are described in paragraph three of subdivision (b) of section one.

(g) For purposes of clause (F) of subdivision (a) of this section, for the period commencing June 1, 1993, and ending November 30, 2015, the tax shall be at the rate of four percent, and on and after December 1, 2015, the tax shall be at the rate of three percent, of the consideration given or contracted to be given for the tangible personal property which constitutes the blank medium, such as disks or tapes, used in conjunction with the software, or for the use of such property, and the mere storage, keeping, retention or withdrawal from storage of computer software described in such clause (F) by its author or other creator shall not be deemed a taxable use by such person.

SECTION 4. Paragraph (B) of subdivision one of section eleven of Resolution No. 164 as enacted in 1967, as amended, is amended to read as follows:

(B) With respect to the *additional* tax of one percent imposed for the period beginning June 1, 1993 and ending November 30, 2015, in respect to the use of property used by the purchaser in this County prior to June 1, 1993.

SECTION 5. Subdivision (b) of section fourteen of Resolution No. 164 as enacted in 1967, as amended, is amended to read as follows:

(b) Net collections attributable to the *additional* one percent sales and compensating use taxes imposed for the period beginning June

1, 1993, and ending November 30, 2015, are set aside for County purposes and shall be available for any County purpose.

SECTION 6. This resolution shall take effect on December 1, 2013.

Legislator Johnson moved, in its entirety, a resolution to authorize ground lease agreements with the Town of Clarendon and the Village of Medina for the construction of communication facilities; seconded by Legislator Bower. Legislator Johnson made the point that this is a great example of cooperation between the Town, the Village, and the County for much needed radio towers that the municipalities were willing to lease to us. These will generate revenue should communications systems want to rent space from them and this has saved Orleans County a lot of money on this huge build out of our emergency management radio system. Chairman

Callard stated that the land is being leased to the county with no charge. Paul Wagner stated that the best guess on scheduling of ground breaking of these will be mid October. The following resolution was adopted:

**RESOLUTION NO. 293-813**

**AUTHORIZING EXECUTION OF GROUND LEASE AGREEMENTS WITH THE TOWN OF CLARENDON AND VILLAGE OF MEDINA FOR CONSTRUCTION OF COMMUNICATIONS FACILITIES**

WHEREAS, the County is in need of sites in the eastern and western portions of the County for the construction of communications facilities each consisting of an antenna structure and such buildings as are necessary to house telecommunications equipment as a part of the County radio communications system; and

WHEREAS, the Town of Clarendon and the Village of Medina have each agreed to lease a site consisting of approximately 2500 square feet together with a necessary right of way and utility easement situate on lands owned by each municipality; now, therefore be it

RESOLVED, that the Chairman is authorized to execute Ground Lease Agreements with the Town of Clarendon and Village of Medina, having an initial term of five (5) years with option to extend the term for four (4) additional consecutive five (5) year periods at no County cost in order to provide sites for telecommunications facilities as a part of the County radio communications system.

Moved, Johnson; second, Bower.  
Adopted. 7 ayes; 0 nays; 0 absent.

Chairman Callard thanked Councilman DeFilipps and asked for him to extend out to the Town of Clarendon, the Board's appreciation for their cooperation in making this possible for the county at large.

**RESOLUTION NO. 300-813**

**APPROVING RENEWAL AGREEMENTS WITH THE DEPARTMENT OF SOCIAL SERVICES AND VARIOUS AGENCIES**

RESOLVED, that this Legislature does hereby approve the following renewal agreements between the Orleans County Department of Social Services and the following agencies:

Kids Peace National Center for Kids in Crisis, Schnecksville, PA for the provision of therapeutic foster care services; to be effective July 1, 2013 through June 30, 2014 at rates established by the New York State Office of Children and Family Services. Reimbursement will vary by child's eligibility for State and Federal funding.

Orleans County Office for the Aging, Albion, NY for the provision of outreach activities for Low Income Home Energy Assistance Program (HEAP) recipients; to be effective August 28, 2013 through August 27, 2014 at a cost of \$17,500. County cost is \$0.

Hillside Children's Center, Rochester, NY for the provision of residential foster care services; to be effective July 1, 2013 through June 30, 2014 at per diem rates as established by the State, not to exceed \$165,000. County cost will be at a percentage determined by both the program category and financial eligibility of each child so placed.

Willcare, Inc., Buffalo, NY for the provision of personal care aide services to eligible Medicaid clients; to be effective January 1, 2012 through December 31, 2013 at rates to be set by the NYS Department of Health.

Moved, Smith; second, Allport.  
Adopted. 7 ayes; 0 nays; 0 absent.

Chairman Callard called for any old business. Paul Lauricella, Yates, questioned funding on the Keppler site and possible conflict of interest. He reviewed previous discussions held at past meetings. He is concerned with the \$50,000 funding being allocated to the Keppler site. On top of that the Town of Shelby and the Village of Medina each allocated \$10,000 for this site. He understands that IDA's are legal but referenced the NYS Constitution in that public funds cannot be used for private enterprise. He also noticed that Orleans County Attorney Schubel is a business partner with Keppler and is also the Town Attorney for Town of Shelby of which Mrs. Keppler serves as Town Justice. He also mentioned that Medina Mayor Andrew Meier is a practicing partner of Schubel. He believes this

is a conflict of interest because of the Keppler business partnership.

Chairman Callard addressed the concerns. This is not to benefit a private site, this money was allocated to the Industrial Development Agency, not to an individual. The IDA has a lease agreement to develop the property for industrial growth going forward. Mr. Nesbitt further explained that the IDA has an exclusive option on the property for numerous years. The process of having the site certified by Empire State Development as a state certified shovel ready site means that people come to do major projects in the State of New York. When corporations look to site new facilities, this would be in the first list of possible sites that they will see and be shown because of it being a certified site marketed through the strategic business division of Empire State Development. The development costs incurred were for engineering to prep the site to become state certified shovel ready, which is a designation that very few sites across the state have. Mr. Nesbitt further explained that this was important for us to do because when we were in competition for various projects that we missed out on in the last few years, including the Yahoo Data Center in Lockport. The representative who toured the Medina Business Park stated they were not so crazy about this site but rather had more interest in the one across the street. That Yahoo Data Center could have been in Shelby, outside the Village of Medina if we were prepared.

Chairman Callard continued to explain that the figures eluded to by Mr. Lauricella that were recently allocated by the Town of Shelby and the Village of Medina are for development in the actual industrial site of which the IDA owns and has nothing to do with the Keppler site. In addition to that, National Grid contributed a great deal of money to both sites in order to upgrade it to make it shovel ready and certified.

Mr. Lauricella's concern is that the County and the Towns are not an IDA per the constitution and the constitution should trump that. He also indicated that if you look at it in his point of view, it looks like favors are being given.

Attorney Schubel clarified that the EDA came to the Kepplers, the Kepplers did not approach the EDA. The property required to be rezoned. At this point, Attorney Schubel, made numerous statements to the Shelby

Town Board, and also filed a written statement, that he was in a business relationship with the Kepplers, however was not an owner of this property. The Town of Shelby retained outside council (Karl Essler) and he recused himself and did not participate in any meetings pertaining to this matter. The Town of Shelby was represented by outside council. The Kepplers, in negotiating the option agreement with the EDA, retained council of Richard DiGiacomo. Attorney Schubel stated that he has never spoken to Mr. DiGiacomo and has never participated in any way with the option agreement. The EDA has also been represented by separate council. Attorney Schubel took every single step he could to separate himself because he anticipated, someone like Mr. Lauricella, would make such an allegation. He concluded that you would have to live in a bubble in the Town of Shelby not to know that he knows the Kepplers. Mr. Lauricella thanked him for the clarification.

Further discussions and exertions led into order called by Chairman Callard. He further asked if any Legislators wished to make comment.

Legislator Allport asked if our Nursing Home continues to provide IV Therapy. Mr. Nesbitt confirms we are. Chairman Callard stated it is a service that is being provided at the Nursing Home which yields \$400 to \$500. It helped to bring a patient in from another facility because we were able to provide this service.

Chairman Callard wanted to bring attention to today's Daily News which reports on the Center for Governmental Research's study findings for New York State County Nursing Homes which confirms that county-owned nursing homes are a losing proposition.

Genesee County stated that its county nursing home ended 2012 with an operating deficit of \$3.5 million. The Genesee County Manager said "it's a fiscal impossibility". The CGR report confirms what we have been saying all along in Orleans County — the issues related to the financials of our county nursing home are real.

Legislator Bower stated he spoke in previous meetings about the costs of educating our residents at our Community Colleges. He stated about \$1.7 million has been spent in 2013. He does not want names, but numbers as

to the number of people who have failed. Genesee Community College has indicated that the requested information is not foailable. Mr. Nesbitt continues to inquire for Legislator Bower to just receive numbers as to who is failing. Legislator Bower feels this should not be withheld to the taxpayers, the ones who pay the bill. He said that if 10% of our students fail, of the \$1.7 million we pay to Community Colleges, a \$170,000 savings can be seen by our county taxpayers. All he wants to know is how many Orleans County residents are either failing or dropping out at GCC. He pledged that he will continue to be on top of this because it bothers him that we continue to pay for those that fail or drop out.

Legislator Johnson stated that this Board, last fall, passed a resolution to repeal the NY SAFE Act. She further reported that Orleans County could be the first County in the state to have all towns and villages pass similar repeal resolutions. Currently we have all ten towns and soon will have the last village pass it.

Mattie Zarpentine, Holley, stated that they have worked hard to educate towns and villages, along with citizens, the impact of the NY SAFE Act on people. It has been a positive experience and they are beginning to branch out to other counties. She hopes that by the middle of next month that Orleans County will be the first one in the state to have full municipal support. She thanked the Legislature for their support.

Anthony Peone, Murray, was appreciative of the passage of opposing the NY SAFE Act but questioned as to how New York State has responded to the Board's resolution, if at all, and what does this Board plan to do next. Chairman Callard stated that if Orleans County becomes the first, we will need to branch out to get other counties to do the same across the state, then hoping that New York State reacts to the notion that we oppose it. Others are, but not to the extent Orleans County has. Legislator Bower suggested to work through Western New York Intercounty which is a group of 19 counties that advocate for legislation. Chairman Callard represents Orleans County at this meeting so he will be sure to mention that Orleans County has been successful in opposing this by getting our towns and villages to do the same.

Mr. Peone also mentioned that in Colorado, they have passed similar

legislation and some of the counties there are talking about succession from the State of Colorado and forming a 51<sup>st</sup> state. Mr. Peone also stated that New York State has also spoke of breaking off Western and Upstate New York away from the City of New York and its surrounding area. Chairman Callard indicated that Assemblyman Hawley has been pushing this very same thought.

Robert Golden, Carlton, believes that the idea of going private, not only for the nursing home but also for numerous government agencies is not really a savings. He thinks that going private is not always the answer. They have the same issues and problems as we do in the public sector. He continued that he is a big time reader and has read several things on privatization, some work out well and others do not. In going private, the person who obtains the property gets it for less than its value. He shared several examples, including post education, in particular profit and not for profit colleges. He stated that goals are different between private and public.

Chairman Callard, in concluding Mr. Golden's points, stated that we need to approach things in a business like manor and in a positive way, not negative, or it won't work. He stated that they are elected to make it work. He said that, we, as property owners are being taxed directly for the operation of the Nursing Home. He is not going to debate the argument, because he accepts it, that the medical business to run either by a public or private entity. The philosophical question is in that should government be in the business of running businesses other than the operation of government. The difference is that we have to assume the cost, which will continue to grow, and it is impossible to make money. We need to stop burdening the residents that pay taxes on property and that is a fundamental concern.

Mr. Golden concluded on another point and mentioned that he met with Chairman Callard, Legislator Bower, and Mr. Nesbitt concerning the Medicaid and Medicare costs, spending a lot of money on health care. He believes using the political powers of NYSAC, NACo, and InterCounty of Western New York along with our congressman; we could put pressure on the health industry.

Chairman Callard stated that as Obama Care rolls out we will see more public response and he agrees that working through our organizations is important, but people need to respond with their points of view.

Legislator Bower moved into executive session at 5:30 p.m. for the discussion of collective bargaining as allowed per Open Meetings Law Section 105 (e). Legislator Allport seconded the motion and the motion was carried.

Benediction was offered by Pastor Roy Harriger. They continued into executive session and informed the public that no further business will occur.

Legislator Allport moved to reconvene the meeting from Executive Session at 5:45 p.m.; seconded by Legislator Bower. Motion Carried.

Legislator Rush moved to adjourn; second by Legislator Allport. Meeting adjourned at 5:45 PM.

## LEGISLATURE MEETING

September 11, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Randy LeBaron of the Free Methodist Church, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: On October 2, 2013 Orleans and Niagara Counties will co-sponsor a training event at Niagara County Community College from 5 p.m. to 9:30 p.m. to provide a general overview of the SEQR (State Environmental Quality Review) process and to present the revisions under the New York State Environmental Quality Review that will go into effect October 7, 2013. These changes have been described as the first substantial modifications in decades, therefore public officials who deal with land use matters are encouraged to attend. Register early because there could be a high demand for this training. Brown's Berry Patch invites all to Brown's Berry Patch War of 1812 Peace Garden Dedication which will be held on Saturday, October 5<sup>th</sup> at 10:00 am.

Legislators Bower and Legislator Johnson presented Sheriff Hess a proclamation recognizing September 15 – 21, 2013 as National Sheriff's Week in Orleans County. Chairman Callard thanked Sheriff Hess for all he does for Orleans County.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through August 2013. She reported that we are in good standings in comparison from last year.

Chairman Callard stated that he had the opportunity to attend the 911 Memorial Ceremony this morning in which Legislator Allport spoke on behalf of the Legislature. Chairman Callard reflected back on the day of the 911 attacks and how it brings back memories of that day. He stated that it saddens him of how many died that day but need to be proud of those that gave their lives to save others. Chairman Callard requested a moment of silence to reflect on the horrific attacks on 9/11 that occurred 12 years ago today.

Chairman Callard called for open discussion as it relates to today's resolutions. Paul Lauricella, Yates, stated that he highly anticipates the republican congress to cave in on defunding Obama Care when it comes up for a vote. He inquired on Resolution No. 302-913 concerning abolishing and creating positions in the DMV. He asked what the advantage is in replacing two part-time people with a full-time person, who would then collect a pension and union wages. Mr. Nesbitt explained that this is the third part-time position that has been eliminated from the County Clerk's office. He added that it has been very difficult to keep people in these part-time positions to be trained well enough to facilitate the public's business. With the savings due to the elimination of these three part-time positions, it will cover the cost of the full time position which will more efficiently serve the public. Mr. Lauricella asked if it is that busy. Mr. Nesbitt indicated that it is that busy. Chairman Callard added that the operation has been streamlined which has saved us money so this will compensate for the changes and still have residual monies.

Mr. Lauricella inquired about the purchase of a forklift for the radio project and asked if the original one authorized was new because of a \$900 difference over this second one. Mr. Nesbitt explained that the first used forklift authorized for purchase was actually sold before we could execute the purchase.

Mr. Lauricella inquired about the repairs on the voting machines, Resolution No. 306-913, and asked if there are problems with them or is this general maintenance of them. Mr. Nesbitt indicated that grant funds are being set up from the State to have ongoing maintenance on them such as software updates. This funding will help have them efficiently maintained by our Voting Technicians.

Mr. Lauricella, concerning Resolution No. 309-913 regarding environmentally stressed properties, asked if this is part of the newer, greener initiative. Chairman Callard reported that this is to help identify properties across the county so a thorough listing is available so they can be dealt with accordingly. He further explained that this is more intended for commercial rather than residential properties. A particular criterion will be used to establish this list and it could be possible to have a residential property on this list using that criteria. Mr. Lauricella added

that he gets nervous when the EPA is mentioned. Chairman Callard reported that Niagara County has utilized these grant monies which have benefited in their clean up initiative.

Allen Lofthouse, Kendall, in the three contracts listed in Resolution No. 305–913, particularly Elmcrest and Snell Farm Children’s Center, which are not to exceed \$165,000, he questioned if these agencies have been used before and how much the cost would be. Mr. Nesbitt indicated that these contracts are in place for emergency foster care placement options for specialized care based on what the facility provides. Mr. Kuryla, DSS Commissioner, expanded in saying that these foster care services are more specialized and cannot be provided in local foster care placements. This institutionalized foster care provides services for severe emotional, drug, and alcohol problems. Mr. Lofthouse asked how much was spent on this care last year. Mr. Kuryla informed Mr. Lofthouse that we did not have placements in these care settings last year. Legislator Allport further stated that we don’t spend money unless we have placements in this institution. Mr. Kuryla indicated that we had 28 children in foster care last year and possibly one or two at the most in institutional foster care at a time. The county cost was also discussed concerning the Linstar Equipment Service Agreement based on Mr. Lofthouse’s inquiry.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Smith. Motion carried. The following resolutions were presented for adoption:

### **RESOLUTION NO. 301-913**

Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Johnson moved to authorize a grant application to address Orleans County’s environmentally distressed properties and to transfer funds into the Planning budget to cover the cost. She further explained that this is another great example of county sharing services through NORA. We will be using Niagara County’s grant writer to apply for an EPA grant that is available for revitalization of Orleans County’s efforts to clean up properties in our neighborhoods. Niagara County was successful in this grant process and was awarded \$200,000. They are willing to write the grant for us for just reimbursement for time spent by the grant writer. There is no conflict of interest because Niagara County is not applying in this grant round. This is a great collaborative effort on the part of local Niagara and Orleans County leaders. At the end of the day, all parties are seeking funds that would make our neighborhoods safer, provide better futures for local families and we want to see job creating reuse of our Brownfields. Legislator Bower seconded the motion. Chairman Callard thanked Legislator Johnson for taking the leadership through NORA which is a new effort we are getting involved in. This begins a process at

the core of properties that need remediation and will also assist in upgrading housing across the county. This will generate a new template on how to deal with these properties and find resources to uplift our assessed evaluations which will help lower taxes and make the county more attractive for investment. The following resolution was adopted:

**RESOLUTION NO. 309-913**

**AUTHORIZING GRANT APPLICATION TO ADDRESS ENVIRONMENTALLY DISTRESSED PROPERTIES AND AUTHORIZING TREASURER TO TRANSFER FUNDS INTO THE PLANNING BUDGET**

WHEREAS, the Orleans County Legislature recognizes that redevelopment and adaptive reuse of existing properties are often more complex and difficult types of community and economic development than simple green field development due to instances of environmental contamination; and

WHEREAS, the EPA has made funding available to communities to pursue cleanup of environmentally distressed properties; and

WHEREAS, the NORA partnership has provided an opportunity to partner with Niagara County and utilize their expertise in this area to write a grant on behalf of Orleans County to improve the condition of properties in Orleans County; now, therefore be it

RESOLVED, that this legislature authorizes the Chief Administrative Officer to sign an agreement for grant writing services not to exceed \$1,600 to have the grant written; and be it

FURTHER RESOLVED that this legislature authorizes the Treasurer to transfer funds into the Planning budget to fund the writing of the grant as follows:

FROM:

A1990.435

Contingency

\$1,600

TO:

A8020.418            Other Contractual            \$1,600

Chairman Callard set the parameters of open forum by asking for comments and concerns to be kept within three minutes.

Paul Lauricella, Yates, inquired from Legislator Bower on how he was progressing with the drop out and failing rates with our Community Colleges, particularly with GCC. Legislator Bower expressed that a FOIL request has been sent to GCC requesting to provide information on the percentage of students failing courses. He indicated that he has spoken to some former instructors and students and he believes that it could be more between 30 to 40 percent. Legislator Bower will continue to provide status updates.

Allen Lofthouse, Kendall, inquired how the county taxpayers made out with the former Medina Jubilee building, now ACE Hardware. He asked if we were ahead of the game, or behind. Mr. Nesbitt expressed that we certainly did not put in more man hours than what we received in the terms of a sale price. Mr. Nesbitt stated that a piece of property was prepared for a sale and we sold it. This piece of property needed remediation, as we spoke of earlier today of contaminated properties. As part of the sale, it was agreed to do some paving at the site provided the buyer pay for all of the materials. The County pocketed a net of \$50,000 and we now have a taxpayer, and are generating sales tax income.

Grace Denniston, Carlton, thanked Legislator Callard for the renovation of the house on Temperance Street. It is nostalgic for her because her grandmother lived in the house to the south.

Paul Lauricella shared his concern and perspective on Mr. Cardone's comments regarding code enforcement. He stated that a lot that do code enforcement for a while turn into tyrants. His town in particular, has a good code enforcement officer who is willing to work with residents. Other towns have code enforcement officers that push people around. The

Villages may not be so tolerant because of the concentration of people. He feels that this County should get rid of some of the rules and regulations so businesses want to come here and people want to stay in our county.

Adolf Genter, Gaines, was concerned about radio activity waves and was concerned as to where the radio towers will be placed. Paul Wagner, Director of Emergency Management, explained that three towers will be erected and an environmental review will be done on those. He described the locations of the new towers. One will be behind the concrete 3 million gallon water tank owned by the Village of Medina located west of the Ethanol Plant on Route 31. The second tower will be erected behind the Office of Emergency Management's pole barn on the southern part of that property on County House Road. The third tower will be erected in the Town of Clarendon, on the plot adjacent to the Town Highway Department building off Hindsburg Road, behind the tree line. Mr. Genter is concerned with cancer clusters as found in other areas ten years after radio towers were erected.

Bob Golden, Carlton, suggested using New York Association of Counties (NYSAC) to try to help reduce Medicaid costs. He said he spoke with them and there are many savings to be made in respect to Medicaid costs. He mentioned Tort reform. He said NYSAC states Medicaid costs the county \$8 million and they are anticipating a possible billion dollar reduction in those costs. The "Private" needs to put pressure on providers (Insurance) and also Legislators need to pass Legislation, such as Tort Reform, could help with savings. Chairman Callard indicated that he will be attending the Fall NYSAC conference at the end of this month along with Legislator Johnson and CAO Nesbitt, and there will be discussion on that and will be sure to bring that back with them.

Legislator Allport asked everyone now that school is back into session to do their research on the Common Core agenda that is being taught. He stated that he has looked into this over the past couple years that it has been instituted. He indicated that the Rochester School district has hired an extra 6,000 teachers and they are attending an extra two hours per day to teach the kids Common Core. He stated that what he is getting out of this is disturbing and thinks it is pushing communism. They have a set of

standards that are set in concrete at each level. He referenced that not all kids learn at the same level or same rate. He said those that don't learn, will end up in a black hole, such as those with special needs. Common Core is very scary to him and our kids are being indoctrinated. He indicated that it is up to our local school boards to implement this or not. In Albion, it has been implemented since 2011, and it is starting to show with what the teachers are saying to the kids, stated Legislator Allport. He concluded that it is frightening as an American.

Legislator Allport moved to adjourn; second by Legislator Bower. Meeting adjourned at 5:11 p.m.

**LEGISLATURE MEETING**  
September 24, 2013

---

Chairman Callard called the meeting to order at 9:00 a.m. After the pledge to the flag and invocation, led by Pastor Jack Laskowski of the First United Methodist Church, the Clerk called the roll. All Legislators were present, with the exception of Legislator Eick.

The Clerk presented the following communications: The Albion Merchants Association is requesting to have a banner placed on the Courthouse Square to promote their Albion Shopping Tour which will occur on Saturday, October 19, 2013. They are requesting this banner be hung from October 5, 2013 through October 19, 2013. The Board approved this request.

Chairman Callard called for open discussion as it relates to today's resolutions. With there being no comments; the following resolutions were presented for adoption:

Legislator Johnson moved to expend grant funds in Emergency Management for the "I AM Responding Program". She invited Paul Wagner, Director of Emergency Management, to explain this resolution. He stated that previously we authorized this purchase but need to amend the budgets because the "I AM Responding Program" runs beyond the expiration period for this grant funding. He explained the program in that texts are sent to the first responders and they then can reply that they will be making the call, therefore knowing who will be responding. He introduced John DeYoung, Assistant Fire Chief from the Clarendon Fire Department, who explained the features and benefits of this program. Legislator Bower seconded her motion. Legislator Johnson added that

right now with the system we have there is a break in communications between dispatch and our responders which frequently delays response time, especially in our more rural areas of the county. She felt that purchasing this software will improve this communication. The following resolution was adopted:

**RESOLUTION NO. 322-913**

**AMENDING EXPENDING GRANT FUNDS IN EMERGENCY MANAGEMENT**

WHEREAS, Resolution No. 259-713 authorized expending and setting up State Homeland Security Grant Funds FY12 in the amount of \$40,000 for a three year package of “I AM Responding Program”; and

WHEREAS, said SHSP Grant Funds FY12 will expire in 2014; be it

RESOLVED, that this Legislature authorizes the Director of Emergency Management to amend SHSP FY12 grant funds for the purchase of an “I AM Responding” Program, for text notification to responders, for a one year term at a cost \$13,333; and be it

FURTHER RESOLVED, that this Legislature authorizes the Director of Emergency Management to expend the remaining \$26,667 of SHSP FY12 grant funds to purchase Harris Portable Radios, said purchases to be paid from Emergency Management Account A3640.486.2012 – Grant SHSP FY2013.

Adopted. 6 ayes; 0 nays; 1 absent, Eick.

Legislator Johnson moved to increase our maximum estimated cost for our Emergency Communications System Radio Project to \$7.1 million; seconded by Legislator Allport. Mr. Nesbitt explained that when we originally authorized the bonding for this project, it was out of necessity in order to settle the FCC rebanding situation. Also, at that point, the specifications were not fully prepared for this project. We were in negotiations with Iberdola to possibly construct our towers and we lease them. We also were in discussion concerning full system integration with the County of Monroe. We now have an additional bond authorization to raise the amount over what we initially approved to fit our project and to buy rather than lease our towers. Legislator Allport stated that this is the time to thank our volunteers. It has been stated before that our volunteer firefighters save \$7 to \$8 million a year in county costs. They provide a critical service to our county and after all these years of our lack of communications, to give them these tools to make them get home safe are worth moving this resolution forward, expressed Legislator Allport. The Legislature applauded those sentiments. The following resolution was adopted:

### **RESOLUTION NO. 325-913**

**AUTHORIZING INCREASING THE MAXIMUM ESTIMATED COST TO \$7,100,000 RELATED TO AN EMERGENCY COMMUNICATION SYSTEM RADIO TOWER PROJECT, IN AND FOR THE COUNTY OF ORLEANS, NEW YORK**

WHEREAS, Resolution No. 139-412 authorized the estimated maximum cost of \$5,300,000 and authorizing issuance of \$4,500,000 Bonds to pay for the cost thereof; the issuance of the bonds remains the same; now be it

RESOLVED, that this Legislature does hereby authorize the maximum estimated cost of \$7,100,000 for the Emergency Communication System Radio Tower Project.

Moved, Johnson; second, Allport.

Adopted. 6 ayes; 0 nays; 1 absent, Eick.

### **RESOLUTION NO. 326-913**

APPROVING AGREEMENT BETWEEN BUILDINGS AND GROUNDS AND GERSTER TRANE

RESOLVED, that this Legislature approves the agreement between the Buildings and Grounds Department and Gerster Trane, 45 Earnhart Dr, #103, Amherst, NY 14221 to provide scheduled maintenance to the County's chillers and boilers effective September 1, 2013 through August 31, 2016, in which it is to be reviewed prior to expiration date for renewal.

Moved, Allport; second, Smith.

Adopted. 6 ayes; 0 nays; 1 absent, Eick.

### **RESOLUTION NO. 327-913**

Moved, Bower; second, Johnson.

Adopted. 6 ayes; 0 nays; 1 absent, Eick.

Chairman Callard opened the floor for comments from our Legislators. Legislator Bower indicated that he received notification from GCC that his FOIL request was received and that they will be working on it.

Chairman Callard then opened the floor to the public, reminding them that comments or concerns are to be kept to one subject to be presented within three minutes.

Bob Golden, Carlton, knowing that a few of you will be attending the NYSAC Conference today, stated that he was advised by NYSAC to review their website. He pulled a resolution that will be on the conference agenda concerning Medicaid shared savings to be realized as a result of the Health Care Act. Mr. Nesbitt shared that he is on the Resolutions and Legislative committees and is Chairman of the Taxation and Finance Committee. Mr. Golden again summarized that other savings can be realized, such as Tort reform. Tort Reform was proposed during the last Legislative session but did not go very far. Tort Reform, is a limitation on medical lawsuits, which the recommendation was \$250,000 limitation, even \$500,000 would be a huge savings. He believes that health insurance will be reduced due to the Affordable Care Act, also that large insurance companies can no longer acquire more than a 15% profit. All of this shall realize a savings. Mr. Golden urged to work with NYSAC on this issue.

Chairman Callard commented that NYSAC is not republican dominated, it is counties working together for county concerns. Chairman Callard announced that Mr. Golden is our retired Probation Director.

Allen Lofthouse, Kendall, asked Legislator Bower when he expects an answer from GCC and if this is the only college he directed his inquiries to regarding the failing/dropout rates? Mr. Bower indicated that GCC is the one that affects Orleans County taxpayers the most. Treasurer Heard interjected that 90% of students from Orleans County attend GCC. Mr. Bower believes that if we get these figures from GCC, it will ring true throughout the state. Mr. Nesbitt reviewed the time line of FOIL responses. Mr. Lofthouse indicated that this could possibly fund the Villages if this is resolved. Mr. Bower stated he will continue to follow through.

Adolf Genter, Gaines, complained about the Billing department at The Villages. He stated that the Billing Department billed a family member for a resident's past co-payments after a couple of years had passed. He asked that this be looked into. Chairman Callard asked that he discuss this with our representatives from the Villages that are present at today's meeting.

Legislator Smith moved to adjourn; second by Legislator Allport. Meeting adjourned at 9:25 p.m.

## LEGISLATURE MEETING

October 9, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator Smith, the Clerk called the roll. All Legislators were present, with the exception of Legislator Allport.

The Clerk presented the following communications: New York State Department of Agriculture and Markets has certified that the land included in the Orleans County Agricultural Districts is viable agricultural land, and as proposed is feasible and shall serve the public interest in assisting in maintaining a viable agricultural industry within the Districts. The Orleans County Treasurer has provided the annual examination of Petty Cash Accounts report which has been filed in our office. Inter County Association of Western New York will hold their meeting on Friday, October 18, 2013 at 9:00 a.m. at Emerson Park Pavilion in Auburn NY – hosted by Cayuga County. Reservations are due to me by Friday. A Drug Take Back day will be held on Saturday, October 26<sup>th</sup> from 10:00 a.m. – 2:00 p.m. and drop points will be located at the Holley Fire Department, Medina Fire Department and the Orleans County Public Safety Building. In April’s Drug Take Back day collected over 310 pounds from 123 vehicles involved in Orleans County. Orleans County Family Game Night will be held at the Orleans County Fairgrounds in the Trolley Building on Thursday, October 17<sup>th</sup>.

On behalf of the Orleans County Legislature, Legislator Smith proclaimed the month of October as Domestic Violence Awareness month in Orleans County and presented the proclamation to Tom Kuryla, Commissioner of the Department of Social Services.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through September, 2013. She reported that the credit card machine is up and working in the County Treasurer’s office and currently collecting delinquent taxes with it. Legislator Johnson asked Treasurer Heard to announce that on our website. Treasurer Heard expressed that she has placed stickers on the tax bills mailed yesterday and will be

preparing a press release. Chairman Callard asked Treasurer Heard to follow up on the website.

During open discussion, Paul Lauricella Yates, referencing Resolution No. 335-1013 he questioned the Homeland Security Grants concerning Orleans County SWAT and said that he envisions this being used against the people who support the NY Safe Act. He said the people will be prosecuted if they don't register their weapons and they will be confiscated. He also said that they will make an example out of a few people to scare the rest. Mr. Nesbitt advised Mr. Lauricella that he missed today's twenty minute conference session presentation by the Orleans County Sheriff's Office about School Safety training and how these funds will be used in a SWAT response to an active shooter. Chairman Callard indicated that he does not think anyone would question the need or importance of being able to act quickly and responsibly to such a situation. Mr. Lauricella stated that SWAT will get their after the week. He suggested that an employee of the school be trained by the school to carry a fire arm. The cowards go in to places where they are not armed.

Mr. Lauricella also questioned Resolution No. 343-1013 and stated that you can't go out on the water to enjoy your boat anymore because the Police will be called if you are seen drinking alcohol or having too much fun. Chairman Callard indicated that this is a resolution in response to the states funding cut backs and we are asking to go back to the original reimbursement rates from the State to cover our Marine Patrol.

With their being no further questions concerning today's resolutions from the public the following resolutions were presented for adoption:

### **RESOLUTION NO. 329-1013**

#### **AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

RESOLVED, that this Legislature does hereby approve an agreement between the Orleans County Crime Victim's Assistance Program and Sheila McWethy of 4008 S. Main St. Rd, Batavia, NY to provide night court advocate services on a per diem basis at a rate of \$15.25 per hour, not to exceed \$5,000 a year effective October 1, 2013 through September 30, 2014 unless sooner terminated as hereinafter; and be it

FURTHER RESOLVED, that this agreement will terminate when no further grant funds are available to maintain no county cost for these services.

Moved, Bower; second, Johnson.

Adopted. 6 ayes; 0 nays; 1 absent, Allport.

**RESOLUTION NO. 331-1013**

**APPROVING RENEWAL AGREEMENT BETWEEN OFFICE FOR THE AGING AND RURAL HOUSING ACTION CORP**

RESOLVED, that this Legislature approves a renewal agreement between Rural Housing Action Corp and the Orleans County Office for the Aging for a 5 year lease agreement for the first floor of the Albion Academy which will primarily be used for the Orleans County Nutrition Program contracted by the Office for the Aging and also utilized for other programming as needed; effective October 1, 2013 through September 30, 2018. Yearly rent rate will increase by 2.5%. County Cost is dependent on federal allocations - \$122.40 a month for 2014.

Moved, Smith; second, Bower.

Adopted. 6 ayes; 0 nays; 1 absent, Allport.

**RESOLUTION NO. 332-1013**

**AUTHORIZING TREASURER TO PLACE ADVERTISEMENT REGARDING UNPAID TAXES**

RESOLVED, that pursuant to a request from the County Treasurer, this Legislature authorizes the placement of a notice in the Lake Country Pennysaver notifying the delinquent taxpayers that failure to pay their 2013 taxes will result in the County filing a tax lien against said property as required by New York State Real Property Tax Laws.

Moved, Johnson; second, Bower.

Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Johnson moved to approve the union agreement with the Orleans County Deputy Sheriff's Association; seconded by Legislator Bower. Legislator Johnson wished to recognized CAO Nesbitt, County Attorney Schubel, and Personnel Director Jack Welch for their negotiations on these two contracts and commended them on a job well done. The following resolution was adopted:

**RESOLUTION NO. 333-1013**

**APPROVING AGREEMENT WITH ORLEANS COUNTY DEPUTY SHERIFF'S ASSOCIATION**

RESOLVED, that this Legislature approves an agreement with the Orleans County Deputy Sheriff's Association (OCDSA) covering the years 2013 through 2015; said agreement includes a 2% salary increase for 2013, 2014, and 2015; said agreement includes changes to Article 8 Overtime, Premium Pay, and Call Out Time and Article 18 Hospitalization, Medical, and Dental Benefits - including implementation of a high deductible health plan.

**APPROVING AGREEMENT WITH ORLEANS COUNTY SHERIFF'S EMPLOYEES ASSOCIATION**

RESOLVED, that this Legislature approves an agreement with the Orleans County Sheriff's Employees Association (OCSEA) covering the years 2013 through 2015; said agreement includes a 2% increase for 2013, 2014, and 2015, and changes to Article 8 - Substitutions, Article 11 - Bereavement Leave, and Article 18 - Hospitalization, Medical, and Dental Benefits - including implementation of a high deductible health plan, universal cost sharing and long-term reductions in post employment benefits.

Moved, Johnson; second, Bower.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Bower moved to authorize the Sheriff to apply for the Tactical Team Targeted Grant; seconded by Legislator Johnson. Legislator Bower expressed that he does not know what would happen if we do not apply for this grant. He said it could come a time when Homeland Security wants

us to have “this, that and the other thing” and the taxpayers would be responsible to “pay the full shot”. This is a very good possibility the way our State works, indicated Legislator Bower, and that is why he supports this. The following resolution was adopted:

**RESOLUTION NO. 335-1013**

**AUTHORIZING ORLEANS COUNTY SHERIFFS’ OFFICE TO APPLY FOR THE FY2013 TACTICAL TEAM TARGETED GRANT**

RESOLVED, that this Legislature authorizes the Orleans County Sheriffs’ Office to apply for the FY2013 Tactical Team Targeted Grant through the New York State Office of Homeland Security and Emergency Services – Office of Counter Terrorism in the amount of \$86,000 for use in funding of equipment for the Orleans County SWAT Team effective; October 7, 2013 through August 31, 2015; and be it

FURTHER RESOLVED, that the County Chairman is hereby authorized to execute the grant agreement and all related documents associated with a full grant award, subject to review by the County Attorney.

### **RESOLUTION NO. 341-1013**

SETTING DATE FOR PUBLIC HEARING ON CONSTRUCTION OF SELF-SUPPORT RADIO TOWERS IN THE TOWNS OF CLARENDON, ALBION, AND SHELBY

RESOLVED, that a public hearing will be held by this Legislature to receive public comments on construction of three self-support radio towers, to be located in the towns of Clarendon, Albion and, Shelby, on

the 23<sup>rd</sup> day of October, 2013 at 4:25 pm at the Legislature Chambers, 3 South Main Street, Albion, New York; and, be it

FURTHER RESOLVED, that the Clerk of the Legislature shall publish notices of said hearing in the two official County newspapers describing the subject parcels as follows:

Town of Shelby: Located at 11816 Maple Ridge Road, approximately .6 mile east of Bates Road, on tax parcel 91.00-1-24, owned by the Village of Medina, and currently operated as a concrete water supply reservoir.

Town of Clarendon: Located on East Lee Road, approximately .1 mile west of Hindsburg Road, on tax parcel 97.00-1-42.12, owned by the Town of Clarendon and currently vacant.

Town of Albion: Located at 14064 West County House Road, approximately .6 mile east of Gaines Basin Road, on tax parcel 83.00-1-28.1, owned by the County of Orleans, and currently occupied by the County Emergency Management Office and associated facilities.

Moved, Johnson; second, Smith.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Smith moved to create a temporary Social Welfare Examiner position at DSS. Commissioner Kuryla explained the vacancy due to medical leave and the department is mandated to provide this service. This temporary employee will determine the eligibility of a public assistance applicant. Legislator Rush seconded the motion and the following resolution was adopted:

### **RESOLUTION NO. 342-1013**

**AUTHORIZING CREATING A TEMPORARY POSITION IN THE DEPARTMENT OF SOCIAL SERVICES**

WHEREAS, a full time Social Welfare Examiner (6010.0109) will be out on medical leave and this position is critical in the day to day operations at DSS; now be it

RESOLVED, that this Legislature does hereby authorize the creation of a temporary full time Social Welfare Examiner position (6010.0109\*) in the Department of Social Services at Grade 13 of the CSEA salary schedule, to be effective for the period of October 10, 2013 through the return of the full time permanent employee (6010.0109) from a leave of absence; and be it

FURTHER RESOLVED, that the Commissioner of Social Services is authorized to fill the newly created temporary position.

Moved, Smith; second, Rush.

Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Johnson moved to recognize our Marine Patrols in County Law Enforcements and calling for amendments to the Navigation Law to support County Marine Patrol sustainability. She further explained that in 2010 we were receiving a 75% reimbursement from the state and like in most of our programs, they cut us back and now we are only getting 50% reimbursement. We are asking the State to give us back the 75% reimbursement. Legislator Smith seconded her motion. Legislator Johnson wanted to be on record concerning Mr. Lauricella's comment regarding infringement on his enjoyment on the water. She stated that our Sheriff does not do that and as long as a person stays within the State's Navigation Laws, a visit will not occur from the Sheriff. She said this is to protect a person while out on the water. The following resolution was adopted:

### **RESOLUTION NO. 343-1013**

RECOGNIZING THE IMPORTANCE OF MARINE PATROLS IN COUNTY LAW ENFORCEMENT AND CALLING FOR AMENDMENTS TO THE NAVIGATION LAW TO SUPPORT COUNTY MARINE PATROL SUSTAINABILITY

WHEREAS, counties across New York State ensure marine law enforcement and boating safety by providing law enforcement services regularly by entities, especially the county sheriff patrols; and

WHEREAS, Section 3 of 79-B of the New York State Navigation Law provides a reimbursement rate for such services from the revenue raised from boaters registration fees by the New York State Office of Parks, Recreation, and Historic Preservation (OPRHP); and

WHEREAS, the reimbursement rate was, previous to 2010, 75% and is currently at 50% operational costs for those entities enforcing the State's navigation laws; and

WHEREAS, historically, motor boat registration fees were specifically raised, beginning in 2003, to ensure sufficient funding for the 75% reimbursement to entities providing these patrol services, however, currently most of the money raised through this fee is used for purposes other than those for which it was intended; and

WHEREAS, to ensure continued marine law enforcement and border safety presence by county sheriff patrols, it is essential to restore the reimbursement rate to 75%, as without this level of funding financially stressed counties may be unable to provide and sustain these services for the people of the state; and

WHEREAS, both the New York State Park Police and the New York State Police have largely withdrawn from providing these marine services due to funding constraints and personnel shortages, leaving the responsibility to counties and local law enforcement; and

WHEREAS, restoration of the previously established reimbursement rate of 75% ensures entities, especially for the counties having a sheriff or county marine patrol, present on our state waterways for the protection of recreational boaters and increased safety; now, therefore be it

RESOLVED, that the Orleans County Legislature urges the State of New York to amend Section 3 of Section 79-B of the Navigation Law

changing the reimbursement rate to participating agencies from 50% to 75% to insure county sustainability in the enforcement of the navigation laws and enhancement of the safety of boaters and users of the State's waterways which will restore the original intent of the 2003 fee increase; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall send certified copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, Assemblywoman Jane Corwin, NYSAC, InterCounty of Western NY, and all others deemed necessary and proper.

Moved, Johnson; second, Smith.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

### **RESOLUTION NO. 344-1013**

**AUTHORIZING OUT OF STATE TRAVEL FOR HEALTH DEPARTMENT EMPLOYEE**

RESOLVED, that this Legislature approves the Out-of-State travel request for Doris Delano, RN; to attend the "23<sup>rd</sup> Annual Midwest Stream Farm Workers Health Forum" in South Padre Island, Texas from November 13, 2013 through November 17, 2013. County Cost \$0. Travel and Lodging covered in full through the Migrant Health Grant.

Moved, Eick; second, Rush.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

### **RESOLUTION NO. 345-1013**

**AUTHORIZING PAYMENT FROM CAPITAL PROJECT RADIO ACCOUNT**

RESOLVED, that this Legislature authorizes the following payment to be made from account H3097.250, Capital Project – Radio Account:

<u>Amount</u>	<u>Vendor Name</u>	<u>Description</u>
\$18,351.47	Graybar Electric	Duraline Duct, Fiber duct boxes; and Fiber Optic Cable (PO 52866)

Moved, Johnson; second, Bower.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Johnson moved to pay the Orleans County Highway Department for paving the Emergency Management driveway; seconded by Legislator Bower. Legislator Johnson thanked Jerry Gray and his staff for a job well done. She stated the Legislator Eick, Ken DeRoller and herself were present on Saturday to watch the Fire Chiefs of Orleans County do their training course for the recruited firefighters on the new training roof simulator and it was incredible to watch. Chairman Callard stated that driveway has not been maintained for nearly 10-15 years. The following resolution was adopted:

**RESOLUTION NO. 346-1013**

**AUTHORIZING PAYMENT TO THE ORLEANS COUNTY  
HIGHWAY DEPARTMENT FOR EMERGENCY MANAGEMENT  
DRIVEWAY PAVING**

RESOLVED, that this Legislature authorizes payment to the Orleans County Highway Department in the amount of \$17,390.04 (PO#53321) for paving of the Emergency Management Office driveway to be paid from Emergency Management Accounts A3640.418 – Other Contractual Expenses - \$9,390.04; and A3640.270 – Capital Equipment - \$8,000.

Moved, Johnson; second, Bower.  
Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Legislator Smith moved to pay Stockham Lumber for materials to install countertops as desks at the Public Safety Building; seconded by Legislator Rush. CAO Nesbitt noted that this will be paid for out of drug seizure monies. The following resolution was adopted:

## RESOLUTION NO. 347-1013

### AUTHORIZING PAYMENT FROM BUILDINGS & GROUNDS BUDGET

RESOLVED, that this Legislature authorizes payment to Stockham Lumber, 88 Geddes St., Holley, NY 14470 in the amount of \$5,385.40 (PO#53028) for countertops and installation hardware to make desktops for the remodeling project at the Public Safety Building, 2<sup>nd</sup> Floor to be paid from account A1620.403 Buildings & Grounds – Maintenance Projects.

Moved, Smith; second, Rush.

Adopted. 6 ayes; 0 nays; 1 absent, Allport.

Chairman Callard opened the floor for Legislator reports. Legislator Smith announced a ribbon cutting ceremony on October 21<sup>st</sup> for a second OTS bus shelter located west of Rite Aid at the corner of Routes 98 and 31 in the Village of Albion.

Legislator Eick reported on the Genesee/Orleans joint Public Health board meeting that was held last evening. He stated that the meeting had great membership participation from both boards. They will continue to hold joint board meetings twice a year.

Legislator Johnson reported on a NORA meeting she attended this week. NORA is looking at promoting the extension of natural gas lines to major farmers in Orleans County. Legislator Eick, who also sits on this committee, is getting support from the Farm Bureau to do this. Orleans County currently has natural gas lines in our County but they do not go to all of our major farms. Extending these gas lines could be beneficial to our farmers. Niagara County is looking at the same initiative and collaborating together could make it beneficial for both counties.

Chairman Callard also stated that Legislators' Johnson and Eick, along with himself, will be making a presentation to the Niagara County Legislature on October 15<sup>th</sup> to talk about the progress that has been made with the Regional Alliance. A date has been secured for dredging of the Point Breeze Harbor. We had a successful attempt to hold back the BV7

attempt to change the lake levels, although now there is a Project 14 which we will need to join together to do the same in stopping this. Finally our broadband initiative that we have begun on the west end of Orleans County and the eastern end of Niagara County, we hope to extend out to the rest of our counties.

Legislator Bower provided an update of his FOIL request to GCC concerning the number of drop out and or failing students that our taxpayers pay for. He said his request was denied and since receiving that denial, an appeal has been requested. In the mean time the President asked for a meeting with Legislator Bower. Legislator Bower said he met this week with the GCC President and another Vice President who tried to explain why they could not provide that information. Legislator Bower expressed to them that he did not believe their explanation. He waits to see the results from the appeal.

Chairman Callard felt it was important to clarify a point that seems to be missing from the discussion on the nursing home. He expressed that the county government as an administrative unit and political subdivision of the State of New York, does not have the power to supersede or override state laws. There is no authority granted to the county legislature by the laws of New York State to hold a referendum on issues that are not specifically authorized for referenda in state law. We do not have the power to grant such a request. It has been consistently held in this State that a municipality may not submit a question to referendum, either advisory or binding, in the absence of express statutory authority. The New York State Attorney General and the Office of the State Comptroller have weighed in on this issue numerous times over the years, rendering opinions which consistently state that referenda which are neither permitted nor required by statute are improper and without effect, and that municipal monies may not be expended for such purposes. Simply put, they are illegal.

Chairman Callard clarified that he knows that there has been discussion about having a referendum and it simply it cannot be authorized and it is illegal to do so.

Legislator Bower inquired, what if this Legislature that sits here today

who is faced with a problem that we face, in our case our Nursing Home, decided that because we could not do our job ourselves and rather than putting it out to the LDC Board, questioned if we could bring this vote up ourselves to see what the people think. He further stated that in as much as we didn't think that we could do our jobs, and that it is for the people to put it back to the people for them to decide, could we have done that, Legislator Bower questioned. Chairman Callard said no, it is expressly forbidden by the State. It would be expending municipal monies for a purpose that is not allowable. Attorney Schubel confirmed that it is not allowed. CAO Nesbitt offered to share the opinions from the NY State Comptroller and the Attorney General concerning this issue. Legislator Bower expressed that he believes that he came across situations that people voted on the construction of buildings. CAO Nesbitt stated that there are certain instances that referenda are authorized for local governments for capital expenses. Legislator Bower stated that he felt it was poor judgment on our part. Chairman Callard indicated that we need to comply with the law.

Chairman Callard opened the floor for public comment, reminding of the three minute rule for remarks. Paul Lauricella, Yates, stated that the county has purchased surveillance cameras and they have updated the pictometry in the past meetings. He questioned the capabilities and functions of the cameras asking if they can read license plates or do they have facial recognition, ed Mr. Lauricella. Chairman Callard indicated to Mr. Lauricella that he had a few different issues comingled. Sheriff Hess stated that he can't report on the pictometry which is similar to Google maps. CAO Nesbitt added that pictometry is not live, we have periodic fly over's and per our contract we pay for it on a three year basis. Mr. Lauricella asked where the data is stored from the cameras. Sheriff Hess said that these cameras do not take pictures or collects data to store it is a hand held device that is held and viewed through. Mr. Lauricella asked if there are cameras that are placed along different locations that record data. Sheriff Hess indicated that they do not have those types of cameras. They have cameras that are on the back of patrol vehicles to read license plates. This data is stored locally on hard drives. Sheriff Hess invited Mr. Lauricella to set up an appointment so he can get his concerns addressed. Chief Deputy Drennan stated that they can go back into the data to be used for future investigations.

Dee Smith, Albion, said she is glad that people are so happy with OTB/Batavia Downs. She thanked Legislator Bower for his statements. She stated that she does not feel important to any of the Legislators and she does not trust or have faith in them. She said good luck to the downs but she is not looking forward to going to a privatized nursing home because her three adult children can't take care of her. She is disappointed that they can't vote on the Nursing Home.

Allen Lofthouse, Kendall, commented on the preliminary forensic audit in the Town of Gaines in that it is almost getting personal. He stated that in reading this audit it is bothersome to him. The people that are representing us are getting away with doing things to benefit themselves. He stated that there could be other towns that are shaking in their shoes for the same issues. It becomes bothersome and he indicated that is why we ask questions on items that are done here because they don't look right. Chairman Callard indicated that it is alright to question things and that is why we have an open forum. CAO Nesbitt stated that we have offered the county's assistance to the Town of Gaines by providing copies of our policies and procedures that the county has developed over the years. Mr. Lofthouse went into the terms of the union contracts and the one year contract that jobs would not be lost. CAO Nesbitt stated that he has offered to meet with Mr. Lofthouse for years now to go over the contracts but that has been declined.

Paul Lauricella, Yates, added in saying that the Town of Gaines does not participate in pictometry because they feel it is a violation of people's privacy and fourth amendment rights. Chairman Callard stated that the Town of Gaines did participate in pictometry. Mr. Lauricella stated that a councilman there stated that they declined to do it because of the violation of privacy. CAO Nesbitt confirmed their involvement in pictometry.

Legislator Bower moved to adjourn; second by Legislator Rush. Meeting adjourned at 5:11 p.m.

## LEGISLATURE MEETING

October 23, 2013

---

Chairman Callard called the meeting to order at 4:38 PM. After the pledge to the flag and invocation, led by Legislator Smith, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: As a reminder the Drug Take Back day is October 26, 2013 from 10 a.m. to 2 p.m. with drop off points at the Holley Fire Department, Medina Fire Department and the Public Safety Building. Susan Heard, Orleans County Treasurer, has forwarded a Real Property Tax Refund, in the amount of \$195.23, that has been reviewed and authorized by her office. The Traffic Diversion Program has reported their Distribution of Revenue for the period of July 1, 2013 through September, 2013. Orleans County Hospice has requested to place a banner on the Courthouse lawn from November 1<sup>st</sup>-15<sup>th</sup> to recognize National Hospice Month in Orleans County. The Board approved this request. Family Game Night appreciation letters were shared to the by board by Clerk Hanlon by the Ebbs and Sargent Families.

Chairman Callard called for public comment concerning today's resolutions. Jake Walters, Albion, stated he had questions with Resolution No. 360 and 361 relative to the acquisition of patrol vehicles for the Sheriff's Department. In Resolution No. 360 it is purchasing a Tahoe and in Resolution No. 361 it is leasing two Tahoe's. He questioned why we are purchasing and leasing them. Mr. Nesbitt indicated that the Legislature allocates \$87,500 a year for the maintenance of the Sheriff's fleet. He indicated with being involved in a family owned dealership, he has been given discretion on how to allocate those dollars to the best use for the Sheriff's Department. When Mr. Nesbitt arrived in 2005, the fleet was in awful shape. He described that many of the patrol vehicles had over 150 thousand miles which were not fit to patrol with. The situation has been turned around with the same amount of money used every year over the last six years stated Mr. Nesbitt. At the end of the leases we own the vehicle for a dollar and it has been working very well for us. Mr. Nesbitt indicated if you split the payments, each vehicle is about \$39,000.

Allen Lofthouse, Kendall, questioned using a Tahoe with four wheel drive, knowing the costs he has incurred with his own Tahoe, also indicating that they don't have a good record on tight corners. Mr. Nesbitt explained why we opted for Tahoe's in that once they reach the end of their use at the Sheriff's Department they will be transferred to the Highway or Buildings and Grounds Departments for their use in hauling trailers and equipment. Transfer of patrol cars is not feasible. The Investigators do not have enough room in patrol cars to carry all of their equipment. Mr. Lofthouse questioned Resolution No. 363 and asked what type of law enforcement equipment will be purchased with this grant. Mr. Nesbitt indicated that they can obtain mobile computer equipment and in car cameras. Chief Deputy Drennan explained that they will purchase dash cameras for safety and training purposes.

Paul Lauricella, Yates, asked if the patrol vehicles will be fully equipped with lights and equipment so they are service ready. Mr. Nesbitt stated that they are service ready but we need to install our own computers and radios. Mr. Lauricella inquired about service/maintenance records. It was explained that we have a mechanic on staff in our Highway Department. We have regular maintenance schedule and our mechanic is consulted with before we make these purchases and leases.

Legislator Eick moved to add two resolutions to the agenda; second by Legislator Rush. Motion carried. The following resolutions were presented for adoption:

### **RESOLUTION NO. 348-1013**

#### **AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature,

the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	5773-5946	\$369,292.66
Highway	257-258	\$229,051.58
Nursing Home	1375-1383; 26428-26463	\$198,524.63
Job Development	1328-1333	\$13,602.89
Self Insurance	1040-1041; 52841-52844	\$388.51

### **RESOLUTION NO. 349-1013**

ADOPTING LOCAL LAW NO. 3 OF 2013, ENTITLED A LOCAL LAW REGARDING PRISONERS OF COUNTY JAIL WHO REQUIRE MEDICAL OR DENTAL SERVICES PAY FOR SUCH SERVICES OF INSURED UNDER A HEALTH INSURANCE POLICY

WHEREAS, Local Law No. 3-Intro of the year 2013 was introduced at a regular meeting of the Orleans County Legislature held on September 24, 2013 and a Public Hearing was held on October 9, 2013, at which time all interested persons wishing to speak were heard; now, be it

RESOLVED, that Local Law No. 3 Intro of 2013 is hereby adopted as Local Law No. 3 of 2013 and be enacted as follows:

#### COUNTY OF ORLEANS LOCAL LAW NO. 3 of 2013

SECTION 1. LEGISLATURE INTENT: Chapter 481 of the Laws of 1991 of the State of New York authorizes counties to require prisoners of county jails who require medical or dental services to pay for such services, if insured under a health insurance policy.

**SECTION 2. PAYMENT REQUIREMENT:** Effective immediately, notwithstanding the provisions of Subdivision 1 of Section 500-h of Correction Law, Orleans County may be reimbursed for costs paid pursuant to Correction Law Section 500-h (1) from any third party coverage or indemnification carried by an inmate. Such third party coverage or indemnification shall first be applied against the total cost to the hospital or other provider as established in accordance with the provisions of Section 2807 of the Public Health Law relating to rates of payment of an individual's care and treatment, as provided in Correction Law Section 500-h.

**SECTION 3. EFFECTIVE DATE:** This Local Law shall take effect immediately.

Legislator Johnson moved to call upon the State to apply uniform and consistent procedures to appropriately calculate the property tax cap by counties in New York; seconded by Legislator Bower. Legislator Johnson expressed that it may be true that death and taxes are a certainty but the notion that property taxes are limited to no more than a 2% annual increase in New York under the new tax cap laws is simply a myth. To make things worse, the complex formula municipalities must use to calculate how much they can raise levies is a complex challenge even for our Chief Financial Officer in which the 2% figure is just one of eight factors. Governor Cuomo's much touted tax cap legislation was passed in June of 2011 promising to end sky rocketing annual property tax increases throughout the state yet even before the law went into effect many wondered by what magic local government services could continue to be provided at desired levels in addition to funding various mandates pushed down from Albany with budget growth limited to well below historic levels for many tax districts. The greatest source of confusion among most New York State tax payers is the suggestion that with the tax cap one year's tax bill shall never be more than 2% higher than the year before. But this is hardly true stated Legislator Johnson. She continue to say that rather the cap limit refers to the total tax levy, budget for our municipality after application of a complex formula. The resulting tax bill for a

property owner could be significantly more than 2% higher than last year's bill and yet still meet the requirements of the law. To see how this works, Legislator Johnson explained that our Chief Financial Officer begins by multiplying last year's tax levy by a growth factor for local tax base that is provided by the state for each locality. The tax base factor reflects changes that may have occurred to the total property value for our jurisdiction which would include property improvements, demolitions, and new construction. Then payments to the district within the last year are accounted for based on non taxable agreements which are payments in lieu of taxes (PILOTs). Taxes are subtracted that may have been levied for exemptions such like liability claims with a resulting figure. This amount will be multiplied by either 2% or by the consumer price index (CPI) whichever is lower. Then subtract the PILOT payments anticipated for the coming year and then the final result is the maximum tax levy for the current year which can be raised. Legislator Johnson expressed that even then Orleans County is permitted to add back certain items for things like mandated employee retirement systems, capital projects and the list goes on. Ultimately, the levy increase and your tax bill can easily exceed 2%. Whether in some instances an increase of more than 2% maybe legally permissible or not, you can be sure that many New York State Tax payers will be annually infuriated to find that they were mislead by yet another act of smoke and mirrors orchestrated by Albany politicians with this law changing every single year since it has been implemented. Legislator Johnson stated that this resolution is asking for much needed consistency and she asked that this be sent to every town in Orleans County. Chairman Callard applauded Legislator Johnson for explaining the crux of the problem. Legislator Allport asked if this should go to the School Districts also. Mr. Nesbitt stated that the "map" has not been the same for two years in a row. They keep retraining staff over and over on how to do it. Chairman Callard stated that it could also be shared with our local school districts. The following resolution was adopted:

### **RESOLUTION NO. 350-1013**

**CALLING ON THE STATE TO APPLY UNIFORM AND CONSISTENT PROCEDURES THAT COUNTIES MUST ABIDE BY TO APPROPRIATELY CALCULATE THEIR PROPERTY TAX CAP**

WHEREAS, effective in 2012, counties and local governments are subject to a two percent levy limitation, or the rate of inflation (whichever is lower, but not below one percent); and

WHEREAS, all local governments, with the exception of New York City, must meet this levy threshold; and

WHEREAS, the property tax levy limit applies to taxes imposed on real property on behalf of a county, city, town, village, school district or special district, and special ad valorem levies and special assessments, which could include water, sewer and other related taxes; and

WHEREAS, counties will be required to calculate their own property tax levy limitation; and

WHEREAS, counties have to partially rely on data provided by the New York State Department of Taxation and Finance related to an economic growth factor and from the State Comptroller's Office for pension growth exemptions and other appropriate guidance; and

WHEREAS, the State Comptroller will be responsible for defining how mistakes related to taxing above the levy limitation for a specific year will be handled; and

WHEREAS, implementation details about how to adjust for chargebacks between the county and its municipalities for election costs, workers compensation payments, and other services, has been a point of confusion for county budget officials, staff members of the Office of the State Comptroller and the New York State Division of Budget; and

WHEREAS, county budget officials are getting mixed messages from different state agencies and different regional officials representing those state agencies; and

WHEREAS, mistakes in county property tax cap calculations have a multi-year impact on future tax cap calculations; now therefore be it

RESOLVED, that the Orleans County Legislature does hereby call on the State (Office of the State Comptroller and the State Division of Budget) to apply uniform and consistent procedures that counties and local governments must abide by to appropriately calculate their property tax cap, and that the state finds a way to effectively communicate that procedure to all local government stakeholders; and be it

FURTHER RESOLVED, that copies of this resolution be sent to the sixty-two counties of New York encouraging member counties to enact similar resolutions; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Assemblyman Steve Hawley; Assemblywoman Jane Corwin, NYSAC, InterCounty of Western NY, Orleans County Towns and Villages, and all others deemed necessary and proper.

It was noted by Mr. Nesbitt that the above resolution was a correction for auditing purposes upon a request by Treasurer Heard.

Legislator Bower left the meeting.

Chairman Callard opened the floor for Legislator reports. Legislator Allport reported that he attended the Annual SCOPE awards banquet in Lackawanna and Orleans County was recognized as the lead county in the state for opposing the NY Safe Act. Legislator Allport felt it was commendable of our Board and for our Towns and Villages for 100% support in passing this opposition. Legislator Allport stated it is not just about our second amendment because any time one of our constitutional rights is chipped away at, everyone loses a piece of their freedoms. He commended the people who opposed the Safe Act. We need to fall back under our constitution because our country is on a dark evil road. He said that people think it needs to collapse but with him being an optimist, he believes that if people unite for a cause, we can get our country, and our government, on the right road. Legislator Allport stated that Orleans County was also recognized at Assemblyman Hawley's 2<sup>nd</sup> Amendment event before hundreds of people. Legislator Allport summed up that Albany does not have a clue into what they implemented and they do not know how to answer lawful gun owners' questions.

Legislator Allport read a letter that was received by Highway Superintendent Gray from Donald Bow, Lyndonville, concerning highway employee Wayne Krull and various other employees from the Town of Yates who replaced a culvert on West Yates Center Road. The letter stated how impressed Mr. Bow was concerning the cooperation between

the town and county and quality of work and speed performed by these employees. He specifically recognized Mr. Krull for his timely and efficient manner in operating the backhoe and asked that the letter be placed in Mr. Krull's personnel file. The letter was given to the Clerk to have this forwarded to Personnel.

Legislator Smith reported that a donation was received from a couple from Wisconsin in appreciation of the bike trail that runs along the Erie Canal. This is the second \$200 donation made from this family on behalf of their travels to Orleans County.

Legislator Rush referenced several articles pertaining to the advertisement of our fishing industry on the Oak Orchard River. He reported that the Archer's Club had little fishing tournament this past week. He said a young fellow came in with two 15 pound brown trout's that he had caught that day. If anyone likes to fly fish, this is the place to go. Legislator Rush also said a full page article was in the Daily News concerning fishing "The Oak".

Legislator Allport noted that this is one of the top fishing spots in the world and people come here from England to fish in our local waters. He mentioned that Wayne Hale, Tourism Director, stated that it is a 12 million dollar industry for Orleans County.

Legislator Rush stated that about three quarters of the people that are fishing here are from out of state.

Legislator Smith reported on the dedication of the county's second bus shelter which is located near the Albion Rite Aid. Chairman Callard reported that the next shelters will be located in Holley and Medina.

Chairman Callard opened the floor to the public and reminded them of the rules of order.

Paul Fulcomer, Director of the Orleans County Veterans Service Agency, stated that at the beginning of this meeting we stood up and said the Pledge of Allegiance to the flag of the United States of America. He received today a doorknob hanger from an organization called

Kickstarter.com. Mr. Fulcomer asked if anyone was present today from the Kickstarter organization. He stated that the doorknob hanger is using the American Flag. He said that the flag means a lot to him because he put his life on the line to serve his country for four years, with a year and a half in combat zone in Vietnam. Mr. Fulcomer reviewed flag etiquette and said it should never be used for advertising purpose, it should not be embroidered, printed or otherwise impressed on such articles as cushions, handkerchiefs, napkins, boxes or anything intended to be discarded after temporary use. He continued in saying that the flag should never have placed on it or attached to it any mark, insignia, letter, word, number, figure or drawing of any kind. Mr. Fulcomer said that is the flag of our country and that is the flag of my country and no one should put anything out like this. This Kickstarter organization, which he knows what it is all about, can do any type of advertising but to not use his flag to advertise it on, expressed Mr. Fulcomer. He was applauded for his statement.

Emerson L. “Tinker” Young, Chairman of SCOPE, stated that he also is a three year Vietnam combat veteran. He explained that when they came home from Vietnam they were spit at and garbage thrown at them. “No one does this to my flag,” stated Mr. Young. With that said, he is getting mighty disgusted with the parties behind this who are running for office. He further expressed that every Legislator in these chambers deserves the vote of every single person in Orleans County because they responded first to the NY Safe Act. Before he could contact them all they had already jumped the gun and were already in action standing up for our flag and our constitution. Mr. Young continued in saying that in the next year and a half voting will determine the direction of our nation either by voting by party line that follows “this kind of stuff” stated Mr. Young or people are going to stand up and vote for the constitution. Mr. Young indicated that he is voting for every single person who supports the Constitution and he said this holds true since he returned home from Vietnam. Mr. Young stated he stands behind this Board.

Dee Smith, Albion, is a member of the Concerned Citizens and is not aware of what is on the bottom of the doorknocker. Mr. Fulcomer indicated it is an organization named Kickstarter and if you click on the website it incorporates a video made by Brian Kent from Batavia who refers to The Villages as his Nursing Home but is a resident of Genesee

County. Mrs. Smith thanked the veterans and she believes in her country. She has a problem with this Legislature but also believes in doing the right things. She indicated that she was an ombudsman and she loves her Nursing Home. Mrs. Smith stated “I am pushing to keep our Nursing Home, not for selling it and I will continue to buck you people until the day I die”.

Allen Lofthouse, Kendall, addressed the board on behalf of the Conservative Party as being their Chairman in presenting 97 petitions totaling 1100 signatures that represent Orleans County taxpayers in requesting to suspend the 4% local sales tax on gasoline, diesel fuel, and home heating fuels for hard working people. Mr. Lauricella, Vice Chairman of the Conservative party presented said petitions to Chairman Callard. Mr. Lofthouse asked if it is possible to compromise for our Senior Citizens on the home heating fuels. He also asked about expense cuts in our county departments. Mr. Lofthouse stated he would appreciate the Board to think about it. Chairman Callard stated that he believes no one disagrees with Mr. Lofthouse’s concerns. Treasurer Heard stated that approximately \$1.5 million in revenue is collected from this tax. Chairman Callard stated that if you take this revenue away, it will translate into higher taxes which will equate to \$1.50/thousand more for our county taxpayers. Chairman Callard said that we are cognizant of it but we are dealing with very big numbers which is very difficult to overcome in savings in other places. He was not sure if we could tackle it or if the state would cooperate with us to try to tackle it. He further stated that we have given senior citizens county tax breaks relative to income if they are property owners. He said it would be nice if we could spread taxes across all lines and not have it exclusively for property owners because they take the biggest hit. Chairman Callard shared that he appreciates the concern and the time and effort which the board is sympathetic, and hopes someday this board can do just what they are asking.

Legislator Allport thought it should be pointed out that in the past few years to offset costs, the number of full and part time employees has been reduced through attrition. We are consolidating Departments. We are also sharing services with Genesee County to keep the services that we are required by the state per their laws to provide therefore reducing the county cost by sharing these services. As presented to their committees,

every department has cut their budgets to the bare bones but still is able to provide the services. Legislator Allport is also a taxpayer and understands the continued rising costs. People who have jobs do not get pay raises and/or are fixed in pay or even taking reductions in pay to keep jobs. Taxes are a major concern to Legislator Allport. He said the moment the people in this State rise up together to tell Albany that they either fund it or they don't mandate it and until that happens, we are going to have the majority of the politicians will come from New York City are going to mandate these services. If we don't give the services, the State will take over the County and fine the taxpayers for not providing those services because we are just an extension of Albany, expressed Legislator Allport. He added, like they said recently, if the voters came out from the Adirondack and Western New York areas we could override what is being done by the voters in New York City. People need to show up at the polls and start voicing their opinions.

Legislator Johnson added that the 2% tax cap that we spoke of earlier, New York City is exempt from therefore they do not have to abide by this law like the rest of New York State.

Paul Lauricella, Yates, stated in regards to the fuel tax, this is something that the people want, as you can see in the number of signatures collected. He said every time he comes here, all he sees is endless spending. He referenced Stop DWI programs and GCASA. He said the \$10,000 cost for these programs could be used to offset the fuel tax. Chairman Callard stated that money is provided by the state for the purpose of educating our youth in relation to the abuse of drugs and alcohol. Mr. Lauricella shared his concern that people will never stop from drinking alcohol, he said he is a realist and it is a part of our culture.

Legislator Allport moved to adjourn; second by Legislator Smith. Meeting adjourned at 5:28 p.m.

## LEGISLATURE MEETING

November 13, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag, the Clerk called the roll. All Legislators were present, with the exception of Legislator Smith.

The Clerk presented the following communications: Orleans County had a great turn out for the National Drug Take Back day held on October 26, 2013. The Public Safety Building, the Albion Site, collected 115 lbs from 20 cars. The Medina Collection Site, held at the Medina Fire Department, collected 70 lbs from 47 cars. The Holley Collection site, held at the Holley Fire Department, collected 51 lbs from 31 cars. In total 98 cars brought in 235 lbs. Jail Superintendent Scott Wilson wanted to thank everyone involved for a fine job done. The Fall 2013 Regional Local Government Workshop will be held November 15<sup>th</sup> at the Clarion Hotel in Batavia sponsored by the Genesee Finger Lakes Regional Planning Council. New York State Department of Environmental Conservation and Federal Emergency Management Agency will be holding a Discovery Stakeholder Meeting for communities, agencies, interested organizations, and watershed groups within Orleans County on November 19<sup>th</sup> at 2:00 p.m. at the Cornell Cooperative Extension 12690 Route 31, Albion, NY to follow up on previous Lake Ontario Watershed Discovery meetings held concerning the communities flood mapping needs.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through October 31, 2013. Capital Project Radio loan has not been repaid yet to the General Fund.

Chairman Callard opened the floor for public comment. Al Capurso, Gaines, asked permission to speak now because of another commitment he had this afternoon. He referenced a letter that was mailed to County Attorney Schubel. Chairman Callard indicated that all of the board members are familiar with the contents of the letter. In the letter, he posed a question concerning a resolution that was passed in 1830 asking if this is a binding resolution that created the controlling authority and county responsibility for the infirmary; and how it has evolved over the years. This resolution was found in the book Landmarks of Orleans County

written by Hon. Isaac Signor. Mr. Capurso indicated that in the letter he cited the pages of the book as to where this resolution was found and that the actual document may be in the basement of the Mental Health Building. He would appreciate a reply based on Attorney Schubel's research.

Chairman Callard opened the floor for public comment concerning the resolutions. Gary Kent, Albion, raised concerns with Resolution No. 372 presuming that this is the re-appointment of Mr. Gillick as the Nursing Home Administrator for the next year. Mr. Kent voiced strong disapproval of this resolution due to occupancy being depressed below what the Berger Commission decided was an acceptable level in the 2006 Berger Commission report. Mr. Kent stated that he understands that our occupancy level for this year last reported was 93.5%, not nearly full as what was mentioned in one letter to the editor. He further stated that in 2012 our occupancy level was 92%; 3% below what the Berger Commission called an acceptable level. He is concerned why we should re-appoint someone to be Nursing Home Administrator when the occupancy has been so low that it costs the taxpayers of Orleans County approximately a half of a million dollars each year when it is below the appropriate viable level for a Nursing Home.

Paul Lauricella, Yates, inquired about the agreement with UGI Energy (Resolution No. 382) and wanted to know what "Dth" means. Superintendent Gray, indicated "Dth" is a decatherm which is a per cubic feet commercial measurement of natural gas that goes into the household. Mr. Gray stated that this contract is a \$.07 to \$.08 per Dth reduction. Mr. Lauricella asked if this is a savings. Mr. Gray stated that now that we are locked into this rate, it could be a savings of up to \$5,000 and even more if it is a mild winter. Mr. Lauricella stated that this is a good thing.

Mr. Lauricella shared his concern regarding the Hotel and Motel tax and he stated that he is against this because of taking money out of the pockets of businesses.

Mr. Lauricella questioned the resolution pertaining to the sale of property (Resolution No. 392). He said he reads a lot of safe guards for the county but are there any for the person who is buying the property. Is there going

to be someone to look at the properties to see if they have been vandalized or items removed. He also asked if they will be protected if the property is not going to be able to meet code. Susan Heard, Treasurer, replied that this policy is actually for the disposition of county owned property. She said the question he has is actually covered by the terms of the auction. This is to firm up the policy and only has minor changes.

Chairman Callard welcomed the three new legislators - Fred Miller, who will be representing the Towns of Albion and Gaines; John DeFilipps is the new Legislator representing the At Large East position; and Ken DeRoller, representing the Towns of Carlton, Kendall and Murray. Chairman Callard indicated that it was nice to see them present today and the board looks forward to the beginning of January to work with them.

The following resolutions were presented for adoption:

FURTHER RESOLVED, that the Clerk of the Legislature shall duly cause publication of the adoption of Local Law No. 4 of the year 2013, together with the required text thereof in the official newspaper and shall file such adopted Local Law No. 4 of 2013 as prescribed with the Office of the Secretary of State.

LOCAL LAW NO. 4 OF 2013  
A Local Law to Override the Tax Levy Limit Established in  
General Municipal Law 3-c for Fiscal Year 2014

## **Section 1. Legislative Intent**

It is the intent of this local law to override the limit on the amount of real property taxes that may be levied by the County of Orleans pursuant to General Municipal Law §3-c, and to allow the County of Orleans to adopt a budget for the fiscal year 2014 that requires a real property tax levy in excess of the “tax levy limit” as defined by General Municipal Law §3-c.

## **Section 2. Authority**

This local law is adopted pursuant to subdivision 5 of General Municipal Law §3-c, which expressly authorizes the county legislature to override the tax levy limit by the adoption of a local law approved by vote of sixty percent (60%) of the county legislature.

## **Section 3. Tax Levy Limit Override**

The County Legislature of the County of Orleans, New York, is hereby authorized to adopt a budget for the fiscal year 2014 that requires a real property tax levy in excess of the amount otherwise proscribed in General Municipal Law, §3-c.

## **Section 4. Severability**

If any clause, sentence, paragraph, subdivision, or part of this Local Law or the application thereof to any person, firm or corporation, or circumstance, shall be adjusted by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its separation to the clause, sentence, paragraph, subdivision, or part of this Local Law or in its application to the person, individual, firm or corporation or circumstance, directly involved in the controversy in which such judgment or order shall be rendered.

**Section 5. Effective Date**

This local law shall take effect immediately upon filing with the Secretary of State.

Moved, Johnson; second, Bower.

### **RESOLUTION NO. 393-1113**

APPROVING REVISED POLICY AND PROCEDURES FOR THE SALE OF PARCELS OF REAL PROPERTY ACQUIRED BY THE COUNTY FOR DELINQUENT REAL PROPERTY TAXES IN ACCORDANCE WITH NEW YORK STATE REAL PROPERTY TAX LAW ARTICLE 11

WHEREAS, Resolution No. 392-1113 rescinded prior established procedures concerning the sale of parcels of real property acquired by the County for delinquent Real Property taxes in accordance with the New York State Real Property Tax Law Article 11; now, be it

RESOLVED, that this Legislature approves the following revised policy and procedures for the sale of parcels of Real Property Acquired by the County for Delinquent Real Property Taxes in accordance with the New York State Real Property Tax Law Article 11 be established effective immediately upon the adoption of this resolution as following:

Section 1. The Orleans County Treasurer shall have the overall responsibility of administering the provisions of this Policy with the assistance, as needed, of the County Real Property Tax Services Director.

Section 2. Upon finalization of an In Rem Tax Foreclosure Proceeding and within ten (10) days of entry of a Judgment pursuant to Real Property Tax

Law Article 11 awarding title to one or more parcels of a real property to the County, the Orleans County Treasurer shall provide a listing of all of the parcels enumerated in the Judgment to the Supervisor of each Town, the Mayor of each Village, each County Legislator, the County Superintendent of Highways/Building and Grounds, and the Director of County of Orleans Industrial Development Agency. Any other governmental entities and local developmental organizations will also upon request to the County Treasurer be provided with this list.

Section 3. All properties zoned for commercial or manufacturing use taken in an In Rem Proceeding may be placed in the hands of a local realtor, selected by the County Treasurer in consultation with the Finance Committee. The listing price shall be approved by the Legislature Finance Committee.

Section 4. The properties taken by the County in the In Rem Proceeding shall be inspected by the County Buildings and Grounds Department within 30 days of the receipt of the In Rem list furnished pursuant to Section 2 above. In the event the dwellings or buildings located on a certain parcel are abandoned, and in further event the Buildings and Grounds Department determines that such abandonment has caused the building or dwelling to be so dilapidated as to be beyond reasonable renovation or rehabilitation or if such abandonment has caused the property to become a public hazard or nuisance, then the County Buildings and Grounds Department shall report the same to the Legislature, with copies of said report being sent to the County Treasurer and the County Attorney, and the Legislature shall determine and/or order that such abandoned dwelling or building be demolished. The County Buildings and Grounds Department should post each parcel with a sign/tag indicating the County's involvement.

Section 5. (a) Parcels acquired by the County may be sold privately by the County by an approving resolution passed by majority vote of the Legislature provided

- (i) The offer to buy is in an amount at least equal to all taxes, penalties, interest, insurance and costs incurred in the In Rem Proceeding,

- (ii) The offer is from a prior owner or owners, or from a member of the family of a prior owner, or from a mortgagee or lien holder and,
- (iii) The offer complies with the requirements set forth in Section 6 of this resolution.

(b) Parcels may also be sold privately by the County to a municipality, EDA, or not for profit organization on such terms and conditions as the County by resolution may determine.

(c) Portions of the former Railroad-Trolley Right-of-way may be sold by Resolution to adjacent landowners at a price to be negotiated between the landowner and the County, based upon the fair market value of the parcel, provided the purchaser furnishes to the County Attorney a map of the premises to be conveyed with an adequate legal description.

(d) Correction deeds from the County to correct a description of a parcel previously conveyed shall be given at no charge to the purchaser provided the County Attorney is furnished sufficient proof of ownership of the parcel together with a correct legal description.

Section 6. (a) If an offer is received from the prior owner, or owners if more than one person owned the property, then the County may accept the offer and reconvey the property to the prior owner, or if more than one, the prior owners upon receipt of certified check, money order, or cash in the amount of the offer.

(b) If an offer is received from a member of the family of a prior owner or owners, or a mortgagee or lienholder, then prior to acceptance of any such offer, the person making the same shall submit to the County Attorney a fully guaranteed title search, with federal court search, certified by a title company authorized to do business in the State of New York. The title search shall cover the period of time from the acquisition of title by the prior owner through the date of the offer. The County Attorney shall also be furnished with duly executed and acknowledged releases from the prior owner or owners, or any other individual or corporation shown on the title search as having an interest or

lien on the property which interest or lien was, in the opinion of the County Attorney incurred by the prior owner or owners, notwithstanding that the lien or property interest may have been terminated by the In Rem Proceeding. Such release shall run to the County and release the County from any claim or debt or liability to the person or corporation signing the release as a result of the County's conveyance of the property to the offeror. Releases from the individuals or corporations holding easements on the property will not be required. Liens will be reinstated upon purchase by prior owner.

Section 7. (a) The County in its sole discretion may reject any offers to sell parcels privately and may, in addition to any requirements set forth herein, require or impose such other additional restrictions or conditions on any sale of property.

(b) The County may, if it determines that a parcel is needed for the public use and benefit, withhold such parcel from sale until the parcel is no longer needed for the public use or benefit.

Section 8. Following acquisition of title by the County, the County shall carry fire and liability insurance on the property in the amount of market value as determined by the insurance carrier. Such insurance shall provide coverage to the County only in the event of a loss. The County Treasurer shall be responsible for the acquisition of such insurance.

Section 9. (a) The Treasurer will prepare and submit to the Legislature a Resolution:

- (i) Setting an auction date, and fixing the terms of the auction,
- (ii) A resolution appointing an auctioneer and setting the fee for the auctioneer, which resolution shall set forth the responsibilities of the auctioneer and shall direct the auctioneer to advertise the auction in the two weeks preceding the date of the auction in the following newspapers: Lake Country Pennysaver, Medina Journal Register, and the Batavia Daily News. Parcels will also be listed on the County website and auctioneer's website. The auctioneer

will have a description of the property with sufficient information to allow parcel recognition as the auctioneer deems required.

(b) Parcels redeemed during the time period of last day to redeem and 30 days prior to the auction date will incur a 5% penalty (based on the principal amount of taxes due). The 5% will be a County fee. Taxpayer will complete an application to repurchase property.

(c) Parcels redeemed during the 30 days prior to the auction will incur a 10% penalty (based on the principal amount of taxes due).

(d) The County shall retain the right to reject or accept any bid submitted at the auction and/or to impose any restrictions or conditions on the sale provided such conditions or restrictions are set out in the terms of the auction.

(e) Should a foreclosed owner or mortgagee, or other part with a prior interest in the property bid at the auction, their bid shall be required to be no less than the amount of all delinquent taxes, interest, penalties, and associated charges outstanding on the property.

(f) In the event a parcel is not disposed of at auction, the County may then offer the property to the second highest bidder or sell the property at a private sale to any person or corporation on such terms and conditions as may be agreed upon, and the County may employ individual realtors to bring about such sale.

Section 10. All deeds from the County shall be quitclaim deeds without warranty by the County as the title of the premises, and shall contain a condition and covenant that the County shall in no event be or become liable for any defect in the title so conveyed for any cause whatsoever or that no claim or demand of any nature shall ever be made against the County arising from such sale or conveyance or any proceedings leading thereto.

Deputy Budget Officer filed with the Clerk of the Legislature the 2014 Orleans County Tentative Budget.

Paul Lauricella, Yates, discussed that the Town of Yates employees will be losing their health insurance as of January 1<sup>st</sup>. He said that Supervisor Belson stated that the Town of Shelby may also be affected due to Obama Care. He referenced an article by Betsy McCoy which said that first, single people were going to lose their health insurance and the second

wave will include employee offered health insurance plans. Mr. Lauricella stated that he does not want to see anyone lose their health insurance. Chairman Callard indicated he was naturally concerned to hear the same and that he was aware of the situation and that the County will not be impacted but they will continue to monitor it.

Dee Smith, Gaines, expressed that she visited a few friends at the Nursing Home. She read a note provided by Genevieve R. Wolfe who wrote "I am a patient in therapy. I have received wonderful care. The staff is very caring. Don't close The Villages". Mrs. Smith stated that she is still working on not closing The Villages. She said as a part of the Concerned Citizens she is disappointed that they only elected Fred Miller and not the rest of the candidates for office. She said that she feels that there are things that need to be exposed and feels that there has been some underhandedness. She feels that new people need to be in to uphold the Pledge of Allegiance and the Constitution. She feels that some of people's rights are being taken away. From what she has learned, which she indicated she is a slow learner, she does not want to go into a privatized nursing home. She would like to see the whole thing turned around and feels that a lot more people would feel more comfortable with the same outcome as she would like to see.

Allen Lofthouse, Kendall, stated that the Town of Gaines did not subscribe to pictometry, which they are the only town in the county that didn't. They took the fourth amendment into account per their town board minutes. Mr. Lofthouse also asked how long the county has had the policy for volunteers to receive a flu shot to do volunteer work in the Nursing Home. Administrator Gillick stated that it is a new state regulation. Mr. Lofthouse asked on behalf of Adolf Genter who plays the accordion to the residents at the Nursing Home. Chairman Callard asked if this is for a defined period. Administrator Gillick stated that the flu season runs from November through April. Legislator Bower asked if a volunteer who does specific things for entertainment and who are not directly impacting the residents are required to have a flu shot. Mr. Gillick stated that he will look into that specific situation with Mr. Genter and report back to Legislator Bower and follow up with Mr. Genter. Mr. Gillick stated that this is a regulation that is passed by the State Health Department based upon flu outbreaks in Nursing Homes.

Paul Pettit, Director of Public Health Department, added that this regulation is passed by the State Department of Health. It was an emergency regulation that was put in place last March, the end of flu season last year. The State Commissioner of Health wanted to make it the full flu season this year, per Mr. Pettit. It will officially take place when the State Commissioner officially declares it flu season. The season is determined based on the number of reported cases across the State. Mr. Pettit stated that this has not come into play yet so it is not enforceable yet. Mr. Pettit indicated that Mr. Genter is alright for now but it does cover volunteers, interns, and employees which will require them to have the shot. If the flu shot is declined, Mr. Pettit indicated that masks will have to be worn if contact is made with patients. Dee Smith requested clarification for visitors. Mr. Pettit indicated that there are no regulations for visitors who come into visit to require the flu shot.

Don Cars, Gaines, asked why The Villages is not up to full occupancy. He stated that he understands that there is a reason given that there is asbestos abatement and why this is not being addressed to get it to full occupancy. Legislator Bower indicated that asbestos has nothing to do with The Villages not being at full capacity. He further explained that our rehabilitation center allows for people to come in and go out, with that sometimes happening daily to weekly. Rehabilitation openings are available so we can service them here rather than patients going to Rochester or Batavia. If we get to a point where rehab rooms are not filled, regular residents can fill these rooms. Legislator Bower stated that as long as we have a rehabilitation center, we will never be full. Chairman Callard stated that we are budgeted for 112 beds being filled. We have been up to 117 which maybe the highest we get to with the rehab center per Legislator Bower. Chairman Callard stated that the occupancy rate is shared with the Board every Friday. Legislator Bower stated that our license only allows so many beds through New York State.

Adolf Genter, Gaines, stated that the Nursing Home should be kept because of the good care it provides. He further expressed that the care is better for not for profits and he is willing to pay more out of his pocket for it to not go private. He stated it will be bad if they cut staff if it goes private.

Dee Smith asked when the research will be done concerning the inquiry made by Mr. Capurso. Attorney Schubel indicated that the documents have been requested from the records center by the Clerk and further review will be made.

Legislator Bower moved to adjourn; second by Legislator Rush. Meeting adjourned at 5:10 p.m.

## LEGISLATURE MEETING

December 4, 2013

---

Chairman Callard called the meeting to order at 9:00 AM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present, with the exception of Legislator Rush.

Chairman Callard opened the floor for discussion as it relates to today's resolutions. Paul Lauricella, Yates, concerning the budget adoption today, questioned the expansion of welfare in the amount of \$500,000. Mr. Nesbitt indicated that it was \$557 thousand more in the two programs that were identified. Mr. Lauricella asked if this was due to more people getting on the roles. Tom Kurlya, DSS Commissioner, indicated that it is a combination of reimbursement rates getting cut and mandated programs being expanded. DSS has to provide all forms of welfare, public assistance, child protective services, preventative services, foster care services, and as directed. Commissioner Kurlya indicated that over the last five years rates have been cut steadily along with reimbursements and the role stays steady. Revenues have also been cut. Mr. Lauricella asked where this money is being made up from, inquiring from the taxpayer? Mr. Nesbitt indicated yes. Commissioner Kurlya further discussed safety net in that case loads stay steady but people come off family assistance after five years. When the clock is running out many go into extended welfare benefits that our agency has to provide. It used to be a 50% State and 50% Local share now it is 71% local cost and 29% state reimbursement. More responsibility has been placed on the local districts and Commissioner Kurlya stated that the Chairman has been "dead on" over the last few years in encouraging people to write letters to our state legislators. He said it is doing nothing but getting worse. Mr. Lauricella asked if the County could file a lawsuit. Mr. Nesbitt indicated that there has to be a basis in the law for filing a lawsuit and the state writes the law. Mr. Lauricella continued in saying that he is ok with people on safety net for a short time but should not be on it for a long time, especially five years. He feels that it dehumanizes people and puts them in total dependence in their frame of mind. He feels this service is no good and with all these people on welfare, it is destroying our country and it should be eliminated. Chairman Callard agreed with Mr. Lauricella. Mr. Lauricella finished in saying that people sit around doing nothing and it

puts a burden on the system. Mr. Nesbitt added that in hearing the proposals from state government that they are going to have a surplus and that they are going to lower taxes somehow, they could easily take back the responsibility that they originally had on this safety net program and it would lower the property taxes. The state chooses not to do this because it would accredit Orleans County and that is not what they want. Chairman Callard also added that what they are offering for relief is a one shot deal which happens to be during election year where they assume more of the responsibility for the care of people that is an ongoing expense to the state. Mr. Lauricella stated that the responsibility for the care of someone is themselves if they are not disabled and he says he sees many people that could help themselves. Chairman Callard credited the Fraud Investigation Unit for uncovering welfare fraud in the past few years and now the Fraud Unit will be looking at the Safety Net program. Mr. Lauricella felt that a 5% tax increase is too much and feels that something can be done to bring this down.

Legislator Johnson moved to adopt the 2014 Orleans County Budget; seconded by Legislator Bower. Legislator Johnson felt that this was a responsible budget that provides for a much anticipated and long awaited public safety radio system for our first responders and for our public. She hopes that New York State stops shifting the tax burden on the counties and becomes responsible as well. The following resolution was defeated as a result from a roll call vote:

### **RESOLUTION NO. 395-1213**

#### **ADOPTING THE 2014 ORLEANS COUNTY BUDGET**

WHEREAS, the 2014 tentative budget for Orleans County was presented to the general public at a public hearing held at 7:00 p.m. on December 2, 2013; and

WHEREAS, this Legislature has reviewed and discussed said tentative budget; now be it

RESOLVED, that this Legislature does hereby adopt the 2014 tentative budget, as the Orleans County budget for 2014, with a tax levy of \$16,441,366.

Moved, Johnson; second, Bower.

Roll Call: 3 ayes: Callard, Eick, Johnson; 3 nays: Allport, Bower, Smith; 1 absent, Rush.

Defeated.

Legislator Johnson asked what the next step is now that this resolution has failed. She asked those legislators who voted no if they could tell specifically how they would present this budget without this tax rate increase. Chairman Callard stated it seemed like a valid question and asked those Legislators who voted no if they would like to respond.

Legislator Allport stated that he does not agree with this budget. He thinks that government should be run like a business. He stated that in the private sector you are demanding more and more money from them; every cent that the government gets, all of the health care, retirement, all of the taxes come from people in the private sector. We see more of our money disappearing, he further stated. In the private sector, companies are doing anything and everything to stay profitable. If they don't stay profitable they close. Legislator Allport further expressed that government has this different mentality. They think that their services are so critical and that their jobs are so important that no matter what happens more and more can be pushed down on the taxpayer. He stated that he understands this budget. He understands the situation with the state and federal governments. He believes that there are positions in our county that should be made part-time. He thinks that there should have been people laid off to make the number. He is not saying that the number has to be 0. The state wants us to be at the 2% tax cap. Legislator Allport stated that they want us to be the demons or the bad people so then if jobs need to be cut and the people need to stand in the welfare line an extra hour or two because there is no one to see them, it would not be his problem because the state mandated it. Legislator Allport expressed that those are his issues with the budget and we do not run like a business, we continue to push it down to the taxpayers.

Legislator Eick asked Legislator Allport where he would make the cuts. Legislator Allport responded, “as the bean counter, it is not his job”. We should go to the Department Heads and tell them that they need to cut their budgets by 10% whether that would involve not buying paper or laying people off. It is up to the Department Head. Legislator Eick commented that he thought they already did this. Legislator Allport agreed that cuts have been made over the last couple of years but he feels that there are still positions that should go away. Chairman Callard stated that it is the Legislators responsibility ultimately and he understood what Legislator Allport was saying philosophically in terms of the state and federal governments. But we are talking about the local budget and the question specifically was asked as a Legislator how you would make specific recommendations to overcome the extra spending that is required in this budget, expressed Chairman Callard. He further asked what specifically they would do, not by passing it down to the Department Heads. Legislator Allport responded by going to them and telling the Department Head to choose the person to go. He stated that he does not know how Social Services works to be able to go in and say you and you are gone. Cuts need to be made, that is what he believes stated Legislator Allport. Chairman Callard asked if Legislator Allport made these requests upon the departments he oversees. Legislator Allport responded that he believes that the Buildings and Grounds Department consolidated into the Highway Department and jobs were eliminated over the past few years and he has been told that they are understaffed as it is. Legislator Allport indicated he did not go to the Highway Department to make that request.

Legislator Allport stated that he was asked what he believes. He is not criticizing this budget or the process it is or the hours that the people put into making this budget. He stated that he did not make the rules, New York State made the rules and we are the evil people. He stated he is not evil. Chairman Callard told Legislator Allport that he is putting the onus on the local level while we do nothing to complain to the state or the federal government. Legislator Allport stated that when he went to his state senate representative, his response was we gave you Tier VI. Legislator Allport indicated that will be good in ten to fifteen years down the road. If his own representatives are telling him that than what do we do? He has spoken to other representatives from other counties and it is the same response. He understands that every cent comes from the private

sector and now if the state or federal government were cutting taxes to offset what is being pushed down to us, then that would be acceptable. Chairman Callard stated that in reality the unfunded mandates are 111% of our budget. In theory we would not have taxes if we had no unfunded mandates.

Chairman Callard called upon Legislator Smith to explain why he voted against the budget and asked for his particular recommendations to overcome a tax increase. Legislator Smith replied that he did not have any specifics at this time. He mentioned the mandates that we are under and he does believe, as stated earlier, cuts need to be made. He stated that although the state and federal governments keep pushing it down to our level, we still need to respond. Chairman Callard questioned Legislator Smith how do we respond and what recommendations does he make when he is saying it is really the state and federal governments need to cut its expenses but now we are going against our budget when expenses are mandated through welfare so how do we overcome that. We also needed a radio infrastructure to respond and assist our first responders. Chairman Callard expressed to Legislator Smith that he is going against our budget but questioned him as to who needs to cut the federal, state or local government. Legislator Smith responded that we have no other choice but to cut on our level. Therefore, Chairman Callard asked again, what specifically Legislator Smith would recommend. Chairman Callard expressed that the board had a year to work on the budget and nobody fought to make eliminations or speak against it.

Chairman Callard called upon Legislator Bower if he would like to make a comment. Legislator Bower stated that in the last five years we have changed the way we have come up with the budget. He said the Legislators have very little input any more. He stated that the board no longer sits down with the Department Heads, which he believes should happen which he has voiced that concern before. He discussed an extra person in the Office for the Aging which he felt does not need to be there. He said he has asked GCC a simple question as to how many people fail and he can't get an answer when we are spending \$1.4 million on this. Chairman Callard stated that cost is \$1.7 million. Legislator Bower stated that when the nursing home went to an LDC, we had no control even though we are elected by the people to do this work. He stated that the

LDC members are not elected. He further stated that there were bids that were processed at the LDC meeting which he expressed he was not allowed to go to nor was the Chairman allowed to go to. Legislator Bower questioned if Chairman Callard attended that meeting which he answered that he did not. Legislator Bower said he can't get that information but should be able to have it. Why should it be withheld to the body that governs this county? Chairman Callard indicated that the information was in the paper. Legislator Bower stated that numbers were not specifically noted in the paper that is what he wants to see. Legislator Bower questioned if we have to approve the sale because once we were told we need to approve the sale and then we are told we do not. Legislator Bower stated that he votes against the budget and that is it.

Mr. Nesbitt stated that County Finance Law §361 states that if the Budget fails and there is no new meeting or a new vote on the budget, the tentative budget becomes the budget effective December 20<sup>th</sup>. The biggest impact from this will be on the Real Property Tax Office and their ability to do their work. It won't be until December 20<sup>th</sup> if we know this is the budget therefore it will set the tax bill preparations behind by two and a half weeks. Chairman Callard stated that how we would make this determination if this is going to be the budget. Mr. Nesbitt indicated you would have to either pass a budget or not pass a budget and if a budget is not passed it is not effective until December 20<sup>th</sup>.

The following resolutions were presented for adoption.

## LEGISLATURE MEETING

December 11, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator Smith, the Clerk called the roll. All Legislators were present.

The Clerk presented no communications and the Treasurer did not have a report to submit.

Chairman Callard opened the floor for discussion as it relates to the resolutions on today's agenda. Paul Lauricella, Yates, questioned why the Chairman makes \$5,000 more than the rest of the Legislators. Mr. Lauricella believes that all of the other Legislators are capable of being chairman. Legislator Bower replied, as being a past chairman, that there is a lot more responsibility and time to be devoted to both jobs as legislator and chairman. We need to have someone to give this additional time and energy; and we are limited for someone to be chairman based on family, work, or other commitments. There is a tremendous amount of work to be chairman and the additional cost may not even be enough for what that person does, expressed Legislator Bower.

Allen Lofthouse, Kendall, questioned Resolution No. 410 in how to understand the dates and the rate of increase for the salary schedules. Chairman Callard indicated that it represents a 1% increase given in the first half of the year and another 1% for the second half of the year, which is a less than a two percent increase for the year. Mr. Lofthouse asked if the salary is the one figure and that are not added together. Chairman Callard further explained it is a yearly salary for that given period of time.

The following resolutions were presented for adoption:

Chairman Callard opened the floor for generalized questions or concerns. Al Capurso, Gaines, who came to the November meeting to inform and also remind this Legislature of an 1830 resolution which the county agreed to accept responsibility for the poor and the infirmed in Orleans County. He asked at that time it if was still a controlling authority, still a law on the books as far as a county charge. He was told at that time that the county would look into it. He believes that if it is still a controlling authority, and the county still has that responsibility, that the sale of the county nursing home would run contrary to that resolution. He is here today asking if the resolution was found and reviewed. Chairman Callard stated that Attorney Schubel has researched the resolution and is prepared to comment. Attorney Schubel reported that he has reviewed the resolution

and the old history of social welfare legislation and how this county addressed it from 1830 until the present. In his opinion the 1830 resolution which was cited in Mr. Capurso's letter, as with any resolution adopted by a county legislative body is subject to being revised, modified, or superseded by subsequent county legislative action. The operation and ownership of the nursing home by a county is discretionary, not mandatory Attorney Schubel expressed. There is no state or federal statute which mandates a county to operate a nursing home. In this instance, the County's action to establish the LDC and the transfer of the facility to the LDC are all purely policy making and legislative in character and fall within the province of the legislative powers of this county legislature. This issue was raised in the two judicial challenges that were made to the county's actions in the Supreme Court of Orleans County. This court has made a finding on two separate occasions and rendering decisions in proceedings where the County acts have been judicially challenged. Attorney Schubel stated that he does not feel that the 1830 resolution is reformed.

Al Capurso thanked Attorney Schubel for his report. He said it was not his understanding that the 1830 resolution did get before Judge Punch and he would be very surprised to hear if that was indeed the case, but it his belief it did not. He urged closer scrutiny on that. Mr. Capurso followed up questioning that if a resolution was found stating that the county's responsibility is to the poor and infirmed for the last 183 years, does it require the rescinding of that resolution to move forward? Attorney Schubel thinks that the whole breath of actions that the county since that time acted to supersede that 1830 resolution. He further stated that we have to bear in mind that The Villages is a Nursing Home but is also a medical facility that falls within the definition of a hospital under the Public Health Law and is licensed by the New York State Department of Health and also under the Public Health and Health Planning Council. It is a medical facility that has nothing to do with Social Services, nor is it under the auspices of Social Services. There is no mean testing to be admitted into the Nursing Home. To try to tie in the Alms House which was a way to address paupers and what we have Attorney Schubel believes is a stretch beyond any rational basis.

Al Capurso disagreed with the statement. Legislator Bower interjected in saying that the actions that were before Judge Punch had nothing to do with the 1830 resolution. Attorney Schubel said that the Judge did still find that the county's actions were lawful and he believes that stands. Legislator Bower said the actions were lawful based on the court actions. Would he have found the same if this resolution was incorporated in some fashion with respect to this resolution, asked Legislator Bower? Attorney Schubel stated that if you read the decisions it states that what the county did was proper legislative actions. Legislator Bower believes that Judge Punch did not know about the resolution. Attorney Schubel agreed with that but he thinks it is irrelevant.

Paul Lauricella, Yates, thanked the three legislators for voting no on the budget. He knows that they all had their specific reasons for doing it and he hopes that the new Legislators coming in can address some of those problems like lowering taxes and putting more power back in the hands of the Legislators when it comes to sitting down with the departments making the budget, a little more transparency he requested.

Chairman Callard clarified that each Legislator has responsibility that covers every department within the county. Each Legislator signs off on the respective budgets of each department they represent and the budget is written from that. In conclusion, each Legislator participates greatly in the process of the budget. Mr. Lauricella stated that is not what Legislator Bower stated. Chairman Callard informed Mr. Lauricella that he is clarifying the process.

Allen Lofthouse, Kendall, asked when the nursing home is finally sold, he has heard rumors that the commission is at an entity of \$1.4 million. Mr. Nesbitt indicated that is not even close, it will be at 2.5% of the sale price. Mr. Lofthouse asked if a sale price has been settled on yet. Mr. Nesbitt stated that he is not in the position to inform him of that.

Mr. Lofthouse also asked about the Health Department fees and inspection process to serve food and he understands that this was not a mandatory thing to enforce. Paul Pettit, Director of Public Health, indicated that this was voted in by the Board of Health. Mr. Lofthouse asked if all counties have opted into the same process. Mr. Pettit indicated that all counties

follow New York State Sanitary Code which lays out the inspection process and requirements for all food service establishments that serve food to the public. Mr. Pettit said that different counties have different ways in approaching that process. Mr. Lofthouse said that they met with Senator Maziarz and that it didn't sound like it was mandatory and a number of counties did not opt into it. Mr. Pettit stated that it was discussed thoroughly through health committees and the Board of Health when it was put in place. The primary underlying reason for it was to make sure that everybody who serves food to the public has a level of competency in food handling safety techniques. Mr. Lofthouse stated that you now have implemented something new in the training requirement because the health department has always had their inspection rules. He wanted to know if the training was mandated by the state, which Mr. Pettit stated it is not, but a new requirement in our county. Mr. Pettit added that training requirements are under consideration in our state sanitary code revisions. He thinks there are well over two thirds of the different counties across the state who has implemented training requirements to date.

Dee Smith, Gaines, stated she is very upset with the Legislators and the Nursing Home is on her mind a lot. She does not know what else to do but feels that there is something wrong here. She accused Legislators of lying to her and indicated a lack of trust. She felt that the fishermen were getting better care than her. Legislator Rush asked her how she knows she will not get good care when the nursing home is sold and she needs to reside there. She said she does not know that she would. She indicated that she is really upset that "you people" are not working for the public, you are working for yourself. She indicated that she has no trust.

Legislator Allport indicated that a referendum is illegal. It is illegal to use taxpayers' money for a referendum. He indicated that whoever told her a referendum was legal, lied to her. In regards to Northwood, Legislator Allport stated the he brought Senator Gillibrand to Northwood. The Senator's staff listened to the complaints and Senator Gillibrand's office after inspecting the elevator/lift, forwarded two booklets for available grant money. Because of the legal situation of this piece of property, he forwarded these grants to Q&D which oversees the management of this property to see if they could pertain to the upgrade of this lift.

Mrs. Smith asked about the Villages and the dishonesty. Legislator Allport said there is no dishonesty. She asked if all of them would take a lie detector test. Chairman Callard called this discussion to an end and asked for a motion to adjourn.

Legislator Rush moved to adjourn; second by Legislator Bower. Meeting adjourned at 5:07 p.m.

**LEGISLATURE MEETING**  
December 23, 2013

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator Smith, the Clerk called the roll. All Legislators were present, with the exception of Legislator Bower.

The Deputy Clerk had no communications to mention today. Treasurer Heard distributed an Analysis of Monthly Cash Receipts and Disbursements through November 2013. She reported that the general fund was paid back the loan from the capital project. The New York State Retirement check was mailed for \$3.9 million in the first week of December therefore the next month the balance may not look so great.

Chairman Callard opened the floor for public comment concerning the resolutions but no comment was offered.

Legislator Eick moved to add two resolutions to the agenda; second by Legislator Allport. Motion carried. The following resolutions were presented for adoption:

Chairman Callard requested that Paul Wagner, Director of Emergency Management reported on the weekend ice storm that occurred. He stated that he just received a phone call from National Grid and presently there are 1400 customers in Orleans County without power. They expect that the majority of the customers will have their power up by the end of their close of business which is about 10 p.m. He said there maybe one or two that might still not have power. He reported that outside assistance was received from the local fire departments for cellar pumping details. They had five SEFU (Storm Emergency Flood Units) which are pickup trucks with portable pumps and generators. Also two engine pumpers were supplied to us from Wyoming County which came in late yesterday and were released today at noon to assist the local departments with cellar pumping details and fire details as needed. A pumper was on standby at

the Holley Fire Department from Chili Fire Department if they were needed. He believes this is coming to the end and he can report that he does not know of any injuries reported. Chairman Callard appreciates all of the work that our first responders have done during this event. Chairman Callard asked what areas are still without power. Mr. Wagner thought it was primarily in Carlton and parts of Lyndonville, Town of Yates area. He said they have about 96 crews working in our area. Legislator Johnson commended Mr. Wagner for the abundant amount of hours of work done behind the scenes that no one is aware of. In the midst of this storm there was a house fire and a lot of meetings with the fire chiefs in the early hours of the morning. She expressed that the taxpayers appreciate the work that he does and when he rises to the occasion of a storm knowing he is behind the scenes and organizing it all is very reassuring.

Chairman Callard wished to take the opportunity to give best wishes to Ken Rush, Henry Smith, and George Bower who was unable to be here today. Not only have they been long time associates but good friends as well. He expressed appreciation for all that they have done and will be missed. He wished them the best of luck in their new endeavors, their home assignments. Legislator Allport seconded the comment. The group shared their applause.

Chairman Callard opened the floor for comment. Legislator Johnson reminded the public that it is imperative to complete the request for information that was received from Senator Maziarz's office regarding broadband and the availability that people may have to that. She said that Senator Maziarz has spear headed this questionnaire and it gives us a compass going forward to find a provider that could reach each and every one of us. It is six questions asking if you have it, would you like broadband access other than what is currently being paid for. She said it will be a good marketing tool when we try to implement an internet provider countywide. She wished everyone a Merry Christmas.

Paul Lauricella, Yates, wished everyone a Merry Christmas and a Happy New Year. He said he read an article concerning the Orleans County Economic Development Agency who waived \$350 thousand in sales tax for the business coming from Medina into Albion. He said the county

would have received \$174 thousand of that money. He knows how tough it is for the county to give up sales tax on anything whether it would be the fuel tax or bed and breakfast tax. Why would the county give this up when people are told at the county budget hearing that the sales tax revenues are going to be down for the coming year? He said he has a hard time doing business when money is given to bribe them to come here, stated Mr. Lauricella. Also giving money to the other agencies could have been put into the budget but it was said that you are playing Santa Clause with taxpayers money. Mr. Lauricella finished in saying that sometimes he thinks the board is as dysfunctional as Albany, you do a couple of good things and then some crazy stuff.

Legislator Rush spoke concerning the sales tax. He said that if we don't do that with these businesses that want to do business here in Orleans County, we would not have a chance to get them here and lose them totally. So we are gaining an increase in assessment and also new jobs. Legislator Rush asked if that answered Mr. Lauricella's question. Mr. Lauricella stated that they were touting that it took \$6 million in grant money for 60 jobs, that is about \$60,000 a job, what do those jobs actually pay. He said when you have to bribe someone to come into our area there must be something wrong. Legislator Rush responded that other people will bribe them also to have them come. Mr. Lauricella stated that if taxes are cut they will come. Legislator Johnson thinks what Mr. Lauricella is not grasping is the competitiveness between counties in getting economic development here. She said that she thinks that our economic development staff of only three does a great job competing with the likes of Niagara County and Genesee County. Their sole purpose is to bring businesses and jobs into Orleans County. If it means we waive something for a year that adds an assessment to our tax rolls and brings in tax revenue in the future then we are successful in getting the business here and employment for our residents, explained Legislator Johnson. Mr. Lauricella said he understands but if taxes are waived for everybody they are going to spend money or if waive taxes on other stuff they have that disposable income to spend now.

With there being no other comments made, Legislator Rush moved to adjourn; second by Legislator Allport. Meeting adjourned at 4:56 p.m.

**Honorable Members of the Orleans County Legislature:**

Please accept the filing of the following document as the 2014 Orleans County Tentative Budget.

The 2014 Orleans County Tentative Budget is geared to sustain core services to the public while at the same time making major necessary investments into the public safety and bridge infrastructure of the county. The 2014 Tentative Budget proposes \$79,786,629 or a \$3,653,311 increase in appropriations and \$60,128,519 or a \$2,673,381 increase in revenues. Both figures represent less than a just under a 5% increase. As you will see in the detailed document that follows, the budget accomplishes several critical programmatic and fiscal goals with a 4.98% property tax levy increase that will add \$32 to the tax bill of the average County homeowner or .40 per thousand of assessed value.

The County Legislature, department heads and county staff have continued working diligently to think and work creatively to maintain service while keeping costs low. The recommended budget ensures the stability of many county programs at a time when demand for services is high as we await a stronger economic recovery. It continues to stretch our fiscal capabilities by tapping reserves and fund balances as we try to adjust the growth in our cost structures for both mandated services and necessary investments. The budget largely keeps the workforce count stable and yet still 8.6% lower than 2010.

The recommended 2014 spending plan represents the first time that the proposed property tax levy will exceed the New York State Property Tax Cap. This circumstance is unavoidable without a major reduction in county services or a realignment of sales tax revenue sharing. The latter ultimately having little benefit to the taxpayer. The reason for this is simple. The recommendation includes annual debt service of \$475,000 for the new public safety radio system an upgrade that should be complete in the spring of 2014. The County's tax cap number for 2014 is approximately \$482,544 or 3.08% based on the most recent methodology introduced by the New York State Comptroller.

***Major Influences on the Tentative Budget***

**Cost of Employment**

Overall the cost of employment will be reduced in 2014 despite a plan to employ roughly the same number of people as the county did in 2013. When analyzing this fact, it is important to review the following factors.

**Regular wages** show modest growth in the 2014 spending plan, at 1.82% yet the number continues to be lower than the budgeted amount for 2010. However this tells only part of the story as the overall cost of employment is down slightly for 2014.

**Pension costs** having peaked following the great recession are down from \$4,440,393 to \$4,271,017 year over year and show a reduction of -\$169,376 or 3.8%. The reductions in pension costs were a late surprise from the Comptroller. The State Comptroller reported that the average pension rate in 2014 would fall to 20.1% of payroll from the current rate of 20.9% on average. While relatively small, the reduction was the first since 2009, when the rate was 6.9%. The 2014 pension rate will still be almost three times higher than it was just five years ago—an uncontrollable increase that has added over \$2.75 million to the County's budget. Hopefully, this marks the beginning of a long gradual decline in the cost of pensions as a percentage of wages as the employer contributions decline and tier 6 begins to show some cost savings results.

**Health insurance** is again less expensive for 2014, reduced for the second year in a row. The spending plan budgets health insurance \$157,340 lower than the 2013 budget. This is again an extraordinary result of several factors. First, for the third year in a row, the county achieved a lower than trend year over year growth in premium expense. Second, the county has continued to implement strategies to increase employee cost sharing. Third, the county has continually worked to obtain less expensive insurance products through negotiated benefit reductions and creative plan design changes. This reduction is achieved in spite of a 2.5% (roughly \$150,000) premium tax being added by the insurance company resulting from the Affordable Care Act. Barring the ACA setback savings to the county would have been even larger.

**Worker's Compensation** costs in the county's self Insurance plan show a reduction of -9.43% or \$100,376. In each of the last five years, the Orleans County Self Insurance Plan has had a reduction of new cases being filed by injured workers. In the budget year 2014 the Plan is realizing the benefits of our coordinated team efforts of managing our cases aggressively and implementing a member wide safety training program which has resulted in lower medical and indemnity payments when compared to historical payments of the Plan. Therefore with fewer cases being filed and lower medical and indemnity payments being issued from the Plan, we have been able to reduce our budget in 2014.

Orleans and Genesee Counties continue our successful partnership in the area of **Public Health** service delivery. The program has resulted in improved services, reduced costs and a developing synergy between the two departments. The partnership has resulted in the departments receiving a grant to pilot the project

from the Robert Wood Johnson Foundation as well as a successful application for a CDC Fellow, a program that we had been previously unsuccessful getting approved. This program is a tremendous success both programmatically and financially. This program is a great example of inter-municipal cooperation between counties and is the first of its kind in New York State.

### **Capital Investment:**

Two major projects will be completed at the end of 2013 and into 2014. First, the Energy Performance program that resulted in energy efficiency improvements and much needed jail capital upgrades are substantially complete at this time. The Public Safety Radio System upgrade, a project that will ultimately result in roughly ten million dollars in equipment and capability improvements to the county's system and end user equipment, is expected to be complete no later than next summer. This has been a deep multi-faceted issue since 2004 requiring a great deal of staff time, negotiation and patience. These are both major accomplishments. The 2014 spending plan adds \$475,000 in new annual county cost to pay for the remaining portion of the project not covered by grants or re-banding awards.

Now that those projects are complete, as the county moves forward into next year, it is the recommendation of this office that we begin to review and implement a capital improvement plan to address road, bridge and culvert infrastructure and related equipment as well as upgrades and maintenance to county buildings and infrastructure. Many of these issues have reached a point where they must be addressed.

### **Sales Tax**

Despite signs that the economy is recovering slowly, sales tax collections have failed to increase significantly during the three quarters of 2013. Collections are currently running just behind the same period for 2013. The sales tax projected in the 2014 Recommended Budget assumes just \$25,000 growth as gas prices decline offsetting most growth that may be a result of overall economic improvements.

### **9 for 90**

The 9 New York State mandated programs accounting for 90% of the county property taxes statewide; Medicaid, Indigent Defense, Probation, Physically Handicapped Children/ Early Intervention, Public Assistance/Safety Net, Child Welfare/Protection, Youth Detention and the Employer contribution to the New York State Retirement accounts for 111% of the county property tax levy. Removing the pension contribution that decreased slightly (3.8%) from 2013, the remaining 8 mandated expenses consume approximately 85% or \$8.64 per thousand of assessed value. The county fairs much better than recent years with growth of \$145,794 in the mandated program. However, these programs are still by far the most significant cost drivers for Orleans County.

Although **Medicaid** is part of the 9 for 90, it is important to note that for the first time in many years the cost of the Medicaid program is showing a year over year reduction of \$170,292. This is a result of shared savings resulting from the affordable care act and the hard cap to the Medicaid program negotiated into the New York State budget two years ago by Governor Cuomo. The latter is certainly an acknowledgement that Medicaid remains the single largest mandate and is one of the primary reasons that New York State's property taxes are systemically disadvantaged when compared with other states.

**Welfare** program funding has been restructured in recent years through the state budget and the 2014 tentative plan reflects what amounts to a multiyear shift in the cost of welfare from the state to the local and federal levels. Orleans County's estimated costs for Family Assistance and Safety Net are increased nearly \$558,000 for those two programs.

### **Outside Agencies**

Annually, the county hears requests for increased funding to the many agencies that it has traditionally supported. Based on the current fiscal reality, the 2014 tentative spending plan maintains the 2013 allocation for all outside agencies.

### **Solid Waste**

The cost of garbage pickup for 2014 will be \$190 per unit. An increase of \$5 per year is required to accommodate the CPI increase in the solid waste contract.

### **Risks Assumed**

The nation's economy continues to be fragile and unpredictable. The inability to reach consensus on cutting and spending priorities continues to create uncertainty for a number of county programs reliant on those funds. The 2014 recommended budget assumes over \$90,000 in savings tied to the implementation of the Affordable Care Act (ACA) and the accuracy of State projections of Medicaid savings. The final disposition of the ACA, and the accuracy of the State Department of Health's projected savings, is by no means guaranteed.

As always, I want to thank the county's department heads and staff who have worked hard to construct a 2014 budget that addresses priorities and maintains core services while dealing with difficult fiscal constraints. Orleans County is truly fortunate to have such a dedicated group of department directors and staff.

Respectfully Submitted,

Charles H. Nesbitt, Jr.

## **Organizational Meeting**

January 2, 2014

---

The Clerk of the Legislature called the meeting to order at 4:30 p.m. The Pledge of Allegiance was led and Nadine Hanlon, Clerk of the Legislature, recited a prayer that was offered by the late Rev. Robert H. Mowatt at the January 5, 1984 Organizational meeting of the Orleans County Legislature. The Clerk called the roll and the following Legislators were present: Donald Allport, David Callard, E. John DeFilipps, Kenneth DeRoller, William Eick, Lynne Johnson, and Fred Miller.

The Clerk opened the floor for nominations for a temporary Chairman of the Legislature. Legislator Allport moved that Legislator Eick be the temporary Chairman. Legislator Johnson seconded the motion. The Clerk asked if there were any other nominations. With everyone in favor of the motion, this motion was carried.

Temporary Chairman Eick asked for nominations for Chairman. Legislator Johnson wished to nominate the re-appointment of Legislator Callard as Chairman; Legislator Allport seconded the motion. Temporary Chairman Eick called for any other nominations. With none being offered, Temporary Chairman asked for any discussion. Legislator Johnson raised the point that with our Legislature changing membership by 40%, stability is of great importance. She commends Legislator Callard on the job he has done to this point as Chairman. With there being no other nominations or further discussion, Temporary Chairman Eick called for a roll call vote: 7 ayes: Allport, Callard, DeFilipps, DeRoller, Eick, Johnson, and Miller; 0 nays; 0 absent. The motion for Legislator Callard to be Chairman of the Orleans County Legislature was carried.

Temporary Chairman Eick asked for nominations for Vice Chairman. Legislator DeRoller made a motion to nominate Legislator Lynne Johnson; seconded by Legislator DeFilipps. Legislator DeFilipps added that she has shown commitment in being part of the upgrades to the Radio Communications System and also being chairman of the Niagara Orleans Regional Alliance. Temporary Chairman Eick asked for any other nominations or discussions. Legislator DeRoller also added that Legislator Johnson also served as Chairman of the Administration and Finance committee and of the Emergency Management committee. He commended her for always following up on things. Temporary Chairman

Eick called for a roll call vote: 7 ayes: Allport, Callard, DeFilipps, DeRoller, Eick, Johnson, and Miller; 0 nays; 0 absent. The motion for Legislator Johnson to be Vice Chairman of the Orleans County Legislature was carried.

A brief recess was called for the swearing in of the Orleans County Legislature by Orleans County Clerk Karen Lake-Maynard. Karen Lake-Maynard asked everyone to rise and she performed their oaths of office and the official book was signed by the Legislators.

Temporary Chairman Eick turned over the meeting to the newly re-elected Chairman, Legislator Callard. Chairman Callard was escorted to the Chairman's chair. Chairman Callard thanked the Legislators for their support and stated that he is looking forward to working with each and every one of them. He feels that this group is an exciting dynamic group of diversified people. He expressed that he is looking forward to finishing up on the projects that are moving forward and initiating new projects, new directions, and look for a prosperous and happy 2014 and 2015.

The following resolutions were presented for adoption:

### **RESOLUTION NO. 1-114**

Chairman Callard announced that our next meeting will be January 8, 2014 at 4:30 p.m. Chairman Callard announced that he will be distributing the Standing Committee Schedule upon today's adjournment.

Legislator Eick moved to adjourn; second by Legislator Allport. Meeting adjourned at 4:45 p.m.

## LEGISLATURE MEETING

January 8, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: A request to place a banner on the Courthouse lawn was requested by Sidney Beaty, Program Coordinator of the Village of Albion, January 9 through January 17, 2014 to advertise their Fire and Ice Festival on January 17<sup>th</sup> at Bullard Park. The board approved this request. Two certified resolutions from the Niagara County Legislature were received. A Resolution Requesting the State of New York Establish a Residency Requirement in Order to Receive Welfare Benefits and a Resolution Opposing the Use of the Niagara County Seal and the Seal of the Niagara County Sheriff's Office by the State of New York without the consent of the Niagara County Clerk, the Legislature, or the Sheriff's Office of the County of Niagara.

Chairman Callard called for open discussion as it relates to today's resolutions. Mattie Zarpentine, Holley, spoke regarding the NY SAFE ACT and voiced support of the resolution that is on today's agenda. She said the citizens must do their part and take this fight even further. She urged all Orleans County citizens to stand up and make their voices heard. Albany must know that we have had enough. She said that Governor Cuomo thought that issue would quietly subside and that the people would settle down and comply with yet another law chipping away at our rights. Ms. Zarpentine finished by stating that we all need to join together to preserve our constitutional rights for ourselves and our future generations.

Allen Lofthouse, Kendall, thanked the board for their support on Resolutions No. 9 and No. 11. Mr. Lofthouse questioned if in Resolution No. 13 for the secretarial services contract for the County Attorney includes an increase. It was confirmed to him that the increase is \$150. County Attorney Schubel added that the contract has been at the same cost for the past six years.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Allport. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 6-114**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	6702-6821	\$103,695.60
Highway	288-293; 622-627	\$16,772.42
Nursing Home	1436-1442	\$32,393.63
Job Development	1391	\$46.84
Self Insurance	1048; 53175-53179; 53238	\$53,797.97

Moved, Johnson; second, DeRoller.

Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Johnson moved to set the Legislature meeting schedule for 2014. She offered it amended to remove the months of May and September for holding one meeting a month, therefore having one meeting a month in June, July, August, and November due to the Thanksgiving holiday. All of the rest will have two meetings a month. Legislator Johnson moved the resolution as amended; second by Legislator DeRoller. The following resolution was adopted:

**RESOLUTION NO. 7-114**

**SETTING LEGISLATURE MEETING SCHEDULE FOR 2014**

RESOLVED, that the regular meetings of the Orleans County Legislature will be held on the second and fourth Wednesday of each month at 4:30 PM at the Orleans County Legislative Chambers with exceptions; and be it

FURTHER RESOLVED, that one regular meeting will be held in the months of June, July, and August on the fourth Wednesday of each month, therefore no meeting will be held on the second Wednesday of these months; and be it

FURTHER RESOLVED, that one regular meeting will be held in the month of November on the second Wednesday of the month, therefore no meeting will be held on the fourth Wednesday of this month; and be it

FURTHER RESOLVED, that the second meeting in the month of December will be held on Monday, December 22, 2014 at 4:30 p.m.; and be it

FURTHER RESOLVED, that Legislative workshops will be scheduled one hour prior to the scheduled conference session unless otherwise posted.

Moved, Johnson; second, DeRoller.  
Adopted. 6 ayes; 1 nay, Miller; 0 absent.

### **RESOLUTION NO. 8-114**

SETTING DATE OF PUBLIC HEARING ON LOCAL LAW NO. 1-INTRO OF 2014 REGARDING SALARIES OF VARIOUS EMPLOYEES OF THE COUNTY OF ORLEANS

WHEREAS, there has been duly presented and introduced to this Legislature, a proposed local law entitled “A LOCAL LAW INCREASING THE SALARIES OF VARIOUS EMPLOYEES OF THE COUNTY OF ORLEANS APPOINTED OR ELECTED FOR A DEFINITE TERM”; and

WHEREAS, no local law shall be adopted until a public hearing thereon has been held by the Orleans County Legislature upon at least five days notice; now, therefore be it

RESOLVED, that a public hearing shall be held on the said proposed local law by this Legislature on the 22<sup>nd</sup> day of January 2014 at 4:25 p.m. at the Orleans County Legislature, 3 South Main Street, Suite 2, Albion, New York.

Moved, Johnson; second, DeRoller.  
Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Johnson moved a resolution to support the NYSACC Western Region County Clerks who oppose use of individual county seals by New York State in its entirety; motion seconded by Legislator DeRoller with the emphasis on the SAFE ACT use. She said in summary that the State of New York has passed a gun control law, which we refer to as the NY SAFE ACT, and it clearly states that the enforcement is the responsibility of the NY State Police. They have indicated that they want to use our official seal and we are taking this stance denying this. Chairman Callard asked County Clerk Karen Lake-Maynard if she wished to comment. She shared her appreciation of the support of this and she added that seeing it is their rule then they should be responsible for the cost to enforce it. Legislator Allport also thanked Ms. Zarpentine and all others who are opposing this un-constitutional law called the SAFE ACT. He thinks it is critical that everyone understands, regardless of their attitude towards private ownership of guns, in that anytime that a right granted to us by our Bill of Rights is chipped away at, everyone loses a piece of freedom. Legislator Allport shared his appreciation to the committed fight in Ms. Zarpentine's organization to keep this alive and in the forefront. The following resolution was adopted:

### **RESOLUTION NO. 9-114**

**SUPPORTING THE NYSACC WESTERN REGION COUNTY CLERKS WHO OPPOSE USE OF INDIVIDUAL COUNTY SEALS BY NEW YORK STATE**

WHEREAS, the NY Safe Act signed by Governor Cuomo on January 15, 2013 amended various provisions of New York Law in relation to firearms, long guns, assault weapons, and ammunition; and

WHEREAS, the NY Safe Act clearly indicates that the

enforcement of NY Safe Act is the responsibility of the New York State Police; and

WHEREAS, New York State has indicated an interest in using the Seal of Counties along with the Seal of the State of New York on pistol permit recertification notices; and

WHEREAS, the NYSACC Western Region County Clerks representing Allegany, Chautauqua, Cattaraugus, Erie, Genesee, Niagara, Orleans and Wyoming Counties have voiced their strong objection to this request and suggestion by New York State; now, therefore be it

RESOLVED, that the Orleans County Legislature supports the NYSACC Western Region County Clerks representing Allegany, Chautauqua, Cattaraugus, Erie, Genesee, Niagara, Orleans and Wyoming Counties who deny the State of New York State Police permission to use the Name, Seal of the County, letterhead or address for purposes of correspondence with or notices to legal and registered gun owners regarding permit recertification or for any other purpose associated with the NYSafe Act; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans does hereby deny any agency of Orleans County government permission to use the Name, Seal of the County, letterhead or address for purposes of correspondence with or notices to legal and registered gun owners regarding permit recertification or for other purposes associated with implementation or exercise of the SAFE Act without the written consent of the Orleans County Clerk; and be it

FURTHER RESOLVED that the Clerk of the Legislature shall forward copies of this resolution to Governor Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, Assemblywoman Jane Corwin, Superintendent Joseph D'Amico of the New York State Police, NYSAC, New York State Association of County Clerks Legislative Committee, the County Clerks representing the Western Region of New York, and all others deemed necessary and proper.

Moved Johnson; second, DeRoller.  
Adopted. 7 ayes; 0 nays; 0 absent.

## **RESOLUTION NO. 10-114**

### **APPROVING AGREEMENTS BETWEEN MENTAL HEALTH DEPARTMENT AND VARIOUS AGENCIES**

RESOLVED, that this Legislature does hereby approve the following agreements for the Mental Health Department for the 2014 calendar year:

Community Action of Orleans and Genesee, 411 E State St, Albion, NY 14411 providing summertime services for youths referred or approved by the Department of Mental Health at a cost of \$5,000. County cost is \$0.

Genesee/Orleans Council on Alcoholism and Substance Abuse (GCASA), 430 E Main St, Batavia, NY 14020 providing substance abuse/dependency and prevention services, as well as gambling treatment services at a cost of \$321,327. County cost is \$35,167.

Genesee/Orleans Council on Alcoholism and Substance Abuse (GCASA), 430 E Main St, Batavia, NY 14020 providing chemical dependency services for inmates at the Orleans County Jail at a cost of \$6,000. County cost is \$6,000.

New York Care Coordination Program, Inc. (“NYCCP”), 1099 Jay St, Bldg J, Rochester, NY 14611 providing non-clinical consulting, management, and data analysis services to support the effort of behavioral health providers, consumers, and local governments to improve care and service outcomes for individuals diagnosed with serious mental illness, addictions, and co-occurring medical disorders. Health Homes of Upstate New York (HHUNY), on behalf of Huther Doyle Memorial Institute, Inc. will pay Orleans County Mental Health 94% of the monthly rate paid by the Department of Health.

Moved, Allport; second, DeFilippis.  
Adopted. 7 ayes; 0 nays; 0 absent.

## **RESOLUTION NO. 11-114**

### **OPPOSING THE EXPANSION OF CASINO LOCATIONS IN WESTERN NEW YORK**

WHEREAS, in September 1973, eleven western New York counties and 2 cities established the Western Regional Off-Track Betting Corporation, they being Cattaraugus, Chautauqua, Erie (and the City of Buffalo), Genesee, Livingston, Monroe (and the City of Rochester), Niagara, Orleans, Seneca, Steuben, and Wayne, as enabled by state law; and

WHEREAS, these municipal "stockholders" chose to exercise that local option to form such a corporation that dictated local control by those municipalities over such gaming activities in their respective communities; and

WHEREAS, the start-up costs of this enterprise were funded solely by these initiating counties from their own treasuries of taxpayer money and represented no state money nor allowed for any state sharing of this purely local venture; and

WHEREAS, since those eleven counties voted to form Western Regional Off-Track Betting Corporation, an additional four western New York counties have joined them (Wyoming, Schuyler, Oswego, and Cayuga) in the local control of such gaming activities that has since generated over \$215 Million in operating and surcharge revenues to the taxpayers of those participating municipalities; and

WHEREAS, now, the Seneca Nation has initiated a process to locate a full gaming Casino in the Town of Henrietta located in Monroe County; and

Legislator Miller moved to approve renewal agreements with the Department of Social Services; second by Legislator Eick. Commissioner Tom Kuryla explained that these are all renewal agreements that we have had for several years. He reviewed each agreement. The first provides our Medicaid clients with personal assistance programs and sometimes nursing services. The William George Agency is an institutional foster care used for children who have substance abuse or behavioral issues that cannot be addressed in local foster homes. We contract with our Job Development agency for employment services for the public assistance clients and to assist them to get back to work and off the public assistance rolls. Commissioner Kuryla finished reviewing the last contract which is with the County Attorney's Office to provide two part-time attorneys

which one is assigned to public assistance and fair hearings, along with adult services. The other attorney handles petitions in family court with child welfare. These are all services that are mandated to provide and we feel these agencies do it well and that is why we are renewing these agreements concluded Commissioner Kuryla. The following resolution was adopted:

**RESOLUTION NO. 19-114**

**APPROVING AGREEMENTS WITH THE DEPARTMENT OF SOCIAL SERVICES**

RESOLVED, that this Legislature does hereby approve the following renewal agreements between the Orleans County Department of Social Services and the following agencies:

Angels in Your Home, Hilton, NY for the provision of Consumer Directed Personal Assistance Program (CDPAP); to be effective January 1, 2014 through December 31, 2014 at rates set by NYS Department of Health. County cost is \$0.

The William George Agency, Freeville, NY for the provision of residential foster care services; to be effective September 1, 2013 through August 31, 2014 at per diem rates as established by the State, not to exceed \$165,000. County cost will be at a percentage determined by both the program category and financial eligibility of each child so placed.

Job Development Agency, Albion, NY for the provision of employment orientation, assessments, plans and services to Public Assistance clients; to be effective January 1, 2014 through December 31, 2014 at a cost of 303,255. County cost is \$91,332.

Orleans County Attorney, Medina, NY for the provision of 2 part-time attorneys assigned to Social Services; to be effective January 1, 2014 through December 31, 2014 at a cost of \$138,566. County cost is \$48,013.

Legislator Johnson moved to abolish, create, and fill positions at the DMV; second by Legislator DeRoller. Legislator Allport wanted to commend the DMV office for the business that they have built up to service our dealers in our county and surrounding counties who bring their work here due to the timeliness and efficiency our DMV office provides. Legislator Allport indicated it is a “Shining Star” in our county. Chairman Callard stated it is in deed. County Clerk Lake-Maynard was commended also for her leadership. The following resolution was adopted:

## **RESOLUTION NO. 21-114**

### **AUTHORIZING ABOLISHING, CREATING, AND FILLING OF POSITIONS IN THE MOTOR VEHICLE DEPARTMENT**

WHEREAS, it is important in servicing the public’s needs in the Department of Motor Vehicles in these challenging economic times; and

WHEREAS, servicing dealers vehicle registrations are an important segment of the County Clerk’s revenue at the Department of Motor Vehicles; therefore be it

Clerk Hanlon requested clarification on the approval of Resolution No. 7-114 concerning the December 22, 2014 date because the forth Wednesday to hold the second meeting in December falls on Christmas Eve. Legislator Johnson confirmed that the date of Monday, December 22, 2014 for our second December meeting is correct as stated in the resolution.

Chairman Callard opened the floor for generalized comments. Paul Lauricella, Yates, stated that he was not happy with the increase of his tax bill. He stated that he agreed with Legislator Allport's comment to cut 10% across the board with all agencies was a good one. He said that seeking new ways to tax people, like the comment Chairman Callard made in seeking all new ways to raise tax revenue. Mr. Lauricella suggested cutting government on the county level a little bit. From what he is seeing, he sees another year of government growth. He, along with others, is not happy with their taxes being raised every year. Chairman Callard commented that he didn't directly state that we should raise revenue with taxes. He also stated that we cut staffing by 10% during his chairmanship. Chairman Callard feels this is significant and is always looking at ways to reduce the size of government.

Mr. Lauricella said it was written on OrleansHub.com that Chairman Callard said he was finished with making cuts in staff and now looking at different ways to increase sales tax. Chairman Callard told Mr. Lauricella

that he miss read his thoughts that were printed on “The HUB”. Mr. Lauricella, as he stated at the last meeting, that \$174,000 was let go in sales tax that the EDA granted. Chairman Callard stated that he questioned that figure too and that an EDA representative is here today. This maybe an example of miss information, expressed the Chairman. Chairman Callard asked if Mr. Lauricella could be more specific. He said he was going by what Mr. Rivers wrote. He said it would not be miss information on his part, but what was in the paper. Chairman Callard asked if clarification is needed.

Gabrielle Barone, Vice President of Development at EDA, inquired if there is a project they need clarification with. Mr. Lauricella indicated it is the company that is moving from Medina into the old Chase building in Albion. Mr. Nesbitt spoke up informing them that it was sales tax exemption for CRFS. Mr. Nesbitt further stated to give away money assumes that you have it to begin with to give it away.

Ms. Barone explained that CRFS is dramatically growing the company. They are purchasing more equipment because of new hires. She indicated this is a very good thing. Over the years, the EDA has given them sales tax abatement, and recently gave them again, on purchases for their computers and software, and whatever else they need to purchase. No community money was given to them expressed Ms. Barone. Mr. Lauricella stated he did not say we gave it to them, but that the county allowed them not to pay it. Mr. Nesbitt said that Mr. Lauricella’s statement presumes that they would otherwise pay this but Mr. Nesbitt’s contention is that they would otherwise have paid it to the state taxes. Mr. Lauricella said then it would be a split where the county would get 4% and the state would get 4%. Mr. Nesbitt stated that the State of Texas would get 100% and we would get nothing if they relocated to Texas. Ms. Barone stated that Orleans County was competing to keep CRFS in New York State, specifically here in Orleans County. CRFS was considering two other locations with one being in Texas. They currently have a small site there but were being recruited for a much larger site. So we competed to where we were able to keep them here and are giving them tax abatement. Mr. Lauricella stated that he was not aware of a Texas site. Ms. Barone appreciated the time to offer clarification on discussion.

Legislator Johnson stated that she was glad the Mr. Lauricella brought this discussion up again so she could again commend the EDA for doing the

job that they do with a staff of three there. They go out and get businesses to not only stay here but relocate here is the life blood of this county, she expressed.

Chairman Callard stated that CRFS will be our largest employer in Orleans County. Legislator DeRoller felt it was important to state their employment numbers. Ms. Barone stated that she was aware that they were over 500 employees but probably up to 600 now. It was her understanding that when they made plans to move to the former Chase facility they were going to occupy only the second floor but now they intend to also occupy the first floor. This was something she didn't anticipate. When Washington Mutual occupied that building there were approximately 900 people in that building. Ms. Barone thinks maybe they are optimistic, but she is hoping that this local business woman who has grown her company will stay to grow her company here.

Allen Lofthouse, Kendall, stated that on January 15<sup>th</sup> at 9:00 a.m. at the Kendall Town Hall COIDA (County of Orleans Industrial Development Agency) will be holding a public hearing to discuss a deviation from their uniform tax exemption policy. This is for the Cottages at Troutburg in Kendall owned by the Wegman Group. He didn't know how many people will make the 9 a.m. meeting but he stated that it is quite a deviation from their standard policy. He said many people should be upset like he is which he knows there are. He said that the Town, School, and County should be upset about this too. It will screw up the town and school budgets. Mr. Lofthouse stated that people pat themselves on their backs for keeping all of this business here but what is happening is that public money is being given to private people. When are the taxpayers of Orleans County going to realize the fruits of the expense of labor of COIDA asked Mr. Lofthouse. He said his taxes are going up, his pockets are getting lighter and no pride of business people coupled with lack of conscious of COIDA result in the rap of the tax payer; public money for private enterprise. He finished in saying that it was thoroughly disgusting.

Gabriele Barone, commented that for approximately 40 years there was a camp at Troutburg. There was no tax revenue to the county, town, or school for well over 40 years. She further explained that approximately three years ago the Wegman Group came to them with an interest to develop at Troutburg. Ms. Barone stated that this public hearing is one of two that will be held. Another will be scheduled at a later time. The

abatement is for the property only, it is not on any structures. Mr. Lofthouse said that is wrong. Chairman Callard asked Ms. Barone to finish. Ms. Barone stated that the abatement is for the land. The new houses that are going to be built will have no abatement. This is approximately a \$30 million project in Orleans County. If it ends up being a \$20 million, we are only talking an amount of nearly \$200,000 that will be abated over a 10 year period. She said that those taxes would probably not be available anyway unless this project came along. So we are paying approximately 1% over 10 years. They are not getting any sales tax abatement, no assistance from the state, and they are self financed. Ms. Barone stated that public comment will be welcome and can comment accordingly. She said no one in the last 40 years has received any revenue from this property. It will be a seasonal property so that the families will not be sending students to the school district. She feels that the school district will be one of the chief beneficiaries as well.

With there being no further discussion, Legislator Allport moved to adjourn; second by Legislator DeRoller. Meeting adjourned at 5:05 p.m.

## LEGISLATURE MEETING

January 22, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator Johnson, the Clerk called the roll. All Legislators were present.

The Clerk did not have any communications to present. Legislator Johnson presented a proclamation to Cindy Perry, Orleans Community Health Partners, proclaiming February 7<sup>th</sup> National Wear Red Day in Orleans County. Legislator Johnson challenged Orleans County Employees to participate in our first annual GO RED DAY by paying a \$5 donation and wear red to raise funds for the American Heart Association for the awareness of cardiovascular diseases and stroke, which is the Number 1 and 4 causes of death in women in the United States, along with the number one cause of death in men. Legislator Johnson also announced that the court house cupola will be lit in red for this event.

Jack Welch, President of the Employee Assistance Committee (EAP), lead the following Employee of the Year presentation. He stated that the EAP Committee is tasked to recognize Employees of the Month. This is very important and a very special occasion when fellow county employees are recognized for not only their service to the citizens of the county but to recognize those individuals who go above and beyond their duty. The EAP Committee receives nominations from fellow employees and department directors and then the nominations are reviewed and discussed by the committee and a selection is made.

The following employees of the months for the past year were mentioned:

Thomas Ashbery (Computer Services), October 2012;  
Janet Cheverie (DSS), November 2012;  
Nadine Hanlon, (Clerk of the Legislator), December 2012;  
Sandra Pszyk, (Mental Health), January 2013;  
Troy Phillips, (Buildings and Grounds) February 2013;  
William Culverwell, (Buildings and Grounds) March 2013;  
Jeannine Larkin, (DSS), April 2013;  
Scott Wilson (Sheriff's Department), May 2013;  
Patrick McGurn (Computer Services), June 2013;  
Maria Garcia, (Mental Health), July 2013;  
Patricia Urquhart, (Mental Health), August 2013;

Ryan Woolston (Computer Services), September 2013;

Mr. Welch continued that from this pool of candidates, a separate committee reviewed the candidates' recommendation from the employee's department director. The committee looked for additional service that an employee has performed since the individual was recognized as an Employee of the Month. Then the Employee of the Year is selected.

Since the nomination, this employee has continued to be proactive in reducing the jail's operating cost by finding other sources of payments for medical expenses for all inmates. This employee was also able to improve the security and safety issues for staff and inmates by adding over four dozen video cameras to the facility with no county cost.

This year's Employee of the Year is Jail Superintendent, Scott Wilson.

In reviewing the candidates for employee of the year, another employee has continued to provide service to the citizens of Orleans County that is worthy of recognition. This employee was instrumental in coordinating the hugely successful "Family Game Night" that brought families out of their homes to learn what services Orleans County offers. Over 170 individuals attended this game night, which allowed families to "un-plug" and bond together.

This year's Employee of the Year is Clerk of the Legislature, Nadine Hanlon.

A round of applause was held for both employees' of the year.

Chairman Callard opened the floor for discussion as it related to the resolutions. Allen Lofthouse, Kendall, inquired about Resolution No. 31 asking if \$15,009.10 is per year. Mr. Nesbitt indicated that the \$15,099.10 is the total interest and is the total county cost for the entire contract. This purchase of the paver is being funded through CHIPS (Consolidated Highway Improvement Program) funding and we cannot pay interest through CHIPS funding. Mr. Nesbitt indicated that this lease has about a 2% interest rate.

Mr. Lofthouse also inquired of Resolution No. 37, asking what the Local Development Corporation (LDC) Board does. Mr. Nesbitt indicated that

COIDA and LDC are separate agencies therefore needs a board. Chairman Callard stated that the LDC keys in on small businesses and offers small business loans.

With there being no further inquires of today’s agenda, the following resolutions were presented for adoption:

**RESOLUTION NO. 22-114**

#### **RESOLUTION NO. 29-114**

**AUTHORIZING THE CHAIRMAN OF THE LEGISLATURE TO ENTER INTO AN AGREEMENT WITH THE COUNTY OF ORLEANS INDUSTRIAL DEVELOPMENT AGENCY [COIDA] FOR THE YEAR 2014**

WHEREAS, it is in the best interest of the County that the many advantages of Orleans County be publicized to those who may be interested in establishing, maintaining, or expanding business and industry in the County of Orleans, in order to create new jobs and keep a healthy economy; and

WHEREAS, equally as important, is the ability to retain within the county the jobs already located here; and

WHEREAS, among the most important tasks facing New York State are the need to increase jobs and encourage higher levels of private capital investment in business and industry, thereby improving the general prosperity and economic welfare of the people of New York State and its constituent municipalities; and

WHEREAS, the County recognizes that the Agency is a community-wide organization with the expertise and capacity to improve the general prosperity and economic welfare to the people of the County; and

WHEREAS, the purpose of this Agreement is to carry out in a legal and proper manner the provisions of Section 852 of the General Municipal Law of the State of New York, which section does authorize the County to appropriate funds for the purpose of encouraging industrial development within the County; and

WHEREAS, New York State Public Officers Law Section 18 states that a county legislative body may provide for the defense and indemnification of the officers and employees of a public entity and additional indemnification of said Agency may be contracted in return for services; and

WHEREAS, the County has, by Resolution adopted by the Orleans County Legislature, authorized the execution of this contract and the indemnification agreement herein between the County and the Agency; now, therefore be it

RESOLVED, that this Legislature authorizes the Chairman to sign an agreement with the County of Orleans Industrial Development Agency [COIDA] to provide the services as set forth in the agreement at an annual cost of \$150,000, to be paid in quarterly payments of \$37,500.

Legislator Johnson moved to extend the agreement with Doherty Communications for the Radio System project; second by Legislator DeRoller. Legislator DeRoller requested Mr. Nesbitt to provide a little background on this agreement including end date and thought process on this. Mr. Nesbitt explained that our previous Radio Systems Manager left the county for other employment. Mr. Doherty was a logical choice having already contracted for communication services with the county and having the expertise to move forward in managing the project. We engaged him by adding an addendum to the current county contract to carry us through the radio project. Once the project is complete a reevaluation of the level of service required of the position or the contract will be done. The end date is set for July 31, 2014. So subsequent to this date we expect a less expensive contract with a decreased need of effort on the part of Doherty Communications in order to keep us in good working order on the new radio system. Legislator DeRoller indicated he liked this approach. He inquired of Legislator Johnson when the new radio system will take over. Legislator Johnson called upon Paul Wagner, Director of Emergency Management, who indicated they anticipate April or May when they will be able to switch over. He added that will give them a few months to make sure the “bugs” are worked out. The following resolution was adopted:

#### **RESOLUTION NO. 41-114**

#### **APPROVING EXTENSION OF AGREEMENT WITH DOHERTY COMMUNICATIONS FOR THE RADIO SYSTEM MANAGEMENT PROJECT**

WHEREAS, this Legislature did, via Resolution No. 50-113, extend an existing Agreement between the Buildings and Grounds Division of the Orleans County Highway Department and Doherty Communications for maintenance of the County’s telecommunications infrastructure through January 31, 2015; and

WHEREAS, on that same resolution, this Legislature extended an amendment to that Agreement to cover the scope and terms for the Radio

System Management Project as detailed in Resolution No. 35-112, through January 31, 2014; now be it

RESOLVED, that this Legislature authorizes extension of that Radio System Management Project through July 31, 2014; all provisions of that agreement, including but not limited to the scope of work and terms of payment to remain the same; and not to exceed \$40,000 through the contract date, to be paid from A3640.452 - Personal Services Contracts in the Emergency Management budget; and be it

FURTHER RESOLVED, that the Chairman is authorized to sign this renewal subject to the review and approval of the County Attorney and the Chief Administrative Officer.

Legislator Johnson moved to appoint members to the Safety Committee; second by Legislator DeRoller. Legislator DeRoller inquired about the vacancy that exists on this board and inquired of Mr. Nesbitt of the plan to fill this. Mr. Nesbitt stated that training must be provided to an individual before duties are assumed. Our previous Safety Officer, Craig Lape, is still on the payroll therefore he can be called upon for his expertise if needed. Mr. Nesbitt concluded in saying that they plan to address this situation quickly. Legislator DeRoller appreciated the plan because he felt the Safety Officer is very important to the County. The following resolution was adopted:

### **RESOLUTION NO. 50-114**

Chairman Callard opened the floor to the Legislators or to the public for comment. With there being none, Chairman Callard called for a motion to adjourn. Legislator Eick moved to adjourn; second by Legislator Allport. Meeting adjourned at 5:03 p.m.

**LEGISLATURE MEETING**  
February 12, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator Eick, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Traffic Diversion Program reported their Distribution of Revenue for the period October, 2013 through December, 2013. Oak Orchard Watershed Protection Alliance will hold their meeting this evening at 7 p.m. at the Orleans County Soil and Water Conservation District office. Genesee County Economic Development Center will hold their Annual Luncheon on March 7<sup>th</sup> at the Genesee Community College Forum at Noon. Save the date for March 15<sup>th</sup> for Farmer to Neighbor Night 2014 to be held at the White Birch Golf Course. The Albion Strawberry Festival Committee, under the authority of the Village of Albion, is requesting permission to hold its 28<sup>th</sup> annual festival on the Courthouse Lawn on June 13<sup>th</sup> and June 14<sup>th</sup>, 2014. Hours of operation will be 11 a.m. to 9 p.m. on Friday and 9 a.m. to 9 p.m. on Saturday. As in the past, the Courthouse grounds will be used for the same purposes which include arts and crafts and entertainment. The Board unanimously approved this request.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through the end of 2013. She requested the board to review the actual cash balance to previous years actual. Notes were provided next to certain lines so the new Legislators are aware of the reporting of sales tax, interest earned, and other items. She advised them that they will get used to the report as they move forward. The Treasurer's Office has collected \$5.6 million in tax money through January.

Chairman Callard called for open discussion as it related to the resolutions. Allen Lofthouse inquired of Resolution No. 55 asking for the value of this grant. He was informed that it is the \$2 million extension on the Interoperable Communications Grant for the radio project.

Legislator Eick moved to add two resolutions to the agenda; second by Legislator Allport. Motion carried. The following resolutions were presented for adoption:

Legislator Allport moved to authorize a payment from the Education Handicapped Children Budget; second by Legislator DeFilipps. Legislator Allport shared his viewpoints of (OMIG) Office of Medicaid Inspector General's extortion from County and Towns. He explained that this organization was set up mainly to recoup Medicaid money because the program has become so costly in New York State as a result of the poor management in Albany. Legislator Allport further expressed that they extort money from organizations claiming fraud occurred. In this particular payback, Legislator Allport feels it was for the failure to cross "T"'s and dot "I"'s in the paperwork submitted by a local not-for-profit. He expressed that the State has come after not-for-profits, such like our local ARC, which has cost them a lot of money in losses and possibly go out of business all in the name of fraud. It is not that they changed their programs or services they provide but they actually changed the forms to be submitted. Mr. Nesbitt added that we used an attorney to knock this from \$100,000 down to \$27,045. Legislator Allport described his visit to Albany as being President of the ARC board and indicated that

organizations spoke of what OMIG did to them, many horror stories were shared. The following resolution was adopted:

**RESOLUTION NO. 73-214**

Chairman Callard called for comments from the Legislators and the public. Legislator Allport wanted to thank the Conservative Party in Orleans County that recently passed a resolution opposing the NY SAFE Act. Legislator Allport stated that this is the first political party that he knows of that took action against this.

Legislator Johnson thanked Nadine, Onnalee, and April for organizing the National Wear Red Day event in our county on February 7<sup>th</sup>. The

Employees raised \$865 with these proceeds going to the American Heart Association for research. A \$50 dinner out gift certificate was won by our Asst Superintendent of Buildings and Grounds.

Legislator Johnson announced that our Legislature has decided to proceed with countywide rural broadband. A vertical asset inventory was completed last year by the three west towns in our county. We are asking the other seven town Supervisors to support us in getting the vertical asset inventory done in the central and east side of the county. We have gone to providers who indicated through state maps, that our county shows that we are 95% covered but found after doing the west side inventory that this number is very far off. An interim of gathering of information with the other Town Supervisors support will then allow us to present our project to other providers through an RFP. Legislator Johnson informed the board that most other towns have not renewed their contracts with Time Warner for the purpose in seeing what other options will be available to them. Chairman Callard will be presenting this topic at the next Supervisors/Legislators meeting.

Legislator DeRoller announced that Marisa Hanlon, who presented her Oratorical speech to this board on January 8<sup>th</sup>, was awarded a \$500 American Legion Scholarship at the Zone competition. He stated that she was the only one in this level that participated as a public student.

With there being no further comments made by our Legislators or from the floor, Legislator Johnson moved to enter into executive session at 4:52 p.m. per Open Meetings Law §105 (h) to discuss the proposed acquisition, sale or lease of real property, inviting Treasurer Heard into this executive session discussion; second by Legislator Allport. Motion Carried.

Legislator Allport moved to exit out of executive session and reconvene the regular meeting at 5:36 p.m.; second by Legislator DeFilippis. Motion Carried.

With there being no further discussion, Legislator Allport moved to adjourn; second by Legislator DeRoller. Meeting adjourned at 5:36 p.m.

**LEGISLATURE MEETING**  
February 26, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation, the Clerk called the roll. All Legislators were present, with the exception of Legislator Eick.

The Clerk did not have any communications to present. A proclamation was presented by Legislator DeFilipps to Kelly Kiebala, Executive Director of the Genesee-Orleans Regional Arts Council celebrating March as Arts Awareness Month in Orleans County. Ms. Kiebala distributed the 16<sup>th</sup> Annual Arts Awareness Month calendar sharing upcoming cultural events throughout Genesee and Orleans counties.

Chairman Callard opened the floor for the discussion of resolutions. With there being no discussion, Legislator Allport moved to add two resolutions to the agenda; second by Legislator DeFilipps. Motion carried. The following resolutions were presented for adoption:

**RESOLUTION NO. 76-214**

Legislator Johnson presented the following resolution in its entirety offering an alternative to the property tax freeze; second by Legislator DeRoller. Legislator Johnson commended CAO Nesbitt for the leadership in getting this resolution moving forward in Orleans County. He realized it was being offered up by another state and re-worded it to make it our own. Chairman Callard requested that this resolution be seconded unanimously and the board adopted the following resolution:

## **RESOLUTION NO. 82-214**

### **RESOLUTION OFFERING AN ALTERNATIVE TO THE PROPERTY TAX FREEZE THAT WILL LEAD TO PERMANENT AND HISTORIC PROPERTY TAX REDUCTIONS BY ELIMINATING THE COST OF STATE MANDATED SPENDING IMPOSED ON COUNTY PROPERTY TAXPAYERS**

WHEREAS, the Governor and State Legislature have prioritized property tax relief as necessary to help improve New York's economic competitiveness especially in struggling upstate areas where the high property tax burden has contributed to a loss of economic opportunity, industrial and business decline, and flat or negative population growth over the last two decades; and

WHEREAS, the Governor has proposed a two year property tax freeze in these same economically burdened areas, that includes a state financed rebate for any increase in property taxes in municipalities that stay within the state imposed property tax cap over the next two years, while also pursuing shared services or consolidation of functions with other local governments in the second year; and

WHEREAS, the proposed property tax freeze would create a new layer of tax bureaucracy and procedures with unknown costs to the taxpayers, which have not been adequately analyzed, calculated, and publicly discussed; and

WHEREAS, county government has been a strong proponent of increasing cooperation, sharing services and consolidating major governmental functions across multiple jurisdictions as highlighted in the 2013 Cornell University study, "Shared Services in New York: A Reform That Works"; and

WHEREAS, recent law changes enacted by the Governor and State Legislature to cap the growth in county Medicaid costs and the creation of another pension tier will help reduce pressure on future county property tax levy growth, especially in 2020 and beyond; and

WHEREAS, county elected leaders strongly support meaningful state and county efforts to lower the property tax burden for homeowners and businesses across the state; and

WHEREAS, the levying of county property taxes is directly linked to state mandated spending as county governments act as the state's administrative arm through the delivery and financing of state programs; and

WHEREAS, county officials believe the best way to improve New York's economic climate and competitiveness is to reduce property taxes through fundamental reform of state mandates that directly impacts the causes of high property taxes and not simply the symptoms (not just slow the rate of growth); and

WHEREAS, recognizing the need for property tax relief and consistent with the call for realignment of responsibilities between governments, aligning the cost of the state's human services programs with the government obligated to provide them will result in a historic and sustainable reduction in county property taxes and a more appropriate and equitable distribution of the cost of the state's human services programs; and

WHEREAS, the cost of paying for the state Medicaid program in a typical county (outside of New York City) equals about one half of the county property tax levy; and

WHEREAS, the benefits, scope and ultimate cost of Medicaid has been set and controlled by the State for nearly 50 years, but not fully financed with state resources, therefore transferring a significant cost burden to local property tax payers that contributes greatly to the disparity between property taxes in New York State and those in other states; and

WHEREAS, New York City tax payers also dedicate a large amount of locally raised non-property taxes to support the State Medicaid program; now, therefore be it

RESOLVED, that counties find no quantifiable evidence that the property tax freeze would result in significant property tax relief, while a phased state takeover of the costs of its own mandated human services,

starting with Medicaid, would provide immediate, permanent and measurable property tax reduction; and be it

FURTHER RESOLVED, the state should also provide fiscal relief to New York City for a portion of the local taxes they commit to state mandated programs; and be it

FURTHER RESOLVED, that copies of this resolution be sent to the sixty-two counties of New York State encouraging member counties to enact similar resolutions; and be it

FURTHER RESOLVED, the Clerk shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, Assemblywoman Jane Corwin, Orleans County Towns and Villages, and all others deemed necessary and proper.

Moved, Johnson; second, unanimous second.

Chairman Callard asked if anyone wished to further comment on this. Legislator Allport thought it should be noted that Medicaid was first introduced by President Roosevelt during the height of the Depression. The American citizens at that time told government to stay out of the health care business. President Johnson, in the 1960's during his great society, was able to push Medicaid through. The Federal government soon realized that they could not fund Medicaid and pushed 50% of the cost down to the states. At this time 44 states kept the cost at the capitol while 6 states pushed the additional cost down to the counties. New York was the highest at 25% cost to the local tax payer and Tennessee was at 1%. Legislator Allport believes if Albany looks at the other 44 states, if it wants to resemble these states, they should start doing what these other states are doing such like North Carolina. They should keep these costs in Albany and control the program there rather than blaming the counties as being the culprits for their inabilities in running their finances.

**RESOLUTION NO. 90-214**

AUTHORIZING CONVEYANCE OF 134 LIBERTY STREET AND 136 LIBERTY STREET, TAX MAP NO. 73.6-7-80 AND 73.6-7-81, TO THE VILLAGE OF ALBION

WHEREAS, the real property commonly known as 134 and 136 Liberty Street in the Village of Albion, tax map parcel no. 73.6-7-80 and 73.6-7-81, was subject to a Supplemental In Rem Tax Foreclosure proceeding pursuant to Article 11 of the Real Property Tax Law in which a judgment was duly granted and entered; and

WHEREAS, County Resolution No. 383-1113 provides that parcels may be conveyed by the County to a municipality, EDA, or not-for-profit organization on such terms and conditions as the County by resolution may determine; and

WHEREAS, the Village of Albion has requested conveyance of the 134 and 136 Liberty Street properties for no consideration as part of the Village's development efforts and to enhance the vicinity in the business/governmental area; and

WHEREAS, wood frame residential buildings and wood frame sheds are situate on the properties which have been vacant and abandoned for many years, have been vandalized and are in a state of grave repair; and

WHEREAS, a pre-demolition asbestos materials survey of the buildings was conducted which discloses asbestos containing materials throughout; and

WHEREAS, project estimates have been obtained from two licensed asbestos contractors to perform a controlled demolition with asbestos in place and it appears that a total project budget for controlled demolition, fees and disbursements will be in the amount of \$64,975; and

WHEREAS, the Village of Albion has expressed a willingness to proceed with the controlled demolition at its sole cost and expense; and

WHEREAS, this Legislature recognizes and determines that the conveyance of the properties to the Village of Albion serves the best interests of the County of Orleans by assisting the Village of Albion to foster development within the Village which in turn benefits the County; now, therefore be it

RESOLVED, that this Legislature directs cancellation of any unpaid taxes and relieved Village and School taxes with respect to said tax map parcel no. 73.6-7-80 and 73.6-7-81 with the exception of the 2014 County/Town tax and the relieved 2013/2014 Village tax and the 2013/2014 School tax for which the Village will be responsible, with no chargebacks of the unpaid taxes to the taxing entities; and be it

FURTHER RESOLVED, that the County, by either the Orleans County Treasurer or the Legislature Chairman, is authorized to execute a deed and other related documents conveying all of the County's right, title and interest in and to said parcels to the Village of Albion; and be it

FURTHER RESOLVED, that this resolution approving transfer of the property is contingent upon approval of the Albion Village Board; and be it

FURTHER RESOLVED, that conveyance of title by the County as contemplated by this resolution is subject to a satisfactory agreement with the Village to conduct a controlled demolition with asbestos in place of the buildings and sheds on the properties at the sole cost and expense of the Village of Albion.

Legislator Johnson moved to approve an agreement with BP Greene and authorize transfer of funds into the Planning budget; second by Legislator DeRoller. Legislator Johnson expressed that there was the largest turn out ever, representatives from all ten towns and a school district, for the Supervisors/Legislators meeting last evening. The topic of discussion was concerning countywide rural broadband and the fact that Orleans County is supporting the mapping of the vertical assets. The towns were unanimously in support in providing the labor to do this mapping so this project is finally underway. The following resolution was adopted:

**RESOLUTION NO. 91-214**

**APPROVING AGREEMENT WITH THE COUNTY OF ORLEANS  
AND BP GREENE AND AUTHORIZING TREASURER TO  
TRANSFER FUNDS INTO THE PLANNING BUDGET**

Chairman Callard asked if anyone had any old business. Legislator Johnson reported that Chairman Callard and she attended the Niagara Falls Air Force Base Stakeholders Meeting. She reported that the economic impact of the possibility of losing this base is over \$1.5 million per year to Orleans County residents based on the number of residents that commute there to work. This justifies us in being a stakeholder and in joining forces with Niagara County to save this air base.

Legislator Johnson also reported that Chairman Callard, Legislator DeRoller and she attended a Niagara County recognition award ceremony where Niagara County Sheriff's Department recognized school aged children for doing the right thing. She explained that four times a year they recognize youth that do extraordinary things like calling 911 when a family member needs help, raising funds for specific causes, i.e. Toys for Tots, and much more. She stated that Orleans County is looking to implement a program just like this because it is very important that our

Sheriff's Department becomes a very positive force in our young people's lives.

Chairman Callard requested any further comments from the public. With there being no further comments or discussion, Legislator Allport moved to adjourn; second by Legislator DeFilipps. Meeting adjourned at 4:51 p.m.

## LEGISLATURE MEETING

March 14, 2014

---

Chairman Callard called the meeting to order at 10:30 a.m. and indicated it will be an abbreviated meeting. After the pledge to the flag, the Clerk called the roll. All Legislators were present, with the exception of Legislator Allport.

The Clerk presented the following communications: Two letters were received from Ronald Arndt and Beverly Daubney, both Kendall residents (who corresponded with Senator Maziarz and Assemblyman Hawley), concerning the current conditions of the Lake Ontario State Parkway and are unhappy with the lack of bridge and road maintenance. The Orleans County Youth Bureau is calling for nominations for youth recognition awards, Helen R. Brinsmaid Award, and the Eileen Heye Adult Volunteer Recognition Award. These are due by March 26, 2014. InterCounty Association of Western New York meeting will be hosted by Cattaraugus County at the Dresser-Rand Challenger Learning Center of the Twin Tier Region in Allegany, NY. This is scheduled for next Friday, March 21, 2014 at 9:30 a.m.

Chairman Callard recognized Judy Vasquez, a Department of Social Services Employee, who has served 40 dedicated years of service to Orleans County. Legislator Miller, Chairman of the Economic Assistance & Opportunity Committee read her special recognition. Chairman Callard and Legislator Miller will present her achievement to her at a later time.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through February, 2014. She indicated that tax money has been received but no levy payments have been made to any funds. This is the highest cash total on hand for February since 2007.

Chairman Callard called for the presentation of the resolutions and he requested that a resolution be moved to adopt the resolutions as a whole with the exception of three that warrant addition discussion, these include:

- ENDORSING THE 2013 AVIATION CAPITAL GRANT PROGRAM APPLICATION
- RESOLUTION CALLING ON NEW YORK STATE LEGISLATURE TO REJECT GOVERNOR CUOMO'S PLANS

TO REWARD PRISON INMATES BY PROVIDING THEM WITH COLLEGE EDUCATIONS AT TAXPAYER EXPENSE

- SETTING DATE OF PUBLIC HEARING ON LOCAL LAW NO. 2-INTRO OF 2014 AUTHORIZING THE USE OF BEST VALUE FOR AWARDING PURCHASE CONTRACTS

Chairman Callard indicated that we were going to have a speaker during conference session on March 12<sup>th</sup> to discuss the following resolution but did not work out with the snow storm. This is a grant that the Pine Hill Airport is applying for and needs the support of the County Legislature. A packet has been supplied on the desks today for information. Mr. Haines will be scheduled for a later conference session. Legislator Eick explained that the Pine Hill Airport is in the Town of Barre. It is a long standing airport and long time supporters have been upgrading it. Over the phone, Mr. Haines indicated to Legislator Eick that they want to do additional paving in the parking area and around the buildings. This grant will allow that to happen. Clerk Hanlon indicated that the first letter in the packet describes what is needed to support their efforts in this upgrade. Legislator Eick moved to endorse the 2013 Aviation Capital Grant Program Application that is being applied for by the Vintage Aircraft Group; seconded by Legislator Miller. The following resolution was adopted:

**RESOLUTION NO. 109-314**

**ENDORISING THE 2013 AVIATION CAPITAL GRANT PROGRAM APPLICATION**

WHEREAS, the County of Orleans has received a request from applicant of the Vintage Aircraft Group, Inc., as Lessee and Operator of Pine Hill Airport, Town of Barre, County of Orleans, concerning the applicant's request for State grant funds under the 2013 Aviation Capital Grant Program for a project for the 2013-2014 Aviation Capital Grant Program to include construction of the west apron and taxiway connector.

WHEREAS, the Vintage Aircraft Group desires to improve the airport to enhance aviation services for the citizens of Orleans County and the surrounding area and that the Vintage Aircraft Group, Inc. has committed all of the matching share of funds for the project; and

WHEREAS, the project, if awarded by the New York State Commissioner of Transportation shall have no immediate or long-term financial obligation to the County; and

WHEREAS, the New York State Department of Transportation, under Section 14-1 of the State Transportation Law requires that project applications made by privately-owned airports be accompanied by a resolution from the governing body of the county in which the airport is located; be it

RESOLVED, that the County of Orleans endorses the project identified above at the Pine Hill Airport for the purpose of making the project eligible for State funding; and be it

FURTHER RESOLVED, that a certified copy of this resolution be filed with the New York State Commissioner of Transportation; and be it

FURTHER RESOLVED, that this resolution shall take effect immediately.

Moved, Eick; second, Miller.

## **RESOLUTION NO. 110-314**

### **RESOLUTION CALLING ON NEW YORK STATE LEGISLATURE TO REJECT GOVERNOR CUOMO'S PLANS TO REWARD PRISON INMATES BY PROVIDING THEM WITH COLLEGE EDUCATIONS AT TAXPAYER EXPENSE**

WHEREAS, the purpose of prison is to punish those who have engaged in behavior that is morally and legally wrong, dangerous, threatening, or severely antisocial, including murder, rape, theft, and distribution of narcotics, among other serious crimes; and

WHEREAS, incarcerated individuals represent a continued threat to society, and are not deserving of rewards, but rather punishment for their actions; and

WHEREAS, on February 16, 2014, Governor Andrew Cuomo proposed providing this segment of society with taxpayer-funded college tuition at a cost of \$5,000 per inmate, a benefit unavailable to the children of the productive, law-abiding taxpayers who will be forced to finance Mr. Cuomo's scheme; and

WHEREAS, Governor Cuomo expressed no concern for the educational opportunities lost by many of the victims of the hardened criminals he wishes to treat as valued members of society, most notably those who were murdered by such criminals; and

WHEREAS, any education funds for the Governor's proposal should be allocated to local school districts in order to provide our young people with the tools and skills they need to be productive members of our society so that they are not left behind; and

WHEREAS, an investment in our youth will have a greater positive impact on the lives of our next generation of citizens, and therefore will over the long term be far more effective as a crime deterrent than the current proposal; and

WHEREAS, the Legislature of the County of Orleans endorses the notion that prison is punishment, and convicted inmates are undeserving of rewards; now, therefore be it

RESOLVED, that the Legislature of the County of Orleans considers Governor Cuomo's proposal an outrageous insult to the law-abiding taxpayers of this state and county; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans does hereby call upon its representatives in, and the leadership of, the New York State Senate and Assembly to reject this radical proposal and similar liberal meddling with the institution of justice; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans calls upon the Governor to withdraw this proposal and provide those funds to local school districts or financial aid to students who want to attend college who cannot afford it on their own; and be it

FINALLY RESOLVED, that the County of Orleans shall forward copies of this Resolution to Governor Cuomo, Senate Vice President Pro Tem George D. Maziarz, Senate Temporary President Dean G. Skelos, Senate Deputy Majority Leader Thomas W. Libous, Senate Majority Coalition Leader Jeffrey Klein, Member of the Assembly Stephen Hawley, Member of the Assembly Jane L. Corwin, Speaker of the Assembly Sheldon Silver, Assembly Majority Leader Joseph Morelle, Assembly Minority Leader Brian M. Kolb, NYSAC, InterCounty Association of Western New York, Orleans County Towns, Villages and School Districts, and all others deemed necessary and proper.

Legislator Johnson moved to schedule a public hearing to introduce Local Law No. 2-Intro of 2014 authorizing the use of Best Value for awarding purchase contracts; second by Legislator DeRoller who stated he was in strong favor to move forward wherever we can leverage counties of scale. Chairman Callard asked Mr. Nesbitt to broadly explain this. Mr. Nesbitt stated that recent changes were made to Section 103 of the New York State Procurement Law that allows municipalities to do a number of things. One of the changes would allow us to make purchases on a best value basis rather than from the lowest responsible bidder basis. In passing this local law it will allow us to develop some policy changes in our current procurement policy to allow us to access national contracts. He further explained that there are a number of purchasing consortiums

that have the ability to provide us numerous options. If you have been on the Office of General Services website recently, it is very difficult to access information on state bid. The National Joint Powers Alliance, which is a national buying consortium which offers nearly, if not over, 5,000 contracts that they can make available. Mr. Nesbitt indicated that their customer service is fantastic. They respond quickly with follow up e-mails and offer their attorney services in speaking to our County Attorney. There is a lot of availability of goods; they are clear on how they go about making those procurement decisions; and they even have analysis available of the changes to the New York State Purchasing Law which is readily available to our County Attorney. Mr. Nesbitt indicated that this provides us a lot of opportunities. We will need to review our policies and make various decisions on what instances these changes will be allowed in our purchasing. Chairman Callard indicated that this will give us more flexibility, achieve bigger savings, and provide the ability to save money in purchasing bigger ticketed items. The following resolution was adopted:

#### **RESOLUTION NO. 111-314**

#### **SETTING DATE OF PUBLIC HEARING ON LOCAL LAW NO. 2-INTRO OF 2014 AUTHORIZING THE USE OF BEST VALUE FOR AWARDING PURCHASE CONTRACTS**

WHEREAS, there has been duly presented and introduced to this Legislature, a proposed local law entitled "A LOCAL LAW AUTHORIZING THE USE OF BEST VALUE FOR AWARDING PURCHASE CONTRACTS"; and

WHEREAS, no local law shall be adopted until a public hearing thereon has been held by the Orleans County Legislature upon at least five days notice; now, therefore be it

RESOLVED, that a public hearing shall be held on the said proposed local law by this Legislature on the 26<sup>th</sup> day of March 2014 at 4:25 p.m. at the Orleans County Legislature, 3 S. Main St., Suite 2, Albion, New York.

Legislator Miller moved a resolution urging structural reform of the State Dedicated Highway and Bridge Trust Fund; second by Legislator Allport. Legislator DeRoller stated that he strongly supports this resolution as far as some of the infrastructure issues in our county. He voiced appreciation to the Highway Committee for bringing this forward. Chairman Callard questioned the Treasurer that if we had a dedicated Highway Fund in Orleans County and money is used to pay for borrowing and operating costs of our other agencies. Treasurer Heard interjected that we would most likely be in jail. Chairman Callard stated then this is illegal on the county level, then how can the state do this, he questioned then that it must be legal on the State level. The following resolution was adopted:

### **RESOLUTION NO. 125-314**

#### **URGING STRUCTURAL REFORM OF THE STATE DEDICATED HIGHWAY AND BRIDGE TRUST FUND (DHBTF)**

WHEREAS, local governments are responsible for an increasing proportion of the statewide highway and bridge system, including eighty-seven percent of the State's 110,000 miles of roadways and fifty percent of the State's 18,000 bridges; and

WHEREAS, a safe and efficient highway infrastructure is necessary for trade, economic development and revitalization, job creation and retention, schools, agriculture, businesses, health and hospital

facilities, emergency responders, as well as the general traveling public; and

WHEREAS, the New York State Comptroller has for two years in a row issued reports calling for the reform and restructuring of the Dedicated Highway and Bridge Trust Fund as taxpayers have paid billions in taxes and fees into a fund that was created to keep our roads and bridges in good repair and more than three-quarters of this money is siphoned off to pay for borrowing and operating costs of state agencies, leaving fewer dollars for improving our infrastructure; and

WHEREAS, the State's Dedicated Highway and Bridge Trust Fund was originally designed in 1991 as a pay-as-you-go financing method to support the state's transportation programs and purposes, using revenue from highway taxes, motor vehicle taxes and fees, petroleum business taxes and a number of smaller resources; and

WHEREAS, in an analysis of the State Budget, the State Comptroller reveals that less than 24 percent of the state's Dedicated Highway and Bridge Trust Fund (DHBTF)—originally established to fund transportation on a pay-as-you-go basis—is actually available for transportation capital this fiscal year. This is because total debt service on state bonding paid from the DHBTF is over 40 percent of all DHBTF disbursements; and

WHEREAS, State operations costs also consume an enormous share of the fund: nearly \$1.6 billion in the last fiscal year, including the costs of snow and ice removal by the Department of Transportation and day-to-day staff expenses at the Department of Motor Vehicles and other non-capital expenditures; and

WHEREAS, the structural deficit in the DHBTF will require a state general fund transfer reaching \$787.5 million in State Fiscal Year 2017-18, according to state budget documents; and

WHEREAS, legislation has been introduced in both houses of the Legislature seeks to reform the DHBTF by ensuring that money dedicated through the fund be used for highway and bridge construction and repairs and not diverted for non-capital uses; and a bill to enhance revenues to the

DHBTF from heretofore un-committed state gasoline tax receipts is being considered by the Senate; and

WHEREAS, dedicated revenue enhancements must be considered to insure the long term financial stability of the DHBTF and to attain adequate levels of state support to local roads and bridges; now, therefore be it

RESOLVED, that the Orleans County Legislature does hereby urge the Governor and the Legislature of the State of New York to develop a multi-year plan to return structural balance to the DHBTF in order to ensure its ability to meet the State's highway and bridge capital needs today and in the future by, among other actions, adopting the aforementioned legislative initiatives; and be it

FURTHER RESOLVED, that copies of this resolution be sent to NYSAC and Western NY Inter County encouraging member counties to enact similar resolutions; and be it

FURTHER RESOLVED, that copies of this resolution shall be forwarded to Governor Andrew M. Cuomo, State Senator George Maziarz, Assembly Member Stephen Hawley, Assembly Member Jane Corwin, all Towns and Villages in Orleans County, and all others deemed necessary and proper.

Moved, Miller; second, Allport.

Adopted. 6 ayes; 0 nays; 1 absent, DeFilippis.

### **RESOLUTION NO. 126-413**

#### **APPROVING AGREEMENTS WITH THE HEALTH DEPARTMENT AND VARIOUS AGENCIES**

RESOLVED, that this Legislature does hereby approve the following agreements with the Health Department:

Minnesota Multistate Contracting Alliance for Pharmacy; 50 Sherburne Avenue, Suite 112, St. Paul, MN 55155 to provide a Member Facility Agreement to allow the Orleans County Health Department to purchase needed vaccines at a lower rate. This alliance will certify that the Health

Department has legal authority to purchase vaccine from it state contracts. Contract period January 1, 2014 through December 31, 2018. County cost \$0.

NYS Department of Health, Bureau of Community Environmental Health and Food Protection, Empire State Plaza, Corning Tower Bldg., Room 1395; Albany, NY 12237 to provide funding to enforce and educate residents and retailers of Orleans County through the Adolescent Tobacco Use Prevention Act and Clean Indoor Air Act. Contract period April 1, 2013 through March 31, 2018. Contract amount \$150,565, for a multiyear contract. Current Contract #C-028533 effective April 1, 2014 through March 31, 2015 in the amount of \$28,113. County cost \$0.

and be it

FURTHER RESOLVED, that the Chairman is authorized to execute these agreements subject to the review and approval of the County Attorney and Chief Administrative Officer.

Moved, Allport; second, Eick.

### **RESOLUTION NO. 127-314**

#### **APPROVING THE 2014 YOUTH BUREAU RESOURCE ALLOCATION PLAN**

WHEREAS, the Orleans County Youth Bureau and Department of Social Services have developed a joint plan to be eligible for state aid from the New York State Office of Children and Family Services under the Child and Family Services Planning Guidelines; and

WHEREAS, the Orleans County Youth Board, Youth Bureau, and Department of Social Services are desirous of continuing county comprehensive youth services planning efforts during 2014 which includes the allocation of resources to municipalities and community based agencies to the extent said funding is provided by NYS and with no expectation of direct Orleans County appropriation; and

WHEREAS, guidelines provided by the Office of Children and Family Services for applying for said eligibility have been satisfactorily completed by the Orleans County Youth Bureau and the Committee on Economic Assistance and Opportunity does recommend approval at this time; now, therefore be it

RESOLVED, that the Orleans County Legislature does hereby authorize the Chairman to execute such documents as are deemed necessary to effect the 2014 Orleans County Youth Bureau Resource Allocation Plan and the Child and Family Services Plan with the New York State Office of Children and Family Services.

Moved, Miller; second, Eick.

Legislator Johnson moved to set the date and terms for the County In-Rem Auction noting that the venue has changed from the American Legion to the Albion Elk's Lodge; second by Legislator DeRoller. The following resolution was adopted:

## **RESOLUTION NO. 130-314**

### **SETTING DATE AND TERMS FOR AUCTION OF COUNTY-OWNED TAX PROPERTIES NOTWITHSTANDING ANY RESOLUTION HERETOFORE ADOPTED**

RESOLVED, that the following terms of auction for County-owned property for the auction to be held Wednesday, June 25, 2014 at 11:00 a.m. at the Albion Elk Lodge #1006, 428 West State Street, Albion, New York, be approved by this Legislature as follows:

**TERMS OF AUCTION  
ORLEANS COUNTY TAX PROPERTY AUCTION  
ALBION ELK LODGE#1006  
ALBION, NEW YORK  
June 25, 2014  
11:00 AM**

This is the sale at public auction of various parcels of real property, which have been conveyed in the County of Orleans by final judgment under the so-called In Rem Tax Foreclosure Proceedings. This sale is ordered by various resolutions of the Orleans County Legislature and is in accordance with the appropriate provisions of the Real Property Tax Law. This sale and sale of each and every parcel herein is upon the following terms:

**TERMS AND CONDITIONS  
OF THE  
ORLEANS COUNTY AUCTION OF TAX FORECLOSED PROPERTY**

1. Orleans County acquired title to these properties in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings; and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose: (b)

applicable zoning/land use/building regulations; (c) water assessments are the responsibility of the purchaser, whether they are received or not; (d) the levied 2014 Town and County tax bill including any releived taxes, 2013/2014 village taxes, 2013/2014 school tax, any village or town water and sewer rents and assessments, in addition to any other applicable charges (including, but not limited to, omitted and pro rata taxes, demolition charges, interest and penalties); and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the public auction.

4. The purchaser shall be solely responsible for the payment of: the levied 2014 Town and County tax bill including any releived taxes; any Village taxes levied after May 31, 2014, the 2014/2015 school taxes, the 2015 Town and County taxes, penalties and interest and charges levied against the property subsequent to the auction.
5. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date of the auction. Upon delivery of the quitclaim deed by the County of Orleans to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
6. No personal property is included in the sale of any of the parcels owned by Orleans County, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the successful purchaser following the closing of sale.
7. All informational tools, such as slides, tax maps, deeds, photos, auction listings, auction catalogs, auction signs, property record cards, etc., are for identification purposes only and are neither a guarantee nor a warranty as to location, dimensions, parcel use and/or size, or anything else. **THE COUNTY, THE AUCTIONEER, AND THE AUCTION SERVICE MAKE NO WARRANTY EXPRESSED OR IMPLIED IN CONNECTION WITH THIS SALE.**
8. The County of Orleans reserves the right, in its sole discretion, to withdraw from the auction any of the properties listed on the schedule of real property.
9. Notice is hereby given that the premises being sold may lie within an Agricultural District as designated upon the tax map. It is the sole responsibility of any bidder to ascertain which specific

- parcel(s) is so designated and sold subject to the provisions of law applicable thereto.
10. All bidders are required to register and provide suitable personal identification prior to the auction. Auctioneer reserves the right to decline registration if identification is not sufficient.
  11. All bidders are required to use the bidder number issued to them for all purposes associated with the auction. A bidder may not bid on behalf of a party who is on the prohibited bidder list.
  12. Bidder acknowledges receipt of the pamphlet entitled “Protecting Your Family From Lead in Your Home.” Bidder also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards, mold, asbestos or any other hazardous substances.
  13. The former owner of the property, or his agent, shall not be deemed to be the successful bidder on the property or purchase same at the public auction, unless the bid amount exceeds the amount of the purchase price to affect the release of County’s interest. If the former owner or his agent reacquires the property, all liens existing prior to the foreclosure, will be reinstated and the purchaser (former owner) must sign the deed to reinstate the liens.
  14. Purchaser shall provide information necessary to complete, and shall execute, the necessary forms and documents required for recording the deed in the Orleans County Clerk’s Office. The purchaser executing the auction terms and conditions of sale may not assign or otherwise transfer his right to complete the bid, unless the County agrees in writing. The deed prepared will be in the name of the successful bidder (and spouse) only. No third party bidding will be accepted, unless the bidder identifies that he is bidding as an agent for a disclosed principal.
  15. The auctioneer’s decision regarding any disputes is final, and the auctioneer reserves the right to reject any bid that is not an appreciable advancement over the proceeding bid.
  16. The Purchaser will execute an Offer to Purchase form immediately upon being declared the high bidder. The approval of each bid by Resolution of the County Legislature *will not constitute a Contract of Sale* and the County reserves the right to reject any bid prior to the closing of title and the recording of the deed.
  17. The Purchaser shall be responsible for the payment of an eleven percent (11%) buyer’s premium should buyer be paying by credit

card or a ten percent (10%) buyer's premium should the buyer be paying by cash or by bank check in addition to the accepted purchase price and the closing fees/costs. The "buyer's premium" is the fee/commission earned by the auctioneer. An additional one and one half percent (1.5%) of the purchase price will be added to each parcel for advertising expenses. Accepted purchase price is the amount bid by a perspective bidder, which has been approved by the Orleans County Legislature.

18. All required deposits must be paid in full for all successful bids immediately upon being declared the successful bidder. Any successful bidder, who fails to tender the deposit immediately upon being declared the successful bidder, will be forbidden to participate in this or any other auction. Any parcels which the County did not receive deposits for, as per these terms and conditions, will be considered to be defaulted, and resold and the bidder will be disqualified from further bidding.
19. 25% of the total contract price (total contract price is the combination of the high bid and the buyer's premium, as defined in section 17 of these terms and conditions), shall be paid as a down payment on the day of the auction upon execution of an Offer to Purchase Form. Total contract prices selling for \$250.00 or less must be paid in full at auction, including all closing costs which consist of the following will be paid with the down payment on the day of the auction for each parcel: (a) New York State Transfer Tax [\$4.00 for the first \$1,000; \$2.00 for each \$500 thereafter of the purchase/bid price]; (b) Filing Fee for the Real Property Transfer Report [\$125.00 if the parcels classification code is 100-199, 200-299 or 411-C; \$250.00 for all parcels otherwise classified]; (c) Filing Fee for combined Gains Transfer Tax Affidavit [\$5.00]; (d) all fees required by the Orleans County Clerk for recording of the deed [\$50.00 to record a one page deed; \$5.00 for each additional page] *Closing costs may be subjected to an increase in fees as required by law, without notice.* All deposits must be made in cash or guaranteed funds payable to the "Orleans County Treasurer" and drawn on banks insured by the Federal Deposit Insurance Corporation (FDIC). No exceptions.
20. All bids shall be subject to approval by the Orleans County Legislature, which shall have the right, in the Legislature's sole discretion, to reject any bid for any reason whatsoever.

21. All parcels for which you are the successful bidder for must be paid in full. No selective closings subsequent to the auction. Failure to remit full payment on all parcels for which you are the successful bidder will result in a default of all deposits tendered, and you will not be permitted to close on any other parcels for which you are the successful bidder.
22. The entire balance of the accepted purchase price, the buyer's premium, as defined in section 17 of these terms and conditions, and all closing costs/fees must be paid by cash or guaranteed funds payable to received by the Orleans County Treasurer's Office on or before July 31, 2014. The County is not required to send notice of acceptance to a purchaser. If the purchaser fails to pay the balance of the total contract price plus closing costs and fees as herein provided, the deposit shall be forfeited. The County reserves the right, in its sole discretion, to extend the time of payment upon such terms and conditions it deems appropriate.
23. If the successful bidder fails to tender such amount due by the close of business on July 31, 2014, then the County may, but is not obligated to offer any unsold property to the second highest bidder. All terms and conditions for the sale set forth herein above shall apply to the second highest bidder and/or any other purchaser.
24. All sales shall be final, absolute and without recourse, once title has closed and the deed has been recorded. In no event, shall Orleans County and/or Haroff Auction & Realty, Inc. and/or Absolute Auctions & Realty, Inc. be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, its heirs, success or assigns, against Orleans County and/or Haroff Auction & Realty, Inc. and/or Absolute Auctions & Realty, Inc. arising from this sale.
25. The County of Orleans will execute no warranties concerning the parcel or title thereto and will not deliver or be responsible for abstracts, title insurance, title searches, surveys, maps or other documents concerning a parcel whatsoever.
26. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the County acquired title or as corrected up to date of deed. The deed will be recorded by the County upon payment in full of the accepted purchase price, buyer's premium, and closing fees/costs. POSSESSION OF PROPERTY IS

FORBIDDEN UNTIL THE DEED IS RECORDED WITH THE ORLEANS COUNTY CLERK CONVEYING TITLE TO THE PURCHASER. TITLE VESTS AT THE RECORDING OF THE DEED. It is agreed between the County and the purchaser that delivery and acceptance of the deed occurs upon recording the deed.

27. A quitclaim deed issued as a result of the auction shall contain the following provisions: (a) “Nothing contained in any description herein is intended to convey more than the assessed owner owned at the time of the levy of the tax, the non-payment of which resulted in the tax sale. There is no representation as to the extent of the acreage conveyed herein;” (b) Orleans County shall in no event be or become liable for any defect in the title so conveyed for any cause whatsoever, or for any encroachments or disputed boundaries; and that no claim or demand of any nature shall ever be made against said Orleans County arising from such sale or conveyance or any proceedings leading thereto.
28. Evictions, if necessary, are solely the responsibility of the successful purchaser after closing and recording of the deed.

## **RESOLUTION NO. 134-414**

### **SUPPORT OF STATEWIDE INDIGENT DEFENSE LEGAL SYSTEM AND SETTLEMENT OF HURRELL-HARRING ET AL. V. STATE OF NEW YORK**

WHEREAS, in 1963 the United States Supreme court held in *Gideon v. Wainwright* that the right to counsel for one charged with crime is fundamental and that states need to supply lawyers for those unable to afford them; and

WHEREAS, in 1965 the State of New York delegated this state responsibility to counties; and

WHEREAS, the decision to entrench responsibility at the county level in the State of New York has resulted in the inefficient and inconsistent patchwork of services provided at the county level; and

WHEREAS, implementation of the Constitutional right to counsel under *Gideon* is a state, not county, obligation; and

WHEREAS, public defense services are inadequately financed by the State of New York; and

WHEREAS, in 2006 the Kaye Commission on the Future of Indigent Defense Services declared the New York State System of County-Delivered Indigent Services in crisis and urged the expeditious establishment of an Independent Public Defense Commission overseeing a state-funded, statewide defender system; and

WHEREAS, the State of New York is now a defendant in *Hurrell-Harring, et. al. v. State of New York*, a systemic lawsuit similar to many that have been successful across the country seeking to transform the indigent defense system into a statewide defender system; and

WHEREAS, Governor Cuomo is in a position to be a powerful, persuasive, and moving voice for the creation of a statewide defender system; and

WHEREAS, Governor Cuomo can fix the public defense system, incrementally develop a state funded model for the nation, design a cost-effective way to finance that system over time, and relieve counties of a responsibility originally delegated to them in 1965, which is presently costing New York State counties \$350 million per year; now, therefore be it

RESOLVED, that the Orleans County Legislature supports the transformation of the current county provided indigent defense system into a New York statewide defender system and calls upon the State of New York and Governor Cuomo settle the pending litigation of Hurrell-Harring, et.al. v. State of New York; and be it

FURTHER RESOLVED, that this resolution be forwarded to Governor Andrew Cuomo, Senator George Maziarz, Assembly member Stephen Hawley, Assembly member Jane Corwin, New York State Defenders' Association, New York State Office of Indigent Legal Services, New York State Association of Counties, InterCounty Association of Western New York, Orleans County Towns and Villages, and all other deemed proper and necessary.

Adopted. 6 ayes; 0 nays; 1 absent, Callard.

Legislator DeRoller moved to approve and adopt the Orleans County Bar Association Assigned Counsel Plan as he outlined and stated that this will move this process in the right direction; seconded by Legislator Miller. Legislator Allport noted that the Orleans County Bar Association did a great job in putting this plan together. Legislator Johnson stated that this will be monitored for the cost of accountability of these services, which is greatly needed. The following resolution was adopted:

#### **RESOLUTION NO. 135-414**

**APPROVING AND ADOPTING ORLEANS COUNTY BAR ASSOCIATION ASSIGNED COUNSEL PLAN PURSUANT TO COUNTY LAW SECTION 722(3)(a)**

WHEREAS, the County has a Public Defender's Office and a long-standing plan pursuant to County Law section 722(3) to provide for

assignment of private counsel when the Public Defender's Office does not represent indigent litigants; and

WHEREAS, the Orleans County Bar Association has adopted an updated plan pursuant to County Law section 722(3)(a) that requires approval and adoption by this Legislature; now, therefore be it

RESOLVED, that this Legislature does hereby approve, adopt, and implement the Orleans County Bar Association Rotational Assigned Counsel Plan adopted by the Bar Association on December 10, 2013.

## ORLEANS COUNTY ASSIGNED COUNSEL PLAN PURSUANT TO COUNTY LAW § 722 (3) (a)

### ARTICLE I: PURPOSE AND OBJECTIVES

The purpose of the Orleans County Bar Association Assigned Counsel Plan (hereinafter the Plan) is to provide for the delivery of quality legal services to eligible indigent persons for whom County Law Section 722 affords a statutory right to assigned counsel. The Orleans County Legislature has provided a Public Defender as counsel for all persons charged with crimes as defined by County Law Section 722-a. The Legislature has also contracted with a private legal aid bureau to provide some services pursuant to County Law Section 722 (2). This Plan is to provide counsel when those providers, or any other entities subsequently authorized, cannot serve as counsel. It is also agreed that the terms of this Plan will apply in any other situation not specified in County Law Section 722 for which a court uses the Plan to assign counsel.

The objectives of the Plan are:

- A. To provide a coordinated and centralized assignment system for conflict assignments and for those eligible persons for whom the Orleans County Public Defender does not provide representation; and
- B. To provide an efficient and timely means by which courts can

- find attorneys for eligible persons; and
- C. To provide an equitable distribution of assignments among attorneys who are members or associate members of the Orleans County Bar Association, giving priority to those attorneys who reside or have an office for the practice of law in the County; and
- D. To ensure lawyers are competent to handle those cases to which they are assigned; and
- E. To maintain uniform and proper billing practices; and
- F. To monitor cost accountability of services.

## ARTICLE II: DEFINITIONS

- A. Bar: The word "Bar" in the Plan refers to the Orleans County Bar Association.
- B. County: The word "County" in the Plan refers to the County of Orleans.
- C. Eligible: The word "eligible" in the Plan means those clients who meet financial eligibility guidelines established by the Assigned Counsel Advisory Committee for whom this Plan will be used to provide counsel.
- D. Conflict Assignment: The term "conflict assignment" in the Plan means a legal proceeding wherein the client is eligible for representation by the Orleans County Public Defender but where a conflict of interest precludes that representation by the Public Defender.
- E. Administrator: The word "Administrator" and term "Assigned Counsel Administrator" in the Plan mean the attorney chosen by the Bar to administer the Plan.
- F. Committee: The word "Committee" in the Plan refers to the Bar's standing Assigned Counsel Advisory Committee.

## ARTICLE III: DURATION OF THE PLAN

Subject to annual legislative appropriations, the Plan shall remain in full force and effect for a period of three years unless terminated by either the Bar or the County. The Bar or the County may terminate the Plan at any time upon one hundred eighty (180) days written notice to the other. Until the expiration of said notice, the County has an obligation to pay the Assigned Counsel Administrator as provided in the Plan.

The Bar and the County shall enter into a written agreement annually which specifies the amount of compensation which the County shall provide the Bar or the Assigned Counsel Administrator chosen by the Bar for services under the Plan.

In the event of Plan termination, the assignment of counsel will revert to the method or methods required by applicable law at the time of termination.

Upon notice of termination provided by either the Bar or the County, the Assigned Counsel Administrator shall notify all judges and justices of the impending program termination.

The Plan may be amended only upon agreement of both the Bar and the County and with any required approval of the state administrator.

#### ARTICLE IV: BAR ASSOCIATION DUTIES

The Orleans County Bar Association shall ensure that effective assistance of counsel is available at statutory rates of compensation to all eligible indigent persons who are assigned counsel pursuant to the Plan. To that end, the Bar will establish criteria to be used by the Administrator in determining an attorney's qualification to accept cases of a particular type. The Bar shall maintain a standing Assigned Counsel Committee to implement and assist in the use of the Plan. That Committee will make recommendations to the Bar concerning the criteria for attorney qualification under the plan. That Committee will make a recommendation to modify the criteria if it concludes that the attorney eligibility criteria should be modified. The Committee will prepare the application for attorneys to use when either seeking panel membership or a change in panel membership. The Committee can identify verification which must be submitted with the application if the Committee deems verification necessary either upon adoption of the Plan or at any time thereafter.

The County shall annually enter into a written agreement with an attorney to administer the Plan. That attorney will be known as the Assigned Counsel Administrator. The Bar's Assigned Counsel Committee will recommend to the County an attorney to be the Assigned Counsel Administrator, subject to approval by the voting members of the Orleans

County Bar Association. Preference will be given to an attorney who resides or has an office for the practice of law in the County whenever possible.

The Committee will respond to requests from the Assigned Counsel Administrator for information, recommendations or assistance. If a program violation is alleged and a fair hearing necessary, the Committee will conduct said hearing and render a decision.

Any notice or request of the Committee may be sent to the President of the Bar or to the chairperson of the Committee.

#### ARTICLE V: DUTIES OF THE ASSIGNED COUNSEL ADMINISTRATOR

The Assigned Counsel Administrator will work effectively and harmoniously with judges, justices, court administrators, attorneys, county officials and eligible persons. The Administrator may not accept assignments from the Plan. If any conflict of interest prevents the Administrator from assigning counsel in a particular case, a member of the Assigned Counsel Committee for whom there is no conflict of interest will make the assignment even if that Committee member accepts assignments from the Plan.

The Assigned Counsel Administrator will ensure compliance with all regulations, standards and criteria established by the Office of Indigent Legal Services pursuant to its responsibilities under the Executive Law with the assistance of the Bar or the Committee when appropriate. The Administrator will review all applications from attorneys to determine the panel or panels for which the attorney is qualified. The Administrator will compile and circulate to all judges and justices and to the Assigned Counsel Committee a list of attorneys qualified to accept a particular type of case. The Administrator will modify that list when any new application from a qualified attorney is received. The Administrator will make a determination about an attorney's qualifications for another panel upon a subsequent application by that attorney. Any issue concerning an attorney's qualification for a particular panel may be resolved by the Committee at the request of the attorney or the Administrator. The Administrator may recommend to the Committee that all attorneys in a particular panel be required to submit a new application. The Committee will decide whether such re-application is appropriate.

The Assigned Counsel Administrator shall be responsible for ensuring that effective counsel is promptly assigned in accordance with the provisions of the Plan to all eligible persons who require legal representation. The Assigned Counsel Administrator shall also ensure that all participating attorneys comply with the terms of the Plan. The Assigned Counsel Administrator shall maintain records of all assignments and report both in writing and in person as requested by the County or the Bar. The Administrator will prepare any report required to be filed with the Unified Court System concerning the Assigned Counsel Plan. The Assigned Counsel Administrator may hire any staff deemed necessary by the Administrator using the funds appropriated for the Plan. The Administrator may perform any other function or duty necessary to accomplish the objectives of the Plan and to comply with any applicable law, rule or regulation.

The Assigned Counsel Administrator will make determinations about the financial eligibility of a person seeking assigned counsel under this Plan. The Administrator will assign counsel even while eligibility is being finally determined or verified. The attorney assigned will be responsible for having the client complete any necessary financial eligibility form as soon as possible. The Administrator will make the determination of eligibility, not the assigned attorney. A trial court has the ultimate responsibility to determine eligibility if not clearly within established guidelines as promulgated by the Committee. The Appellate Court will determine financial eligibility for any person seeking assigned counsel on appeal.

The Administrator may recommend to a court that counsel be assigned pursuant to County Law 722-d. The court will determine whether to assign pursuant to County Law 722-d. If a client becomes financially able to retain counsel or make partial payment for representation or other services, either the Administrator or the assigned counsel may so notify the court. The Court may terminate the assignment or after notice to the client assign pursuant to County Law 722-d.

If counsel is assigned pursuant to County Law 722-d, the Administrator shall ensure that counsel has prepared a voucher about time expended and expenses incurred and submitted that voucher to the client. Counsel must submit an affirmation concerning service upon the client. The client shall

have ten business days to submit a response to the Administrator, which may include any mitigating factors or other relevant information for the court to consider in deciding the amount to be fixed for representation, before the voucher is submitted by the Administrator to the court. The repeated failure by counsel assigned pursuant to County Law 722-d to submit a voucher to a client or clients may be considered a financial impropriety under this Plan.

## ARTICLE VI: DUTIES OF PANEL ASSIGNMENT ATTORNEYS

An attorney willing to accept assignments under the Plan shall submit an application on a designated form to the Administrator. After reviewing that form, the Administrator will determine the attorney's eligibility to accept assignments and qualification to accept a particular type of assignment using the criteria adopted by the Bar.

To be eligible, an attorney accepting assignments under this Plan must be registered with the Office of Court Administration. Such attorney must have paid the biennial attorney registration fee. Such attorney must have complied with the continuing education requirements imposed at the time of last registration renewal. At any time the Administrator may request proof that an attorney has completed the required continuing education credits and/or that the attorney is not delinquent in paying the attorney registration fee.

An attorney shall advise a court if offered an assignment which that attorney has not been qualified by the Administrator to accept. If a court assigns the attorney despite being so advised, the attorney will be compensated and the Administrator will consider that assignment in the rotation of cases.

An attorney who has rejected all offered assignments for a particular panel for a reason other than an unmanageable caseload, illness or conflicts of interest for nine months may be removed from that panel at the Administrator's sole discretion. A new application will be required if removed from a panel for this reason. A subsequent removal of that attorney from that or another panel for the same reason will require approval by the Committee to reapply.

No attorney assigned to a client may accept payment for that matter other than pursuant to the Plan. No attorney assigned to a client may accept

payment or enter into an agreement to accept payment in the future on any other matter concerning that client until the assigned matter has been completely resolved and the voucher has been submitted.

An attorney who reasonably believes that investigative, expert or other auxiliary services are necessary, and the client is financially unable to obtain such services, may apply to the court ex parte for authorization to obtain such services pursuant to County Law Section 722-c.

An attorney shall advise the client about his or her appellate rights as required of defense counsel and counsel in Family and Surrogate's Courts. (See 22 NYCRR 1022.11; 22 NYCRR 1022.11a.) The attorney shall file any necessary notice of appeal and provide the client with papers necessary to seek poor person status and assigned counsel on appeal or make such motion if required. (See 22 NYCRR 1022.11a [4])

## ARTICLE VII: PROCEDURE FOR ASSIGNMENT OF COUNSEL

Upon a request for assigned counsel by a judge or justice or when notified of a conflict assignment, the Administrator will, as soon as possible, provide the name of an attorney to the judge or justice in accordance with the procedures in the Plan. The Administrator will rotate the assignment of counsel among attorneys qualified for a particular type of case, giving preference to attorneys residing or having an office to practice law in the County whenever feasible and practicable. Additionally, the Administrator may consider the following factors in the systematic rotation of attorneys: cases currently open for that client; prior representation of the client by an attorney; potential conflicts of interest; the number of assignments already made to an attorney for whom vouchers have not yet been submitted; and any geographic preference of the attorney. The Administrator should manage files to avoid excessive assigned caseloads, refusing to assign further cases when the attorney has reached any maximum number of assigned cases for which vouchers have not yet been submitted which has been set by the Committee.

The Administrator will keep a record of each attempted assignment and assignment accepted by an attorney, including the name of the client, the charge against the client or type of case and the court and judge or justice for whom the attorney was assigned. Assignment of the attorney will be continuous from assignment until conclusion of the case, including

subsequent to indictment or waiver of indictment.

In an emergency situation, a court may assign an attorney qualified through this Plan to accept that assignment. The Administrator will provide courts with updated lists of those attorneys qualified to accept assignments. Any court making such an assignment should timely notify the Administrator that an assignment has been made. The assigned attorney will also notify the Administrator about any assignment made by anyone other than the Administrator. The Administrator will consider this assignment in the rotation of cases.

#### ARTICLE VIII: PAYMENT OF ASSIGNED COUNSEL

The attorney assigned will submit an accurate County voucher with an itemized listing of time reasonably spent and expenses reasonably incurred to the Administrator within ninety (90) days of the last action on a case unless good cause. The Administrator will review all vouchers for both math errors and the appropriateness or irregularity of any time or expense. The Administrator may request additional information concerning time spent or an expense incurred within thirty (30) days of receiving the voucher for payment. The Administrator will make timely recommendations to the courts concerning approval of any voucher. If the Administrator makes any changes other than to correct for math errors or makes a recommendation not to approve the voucher exactly as submitted, the Administrator will give the attorney an opportunity to submit a response in writing before forwarding the voucher, the Administrator's recommendation and any such response to the court. The Administrator may at his or her discretion contact the attorney to resolve any problems prior to making a recommendation. All vouchers will be returned to the Administrator by the courts after approval.

Assigned counsel will be paid at rates established in Article 18B of the County Law at the time services were provided. A voucher may be submitted when it is reasonably anticipated that there will be a period of time without meaningful legal activity on the case.

The Committee may recommend to the Bar whether a particular expense should be considered appropriate or not appropriate for reimbursement. The Bar may adopt rules concerning those expenses which will be reimbursed and the manner for proving such an expense. Any such rule

will apply only prospectively. The Administrator will immediately provide all members of every panel and the courts with a written copy of any rule adopted by the Bar.

#### ARTICLE IX: COMPLAINT PROCEDURE; SUSPENSION OR REMOVAL OF ATTORNEYS FROM PANEL MEMBERSHIP

Any complaint received by the Administrator from an attorney's current client will be immediately transmitted to the judge or justice before whom that matter is pending. A copy of anything transmitted to a court will be immediately transmitted to the attorney. A complaint by a former client or another attorney will not be submitted to the court until after a determination of merit. A judge or justice may make a complaint to the Administrator. The Administrator or a judge or justice may refer any complaint to the Committee for its consideration. A copy of any complaint received will be immediately transmitted to the attorney. The Committee may make a recommendation to the Administrator for further action under the Plan. The Administrator shall maintain a record of all complaints concerning an attorney. The Committee shall have the authority to purge any meritless complaint from the Administrator's records at the request of an attorney, the Administrator, judge or justice.

The Administrator may suspend any attorney from a panel for a period not exceeding six months for failure to comply with the Plan or for just cause, either before or after discussing a concern with an attorney. Just cause includes, but is not limited to, failure to adequately represent a client; failure to comply with appropriate professional standards; and repeated billing improprieties. The Administrator must notify the attorney immediately in writing about such suspension. The attorney may request review by the Committee within thirty (30) days after the date of mailing of the notice. The Committee will act within thirty (30) days of the request for review and will consider any information or statement submitted by the attorney or the Administrator but will not conduct a hearing. The attorney must reapply at the end of the suspension regardless of whether there has been a review of the suspension. The Committee will determine whether to reinstate the attorney to a particular panel at the end of the suspension within thirty (30) days of the Administrator receiving the application. The Committee may impose reasonable conditions upon the attorney for reinstatement. The Committee may hold an application in abeyance and may schedule a hearing to decide whether to remove an

attorney from the panel.

The Administrator may recommend to the Committee that an attorney who is being suspended be removed from a panel. The notice of such recommendation will be immediately transmitted to the attorney. The Committee will conduct a hearing, if requested by the attorney within thirty (30) days of mailing of the notice of the recommendation for removal. The hearing shall be held within sixty (60) days of receipt of the request for such a hearing.

The Committee may reinstate an attorney upon a new application submitted to the Administrator at least eighteen (18) months after removal from a panel. The Committee may request additional information from the attorney, the Administrator or any other person, including judges or justices. No hearing will be held prior to determination about reinstatement unless requested by the Committee. The Committee's decision to reinstate will be final. No subsequent application for that panel will be considered for at least two (2) years.

#### **ARTICLE X: EFFECTIVE DATE**

The terms of this plan shall go into effect after approval by the Bar, the County Legislature and the state administrator and after the hiring of an Administrator.

Orleans County Attorney David Schubel also commented that Judge Punch should also be recognized for his participation in this plan.

Legislator DeRoller moved to adopt Local Law No. 2 of 2014 which is to authorize the use of Best Value for awarding purchase contracts; second by Legislator Miller. Legislator DeRoller and Johnson noted that both the County Attorney and the Chief Administrative Officer have done a very good job in getting this adopted for Orleans County. The following resolution was adopted:

#### **RESOLUTION NO. 136-414**

**ADOPTING LOCAL LAW NO. 2 OF 2014, ENTITLED A LOCAL LAW AUTHORIZING THE USE OF BEST VALUE FOR AWARDING PURCHASE CONTRACTS**

WHEREAS, Local Law No. 2-Intro of the year 2014 was introduced at a regular meeting of the Orleans County Legislature held on March 12, 2014 and a Public Hearing was held on March 26, 2014, at which time all interested persons wishing to speak were heard; now be it

RESOLVED, that this Legislature enacts the following Local Law No. 2 of 2014:

COUNTY OF ORLEANS  
LOCAL LAW NO. 2 OF 2014

A LOCAL LAW AUTHORIZING THE USE OF BEST VALUE FOR  
AWARDING PURCHASE CONTRACTS

Section 1. Legislative History.

A. Section 103 of New York State General Municipal Law has been amended to allow municipalities the option of utilizing a “best value” standard in purchase contracts in lieu of the “lowest responsible bidder” standard when it is deemed in the best interest of the municipality, due to factors such as cost of maintenance, durability, higher quality, and longer product life. In order to utilize the “best value” standard for purchase contracts, municipalities must adopt a local law authorizing use of this alternative purchasing standard.

B. A new subdivision 16 was added to General Municipal Law section 103, and subsequently amended, to allow municipalities to purchase apparatus, materials, equipment and supplies, and to contract for services related to the installation, maintenance or repair of those items, through the use of contracts let by the United States or any agency thereof, any state or any other political subdivision therein, either to the lowest bidder or on the basis of best value in a manner consistent with General Municipal Law section 103. The contracts must be made available for use by other governmental entities.

Section 2. Authorization.

A. The County of Orleans is hereby authorized to award purchase contracts on the basis of best value in the manner provided by Section 103 of New York State General Municipal Law.

B. It shall be the responsibility of the Orleans County Chief Administrative Officer to review each proposed non-New York procurement to determine, on advice of the Orleans County Attorney as appropriate, whether the proposed procurement has been let to the lowest responsible bidder or on the basis of best value in a manner consistent with General Municipal Law section 103.

Section 3. Effective Date.

This local law shall take effect upon filing with the Secretary of State pursuant to Section 27 of the Municipal Home Rule Law.

Moved, DeRoller; second, Miller.

Legislator Johnson moved a resolution calling on the Governor and State Legislature to enact legislation to help county jails manage mental health services for incarcerated individuals; second by Legislator Allport. Legislator Johnson called upon Mark O'Brien, Director of Orleans County Mental Health, for an explanation. He indicated that there are funding opportunities from the state right now that they are looking into that would make two year funding available. Right now the safety net is terrible and they only get first and only one time services in the Jail. He has spoken with Jail Superintendent Wilson, Sheriff Hess, DSS Commissioner Kuryla, and Probation Director Welch to get an internal coalition together so when the next time the funding comes around, they will be prepared to increase the services that are available and do some better planning around that. Director O'Brien indicated that he fully supports the Board in adopting this resolution. Chairman Callard asked the timing on the next round of funding. Director O'Brien stated that a time has not been indicated but they did say that in the meantime a discussion can be had with OMH (Office of Mental Health) about tactical assistance and to better prepare themselves for the possibilities. Director O'Brien indicated that they are starting this process now. Chairman Callard asked that this resolution also be sent on to Intercounty of Western New York. Legislator Johnson asked Jail Superintendent Wilson how many in our jail are found

to be incompetent. Superintendent Wilson indicated that he does not have that number but he stated that the ones that are found incompetent go out to Marcy, which is out east, for evaluation and once found competent they come back. We incur a cost for that, stated our Superintendent. The following resolution was adopted:

**RESOLUTION NO. 145-414**

**CALLING ON THE GOVERNOR AND THE STATE LEGISLATURE TO ENACT LEGISLATION TO HELP COUNTY JAILS MANAGE THE INCREASING COSTS OF MENTAL HEALTH SERVICES FOR INCARCERATED INDIVIDUALS**

WHEREAS, counties incur substantial costs to construct and maintain jail facilities in accordance with standards set by the New York State Commission of Correction; and

WHEREAS, as part of the responsibility to maintain and manage jails, counties are mandated to pay for medical expenses of all individuals incarcerated in their jail; and

WHEREAS, individuals arrested for a crime who are found incompetent to understand the charges against them must be restored to competency before they can stand trial, receiving treatment in either in a facility run by the New York State Office of Mental Health (OMH) or Office of People With Developmental Disabilities (OPWDD); and

WHEREAS, placement in a state facility during this "competency restoration" period requires counties to cover 50 percent of the treatment costs, which in some instances can carry on indefinitely depending on the diagnosis of the individual and cause significant fiscal strain for the county; and

WHEREAS, the Governor's plan to close many state mental health facilities, included in the Regional Centers of Excellence Plan, may have the adverse effect of increasing pressures on local mental health support systems, resulting in more placements for longer periods of time to state OMH facilities, thereby increasing costs to county tax payers; now, therefore be it

RESOLVED, the Orleans County Legislature calls upon Governor Andrew M. Cuomo and the New York State Legislature to provide counties with financial support for inmate mental health costs by placing a cap on county liabilities in these circumstances and limiting county fiscal support to no more than the first 30 days; and be it

FURTHER RESOLVED, in order to offset the state and local costs of providing health care coverage of inpatient hospital services provided outside of local jails and state prisons, a concerted effort of the State and local governments must be made to improve the number of Medicaid eligible inmates who are enrolled in the program; and be it

FURTHER RESOLVED, the Orleans County Legislature urges Governor Andrew M. Cuomo and the New York State Commission of Correction, with support from the New York State Legislature, to continue to work with counties to identify ways to more efficiently and cost-effectively provide inmates in county jails with access to affordable medical care and mental health treatment; and be it

FURTHER RESOLVED, copies of this resolution be sent to the sixty-two counties of New York State encouraging member counties to enact similar resolutions; and be it

FURTHER RESOLVED, that the Clerk shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, Assemblywoman Jane Corwin, the Chairman of the New York State Commission of Correction, NYSAC, Intercounty association and all others deemed necessary and proper.

- (b) by the expenditure of \$800,000 monies received or to be received from grants-in-aid and other available funds,

- which monies are hereby appropriated therefore; and
- (c) by the issuance of the \$670,000 bonds of said County herein authorized.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid specific object or purpose is ten years, pursuant to subdivision 25 of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. The faith and credit of said County of Orleans, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County, a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 5. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the County Treasurer, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said County Treasurer, consistent with the provisions of the Local Finance Law.

Section 6. All other matters except as provided herein relating to the serial bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue serial bonds with substantially level or declining annual debt service, shall be determined by the County Treasurer, the chief fiscal officer of such County. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the County Treasurer shall determine consistent with the provisions of the Local Finance Law.

Section 7. The validity of such bonds and bond anticipation notes may

be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 9. This resolution, which takes effect immediately, shall be published in summary form in The Medina Journal and The Daily News, the official newspapers of such County, together with a notice of the Clerk of the County Legislature in substantially the form provided in Section 81.00 of the Local Finance Law.

## **RESOLUTION NO. 159-414**

### **APPROVING AGREEMENTS BETWEEN HIGHWAY DEPARTMENT AND VARIOUS AGENCIES CONCERNING THE WATERPORT BRIDGE OVER OAK ORCHARD CREEK IN THE TOWN OF CARLTON**

RESOLVED, that this Legislature approves a supplemental agreement #1, contract #D033788 with the Orleans County Highway Department and NYS DOT, 1530 Jefferson Road, Rochester, NY 14623-3161. This supplemental agreement amends the original resolution #99-312 to add additional funding for the Waterport Road Bridge over Oak Orchard Creek Preventive Maintenance – PIN 475529; BIN: 1044370. Phase includes Design, Right of Way Incidentals and Construction; and be it

FURTHER RESOLVED, the Chairman of the Legislature is authorized to sign, subject to the review and approval of the County Attorney and the Chief Administrative Officer, the Supplemental #1 agreement for Waterport Road Bridge over Oak Orchard Creek Preventative Maintenance. Total cost of \$1,927,000, Reimbursement of \$1,787,250 and County cost of \$139,750; agreement effective through February 23, 2021; and be it

FURTHER RESOLVED, that this Legislature does hereby approve an agreement with the Highway Department and Labella Associates, P.C., 300 State St., Ste 201, Rochester, NY 14614 to perform construction inspection and oversight services for the Route 279 Waterport Bridge over Oak Orchard Creek in the Town of Carlton to be paid through NYS DOT contract #D033788, with such agreement subject to review and approval of the County Attorney and Chief Administrative Officer; and be it

FURTHER RESOLVED, this Legislature accepts the low bid submitted by Keeler Construction and authorizes the Chairman to execute an agreement with Keeler Construction, 13519 West Lee Road, Albion, NY 14411 for the preventative maintenance of the Waterport Bridge at the bid cost of \$1,512,766 to be paid through NYS DOT contract #D033788, with such agreement subject to review and approval of the County Attorney and Chief Administrative Officer.

Moved, Eick; second, Miller.

Adopted. 6 ayes; 0 nays; 1 absent, DeRoller.

CAO Nesbitt indicated that the above bid came in under the estimated cost for construction.

Chairman Callard opened the floor for remarks from the Legislators, CAO and the public. He invited CAO Nesbitt to share a remark regarding the STAMP project. CAO Nesbitt shared that in 1998 when he started with Empire State Development, in the economic development field, one of the first things that he was sent to was a meeting in Saratoga called Chip Path 98. This predated the GlobalFoundries investment in Saratoga County which has now exceeded a billion dollars in factors. A firm out of Abu Dhabi has spoken of placing 10 billion dollars of investment into the GlobalFoundries sight in Saratoga County. Currently there are 2,200 jobs there at earnings of \$87,000 a piece. They are going to put another 1,000 jobs at earnings of \$100,000 a piece in their R&D operations there. This is what we are looking at coming our way. CAO Nesbitt stated that he has spent enough time in economic development to express that you don't see people from the Buffalo Niagara and Greater Rochester Enterprises in the same room together pitching the same project, EVER. This is not the average run of the mill project, this is something very special, CAO Nesbitt stated he can't emphasize this enough. You won't see this in 45 other states. Chairman Callard asked if there is a story about sales tax in Saratoga County. CAO Nesbitt stated that there is a running joke at their Administrator and Managers Association is that when Saratoga County Administrator shows up, that his whole job is to county sales tax. Treasurer Heard stated that is the same for their Treasurer.

Legislator Eick stated that this is the first time of hearing of this proposal and presentation and he feels it is very exciting. Maybe we will not see it happen in our time but for the younger generation it will be great. Chairman Callard stated that they hope someone will want to invest in this project and they will break ground within the year.

Legislator DeFilipps stated that he attended a meeting in the Village of Holley along with representatives from Congressman Collins, Senator Maziarz and Assemblyman Hawleys Offices to discuss getting eight houses that were owned by the EPA back onto the tax rolls. Chairman Callard stated that it is good that they are bringing closure to this issue.

Ken Schaal, Shelby, commented that the STAMP project is a good project. He stated that it only shows that the Gensee County Legislature has faith in economic development by supporting and funding it accordingly. He feels that Orleans County should take some lessons from that. Our Economic Development agency should be given more support like Genesee County has done. Chairman Callard stated he agrees with Mr. Schaal. He stated that since he has become chairman, Orleans County has tripled their support for our IDA but it is not enough. We will continue to do what we can to help them. We do indeed look for economic growth and development in our County.

Legislator Allport moved to adjourn; second by Legislator Eick. Meeting adjourned at 5:23 p.m.

## LEGISLATURE MEETING

May 14, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator DeRoller, the Deputy Clerk called the roll. All Legislators were present.

The Deputy Clerk presented the following communications: Annual Financial Report Update Document for the County of Orleans for the Fiscal Year ending December 31, 2013 has been filed by the Orleans County Treasurer.

Town/Village resolutions that have been received from April 23<sup>rd</sup>-current date:

### Orleans County Town/Village Resolution Submissions

Town/Village	Resolution Title
	Urging Structural Reform of the State Dedicated
Shelby	Highway and Bridge Trust Fund
Shelby	Reject Cuomo's Plan to Reward Prison Inmates by providing them College Education
Shelby	Growing Concern of Limited Access on Canal Bridges
	Reject Cuomo's Plan to Reward Prison Inmates by providing them College Education
Ridgeway	Urging Structural Reform of the State Dedicated
Kendall	Highway and Bridge Trust Fund
Murray	Growing Concern of Limited Access on Canal Bridges
	Urging Structural Reform of the State Dedicated
Barre	Highway and Bridge Trust Fund

Thirteen additional letters from various Orleans County residents have been received in our office regarding their major concerns with the Lake Ontario State Parkway Bridge and Road Maintenance. These letters have also been forwarded to Senator Maziarz and Assemblyman Hawley. [Total Letter Received: 66. (Carlton -48; Kendall - 12; Albion - 3; Medina - 2; Lyndonville - 1)]

Chairman Callard called for open discussion as it related to the resolutions. Legislator Johnson stated that Chairman Callard alluded to the Supreme Court upholding prayer at government meetings. She said that we should thank the Town of Greece for the fight in getting a 5-4

ruling. She wanted to recite the quote from the Justice who presided in this case who said “as a practice that has long endured Legislative prayer has become part of our heritage and tradition, part of our expressive idiom, similar to the pledge of allegiance, inaugural prayer; or the recitation of God Save the United States in this Honorable Court as the opening of tonight’s court session”, which Legislator Johnson thought was very interesting.

Legislator Johnson expressed that the Public Safety Committee announced that in 1962 President John F. Kennedy designated May 15<sup>th</sup> of each year as Peace Officers Memorial Day to honor federal, state and municipal officers who have died in the line of duty. President Kennedy also designated the week in which Peace Officers Memorial Day falls as National Police Week being commemorated May 11<sup>th</sup>-17<sup>th</sup> in 2014 in recognition of the crucial services provided by law enforcement personnel to celebrate their brave efforts. Since the establishment of the Orleans County Sheriff’s Office, an officer did die in the line of duty. Deputy Sheriff Whittier died on Friday, September 8, 1989 in a vehicular assault accident. Additional research in the New York State database indicated that there were 1500 officers and 2 canines that have been involved in a line of duty death. Legislator Johnson wanted to recognize this great lost this evening.

The following resolutions were presented for adoption:

Legislator DeRoller moved to approve an agreement with IC Solutions for commissary services at the Jail. Mr. DeRoller introduced Brad Coens, Regional Account Manager with IC Solutions, part of the Keefe group. Mr. Coens stated that Keefe has been providing commissary services to Jails since 1975. He grew up in Fairport, NY and services five states, including New York an area he grew up in. He also works with Erie and Onondaga counties. Commissions have increased significantly, giving Orleans County \$40,000 signing bonus which Mr. Coen presented today. He also stated that they have also lowered the rates for the inmates. Legislator Johnson seconded the motion. The following resolution was adopted.

#### **RESOLUTION NO. 166-514**

With there being no old business, Chairman Callard called for open discussion. Ken Schaal thanked the Legislators for attending the Department of Environmental Conservation (DEC) Public Hearing in the Town of Shelby for the quarry issue. It is going to be a very pretentious issue. This could have an impact on the STAMP project. On behalf of the people, he thanked them for staying involved to know what is going on. Chairman Callard asked how long it will be until this issue is resolved. Mr. Schaal indicated that the DEC has extended the comment prior to June 9<sup>th</sup> but beyond that he does not know.

Allen Lofthouse, Kendall, stated that they had an article in the Daily News concerning the employment picture for the GLOW region with very little information for Orleans County. He said that Mr. Nesbitt spoke about Saratoga County counting their sales tax during the STAMP presentation but Saratoga County is not listed with the counties with the lowest unemployment rate. He wanted to know the reasoning for that. Mr. Nesbitt indicated that Saratoga is a large tourist region. Mr. Nesbitt stated that he complied with the Legislators request to share the information regarding Saratoga County. Mr. Lofthouse stated that Orleans County has the highest tax rate and is not doing so well at this point.

Legislator Eick moved to enter into executive session at 4:45 per Open Meetings Law §105 (f) to discuss a personnel matter; second by Legislator Miller. Motion Carried.

Legislator Allport moved to exit out of executive session and reconvene the regular meeting at 5:12 p.m.; second by Legislator DeRoller. Motion Carried.

With there being no further business conducted Legislator Miller moved to adjourn; second by Legislator DeFilippis. Meeting adjourned at 5:14 p.m.

Legislator Johnson and Paul Wagner, Director of Emergency Management presented awards for EMS and First Responders training. Director

Wagner indicated that Emergency Management Office (EMO) sponsors state fire training and emergency medical service (EMS) training for the first responders in Orleans County. EMO tabulates the training hours by individuals and by departments. The county is getting great value out of their volunteers expressed Director Wagner. He presented Legislator Johnson with the wall plaques that hang in the Legislature Office indicating that Shelby Fire Company was named with the most department training hours with 1,163 hours of fire training by members of the Shelby Fire Department. Lyndonville Fire Department was awarded with 750 training hours by their volunteers. Director Wagner indicated that there were about 7,000 man hours in collective training.

Director Wagner presented an award to Gary Sicurella, of the Fancher, Hulberton, and Murray Fire Department for 217 fire hours of training. Tracey Sicurella was awarded recognition for the most EMS training hours collecting 192 hours. A plaque also hangs at the Emergency Management Office for the most combined hours for both fire and or EMS training. Gary had 222 hours of combined training but Tracey beat him out with 229 hours of combined training. Her name will be placed on that plaque. They were commended for their volunteerism and dedicated training hours.

Chairman Callard called for open discussion as it related to the resolutions. Allen Lofthouse, Kendall, inquired of Resolution No.'s 196, 197, and 198 because he said he is always cautious with Homeland Security grants because he is sure strings are attached to the grants. He asked what Interoperable Communications means? Director Wagner indicated that our interoperable communications was turned on today with our new radio system. It allows for the capability for all agencies across the county, and surrounding counties, to seamlessly communicate with each other. This also includes the Federal response people should there be a large disaster to occur.

Legislator Eick moved to add one resolution to the agenda; second by Legislator Allport. Motion carried. The following resolutions were presented for adoption:

Two additional letters from Kent residents have been received in our office regarding their major concerns with the Lake Ontario State Parkway Bridge and Road Maintenance. These letters have been forwarded to Senator Maziarz and Assemblyman Hawley. [Total Letter Received: 68. (Carlton –50; Kendall – 12; Albion – 3; Medina – 2; Lyndonville - 1)]

On behalf of the Employee Assistance Program Committee Legislators Allport, DeFilipps, Eick, and Miller, Chief Administrative Officer Chuck Nesbitt and Chairman Callard were thanked for cooking, serving, and delivering hot dogs and hamburgers for our Nursing Home Residents and Orleans County Employees at today’s EAP Summer Luncheon. The Nursing Home residents and employees greatly appreciated their hard work. We know that Legislators DeRoller and Johnson would have also been there if they were not part of the Vietnam Veteran Charter Boat Fishing adventure that occurred today. Appreciation was shared to all of the Legislators for their involvement in the events that took place today, including the In Rem Property Auction.

A certificate was presented to Jayne Bannister, the Niagara-Orleans County Dairy Princess by Legislator DeFilipps recognizing National Dairy Month in Orleans County. Ms. Bannister presented a few words about the importance of the Dairy Industry and the benefits in consuming dairy products. She also stated that she is part of a Niagara Orleans Alliance as being their 2014-2015 Dairy Princess.

Chairman Callard called for open discussion as it related to the resolutions. No comments were offered therefore Legislator Eick moved to add one resolution to the agenda; second by Legislator Allport. Motion carried. The following resolutions were presented for adoption:

Legislator Allport moved a resolution to oppose the expansion of Federal control under the Clean Water Act. He stated that the EPA was founded in December of 1970 by an executive order by President Nixon and later was confirmed by congress which holds cabinet status who reports directly to the President. In his opinion, over the years, the EPA, like most government agencies, has sought more and more powers through their regulations. Now with this over reaching act, it will reach into private lands and farm lands in taking more control in what can be done with those lands. He feels that the EPA is one of the biggest contributors to the demise of our manufacturing, made in the USA, along with that has basically killed the middle class. He requested that a special notification be sent to Congressman Collins office and that we obtain an unanimous second to show our stance on this. A unanimous second was agreed upon by the Board. Chairman Callard emphasized in the verbiage that we are allowing the federal government to regulate every ditch, pond, and rain

puddle that may have some tenuous connection or "significant nexus", miles away, to a body of water currently defined as "navigable". He asked if it could be imaginable the ramifications of every farmer across the nation. Legislator Eick stated that several counties have adopted this resolution along with the New York State Farm Bureau, who is against this control. The following resolution was adopted:

## **RESOLUTION NO. 212-614**

### **OPPOSING EXPANSION OF FEDERAL CONTROL UNDER THE CLEAN WATER ACT**

WHEREAS, the U.S. Environmental Protection Agency (EPA) and the Army Corps of Engineers (Corps) have released a 371 proposed rulemaking defining the Waters of the U.S. under the Clean Water Act; and

WHEREAS, both agencies are seeking a rule change to give the federal government more authority by expanding the definition of "navigable waters" in the Clean Water Act; and

WHEREAS, the rule change proposed by the EPA and the Corps would subject almost all physical areas with a connection to downstream navigable waters, including features such as ditches, natural or man-made ponds, and flood plains, to the jurisdiction of the Clean Water Act; and

WHEREAS, the proposed rule change, if adopted, will cause significant economic harm to local farmers, stall the development of businesses, take control of land use for sustainable food production out of our local providers' hands, and negatively impact County-owned and maintained infrastructure such as roadside ditches and flood-control channels; and

WHEREAS, the cost to our farms, municipalities and taxpayers will be enormous; and

WHEREAS, the New York Farm Bureau opposes the proposed rule change; and

WHEREAS, it is impractical for the federal government to regulate

every ditch, pond and rain puddle that may have some tenuous connection or "significant nexus", miles away, to a body of water currently defined as "navigable"; now, therefore be it

RESOLVED, that the Orleans County Legislature hereby strongly opposes the EPA and Corps proposed rulemaking that changes the Clean Water Act, as proposed; and be it

FURTHER RESOLVED, that the Clerk of the Legislature is hereby directed to forward a certified copy of this resolution to Senator Schumer, Senator Gillibrand, Congressman Collins, the Environmental Protection Agency, the U.S. Army Corps of Engineers, the National Association of Counties, State Senator Maziarz, State Assemblyman Hawley, State Assemblywoman Corwin, the New York State Association of Counties, the Western New York Inter-County Association, and all others deemed appropriate.

Moved, Allport; second, Unanimous.

Legislator DeFilipps moved to approve the execution and delivery by the County IDA of Tax Exempt Bonds in an aggregate principal amount not to exceed \$13,000,000 and asked that Jim Whipple, Executive Director of the IDA explain this in more detail. Mr. Whipple indicated that this is resolution that supports the resolution adopted by the Orleans County IDA Board for the expansion of Brunner International in the Town of Ridgeway. The detail of the financing as described in the resolution includes \$11.5 million for the project and \$1.5 million for the buyout of the existing bonds. The IDA nor Orleans County will not be taking on any financial burden through the issuance of these bonds, these are tax exempt bonds which has nothing to do with property tax, it is tax exempt income for those that are purchasing the bonds. It is a financial instrument to help economic management for Brunner. Chairman Callard asked if this is the second or third expansion at Brunner. Mr. Whipple indicated that it is their second expansion in five years. Chairman Callard stated that this will provide a major long lasting impact because Brunner had offerings from other states to relocate their business and they continued to stay in

Orleans County. Legislator Allport seconded the motion and the following resolution was adopted:

**RESOLUTION NO. 216-614**

**APPROVING THE EXECUTION AND DELIVERY BY THE COUNTY OF ORLEANS INDUSTRIAL DEVELOPMENT AGENCY OF TAX-EXEMPT BONDS IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED \$13,000,000**

referred to as the “Obligations” or the “Series 2014 Bonds”); (D) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the New York General Municipal Law) with respect to the foregoing, including exemption from certain sales taxes, deed transfer taxes and mortgage recording taxes and an exemption from real property taxes and entry into a non-standard payment-in-lieu of tax agreement with respect to the Project Facility (collectively with the Obligations, the “Financial Assistance”); and (E) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, pursuant to resolutions adopted by the members of the Agency on April 11, 2014 and June 13, 2014 (collectively, the “Agency Resolutions”), the Agency, among other things, accepted the Application and took affirmative official action toward the issuance of the Series 2014 Bonds, within the meaning of Section 1.103-8(a)(5) of the United States Treasury Regulations; and

WHEREAS, pursuant to the authorization contained in the Agency Resolutions, the Chief Executive Officer of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”), pursuant to Section 859-a of the New York General Municipal Law and Section 147(f) of the Internal Revenue Code of 1986, as amended (the “Code”), to hear all persons interested in the Project and the Financial Assistance being contemplated by the Agency with respect to the Project, to be mailed to the chief executive officers of the county and of each city, town, village and school district in which the Project Facility is or will be located, (B) caused notice of the Public Hearing to be published in The Daily News, Batavia, New York, a newspaper of general circulation available to the residents of the County of Orleans, New York (C) conducted the Public Hearing on June 12, 2014 at the Town of Ridgeway Offices at 410 West Avenue, Medina, New York, and (E) prepared a report of the Public Hearing (the “Report”) which fairly summarized the views presented at said Public Hearing and distributed same to the members of the Agency and to the County Legislature of the County of Orleans, New York (the “County Legislature”); and

WHEREAS, the Agency expects to issue the Series 2014 Bonds in the principal amount of not to exceed \$13,000,000 for the

benefit of the Company, such Series 2014 Bonds to be sold to The Bank of Castile (the “Bondholder”) pursuant to a certain Bond Purchase Agreement between the Company, the Agency and the Bondholder.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY LEGISLATURE OF THE COUNTY OF ORLEANS, NEW YORK AS FOLLOWS:

Section 1. In consequence of the foregoing and in compliance with Section 147 of the Internal Revenue Code of 1986, as amended, the County Legislature of the County of Orleans, New York hereby approves the execution and delivery by County of Orleans Industrial Development Agency of its Series 2014 Bonds in an aggregate principal amount not to exceed \$13,000,000 for the purpose of financing a portion of the cost of acquiring, constructing and equipping the Project.

Section 2. This Resolution shall take effect immediately.

Chairman Callard called upon Treasurer Heard to provide the In Rem Auction Sales report. She distributed the final sale listing and stated that it was a mixed bag to where there were parcels that sold for \$50 or \$100 and others that sold well above the property taxes owed. This year sale results remain in the negative but exceeds previous years’ sales. Tax principal loss nears \$43,000. There were various no sales because bids were not offered on these properties. One of the no sale properties included the big warehouse in Medina. Someone was going to make a \$50 offer which was not acceptable for that property. Landlock parcels also brought no sales. Chairman Callard asked Treasurer Heard if she recommends the approval of the bids. By accepting these bids, she said that she hopes that they would get back on the tax roll, property is then improved which increases the assessed value which will result in all good taxpaying citizens. Chairman Callard indicated that would be their hope too. Treasurer Heard concluded that it was a day for buyers at our auction today. Legislator Johnson moved to approve the sale of county-owned property as presented by the Treasurer. Legislator Johnson thanked Treasurer Heard for the

work and agony that she puts into this auction right up until 5 p.m. yesterday making concessions. The Treasurer's office work does not go unnoticed. Legislator DeRoller seconded the motion. The following resolution was adopted:

**RESOLUTION NO. 217-614**

**APPROVING SALE OF COUNTY-OWNED PROPERTY**

WHEREAS, a public auction of various parcels of property owned by the County under the In Rem Foreclosure was held June 25, 2014; and

WHEREAS, bids for various properties were obtained by the auctioneer at such auction in accordance with the stated terms of auction; and

WHEREAS, due deliberation has been made by the Orleans County Legislature as to the propriety of each of the said bids; now, therefore be it

RESOLVED, that bids for various parcels set forth on the schedule hereto annexed be, and the same individually are accepted pursuant to the provisions of the Real Property Tax Law; and be it

FURTHER RESOLVED, that the standard form quitclaim tax deeds be prepared for the separate parcels and delivered to the County Treasurer for execution and delivery upon receipt of the balance of the purchase price set forth in the said deed.

Legislator Johnson moved the below resolution as it was presented today during conference session by representatives of the Niagara Orleans Regional Alliance (NORA) asking for two seats to be foundational on their board of directors representing their customers and New York State government which will also support the need for high speed internet Legislator DeRoller seconded the motion. The following resolution was adopted:

**RESOLUTION NO. 233-614**

RESOLUTION CALLING UPON THE NEW YORK STATE PUBLIC SERVICE COMMISSION TO SET A CONDITION OF MERGER FOR COMCAST'S PROPOSED BUYOUT OF TIME WARNER CREATING VOTING SEAT ON THEIR BOARD OF DIRECTORS REPRESENTING A CUSTOMER VOICE AND ANOTHER REPRESENTING A VOICE OF GOVERNMENT

WHEREAS, Orleans County represents a rural region that is economically focused on agri-business and recreation where high-speed Internet service is essential for commercial economic growth, for our education systems, and the overall well-being of our citizens; and

WHEREAS, today's agricultural enterprises leverage cutting edge bio-technology, renewable energy, and hi-tech heavy equipment which depend on the Internet; and

WHEREAS, the Internet Innovation Alliance has published the following statistics relative to broadband access and jobs:

- More than 62% of American workers, including our farmers, rely on the Internet to do their jobs
- Among U.S. workers, 14% telecommute or work from home at least one day a week
- Jobs that depend upon broadband availability are projected to increase 25% by 2018
- Job seekers had a 27% increase in success by using social networks to generate referrals
- A \$10 billion investment in broadband would produce nearly 500,000 new jobs
- Local economic growth and secondary investment enabled by broadband expansion is 10 times the initial investment; and

WHEREAS, there are significant areas of the County without access to high speed broadband services because of geographic isolation, topographic conditions, and low population density; and

WHEREAS, broadband providers have not found it economically feasible to provide broadband services to many of the remote areas of the County; and

WHEREAS, ComCast has submitted for approval a proposal to "buyout" Time Warner NYS services now under consideration by the New York State Public Service Commission; and

WHEREAS, it has been our observation small businesses tend to be willing to listen to the voice of the community and be agile with regard to delivering profitable services, however larger businesses frequently seem too distant in listening to the voices in a small community when they have a monopoly as is the case with broadband services in our region; and

WHEREAS, Orleans County, in unison with Niagara County, presented recommendations for the proposed merger at a Public Hearing held on Monday, June 16th at the North Campus of SUNY Buffalo; and

WHEREAS, the most significant point in the presentation was to recommend a condition of the proposed merger be the creation of a voting seat on the Board of Directors representing a customer voice (the source of their income) and another representing a voice of government (source of grant funds that you presently leverage to expand your private network); and

WHEREAS, this legislature believes these two seats are foundational to ensure our voices are not only heard, but are part of any go-forward decisions for broadband expansion in Western New York; now, therefore be it

RESOLVED, that the New York State Public Service Commission examine the long-term benefits and opportunities of the aforementioned Board of Director seats, and set requirements to assure the public interests are well represented alongside the private interests of this or any future telecommunication providers; and be it

FURTHER RESOLVED, that certified copies of this resolution be forwarded to Governor Andrew M. Cuomo, the Commissioner of New York State Public Service Commission, State Senator George Maziarz, Assembly Member Stephen Hawley, Assembly Member Jane Corwin, NYSAC, all Towns and Villages in Orleans County, and all others deemed necessary and proper.

Chairman Callard opened the floor for general discussion. Legislator DeRoller acknowledged Sharon Narburgh and Mike Waterhouse, Orleans County Fishing Coordinator, who worked hard on today's Ultimate Fishing Adventure for Orleans County Vietnam Veterans. There was a lot of work behind the scenes starting at 6 a.m. with many fish being caught, especially by Legislator Johnson. This was a project supported by the World Fishing Network who awarded Orleans County \$25,000 as the World's Ultimate Fishing Town. Legislator DeRoller indicated that the

Charter Captains informed him by text messages of how great the day was and for being recognized for their efforts in providing their services. Legislator DeRoller also shared appreciation to the Orleans County Sheriff's Department for their involvement. Sharon and Mike were recognized by applause. Mr. Waterhouse stated that Sharon and he are a small portion of that group. It started with them with working towards the award but this program goes much farther beyond that. The Charter Captains and First mates who could have run a full priced charter only took a stipend to help with this event. Charlie Nesbitt, who was the key note speaker, spoke in a way that another Vietnam Veteran could fully understand and appreciate what he said. Mike stated that Legislator DeRoller, out of his own pocket, bought a sheet cake for this wonderful celebration, which was very well received. A whole lot of people worked very hard to make this a special event stated Mr. Waterhouse.

Legislator Johnson stated that they had forty-seven Vietnam Veterans on this excursion. This was a war that veterans were not thanked for then and now we were able to say thanks to them forty years later. This was the whole purpose of saying thank you for keeping us all safe. It was well heard and received. Sharon Narburgh stated that many were very overwhelmed and thankful. She also said one gentleman stated that it was the best day of his entire life because he has not done a thing since then. Chairman Callard stated the County appreciates all of the hard work in putting this venture together. He stated in total, that there were 100 people at the luncheon that followed the fishing adventure.

Legislator Eick moved to adjourn; second by Legislator Allport. Meeting adjourned at 5:11 p.m.

Legislator Johnson moved to approve a Management Compensation Plan for 2015 and 2016. She expressed that the plan was updated to better show the implementation of high deductible plan and the complete health insurance re-organization that was done at county level for management employees. This allows for a 2% salary increase in January of 2015 and another 2% in January of 2016. Tuition reimbursement to department heads was increased from \$225 to \$1,000 if the course is directly related to the employee's job. Legislator DeFilipps seconded the motion. The following resolution was adopted:

#### **RESOLUTION NO. 257-714**

#### **APPROVING A MANAGEMENT COMPENSATION PLAN FOR 2015 AND 2016**

WHEREAS, this Legislature desires to control costs and provide certainty for the approaching budget process as it relates to compensation for management and elected officials; therefore, be it

RESOLVED, that as of January 1, 2015 the Management Compensation Plan for 2015 and 2016 be updated to reflect a continued savings from the implementation of a high deductible plan and complete health insurance reorganization will be invested back into compensation for management employees allowing for increases of 2% in January 2015 and 2% in January 2016; and be it

FURTHER RESOLVED, that various adjustments will be made to the plan that allow for implementation of quality of life measures at little or no cost to the county effective January 1, 2015; and be it

FURTHER RESOLVED, that the aforementioned plan is to be filed with the Clerk of the Legislature by the Chief Administrative Officer and Director of Personnel and Self Insurance and that the terms and provisions of the plan as filed are incorporated herein by reference as if fully set forth in this resolution.

Chairman Callard stated that Legislator Johnson will present the following add on resolution. Legislator Johnson moved a resolution supporting NORA’s request for Governor Cuomo to veto the IJC Plan 2014 for controlling the Lake Levels of Lake Ontario should the US Department of State recommend it. She explained that this is a very radical plan and it is particularly beneficial to the eco-system such as cattails and muskrats; and is incredibly detrimental to the lake shore owners, the recreational boating and our fishing industry. She reminded us that both Niagara and Orleans Counties has won awards for the world’s greatest fishing towns. She read one paragraph of this long resolution where it says, “the Niagara Orleans Regional Alliance (NORA), a county government collaboration between

Niagara and Orleans Counties to identify and capitalize on shared services, common ideas, experience, and opportunities for the betterment of our citizens, and the conservancy of tax dollars, does herewith respectfully request Governor Andrew M. Cuomo to reject and veto the International Joint Commission's current PLAN 2014 should the United States Department of State approve Plan 2014.” Legislator Johnson said we have asked that it be sent to a whole score of people including elected officials and EDA representatives. She indicated that they would like it sent to NYSAC to add to their fall conference agenda. Legislator DeFilipps seconded the motion. Chairman Callard stated that the InterCounty Association of Western New York should receive it therefore should be added to the distribution list. Chairman Callard questioned that Congressman Collins and Assemblywoman Corwin has authored letters to Federal Representatives expressing opposition to implementation of PLAN2014, can we also ask that Assembly Hawley and Senator Maziarz do the same. Legislator Johnson stated she will make that request, along with a request to NYS Office of Parks and Recreation upon the request of Legislator Miller. Chairman Callard also asked Niagara County Legislator Godfrey that he make the same request of his elected officials in Niagara County. The following resolution was adopted:

#### **RESOLUTION NO. 268-714**

**NIAGARA-ORLEANS REGIONAL ALLIANCE (NORA) REQUESTS GOVERNOR ANDREW M. CUOMO TO VETO THE INTERNATIONAL JOINT COMMISSION'S PLAN 2014 FOR CONTROLLING THE LEVELS OF LAKE ONTARIO SHOULD THE US DEPARTMENT OF STATE RECOMMEND IT**

WHEREAS, the International Joint Commission (IJC) has announced to the United States Department of State for consideration, a very radical plan that will replace the current regulation plan (58DD) that controls the water levels of Lake Ontario for their stated purpose of potentially providing more environmental benefits to the surrounding ecosystem, particularly with regard to the restoration of 65,000 acres of shoreline meadow marsh; and

WHEREAS, this new plan, called PLAN 2014, will remove the current range of operation that private and public property owners and business have relied on for the last 50 years for untested environmental

affects whose research has been proven faulty and outdated by a peer review conducted under the auspices of the National Academy of Sciences; and

WHEREAS, the IJC has clearly stated that 100% of the hardship will be borne by the south shore (a violation of their treaty) and there will be no funding available for mitigation; and

WHEREAS, projected lake levels under the proposed plan will result in increased duration and frequency of extremely high and low water, imposing extensive damages to Lake Ontario riparians. Although the IJC estimates damages at \$3.2 million per year, we believe that number could in reality be greater than \$10 million annually; and

WHEREAS, as these properties are damaged from the altered Lake levels, their assessed valuation may be impacted shifting the property tax burden to all other properties in the remainder of the County; and

WHEREAS, the IJC working group stated the proposed lake levels are going to reduce recreational boating / sport fishing benefits by 25%, resulting in a devastating negative impact on those economics in Niagara County which is estimated at \$30 million per year, and in Orleans County which is estimated \$12 million per year, thus an area-wide loss of revenue of over \$10.5 million annually; and

WHEREAS, the combined impact of the reduced taxable value to Lakeshore Properties and the loss of Sales Tax Revenue will impact all Orleans County property taxpayers by raising the County property tax rate depending upon the ultimate impacts on the reduced assessed value on the affected properties; and

WHEREAS, this new PLAN 2014 removes all protections that exist in the current plan, replacing them with a plan that basically transfers prosperity from Niagara and Orleans counties to Hydropower (NYPS) and Commercial Navigation entities who will realize a benefit of approximately \$6 million per year on average; and

WHEREAS, Niagara and Orleans county residents who own property or businesses along the Lake Ontario shore including its bays, ponds and embayments have voiced their concern, along with their elected

officials, about a proposed change in the lake levels that would result in significant damage to their properties; and

WHEREAS, recreational boaters and fishermen, both locally-based and those travelling internationally, are resolute in protecting the waters, streams, and harbours of Lake Ontario for some of the best sport fishing in the world (towns in both Niagara and Orleans Counties have won the national award of "World's Best Fishing Town") and for pleasure sailing and power-boating; and

WHEREAS, U.S. Congressman Chris Collins, Assemblywoman Jane Corwin, and the Niagara USA Chamber have already authored letters to Federal Representatives expressing opposition to implementation of PLAN2014; now, therefore be it

RESOLVED, the Niagara Orleans Regional Alliance (NORA), a county government collaboration between Niagara and Orleans Counties to identify and capitalize on shared services, common ideas, experience, and opportunities for the betterment of our citizens, and the conservancy of tax dollars, does herewith respectfully request Governor Andrew M. Cuomo to reject and veto the International Joint Commission's current PLAN 2014 should the United States Department of State approve Plan 2014; and be it

FURTHER RESOLVED, NORA recommends Governor Andrew M. Cuomo enact an all-inclusive and thorough analysis on the potential economic damages that any future plans will have on tourism, recreation, business, and homeowners along the south shore of Lake Ontario (including harbours, rivers, and streams), specifically in Niagara and Orleans counties, where projected damage has already been identified as the MOST extreme; and be it

FURTHER RESOLVED, NORA recommends Governor Andrew M. Cuomo assess the amount of civil work and financial assistance required to mitigate the damage of any future plans, and identify funding sources available to offset said actions; and be it

FURTHER RESOLVED, the Niagara-Orleans Regional Alliance dutifully requests a formal response to this resolution by Governor Andrew M. Cuomo at his earliest convenience; and be it

FURTHER RESOLVED, that certified copies of this resolution be forwarded to Governor Andrew M. Cuomo, the International Joint Commission, the New York Department of State, the New York State Department of Environmental Conservation, the New York State Environmental Facilities Corporation, U.S. Department of State, U.S. Congressman Chris Collins, U.S. Senator Charles E. Schumer, U.S. Senator Kirsten E. Gillibrand, U.S. Congresswoman Louise Slaughter, Senator George D. Maziarz, Assemblyman John D. Ceretto, Assemblywoman Jane Corwin, Assemblyman Steve Hawley, Senate Environmental Conservation Committee Chairman Mark Grisanti, Assembly Environmental Conservation Committee Chairman Robert Sweeney, Senate President Pro Tem Dean G. Skelos, Assembly Speaker Sheldon Silver, U.S. EPA Region II Administrator Judith Enck, Orleans County Legislature Chairman David Callard, Orleans County Industrial Development Agency CEO/CFO James Whipple, Niagara County Legislature Chairman William L. Ross, Niagara County Industrial Development Agency/Economic Development Commissioner Samuel Ferraro, NYSAC, InterCounty Association of Western New York and all others deemed necessary and proper.

Moved, Johnson; second, DeFilipps.  
Adopted. 6 ayes; 0 nays; 1 absent, DeRoller.

Chairman Callard opened the floor for general discussion but no further discussion was requested.

Legislator Eick moved to enter into executive session at 4:55 p.m. per Open Meetings Law §105 (f) to discuss the final report of recommendation with the Salary Review Committee. The following committee members were invited into the executive session: Jack Welch, Tom Kuryla, Paul Pettit, and Mark O'Brien. Dawn Allen and Luci Welch were absent from the meeting. Legislator Allport seconded the motion to move into executive session. Motion Carried.

Legislator Eick moved to exit out of executive session and reconvene the regular meeting at 5:17 p.m.; second by Legislator Miller. Motion Carried.

With there being no further business, Legislator Eick moved to adjourn; second by Legislator Allport. Meeting adjourned at 5:20 p.m.

## LEGISLATURE MEETING

August 27, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag, Chairman Callard requested a moment of silence for Marcia Tuohey our first woman elected to the Orleans County Legislature who recently passed away on August 7th. Marcia served on the Orleans County Legislature from 1990-2006. She served as chairwoman for 10 years, up until she retired. Even after Marcia retired, she was always very supportive of our Legislature and the community as a whole. She will be deeply missed by this Legislature stated Chairman Callard. The Clerk called the roll and all Legislators were present, with the exception of Legislator Eick.

The Clerk presented the following communications:

Town/Village resolutions that have been received from July 23<sup>rd</sup> to present

Registration Deadline is Friday, October 3<sup>rd</sup>.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through July of 2014. Treasurer Heard indicated that finances look good at this point.

Michael Donahue, President of the Orleans County Sportsman Federation and Michael Elam presented a plaque to the Legislature for their generosity and support of the Federation and for the Log Cabin preservation at the 4-H Fairgrounds. Mr. Elam indicated that the log cabin was in bad shape and in the past six years, all the walls were replaced. This year the east wall was the worst and they are glad it was replaced with no injuries. He indicated that they had to raise funds in between wall replacements but now the log cabin has been preserved. He also thanked Chairman Callard for the volunteer hours he had in helping with the project. Mr. Elam added, with the exception of one, all of the work was done with volunteers that were over the age of 60 and the oldest was 80. Chairman Callard thanked them for making a lasting impact on the Log Cabin.

Chairman Callard called for open discussion as it related to the resolutions. With there being none, Legislator Allport moved to add three resolutions to the agenda; second by Legislator DeFilipps. Motion carried. The following resolutions were presented for adoption:

Legislator Allport reported that the Public Health Department wants people to know that should you have a bat in the house that you need to try to keep it so it can be tested. State law indicates that if you have been exposed to a bat in your home and do not have the bat to be tested you have to be treated for rabies. It is crucial to contact the Public Health

Department when a person has been exposed to bats. Legislator Allport moved to amend a resolution to transfer funds into the Health Department from \$12,000 to \$79,000 for the purchase of rabies vaccinations due to bat issues. He stated that we typically have 22 cases in a year, now we are up to 38 cases for people being treated for rabies due to bat encounters. Legislator DeFilipps seconded the motion. Chairman Callard stated that he understands that this is the season for bat exposure and increasing this dollar amount will prepare us for any future exposures. The following resolution was adopted:

Legislator Johnson moved to appoint Edward Morgan to fill the Orleans County Director position on the Western Region Off Track Betting Corporation that became vacant due to the passing of Marcia Tuohey who has served in that directorship for several years. Legislator DeRoller seconded the motion. Legislator Miller stated that he pointed out to the other board members and now to the public that he feels the process should involve more of public awareness of this vacancy. He said there might be another person out there that might want it. He is not against the person who has been appointed but the process. He does understand that right now we do not have representation. Chairman Callard stated that they anticipated on moving on this at the September meeting but the urging of Senator Maziarz who suggested moving on this as expeditiously as possible. With us only making an appointment, the final confirmation needs to be done by the NYS Racing and Wagering board and should changes occur in administration due to the November election, then it could further delay a confirmation further into the spring. This appointment should be confirmed by the end of the year and Orleans County goes without representation until this appointment is confirmed. The following resolution was adopted:

### **RESOLUTION NO. 302-814**

#### **APPOINTING ORLEANS COUNTY DIRECTOR OF OFF TRACK BETTING**

Adopted. 5 ayes; 1 nay, Miller; 1 absent, Eick.

Legislator Johnson moved to introduce a Local Law regarding the repeal of Local Law No. 4 of 2011 which authorized separate listings on each real property tax statements. She said they have decided to go back to a one line tax bill because it has added a lot of unnecessary confusion with the way it was separated out. She confirmed that we are still fighting for unfunded mandates and this in no way says we are backing off of this fight. We will use a memo box on the bill where they can state that that

over 100% of the tax rate is due to unfunded mandates. Legislator DeRoller seconded the motion and the following resolution was adopted:

**RESOLUTION NO. 303-814**

SETTING DATE OF PUBLIC HEARING ON LOCAL LAW NO. 3-INTRO OF 2014 REPEALING LOCAL LAW NO. 4 OF 2011 WHICH AUTHORIZED SEPARATE LISTINGS ON EACH REAL PROPERTY TAX STATEMENT SETTING FORTH THE AMOUNTS ATTRIBUTABLE TO NEW YORK STATE IMPOSED MANDATES, THE COUNTY NURSING HOME AND GENERAL COUNTY SERVICES

WHEREAS, there has been duly presented and introduced to this Legislature, a proposed local law entitled “A LOCAL LAW REPEALING LOCAL LAW NO. 4 OF 2011 AUTHORIZING SEPARATE LISTINGS ON EACH REAL PROPERTY TAX STATEMENT SETTING FORTH THE AMOUNTS ATTRIBUTABLE TO NEW YORK STATE IMPOSED MANDATES, THE COUNTY NURSING HOME AND GENERAL COUNTY SERVICES”; and

WHEREAS, no local law shall be adopted until a public hearing thereon has been held by the Orleans County Legislature upon at least five days notice; now, therefore be it

RESOLVED, that a public hearing shall be held on the said proposed local law by this Legislature on the 24<sup>th</sup> day of September 2014 at 4:20 p.m. at the Orleans County Legislature, 3 South Main Street, Suite 2, Albion, New York.

Moved, Johnson; second, DeRoller.

Legislator Johnson moved to set a second public hearing on Local Law No. 4 amending Local Law No. 3 of 2007 increasing the Senior Citizen Tax Exemption ceiling for what they are eligible for to make as income and still be eligible for the tax exemption. Social Security has increased the cost of living and we have not increased our ceiling to where they could still get their senior citizen tax exemption. We, along with most of our ten towns are doing this. Legislator DeRoller seconded the motion.

He noted that the cap at \$21,200 or over in income does not apply to the exemption process. The following resolution was adopted:

**RESOLUTION NO. 304-814**

SETTING DATE OF PUBLIC HEARING ON LOCAL LAW NO. 4-INTRO OF 2014 AMENDING LOCAL LAW NO. 3 OF 2007 AND INCREASING THE MAXIMUM INCOME ELIGIBILITY LEVEL FOR THE SENIOR CITIZEN TAX EXEMPTION UNDER SECTION 467 OF THE REAL PROPERTY TAX LAW

WHEREAS, there has been duly presented and introduced to this Legislature, a proposed local law entitled “A LOCAL LAW AMENDING LOCAL LAW NO. 3 OF THE YEAR 2007 AND INCREASING THE MAXIMUM INCOME ELIGIBILITY LEVEL FOR THE SENIOR CITIZEN TAX EXEMPTION UNDER SECTION 467 OF THE REAL PROPERTY TAX LAW”; and

WHEREAS, no local law shall be adopted until a public hearing thereon has been held by the Orleans County Legislature upon at least five days notice; now, therefore be it

RESOLVED, that a public hearing shall be held on the said proposed local law by this Legislature on the 24<sup>th</sup> day of September 2014 at 4:25 p.m. at the Orleans County Legislature, 3 South Main Street, Suite 2, Albion, New York.

Chairman Callard opened the floor for old business, any further public, or Legislator comments. Legislator Allport acknowledged the Veteran's Administration for doing an amazing job. After reading their report, with two full time people and thirty-two volunteers servicing our 3,100 veterans and 2,500 plus widows in our county; for what they are able to achieve here is amazing. He wanted to thank the Veterans Administration for their outstanding service to our veterans. Legislator DeRoller requested Legislator Allport to highlight a few key points from that report. Legislator Allport reference the report in that they saved anywhere between \$550,000 to \$650,000 in Medicaid expenses by having volunteer drivers transport veterans to and from medical services outside the county between Buffalo, Batavia, and other areas making 811 trips in 2013 which transferred 1,040 people. This is outstanding to all taxpayers for cutting Medicaid expenses. For every dollar spent by the county, \$223 comes back in services provided which totals about \$19 million back to our agency. Chairman Callard asked the Clerk to advise Veterans Administration Office of this acknowledgement.

Legislator Allport stated that if anyone was alive in 1965, one could remember Lyndon Baines Johnson's war on poverty and great society. In 2015, the 50<sup>th</sup> anniversary of this is coming up and there is no doubt that the disinformation regarding this program will make people parade across stages in speeches telling us how great this has been to America. He questions (and does not expect an answer), when do Americans or politicians consider a program failure. In the fifty years this program has been in existence, roughly \$18 trillion has been transferred from the rich and given to those in need, but yet today the percentage of poor is greater than that in 1965. We are quickly approaching the peak year of 1959 in American recorded documentation of the highest percentage of poor in

American. So in 1965 the percentage was going down but they instituted this program. In his perspective, he is not blaming the downfall of cities, mainly on this program. The EPA and government regulations have a lot to do with this. Government housing that was produced from this program in the inner cities has caused nothing but gangs, areas for drugs and violence, and the housing is decaying. He is wondering how many trillions of dollars will continue to be transferred. He remembered this program being instituted and what it proposed in taking freedoms away from Americans. He said it is a coincidence to him that \$18 trillion is what our current deficit is in our nation.

Mark O'Brien stated that due to the recent passing of actor Robin Williams which has brought awareness to suicide he wanted to reinforce the earlier announcement of the free Depression and Suicide presentation scheduled for this evening at the Hoag Library from 7:30 to 8:30 p.m.

Legislator Allport moved to adjourn; second by Legislator DeRoller. Meeting adjourned at 5:09 p.m.

## LEGISLATURE MEETING

September 24, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator Allport, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: The Domestic Violence Coordinator has requested that the Courthouse dome be lit purple for the month of October for Domestic Violence Awareness Month. They also requested a few signs be placed to explain why the dome is purple. The Board approved this request. Prescription Drug Take Back Day is scheduled for Saturday, September 27 from 10 a.m. to 2 p.m. Drop off locations will again be held at the Holley Fire Department, Medina Fire Department, and the Public Safety Building.

Legislator Eick presented a proclamation designating October as Anti-Bullying Awareness Month in Orleans County. An original proclamation, signed by all seven legislators, will be sent to each of the five school districts in Orleans County.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through August 30, 2014. The state and federal aid has come in very low which has made the bottom line low. Chairman Callard asked if the state and federal government does this often? Treasurer Heard indicated that they hold their money from time to time.

Chairman Callard called for open discussion as it related to the resolutions. Paul Lauricella, Yates, stated his concern with the Senior Tax Exemptions because everyone then has to pick up the tab. He felt that all should be getting the tax breaks.

Larry Montello, Albion, stated that four years ago he came before the Legislature to request that a 911 monument be placed at the Courthouse square. He was surprised and deeply pleased with the beautiful flag pole and base for the monument that was erected there by the County. Today, Mr. Montello donated the first flag that was hung on the new flag pole along and noted that the new flag currently hung on the flag pole he also has donated. Mr. Montello stated that in 2005 he started the 911

Memorial Service in Orleans County and that this Legislature has always supported his efforts.

The following resolutions were presented for adoption:

**RESOLUTION NO. 309-914**

Chairman Callard announced that Legislator DeRoller was recognized by the Chamber of Commerce on Saturday as the recipient of the 2013 Community Achievement Award. This award recognizes a business, organization, or individual with a history of meaningful contributions to the community both professional and non-professional services. Chairman Callard indicated that he is pleased that Ken received this honor and also that he sits on this Board.

Chairman Callard explained that we have been given increased consideration to the Orleans County Youth Bureau and it, in connection with the STOP DWI program, two billboards have been placed in Albion; one on Rte 98 driving south into the Village of Albion and also on Route 31 going east out of Albion. It reads, “You Booze, You Cruise, You Lose – Don’t Drive and Drink”. This message is courtesy of Orleans County STOP DWI but also indicative of our increasing concern about our youth with drinking and drugs in today’s environment. These billboards go down the last day of September so please take a look at those.

Chairman Callard announced that our 2<sup>nd</sup> Annual Family Game Night is scheduled for October 2<sup>nd</sup> from 5:30 to 7:30 p.m. at the Orleans County Fairgrounds Trolley Building. Chairman Callard said that this was very well received last year with nearly 200 people in attendance. He stated that he hopes people take this opportunity to spend some family time together in playing games and eating pizza. Chairman Callard stated it is important to give emphasis of the family and provide opportunities to bring them together. He was appreciative of the response in the past.

Legislator Johnson noted that our fight on the lake levels against the IJC Plan 2014 has reached a new level to where Congressman Collins has invited the International Joint Commission Board to meet with NORA tomorrow in Buffalo and will continue representing our residents along the south shore of Lake Ontario. She said our fight is not over. Chairman Callard announced that Legislator Johnson will be representing Orleans

County and Niagara Legislator Godfrey will represent Niagara County. Chairman Callard wished them well in those discussions.

Legislator Allport stated that he had an opportunity to speak with Annette Finch from Orleans/Genesee Community Action. She shared with him some important facts about working with DSS and Job Development. Since 2009 they have had 283 participants in their training and educational programs that have found employment. They have 110 participants that have completed financial literacy. They have helped 300 people who are employed with financial issues to stay employed. Legislator Allport felt this was phenomenal when this came about in discussions about the Main Street Store moving to the old American Legion Building. Their thrift shop helps finance these programs, along with the help of their volunteers. Chairman Callard thought this would be a great opportunity for them to come before us in a future conference session to express all of the wonderful things they do for our county.

Larry Montello announced that the Governor's Office was present for the 911 Memorial Service and prepared a nice written document to memorialize this 911 Celebration.

With there being no further business, Legislator DeFilipps moved to adjourn; second by Legislator Allport. Meeting adjourned at 5:00 p.m.

## LEGISLATURE MEETING

October 8, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by Legislator DeFilipps, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: New York State Department of Agriculture and Markets has certified that the land included in the Orleans County Agricultural Districts is viable agricultural land, and as proposed is feasible and shall serve the public interest in assisting in maintaining a viable agricultural industry within the Districts. The Orleans County Treasurer has provided the annual examination of Petty Cash Accounts report which has been filed in our office. InterCounty Association of Western New York will be holding their monthly meeting in Livingston County at the Wadsworth Homestead in Geneseo on October 17<sup>th</sup>. Susan Heard, Orleans County Treasurer has filed fourteen (14) Disclosure of Interest Statements from various County Employees who receive funds in addition to wages from Orleans County. These have been filed in our office and are officially on record in accordance with General Municipal Law Section 803(1). Orleans County EMO and the New York State Division of Homeland Security Emergency Services Office of Emergency Management will present a Tier 3 Training and Certification on October 25, 2014 at Hickory Ridge 15816 Lynch Road, Holley from 10:00 a.m. - 3:00 p.m. This training is intended for those with a role in emergency management or disaster response in New York State. Genesee/Finger Lakes Regional Planning Council presents the Fall Regional Local Government Workshop is scheduled for Friday, November 14, 2014 at the Clarion Hotel In Batavia. For most municipalities, this workshop fulfills state law requiring training for local planning officials. Pre-Register by November 5, 2014.

A Proclamation was presented to Tom Kuryla, DSS Commissioner and Tom Drennan, Chief Sheriff Deputy by Legislators Miller and DeRoller designating October as Domestic Violence Awareness Month in Orleans County.

Chairman Callard delivered the following message regarding today's Resolution No. 350-1014 authorizing Capital Projects in Orleans County

and authorizing the issuance of \$8,003,000 bonds to pay for these long needed improvements:

Over the past several years, the Orleans County Government has undergone and continues to undergo a comprehensive process of restructuring, prioritization, and reorganization. The Orleans County Legislature has, throughout this process, given emphasis to the needs of the county infrastructure and has begun to address many previously deferred needs. The county has engaged in detailed analysis of its bridge and culvert inventories and is taking a structured approach to maintenance of the same. We are using the information gathered to make targeted investments in our infrastructure, optimizing the use of county dollars to maximum effect.

A recently updated study by the New York State Comptroller titled “Growing Cracks in the Foundation” detailed the unmet infrastructure investment needs that exist amongst New York State’s local governments. It states:

*“With limited resources at their disposal, local governments need effective capital planning strategies to ensure the most cost-effective use of public funds. Such strategies should ensure that localities are able to shift their emphasis from reacting to short-term or emergency infrastructure needs to being proactive and planning for the future.” (p.3)*

This is exactly what we are doing.

After several years of preparation and planning, the county is in a position to expand its efforts in the physical repair and/or replacement of its bridges and culverts in greatest need. The bond resolution being presented today will authorize the borrowing plan, allowing the engineering work to begin. Subsequently, the actual construction work will start in 2015 and continue over the next three years. This comes at a critical time as the state and federal government funding previously available for local bridge repairs and replacements has been diverted by New York State exclusively to areas with high traffic counts and particularly those that are State owned assets. The next future opportunity to access state and federal funds for local bridge projects won’t come until at least 2017. Failure to act on our part will result in further deterioration of our infrastructure assets and unnecessary closures of county owned roads and bridges.

The borrowing will also address several county building needs including new roofing for the County Office Building and Public Safety Building, two new storage barns to house county owned equipment and vehicles, and a new generator for the Mental Health Building to service the new hub for county IT infrastructure.

Our goal is to provide necessary infrastructure improvements while also providing real property tax relief to the taxpayers. Based on the ongoing and comprehensive restructuring that we have undertaken at the county, I believe this to be not only possible, but this is the likely outcome of years of work and planning. This project and the financial outcomes are symbolic of everything we have worked for over the last several years.

Chairman Callard called for open discussion as it related to the resolutions. Allen Lofthouse, Kendall, inquired as to how many retired people reside in Orleans County. Mr. Nesbitt indicated that our Director of Aging is not present today but we can request that data from her.

The following resolutions were presented for adoption:

**RESOLUTION NO. 337-1014**

**AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

Fund/Department	Check Number (s):	Amount:
General	9709-9852	\$245,813.24

Self Insurance	54325	\$45,199.00

Moved, DeFilipps; second, Allport.  
Adopted. 7 ayes; 0 nays; 0 absent.

Legislator Johnson moved to adopt Local Law No. 4 of 2014 amending Local Law No. 3 of the year 2007 and increasing the maximum income eligibility level for the Senior Citizen Tax Exemption; seconded by Legislator DeRoller. Legislator Johnson stated that the Finance Committee thoroughly discussed this after the Real Property Tax Director presented it to them. She said that the Orleans County Legislature wants to protect seniors who have paid taxes all of their lives on their homes from losing their homes over just an increase in Social Security Benefits and she is proud that this legislature introduced this local law. Legislator DeRoller added that consistency is being sought based on the leadership of our Real Property Tax Director across our County. He is looking forward to each of our Towns and Villages to participate. Chairman Callard thought that we have nine out of the ten towns that will be participating in this effort. Chairman Callard called for a roll call vote and the following resolution was adopted:

### **RESOLUTION NO. 338-1014**

ADOPTING LOCAL LAW NO. 4 OF 2014, ENTITLED A LOCAL LAW AMENDING LOCAL LAW NO. 3 OF THE YEAR 2007 AND INCREASING THE MAXIMUM INCOME ELIGIBILITY LEVEL FOR THE SENIOR CITIZEN TAX EXEMPTION UNDER SECTION 467 OF THE REAL PROPERTY TAX LAW

### **RESOLUTION NO. 350-1014**

A RESOLUTION AUTHORIZING CAPITAL PROJECTS IN AND FOR THE COUNTY OF ORLEANS, NEW YORK, AT A MAXIMUM ESTIMATED COST OF \$8,003,000 AND AUTHORIZING THE ISSUANCE OF \$8,003,000 BONDS TO PAY COSTS THEREOF

BE IT RESOLVED, by the affirmative vote of not less than two-thirds of the total voting strength of the County Legislature of the County of Orleans, New York, as follows:

Section 1. The following projects and improvements are hereby authorized in and for the County of Orleans, New York:

- (a) Bridge replacement program, at a maximum estimated cost of \$4,963,000, being a class of objects or purposes having a period of probable usefulness of twenty years pursuant to subdivision 10 of paragraph a of Section 11.00 of the Local Finance Law;
- (b) Various culvert improvements, at a maximum estimated cost of \$1,500,000, being a class of objects or purposes having a period of probable usefulness of thirty years pursuant to subdivision 3 of paragraph a of Section 11.00 of the Local Finance Law;
- (c) Construct pole barns, at a maximum estimated cost of \$460,000, being a class of objects or purposes having a period of probable usefulness of twenty-five years pursuant to subdivision 11(b) of paragraph a of Section 11.00 of the Local Finance Law;
- (d) Replace roofs at County buildings, at a maximum estimated cost of \$1,020,000, being a class of objects or purposes having a period of probable usefulness of twenty-five years pursuant to subdivision 12(a)(1) of paragraph a of Section 11.00 of the Local Finance Law; and
- (e) Purchase and install generator at Mental Health Building, at a maximum estimated cost of \$60,000, being a specific object or purpose having a period of probable usefulness of ten years

pursuant to subdivision 13 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The plan for the financing of the aforesaid purposes consists of the issuance of \$8,003,000 bonds of said County, hereby authorized to be issued therefore pursuant to the provisions of the Local Finance Law, which shall be allocated as per the maximum estimated costs set forth in Section 1 hereof. The amount of bonds to be issued shall be reduced to the extent of State and Federal aid received therefore which is currently estimated to cover the aggregate maximum estimated costs.

Section 3. The faith and credit of said County of Orleans, New York, are hereby irrevocably pledged for the payment of the principal of and interest on such bonds as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such bonds becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County, a tax sufficient to pay the principal of and interest on such bonds as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the serial bonds herein authorized, including renewals of such notes, is hereby delegated to the County Treasurer, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said County Treasurer, consistent with the provisions of the Local Finance Law.

Section 5. All other matters except as provided herein relating to the serial bonds herein authorized including the date, denominations, maturities and interest payment dates, within the limitations prescribed herein and the manner of execution of the same, including the consolidation with other issues, and also the ability to issue serial bonds with substantially level or declining annual debt service, shall be determined by the County Treasurer, the chief fiscal officer of such County. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law, and shall otherwise be in such form and contain such recitals, in addition to those required by Section 51.00 of the Local Finance Law, as the County Treasurer shall determine consistent with the provisions of the Local Finance Law.

Section 6. The validity of such bonds and bond anticipation notes may be contested only if:

- 1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) The provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or
- 3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150-2. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 8. This resolution, which takes effect immediately, shall be published in summary form in The Daily News, the official newspaper of such County, together with a notice of the Clerk of the County Legislature in substantially the form provided in Section 81.00 of the Local Finance Law.

Moved, Johnson; second, DeRoller.

## LEGISLATURE MEETING

November 12, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag and invocation led by David Kusmierczak, Veteran, Medina Legion/VFW, the Clerk called the roll. All Legislators were present, with the exception of Legislator Allport.

The Clerk presented the following communications: Hospice of Orleans is requesting a 4'x6' banner be hung on the courthouse square lawn to recognize National Hospice Month from November 16<sup>th</sup> through November 30<sup>th</sup>. Albion Merchant's Association has made a request to hang a '8 long x 3' tall banner from December 1<sup>st</sup> through December 13<sup>th</sup> to advertise their Hometown Holiday event on Saturday, December 13<sup>th</sup> in downtown Albion. The Board approved both requests. InterCounty Association of Western New York will be meeting Friday, November 21, 2014 at the First Arena in Elmira, NY hosted by the County of Chemung. A Ribbon Cutting Ceremony will be held on Monday, November 17<sup>th</sup> at 11:30 a.m. at the Waterport Bridge.

Charles H. Nesbitt, Jr., Chief Administrative Officer filed the 2015 Tentative County Budget and presented the following budget message:

The 2015 Orleans County Tentative Budget provides an operating plan for the upcoming year. This plan begins to implement a transition in the financial footing and posture of the county. The 2015 Tentative Budget proposes expenditures of \$65,015,266 or a \$14,771,363 (-19.40%) decrease in and \$46,937,201 in revenues or a \$13,191,318 (-22.96%) decrease. As you will see in the details of the document that follows, the budget accomplishes several critical programmatic and fiscal goals while also accomplishing a 1.48% or \$232,201 property tax levy decrease that will provide a reduction of approximately \$17.60 to the tax bill of the average County homeowner or \$0.22 per thousand of assessed value. The decrease in the levy is automatically compliant with the New York State property tax cap and the new property tax freeze law. As a result, Orleans County taxpayers can expect a check as a result of the county's compliance with the New York State "Tax Freeze" rebate program.

The county government for the past several years has undergone a great deal of restructuring and retrenchment, some of which was undertaken to

allow the county to continue to subsidize the nursing home enterprise fund.

The total number of employee positions budgeted is as follows: 322 full-time, 95 part-time and 9 seasonal. Those numbers represent over a 30% reduction in full-time employees and a 45% reduction in part-time employees since 2010. Our ability to realize work force reductions while maintaining critical services is nearing the end.

## **Major Influences**

### *Sale of the Villages of Orleans*

The upcoming fiscal year represents the first time that the county will not be providing funds to the county nursing home following the final sale. Although our transition work is not yet complete and will continue for some time following the transfer, the impact to the budget is immediate and dramatic.

The county will avoid payment of an estimated \$1,500,000 or 9.25% added tax levy. A total of approximately \$675,000 in additional county investment would have been required had the county continued operations. Total budgetary appropriations will be reduced \$12,721,346 and revenues are to be reduced \$11,636,502. Use of the enterprise fund balance is also reduced \$1,084,844.

### *Overall Cost of Employment*

Analyzing the cost of employment becomes slightly more complex once you remove the Enterprise Fund from the 2015 spending plan. By removing it from the prior three years and comparing only the funds that will continue, what we find is very interesting. For three years in a row the county's cost of employment has remained lower than the 2012 budget year. Static wage numbers, reductions in the employer contribution to state retirement and only slight growth in the cost of health insurance are at the root of this trend.

### *Pension Costs*

Average pension rates charged by the New York State retirement system while still elevated are trending in the right direction again this year with another gradual decline from 20.1% to 18.2%. We continue a long gradual reduction and normalization in the cost of pensions as a percentage of wages. The employer contributions recede and tier 5 & 6 begin to show

some cost savings results with workforce penetration exceeding 10% in part due to an aging workforce reaching retirement age. All these factors allows the county to realize a slight decrease across the remaining operating funds.

### *Health Insurance*

Orleans County continues to benefit from our involvement in the Alliance of Western New York with a relatively reasonable 5.33% increase in premiums for 2015. Our premium rates have risen over a four year period approximately 19% which averages out to less than 5% per year. However, the county continues to only a slight increase in our expense since 2012 as a result of significant penetration into cleverly designed high deductible plans.

### *Mandates*

Eight major state programs that the county is required to pay for on the state's behalf continue to hold steady at roughly 85.5% of the property tax levy. Growth in those programs is leveling off. Mandates, although slowing their growth, represent one of the two major factors that set New York State apart from other states when comparing real property taxes, the other being the manner in which schools are also funded in large part through property taxes.

### *Capital Investments*

Infrastructure Capital Project - The 2015 spending plan includes the first portion of debt service for an already approved 8 million dollar capital project to replace bridges and culverts as well as replace two large roofs, add two new pole barns and a new heavy duty generator. The debt service in the first year will be completely offset by revenue resulting from the new casino gaming compact. The presence of this revenue will mitigate the impact on the property taxpayer.

Orleans County has been planning for much of this work for a few years now, yet the start was delayed to allow final arrangements to be made to transition the Villages of Orleans. The transfer of the nursing home relieves a great deal of financial pressure on the county allowing for investment into important infrastructure needs.

Marine Park - The Marine Park budget includes a fifty percent match for an anticipated New York State Parks grant to fund a project at the park for approximately \$320,000. The funding is for capital improvements to the marine park. Among the improvements are new decking, stairways and

play ground equipment.

Radio System - The 2014 budget included a portion of the debt service required to fund the radio system capital project. The 2015 spending plan assumes the full amount an increase of \$86,364.

#### Sales Tax

Sales tax has been an unpredictable revenue stream for quite some time. The 2013 budget was particularly difficult as the county missed our budgetary goal by over \$360,000. Revenue collections are up for 2014 and we are on track to hit and possibly exceed the budgeted amount. The 2015 spending plan calls for sales tax to remain flat.

#### Sponsored Partner Agencies

Orleans County EDA - the county continues to make economic development a priority by growing the county contribution to sustain the operations of the EDA by \$20,000.

Orleans County Soil and Water - Soil and Water continues to provide a superior return on investment at sixteen dollars returned for every one dollar invested. Orleans County will increase the county share by \$17,250. A portion of that increase will fund the purchase by the county of an excavator owned by soil and water over a six year period.

Cornell Cooperative Extension will see a small increase of \$5,850 to support their operations in 2015 as well.

#### PILOT

The county revenue received for payments in lieu of taxes will increase \$106,015 from \$359,685 to \$465,700 due to the efforts of the Orleans County EDA.

#### Public Health

Orleans and Genesee Counties continue our successful partnership in the area of Public Health service delivery. The program has resulted in improved services, reduced costs and a developing synergy between the two departments. The grant to pilot the project from the Robert Wood Johnson Foundation is coming to an end and both sides appear poised to continue the program on a more permanent basis. This program is a tremendous success both programmatically and financially. This program is a great example of inter-municipal cooperation between counties and is the first of its kind in New York State.

### Fiscal Summary Tax Cap / Tax Freeze

Earlier in 2014, New York State enacted the "property tax freeze". The new law provides rebates to taxpayers over two years in the amount of new levy that a local government or school district could have spent under based on the respective levy limit under the property tax cap law.

### Levy

The county's allowable increase in the tax levy is \$219,871. The recommended tax levy is \$16,209,165, a reduction of \$232,201 or 1.48% for 2015 putting Orleans County \$452,072 under the tax cap for 2015. The county will carry over the full amount of \$219,871 for the 2016 cap.

### Rate

The tax rate will be reduced 2.27% or \$0.22 per thousand of assessed value. A taxpayer with a property assessment of \$80,000 will see their bill reduced by \$17.60.

### Solid Waste Pick up

The fee for solid waste and recycling service will be \$192, an increase of \$2 over 2014. Impact on the Home owner

The impact of the recommended budget on the tax bill for a single family home assessed for \$80,000 is a decrease of \$17.60.

Finally, I would like to thank the county department heads and their staffs for their assistance and professionalism preparing this recommended budget. There is always willingness to what is necessary to meet fiscal goals while creatively maintaining high quality services. It is truly a pleasure to work with what may be the most talented and knowledgeable group that Orleans County has had.

We also have the good fortune of working with a legislative team that is willing to make hard decisions and think beyond just the next election. The board has provided steady thoughtful leadership rather than pursuing fiscal gimmicks and irrational policy decisions to achieve short term praise.

Chairman Callard thanked CAO Nesbitt and expressed that more may have questions once the tentative budget is reviewed. The public hearing is scheduled at the Courthouse at 7 p.m. on Monday, December 1st. After the public hearing, action will be taken on the budget. Chairman Callard

believed that this is one of the finest budgets that the Legislature has been prepared in several years. The CAO, the Treasurer, Administrative and Finance Committee, Legislators, Department Heads and the staff themselves have done their very best to deliver maximum service. This year, with a tax decrease, we are proud to begin a program to improve our infrastructure with bridge and culvert repairs. Chairman Callard stated that he is looking forward into moving into 2016.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through October, 2014. She indicated that we are in good shape and in comparison to the last October from the last four or five years, she should be just fine. In December the large retirement bill will be due.

Chairman Callard called for open discussion as it related to the resolutions. Allen Lofthouse, Kendall, inquired in Resolution No. 370-1114 if this is a continuation of what is already in existence. Legislator Johnson indicated that we are renewing what is already there.

Legislator Eick moved to add two resolutions to the agenda; second by Legislator Miller. Motion carried. The following resolutions were presented for adoption:

### **RESOLUTION NO. 369-1114**

**RESOLUTION NO. 372-1114**

**URGING GOVERNOR CUOMO AND THE STATE LEGISLATURE  
TO AMEND STATE INSURANCE LAW TO ALLOW SHARED  
MUNICIPAL HEALTH INSURANCE CONSORTIUMS**

WHEREAS, health insurance costs are among the fastest growing costs for local governments across the state; and

WHEREAS, to address this challenge, counties would like the option to create municipal health insurance consortiums to jointly self-fund their health plans at a significantly lower cost for taxpayers; and

WHEREAS, these plans would reduce costs and increase flexibility while ensuring quality coverage for counties, municipalities, and local government employees; and

WHEREAS, many towns would like to become part of a county's self-insured plan; and

WHEREAS, in order to lower health insurance costs for property taxpayers, these consortiums need to be allowed to purchase stop-loss insurance to cover the most serious and costly injuries and sicknesses; and

WHEREAS, Governor Andrew M. Cuomo is strongly encouraging local governments to pool resources, share services and consolidate operations to improve efficiency and reduce costs to taxpayers; and

WHEREAS, whenever two or more local governments want to join forces to provide employee health insurance, Article 47 of the Insurance Law is triggered requiring difficult reserves to be established; and

WHEREAS, the onerous regulations of Article 47 have allowed only one consortium to form since 1991; and

WHEREAS, current State Insurance Law §§ 4237-a and 3231 prohibits local governments with fewer than 50 employees (and 100 employees beginning in 2015) from purchasing stop-loss insurance policies; and

WHEREAS, these State laws represent significant barriers to local government efficiency, shared services and cost savings for property taxpayers; now, therefore be it

RESOLVED, that the Orleans County Legislature does hereby urge Governor Andrew M. Cuomo and the State Legislature to amend State Insurance Law to allow municipalities to join county self-insured programs with adequate and appropriate actuarial safeguards, without triggering Article 47, and also allow county self-insured plans to buy stop-loss coverage for all municipalities within their plan, even those under 50 employees (rising to 100 employees in 2016); and be it

FURTHER RESOLVED, that copies of this resolution be sent to the sixty-two counties of New York State encouraging member counties to enact similar resolutions; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Senator-Elect Robert Ort, Assemblyman Steve Hawley, Assemblywoman Jane Corwin, NYSAC, InterCounty of Western New York, Orleans County Towns, Villages, and School Districts, and all others deemed necessary and proper.

With there being no further business Chairman Callard called for adjournment. Legislator Allport moved to adjourn at 7:59 p.m.; seconded by Legislator DeFilipps. Motion Carried. Chairman Called shared his appreciation to the Department Heads and staff for providing wonderful services to the citizens of Orleans County.

## LEGISLATURE MEETING

December 10, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag, the Clerk called the roll. All Legislators were present.

The Clerk presented the following communications: Susan Heard, Orleans County Treasurer, has forwarded Real Property Tax Refund, in the amount of \$1,149.33 in the Town of Shelby, which has been reviewed and authorized by her office. The Town of Albion sent a resolution supporting Orleans County Resolution No. 372-1114 – Urging Governor Cuomo and the State Legislature to Amend State Insurance Law to Allow Shared Municipal Health Insurance Consortiums.

The Treasurer distributed an Analysis of Monthly Cash Receipts and Disbursements through November 2014. She reported that the cash balance shows a \$920,000 loan for the bridges and that a check was mailed to the New York State Retirement System in the amount of \$3.6 million.

Legislator DeFilipps presented a special recognition certificate to Wayne Hale Jr. who will be officially retiring on December 12<sup>th</sup> as our Director of Planning and Tourism and Marine Park Manager after 31 years of service to Orleans County. He was recognized by applause and a standing ovation in the Legislative Chambers.

Legislator Johnson wanted to bring to the public's attention that on November 19<sup>th</sup>, through the heart of Erie County, called "Storm Knife" occurred, losing fourteen people during this snow storm. Orleans County was requested to send mutual aid to Erie County and our volunteers again stood ready and were available when called. They supported Erie County in every way they could and we thank them for that, stated Legislator Johnson. She thanked Dale Banker, Orleans County Emergency Management Director, who coordinated this mutual aid effort and to the Albion, Barre, Carlton, Clarendon, East Shelby, Fancher-Hulberton-Murray (FHM), Holley, Kendall, Lyndonville, Ridgeway, and Shelby Fire Departments who sent members. They stood ready with eager volunteers who aided our sister County. EMO Director Banker named Chief Bob Frieda, Clarendon; Chief Rocky Sidari, Albion; Chief Jason Watts, Shelby; Captain Joe Molarino, FHM; who were present today. EMO

Director Banker shared that twenty-nine counties participated starting late on November 18<sup>th</sup> continuing through November 25<sup>th</sup>. He reported that roughly 60 members came in and out of the area, with some working 72 hour shifts and others giving five or six days, totaling an estimated 3,000 volunteer hours to help out our Erie County neighbors. They were applauded for their efforts.

Chairman Callard called for open discussion as it related to the resolutions and there were no comments from the public. Legislator Eick moved to add three resolutions to the agenda; second by Legislator Allport. Motion carried. The following resolutions were presented for adoption:

### **RESOLUTION NO. 409-1214**

URGING NEW YORK STATE TO FULLY FUND ALL COSTS RELATED TO RAISING THE AGE OF CRIMINAL RESPONSIBILITY TO 18 YEARS IN ORDER TO AVOID AN UNFUNDED MANDATE ON COUNTIES AND NEW YORK CITY

WHEREAS, Governor Cuomo appointed a Commission on Youth, Public Safety, and Justice to develop a plan to raise the age of criminal responsibility in NYS and make other recommendations by the end of this calendar year as to how the state's juvenile and criminal justice systems can improve outcomes for youth and promote community safety as part of the enacted state budget for 2014-15; and

WHEREAS, according to the Department of Criminal Justice Services data, the number of arrests among 16 and 17 year olds statewide from January to December 2013 was 33,347; and

WHEREAS, services based on the child welfare system are much more costly than the adult criminal justice system and changing the age of criminal responsibility will produce the need for job-training skills, high school equivalency education, transportation, drug and alcohol treatment, counseling, case management, and other interventions resulting in higher expenses; and

WHEREAS, the State currently caps funding for foster care and detention, and limits funding for other areas of child welfare funding and probation, leading to a huge unfunded mandate on counties if the State does not invest funds in meeting this new mandate; now, therefore be it

RESOLVED, that despite the merit of the policy change, the Orleans County Legislature calls on the State of New York to fully cover the cost of changing the age of criminal responsibility to avoid the imposition of a new unfunded mandate on counties; and be it

FURTHER RESOLVED, that fiscal caps must be removed for foster care and youth detention as part of this criminal age of responsibility reform and state funding must be provided to build capacity including for infrastructure and services under child welfare and probation services; and be it

FURTHER RESOLVED, State planning for community safety is needed as well as assessments to determine whether children are a risk to public safety and to identify mental health and drug and alcohol issues and strategies to minimize absences without leave; and be it

FURTHER RESOLVED, there will need to be flexibility in recognition of the differences between small and large counties and rural versus urban areas, such that, a staggered roll-out may be appropriate in some counties while a full implementation may be needed in other counties; and be it

FURTHER RESOLVED, that copies of this resolution be sent to the sixty-two counties of New York State encouraging member counties to enact similar resolutions; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Senate Elect Robert Ort, Assemblyman Steve Hawley, Assemblywoman Jane Corwin, NYSAC, InterCounty of Western New York, and all others deemed necessary and proper.

Legislator Allport moved to continue our mutual desire to work with Genesee County on sharing Public Health services; seconded by Legislator DeFilipps. Legislator Allport indicated that we saved over \$600,000 over the two years we have collaborated together. This has been a great shared service. The following resolution was adopted:

### **RESOLUTION NO. 432-1214**

**AUTHORIZING THE ORLEANS COUNTY HEALTH DEPARTMENT TO CONTINUE THEIR MUTUAL DESIRE TO WORK COLLECTIVELY WITH GENESEE COUNTY TO SHARE THE PUBLIC HEALTH DIRECTOR, DEPUTY DIRECTOR, DIRECTOR OF**

COMMUNITY HEALTH SERVICES AND EMERGENCY PREPAREDNESS COORDINATOR TO FURTHER EXPLORE SHARED SERVICES OPPORTUNITIES IN THE AREA OF PUBLIC HEALTH

WHEREAS, the counties of Orleans and Genesee are empowered under Article 5-G of the General Municipal Law to enter into a Municipal Cooperation Agreement to provide Public Health Director, Deputy Public Health Director, Director of Community Health Services and Emergency Preparedness Coordinator Services; and

WHEREAS, Public Health Law Section 351 allows, with the approval of the New York State Commissioner of Health, up to three counties with a population of less than 150,000 to hire the same Public Health Director; and

WHEREAS, the counties of Orleans and Genesee are committed to providing essential public health services to their residents; and

WHEREAS, given the unprecedented fiscal pressures being faced by Counties in New York State and the mutual desire of Orleans and Genesee to work collaboratively to provide quality services at a reduced cost, the counties are desirous of entering into an agreement to continue the project focused on sharing the Public Health Director, Deputy Public Health Director, Director of Community Health Services and Emergency Preparedness Coordinator sharing costs equally; and

WHEREAS, the terms and conditions of this agreement have been approved by the Boards of Health of each county; therefore be it

RESOLVED, the Orleans County Legislature authorizes the Chairman to sign a shared services agreement for the proposed continuous sharing project focused on sharing the Public Health Director, Deputy Public Health Director, Director of Community Health Services and Emergency Preparedness Coordinator between the two counties for a period of five years ending on December 31, 2019 subject to the County Attorney and Chief Administrative Officers approval; and be it

FURTHER RESOLVED, that the Public Health Director will receive an annual stipend of \$12,000, Deputy Public Health Director

\$6,000, Director of Community Health Services \$6,000, and Emergency Preparedness Coordinator \$3,000 for the increased responsibility for a second county and a total population of over 100,000 effective upon the execution of the agreement by both counties.

Chairman Callard called for old business. With their being none, he opened the floor for public comment. Wayne Hale thanked the Legislature and other Legislators before them; along with two CAO's he had worked with over the 30 years who always supported his efforts in planning, tourism, and at the Marine Park. Wayne stated that he has had a long career with Jim Bensley of twenty-five years and Mike Waterhouse of ten years. A small department that has had a great relationship and all worked well together for great rewards. Wayne reviewed that they have done some great things in securing grants for historical preservation, waterfront and fishing access, and records management. He said he is proudest of the Marine Park; a legacy that everyone will enjoy. The County supported matching funds in the grant applications for the park. Through the Board's efforts, we have received over \$350,000 from the State in the Marine Park alone. Mr. Hale was applauded and Chairman Callard stated that we could not thank Wayne enough for his efforts.

Legislator Eick moved to enter into executive session at 5:01 p.m. per Open Meetings Law §105 (e) to discuss collective bargaining; second by Legislator Miller. Motion Carried.

Legislator Eick moved to exit out of executive session and reconvene the regular meeting at 5:40 p.m.; second by Legislator Allport. Motion Carried.

Legislator Miller moved to adjourn; second by Legislator DeRoller. Meeting adjourned at 5:42 p.m.

## LEGISLATURE MEETING

December 22, 2014

---

Chairman Callard called the meeting to order at 4:30 PM. After the pledge to the flag, the Clerk called the roll. All Legislators were present, with the exception of Legislator DeFilipps.

The Clerk presented the following communications: The Town of Clarendon sent a resolution supporting Orleans County Resolution No. 372-1114 – Urging Governor Cuomo and the State Legislature to Amend State Insurance Law to Allow Shared Municipal Health Insurance Consortiums.

Chairman Callard recognized C.W. “Bill” Lattin during our conference session today for his thirty-six years as being the Orleans County Historian.

With there being no Treasurer’s Report, Chairman Callard called for open discussion as it related to the resolutions. No comments or questions were asked. Legislator DeRoller moved to add one resolution to the agenda; second by Legislator Eick. Motion carried. The following resolutions were presented for adoption:

### **RESOLUTION NO. 444-1214**

#### **AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY**

WHEREAS, claims for the General Fund, Job Development Agency, the Highway Department, the Nursing Home, and account S1710 of the Self-Insurance Fund have been audited by this Legislature, and claims for recurring Utility/Community College bills will be audited by this Legislature; be it

RESOLVED, that this Legislature authorizes payment of said claims against the following funds and that the Clerk of the Legislature, the Director of Job Development Agency, the Administrator of the Nursing Home, the Superintendent of Highways, and the Self-Insurance Administrator be authorized and directed to draw demand orders on the County Treasurer in payment of the following claims:

<u>Fund/Department</u>	<u>Check Number (s):</u>	<u>Amount:</u>
General	10656-10794	\$299,260.38
Highway	483-487; 1080-1090	\$138,496.65

### **RESOLUTION NO. 445-1214**

URGING NEW YORK STATE TO RESTORE THE HISTORIC 50/50 STATE/LOCAL COST SHARING FOR THE STATE MANDATED SAFETY NET PROGRAM IN ORDER TO REVERSE A MULTI-BILLION STATE COST SHIFT TO PROPERTY TAX PAYERS

WHEREAS, the 2011-12 State Budget dramatically lowered the State's fiscal responsibility in the Safety Net Program by shifting the cost to 71 percent county / 29 percent State, severing the historic 50 percent State / 50 percent county partnership; and

WHEREAS, the state Division of the Budget and State Legislature indicated that this funding shift, in conjunction with fully federalizing New York's Family Assistance (TANF) costs, would generate up to \$50 million annually in net cost reductions for counties and New York City; and

WHEREAS, NYSAC analysis indicates the savings promised at the time of implementation have not been realized by the counties and New York City, with many counties and New York City barely breaking even or falling behind; and

WHEREAS, the net effect of this realignment of fiscal responsibility was for the state to benefit from nearly all of the savings from the federal maximization effort at the expense of local property taxpayers; and

WHEREAS, the state's refusal to share the savings of fully federalizing Family Assistance (TANF) equally with counties and New

York City (just as we shared program costs equally) and then pursuing an unprecedented cost shift of the much higher cost and faster growing state defined and controlled Safety Net program to local taxpayers the opportunity cost to counties minimizes any positive fiscal relief for counties that will be generated by the much touted Medicaid local share cap for years to come; and

WHEREAS, the steady pullback of State funding support for a variety of human services programs including child welfare, adoption subsidies, food stamp administration, Family Assistance, Safety Net, Child Support Enforcement, juvenile justice and programs designed to help recently released state incarcerated offenders return to the community creates an environment in which the State is directly moving away from its constitutional requirement to care for the needy, forcing this State constitutional responsibility on county government and local property taxpayers; now, therefore be it

RESOLVED, that the Orleans County Legislature calls on the State to restore the historic 50/50 State/county cost sharing for the state's Safety Net Program to reverse a cost shift to local property taxpayers; and be it

FURTHER RESOLVED, that copies of this resolution be sent to the sixty-two counties of New York State encouraging member counties to enact similar resolutions; and be it

FURTHER RESOLVED, that the Clerk of the Legislature shall forward copies of this resolution to Governor Andrew M. Cuomo, Senator George Maziarz, Assemblyman Steve Hawley, Assemblywoman Jane Corwin, NYSAC, InterCounty of Western New York, and all others deemed necessary and proper.

Moved, Miller; second, Eick.

Chairman Callard called for a moment of silence to remember Francis “Franny” Nayman who passed away on December 12<sup>th</sup>. He was a past Albion Town Supervisor who served on the Board of Supervisors from

1976 through 1979 and then representing District 3 on the first sitting board of the Orleans County Legislature from 1980-1981.

Chairman Callard opened the floor for discussion. Legislator Johnson reported on the press conference that was held today which was well attended by county leaders of six contiguous counties representing the southern shore of Lake Ontario to refute the recent claims made by the “Support Plan 2014” Coalition and Nature Conservancy about the International Joint Commission (IJC) Plan 2014. She said the Plan 2014 is a departure from the lake’s current 4-foot regulatory range, which has been in effect for over 50 years, and instead allow for a great variation that could lead to significant public and private property damage. She said the plan is well funded by environmentalists who are more worried about the wildlife than the incredible damage that the lake shore owners would see. She made it clear that that she thought it was government at its worst. Orleans County was well represented by six lakeshore counties and hopefully their voices are louder than the fish and muskrats that the environmentalists are representing. Chairman Callard stated that Legislator Johnson represented Orleans County as Vice Chairwoman and also as Co-Chair of the Niagara Orleans Regional Alliance. Her counterpart, David Godfrey, Niagara County Legislator also represented Niagara and Orleans Counties today.

Happy Holiday and Merry Christmas wishes were shared amongst the attendees. Chairman Callard stated that we will see everyone at our next meeting on January 14<sup>th</sup>. Meeting adjourned at 4:51 p.m.

Honorable Members of the Orleans County Legislature:

Please accept the filing of the following document as the 2015 Orleans County Tentative Budget.

The 2015 Orleans County Tentative Budget provides an operating plan for the upcoming year. This plan begins to implement a transition in the financial footing and posture of the county. The 2015 Tentative Budget proposes expenditures of \$65,015,266 or a \$14,771,363 (-19.40%) decrease in and \$46,937,201 in revenues or a \$13,191,318 (-22.96%) decrease. As you will see in the details of the document that follows, the budget accomplishes several critical programmatic and fiscal goals while also accomplishing a 1.48% or \$232,201 property tax levy decrease that will provide a reduction of approximately \$17.60 to the tax bill of the average County homeowner or \$0.22 per thousand of assessed value. The decrease in the levy is automatically compliant with the New York State property tax cap and the new property tax freeze law. As a result, Orleans County taxpayers can expect a check as a result of the county's compliance with the New York State "Tax Freeze" rebate program.

The county government for the past several years has undergone a great deal of restructuring and retrenchment, some of which was undertaken to allow the county to continue to subsidize the nursing home enterprise fund.

The total number of employee positions budgeted is as follows: 322 full-time, 95 part-time and 9 seasonal. Those numbers represent over a 30% reduction in full-time employees and a 45% reduction in part-time employees since 2010. Our ability to realize work force reductions while maintaining critical services is nearing the end.

**Major Influences**

*Sale of the Villages of Orleans*

The upcoming fiscal year represents the first time that the county will not be providing funds to the county nursing home following the final sale. Although our transition work is not yet complete and will continue for some time following the transfer, the impact to the budget is immediate and dramatic.

## 2015 Orleans County Budget Message

### Page 2

The county will avoid payment of an estimated \$1,500,000 or 9.25% added tax levy. A total of approximately \$675,000 in additional county investment would have been required had the county continued operations. Total budgetary appropriations will be reduced \$12,721,346 and revenues are to be reduced \$11,636,502. Use of the enterprise fund balance is also reduced \$1,084,844.

#### *Overall Cost of Employment*

Analyzing the cost of employment becomes slightly more complex once you remove the Enterprise Fund from the 2015 spending plan. By removing it from the prior three years and comparing only the funds that will continue, what we find is very interesting. For three years in a row the county's cost of employment has remained lower than the 2012 budget year. Static wage numbers, reductions in the employer contribution to state retirement and only slight growth in the cost of health insurance are at the root of this trend.

#### *Pension Costs*

Average pension rates charged by the New York State retirement system while still elevated are trending in the right direction again this year with another gradual decline from 20.1% to 18.2%. We continue a long gradual reduction and normalization in the cost of pensions as a percentage of wages. The employer contributions recede and tier 5 & 6 begin to show some cost savings results with workforce penetration exceeding 10% in part due to an aging workforce reaching retirement age. All these factors allows the county to realize a slight decrease across the remaining operating funds.

#### *Health Insurance*

Orleans County continues to benefit from our involvement in the Alliance of Western New York with a relatively reasonable 5.33% increase in premiums for 2015. Our premium rates have risen over a four year period approximately 19% which averages out to less than 5% per year. However, the county continues to only a slight increase in our expense since 2012 as a result of significant penetration into cleverly designed high deductible plans.

#### *Mandates*

Eight major state programs that the county is required to pay for on the state's behalf continue to hold steady at roughly 85.5% of the property tax levy. Growth in those programs is leveling off. Mandates, although slowing their growth, represent one of the two major factors that set New York State apart from other states when comparing real property taxes, the other being the manner in which schools are also funded in large part through property taxes.

## 2015 Orleans County Budget Message

Page 3

### *Capital Investments*

**Infrastructure Capital Project** – The 2015 spending plan includes the first portion of debt service for an already approved 8 million dollar capital project to replace bridges and culverts as well as replace two large roofs, add two new pole barns and a new heavy duty generator. The debt service in the first year will be completely offset by revenue resulting from the new casino gaming compact. The presence of this revenue will mitigate the impact on the property taxpayer.

Orleans County has been planning for much of this work for a few years now, yet the start was delayed to allow final arrangements to be made to transition the Villages of Orleans. The transfer of the nursing home relieves a great deal of financial pressure on the county allowing for investment into important infrastructure needs.

**Marine Park** – The Marine Park budget includes a fifty percent match for an anticipated New York State Parks grant to fund a project at the park for approximately \$320,000. The funding is for capital improvements to the marine park. Among the improvements are new decking, stairways and play ground equipment.

**Radio System** – The 2014 budget included a portion of the debt service required to fund the radio system capital project. The 2015 spending plan assumes the full amount an increase of \$86,364.

### *Sales Tax*

Sales tax has been an unpredictable revenue stream for quite some time. The 2013 budget was particularly difficult as the county missed our budgetary goal by over \$360,000. Revenue collections are up for 2014 and we are on track to hit and possibly exceed the budgeted amount. The 2015 spending plan calls for sales tax to remain flat.

### *Sponsored Partner Agencies*

**Orleans County EDA** – the county continues to make economic development a priority by growing the county contribution to sustain the operations of the EDA by \$20,000.

**Orleans County Soil and Water** – Soil and Water continues to provide a superior return on investment at sixteen dollars returned for every one dollar invested. Orleans County will increase the county share by \$17,250. A portion of that increase will fund the purchase by the county of an excavator owned by soil and water over a six year period.

**Cornell Cooperative Extension** will see a small increase of \$5,850 to support their operations in 2015 as well.

## 2015 Orleans County Budget Message

### Page 4

#### P.I.L.O.T

The county revenue received for payments in lieu of taxes will increase \$106,015 from \$359,685 to \$465,700 due to the efforts of the Orleans County EDA.

#### Public Health

Orleans and Genesee Counties continue our successful partnership in the area of Public Health service delivery. The program has resulted in improved services, reduced costs and a developing synergy between the two departments. The grant to pilot the project from the Robert Wood Johnson Foundation is coming to an end and both sides appear poised to continue the program on a more permanent basis. This program is a tremendous success both programmatically and financially. This program is a great example of inter-municipal cooperation between counties and is the first of its kind in New York State.

#### Fiscal Summary

##### *Tax Cap / Tax Freeze*

Earlier in 2014, New York State enacted the "property tax freeze". The new law provides rebates to taxpayers over two years in the amount of new levy that a local government or school district could have spent under based on the respective levy limit under the property tax cap law.

##### *Levy*

The county's allowable increase in the tax levy is \$219,871. The recommended tax levy is \$16,209,165, a reduction of \$232,201 or 1.48% for 2015 putting Orleans County \$452,072 under the tax cap for 2015. The county will carry over the full amount of \$219,871 for the 2016 cap.

##### *Rate*

The tax rate will be reduced 2.27% or \$0.22 per thousand of assessed value. A taxpayer with a property assessment of \$80,000 will see their bill reduced by \$17.60.

##### *Solid Waste Pick up*

The fee for solid waste and recycling service will be \$192, an increase of \$2 over 2014.

##### *Impact on the Home owner*

The impact of the recommended budget on the tax bill for a single family home assessed for \$80,000 is a decrease of \$17.60.

## 2015 Orleans County Budget Message

### Page 5

Finally, I would like to thank the county department heads and their staffs for their assistance and professionalism preparing this recommended budget. There is always a willingness to what is necessary to meet fiscal goals while creatively maintaining high quality services. It is truly a pleasure to work with what may be the most talented and knowledgeable group that Orleans County has had.

We also have the good fortune of working with a legislative team that is willing to make hard decisions and think beyond just the next election. The board has provided steady thoughtful leadership rather than pursuing fiscal gimmicks and irrational policy decisions to achieve short term praise.

Sincerely,

Charles H. Nesbitt, Jr.
