**November 13, 2015**

**Honorable Members of the Orleans County Legislature:**

Please accept the filing of the following document as the 2016 Orleans County Tentative Budget. The budget recommendation represents a consistent and stable approach to investment in the county infrastructure, organization and fiscal stability. It is also reflective of a cautious approach to an improving yet unsettled economy.

The 2016 budget recommendation provides an operating plan for the upcoming year. This plan continues the transition in the financial footing and posture of the county. The 2016 Tentative Budget proposes lowering expenditures to \$64,435,941 or a \$579,325 (-0.89%) decrease and \$46,287,891 in revenues or a \$649,310 (-1.38%) decrease. As you will see in the details of the document that follows, the budget accomplishes several critical programmatic and fiscal goals while also accomplishing a minimal 0.7% or \$113,985 property tax levy increase and a 0.0% tax rate increase. This means that property owners will see no tax rate increases on the county property tax bill. The slight increase in the levy (0.7%) is compliant with the New York State property tax cap and the new property tax freeze law with room to spare. As a result, Orleans County taxpayers can once again expect a check as a result of the county's compliance with the New York State "Tax Freeze" rebate program.

The budget reflects a realization of positive impacts of the County's prior policy and financial decisions. The cost of employment made up by salary and fringe benefits continues to remain below 2012 levels for all non-nursing home departments. In order to continue to sustain a smaller more efficient workforce, we continue to invest in technology. This Budget continues to invest in energy efficiency measures building on previous investments, resulting in significant savings. As opportunities present themselves to upgrade organizational skills and capabilities, we continue to evaluate and capitalize where possible on enhanced skill sets.

## **2016 Orleans County Budget Message**

### **Page 2**

#### **Major Influences**

##### **Labor Costs**

The total number of employee positions budgeted is as follows: 318 full-time, 89 part-time and 9 seasonal. Those numbers represent a 32% reduction in positions since 2011. The County is no longer in a position to shed large numbers of positions and also maintain existing levels of service. Analyzing the cost of employment for non-nursing home operations for a five year period shows a 0.18% reduction in cost from 2012 through 2016. For four years in a row the county's cost of employment will remain lower than the 2012 budget year. Modest wage increases, reductions in the employer contribution to state retirement and only slight growth in the cost of health insurance are at the root of this trend.

##### *Pension Costs*

The Employer contributions to the New York State Employees Retirement System continue to trend downward despite modest increases in salary. Average pension rates charged by the New York State Retirement System continued their downward trending in the right direction again this year with continuing decline from 18.2% to 15.5%. The long gradual reduction and normalization in the cost of pensions as a percentage of wages is continuing for now. As the average employer contributions continue to recede, locally tier 5 and 6 begin to show some cost saving results with workforce penetration exceeding 10% in part due to an aging workforce reaching retirement age. All these factors allow the county to realize a slight decrease across all remaining operating funds.

##### *Health Insurance*

Orleans County continues to benefit from our involvement in the Alliance of Western New York. Our overall trend factor increase is a more normal 9.57% after a four year period that saw a remarkable total of a 19% increase. In addition, our efforts working with our bargaining units have been worthwhile. Our overall premium increase after implementation of the newly negotiated plan designs is 0.69%. Cleverly designed plans continue to keep a lid on our overall increase. Orleans County's overall budget for health insurance is down slightly more than 1% since 2012. Plan performance numbers would be even stronger but for some significant new offerings in the pharmaceutical marketplace resulting in expensive new treatments for some relatively widespread problems that are putting upward pressure on our plans.

##### *Social Services*

For the first time in my career at Orleans County we are seeing some reductions in the cost of social services. Case loads are down across the board resulting from a stronger if still volatile

## **2016 Orleans County Budget Message**

### **Page 3**

#### *Social Services (continued)*

economy and continued strong effort in the area of Welfare Fraud. From September of 2014 to September of 2015 Family Assistance caseloads are down 12.75%, Safety Net is down 11.47%, Medicaid is down 9.74% and Food Stamps cases are down 4.29%.

#### *Mandates*

Eight major state programs that the county is required to pay for on the state's behalf continue to still make up 84.2% of the property tax levy, down slightly from 2015. Growth in those programs is leveling off. Mandates, although slowing their growth, represent one of the two major factors that set New York State apart from other states when comparing real property taxes, the other being the manner in which schools are also funded in large part through property taxes.

In March of 2015, The Pew Charitable Trusts released results of their study on where states get the money to fund state programs. Not surprisingly, New York State got the highest percentage of their money from local taxes of any state in the country at 15.4%, higher than the next six highest states combined. This study has now simply and definitively answered the question of why New York State property taxes are higher than other states. The answer, as people in county government have been saying all along is mandates!

#### *Capital Investments*

Infrastructure Capital Project – The 2016 spending plan continues to fund ongoing debt service payments to support the ongoing \$8 million dollar infrastructure project funding replacement of bridges, culverts and other recently completed infrastructure upgrades including two large roofs, the addition of two new pole barns and a new heavy duty generator for the Mental Health Building. The county will seek to continue to address a number of major maintenance issues going forward.

#### *Sales Tax*

Sales tax revenues in 2014 and so far in 2015 have outpaced budget projections. The recommendation includes an increase in the use of sales tax of \$250,000 over the 2015 budget at \$14,035,000. Weak gas prices and continued economic uncertainty cause us to look at this number with a great deal of caution.

#### *Closure of the Enterprise Fund*

The end of operations at the Villages of Orleans in January of 2015 and closure of the Enterprise Fund in October has resulted in a transfer of the Enterprise fund balance to the general fund.

## **2016 Orleans County Budget Message**

### **Page 4**

This will alleviate a current cash flow shortage causing difficulty in the General Fund. The final debt payments for outstanding nursing home debts are set to be made in the first quarter of 2016. The county has requested a final cash projection from our nursing home auditor. A series of recommendations based on that projection will be forthcoming suggesting allocations to the General Fund balance, the Self Insurance Fund to cover long term liabilities related to legacy compensation claims and various reserves.

#### *Public Health*

The recommended budget continues the historic partnership between Orleans and Genesee Counties in the area of Public Health service delivery. The counties agreed in 2015 to a five year continuation of the arrangement as we continue to see tremendous success with the partnership. The program has resulted in improved services, reduced costs and a developing synergy between the two departments. The continued integration has now gone so far as to join the two Boards of Public Health into one, another historic first for New York State.

#### **Fiscal Summary**

##### *Tax Cap / Tax Freeze*

In 2014, New York State enacted the “property tax freeze”. The law provides rebates to taxpayers over two years in the amount of new levy that a local government or school district could have spent under based on the respective levy limit under the property tax cap law. Orleans County has and is complying with the provisions of the freeze. The county worked to coordinate with the majority of the towns and villages to compile the countywide government efficiency plan. The plan has been accepted by the state and will result in tax freeze checks for the citizens of all tax cap compliant municipal participants.

##### *Levy*

The county’s allowable increase in the tax levy is \$229,925 or \$16,439,090. The recommended tax levy is \$16,323,150, an increase of \$113,985 or 0.7% for 2016 putting Orleans County \$115,940 under the tax cap for 2016 without the use of any available carryover.

##### *Rate*

The tax rate will remain at \$9.89 per thousand of assessed value. This means if your assessment remains the same, so will the county portion of your property tax bill.

**2016 Orleans County Budget Message**  
**Page 5**

*Solid Waste Pick up*

The fee for solid waste and recycling service will be \$197, an increase of \$5 over 2015. The increase will support the e-waste collection efforts for county residents at three sites across Orleans County. The program is very popular, with high demand for the disposal of CRT monitors and televisions.

*Conclusion*

Finally, I would like to thank the county department heads and their staffs for their assistance and professionalism preparing this recommended budget. It is a pleasure to work with such a talented, dedicated group of public servants.

Again, I extend my appreciation for an excellent Legislative Board. Your willingness to see the big picture and take a long term view is invaluable to this county and this organization.

Respectfully Submitted,

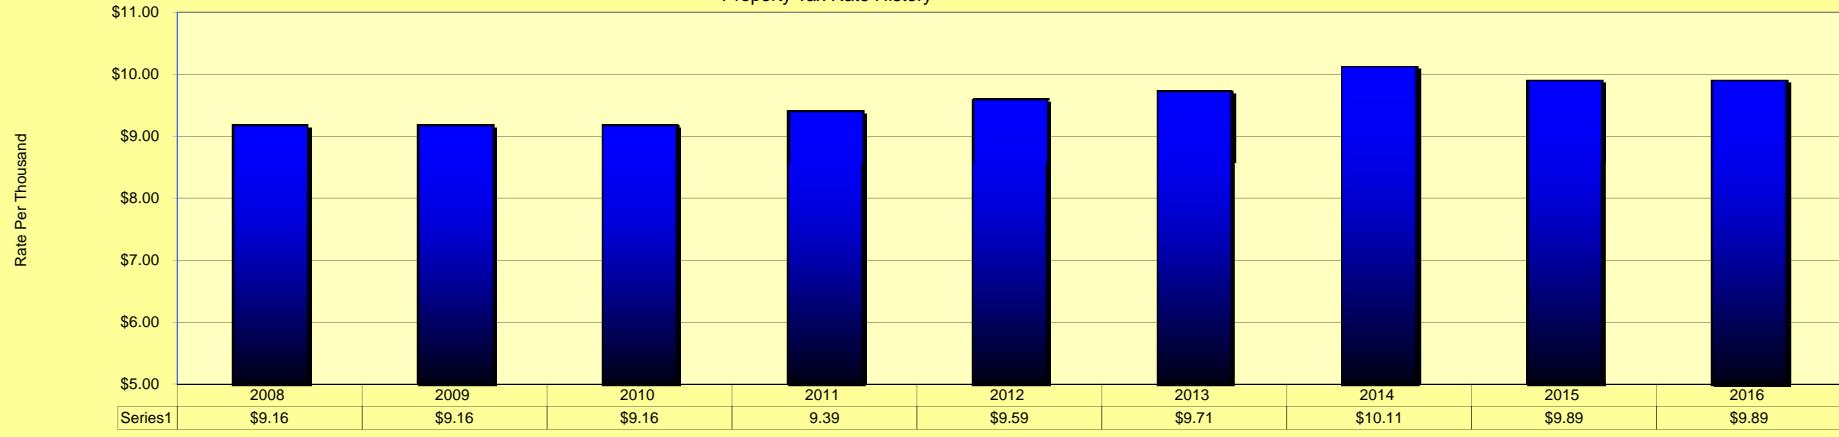

Charles H. Nesbitt, Jr.

Proposed by Budget Officer
