Honorable Members of the Orleans County Legislature:

Please accept the filing of the following document as the 2018 Orleans County Tentative Budget representing the 2018 operating and capital program. The \$70 million budget recommendation continues a consistent and stable approach to investment in the county infrastructure, the organization and ongoing fiscal stability.

Plan Overview

The plan contains a levy increase of \$421,913 or 2.5%. If approved the budget would add approximately \$18 to the average homeowner's tax bill. The 2018 Tentative Budget proposes expenditures of \$69,804,984 or a \$4,190,360 (6.386%) increase and \$50,347,661 in revenues or a \$3,673,347 or 7.870% increase. The budget accomplishes several critical programmatic and fiscal goals, remains New York State Property Tax Cap compliant and sets a tax rate of \$10.05 a 19 cent per thousand increase (or 1.927%). The increase in the levy (2.5%) is compliant with the New York State property tax cap utilizing allowable carryover from the 2017 budget.

The budget supports the county services expected by our community and save for some small changes. The 2018 budget does continue capitalizing on funding opportunities at the State and Federal levels to advance our ten year infrastructure Capital Plan for bridges and culverts. This plan reflects a continuation of the county's efforts to enhance infrastructure, grow tourism and expand future planning.

The Tentative Budget benefits from a more robust economy. Home sales are up, prices are rising and consumer spending is up. Sales tax collections are exceeding the budget for 2017 and the budget recommends an additional \$610,000 in sales tax for 2018. The Legislature and Department Heads have worked hard over the past several years to improve the financial condition of the county, striving to create a county government able to act rather than strictly reacting to changes in our environment.

Major Influences

Highway and Infrastructure

The bulk of the increase in the overall expenditures in the budget is driven by state and federal bridge projects that are scheduled for the 2018 budget year. The 2018 Tentative Budget contains \$3,646,000 in state and federal bridge projects up from the \$152,000 budgeted for 2017, a difference of \$3,494,000.

Tourism

The budget projects a significant increase in the Tourism Department as the staff will almost completely turn over and we move to stabilize the department with a full time Director. Our current Director will transition back into her previous role as a vendor for creative aspects of the I Love New York Campaign.

Debt Service

Despite a reduction of 60,166 in debt payments for 2018, the county cost rose approximately \$135,699 due to a loss of \$230,000 in revenue from the Seneca Gaming Pact. The state and the Seneca Nation are going to court over their varied interpretation of the obligations required under the pact. Therefore, this is no longer revenue that we can safely project for 2018.

Public Safety

The jail has had a tough financial year in 2017 and that is expected to continue into 2018. Changing regulations, the increased cost of boarding out prisoners and the heavy medical and mental health burdens created on the system by the opioid epidemic are all factors in this increase of \$273,618.

Local Government Support

The 2018 budgeted support for villages and towns comes in at over \$3.2 million adding approximately \$1.88 per thousand to the county property tax rate. The county expects to add a full time Animal Control Officer to facilitate a full scale transfer of function and implementation of the Orleans County Animal Control Local Law. The Budget continues sales tax support at the current level of \$1,366,671. The 2018 Tentative Budget also calls for the county to continue to subsidize community college expenses for the towns to the tune of \$1,700,000. The \$3.2 million municipal subsidy has risen by 65% since 2007.

Mandates

State mandates showed a slight decrease in the 2018 Tentative Budget largely driven by reductions in Public Assistance and Safety Net. The Budget includes an \$8,211,137 Medicaid appropriation, a \$202,845 increase over 2017 in anticipation of changes to the Affordable Care Act that may reduce savings that Orleans County is currently benefitting from.

Fiscal Summary*Levy*

The county's allowable increase in the tax levy is \$427,956 or \$17,156,366 utilizing carryover from 2017. The recommended tax levy is \$17,150,323, an increase of \$421,913 or 2.5% for 2017 putting Orleans County \$6,043 under the tax cap for 2018. Levy growth since 2014 is just 4.31%, averaging 1.08% per year.

*Rate**Solid Waste Pick up*

The fee for solid waste and recycling service will be \$212, an increase of \$5 over 2017. The increase will continue to support the e-waste collection efforts for county residents at three sites across Orleans County. The program remains very popular, with high demand for the disposal of CRT monitors and televisions. The county is also planning to offer the Household Hazardous Waste pick up annually rather than semi-annually going forward. The county is entering the final year of the current contract and will need to re-bid the program for 2019.

Conclusion

Finally, a thank you to the county department heads and their employees for their assistance and professionalism while preparing this recommended budget. These folks represent some of the best that public service has to offer.

Thanks also goes to an excellent Legislative Board and an exceptional group with which to work.

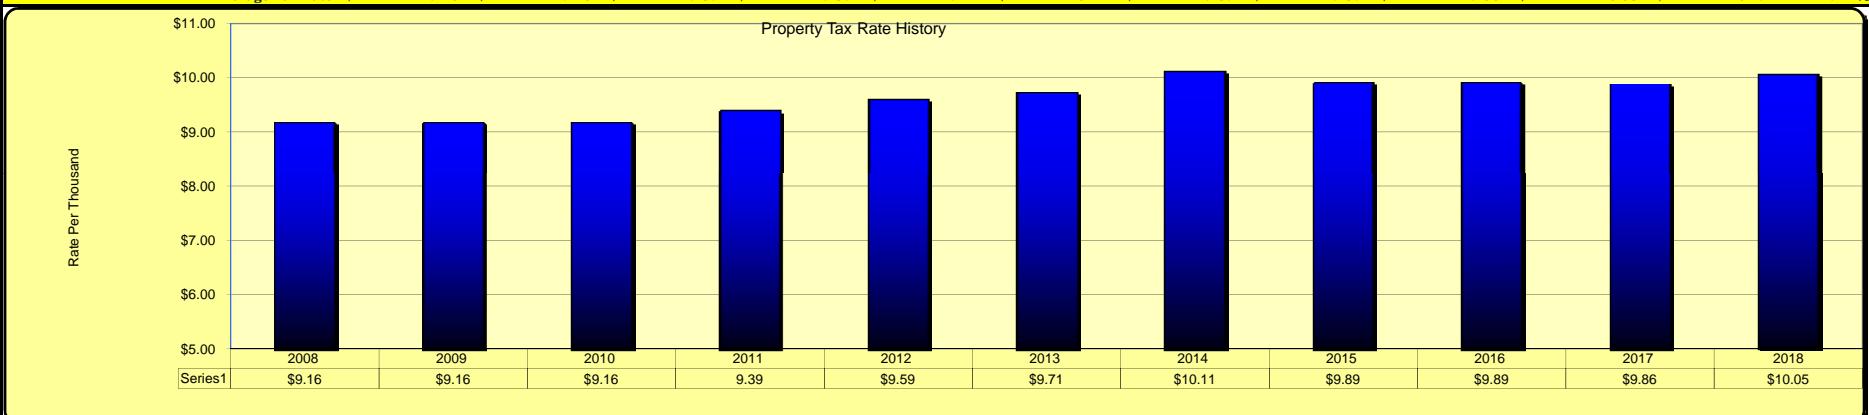

Respectfully Submitted,

Charles H. Nesbitt, Jr.
