STATEMENT OF OPERATIONS  
ORLEANS COUNTY SELF-INSURANCE PLAN  
January 1, 1976 - December 31, 1976

Board of Supervisors  
County of Orleans  
Albion, New York

To the Honorable Board Members:

We hereby submit to you a detailed report of the expenses of operation of the Orleans County Self-Insurance Plan for the year beginning January 1, 1976 and ending December 31, 1976. The breakdown of expenses as set forth hereon and as charged to the various members of the Self-Insurance Plan is the actual expense incurred by such participant through payments made to date by the Self-Insurance carrier for Workmen's Compensation claims of employees and/or volunteer firemen. The amounts as shown are not to be considered assessments but are presented solely for the purpose of showing the disposition of funds.

February 17, 1977

Hon. Board of Supervisors  
County of Orleans  
Albion, New York 14411

Gentlemen:

This is the annual report of the activities of the Orleans County Sheriff's Department for 1976.

We received a total of 5,919 reportable complaints which is 1,879 complaints over the year 1975.

The patrols, while performing their normal duties of property checks, highway patrol, answering complaints, serving Civil process, etc., traveled 333,338 miles. This is 155,156 miles less than in the year 1975 for several reasons. We were cut two deputies from the staff and a third man was assigned to the court, which cut the total patrol by one man for each shift per day. Another factor was the extreme number of miles on the odometers of the patrol vehicles. We had many breakdowns with long time tie-up, and costly maintenance.

Other activities of the Sheriff's Department, by division, are as follows:

CRIMINAL DIVISION

The Commission of Correction Annual Jail Report will be part of this report when complete.

The entire staff of the Orleans County Sheriff's Department are to be complimented on their performance during the year. Training, dedication and interest in service to the public is the key factor.

We, as a Department, would like to acknowledge the cooperation and good will we have received from all other Departments and Services, and area law enforcement, auxiliary and fire police, ambulance services and fire services.

I would like to thank the Public Safety Committee and the entire Board of Supervisors for their understanding and cooperation that we have received during the past year.

Respectfully submitted,

Yours For Better Law Enforcement,

*Don White*

Dear Sirs:

Pursuant to Section 148 of New York State General Municipal Law and the Orleans County Board of Supervisor's Resolution No. 119, adopted May 16, 1974, I hereby submit a report of the number of burials in Veterans' Plots, the number of headstones provided and the number of indigent veterans and veteran's dependents burials for calendar year 1976.

One burial permit was issued which authorized interment in Mt. Albion Cemetery Veterans' Plot and three in Boxwood Cemetery, Medina, therefore, a total of four gravesites were used in the Veterans' Plot throughout the county in 1976.

A total of twenty-seven headstones were provided during 1976.

A total of six indigent burials were authorized which included five veterans and one infant child of a veteran.

Respectively submitted,

William H. Murray

## Annual Report of Orleans County Veterans Service Agency - 1976

Pursuant to Article 17 of the Executive Law of the State of New York, I hereby submit a summary and comment on the activities of this office for 1976.

Attached is a statistical summary which reflects an increased work load as compared to 1975.

In 1976, veterans of this county received 9994 days of hospital care in Veterans Administration Hospitals which represents a 12% increase over the previous year.

Again, in 1976, the Congress provided raises for service connected compensation, non-service connected pension for both veterans, their dependents or survivors and educational benefits rates.

A total of 66 veterans of this county died during 1976.

This office expresses its appreciation to the Orleans County Board of Supervisors, to the Director and staff of the U. S. Veterans Administration Regional Office at Buffalo, to the Directors and staffs of the Batavia, Bath, Buffalo, Canandaigua and Syracuse Veterans Administration Hospitals, to veteran organizations and to other federal, state and county agencies for their cooperation and assistance during 1975.

Respectively submitted,

  
William H. Murray  
Director

January 1977

The Bi-centennial and the Sesqui-centennial Year of 1976 was a very busy one for the County Historian. The Historian met with the Bi-Centennial Committee once or twice each month and participated in the following activities: the production of an updated county history book titled, "ORLEANS COUNTY HISTORY 1976"; July 4th Parade at Lyndonville; July 4th Rededication ceremony for the Soldiers and Sailors Monument in Mt. Albion Cemetery (contributed an article for the program); Centennials Weekend at 4H Fair Grounds; Bi-centennial Barge Festival at the Medina Marina; The Road Show, (contributed the words to a song); Court House Plaque Dedication.

The Historian represented Orleans County at the County Historians Association convention in Auburn, May 13 and 14 and Albany, September 22, 23 and 24. He also represented the County in three Historical Societies; Cobblestone Society; Medina Historical Society and the new, Orleans County Historical Society.

The office was opened to students doing local research. Mr. <sup>McAllister</sup> conducted two tours of the Court House for Cub Scout troops. He was a judge at a History exhibit at the Wise Junior High School in Medina. A county flag was purchased for the office. Many letters were written in response for geneological information.

The county historian gave eleven talks to groups around the county during the year: Medina Lions Club; Lyndonville Historical Society; Medina Baptist Men; Medina Senior Citizens; Medina Business and Professional Women; Cub Scouts Banquet; Medina Rebeccas; Stroke Victims of Arnold Gregory Hospital; Methodist Women of Medina; Station Masters; Lenten Service at Lyndonville Methodist Church.

Loans of historical material were made to: Albion Schools; Medina Library; to Yates Historian; Mrs. Pearl Eddy for research on Bogue; to Medina Journal-Register.

Information was sent to Malcolm Pirnie Co. of White Plains, N.Y. about Historical Markers in the area of the Ridge Road near Jedde in anticipation of laying a water line.

Major events in Orleans County in 1976 are as follows: Numerous activities celebrating the Bi-Centennial of the nation and the Sesqui-centennial of the county; (see page 1 of this report) Clayton Plummer, Supervisor from the town of Carlton served as Chairman of the Board of Supervisors; the new Orleans County Flag put on sale; Taxpayers association continued efforts to reduce county expenditures; Iroquois Narcotics Center closed; Attempts of the State to open Minimum Security prison at Iroquois stopped by pressure of public opinion; Dr. Guy Walters retired from Mental Health Association; Water District opened in town of Carlton; Bayex Plant opened in Albion; Grant's Store replaced by Ames Store in Medina; "Big Mac" McDonalds Restaurant opened in Medina; Diana Theater in Medina closed, last of Movie theaters; The Albion Federal Savings and Loan Bank renovated the old Burrows Mansion on Main Street and opened for business; The New ROCES (Board of Cooperative Educational Services) school opened west of Medina on Route 31; Conrail Train Wreck in Medina; World's Biggest Apple Pie baked at 4H Fair Grounds; Swine Flu clinics began but called off; Courderman and Schraeders Murders.

ANNUAL REPORT OF COUNTY SUPERINTENDENT OF  
HIGHWAYS FOR THE FISCAL YEAR ENDING  
DECEMBER 31, 1976  
PURSUANT TO SECTION 102, of the  
HIGHWAY LAW

To the Honorable Board of Supervisors  
Orleans County, New York

Gentlemen:

Two roads were reconstructed, using #2 and #3 stone and asphalt as a base and one coat of #1 stone and asphalt for a leveling coat. All ditches were rebuilt and new corrugated pipe, posts and guard rail installed as needed. These two roads were constructed with new 5 ft. shoulders and the intersections were widened.

WEST SHELBY ROAD, CR87, from Dunlop Rd. west to Salt Works Rd, a distance of 1.4 miles:

Labor	7600.42
Equip.	8115.97
Mtls.	42291.13
Paver	<u>717.50</u>
TOTAL COST	\$58725.02

TELEGRAPH ROAD, CR54, from Hulberton Rd. east to Ste. Rt. #237, a distance of 2.2 miles:

Labor	6492.33
Equip.	8074.46
Mtls.	56570.05

TOTAL COST	\$72279.34

BRIDGE ON OLD #98, (Genesee/Orleans County Line). Our share of expenses was \$12,279.55 for repairs and reconstruction done by Genesee County Highway Department, for which Orleans County supplied some Labor and Equipment, on the mutually owned bridge. Total expenses of \$24,559.10 were equally shared by both counties.

Both roads were striped with a center line of yellow, and edge lines of white, with reflectorized beads, under the Safer Roads program at no cost to the County. All County roads of 16' and over were striped twice during 1976, as financed by the Federal Government and administered by the New York State Department of Transportation.

Surface treating was done on several county roads, in part, at a cost of \$56,198.20, exclusive of Labor and Equipment.

# ANNUAL REPORT

## ORLEANS COUNTY PROBATION DEPARTMENT

JANUARY 1, 1976 - DECEMBER 31, 1976

### DEFINITION OF PROBATION

"Probation is a community based governmental agency primarily established to protect society by aiding, through utilization of social work principles, individuals and their families who are involved or about to be involved in the Juvenile or Criminal Justice System."<sup>1</sup> Accordingly, our service endeavors to provide opportunity for our client to realize increased self-determination in meeting his needs and those of his family, friends, and society."<sup>2</sup>

INTAKE - Through INTAKE (the "sifting" and "screening" process), where possible and prudent, cases are adjusted by treatment without Court action. Otherwise, they are referred to Court. This process is used principally in the handling of children's cases, young offenders, marital problems, and offenses and crimes arising out of domestic difficulties.

Probation Officers, through intake counseling, give advice and enlist the cooperation of spouses, parents, school authorities, police, and private citizens and community resources, in an effort to adjust cases without Court Action where such adjustment seems in the best interest of all concerned. It is helpful in re-uniting families, conciliating spouses, assisting in settling family and neighborhood quarrels and minor criminal matters.

Through a Federal project we extended the Intake process to justice Courts beginning 09/15/75.

## INVESTIGATION

The investigation attempts to examine and evaluate the defendant's role in and his attitude before, during, and after the crime; any past record; his social history including the emotional atmosphere of his home, his relationships with parents, brothers, and sisters, his school adjustment, achievement in comparison to ability, relationship with teachers and fellow students, work and military experiences, habits and leisure-time activities, religious contacts, etc. All this is to help the Judge have a factual picture and an emotional grasp of the human before him so that he can sentence in a manner best suited to the protection of society, the rehabilitation of the defendant and to deter others from committing crime.

The Pre-sentence Investigation then is used by Probation Departments, Correction Institutions, Child Welfare, or Mental Health Clinics as the keystone for planning social casework with the client. If, for instance, a person is placed on probation and transferred to another probation department, the investigation is sent to the receiving department so they can develop a comprehensive plan in dealing with the defendant. If he then violates and is sent to an institution, the investigation accompanies him to the institution, so the institution can deal with him in a significant fashion including educational and vocational training. Then, when he is released on parole, the parole department uses the investigation in their planning for the defendant. Investigations done in 1976 were as follows:

There was a 32% increase in the number of investigations in 1975 as opposed to 1974, and the same high rate continued in 1976. Thus, we have had an average of 19 investigations per month during the past 2 years as opposed to 14 per month in 1974 and with a reduced staff\*\* now to do them.

Through understanding, concern and discipline, and through an assortment of treatment methods concentrating on assisting the client to draw upon his own resources and those of the community, the Probation Officer helps the client avoid further criminal activity and, when applicable, to realize greater personal potential, enhancing his self-esteem and his becoming a more productive person and member of his community.

The Method of supervision includes devising a plan of treatment tailored to each individual probationer based on review and evaluation of the pre-sentence investigation. Running records are kept on each probationer containing factual data as to the probationer's performance, as well as an evaluation of his behavior and attitudes, and in the process of recording each case in this fashion, the plan of treatment is continually being updated to meet changing circumstances and needs.

The Success of Supervision:

Of the 334 Probationers we've supervised this year 38 committed additional crimes = 11.4%.

Another 12 - violated by absconding or not reporting = 3.6%.

This is a drop from 1975's high degree of success. We feel there is a correlationship between our increased caseload/decreased staff and our reduced success rate.

To specify further, our supervision caseload increased 31.1% whereas in June we lost one Probation Officer and one Outreach Worker (we lost another Probation Officer and Outreach Worker in December) or a 22% (two out of nine) reduction in staff having client contact responsibilities. With the loss of one more Outreach Worker (three out of nine) or 33% reduction, we are now fearful, frankly, of our ability to keep track of and then successfully deal with clients in 1977.

- \* We replaced the one Probation Officer position with a CETA position beginning November 1976.

#### In Conclusion:

- a. 85.1% of our clients over the last year cooperated with Probation and the Court.
- b. 88.6% stayed out of criminal difficulty.

#### SUPPORT BUREAU

Support Bureaus are created in each County by the Family Court Act to receive and disburse funds pursuant to any Court Order of the Court. The Orleans County Probation Department handles this function. Money is received from Respondents in Family Court Support cases and also on occasion, from Supreme Court cases, and in fines and restitution in Criminal Court cases. Records are kept of all transactions and money is disbursed by the Support Bureau according to Court Orders. In 1976, over \$352,431.82 was received by the Support Bureau in 8,530 individual transactions from an average caseload of 409 active Support cases. In certain instances money is disbursed directly to the County Department of Social Services as recovery to assistance applied to the Dependents. In many other instances, the support provided to Dependents reduces the amount of public assistance which the County must provide.

The Support Bureau is composed of a bookkeeper, who keeps the records and handles receiving and disbursement of all money, and a Support Clerk, who handles calls of complaint or explanation in the average 409 cases, does personal interviews in Albion, Medina, and Holley with both Respondents as to their ability to support and with Petitioners as to their needs, makes contacts with employers, types letters, gathers information from Petitioners for Petitions and composes the Petitions, and does other duties generally relating to the functions of the Support Bureau. A Probation Officer has general supervision over the operations of the Support Bureau and is responsible for initiating Court proceedings if a Support Order is not being followed. Another purpose of having a Probation Officer in that position is to provide availability of counseling in problems of visitation, which frequently occur, and to provide assistance to individuals involved in a complex and emotionally exhausting problem associated with marital break-up.

A large number of changes have been made in the Support Bureau to provide for better monitoring of support payments, a system for receiving telephone complaints during specified hours so that Support Bureau personnel can be more organized in their work schedules, and greatly improved communication with the Orleans County Department of Social Services to reduce the possibilities of fraud and misunderstandings and to insure that there will be active efforts at collection in all Welfare cases. The present staff set-up of the Support Bureau, and especially the highly efficient work of Mrs. Anna Barnard, the Support Bureau Clerk, has allowed more frequent contact by letter and phone with various Respondents and this has had tendency to keep cases more up to date, or to return them to Family Court for proper review while the issues involved were fairly clear. Total Support Bureau collections have increased 25.7% over the previous year.

The services of the Orleans County Support Bureau are free. Family Court provides a method of determining support disputes without charge to the Petitioner and Respondent and the making of payments through the Support Bureau has the effect of limiting contact between Petitioner and Respondent where emotions tend to be very high, and also between Petitioners and Respondents.

While the law provides for stiff penalties (up to six months in jail) for "wilful" violation of support orders, it is frequently difficult to enforce support against "deserting fathers" who have neither steady employment or residence and who are willing to move from place to place in order to avoid their support obligations. The problem becomes even more complex when the Respondent is in another state and the Petitioner must rely upon the facilities in another state to enforce a support obligation. The large number of "deserting fathers" throughout the country makes it impossible for police agencies to trace such persons and frequently the Petitioner (wife or former wife) is the most effective source of information as to a father's whereabouts. Even so, the successful obtaining of support for children depends mostly on the good will or sense of responsibility of the father and to obtain such "good will" depends considerably on the concern and tact of the persons in the Support Bureau.

b. Orleans	362/1	=	362.00

In 1975 we collected support on behalf of Department of Social Services clients, which either reduced the County's Welfare expenditures or directly reimbursed Social Services as follows:

Reimbursement to Orleans County	
Department of Social Services	\$65,872.61
Reimbursement to other Department of Social Services Departments	7,311.00
Paid directly to Petitioner on Welfare	41,561.00
TOTAL COLLECTED ON DSS CLIENTS	\$114,744.61

As can be seen the financially "depressed" County of Orleans compares not badly with the nationally-applauded Massachusetts Child Support Enforcement Unit. With the amount collected per client in cases involving Welfare, we did, in fact, slightly better than Massachusetts agency. On a relative basis we use less staff persons. Further note that we involve only one-third professional caseworkers that Massachusetts does and depend more on the work of a technician, which is a further savings in salary costs.

Further, because it is part of another department and because we are a small department which cuts down on inter-office communication costs and the necessity for people at the top of the organizational chart, I would guess that our administration, clerical, and bookkeeping costs are considerably less on a per-client basis as well.

#### BRANCH OFFICES

The Probation Department continued to use the Presbyterian Church, Medina, New York, Monday and Wednesday afternoons where six officers, two outreach workers and volunteers took reports.

We owe thanks to the First Methodist Church in Lyndonville, and Rev. Ray Hazlett, who allow us to use their church offices each Wednesday for a couple of hours to take reports in Lyndonville.

The Eastern Orleans Community Center in Holley has for the past four years allowed us to use their facilities to take reports and so we thank them and their director, Jim Scharping.

Since July, 1975, we've been taking reports at Carlken Manor Breakfast Facility Thursday afternoons and we thank the Sawyer Road Coalition, Inc. for their hospitality.

\* \* \* \* \*

We feel that this decentralization of service and yet centralization of administration and staff communication capabilities has been very effective in terms of encouraging people to use our Intake service with the hopes of avoiding serious criminal difficulty; and secondly, with respect to doing Pre-Sentence Investigations and supervising younger persons on Probation, who, because of the various locations in which we take reports, cannot excuse themselves due to transportation problems and have to fully accept the responsibility for making their Probation reports rather than depending upon relatives or friends to get them there.

Thus, the number of places in which we are willing to take reports and are able to do so due to the arrangements we have made and the generosity of the churches mentioned and the Orleans Community Center, there are very few of our clients who can't walk to one of the reporting centers, even if that walk be two or three miles in length.

#### USE OF INTERN VOLUNTEERS AND CITIZEN VOLUNTEERS

During this past year we have had six intern volunteers on staff, which adds another dimension to our work and gives us the capability to give more intense attention to cases at no added expense to the County. Further, it gives public-spirited citizens an outlet for their generosity. Four of the interns were seniors in social work at SUNY, Brockport, one was a sophomore in Human Services at Genesee Community College, and one was a sophomore in Psychology at Colgate College, Hamilton, New York.

The social work seniors from SUNY, Brockport, put in two full days per week, working on a teamwork basis with probation officers on supervision and intake cases and pre-sentence investigations. The two sophomores from Colgate and Genesee Community worked for one month full-time.

Report on Orleans County Intake Outreach (Proposal # 1365)

and Orleans County Probation Outreach II (Proposal # 1365 A)

DCJS Contract C70912

Preface

The original migrant outreach project's full-time operation ran from 11/1/73 to 6/30/75 (demonstration year 3/1/74 to 2/28/75). This was a response to the fact that, although "migrants" (includes migrants and staygrants\*) made up approximately 20% of the Orleans County population, they constituted a disproportionate percentage of the pre-sentence investigations and probation supervision caseloads and yet less than their percentage portion of the Family Court Intake/Diversion work. Thus we received them at the formal levels of our work -- that is, after they had been actually convicted of crimes, but we weren't seeing them at the informal level where we might be able to adjust their cases and divert them. The purpose, therefore, of the original project was to increase our contact with "migrants" at the Intake and Diversion level and hopefully reduce the contact with them at the formal levels of pre-sentence investigations and supervision. As will be seen, particularly during the demonstration year, 3/1/74 through 2/28/75, we were apparently very effective.

We then applied for a further grant, continuing the migrant outreach aspects, adding outreach to rural poor generally and six new components: (1) Justice Court Diversion; (2) Release On Recognizance; (3) Release Under Supervision; (4) Alcoholism Outreach Program; (5) Community Aides' Training Program; and (6) a concentration on using volunteers with rural poor. As the figures will again show we have reached out apparently fairly successfully to the white rural poor since the beginning of this program, 7/1/75, and have put into effect all the new operational components with considerable effectiveness in four out of the six components. In two areas, ROR and RUS, we've had little impact.

We further applied for an extension (to 12/31/76) at a reduced budget that allowed us to keep on the Project Supervisor and one Outreach Worker. The purpose was to integrate the various skills developed by the project staff throughout the remainder of the department's staff and thus to institutionalize the Federally-assisted programs.

c. Supervision	4/192 = 2.0%	2/228 = .9%

**Observations:** These statistics indicate one of the major elements of the over-all goal of the project has been accomplished; whereas we tripled our contact with migrants at the Intake level, we slightly reduced numerically our contact with them at the formal investigation and supervision levels. On a percentage basis we reduced our contact with them at these two formal levels even more significantly. Breaking it down as to each cultural grouping reflects the same trend.

We're quite pleased with the way in which this program has progressed. The three Courts that do the majority of criminal work, Albion Village, Medina Village and Carlton Town Courts, are utilizing us, as well as three other Town Courts. Further, the District Attorney's and Public Defender's Offices are strongly supportive of this program. (Further, we've had ten more referrals since 3/25/76 which are not included in the above figures.)

III. and IV. Release On Recognizance and Release Under Supervision;

Strangely, the two programs that are probably the most commonly accepted, state and nationwide, that is, ROR (Release On Recognizance) and RUS (Release Under Supervision) have met with the most resistance. Release on Recognizance, experimented with for several years by the VERA Foundation and found to be a very viable program, was accepted on the surface at least by the County Judge and District Attorney, as well as several of the town justices. RUS was acknowledged to be a need in the State Commission Report on the Court "...and Justice for All" and by U. S. Supreme Court Chief Justice Warren Burger, as an antidote for persons who are out on bail or ROR committing additional crimes.

There can be several reasons suggested as to why these programs failed to take hold strongly: (1) in explaining the Justice Court Diversion Program, the newest and conceivably least understood program, we decided not to confuse the programs in the minds of the listeners by trying to sell all three programs at once. Consequently, in setting up the Justice Court Diversion Program this was the only thing that was mentioned and it wasn't until after we had actually started that program that we began trying ROR and RUS. We then got opposition from one particular member of the Bar who brought it before the Bar Association. We felt that we had resolved this conflict quite well, particularly with the backing to the District Attorney. (2) There was, interestingly, some feeling of being threatened on the part of some of the justices. They complained that maybe we were telling them how to do their jobs: they were already releasing people on their own recognizance and would this mean that we wanted them to stop doing that until they had our investigation. Since, in many instances the justices would know the defendants' personally our advice was, that if they felt satisfied in releasing the person on his own recognizance to go ahead; that we were not, by any means, desperate for work and didn't wish to duplicate what their knowledge of a person already supplied.

The idea of teaming up with the Ministry of Concern Bail Fund Project seemed to be an excellent way to avoid duplication of efforts and to use volunteer help.

But we had difficulty getting information on the cases of the persons jailed and there were (continued on the next page)

probably several cases of persons who were jailed of whom we never heard.

Further, in doing pre-sentence investigations, as detailed in the prior interim report, and repeated here, there was demonstrated a tendency on the part of judges to release on recognizance on their own and undoubtedly many other clients were released on their own recognizance where pre-sentence reports weren't requested.

We intend to continue the availability of these programs in Orleans County and to attack the problems as outlined above on two levels.

- (1) solicit direct referrals, particularly from the County Court Judge who is very much sold on these programs, but also, consistently from those judges in Justice Courts that use us most frequently and hear most of the criminal cases.
- (2) attempt to alleviate the resistance from the jail.
  - a. joint meetings of probation and jail staff.
  - b. seek Undersheriff's participation as a member of the Probation Department's Advisory Committee (Undersheriff administers the jail). (Step b. has already been accomplished.)

V. Alcoholism Outreach, 7/1/75 to 3/25/76:

We are pleased with the increasing number of referrals in this area (26 in first six months, 23 in last three months). Feedback from other agencies indicates their growing confidence in our ability to get and have impact with the project's target clientele. The change in the public intoxication law, which is going to force police agencies to seek other means of handling the publicly intoxicated, may lead to more referrals from them. We have consistently opened and used new avenues of referral resources and they all have expressed a willingness to cooperate with the alcoholism outreach efforts. In addition, we have gotten more blacks into the Mental Health Clinic alcoholism class, and anticipate a by-product of their becoming more confident and relaxed in the Mental Health Clinic generally and the use of other clinic services generally.

The figures are as follows:

49 Total Alcoholism Outreach referrals

48 Referred to Outreach Worker

1 Handled exclusively by Probation Officer

46 Cases referred to other agencies\*

3 Counselling by Probation Department only

36 Number of cases who followed through with referrals to other agencies

\* Although 46 cases were referred to other agencies, each of these cases also received individual counselling by Probation Department.

Rehabilitating seriously debilitated alcoholics is seldom successful since few agencies will deal with them unless they request assistance. We're particularly proud of five of our clients, who were in serious physical, emotional and criminal shape due to their severe alcohol abuse problem. We felt these people were "worth a shot" basically because no consistent attempt had been made to help them with their alcoholism. Their changes have been dramatic and more than we ever hoped for or believed was possible. Four are alcohol-free and one is nearly alcohol-free. All of these people considerably improved their living situation and relationships with those around them. Three of these people have expressed a willingness to help others with their drinking problems and we've used two as volunteers in counselling other resistant clients with alcohol problems.

Once alcohol-free, we found that one client had severe health problems that had been masked by the alcohol and is now getting treatment. One was also chronically ill, frequently hospitalized, but is now in much improved physical condition. One woman who, at age 29, had never held a job, nor shown an inclination to seek one, is now looking earnestly for employment.

None of these people would recognize or deal with their problem at first. Through consistent effort, on the part of both Indigenous Worker and Probation Officer, alot of contact and refusal to be pulled into the "alcoholic game", we have been able to help them help themselves. We are proud of these people and what they've achieved and thankful we gave them a chance.

The demographic breakdown of these persons is one black, one West Virginian, two white rural poor and one middle-class person.

#### VI. Community Aide Training Program:

Through the consultation of Dr. Judith Albino, Director of Motivational and Behavioral Sciences, State University of New York at Buffalo, Orleans Probation coordinated a training program for Probation and other County agencies' staffs toward understanding and dealing with the rural poor.

There were two phases to the community aide training program. One was an evaluative questionnaire administered to a large group of persons in the various services in the county including counselling, police, schools and medical. Secondly, we developed the training program for two classes of approximately 15 persons each for 15 hours of training in a course we subsequently entitled Inter-cultural Sensitivity and Communications Workshop (course outlined attached).

This writer discovered very rapidly that developing a valid attitudinal questionnaire, its distribution to a sufficient variety of agencies, soliciting their cooperation, then that particular agency head's soliciting the cooperation of his or her workers and then any significant grading of such, turned out to be quite a task. Many people are still into a great deal of denial with respect to prejudicial attitudes and were leery and somewhat threatened by the possibility of the evaluative questionnaire and then frequently by specific questions in the questionnaire.

Interestingly, the Albion Hospital in particular reacted quite angrily to the questionnaire and accused us of stereotyping people, rather than seeing them as individuals (of course, the test allowed for not stereotyping) so apparently they were either anticipating some of our answers or felt threatened themselves by their inclination to go along with the stereotyping answer.

On the whole, however, the acceptance and participation in the questionnaire and in the training program itself and the considerable interest shown was gratifyingly astounding, particularly on the part of police, school and medical agencies -- so much so, in fact, that we had to quit making contacts because the classes were becoming full. All persons contacted expressed interest in additional such programs so that more could participate.

This experience led us to believe, that, approached in a direct and personal fashion, many agency administrators are curious and believe they have staffs open enough to be curious about their racial/cultural attitudes; or, at the minimum, were disinclined to refuse feeling obliged to participate to show their good will.

Our approach was to point out that our staff, as evidenced by our involvement in this migrant outreach program, viewed itself to be quite sensitive and unprejudiced. But, especially through the insight provided by our indigenous workers and our close contact and subsequent intent interest in the cultures of the black and West Virginian migrants, we found in a lot of ways we had in fact been naive, about, first of all, our knowledge of them and secondly of our ability to establish rapport. We found to a great extent that our previously envisioned rapport was pretty surface and had failed to obtain the trust of the client, and that, in fact, the trust was in many instances "one way". As a result, we were in hopes that through the Geneseo Migrant Center and Dr. Judith Albino our office itself could make some assessment as to its attitudes and subsequently improve its attitude and performance through the Workshop.

By acknowledging our own naivete as result no doubt of a tendency toward "paternalism", other agency heads and staff found it easy to identify with this and this considerably lessened the threat of their being involved.

Therefore, it would seem that this approach has merit on its own, independent of the results of the questionnaire or the workshop: From the standpoint of Dr. William Glasser's thinking in Reality Therapy, that "actions can change attitudes," by getting persons to participate in the questionnaire and workshop, despite their suspicions and misgivings, and participating in taking a look at their prejudicial and chauvinistic attitudes, this step alone helped them to internalize these self-critical attitudes about the prejudices that we all have, but many deny.

Thus, somewhat repetitiously, I would conclude again that the questionnaire and the course directly addressing these issues was worthwhile not only as a result of the quality of information and changes of attitudes gained, but also from the standpoint of getting various institutions, many quite rigid and fixed in their patterns, to even consider the need of such programs.

\* \* \* \* \*

We feel we've discovered some valuable discussion-inspiring tools and would recommend their use by other agencies the films, "Bill Cosby on Prejudice" and "A Friendly Game" both films offered free by the New York State Library System and the New York State Division For Youth.

The New York State Division of Probation Training Division has allowed 15 hours training credit of the 35 hours per year required to all Probation staff participating and further is anxious to develop a similar class of their own. They're considering picking up the entire course and also the services of Dr. Albino. They attended the last session for the purpose of deciding their next move in developing their own program.

**VII. "Enriched Probation" or High-Risk Cases on Probation:**

We believe that a case's being considered a good "probation risk" frequently has been predicated upon not only the person's prior criminal record, but his present resources, traditionally: stable family, job, education and habits. Adding this to the experience we developed in marshalling community resources in intake cases and being concerned with the basic inequity and further the human and economic waste of putting persons in institutions because they lack resources, we decided to try what we call "enriched probation". We would actually set up a person in a situation that provided stabilizing resources, and, succeeding in such a plan, recommended probation whereas previously, not only in Orleans County, but elsewhere, such recommendation would not have been made.

Despite our concentration in this particular area and despite the fact that our supervision caseload grew 50% in 1975, in 1975 only 14 of 285 supervision clients or 4.5% got into further criminal difficulty. Thus, we feel we proved that probation, even being granted in what would be traditionally considered higher-risk cases, can be an effective method of not only maintaining someone in their community and allowing them to contribute to society through their work, supporting themselves and their family, but also providing public safety.

Further indicative of this and pointing out the crucial need for such a thrust is that an actual count of our active probation cases in August of 1975 showed that 84.5% of our cases were self-supporting or in self-supporting families (in the case of children and wives), whereas only 15.5% of our caseload at that time was receiving Welfare assistance.

Using the criteria of: (1) marshalling significant community resources and (2) maintaining an otherwise unstable person in the community, we recommended "enriched probation" concept in 38 cases and utilized it in 36 cases from 11/1/73 to 3/15/76. Of these 20 were migrants or persons who had come here as part of the farming industry (blacks, West Virginians, Puerto Ricans) or 53% and 33 were rural poor or 87%.

The tables below show the success rate overall based on the commission of additional crimes and present stability as well as success with "migrants" and with other rural poor:

11/1/73 through 3/15/76:

	Total	"Migrants"	Other Rural Poor	"Middle Class"
Total recommended	38	20	13	5
Received Probation	36	18	13	5
Successful	21	11	7	3
Got into less serious trouble	4	1	3	0
Committed as serious crimes	6	4	2	0
Still on Probation	5	2	1	2

Another indicator of success: Although we supervised 50% more probation cases this year (a total of 285 cases) only 4.2% committed additional crimes; of these only 33% were rural poor and of these only 25% of the total were "migrants", thus less than their percentage of the supervision caseload.

\* \* \* \* \*

Although we're simply one of many steps in the criminal justice system, we feel that these efforts have contributed to alleviating the inequities of our present Criminal Justice System and should be duplicated by all probation departments both in philosophy and practice as well as by other aspects of the system.

To: PROBATION ADVISORY COMMITTEE

DATE: FEBRUARY 24, 1977

REPORT ON RELEASE ON RECOGNIZANCE

Through discussions during the September and October, 1976, Probation Advisory Committee meetings, we decided to reinstitute a daily contact with the Orleans County Jail and case-by-case investigations for the purpose of studying whether there is a substantial number of persons who would be eligible and suitable for R.O.R. If so, then this could contribute toward reducing unnecessary detention and thus unnecessary disruption of persons' and families' lives and overcrowding and expense of the County Jail.

Accordingly, it would take a higher priority than present in Probation Department duties. On the other hand, if study should show that it would have little impact, probation should logically continue its interest, but of necessity, reduce time spent on R.O.R.

\*\*\*\*\*

R.O.R. investigations 11/10 thru 12/17/76:

Recommended: 2

Not Recommended: 24

Reasons:

Bailed Out	7
Prob/Parole Vio.	3
Dangerous Off.*	7
Prior Record*	4
Unstable home/	
Work	3

\*in some instances 2 or all 3 factors contributed to our decision not to recommend ROR, but only that judged most predominant was tallied here.

\*\*\*\*\*

In addition we looked at:

Jail Status of Pre-sentence Investigation Cases,  
October 1976 through January 1977.

County Court - 21 cases	— 42 Total Criminal Court cases
Town Justices- 21 cases	

\*\*\*\*\*

ROR - 18

Bail - 14

32 not detained

Jail 10 detained

\*\*\*\*\*

In conclusion, one or maybe two observations could be suggested:

1. Very few persons are held inappropriately in the Orleans County Jail pending trial.
2. Probation might be a little conservative in recommending ROR.

Recommendation: ROR investigations be continued by the Probation Department, but at a considerably reduced level:

1. Phone contact be made to the County Jail each Monday for names of those detained pending trial.
2. Cases are screened thru Probation Department records.
3. Cases deemed appropriate, and ~~then~~ unknown to Probation be investigated within 3 days.
4. ROR investigation requests from Courts, attorney and defendant's families be honored.

Respectfully submitted,

Director of Probation

# CASELOAD AND COST ANALYSIS

## A. CASELOAD

TYPE OF CASES	Number of Cases 1976	Average Per Month	Case Unit Weights	Average Case Units Per Month
<u>INTAKE</u>				
Given Information Only	73	6.1	.25	1.5
1st Interview Adjustment	135	11.3	.50	5.7
Given Counseling	233	63.0	1.25	78.8
<u>INVESTIGATION</u>	223	18.6	3.00	55.8
<u>SUPERVISION</u>	334	225.9	1.00	225.9
<u>SUPPORT</u>	569	455.6	.20	91.1
<u>SUPPORT PROBATION</u>	43	18.6	1.00	18.6
TOTALS	1,610	799.1	N/A	477.4

As can be seen by the above figures, we dealt with 1,610 cases during 1976 and that generally means families because in almost all instances we deal with both husband and wife, and sometimes children, or with child and parents. We could double that figure of 1,610 in terms of the number of people we actually counseled. Subtracting the cases in the first two categories where generally only one contact was made, it still leaves 1,402 cases with which the Department has had an on-going contact during 1976.

In terms of the average number of cases in which the Department was involved on a per-month basis, the total is 799.1 cases per month divided up among six Probation Officers through 06/30/76, then four Probation Officers from 07/01/76 to 10/18/76, and five Probation Officers for the remainder of the year.

The State Division of Probation, in order to try to assess caseloads based on the demands of different types of cases, devised a numerical weight to be given to each different type of case using the probation supervision case as the standard, that is, one case unit. Assessing our caseload using these weights shows that the Probation Department supervised 477.4 case units per month on the average which is for six officers an average of 79.6 cases each, for four officers, 119.4 cases each, and for five officers, 95.5 cases each. In addition, we lost two experienced and effective outreach workers who assisted the Probation Officers in keeping close contact with cases, and lost experience in one Probation Officer position when the LEAA position was lost and subsequently replaced by a new person under CETA, which lost us time in training that new Probation Officer. And, of course, we lost one Probation Officer position altogether.

Between a growth in caseload and a loss of client contact staff positions, we have been seriously hampered in maintaining the close contact that enables us to counsel clients and head off potential criminal problems. Indicative of this is that over 11% of supervision cases this year have committed further criminal offenses, compared to only 4.3% in 1975 when we had average caseloads of 64.1 and the two outreach workers. Therefore, it continues to be the con-

tention of this writer, and of many studies done recently in the field of criminal justice, that we've yet to really try Probation seriously as a correction method. That is, we have yet to really invest time and expense in developing a strong Probation service compared to the large amounts of money that we have expended in correctional and institutional care. Interestingly, this same phenomenon is mirrored elsewhere in the institutional care arena, community health clinics versus mental hospitals, the home and public health nursing versus medical hospitals, community mental health retardation clinics and caseworkers versus the institutions for the mentally retarded.

Society had seemed to be realizing that for the most part, putting people into institutions is not only far more expensive than attempting to deal with them in the community, but also far less successful in terms of their eventual adjustment and productivity as members of the community.

ORLEANS COUNTY HEALTH DEPARTMENT

Albion, New York

HIGHLIGHTS FOR 1976

ADMINISTRATIVE:

At the beginning of 1976 two key positions were vacant; the Director of Patient Services which was filled March 26, 1976 and the position of Senior Public Health Engineer filled on July 12, 1976. This was the result of persistent and extensive recruitment involving a considerable amount of time and effort. In the interim that these positions were vacant, the Home Health Agency and Division of Environmental Health were under the direct supervision of the Administrator. The Department was indeed fortunate in obtaining the services of qualified personnel to fill these vacancies.

A few staff changes occurred in the Department other than filling these positions noted above. One Environmental Health Technician resigned on 5/21/76 and has not been replaced since the remaining inspectional personnel felt that programs could be administered without the additional Technician. No Camp Sanitation Aid was employed to inspect Migrant Labor Camps in 1976 since this area was covered by the two (2) Sanitarians and remaining Environmental Health Technician. The Clerk assigned to cover clerical duties for the Division of Environmental Health resigned 3/5/76 and was promptly replaced.

A new Model Sanitary Code was developed for Orleans County and was submitted to the Board of Health for review and approval. Two sections had been reviewed, discussed, received favorable comment, and approved by a majority of the Board.

However, it came to the attention of the Board of Supervisors who recommended further revisions be made to the proposed Code by the Board of Health before adoption.

The Administrator has participated and represented the Health Department in the Health Service Area (ESA) meetings, chronically ill, Swine Flu Program, respiratory clinic conferences, County Health Officials' Association, Inter-Agency Council, County Planning Board, Community Workers, New York State Public Health Association, Commissioner's Meetings, and Orleans Home Services Organization.

An evaluation of the Department's record keeping and reporting is under way to determine the effectiveness in each program and determine the most logical way for managing the departmental personnel to best serve the needs of the community.

Approximate revenue collected for Home Health Care amounted to \$68,408.41 (not including part of November and December 1976).

## NURSING DIVISION

The Nursing Division has had full staff for three fourths of 1976 which consists of one Supervising Public Health Nurse, two Public Health Nurses, two Registered Nurses, one Licensed Practical Nurse, one Home Health Aide and Physical Therapist. The latter is hired on a contractural basis on fee for service. The Supervising Public Health Nurse is acting Director of Patient Services and upon completion of an approved course in nursing administration will become Director of Patient Services.

Comparison of the number of nursing, home health aide and physical therapy visits in each quarter of 1975 and 1976 indicates a marked increase in the number of visits in all three disciplines.

The Home Health Agency evaluation was completed in April and the Department was subsequently notified that certification will remain in effect for the coming year.

Pre-school Immunization clinics were held at the Health Department. Immunizations offered and administered by a physician were D.P.T., D.T., Oral Polio, Mumps, Measles, Rubella and TB Skin testing. These clinics are held for pre-school children including Head Start and Day Care Center programs. Oral polio immunization and TB skin testing were offered to all school districts. Other clinics held at the Health Department were the Respiratory Disease Clinic, Medical Rehabilitation Clinic and Swine Flu Immunization clinics.

The Swine Flu immunization program was moderately successful in this County. The Nursing Division managed the program. Implementation of such a program would have been impossible without the cooperation of the entire Department and community volunteers. Emergency Medical Technicians and Health Department personnel were trained to operate the pedi guns. Red Cross, church groups, Jaycees, volunteer

fire department members and community people were trained in the registration and principles of clinics. Community registered nurses volunteered their professional services and expertise. There were five separate clinic sights for two days throughout the County. During November and December there were twelve clinics held at the Health Department offices.

A mass measles immunization campaign was conducted in February in all five (5) school districts to update and immunize all students against measles in all grades K - 12. Clinics were set up by the County Health Department in the school and immunizations were administered by use of the jet injector gun by a representative from the New York State Department of Health, Buffalo Regional Office.

The Health Department was utilized by the State University of New York at Brockport Nursing Department for their clinical experience in Community Health. The students were registered nurses who were completing the requirements for a Bachelors Degree in Nursing. There were two groups of six students each in the agency a total of twelve weeks. This was a positive learning experience for both staff and students.

The nursing staff is preparing a procedure manual which will explain specifically implementation of nursing procedures in a home situation. It is hoped that this will be incorporated into a field manual. Also, they have been attempting to improve the methodology of validation and are presently developing a problem oriented medical record with appropriate variations to meet the needs of this Department.

Staff development activities have included attendance at Cancer Teaching Days,

child abuse, alcoholism, cardio-pulmonary disease, management of respiratory disease clinics, mental health sponsored adult day care centers and nutrition. The nursing staff were participants in basic Life Support classes offered by the Heart Association, orientation to the management of and functioning in nurse administered immunization clinics, an inter-racial sensitivity training seminar and child-parent training classes for exceptional children.

Presentation of programs, talks, and diabetic screening were provided as a community service by the nursing staff. These groups include Oatmeal Club meetings, High School Career Day, 4-H Conservation Day, Day Care Center Teaching Day and the local and tri-county Senior Citizens' Fair.

## ENVIRONMENTAL HEALTH DIVISION

Food Service. Approximately 100 establishments were inspected. Organizations with limited food service operations such as clubs, churches and semi-public operations have not been put on regular inspection. Plans are being made to routinely inspect these establishments in 1977.

A Bicentennial Celebration was conducted in Medina in conjunction with the exhibiting of the State Bicentennial Barge. The two-day Bicentennial program, 4-H County Fair, and Firemen's Carnivals in Holley and Kendall were held without any public health hazards occurring.

New Frozen Desserts and Vending Machines. Inspection programs will become active in 1977.

Temporary Residences. One of sixteen mobile home parks operating in 1975 became dormant in 1976. Development of an additional mobile home park was stopped by the developer because of business conditions. Legal action was taken by the Department of Environmental Conservation and the Commissioner's Order served on the Scofield Mobile Home Park to correct sewage disposal problems near the end of 1976.

Hotels and motels saw three of eighteen operations become either dormant or year round residences due to inability to meet the requirements of the temporary residences program.

American Red Cross Pool completed construction of toilet and shower facilities this year, bringing their facility into compliance with requirements of the New York State Sanitary Code.

Operational improvements were made at the Brockport Country Club Pool. Four bathing beaches were inspected and permitted under this program.

Association of Retarded Children's Camp started construction of toilet, shower, and water supply facility improvements.

Migrant Labor Camps declined slightly in number from previous years. Inspections indicated that the number may decrease somewhat in 1977 because of the cost to correct marginal conditions of camps.

Lakeside State Park is the only unit in the State Park and Campsite program. Most of the area is served by public water and two sewage disposal systems. The cabin area on the west side of Johnson Creek is served by drilled wells and septic systems. A recommendation has been made to the Park Administration to correct problems with contaminated wells at the cabin area. Other state properties that were inspected and permitted are the Albion Correctional Facility, and the State University College at Brockport Fancher Campus.

## Environmental Health Division

Nuisance and Service Requests were handled routinely. Insect control consisted of operation of a sampling device at the Albion Sewage Treatment Plant. The surveillance program operated under the guidance of the Rochester Regional Medical Entomologist. Numerous housing problems were handled with many solved on advisory basis.

Lead Poisoning cases were investigated as requests were received from the CHAP program.

Home Sewage Disposal and Home Water Supply activities were initiated in several ways: through new construction of homes, lending agency requests for new or existing homes, and sanitary surveys conducted for well water sampling identification of polluters through field inspection.

Individual water supplies are being improved and new sewage disposal systems that meet State Health Department standards are being installed for new homes and for replacement systems when failures are found. In about 25 percent of failing sewage disposal systems, lot sizes are inadequate to correct failing systems. The lack of a county sanitary code delays abatement of sewage to ground surface discharges.

A workshop on State Department of Health requirements on individual household systems was presented by this Department for contractors and other interested individuals.

The implementation of Realty Subdivision program has revealed additional violations where the sale and development of subdivision lots has exceeded the allowable four parcels.

Investigation of Animal Bites including laboratory analysis for rabies of domestic and wild animal specimens revealed no cases of rabies. Five rabies clinics were held in 1976.

Annual inspection of the Public Water Systems of the villages of Lyndonville, Holley, and Albion were conducted with the Buffalo Regional Public Health Engineer.

The following water mains were completed, disinfected and put into service: Town of Carlton - water mains through district; Village of Albion - Densmore Road extension to WWTP; Village of Medina - Bates Road loop completion, and Salt Works Road loop completion. Final plans have been approved for about 6000 lineal feet of 8 inch water main on Route 104 in the Town of Ridgeway easterly from the county line at Jeddo.

## Environmental Health Division

This Department has continued to work with the Avon office of the Department of Environmental Conservation. A one day orientation program was provided for the Senior Public Health Engineer at the Avon office of the Department of Environmental Conservation.

Surveillance of sanitary landfills has continued. Operation improvements were made at the McKenna Landfill in late summer.

A public hearing has been held, and approval has been given by the Kendall Zoning Board for rezoning of property to be used as a sanitary landfill by Orleans Disposal Service which serves about 50% of the population of Orleans County.

Construction commenced in late spring on the Village of Albion Waste Water Treatment Plant. Tertiary treatment will be provided at the joint municipal industrial pollution control facility. Steps have been taken to identify those areas in the sanitary sewer collection system where excessive infiltration/inflow enters the system. A proposal for replacement of 5.5 miles of sanitary sewers has been made.

## ORLEANS COUNTY OFFICE FOR THE AGING

### ANNUAL REPORT

January 1, 1976 - December 31, 1976

This year marked the first full year of operation for the Office. The Office directed itself in two general directions: (1) planning and implementation of new services or means to meet established needs, and (2) direct service to individuals. The planning and implementation aspect is ongoing and involves continual assessment activities. This responsibility of the Office is handled mainly by the Director. Direct service to individuals consisted mainly of information and assistance in securing needed services. This function was handled mainly by the Aging Services Aide and the Outreach Worker.

During 1976, the Office became well known throughout the County and many more individuals contacted it for service. Local newspapers were very helpful in printing press releases. Two major feature stories were also published which gave added circulation to important topics. Office staff were asked to speak to many organizations throughout the year. The Office appears to have been accepted in the Community and is regarded as a viable source of information on the needs of and services for older persons.

#### I Planning and Implementation

The year started with plans to initiate a friendly visiting and telephone reassurance service which is staffed by volunteers. Throughout January, the Aging Services Aide visited potential clients for these services to explain the ideas and ascertain their interest. In the last week of January, training sessions were held for volunteers. During February volunteers and clients were introduced to each other and the program was in operation. The friendly visiting program provides a weekly social visit once a week by volunteers. The telephone reassurance provides a daily phone call to check on the client's safety. If the client does not answer, a present plan to check up on the person is put into action.

The Office spent a great deal of time with the Senior Citizens Action Council to get their discount program started. In January and February the Office provided secretarial help to print up a Directory of Participating Merchants. From February to mid August a staff member worked one day a week with the program to sign up new members. Each new member had a picture I. D. card taken with cameras which were on loan from Liberty National Bank and the Orleans County Sheriff Department. While the discount program got underway, the Council's Board of Directors

was meeting monthly. As they became stronger and more organized throughout the year, the Office was able to gradually reduce the amount of support provided. By the end of the year, the Office had adopted an advisory status towards the Council, although occasional secretarial help was still offered.

Throughout March and April, the Office worked very closely with Community Action to develop applications for two major sources of funding for the CATS mini bus system. Both fundings are administered by the Department of Transportation: 16(B)(2) funds which are available for capital improvements and Section 147 funds which are available for capital and operating costs. The application for Section 147 funds was subsequently denied. However in November, word was received that the 16(B)(2) application had been initially approved and stands a good chance for final approval. In addition to such technical assistance, the Office funded a contract with CATS to allow riders over age 60 to pay whatever they were able for their fares. The Office paid the difference between cost and contribution.

With training funds provided 100% from the State Office for the Aging, the Office contracted with Genesee Community College. The contract ran from September 1975 - June 1976. During 1976 two seminars were conducted: a 3 hour session on Death and Dying and two 3 hour sessions on Pre-Retirement Training. A day long conference on Aging was held at the College in June in cooperation with the Genesee and Wyoming County Offices for the Aging.

In June, the Office began to work on a planning committee for a workshop to be conducted by the Multidisciplinary Center on Aging at the University of Buffalo. The workshop was funded by a grant from the National Institute of Mental Health and was designed to increase inter-agency awareness and cooperation in Western New York. Thirteen workshops were held in different sites throughout the region. The workshop was the first in what is hoped will be a series of workshops aimed at providing quality training of agency personnel who work with elderly persons.

In July the Office approached the Village of Albion to request them to sponsor a Recreation for the Elderly program in the central part of the County. The Village agreed if the four central townships would act as co-sponsors. When the townships' participation was assured, the Office wrote the application for such a program. A notice of award was received in December from the New York State Office for the Aging. The program will operate one day a week and will begin in early 1977.

Throughout the year the Office worked with the Meals on Wheels program to stabilize their uncertain financial and operational status. In October the organization's volunteer coordinator resigned and no replacement could be found. Because no other means of continuing the program could be developed, the Office took over coordinating it. This responsibility includes scheduling volunteers to deliver meals, billing clients, evaluating potential clients, processing new clients, and maintaining up to date diet orders from clients' doctors. The Office spent approximately 40 employee hours per month handling this service in November and December. The Meals program serves an average of 19 homebound clients per day. It is a necessary service and the Office will consider handling the coordination aspect on into 1977.

In September the Office made plans to conduct an arts and crafts and a physical fitness program during the Fall. These recreation opportunities were planned to meet two goals: first many people over 60 in the central part of the County had expressed a desire for such activities; and second, it could function as a pilot program for the proposed permanent recreation program to be sponsored by the Village of Albion. The program was held in Albion in donated space from the American Legion. The arts and crafts program ran for 26 sessions in the September through December period. It was taught by an experienced teacher and involved many different projects. The physical fitness program ran for 12 sessions and was taught by a physical education instructor from the Batavia YMCA. Both programs were well received by those who attended and enthusiasm was expressed for a continuation of both programs. The Village of Albion welcomed the suggestion to continue both programs in their permanent recreation plan.

The Office cooperated fully with the Health Department in publicizing the Swine Flu Clinics to older persons. Wheelchairs were borrowed and transported to clinic sites so that persons who should not stand for long period could ride through waiting lines.

The Office spent a great deal of time in long term development plans for two new services which would be of major importance to older persons in Orleans County. The first effort centered around developing a new means of providing Homemaker services in the County. In early 1976 two full time Homemaker positions in the Department of Social Services were abolished. The Office was approached by the Board of Supervisors and Department of Social Services about providing Homemaker services to elderly persons. An application was made to the State Office for the Aging for approval which was subsequently denied. Denial was based on the fact that Office for Aging funds are not available to take over programs that other agencies (in this case, Social Services) have previously been funding.

Following this letdown, a new approach was developed. The inter-agency Council formed a committee to investigate a means of providing Homemaker services which would be available to all County residents. Agencies such as Social Services could purchase services for clients and individuals could pay on a private fee basis for service. The Office served on this committee and also hoped to be an agency that would be purchasing service for its clients.

The interagency Homemaker committee began its work in June. They investigated the possibility of numerous agencies expanding existing, or starting a new Homemaker service in Orleans County. Several agencies contacted were Catholic Charities, Genesee County Homemakers, Orleans Home Services, and Salvation Army. In December the Salvation Army made a commitment to develop and provide this service. They stated their commitment could not take effect for three to six months, but that they were definitely planning to develop this service. Their statement included a request to the Interagency Homemaker Committee to continue to work closely with them in program development.

The second long term project the Office worked on was developing a County wide congregate feeding program. The Office's main goal was to develop a federally funded nutrition program (Title VII of the Older Americans Act). However, because such a plan necessitated 10% local funding which was difficult to raise, the Office was considering a secondary goal. This was to work with local school systems to open their lunch programs to residents over 60.

By June it was clear that the County could not fund the 10% local share. At that time a preliminary meeting was set up with area school districts to ascertain their interest in providing older persons with access to their lunch programs. The meeting was positive and further sessions were planned. In July, the Salvation Army at the request of the State Office for the Aging, offered to run a Title VII project. The school lunch program was then scrapped in favor of Title VII.

Throughout the remainder of 1976, the Office worked closely with the Army to develop an application for the Title VII program. Main details of developing community support and locating potential feeding sites were worked on.

County government officials in November, reacted against the program. Unofficially, the Office was instructed to wind down its efforts to cooperate with the Army in bringing in this program. The Office at this point continued in the areas it was already committed to, but endeavored to not enter any new commitments. By the end of December, plans for the start of the Nutrition program were almost completed. The details remaining, although

time consuming, presented no major obstacles and a target date of March 1st was set for opening.

In September a detailed survey was conducted to identify needs for preliminary planning of 1977's goals and objectives. The survey was randomly distributed to 250 persons throughout the County. 97 responses from all over the County were received. A copy of the survey methodology and results is available upon request.

## II Direct Service to Individuals

The Office provided direct services in three major ways; (1) providing information over the phone, (2) providing assistance when a person visits the office, and (3) visiting a person in his own home to provide assistance. 910 units of service were provided under these three categories.

45% (409) of this service was provided as outreach visits to the home. The outreach worker's main goal is to help clients locate the resources they need to improve quality of life and in some cases, to remain in their own home. The worker helps people straighten out Social Security problems, apply or recertify for Medicaid, Food Stamps, and S. S. I., obtain transportation, and find help to care for the home. In many cases she assists in multi-faceted situations. Often an outreach client is met just after a hospitalization and is having a difficult time remaining at home. The outreach worker will help such people decide what they need and how to get it.

Most outreach clients are referrals or follow-up visits. During 1975, the Outreach Worker primarily met clients by door to door canvassing. However, as people began to know her and the Office, she became too busy keeping up with referrals and follow-ups to do canvassing.

35% (316) of this service are "hot line" calls. Calls are handled primarily by the Aging Services Aide. Questions are extremely varied although the single major request is for Medicare information. Other requests are for transportation, help in the home, Meals on Wheels, Medicaid, Social Security, recreation, etc. information.

The other 20% (185) are office visits. Such visits are also primarily handled by the Aging Services Aide. Requests are primarily for assistance in filling out Medicare forms, although here too many subjects are handled.

During 1976, several requests for service were from younger persons in regard to dealing with elderly relatives who were confused. The Office attempted to describe the options available to these families and counsel them as to the most appropriate action in their individual situations.

In dealing with individuals, the Office has developed very close working relationships with other agencies. In all the following agencies, staff members have a specific contact person who works cooperatively with the Office: Food Stamps, Medicaid, Social Security, Health Department, Mental Health Department, Community Action, Cooperative Extension, Arnold Gregory Hospital, Medina Memorial Hospital, Orchard Manor Nursing Home, and Orleans County Infirmary. Whenever the Office has needed to get information from or refer to one of these agencies, we have found by and large that good rapport and cooperation is operating.

### III Expenditures

Expenses incurred by the Office are reimbursed at 87.5% with federal funds which are channeled through the New York State Office for the Aging. 12.5% of the expenses are paid by the County. The total expense of the Office for 1976 was \$45,443.49. The Federal share was \$39,749.46 while the County share was \$5,694.03.

\*Other expenses include the subcontract with CATS, advertising, and a service contract for a typewriter.

When the contract period for the CATS mini bus system ended October 31st, the total federal funds budgeted had not been spent. The Orleans Senior Citizen Action Council agreed to provide the local share for November and December, in order to keep the federal funds. The Action Council's contribution for November and December totaled \$126.75. Their contribution was responsible for allowing the Office's contract with CATS to be continued in November and December.

County of Orleans  
OFFICE OF CIVIL DEFENSE  
County House Road  
ALBION, NEW YORK  
Phone 589-4414

5 March 1977

TO: Orleans County Board of Supervisors

FROM: David M. Green, Director  
Orleans County Office of  
Natural Disaster and Civil Defense

SUBJECT: Annual Report for Orleans County Office of  
Natural Disaster and Civil Defense for Period  
of 1 January 1976 to 31 December 1976

Gentlemen:

I hereby submit the Annual Report of progress for the Orleans County Office of Natural Disaster and Civil Defense.

The following is a summary of this office's activities for the year of 1976. We will attempt to show benefiting compensation to the county for monies expended through efforts put forth by the paid and volunteer staff and through reimbursement under Public Law 85-606. Under PL 85-606 we are reimbursed fifty percent in matching funds for administrative expenses.

Efforts for emergency service and rescue are coordinated through this office during the initial disaster and are carried out through the state and federal level where necessary. During the past 12 months our volunteer services were called upon to assist in many areas as will be explained throughout the report.

It is my responsibility to organize, recruit, and train the volunteers for our various services. I must also see that our plans and annexes are reviewed and updated annually. Periodic tests and exercises are conducted through this office of the various services. Surplus Property, Excess Property and Matching Funds are also secured through this office. We must also maintain records for goods and money received.

Early in 1972 the Fire Service was also placed under my jurisdiction. We secure training courses for the departments and maintain all such records.

Since 1974 when the responsibility of County Energy Coordinator was turned over to this office I have maintained a correspondence file with Albany.

It has also been my responsibility to coordinate the ambulance service in the County.

## CIVIL DEFENSE DUTIES:

1. Several county agencies have taken advantage of the items available at the surplus property warehouse in Canandaigua. Our purchases amounted to \$1,252.32, however, total value of the property was \$14,798.37. The following agencies made purchases this year:

- |                               |                            |
|-------------------------------|----------------------------|
| 1. Orleans County Highway     | 13. Albion Fire Dept.      |
| 2. Kendall Highway            | 14. East Shelby Fire Dept. |
| 3. Shelby Highway             | 15. Kendall Fire Dept.     |
| 4. Gaines Highway             | 16. Village of Albion      |
| 5. Albion Highway             | 17. Shelby Fire Dept.      |
| 6. Carlton Highway            | 18. Carlton Fire Dept.     |
| 7. Barre Highway              | 19. Medina Fire Dept.      |
| 8. Clarendon Highway          | 20. County Maintenance     |
| 9. Clarendon Fire Dept.       | 21. County Infirmary       |
| 10. Albion Legion Sheret Post | 22. Yates Highway          |
| 11. Sheriff's Dept.           | 23. Social Services        |
| 12. Hulberton Fire Dept.      |                            |

2. The Excess Property Program left a lot to be desired again this year. We received only four (4) 2½ ton cargo trucks through this program in 1976. These vehicles are valued at \$23,792.00, however, they are on a loan basis for which there was no charge to the county.
3. Several groups have toured the Civil Defense Center during the past year. During the tours we show movies and describe the duties of this office.
4. "Go Home" plans are prepared for the county schools to be used during an emergency. In the event of a nuclear attack or a natural disaster we attempt to get all students home. If this is not possible to carry out shelter drills are also conducted to instruct the teachers and students what steps to take. These plans are updated each year.
5. A EMT course was conducted during 1976. This is an 81 hour training course for people who work on ambulances. All records are kept by this office. Seventy-six people took part.
6. Each year the service annexes must be reviewed and updated where necessary. Our Communications annex was updated and approved.
7. Weekly radio checks are conducted from the Civil Defense Center on the following radios:
  1. Each Monday the school monitors are checked. Eight schools in the county take part in this check.
  2. Citizens Radio Club test are conducted each Tuesday night by Mark Porter or one of his assistants.
  3. Fire radios are also checked each Tuesday for the same purpose.

8. I attended monthly meetings of the Western District Directors Association. These meetings are held to keep us informed and also gives us a chance to solve common problems. I served the association as president during 1976 and my secretary was recording secretary.
9. The County Fire Service conducted 10 training courses this year. This office sets up the schedule for the courses and maintains the records. The Division of Fire Prevention and Control for the State of New York furnishes the state instructors.
10. Our own training officer conducted several classes on breathing apparatus and fire extinguisher use.
11. A county workshop is held each year for the fire and rescue personnel. This is an 8 hour session with speakers and demonstrations.
12. The Fire Service was activated by the New York State Police to assist in searching the swamp area for the body of a murder victim. One of the firemen discovered the remains.
13. Our SCUBA team was activated on two occasions in 1976. One was to recover the body of a drowning victim, the other to recover a car.
14. The Auxiliary Police served over 6,000 hours during the past year. These men assist at parades, carnivals, county political functions, the county fair, and ride partol with Sheriff's Dept. Communications were improved with additional CB radios being placed in their cars. The Auxiliary Police were also activated at the time of a train wreck in the Village of Lyndonville.
15. Monthly newsletters are sent to the Orleans County Fire Departments and Emergency Squads.
16. The following items were purchased through this office:
  1. A tape recorder to record emergency phone calls
  2. Replaced a monitor in one of the fire halls
  3. Half the cost of a camera to be used in investigation work and during disaster inspection
  4. Additional equipment for the Auxiliary Police
  5. An electronic nose for investigation work
17. The training grounds was used on an average of three times a week during the good weather. A special class on auto extrication was held for our fire and rescue personnel. A class on hazardous material spills was also held.
18. The dispatch room now handles emergency calls for 11 county fire departments and the ambulance service. We are also responsible for one of the dispatchers who was originally hired under the CETA program, however, he has since been picked up by the county. It is very beneficial having two dispatchers on duty at once.
19. I completed a course on Arson investigation held at Niagara County Community College and one held by the State of New York at the Academy of Fire Science at Montour Falls.
20. Approximately four (4) arrests have been made in the county as a result of this training and teaming up with a representative of the Sheriff's Dept. Other cases are still under investigation.

21. I have conducted several programs at the schools concerning the proper action to take in time of emergency. This has covered winter storms, tornados, floods, etc. I have a film section to be used in this program.
22. I have been in contact with local industry concerning recent energy problems. It has been necessary for several to switch to an alternate fuel in view of the natural gas shortage.
23. Following is the number of calls the Fire Service in Orleans County has responded to during 1976:

<u>DEPT.</u>	<u>TOTAL CALLS</u>	<u>FIRE CALLS</u>	<u>FALSE ALARMS</u>	<u>EMERGENCY AND AMBULANCE CALLS</u>
Albion Fire Dept.	319	206	16	113

Shelby Fire Dept.	63	49	1	14
	<u>1993</u>	<u>732</u>	<u>77</u>	<u>1261</u>

This office wishes to express our appreciation to the Orleans County Board of Supervisors, other county departments and agencies and the many other organizations we have worked with during the past year. We would also like to thank the many volunteers who have made our programs workable.

Respectfully submitted,

*David M. Green*

We hereby certify that the following Proceedings of the Board of Supervisors of Orleans County, printed by authority of said Board, are a true statement of the record of such proceedings as filed in this office.

ULDINE D. JURHS  
Clerk of the Board

ORGANIZATION MEETING  
Thursday, January 6, 1977

The Organization Meeting of the Orleans County Board of Supervisors was held in the Supervisors' Room, Court House, Albion, New York, on Thursday, January 6, 1977.

The meeting was called to order at 10:15 a.m. by the Clerk, Uldine D. Jurhs; Supervisors representing the ten towns in the county responded to roll call as follows:

Francis Nayman.....	Albion
George L. Batchellor.....	Barre
Clayton Plummer.....	Carlton
Albert H. Kemp.....	Clarendon
Theodore Swiercznski.....	Gaines
Michael Paduchak.....	Kendall
James Piedimonte.....	Murray
Stanley R. Kubatek.....	Ridgeway
Stanley Dudek.....	Sheiby
George W. Bane.....	Yates

The Clerk announced that the first order of business was the selection of a Temporary Chairman, and called for nominations. It was moved by Supervisor Paduchak and seconded by Supervisor Bane that Supervisor Piedimonte be nominated for Temporary Chairman. There being no further nominations, it was moved by Supervisor Batchellor and seconded by Supervisor Kubatek that nominations be closed, motion carried. The Clerk declared Supervisor Piedimonte Temporary Chairman and presented the gavel to him.

Supervisor Piedimonte asked for nominations for Permanent Chairman for the year 1977. It was moved by Supervisor Batchellor that Supervisor Stanley Kubatek be nominated for Permanent Chairman, seconded by Supervisor Nayman; Supervisor Dudek moved that Supervisor Clayton Plummer be nominated for Permanent Chairman, seconded by Supervisor Bane; Supervisor Swiercznski moved nominations be closed, seconded by Supervisor Bane, motion carried.

The Clerk called the roll and the vote showed 190 votes for Supervisor Plummer, 182 votes for Supervisor Kubatek; for Supervisor Plummer, Supervisors' Plummer (25), Kemp (20), Paduchak (22), Piedimonte (46), Dudek (54) and Bane (23); for Supervisor Kubatek, Supervisors' Nayman (65), Batchellor (21), Swiercznski (24), and Kubatek (72).

Supervisor Kubatek moved that the nomination of Supervisor Plummer be made unanimous; seconded by Supervisor Bane, and carried.

Temporary Chairman Piedimonte appointed Supervisors' Swiercznski and Paduchak to escort the Chairman to the Chair. Chairman Plummer thanked the Board for the honor of again serving as Chairman and promised he would try to do a good job.

It was moved by Supervisor Bane, seconded by Supervisor Swiercznski, that Mrs. Uldine D. Jurhs, be reappointed Clerk of the Board of Supervisors to serve, commencing January 1, 1977, during the pleasure of the Board at a salary of \$11,435.00 per annum. There being no further nominations, Mrs. Jurhs was unanimously appointed Clerk.

Recessed at 10:20 a.m. for the Chairman and Clerk to take their oaths of office.

Reconvened at 10:30 a.m.

Election Commissioners Slack and Hill appeared before the Board at the Board's request to discuss the Board of Elections request to purchase an Addressograph machine. The Commissioners explained the difficulties in purchasing repair parts for their present machine because the machine is no longer being manufactured. The gentlemen gave a brief description of the functions required of the proposed machine. The matter of lease or purchase of a machine which could do other functions for county departments was raised. The following resolution was adopted:

RESOLUTION NO. 1

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION AUTHORIZING THE FINANCE COMMITTEE AND THE PURCHASING COMMITTEE TO RECOMMEND PURCHASE OR LEASE OF EQUIPMENT FOR COUNTY DEPARTMENTS

RESOLVED, that the Finance Committee and the Purchasing Committee be charged with the responsibility of investigating the needs and requirements of all county departments in relation to use of a computer or similar type equipment and to report back to the Board with their recommendations. by the first meeting in March.  
Unanimously adopted.

Chairman Plummer read a letter from the Fire Advisory Board recommending the reappointment of David Green as Director of the Office of Natural Disaster and Civil Defense.

Chairman Plummer reappointed Mr. Green as Director of the Office of Natural Disaster and Civil Defense.

Privilege of the floor was granted to Deputy Sheriff David Reis a member of the Orleans County Traffic Safety Advisory Committee. Mr. Reis told the Board that at the last meeting of the Traffic Safety Advisory Committee he had been selected to help in the funding applications and comprehensive four year plan. He requested some sort of designation from the Board of Supervisors so that he could be funded for his time. The Sheriff has authorized him to take some of his duty time and put it on this project but he expects to be reimbursed. The title for the position is recommended as Traffic Coordinator. A resolution is required from this Board for the funding application.

Supervisor Swiercznski asked how much time would be involved and Mr. Reis replied that it would take four hours a day until the plan is completed and then probably about a few hours a month depending on the number of projects approved by the Traffic Safety Advisory Board. Mr. Reis told the Board that it is totally funded by State and Federal monies and that no local funds are involved.

It was moved by Supervisor Nayman and seconded by Supervisor Kubatek that the question of approving this part-time position of Traffic Coordinator be referred to the Public Safety Committee and the Planning Committee for their recommendations.

Carried.

Supervisor Kubatek said, "I feel we have a County Planner, Highway Superintendent, Fire Coordinator and Sheriff, whose departments would benefit from this program, I don't see why they can't iron this out between them."

Mr. Miles said, "There have been some developments in the union negotiations, I would at this time like to request an executive session to discuss them. We are now operating under the "Sunshine Law" and a majority of the Board must vote to have an executive session and a reason must be given."

It was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that the Board adjourn to executive session to discuss the new developments in the union negotiations.

Unanimously adopted.

Recessed at 11:15 a.m., reconvened at 11:55 a.m.

## RESOLUTION NO. 2

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Bane.

## RESOLUTION AUTHORIZING DELAY IN IMPLEMENTATION OF STEP AND GRADE PLAN

RESOLVED, that the implementation of the Step and Grade Salary Plan as approved by Resolution No. 321 adopted on December 30, 1976, be delayed until the completion of union negotiations with county employees.

Unanimously adopted.

Before adoption of the above resolution Supervisor Dudek said, "The Board is unanimously agreed that the concept is good, it provides a sound basis for determining wage rates for different categories. There is some detail work that needs to be done as far as the implementation goes, that plus the fact that we are involved in negotiations is the reason for the delay in implementation."

Supervisor Paduchak, "Also, some department heads have requested additional time to study whether some of their employees are in the right category. This is a new program and it will take a little time to get the kinks out of it."

Recessed at 12:00 p.m., until 1:15 p.m.

## AFTERNOON SESSION

Reconvened at 1:15 p.m., all Supervisors present except Supervisor Piedimonte who was ill.

It was moved by Supervisor Batchellor and seconded by Supervisor Paduchak that any member of this Board and the Commissioner of Social Services be authorized to attend the public hearing on Unemployment and Home Relief Benefits to be held in Albany on January 24, 1977, at county expense.

Carried.

The Clerk presented a "Summons" received 1/3/77, being a third-party complaint, Georgia E. Pritchard, as Administratrix, C.T.A. of the estate of Ada Breuilly, deceased, of Albion, New York; and Arnold Gregory Memorial Hospital, Plaintiffs, The County of Monroe, and the Department of Social Services of the County of Monroe, -vs- The County of Orleans, and the Department of Social Services of the County of Orleans.

The County Attorney will answer the complaint for the County of Orleans and the Department of Social Services of the County of Orleans.

The following communications read by the Clerk:

Letter dated December 30, 1976, from Loren D. Fleming, NYS Department of Labor, re: availability and use of 1977 CETA funding. Ordered filed.

Letter dated December 29, 1976, from the Public Service Commission, acknowledging resolution regarding proposed increase in New York Telephone Company rates. Ordered filed.

Letter and reports on "Sources and Applications of Funds for Financing Mental Hygiene Services in New York State." Referred to Health Committee.

Copy of letter sent to Congressman LaFalce by the County Attorney, re: Various Municipalities in Orleans County Regarding the Federal Public Works Grants.

Mr. Miles told the Board that he had contacted all the schools, villages, etc., to request a report on the applications they submitted for grants.

#### RESOLUTION NO. 3

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION APPROVING AGREEMENT BETWEEN COUNTY AND MARGARET BRUNDAGE

RESOLVED, that the agreement herewith presented between the County of Orleans and Margaret Brundage for janitorial services at the Orleans County Office of Natural Disaster and Civil Defense, be approved at a salary of \$220.00 per month, effective January 1, 1977 through December 31, 1977, payment to be made upon presentation of monthly vouchers.

Adopted. 326 ayes; 0 nays; 1 absent, Supervisor Piedimonte (46).

#### RESOLUTION NO. 4

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION APPROVING AGREEMENT BETWEEN COUNTY AND COMMUNITY ACTION FOR CATS MINI-BUS SYSTEM

RESOLVED, that the agreement herewith presented between the Orleans County Office for the Aging and the Orleans Community Action, Inc., Mini-Bus System for the period January 1, 1977 through December 31, 1977, be

approved by this Board, and the Director of the Office for the Aging be authorized to execute same in the name of the County.

Adopted. 326 ayes; 0 nays; 1 absent, Supervisor Piedimonte (46).

Supervisor Swiercznski, "I understand we have a broken window and the lease is up (at the Narcotics Guidance Office), may I suggest you look for a place in Medina. I think that they have saturated Albion, I suggest you look for a place in Medina. It should be moved up there and I suggest the Building Committee look into this. We should spread it around."

Supervisor Kubatek, "We don't want it, in fact if you put a motion on the floor to abolish it I will second it."

Supervisor Swiercznski, "We can't do that, I don't think."

Supervisor Kubatek, "Medina has expressed no desire to have it there."

Supervisor Paduchak, "Get up on the hill in Albany and tell them to do away with the program and then we will do away with our end."

Supervisor Kubatek, "Weren't we the only county with it?"

Supervisor Swiercznski, "There are some problems, why don't we send a resolution to see if this is a mandated program."

Supervisor Kubatek, "How can it be mandated when we are the only county?"

It was moved by Supervisor Swiercznski and seconded by Supervisor Batchellor that the County Attorney be directed to inquire whether this program at the Narcotics Guidance Office, Storefront, is under a mandated program.

Unanimously adopted.

Mr. Miles, County Attorney, "Perhaps all of you have seen in the paper and heard of the fact that a Niagara County Judge and a state policeman have sued the County of Niagara and the County Attorney, and a few others on the basis that there was allowed to be presented before the Niagara County Legislature a presentation by a man who blackened the character of a judge and I only mention that by the fact that there never has been anything of that nature here, but if somebody does request time before the Board to talk about a department head or about the Judge or about somebody else of that nature, I think it should be recognized that in that event, it should be a special meeting if you desire it, it should be for investigative purposes, that the person who is going to be discussed be notified and be allowed to be present with counsel to eliminate the potential of these law suits. I really don't know how Judge Hammond is going to make out, nor the state trooper but it seems to be for a substantial amount of money. It wasn't the board. He is complaining about the fact that the Niagara County Legislature or Niagara County Attorney allowed this to happen. In other words, they should have stopped him and said - "Okay, we will have an investigative hearing and at that time we will have Judge Hammond and the state trooper and they can present their case too" but instead of that the Chairman of the Legislature and the County Attorney let the guy ramble on. It is on the record and the Judge's character is now disparaged."

It was moved by Supervisor Swiercznski, seconded by Supervisor Paduchak, and carried, that the meeting be adjourned.

Adjourned at 1:35 p.m., until January 20, 1977, at 8:00 p.m.

REGULAR MEETING  
Thursday, January 20, 1977

The meeting was called to order at 8:30 p.m., by the Chairman. The Clerk called the roll and all Supervisors were found present.

A notice was read of a public hearing to be held in Albany on January 25, 1977, regarding Transportation Operating Assistance. No action taken.

It was moved by Supervisor Batchellor and seconded by Supervisor Paduchak that all Supervisors and the Commissioner of Social Services be authorized to attend a public hearing in Rochester on February 24, 1977, regarding the proposed reductions in the Public Assistance and Medicaid programs and their effect upon the poor and upon the ability of health care facilities to provide adequate care at reasonable cost, such attendance to be at county expense.

Carried.

The Clerk presented the following communications:

Invitation from NYSAC for public officials to attend luncheon on Tuesday's when they are in Albany on business.

Notice of public hearing to be held by DEC on February 8, 1977 in Watertown, re: Water Reclassification. No action taken.

Letter from State Senator John D. Caemmerer, re: Legislation for Oil Spill Control and Prevention.

Letter from Historians of the Towns of Ridgeway, Shelby and Village of Medina, dated January 13, 1977, requesting permission to publish a correction page to the Orleans County History Book, the following motion was adopted:

It was moved by Supervisor Dudek and seconded by Supervisor Kubatek that the Orleans County Board of Supervisors does authorize printing of a correction page to the Orleans County History, Past to Present, Bicentennial Year 1976, as prepared by the Historians of the Towns of Ridgeway and Shelby and the Village of Medina. Said Historians have full approval of this Board to proceed with distribution of this correction page.

Carried.

Presented the Annual Reports of the Motor Vehicle Department, County Clerk and Self-Insurance Plan. Ordered printed in the 1976 Proceedings.

DEPARTMENT OF SOCIAL SERVICES

40 NORTH PEARL STREET, ALBANY, NEW YORK 12243

PHILIP L. TOIA  
Commissioner

January 12, 1977

Mr. Clayton Plummer, Chairman  
Board of Supervisors, Orleans County  
County Building  
Albion, New York 14411

Dear Mr. Plummer and Members of the Board:

This is in response to your request for a ruling on the question "does the local Commissioner of Social Services have the right to place indigent patients in the County Infirmary if there are vacant beds rather than in facilities chosen by the patient?"

In a letter to the Board dated November 3, 1976, the Department indicated that it received an opinion from the Attorney General which held that a recipient's right to free choice of providers would be violated if the recipient were required to go to a county infirmary rather than a private facility. A copy of the Attorney General's opinion is attached.

We also requested an opinion from the Department of Health, Education and Welfare as to whether the right of Medicaid recipients to free choice of providers is violated when Medicaid recipients are required to go to a county facility rather than a private home. We received an opinion dated December 15, 1976 which held that requiring Medicaid recipients to utilize county-operated long term care facilities would be both arbitrary and in violation of the "freedom of choice" provisions. A copy of the Department of Health, Education and Welfare's opinion is attached.

The Department is well aware of the problems of both the counties and the state -- relative to the freedom of choice provision. Therefore, the Department is continuing to request Congress to appropriately amend the Social Security Act.

Please be assured that we will continue to keep you informed of our efforts.

Sincerely,

A handwritten signature in dark ink, appearing to read "Philip L. Toia".

Philip L. Toia

Attachments

Regarding the above letter, the Clerk informed the Board that there were no attachments included, and that she could find no record of the letter dated November 3, 1976, referred to in Commissioner Toia's letter. She stated that she had written to Commissioner Toia informing him of this fact and requesting copies of said documents.

RESOLUTION NO. 5

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION DENYING REFUND OF TAXES TO MR. JOHN M. SUMMERS FOR PROPERTY LOCATED IN THE TOWN OF MURRAY

WHEREAS, Mr. John M. Summers of the Town of Murray, did petition for a refund of taxes on Major No. 563, Town of Murray, and

WHEREAS, pursuant to the Real Property Tax Law of the State of New York, this petition was reviewed by the Director of the Real Property Tax Service, Arnold Basinait, and

WHEREAS, after a thorough investigation of the assessing procedure, Mr. Basinait has recommended to this Board of Supervisors that Mr. Summers petition for a refund of taxes be denied on the basis that there were no clerical errors or unlawful entry insofar as the amount of assessment is concerned, that the Board of Assessors in reviewing properties prior to completing the 1975 assessment roll, felt that the remaining property after sale of certain portions, should carry an assessment of \$10,000, and so notified Mr. Summers, and that Mr. Summers had the privilege of appearing before the Board of Review on Grievance Day and request a review of the assessment, now therefore be it

RESOLVED, that the petition for a refund of taxes to Mr. John M. Summers for Major No. 563, Town of Murray, be denied.

Unanimously adopted.

The Board was informed that the Attorney General of the State of New York will represent municipalities at a hearing to be held by the United States District Court for Eastern Pennsylvania, regarding a "Petition of the Penn Central Trustees For Authority to Compromise and Pay Real Estate and Other Taxes Deferred Pursuant to Order No. 70". The Attorney General requested that municipalities inform him what position they wished him to take in the matter. The Compromise would consist of accepting either one-half of the taxes due in cash or accepting Series C Notes to be due in ten years. The County Treasurer informed the Board that Penn Central owes \$217,173.89 in taxes, interest and penalties, she recommended the Board accept the one-half in cash.

After discussion the following motions were adopted:

It was moved by Supervisor Swiercznski and seconded by Supervisor Piedimonte that the County Treasurer contact the Department of Audit and Control for an opinion as to whether Series C notes would be acceptable.

Carried.

RESOLUTION NO. 6

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION SETTING FORTH POSITION REGARDING DELINQUENT PENN CENTRAL TAXES

RESOLVED, that this Board inform the Attorney General of the State of New York that regarding the "Petition of The Penn Central Trustees For Authority to Compromise and Pay Real Estate and Other Taxes Deferred Pursuant to Order No. 70", this Board recommends that the county take one half of those taxes, plus interest and penalties in cash and the other half due in Series C Notes to be due in ten years.

Unanimously adopted.

#### RESOLUTION NO. 7

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Batchellor.

#### RESOLUTION APPORTIONING DOG TAX MONIES

WHEREAS, the County Treasurer has reported an unexpended balance of \$12,062.99 in the funds received from licensing of dogs, and

WHEREAS, 75 per cent of this amount is to be apportioned to towns in proportion to the contribution each made, be it

RESOLVED, that the County Treasurer is hereby authorized to apportion this money and pay to the fiscal officers of each municipality the amounts as specified in the statement of amounts apportioned.

Unanimously adopted.

It was moved by Supervisor Piedimonte and seconded by Supervisor Kemp that the leave of absence, without pay, for Nicholas Salvatore, an employee of the Orleans County Home and Infirmary, be extended for the period January 15, 1977 to February 15, 1977.

Carried.

The Clerk read a letter from Stephen Heard, Administrator of the County Home and Infirmary, requesting an increase in rates for Private Pay Patients.

Mr. Heard was asked how many beds were empty at the Infirmary. He replied, "We have two empty beds on the Health Related side and three empty beds on the Skilled Nursing side. We also have patients that are going back to Arnold Gregory Hospital but will be back. I would say right now we are running about 97%."

Supervisor Paduchak, "In other words, if we didn't have private patients in there we would be in a predicament."

Mr. Heard, "We would have an awful lot of empty beds - that's for sure, seventeen empty beds."

Mr. Heard, "Since we have been taking the private pay, we have been able to fill the empty beds and since then we have had an overturn of more people coming and private pay staying there once they got their medicaid and financial requirements down. In other words, they are not leaving the county. When we first started taking private pay, the initial cost for skilled nursing was \$25.00 a day and for health related it was \$15.00 a day. That was \$22.23 for the medicaid rate, so we figured we would charge \$25 a day and HRF was \$11.79, so we charged \$15.00 for the want of better figures. Now, the reason for the increase as I said in my letter, is the reimbursement from the State. Our rates for private pay are all-inclusive."

After further discussion, the following resolution was adopted:

RESOLUTION NO. 8

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING INCREASE IN RATES FOR PRIVATE PAY PATIENTS AT THE ORLEANS COUNTY HOME AND INFIRMARY

RESOLVED, pursuant to the request of the Administrator of the Orleans County Home and Infirmary, and upon recommendation of the Social Services Committee of this Board, the rates for Private Pay Patients at the Orleans County Home and Infirmary shall be increased as follows, for a period of ninety days at which time a review will be made based on financial report of the costs involved in the operation of the County Home and Infirmary:

From:	To:
SNF \$25.00 per diem	SNF \$29.00 per diem
HRF \$15.00 per diem	HRF \$17.00 per diem

Unanimously adopted.

RESOLUTION NO. 9

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING PURCHASE OF AUTOMOBILE FOR USE OF DEPT. OF SOCIAL SERVICES

RESOLVED, pursuant to the request of the Commissioner of Social Services, by letter dated January 19, 1977, he be, and hereby is, authorized to purchase one (1) 1977 American Motors Matador Station Wagon for use of the Department of Social Services, on state contract price at an approximate cost of \$4,527.29.

Unanimously adopted.

A request from Louis Monacelli, Staff Development Coordinator, to have permission to allow Genesee Community College to conduct a course at the Department of Social Services, was referred to the Social Services Committee for recommendation.

RESOLUTION NO. 10

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Kemp.

RESOLUTION APPROVING MEMORANDUM OF AGREEMENT BETWEEN THE COUNTY OF ORLEANS  
AND THE FIRST METHODIST CHURCH, ALBION, NEW YORK

RESOLVED, that the agreement between the First Methodist Church, Albion, New York, and the County of Orleans for use of space at 113 E. State Street, Albion, New York, be and hereby is, renewed for the year 1977 pursuant to Clause 7 of the 1976 agreement.

Unanimously adopted.

Orleans County Board of Supervisors  
Albion  
New York 14411

Gentlemen:

At your last meeting you requested that I investigate into the drug abuse program in Orleans County to determine whether it or its services are mandated.

The establishment of the local Drug Abuse Council as well as the overall State Programs are covered by Articles 81, 83 and 85 of the Mental Health Law. Although the drug abuse work is covered under the Mental Health Law and will probably continue to be so covered, the program is essentially autonomous and under the State Office of Drug Abuse.

There is an existing contract between the State of New York and the Orleans County Drug Abuse Council for the services rendered to date and this Agreement results in certain state funding. I understand that at present the State pays \$25,000.00 and the County of Orleans \$10,000.00 towards the maintenance of this program. I also understand that the present contract expires on March 31, 1977.

Although the law requires that the local Narcotics Guidance Council periodically submits a program to the State for its approval, it is not mandated that such a program be instituted. If the program is terminated all State aid to that program is also terminated. I am advised that the State aid to the Narcotics Guidance Program in the County does not affect the other programs under the Mental Health Law.

Orleans County Board  
of Supervisors

-2-

January 20, 1977

Therefore, I am advised that the termination of the local Narcotic Guidance and Drug Abuse Program would not directly affect the other programs of the Department of Mental Hygiene and the Department of Health.

It is suggested that this question be referred to the appropriate committees of this Board to make a determination as to the program prior to the expiration of the current contract on March 31, 1977.

Respectfully submitted,

Paul I. Miles  
County Attorney

PIM:jn

Supervisor Kemp asked if there should not be a study made of this.

County Attorney informed the Board that Sheriff White has been on the Narcotics Guidance Council and he would recommend abolishing the office.

Supervisor Nayman said, "I have had some calls that we keep it."

Referred to the Mental Health Committee.

Recessed at 9:35 p.m., reconvened at 9:40 p.m.

RESOLUTION AMENDING THE RULES OF PROCEDURE

RESOLVED, that Rule No. 2 of the Rules of Procedure be amended to read as follows:

Rule No. 2. Monthly Meetings.

The regular meetings of the Board after the said annual meeting shall be held on the first and third Thursday of each month, unless said first Thursday shall fall on a holiday, or on the first day of the month, in which event the meetings shall be held on the second and fourth Thursday of the month. The second meeting of the month shall be held in the evening. Any meeting may be adjourned to such date as may be fixed by the adjournment motion.

Unanimously adopted.

RESOLUTION NO. 12

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AMENDING RULES OF PROCEDURE

RESOLVED, that Rule No. 9 of the Rules of Procedure be amended to read as follows:

Rule No. 9 - Standing Committees.

Each standing committee shall be left to the discretion of the Chairman.

Unanimously adopted.

It was moved by Supervisor Paduchak and seconded by Supervisor Bane that Rule No. 20 of the Rules of Procedure be amended to read that "Appointments, including reappointments, required to be made by the Board, or by the Chairman with the approval of the Board, to any Board, Agency, Commission or similar body, shall be made at any regular or special meeting of the Board unless a majority vote of the Board determines that said appointment be deferred until the next meeting of the Board.

After discussion the above motion was withdrawn and the following resolution was adopted.

RESOLUTION NO. 13

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Batchellor.

#### RESOLUTION AMENDING RULES OF PROCEDURE

RESOLVED, that Rule No. 20 of the Rules of Procedure be amended to read as follows:

Rule No. 20. No appointment, including reappointments, required to be made by the Board, or by the Chairman with the approval of the Board, to any Board, Agency, Commission or similar body, shall be made unless each member of the Board of Supervisors is notified in writing of the vacancy; the incumbent, if any; and the term, at least 10 days prior to the filling of any such vacancy.

FURTHER RESOLVED, that the Budget Officer be authorized to appoint a Deputy Budget Officer at an annual salary of \$500.00 for the year 1977.

Unanimously adopted.

#### RESOLUTION NO. 19

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Batchellor.

#### RESOLUTION AUTHORIZING EMERGENCY SNOW DAYS

WHEREAS, the County of Orleans is occasionally stricken by snow, ice or other storms of such magnitude that travel on foot or vehicle is impossible without reasonable and undue risk to life and limb, and as a result the employees of the County of Orleans are unable to report to their respective places of employment and perform their usual duties; be it

RESOLVED, that the dates of Monday, January 10, 1977, Tuesday, January 11, 1977 and Monday, January 17, 1977, be declared emergency snow days, and be it

FURTHER RESOLVED, that emergency conditions did exist in the County at the above times and all employees scheduled to work during those periods who were unable to report for work shall be paid for such periods as they were scheduled to work and that such absences were justified.

FURTHER RESOLVED, that employees who did work during those periods shall receive compensatory time off, equal to the hours actually worked, at times mutually convenient to the employees and the employee's Supervisor.

Unanimously adopted.

Supervisor Nayman informed the Board that the annual report of the Planning Board was prepared and that Mr. Lyman, Chairman of the Planning Board, would present it at a future Board meeting. Mr. Nayman also relayed the information that most of the questionnaire's needed by the Department of State to complete the study of the question of need for an Administrator, had not been received.

Following is a statement made by Supervisor Stanley Kubatek at the Orleans County Board of Supervisors meeting held on January 20, 1977:

"The proud history of the "Militia" Men in Orleans County unofficially can be traced back to the 1830's.

Officially since 1891 the local unit has been known by many names. The National Guard Armory located on Pearl Street, Medina, New York, has played an important part not only in the history of Orleans County but also in the history of New York State and the United States, by virtue of its being the home of National Guard units dating back since the Spanish American War.

It was the home and training place of men from Orleans County and surrounding counties who answered the call of duty and participated in the Spanish American War, the Mexican Border, World War I and World War II.

It was the proud bearer of a Company Gurdon which proudly displayed seven silver campaign bands presented to it for its participation during World War I and World War II, and it was also presented the Phillipine Presidential Unit Streamer.

It was the home of men not only wounded in action but also of those who died in action.

It was the home of 2nd Lt. John E. Butts who was killed in France and was awarded the Congressional Medal of Honor posthumously.

For years it was the only Armory between Buffalo and Rochester, built long before the armories located in Batavia and Lockport. Now the State wants to close the door because of low enlistments.

I do not feel that the State should strip us of a part of our history and pride and that it should reconsider this move.

I believe that if the State would put the H.Q. of this unit back in Medina where it rightfully and morally belonged in the first place, the strength would have been maintained and still could be maintained.

On top of all this, the closing of this facility will add to our already high unemployment rate and also deprive this area of monies being spent here due to Federal and State payrolls.

I would move that a copy of these comments along with a resolution from this Board be sent to our Governor, State and Federal Representatives, asking them to reconsider this move."

#### RESOLUTION NO. 20

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION OPPOSING CLOSING OF MEDINA ARMORY IN MEDINA, NEW YORK

RESOLVED, that this Board of Supervisors go on record as opposing the closing of the Armory located in Medina, New York, and do hereby urge that such action be reconsidered for the benefit of the people of the County of Orleans, and be it

FURTHER RESOLVED, that certified copies of this resolution be forwarded to Governor Hugh Carey; Senator Moynihan; Senator Javits; Congressman LaFalce; Senator Lloyd Paterson and Assemblyman Stephen Hawley.

Unanimously adopted.

Supervisor Paduchak requested authorization for the Building Committee to negotiate for space in the former school on East Academy Street for use of the Motor Vehicle Bureau, particularly, and perhaps other county departments in the future.

RESOLUTION NO. 21

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Batchellor.

RESOLUTION AUTHORIZING THE BUILDING COMMITTEE TO NEGOTIATE FOR OFFICE SPACE

RESOLVED, that the Building Committee of this Board be, and hereby is, authorized to negotiate with the Albion Board of Education for rental of office space at the "Old School Building" on East Academy Street, Albion, New York.

Unanimously adopted.

Supervisor Nayman expressed the opinion that it was a residential neighborhood and not suited to such office being located there. He suggested that the Motor Vehicle Department should be located in a shopping center.

The County Attorney reported that he had received the requested information from various municipalities regarding the applications they had submitted for public works funds. He felt that the other counties contacted were not interested in pursuing the matter.

It was moved by Supervisor Paduchak, seconded by Supervisor Kubatek, and carried, that no further action be taken by the County Attorney in the matter of why the county did not receive any public works funds.

RESOLUTION NO. 22

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION ADOPTING LOCAL LAW NO. 1 OF THE YEAR 1977

WHEREAS, the following proposed Local Law No. 1, for the year 1977, was duly introduced at the meeting of the Orleans County Board of Supervisors on December 21, 1976, and a public hearing was held at 7:30 p.m., January 20, 1977, at which time all persons wishing were heard, be it enacted as follows:

LOCAL LAW NO. 1 OF 1977

A LOCAL LAW INCREASING THE SALARIES OF VARIOUS EMPLOYEES OF THE COUNTY OF ORLEANS APPOINTED OR ELECTED FOR A DEFINITE TERM

BE IT ENACTED by the Board of Supervisors of the County of Orleans as follows:

SECTION 1. Pursuant to the provisions of the Municipal Home Rule Law of the State of New York, the salaries of the following County employees are raised as follows, per annum, retroactive to January 1, 1977.

<u>Employee</u>	<u>Present Salary</u>	<u>Proposed Increased Salary</u>

Chairman Plummer appointed Supervisors' Kemp and Bane to the Health Systems Agency.

Adjourned at 10:30 p.m., until 10:00 a.m. February 3, 1977.

REGULAR MEETING  
Thursday, February 3, 1977

The meeting was called to order at 10:20 a.m., by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Swiercznski and seconded by Supervisor Piedmonte that the reading of the minutes of the previous meeting be dispensed with and the same approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Rev. Edward Manglesdorf, Director of the Narcotics Guidance Office (Storefront). Rev. Manglesdorf said, "We are known throughout the county, I would like to tell you what we do and the kinds of activities that we run. Ours is a very sensitive operation."

Rev. Manglesdorf described some of the cases handled by his office. He also said, "We handle drug abuse problems, alcohol problems, family problems and school problems, which are inter-related. Drugs are causes of other problems and also drugs are symptomatic of other problems."

Rev. Manglesdorf and Mr. Jim Verni presented a statistical chart of a breakdown of 40 cases handled by the "Storefront". The chart showed the wide area covered by the cases. It was stressed by these gentlemen what this has meant to the county in terms of saving peoples lives and in not having to institutionalize many of the people who have been counseled by the staff of the Storefront. It was pointed out that the atmosphere of the Storefront appeals to many young people who would not go to other offices such as Mental Health to discuss their problems. The staff of the Storefront visits the schools in the County who wish to avail themselves of their services.

A brief discussion of the responsibility for repair of the broken window in the Storefront took place. The window was broken on December 24th when someone fell into it. The Building Committee will discuss the matter with Mr. Lyman the owner of the building. A proposed lease for rental of the space occupied by the Storefront was presented. The lease calls for an increase of \$25.00 a month in the rent, bringing the rent up to \$125.00 per month. The question of the lease was tabled.

The County Attorney informed the Board that he had a call from the Assistant Attorney General who is handling the case for the municipalities regarding the 50-50 compromise proposed by the railroad. He feels the compromise will be rejected but that nothing will be done until after the 25th. After an order is entered the county would have 180 days to consider the matter. Unofficially he indicated that the Class C notes would not be within the framework which county's could invest in.

The County Attorney informed the Board that he understood by the news on the radio that the State Legislature was enacting legislation to delay the payment of penalty on taxes until the 15th.

Mr. Miles also brought to the attention of the Board that if this Board creates a Youth Bureau they might have to create the position of a full-time administrator. It appears that counties the size of Orleans may create a Youth Board which might not require an administrator. The matter was tabled.

The Clerk presented a letter from Deputy David Reis informing the Board that because of a change in his duties in the Sheriff's Department he will be unable to prepare the Comprehensive Master Plan for the Orleans County Traffic Safety Board.

Mr. Astles was questioned as to whether he would have the time to prepare the Comprehensive Plan. He stated that he would if the Board limited the number of additional duties so that he could do this plan plus the 701 Plan which must be submitted by June.

#### RESOLUTION NO. 23

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Kemp.

#### RESOLUTION DIRECTING COUNTY PLANNER TO PREPARE COMPREHENSIVE MASTER PLAN

RESOLVED, that Geoffrey Astles, County Planner, be, and hereby is directed to prepare the Comprehensive Master Plan for the Orleans County Traffic Safety Board for submission to the State of New York.

Unanimously adopted.

The Clerk mentioned that in this same connection that perhaps the Board would like to replace Mr. Roth on the Traffic Safety Board with Mr. George Jones.

It was moved by Supervisor Kubatek and seconded by Supervisor Nayman that George Jones, Medina, N. Y. be appointed to the Traffic Safety Board to fill the vacancy created by the resignation of Fred Roth.

Supervisor Batchellor, "I have no objection to this appointment but didn't we just amend the rules that all appointments would have at least one meeting's notice before they were made?"

Supervisor Kubatek moved that the ten days notice be waived to allow this appointment; seconded by Supervisor Swiercznski. The motion was defeated. 351 ayes; 1 nay, Supervisor Batchellor (21). Under Rule 16 a unanimous vote is required to waive any rule.

The Clerk presented the following communications:

Notice from Public Service Commission that in the matter of the request of New York Telephone Company Case 27100 - "Order Denying Petition for Rehearing and Clarifying Previous Order". Ordered filed.

Letter dated January 28, 1977, from Loren D. Fleming, Acting Manager, Manpower Services Division, informing the Board that OJT referral programs are under development. Ordered filed.

Letter from Commissioner Toia dated November 3, 1976. Letter from Attorney General to State Social Services Commissioner dated April 8, 1976. The Attorney General said in part, "It is my opinion that a Medicaid recipient's right to free choice of providers would be violated if he were required to go to a county infirmary rather than a legally available private nursing home which he had freely chosen, subject to the same reasonable limitations in exercising such choice that would apply to a non-recipient." Letter from Dept. of HEW dated December 15, 1976, re: free choice of Medicaid recipients.

Letter from NYS Division for Youth dated January 24, 1977, re: detention programs. The County was requested to designate the agency responsible for the administration of the county's detention program. Referred to the Judicial Committee.

Letter from US Dept. of Commerce - Subject: Professional Services Grants 302(b)(1).

Adjourned at 12:00 noon for lunch. Reconvened at 2:05 p.m.

#### AFTERNOON SESSION

After a meeting with David Green and various highway officials, the following resolution was adopted.

#### RESOLUTION NO. 24

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION REQUESTING DESIGNATION OF ORLEANS COUNTY AS A MAJOR NATURAL DISASTER AREA

WHEREAS, the County of Orleans has suffered substantially as a result of the major natural disaster of the severe snow and wind storms in January of 1977, and

WHEREAS, the costs of snow removal to the County of Orleans and the towns and villages within the county is estimated to be in excess of \$1,400,000.00, and

WHEREAS, employees, businesses including dairy and other farm businesses have and will suffer substantial financial losses as a result of this major natural disaster, and

WHEREAS, the taxpayers, citizens, businesses and farmers of our County are not able to survive if forced to bear these costs and losses alone, and

WHEREAS, the President of the United States, upon advice of representatives of the executive departments, has the authority to declare the County of Orleans, and other like areas, as a major natural disaster area and thereby make available federal funds for assistance,

NOW THEREFORE BE IT RESOLVED that the Orleans County Board of Supervisors go on record to emphatically request immediate designation of Orleans County as a major natural disaster area, effective Thursday, January 27, 1977, and

BE IT FURTHER RESOLVED that a copy of this resolution and such information as may be available in support thereof be sent to the President of the United States, Congressman LaFalce, Senator Javits and Senator Moynihan.

Unanimously adopted.

The County Attorney suggested that a Home Rule Request for extension of payment of taxes without penalty because of the storm, be authorized.

RESOLUTION NO. 25

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING HOME RULE REQUEST FOR EXTENSION OF PAYMENT OF  
TAXES WITHOUT PENALTY

RESOLVED, that the Chairman and Clerk of this Board be authorized to sign and execute a "Home Rule Request" for an extension of payment of taxes without penalty because of the blizzard conditions which have existed in the County of Orleans.

Unanimously adopted.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the meeting be adjourned until 10:00 a.m. February 10, 1977.

Carried.

Adjourned at 2:15 p.m.

ADJOURNED REGULAR MEETING  
Thursday, February 10, 1977

The meeting was called to order at 10:15 a.m., by the Chairman. The Clerk called the roll and all Supervisors were found present.

Privilege of the floor was granted to Mrs. Diane Knack, Cooperative Extension Service.

Mrs. Knack informed the Board about a course to be given for five consecutive Saturday mornings beginning March 5th. The course is entitled "Dollars, Decisions and Actions". The purpose of the course is to make projections for the next five years based on up-dated census figures from 1970 to the present. Representatives from all municipalities and the school district's are invited to take the course. It is a pilot course having been given in Genesee and Broome counties. A resource book has been prepared under a federal grant and will be given free to those taking the course.

Sheriff White was granted the privilege of the floor. He informed the Board that one of the patrol cars had been totally damaged by fire of unknown origin. The deputy was on patrol and smelled smoke and before he could rescue papers on the seat the car was in flames. Sheriff White requested that he be authorized to purchase another car on an emergency basis. Insurance will cover part of the cost of replacing the ruined vehicle.

RESOLUTION NO. 26

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Paduchak.

RESOLUTION AUTHORIZING PURCHASE OF AUTOMOBILE FOR SHERIFF'S DEPARTMENT

WHEREAS, this Board has been informed by the Orleans County Sheriff that one of his patrol vehicles was destroyed by fire and the Board has found that this is an emergency situation requiring replacement of said vehicle, now therefore be it

RESOLVED, that the Sheriff be authorized to purchase a new automobile at a cost not to exceed \$4,500.00, under Section 103 Subd. 4 of the General Municipal Law of the State of New York which authorizes such purchase without competitive bidding.

Unanimously adopted.

It was moved by Supervisor Dudek and seconded by Supervisor Piedimonte that the Sheriff be authorized to advertise for bids for the sale of one 1974 Chevrolet automobile.

After discussion the motion was withdrawn.

The Clerk pointed out that the Historian did not appear under any particular committee. It was decided that the Historian should come under the Planning and Development Committee.

The Clerk read the following communications:

Letter from Health Systems Agency of Western New York, Inc., dated February 8, 1977, informing the Board that Geoffrey Astles had resigned as a member of the Board of Directors of HSA. Chairman Plummer requested that Supervisor Kemp submit recommendations for a replacement on HSA, he suggested that the member should come from the east side of the County.

Notice of a dinner to be held in honor of Richard Bostdorff on March 5, 1977.

Notice of Inter-County meeting to be held in Batavia on February 17th. Representatives of the State Dept. of Social Services will be present at this meeting.

Notice of public hearing to be held by Public Service Commission on request for increase in telephone rates by New York Telephone in Buffalo on March 1, 1977.

Letter from Mr. McGowan, Ontario County, presenting the plan of reorganization for the Regional Planning Board, dated February 7, 1977. Mr. McGowan indicated in his letter that in order for Monroe County to be a participant in the Regional Board, each county would have to contribute to the deficit due Monroe County by the Regional Planning Board. Orleans County's share would be \$47,250.00. A meeting is to be held on February 17, 1977, at which time the Chairman of each legislative body should be prepared to indicate their county's position.

Supervisor Piedimonte, Chairman of the Finance Committee, stated that Orleans County can not afford to pay this sum.

After some discussion, it was moved by Supervisor Swiercznski and seconded by Supervisor Piedimonte, that Orleans County pay the \$47,250.00 to the Regional Planning Board.

Motion withdrawn.

A list of equipment owned by the Regional Planning Board was presented, and the following resolution was adopted.

#### RESOLUTION NO. 27

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION AUTHORIZING PURCHASE OF OFFICE EQUIPMENT

RESOLVED, that Supervisor Nayman and Superintendent of Buildings and Grounds, Burnell Bingham, be authorized to inspect the office equipment offered for sale by the Genesee/Finger Lakes Regional Planning Board and to purchase those items they feel would be useful to the County of Orleans.

Unanimously adopted.

County Highway Superintendent, Everett Johnson and Director of the Office of Natural Disaster, David Green, appeared before the Board to discuss the procedures to be followed under the Disaster designation. It was decided that all equipment from outside firms used in snow removal would be billed through the County.

Chairman Plummer designated County Highway Superintendent, Everett Johnson, as Orleans County designee for F.D.A.A.

RESOLUTION NO. 28

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION OF APPRECIATION AND THANKS TO EVERYONE WHO ASSISTED THE PUBLIC DURING THE BLIZZARD OF 1977

WHEREAS, the disastrous Blizzard of 1977 placed a substantial burden upon County, Town and Village officials and employees in their responsibilities to maintain public highways and public services, and

WHEREAS, great efforts were expended by State and local officials and by private persons and organizations in meeting the severe challenge of the storm and in assisting the public during the height of the emergency, and

WHEREAS, the public in general rallied to the assistance of each other and the community to meet the difficulties, and

WHEREAS, it is the desire of the Orleans County Board of Supervisors to extend thanks and appreciation as well as commendation to all who were active in this supreme effort.

NOW, THEREFORE, BE IT RESOLVED BY ACCLAMATION:

1. That the Orleans County Board of Supervisors, on behalf of the residents of Orleans County, does hereby extend appreciation and thanks to all who participated in the endeavors of protection of public and private safety, the preservation of life and protection of property during the Blizzard of 1977, and

2. That special thanks and commendation for effort beyond the normal call of duty be extended to the following, but not to the exclusion of anyone or any agency omitted: The Orleans County Sheriff, Civil Defense Director, Highway Superintendent and all other County officials and employees; the Superintendents of Highways of each of the Towns and Villages, Chiefs of Police and all other municipal officials and employees; the various volunteer fire companies; the volunteer operators of snowmobiles and four wheel drive vehicles; the Churches; the Red Cross, Salvation Army and all other charitable agencies; the officials and crews of other counties and municipal agencies participating in the effort; the State, Federal, Military and other officials and employees who assisted; and not the least, the various private persons who opened their homes and hearts to help stranded persons.

3. That a copy of this Resolution be submitted to the various officials, executives of assisting municipalities, agencies and other persons involved and that copies be submitted to the press with a request for maximum coverage so that all entitled to the thanks and appreciation will receive the same.

Unanimously adopted.

RESOLUTION NO. 29

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION OF APPRECIATION TO FEDERAL AND STATE GOVERNMENT OFFICIALS  
FOR THEIR PROMPT ACTION DURING THE BLIZZARD OF 1977

BE IT RESOLVED that the Orleans County Board of Supervisors does hereby express its appreciation to Governor Hugh Carey and State officials for prompt action in declaring the County of Orleans as a disaster area as a result of the Blizzard of 1977, and

BE IT FURTHER RESOLVED that appreciation be expressed to President Carter and Federal officials for declaring the County of Orleans as a major natural disaster area for the assistance and benefit of all those municipalities, persons and businesses severely damaged by the said Blizzard of 1977, and

BE IT FURTHER RESOLVED that our State Assemblyman and Senator and our Federal Senators and Congressman be complimented in all of their efforts on behalf of our constituents and local municipalities, and

BE IT FURTHER RESOLVED that a copy of this Resolution be sent to President Carter, Governor Carey, Senators Javits and Moynihan, Rep. LaFalce, Senator Paterson and Assemblyman Hawley.

Unanimously adopted.

RESOLUTION NO. 31

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION PROTESTING ANY INCREASE IN TELEPHONE RATES

WHEREAS, this Board has been informed that New York Telephone Company is again requesting an increase in telephone rates, and

WHEREAS, this County has one of the highest unemployment rates in the State of New York and has suffered additional unemployment because of the recent blizzard which hit this County, and because of the shortage of natural gas, now therefore be it

RESOLVED, that this Board goes on record as opposing any increase in telephone rates as proposed by New York Telephone Company, and be it

FURTHER RESOLVED, that certified copies of this resolution be forwarded to the New York State Public Service Commission and Governor Hugh Carey.

Unanimously adopted.

The Clerk presented a letter from Stuart I. Brown, dated January 19, 1977, re: "grantsman for Orleans County". Referred to the Planning and Development Committee to bring back a concrete proposal. Chairman Plummer requested that Supervisor Nayman work with the Planning and Development Committee on this matter.

The Clerk presented the following communications:

Confirmation Mailgram from the State Board of Equalization and Assessment that the Governor had signed the bill allowing collection of taxes without penalties until February 15th.

Letter from Dr. Walters, dated-January 22, 1977, thanking the Board for their remembrance.

Letter from Assemblyman Hawley dated January 19, 1977, acknowledging receipt of resolution 332 regarding sales tax exemption for home heating fuels and residential use of electricity. Assemblyman Hawley has introduced a bill in that regard; letter dated January 19, 1977, acknowledging receipt of resolution 331.

Letter from Governor Carey's office acknowledging receipt of resolution 331 and 332.

Letter from Senator Javits, dated January 31, 1977, acknowledging receipt of resolution concerning closing of the Medina Armory. He informed the Board that he is checking into the matter with the Department of the Army.

Letter from Henry B. Hagen, Chairman of the Genesee Finger Lakes RC& D Council, dated February 7, 1977, requesting that letters be sent to the Secretary of Agriculture, and Orleans County's congressional representatives appealing to them to urge the secretary to approve the application of "The Genesee Finger Lakes Resource Conservation and Development Project". Referred to the Soil and Water Committee.

RESOLUTION NO. 33

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Nayman.

RESOLUTION CORRECTING ERRONEOUS ASSESSMENT IN THE TOWN OF RIDGEWAY AND AUTHORIZING CHARGE-BACK OF OVER-PAYMENT OF TAXES

WHEREAS, it has been stated by letter to this Board from Edward M. Cotriss, Assessor for the Town of Ridgeway, that an error was made on the 1976 tax roll of the Town of Ridgeway, whereby Major No. 1947 assessed to William D. & Leora J. McAdoo, 335 Park Street, Medina, N. Y. 14103, was assessed at \$6,000 and should have been assessed at \$3,800, resulting in an overtax of \$60.89, being levied thereon, now therefore be it

RESOLVED, that the County Treasurer be, and hereby is authorized to refund the sum of \$60.89 to Mr. & Mrs. McAdoo, which amount represents an overpayment of taxes, and charge back the sum of \$49.94 to the County of Orleans and \$10.95 to the Town of Ridgeway.

RESOLUTION RE: 7% WAGE INCREASE FOR PERSONS WHO LEFT COUNTY SERVICE

RESOLVED, that the 7% increase in wage authorized by Resolution No. 158 of 1976 and as amended by Resolution No. 183 of 1976, extend to and be paid to all persons who were in the employ of the County of Orleans for any part of the time from January 1, 1976 to the effective date of said Resolution, even though the person affected left the employ of the County prior to the effective date of said resolution.

Adopted. 318 ayes; 1 nay, Supervisor Dudek (54); 0 absent.

RESOLUTION NO. 41

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING INCREASE IN RENT FOR THE PREMISES AT 57 N. MAIN ST.

RESOLVED, that this Board does hereby approve an increase in rent for the premises at 57 N. Main Street, Albion, N. Y., presently occupied by the "Storefront" for the period January, February and March, said rent to be increased from \$100.00 per month to \$125.00 per month.

Unanimously adopted.

RESOLUTION NO. 42

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Paduchak.

RESOLUTION AUTHORIZING COUNTY ATTORNEY TO NEGOTIATE LEASE EXTENSION

RESOLVED, that the County Attorney, Paul I. Miles, be and hereby is authorized to negotiate with the owners of Albion Industrial Center for an extension of the lease for rental of the premises now occupied by the County of Orleans at 151 Platt Street, Albion, N. Y.

Unanimously adopted.

The County Treasurer appeared before the Board to discuss the question of whether the County would have to borrow money to pay the bills for snow removal. She suggested that perhaps the County Attorney could contact the bonding counsel on the possibility that at some date in the near future we might have to borrow money.

Mr. Miles, "If we borrow money we have to have an opinion from bonding counsel. There are two or three problems - in the 1st instance, if the County has monies which are not required to be held in reserve, that we can not borrow and at the same time have C.D.'s. He takes the position that the borrowing whether now or later will still be a snow emergency borrowing and that the interest would still be paid by the federal government. Secondly, until we know definitely how much we are going to need it is difficult to have a borrowing resolution. Also, we don't know what kind of money is going to come in. So he recommends that it be on a budget note and only do it when we have exhausted our monies to a limit where it hurts."

Supervisor Paduchak presented comparison figures on the cost of rental of the present facilities at 151 Platt Street (Hunt Building) and facilities in the old Albion school building. The County now occupies 9420 sq. ft. at the Hunt Building. At the school building 14,416 sq. ft. would be available. There is 19,700 sq. ft. of parking at the Hunt Building versus 37,000 sq. ft. of parking at the school building. Renovation of the school building is estimated at about \$15,000. The County would pay for all utilities and custodial service. There would also be the expense of moving the telephones. The Albion School District would be responsible for the boilers and all water and sewer connections to the building, plus the roof and outside of the building.

It was pointed out that the lease on the Hunt Building expires May 1, 1977 and notice must be given 60 days prior to that date for renewal of the lease. It is estimated that some extension of the lease would be necessary to enable renovation of the school building if that move is made.

RESOLUTION NO. 43

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION ACCEPTING BID FOR PURCHASE OF TWO MOBILE RADIOS

RESOLVED, that the bid of Motorola Communications & Electronics, Inc., Williamsville, N. Y., to supply two Mobile Radio's at a cost of \$1250.00 each, for use of the Orleans County Sheriff's Department, be accepted, as per specifications.

Unanimously adopted.

RESOLUTION NO. 44

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION SUPPORTING ALL-SPORTS BETTING LEGISLATION

WHEREAS, the County of Orleans has been an active participant in the Western Regional Off-Track Betting Corporation; and

WHEREAS, the Western Regional Off-Track Betting Corporation has provided quarterly revenue distribution to the County. This has been at a time when local governments have had mandated increases in their own operating expenses, and are forced to consider the increase of property taxes; and

WHEREAS, the Western Regional Off-Track Betting Corporation has been accepted, and is supported by the people, the County of Orleans supports the corporation's endeavors to provide public wagering, now, therefore,

BE IT RESOLVED that the County of Orleans hereby seeks the support of the Senators and Assemblymen of the State of New York, to consider the legislative program of the Western Regional Off-Track Betting Corporation and its pursuit and legalization of all sports betting in the State of New York; and

BE IT FURTHER RESOLVED that off-track betting corporations should be given strong consideration in any proposal of this nature as local governments share in the revenue distribution with the State of New York; and

BE IT FURTHER RESOLVED that a copy of this Resolution No. 44 be forwarded to the Governor of the State of New York, to the Majority and Minority Leaders of the New York Senate and the New York Assembly, together with copies to be sent to those representatives in the Senate and Assembly representing the County of Orleans.

Adopted. 252 ayes; 120 nays, Supervisors' Kemp (20), Swiercznski (24), Paduchak (22), and Dudek (54) voting nay; 0 absent.

Supervisor Kubatek, "The County Treasurer has brought to my attention that in some cases the properties belonging to the County have people living in them. What procedure do we use to get them out?"

County Attorney Miles, "There is a problem as to whether there is a true landlord-tenant relationship between the County and any of these people in there to allow an eviction proceeding to be commenced. There is no question that under the County law the County has the right to rent these properties or to sell them. Unless there is a lease or rental arrangement arrived at between the County and the persons living in them, they are not in the eyes of the law a tenant and therefore we do not have the right of an eviction proceeding.

There is a section that a purchaser of a tax deed can get the old owner out if it is sold in our tax sale, that owner can on a ten day notice tell the person to get out. That was one of the reasons for the resolution to auction off these properties. Therefore, in August of 1977 most of these properties will have been sold by the Supervisor or will be sold at auction."

RESOLVED, that unanimous consent be granted to pay these claims and the Clerk and County Highway Superintendent be directed to draw demand orders on the County Treasurer in payment of said claims.

Unanimously adopted.

It was moved by Supervisor Piedimonte and seconded by Supervisor Swiercznski that the meeting be adjourned.

Carried.

Adjourned at 2:50 p.m., until 8:00 a.m. February 17, 1977.

REGULAR MEETING  
Thursday, February 17, 1977

The meeting was called to order at 8:00 p.m., by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Piedimonte and seconded by Supervisor Swiercznski that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Mr. Sherwood Snyder, Esq. Mr. Snyder is the attorney for Livingston Abstract Corporation, Geneseo, N. Y. Mr. Ira Pogal, President of Livingston Abstract Corporation asked Mr. Snyder to speak to the Board on behalf of his company. Livingston Abstract Corp. requested space in the County Clerk's Office to operate their business in Orleans County. Mr. Snyder informed the Board that several persons had approached Mr. Pogal regarding the possibility of setting up a branch in Orleans County. Space would be required to install a telephone which would be paid for by the corporation. The Board was informed that one or two persons would be employed at the beginning.

Supervisor Batchellor, Chairman of the County Clerk's Committee promised an answer for Livingston Abstract Corporation by the March 3rd meeting.

Chairman Plummer appointed the Public Safety Committee as the committee to oversee the Traffic Safety Board.

Upon the recommendation of Supervisor Piedimonte, Mr. Stanley Passarell, Day Street, Holley, New York, was appointed to fill the vacancy created by the resignation of Geoffrey Astles on the Health Systems Agency.

Chairman Plummer requested an executive session to discuss union negotiations. Approved unanimously.

Supervisor Dudek reported on establishment of a County Youth Board. A Youth Board should be created before April 1, 1977 and appointments made by June 1, 1977. November 1, 1977 is the final date for submitting budget for all County and Local programs to the State. April 1, 1978 is the final date for submitting Comprehensive Youth Plan to the State. It is suggested that a part time Youth Director will be necessary to administer the program. Supervisor Dudek presented a table of Orleans County Recreation State Aid and Orleans County Youth Service State Aid.

RESOLUTION NO. 57

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION CREATING ORLEANS COUNTY YOUTH BOARD

WHEREAS, youth problems, crime, and delinquency have increased alarmingly in the nation, state, and community, and

WHEREAS, the County of Orleans wishes to prevent further growth of the problem in this county, and

WHEREAS, State aid for preventive services is available on a matching basis to the county through the State Division for Youth, and

WHEREAS, the Board of Supervisors recognizes a need for the creation of an instrument to give community leadership in a drive for prevention of juvenile delinquency, and

WHEREAS, the Board of Supervisors further recognizes that the youth of the county need the benefit of an agency whose sole responsibility is youth welfare, as well as the prevention of juvenile delinquency, now therefore,

BE IT RESOLVED: That the Orleans County Board of Supervisors herewith establishes a Youth Board, as follows:

PURPOSE: The purpose of the County Youth Board, as an official agency for preventing, reducing and treating youth problems, is to provide continuous planning and coordination of youth services in Orleans County in order to:

1. Determine needs and establish priorities to create an adequate environment for youth now and in the future.
2. Promote the unification and strengthening of efforts by others on behalf of youth and assure proper dollar distribution.
3. Work for better community understanding of youth problems and their solution.
4. Stimulate and develop community attitudes and services for prevention and reduction of youth problems.
5. Operate essential services not available through existing agencies until a new resource can be developed.
6. Make treatment services available to youth at earliest age possible.

AUTHORITY:

The powers, duties and responsibilities of youth boards are:

1. After consultation with the executive director of the youth bureau, develop effective policies and programs for the prevention and control of delinquency, crime by youths, and to further youth development.
2. Act as liaison between the executive, administrative and other legislative bodies in respect to the solution of youth problems and/or the enactment of youth programs.
3. Encourage closer cooperation between employers, labor, school, churches, recreation commissions, state and local employment programs, service clubs, and other public and private agencies so as to stimulate employment for youth and encourage sound youth programs on the basis of community planning.
4. Review and analyze grants from the state, federal or county governments or from private individuals, corporations or associations, and establish criteria for allocation of these funds to youth programs.
5. Review and analyze, accept or reject plans for the creation or expansion of recreation and youth service projects or other youth programs as defined by the laws of the State of New York and make appropriate recommendations to the chief executive of the municipality.
6. Receive, review and analyze statistical records and data including those that reflect the incidence and trends of delinquency and youthful crimes and offenses in the municipality. Make necessary studies and recommendations for the needs of youth residing in the community served by the board.
7. Appoint such advisory groups and committees as may be necessary to carry out its powers and duties.
8. Submit an annual report to the Chairman of the Board of Supervisors.
9. Perform such other duties as may be assigned by the Chairman of the County Board of Supervisors.

## COMPOSITION OF BOARD.

The youth board shall be representative of the clientele it serves. The youth board shall consist of 17 members as follows: The Orleans County Family Court Judge; the Orleans County Sheriff; the Superintendent or Supervising Principal of each of the five school districts in the County; one lay, or non-governmental, person resident in each of the ten towns.

**ORGANIZATION:** Within a month of their appointment the members of the Youth Board shall meet and elect one of their members Chairman, and such other officers as may be necessary, and shall adopt by-laws, rules and regulations for conducting business of the Board, which shall be filed with the County Clerk. No fewer than 10 regular meetings shall be held each year, and summary reports of said meetings and all special meetings concerning plans, programs and expenditures shall be made to the chief executive in writing. All funds directly controlled or expended by the Youth Board shall be handled through the office of the County Treasurer. The lay, or non-governmental members first appointed shall at the organization meeting chose by lot four of their number to serve a three year term; three to serve a two year term and three to serve a one year term. Their successors shall be appointed for a three year term upon the expiration of the initial term.

Unanimously adopted.

Supervisor Piedimonte read a letter from Community Action, Inc., requesting additional funds in the amount of \$5,630.53 to pay the local share of a grant from the Federal Government for the purchase of three vans for the C.A.T.S. system. One van will be equipped with a wheelchair lift. It was suggested that C.A.C. use money out of their current budget to pay the local share and if later in the year they need additional funds the Board will consider their request.

### RESOLUTION RE: SNOW EMERGENCY DAYS

BE IT RESOLVED, that the following days be confirmed as Emergency Snow Days: January 28, 1977 after 1:00 P.M.; January 31; February 1; February 2; February 3, 1977, and be it

RESOLVED, that those County employees who worked during the period of time designated as Emergency Snow Days, be paid at their regular pay rates for time actually worked including January 29 and January 30, and be it

FURTHER RESOLVED, that those County employees who did not work during that period of time designated as Emergency Snow Days, not be paid unless the employee elects to charge the day, days, or part day against their personal leave or vacation time.

Unanimously adopted.

Supervisor Nayman asked, "Has anything further been done on another location (for county offices)?"

Supervisor Paduchak, "We met with the school board and we are going to meet with the owners of Albion Industrial Center, they have a plan which they wish to present to us and we are going to listen to them."

Supervisor Nayman, "I wish to present a plan I have. I have had several telephone calls - there is a lot of mixed emotion about this thing. People don't want it torn down. In that building, I believe the school maintains two administrative offices. I would recommend that the county purchase that school building. It might take a referendum vote. I suggest that the purchase price be \$1.00 and that the school be allowed to maintain offices in the building, what they have now, no more, and the price to them be \$1.00 including utilities, accepting telephone, per year for ten years. The County would then own the building and would be modernizing it, installing a parking lot, and at the end of a few years would own it. I think this possibility should be investigated."

Supervisor Paduchak, "We will consider it, but we still have to talk to Petronio first."

County Attorney Miles, "I contacted Petronio to request an extension of the existing lease. They are willing to extend the lease but did not wish to discuss terms until after they talk to the committee about their proposal for extra space."

Supervisor Piedimonte reported that the Grant Building could be purchased now for about \$150,000.

It was moved by Supervisor Kubatek and seconded by Supervisor Bane that the County Attorney be authorized to attend a seminar on negotiating in Buffalo on March 19, 1977, at county expense.

Carried.

Chairman Plummer appointed Supervisors' Kemp, Nayman, Swiercznski and Piedimonte as a special committee to write the policy for the salary plan.

Supervisor Swiercznski moved the meeting be adjourned.

Adjourned at 10:45 p.m., until 10:00 a.m., March 3, 1977.

SPECIAL MEETING  
Friday, February 25, 1977

A special meeting of the Board of Supervisors was called to order at 11:00 a.m. by the Chairman for the purpose of discussing and taking action on the extension of lease for office space at 151 Platt Street; and for a request by the Chairman for an executive session to discuss union negotiations.

The Clerk called the roll and all Supervisors were present except Supervisor Nayman.

Supervisor Paduchak reported that the Building Committee had been requested to seek an extension of the lease for office space at 151 Platt Street. The County Attorney was asked to explain the provisions of the extension.

Mr. Miles, "The extension is based upon the provisions of the agreement dated December 23, 1971, with the modifications, which had a term commencing May 1, 1972 and terminating May 1, 1977, which provided for renewal option which must be exercised 90 days prior to the end of the term, which is March 1st. This is the proposed agreement - (1) The term of the lease of December 23, 1971, with modifications, shall be extended for an additional period of 90 days with all the terms, benefits and duties, including the provision for renewal and notice thereof, continued and extended accordingly. (2) In the event the tenant exercises its option to renew the said lease or enters into a new or modified lease, for the leased premises, in whole or in part, with additional space or without, the additional rent paid after May 1, 1977 because of this extension shall be credited to future rents under any renewal or new lease. (3) The renewal period may be modified to a period less than five years by negotiation. (4) The parties intend to meet during this period of extension and each shall cooperate providing information and access to the premises and all other potential space subject to negotiations between the parties."

In other words, Mr. Miles informed the Board, you have 180 days from March 1st to use the premises and 90 days from March 1st to make up your mind whether to renew or not.

Supervisor Nayman arrived at 11:00 a.m., the County Attorney informed him of the provisions of the agreement.

Recessed at 11:15 a.m., reconvened at 11:20 a.m.

RESOLUTION NO. 60

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Batchellor.

RESOLUTION AUTHORIZING EXTENSION OF LEASE FOR SPACE AT 151 PLATT STREET

RESOLVED, that the extension of the lease between the County of Orleans and Albion Industrial Center herewith presented, be approved by this Board and the Chairman be authorized to execute same in the name of the County of Orleans.

Unanimously adopted.

Discussion of use of the school and various other potential facilities were taken up - no action taken.

Chairman Plummer requested an executive session to discuss union negotiations.

It was moved by Supervisor Swiercznski and seconded by Supervisor Batchellor that the Board go into executive session to discuss union negotiations.

Unanimously adopted.

Adjourned at 12:00 noon for executive session. Adjourned at 1:30 p.m.

REGULAR MEETING  
Thursday, March 3, 1977

The meeting was called to order at 10:10 a.m. by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Bane and seconded by Supervisor Batchellor that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Resolution No. 61 was presented by Supervisor Piedimonte and seconded by Supervisor Bane.

Supervisor Batchellor requested clarification of the payment of compensatory time off - whether it included compensatory time off for time and one-half also. After further discussion it was determined that compensatory time would be paid only for those hours actually worked not to exceed eight hours in any one day.

Supervisor Kubatek asked if this was something that would be continued in the future. Chairman Plummer responded that "snow emergency days" was an item under negotiation with the union.

The County Attorney pointed out that grievances were being filed to seek payment for the snow emergency days.

Discussion took place regarding whether employees who lost time were eligible for unemployment insurance and food stamps.

Commissioner Klapper spoke in favor of paying the employees who missed time during the blizzard. He pointed out that many employees were working part of their lunch hour to get the work done. Letters were read from Probation Director Golden and District Attorney Lyman in favor of paying the employees for the days they could not get to work.

RESOLUTION NO. 61

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION MODIFYING RESOLUTION NO. 59 OF 1977

BE IT RESOLVED, that those portions of Resolution No. 59 of 1977 of this Board which pertain to the payment of wages and salaries and the charging of emergency time to employee personal leave and/or vacation time are hereby modified to provide as follows:

1. Hourly rate employees who worked during the period of emergency certified by Resolution No. 59 be paid at the rate of time and one half for all hours worked over 40 hours during said emergency period.

2. All employees who did work during the said period of emergency shall receive compensatory time off equal to the hours actually worked not in excess of eight hours in any one day. Such compensatory time to be at times convenient to the employee and the employee's supervisor.

3. All employees scheduled to work during the said period of emergency who were unable to report for work due to the emergency shall be paid for such periods as they were scheduled to work and that such absences are justified.

Adopted. 276 ayes; 96 nays, Supervisors' Kubatek (72) and Swierczanski (24) voting nay; 0 absent.

Chairman Plummer appointed Supervisor James Piedimonte to fill the vacancy on the Genesee Valley Regional Marketing Authority.

It was moved by Supervisor Swierczanski and seconded by Supervisor Batchellor that the County Planner, Geoffrey Astles, be authorized to attend the public hearing on "Classification of Waters and Adoption of Standards" to be held by the Department of Environmental Conservation in Avon on March 24, 1977, at county expense.

Carried.

The Clerk presented the proposed application for the Health Systems Agency of Western New York.

Presented the Annual Reports of the Probation Department and the Health Department. Ordered printed in the 1976 Proceedings.

Privilege of the floor was granted to Mrs. Carri Blake, Director of the Office for the Aging. Mrs. Blake introduced Mr. Jack Benson from the State Office for the Aging to explain the State and Federal regulations pertaining to an office for the aging.

Supervisor Batchellor said, "We felt when this office was started that it should be more or less an information office. We are concerned that it is spreading out in all directions."

Mr. Benson, "It is following the federal regulations. In fact, in the first year we did not approve it until in the first year you strengthened the objective of the nutrition program."

Mr. Benson also informed the Board that in the application which the Chairman signed, all the pertinent regulations are included to avoid any misunderstanding. Information referral also requires follow-up.

Mr. Benson pointed out that the nutrition program will not cost the County anything because the local Office for the Aging had been able to secure the necessary local funding from the Salvation Army. Mrs. Blake will be expected to coordinate and evaluate the nutrition project.

Supervisor Dudek said, "I am not in favor of expanding programs more than needed to be done - I would like to see programs that are not wholly the responsibility of government. I am willing to accept this and see how it goes. I think that is the way we should try to get programs done."

Supervisor Nayman, "I agree. But what happens if the outside agency decides this is not working and pulls out? Are we going to have to fund the program?"

Mr. Benson, "The Salvation Army has told me that they have an extremely large legacy which they intend to spend in Orleans. That is as good a guarantee as you can get from anyone. This should carry them through a number of years."

Supervisor Nayman, "Forget that. Just say there are no funds, do we then have to pick this up?"

Mr. Benson, "You are committed to a nutrition program but you are not committed to the funding. You could again look to find outside help."

Some discussion of a homemaker service to be provided by Office for the Aging took place. Mrs. Blake explained that the program could expand present programs or develop new ones but could not replace present homemaker services.

Supervisor Swiercznski, "I do know that the Salvation Army is thinking of setting up a homemaker service for the County, so we may have two things going at the same time which will help the County out and as long as a private agency is willing to take over, I say go ahead."

Privilege of the floor was granted to James Hancock, Manpower Coordinator. Mr. Hancock informed the Board that under the new economic stimulus program it is expected that Orleans County funds under Title II and VI may double. The new funds will be used for new projects and activities. He suggested that he solicit letters of intent from the various municipalities, etc. regarding proposed programs. Mr. Hancock also suggested that a committee from this Board be appointed to review and evaluate the suggested projects. Mr. Hancock said he would request letters of intent be in to him by March 11th.

Supervisor Piedimonte suggested that Mr. Hancock would need a couple of extra positions in his office to assist with the extra work.

#### RESOLUTION AUTHORIZING PURCHASE OF EQUIPMENT FOR COUNTY HOME & INFIRMARY

RESOLVED, pursuant to the request of Stephen Heard, Administrator of the Orleans County Home and Infirmary, by letter dated March 2, 1977, he be, and hereby is, authorized to purchase (1) One 20" Kent Buffing Machine - 1-1/2 hp. - and one scrub and polish bursh for the machine at a total cost of \$480.00; and (8) Eight E & J Starliner wheelchairs with adjustable detachable leg-rest for \$1,249.00.

Unanimously adopted.

The Clerk read a letter from Stephen Heard, Administrator of the County Home and Infirmary, requesting authorization to purchase a whirlpool bath unit. After discussion with Mr. Heard, the request was tabled until the demonstration of the unit is completed and recommendations received from Infirmary personnel.

The Clerk presented the following communications:

Letter from Congressman LaFalce dated February 14, 1977, regarding closing of Medina Armory, attached was a copy of his letter to Governor Carey requesting him to reconsider the closing.

Supervisor Kubatek, "On the retiring of the flag ceremonies which were held, I talked to a person in authority, and he indicated that if enough pressure was brought to bear throughout the county by the various boards and from people, that a unit or company be reinstated at the armory - not a detachment - that it might be reopened. So, I am asking you when you meet with your town boards to pass a resolution requesting that a company be reinstated at the armory."

Letter from Senator Paterson dated February 15, 1977, informing the Board that he has been working toward keeping the Medina Armory open; letter dated February 14, 1977, re: resolutions 331 and 332.

Letter from Governor Carey's office dated February 23, 1977, acknowledging receipt of resolutions 44 and 31.

RESOLUTION AUTHORIZING SALE OF COUNTY OWNED PROPERTY LOCATED IN THE TOWN OF CARLTON

RESOLVED, that this Board of Supervisors sell and convey unto Audrey VanWycke, Waterport, N. Y., for the sum of \$75.00, Parcel No. 30, Major No. 109-59 of the premises contained in the 1975 delinquent tax list in the foreclosure In Rem Proceedings, as contained in the deed to the County of Orleans dated October 21, 1975 and recorded in the Orleans County Clerk's Office in Liber 377 of Deeds at Page 343, being formerly assessed to James Littlefield, 410 Campus Drive, Snyder, N. Y. 14226, bounded and described as follows: In the Town of Carlton, Orleans County, New York, being known as L15A, Callard Subdivision, 100' x 125'; and that the County Treasurer is hereby authorized to make and deliver a deed therefore to the said purchaser upon payment of the aforementioned purchase price.

Unanimously adopted.

The Clerk presented the agreement between the County and ARC for 1977, said agreement would require 25% payment by the County. Tabled until after Mental Health Board meeting.

The Clerk presented the Project Application to the Division for Youth for state aid for libraries.

Supervisor Dudek, "This is similar to what we did last year rather than funding the libraries 100% there was a certain budget set up where we picked up the matching funds for the libraries and got the state to coordinate with them and each of the libraries received some money. What's happened this year, Medina doesn't expect to ask the County for any funds to provide the share of matching funds. Albion, I understand, would be willing to match state money against matching funds. This application will have all programs under one application. At some point the libraries may ask for County money but that is not what we are asking now. We are just asking to file this application covering all programs."

After further discussion, the question of approving the application for state aid for libraries was tabled to allow the members to talk to the people at the various libraries.

#### RESOLUTION NO. 72

RESOLUTION REQUESTING THE STATE LEGISLATURE TO AMEND SECTION 85 OF THE CIVIL SERVICE LAW

WHEREAS, Section 85 of the Civil Service Law provides for certain benefits to the Civil Service system for persons termed "Veteran", and

WHEREAS, the definition of the term "veteran" is limited to those persons who were residents of the State of New York at the time of their entrance into the armed forces of the United States and who are also residents of that State at the time of application for appointment, and

WHEREAS, this section discriminates against persons who meet the intent of the statute in that they have served honorably in the armed forces of the United States in time of war but may not have been a resident of the State of New York at the time of entry into the armed forces even though said person may have resided in the State of New York for the vast majority of his/her life, and

WHEREAS, the Board of Supervisors of the County of Orleans finds this section to be discriminatory and unjust, now, therefore, be it

RESOLVED, that the Board of Supervisors of the County of Orleans hereby requests the Legislature of the State of New York to amend Section 85 of the Civil Service Law such that all veterans, regardless of whether or not that veteran was a resident of New York State at the time of entrance into the armed forces, shall be entitled to the special rights and benefits enumerated for veterans in the Civil Service Law, and be it further

RESOLVED, that the Clerk of this Board send certified copies of this resolution to Governor Carey; Senator Lloyd Paterson; Assemblyman Stephen Hawley and the State Civil Service Commission.

RESOLVED, that unanimous consent be granted to pay these claims and the Clerk and Highway Superintendent be directed to draw demand orders on the County Treasurer in payment of said claims.

Unanimously adopted.

RESOLUTION NO. 78

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Batchellor.

RESOLUTION SETTING DATE FOR PUBLIC HEARING ON SEQR

RESOLVED, March 17, 1977 at 7:30 p.m., be set as the date for holding a public hearing in the Supervisors' Room, Court House, Albion, New York, to examine into the potential rules and regulations for the County of Orleans concerning the State Environmental Quality Review Act.

Unanimously adopted.

It was moved by Supervisor Kubatek and seconded by Supervisor Swiercznski that the meeting be adjourned.

Carried.

Adjourned at 3:05 p.m. until 8:00 p.m. March 17, 1977.

REGULAR MEETING  
Thursday, March 17, 1977

The meeting was called to order at 8:00 p.m. by the Chairman. The Clerk called the roll and all Supervisors were found present, except Supervisor Bane who was ill.

It was moved by Supervisor Piedimonte and seconded by Supervisor Batchellor that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Mr. David Welch, representing the residents adjacent to the Academy Street School. Mr. Welch presented a petition signed by approximately 132 residents of the area which read as follows: "In recent weeks it has come to our attention that a proposed change in occupancy of the Academy Street School is being considered. INSOMUCH as the proposed change would involve the relocation of some County Offices to include the Department of Motor Vehicles and thus significantly change the complexion of a model residential area; WE the taxpayers do hereby petition the Orleans County Board of Supervisors and the Albion School Board to reconsider the above actions on the grounds that they in no way represent the best interests of the residents of the adjacent and adjoining area."

Mr. Welch said he was appearing before the Board to request facts concerning the proposed move; such things as cost of the present facility, cost of the proposed move, up-keep and maintenance, etc. The residents are particularly concerned over the prospect of making a parking lot out of the lawn; also the problem that increased traffic will create. The Board was told that there are an amazing number of children living in the area and they use the lawn as a playground.

Mr. Welch presented information which he said he had gotten from newspaper articles and other sources. It was pointed out to Mr. Welch that some of the information he presented was not true. Supervisor Paduchak told Mr. Welch that, "I sympathize with you in your presentation but when you come before this Board and want me to pull something right off the top of my head to give you the answers, I will not do it."

Supervisor Dudek informed Mr. Welch that an indepth study is being made by the Planning Board and will be ready shortly.

The County Attorney clarified the lease extension at the Platt Street Building. Mr. Miles suggested that Mr. Welch prepare a report to this Board citing the various concerns he and other residents have concerning the proposed use of the school building.

After discussion by the Supervisors and representatives of the residents, Supervisor Nayman suggested that a meeting be set up between the Building Committee and representatives of the residents to clarify the facts of the situation.

The Clerk read the following communications:

Letter from Senator Javits dated March 8, 1977, indicating his interest in the application for the Genesee Finger Lakes Resource Conservation and Development Project.

Letter from the Department of State notifying the Board that Local Law No. 1 of 1977 had been filed in that office on March 10, 1977.

Letter from the Department of Agriculture dated March 10, 1977, informing the Board that the RC&D application was accepted as being in proper order on March 7, 1977, and that it is now 1 of 55 applications on hand from local sponsors seeking program assistance. It will be considered along with others on hand at such time as authorization for assistance may be approved for new areas.

Letter dated March 10, 1977, from WGR-TV, re: possible mention of County and towns on the television program.

Letter from Rochester Telephone dated March 11, 1977, re: damage to underground facilities.

Invitation to the members to attend the 125th anniversary celebration of St. Joseph's Church, Albion, N. Y., on March 20, 1977.

Letter to Mrs. Basinait from O.T.B., dated February 16, 1977, in which was enclosed a check in the amount of \$4,074.00, representing the fourth quarter 1976 share of profits.

Letter from Mrs. Victoria Allchin, Chairman, Orleans County Council on Alcoholism, dated February 14, 1977, supporting the program of the Orleans County Youth Services.

Supervisor Kemp informed the Board that the "Storefront" had requested that their department come under the Mental Health Department. The matter is under consideration.

Letter from President Carter's staff acknowledging receipt of a resolution from this Board.

Letter from Assemblyman Duryea dated March 3, 1977, acknowledging receipt of Resolution No. 44.

Letter from Assemblyman Hawley dated March 7, 1977, acknowledging receipt of Resolution No. 29.

Letter from Bernadine Metcalf, Secretary, Orleans County Republican Committee, dated March 11, 1977, which said, "Be it Resolved, that at a meeting of the Orleans County Republican Committee, held Thursday, March 10, 1977, a motion was passed to recommend to the Board of Supervisors of Orleans County that they enter into a contract with the Albion Central School District to lease the Grammar School on Academy Street in the Village of Albion for use as office space due to the fact that it will provide a savings to the County and also provide greater parking space."

Letter from Dr. Terry, Director of the Mental Health Department, dated March 7, 1977, requesting permission to advertise outside the County to fill the vacant position of Staff Social Worker. Request tabled.

It was moved by Supervisor Nayman and seconded by Supervisor Kemp that Ann Golisano, Administrator of the Self-Insurance Program, and David Schubel, attorney for the program, be authorized to attend a meeting in Syracuse on March 29, 1977, at county expense.

Carried.

#### RESOLUTION NO. 79

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION AUTHORIZING ADVERTISING FOR BIDS FOR SOFT BODY ARMOR FOR THE ORLEANS COUNTY SHERIFF'S DEPARTMENT

RESOLVED, that the Purchasing and Printing Committee of this Board be and hereby is authorized to advertise for bids for the purchase of 20 units of Soft Body Armor (Flack Jacket) for use of the Orleans County Sheriff's Department, as per specifications supplied by the Orleans County Sheriff.

Adopted. 325 ayes; 1 nay, Supervisor Swiercznski (24); 1 absent, Supervisor Bane (23).

The Clerk read a letter from the Personnel Officer dated March 17, 1977, requesting a change in Resolution No. 52 of 1976, to change Geoffrey Astles' anniversary date from March 1, 1976 to January 1, 1974. Mrs. Bower said in part, "It is my understanding that a verbal agreement with the Board of Supervisors was reached as to Mr. Astles' retaining January 1, 1974 as his anniversary date."

Supervisor Batchellor said that it was his understanding that this was true.

Supervisor Kubatek asked that the matter be tabled and referred to the Salary and Employment Committee for recommendation.

It was moved by Supervisor Piedimonte and seconded by Supervisor Kemp and carried, that the following Clerk's bills for reporting delinquent dog owners, as presented and read by the Clerk, be allowed as claimed and that the Clerk be directed to certify same to the County Treasurer for payment.

Name	----	Town	Claimed and Allowed
Marion Tomaschke	-	Kendall	\$ 8.95
June B. Stalker	-	Ridgeway	12.75
Lawrence A. Brown	-	Yates	14.00

Supervisor Paduchak noted that he felt the Department of Ag & Markets should make more stringent rules for people who do not get dog licenses.

Supervisor Batchellor said he felt the Board should instruct the Health Department to set up rabies clinics again this year.

It was moved by Supervisor Piedimonte and seconded by Supervisor Swiercznski, and carried, that the following Clerk's bill for bringing action against delinquent dog owners, as presented and read by the Clerk, be allowed as claimed, and that the Clerk be directed to certify same to the County Treasurer for payment:

Name	----	Town	Claimed and Allowed
Orren S. Van Orden	-	Murray	\$85.00

RESOLUTION NO. 80

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Batchellor.

RESOLUTION AUTHORIZING ADVERTISEMENT FOR BIDS AND AWARDED CONTRACTS FOR MATERIALS AND SUPPLIES USED BY COUNTY HIGHWAY DEPARTMENT

RESOLVED, that, pursuant to Section 103 of the General Municipal Law, the County Superintendent of Highways and the Highways Officials Committee of this Board be, and hereby are, authorized to advertise for bids and award contracts for materials and supplies costing in excess of \$1,500.00 to be used in 1977 by the County Highway Department, excepting materials and supplies purchased at State Contract prices and advertised by the State of New York, Division of Standards and Purchase, in accordance with specifications prepared by the County Superintendent of Highways and to include only the requirements of the County Highway Department, and be it

FURTHER RESOLVED, that there be, included in each purchase contract a provision whereby purchases may be made under such a contract by any political subdivision or district in the county.

Adopted. 349 ayes; 0 nays; 1 absent, Supervisor Bane (23).

Mr. Miles informed the Board that he had a request from Mr. Stewart that the Sheriff's Department employees wished to start negotiations for a new contract.

#### RESOLUTION NO. 81

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Batchellor.

#### RESOLUTION DESIGNATING NEGOTIATING TEAM FOR SHERIFF'S DEPT. NEGOTIATIONS

RESOLVED, that the following are hereby designated as the negotiating team to represent the County of Orleans in union negotiations with employees of the Orleans County Sheriff Department (C.S.E.A. unit):

Clayton Plummer, Chairman, Board of Supervisors  
Stanley Dudek, Chairman, Public Safety Committee  
Paul I. Miles, Orleans County Attorney

Adopted. 349 ayes; 0 nays; 1 absent, Supervisor Bane (23).

#### RESOLUTION NO. 82

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Paduchak.

#### RESOLUTION THANKING THOSE COUNTIES WHO DECLINED CETA AID

WHEREAS, during the blizzard of 1977 the Federal Government provided additional CETA monies to several New York State counties to be used for snow removal and other similar purposes, and

WHEREAS, the counties of Columbia, Essex, Fulton, Hamilton, Herkimer, Livingston, Madison, Montgomery, Ontario, Otsego, Schoharie, Schuyler, Seneca, Sullivan, Tioga, Tompkins, Wayne, Washington, and Yates, did request the New York State Department of Labor to divert \$172,164 due them under the CETA program, to the counties of Jefferson, Lewis, Orleans, Genesee and Wyoming, said counties having been declared major disaster areas, now therefore be it

RESOLVED, that this Board of Supervisors does hereby thank those counties who declined such additional aid in order to give it to the counties of Jefferson, Lewis, Orleans, Genesee and Wyoming, and that the Clerk be directed to send a certified copy of this resolution to the counties of Columbia, Essex, Fulton, Hamilton, Herkimer, Livingston, Madison, Montgomery, Ontario, Otsego, Schoharie, Schuyler, Seneca, Sullivan, Tioga, Tompkins, Wayne, Washington, and Yates.

Adopted. 349 ayes; 0 nays; 1 absent, Supervisor Bane (23).

#### RESOLUTION NO. 83

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Swiercznski.

#### RESOLUTION DESIGNATING COUNTY PLANNER TO REVIEW APPLICATIONS FOR SEQ

WHEREAS, Article 8 of the State Environmental Conservation Law establishes environmental quality review of various direct governmental action and other actions involving the issuance of permits or other permissions to act, and

WHEREAS, the State of New York Commissioner of the Department of Environmental Conservation has, after public hearings, established rules and regulations under said Article 8, and

WHEREAS, the Orleans County Board of Supervisors conducted a public hearing upon due notice as required by Section 8-0113 of the Environmental Conservation Law.

NOW, AFTER DUE DELIBERATION of the information submitted at the said public hearing and by the Department of Environmental Conservation the Orleans County Board of Supervisors does hereby:

RESOLVE that no additional rules or regulations are necessary for the implementation of Article 8 of the Environmental Conservation Law consistent with the rules and regulations adopted by the State Commissioner, and

FURTHER RESOLVE that the Orleans County Planner be, and hereby is, designated as the Orleans County Agency to receive and review all applications and other documents filed under said Article 8 and the Commissioner's Rules and Regulations, and

FURTHER RESOLVE that the Orleans County Board of Supervisors be, insofar as allowed by law, the final authority in the County of Orleans in all determinations and orders required of the local agency, basing their determination and order upon the statute, the State Commissioner's Rules and Regulations and the individual case file and taking into consideration the recommendations of the above designated Orleans County Agency, and

FURTHER RESOLVE that the Orleans County Planner, the said Orleans County Agency, propose a schedule of filing fees to be charged to all applicants, which fees will defray the costs of such filing and review together with a schedule of fees for public hearings and other procedures as are required or permitted under the State Commissioner's Rules and Regulations and that a report of such proposed schedule of fees be made to the Orleans County Board of Supervisors for review, adoption and publication.

Adopted. 349 ayes; 0 nays; 1 absent, Supervisor Bane (23).

The County Attorney requested an executive session to discuss union negotiations.

Adjourned at 9:10 p.m. for executive session. Reconvened at 10:05 p.m.

Supervisor Kubatek, "As you know we are looking around for space. This was suggested that the Building Committee look at the Ensign School in Medina. I understand that it is appraised at \$55,000. It offers 4500 square feet not counting halls. There are 5 telephone trunk lines and 10 intercoms. The plumbing is 50% new in it. The heating bill is based on 40¢ per gallon, number 2 oil, low pressure steam burner."

Supervisor Kubatek further described the facilities. He said, "I see nothing where it says we have to keep all offices right here because of the fact that we are the county seat. I am not saying move the county seat over there, but you know we might move some offices."

Supervisor Piedimonte noted that Holley also has a school which could be used for county offices.

Supervisor Dudek informed the Board that a layout of the floor of the Medina school, all the expenses and everything connected with it was being prepared by the school and after it is presented it will be up to the Building Committee and the Planning Board.

Supervisor Kubatek, "I had a call from the library in our area wondering if they are going to get any funding at all."

Supervisor Dudek, "We need to have an application into the Division for Youth by the 1st of April. Medina library doesn't expect to ask for anything from the county. The only thing they want is that we submit their application for the Youth Board and they will provide the matching funds."

Supervisor Kubatek, "That wasn't what they told me - they just want to know are we going to give them any funds."

Supervisor Dudek presented the proposed projects for the libraries which will be submitted to the Division for Youth. These include projects for Albion and Medina, none for Lyndonville or Holley. He pointed out that the County could still appropriate FRS funds to the libraries even if the libraries submit applications through the Division for Youth.

It was moved by Supervisor Piedimonte and seconded by Supervisor Kubatek that \$18,000 be appropriated to the libraries.

Supervisor Paduchak requested that the above motion be tabled.

#### RESOLUTION NO. 84

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Dudek.

#### RESOLUTION APPROVING PROJECT APPLICATION TO THE DIVISION FOR YOUTH

RESOLVED, that the project application to the Division for Youth, as herewith presented, be approved by this Board and the Chairman is hereby authorized to execute same in the name of the County of Orleans.

Adopted. 349 ayes; 0 nays; 1 absent, Supervisor Bane (23).

Supervisor Kubatek, "For a long time I have been sitting here, I am on my 6th year, where I have known very well how hard the Chairman works and all the Board members do work, regardless of some criticism we get, but I am convinced in my own mind that we give serious consideration to a full-time Administrator or an Assistant Administrator, so I would like to move a resolution that - The County create the position of the County Administrator and that the Chairman appoint a committee from the Board of Supervisors to (1) develop a job description, listing qualifications and duties for such a position, taking into consideration the recommendations of the County Planning Board and the Taxpayers Association; (2) recommend salary for this position and last, to advertise for and review applications."

Seconded by Supervisor Nayman.

Supervisor Batchellor, "Mr. Chairman, haven't we got a government committee working now and isn't the State Department waiting for a report? I think we should have this before making any decision."

Supervisor Dudek, "A week ago some of the members of the government committee of the County Planning Board met with some people at a meeting, people from the Division for State, in Batavia. They finally received the applications that the Supervisors were supposed to submit. There is a report forthcoming to the Board. Also, there is a report almost put together here and we are talking about a period of probably next meeting, which will include a job description, method of operation, proposed salary, etc., which is the County Government Committee of the Planning Board. A recommendation to us to take some action on it. In view of the fact, that we don't have the report yet and there is a study underway, I would request that this be tabled until next meeting."

Supervisor Kubatek, "One of the things that I said was to take into consideration the recommendations of the County Planning Board and the Taxpayers Association. They suggested this before and I recall reading in the newspaper that you do favor such a move."

Supervisor Dudek, "I do. It's just about ready to go. We have a couple of questions, we talked about it a month ago or so, and we said we had this committee. The Sheriff had to deliver the questionnaires to the Supervisors to get them in, that's been part of the delay. We haven't got the response back from that yet. We will have it soon. I think it is inappropriate to move the resolution that we create the position and then develop it, I think we should develop it and then go forward from there. I think the development is 90% complete. I just ask that we wait one more meeting for it and then we will have some information to work with."

It was moved by Supervisor Dudek and seconded by Supervisor Paduchak that this resolution be tabled until the next meeting. It could be referred to committee, some work can be done on it in the meantime, there is a report forthcoming, some information is being put together, documentation of everything that has been done by the Planning Board, request from the Taxpayers and a number of other things.

Adopted.

RESOLUTION NO. 85

VILLAGE OF ALBION, TOWN OF ALBION

RESOLVED, that this Board of Supervisors sell and convey unto David G. Brundish, 244 East Avenue, Albion, New York 14411, for the sum of \$308.23, Parcel No. 6, Major No. 1648 of the premises contained in the 1976 delinquent tax list in the foreclosure In Rem Proceedings, as contained in the deed to the County of Orleans dated September 27, 1976 and recorded in the Orleans County Clerk's Office in Liber 383 of Deeds at Page 450, being formerly assessed to Arthur Nixon Estate, c/o Arnold Vick, 43 Meadowbrook Drive, Albion, N. Y., bounded and described as follows: In the Village of Albion, Town of Albion, Orleans County, New York, being known as East Avenue, 1/8 acre, described as bounded: N-East Ave., S-Dollinger, E-Brundish, W-Carver; and that the County Treasurer is hereby authorized to make and deliver a deed therefore to the said purchaser upon payment of the aforementioned purchase price, and be it

FURTHER RESOLVED, that this conveyance shall be made subject to the approval of the Village of Albion.

Adopted. 349 ayes; 0 nays; 1 absent, Supervisor Bane (23).

RESOLUTION NO. 87

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION APPROVING CLAIM TO NYS ASSOCIATION OF TRAFFIC SAFETY BOARDS

RESOLVED, that the Orleans County Traffic Safety Board is hereby authorized to join the New York State Association of Traffic Safety Boards at a cost of \$25.00, and be it

FURTHER RESOLVED, that the claim in the amount of \$25.00 to the New York State Association of Traffic Safety Boards be paid from Account A1010-4 (Board of Supervisors Contractual Expenses).

Adopted. 349 ayes; 0 nays; 1 absent, Supervisor Bane (23).

Supervisor Swiercznski moved that the meeting be adjourned. Adjourned at 10:45 p.m.

REGULAR MEETING  
Thursday, April 7, 1977

The meeting was called to order at 10:05 a.m. by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Bane and seconded by Supervisor Paduchak that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Mr. Ed Fitzsimmons. Mr. Fitzsimmons inquired into the status of the proposed move of county offices to the Grammar School.

Supervisor Paduchak replied, "Before each member is a report from the Planning Board and I would like to say that the Planning Board did a very good job in their study. The Planning Board did not recommend one way or the other, but did give a good amount of time to the study."

"Mr. Fitzsimmons was at the meeting with us when we met with the Planning Board and he is aware of this study. The decision is up to the Board now to decide whether we should go and move to this location as offered by the Board of Education or stay at the present facilities."

Mr. Fitzsimmons asked if anyone had seen the study. He was informed that each Board member had a copy on their desk.

Mr. Fitzsimmons was informed it was possible the Board might make a decision at this meeting. The Board of Education needed a decision. The Board of Supervisors have been considering the proposal to move to the school for several months.

The County Attorney informed Mr. Fitzsimmons that any member of the Board can propose a resolution and if it is seconded, it will then be debated and action will then be taken at that time. It is legally possible and permissible for them to do so.

It was pointed out that a representative of the residents did review the rough statistical information in the Planning Office, although it was not in the final printed form, the information shown to them was the same.

Supervisor Dudek, "The Planning Board was charged with looking at it in terms of what the cost would be involved and the locations of various departments one with another and the more important of those were the cost factors. We wanted to make sure that if we made a move it would be economically feasible. There was a lot of data, statistics that say how they came to their figures, the conclusions are there in summary on the front page. It does show a move to the school would be a wise move in terms of cost. That is really what the study was about. There is a lot here in terms of when the moves are made, who might go where, and locations, etc. But we aren't at that point yet. We are at a point of deciding whether it's good in terms of efficiency and cost. And that's pretty easy to see from the study that it is. The other question that we have is one that that study can't be used to support - as to whether the people in the area would like it or not."

Mr. Fitzsimmons questioned whether more time shouldn't be given to digest the contents of the study. He was informed that at least six of the Supervisors were involved in gathering information for the study.

The County Attorney stated, "This Board deliberates matters that come before it and this the the Legislature of the County of Orleans, this Board is charged with duties because of pressure of expiration dates, to make a determination and if your group has something it should be here. I made the point when you were here before that you should get before this group positive statements in writing or somehow, so that they could be seen."

Supervisor Dudek, "a month ago we had a meeting and the Board was very close to making a decision then. But we said let's give it one final study to take a look to make sure all the facts are developed. This study is for our use, put together by the Planning Board for us to use. The real purpose of the study itself was to look at it in terms of economics and see if it was feasible. That is all the study did. This does justify the opinion of many of the members previously that it would be economically feasible"

Mr. Fitzsimmons, "The statement was made that facts could not be talked about because they had not been fully, sufficiently looked at. They couldn't make decisions and be misquoted and not be able to make the proper statements now because they had not been consulted with and now I am definitely getting the impression that this has been going on for years. I don't understand the conflict in that."

Supervisor Piedimonte, "It was just one man's opinion that said that he needed more time to study. We have been on this since the first year that I have been on the Board and the second month I was here, we voted on whether we should build an addition or not and we have been on this for sometime. And it was his opinion that he needed more time - he wanted the Planning Board to look at it. It wasn't the opinion of all of us."

Supervisor Paduchak, "I made the statement that I wouldn't give a figure that night because as you know all of my papers were not here and the gentleman presented himself before this Board had all types of figures from here to there, and in a different range. I could have told him what it was but if he was off in his figures and he was off in my figures, say \$50.00, it wasn't right. Here you have got the figures from the Planning Board that substantiate the findings and our figures are all the same."

Mr. Fitzsimmons informed the Board that his group is preparing figures and other information from this and other sources. He said he was concerned that the information would be of no value because the vote would be taken before it could be presented. Asked for a list of the problems which should be studied, he replied, traffic patterns, environmental impact in the surrounding area, financial impact to move some kind of business in the middle of a residential area, the resale value of the homes in the area directly adjacent to the school.

Supervisor Swiercznski, "When that place was used as a school, I can remember the bus traffic around there was ungodly. I can see a problem if the place becomes abandoned, which is what the school district would have to do somewhere down the line. Once you get an abandoned building you get broken windows and everything else."

Mr. Fitzsimmons, "First of all you are talking about the bus traffic to the school compared to traffic patterns that would be developed at the Office of Motor Vehicles. That may be a very important fact for a study to find out exactly what it is. You have the difference between bus patterns and continuous traffic patterns all day long. Secondly, the two elementary schools, Catholic schools, which means the statement is made that that is going to pour at least 90 more students into the Albion School District and there will already be a need to use the school building again for children on the bottom floor. That is, I mean a possibility that should be thrown in."

Commissioners of Election Hill and Slack appeared before the Board. They again discussed their concern that their equipment may have a breakdown and that they would be unable to get it repaired. They expressed the hope that the Board would come to a quick decision on purchase or lease of a computer that would do the work required by their office.

A feasibility study will be conducted by the State for the Social Services Department to find out what functions in that department could be put on a computer. The State would pay for part of the cost of a computer based on use by Social Services.

Privilege of the floor to Jeff Astles. Mr. Astles informed the Board that he had received confirmation that the County had been awarded a \$12,291.00 grant effective April 1st, to write the Comprehensive Plan for the Traffic Safety Board.

Privilege of the floor to Sheriff White. Sheriff White informed the Board that the new automobiles had arrived and were now on the road. Authorization would be needed to sell the old automobiles. He requested that the Board consider keeping the 1974 Green Chevrolet for use of the County. He told the Board that he felt the County could save money by using the car as transportation for his deputies attending school; for picking up groceries, etc. The automobile has approximately 80,000 miles on it. Two of the new cars have been undercoated. The Sheriff stated that he hopes to keep those cars for at least three years.

The Clerk presented the following communications:

Letter from Audit and Control dated March 21, 1977, acknowledging receipt of Local Law No. 1 of 1977 on March 11, 1977. Ordered filed.

Copy of a letter to Senator Javits from US Dept. of Agriculture, dated March 28, 1977, regarding the RC&D application. Ordered filed.

Letter from Congressman LaFalce dated March 28, 1977, accompanied by a copy of the letter to him from Governor Carey, regarding the closing of the Armory in Medina. Congressman LaFalce said, "I regret that we were not successful." Ordered filed.

Letter from Senator Javits dated March 2, 1977, thanking the Board for their letter of appreciation for the disaster aid. Ordered filed.

Letter from Assemblyman Hawley dated March 15, 1977, acknowledging receipt of the resolution from this Board requesting amendment of Section 85 of the Civil Service Law. Ordered filed.

Letter from Congressman LaFalce dated March 16, 1977, with copies of his letter to Mr. Hagan and a copy of a letter received by him from the US Dept. of Agriculture, concerning the RC&D application. Ordered filed.

Notice from the State Department of Labor that Orleans County will receive an estimated sum of \$135,212 for the FY1977 Summer Program.

Letter from Loren D. Fleming, Dept. of Labor, dated March 24, 1977, regarding the OJT Program. Ordered filed.

Letter from NYS DOT dated March 28, 1977, acknowledging receipt of Resolution No. 74. Ordered filed.

The following letter from Congressman LaFalce was presented. It was pointed out that the County will only receive about 70% of their costs incurred in the "snow disaster".

Hon. Clayton Plummer  
Chairman, County Board

Albion, New York 14411

Dear Clayton :

Municipal budgets have been devastated by the recent disaster through loss of revenues and additional costs for services.

As you all know, in the area of snow removal and road repair, the FDAA has worked out a formula which requires the localities to pay 30% of the first 100% by which actual costs of snow removal exceed anticipated costs. Beyond that, the federal government will pay the costs. However, should you have difficulty raising the 30% share due to the loss of revenues and previous continuing budget constraints or should you have other budget difficulties, I would like to outline for you another program made available as a result of the disaster, which can be of great assistance in meeting these and other costs.

Through the FDAA, Community Disaster Loans are available to municipalities in the region declared by the President to be a major disaster area. The application for the loan reflects loss of revenue due to the disaster, additional costs due to the disaster, and ordinary budget figures. The loans are for a three year period and may be for as much as one quarter of the community's normal operating budget. Treasury Department interest rates are charged. While the community generally should count on repaying the loan within the three year period, there is a forgiveness feature in the program, contingent on a lack of operating revenues as a result of the major disaster. Also, where warranted by the situation, the Administrator of the FDAA may approve longer terms of maturity on the loan to a particular community.

For further information and application forms for these loans, you should correspond directly with the FDAA in Washington through Mr. James Lewis, Chief, Office of Public Assistance, Federal Disaster Assistance Administration, Department of Housing and Urban Development, Washington, D.C. 20410. Applications should be filed with the Federal Disaster Office in Buffalo at 560 Main Street, Buffalo, New York 14202.

It should be pointed out that these loans have been given only three or four times in the past, and that the community must demonstrate both the loss of revenues due to the disaster and an inability to meet the costs of ordinary governmental functions as a result of that loss.

If you have any questions, please feel free to contact me.

Best personal regards.

Sincerely,  
  
JOHN J. LaFALCE

Unanimously adopted.

RESOLUTION NO. 95

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION SETTING SALARY OF ORLEANS COUNTY CLERK

RESOLVED, that the salary of the Orleans County Clerk be set at \$15,000.00 per annum, said increase to be retroactive to January 1, 1977, which was the effective date of his present term.

Unanimously adopted.

It was moved by Supervisor Kemp and seconded by Supervisor Piedimonte that a leave of absence, without pay, be granted to David Millis employed in the Orleans County Health Department, for the period, May 12th, 2:00 p.m. to 5:00 p.m., May 13, 16, 17, 18, 19, 20, 1977.

Carried.

The Clerk read a letter from Batya Goldstein, Associate Municipal Management Consultant, Department of State, dated March 28, 1977, which read in part, "In order not to delay the Orleans County Board of Supervisors in its deliberation on the need for an administrative assistant, a brief summary of those questionnaires which were returned is enclosed. Additional information, dealing with the creation and definition of administrative assistant positions in other New York Counties is also enclosed." Copies of the report were distributed to the Board members.

The Clerk presented a list of proposed members of the Narcotics Guidance Council. The terms of the members of the council formerly appointed by the Board have elapsed and it is necessary to appoint new members.

Supervisor Kemp explained that the Health Committee had met with the Director of the Narcotics Guidance Office. It was the feeling of the committee that that office should remain downtown for the present. Mr. Lyman has agreed to allow the office to move into space on Bank Street. Mr. Kemp told the Board that both the committee and the Mental Health Board feel that that department is doing a good job in the county and is necessary.

It was moved by Supervisor Kemp and seconded by Supervisor Nayman that Rule No. 20 of the Rules of Procedure be waived in order to allow the appointment of members of the Narcotics Guidance Council at this meeting.

Carried.

#### RESOLUTION NO. 96

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION APPROVING APPOINTMENTS TO NARCOTICS GUIDANCE COUNCIL

RESOLVED, that the following appointments to the Orleans County Narcotics Guidance Council for three year terms, be approved by this Board:

Donald White, Chairman	Medina, N. Y.
Dr. Choon Yeon	Albion, N. Y.
Thomas Young, Attorney	Holley, N. Y.
Rev. William Allen	Eagle Harbor, N. Y.
Ann Reigle, Social Worker, Administrator	Medina, N. Y.
Charles Breuilly, Newspaper Editor	Albion, N. Y.
Patricia Carr, Social Worker	Albion, N. Y.

Unanimously adopted.

The question was raised as to whether this Board had to pass a resolution to continue the Narcotics Guidance Office. The County Attorney informed the Board that the NGC had submitted a plan to the State and that plan had been approved so that the department would get the necessary state funding. If this Board wished to discontinue that office then a resolution to do that would be necessary.

Adjourned at 11:55 a.m., until 1:30 p.m.

#### AFTERNOON SESSION

Reconvened at 1:30 p.m., all Supervisors present.

RESOLUTION NO. 97

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION AUTHORIZING SALE OF COUNTY OWNED PROPERTY LOCATED IN THE VILLAGE OF ALBION, TOWN OF ALBION

RESOLVED, that this Board of Supervisors sell and convey unto John Gurney, 260 E. State Street, Albion, N. Y. 14411, for the sum of \$1,194.90, Parcel No. 28, Major No. 1739 of the premises contained in the 1953 delinquent tax list in the foreclosure In Rem Proceedings, as contained in the deed to the County of Orleans dated June 16, 1953 and recorded in the Orleans County Clerk's Office in Liber 256 of Deeds at Page 244, being formerly assessed to L. A. DeGraff, Albion, New York, bounded and described as follows: In the Village of Albion, Town of Albion, Orleans County, New York, being known as a lot on McClelland Street, described as bounded: N-Albion-Gaines Town Line, S-McClelland Street, E-Bielinski, W-Marlin, containing 2 acres more or less; and that the County Treasurer is hereby authorized to make and deliver a deed therefore to the said purchaser upon payment of the aforementioned purchase price, and be it

FURTHER RESOLVED, that this conveyance shall be made subject to the approval of the Village of Albion.

Unanimously adopted.

RESOLUTION NO. 98

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Paduchak.

RESOLUTION REQUESTING EXTENSION OF ROUTE 490 INTO ORLEANS COUNTY

WHEREAS, an extension of Route 490 through the County of Orleans has been on the "drawing board" for a number of years, and

WHEREAS, the extension of Route 490 to the County of Orleans would have a beneficial effect on the economy by providing additional employment in construction and by providing a more direct route to the City of Rochester, thereby saving in the use of gasoline, and

WHEREAS, it is this Board's understanding that funds have been provided for extension of Route 490 from its present termination point, but that construction has not proceeded because an environmental impact statement has not been approved, now therefore be it

RESOLVED, that this Board does hereby request an explanation of the status of the proposed extension of Route 490, and be it

FURTHER RESOLVED, that this Board goes on record as favoring and requesting that Route 490 be extended at least to the Village of Albion in the County of Orleans, and be it

FURTHER RESOLVED, that certified copies of this resolution be forwarded to Congressman John LaFalce; Congressman Barber Conable, Jr.; Congressman Frank Horton; Senator Lloyd Paterson; Assemblyman Stephen Hawley; Assemblyman Anthony Virgilio; New York State Dept. of Transportation; and Region 4, DOT.

Unanimously adopted.

Supervisor Piedimonte reported on the meeting he and Chairman Plummer had attended regarding the Genesee/Finger Lakes Regional Planning Board. The GFL Planning Board has a deficit owed to Monroe County of \$1,326,000. Several plans have been suggested for repaying this deficit to Monroe County who front-ended the funding for the Board. One plan would call for Orleans County paying \$18,766 over a five year period, based upon population.

Supervisor Swiercznski asked if this would be an unconstitutional gift. County Attorney Miles replied that there is that question, however, to avoid a lawsuit the County could pay this.

After much discussion it was the consensus of opinion that Orleans County would authorize paying a portion of the deficit based upon the percentage of monies each county had received through the Regional Board. Orleans County share would amount to approximately \$3,978.

#### RESOLUTION NO. 99

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Batchellor.

#### HOME RULE MESSAGE

WHEREAS, Melvin and Melvin, as attorneys for the Orleans County Industrial Development Agency have, through their bond counsel, Willkie, Farr & Gallagher, requested an amendment by the New York State Legislature of Section 892-e of the General Municipal Law, and

WHEREAS, the proposed amendment and memorandum in support thereof have been submitted to the County's general bond counsel, Hawkins, Delafield & Wood, who do not object to such amendment.

NOW, THEREFORE, BE IT RESOLVED, that by this Home Rule Message request that Section 892-e of the General Municipal Law be amended by adding thereto a new paragraph to read as follows:

The original appointment of the members of the COUNTY OF ORLEANS INDUSTRIAL DEVELOPMENT AGENCY is hereby ratified, validated and confirmed, notwithstanding any purported irregularities in said original appointment, and the continuous existence of the COUNTY OF ORLEANS INDUSTRIAL DEVELOPMENT AGENCY since June 25, 1971 and all acts and proceedings heretofore had and taken by the COUNTY OF ORLEANS INDUSTRIAL DEVELOPMENT AGENCY are hereby ratified, validated and confirmed.

AND BE IT FURTHER RESOLVED, that this Board does hereby request enactment of Assembly Bill No. 7442 and Senate Bill No. 5132 and the Clerk be instructed to send copies of this Home Rule Message to Gov. Hugh Carey, Senator Lloyd Paterson, Assemblyman Stephen Hawley and the Orleans County Industrial Development Agency.

Unanimously adopted. 372 ayes, Supervisors' Nayman, Batchellor, Plummer, Kemp, Swiercznski, Paduchak, Piedimonte, Kubatek, Dudek and Bane, voting aye; 0 nays; 0 absent.

Supervisor Swiercznski informed the Board that they were invited to lunch at the Cooperative Extension Service on May 5th.

Supervisor Nayman informed the Board that he was still involved in the Ad Hoc committee on industrial development in the area counties.

It was moved by Supervisor Nayman and seconded by Supervisor Kubatek that this Board go on record as supporting Assembly Bill 4177 and Senate Bill 2342, which would allow increases in retired teachers pensions.

It was moved by Supervisor Swiercznski that this matter be tabled until this Board can read the contents of the proposed legislation.

#### RESOLUTION NO. 100

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION ACCEPTING BID FOR SOFT BODY ARMOR FOR SHERIFF'S DEPARTMENT

RESOLVED, that the bid of Rubens-Royal Uniform Co., Inc., Rochester, N. Y., to supply 20 units of soft body armor for the Orleans County Sheriff's Department at \$107.50 each, be accepted by this Board.

Adopted. 348 ayes; 1 nay, Supervisor Swiercznski (24); 0 absent.

Supervisor Nayman informed the Board that the Auditing Committee were holding a bill for payment of dues to the Sheriff's Association pending further information. The committee also would like to investigate the costs of typewriter repairs to see if the work couldn't be done at a lower rate.

#### RESOLUTION NO. 101

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Kemp.

#### RESOLUTION AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY

WHEREAS, THE Auditing Committee has audited and allowed Claims No. 10131-10386, inclusive, aggregating \$65,765.39; Claims No. 1052-1076, inclusive, (Road Fund), aggregating \$44,467.66; Claims No. 1850-1890, inclusive, (Machinery Fund) aggregating \$12,255.09, now therefore be it

RESOLVED, that unanimous consent be granted to pay these claims and the Clerk and Highway Superintendent be directed to draw demand orders on the County Treasurer in payment of said claims.

Unanimously adopted.

It was moved by Supervisor Kubatek and seconded by Supervisor Paduchak that Rule No. 20 of the Rules of Procedure be waived for this meeting in order to make the following appointment to the Traffic Safety Board.

Carried.

#### RESOLUTION NO. 102

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Paduchak.

#### RESOLUTION APPROVING APPOINTMENT TO ORLEANS COUNTY TRAFFIC SAFETY BOARD

RESOLVED, that this Board does hereby approve the appointment of David Traxler, 2321 Oak Orchard River Road, Waterport, N. Y., 14571, to fill the unexpired term of George Jones as a member of the Orleans County Traffic Safety Board, said term expires October 31, 1978.

Unanimously adopted.

Supervisor Kubatek, "Back at the last meeting we tabled a resolution, there was some misunderstanding. I see by the minutes that I did recommend a County Administrator and I am a strong believer in an Administrator, but I don't think that I would be able to get that through. I have talked to Mr. Nayman who seconded the motion and we would like to amend the resolution. Instead of being called a County Administrator we would create the position of Assistant to the Chairman of the Board and that we appoint a committee to study the creation of Assistant to the Chairman of the Board and develop a job description. This committee should be for the members of the Board. In other words the rest of the resolution would apply except for the change of the title. We would like to offer that as an amendment."

Supervisor Nayman, "The feasibility and the duties, wages, all those things. This may prove that it is not a feasible position to put in. This is strictly a study committee and I think this should be emphasized by the press because we have received much flack in all directions about the County Supervisors shirking their duties. I don't think it is shirking their duties, it is trying to assist them to perform their duties. This is my opinion, not to set up a County Administrator as such, this would be my feelings at this particular time. This is strictly an Assistant to the Chairman to perform basically duties which this committee will come up with. This can't be emphasized enough that this is not shirking our duties as we have been accused, it is not going away from the "grass roots" policy. That is the farthest from what I would want to do."

Supervisor Kubatek, "We will leave the old resolution tabled, however, I would like to offer a resolution that the Chairman appoint a committee to study the feasibility of a position which can be the Assistant to the Chairman, the powers, duties, job description, etc."

Supervisor Dudek, "It is the same suggestion that I made a week ago that Mr. Kubatek argued against. However, I think it is something we should do to study it. Also, you will notice on your desks is a proposed Local Law I wish to introduce today. This Local Law must be on your desks ten days before any action is taken on it. It does not effect his resolution."

Supervisor Swiercznski, "Wasn't there some study done by the Planning Board?"

Supervisor Dudek, "The County Government Committee of the Planning Board has met and prepared what they would like to see in this regard, however, they have to get approval of the regular Planning Board and they don't meet until the end of the month."

Supervisor Kubatek, "My original resolution was that that be taken into consideration, also the recommendations of the Taxpayers Association. The committee will take all of this into consideration."

The following resolution was unanimously adopted.

#### RESOLUTION NO. 103

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION AUTHORIZING APPOINTMENT OF COMMITTEE TO STUDY FEASIBILITY OF CREATING POSITION OF ADMINISTRATIVE ASSISTANT TO THE CHAIRMAN OF THE BOARD

RESOLVED, that a committee of this Board be appointed to study the creation of the position of Assistant to the Chairman of the Board and to develop a job description, duties, wages, and all other matters connected with such a position.

Unanimously adopted.

Chairman Plummer appointed Supervisors' Kubatek, Batchellor, Piedimonte, Paduchak, Nayman and Bane to the above committee.

Following is Local Law No. 2 of 1977 introduced by Supervisor Dudek.

This proposed Local Law is introduced by Supervisor Stanley Dudek.

#### COUNTY OF ORLEANS, NEW YORK LOCAL LAW NO. 2 OF THE YEAR 1977

RESOLUTION AUTHORIZING MENTAL HEALTH DEPARTMENT TO ADVERTISE OUTSIDE THE COUNTY TO FILL A VACANCY

WHEREAS, this Board has been informed that the Director of the Orleans County Mental Health Department has advertised within the County of Orleans to fill the vacancy of Staff Social Worker in that department, and no qualified applicants applied for the position, now therefore be it

RESOLVED, that the Director of the Orleans County Mental Health Department be authorized to advertise outside the County of Orleans to fill the vacancy of Staff Social Worker in that department.

Unanimously adopted.

Supervisor Paduchak requested Mr. Astles to review the Planning Board's report on the county building's proposed move, etc. page by page. The report was reviewed and discussed.

Supervisor Paduchak, "The sewer and water lines (at the Grammar School) are all in working order and adequate for the building. The boilers will be maintained by the school district. Parking would be provided on the north side of the building with the stipulation that the trees which are there would stay, the tennis courts will stay there and be maintained. The people in the general area will be able to use that as a park area if they so desire. The school board is in agreement that the county has use of the building by paying all utilities and they retain their present space.

The school district will take care of their custodial services and the county will take care of their's. The county would take care of snow removal. If the county wishes to install an elevator, the school district has no objection to that. School officials told me that the school district will have no problem absorbing the additional students from the parochial schools in their present buildings.

I think we have reached the end of the road as far as we are concerned, as far as the study and other aspects of the transition of the building. We know there is space available at the Hunt Building at a very low cost, but when you come to figure the amount of renovation that is needed in the back part of that building, the cost would be prohibitive."

It was pointed out that moving to the school would not take any property off the tax rolls and could be a benefit to the people of the Albion School District by lowering the cost of maintaining that building.

Supervisor Nayman, "I think the report from the Planning Board was an excellent report. I do think the location of the school for county offices is a poor one. I can not see moving to another location and not owning the property."

County Attorney Miles, "The lease can not exceed five years. We have the ability to go to additional terms - additional five year terms. There is a little bit of a problem on obtaining an option to buy from another municipality. The sale would have to go to a referendum."

Further discussion of the building move took place concerning the possible traffic problems, the point that the building is an old historical building and thereby would be preserved; the matter of the move being economically feasible; cost of building a new complex, etc.

Supervisor Paduchak moved the following resolution. In casting their votes the following comments were made:

Supervisor Kubatek, "I still think we should make some effort to start purchasing the building, if this is the location you want."

Supervisor Piedimonte, "I know we need the space badly and I know I am in favor of owning the building, we have spent plenty of time in looking here and there and it would be advantageous to the taxpayers to take this route."

Supervisor Dudek, "In looking it over, I was involved in a study completely done thru and I think it affects other taxpayers of the county as well as the residents of the Albion School District."

RESOLUTION SETTING RATES FOR PATIENT CARE AT COUNTY HOME & INFIRMARY

RESOLVED, pursuant to the request of Stephen T. Heard, Administrator, Orleans County Home and Infirmary, by letter dated April 12, 1977, and upon recommendation of the Social Services Committee, that the following rates for private pay patients at the County Home and Infirmary be set effective May 1, 1977:

Skilled Nursing Facility	\$27.15 per day
Health Related Facility	\$16.65 per day

Adopted. 352 ayes; 0 nays; 1 absent, Supervisor Kemp (20).

Privilege of the floor was granted to Mr. Al Raymond. Mr. Raymond presented the following statement regarding the County's plans to lease Albion's Grammar School:

"I wish to thank this Board for permitting me to express my opinion regarding the County's plans to lease and occupy Albion's Grammar School building. My interest in this matter stems from two points:

- (1) First, I am a homeowner in the school's neighborhood (Have been a resident of said area for twenty-five years).
- (2) Secondly, my formal education and work experience give me reason to believe that the market value of my home could be materially lowered by the planned change in use for the building.

Now, since it is a generally known fact that the validity of a person's opinion or testimony on a matter is in direct proportion to his experience on said subject, here are my credentials:

- (1) Took sociology courses at Cornell University.
- (2) Was a mortgage loan officer for the Prudential Insurance Co. and the Farm Credit System for 6 years.
- (3) Active Real Estate Broker for 10 years.
- (4) Have sold insurance policies on homes for 21 years.

My opinion on the matter at hand based on my experience is simply this: "That the planned change in use of the school building from educational to the County's commercial business could materially lower the market value of my home and all other homes in the area."

This opinion is sincerely given and I truly believe any competent mortgage loan officer, residential developer or economic impact study firm would attest that this opinion is valid and has merit.

Therefore, I petition this body to employ a firm of good reputation to make a study of the possible economic effect your planned use of this building would have, if any, on the market value of the homes in the area.

If said study indicated such planned commercial use of the building would have an adverse effect on the value of our homes, a \$5,000 to \$10,000 drop in value per unit could easily result. There are forty-one residential properties located within a 600 foot radius from the center of the grammar school building.

If the County proceeds without this study, you may end up being characterized as "Blockbusters" of a densely populated residential neighborhood, a stigma with attendant side effects.

Since I feel my opinion is substantiated by experience in the matter at hand, I respectfully request that you refrain from signing any lease agreement for the school property until the requested impact study is completed. Only then can the County, with its other studies, make a sound decision which is beneficial to all."

Privilege of the floor was granted to Mr. Ed Fitzsimmons. Mr. Fitzsimmons said, "I am speaking now as a representative of the Group of Concerned Citizens near the Albion Grammar School. At this time, I would like to make several requests.

First, I would like to reiterate my position, the position of the group. We are not totally against the use of the Grammar School, but only for the use of it for the offices that would have the lowest volume of traffic. The request I would like to make tonight to the Board of Supervisors are as follows:

First, I would like the detailed study of how the \$15,000 is arrived at as the figure for renovation on the school. Secondly, we would like a detailed report of what must be done in order to meet all the building codes and a cost breakdown of those renovations that would have to be made to meet the building codes. Third, we would like an outside professional economic impact study of the present move as it is designed. Fourth, we would like an outside professional economic impact study of the same move as planned. Fifth, we would like a detailed study and report on the traffic patterns that would be generated if that move were to take place. Sixth, we would like a detailed report and cost breakdown of any changes to the streets surrounding the area that might result from that traffic pattern study. Seventh, we would like a report of what special, if any, state or federal mandates for the facilities there are for organizations such as Mental Health, Public Health, Aging, for this kind of move. Finally we would ask that no further move of any kind be made on the move to the Grammar School until these requests, as stated, would be met."

Privilege of the floor to Mr. Erling Maine. Mr. Maine said, "My statement again is that I am also in favor of using tax exempt properties to the maximum they can be used. However, in viewing the building code and a copy has been furnished to Supervisor Dudek, of some of the pertinent parts. But I do believe on reviewing that you will find that the cost of renovating that building are much greater than what are assumed in this report. What I am recommending to you, is that before you go further planning to use this building, you can employ the services of an architect or get a code review or an engineer, to give you a walk through inspection of the suitability this building is for use intended by it presently. I don't know how many of you realize it, but this is basically a wood frame building with a stone veneer and you cannot have, you must have non-combustible stairways, you must have elevators when you have handicapped people and you can't use the buildings as is the way the State Code reads for the class of building that it would be used."

**ORLEANS COUNTY PLANNING BOARD**

151 Platt Street  
Albion, N.Y. 14411

April 21, 1977

Orleans County Board of Supervisors  
Court House Square  
Albion, N. Y. 14411

Dear Mr. Supervisors:

At its March, 1977 meeting the Orleans County Planning Board adopted the following resolution:

That as part of its continuing study on county government, the Orleans County Planning Board hereby presents its current position on the recommended functions of an administrative assistant.

A position should be created which is directly responsible to the Board of Supervisors. This position should perform the primary functions of researcher, advisor and coordinator for the Board. All functions should be at the direction of the Board as delineated by the Chairman.

Specifically it is recommended that the Board of Supervisors give this position the following duties:

1. Attend all regular meetings of the Board of Supervisors and such committee, or special, meetings as the Board may direct
2. See that the resolutions, rules, regulations, and local laws of the County are administered fairly and efficiently
3. Coordinate County departmental activities in accordance with Board policy
4. Act as a liason between the Board of Supervisors and County departments
5. Maintain an inventory of County property and space allocation for the Board of Supervisors
6. Conduct such investigations, studies and research as may be directed by the Board of Supervisors
7. Assist in the budget process by investigation and recommendation to the Board regarding the cost effectiveness of County operations
8. Assist in the purchase of County equipment and services, subject to Board approval. Also assist in the sale or leasing of surplus or obsolete County property
9. Make recommendations to the Board of Supervisors regarding ways and means of improving the economic efficiency and cost effectiveness of County government
10. Perform such other duties as may be established by the Board of Supervisors

Respectfully Submitted,

*William C. Lyman*

Chairman Orleans County Board of Supervisors

  
Clerk Orleans County Board of Supervisors

#### RESOLUTION NO. 119

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION APPROVING MORTGAGE TAX APPORTIONMENTS

RESOLVED, that the Mortgage Tax apportionments appearing in the foregoing warrant be adopted by the Board and the said warrant be approved and delivered to the County Treasurer.

Adopted. 352 ayes; 0 nays; 1 absent, Supervisor Kemp (20).

The Clerk read a letter from Vincent D. Cardone as attorney for the Orleans County Taxpayers Association dated April 8, 1977, requesting the County to "cease and desist from taking any further action to consummate a lease of the former grammar school in question and the relocation of certain County offices". Mr. Cardone also requested that "The Orleans County Taxpayers Association hereby requests that immediate arrangements be made for a meeting between representatives of the Orleans County Taxpayers Association and other interested groups, governmental units and organizations with the Orleans County Board of Supervisors to discuss this entire matter." The Clerk had previously referred this letter to the Building Committee of the Board.

Chairman Plummer read a letter from the State Liquor Authority informing him that the term of Mr. Jesse Gillette as a member of the County ABC Board expires April 30, 1977. Mr. Plummer also read a letter from the Orleans County Republican Committee recommending the reappointment of Mr. Gillette. Therefore, the Chairman said he was reappointing Mr. Jesse Gillette, Holley, N. Y., as a member of the Orleans County Alcoholic Beverage Control Board for a two year term to expire April 30, 1979.

Mr. Plummer also read a letter from David M. Green, Director of the Office of Natural Disaster and Civil Defense, dated April 21, 1977, requesting an appropriation of \$10,000 to start paying expenses incurred during the Blizzard of 1977. Mr. Green stated in his letter that he had been advised that all project applications for snowmobile parts have been accepted. A letter to this effect has been issued by the Federal Disaster Office in Buffalo.

Chairman Plummer said, "What this is saying is we would like to transfer \$10,000 from the Contingent Fund to Dave's account to pay small businesses so that they don't have to wait any longer for their money."

Supervisor Dudek, "There has not been any discussion with the Public Safety Committee on this. I know we discussed it right after the storm happened. I would like to have this given to the Public Safety Committee to discuss with Dave Green and bring it forward at the next meeting."

Chairman Plummer, "What more do you have to discuss with him?"

Supervisor Batchellor, "Personally, I think these small businesses have waited long enough."

Supervisor Nayman, "I think so too."

Supervisor Batchellor, "A lot of them have 4-5 hundred dollars in snowmobile parts out and it hurts them when they have to wait two or three months."

Supervisor Dudek, "I recognize there has been a period of time that they have waited. I think that two more weeks to discuss it in person with Dave, I would appreciate the time."

Supervisor Swiercznski, "Did you discuss it with him Mr. Chairman?"

Chairman Plummer, "Yes."

Supervisor Nayman, "What's your feeling?"

Chairman, "I think we should pay them. We have to pay these bills anyway, we shouldn't make them wait any longer. We can take it from the contingent account and when the money comes back from the Federal Government we can put it back in the contingent account."

Supervisor Swiercznski moved the following resolution as recommended by the Chairman of the Board:

#### RESOLUTION NO. 120

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION TRANSFERRING FUNDS FROM COUNTY GENERAL CONTINGENT FUND TO PROVIDE FUNDS IN ACCOUNT A8760 - SNOW REMOVAL

RESOLVED, that the sum of \$10,000.00 be transferred from the County General Contingent Fund Account A1990 to Snow Removal Account A8760 to provide funds in that account for payment of certain bills incurred during the snow disaster, said funds to be reimbursed from disaster aid.

Adopted. 226 ayes; 2 nays, Supervisors Dudek (54) and Kubatek (72);  
1 absent, Supervisor Kemp (20).

Chairman Plummer said the County Attorney was requesting an executive session for the following purposes: (1) review of the present status of CSEA collective bargaining negotiations; (2) review of the present status of the County lawsuit.

It was moved by Supervisor Batchellor and seconded by Supervisor Piedimonte that the Board go into executive session to discuss the above mentioned subjects.

Motion carried. 352 ayes; 0 nays; 1 absent, Supervisor Kemp (20).

Adjourned at 9:15 p.m. for executive session. Reconvened at 9:45 p.m.

Supervisor Swiercznski, "You have all received your tentative equalization rates, were you shocked? I think that now that the tax mapping is finished there is one thing we should think about and that is re-evaluation. I think that at this time we should appoint a committee made up of one person from each village, one person from each town, with the Tax Director as the Chairman, to start formulating a plan for getting into re-evaluation. It takes about a year from the time the committee gets going. They recommend a citizen's committee. They did this in Genesee County and it worked out very well. Much as I hate to see it, we can not keep going with the equalization rates going down. It will cost about \$30.00 a parcel."

Supervisor Kubatek asked how we stand on the tax mapping. Supervisor Dudek replied, "It is very close to completion, a number of problems do remain, Arnie has suggested that we hold up on the final payment. We have received the State's share of that project. We have to take a look at up-dating now we are a way's behind but it is very close to being done."

In regards to this re-evaluation, I had a letter from Paul and it suggested the same thing that Ted mentioned. I have been prepared to discuss this tonight. I asked the Clerk to take a look at what the new equalization figures would do to some of the towns based on last years tax rolls. While it would in some towns have the effect of lowering the tax rates as far as the County's share of the taxes, there are some towns where their share of county taxes would go up 20-30 thousand dollars, everything else being equal.

What I would suggest as Paul has in his letter, is that we set up a meeting of all the taxing bodies in the County. Have all the assessors there, representatives from all the towns and villages, people from Equalization and Assessment and Kenwalt, so that we can get up-dated as far as what is required."

Mr. Dudek mentioned that Livingston County had a plan to use CETA monies to do the data collection.

After further discussion of various aspects of re-evaluation, the matter was referred to the Equalization and Assessment Committee.

Supervisor Piedimonte informed the Board about a retirement party for Trooper Dan Geiger to be held May 13th at the Knights of Columbus in Albion.

Supervisor Nayman conveyed the following message from Mayor Rodden:  
(1) As a resident of the area in the vicinity of the Grammar School, she does not relish the thought of seeing any amount of high vehicular traffic that would cause congestion or change the atmosphere of the neighborhood;  
(2) she is not opposed to moving some of the offices to that area but would like to see the high volume traffic offices not moved to that particular

area; it is the consensus of the Village Board, not official by vote, that they would not be opposed to taking another parcel off the tax rolls, if it were a good location or something like that.

Supervisor Nayman requested that the following resolution be removed from the table:

RESOLUTION NO. 121

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION SUPPORTING ASSEMBLY BILL 4177 AND SENATE BILL 2342

RESOLVED, that this Board go on record as supporting legislation contained in Assembly Bill 4177 and Senate Bill 2342 which would allow for an increase in pension for retired school teachers, and be it

FURTHER RESOLVED, that this Board urge its representatives in the New York State Legislature to support said legislation, and be it

FURTHER RESOLVED, that the Clerk send certified copies of this resolution to Governor Hugh Carey; Senator Lloyd Paterson; Assemblyman Stephen Hawley; Senator Richard Schermerhorn; and Assemblyman James McCabe.

Adopted. 352 ayes; 0 nays; 1 absent, Supervisor Kemp (20).

Supervisor Swiercznski requested that the resolution appropriating funds to County Libraries be removed from the table. Supervisors' Paduchak and Dudek expressed the opinion that a formal written request should be presented to this Board before any action is taken on appropriating funds. Several Supervisors informed the Board that they had been contacted requesting funds for libraries.

RESOLUTION NO. 122

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION APPROPRIATING FUNDS TO COUNTY PUBLIC LIBRARIES

RESOLVED, that the sum of \$18,652.50 be transferred from Federal Revenue Contingent Fund Account C1990 to FRS Account C7415 Libraries, and be it

FURTHER RESOLVED, that the sum of \$18,652.50 transferred to Account C7415 be appropriated to Public Libraries in Orleans County to be divided as follows, as agreed upon by the representatives of the Orleans County Joint Library Trustees Committee:

Albion Swan Library.....	\$6,733.50
Lee-Wheeldon Medina.....	6,210.50
Holley Community Library.....	3,272.50
Yates Community Library.....	2,436.00

Adopted. 276 ayes; 2 nays, Supervisors Paduchak (22) and Dudek (54);  
1 absent, Supervisor Kemp (20).

RESOLUTION NO. 123

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Batchellor.

RESOLUTION AUTHORIZING PUBLIC HEARING ON LOCAL LAW NO. 2 OF 1977

WHEREAS, there has been duly presented and introduced at a meeting of this Board of Supervisors held on April 21, 1977, a proposed local law entitled " A Local Law to Establish the Position of Orleans County Supervisors' Administrative Assistant and the Appointment and Term of Appointment of the Person to Fill the Position and the Powers and Duties Thereof", and

WHEREAS, no Local Law shall be adopted until a public hearing thereon has been had by the Orleans County Board of Supervisors upon at least five days notice, now therefore be it

RESOLVED, that a public hearing shall be held on the said proposed Local Law by this County Board of Supervisors on the 19th day of May, 1977, at 7:00 p.m. at the Board of Supervisors Room, Court House, Albion, New York, and at least five days notice of such hearing shall be given by the Clerk of the Board, by the posting thereof on the bulletin board in the County Court House and by publishing notice thereof at least once in the official newspapers of the county.

Adopted. 352 ayes; 0 nays; 1 absent, Supervisor Kemp (20).

It was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that the meeting be adjourned.

Carried.

Adjourned at 10:25 p.m.

REGULAR MEETING  
Thursday, May 5, 1977

The meeting was called to order at 10:10 a.m. by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Batchellor and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to David Welch. Mr. Welch requested that the Board follow Rule 8 of the agenda with the specific intention that reports from standing committee's be heard.

It was moved by Supervisor Paduchak and seconded by Supervisor Bane that the Board waive Rule 8 of the Rules of Procedure.

Unanimously adopted.

Mr. Welch said, "My reasoning for requesting we follow Rule 8 was such that we listen to reports from standing committee's which we felt would be pertinent to the requests that we made at the last meeting. Our being here today is for a specific reason and that is to ask now what has been done in terms of those requests that were presented to you at the last meeting."

Mr. Welch requested that the Board explain what the estimated \$15,000 renovation cost for the Grammar School included. Supervisor Paduchak explained that the figure was an estimate prepared by the Buildings and Grounds Department for minor changes such as partitions, the work will be done by the Buildings Department employees.

Mr. Welch asked if the Building Committee had contacted a professional architect or engineer to do a plan on the building. Supervisor Paduchak replied that the County had expended funds for a study of building needs some time ago but not specifically for the Grammar School.

Discussion of the electrical system, building codes, etc., took place. Mr. Welch asked if an economic study by a professional as to the effect on property values had been made. The answer was no. Mr. Welch asked if an environmental impact had been done. The County Attorney replied that as far as he understood the situation, an environmental impact study was not required.

Mr. Welch questioned whether a traffic pattern study had been conducted. Figures were submitted from a study conducted in the Court House parking lot and the Platt Street parking lot, indicating the number of automobiles using these lots. Mr. Welch questioned whether there was any plan to widen the streets in the area of the school. It was pointed out that the streets are village streets and the County would have no control over that matter. It was also pointed out that village streets are presently being used to get to and from the present office facilities.

Mr. Welch also questioned the validity of the resolution adopted by the Board on April 7th which authorized moving the county offices. The copy of the certification showed that it was a 2/3 vote. Mr. Welch also questioned Rule 19 of the Rules of Procedure.

Privilege of the floor was granted to Mr. Graham Cox, Acting Director of the Genesee/Finger Lakes Regional Planning Board. Mr. Cox explained the proposed reorganization of the Board. Under the new reorganization plan the total budget for the first year would be approximately \$70,000. The staff would consist of a Director, Planner and secretary. The prime functions of the Board would be to create a forum for the counties and to be an advocate on behalf of the eight counties to Albany and Washington to make it easier to get federal and state money into this area with a collective voice. The Board would be made up of twenty-nine voting members. Orleans County would have two members - one an elected official and the other a citizen representative. The deficit question has been separated from the reorganization plan. The plan is to reorganize and then talk about the deficit.

Recessed at 11:00 a.m., reconvened at 11:10 a.m.

Privilege of the floor was granted to James Hancock, Manpower Coordinator.

Mr. Hancock informed the Board that he had received twenty-two applications for the "Projects and Activities Program" under Title VI. Five applications had been rejected by the committee. These projects depend upon how much funding will be allocated to Orleans County for this program.

The summer program will have about 117 job slots in public and non-profit agencies for youths 14-21 years of age who meet the necessary criteria. These youth will work approximately 35 hours a week at the minimum wage.

A new program is being planned called "Vocational Exploration". This program will provide field trips for students to get some vocational, occupational, understanding of the jobs that are available in this area. Trips are being planned to such places as Kodak, Courier Express, General Motors, BOCES, post offices, colleges, employment services, etc. The National Guard will also be providing training facilities. They have all sorts of training equipment and materials and will be making these trailers or vans or whatever they have available, to the students in Orleans County.

The Clerk presented resolutions from the County's of Genesee and Seneca which authorized their participation in the newly reorganized Regional Planning Board.

#### RESOLUTION NO. 124

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Dudek.

#### RESOLUTION APPROVING REORGANIZATION OF GENESEE/FINGER LAKES REGIONAL PLANNING BOARD AND AUTHORIZING PARTICIPATION BY ORLEANS COUNTY

WHEREAS, the member counties of the Genesee/Finger Lakes Regional Planning Board have spent many months studying proposals for reorganization of the Regional Planning Board, and

WHEREAS, the proposed reorganization plan herewith submitted will consist of twenty-nine members, with two members representing the County of Orleans, one an elected official and one a citizen representative, now, therefore be it

RESOLVED, that the Orleans County Board of Supervisors does hereby agree to join the reorganized Genesee/Finger Lakes Regional Planning Board as outlined in the proposal dated April 20, 1977, and be it

FURTHER RESOLVED, that this Board does hereby authorize the payment of \$5,253.63 from Account A8020.4 to pay this county's share of the proposed budget of the Regional Planning Board for the period June 1, 1977 through December 31, 1977.

Unanimously adopted.

Unanimously adopted.

The Clerk read a letter from DOT dated April 26, 1977, re: P.I.N.4117.04 Intersection of Rtes. 98 & 31A - Orleans County.

This letter requested a resolution to allow use of a detour route during construction at the above mentioned intersection. Members discussed the proposed construction. Supervisor Nayman informed the Board that his town board would not approve the resolution because they feel there may be a better solution to the problem. Supervisor Batchellor said that his town board did approve the resolution because although it is not perhaps the best solution it is a vast improvement. The following resolutions were adopted in connection with this matter.

RESOLUTION NO. 128

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Paduchak.

RESOLUTION AUTHORIZING USE OF DETOUR ROUTES BY DEPT. OF TRANSPORTATION

RESOLUTION AUTHORIZING PAYMENT OF CLAIMS AGAINST THE COUNTY

WHEREAS, the Auditing Committee has audited and allowed Claims No. 10389-10572, inclusive, aggregating \$34,528.73; Claims No. 1893-1925, inclusive, (Machinery Fund), aggregating \$5,414.19; Claims No. 1102-1119, inclusive (Road Fund), aggregating \$16,384.44, now therefore be it

RESOLVED, that unanimous consent be granted to pay those claims and the Clerk and Highway Superintendent be directed to draw demand orders on the County Treasurer in payment of said claims against the County.

Unanimously adopted.

The Highway Committee recommended acceptance of the following bid but reserved decision on bids for the 1974 Chevrolet and 1973 Dodge. No bid was received on the 1972 Chevrolet.

#### RESOLUTION NO. 135

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Batchellor.

#### RESOLUTION ACCEPTING BID FOR AUTOMOBILES

RESOLVED, that the bid of William Carpenter, Medina Collision Co., for the purchase of three used 1975 Plymouth automobiles owned by the Orleans County Sheriff's Department, for the sum of \$305.00 each, be accepted by this Board.

Unanimously adopted.

Supervisor Paduchak, "For some time now the Building Committee has been working on moving the Highway Superintendent's office up to the Highway Garage. We have been doing some research on this with the Building Custodian's. We propose to build a building 22' x 24' to house the Highway Superintendent and necessary clerical help. This building would be built to blend in with the present facility. The cost is approximately \$10,500. The theory behind this move is that we can possibly cut down on some personnel as far as clerical help is concerned. If we had this facility there. There is no women's toilet facility, primarily if we can make the move we should start now and have a place available when the time comes to eliminate some of the present personnel. I am not making any motion at this time, I will leave this with the Clerk. We just want the Board to be aware of this proposal. The Custodians feel that they can do it themselves, only hiring a mason."

Supervisor Peidimonte, "This will eliminate another telephone and rental of the radio in that office. I feel in a year we will pick up what this is going to cost."

Supervisor Plummer recommended selling Major No. 345-5 to Mr. Howard Krull for the sum of \$1.00. This piece of property is not large enough to build on and is surrounded by property owned by Mr. Krull. Mr. Krull will clean up the property if he buys it.

#### RESOLUTION NO. 136

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION AUTHORIZING SALE OF COUNTY OWNED PROPERTY LOCATED IN THE TOWN OF CARLTON

RESOLVED, that this Board sell and convey unto Howard Krull, P. O. Box 207, Waterport, N. Y. 14571, for the sum of \$1.00, Parcel No. 23, Major No. 345-5 of the premises contained in the 1976 delinquent tax

list in the foreclosure In Rem proceedings, as contained in the deed to the County of Orleans dated September 27, 1976 and recorded in the Orleans County Clerk's Office in Liber 383 of Deeds at Page 450, being formerly assessed to James Green, P. O. Box 1422, Rochester, N. Y., bounded and described as follows: In the Town of Carlton, Orleans County, New York, being known as L2, T16, R2, 1/4 acre, described as bounded: N-Barry, S-Highway, E-Barry, W-Barry; and that the County Treasurer is hereby authorized to make and deliver a deed therefore to the said purchaser upon payment of the aforementioned purchase price.

Unanimously adopted.

#### RESOLUTION NO. 137

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION GRANTING 50% EXEMPTION TO PROPERTY IN THE TOWN OF GAINES

RESOLVED, that the exemption entered by the Gaines Assessor at 50% value is accepted as the County assessment for the purposes of tax exemption on Major No. 53-5 for the 1977 tax roll in the Town of Gaines.

Unanimously adopted.

A meeting has been arranged for May 26th at 7:30 p.m. with the various town assessors, Supervisors, representatives of Kenwalt and the State Board of Equalization, to discuss 100% assessment.

The County Attorney requested an executive session to discuss labor negotiations and the four lawsuits in which the County is involved.

It was moved by Supervisor Bane and seconded by Supervisor Swiercznski that the Board adjourn to executive session for discussion of labor negotiations and the lawsuits in which the County is involved.

Carried unanimously.

Recessed at 2:20 p.m., reconvened at 2:50 p.m.

#### RESOLUTION NO. 138

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Kubatek.

#### RESOLUTION AUTHORIZING LEASE FOR PREMISES AT 8 EAST BANK STREET

RESOLVED, that the lease herewith presented between the County of Orleans and Curtis L. Lyman for premises at 8 East Bank Street, Albion, New York, occupied by the Orleans County Narcotics Guidance Office, at a cost of \$120.00 per month, be, and hereby is approved by this Board and the Chairman is hereby authorized to execute same in the name of the County.

Unanimously adopted.

Supervisor Nayman inquired whether there was an official town or county highway map. Some problem had arisen concerning ownership of a town road. He requested that the matter be checked to see if the County ever adopted a resolution making the map official.

Supervisor Dudek discussed payment of claims incurred during the snow disaster and moved the following resolution.

RESOLUTION NO. 139

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION AUTHORIZING TRANSFER OF FUNDS FROM THE COUNTY GENERAL CONTINGENT FUND TO SNOW REMOVAL ACCOUNT A8760

RESOLVED, that the sum of \$17,552.00 be transferred from the County General Contingent Fund Account A1990 to Snow Removal Account A8760 to provide funds in that account for payment of certain bills incurred during the snow disaster, said funds to be reimbursed from disaster aid.

Unanimously adopted.

RESOLUTION NO. 140

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION AUTHORIZING PAYMENT OF CLAIMS - DISASTER AID

RESOLVED, that the claims incurred during the snow disaster submitted by David Green, Director of the Office of Natural Disaster and Civil Defense, as audited by the Public Safety Committee, be approved for payment and the Clerk be directed to draw demand orders on the County Treasurer in payment of said claims.

Unanimously adopted.

It was moved by Supervisor Dudek and seconded by Supervisor Batchellor that the Board of Supervisors go on record as favoring the efforts of our Congressman and Senators to make efforts on our behalf to get monies and fund a Youth Conservation Corps in the Iroquois Refuge.

Supervisor Dudek informed the Board that various groups had discussed such a proposal and the general public seems to be in favor of it.

After much discussion, it was moved by Supervisor Swiercznski and seconded by Supervisor Nayman, to table the above motion in order to obtain more information from Congressman LaFalce's office on such a Youth Corps.

Carried.

It was moved by Supervisor Kubatek and seconded by Supervisor Swiercznski that the meeting be adjourned.

Carried.

Adjourned at 3:15 p.m.

REGULAR MEETING  
Thursday, May 19, 1977

The meeting was called to order at 8:00 p.m. by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Bane and seconded by Supervisor Piedimonte that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

The County Attorney requested an executive session for the purpose of discussing Sheriff's negotiations; the lawsuits against the County and the Arbitrator's decision.

It was moved by Supervisor Bane and seconded by Supervisor Swiercznski that the Board go into executive session for the above stated purposes.

Unanimously adopted.

Adjourned at 8:02 p.m. for executive session. Reconvened at 9:05 p.m.

The Clerk presented the following communications:

Notice from NYS Association for Human Services, Inc., concerning a meeting on "Creativity and Crisis in Human Services: A Shared Responsibility" on Tuesday, June 7, 1977, at Genesee Community College.

Notice of public meeting to be held by the NY District, Corps of Engineers on June 23rd in Buffalo, concerning the Plan for Study for Navigation Improvements in the NYS Barge Canal System. Supervisor Swiercznski informed the Board that he was planning on attending this meeting because what happened with the canal system was important to the towns bordering the canal, particularly to agriculture.

Letter from Mrs. Mary G. Zangerle, Director of the Lee-Whedon Memorial Library, dated May 12, 1977, expressing appreciation to the Board for their approval of Revenue Sharing money to the libraries.

From Assemblyman Hawley dated May 4, 1977, acknowledgment of Resolution No. 121; copy of a letter from DOT to Mr. Hawley, dated April 28, 1977, Re: Extension of Route 490 through Orleans County. The letter said in part, "Any extension of I-490 through Orleans County is far into the foreseeable future and beyond speculation."

Supervisor Paduchak reported on the meeting he and Supervisor Piedimonte had attended on May 5th, regarding Route 490. Discussed at this meeting was proposal for widening Route 31. Mr. Paduchak said he felt the meeting had been worthwhile, at least the people at the meeting heard of the concerns we have in Orleans County.

Letter from Senator Paterson dated May 5, 1977, acknowledging receipt of resolution supporting Senate Bill #2342.

Letter from Governors' office acknowledging receipt of Resolution 121.

Notice of resolution adopted by the Ridgeway Town Board on May 9, 1977, that a letter be sent to the County Board of Supervisors, that they take action or form a new Solid Waste Committee.

Letter from Peter Berle, Commissioner DEC, dated May 17, 1977, acknowledging receipt of the resolution supporting construction of fish hatchery.

Letter from Congressman LaFalce, dated May 16, 1977, re: Local Public Works Act of 1977.

It was moved by Supervisor Paduchak and seconded by Supervisor Peidimonte that the County Highway Superintendent, Everett Johnson, be authorized to attend the training school for Highway Superintendents at Cornell University, Ithaca, N. Y., on June 6, 7, 8, 1977, at county expense.

Carried.

#### RESOLUTION NO. 141

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION AUTHORIZING THE MONROE COUNTY CONTROLLER TO PAY OUTSTANDING CREDITORS OF THE GENESEE/FINGER LAKES REGIONAL PLANNING BOARD FROM FUNDS AVAILABLE IN AN INTEREST BEARING ACCOUNT.

WHEREAS, funds in the amount of \$85,978.07 are being held by the Genesee/Finger Lakes Regional Planning Board in an interest-bearing account, said funds being the remaining balance of federal and state payments to the Regional Planning Board for work completed prior to March 31, 1976; and

WHEREAS, such funds are more than sufficient to pay outstanding creditors of the Genesee/Finger Lakes Regional Planning Board; and

WHEREAS, claims by creditors to an amount totalling \$34,221 are still outstanding from activities of the Regional Planning Board prior to March 31, 1976; and

WHEREAS, the Executive Committee of the Regional Planning Board, meeting on March 14, 1977, and the full Board, meeting on March 28, 1977, approved the payment of such claims listed on the attached sheet; and

WHEREAS, the resolution by this county legislative body establishing the interim funding for the Genesee/Finger Lakes Regional Planning Board, as approved by this legislative body in the summer, 1976, requires that the payment of these outstanding claims be approved by all the member counties of the Regional Planning Board which contributed toward the interim budget.

NOW, THEREFORE BE IT RESOLVED, as follows:

Section 1. The outstanding claims by creditors of the Genesee/Finger Lakes Regional Planning Board, as listed on the attached sheet and as approved for payment by the Genesee/Finger Lakes Regional Planning Board on March 28, 1977, be approved for payment from funds available in the interest-bearing account administered for the Regional Planning Board by the Office of the Controller of Monroe County.

Section 2. A copy of this resolution shall be mailed without delay directly to the Office of the Controller of Monroe County so that these outstanding claims can be paid in an expeditious manner.

Section 3. This resolution shall take effect immediately.

Unanimously adopted.

RESOLUTION EXTENDING SNOW REMOVAL CONTRACT WITH STATE OF NEW YORK

WHEREAS, the County of Orleans, pursuant to Subdivision 2 of Section 12 of the Highway Law, as amended, relating to Snow Removal and Ice Control on certain State Highways in the Towns and Villages of said County, heretofore entered into agreements with New York State for such purposes, and

WHEREAS, the County of Orleans and the State of New York again desire to enter into a contract agreement for Snow and Ice Control pursuant to said provisions of law, providing for removal of ice and snow from State Highways within the County of Orleans, providing therein for a three year term with further provision for annual extension of said contract, now therefore be it

RESOLVED, that this County Board of Supervisors hereby authorizes an agreement between the County of Orleans and the State of New York for the County to remove snow and ice from certain State Highways within the County of Orleans, said contract to be for a term of three years with a further provision for annual extension of said contract, and be it

FURTHER RESOLVED, that the County Chairman of the Board of Supervisors be and hereby is authorized to execute such an agreement with the State of New York subject to the approval as to form by the County Attorney, and to execute such other documents and agreements as he may from time to time deem necessary to implement the intent and purpose of this resolution, and be it

FURTHER RESOLVED, that this agreement shall become effective upon adoption of this resolution.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

The Clerk presented a letter from Attorney General Lefkowitz, dated May 3, 1977, enclosing Order No. 2922, dated April 22, 1977, authorizing the Penn Central Trustees to compromise and pay real estate and other taxes deferred pursuant to Order No. 70. Also a letter from Mr. Lefkowitz dated May 9, 1977, re: 1) Conrail Offer; 2) PCTC Compromise Offer; 3) PCTC Reorganization Plan.

The County Attorney said, "There are two things, 1) Penn Central - we are authorized to accept 1/2 of the taxes that Penn Central owes. The Attorney General has sent a copy of that order, we have 180 days in which to file complaint. The claims have to be on a certain form, detailed as to amount of taxes, the years, actual property to which they are connected. Mrs. Basinait is working on the figures. She just got the forms. She indicates that there will be about \$240,000 worth of taxes which are delinquent and the County might get \$120,000 back. She, as Budget Officer, will make a recommendation after she gets the information. Niagara County has agreed to accept 1/2. The 2nd thing, has to do with June 1, 1976 taxes and on that will be paid by Con Rail. Con Rail has paid them. They paid the taxes due January 1, 1977. We have a problem with how to deal with the part-year taxes. The Real Property Tax Law does not allow a County to collect part of the taxes. I do not know how to get around it. We have been in contact with Audit and Control. There may have to be some special legislation on it. The Attorney General is appearing on behalf of everybody in the State."

The Clerk presented a plan for reapportionment of the Board of Supervisors submitted by the Orleans County Taxpayers Association, Inc. The plan called for a seven member Legislature made up of three districts. Each member of the Board of Supervisors was given a copy of the plan.

The Clerk presented the following report and recommendations from the Fact Finder, Mark H. Beecher, in the matter of the impasse between the County and CSEA.

STATE OF NEW YORK  
PUBLIC EMPLOYMENT RELATIONS BOARD

In the Matter of the Impasse  
between  
COUNTY OF ORLEANS  
and  
Orleans County Employees Unit, CSEA

FACT FINDER'S REPORT  
Case No. M77-12

APPEARANCES:

Paul I. Miles, Orleans County Attorney

Patrick M. Phelan, Field Representative, Orleans County  
Employees Unit, CSEA

#### HISTORY:

The undersigned was assigned as mediator in this case and held three mediation sessions during which all issues were either agreed or withdrawn with the exception of the salary schedule.

The parties then asked the mediator to serve as fact finder because of his familiarity with the proposals and positions of both parties on the salary issue. A meeting was held to review the parties last position and supply the fact finder with any additional information not brought out during mediation. The chief negotiators then supplied the fact finder with briefs outlining and enforcing their arguments.

#### DISCUSSIONS OF SALARY ISSUES:

The previous two-year agreement contained a clause establishing a joint committee to study the salary schedule and make recommendations acceptable to both the County and the Union. The Union claimed that the County did not permit them to have input into the final schedule developed by the committee, which is the current county proposal.

This proposal is a new 11 step salary schedule with increments of \$180.00 between steps. This schedule would eliminate the present longevity steps. The County offered to place employees on the schedule where each would get a minimum of \$180.00 over their present salary. The fact finder recognizes the fact that the County did expend a large sum of money and considerable time and effort into the development of that salary schedule.

The Union had first proposed to accept the County's schedule if the employees were placed on the schedule

according to years of service to the County. This was not acceptable to the County. In a last ditch attempt to get an agreement, the Union membership was asked to approve a proposal to implement the County's salary schedule as of July 1, 1977 with employees being placed on the schedule in accordance with their years of service in grade. This proposal was rejected by the membership of the union by a very substantial majority. The Union then proposed compressing the 11 step schedule to six steps using the same minimum and maximum dollar amounts with increments of \$360.00 each and placing employees on this schedule by years of service and retaining the present longevity steps. The cost of the County's proposal is approximately \$50,000.00 while the Union's salary schedule proposal would cost in excess of \$160,000.00.

The County in their brief went into considerable detail to explain why they felt that they did not have the ability to pay more than they had offered. The brief also offered a rebuttal to the Union's contention that there was sufficient funds in the budget to give them the increase they are asking for.

The Union brief demonstrated that the Orleans County employees are for the most part paid on par or below for similar job titles in surrounding counties and made a strong point that the cost of living increase from February 1976 to February 1977 for the Buffalo area was 6.2%.

I do not feel that the County's proposal would be equitable to the employees and it is certainly not acceptable to the Union membership. On the other side of the coin, the cost of the Union proposed salary schedule is

excessive and would be a burden on the County, if not beyond their ability to pay.

It would be difficult for me to recommend either of the polarized positions of the County and CSEA and it would be even more difficult, and probably impossible, for me to devise a compromise schedule that would be acceptable to both parties.

In their brief, the Union also proposed an alternative to either salary schedule which would retain the present salary system and give each employee in the bargaining unit a \$400.00 across the board raise plus increment, plus any earned longevity.

#### RECOMMENDATIONS:

I recommend a one year agreement starting January 1, 1977 and expiring on December 31, 1977. It is not my desire to discard or throw out all of the time and money spent by the County and the Union developing a new salary structure, but only to delay its implementation so that modifications can be made that will be satisfactory to both parties. I further recommend that the salary study committee, called for in the previous agreement continue to meet jointly to again attempt to develop a mutually satisfactory salary structure that may be implemented in a 1978 agreement.

I therefore recommend that effective January 1, 1977 all employees in this bargaining unit be given a raise of \$250.00 each, plus any increment that may be due under the salary schedule in the previous agreement. The increments are to be paid on the employees anniversary which I feel would be less costly to the County than paying increments starting on January 1, 1977. I also recommend that the longevity payments contained in the previous agreement be continued.

I recognize that this recommendation will cost more than the County offered in their proposal, but it is also much less than the Union is asking for. I feel that this is a reasonable compromise settlement figure that is within the ability of the County to fund and at the same time gives the employees partial relief from the continued increase in the cost of living.

I feel that this increase in salary is also necessary to keep these employees from falling far behind wages paid for comparable jobs in neighboring counties.

As the fact finder in this case, I recognize that the County has had and may have some unique expenses during this budget year, such as the extra costs increase by the Blizzard of '77, reapportionment law suit and reassessment and evaluation law suit. If it were not for these budget problems, I probably would have recommended an increase in salary more closely reflecting the increase cost of living.

On the opposite side are the facts that the County's budget did increase the contingency fund and that much of the salary expense for members of this bargaining unit are reimbursed by state and federal aid and not totally an additional burden on the local property owners.

It is also recommended that all issues previously agreed to by the parties will be incorporated into the bargaining agreement.

FURTHER RESOLVED, that the County Highway Superintendent and the Highway Committee be authorized to re-advertise for bids for the sale of the following automobiles:

1972 Chevrolet  
1973 Dodge  
1974 Chevrolet

Unanimously adopted.

The Clerk presented a notice from the Public Employment Relations Board, Case No. C-1483, notifying the County that a petition for certification/decertification has been filed by the Security & Law Enforcement Employees, a conference meeting has been set for June 2, 1977, and a hearing before PERB on June 7, 1977.

Supervisor Kubatek, "Some time ago I thought the Solid Waste Committee had set up some guidelines as to meetings and as you know by the letter from the Ridgeway Town Board, we are quite concerned because we are kind of "left hanging". We don't know what action we should be taking, if any, and there was kind of the understanding we wanted to operate the same way throughout the whole county. I don't know if the committee is prepared at this time to give any report but they might let us know what is being done on it."

Supervisor Nayman, "The committee was formed and the first meeting held some time ago. Basically the problem of solid waste disposal is not an easy one, nobody wants a landfill in their backyard. We divided the thing up into an immediate problem and a long range problem. The immediate problem was to get what we now have organized, make sure it is running efficiently. We have had meetings with the present landfill operator, Mr. McKenna. We have had meetings with our local Health Department which is responsible for most of the inspections in this landfill under a contract with the Department of Environmental Conservation out of Avon. I personally had a meeting with Mr. King, the Director of DEC in Avon.

Now, in the long range plans. Long range could be construed as being the end of this year or beyond. The two basic places for solid waste in Orleans County - one is inside our county and the other is outside our county. If we take the attitude of some of the residents of the suburbs of Rochester, they feel they are too good to have a landfill within their townships. Then I guess, we should consider nothing else but the moving of solid waste outside the County of Orleans.

We looked at this as a practical matter. Solid waste is a county-wide problem. It is a problem for every township, for every village. It is true not only in Orleans County but it is true also within every county in New York State. So we have to look at it as the county disposal of solid waste material. This breaks down into two steps - private operation and county operation. In county operation or private operation you can break it down into one central location or zone type of operation.

In our studies, which are preliminary, we have had some reports from other investigating committees. There are locations in every township in Orleans County that are suitable sites for a landfill. The basic criteria of the DEC states for them.

This is what the committee has done to this point. The basic investigation of the different types of services that are available. The different methods of disposing of solid waste and also some very preliminary investigation into sites. Existing sites and sites that are being proposed. There is going to be at least one site considered in every township in Orleans County. We have had some immediate problems on the existing landfill which are being resolved."

Supervisor Dudek, "At the last Board meeting we discussed the possibility of going on record as favoring the creation of a Job Corps site on the Iroquois Wildlife Refuge. I have been following the legislation going through Congress and there is action being taken. It has gone through one house. We talked of waiting until Mr. LaFalce was down here, but now he's postponed until June. He has indicated publicly that he is supporting legislation that would create a Job Corps, a conservation corps. I have prepared some information which is summarized in a pamphlet on your desks. The Village of Medina and the Town Board's of Barre and Shelby have gone on record as favoring such a proposal. The people in the area have expressed their willingness to have something like that out there. So at that, I would like to recall the motion from the table and ask the Board to go on record as favoring the creation of a conservation job corps at Iroquois."

Several Board members questioned where the members of such a corps would come from, where the staff would come from, etc. It was suggested that someone be invited to attend the next meeting to explain more about the proposal. There being no second to removing the resolution from the table, the matter was declared dead.

Supervisor Plummer introduced the following Local Law No. 3-Intro.

A LOCAL LAW RELATING TO THE REGULATION AND LICENSING OF MASS GATHERINGS INVOLVING GATHERINGS OR ASSEMBLY OF PERSONS CALCULATED TO OR LIKELY TO ATTRACT 2,500 OR MORE PERSONS; ESTABLISHING LICENSING PROCEDURES AND FEES THEREFOR; AND PRESCRIBING OFFENSES AND PENALTIES

Be it enacted by the Board of Supervisors of the County of Orleans as follows:

Section 1: PURPOSE

Mass gatherings or assembly of persons in excess of 2,500 persons have occurred in the State of New York and elsewhere upon both developed and undeveloped sites. As a direct result thereof, municipal services in said areas were disrupted and halted both on and off the site of the gathering. The disruptions and haltings of municipal services included, but were not limited to, sanitation, garbage and refuse collection and disposal, health services, fire and ambulance protection, police and traffic control, as well as food and other services involving life sustenance. Personal safety and well-being of both the citizens of the areas and the participants in the gathering were threatened and endangered. Public and private property was endangered and damaged. Following the gathering additional and extraordinary municipal services were required and money and equipment expended and used to remove trash, refuse and debris of every nature and kind and to restore highways and to restore and preserve health and well-being of the community in which the gathering took place.

Therefore, municipal regulation and licensing of such mass gatherings, both on and off the utilized site, is clearly required for the protection of the public and the community. The Board of Supervisors of the County of Orleans deems it necessary and proper for the protection and preservation of persons and property, health, safety, morals and well-being of the residents of the County of Orleans and others to adopt a local law regulating and licensing mass gatherings or assembly of persons within the County of Orleans calculated to or likely to attract 2,500 persons or more.

## Section 2: BASIC CLAUSE

It shall be unlawful for anyone, including by illustration but not limitation, any person, persons, corporation, organization, land owner or lessee to organize, promote, conduct or cause to be conducted a mass gathering or assembly of persons within the County of Orleans calculated to or likely to attract 2,500 persons or more unless and until a permit has first been obtained pursuant to this Local Law for the operation of said mass gathering or assembly as provided by this Local Law. Such permit shall be required for each separate mass gathering or assembly. The fee for such permit, to meet the cost of administering the same, shall be Two Hundred and Fifty and no/100 (\$250.00) Dollars which shall be submitted with the application in cash or by certified check.

## Section 3: FILING OF APPLICATION

A written application for a permit for such mass gathering or assembly shall be made to the Board of Supervisors of the County of Orleans and said application must be submitted in ten (10) copies to the Clerk of the Board of Supervisors at Albion, New York, not less than ninety (90) days prior to the date of said mass gathering or assembly. In the event said mass gathering or assembly is stated to be for more than one (1) day, the period of ninety (90) days shall be computed prior to the first day of such gathering or assembly. Determination granting or denying the permit, as herein provided for, shall be made within sixty (60) days after the filing of said application. No permit shall be granted unless the applicant complies with all of the requirements of this Local Law. The denial of the permit by the Board of Supervisors shall be in writing.

#### Section 4: CONTENTS OF APPLICATION

Application for such permit shall be by duly verified petition addressed to the Board of Supervisors of the County of Orleans and shall be filed in compliance with the provisions of Section 3 of this Local Law. Such application shall include the following material:

(a) A statement of the name, age, residence address and telephone number of the applicant; if the applicant is a corporation, the name of the corporation, its state of incorporation, the names and addresses and telephone numbers of its directors, officers and stockholders owning 5% or more of the number of shares of capital stock of each class of stock issued and outstanding; if the applicant is a partnership or other organized group of individuals, the names, addresses, ages and telephone numbers of each and every individual associated with the partnership or other entity.

(b) A statement containing the names and addresses of the record owners of the property upon which the event is to occur and the nature and interest of the applicant therein; the names, addresses and telephone numbers of all adjoining property owners; the proposed dates and hours of such mass gathering or assembly; the expected maximum number of persons intended to use the property at one time and collectively; the expected number of automobiles and other vehicles intended to use the property at one time and collectively; the purpose of the function, including the nature of the activities to be carried on and the admission fees to be charged, if any; the names, addresses and telephone numbers of all concessionaires and other persons providing any service or facility under contract, lease or other arrangement for the mass gathering or assembly.

(c) An occupational survey map prepared by a professional engineer licensed by the State of New York showing the size of the property, the names, addresses and telephone numbers of the record owners of adjoining properties; the streets or highways abutting and/or traversing the said property; the size and location of any existing building or buildings or structures or other facilities erected or to be erected thereon for the purpose of the mass gathering or assembly; the placement of proposed distribution systems for water; the location of any and all parking areas for automobiles and other vehicles; the means of ingress and egress to and from such parking area; all service and other roads serving the proposed site; all location of food services, toilet facilities, garbage and refuse collection facilities as well as the location and extent of all entertainment and performance areas.

(d) A detailed plan and statement with drawings showing the method to be used for the gathering, collecting and disposing of sanitary sewage.

(e) A detailed plan and statement with drawings showing the distribution and supply system for the supply, storage, treatment and distribution of drinking water.

(f) A detailed plan and statement with drawings showing the layout of all parking areas for automobiles and other vehicles and the method of traffic control to be used thereon. Such parking areas shall provide parking space of acceptable size for one (1) motor vehicle for every four (4) persons in attendance at the mass gathering or assembly.

(g) A detailed plan and statement with drawings showing the

facilities for preparation, storage, sale and distribution of food and the means of servicing such area. Such plan shall also detail the method and means of disposing of any garbage, trash, rubbish or other refuse resulting from the mass gathering or assembly, both on the site upon which the event is to occur and off the site and in the various municipalities within the County of Orleans.

(h) A detailed plan and statement fully describing any private security personnel who will be engaged by the applicant to serve on or about the site during the event giving the name or names of the agency or agencies furnishing the same with their addresses and telephone numbers and stating the qualifications and the source of the personnel to be so employed.

(i) A detailed plan and statement providing for fire protection, specifying the location of fire lanes, adequate water supply for fire fighting and the types and disposition of equipment and apparatus to be available for such purposes.

(j) A detailed plan and statement specifying the facilities to be available for medical, surgical, nursing and ambulance services. The applicant shall furnish as part of the application the names, addresses and telephone numbers of all doctors, nurses, pharmacists, ambulances and paramedical persons and services which the applicant will provide or cause to be provided for the mass gathering or assembly.

(k) A detailed description of all insurance policies and surety bonds to be provided by the applicant for the protection of the general public, the County of Orleans and its various public bodies, and the Towns and Villages within which such mass gathering or assembly is to be held. Certificates of such insurance and bonds shall be submitted

to the Board of Supervisors not less than forty (40) days prior to the commencement of the mass gathering or assembly.

(1) A written and acknowledged authorization from the land owner and the applicant to the municipality within which the mass gathering or assembly is to be held and to the County of Orleans to permit the Town, Village and the County and their lawful agents to go upon the property at any and all times for the purpose of inspecting the same and to determine if there is compliance with the requirements of this Local Law and permit, if granted.

(m) A statement subscribed by the applicant that the applicant will specify in all advertising and promotional endeavors the limitations on the number of tickets to be sold or otherwise issued as specified in the permit, and that the applicant will neither sell or otherwise issue tickets at the site or otherwise while the event is in progress.

Section 5: INSURANCE AND BONDS

No permit shall be issued unless the applicant shall furnish the municipality in which the mass gathering or assembly is to occur and to the County of Orleans a comprehensive liability insurance policy insuring the municipality and the County against liability for damage to persons or property with a limit of not less than \$500,000 - One Million Dollars for bodily injury or death and a limit of not less than \$500,000 property damage, sufficient in form to save the municipality and the County harmless from any liability or cause of action which might arise by reason of granting of the permit and the conduct of the mass gathering or assembly, the participants or spectators and which policies shall be non-cancellable without twenty (20) days prior written notice to the County of Orleans.

No permit shall be issued unless the applicant shall deposit with the Orleans County Treasurer cash or a good surety company bond, approved by the Board of Supervisors of the County of Orleans, in such sum not less than \$300,000 as the Board of Supervisors may reasonably require and condition that all of the requirements of the permit will be fully performed by the applicant; that no damage will be done to any private or public property; that the applicant will not permit any litter, debris or other refuse to remain upon any public or private property by reason of the granting of the permit; which cash shall be refunded or surety bond cancelled upon certification by the Board of Supervisors of the County of Orleans that all of the conditions of this Local Law have been complied with. Such surety bond or cash will serve as an indemnity to save and protect the streets, pavements, bridges, road signs and other properties of the County of Orleans and the municipalities within which the event is to be held, and any other municipality within the County of Orleans from any and all damage that may be caused by vehicles, employees, spectators or participants in such event and shall be used, if necessary, to restore the ground where the event is held to a sanitary condition and pay all charges, costs and losses to the County and to the respective municipalities therein for the damages to streets, pavements, bridges and other public and private property.

Provided further that should the licensed mass gathering or assembly necessitate the employment of additional County or municipal personnel and/or equipment, such additional expense shall be recoverable from the principal and/or its surety. The deposit or its balance is to be returned when the Orleans County Board of Supervisors has determined

that no such damage has been done and that the County and the municipality therein did not incur any such additional expenses due to the mass gathering or assembly or that the cost of the above have been fully paid and discharged by the applicant.

If the applicant has provided in his application that any services or facilities are to be supplied by contract, lease or other arrangement with a third party or parties, then no permit shall be issued until the applicant shall obtain and submit to the County of Orleans cash or good surety bond approved by the Board of Supervisors at least equal in amount to the consideration to be paid to or by such third parties for the services and/or facilities to be furnished and conditioned that each such third party will fully perform its contract, lease or other arrangement with the applicant for the provision of such services and/or facilities as set forth in the application.

#### Section 6: LIMITATION ON ATTENDANCE

If a permit is granted by the Board of Supervisors, such permit shall set forth the maximum number of persons to be permitted to attend the mass gathering or assembly. The Board of Supervisors, in determining such maximum limit, shall take into consideration the capacity of the site and the availability of public highways and other means of transportation to and from the site as well as the availability and/or practical useability of all facilities for public health, safety and welfare set forth in the application. The applicant shall limit all ticket sales to such maximum number and shall include such limitation in all advertising or other promotional activities. No tickets shall be sold or otherwise issued or disposed of at the site of the event or otherwise during the term of the event. The applicant shall specify,

in all advertising and promotional endeavors, the limitation on numbers of tickets to be sold or otherwise issued and that tickets will not be available at the site or elsewhere while the event is in progress.

Section 7: DENIAL OF PERMIT

The permit shall not be granted if any of the items set forth in said application are determined by the Board of Supervisors to be insufficient to properly safeguard the safety, health, welfare and well-being of persons or property or do not comply with any of the requirements of this Local Law.

Section 8: NON-COMPLIANCE WITH PERMIT

If after a permit is issued, the Board of Supervisors, through its lawful agents, determines that any of the items required as a condition of the permit is not adhered to or accomplished within the required time limit or if any of the contracts, leases or other arrangements for the provisions of services and facilities or any insurance or surety bonds have become terminated prior to the completion of the mass gathering or assembly, then, and in that event, this permit may immediately thereupon be terminated by action of the Board of Supervisors, unless such breach or failure is properly and promptly remedied within such time limit as may be reasonably imposed by the Board of Supervisors of the County of Orleans. Notice of Termination of the permit shall be in writing addressed to the applicant at the address set forth in the application.

Section 9: ENFORCEMENT AND PENALTY

Any person, persons, corporation, organization, land owner or lessee who shall organize, promote or conduct or caused to be conducted a mass gathering or assembly of persons within the County of

Orleans calculated or likely to attract 2,500 persons or more without having a written permit in accordance with the provisions of this Local Law shall be deemed to have violated this Local Law. Any person who commits or permits any act in violation of any of the provisions of this Local Law shall be deemed to have committed a violation and shall be liable for the penalties provided. A separate offense against this Local Law shall be deemed committed on each day during or which the violation occurs or continues. A separate penalty may be imposed for each separate offense.

Each violation of a provision of this Local Law shall be a violation and the person violating the same shall be subject to a fine of not more than \$250.00 or imprisonment for a term not to exceed thirty (30) days or both such fine and imprisonment.

Any person violating this Local Law shall be subject to a civil penalty enforceable and collectible by the County of Orleans in the amount of \$500.00 for each offense.

In addition to the above provided penalties, the Board of Supervisors of the County of Orleans may also maintain an action or proceeding in the name of the County in any court of competent jurisdiction to compel compliance with or to restrain by injunction the violation of such local law.

#### Section 10: EXCEPTIONS

This Local Law shall not apply as follows:

(a) To a gathering or assembly of persons sponsored by or as a part of activities of a central school district or Board of Cooperative Educational Services.

(b) To a gathering or assembly of persons in the jurisdiction of any village or town within the County of Orleans during the time

such village or town is regulating or licensing the conduct of such mass gathering or assembly.

Section 11: SEPARABILITY

If any clause, sentence, paragraph, section or part of this Local Law shall be adjudged by any court of competent jurisdiction to be invalid, such judgement shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

Section 12: EFFECTIVE DATE

This Local Law shall become effective immediately after filing thereof in the Office of the Secretary of State and the Comptroller of the State of New York.

RESOLUTION NO. 150

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING PUBLIC HEARING ON LOCAL LAW NO. 3-1977-INTRO.

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING AGREEMENT BETWEEN THE COUNTY AND THE VILLAGES

BE IT RESOLVED, that the County of Orleans enter into an agreement with each of the Villages in the County concerning the proposed auction sale of tax properties in August of each year, commencing in August, 1977. By which agreement the County agrees to conduct such sales and the Villages waive and release the requirements to obtain Village consent on all sales made at said auctions, with the other provisions of prior contracts remaining in full force,

BE IT FURTHER RESOLVED, that the Chairman of the Board of Supervisors execute the said agreements on behalf of the County.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

It was moved by Supervisor Piedimonte and seconded by Supervisor Swiercznski that the meeting be adjourned. Carried.

Adjourned at 10:20 p.m. until June 2, 1977.

REGULAR MEETING  
Thursday, June 2, 1977

The meeting was called to order at 10:20 a.m. by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Batchellor and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Supervisor Batchellor requested that the offer from Rinhold Kuba to purchase Major No. 962-3, Town of Barre, from the County, which was tabled at the May 19th meeting, be removed from the table and re-read.

The Clerk also read offers from Mrs. Judy B. Downs and Central Trust Company to purchase Major No. 962-3, Town of Barre.

It was moved by Supervisor Batchellor and seconded by Supervisor Piedimonte that the above mentioned offers from Mr. Kuba and Mrs. Downs to purchase Major No. 962-3, Town of Barre, be rejected.

Carried.

Supervisor Batchellor then moved the following resolution to sell Major No. 962-3 to Central Trust Company.

RESOLUTION NO. 152

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING SALE OF COUNTY OWNED PROPERTY LOCATED IN THE TOWN OF BARRE

RESOLVED, that this Board of Supervisors sell and convey unto Central Trust Company, 44 Exchange Street, Rochester, N. Y., for the sum of \$2,808.14, Parcel No. 15, Major No. 962-3 of the premises contained in the 1976 delinquent tax list in the foreclosure In Rem Proceedings, as contained in the deed to the County of Orleans dated September 27, 1976 and recorded in the Orleans County Clerk's Office in Liber 383 of Deeds at Page 450, being formerly assessed to Judy B. Downs, 15423 McNamara Rd., Holley, N. Y. 14470, bounded and described as follows: In the Town of Barre, Orleans County, New York, being known as L14, T14, R1, .459 acre, described as bounded: N-Stymus, S-Road, E-Jones, W-Eddy; and that the County Treasurer is hereby authorized to make and deliver a deed therefore to the said purchaser upon payment of the aforementioned purchase price.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

The Clerk presented the following communications:

Notice from the Governor's office of receipt of Resolution No. 125 adopted May 5th, concerning the fish hatchery at Pulaski.

Assemblyman Hawley, letter dated May 18, 1977, acknowledging receipt of Resolution No. 125.

Letter from Albion Chamber of Commerce dated May 31, 1977, opposing the so called "religious concert" on the Robert Paladino property, Town of Carlton.

#### RESOLUTION CORRECTING ERRONEOUS ASSESSMENT TOWN OF CARLTON AND AUTHORIZING CHARGE-BACK OF OVERPAYMENT OF TAXES

WHEREAS, it has been stated by letter to this Board from William Covell, Assessor for the Town of Carlton, dated May 13, 1977, that an error was made on the 1976 tax roll of the Town of Carlton, whereby Major No. 96-50 assessed to Claude and Betty Marshall, 334 W. Bank Street, Waterport, N. Y. 14571, was assessed at \$2400.00 and should have shown a veterans exemption of 5,000.00, resulting in an overtax in 1977 of \$70.10, being levied thereon, now therefore be it

RESOLVED, that the County Treasurer be, and hereby is, authorized to refund the sum of \$70.10 to Claude and Betty Marshall, which amount represents an overpayment of taxes, and charge a like amount back to the County of Orleans and the Town of Carlton, as follows:

County of Orleans	\$48.05
Town of Carlton	22.05 (\$20.05 Town & \$2.00 Fire)

Unanimously adopted.

The Clerk read an offer from the Morton Fire Co. to purchase property in the Town of Kendall. Tabled by Supervisor Paduchak until later in the meeting.

#### RESOLUTION AUTHORIZING AGREEMENT WITH ARC AND MENTAL HEALTH DEPARTMENT

RESOLVED, that the agreement herewith presented between the County of Orleans and the Orleans County Association for Retarded Children be, and the same hereby is approved by this Board, and be it

FURTHER RESOLVED, that the Chairman of the Board be authorized to execute said agreement in the name of the County.

Unanimously adopted.

Privilege of the floor was granted to Mrs. Kathy Fitzsimmons, a representative of the "Concerned Citizens Group".

Mrs. Fitzsimmons asked the Board several questions, (1) has anything been budgeted for the school rental; requested if any time had been set for beginning work on the school; asked if provisions were being made for the handicapped, specifically what provisions; questioned the resolution adopted by this Board to negotiate a lease for the school building, whether it was prefiled; requested that an outside professional firm be hired to do an environmental and economic impact study, such firm to be agreed upon by both the attorney for the group and the county; questioned the figure of \$1.65 per square foot used in the study prepared by the Planning Board.

Regarding inclusion of funds in the budget for school rental, Supervisor Paduchak informed Mrs. Fitzsimmons that money is available in the budget as far as rental and other items is concerned because if the present facilities were vacated that money could be used for the school rental.

Supervisor Batchellor said no time had been set to work on the school because no lease had been signed. Also that the State had approved provisions for the handicapped on the ground floor.

Concerning the resolution of the Board - the Clerk informed Mrs. Fitzsimmons that the certification on the resolution should have shown that the resolution was adopted by a majority of the Board, she did not cross off the line showing two-thirds vote. Only a majority was needed to pass the resolution. Also that resolutions by Board members did not have to be pre-filed.

Mr. Miles informed Mrs. Fitzsimmons that a "dangerous precedent for any legislative body would be set if the legislative body allowed someone to dictate what firms are hired by the county.

The question of the Planning Board study was referred to the Planning Board.

Mrs. Fitzsimmons was informed by the Chairman that the Board would consider her requests.

RESOLUTION NO. 157

By Supervisor Kemp, who moved the adoption.

RESOLUTION AUTHORIZING ADVERTISING FOR BIDS FOR PRINTING PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR THE YEAR 1977

RESOLVED, that the Purchasing and Printing Committee of this Board of Supervisors be, and hereby is, authorized to advertise for bids for printing the Annual Proceedings of the Board of Supervisors for the year 1977.

Unanimously adopted.

The Clerk read the recommendations of the Orleans County Subarea Advisory Council Obstetrical Task Force. Supervisor Kemp said that the committee had spent a great deal of time on this and came up with these recommendations which were agreed to unanimously. The Task Force was asking for support of their recommendations by the Board of Supervisors.

RESOLUTION NO. 159

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION SUPPORTING RECOMMENDATIONS OF THE ORLEANS COUNTY SUBAREA ADVISORY COUNCIL OBSTETRICAL TASK FORCE

RESOLVED, that this Board of Supervisors does hereby go on record as supporting the recommendations of the Orleans County Subarea Advisory Council Obstetrical Task Force, namely:

1. "That the Obstetrical services at both Medina Memorial and Arnold Gregory Memorial Hospitals maintain the status quo."

That a more comprehensive plan development process should take place to provide definitive mechanisms for cooperation between both hospitals which would lead to the provision of O.B. and all other services in as practicable a manner as possible.

2. To insure staff privileges at both hospitals to all physicians in Orleans County, this action to take place within one year from the date of the adoption of the Task Force's recommendation by the Orleans County SAC.

3. Positive efforts should be made by both hospitals to develop a joint board structure to provide hospital services that would insure the appropriate quantity and quality of care within a framework of cost containment, this action to take place within two years of the adoption of these recommendations by the SAC.

4. That in light of the recommendations of the Task Force, the State Health Department should not impose financial penalties on either hospital unless and until implementation of these recommendations fail to occur.

Unanimously adopted.

The County Attorney requested an executive session to consider three matters involving collective bargaining and three county lawsuits.

Supervisor Dudek requested that before the executive session the Board consider a resolution to oppose a bill in the Assembly and Senate which would permit the Commission of Correction to fine a Sheriff up to \$200.00 a day if the rules and regulations of the Commission were not followed.

It was moved by Supervisor Paduchak and seconded by Supervisor Swiercznski that the Board go into executive session to consider the matters concerning collective bargaining and the lawsuits against the county.

Unanimously adopted.

Adjourned at 11:25 a.m. for executive session.

#### AFTERNOON SESSION

Meeting reconvened at 2:10 p.m., all Supervisors present.

Privilege of the floor was granted to Mrs. Mary Basinait, County Treasurer. Mrs. Basinait reported that the County should get around \$123,073.00 in back taxes from Penn Central. Con Rail will be picking up 100% of the taxes on all property they purchased after April 1, 1976. The County must sign an agreement or a release concerning this. Mrs. Basinait recommended that the county accept the 50% compromise payment of back taxes from Penn Central.

Mrs. Basinait also requested that the Board pass a resolution as recommended by the Finance Officers and County Treasurers Association concerning changes in the Uniform System of Accounts.

The County Attorney explained that Con Rail took over certain of the railroad properties as of April 1, 1976 and they are paying all of the taxes or 100 per cent of the taxes from that date. They have paid for taxes billed January 1, 1977. We need authorization to accept the 50% of unpaid taxes; authority for the Chairman to sign a release, releasing Con Rail from any taxes prior to April 1, 1976, the New York State Attorney General has approved it, because it does not in any way, release Penn Central. Mr. Miles also informed the Board that there is no way the County can recoup any of the losses such as the back school taxes on the railroad property which the county has paid, or the town portion of the back taxes. The County Attorney recommended the following resolution:

RESOLUTION NO. 160

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION ACCEPTING COMPROMISE PAYMENT OF PENN CENTRAL TAXES AND  
AUTHORIZING CHAIRMAN TO SIGN RELEASE TO CON RAIL

BE IT RESOLVED that the County of Orleans accept the payment from Penn Central Transportation Company, in reorganization, of the compromise amount of delinquent taxes as approved by the U.S. Federal District Court, which compromise will be approximately 50% of the tax claims to be paid in cash, and

BE IT FURTHER RESOLVED that the Orleans County Treasurer apply for said compromise amount and that the said Treasurer and Chairman of the Board of Supervisors, or other proper County officer, execute such forms, applications or schedules as may be necessary therefor, and

BE IT FURTHER RESOLVED that the County of Orleans apply for the real property taxes from April 1, 1976 as have been offered by Consolidated Rail Corporation and that such application be pursuant to opinions of the Comptroller of New York State, and

BE IT FURTHER RESOLVED that the Orleans County Treasurer, Chairman of the Board of Supervisors, or other proper County officer, be, and they hereby are, directed and authorized to execute and file all applications, forms, agreements, releases and other documents as may be necessary to obtain payment of the said taxes from Consolidated Rail Corporation.

Supervisor Kubatek reported that the special committee assigned to examine the various resolutions before the Board for creation of an Administrative Assistant and Assistant to the Chairman met on May 26th and decided to wait until the committee has a chance to see what comes out of the computer report on reapportionment.

Supervisor Batchellor reported that the Probation Committee had met with Mr. Golden and the State representative to discuss the State taking over some probation departments on an experimental basis. They plan on taking over one or two large departments and four or five small ones. The State would pick up all the expense and the employees would become state employees. If the County wishes to have the State take over its probation department the County would send a letter of intent. The County would have to provide office space.

Supervisor Kubatek said, "The way I felt after talking to Bob, that it doesn't seem like he or the staff had any opposition to it."

Adjourned at 3:20 p.m.

REGULAR MEETING  
Thursday, June 16, 1977

The meeting was called to order at 8:10 p.m. by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Supervisor Swiercznski questioned the vote on Resolution No. 176. He questioned whether the abstention was not made after the vote and therefor should be considered a negative vote. Supervisor Swiercznski pointed out that Rule 10 calls for a statement prior to the vote if a Supervisor wishes to abstain.

Supervisor Dudek replied that Roberts Rules provide for abstentions. Also Rule 10 says, "may make a brief statement," which does not make it mandatory.

After further discussion, the motion was adopted.

Privilege of the floor was granted to Mr. David Welch, representing the "Concerned Citizens".

Mr. Welch said, "We had the intention of coming tonight and raising more questions; to be as brief as possible, what has happened, we have been notified that there has been a decision or a pending decision placed before the Board that may be of interest to us. So based on that fact, it indicated to us that you gentlemen had listened to us, that you understood our stand, and that you took into account our feelings before coming to a decision. What we want tonight is to simply sit in observation and judge for ourselves. We are 100 per cent confident that what has been done is the best alternative. We are confident that what has been decided is the best decision for both us and the County."

Privilege of the floor was granted to Commissioner Klapper, who presented a proposal for provision of "Homemaker Services". The Clerk read the following summary sheet:

SUMMARY SHEET RELATIVE TO A COMMUNITY  
HOMEMAKER SERVICE

Many agencies in the County have expressed the need for Homemaker/Home Health Aide Services to help their clients remain in their own homes rather than be institutionalized, to allow them to return to their homes sooner after hospitalization, to help them deal with young children, manage their money, and perform duties the client is physically unable to do himself.

In addition, the Department of Social Services is mandated by state and federal regulations to provide homemaker services.

The Inter Agency Homemaker Committee has explored several alternatives including hiring on-staff homemakers, purchasing from private agencies, and having an existing agency take on the program with outside funding. A new potential source of providing homemaker services has arisen which the Inter Agency Committee supports. A brief description of this new option follows.

CETA funds for implementing a Homemaker/Home Health Aide Program have become available through the New York State Office for the Aging. The Orleans County Department of Social Services could become the lead agency for the local program. BOCES is willing to provide training at a cost within the CETA budget. The Salvation Army has made a firm commitment to pick up the program when the CETA funds expire. Agencies and individuals could then purchase homemaker services from the Salvation Army.

Some of the advantages of this alternative are:

1. The program would employ 10 half time homemakers. These would be Orleans County residents who are over 55 and unemployed. It would also employ a part-time Registered Nurse Coordinator.
2. The homemakers would receive 60 hours of classroom training which will have been approved by the New York State Department of Social Services, the New York State Department of Labor, the New York State Department of Health, and the New York State Department of Education. The participants will receive a certificate after successful completion of the training course thereby enhancing their future employment prospects.
3. The Homemaker/Home Health Aide Service would be comprehensive. The Program could serve clients of DSS, Office for the Aging, and the Health Department in addition to private pay and private insurance clients. Trained personnel would be providing quality service to all those in the County needing it.

Supervisor Bane reported that the Social Services Committee endorses the program. Mr. Bane asked if there were any objections to his talking to Mr. Hancock to have him start looking for potential applicants. No one objected.

It was pointed out that the funds are discretionary funds designated by the Governor for a pilot program in several counties. There was discussion as to the type of service to be offered and it was suggested that an effort be made to include all such homemaker services in this one program. Commissioner Klapper said that homemaker services are mandated by the State under the Title XX program but that the department can purchase the services. The Commissioner will be present at the next meeting of the Board when the proposal will be considered for endorsement.

Supervisor Bane informed the Board that the County must do something about correcting the deficiencies noted by the State in the County Home and Infirmary regarding lack of a dietician and record keeping. The Committee has been investigating using a dietary consulting firm to handle the record keeping, dietician duties, etc. If the County does not correct the deficiencies noted by the State, a fine could be levied for each day the County is in violation. The kitchen employees would become employees of the firm hired by the County.

RESOLUTION NO. 178.

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION AUTHORIZING ADVERTISING FOR BIDS FOR DIETARY CONSULTANT SERVICES

The Orleans County Board of Supervisors  
Court House  
Albion, New York

Gentlemen:

It has been brought to my attention that my job title is now covered by the CSEA bargaining unit. This, in affect, will limit my salary advances to union contract negotiations.

I would like to request that my job title be removed from the CSEA bargaining unit for the following reasons:

1. Although Mr. Bingaman has the title of Building Superintendent, we have always shared the responsibility of this department. In most instances, decisions are shared by both of us. This was the understanding that we had when we were hired by the Board, approximately 7 years ago, and I don't think the Board would deny the fact that this arrangement has worked out extremely well for the County.
2. This department is involved with confidential matters such as lease agreements, other contractual agreements and budget preparation. I am equally involved in such matters with Mr. Bingaman.
3. In emergency situations, we are both on call and share in that responsibility.
4. We both share equally in the responsibility of seeing that the Court House is open for special meetings held evenings and weekends and also seeing that the premises are locked afterwards.
5. I have met the same Civil Service requirements as that of Building Superintendent.

In summary, we both share the responsibility for the Buildings and Grounds Department and in the past we have both been rewarded accordingly with salary increases. It doesn't seem fair that suddenly my salary shall now be governed by a bargaining unit, which I am not a part of just because my job title is not that of Superintendent.

Very truly yours,

  
David W. Stevenson

Supervisor Batchellor said, "The Buildings staff is doing excellent work, saving the County thousands of dollars, I would propose we get the whole maintenance staff out of the union. They don't want to be in it, there is no reason that they should be in it, the Highway Department is not in it, I can think of several people around the County in the same situation as Dave. I would like to propose a resolution to get this whole department out of the union." Seconded by Supervisor Paduchak.

Supervisor Paduchak, "The thing has been brought to my attention that these people should get a letter in to us. All we have now is a letter from one individual. I have second thoughts, I think we should take care of Mr. Stevenson and hold this for a while."

Supervisor Kubatek, "Should they request being out of the union through the union?"

County Attorney, "The Public Employment Relations Board indicates that the request has to come from the employer. Of course for the employer to make a request it must have some substance behind it. We can not encourage anyone to be or not be a member of the union. It is still up to the Public Employment Relations Board to make the final decision."

The resolution was reworded to read as follows, and then adopted.

#### RESOLUTION NO. 179

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Paduchak.

#### RESOLUTION AUTHORIZING CHAIRMAN TO SIGN NECESSARY APPLICATION FOR EXCLUSION OF BUILDINGS AND GROUNDS FOREMAN FROM BARGAINING UNIT

RESOLVED, pursuant to the request of David Stevenson, Buildings and Grounds Foreman, by letter dated June 3, 1977, the Chairman of this Board of Supervisors is hereby authorized to sign any applications necessary to have Mr. Stevenson excluded from the CSEA bargaining unit.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

It was moved by Supervisor Piedimonte, seconded by Supervisor Swiercznski, and carried, that the following Clerk's bill for bringing action against delinquent dog owners, as presented and read by the Clerk, be allowed as claimed and that the Clerk be directed to certify same to the County Treasurer for payment.

Name	Town	Amount Claimed and Allowed
June B. Stalker-Ridgeway		\$36.00

It was moved by Supervisor Kubatek, seconded by Supervisor Nayman, and carried, that the following bills for serving dog summons be approved for payment:

Name	Town	Amount Claimed and Allowed
Geary J. Shenck-Clarendon		\$ 17.10
Wayne A. Meland-Ridgeway		118.40
Lyell Caleb-----Ridgeway		88.80

The Clerk presented a letter from the Buildings and Grounds Superintendent, dated June 15, 1977, informing the Board that the budget for his department is over-expended approximately \$13,000.00 due to increases in utilities, insurance, rents, etc. Mr. Bingham requested an additional appropriation of \$25,000.00 to cover the remainder of 1977. Referred to the Finance Committee for recommendation.

The County Attorney requested an executive session to discuss the several lawsuits against the County.

It was moved by Supervisor Swiercznski and seconded by Supervisor Bane that the Board go into executive session to discuss the lawsuits pending against the County.

Unanimously adopted.

Adjourned for executive session at 9:05 p.m., reconvened at 9:30 p.m.

#### RESOLUTION NO. 180

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION AUTHORIZING LEASE BETWEEN COUNTY OF ORLEANS AND THE ALBION INDUSTRIAL CENTER FOR OFFICE SPACE

RESOLVED, that the County of Orleans extend its lease with Albion Industrial Center for a five year period upon the following terms:

- A. Five years shall run from May 1, 1977 to April 30, 1982.
- B. Rents from May 1, 1977 to July 31, 1977 shall be according to the short extension agreement previously executed.
- C. Rents from August 1, 1977 to April 30, 1982 shall be at the rate of 75¢ per square foot per year on a net basis with the County paying all taxes, insurance, maintenance, repairs and like items.
- D. The enclosed space shall be:

Office space	9,902 square feet
Warehouse Space	1,118 square feet
Probation extra space	<u>250 square feet</u>
TOTAL	11,270 square feet
- E. Parking space shall be continued as now occupied at no extra rent. County may move the fence for extra space until needed by others, at which time the fence shall be returned.
- F. Remaining terms as in present lease.

BE IT FURTHER RESOLVED that a lease be prepared by the County Attorney according to this Resolution and, upon approval of the Building Committee, the same shall be executed by the Chairman of the Board of Supervisors.

RESOLUTION NO. 182

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Nayman.

RESOLUTION APPOINTING MINORITY LEADER

RESOLVED, that pursuant to the provisions of Rule No. 22 of the Rules of Procedure for 1977, Supervisor Stanley Kubatek is hereby appointed Minority Leader.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Batchellor made the following statement, "As a citizen taxpayer and not as a Supervisor, I make the following statement. Seeing that we have signed a lease with Petronio, I would like to say for the benefit of our Citizens Committee that as a private taxpayer in the Albion Central School District, I resent the fact that I am paying taxes to provide a playground for your children at the old school and I will do everything I can to encourage something to come into that building to generate some revenues for the district and to abate my taxes."

Mr. Welch, "These are cheap shots, if you would check into the information, the difference in using the school and not using the school makes a difference of about 50 cents per thousand."

Supervisor Batchellor, "As you all know, we have the possibility of receiving \$286,000 as a grant from the federal government. The Board has met in a session and the Building Committee has met and we are proposing that we build a shell of an office building in back of the Infirmary with approximately 25,000 feet of usable space. We have an architect who will draw up the plans for a fee of \$2,000."

Supervisor Paduchak reported that the shell would be finished off with the help of the Buildings and Maintenance crew.

Supervisor Kubatek asked if the plans could be completed within the allotted time period and if not suggested that the money be given to those with water and sewer projects.

Mr. Batchellor replied that indications are that the time period can be met.

After discussion of various proposals the following resolutions were adopted.

RESOLUTION NO. 183

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Paduchak.

RESOLUTION AUTHORIZING COUNTY PLANNER TO SUBMIT APPLICATION TO EDA  
FOR PUBLIC WORKS FUNDS

RESOLVED, that the County Planner, Geoffrey Astles, is hereby authorized to file an application to the U.S. Economic Development Administration for funds under the Local Public Works Capital Development and Investment Act for a project to construct a building for use as office space at a site adjacent to the Orleans County Home and Infirmary.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 184

RESOLUTION AUTHORIZING AGREEMENT BETWEEN THE COUNTY AND ROBERT F. BALCERZAK

RESOLVED, that the agreement herewith presented between the County of Orleans and Robert F. Balcerzak, Professional Engineer, dated June 20, 1977, to provide assistance with the preparation of the application for a federal grant from the Economic Development Administration for the sum of \$2,000.00, be approved by this Board, and be it

FURTHER RESOLVED, that said fee of \$2,000.00 will be considered part of the total eight percent fee for design work in connection with such construction, and be it

FURTHER RESOLVED, that the Chairman of this Board of Supervisors is hereby authorized to execute said agreement in the name of the County of Orleans.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Nayman reported that he had attended the hearing in Avon held by DEC in connection with Mr. McKenna's landfill. No decision has as yet been rendered.

Supervisor Nayman introduced the following Local Law:

LOCAL LAW NO. 4 OF 1977 - INTRO.

A LOCAL LAW PROVIDING FOR WRITTEN NOTIFICATION OF ANY COUNTY STREET, HIGHWAY, BRIDGE, CULVERT, SIDEWALK, OR CROSSWALK OR ANY COUNTY BUILDING OR COUNTY FACILITY BEING OUT OF REPAIR, UNSAFE, DANGEROUS OR OBSTRUCTED

SECTION 1. No civil action shall be maintained against the County of Orleans or any County officer, agent or employee for damages or injuries to person or property sustained in consequence of any street, highway, bridge, culvert, sidewalk or crosswalk or any County building or facility being out of repair, unsafe, dangerous or obstructed, or in consequence of the existence of snow or ice thereon, unless it appears that written notice of the defective, unsafe, dangerous or obstructed condition, or of the existence of the snow or ice, was actually given to the County of Orleans or its specified officer or employee and there was a failure or neglect within a reasonable time after the giving of such notice to repair or remove the defect, danger or obstruction complained of, or to cause the snow or ice to be moved, or the place otherwise made reasonably safe.

SECTION 2. Such written notice shall be dated and signed and shall, among other things, specify the particular place and condition alleged to be out of repair, unsafe, dangerous or obstructed or the place and extent of the existence of the snow or ice and shall be actually given to the County Highway Superintendent, County Sheriff or Clerk of the Board of Supervisors. Such written notices shall forthwith be transmitted to the Clerk of the Board of Supervisors who shall record the same in a separate book kept for that purpose along with the name and address of the person filing the notice and the name of the above County officer receiving the same, and the date of filing thereof.

SECTION 3. This Local Law shall take effect immediately upon its filing in the Office of the Secretary of State in accordance with the provisions of Section 27 of the Municipal Home Rule Law.

RESOLUTION NO. 185

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION AUTHORIZING PUBLIC HEARING ON LOCAL LAW NO. 4-1977-INTRO.

WHEREAS, there has been duly presented and introduced at a meeting of the Board of Supervisors held on June 16, 1977, a proposed local law entitled "Local Law No. 4 of 1977-Intro., a Local Law Providing For Written Notification of Any County Street, Highway, Bridge, Culvert, Sidewalk, or Crosswalk or any County Building or County Facility Being-Out Of Repair, Unsafe, Dangerous or Obstructed", and

WHEREAS, no Local Law shall be adopted until a public hearing thereon has been had by the Orleans County Board of Supervisors upon at least five (5) days notice, now therefore be it

RESOLVED, that a public hearing shall be held on the said proposed Local Law by this County Board of Supervisors on the 7th day of July, 1977, at 9:45 a.m., and at least five (5) days notice of such hearing shall be given by the Clerk of the Board, by the posting thereof on the bulletin board in the County Court House and by publishing notice thereof at least once in the official newspapers of the County.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 186

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION ACCEPTING BID OF EDDY PRINTING CORPORATION TO PRINT PROCEEDINGS

RESOLVED, that Option 2 of the bid by Eddy Printing Corporation, Albion, N. Y., to print the 1977 Proceedings of the Board of Supervisors at a cost of \$6.95 per page, be accepted by this Board, and the Chairman of the Purchasing Committee is hereby authorized to sign an agreement between the County and Eddy Printing Corporation, as per the specifications under Option 2 of the bid.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Batchellor reported that he had met with the County Clerk regarding purchase of a camera for microfilming. The County Clerk feels that two record books, of the typewritten books, could be combined into one book thereby saving shelf space. The price of the camera is expected to go up and it was suggested that bids be let at once. Two CETA persons will be available starting in November to do the filming.

RESOLUTION NO. 187

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Batchellor.

RESOLUTION AUTHORIZING ADVERTISING FOR BIDS FOR THE PURCHASE OF A CAMERA SUITABLE FOR MICROFILMING COUNTY RECORDS

RESOLVED, that the Purchasing and Printing Committee of this Board be authorized to advertise for bids for the purchase of a camera suitable for microfilming county records, as per specifications to be prepared by the County Clerk.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Nayman asked if any information had been obtained concerning an official highway map. Supervisor Paduchak informed the Board that the Highway Committee had met with the Highway Superintendent and he will up-date a present county map and designate it the official county highway map.

Supervisor Dudek reported on the status of the tax mapping concerning up-dating of the maps, plotting parcels, etc. The committee has discussed a proposal from a person to do this work for approximately \$4,000.00 a year. The Real Property Tax Office would handle the transfers and the \$4,000.00 figure included the transfers. The Committee also met with some people from Kenwalt and discussed using CETA personnel to do data collection on reassessment if the County went into reassessment. Supervisor Kemp reported that an estimated cost per parcel is between \$30.00 and \$35.00. If CETA people are used for data gathering the County would save about 25%. The total cost of reassessment would be about a half million dollars.

Supervisor Kemp informed the Board that at the present time only five counties indicate that they will participate in the TB Clinic with Livingston County making the estimated cost to Orleans County about \$8,150.

Supervisor Kubatek reported that his assessor had been complaining about the tax maps that some of the parcels were wrong.

Supervisor Dudek reported that the committee had met with Mr. Basinait and he had indicated that there are very few problems with the maps.

Supervisor Nayman said his town had to hire an additional person to help the assessor on a part time basis to try and get the errors corrected.

Supervisor Kubatek questioned whether the County was on the ARLM system, and if the assessors are getting the training specified in the agreement with Kenwalt.

Supervisor Paduchak reported that the Reapportionment Committee met with Mr. Papayanopoulos. Mr. Papayanopoulos is preparing several plans for the Board to consider. Mr. Paduchak informed the Board that the Committee feels they should hold meetings to get citizen participation. These meetings will probably be held in three different locations during the second week of July.

Supervisor Kubatek reported that the Special Committee considering creation of an Administrative Assistant had met and discussed the preliminary duties and qualifications for the position. However the committee recommends no action be taken until after July 29th when something more definite is decided on the type of government the county will have.

Supervisor Nayman reported that he had a call from Burroughs Corporation informing him that they have a computer in operation in Delaware County. They would be happy to set up a trip to look over this operation - the tentative dates suggested are June 30th or July 6th.

Supervisor Nayman also informed the Board that a gentleman who works for BOCES in Spencerport has offered his services in an advisory capacity. He has worked on various types of computers and would be happy to meet with the Board.

#### RESOLUTION NO. 188

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION AUTHORIZING PAYMENT OF CLAIM TO NEW YORK STATE EDUCATION DEPT.

RESOLVED, that the claim of the New York State Education Department for a quarterly payment due July 1, 1977, for reimbursement of costs for tuition and transportation costs of school age students in regular session during the 1975-76 school year under the provisions of Section 4403 of the Education Law, in the amount of \$930.81, be approved for payment.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 189

By Supervisor Paduchak , who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING ADVERTISING FOR BIDS FOR MATERIALS FOR CONSTRUCTION OF ADDITION TO COUNTY HIGHWAY GARAGE

RESOLVED, that the County Highway Superintendent and the Highway Officials Committee of this Board, be authorized to advertise and award bids for materials for use in the construction of the addition to the County Highway Building, as per specifications supplied by the Buildings and Grounds Superintendent.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 190

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION AUTHORIZING INCREASE IN PRICE PAID FOR VETERANS HEADSTONES

RESOLVED, that the price paid for veteran's headstones be increased from \$150.00 to \$200.00, for a flat stone and from \$200.00 to \$300.00, for an upright stone.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 191

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION AUTHORIZING SALE OF COUNTY OWNED PROPERTY LOCATED IN THE TOWN OF CARLTON

RESOLVED, that this Board of Supervisors sell and convey unto Andrew Weed, P.O. Box 64, Morton, N. Y. 14508, for the sum of \$743.41, Parcel No. 31, Major No. 149-1 of the premises contained in the 1975 delinquent tax list in the foreclosure In Rem Proceedings, as contained in the deed to the County of Orleans dated October 21, 1975 and recorded in the Orleans County Clerk's Office in Liber 377 of Deeds at Page 343, being formerly assessed to Lee E. Woolston (Andrew Weed and Myrtle Ellsworth, R.D. 4, Albion, N. Y.) bounded and described as follows: In the Town of Carlton, Orleans County, New York, being known as L2, T16, R1, 1-1/2 acres, described as bounded: N-Railroad, S-Woolston, E-Beville, W-DeMay; and that the County Treasurer is hereby authorized to make and deliver a deed therefore to the said purchaser upon payment of the aforementioned purchase price.

Unanimously adopted. 372 ayes; 0 nays; 0 absent.

The Clerk read an offer to purchase Major No. 1030, Town of Ridgeway, for \$470.00. Supervisor Kubatek requested that this offer from Jane Schuyler, Medina, N. Y., to purchase this property from the County, be tabled.

Supervisor Paduchak suggested that the County Attorney prepare a change in Local Law No. 3-Intro. to exempt Fire Departments, churches and other bona fide organizations within the County. The County Attorney pointed out that the basis of establishment of such a law is for the protection of public health, safety and welfare and that doesn't direct itself to the organization conducting the event but directs itself to the facility that is being used. The change would have to be on the Supervisors' desks seven days before enactment. It is not necessary for another public hearing if the Board determines one is not necessary, that it does not change the context of the law.

Supervisor Nayman moved that the meeting be adjourned. Adjourned at 10:35 p.m.

REGULAR MEETING  
Thursday, July 7, 1977

The meeting was called to order at 10:15 a.m., by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Piedimonte and seconded by Supervisor Swiercznski that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

The following communications were presented by the Clerk:

Acknowledgment of Resolution concerning Assembly Bill A-7959 from Assemblyman Duryea, dated July 1, 1977: Senator Paterson, dated June 28, 1977, acknowledging receipt of the resolution regarding the Governor's Program Bill on Probation. Senator Paterson informed the Board he will support this bill if it appears before the Senate. Assemblyman Hawley, dated June 15, 1977, acknowledging receipt of Resolution No. 174; June 27, 1977, informing the Board that he supports the Governor's Program Bill on Probation. Notice from Department of State, dated June 29, 1977, informing the Board that a total of \$15,000 has been allocated to Orleans County in Federal funds, under the Comprehensive Planning Assistance Program.

A letter from James C. Stewart, Field Representative for CSEA, dated June 29, 1977, notifying the Board that the union wishes to engage in negotiations for a new contract, and requesting that the first meeting be held on July 22, 1977.

RESOLUTION NO. 192

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION AUTHORIZING FINANCE COMMITTEE TO INVESTIGATE EMPLOYMENT OF NEGOTIATOR

RESOLVED, that the Finance Committee of this Board be authorized to look into the possibility of employing a professional negotiator for labor negotiations with County employees for 1978.

Adopted. 372 ayes; 0 nays; 0 absent.

The Board received notice from the Chairman of the Livingston County Board of Supervisors by letter dated June 22, 1977, that the TB Clinic at Mount Morris will terminate operation at the end of the present contract June 30, 1977. Mr. Hart stated that the balance in the fund will be distributed to member county's, after payment of outstanding claims, on a per capita basis. Each county health department is advised to make arrangements for obtaining their records.

Supervisor Kemp reported that the Administrator of the Orleans County Health Department has worked out a plan for TB patient care and has submitted it to the State for approval.

The Clerk presented a claim against the County which resulted from an accident. The County Highway Superintendent investigated the location and he determined that the placement of signs at that location were not the responsibility of Orleans County.

RESOLUTION NO. 193

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Nayman.

RESOLUTION REJECTING CLAIM AGAINST THE COUNTY

RESOLVED, that the claim of James F. Kelly, 3178 Eggert Road, Tonawanda, New York 14150, against the County of Orleans which was received by the Board of Supervisors on June 23, 1977, be rejected by this Board.

Adopted. 372 ayes; 0 nays; 0 absent.

A letter was received from Marlin Shawver, dated July 1, 1977, which read as follows, "I have heard that you have my name on a list stating that I am a member of the C.S.E.A. If you do have my name on that list it should not be there. I have never been asked to be a member of this union and I did not ask them for a membership in their organization. So will you please remove my name off that list."

The County Attorney was asked how Mr. Shawver's name could be removed from union membership. Mr. Miles replied, "We can't remove his name. He is talking about union membership. Under the present Taylor Law public employees do not have to belong to the union. Certain job titles are included in the representation by the CSEA but not individual persons. Job titles are included unless they are confidential, managerial people. We can not take any position regarding this matter."

The County Attorney was requested to reply to Mr. Shawver's letter informing him as to the legal position of the Board of Supervisors in relation to the Taylor Law provisions.

The Board received a notice from DEC dated June 22, 1977, advising them of the amendment to the State Environmental Quality Review Act.

The Clerk presented the Proposed Comprehensive Annual Social Services Program Plan for New York State - October 1, 1977 to September 30, 1978. The plan will be reviewed by the Social Services Committee and the Commissioner.

The Board received a letter from the Office for the Aging Advisory Committee dated July 5, 1977, supporting the Office for the Aging request for an Outreach Worker under the "Green Thumb" program.

RESOLUTION NO. 194

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Nayman.

RESOLUTION AUTHORIZING ONE "GREEN THUMB" POSITION IN THE OFFICE FOR THE AGING

RESOLVED, that the Office for the Aging be authorized to employ one Outreach Worker under the Federally funded "Green Thumb" Program, salary and fringe benefits to be paid by the Federal Government; said position to be abolished if funds are withdrawn for this program, and be it

FURTHER RESOLVED, that the County of Orleans will pay for mileage for said Outreach Worker when on County business, at the rate of .15¢ per mile upon presentation of a County voucher to be paid from Account A7610-4; said expense not to exceed \$100.00 per month for the remainder of 1977.

Adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 195

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Batchellor.

RESOLUTION ABOLISHING ONE POSITION OF SR. ACCOUNT-CLERK-TYPIST IN THE ORLEANS COUNTY HEALTH DEPARTMENT

RESOLVED, pursuant to the request from the Board of Health by letter dated July 5, 1977, one position of Sr. Account-Clerk-Typist in the Orleans County Health Department be, and hereby is abolished.

ORLEANS COUNTY TREASURER'S OFFICE

ALBION, NEW YORK 14411

MARY B. BASINAIT, COUNTY TREASURER

July 7, 1977

Orleans County Board of Supervisors  
Court House  
Albion, NY 14411

Gentlemen:

This is to inform you that it has become necessary to reschedule our 1977 Foreclosure Proceeding. It has recently come to our attention that the Albion Advertiser published the legal notice only four of the six successive weeks necessary as mandated by law.

This means that we will need to repeat the entire procedure, including new lists, reprinting and mailing the legal notices by certified mail, posting notices by a deputy and the publishing in both newspapers for six consecutive weeks. Our last day for redemption will have to be adjusted accordingly. The original In Rem Proceeding for the year 1977 will need to be canceled.

We have contacted our County Attorney, and Mr. James Cooper, Chief Counsel for Audit and Control and also our County Judge, and they all agree that this is the only solution.

Mr. Jewell, Editor of the Albion Advertiser, offers his apologies and realizes that all charges will be submitted to him.

Naturally we regret the necessity for this change, but we realize that it was an unfortunate error and we will do our best to correct it with as little notoriety as possible.

Very truly yours,

Mary B. Basinait  
Orleans County Treasurer

MBB:js

The County Treasurer was granted the privilege of the floor. Mrs. Basinait said that the letter was self-explanatory. It is hoped that the In Rem can now be completed before the end of December. Taxpayers will have until July 15th to redeem their property before the In Rem Proceedings are started.

Mrs. Basinait also informed the Board that the County has learned that the County will receive only the base tax from the railroads - interest and penalties will not be included. The County has paid the schools in full but will not be able to recoup the amount of interest and penalties.

Mr. Miles informed the Board that the railroads are now paying their current taxes effective January 1, 1977.

Mrs. Basinait was asked about what the cost of unemployment insurance will be when it goes into effect January 1st. Mrs. Basinait informed the Board that the County will have to pay 3.7 per cent of anything up to \$6000, or the County can pay the State for the amount of money they have to pay out, with no administrative costs.

Supervisor Swiercznski suggested that perhaps the towns and county can consider combining their grouping and perhaps lower the cost.

Mrs. Basinait also discussed with the Board the requirements going into effect requiring fixed asset accounting. She suggested that perhaps some CETA employee's could be used to work on such a program.

The County Attorney informed the Board that the "Hackett" case has been settled. Sheriff White was completely exonerated. There was a compromise settlement by the defendants. The County will be receiving a claim from the attorneys who handled the case.

Supervisor Paduchak, "The majority of Board members journeyed to Buffalo last Friday and had our first meeting with Judge Kasler who is handling the reapportionment case. We were received very cordially by the court and the court was very receptive to our comments. We have been criticized in the papers for being lax in not presenting a form of government to the press or to the general public, but it is a complicated system, the general public probably doesn't understand all the facts that go into the one-man one-vote system, the weighted voting system or legislative districts. There are many things that enter into it that the courts will accept. Any individual can not just go and hodge-podge a system for the future government of this county. The court indicated that they would not accept anything in that nature. We must come up with something or some plan that somebody has devised that has some knowledge of the one-man, one-vote concept as far as government is concerned. I think we are doing things in the proper perspective to get a plan approved by the court. I will ask the County Attorney to present the facts of this plan by Mr. Papayanopoulos."

Mr. Miles, "At the meeting with Judge Kasler on June 24th, the Judge indicated several things for the record. One important factor was that he wasn't going to sacrifice quality for speed. If you remember those were his exact words. Another thing very importantly he insisted upon, as has been noted and previously agreed to, public input into this. He felt that this was a matter for the public to determine finally, so they needed input in it. As you all know, the committee had proposed three public input meetings sometime in July for the purpose of explaining everything that was available and listening to anything concerning this one-man one-vote proposition. You will also remember that Judge Kasler was very definite in that and I think I am also using his language now - in his experience many of these public meetings generate more heat than light and for that reason he thought it extremely important that the expert be available for those public input hearings so

that he could explain what was going to happen, what was not and what the various things were. As a result of that situation I contacted Mr. Papayanopoulos who is our expert on this to see what time he might be available and you remember that previously we were advised that he would have some plans for the summer previously established - not just vacation plans but something to do with his business activities. He will be away during the full month of July so it is not possible to have public input meetings with Mr. Papayanopoulos available. He will not be back until August 8th. I conveyed this information to Judge Kasler's clerk - Judge Kasler wasn't available. The clerk asked me to find a time schedule that was the latest that the county could make its local law and still have that local law placed upon the November ballot this year for the referendum. I did so and found that the latest is 60 days prior to the election.

The election this year is November 8th so that 60 days before that would be September 8th. Now that means this being a local law there has to be a public hearing on that local law with not less than 5 days notice. So you can see there has got to be, backing up again, an additional 5 days. Also this local law has to result from a court decision so there has got to be a court hearing and wants these public input meetings before the court hearings. We are talking about August. We are talking about the period starting the week of the 8th of August for public input meetings. We are talking about the county then deciding which plan or plans it will present to the court. The court establishing a formal court hearing which will have to be probably the third or fourth week in August. Probably the week of the 22nd and probably then the Board after that would have its official public hearing on the local law, which I think should be during the last week in August, the first week in September - before, that is Labor Day. We are supposed to have our proposal to the Judge not later than July 29th, so the clerk talked with Judge Kasler and he said he would prefer to have you do it in August, so that you have proper input and everything else. I do have to prepare papers to submit to the court to revise the order. The petitioner has to be heard on this and undoubtedly the petitioner may object to that additional time. I want to call your attention to the fact that this is based upon the Judge's request and I think, a right one that we have the experts available so that we come with definite facts.

Mr. Papayanopoulos has presented his suggestions and I believe all of you have copies of it. It is complicated, but on the other hand it is readable. It is to be submitted to the court along with the other papers and with the petition. Mr. Papayanopoulos comes down to three types of plans, analysing all problems that exist in Orleans County. First proposal is a computerized plan for a 10-member Board of Supervisors and in there he gives the schedules to show the variance which he feels that under the existing law meets the criteria for constitutionality. The second proposal is for the addition of one member and the computerization after that which reduces the spread down to 3 per cent. The proposal which is only by way of suggestion, would be to divide the Town of Ridgeway so that there were two representatives from the Town of Ridgeway, and then for the computerization. The third proposal he recommends is in the form of multi-district type similar to the 1970 proposal. He does not really suggest a re-districting. He brings it out, but indicates there are problems there and he refers to a salamander of districts. Plus the expense of every 10 years having to go through such a situation. Whereas, the weighted voting matter would have to be changed every 10 years but would be done at a lower cost. You will note there are pros and cons with each plan and there will be pros and cons presented by the petitioners."

Discussion of various times and locations for the input meetings took place. It was a consensus of opinion that Mr. Papayanopoulos should be asked to come to Orleans County for two consecutive days during which meetings might be held in various parts of the county.

Mr. Miles pointed out that Judge Kasler asked the petitioners what their plan was, if they had an expert on their plan, if so where was he and would they please have him available. Judge Kasler wants the very best form of government possible but he is not going to place an undue burden dollarwise on the citizens.

At the request of Supervisor Nayman, the County Attorney outlined Mr. Papayanopoulos's credentials.

Mr. Papayanopoulos is a member of the graduate school of business administration at Rutgers University. He has a number of years participation in the plans for one-man, one-vote, for a number of counties in New York State. He has participated in almost all of the reapportionment of counties other than districting. Through his experience he has written a number of treatise on the concept of the voting power and one-man, one-vote, what is required. So he has the educational ability and the experience. The County Attorney told the Board that he had contacted the NYS Dept. of State to see if they could give us the name of someone in the Western New York area who would be more capable than Mr. Papayanopoulos and they checked in their Albany office and came back and said that he had excellent credentials and, in fact, they couldn't suggest anybody in this area.

#### RESOLUTION ADOPTING LOCAL LAW NO. 2 OF THE YEAR 1977

WHEREAS, the following proposed Local Law No. 2 for the year 1977, was duly introduced at the meeting of the Orleans County Board of Supervisors on May 19, 1977, and a public hearing was held at 9:30 a.m., June 2, 1977, at which time no persons appeared at the public hearing in opposition, and Section 10 was amended and having been on the Supervisors' desks for more than seven days, be it enacted as follows:

#### LOCAL LAW NO. 2 OF 1977

A LOCAL LAW RELATING TO THE REGULATION AND LICENSING OF MASS GATHERINGS INVOLVING GATHERINGS OR ASSEMBLY OF PERSONS CALCULATED TO OR LIKELY TO ATTRACT 2,500 OR MORE PERSONS: ESTABLISHING LICENSING PROCEDURES AND FEES THEREFOR: AND PRESCRIBING OFFENSES AND PENALTIES.

BE IT ENACTED BY THE Board of Supervisors of the County of Orleans, New York, as follows:

Section 1: PURPOSE

Mass gatherings or assembly of persons in excess of 2,500 persons have occurred in the State of New York and elsewhere upon both developed and undeveloped sites. As a direct result thereof, municipal services in said areas were disrupted and halted both on and off the site of the gathering. The disruptions and haltings of municipal services included, but were not limited to, sanitation, garbage and refuse collection and disposal, health services, fire and ambulance protection, police and traffic control, as well as food and other services involving life sustenance. Personal safety and well-being of both the citizens of the areas and the participants in the gathering were threatened and endangered. Public and private property was endangered and damaged. Following the gathering additional and extraordinary municipal services were required and money and equipment expended and used to remove trash, refuse and debris of every nature and kind to restore highways and to restore and preserve health and well-being of the community in which the gathering took place.

Therefore, municipal regulation and licensing of such mass gatherings, both on and off the utilized site, is clearly required for the protection of the public and the community. The Board of Supervisors of the County of Orleans deems it necessary and proper for the protection and preservation of persons and property, health, safety, morals and well-being of the residents of the County of Orleans and others to adopt a local law regulating and licensing mass gatherings or assembly of persons within the County of Orleans calculated to or likely to attract 2,500 persons or more.

Section 2: BASIC CLAUSE

It shall be unlawful for anyone, including by illustration but not limitation, any person, persons, corporation, organization, land owner or lessee to organize, promote, conduct or cause to be conducted a mass gathering or assembly of persons within the County of Orleans calculated to or likely to attract 2,500 persons or more unless and until a permit has first been obtained pursuant to this Local Law for the operation of said mass gathering or assembly as provided by this Local Law. Such permit shall be required for each separate mass gathering or assembly. The fee for such permit, to meet the cost of administering the same, shall be Two Hundred and Fifty and no/100 (\$250.00) Dollars which shall be submitted with the application in cash or by certified check.

Section 3: FILING OF APPLICATION

A written application for a permit for such mass gathering or assembly shall be made to the Board of Supervisors of the County of Orleans and said application must be submitted in ten (10) copies to the Clerk of the Board of Supervisors at Albion, New York, not less than ninety (90) days prior to the date of said mass gathering or assembly. In the event said mass gathering or assembly is stated to be for more than one (1) day, the period of ninety (90) days shall be computed prior to the first day of such gathering or assembly. Determination granting or denying the permit, as herein provided for, shall be made within sixty (60) days after the filing of said application. No permit shall be granted unless the applicant complies with all of the requirements of this Local Law. The denial of the permit by the Board of Supervisors shall be in writing.

Section 4: CONTENTS OF APPLICATION

Application for such permit shall be by duly verified petition addressed to the Board of Supervisors of the County of Orleans and shall be filed in compliance with the provisions of Section 3 of this Local Law. Such application shall include the following material:

(a) A statement of the name, age, residence address and telephone number of the applicant; if the applicant is a corporation, the name of the corporation, its state of incorporation, the names and addresses and telephone numbers of its directors, officers and stockholders owning 5% or more of the number of shares of capital stock of each class of stock issued and outstanding; if the applicant is a partnership or other organized group of individuals, the names, addresses, ages and telephone numbers of each and every individual associated with the partnership or other entity.

(b) A statement containing the names and addresses of the record owners of the property upon which the event is to occur and the nature and interest of the applicant therein; the names, addresses and telephone numbers of all adjoining property owners; the proposed dates and hours of such mass gathering or assembly; the expected maximum number of persons intended to use the property at one time and collectively; the expected number of automobiles and other vehicles intended to use the property at one time and collectively; the purpose of the function, including the nature of the activities to be carried on and the admission fees to be charged, if any; the names, addresses and telephone numbers of all concessionaires and other persons providing any service or facility under contract, lease or other arrangement for the mass gathering or assembly.

(c) An occupational survey map prepared by a professional engineer licensed by the State of New York showing the size of the property, the names, addresses and telephone numbers of the record owners of adjoining properties; the streets or highways abutting and/or traversing the said property; the size and location of any existing building or buildings or structures or other facilities erected or to be erected thereon for the purpose of the mass gathering or assembly; the placement of proposed distribution systems for water; the location of any and all parking areas for automobiles and other vehicles; the means of ingress and egress to and from such parking area; all service and other roads serving the proposed site; all location of food services, toilet facilities, garbage and refuse collection facilities as well as the location and extent of all entertainment and performance areas.

(d) A detailed plan and statement with drawings showing the method to be used for the gathering, collecting and disposing of sanitary sewage.

(e) A detailed plan and statement with drawings showing the distribution and supply system for the supply, storage, treatment and distribution of drinking water.

(f) A detailed plan and statement with drawings showing the layout of all parking areas for automobiles and other vehicles and the method of traffic control to be used thereon. Such parking areas shall provide parking space of acceptable size for one (1) motor vehicle for every four (4) persons in attendance at the mass gathering or assembly.

(g) A detailed plan and statement with drawings showing the facilities for preparation, storage, sale and distribution of food and the means of servicing such area. Such plan shall also detail the method and means of disposing of any garbage, trash, rubbish or other refuse resulting from the mass gathering or assembly, both on the site upon which the event is to occur and off the site and in the various municipalities within the County of Orleans.

(h) A detailed plan and statement fully describing any private security personnel who will be engaged by the applicant to serve on or about the site during the event giving the name or names of the agency or agencies furnishing the same with their addresses and telephone numbers and stating the qualifications and the source of the personnel to be so employed.

(i) A detailed plan and statement providing for fire protection, specifying the location of fire lanes, adequate water supply for fire fighting and the types and disposition of equipment and apparatus to be available for such purposes.

(j) A detailed plan and statement specifying the facilities to be available for medical, surgical, nursing and ambulance services. The applicant shall furnish as part of the application the names, addresses and telephone numbers of all doctors, nurses, pharmacists, ambulances and paramedical persons and services which the applicant will provide or cause to be provided for the mass gathering or assembly.

(k) A detailed description of all insurance policies and surety bonds to be provided by the applicant for the protection of the general public, the County of Orleans and its various public bodies, and the Towns and Villages within which such mass gathering or assembly is to be held. Certificates of such insurance and bonds shall be submitted to the Board of Supervisors not less than forty (40) days prior to the commencement of the mass gathering or assembly.

(l) A written and acknowledged authorization from the land owner and the applicant to the municipality within which the mass gathering or assembly is to be held and to the County of Orleans to permit the Town, Village and the County and their lawful agents to go upon the property at any and all times for the purpose of inspecting the same and to determine if there is compliance with the requirements of this Local Law and permit, if granted.

(m) A statement subscribed by the applicant that the applicant will specify in all advertising and promotional endeavors the limitations on the number of tickets to be sold or otherwise issued as specified in the permit, and that the applicant will neither sell or otherwise issue tickets at the site or otherwise while the event is in progress.

#### Section 5: INSURANCE AND BONDS

No permit shall be issued unless the applicant shall furnish the municipality in which the mass gathering or assembly is to occur and to the County of Orleans a comprehensive liability insurance policy insuring the municipality and the County against liability for damage to persons or property with a limit of not less than \$500,000 - One Million Dollars for bodily injury or death and a limit of not less than \$500,000 property damage, sufficient in form to save the municipality and the County harmless from any liability or cause of action which might arise by reason of granting of the permit and the conduct of the mass gathering or assembly, the participants or spectators and which policies shall be non-cancellable without twenty (20) days prior written notice to the County of Orleans.

No permit shall be issued unless the applicant shall deposit with the Orleans County Treasurer cash or a good surety company bond, approved by the Board of Supervisors of the County of Orleans, in such sum not less than \$300,000 as the Board of Supervisors may reasonably require and condition that all of the requirements of the permit will be fully performed by the applicant; that no damage will be done to any private or public property; that the applicant will not permit any litter, debris, or other refuse to remain upon any public or private property by reason of the granting of the permit; which cash shall be refunded or surety bond cancelled upon certification by the Board of Supervisors of the County of Orleans that all of the conditions of this Local Law have been complied with. Such surety bond or cash will serve as an indemnity to save and protect the streets, pavements, bridges, road signs and other properties of the County of Orleans and the municipalities within which the event is to be held, and any other municipality within the County of Orleans from any and all damage that may be caused by vehicles, employees, spectators or participants in such event and shall be used, if necessary, to restore the ground where the event is held to a sanitary condition and pay all charges, costs and losses to the County and to the respective municipalities therein for the damages to streets, pavements, bridges and other public and private property.

Provided further that should the licensed mass gathering or assembly necessitate the employment of additional County or municipal personnel and/or equipment, such additional expense shall be recoverable from the principal and/or its surety.

The deposit or its balance is to be returned when the Orleans County Board of Supervisors has determined that no such damage has been done and that the County and the municipality therein did not incur any such additional expenses due to the mass gathering or assembly or that the cost of the above have been fully paid and discharged by the applicant.

If the applicant has provided in his application that any services or facilities are to be supplied by contract, lease or other arrangement with a third party or parties, then no permit shall be issued until the applicant shall obtain and submit to the County of Orleans cash or good surety bond approved by the Board of Supervisors at least equal in amount to the consideration to be paid to or by such third parties for the services and/or facilities to be furnished and conditioned that each such third party will fully perform its contract, lease or other arrangement with the applicant for the provision of such services and/or facilities as set forth in the application.

#### Section 6: LIMITATION ON ATTENDANCE

If a permit is granted by the Board of Supervisors, such permit shall set forth the maximum number of persons to be permitted to attend the mass gathering or assembly. The Board of Supervisors, in determining such maximum limit, shall take into consideration the capacity of the site and the availability of public highways and other means of transportation to and from the site as well as the availability and/or practical useability of all facilities for public health, safety and welfare set forth in the application. The applicant shall limit all ticket sales to such maximum number and shall include such limitation in all advertising or other promotional activities. No tickets shall be sold or otherwise issued or disposed of at the site of the event or otherwise during the term of the event. The applicant shall specify, in all advertising and promotional endeavors, the limitation on numbers of tickets to be sold or otherwise issued and that tickets will not be available at the site or elsewhere while the event is in progress.

#### Section 7: DENIAL OF PERMIT

The permit shall not be granted if any of the items set forth in said application are determined by the Board of Supervisors to be insufficient to properly safeguard the safety, health, welfare and well-being of persons or property or do not comply with any of the requirements of this Local Law.

#### Section 8: NON-COMPLIANCE WITH PERMIT

If after a permit is issued, the Board of Supervisors, through its lawful agents, determines that any of the items required as a condition of the permit is not adhered to or accomplished within the required time limit or if any of the contracts, leases or other arrangements for the provisions of services and facilities or any insurance or surety bonds have become terminated prior to the completion of the mass gathering or assembly, then, and in that event, this permit may immediately thereupon be terminated by action of the Board of Supervisors, unless such breach or failure is properly and promptly remedied within such time limit as may be reasonably imposed by the Board of Supervisors of the County of Orleans. Notice of Termination of the permit shall be in writing addressed to the applicant at the address set forth in the application.

#### Section 9: ENFORCEMENT AND PENALTY

Any person, persons, corporation, organization, land owner or lessee who shall organize, promote or conduct or caused to be conducted a mass gathering or assembly of persons within the County of Orleans calculated or likely to attract 2,500 persons or more without having a written permit in accordance with the provisions of this Local Law shall be deemed to have violated this Local Law. Any person who commits or permits any act in violation of any of the provisions of this

Local Law shall be deemed to have committed a violation and shall be liable for the penalties provided. A separate offense against this Local Law shall be deemed committed on each day during or which the violation occurs or continues. A separate penalty may be imposed for each separate offense.

Each violation of a provision of this Local Law shall be a violation and the person violating the same shall be subject to a fine of not more than \$250.00 or imprisonment for a term not to exceed thirty (30) days or both such fine and imprisonment.

Any person violating this Local Law shall be subject to a Civil Penalty enforceable and collectible by the County of Orleans in the amount of \$500.00 for each offense.

In addition to the above provided penalties, the Board of Supervisors of the County of Orleans may also maintain an action or proceeding in the name of the County, in any Court of competent jurisdiction, to compel compliance with or to restrain by injunction the violation of such Local Law.

#### Section 10: EXCEPTIONS

This Local Law shall not apply as follows:

(a) To a gathering or assembly of persons sponsored by or as a part of activities of a central school district or Board of Cooperative Educational Services.

(b) To a gathering or assembly of persons in the jurisdiction of any village or town within the County of Orleans during the time such village or town is regulating or licensing the conduct of such mass gatherings or assembly.

(c) To a gathering or assembly of persons under the direction and auspices of a volunteer fire company, or an established fair association, or an established agricultural association or grange, or an established church and conducted or to be conducted upon a premises or in a facility within the County of Orleans which has, prior to the enactment of this Local Law, been used by such organization for the same or comparable purposes therefor and no complaints or actual violations of any laws, rules, regulations or codes involving public health, safety and welfare are existing concerning the same.

#### Section 11: SEPARABILITY

If any clause, sentence, paragraph, section or part of this Local Law shall be adjudged by any Court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.

#### Section 12: EFFECTIVE DATE

This Local Law shall become effective immediately after filing thereof in the Office of the Secretary of State and the Comptroller of the State of New York.

Adjourned at 12:00 noon.

RESOLUTION AUTHORIZING COMMUNITY PARTICIPATION IN COMPREHENSIVE PLANNING AND MANAGEMENT ASSISTANCE PROGRAM

WHEREAS, the County of Orleans, in order to provide for a planning study contributing to an overall program for its future community development, desires to participate in the Federal-State Comprehensive Planning and Management Assistance Program as authorized by Section 701 of the Housing Act of 1954, as amended, and Article 26 of the New York State Executive Law, and

WHEREAS, the New York State Division of Community Affairs of the New York State Department of State, is the official State planning agency designated to administer the Housing Act of 1954, as amended, now therefore be it

RESOLVED, that the Board of Supervisors of the County of Orleans hereby requests the New York Division of Community Affairs to provide planning assistance with such financial assistance as may be provided by the United States Department of Housing and Urban Development, under authority of Section 701 of the Housing Act of 1954, as amended. Such planning assistance is more particularly described in the project application.

RESOLVED, that if the aforesaid application is approved and accepted by both the Director of the New York State Division of Community Affairs and the Department of Housing and Urban Development, the County of Orleans shall enter into a formal agreement with the New York State Division of Community Affairs to undertake the project described in the approved application and to pay to the State of New York its share of the estimated total cost of the said project, together with such other terms and conditions as may be deemed necessary and appropriate to carry out the said project.

RESOLVED, that the County of Orleans hereby agrees to have available, in the year the project is to be completed, the sum of Two Thousand and Five Hundred dollars (\$2,500.00) or so much thereof as may be necessary to contribute a sum not to exceed 16.67 per centum (16.67%) of the total cost of said project, to be paid to the State of New York, on condition that the above-mentioned application is approved by both the Department of Housing and Urban Development and the Director of the New York State Division of Community Affairs of the New York State Department of State.

RESOLVED, that the County of Orleans shall assume the costs of operating and maintaining its own planning board or commission including such services as clerical personnel, office space, equipment, materials, communication and travel, as such costs cannot be charged to the Comprehensive Planning and Management Assistance Program.

RESOLVED, that the Chairman of the Board of Supervisors of the County of Orleans be and hereby is authorized and empowered to execute in the name of the County of Orleans all necessary applications, contracts and agreements to implement and carry out the purposes specified in this resolution.

Privilege of the floor was granted to Mr. Thomas Breslin, Genesee State Parks & Recreation Commission. Mr. Breslin works with the commission as Assistant Plan Claims Adjuster and also in the Grant-In-Aid Program.

Mr. Breslin told the Board that at the present time the State does not have any land acquisition activities that are active in Orleans County. In the past Lakeside Beach State Park, Oak Orchard Marine Park and the Parkway, were active projects. At present the Commission is attempting to get Federal EDA monies for developments at Oak Orchard and continuation of westward development of Lakeside Park.

Mr. Breslin explained the Grant-in-Aid Program. Towns, villages, and the County can get 50% grants of federal monies through the Bureau of Outdoor Recreation for building parks. The other 50% is appropriated as the local share through local budgets. Access roads to parks, parking areas, water lines, wading pools, picnic shelters, etc., are eligible.

Supervisor Dudek asked Mr. Breslin what kind of a timetable there is between the application and receiving the grant. Mr. Breslin explained that it would take about one year. This would be for any application whether for an item such as one swing or building a complete park.

Mr. Breslin was asked if applications would carry more weight if there was one application on behalf of three or four towns as opposed to doing three or four separate applications for each one. Mr. Breslin replied that it would only confuse the issue. It would be better with one municipality being responsible for one given project.

REGULAR MEETING  
Thursday, July 21, 1977

The meeting was called to order at 8:00 p.m. by the Chairman. The Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to John Staebble, Administrator of the Orleans County Health Department. Mr. Staebble discussed the proposal for T.B. care which has been submitted to the State for their approval. Dr. Learn will be the consultant for the T.B. Program. Clinics will be scheduled by the Health Department as have been scheduled in the past. The total proposed budget for the program is \$8,500.00, 50% of that amount is reimburseable from the State.

Mr. Staebble also discussed the reclamation of silver from obsolete X-rays. Livingston County will dispose of the old records and any funds received from the reclamation of silver will be divided with the other counties.

The following letter was read by the Clerk:

**OFFICE OF COMMUNICATIONS**

**DIOCESE OF BUFFALO**

531 VIRGINIA STREET  
BUFFALO, NEW YORK 14202

*Director:*

REV. ROBERT E. NESSLIN

*Associate Director:*

THOMAS G. BENNETT

July 15, 1977

Board of Supervisors  
Albion Court House  
Albion, New York 14411

Dear Sirs:

In response to my conversation with Mrs. Jurhs, I am writing to you in hopes that you might grant our request to film within your courthouse. The Catholic Diocese of Buffalo, Office of Communications, is in its fourth year producing the television series "I and Thou," the only locally produced dramatic program in Western New York. We are quite proud of our work and the many hours spent have been repaid in our being chosen as a winner of the national Gabriel Award, as well as being chosen to represent the United States at the Montreux Film Festival in Switzerland.

Our series deals with modern day, moral dilemmas. Past shows have dealt with child abuse, the problem of excessive violence in society, and the lack of an ethical code within an individual. The program we are working on at present, and would like to use your building for, is entitled "Skeleton Key." The story deals with a modern day land schemer whose activities are brought to the public's attention through a newspaper. A parallel story which would be used in the program by means of "flashbacks," would show a Victorian ancestor of this modern day swindler at work in the same unscrupulous manner. The court would be used to help convey this story, while at the same time putting it in the proper time perspective.

Our crew has filmed in numerous locations throughout Western New York, including City Hall and a number of other public buildings, as well as churches and twenty floors up on the roof of the Federal Building. Never have we damaged any property we've worked on. Although no one on our crew has ever been injured while filming the series, we are insured by the Diocese of Buffalo, Office of Communications, and we also waive any liability claims against our hosts.

We are a non-profit organization, but not only would your building grace our film, your organization's name would be included on our televised list of credits. I hope you will allow us to film within your beautiful court. In terms of time required, we would be able to film everything necessary in one day. Of course, we could film on any day that is convenient for you. Tentatively, we were considering shooting sometime in middle to late August.

I think that covers just about everything. I look forward to hearing from you.

Cordially,

David L. Diner  
Associate Producer

The following communications were presented:

Letter from U.S. Dept. of Commerce - EDA - acknowledging receipt of the County's application under the Public Works Act and assigning Project Number L-NY-5002-0 to the project.

Letter and Summary of Analysis of and Recommendations Concerning High Water Levels received from the St. Lawrence-Eastern Ontario Commission, dated July 14, 1977.

It was moved by Supervisor Paduchak and seconded by Supervisor Kubatek that this Board of Supervisors go on record as endorsing completion of the survey of shoreline damage of the Ontario basin and the New York portion of Lake Erie if undertaken by the St. Lawrence-Eastern Ontario Commission.

Carried.

A letter was received from David R. Conlon, Albion, N. Y., re: "Orleans Insight". Mr. Conlon suggested the formation of a County band, on a volunteer basis, similar to Monroe County Parks Band. Referred to the Planning Committee.

Presented the Plan of Reorganization of the Lehigh Valley Railroad Co. Ordered filed.

Letter from Cleveland Public Schools, Cleveland, Ohio, dated July 12, 1977, re: Claims against Penn Central Railroad. The letter requested that municipalities not accept the compromise payment of taxes. Orleans County has already voted to accept the compromise.

County received a bill from Sidari Glass Shop for \$406.60, for replacing the glass at the office at 57 North Main Street, Albion, formerly occupied by the "Storefront". Referred to Building Committee.

It was moved by Supervisor Dudek, seconded by Supervisor Kubatek, and carried, that the following bills for serving dog summons', as read by the Clerk, be approved for payment:

Name	----	Town	Amount Claimed and Allowed
Richard D. Clack-Shelby			\$164.80
Donald Draper----		Shelby	172.60

The Board was advised of the Office for the Aging's request for appointments and reappointments to the Office for the Aging Advisory Council. These appointments will be made at the next meeting of the Board.

The Board received a request from Commissioner Klapper for establishment of a Revolving Fund in the amount of \$2,000.00. Tabled at the request of Supervisor Bane, Chairman of the Social Services Committee.

It was moved by Supervisor Swiercznski and seconded by Supervisor Nayman that John D. Strickland, Sealer of Weights and Measures, be authorized to attend the annual training school sponsored by the State Bureau of Weights and Measures at Morrisville, N. Y., the week of August 8, 1977, at county expense.

#### RESOLUTION AUTHORIZING ATTENDANCE AT NASAC MEETING

RESOLVED, that all County Officers be authorized to attend the fall meeting of the New York State Association of Counties to be held at Hotel Concord, September 18-21, 1977, said meeting to be at county expense.

A letter was received from the County Attorney, dated July 7, 1977, re: requesting the Insurance Committee to ascertain the availability and cost of insurance coverage for certain elected and appointed public officials for protection against lawsuits. Referred to Insurance Committee.

The Board was informed that a burglary occurred the weekend of 7/15/77 in the Orleans County Probation Department at 151 Platt Street, Albion, N. Y. Items listed missing were: \$287.00 cash in Support Bureau payments; \$20.00 stamp money; \$104.00 worth of stamps; 1 blank check; 3 keys for checkwriter and 1 fire file cabinet key. The matter has been turned over to the insurance company.

Supervisor Nayman reported that the Planning Committee had on the 14th met with Mr. Daryl VanAlstyne of Kendall, who is affiliated with BOCES in the computer field. Supervisor Nayman said, "He is impartial, he does not sell any equipment for any company. We discussed with him what the County had in mind for a computer for the County. The different processes and departments that are interested and the time table we have setup.

This morning, the Committee and several Board members met with him at Brockport College. We looked into a type of system that he recommended over the types we had been previously looking at. The computer we looked at is a time-sharing device, it had approximately 18 terminals connected to it at the time. We witnessed something like 8 or 10 students using the same computer working different programs at the same time, which seems to be a much more effective piece of equipment. This type of computer would be very close costwise to those we have had quoted on.

Mr. VanAlstyne has volunteered to take some of the forms of paper work from the various departments and see what capacity of computer we would need in the future."

Supervisor Nayman noted that the Board of Elections have been worried about their machine breaking down and not being able to find parts to repair it. The committee recommended that the information from the Board of Elections be put on the computer at Brockport College, leasing time on the computer from the U. of R. who owns the computer, and either hiring students to put the information on the computer or using the Clerks in the Election Office to do it. The cost would be approximately \$2.00 per hour of computer time. The information could then be transferred in any form the County wishes to another computer at a later time if so desired.

Supervisor Dudek mentioned that a person in Cooperstown is setting up a computer library of programs which will be available to all municipalities. Basically IBM and Burrough's computers are mostly the ones being used throughout New York State.

If the Board of Election functions are put on the computer at Brockport this will allow the Board sufficient time to prepare specifications for bidding for a computer and allow the study at Social Services to be completed before any action is taken to lease or purchase a computer.

RESOLUTION APPROVING AGREEMENT BETWEEN THE COUNTY OF ORLEANS AND THE  
MONROE COUNTY REGIONAL CRIME LABORATORY

RESOLVED, that the agreement herewith presented between the County of Orleans and the Monroe County Regional Crime Laboratory for the period of January 1, 1978 through December 31, 1978, be, and the same hereby is, approved by this Board of Supervisors and the Chairman of this Board is hereby authorized to execute the same in the name of the County.

Adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Dudek reported that the Sheriff is reviewing fire safety at the County jail in light of the many fires in jails throughout the country. Some new equipment may be necessary.

Supervisor Piedimonte reported that Mrs. Bower had been informed by NYS Civil Service that her office must keep the records and offer the examinations for the BOCES school at Medina. There are only three schools in Orleans County involved in the Medina BOCES school and at least six in Niagara County. The Niagara County Civil Service office has 3 part-time Commissioners; 8 clerical help and one full time CETA worker. Mrs. Bower is part time and has only one clerical worker. If her office is required to do this extra work it will cost Orleans County money for extra files plus overburdening the Civil Service Office. Supervisor Piedimonte requested that the County Attorney notify the New York State Civil Service office of the situation.

#### RESOLUTION SETTING TERMS OF AUCTION OF COUNTY PROPERTY

RESOLVED, that the following "Terms of Auction" for county owned tax property for the auction to be held August 13, 1977, be approved by this Board as follows:

##### TERMS OF AUCTION

##### ORLEANS COUNTY TAX PROPERTY AUCTION AUGUST 13, 1977

This is the sale at public auction of various parcels of real property which have been conveyed to the County of Orleans by final judgment under so-called In Rem Tax Foreclosure Proceedings. This sale is ordered by various resolutions of the Orleans County Board of Supervisors and is in accordance with the appropriate provisions of the Real Property Tax Law.

This sale and the sale of each and every parcel herein is upon the following terms:

1. All sales are made subject to confirmation and approval thereof by the Orleans County Board of Supervisors, which confirmation and approval will be requested at a special meeting of the said Board to be held this day at 1:30 P.M. The resolution of confirmation will be immediately available at the close of said special meeting.

2. At least twenty-five (25%) percent of the final bid for each parcel shall be paid to the Clerk of these proceedings prior to the start of the special Board meeting above stated. Payment shall be in cash or by a good check upon a New York State financial institution.

3. The balance of the successful and accepted bid for each parcel shall be paid in cash or by certified check to the Orleans County Treasurer, Court House, Albion, New York, no later than Friday, August 26, 1977, between 9:00 A.M. and 5:00 P.M.

4. The County of Orleans is not required to send any notice to the purchaser or purchasers, and if the purchaser or purchasers neglect to pay the balance due and call at the Orleans County Treasurer's Office at the above stated time the successful bid shall at 5:00 P.M. on Friday, August 26, 1977 be deemed conclusively to be abandoned, the deposit retained by the County as liquidated damages and the parcel in question disposed of in such manner as the County determines without notice to or benefit to the defaulting purchaser.

5. Upon payment of the balance, as above provided, the County of Orleans will deliver a standard form quit claim tax deed which shall describe the parcel in the same manner as in the In Rem Foreclosure deed to the County and which shall quit claim all of the right, title and interest of the County of Orleans in and to the said parcel. The said deed shall name as grantee the successful confirmed bidder and shall state the amount of the successful confirmed bid. The County of Orleans will execute no warranties concerning the parcel or the title thereto and will not deliver or be responsible for abstracts, title searches, surveys, maps or other documents concerning the parcel whatsoever.

6. The successful and confirmed purchaser shall take the parcel, upon delivery of the above stated deed, in such condition as the same exists at that date and subject to all alleged possessory or other claims and all covenants, easements and restrictions of record.

7. The various parcels have been available for view by any and all interested parties prior to this sale date. No adjournment in bidding shall be allowed for further viewing of any parcel.

8. The various parcels shall be offered from the list of parcels, previously available, in such order and manner as the auctioneer shall deem proper.

Supervisor Paduchak requested the County Attorney to explain briefly the reapportionment plans presented by Mr. Papayanopoulos.

The County Attorney briefly described the various options available to the County:

- 1) Redistricting - which is the same method by which the Senate and Assembly and Congress are setup.
- 2) Weighted Voting - which is the type of situation under the present interim plan - 1 vote for every 100 in a particular town. Those types of plans must be computerized - each individual has got to be able to influence the vote.
- 3) District and Weighted Voting Combination - where you divide districts and may put more than two people in one district.
- 4) Multi-member Districts - you may have multi legislators in one district and only one in another district. That was the plan submitted in 1972.

- 5) Multi-member Districts - extra one or two in a district with weighted or computerized vote.

Mr. Papayanopoulos suggests for this County a possibility of three. The first is the 10 member weighted voting plan. Taking the Board as it is constituted and computerizing it for simple majority, 2/3 majority and 3/5 majority. He feels that the percentage of deviation from an absolute equal situation is acceptable under the constitutional requirements.

The 2nd plan increases the Board by one member making it an eleven member Board, which just has the single advantage of reducing the discrepancy to a minimum. You would pick a town and add a member from that town. An offshoot would be to divide a town and that could only be done by the town itself.

The 3rd plan would be Multi-member which was offered in 1972, which had the supernumerary supervisors from the three village areas. That was not rejected on constitutional grounds but due to the fact that it had never been tried before.

Mr. Miles, "There are a number of complications, there are pros and cons on them, he does note in the first part of his report that there is also the redistricting, which is pure, it is a pure one-man one-vote. You divide the County up into districts with equal populations and have one representative from each district. The plaintiffs in this lawsuit have proposed a type of multi-member district, which may not necessarily be computerized. But it does create some problems in how the matter can be handled in the primary and general election so that you do not have to many people from one town."

Supervisor Paduchak, Chairman of the Reapportionment Committee, informed the Board that public input meetings will be held at 7:30 p.m., August 10th in Medina at a site to be determined; on August 11th in Holley at the Jr.-Sr. High School on Lynch Road at 3:00 p.m.; at the Court House in Albion on August 11th at 7:30 p.m.

REGULAR MEETING  
Thursday, August 4, 1977

The meeting was called to order at 10:15 a.m., by the Chairman. After Pledge to the Flag, the roll was called and all Supervisors were present except Supervisor Batchellor who was excused because of illness.

It was moved by Supervisor Piedimonte and seconded by Supervisor Kubatek that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to James Hancock, Manpower Coordinator. Mr. Hancock informed the Board that the County had received approval for 17 projects under Title VI, 9 of the projects are under way at present. Several will be started within the next few months. The County will receive approximately 2.2 million under Title VI, 1.1 million will be used to sustain all the Title VI jobs, approximately 101 throughout the County, until September 30, 1978.

There is approximately \$600,000 to be used for additional projects under the Projects and Activities Program. 10% of the total funding must go to State agencies within the County; 1/3 to private non-profit agencies and the remainder to the public sector. Mr. Hancock's office will begin processing additional applications for projects.

Mr. Hancock requested the following resolution:

RESOLUTION NO. 234

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Kemp.

RESOLUTION AUTHORIZING CHAIRMAN TO EXECUTE AGREEMENTS ON BEHALF OF THE COUNTY

RESOLVED, that the Chairman of this Board be, and hereby is, authorized to sign all contracts on behalf of the County of Orleans for those departments that have submitted and received approval for projects under the CETA Title VI Projects and Activities Program.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Privilege of the floor was granted to Mr. William Lyman who read the following statement and presented a plan for reapportionment as prepared by the County Government Committee of the County Planning Board.

One of the most important characteristics of local governments, throughout the history of New York State, has been their ability to change periodically to meet the challenge of the times. However, with all of the changes that have taken place over the last three hundred years, the central goal of local governments to serve the needs of all area residents as equally as possible has remained the same.

As time has moved on and conditions have changed, the functions of local governments have become more and more complex as representative bodies have tried to achieve this central goal.

In less complicated times past, town functions could be carried on by a single person using a sort of town meeting form of government. The "town supervisor" knew "everyone" in his town and could easily anticipate their needs and meet them. Once or twice a year, the supervisors of towns would meet together to conduct "county business". Usually, this county business was simple because the needs of the different town populations were similar. Few conflicts arose between the town and county needs. What was "good" for the towns reflected the good for the county community.

However, during the past seventy years and, in particular, the last fifteen years, town populations have changed. These changes have not been uniform from town to town. With these changes in town characteristics, there is less and less uniformity across the county community and the needs and functions which serve one town may be in conflict with those of another town. This has forced the county government to change and often act as an "arbitrator" of conflicts. Under government systems which require town supervisors to act as county supervisors, role confusion can be a serious problem.

Persons elected as town supervisors have found more and more of their time must be diverted to the concerns of their local constituency. In some cases, much more time must be spent in "getting to know" the townspeople. In other cases, outside government units, State and Federal, have forced more complex functions on town governments and local supervisors.

If the same town supervisors must carry on the function of county government, which has become increasingly demanding and complex, they are often forced to make choices about the apportioning of their time and energy. This fact alone makes the dual role of chief administrator for a town and a legislative and administrative member of a county board a very difficult task. But this difficult task is further complicated by the possible conflicts which arise in these two roles. No longer are the needs of town populations similar among the several towns of a county. The needs of the county as a whole community may be entirely different from the congregate needs of town populations. It is simply the case, in the mid 1970's that the needs and functions of a County government are different and greater than the sum of the needs and functions of the town populations and town governments.

Orleans County cannot, and indeed, has not escaped from these stated general conditions. As the people of this County, both lifelong residents and newcomers, strive to maintain the essential rural values and characteristics of this County, they have placed an automatically heavy burden on our Town Supervisors. These same men must perform at both Town and County levels with the different needs and functions of these communities with equal dispatch and effectiveness. The complexities of government in the 1970's, at both the Town and County levels make such demands intrinsically even in a small county such as Orleans.

It cannot be denied that the preservation and expansion of the essential rural values and characteristics require both town and county governments. However, to place the burden of high level performance at both levels upon the shoulders of the same individuals courts disaster. There is a very real possibility that either the town populations or the county community will be shortchanged. Such is the dilemma of the legislators and the people of Orleans County must face squarely in 1977.

With the foregoing as background, the following needs become apparent:

1. A form of government for the County which will preserve the essential rural value of the worth of each individual;  
The provision of the "one man - one vote" principle fundamental to our representative form of government whereby all people are assured of equal representation and all representatives are assured of equal vote;
2. A form of government which will preserve the integrity of the town governments to enable them to meet the special needs of each of the ten Towns in the County;
3. A form of government which will remove the unrealistically heavy burden placed on one individual if he or she seeks to perform equally at both the Town and County levels.
4. A form of government which will represent both the similarities and the diversities of the developing community.

We propose to establish a new form of government by re-apportioning the County into seven legislative districts of approximately equal population, made up of election districts which currently exist within the County (see map). This plan guarantees each citizen within the County a vote which is approximately equal in weight to every other citizen within the County, and this same

principle applies to the legislature with each member of the legislative body. This "one man -- one vote" concept redresses that of weighted voting where, variably, an individual's representative strength is determined by his community's size. Each of the ten Towns and their government, including Town Supervisors, remains intact to conduct affairs intrinsic to Town government. The new districts, based upon the 1970 population census, fall within the 11.5% of maximum deviation permitted by the Courts.

The new legislators, acting with broader based constituencies, may hereafter direct themselves to issues related to the total County government, and those within regional and state contexts. Town Supervisors with existing constituencies may, in turn, direct themselves to issues related to Town government, preserving those integral organizations which have historically lent identity to its community.

The new legislative districts are contiguous and compact. Further, the districts within the new plan include a village or a portion thereof to each legislator, and in addition, a representation of all types of communities existing in the County wherever possible (commercial, agricultural . . . .). Moreover, this concept of a County government neither confines nor directs the allegiance of a legislator to a specific Town or aggregate group in the course of his tenure, but rather to the County as a whole.

Mr. Lyman explained that the plan is based on the 36 election districts in the County which gives flexibility in developing districts of equal or closely equal population. Each district is representative of various types of activities within the County such as Villages, agriculture, etc. Mr. Lyman told the Board that the committee hopes that the Board will give consideration to the plan as an alternative for discussion at the public hearings.

Jerim Klapper who was given the privilege of the floor explained to the Board that the plan was adopted by the County Government Committee and presented to the County Planning Board as a concept. Once the concept is conceived and developed then it is hoped to try and work out a plan in concert with those ideas, this plan is one example. The committee would seek the endorsement of the Taxpayers Association and other groups of this concept.

Dick Eddy also given the privilege of the floor discussed the merits of this plan over the plan previously submitted by the Taxpayers Association. This plan calls for single member districts of seven districts and the other plan called for three districts with more than one member.

Supervisor Swiercznski pointed out that with such a plan you lose the continuity of government. That another tier of government is created. With weighted voting you still have the one-man one-vote concept but each small town has a voice in the county government.

Mr. Klapper stated that one of the main purposes of presenting this plan is that the group feels an alternative should be presented to the voters in the fall so that the people can decide on their system of government.

Supervisor Dudek, "When we were before the Judge he directed us to consider all concepts. This is the first concept of totally single member districts. We have villages within our towns as well. The Village of Medina budget is greater than both the Town of Ridgeway and Shelby put together. It has been very difficult for me to establish rapport with the village government. There are problems with a plan like this and there are advantages to it."

Supervisor Kemp, "I think any Town Supervisor is a much better Supervisor where he has a very close relationship with the County and I think this is going to be destroyed. Your Town Supervisor comes up here and takes the information back to his constituents. I am afraid you will lose that relationship very badly."

Supervisor Nayman endorsed the use of election district lines as boundary lines, however, he stated that he felt a communications barrier would develop between town and county government.

Supervisor Swiercznski pointed out that one of the comments about the weighted voting was that three of the big towns could control the voting. With this plan calling for only seven members it would take only four people to control the decisions.

Chairman Plummer stated that the Board will consider the plan as another alternative.

After a short recess the Board reconvened.

Supervisor Paduchak, "We should all realize that under the present system that the towns operate under whereby if a vacancy occurs in the office of Supervisor, this vacancy would be filled by the Town Board and the constituency you represent. If in the event that this County goes to a County Legislature form of government, I think the general public should be informed that that vacancy would be filled by the Governor. They would no longer have that opportunity to have that vacancy filled by their representatives. That possibility always exists."

The County Attorney requested an executive session to discuss potential and existing lawsuits and labor contracts.

It was moved by Supervisor Bane and seconded by Supervisor Piedimonte that the Board go into executive session to discuss the potential and existing lawsuits and labor contracts.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Adjourned at 11:10 a.m. for executive session.

#### AFTERNOON SESSION

Reconvened at 1:30 p.m., all Supervisors present except Supervisor Batchellor.

Privilege of the floor was granted to Mr. Robert Evans of Dietary Consultants, Inc. Mr. Evans presented a plan for management consulting services for the County Home and Infirmary. The plan would be effective September 1, 1977 through December 31, 1977 as a trial plan. By putting such a plan into effect many of the deficiencies cited by the State would be corrected. The only county employee who would become an employee of Dietary Consultants, Inc. would be the Food Services Supervisor and he has indicated a willingness to do this. Savings on the purchase of food items would also be realized by going into this program.

RESOLUTION NO. 235

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Kemp.

RESOLUTION APPROVING AGREEMENT BETWEEN THE COUNTY AND PROGRESSIVE DIETARY CONSULTANTS, INC. OF NEW YORK

RESOLVED, that the agreement herewith presented between the County of Orleans Home and Infirmary and Progressive Dietary Consultants, Inc. of New York, of Hornell, New York, to provide consulting services for the food service at the County Home and Infirmary at Albion, New York, for the period September 1, 1977 through December 31, 1977, at a cost of \$3,033.00 per month, be approved by this Board, and that the Administrator of the Orleans County Home and Infirmary be authorized to sign same in the name of the County.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

RESOLUTION NO. 236

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION APPROVING AGREEMENT BETWEEN COUNTY AND SHERIFF'S DEPT. EMPLOYEES

RESOLVED, that the agreement between the County and the Sheriff's Dept. unit of CSEA for the year 1977, be approved by this Board, and the Sheriff and Chairman of this Board be authorized to execute same in the name of the County.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

The Clerk presented the following communications:

Copy of letter from Off-Track Betting Corporation to the County Treasurer, dated July 29, 1977, stating the Orleans County's share of the 2nd quarter profits is \$13,117.00.

Notice from the Budget Officer dated August 1, 1977, that department budgets must be submitted to her by September 1, 1977.

#### RESOLUTION AUTHORIZING SALE OF COUNTY OWNED PROPERTY LOCATED IN THE VILLAGE OF MEDINA, TOWN OF SHELBY

RESOLVED, that this Board of Supervisors sell and convey unto Dossie Mae Smith and Sam Ingram, Medina, New York, for the sum of \$88.57, Parcel No. 65, Major No. 1227-5 and for the sum of \$80.34, Parcel No. 66, Major No. 1227-55 of the premises contained in the 1976 delinquent tax list in the foreclosure In Rem Proceedings, as contained in the deed to the County of Orleans dated September 27, 1976 and recorded in the Orleans County Clerk's Office in Liber 383 of Deeds at Page 450, being formerly assessed to Carrie Parker, 300 Masten Ave., Buffalo, N. Y. 14209, bounded and described as follows: In the Village of Medina, Town of Shelby, Orleans County, New York, being known as; Major No. 1227-5 - Maple Ridge Road, Medina, 1/4 acre, described as bounded: N-Parker, S-Smith, E-Davison, W-Brown; Major No. 1227-55 - Slaughterhouse Road, Medina, 1/8 acre, described as bounded: N-Lot 2, S-Brown and Parker, E-Davison, W-Road; and that the County Treasurer is hereby authorized to make a deliver a deed therefore to the said purchasers upon payment of the aforementioned purchase price, and be it

FURTHER RESOLVED, that said conveyance shall be made subject to the approval of the Village of Medina.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

The Board received a letter from the Director of Real Property Tax Services dated August 1, 1977, concerning problems regarding property in the Town of Murray which are listed in the auction of county owned property scheduled for August 13th. It appears that the property does not exist. The following resolution was adopted concerning this matter.

#### RESOLUTION NO. 240

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Swiercznski.

#### RESOLUTION AUTHORIZING COUNTY ATTORNEY AND AUCTIONEER TO DECLARE PROPERTY ON AUCTION LIST ERRONEOUS

RESOLVED, that the County Attorney and the Auctioneer be authorized to inform the public at the auction of county property to be held August 13, 1977, that Major No. 412-6 and Major No. 412-8 in the Town of Murray, listed on the list of property to be auctioned have been found to be erroneous and that they do not exist.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Nayman informed the Board that Xerox Corporation has offered to do a study of the copying and printing needs of the County at no cost to the County. The study would consist of who uses the machines the most and how the system could work better. Do we need more machines or less machines; would it be cheaper to do it the way we are now, contracting the offset printing, or could it be done cheaper through a standard machine. This program will run about two weeks in September. They will take a survey of each department and will also have a register or list on each machine and ask each individual making copies to indicate how many copies, etc.

#### RESOLUTION NO. 241

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Kubatek.

#### RESOLUTION AUTHORIZING XEROX CORPORATION TO MAKE STUDY OF PRINTING NEEDS

RESOLVED, that the County of Orleans authorize Xerox Corporation to make a study of the duplicating and printing needs of the County at no cost to the County and that each County department is hereby directed to cooperate in such a study.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Nayman reported that the Solid Waste Committee had met with Alan McKenna. There is a new environmental protection code which will require landfills to come under more rules and regulations. Therefore more money will be required to operate the landfills. Mr. McKenna told the committee he would need at least \$18,000 more in addition to the \$22,000 presently being paid for the landfill use if he is to operate the landfill.

Supervisor Piedimonte, "I believe that more money will be required or McKenna would have to go out of business. The County could not afford to operate a landfill for that kind of money. The Supervisors should go back to their town boards and discuss the problem with them."

Discussion of division of cost between those towns using the landfill and the responsibility of those towns who do not presently use the landfill took place. After much discussion of the landfill problem it was decided to have the Supervisors discuss the matter with their town boards and get their suggestions for the 2nd meeting in September.

#### RESOLUTION NO. 242

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Dudek.

## RESOLUTION AUTHORIZING REVOLVING FUND FOR THE DEPARTMENT OF SOCIAL SERVICES

RESOLVED, pursuant to the provisions of Section 84 of the Social Services Law and at the request of Commissioner Klapper, by letter dated July 14, 1977, that the County Treasurer is hereby authorized to establish a Departmental Cash Account A215 in the amount of \$2,000.00 for the Department of Social Services to be a revolving fund for emergency public assistance and care; and that individual checks be limited to \$250.00 using the signature of the Commissioner of Social Services as the only authorizing agent.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

It was moved by Supervisor Dudek and seconded by Supervisor Swiercznski that one member of the Traffic Safety Board be authorized to attend the meeting of the New York State Association of Traffic Safety Boards in Hempstead, N. WHEREAS, the Auditing Committee has audited and allowed Claims No. 5107-5271, inclusive, aggregating \$25,216.72, FRS Claim No. 1113 aggregating \$2,500.00, Claims No. 2012-2052, inclusive, (Machinery Fund), aggregating \$8,210.68, and Claims No. 1188-1192, inclusive (Road Fund), aggregating \$31,192.09, now therefore be it

RESOLVED, that unanimous consent be granted to pay these claims and the Clerk and Highway Superintendent be directed to draw demand orders on the County Treasurer in payment of said claims.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Adjourned at 3:15 p.m.

REGULAR MEETING  
Thursday, August 11, 1977

The meeting was called to order at 6:50 p.m. by the Chairman. After the Pledge to the Flag the Clerk called the roll and all Supervisors were found present except Supervisor Batchellor who was excused because of illness.

It was moved by Supervisor Piedimonte and seconded by Supervisor Swiercznski that the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

The Clerk presented the following communications:

Letter from the Director of Probation dated August 4, 1977, informing the Board that the legislation which might have made Orleans County Probation state-operated failed to be reported out of committee.

Financial Report of the Genesee Valley Regional Market Authority, Rochester, New York. Ordered filed.

RESOLUTION NO. 249

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Kemp.

RESOLUTION CREATING CETA POSITION OF HEAVY CLEANER IN DEPT. OF SOCIAL SERVICES

RESOLVED, that one position of Heavy Cleaner be created in the Orleans County Department of Social Services under the CETA Title II Program at a salary of \$3.27 per hour.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Letter from Commissioner Klapper - re: Agency Shop Bill. The Board was informed that the Governor had signed this bill and the County Attorney advised that it might be considered an unfair labor practice if any action was taken regarding the matter.

Notice from the Attorney General dated August 3, 1977, regarding Penn. Central Reorganization.

It was moved by Supervisor Kemp and seconded by Supervisor Swiercznski that a one day leave of absence, without pay, for the period August 30, 1977, be granted to Katharine Altaner, Registered Nurse in the Public Health Department.

Carried.

Before adoption of the above motion, the Board discussed the problem of leave of absence without pay. The feeling of the members was that employees should not be granted such leave without very good reasons for such leave. Several members expressed the opinion that if employees could be spared from the work force that perhaps some of the departments are over-staffed.

RESOLUTION NO. 250

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Nayman.

RESOLUTION DESIGNATING DELEGATE TO CAST VOTES FOR COUNTY

RESOLVED, that Supervisor George Bane be designated as the person to cast the eight votes allotted to Orleans County at the annual meeting of the New York State Association of Counties.

Letter from New York Farm Bureau dated August 8, 1977, re: New York Farm Bureau Energy Symposium - August 16, 1977. No action taken.

Supervisor Swiercznski informed the Board that the Town of Gaines has been sued for 100% assessment of property.

RESOLUTION NO. 251

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION CHANGING TITLE OF POSITION IN NARCOTICS GUIDANCE OFFICE

RESOLVED, that at the request of the Director of the Orleans County Narcotics Guidance Office, by letter dated August 11, 1977, and with the approval of the Civil Service Office, the title of the position of Typist in that office be changed to Receptionist at the base salary set for that position.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Kemp reported that the Salary Study Committee had met with Dr. Ganim concerning the policy manual. Supervisor Kemp also stated that since he will not be on the Board after December 31st that he felt someone other than himself should be chairman of the committee. Chairman Plummer appointed Supervisor Bane as chairman of the Salary Study Committee.

Chairman Plummer informed the Board that Dr. Terry has resigned as Director of the Mental Health Dept., effective August 12, 1977.

It was moved by Supervisor Piedimonte, seconded by Supervisor Dudek, and carried, that the following Clerks bills for bringing action against delinquent dog owners, as read by the Clerk, be approved for payment:

Name	----	Town	Amount Claimed and Allowed
Gordon E. Lee	-	Carlton	\$12.50
Marjorie Dowd	-	Clarendon	6.50

RESOLUTION NO. 252

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION SETTING UP BUDGET MONIES FOR HOMEMAKER/HOME HEALTH AIDE PROGRAM

RESOLVED, that the County Treasurer be authorized to set up budget monies for the Homemaker/Home Health Aide Program which will be 100% funded by CETA Title III monies, as follows:

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING PUBLIC HEARING ON LOCAL LAW NO. 5-1977-INTRO. AND LOCAL LAW NO. 6-1977-INTRO.

WHEREAS, there will be duly presented and introduced at a meeting of this Board of Supervisors on August 13, 1977, a proposed local law entitled "Local Law Number 5-1977-Intro., A Local Law Providing for a Permanent Plan of Apportionment for the County of Orleans Board of Supervisors on a Weighted Vote Basis; and a proposed Local Law No. 6-1977-Intro., A Local Law to Establish and Place Instead of the Present Orleans County Board of Supervisors, a New County Legislature Consisting of Seven Legislators, One to Be Elected from Each of Seven Designated County Legislative Districts", and

WHEREAS, no Local Law shall be adopted until a public hearing thereon has been had by the Orleans County Board of Supervisors upon at least five (5) days notice, now therefore be it

RESOLVED, that a public hearing shall be held on the said proposed Local Laws by this County Board of Supervisors on the 8th day of September, 1977, at 9:30 a.m., at the Board of Supervisors room, Orleans County Court House, Albion, New York, and at least five (5) days notice of such hearing shall be given by the Clerk of the Board, by the posting thereof on the bulletin board in the County Court House and by publishing notice thereof at least once in the official newspapers of the County.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Recessed to the Court Room at 7:20 p.m. for reapportionment information and public in-put meeting. Reconvened at 10:00 p.m.

Supervisor Paduchak said, "In view of the fact of the in-put from the three reapportionment meetings the committee has certain points which they would like to discuss with Mr. Papayanopoulos. Therefore we are requesting that the meeting be recessed until after the special meeting on Saturday, August 13, 1977, and that the Board meet in a workshop session following this meeting this evening.

Adjourned at 10:05 p.m., until Saturday, August 13, 1977.

SPECIAL MEETING  
Saturday, August 13, 1977

A special meeting of the Board of Supervisors was held at the Supervisors' Room, Court House, Albion, N. Y., Saturday, August 13, 1977, pursuant to Resolution No. 201 of 1977. The meeting was called to order at 1:40 p.m. by the Chairman. The Clerk called the roll and all Supervisors were present except Supervisor Batchellor who excused because of illness.

Each Supervisor reviewed the list of property sold at the auction of county owned property held at 10:00 a.m. August 13, 1977, and the following resolution was adopted:

RESOLUTION NO. 254

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION APPROVING SALE OF COUNTY OWNED PROPERTY

WHEREAS, a public auction of various parcels of real property owned by the County under In Rem Tax Foreclosure was held August 13, 1977, and

WHEREAS, bids for the various properties were obtained by the auctioneer at such auction in accordance with the stated terms of auction, and

WHEREAS, due deliberation has been had by the Orleans County Board of Supervisors as to the propriety of each of the said bids.

NOW, THEREFORE, after due deliberation,

IT IS RESOLVED that the bids for various parcels set forth on the schedule hereto annexed be, and the same individually are, accepted pursuant to the provisions of the Real Property Tax Law, and

BE IT FURTHER RESOLVED that the standard form quitclaim tax deeds be prepared for the separate parcels and delivered to the County Treasurer for execution and delivery upon receipt of the balance of the purchase price set forth in the said deed.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

It was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that the meeting be adjourned.

Carried.

Adjourned at 1:55 p.m.

ADJOURNED REGULAR MEETING  
Saturday, August 13, 1977

The meeting was called to order at 2:15 p.m. by the chairman. All Supervisors were present except Supervisor Batchellor.

It was moved by Supervisor Kemp and seconded by Supervisor Bane that Russell J. Harding, P.E., Sr. Public Health Engineer, be authorized to attend the conference sponsored by the U.S. Environmental Protection Agency in Syracuse, N.Y., September 7-8, 1977, at county expense.

Carried.

The Clerk presented a notice from the Health Department announcing the schedule for dog and cat anti-rabies clinics.

A request from the Albion Chapter of the American Cancer Society for a CETA position of clerk-typist was referred to Mr. Hancock, Manpower Coordinator.

A letter from Mr. A. B. Eddy, Chairman, County Government Committee, dated August 12, 1977, offering the committee's help in any revisions the Board wishes to make in the plan for reapportionment presented by said committee, was read.

Supervisor Paduchak, "After due deliberation and after having meetings throughout the County, the Reapportionment Committee recommends that two plans be submitted to the general electorate for the continuation of government in Orleans County. Primarily weighted voting system as it is at the present time, under computerization, and the legislative concept of government. I will ask the County Attorney for further clarification."

County Attorney Miles, "This has to be done by local law and the basic rule on local laws is that it can only be presented by a member of the legislative body and the local law in its final form has to be on the desks of the legislators at least seven days before adoption. A public hearing on these local laws is scheduled for the 8th before the regular meeting. These local laws have to be submitted by somebody on the Board and then I can submit them both to the judge." The County Attorney read the two local laws as prepared by him at the request of the Committee.

Local Law No. 5-Intro. was introduced by Supervisor Paduchak and seconded by Supervisor Piedimonte.

LOCAL LAW INTRO. NO. 5 - 1977

A LOCAL LAW PROVIDING FOR A PERMANENT PLAN OF APPORTIONMENT  
FOR THE ORLEANS COUNTY BOARD OF SUPERVISORS ON A WEIGHTED  
VOTE BASIS

BE IT ENACTED by the Board of Supervisors of the County of Orleans, State of New York, as follows:

SECTION 1. LEGISLATIVE INTENT

It is the intention of the Board of Supervisors of Orleans County by this Local Law to comply with the Constitutional requirements established by the Supreme Court of the United States and the Court of Appeals of the State of New York.

## SECTION 2. THE BOARD OF SUPERVISORS

The Supervisors of the several Towns in the County of Orleans, when lawfully convened shall now and after the first day of January, 1978, constitute the Board of Supervisors of the County of Orleans, and shall continue to be known and designated as the Board of Supervisors of the County of Orleans, but their respective votes as such members thereof shall and after the first day of January, 1978 be determined and fixed in accordance with the provisions of this Local Law to accomplish the reapportionment of the Board of Supervisors of the County of Orleans.

## SECTION 3. VOTING STRENGTH

The apportionment of the voting strength of the members of the Board of Supervisors of the County of Orleans shall be determined by the 1970 Federal Census in the County of Orleans, until the next decennial federal census, in which event the voting strength shall be changed, if necessary, to conform to such decennial federal census. On and after the first day of January, 1978 and continuing until the next decennial federal census, unless an official County Census shall be made sooner, each Supervisor elected within the respective Towns of the County of Orleans shall be entitled to the following votes on any resolution, local law, motion or proposal to be voted upon by the Board of Supervisors, to wit:

<u>TOWN</u>	<u>SIMPLE MAJORITY</u>		<u>2/3 DECISION</u>		<u>3/5 DECISION</u>	
	<u>VOTE</u>	<u>VOTING POWER</u>	<u>VOTE</u>	<u>VOTING POWER</u>	<u>VOTE</u>	<u>VOTING POWER</u>

TOTALS	369	100.000	999	100.000	996	100.000

A total of 185 affirmative votes shall be required for the adoption of any resolution, local law, motion or proposal requiring a majority vote; a total of 666 affirmative votes shall be required for the adoption of any resolution, local law, motion or proposal requiring a two-thirds vote; a total of 598 affirmative votes shall be required for the adoption of any resolution, local law, motion or proposal requiring a three-fifths vote.

#### SECTION 4. GENERAL REGULATION

- A. No fractional votes shall be used or recognized.
- B. The total number of votes which each Supervisor is entitled to cast shall not be divided and shall be cast as one unit.
- C. The voting power of a Supervisor shall be measured by the mathematical possibility of his casting a decisive vote on a particular matter.
- D. The voting power of a Town shall be deemed equal to the voting power of its Supervisor.
- E. In preparing each reapportionment, the Board of Supervisors shall employ an independent computerized mathematical analysis and such other method or methods as shall most nearly equalize the percentage of voting power of each Town to its percentage of the total County population.

#### SECTION 5. EFFECT OF OTHER LAWS OR ACTS

Any law, ordinance, resolution or other act inconsistent with the provisions hereof shall be superseded by this said Local Law.

#### SECTION 6. SEPARABILITY

If any clause, sentence, paragraph or section of this Local Law shall be adjudged by any Court of competent jurisdiction to be invalid, such adjudication shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the claims, sentence, paragraph or section thereof directly involved in the proceedings in which such adjudication shall have been rendered.

#### SECTION 7. REFERENDUM

The reapportionment plan included in this Local Law shall be submitted to the qualified electors of the County of Orleans at the November, 1977 General Election and if adopted by such electors, by receiving a majority of the total votes cast therein, in the manner provided by law, and further provided by this Local Law, the same shall become effective on the 1st day of January, 1978.

## SECTION 8. OTHER REAPPORTIONMENT LOCAL LAW

If any other reapportionment local law shall be submitted to the electors of the County of Orleans at the November, 1977 General Election, the local law which receives the majority vote therein and which also receives the greater number of affirmative votes in the County at large shall be deemed to have been adopted.

A section of Local Law No. 6-Intro. dealing with whether a member of the County Legislature could also serve on various other boards was discussed. If the section is not in the local law then a member of the legislative board could not also be a member of another governing board. It was agreed that the section dealing with this matter should be deleted from the proposed local law because it was not part of the plan submitted by the County Government Committee and the Board felt the plan as submitted by the County Government Committee should be submitted without change by the Board of Supervisors.

Local Law No. 6-Intro. was introduced by Supervisor Paduchak.

### LOCAL LAW INTRO. NO. 6 - 1977

A LOCAL LAW TO ESTABLISH, IN PLACE AND INSTEAD OF THE PRESENT ORLEANS COUNTY BOARD OF SUPERVISORS, A NEW COUNTY LEGISLATURE CONSISTING OF SEVEN (7) LEGISLATORS, ONE (1) TO BE ELECTED FROM EACH OF SEVEN (7) DESIGNATED COUNTY LEGISLATIVE DISTRICTS

BE IT ENACTED by the Board of Supervisors of the County of Orleans, State of New York, as follows:

#### SECTION 1. LEGISLATIVE INTENT

Although the Board of Supervisors considers the adoption of a permanent plan of apportionment of the Orleans County Board of Supervisors on a weighted vote basis to be in the best interest of the people of the County of Orleans, nevertheless, the Board of Supervisors believes that the people of the County of Orleans should have the opportunity to vote upon an alternate plan of representation by which they are to be governed. This alternate plan is based upon a redistricting of the County of Orleans and the creation of seven (7) new County legislative districts, each to be represented by one (1) elected County Legislator, which elected representatives will then serve as a seven (7) man County Legislature in place and instead of the present Orleans County Board of Supervisors.

#### SECTION 2. GOVERNING BODY

The governing body of the County of Orleans shall be the County Legislature which, except as otherwise provided in this act, shall have and exercise all of the powers and duties of the County, together with all of the powers and duties which now are, or hereafter may be conferred or imposed on the Board of Supervisors or County Legislative body by laws applicable to such County not inconsistent with this

local law. The County Legislature shall also have such other powers and duties as are provided by this Local Law. Whenever a reference is made to the Board of Supervisors in any existing local law, resolution or ordinance or other act or in any statute, rule, regulation or otherwise of the State of New York, it shall be deemed to mean the Orleans County Legislature.

### SECTION 3. COUNTY LEGISLATURE

A. The County Legislature shall consist of seven (7) persons to be known as County Legislators, each of whom shall be elected from separate legislative districts as hereinafter described

B. The term of office of all County Legislators shall be two (2) years, which term of office shall begin on the first day of January next following their election, except that the first term of office of County Legislators shall be for one (1) year beginning January 1, 1979.

C. The qualifications of a County Legislator shall be as provided in the New York State Election Law and New York State Public Officers' Law and such other provisions of statutes of the State of New York and provisions of the New York State Constitution as may be applicable.

D. The seven (7) County Legislative Districts are described as follows:

#### LEGISLATIVE DISTRICT NUMBER 1

Commencing at a point which is the intersection of the Shelby - Ridgeway Town Line and the Niagara - Orleans County Line; extending southerly to the intersection of the Niagara-Orleans County Line and the Genesee-Orleans County Line; thence proceeding easterly along the Genesee- Orleans County Line to a point where the Shelby-Barre Town Line intersects the Genesee-Orleans County Line; thence turning north and extending along the Shelby-Barre Town Line to a point where the Shelby-Barre Town Line Road intersects the Shelby-Ridgeway Town Line; thence proceeding westerly along the Shelby-Ridgeway Town Line to the intersection of Bates Road; thence southerly along Bates Road to the intersection of Route 31A, commonly known as Maple Ridge Road, and Bates Road; thence proceeding westerly along Maple Ridge Road to the intersection of West Avenue and Maple Ridge Road; thence turning north and proceeding north along West Avenue to the intersection of West Avenue and Route 31E, commonly known as West Center Street; thence extending easterly along West Center Street to the intersection of Main Street, thence northerly to a point where Main Street intersects the New York State Barge Canal, thence extending west along the New York State Barge Canal to the western boundary of the Village of Medina; thence southerly along the western boundary of the Village of Medina, the common point of the Shelby-Ridgeway Town Line and the western boundary of the Village of Medina; thence proceeding westerly along the Shelby-Ridgeway Town Line to the point of origin.

#### LEGISLATIVE DISTRICT NUMBER 7

Commencing at a point intersecting at Transit Road and East Transit Church Road; boundary extends east along East Transit Church Road until it intersects unimproved road; north on unimproved road to Route 104; boundary extends east along Route 104; at the junction of Route 104 and Creek Road boundary extends south southwest until a point that intersects Route 387; south on Route 387 until boundary forks at Fancher Road; extending to intersection of Clarendon-Murray Town Line; east on Town Line until west boundary of the Village of Holley; north on Village of Holley boundary until junction of West Albion Street; boundary extends past West Albion Street due east extending over an imaginary line that connects the east Village of Holley line; at which point boundary extends south to the Clarendon-Murray Town Line; extending along the Town Line until the intersection of the junction of Orleans-Monroe County Line; north on Orleans-Monroe County Line until it intersects shoreline of Lake Ontario; west along Lake Ontario shoreline until it intersects Transit Road; south on Transit Road until it intersects the origin.

#### SECTION 4. REFERENDUM

The reapportionment plan included in this Local Law shall be submitted to the qualified electors of the County of Orleans at the November, 1977 General Election, and if adopted by such electors, by receiving a majority of total votes cast therein as provided by law and further provided by this Local Law, the same shall become effective on the first day of January, 1979. For the purpose of electing the County Legislators as provided in this Local Law, such election shall take place at the November, 1978 General Election and the County Legislators elected at such time shall take office on the first day of January, 1979. The County Legislature contemplated by this Local Law shall be a new legislative body. The Orleans County Board of Supervisors, under its present interim weighted vote plan, shall continue until replaced by the new legislative body as above provided.

#### SECTION 5. OTHER REAPPORTIONMENT LOCAL LAW

If any other reapportionment local law shall be submitted to the electors of the County of Orleans at the November, 1977 General Election, the local law which receives the majority vote therein and which also receives the greater number of affirmative votes in the County at large shall be deemed to have been adopted.

Supervisor Kubatek in referring to the letter from Mr. Eddy said, "I am glad they are thinking of us now because they did not consider us when they were drawing up these plans, no one was consulted except one Supervisor."

Supervisor Dudek, "I think a big portion of the fault lies with us. We had not really considered legislative districts and we did not make any effort, we did not spend the money we are spending on preparing a plan of weighted voting on preparing a plan of legislative districts. It would have given us something that perhaps we could live with better."

Supervisor Paduchak, "We are all placed in the position of committee chairman where we are liaison between the Board and the committee in certain matters. I took it a little hard that as Chairman of the Reapportionment Committee and knowing that the County Government Committee was working on a plan of legislative districts, never contacted me or any member of the committee. They say we are not looking at things on a county level, that committee excluded us, I feel they did not want us."

Supervisor Swiercznski asked the County Attorney if the nine member plan presented by Mr. Cobb could have been submitted to the court and put on the ballot. Mr. Miles informed the Board that he had talked to Mr. Imrie and was told that the State had submitted four plans for redistricting, so that more plans could be submitted. However, the plan submitted by Mr. Cobb appeared to have too much deviation and would probably have been rejected by the court.

It was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that the meeting be adjourned.

Carried.

Adjourned at 2:45 p.m.

REGULAR MEETING  
Thursday, September 8, 1977

The meeting was called to order at 10:10 a.m. by the Chairman. The Chairman lead the Pledge to the Flag. Upon roll call all Supervisors were found present.

It was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Raymond Pahura, Economic Development Coordinator. Mr. Pahura explained to the Board that he felt there was a need in the County for a person knowledgeable in various aspects of the retirement system who could be available for consultation. Mr. Pahura offered to go to Albany at county expense to acquire any information available from the Retirement office. He asked the Board for an endorsement of his proposal if they thought it had merit. Referred to the Finance Committee for a recommendation.

Privilege of the floor was granted to the County Planner, Geoffrey Astles. Mr. Astles informed the Board that he had received a proposal from the Coastal Zone Management Organization, Division of the State Department of State, for their third year activities. This proposal would involve a contract with the State whereby the County would receive \$3,000 upon an in-kind contribution of \$750.00.

Mr. Astles recommended that the Board enter into an agreement for the third year activities of the Coastal Zone Management. He said he felt that the time involved would be worth it to have some voice in what is done about our coastal zone in Orleans County.

Supervisor Dudek informed the Board that the committee had met with the County Planner and was in favor of the proposal. Supervisor Dudek moved the following resolution:

RESOLUTION NO. 255

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Paduchak.

RESOLUTION AUTHORIZING PARTICIPATION IN COASTAL ZONE MANAGEMENT PROGRAM

RESOLVED, that Orleans County participate in the Third Year portion of the Coastal Zone Management Program being conducted by the New York State Department of State; Orleans County's share of the cost of conducting said program to be in the form of in-kind contribution, and be it

FURTHER RESOLVED, that the County Planner is hereby authorized to work with the Department of State in connection with said Coastal Zone Management Program.

Unanimously adopted.

Supervisor Kemp informed the Board that the Town of Clarendon has been declared as not having any flood areas so will be exempted from the Flood Plan Management Program.

The Clerk read the following communications:

Letter from Gov. Carey, dated September 1, 1977, re: Rehabilitation Act.

Notices from the Public Service Commission regarding public hearing on rate increase for Niagara Mohawk Corporation; Commission as to the Implementation of the Home Insulation and Energy Conservation Act.

Letter from the Director of the New York State Division for Youth, dated August 24, 1977, congratulating the Board on establishment of a Youth Board.

Letter from Peat, Marwick & Mitchell, dated August 26, 1977, in response to a request for information as to whether self-insurance had been taken into consideration when writing the cost allocation plan.

Letter from Dept. of Labor, re: OJT funds. The Board was informed that the total 1977 OJT funds will be obligated.

Notice from the Committee on Public Access to Records, dated August 26, 1977, re: Amendments to the Open Meetings Law.

Notice from DEC dated August 26, 1977, re: Regional Solid Waste Planning.

Letter from Miss Roxane Buell, Miss Orleans County, dated August 26, 1977, offering to appear at any functions when requested.

Letter from Congressman LaFalce, dated August 18, 1977, re: grant program under the Architecture and Environmental Arts Program. Mr. Astles informed the Board that he had contacted the Congressman's office to obtain information on this in relation to the possibility of obtaining funds to finish the inside of the new County Office Building.

Letter from Mrs. Alice Wolf, Councilwoman, Town of Kendall, dated August 13, 1977, re: support for the weighted voting reapportionment plan.

Presentation of the Murray Water District No. 1 proposal received from the New York State Dept. of Audit and Control. Supervisor Piedimonte requested the Clerk to write a letter to A & C asking them to expedite this proposal.

Letter from Security and Law Enforcement Employees Council 82, dated August 23, 1977, presenting their request for salary increase for employees of the Sheriff's Department. The Clerk was instructed to write a letter to PERB requesting certification of the recent election held for employees of the Sheriff's Department. The County has not received certification of the union representation and therefore can not negotiate with this unit.

Presentation of Notice of Claim - Inci Terry, PhD. against the County of Orleans.

RESOLUTION NO. 256

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION DENYING CLAIM OF DR. TERRY AGAINST THE COUNTY OF ORLEANS

RESOLVED, that the Notice of Claim - Inci Terry, PhD. against the County of Orleans, herewith presented, be denied.

Unanimously adopted.

Presentation of the Management Report for Cost Allocation Plans and Indirect Cost Proposals by Peat, Marwick, Mitchell & Co. Referred to the Finance Committee.

Chairman Plummer informed the Board that there would be a meeting of the deficit committee of the Regional Planning Board. The members discussed the matter of the deficit and the consensus of opinion was that this County would pay on value received if it paid any part of the deficit.

RESOLUTION NO. 257

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION APPROVING PROPOSED BUDGET FOR REGIONAL PLANNING BOARD

RESOLVED, that the proposed budget for 1978 for the Genesee/Finger Lakes Regional Planning Board, as presented herewith, be approved by this Board, Orleans County's share being \$5,632.96.

Unanimously adopted.

RESOLUTION NO. 258

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING TRANSFER OF CATS DRIVERS TO CETA VI PROGRAM

RESOLVED, pursuant to the request of Charles Pulley, by letter dated August 16, 1977, the Manpower Coordinator is hereby authorized to transfer three CATS Van Drivers from Title I to Title VI of the CETA Program.

Unanimously adopted.

It was moved by Supervisor Dudek and seconded by Supervisor Bane that the Chairman of this Board be authorized to issue the following proclamation.

Carried.

## PROCLAMATION

WHEREAS, Lupus Erythematosus is a chronic and sometimes fatal disease affecting the connective tissue of the human body; and

WHEREAS, the total number of patients in the United States with lupus is unknown, but current estimates place this number in excess of 500,000 with 50,000 new cases and 5000 deaths annually attributable to the disease; and

WHEREAS, it is far more common than Rheumatic Fever, Leukemia, Cystic Fibrosis, Muscular Dystrophy, Multiple Sclerosis, Hemophilia, and other well-know diseases; and

WHEREAS, although prevalent it is a relatively unknown disease that should be given public exposure; and

WHEREAS, President James Carter was authorized and requested by the Senate and the House of Representatives in Congress assembled to issue a proclamation designating the week of September 18 through 24, 1977 as "NATIONAL LUPUS WEEK" and inviting the Governors of the several states, the chief officials of local governments, and the people of the United States to observe such same week with appropriate ceremonies and activities; and

WHEREAS, President Carter on July 25, 1977 did sign this joint resolution, H.J. 24, designating it as public law 95-72;

NOW THEREFORE, I, Clayton Plummer, do hereby proclaim the week of September 18 through 24, 1977, to be:

### NATIONAL LUPUS WEEK

and urge all citizens of Orleans County to Join in the celebration of this special week which has been set aside to publicize this prevalent but little known disease.

RESOLUTION SETTING FEES FOR FILING APPLICATIONS UNDER NEW YORK STATE QUALITY REVIEW LAW

WHEREAS, this Board by Resolution No. 83 adopted March 17, 1977, did adopt rules and regulations for implementation of the New York State Environmental Quality Review Act and did designate the Orleans County Planner as the person to review and receive applications and other documents filed under said law, now therefore be it

RESOLVED, that the fees and procedures for filing said applications as outlined in the letter to this Board from the County Planner, dated May 2, 1977, be adopted by this Board.

Unanimously adopted.

**ORLEANS COUNTY PLANNING BOARD**

151 Platt Street  
Albion, N.Y. 14411

May 2, 1977

Mr. Clayton Plummer  
Chairman  
Orleans County Board of Supervisors  
Court House Square  
Albion, New York 14411

Dear Chairman Plummer:

Pursuant to Board Resolution Number 83 granting the County Planner the review function of all applications and other documents required by the New York State Quality Environmental Review Law, I am herewith submitting, for your approval, the necessary procedures, and filing fees I believe necessary for an equal administration of this law.

As specifically required by Resolution 83 I have determined that the following fee schedule should be implemented.

That a fee of \$ 8.00/hour be charged for the review of all applications to determine if the proposed action will have a significant impact upon the environment.

That a fee of \$ 10.00/hour, or one half of one percent of the proposed actions total cost to the applicant, which ever is larger, be charged for the drafting of any environmental impact statement by this agency.

In addition I am submitting the procedure and forms by which all applications and proposed actions shall be reviewed. This process is a slight modification of a model established by the Department of Environmental Conservation and will allow for timely review.

I would expect to send a bill to any applicant with a copy to the Treasurer and have all applicants pay fees directly to the Treasurer's office.

Incumbent upon this office will be the requirement to present all findings to the Board of Supervisors, for their approval, within 30 days of receipt of application.

If this proposed procedure needs modification or creates problems I may be unaware of, please contact me.

Sincerely,

Geoffrey C. Astles  
Director of Planning

GCA/mt

Supervisor Swiercznski, "On the subject of the County Planner, my understanding is that he is directly responsible to the Board of Supervisors. Supposing that I as representative of a town, have a request for the County Planner, who do I direct it to? Do I direct it to him or do I come to you, as the Chairman, and say I would like to have the County Planner do this. Say I need a letter not necessarily from the County Planning Board but from the County Planner."

Supervisor Swiercznski stated that he had requested a letter from the County Planner needed in connection with the proposed water district in the Town of Gaines.

Supervisor Dudek, "You refer it directly to the County Planner if it is something the County Planner is to do."

Supervisor Batchellor, "Last year, after we had this discussion, didn't the Planning Committee meet and decide that requests were going to go to the Planning Committee and they were to take this up with the Planner, instead of the Planning Board telling him what to do."

Supervisor Dudek, "I think the thing has to be separated. Was it a request of the County Planner or was it to the County Planning Board? Many things have to legally go before the County Planning Board not the County Planner. The County Planner is a member of that Board ex officio. He is not chairman, he is recording secretary. The Planning Board is made up of members of each of the towns. It is hard to get representation from many of the towns, sometimes persons are appointed and never show up. It is an important position, almost everything ends up before the County Planning Board. They are requested and have to legally make recommendations, it is not the County Planner."

The County Planning Board is charged with the responsibility of the county-wide 701 plan. This plan is going to affect the outlook of this County for a number of years. If you don't have active representation on the Planning Board you can't fault the Board or the Planner."

After much discussion of the affect the Planning Board can have on various projects through the 701 plan and the operation of the Board, the following resolution was adopted:

RESOLUTION NO. 268

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION OUTLINING PROCEDURES FOR WORK OF THE COUNTY PLANNER

WHEREAS, the Orleans County Planner is called upon to supply information and help on various projects by persons and organizations, and

WHEREAS, one of the important functions of the office of the County Planner is the preparation of the 701 Program, requiring the time of the Planner, and

WHEREAS, this Board feels that certain procedures should be outlined for use of the County Planner's time, now therefore be it

RESOLVED, that the County Planner be directed to supply information and aide to persons and organizations requesting his help for short-range projects which he feels will require a minimum of time on his part; all long-range projects in which his time would be required shall be referred to the Planning Committee of this Board for approval before said projects shall be undertaken.

Unanimously adopted.

Supervisor Paduchak reported that several Board members had taken a tour of county roads to view the conditions.

Supervisor Dudek reported that the newly formed Labor Relations Committee had met. This committee will be a liason between the Board of Supervisors and the employee unions to try and solve minor problems before they develop into problems requiring negotiation. The committee will meet at 1:30 p.m. on the Wednesday of the audit.

Supervisor Nayman presented the proposed budget for 1978 for the Orleans County Self Insurance Fund. The budget is increased \$3500 over the 1977 budget.

The Clerk read a letter from Albion Agencies, Inc. to the Administrator of the Self-Insurance Fund, dated August 19, 1977, in response to a request regarding providing excess insurance for the fund. Mr. Haines stated, "We have been advised by phone by Wolhreich & Anderson in New York that the estimated premium would be \$30,000 per year to provide \$900,000 catastrophe insurance per accident with \$100,000 deductible per occurrence.

Lloyd' estimates that if the various municipalities all carried compensation insurance, the premium would be about \$200,000 and they want 15% of this for the excess policy."

The Board discussed the cost of excess insurance coverage and also the cost of malpractice insurance coverage. After reviewing the costs for the past year for the self insurance fund and the coverage available, the Insurance Committee recommended the following resolution:

RESOLUTION NO. 269

By Supervisor Batchellor, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION AUTHORIZING INCREASE IN RESERVE FUND FOR SELF-INSURANCE FUND

RESOLVED, that the Budget Officer be authorized to include an additional sum of \$30,000.00 in the 1978 County Budget for the Reserve Fund of the Orleans County Self-Insurance Fund.

Unanimously adopted.

RESOLUTION NO. 270

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION SETTING SALARIES FOR CERTAIN COUNTY EMPLOYEES FOR 1977

RESOLVED, that the following salaries for certain County employees, as listed below, be set for the year 1977, retroactive to January 1, 1977:

Dispatcher - Office of Natural Disaster & C. D. - J. Fackler	\$9,058.24
Supervising Public Health Nurse - J. Johnson	14,250.00
Community Services Aide - Social Services - M. Taber (CETA)	6,947.67
Principal Stenographer - Social Services - D. Fackler	8,607.77

Unanimously adopted.

Supervisor Nayman reported that Xerox Corporation would be starting their study of printing and copying needs for the County on the 8th of September.

Supervisor Paduchak, "In view of the fact that we had a public hearing on Local Law No. 5 and No. 6 this morning and I was unhappy with the attendance at this hearing, the fact that those asking for reapportionment of the County of Orleans did not see fit to have one representative present at this hearing. And yet we are chastised that we are not looking for a good type of government for the County of Orleans, on that basis, this Board should go contrary to the promises we made and only take the one local law and put it before the general electors. But I made a promise to the people of this County and the Judge that I would do all in my power to put both of these local laws before the people and I will do that."

RESOLUTION NO. 271

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION ADOPTING LOCAL LAW NO. 5 OF THE YEAR 1977

WHEREAS, the following proposed Local Law No. 5 for the year 1977, was duly introduced at the meeting of the Orleans County Board of Supervisors on August 13, 1977, and a public hearing was held at 9:30 A.M., September 8, 1977, at which time no persons appeared at the public hearing in opposition, be it enacted as follows:

LOCAL LAW NO. 5 OF 1977

A LOCAL LAW PROVIDING FOR A PERMANENT PLAN OF APPORTIONMENT FOR THE ORLEANS COUNTY BOARD OF SUPERVISORS ON A WEIGHTED VOTE BASIS

BE IT ENACTED by the Board of Supervisors of the County of Orleans, State of New York, as follows:

SECTION 1. LEGISLATIVE INTENT

It is the intention of the Board of Supervisors of Orleans County by this Local Law to comply with the Constitutional requirements established by the Supreme Court of the United States and the Court of Appeals of the State of New York.

SECTION 2. THE BOARD OF SUPERVISORS

The Supervisors of the several Towns in the County of Orleans, when lawfully convened shall now and after the first day of January, 1978, constitute the Board of Supervisors of the County of Orleans, and shall continue to be known and designated as the Board of Supervisors of the County of Orleans, but their respective votes as such members thereof shall and after the first day of January, 1978 be determined and fixed in accordance with the provisions of this Local Law to accomplish the reapportionment of the Board of Supervisors of the County of Orleans.

SECTION 3. VOTING STRENGTH

The apportionment of the voting strength of the members of the Board of Supervisors of the County of Orleans shall be determined by the 1970 Federal Census in the County of Orleans, until the next decennial federal census, in which event the voting strength shall be changed, if necessary, to conform to such decennial federal census. On and after the first day of January, 1978 and continuing until the next decennial federal census, unless an official County Census shall be made sooner, each Supervisor elected within the respective Towns of the County of Orleans shall be entitled to the following votes on any resolution, local law, motion or proposal to be voted upon by the Board of Supervisors, to wit:

<u>TOWN</u>	<u>SIMPLE MAJORITY</u>		<u>2/3 DECISION</u>		<u>3/5 DECISION</u>

TOTALS	369	100.000	999	100.000	996	100.000

A total of 185 affirmative votes shall be required for the adoption of any resolution, local law, motion or proposal requiring a majority vote; a total of 666 affirmative votes shall be required for the adoption of any resolution, local law, motion or proposal requiring a two-thirds vote; a total of 598 affirmative votes shall be required for the adoption of any resolution, local law, motion or proposal requiring a three-fifths vote.

#### SECTION 4. GENERAL REGULATION

- A. No fractional votes shall be used or recognized.
- B. The total number of votes which each Supervisor is entitled to cast shall not be divided and shall be cast as one unit.
- C. The voting power of a Supervisor shall be measured by the mathematical possibility of his casting a decisive vote on a particular matter.
- D. The voting power of a Town shall be deemed equal to the voting power of its Supervisor.
- E. In preparing each reapportionment, the Board of Supervisors shall employ an independent computerized mathematical analysis and such other method or methods as shall most nearly equalize the percentage of voting power of each Town to its percentage of the total County population.

#### SECTION 5. EFFECT OF OTHER LAWS OR ACTS

Any law, ordinance, resolution or other act inconsistent with the provisions hereof shall be superseded by this said Local Law.

## SECTION 6. SEPARABILITY

If any clause, sentence, paragraph or section of this Local Law shall be adjudged by any Court of competent jurisdiction to be invalid, such adjudication shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the claims, sentence, paragraph or section thereof directly involved in the proceedings in which such adjudication shall have been rendered.

## SECTION 7. REFERENDUM

The reapportionment plan included in this Local Law shall be submitted to the qualified electors of the County of Orleans at the November, 1977 General Election and if adopted by such electors, by receiving a majority of the total votes cast therein, in the manner provided by law, and further provided by this Local Law, the same shall become effective on the 1st day of January, 1978.

## SECTION 8. OTHER REAPPORTIONMENT LOCAL LAW

If any other reapportionment local law shall be submitted to the electors of the County of Orleans at the November, 1977 General Election, the local law which receives the majority vote therein and which also receives the greater number of affirmative votes in the County at large shall be deemed to have been adopted.

Adopted. 372 ayes; 0 nays; 0 absent.

## RESOLUTION NO. 272

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Kubatek.

## RESOLUTION ADOPTING LOCAL LAW NO. 6 OF THE YEAR 1977

WHEREAS, the following proposed Local Law No. 6 for the year 1977 was duly introduced at the meeting of the Orleans County Board of Supervisors on August 13, 1977, and a public hearing was held at 9:30 A.M., September 8, 1977, at which time one person spoke in opposition, be it enacted as follows:

### LOCAL LAW NO. 6 OF 1977

A LOCAL LAW TO ESTABLISH, IN PLACE AND INSTEAD OF THE PRESENT ORLEANS COUNTY BOARD OF SUPERVISORS, A NEW COUNTY LEGISLATURE CONSISTING OF SEVEN (7) LEGISLATORS, ONE (1) TO BE ELECTED FROM EACH OF SEVEN (7) DESIGNATED COUNTY LEGISLATIVE DISTRICTS

BE IT ENACTED by the Board of Supervisors of the County of Orleans, State of New York, as follows:

## SECTION 1. LEGISLATIVE INTENT

Although the Board of Supervisors considers the adoption of a permanent plan of apportionment of the Orleans County Board of Supervisors on a weighted vote basis to be in the best interest of the people of the County of Orleans, nevertheless, the Board of Supervisors believes that the people of the County of Orleans should have the opportunity to vote upon an alternate plan of representation by which they are to be governed.

This alternate plan is based upon a redistricting of the County of Orleans and the creation of seven (7) new County Legislative districts, each to be represented by one (1) elected County Legislator, which elected representatives will then serve as a seven (7) man County Legislature in place and instead of the present Orleans County Board of Supervisors.

## SECTION 2. GOVERNING BODY

The governing body of the County of Orleans shall be the County Legislature which, except as otherwise provided in this act, shall have and exercise all of the powers and duties of the County, together with all of the powers and duties which now are, or hereafter may be conferred or imposed on the Board of Supervisors or County Legislative body by laws applicable to such County not inconsistent with this local law. The County Legislature shall also have such other powers and duties as are provided by this Local Law. Whenever a reference is made to the Board of Supervisors in any existing local law, resolution or ordinance or other act or in any statute, rule, regulation or otherwise of the State of New York, it shall be deemed to mean the Orleans County Legislature.

## SECTION 3. COUNTY LEGISLATURE

A. The County Legislature shall consist of seven (7) persons to be known as County Legislators, each of whom shall be elected from separate legislative districts as hereinafter described

B. The term of office of all County Legislators shall be two (2) years, which term of office shall begin on the first day of January next following their election, except that the first term of office of County Legislators shall be for one (1) year beginning January 1, 1979.

C. The qualifications of a County Legislator shall be as provided in the New York State Election Law and New York State Public Officers' Law and such other provisions of statutes of the State of New York and provisions of the New York State Constitution as may be applicable.

D. The seven (7) County Legislative Districts are described as follows:

### LEGISLATIVE DISTRICT NUMBER 1

Commencing at a point which is the intersection of the Shelby - Ridgeway Town Line and the Niagara - Orleans County Line; extending southerly to the intersection of the Niagara-Orleans County Line and the Genesee-Orleans County Line; thence proceeding easterly along the Genesee-Orleans County Line to a point where the Shelby-Barre Town Line intersects the Genesee-Orleans County Line; thence turning North and extending along the Shelby-Barre Town Line to a point where the Shelby-Barre Town Line Road intersects the Shelby-Ridgeway Town Line; thence proceeding westerly along the Shelby-Ridgeway Town Line to the intersection of Bates Road; thence southerly along Bates Road to the intersection of Route 31A, commonly known as Maple Ridge Road, and Bates Road; thence proceeding westerly along Maple Ridge Road to the intersection of West Avenue and Maple Ridge Road; thence turning north and proceeding north along West Avenue to the intersection of West Avenue and Route 31E, commonly known as West Center Street; thence extending easterly along West Center Street to the intersection of Main Street, thence northerly to a point where Main Street intersects the New York State Barge Canal, thence extending west along the New York State Barge Canal to the western boundary of the Village of Medina; thence southerly along the western boundary of the Village of Medina, the common point of the Shelby-Ridgeway Town Line and the western boundary of the Village of Medina; thence proceeding westerly along the Shelby-Ridgeway Town Line to the point of origin.

## LEGISLATIVE DISTRICT NUMBER 2

Commencing at a point which is the intersection of the Shelby-Ridgeway Town Line and the Niagara-Orleans County Line; thence extending northerly along the Niagara-Orleans County Line to Lake Ontario; thence proceeding easterly along the Lake Ontario shoreline, a distance of approximately 13 miles; thence extending southeasterly to a point joining Route 18; at this point the boundary extends exactly along the Oak Orchard Creek in a southwesterly direction to an imaginary point where Park Avenue intersects Oak Orchard Creek; extending vertically it drops south southeast over the creek, extending along Park Avenue, intersecting at the Carlton-Gaines Town Line; thence extending due west, intersecting Oak Orchard River Road and Ridgeway-Gaines Town Line; at this point the boundary drops due south along the Ridgeway-Gaines Town Line to the intersection of the Ridgeway-Gaines Town Line and Route 104; at the intersection of Ridgeway-Gaines Town Line and Route 104 the boundary extends along Route 104 until it intersects Culvert Road; extending along Culvert Road until it intersects East Scott Road and Porter Road; the boundary extends west along East Scott Road until it intersects Bates Road; then extends in a southerly direction along Bates Road until it intersects Portage Road; thence proceeding westerly along Portage Road to Horan Road; boundary extends north along Horan Road until it intersects West Scott Road, traveling west along West Scott Road until Marshall Road; thence south on Marshall Road about 1/2 to 3/4 miles intersecting an unimproved road; proceeding westerly on this road until Fruit Avenue; thence south on Fruit Avenue until it intersects the Ridgeway-Shelby Town Line; thence proceeding westerly to point of origin.

## LEGISLATIVE DISTRICT NUMBER 3

#### SECTION 4. REFERENDUM

The reapportionment plan included in this Local Law shall be submitted to the qualified electors of the County of Orleans at the November, 1977 General Election, and if adopted by such electors, by receiving a majority of total votes cast therein as provided by law and further provided by this Local Law, the same shall become effective on the first day of January, 1979. For the purpose of electing the County Legislators as provided in this Local Law, such election shall take place at the November, 1978 General Election and the County Legislators elected at such time shall take office on the first day of January, 1979. The County Legislature contemplated by this Local Law shall be a new legislative body. The Orleans County Board of Supervisors, under its present interim weighted vote plan, shall continue until replaced by the new legislative body as above provided.

#### SECTION 5. OTHER REAPPORTIONMENT LOCAL LAW

If any other reapportionment local law shall be submitted to the electors of the County of Orleans at the November, 1977 General Election, the local law which receives the majority vote therein and which also receives the greater number of affirmative votes in the County at large shall be deemed to have been adopted.

Adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Kubatek, "I hope people take the time and effort if they are not knowledgeable to find out what they are voting on and then vote. Perhaps the County should have some type of committee to explain the weighted voting plan to the public. I am sure the people that proposed the seven member legislative district plan will go out and try to sell it to the public."

In response to the question of whether the plans on the ballot would be one against the other, the County Attorney replied, "That you can vote yes or no on each proposal. The requirement of law is that a plan be adopted by a majority of the voters. Which ever receives the highest vote if both receive a majority will be the one that succeeds. This gives people the opportunity to vote yes or no on both plans or no on both plans."

Several Supervisors expressed the opinion that each Supervisor should take the opportunity to speak to various groups to explain the merits of the weighted voting plan or the legislative plan.

RESOLUTION ACCEPTING BID FOR 1974 AUTOMOBILE

RESOLVED, that the bid of Stephen Klatt, Lyndonville, N. Y., in the amount of \$711.00 for the purchase of the 1974 automobile owned by the Orleans County Department of Social Services, be accepted by this Board as the high bidder.

Unanimously adopted.

Supervisor Nayman reported to the Board that the Board of Election information was being put on the computer at Brockport State and was 90% complete, this was done with the help of Mr. VanAlstyne. The computer is located at Brockport State College and operated by the students. The time used cost is paid to the University of Rochester who owns the computer.

Supervisor Nayman suggested that the County prepare specifications for bidding for purchase or lease of a computer. Supervisor Nayman was requested to discuss the possibility of employing Mr. VanAlstyne to prepare the specifications and is to report back to the Board at the next meeting.

The Election Office has requested that a terminal be installed in the Election Office so that they can tie in directly with the computer at Brockport. Supervisor Nayman will get cost figures on this for the next meeting of the Board.

The Board was informed that the Department of Social Services is in the process of making a study of computer needs for that department. It was pointed out that with a time sharing type of computer it does not matter where the computer is located. Terminals can be located in various areas and work can be done on the computer by several departments at the same time.

Supervisor Piedimonte suggested that the machine used in the Election Office be sold. It was decided not to sell the machine at the present time.

Supervisor Nayman reported that the Solid Waste Committee had met with Alan McKenna and had also reviewed the Solid Waste Disposal Study made for Orleans County in 1971. The Committee feels that there are several alternatives for Orleans County, some of which are not economically feasible.

There could be landfills in each municipality, which would result in fourteen landfills within the County. If it were done on a town basis, there would be ten. Or it could be done on a regional basis, with perhaps one in each quadrant, or there could be one in the center of the County. In any of these cases, they could be run by a private contractor or by a municipality.

Supervisor Nayman presented a map overlay of the County showing the soil conditions in each area. All towns in the County have soil or areas suitable for landfills, except the Town of Yates. Supervisor Nayman also outlined the various costs connected with the operation of a landfill. The consensus of opinion was that it would not be feasible for the County to operate their own landfill, that it would be more economical to have a contract with a private owner.

In the talks the Committee had with Mr. McKenna, he informed the Committee that he would have to have an increase in his contract for 1978 in order to operate his landfill. The Board discussed the landfills now used by the towns and the costs involved; how the increased cost could be divided, whether to be paid by the County or divided between the towns; and various other aspects of the problem of solid waste disposal. The Committee was requested to get further information for action at the September 22nd meeting.

It was moved by Supervisor Swiercznski that the meeting be adjourned.

Adjourned at 5:40 p.m.

REGULAR MEETING  
Thursday, September 22, 1977

The meeting was called to order at 8:00 p.m., by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were found present except Supervisor Nayman who was excused.

The Chairman recognized Supervisor Batchellor who presented the following resolution; seconded by Supervisor Paduchak on behalf of the majority members of the Board; seconded by Supervisor Kubatek on behalf of the minority members of the Board. The other members asked that they also be allowed to second the resolution. The aye vote was taken by a standing tribute to Judge Doherty.

RESOLUTION NO. 279

By Supervisor Batchellor, who moved the adoption.

Seconded by All Supervisors present.

RESOLUTION IN MEMORIUM - JUDGE HAMILTON DOHERTY

WHEREAS, Hamilton Doherty has for many years been a valued member of our Orleans County Community as the head of a fine family, as an active churchman and as a successful practicing attorney, and

WHEREAS, Hamilton Doherty has also served us well as a Municipal Justice and as New York State Tax Attorney for Orleans County, and

WHEREAS, Hamilton Doherty was elected to and embarked upon the important office of Orleans County District Attorney in which he served with merit from 1964 until 1974, and

WHEREAS, Hamilton Doherty was elevated by appointment by Gov. Malcolm Wilson to the high office of Orleans County Judge, Surrogate and Family Court Judge and thereafter was elected to a full ten year term to such office, and

WHEREAS, Hamilton Doherty brought great honor and credit to the County of Orleans and its Courts by his sound, unselfish, astute and humane administration of justice throughout his entire career, and

WHEREAS, the untimely death of Hamilton Doherty on September 15, 1977 has brought an abrupt end to his brilliant career.

NOW, THEREFORE, by this Orleans County Board of Supervisors assembled in regular session

IT IS RESOLVED, that the death of Hamilton Doherty is a deep personal loss to each of the Supervisors of the County of Orleans, and

IT IS FURTHER RESOLVED, that Hamilton Doherty will be sorely missed by all of his fellow County officers and associates who have worked with him over the years and who have so valued his advice and counsel on matters both judicial and governmental, and

IT IS FURTHER RESOLVED, that this Resolution be spread upon the minutes of this meeting as a lasting memorial to the Hon. Hamilton Doherty from those who loved and respected him, and

IT IS FURTHER RESOLVED, that a copy of this Resolution together with a copy of the portion of these proceedings concerning the same be presented to the family of our late honored friend, Hamilton Doherty, as a small token of our great loss.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman.

Chairman Plummer recognized Mr. Thomas Parmelee, President of the Orleans County Bar Association.

Mr. Parmelee - "Mr. Chairman, honored Board members, I wish to thank the Board for inviting me on behalf of the Bar Association to attend this meeting tonight in tribute to Judge Doherty. Although the initial shock of Judge Doherty's death may now have passed, what it brings forward is the all dramatic realization of his contributions to the County. You know the loss to the County, the community of Orleans County, and the community of - not just the legal profession - but of all professions in this County. I, therefore, think it is entirely appropriate that this body that represents the whole community of our County pay tribute at this time to Judge Doherty. I wish to thank all of you for allowing the Bar Association to take part in this tribute."

Mr. Robert Heath - "Mr. Chairman, first of all I would like to introduce, if I might, to the members of the Board of Supervisors, two of the sons of the late Judge Doherty. Here in front of me in the grey suit is Hamilton Doherty, Jr., who is a practicing attorney in Springfield, Mass., and here on my right is Kevin Doherty who lives here in Albion and whom some of you may know better than Chip as we call Hamilton, Jr."

During the past week, we have met as a Bar Association and have eulogized Judge Doherty. We have met with the family, we have attended a memorial service which in itself was a very great tribute to the Judge. We have read the newspapers, we have read the editorials, we have visited among ourselves, all friends of the Judge, and the one thing that comes out of all of this is a sincere sense of emptiness. The one thing that stands out is the character and personality of the Judge. He was a good man. He was a good family man. He was a good church man. He was a good husband, a good father, an active community leader and certainly, far but not least, a leader of his profession. He was a good attorney, he was a loyal and faithful friend. He devoted his time to the practice and to people with whom he came in contact. All of these things lead to the one realization, as Tom Parmelee, president of our Bar Association, has said. We're lost, we are without the man with whom we have had the greatest respect for a number of years."

Ted Church - "Mr. Chairman, I have to second what has been said by my colleagues Mr. Parmelee and Mr. Heath. Ham, I knew for better than twenty years. He was here in Albion when I came back to Albion. He was a practicing attorney whom I had many dealings with. He was a good friend. I went on trips with him and I went to Bar meetings with him in New York and various other places. I knew him as District Attorney, as tax attorney and as a very outstanding County Judge, Surrogate and Family Court Judge. And as Bob has indicated, we met together and talked about it and - from time to time in the last week or so - and as I said at the Bar Association meeting, I think that one of the outstanding attributes that Ham had, was his ability to relate and communicate with people. It didn't make any difference who they were or where they were he had that ability to talk to them and talk with them and be understood. And I think it was this as much as anything that made Ham the man that he was and the person that we all grew to know and respect and to love. Tom Parmelee indicated that the initial shock has passed. This is true. But Ham will be missed for many years to come."

Curtis Lyman - "Mr. Chairman, Gentlemen: "I probably was one of the last of this group to see Ham and I saw him on the Sunday afternoon when he discovered they were going to take his lung. He was a fighter then, he has been a fighter throughout his career. He accepted it, not necessarily with grace, but with optimism. When I saw him on that Sunday afternoon, he was low as I'm sure we all would be. On Monday night, the following day, he called me and said that things were looking better. This I think, typified Ham and that he did look at the bright side of things. Certainly, we all have known him. We know that he has been a good judge. Some people thought he had too stern proclivities in his sentencings. I think that we will as in many other things discover that what he was attempting to do and what he did do was for the benefit of the County. He was a good judge. He was not overturned in his appeals. His decisions, I think, will indicate that they were carefully reasoned and they always were for the benefit of the law and the County of Orleans. Because of my position as District Attorney, I worked very closely with him. Obviously, he will be missed, I am sure, by all of us."

Thomas Young - "I haven't known Judge Doherty as a friend like probably some of my older colleagues have. When I first came to the County, he was still District Attorney, but shortly, thereafter, he was appointed the County Judge, and I knew him better as judge than as a practicing attorney, as a colleague. My main contact with Judge Doherty was in the Family Court; dealing with children, family problems, problems that arise throughout the whole community of Orleans County. I saw him as an understanding judge in whatever the situation might be, particularly in dealing with children and finding the right solution to difficult problems. Family problems, I feel, are the most difficult for any judge to find the right solution for, and I just hope that the successor judge will be half as understanding as Judge Doherty has been and as I have seen."

Paul Miles - "Mr. Chairman, Gentlemen, I am certain that the passing of Ham Doherty is a great personal loss to all of us and as mentioned, it naturally came as a tremendous shock. And possibly that shock is somewhat over with, but we are still, I think, feeling some of it. But I think now perhaps is the time for this Board to, as it is, take into consideration the many things that Judge Doherty and Ham Doherty as an individual did for this community. I think many of the interests that he maintained escaped the attention of some of us. He as has been testified to was an eminent jurist and an eminent District Attorney, as well as his many other community activities. But along with all of it and as part of all of it, he had truly in his heart and mind and all his actions the best interests of the citizens of this County; uppermost and foremost in everything he'd done. I think all we have to do is to follow some of the decisions he handed down as judge. His strictness as far as the use and abuse of narcotics was concerned, his interest in young people, his desire to try and keep our community strong and healthy as a result of these decisions. And prior to that time as District Attorney, his earnest prosecution of crimes committed in the County. Of course, he always maintained a supreme interest in what was going on in our constituent towns and villages, particularly in his own village, where he lived. I know, Ted and I can testify that as County Attorney, he was always available to us for advice, particularly some of the ticklish things with In Rem Foreclosures, things of this nature, upon which he was going to rule. He was very understanding of the problems that existed. He was very much concerned about the same things that all of this Board is concerned about, the tremendous costs of welfare, what could be done to eliminate some of those things and still maintain a very healthy viable county. I am sure we are going to miss him as much in the future as we do now. I can't help but think there will be many occasions in the future that all of us will think back to something that we did prior to that time with Judge Doherty, something that he's advised us with. We will sorely miss him. I certainly congratulate this Board on the adoption of this resolution.

I think on behalf of this Board we want to welcome Chip and his brother Kevin as introduced by Bob. Chip, will you have a few words which you will like to say to the Board? I don't know whether all the Board knows Chip, I imagine for the first time unfortunately last week, the Board may have met you. I think this community is very proud of his father and his father is very proud of him and the same thing for Kevin who is going to be a resident with us for a while, Chip isn't."

Chip Doherty, "Thank you very much Mr. Miles. Mr. Chairman and members of the Board, on behalf of the family, I want to extend our heartfelt thanks for the resolution which you passed tonight. For the opportunity to attend and to say a few words at this meeting. As has been indicated, the events of the last week or so have been a shock to the community, and certainly even more so, or more closely to the family. Life will go on, and that was one of Pop's primary rules in his own life. You have to pick up from where you are, and make the reassessment and keep moving forward. That is hard to do at this point, and I hope that in the future we can use that perspective and can learn from that perspective. He was a man that, I always felt, had a great deal of love and compassion that he tried to bring to each endeavor, whether it was his appointment to the County, his work as a District Attorney, as a Judge, his other professional endeavors and certainly with his family. I think it would give him, and is giving him right now, a great pleasure to hear and realize the great number of people represented here in this room and who have made expressions to the family in the last week or so, who acknowledge a warmth and a depth of relationship with him and a hope that some aspect of his spirit or his life, what he might have said or done for those people with them, beyond his passing. If we can keep that perspective and live those lessons Pop will have us feel that it was not all for loss. Ultimately, I guess it is a little hard to look at it that way now. Thank you very much for your kind comment.

Chairman Plummer, "I'd like to thank the members of the Bar Association and Chip for their expressions here this evening."

The meeting adjourned for a brief recess.

The Clerk presented the following communications:

Letter from Community Action thanking the Board for allowing them to purchase fuel from the County on State contract.

The following letter from William Lyman, Jr., Chairman of the Orleans County Planning Board, was presented:

**ORLEANS COUNTY PLANNING BOARD**

151 Platt Street  
Albion, N.Y. 14411

September 22, 1977

Clayton Plummer, Chairman  
Orleans County Board of Supervisors  
Court House Square  
Albion, New York 14411

Dear Chairman Plummer:

As you know the Orleans County Planning Board offered an alternative proposal for reorganization of the County Government. In offering this alternative the Board did not intend to indicate its endorsement of this plan or any other plan. This posture was reinforced by a resolution adopted at the regular meeting of the Board last night.

The Orleans County Planning Board is pleased that the Orleans County Board of Supervisors, in response to interest expressed at public hearings, has placed two alternative proposals on the ballot for consideration by the voters in the fall election.

As always, the Orleans County Planning Board stands ready to assist in any way possible.

Sincerely yours,

*William Lyman Jr.*

William Lyman, Jr.  
Chairman  
Orleans County Planning Board

The following resolution from the County Planning Board was presented:

"BE IT RESOLVED, that the Orleans County Planning Board make a public statement that it does not endorse any specific reapportionment plan currently being considered on the November, 1977 ballot.

Moved by Rich Bennett, seconded by Rocco Sidari. Carried."

Supervisor Dudek said, "It was interesting to note that it was Rich Bennett at the previous meeting that had made the motion that that plan be submitted to the Board."

Supervisor Batchellor, "I understand that Mr. Bennett's motion from the month before was - that Bill Lyman wanted to say that the Planning Board approved it and voted in favor of the plan which they never did do and all Rich Bennett did was make the motion that they present it to the Board."

Supervisor Dudek, "The Board never did endorse the plan. All they said is that they wanted to submit it to the Board."

Supervisor Batchellor, "Well, I understand from Bill Lyman's statement, that the Board did endorse it, until Mr. Bennett corrected him."

Supervisor Dudek, "That's right."

Supervisor Swiercznski, "I was there last night. And I'll tell you there were only five members of the Planning Board there. There were Mr. Lyman, Mr. Sidari, Mr. Eddy, and Stanley Kast from my town. You can't tell me that these five men are making decisions for the ten towns. If they are that inactive then we sure better get on the ball and get some people on there so that you get some representation from the whole county."

Supervisor Dudek, "I pointed that out at the last meeting. I made that clear that you've got to get people on that Board who will be active because there are too few people making the decisions."

The Clerk presented a request from the Department of Social Services, dated September 21, 1977, for a maternity leave of absence, without pay, for Pamela Hill, effective June 24, 1977. Referred to the Social Services Committee for recommendation.

Supervisor Dudek requested that the letter from the County Planner, dated June 10, 1977, requesting a CETA position in his office, which was tabled 9/8/77, be removed from the table.

Supervisor Dudek explained that the position would be Planning Aide, that the duties would include cartography and research in the Planning Office; working as a Youth Coordinator for the Youth Board; perhaps helping to up-date the tax maps in the Real Property Tax Office. The salary recommended by the Civil Service Office for this position is \$9,000.00. After further discussion the following resolution was adopted:

RESOLUTION NO. 282

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Batchellor.

RESOLUTION CREATING CETA POSITION IN THE OFFICE OF THE COUNTY PLANNER

RESOLVED, that the position of Planning Aide in the Office of the Orleans County Planner be created under the CETA Program at a base salary to be set by the Board of Supervisors upon recommendation of the Finance Committee; said position to terminate upon termination of CETA funds for this position, and be it

FURTHER RESOLVED, that the duties of the Planning Aide shall consist of cartography and research as directed by the County Planner; working as a Youth Coordinator for the Youth Board; updating the tax maps in the office of the Real Property Tax Director; and any other duties as directed by the Planning Committee and the Board of Supervisors.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

It was moved by Supervisor Piedimonte that the title of Head Jailor be changed to Deputy Sergeant Correction at the same base salary as Sergeant. At the request of Supervisor Paduchak, that request was tabled to be sure that all the union requirements have been complied with.

Supervisor Dudek informed the Board that he would be setting up a meeting with representatives of Livingston County to discuss with them what steps they have taken regarding their reappraisal of county property to see if such information could be of benefit to Orleans County.

It was moved by Supervisor Kubatek and seconded by Supervisor Dudek that the County Planner and Economic Development Coordinator be authorized to attend a meeting on EDA planning to be held in Rochester on September 27, 1977, at county expense.

Carried.

RESOLUTION NO. 283

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING AGREEMENT BETWEEN THE COUNTY OF ORLEANS AND GENESEE COUNTY FOR BOARDING WOMEN PRISONERS IN THE ORLEANS COUNTY JAIL

RESOLVED, that the agreement herewith presented between the County of Orleans and Genesee County for boarding women prisoners from Genesee County in the Orleans County Jail, be, and hereby is approved by this Board, and the Chairman of this Board is authorized to execute same in the name of the County of Orleans.

By Supervisor Paduchak , who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING COUNTY TREASURER TO BID IN PROPERTY AT TAX SALE

RESOLVED, that, pursuant to authority contained in Section 1008 of the Real Property Tax Law, the County Treasurer be, and hereby is, authorized to bid in the unpaid taxes at the Tax Sale to be held on November 17, 1977, in the name of the County of Orleans.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

RESOLUTION NO. 287

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING TRANSFER OF FUNDS FROM ACCOUNT CA1990

RESOLVED, that the County Treasurer be authorized to appropriate the sum of \$3,500.00 to Account CA1010-4 for the payment of completion of the salary study manual, as authorized by Resolution No. 111 adopted on March 17, 1977, said funds to be transferred from FRS Contingent Fund Account CA1990.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

#### RESOLUTION NO. 288

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION AUTHORIZING ADVERTISING FOR BIDS FOR CONSTRUCTION OF NEW COUNTY OFFICE BUILDING

RESOLVED, that the Building Committee of this Board be, and hereby are authorized to advertise for bids for the construction of the new County Office Building, said bids to be opened at 2:00 p.m., November 3, 1977.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

It was moved by Supervisor Paduchak and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Supervisor Piedimonte, "Mr. Chairman, in advertising for bids for construction of the new county building, Supervisor Dudek, the County Planner, Bob Balcerzak and Robert Tirsch, went to Clifton Park on Tuesday to look at a new type of heating - solar heating. They will get back to us on costs - there are a lot of if's and ands to be ironed out."

Supervisor Dudek, "It is more than just the solar heat, it is the construction of a building. They used a building process that when the walls are poured and it is an insulation type material that has a high insulating factor. It is put up in sections. The big emphasis is on the insulation and air tightness of the building. The figures that they gave us, the amounts needed to heat these buildings, are very impressive and if you look at the 10-year cost of heating the building or the 20-year cost, as compared to the conventional means, it is staggering to see how efficient these buildings are. The problem with it is it is very difficult to utilize the procedure if bids are authorized or accepted for the conventional means of building. We may want to consider that before awarding any bids."

#### RESOLUTION NO. 289

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION AMENDING AGREEMENT WITH MIDLAND AMBULANCE SERVICE, INC.

RESOLVED, that the procedures for payment of the subsidy for Midland Ambulance Service, Inc., be revised in accordance with the discussions between the contractor and the Board of Supervisors.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

It was moved by Supervisor Swiercznski and seconded by Supervisor Piedimonte that the meeting be adjourned. Carried.

Adjourned at 10:30 p.m.

REGULAR MEETING  
Thursday, October 6, 1977

The meeting was called to order at 10:00 a.m., by the Chairman. After the Pledge to the Flag the Clerk called the roll and all Supervisors were found present except Supervisor Batchellor who was ill.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

It was moved by Supervisor Bane and seconded by Supervisor Swiercznski that Carri Blake, Director of the Office for the Aging or a member of her staff, or a member of the Office for the Aging Committee, be authorized to attend the public hearing on "Housing for Senior Citizens: Meeting New York's Needs" in Buffalo on October 20, 1977, at county expense.

Carried.

The Clerk read the following communications:

Letter from NYS Department of Agriculture & Markets to Sealer of Weights and Measures, dated September 27, 1977, commenting on the survey they did of the Orleans County Sealer of Weights and Measures Department. The survey showed that the program conducted by that office is an effective one. The letter said, "The Sealer's positive attitude towards performance of program activities allows for a vital and essential service to be rendered which provides protection to all who transact business by weight, measure or count." The letter also suggested that the County begin preparing for a transition to metric.

Presented the financial report of the Genesee/Finger Lakes Regional Planning Council for the period June 1, 1977 - September 15, 1977.

Letter from the County Planner dated October 3, 1977, re: Proposed Economic Bond Proposition.

Letter from Assemblyman Hawley dated September 30, 1977, acknowledging Resolution No. 274.

It was moved by Supervisor Kemp and seconded by Supervisor Bane that Russell Harding, Public Health Engineer, be authorized to attend a Directors' Meeting at Cornell on October 20-21, 1977, at county expense.

Carried.

It was moved by Supervisor Swiercznski and seconded by Supervisor Kubatek that John D. Strickland, Sealer of Weights and Measures, be authorized to attend a meeting of the Western New York Sealers Association to be held in Olean, N. Y., October 19, 1977, at county expense.

Carried.

It was moved by Supervisor Piedimonte and seconded by Supervisor Kubatek that Sandra Bower, Orleans County Personnel Officer, and the Senior Typist in that office, be authorized to attend a training program conducted by the Municipal Service Division, in Rochester, N. Y., on October 25-26, 1977, at county expense.

Carried.

RESOLUTION NO. 290

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION REQUESTING POSITION OF COUNTY PLANNING DIRECTOR BE PLACED  
IN THE NON-COMPETITIVE CLASS OF CIVIL SERVICE

RESOLVED, that this Board notify the New York State Civil Service Department that this Board desires that the position of Orleans County Planning Director be included in the non-competitive class for the following reasons:

Primarily the Board of Supervisors believes that the position of Planning Director is similar with that of other departmental directors who work closely with the Board of Supervisors in determining and advising the Board on major public policy decisions.

While a Civil Service test may determine a candidates technical capabilities, we believe the intimate relationship necessary between the Planning Director position and the Supervisors warrants the greatest amount of flexibility in choosing qualified candidates. No major public policy decisions can be made if the immediate advisors to the Supervisors are unable to agree on common goals and policies with respect to public issues. The Civil Service System will unnecessarily restrict our capability of determining who our own best advisors are to be. We feel that the complexity of county government today warrants that the Supervisors be able to choose a qualified candidate in whom we have the most confidence, not the candidate with the highest test score.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

RESOLUTION NO. 291

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION SETTING SALARY FOR STAFF SOCIAL WORKER AND ACTING DIRECTOR  
ORLEANS COUNTY MENTAL HEALTH DEPARTMENT

RESOLVED, that the salary of Thomas Waite, M.S.W., Staff Social Worker in the Orleans County Mental Health Department, be set at \$13,500.00 and that Mr. Waite also receive \$250.00 a month while serving as Acting Director of the Mental Health Department, said wage increases to be retroactive to August 15, 1977.

Adopted 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

The Board discussed briefly the position of Director of Mental Health and whether said position should be filled by a physician.

RESOLUTION NO. 292

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION AUTHORIZING COUNTY TREASURER TO REFUND CETA MONIES

RESOLVED, pursuant to the request of the New York State Labor Department, by letter dated September 23, 1977, the County Treasurer is hereby authorized to refund the sum of \$4,613.06 to the New York State Department of Labor, said refund being a refund of CETA monies paid to an ineligible participant.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Because there is a question as to whether the ineligible participant may have given false information on his application for a CETA position, Supervisor Swiercznski requested that the matter be referred to the District Attorney for investigation.

The Board received a memorandum from the Office of General Services regarding Federal Surplus Property Donation Program. Referred to the Director of the Office of Natural Disaster and Civil Defense.

The following letter from Robert F. Balcerzak, P.E. was read:

Re: New County Office Building

Att: Mr. Clayton Plummer, Chairman

Gentlemen:

In accordance with your instructions we are proceeding with a complete property line survey and partial topographical survey of the Infirmary property which is to serve as the site for the new County Office Building.

Survey results thus far have confirmed our fears expressed earlier to you in the field -- there is a definite encroachment onto County property from the South by approximately four hundred feet (400 ft.). As soon as weather permits corner stakes will be set in the planted area along the South line to identify this encroachment exactly.

Our building layout indicates that we should be at the top of the knoll and this means going into the planted area approximately twenty five feet (25 ft.). This is, of course, County property and you have every right to do this. However, it may be well to have your Attorney serve notice on the individual "farming" the County property that this is about to happen. This would afford him the opportunity to harvest the area if desired prior to the start of construction. This may help prevent ruffled feathers when the heavy equipment moves in shortly.

As it now stands, we're in the bean field about half way with our building. If the Board wants us to stay out, there's still time to accomplish this if you so desire and let us know right away.

We await your wishes in this matter.

Sincerely,

Robert F. Balcerzak, P. E.

The County Attorney was requested to send a letter to the person whose crops are on County property notifying him of the situation and giving him notice that the County will be using that property in the near future but will allow him to harvest his crop.

The Board received a request from Donna D. Woolston an employee in the Family Court, under the CETA Program, that she be reimbursed for tuition for a course she is taking entitled "Introduction to Criminal Justice". The County Attorney pointed out that there is some question whether an employee in the Court could be considered a County employee since the courts are under the State of New York. Also Section 28.1 of the union contract regarding tuition reimbursement reads, "Employees may make application to the Board of Supervisors to take courses, outside of working hours, which are related to the employees position with the County. If the Board of Supervisors approves such course; upon successful completion of the course of study, the employee shall make application to the Board of Supervisors to have their tuition cost reimbursed by the County." It was pointed out that prior approval of this employee taking said course was not obtained.

It was moved by Supervisor Paduchak and seconded by Supervisor Kubatek that Ms. Woolston's request for tuition reimbursement be denied. After discussion, Supervisor Kubatek withdrew his second. The question was tabled for further clarification.

The Clerk presented the Damage Assessment Report prepared by the USDA - County Emergency Board, dated September 27, 1977, showing the damage to crops in Orleans County caused by the recent heavy rains. Also presented was a resolution and letter to be sent to the Governor requesting Orleans County be declared a disaster area.

Supervisor Paduchak stated that he had been in Albany earlier in the week and had picked up a newspaper which contained an article from the Associated Press. The article concerned the damage to crops in Western New York. One section of the article quoted a Congressional Legislative Aide to the Small Business Committee. This section read as follows: "Western New York counties seem to be dragging their feet in asking for aid. We can not do anything until local governments take action. He cited an example - Orleans County where the County Board of Supervisors will vote on Thursday on whether to ask for disaster relief. From all I have heard it was quite bad up there but the fact that the County Supervisors are dragging their feet raises some question in my mind."

Supervisor Paduchak pointed out that the Board was asked to forestall any action, even today's resolution, to find out if it was going to get any worse. Supervisor Paduchak said, "The point is, it is as bad as it can get. Up until the last five inches of rain it wasn't too bad. There is some question as to how much help the farmers will get. Many farmers will be able to finance their operation from local banks and will not be eligible for low interest loans but that the big farmers will be eligible. It isn't fair. Why should some have to pay 10% interest to keep going - where some larger operations can get 3% loans but percentage-wise the loss to the small farmer is just as great."

Supervisor Piedimonte replied that under SBA farmers would all get low interest loans but not under FHA.

Supervisor Plummer said he had a call from Mrs. Knack reporting on a call she had received from Albany. In the call the Board was requested to wait for two weeks before requesting disaster aid because they thought the situation might improve. Supervisor Plummer stated he did not believe they would because crops are ruined now. He suggested the Board adopt the resolution.

#### RESOLUTION NO. 295

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Paduchak and all other members of the Board.

#### RESOLUTION REQUESTING ORLEANS COUNTY BE DECLARED A DISASTER AREA

WHEREAS, this Board has received a report from the USDA Emergency County Committee showing an estimated loss of \$10,308,000 in damages to agricultural crops in Orleans County as a result of the heavy rains of recent weeks, now therefore be it

RESOLVED, that this Board of Supervisors does hereby request the Governor of the State of New York to declare Orleans County a disaster area and do request the Federal and State Governments to give all possible assistance to the farmers and other businessmen in Orleans County to help them recover from their tremendous losses.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Dudek, "I think that we are asking for help from the Federal Government but we do not know if we will get it or not and time for harvesting is short, the weather may improve and some salvaging of some of these crops may be possible. I think some effort might be made by the Board or by the County as a whole in some way to get people to assist the farmers. Maybe labor will be difficult to get if things dry up and there will be things that need to be done all at one time. Maybe we can get people or organizations to help provide some labor for the farmers. If we could help save even a small percentage of the crops. When there were floods Orleans County went down to the areas and people showed that they would respond to a disaster situation. We could do a lot to help ourselves. Perhaps we could generate some momentum."

The County Attorney requested an executive session so that he might discuss several lawsuits pending against the County.

It was moved by Supervisor Bane and seconded by Supervisor Paduchak that the Board go into executive session to discuss the pending lawsuits.

Adopted. 352 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

#### AFTERNOON SESSION

Reconvened at 1:45 p.m. all Supervisors present except Supervisor Batchellor.

Privilege of the floor was granted to Mrs. Evelyn Lyman, Librarian at Swan Library. Mrs. Lyman presented the following proposal:

*Swan Library*  
4 N. MAIN ST.  
ALBION, N. Y. 14411

6 October 1977

Orleans County Board of Supervisors  
Court House  
Albion, N. Y. 14411

Gentlemen:

The recently announced award of EDA funds to the Town of Albion for a library renovation project at the Swan Library should provide the library with dry, habitable space in three sunny basement rooms, an attractive grade entrance on the north side of the building with a large hallway, and elevator access to all floors.

You are acquainted with the Swan Library's recent struggle to obtain sufficient funds to maintain services, and persistent attempts to make up for years of neglect to the building from lack of funds. Your generosity in consideration of library needs has helped keep the library open in the face of mounting operational expenses due to rising costs of fuel, utilities and books. You will understand, then, that when Oswald J. Joerg suggested EDA funding was also available to libraries under the terms of the Economic Development Act I requested permission of my board to apply, and permission was granted. We were not funded in 1976, but 1977 Round II funding has now been granted for half the original project, namely the basement renovation and the elevator.

There are several options open to the library as to the use of the basement space. One proposal was an art gallery, and should there be need for expansion of juvenile services we could, at considerable expense, move the childrens department to that floor and hire another professional librarian and the cases and tables that go with a childrens library. At the moment we can afford these services where they are being given on the 1st floor.

A third option seems to be suggested by the increased use of our local history collection, and the actual burgeoning growth of that collection. Neil Johnson, a library trustee and also the newly appointed curator of the new Historical Society Archives has discussed with me the possibility of consolidation of the area of use for Swan Library Archives, Historical Society Archives, which are also growing, and the possibility of inviting the County Historian to join in this

-2-

same area as a means of expanding hours available for access to historical information. The historian is available 2 afternoons a week and the library is open every afternoon except Sunday, and four evenings.

The Swan Library offers this option to the Supervisors. This space could be made available for such a purpose when the renovation is complete. The project is funded and will commence in less than 90 days. There remains ample time for consideration should such a proposal be useful to the county, where the proximity of the county clerk's records is vital to the work of the Historian.

Sincerely yours,

Evelyn L. Lyman, Director

Chairman Plummer thanked Mrs. Lyman for presenting the offer from the Swan Library and said the Board would give it every consideration.

RESOLUTION NO. 296

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION APPOINTING PHYSICIAN AT COUNTY HOME AND INFIRMARY

RESOLVED, that Paul Monte, M.D., be appointed Attending Physician at the Orleans County Home and Infirmary, effective October 15, 1977, at an annual salary of \$3,900.00, to fill the vacancy created by the resignation of Dorothy O. Cooper, M.D.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Swiercznski suggested that the Clerk send a letter to Dr. Cooper thanking her for her past service to the County.

It was moved by Supervisor Bane and seconded by Supervisor Piedimonte that a leave of absence, without pay, be granted to Mrs. Pamela Hill, effective June 24, 1977; this leave is being granted at this time because the Department failed to get the request in at the proper time and in order not to jeopardize Mrs. Hill's position.

Adopted.

A request for payment of a claim from the Genesee/Finger Lakes Regional Planning Council, dated September 27, 1977, was referred to the Finance Committee for recommendation.

RESOLUTION NO. 297

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION APPOINTING DIRECTOR OF REAL PROPERTY TAX SERVICE

RESOLVED, that Arnold Basinait, Albion, N. Y., be appointed Director of Real Property Tax Services I for a term of six years, commencing October 1, 1977, at an annual salary of \$11,000.00.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Dudek, Chairman of the Planning and Equalization Committee, reported that the committee, Manpower Coordinator and Director of Real Property met with several persons from Livingston County to get information on the property revaluation being conducted in Livingston County. From the information received from them - the following proposal for a countywide reassessment of property in Orleans County was developed.

PROPOSAL FOR COUNTYWIDE REASSESSMENT

Cost for conventional reassessment	\$35 per parcel x 16,000	= 560,000
State reimbursement	\$10 per parcel x 16,000	= <u>160,000</u>
	COUNTY COST	400,000
Cost with CETA utilization		
CETA-Manpower & Administration		200,000
Revaluation contractor \$15 per parcel x 16,000		240,000
State reimbursement \$10 per parcel x 16,000		<u>160,000</u>
	COUNTY COST	80,000

---

## POSSIBLE TIMETABLE

TOTAL FRAME/COST PER MONTH  
COMPLETION TIME - 15 MONTHS

		<u>240,000</u>	= 15,000 per month
		15	
Oct 77	- Authorize CETA Application		
Nov 77	- Bid for Revaluation Contractor	11 months in 1978	\$165,000
		78 reimbursement	
Dec 77	- Award Bid	(5 x 16,000)	- <u>80,000</u>
Jan 78	- Hiring for Data Collectors	Actual County 78	
		Cost	- \$ 75,000
Feb 78	- Data Gathering Begins	5 months in 79	- \$ 75,000
		79 reimbursement	
Mar 78		(2 x 16,000)	- <u>32,000</u>
to		Actual County 79	
April 79	- Revaluation in Process	Cost	- \$ 43,000
May 79	- Completion of Assessment Roll	\$3 per parcel	
		final payment	
June 79		1981	- \$ 48,000
&	- Wrap-up		
July 79			

The reappraisal would be at 100% valuation and would have to meet all the criteria set by the State in order to get reimbursement of \$10.00 per parcel. The estimated cost is based on figures from Livingston County. Because Orleans County has already got our information entered on the ARLM system there may be reason to believe that the cost may be less than \$15.00 a parcel to the contractor. Supervisor Dudek told the Board that the people in Livingston County were very satisfied with the quality of work done by CETA personnel.

Supervisor Dudek, "There always seems to be a stigma attached to CETA because it is a federal program to employ individuals. If we were to hire a revaluation contractor to come into the County as they did in Genesee County, the people that work for that revaluation contractor, were people that weren't working originally either. They were people from the college, they were young people, they were people that worked for about the minimum wage, and they were just hired by the contractor, so the quality of the people really isn't any different."

Supervisor Kubatek, "Some of these companies have a shortage of qualified personnel so that after they train the CETA personnel many of them have a good chance of picking up permanent work."

Supervisor Dudek, "And that was an advantage that was pointed out too, some of the people that they have found in the CETA program and started training, the company is considering putting them on staff because they are doing a good job."

Supervisor Piedimonte, "These people that are going out and gathering data, are they going to be going through the homes, measuring rooms and things like that?"

Supervisor Dudek, "That is the process that is set up in other counties. It is almost mandatory in a 100% valuation."

Supervisor Dudek told the Board that after the CETA people are trained they go to all the properties and gather information - statistics. They do not do any revaluating. They bring the information back and it is all put on cards and that is done by the revaluation contractor so that the professional would be the one deciding on the revaluation.

Supervisor Swiercznski said, "This looks like a good format but I think before we go to far, each Supervisor should go back to his own town board and assessor and get an agreement that they will go along with a revaluation."

When asked if CETA funds were available - Supervisor Dudek replied that Mr. Hancock thought it would be an excellent use of these funds.

Supervisor Kemp, "As you probably know, this has been brought up before, and I always have been against reassessment on account of the cost we have just gone through with our tax maps. But taking everything into consideration at the present time, I feel it is an opportune time for this county and I think we would be very negligent if we did not progress with it. Especially with the CETA workers to cut down on the cost of the program."

After further discussion the following resolutions were passed in connection with a reappraisal program:

#### RESOLUTION NO. 298

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION AUTHORIZING APPLICATION FOR CETA FUNDS FOR REAPPRAISAL

RESOLVED, that this Board file an application with the Manpower Coordinator for CETA funds to employ data collectors to conduct a County wide reappraisal of all property within the County of Orleans.

#### RESOLUTION AUTHORIZING LETTER RE: REAPPRAISAL OF PROPERTY

RESOLVED, that this Board send a letter to each Town Board, Assessor or Board of Assessors in the County requesting a letter from them to the Board of Supervisors indicating their willingness to cooperate in any reappraisal of property within the County of Orleans and that they be requested to reply to the Board of Supervisors before November 1, 1977.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Kemp reported that the T.B. Program has been approved by the State and everything seems to be going OK.

Supervisor Nayman reported that the Solid Waste Committee had met and wished to suggest to the Board that the solid waste problem be handled on a county level and become part of the operating cost of the County. The Committee recommended that the Board enter into a one year contract with the cost spread over the entire county. The County Attorney was requested to prepare specifications for bidding for a solid waste disposal facility.

#### RESOLUTION NO. 300

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION AUTHORIZING BIDS FOR SITE FOR SOLID WASTE DISPOSAL

RESOLVED, that the Solid Waste Committee of this Board be, and hereby are, authorized to advertise for bids for furnishing of a site for solid waste disposal for the period January 1, 1978 through December 31, 1978; said bids to be received up until 7:30 p.m., Thursday, October 20, 1977.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Nayman - "The Purchasing Committee is in general agreement that we should engage the services of someone with expertise to assist in the final selection of a computer or computerized type of equipment. We would suggest that we engage Darryl VanAlstyne of the Town of Kendall. Mr. VanAlstyne does not sell any equipment. He has been involved in computer work almost ten years. He has been with the State University at Brockport and then has moved to the BOCES School in Spencerport. Mr. VanAlstyne can give us some basic comparison - pros and cons - between the mini style computer and the time sharing computer. This would give us a better idea of what is better for the County of Orleans. He has agreed to work on a fee of \$10.00 per hour which I feel is very reasonable."

#### RESOLUTION NO. 301

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Kubatek.

#### RESOLUTION AUTHORIZING COMPARISON STUDY OF COMPUTER SYSTEMS

RESOLVED, that the County engage the services of Darryl VanAlstyne, Kendall, N. Y., to prepare a comparison study of the differences between a mini type computer and the time sharing type computer and the cost of each type of computer if the County should decide to lease or purchase a computer; Mr. Van Alstyne is to be paid at the rate of \$10.00 per hour up to a maximum of \$200.00, upon presentation of a County voucher submitted monthly to the Board of Supervisors.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

RESOLUTION NO. 302

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION CHANGING TITLE IN SHERIFF'S DEPARTMENT

RESOLVED, pursuant to the request of the Sheriff by letter dated September 22, 1977, the title of Head Jailor is hereby changed to Deputy Sergeant Jailor at the base salary for Sergeant, effective with the pay period beginning October 12, 1977.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Dudek reported that the Labor Relations Committee had met and one of the matters brought up for discussion was a request concerning maternity leave. Before the new contract maternity leave could be for one year after the period of disability. Under the new contract maternity leave is limited to the period of disability. What they are requesting is that for the period of time between the sick leave and negotiations for the next contract that the County consider extending the sick leave. Supervisor Dudek pointed out that the problem is under the old contract they could stay home with their children for a period of time but under the new contract once they can't qualify for sick leave they have to come back to work. They are not asking for money but for time off without pay until the matter can be negotiated under a new contract. It appears that in negotiating for more benefits they ignored something they had had for years.

Supervisor Nayman reported that the other request from the employees was that the paragraph allowing the Board of Supervisors to grant a thirty hour work week in July and August was left out of the contract. Supervisor Dudek said they did discuss that matter but it was not meant to be brought up for consideration by the Board it was a matter for negotiations for next year.

The County Attorney advised that these matters were negotiated and could be considered in future negotiations.

At Supervisor Dudek's request, the County Planner explained the New York State Tourist Promotion Act which had been referred to him for investigation.

Mr. Astles informed the Board that under the act the State would match dollar for dollar funds for advertising to promote travel. However any contract would have to be a minimum of \$16,000. \$8,000 State money and \$8,000 County money. The I Love New York theme would have to be incorporated into any advertising. The money would have to be spent on hard media advertising such as newspapers, magazines, etc. It couldn't be spent on mailings. The money would have to be spent by August of next year and a tourist promotion agency would have to be established. The application for funds under this act for Orleans County did not seem feasible.

RESOLUTION ACCEPTING RESIGNATION FROM AND MAKING APPOINTMENT TO THE ORLEANS COUNTY DRUG ABUSE PREVENTION COUNCIL

RESOLVED, pursuant to the request of Donald White, Sheriff, by letter dated October 6, 1977, this Board does hereby accept his resignation as a member of the Orleans County Drug Abuse Prevention Council (former Narcotics Guidance Council), and upon his recommendation appoints Ann Reigle, Salt Road, Medina, N. Y., a member of that council, as Chairman.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

It was moved by Supervisor Swiercznski and seconded by Supervisor Piedimonte that the meeting be adjourned.

Carried.

Adjourned at 3:15 p.m.

REGULAR MEETING  
Thursday, October 20, 1977

The meeting was called to order at 8:00 p.m. by the Chairman. After the Pledge to the Flag the Clerk called the roll and all Supervisors were found present except Supervisors Kubatek and Batchellor.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Mr. Daryl Van Alstyne. Mr. Van Alstyne is a resident of the Town of Kendall and currently employed at BOCES in Spencerport as an educational computer consultant. Mr. Van Alstyne had been requested to make recommendations to the Board as to the type of computer best suited to the requirements of Orleans County.

Mr. Van Alstyne described the difference between the time sharing type computer and the batch type computer. "Time Sharing is defined as a process by which more than one user has access to the capabilities of the computer for the purpose of more efficiently utilizing these capabilities." A Batch type computer is designed to run one type of job at a time. Mr. Van Alstyne estimated the cost of both computers to be somewhat the same or perhaps possibly 10% higher for the time sharing type. Terminals can be located in various places for use with a time sharing computer. The Board of Elections have already put their information on the time sharing computer at Brockport State.

Supervisor Nayman reported that the Board of Elections are requesting installation of a terminal in their office on a month to month basis. The cost of such a terminal would be \$110.00 per month. Through the office of NYS Office of General Services they can lease a telephone line for \$89.23 a month plus an original installation cost of \$38.46 a month and \$14.00 a month for an inter-connect with Rochester Telephone and \$.07 per each telephone call.

Mr. Van Alstyne estimated that it would cost approximately \$1200 per month to lease a time sharing system plus \$200 a month maintenance. The Board discussed many other aspects of both types of computer systems.

The Clerk presented the list of projects proposed under the New York State Economic Action Program Bond issue.

It was moved by Supervisor Bane and seconded by Supervisor Swiercznski that one person from the Medicaid unit of the Department of Social Services be authorized to attend the public hearing on the early and periodic screening diagnosis and treatment component of the Medicaid Program in Buffalo on November 22, 1977, at county expense.

Carried.

The Clerk presented the following communications:

Letter from G/F Regional Planning Council dated October 7, 1977, advising the Board that its proposed 1978 budget has been approved.

Letters from the Town of Albion Town Board and Assessor supporting reappraisal of county property; Assessor, Town of Gaines, supporting reappraisal; Town Board of Shelby supporting reappraisal; Town Board of Kendall supporting reappraisal. RESOLUTION AUTHORIZING CHAIRMAN TO REQUEST DOG QUARANTINE

WHEREAS, the deer population in the County of Orleans may suffer severe depredation due to dogs pursuing and killing deer, be it

RESOLVED, that the Chairman of the Orleans County Board of Supervisors, be, and hereby is, empowered, when he deems it necessary, to request the Commissioner of Agriculture and Markets, with the concurrence of the Commissioner of Environmental Conservation, to issue an order that all dogs in the County of Orleans be securely confined until said order is revoked. Such confinement is to take effect 24 hours after notice is given in manner prescribed by the Commissioner of Agriculture and Markets.

Adopted. 279 ayes; 0 nays; 2 absent, Supervisor Batchellor (21) and Supervisor Kubatek (72).

Presented the minutes of the Orleans County Youth Board for 9/20/77. The minutes read in part, "After a long discussion concerning the appointment of chief school officers of all five districts, it was felt that a system of rotation could be set up so that only one chief school officer could represent all schools for a year. It was requested that this be discussed with them and see if it would be acceptable to them." The Youth Board also suggests that it be expanded to 19 people so that two youth representatives can serve. This matter will be considered at the next meeting of the Board of Supervisors.

Adopted. 279 ayes; 0 nays; 2 absent, Supervisor Batchellor (21) and Supervisor Kubatek (72).

The matter of accepting the Penn Central compromise was again discussed and a letter from the County Treasurer was read. The County Treasurer informed the Board that she had checks totaling \$90,023.74 in her possession. The County Attorney told the Board that it has not yet been determined if the bonds proposed to be issued by Penn Central can legally be accepted by municipalities. Also these bonds would not come due for ten years and no one can determine what financial shape Penn Central may be in at that time.

RESOLUTION NO. 315

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION ACCEPTING PENN CENTRAL COMPROMISE OF UNPAID TAXES

RESOLVED, that the County Treasurer is hereby authorized to accept the compromise cash settlement of unpaid taxes of Penn Central Railroad Corporation in the amount of \$90,023.74.

Adjourned at 10:30 p.m. until 10:00 a.m. October 26, 1977.

ADJOURNED REGULAR MEETING  
Wednesday, October 26, 1977

The meeting was called to order at 10:10 a.m. by the Chairman. After the Pledge to the Flag the Clerk called the roll and all Supervisors were present except Supervisors' Batchellor and Nayman.

Privilege of the floor was granted to Mrs. Mary B. Basinait, Budget Officer, for the reading of the tentative budget for 1978.

Mrs. Basinait informed the Board that a \$200,000 cash surplus used to reduce the tax levy results in an increased levy for 1978 of approximately \$64,820. This surplus resulted in part from payment of back railroad taxes.

Supervisor Swiercznski stated that even though the Social Services budget is down problems could result if CETA funds were withdrawn. The Board discussed the increased Mental Health Budget for ARC programs. Mr. Waite will be invited to discuss this later in this meeting.

RESOLUTION NO. 323

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION FIXING DATE OF PUBLIC HEARING ON TENTATIVE COUNTY BUDGET FOR 1978

RESOLVED, that the public hearing on the tentative budget for the year 1978 be held in the Court House, Albion, N. Y., on Thursday, November 17, 1977 at 7:00 p.m. and that the notice of hearing be published in the Albion Advertiser, Inc., and the Medina Daily Journal-Register, Inc.

Adopted. 286 ayes; 0 nays; 2 absent, Supervisor Batchellor (21) and Supervisor Nayman (65).

RESOLUTION NO. 324

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION AUTHORIZING ADVERTISING FOR BIDS FOR FILM AND DEVELOPMENT FOR MICROFILMING COUNTY RECORDS

RESOLVED, that the Purchasing and Printing Committee of this Board be authorized to advertise for bids and purchase film and development of film for microfilming records in the County Clerk's Office.

Adopted. 286 ayes; 0 nays; 2 absent, Supervisor Batchellor (21) and Supervisor Nayman (65).

Mrs. Marti Smith, President of the Association for Retarded Children, and Mr. Thomas Waite, Acting Director of Mental Health, were requested to explain the \$135,000 item for a Sheltered Workshop Program.

Mrs. Smith explained that Orleans County is one of but three county's in New York State which does not have a Sheltered Workshop Program. Sheltered Workshop Programs train mentally retarded persons to perform certain types of work for industries. These persons are people who can not compete for work in industries. In order to obtain funds from the Office of Vocational Rehabilitation the program must meet certain standards set up by that office. Eventually it is hoped many of these persons could be placed in industries. Mrs. Smith said the start-up cost of such a program is high but it is hoped that later in the program some of the cost would be assumed by the revenues derived from the work produced by the workshop.

The Board members questioned whether Orleans County could combine with another county for these services as has been done in many parts of New York State. Mrs. Smith said they had investigated that possibility but Monroe County can not take any more clients; Genesee County has been having problems with their program and Niagara's program was considered but the Association does think they should "go that road".

Mr. Waite explained that the State is reorganizing Mental Health Departments into three divisions; (1) mental health; (2) retardation; (3) and alcoholism. Mental Health Boards will be expanded to fifteen persons.

After much discussion it was decided to leave these items in the tentative budget until after the public hearing.

Adjourned for lunch at 12:30 p.m.

#### AFTERNOON SESSION

Reconvened at 1:45 p.m. all Supervisors present except Supervisors' Batchellor and Nayman.

#### RESOLUTION NO. 325

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION ADOPTING THE TENTATIVE COUNTY BUDGET FOR 1978

RESOLVED, that the tentative County Budget for 1978 as presented by the County Budget Officer at this meeting be approved.

It was moved by Supervisor Piedimonte and seconded by Supervisor Kemp that the Board go into executive session to discuss negotiations with the Sheriff's Department employees.

Adopted. 286 ayes; 0 nays; 2 absent, Supervisor Batchellor (21) and Supervisor Nayman (65).

Adjourned for executive session at 1:50 p.m.

It was moved by Supervisor Piedimonte and seconded by Supervisor Dudek that the meeting be adjourned.

Carried.

Adjourned at 2:25 p.m.

REGULAR MEETING  
Thursday, November 3, 1977

The meeting was called to order at 10:10 a.m. by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were present except Supervisor Batchellor.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Robert Golden, Probation Director. Mr. Golden requested that three additional positions be created in the Probation Department. One additional Probation Officer, one Supervisor and one Senior Stenographer. Mr. Golden said that there has been a 57% rise in the case load since the loss of the federal project, which resulted in the loss of one officer and two contact people. He told the Board that this has resulted in more people being sent to institutions with a increase in cost to the County. Mr. Golden said that since the Board charged the Probation Department with the detention program that also requires a good deal of his time. After discussion of various other aspects of the work of the Probation Department, the matter was referred to the Judicial and Finance Committee's for recommendation.

Privilege of the floor was granted to James Hancock, Manpower Coordinator. Mr. Hancock reported that the review committee had approved eight projects under the Title VI funding and these were also approved by Albany. These projects are now getting started but there is a need for more projects. The eight projects which will be started shortly are, (1) Resource Assistant in the Department of Social Services; (2) Fire Safety Inspector in the Village of Medina; (3) Nature Trail Construction on the Fancher Campus; (4) Microfilming County Clerk's records; (5) Landscaping project for BOCES in Medina; (6) Counsel-Aide at the Albion Correctional Facility; (7) Winterization Program - CAC; (8) Day Care Facility at Marion House. An effort will be made to place projects in non-profit public service organizations.

Privilege of the floor was granted to Mr. Robert Patrick from the State Board of Equalization and Assessment. Mr. Patrick outlined the time table for doing a 100% revaluation of all property in the county. The first thing to be done is develop specifications for contractors to bid on, putting out the bid and analyzing the bids so that the contractor can start early next year. Then hiring the CETA people to collect the data during the major part of 1978. During 1979 analyzing the data and refining it with heavy involvement of the assessors during this time. Sending information to each taxpayer so he can look at the information collected on his house and say yes this is right or no it isn't. During the end of 1979 we get into the actual valuation process and do field review of all the values. Then send notices to the taxpayers and put the information on the assessment rolls. Two additional people will need to be hired full time on the County level - one an administrator of the project and the other a data manager. This will put an increased burden on the assessors.

The State Board will work on preparing the specifications and analyzing the bids so that the County can pick a reliable contractor. The State will also provide computer service at no charge. If the

budget and staff of the State Board allows they will provide a monitor for the program to assist the County. If the State can not provide this service the County will have to hire someone knowledgeable in this area at a cost of between 2-3 dollars a parcel.

Mr. Patrick said the total cost would be about \$35 a parcel but with the use of CETA people it would be about \$20 a parcel. If the County hires a monitor it would be 2-3 dollars more a parcel.

Mr. Patrick also informed the Board that it will cost approximately 50-75 thousand dollars a year to keep the revaluation current after it is completed. This cost would include the salaries of the two additional employees, the data processing cost, and rehiring a contractor to keep up the revaluation.

Supervisor Piedimonte noted that the Town of Murray has been ordered by the court to revalue at 100% and asked if the Town of Murray could be done first. Mr. Patrick said that it could be done that way. The County Attorney informed the Board that if the County does undertake the revaluation the Board could instruct the County Attorney to intervene to request that all proceedings be stayed. Discussion of the effects of a revaluation took place regarding equalization rates and agriculture values.

The Clerk presented the following communications:

Resolution from the Orleans County Bar Association supporting the request for additional personnel in the Probation Department.

ANNUAL SESSION  
First Day  
Monday, November 14, 1977

The annual meeting of the Board of Supervisors of the County of Orleans was held in the chambers of said Board in the Court House, Albion, New York, on Monday, November 14, 1977.

The Board was called to order by its Chairman, Clayton Plummer, at 10:00 a.m. After the Pledge to the Flag, the Clerk called the roll and all the following listed members comprising the Board of Supervisors for the year ending December 31, 1977, were present, except Supervisor George Batchellor, Town of Barre, who was ill.

Francis Nayman, Albion, New York	Town of Albion
Clayton Plummer, Waterport, New York	Town of Carlton
Albert Kemp, Holley, New York	Town of Clarendon
S. Theodore Swiercznski, Albion, N. Y.	Town of Gaines
Michael Paduchak, Kendall, New York	Town of Kendall
James J. Piedimonte, Holley, New York	Town of Murray
Stanley R. Kubatek, Medina, New York	Town of Ridgeway
Stanley Dudek, Medina, New York	Town of Shelby
George W. Bane, Lyndonville, N. Y.	Town of Yates

Privilege of the floor was granted to Dr. Ruth Barrett, representing Mr. Richard Brain, Administrator of Arnold Gregory Memorial Hospital, Albion, New York. Dr. Barrett reminded the Board that the local Health Planning Sub-committee had studied the obstetric service in the County and recommended that both obstetrical units in the County be kept open for access to medical care and for recruitment of physicians. However, the Regional Task Force on Obstetrics voted at its last meeting, by a very close margin, to close one unit and selected Albion to close and Medina to stay open and Medina to change from six beds to eight beds. Dr. Barrett told the Board that HSA nationally has been charged with reducing the number of hospital beds from 4.5 per 1000 population down to 4 and in two or three years down to 3.1. Orleans County has 3.1 beds per 1000 population so is inadequately bedded rather than over bedded. The HSA of WNY is meeting on Thursday at 3:00 p.m. to vote on a decision as to whether or not obstetrics should be continued in both hospitals in Orleans County.

Dr. Barrett cited several reasons why Orleans County should have both units open. She said, "all of the family practice physicians in New York State last year in residency were asked how many of them would go to a community with less than 30,000 population. The answers were about one out of three. The same group was then asked how many of them would go to a community without obstetrical services. And again the answer was one out of three. So we get down to about ten per cent of the family practitioners would even consider an area in Orleans County if they did not have obstetrical service."

Dr. Barrett told the Board that since the Cuba hospital had been forced to close their obstetrics unit they have since lost their obstetrician and pediatrician and have been unsuccessful in recruiting any additional physicians. Dr. Barrett discussed fiscal penalties imposed on the hospitals for various reasons and the cost of medical care in rural areas versus city areas.

RESOLUTION NO. 349

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION OPPOSING CLOSING OF HOSPITAL UNITS

WHEREAS, the Medina Memorial Hospital, Medina, New York, and the Arnold Gregory Memorial Hospital, Albion, New York, have for many years served and continue to serve the hospital needs of Orleans County residents, and

WHEREAS, both hospitals keep and maintain well staffed facilities for maternity and pediatric care which attract qualified physicians to our county, and

WHEREAS, to curtail any part of the services of either hospital will adversely effect the quality of medical care in our community, now therefore be it

RESOLVED, that the Orleans County Board of Supervisors opposes any restriction or curtailment of medical services offered by Medina Memorial Hospital and Arnold Gregory Memorial Hospital, and be it

FURTHER RESOLVED, that any restriction or curtailment of maternity and pediatric care in either of the hospitals will not only reduce the quality of medical care to Orleans County families but will add to the financial and social burdens of county residents by requiring lengthy and costly travel to other hospitals and be it

FURTHER RESOLVED, that any such restriction or curtailment will mitigate greatly against attracting into this rural area physicians who desire family practice which is so vital to our community health planning.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

The Clerk presented the following communications:

Notice from the Public Service Commission as to the implementation of the Home Insulation and Energy Conservation Act.

From NYSAC - re: Unemployment Insurance. The Finance Committee will be making recommendations on this matter.

Letter from Governor Carey, dated November 3, 1977, acknowledging receipt of the agricultural damage report from Orleans County.

Letter from the NYS Energy Office, dated November 3, 1977, regarding provisions of the federal Energy Conservation and Production Act of 1976.

Letter from the Village of Medina requesting a CETA position for a safety training program. This position will be created under Title VI - Activities Projects.

It was moved by Supervisor Paduchak and seconded by Supervisor Kubatek that one member of the Buildings and Maintenance staff be authorized to attend the energy conservation program in Rochester during the week ending November 19, 1977, at county expense.

RESOLUTION CHANGING NAME OF NARCOTICS GUIDANCE COUNCIL OFFICE

RESOLVED, that the name of the Orleans County Narcotics Guidance Council be changed to Orleans County Drug Abuse Prevention Council.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Resolution from the Orleans County Bar Association adopted on October 25, 1977, requesting that the County provide two full-time judges to handle matters of Family Court, County Court and Surrogate's Court and create the position of confidential clerk. Also that the Board of Supervisors utilize the existing court house building for judicial functions only.

Supervisor Paduchak stated that the Board could not comply with using the Court House for judicial functions only at the present time but it would be considered when the new office building is completed. The Board discussed whether there would be enough work for two judges and what the State might allow since the courts are now under the State. The County Attorney stressed the need for a confidential clerk to the judge and the qualifications needed.

It was moved by Supervisor Paduchak and seconded by Supervisor Kubatek that this Board inquire into securing a confidential clerk to the judge.

After discussion the motion was withdrawn to allow the committee to investigate the matter.

It was moved by Supervisor Bane and seconded by Supervisor Dudek that Mrs. Carri Blake, Director of the Office for the Aging, be authorized to attend the NYS Association for Human Services conference in Rochester, N. Y., November 29-December 1, 1977, at county expense.

Carried.

Recessed at 10:55 a.m. Reconvened at 11:05 a.m.

Supervisor Kemp requested that the question of appointing David Turkow to fill the vacant Sanitarian position be removed from the table.

RESOLUTION NO. 351

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION APPOINTING SANITARIAN IN HEALTH DEPARTMENT

RESOLVED, that David Turkow be appointed to the vacant Sanitarian position in the Orleans County Health Department, effective January 1, 1978, at the salary set for that position.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Dudek reported that the application for CETA Title VI funds for the proposed reappraisal has been submitted to the Manpower Office. A time table for preparing specifications and requesting bids has been tentatively prepared. Preliminary specifications will be received from the State Board by the 18th for the committee to review.

It was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that the County Highway Superintendent be authorized to order 2500 county maps at an approximate cost of 55¢ each and that sufficient funds be appropriated from FRS monies.

Supervisor Nayman asked if a map had been designated as an official county map. After discussion the matter was tabled for the committee to investigate the matter.

Supervisor Swiercznski suggested that as soon as possible a meeting be set up with the farming community to explain the reappraisal of property so that everyone understands the situation.

The Clerk read the following letter from the County Attorney regarding reapportionment:

Re: County Reapportionment Plans

Gentlemen:

Both the proposed Local Laws No. 5 and 6 concerning County Reapportionment were defeated by the voters on the November 8, 1977 General Election. This means that neither proposition carried as required by the Municipal Home Rule Law and the provisions of the Court Order. This means that the County continues to operate under the Interim Court Order as revised.

The law imposes upon the Orleans County Board of Supervisors the duty of proceeding to determine a plan of reapportionment which will meet the constitutional requirements of one man one vote and to have the same approved by the court and put into effect under the provisions of law. The court will not normally intervene in such matters unless it becomes apparent that the Board of Supervisors refuses to act.

I discussed the situation with Hon. Theodore Kasler on November 9th and he agreed that the next steps were up to the Board of Supervisors. Judge Kasler also evidenced a continuing interest in the matter, and stated a willingness to meet informally with representatives of the Board and the petitioner and their respective counsel as well as any other directly interested group in the near future. He suggested meeting on Friday afternoons at anytime after November 18, 1977.

I strongly recommend that the Board of Supervisors avail themselves of the opportunity of this informal discussion with Judge Kasler and that a basis for procedure be established even before the organization of the new Board of Supervisors on January 2, 1978.

Very truly yours,

  
Paul I. Miles  
County Attorney

RESOLUTION RE: SECTION 224 -- TRANSPORTATION LAW

BE IT RESOLVED, that pursuant to Section 22-y of the Transportation Law of the State of New York, the sum of \$2,904.94 is hereby apportioned to the Town of Murray, being the amount remaining unpaid as of November 1, 1977, by the Penn Central Transportation Company on account of materials furnished and labor and services rendered and paid for by the State of New York in the elimination of certain highway railroad crossing at grade in the Town of Murray, and

BE IT FURTHER RESOLVED, that the Town of Murray proceed pursuant to said Section 224 of the Transportation Law of the State of New York to collect the same, and

BE IT FURTHER RESOLVED, that a copy of the certificate provided by the State of New York, be forwarded to the Town of Murray.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

Supervisor Piedimonte noted that the bridge over Route 31 in the Town of Murray is now open.

Chairman Plummer presented a proposal from Genesee County for paying the deficit to the Regional Planning Board. Orleans County's share would be \$11,165.00 to be paid over a five year period. The County Attorney reported that he had attended a meeting of County Attorney's to discuss this matter and there is some question as to whether this deficit can be legally paid by the county.

Supervisor Nayman mentioned that now that the County has a single contract for a landfill he felt that something should be done to have the County maintain the road at the landfill.

The County Attorney requested an executive session to discuss pending lawsuits.

It was moved by Supervisor Bane and seconded by Supervisor Piedimonte that the Board go into executive session to discuss pending lawsuits.

Adopted. 351 ayes; 0 nays; 1 absent, Supervisor Batchellor (21).

ANNUAL SESSION  
Third Day  
Thursday, December 1, 1977

The meeting was called to order at 10:10 a.m. by the Chairman. After the Pledge to the Flag the Clerk called the roll and all Supervisors were found present.

Privilege of the floor was granted to James Hancock, Manpower Coordinator. Mr. Hancock reported on the meeting he attended in Albany concerning hiring goals for Title 2 and 6. The Clerk read a telegram from the Administrator of the CETA Program in Albany. The Board was informed that the County should inform the State of its plans to meet the hiring goals. Mr. Hancock told the Board that Orleans County should have no trouble meeting the hiring goals because several projects have already been started and the reappraisal project will be started in January. More project proposals are still needed and should be submitted to the Manpower Office.

The Clerk read the following communications:

Letter from Labor Dept. regarding OJT funding for 1978. Funds in the amount of \$42,982.00 have been allocated and \$39,802.00 in Vocational Education Funds.

Letter from DOT dated November 18, 1977, re: acknowledgment of Resolution No. 344. The letter said in part, "Since most of the shippers on the Hojack West are located west of Barker the Department does not intend to preserve the right-of-way from Barker east."

It was moved by Supervisor Kemp and seconded by Supervisor Bane that the Commissioner of Social Services and one member of the Social Services Committee be authorized to attend a public hearing in Buffalo on December 13, 1977, at county expense, regarding Title XX.

Carried.

Letter from Ms. Betsy Hoffman, Orleans County Correspondent for WWBK, dated November 10, 1977, regarding the location of the mens restroom at the foot of the stairs in the Court House. Supervisor Paduchak informed the Board that the Building Committee are considering methods of rectifying the situation in the near future. Referred to the Building Committee.

Letter from the Office of Communications of the Diocese of Buffalo, dated November 28, 1977, thanking the County for use of the Court House in the film they are preparing for television. The Producer asked to be informed as to how the County wishes its name to appear on the list of credits. The Board decided that "Courtesy of the County of Orleans" should be used.

It was moved by Supervisor Bane and seconded by Supervisor Kemp that  
pursuant to the request of the Staff Personnel Officer of the Department of  
Social Services, by letter dated November 21, 1977, the leave of absence  
for Susan Lear granted by this Board, be withdrawn at her request.

Carried.

The Board discussed the report of the deficit committee of the Genesee/Finger Lakes Regional Planning Council. Under the proposal the County of Orleans would have to pay \$11,165. The County Attorney reported on the meeting he attended with other County Attorney's in relation to this matter. The Attorney's are not in agreement that this can legally be paid. Referred to the Finance Committee.

Letter from the Orleans County Association of Fire Chiefs, dated October 27, 1977, recommending a \$3,000 increase in the salary of the Director of the Office of Natural Disaster and Civil Defense. Referred to Finance Committee.

Letter from the Mental Health Department dated November 17, 1977, requesting that the Board reconsider the allocation of \$25,000 in the 1978 budget for the purpose of initial program planning and development in the area of alcoholism. After discussion the matter was referred to the Finance Committee.

Letter from Office for the Aging requesting a CETA job slot for an outreach worker was referred to the Committee for the Office for the Aging.

Letter from Commissioner Klapper dated November 18, 1977, regarding inclusion of various titles in the salary study was referred to the Salary Study Committee for consideration.

It was moved by Supervisor Bane and seconded by Supervisor Swiercznski that a leave of absence, without pay, be granted to Phyllis Redshaw, an employee of the Home and Infirmary, for the period November 18, 1977 to May 18, 1978.

Carried.

It was moved by Supervisor Kemp and seconded by Supervisor Bane that three members of the Mental Health Board and the Acting Director be authorized to attend a conference in Buffalo on November 29, 1977, at county expense; also that Joan Uhrman, Ph.D., Staff Psychologist, be authorized to attend a conference in New York City on December 10-11, 1977, at county expense.

Carried.

Letter from Mr. Waite, Acting Director of the Mental Health Dept., dated November 14, 1977, concerning uncollectable accounts, was referred to the County Attorney.

#### RESOLUTION NO. 355

By Supervisor Kemp, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION APPROVING APPOINTMENT OF ENVIRONMENTAL HEALTH TECHNICIAN

RESOLVED, pursuant to the request of the Orleans County Board of Health, by letter dated November 23, 1977, this Board does hereby approve the appointment of Wayne Dickinson to the position of Environmental Health Technician in the Orleans County Health Department, effective January 1, 1978, at the base salary set for that position.

Adopted. 372 ayes; 0 nays; 0 absent.

Before adoption of the above resolution the Board discussed whether or not the trainee position should be abolished. Supervisor Kemp recommended that it not be abolished but that it should not be filled either.

Letter from the Genesee/Finger Lakes Regional Planning Council regarding their recommendation that the county's adopt resolutions in support of the Genesee/Finger Lakes Economic Development District was read. No action taken. This matter will be discussed with the Director of the Planning Board on December 8th.

Recessed at 11:35 a.m., reconvened at 11:45 a.m.

Discussion of whether or not to use the recommended State equalization rates for apportionment of the taxes, or whether to use last year's rates, took place. Upon roll call vote the following resolution was adopted:

#### RESOLUTION NO. 356

By Supervisor Kubatek, who moved the adoption.

Seconded by Supervisor Paduchak.

#### RESOLUTION ADOPTING EQUALIZATION RATES

RESOLVED, that the following equalization rates as recommended by the State Board of Equalization and Assessment, for the respective towns in the County, be adopted by this Board for the apportionment of the 1977 county taxes.

TOWN	RATE

RESOLUTION CREATING ADDITIONAL POSITIONS IN THE DEPT OF SOCIAL SERVICES

RESOLVED, pursuant to the request of the Commissioner of Social Services by letter dated November 7, 1977, there be, and hereby are created in the Support Collection Unit of the Department of Social Services, one position of Senior Account Clerk Typist at an annual base salary of \$7,119.40 and one position of Stenographer at an annual base salary of \$6,775.93, both positions to be effective December 15, 1977.

Adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Bane asked that the request contained in Mr. Klapper's letter for purchase of equipment be tabled.

Supervisor Dudek informed the Board that there was a request from the Armory Committee to ask the County Planner to do a study on the utilization of that facility and to explore any funding available for the operation of that type of facility. Supervisor Dudek said that the County Planner is willing to undertake such a study. Supervisor Dudek moved a motion to authorize the County Planner to undertake a study of the utilization of the Armory in Medina and to explore any possible funding for its operation.

Supervisor Kubatek said there have been several county agencies looking at the armory but that someone is needed to coordinate this at a County level to see what type of changes need to be made and what the State would lease it for, etc.

Mr. Astles stated that to undertake a feasibility study of this kind will involve a considerable amount of time and he felt he would be in a better position to do this if he had a resolution from the Board of Supervisors authorizing it.

Supervisor Swiercznski asked if most of these figures weren't available from the study that was done by the Planning Board at the time the County was considering going over to the school.

Supervisor Kubatek stated that the Board is going to be asked if we do have any agencies to go in there and in order to speak for the County figures will be needed to go on. He said that this needs to be tied into the cost figures, etc., of the armory.

Supervisor Dudek said that the County is the only one who has the resources to investigate this facility to see if it can be used for multi-purposes by many agencies, not just the County but Villages, etc.

Supervisor Swiercznski asked what about the empty schools in the County and shouldn't they be included in a study also. Supervisor Nayman questioned whether this might not be setting a precedent that as Supervisor Swiercznski said there are many empty buildings in the County.

Supervisor Kubatek said that in this case the Board had been requested to investigate this matter.

Supervisor Kubatek seconded the motion; the resolution was adopted.

RESOLUTION NO. 358

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION AUTHORIZING COUNTY PLANNER TO DO FEASIBILITY STUDY OF USES  
OF THE MEDINA ARMORY

RESOLVED, that the County Planner be authorized to do a feasibility study on the utilization of the Medina Armory for County agencies and to explore any possible funding for the operation of that facility.

Adopted. 327 ayes; 2 nays, Supervisor Bennett (21) and Supervisor Swiercznski (24); 0 absent.

Supervisor Dudek informed the Board that the company who built the solar heat system at the building he and others looked at near Albany, is willing to undertake a search for funding for the County of Orleans to install a solar heating system in the new building. They would need \$750.00 to start this project. Supervisor Dudek said, "We are going to have a building that will be done on the outside, it will be sitting there without any completion. We have not discussed any further plans on it, this might afford us help in getting some monies to work towards its completion."

Mr. Astles informed the Board that this company has the specs for the building and the drawings and that the letter received from them explains that under normal conditions about 3% would go towards preparation of these plans and grants. This sum of \$750 would be a good-faith deposit and if there is a grant it would be incorporated in it - if not the County wouldn't get it back. There is money in the Planning Board budget.

Supervisor Piedimonte said that there is funding available and he was very impressed with the system.

Supervisor Nayman questioned whether the County should enter into any experimental programs - that this type of heating requires considerable expense and that unless there is 100% funding for a considerable period of time he would be against it.

Mr. Astles said that the committee felt that if the \$750 was going to be spent that it should be on at least 90% to 100% funding. As for the equipment there are virtually no mechanical parts they will guarantee all the equipment for ten years and that would be written into a contract. It is all a matter of heat transfer and in addition to the parts being guaranteed, there are no moving parts that could breakdown.

Supervisor Swiercznski suggested that the engineer on the building had not made any recommendations on this.

Supervisor Dudek informed the Board that this is more than solar heat, it is consideration of an energy efficient building.

Supervisor Paduchak suggested that we have Mr. Balcerzak at the next meeting to discuss this matter before a decision is made.

The County Attorney explained that a new law will go into effect January 1, 1978 concerning the selection of jurors. No longer will the Supervisors prepare jury lists. The law provides for the creation of a County Jury Board to consist of one member of this Board, who is not an attorney, the County Judge and a designated Supreme Court Judge of the 8th District. The Jury Board or a majority of them appoints a Commissioner of Jurors and that Commissioner of Jurors is charged with the duty of preparing a jury list, sending out questionnaires and making sure the jury list is proper. The jury list now will be selected from a random selection of people in the County. The Commissioner of Jurors will utilize voter registration lists, lists of utility subscribers, lists of operators of motor

vehicles, lists of motor vehicle owners, state and local taxpayers. This becomes effective January 1st and all jury lists will not be usable after January 1st. This applies to all courts in the unified court system. For that reason the member of the Board of Supervisors should be appointed at the Organization meeting in January. The County Attorney said that since this becomes effective January 1st something must be done immediately to ensure having a list of jurors otherwise there will be no Grand Jury, etc. Therefore the law says that, the Commissioner of Jurors in each County or other officer exercising the powers and duties in that office, is empowered and directed to take whatever action he deems necessary and appropriate for the proper implementation of this article, including but not limited to the printing and mailing of questionnaires.

The County Clerk has been doing this job and is now directed by this statute to go ahead and start getting these lists. He has ordered the lists and has the form prepared. Mr. Miles said that the problem is that 5,000 questionnaires must be mailed out and somebody will have to do this. This is all part of the Office of Court Administration and will be a charge on the State.

Supervisor Paduchak noted that persons who wish to serve as jurors should now notify the Commissioner of Jurors that they wish to serve and be put on the list.

Supervisor Piedimonte informed the Board that he felt the County budget could be adopted today. He would recommend that the appropriation for personal service legislature could be cut from \$53,000 to \$48,240; ARC - Mental Health could be cut to \$35,000 from \$135,050; and that there are some questions regarding the item for a boat for the Sheriff's Department, the Sheriff was asked to comment on this.

Sheriff White was granted the privilege of the floor. He cited some of the reasons he felt it was necessary for his department to have a boat that could be used on Lake Ontario and other navigable waters in the County. He told the Board that his department gets many complaints from cottage owners particularly on Oak Orchard Creek and Johnson Creek because of boats speeding in the creeks and causing damage to docks and boats. Also the number of sport fishermen has increased greatly because of the salmon fishing. Sheriff White said the County has some 20 odd miles of coastline and 3000 craft that use the waters of this county every year. Discussion took place about the possibility of renting a boat - Sheriff White replied that the amount of time such a boat could be used would result in many problems.

Supervisor Nayman said that the boat would be used not just to police somebody but to protect the boating population. He told the Board that the type of boat used has to be a practical hull that can stand the waters of Lake Ontario. It needs to be something that is seaworthy that a single man can control. He said he supported the Sheriff's request for a boat.

Sheriff White said that the cost of the boat and expenses are 50% reimbursable.

Much discussion of the operation of the Sheriff's Department took place.

The Board discussed the appropriation for ARC Sheltered Workshop Program and the following motion was made and adopted.

It was moved by Supervisor Piedimonte and seconded by Supervisor Paduchak that the sum of \$100,000 be deleted from the proposed ARC Sheltered Workshop item in the 1978 budget, leaving the sum of \$35,050.00.

Carried.

Supervisor Swiercznski inquired about the \$50,000 the County is scheduled to receive from the State for Social Services; he asked if that couldn't be used as a cash surplus.

Recessed at 3:05 p.m., reconvened at 3:45 p.m.

The County Treasurer appeared before the Board. She stated that she had not received the \$50,000 from Social Services but that Mr. Kinney had called the State and was told it should be here next week. Upon a question from Supervisor Swiercznski inquiring into expected County Road monies, she replied that that money is in the revenues of the 1977 budget for the Highway Department.

The Clerk read a letter from the Orleans County Taxpayers Association, dated December 1, 1977, which stated that tentative copies of the budget were not available to the public for study at a sufficient time before the hearing. The Clerk stated that this was not true that copies were available and that no one requested a copy from her office. The letter also objected to adding a boat and a new deputy to the Sheriff's Dept. and to a "25% raise for the Supervisors until such time as a new form of government is finalized." They also stated that "in regard to ARC we feel that a certain amount of seed money could be put up with another neighboring county to participate in such a venture."

#### RESOLUTION NO. 359

#### RESOLUTION TO TERMINATE UNNECESSARY STATE DEPRIVATION OF COUNTY ROAD FUND MONIES

WHEREAS, In 1972 the State of New York saw fit to impose an arbitrary limitation on the amount of monies that would be reimbursed, in accordance with the Highway Law, to the various County Road Funds throughout this State; and

WHEREAS, This capricious limitation was set at "no more than each such County Road Fund received in 1971; and

WHEREAS, The State General Fund has been the beneficiary of the ever growing surplus of these funds which are based upon gasoline tax revenues and vehicular license fees; and

WHEREAS, This unnatural deprivation of vitally needed monies which are clearly due the various County Road Funds under Section 112 of the Highway Law has been continued from year to year as a "matter of form" in the annual local assistance legislation prepared by the Division of the Budget, in the Executive Department, regardless of the relative needs of the State or its Counties; and

WHEREAS, The State of New York now faces a certain budget surplus and relatively healthy economic future; and

WHEREAS, The various Counties of this State will face economic difficulties of such scope that local contributions to County Road Funds are being further squeezed and minimized; now

THEREFORE, BE IT RESOLVED, That the Board of Supervisors of the County of Orleans demands that the Division of the Budget cease and desist in its annual deprivation of these vitally needed reimbursements and that the State Legislature do all in its power to ensure that this arbitrary limitation on reimbursements of these road user revenues not be included again in the upcoming local assistance budget bill; and

BE IT FURTHER RESOLVED, That copies of this resolution be sent to the Governor, the Division of the Budget, State Senator Lloyd Paterson and Assemblyman Stephen Hawley and the Senate Finance and Transportation Committees and the Assembly Transportation and Ways and Means Committees.

# **ORLEANS COUNTY BUDGET**

**For the Year 1978**

**Mary B. Basinait  
Budget Officer**

**October 1, 1977**

Your Budget Officer and Finance Committee in conformance with Article 7 of the County Law, herewith submit our recommendations for a budget that we feel is necessary to carry out County functions for the year beginning January 1, 1978:

	Total Appropriation	\$ 15,803,904
Less:	Estimated Revenues	\$ 12,859,595
	General Fund Surplus	250,000

AMOUNT TO BE RAISED BY REAL PROPERTY TAX	\$ 2,694,309
---	--------------

TOTAL APPROPRIATIONS	\$15,803,904
----------------------	--------------

Appropriations have increased \$ 2,312,456 (includes unpaid school taxes) over those of 1977 (1977 appropriation - \$13,491,448). The major contribution to this increase is the CETA program, which is entirely Federally funded. The CETA appropriation and revenue for 1978 is \$2,071,989, or an increase of \$1,278,088 over the \$793,901 amount in our 1977 budget. This amount includes the total CETA budget for towns, villages, schools, hospitals, nursing homes, etc., within the County, as well as some County employees. Because Orleans County is the "Prime Sponsor" of the CETA program, we must include both the total CETA moneys received and spent in our County budget. This procedure, in my opinion, distorts the total budget picture, since only a few (approximately 64, payroll of \$421,160 yearly) of these people employed by this program are actually relative to Orleans County government. Also, since no salary increases were budgeted for 1977, the 1977 adjusted salaries (as reported in the appropriations under "salary adjustment 1977") are reflected in this budget. Mental Health budget is increased from \$179,741 (including 1977 salary adjustments) to \$364,564, or an increase of \$184,823. This increase is due largely to the fact that the State of New York is now placing more of the burden of education and rehabilitation of the mentally retarded on the counties. The Mental Health Board also requested the establishment of an ARC Sheltered Workshop and a Therapeutic Recreation Program. Both of these expenditures are fifty percent reimbursable, but still represent a sizeable amount of county expense. Social Services budget is decreased by \$255,477. Self-Insurance budget is up by \$33,462, due to an increase to the "Provision for Contributed Reserve." Community College appropriation is decreased by \$25,000. There is an appropriation for Waste Disposal of \$28,000, which heretofore, has not been a County cost, but was paid by the Towns. There is an appropriation of \$10,000 for micro-filming, and \$165,000 for Tax Re-Evaluation, which is something we have not budgeted for in the past, but which we will soon be required to complete. The Contingent Fund is increased to \$315,000 from \$165,000 to cover possible salary increases for 1978, since negotiations are not complete for budget purposes and also covers unexpected expenses, or lack of expected revenue amounts. As of January, 1978, municipalities must pay unemployment insurance and we have budgeted \$50,000 to cover possible claims against this account.

In a few instances the "Department Request" (Appropriations) is lower than the Budget Officer's recommendation. I would like to explain that the reason for this is because these additional requests were made after the Department Heads had submitted their budget, but before the recommendation was made. For instance, in the Real Property Tax Department, under Contractual Expense, the decision to start the tax re-evaluation in 1978 was not made until after his budget was submitted. Therefore, he needed to add \$1,000 for the expense of a county-wide mailing required by law. \$40,000 was appropriated to set up a Reserve Equipment account for the Highway Department to avoid future large expenditures in one given budget period for heavy equipment that would soon need replacing. The Personnel Director's budget is increased due to the fact that the Director is now responsible for the total BOCES Civil Service Administration as well as Town, County, and schools. Taxes and insurance on County-owned property is decreased by \$14,500 since we now own fewer properties as a result of the Public Auction.

Increased total anticipated revenues offset a part of the increase in appropriations. This increase amounts to \$ 2,296,681 (Revenues 1977-\$ 10,562,914) or total anticipated revenues for 1978 of \$ 12,859,595.

Due to our strong desire in maintaining efficient handling of County Funds, the Treasurer's office has continued to maintain a diligent policy of income investment and revenue management and our checking accounts are kept at a minimum and any inactive funds invested on a daily basis. This has proved most effective in helping us to stabilize the County tax rate.

The Finance Committee has again taken the position that any new programs must be viewed with caution and any new positions must be given very close consideration.

We are using Anti-Recession moneys received in 1976, but too late to budget for 1977, railroad taxes received unexpectedly in 1977, and a projected Social Services unexpended balance for 1977, as a cash surplus to reduce the 1978 tax levy.

I wish to thank all Department Heads, both for their cooperation in presenting an acceptable budget for 1978 and for cooperating with us by keeping within their 1977 budgets as closely as possible. Also my appreciation to my Finance and Budget Committee, Chairman James Piedimonte, George Bane and Stanley Kubatek, and Chairman of the Board of Supervisors, Clayton Plummer. They have worked faithfully in helping to prepare this budget.

Respectfully submitted,

A handwritten signature in cursive script, reading "Mary B. Basinait".

Mary B. Basinait  
Budget Director

A Resolution Making Appropriations For The Conduct Of The Orleans County Government For The Fiscal Year 1978

Whereas, this Board by resolution dated December 1, 1977, has adopted a budget for the fiscal year 1978.

RESOLVED, that the several amounts specified in such budget in the column entitled, "Adopted", be and they hereby are appropriated for the objects and purposes specified, effective January 1, 1978.

STATE OF NEW YORK  
COUNTY OF ORLEANS

ss:

I, Uldine D. Jurhs, Clerk of the Board of Supervisors of the County of Orleans in the State of New York DO HEREBY CERTIFY that the foregoing resolution was duly adopted by the said Board of Supervisors at an Annual Meeting duly called and regularly held on the 1st day of December, 1977 by a two-thirds vote of all the members elected to said board.

I FURTHER CERTIFY that I have compared the foregoing copy of said resolution with the original thereof now remaining on file in my office and that the foregoing copy is a true and correct copy of said original resolution and of the whole thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and the official seal of said Board of Supervisors this 1st day of December, 1977

ULDINE D. JURHS  
Clerk, Board of Supervisors  
County of Orleans, New York

ANNUAL SESSION  
Fourth Day  
Thursday, December 8, 1977

The meeting was called to order at 10:10 a.m., by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were found present.

Privilege of the Floor was granted to Mr. Glenn Cooke, Director of the Genesee/Finger Lakes Regional Planning Council. Mr. Cooke reviewed the activities of the Planning Council since its reorganization. Under the reorganization plan the finances are handled by the Director and monthly reports are given to the member county's and executive committee members. There is no front-ending of projects. Also under the reorganization plan there is 50% more participation by elected officials on the Planning Council. Mr. Cooke reviewed some of the work programs undertaken by the council - one of the programs is reinstatement of the A-95 review program. Under this program, there is a review of federal and state funding in the area to make sure there is no duplication of effort. The council is also trying to establish an Economic Development District in the area. One of the benefits of such a district would be a 10% bonus on all projects funded in the district. Also the chance to pool resources and knowledge in the area. Another effort of the council is to give grants assistance and information to the County Planning Offices.

Mr. Cooke said he does not see any increase in staff of the council unless the county's wish it, application for federal funding of the agency has not been made. There are many programs which would be eligible for federal funds but would require some funding from the county's.

Supervisor Dudek asked Mr. Cooke what authority an Economic Development District would have on the member county's. Mr. Cooke replied, "it would have very little authority - it will work as a coordinating agency, the only plan now is putting together an overall economic development plan, which Orleans County has now. On regional level they would take priority listing of projects, there would be no trade-off of projects between county's, EDA would make any decisions."

Mr. Cooke presented a map of already established area Economic Development Districts. He said another benefit of such a district is that the regional planning office would know what was happening and could follow through on applications. Mr. Cooke was asked if the county joined, how could they get out. He replied that they could just pass a resolution to withdraw. Supervisor Piedimonte questioned Mr. Cooke about the RC & D application. Mr. Cooke informed the Board that his office was working very closely with the RC & D people on this. But there is no indication if it will be funded.

The County Attorney asked Mr. Cooke that if an industry wished to move from Monroe to Orleans if the district could effect such a move. Mr. Cooke replied that if federal funding were involved it might be effected. Mr. Miles also asked Mr. Cooke regarding the deficit of the old board - that if the deficit is not paid would Monroe County withdraw from the council. He replied that it was a possibility.

Mr. Cooke informed the Board that the council would like a resolution of support for the Economic Development District no later than January 6, 1978.

Privilege of the floor was granted to the County Treasurer, Mrs. Basinait. Mrs. Basinait reported on a meeting held in Syracuse on December 1, 1977. One of the items discussed at this meeting was the fixed assets accounting program. She informed the Board that the Board of Supervisors must fix and adopt rules and regulations in writing, which should include who is in charge of work, how much responsibility on Department Heads, whether or not an

Appraisal Company is hired, also, the base to use \$100 or \$200 or whatever (a different base could be used for real property than is used for personal property), coding must be set up, continuity must be decided as to what and where to tag, etc. Mrs. Basinait outlined the problems and asked the Board to give consideration to setting up the rules and regulations.

Mrs. Basinait also discussed with the Board the new provisions of the unemployment insurance act. She stressed the importance of good personnel files, documenting any warnings to employees, etc. It was discussed that a meeting with department heads should be set up to discuss this problem.

The Clerk presented the following communications:

Letter from Community Action dated December 2, 1977, requesting authorization to have one position of Program Coordinator under the CETA program. Matter was tabled for recommendation from the committee for CAC.

Presented recommendations from the County Planning Board and the Orleans County Agriculture Advisory Committee on the creation of Agriculture District #2 in the Town of Kendall. Both reports recommended approval of this district. Supervisor Paduchak said he would recommend setting a date for the public hearing at a later time.

It was moved by Supervisor Piedimonte and seconded by Supervisor Nayman that Ann Golisano, Self-Insurance Administrator, be authorized to attend a meeting of the NYS Association of Self-Insured Counties on December 15, 1977, at Syracuse, N. Y., at county expense.

The Auditing Committee reported that they had received a claim from Mr. Michael Nilsson for mileage for attendance at Traffic Safety Board Meetings and for several items of postage, etc. for that Board. No receipts were attached for the items purchased. The matter was referred to the committee for the Traffic Safety Board to make recommendations.

Privilege of the floor was granted to Dr. Charles J. Ganim. Dr. Ganim asked if the Board could meet in executive session to discuss union negotiations.

It was moved by Supervisor Nayman and seconded by Supervisor Kubatek that the Board go into executive session to discuss union negotiations.

Adopted Unanimously.

Adjourned at 11:15 a.m. for executive session. Reconvened at 11:40 a.m.

Privilege of the floor was granted to Mr. Thomas Waite, Acting Director of the Mental Health Dept. Mr. Waite told the Board that he was appearing before them at the request of the Mental Health Board to ask that the Board of Supervisors accept the concept of accepting the \$25,000 100% grant from the State of New York to develop an alcoholism program for Orleans County. The Mental Health Board will present a formal agreement at a later date. A letter has been sent to the State indicating that the Mental Health Board is interested in developing proposals for alcoholism programs and asking them to allocate the sum of \$25,000 for this purpose. The grant would be for a three year period, after which time the County would pick up the cost of the program on the same reimbursement as the other Mental Health Dept. budget. The Board discussed the merits of the proposal and some of the problems connected with the alcoholism problems in the County.

Adjourned at 12:05 p.m. for lunch.

#### AFTERNOON SESSION

Reconvened at 1:50 p.m., all Supervisors present.

Privilege of the floor was granted to Dr. Charles Ganim, Value Management Consultants, Inc. Dr. Ganim described the various services which his firm has been performing for the County. He also brought the Board up to date on the labor negotiations. The Sheriff's negotiations are only 5% complete. The CSEA negotiations are almost complete. Dr. Ganim outlined a proposal for his firm to perform various functions for the County, including the unemployment insurance advice, negotiations, salary and job evaluations, etc. for a cost of \$34,000.00 to be paid over a two year period. Under such a proposal Dr. Ganim or a member of his staff would be available to the County for advice and direct services for two years on the various negotiations, unemployment insurance and implementing the salary structure. Ganim and Swartz Associates is a separate firm which handles the unemployment insurance consulting. Under the proposal of Dr. Ganim - VMC would pay the firm of Ganim and Swartz to handle the unemployment insurance for the County and Towns. If the County decides not to accept the proposal - the cost would be \$1.80 per employee per year and \$50.00 for each town. Dr. Ganim was asked if the villages could be included under this proposal for unemployment insurance. He said there might have to be a slight cost.

Recessed at 2:20 p.m., reconvened at 2:45 p.m.

Dr. Ganim informed the Board that he would include the villages under the proposal if they wish to partake at no additional cost. This covers only the unemployment insurance portion of the proposal. Dr. Ganim also informed the Board that in response to the Board's request to include having the negotiations completed for 1979 - he will include this in the proposal that if negotiations are not completed for the two bargaining units at the conclusion of 1979 he will complete these under the proposal at no extra cost.

ANNUAL SESSION  
Fifth Day  
Monday, December 19, 1977

The meeting was called to order at 10:10 a.m. by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were found present.

Privilege of the floor was granted to Mr. Robert Balcerzak. Mr. Balcerzak explained that when the bids were let for the new office building bidders were asked to submit in their bids a provision for a temporary electric service to be used during construction. This service would cost \$3500.00 and when the construction is finished would be removed. For an additional \$800.00 the power company suggests putting in a permanent service. Mr. Balcerzak recommended that the Board approve the additional \$800.00.

RESOLUTION NO. 391

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING PERMANENT ELECTRICAL SERVICE FOR NEW COUNTY OFFICE BUILDING

RESOLVED, that Robert Balcerzak, P.E., Construction Supervisor for the new County Office Building, be authorized to have a permanent electrical service installed in place of the temporary service at the new County Office Building at an additional cost of \$800.00.

Adopted. 372 ayes; 0 nays; 0 absent.

Mr. Balcerzak was requested to comment on the possible use of solar energy in the new County office building.

Mr. Balcerzak, "The building is ideally suited for utilization of solar energy. It is up high, there is no shading, the orientation is proper, we have our long wall to the south, we have no reflection for the solar panels, no high rise buildings around us. So that the building couldn't be put in any better spot for solar energy.

The question is, do you want to do this? And secondly, do you want to do it now? There is an awful lot of research going on in solar energy and my question is do you want to be a small part of the research or do you want to take advantage of all the research. You can utilize solar energy at any point in time. The question is how much does it cost to do it. Is it cheaper to do it now or is it cheaper to do it later on. You people might say well it is cheaper to do it now while the building is being done. There is so much research going on now which will reduce the hardware costs that waiting may save a lot. You may think you will get money for the solar package complete, now this isn't true. You have to participate in this application to at least 33% and possibly more if you expect to get it. The last round was 33% and the first round was 20%. The application states that we are looking for more than in previous applications, so if your solar package costs \$100,000, the County has got to come up with at least \$33,000 of their own money. You also have to have a back up system 100%. You have got to put in your regular heating and cooling system just as if you didn't have solar energy. You are not going to save money on

conventional heating and cooling. Also you are going to be forced into finishing the building right away. The government isn't going to give you the money for the solar package and let you set it up there on the roof and let you decide when we are going to finish the building. They want the data and they want it now, and they want it for the next five years. You have got to monitor it. You've got to supply the data to them for this system. To be fed into their computer banks. So that, you know you are probably thinking of finishing this project from monies from maybe a round three or round four or somewhere around a five year span. But if you go into this program, you have got to have your conventional heating system in, got to have your electrical system in which is probably \$300,000 - and I think they are going to want the building finished - they are going to want people in there which is going to load the building the way it is designed to be.

There is so much research going on - you have no idea how much research is going on. I think that in the next five years there is going to be a tremendous change - say even in storage - this is the biggest expense and the biggest problem. How do you store the stuff? Are you going to store it in the building. There are other ways of storing it. I think they are going to come up with confining and much more efficient storage capabilities. The decision is yours. The building is there. You can heat it, supplementing it with solar energy. But I think you should be aware of all the facts before you make the decision."

Supervisor Paduchak noted that you can make any building efficient if you put in enough insulation.

Mr. Balcerzak, "We designed the building to be energy conscious. We kept the windows small. We have got the most efficient window on the market. We got the thermal barrier window, we have got the insulating glass. We can put any amount of insulation in there you want. If you put ten inches of urethane on those walls and ceiling, I guarantee you your gas bill or electric bill and even your candle heat source would look good. With solar energy you have got the control problem which isn't worked out yet. The question of how the solar energy is stored into your systems and how do you get it back out."

Supervisor Swiercznski, "What would a conventional system, the back up system, cost."

Mr. Balcerzak, "The equipment for heating - about \$200,000. Based upon that type of system the total electrical bill would be about \$35,000 a year. About \$18,000 would be for heat. You are going to reduce some of that by virtue of the heat pump - 15 or 20 per cent."

Asked whether any planning had been done about the heat for the building, Mr. Balcerzak replied that the roof was designed with the heating in mind.

Supervisor Dudek, "I think that one thing that concerns everyone is that there is not necessarily solar heat to be considered but that the long term energy use of that building to be considered."

Supervisor Dudek asked Mr. Balcerzak what about the design of the interior in case another round grant comes along. Mr. Balcerzak replied that he thought the County should wait until we are solicited or told we can get additional money. Supervisor Dudek asked Mr. Balcerzak if he had any figures of what the complete cost might be to finish the building. Mr. Balcerzak estimated \$800,000.

RESOLUTION AUTHORIZING THE COUNTY OF ONTARIO BEING DESIGNATED AS THE EMPLOYER OF THE GENESEE/FINGER LAKES REGIONAL PLANNING COUNCIL EMPLOYEES FOR THE PURPOSE OF ALL EMPLOYEE BENEFITS

WHEREAS, the 8 counties comprising the Genesee/Finger Lakes Region, namely Genesee, Livingston, Monroe, Ontario, Orleans, Seneca, Wayne and Yates through their appropriate legislative bodies, have adopted resolutions establishing the Genesee/Finger Lakes Regional Planning Council pursuant to the provisions of Article 5-6 and 12-8 of the General Municipal Law; and

WHEREAS, it is legally necessary for the administration of the Genesee/Finger Lakes Regional Planning Council to have designated a single county as the employer of the Regional Planning Council's employees for the purpose of all employee benefits and to report said benefits exactly as all other employees of that county; and

WHEREAS, this Board of Supervisors of the County of Orleans has received a resolution from the County of Ontario indicating their willingness to be designated as the county to be the employer of said employees of the Genesee/Finger Lakes Regional Planning Council, now therefore be it

RESOLVED, that the County of Orleans through its Board of Supervisors does hereby approve designation of the County of Ontario as the county designated to be the employer of employees of the Genesee/Finger Lakes Regional Planning Council for the purpose of employee benefits as for employees of that county, and be it

FURTHER RESOLVED, that copies of this resolution be forwarded to the member counties of the Genesee/Finger Lakes Regional Planning Council and to the Executive Director of the Council.

Adopted. 372 ayes; 0 nays; 0 absent.

It was moved by Supervisor Swiercznski and seconded by Supervisor Bennett that the Board go into executive session to discuss insurance on a lawsuit.

Unanimously adopted.

Recessed at 10:30 a.m. for executive session. Reconvened at 11:10 a.m.

Privilege of the floor was granted to Prof. Laura Root. In introducing Prof. Root, Supervisor Kubatek told the Board, "Gentlemen, we have been asked to put up seed money - approximately \$25,000 for an alcoholism program in Orleans County. Many of us had questions as to do we really have a deterrent program and who does it affect in the county. Is this something that we should get into right away or should we wait until the State tells us that we have to get into it. Is this something that's effecting our area? Adn with us today we are very fortunate to have Professor Laura E. Root and I when she gets through today I am sure we will have a better understanding of what the problem is and I am sure she will be willing to answer any questions that we may have on it.

To give a little background on Professor Root. She is a native of Orleans County - of Medina. She is presently with Washington University. She is co-director of National Alcoholism Training Program for professionals at Washington University. Prof. of Social Science Institute. Twenty-five years in the field of alcoholism. The clinician in treatment in training judges, legislators, public administrators, mental health coordinators, executive directors of hospitals and clinics, mental health centers, etc. She is teaching graduate school, training professors of psychiatrists, psychologists, ministers, nurses, social workers, community planners, program developers and comprehensive approach to planning a community program for alcoholism services. She has published articles monographs and books on alcoholism in English, French and German, Netherlands, Swiss and in Africa. She presented papers in Ireland, England, Wales, Scotland, Spain, Germany, Italy, Portugal, Austria and South Africa. She is a member of the Board of Scientific Research Data for the International Council on Alcohol and Addiction in Switzerland and she is a board member of the Alcohol and Drug Problems Association of North America, board member of Comprehensive Care Corp. - a private for-profit corporation, that owns 33 hospitals for alcoholism in the United States. She is consultant to the Highland Center which is a 4 million dollar facility for alcoholics in St. Louis, Mo. and she is a board member of the Regional Comprehensive Health Advisory Committee of the State of Missouri. She is also a member of many professional organizations and alcoholism facilities. At this time I'd like to present to you Professor Laura E. Root."

Professor Root, "Good morning. I should tell you how I got here. I was talking to a young man from the Journal-Register and my cousin, Helen Munson, who runs Curry's store. Since I have been a Medina-ite all my life and return - no matter how many years I'm away, I come home once a year and spend a month with Helen. And she sends me the Journal-Register and I saw this article on alcoholism and I said "whoops - they need some help" and I was talking to Helen and I said will you call the people and see if I can help them. Let me say why I am interested. First I expect to return to Medina when I retire and make it my home. And since I did have some expertise in this area it would be stupid while I am here, even though I am on vacation, not to get involved to try to do something. Free, you might as well say, since I am earning \$250 a day plus expenses.

But let's talk for a minute about alcoholism in a local sense. At this point in time according to the best research and data that we have there was a twelve year study, a survey in the United States by Dr. Don Kaheelan out on the west coast at Berkeley. It took him twelve years to get it, along with some data that was obtained by HEW, and under HEW the National Institute on Alcohol and Alcohol Abuse and Alcoholism, and they have come up with an estimate of 10 million alcoholics in the United States and explained at the local level, whatever the population of Orleans County - for 14 and up, because we have studies of where the youngest child has had a sip of booze and been intoxicated by 10 - from Orleans County point in time, we must figure your county's population and that is adults 15 and up - then you figure on the basis of that one out of ten persons, multiplied times four, that could be family member, could be an employer, or full alcoholic I mean, non-drinking people that are living and interacting. Now for the men who are out on the street who are picked up off the street - some of the people I used to know in Medina there who, shall I say are chronically cases of alcoholics, who belong to families and everything. Those families need to be treated just as much as do the alcoholics. And what you have coming down to you under the Uniform Alcoholic Control Act of 1972 in which Senator Hughes and Senator Javits, helped pass, it is a matter of time in which you must do something, the longer you put it off the more it is going to cost you. So I would urge you to get your hands on whatever you can get your hands on and go in with the least amount of money. I understand you have to put up \$5,000 in good faith, and I say to you gentlemen, you are getting off cheap. That is cheap,

to get \$25,000 in here for three years. Now you are saying you have to pick up the bill - well, I am going to be very blunt with you, you are going to pick up the bill anyway. I have a philosophy of life - and that is move it or milk it. Now as far as I am concerned I love to look up to Medina and Orleans County - I don't expect to see you lagging your tails down here. If there is any way I can help I will. But let me say this to you, there are all kinds of programs that you can have in but you are going to have to come up with some local bread - that is a hard fact of life. Now, it might be from the sales tax, it might be from general revenue, it might be from fund raising, but you are going to have to establish services. This doesn't mean a whole bunch of big buildings. What it does mean is that if you have a mental health center, a hospital, nursing homes, you can get the consolidated plan with which you can provide some services, but try and get as much money as you can to use as seed money.

As Mr. Kubatek indicated I have been training people from all over the country. I have been running a national training program, this is my ninth year. It is a matter of learning to plan comprehensively and you gentlemen are at the planning level for the whole county so I would urge you to think seriously of allocating that \$5000 or whatever it is, because you are going to have to pick it up in the end. You are already paying out phenomenal sums in this county. People who are drinking are not paying their taxes, paying their bills, are not taking care of their children and they have to go on welfare. People who are using all sorts of services and costing you a mint. For the people in your local jail, how many of them are in there with alcohol problems."

Professor Root described various ways that the St. Louis Police Dept. saved money by a program of treatment of alcoholics. She described some of the problems caused by alcoholics, such as child abuse.

Mr. Waite, Acting Director of the Mental Health Clinic, informed the Board that he recently heard a school superintendent in Orleans County say that there was no alcoholism problem among the children in his school. He asked Prof. Root how she would respond to that.

Prof. Root, "I would respond by kicking him in the shins. I have gone out to talk to classrooms where kids are sitting there and they are clobbered. Kids bring it right into school!"

Mr. Waite, "It is a problem for these gentlemen to hear something like that from the superintendent of schools and then have me come in and say we need an alcoholism program."

Prof. Root, "I can tell you why he is saying there is no problem. He doesn't want to do anything. If you admit to the fact that there is a problem in Orleans County, you are going to have to move."

Prof. Root suggested that Orleans County establish a Council on Alcoholism as a first step.

Prof. Root defined alcoholism as, "a disease. It is a physical disease. It affects you emotionally, it affects you mentally, it affects you physically, it affects you economically and it affects you spiritually. But a simplistic term and definition of alcoholism is, if it is interfering with any area of your life - you have a drinking problem. But it is a disease."

Prof. Root offered to give any help she could to get a problem on alcoholism started in Orleans County.

The County Attorney discussed with the Board the proposed agreement between the County and BOCES for education of pre-school retarded children.

This agreement calls for payment to BOCES of \$59,639.00. Any equipment purchased under the agreement would be owned by the County. The program would cover 20 children for 2 half day classes five days a week. Under the agreement any unemployment insurance would have to be paid by the County. The agreement was referred to the Mental Health Board for review and the County Attorney was requested to contact BOCES regarding the unemployment insurance item.

The Clerk read a letter from the Mental Health Board requesting that they be allowed to convene dinner meetings at county expense to hopefully get better attendance of members at the meetings. The meetings have been running several hours long.

Supervisor Kemp said he realized that this might be opening up a pandora's box but that these people do not receive any remuneration for their services and with the reorganization they have had to work many hours.

Public Health Board members are paid \$10 per meeting as set by law and resolution of this Board. The County Attorney did not know if this applied to other Boards but would research the matter. Matter tabled.

Adjourned for lunch at 12:25 p.m.

#### AFTERNOON SESSION

Reconvened at 2:40 p.m., all present except Supervisors Dudek and Kemp who were excused.

The Clerk read a letter from the Planning Director, dated December 14, 1977, informing the Board that the Deficit Committee of the Regional Planning Board was going to recommend the direct benefits formula for reimbursement to Monroe County. Orleans County share under this formula would be \$11,165.00.

The County Attorney was asked to comment. Mr. Miles said that the County Attorney's had met and expressed the opinion that there could be an agreement whereby all the County's could agree to a formula for repayment and then have legislative action to approve this type of agreement thereby avoiding any type of taxpayer action. However it is felt that it will be impossible to have all the county's agree on one formula.

The Clerk read a letter from the County Planner dated December 14, 1977, informing the Board that EDA has informed Orleans County that it is one of 4,000 Round II Public Works projects which has been selected for a special program evaluation process. Mr. Astles outlined the steps involved in this process and suggested that either he or Mr. Balcerzak be designated as the LPW Evaluation Representative, this function could be incorporated into the Project Coordinator responsibility. After discussion the matter was tabled to determine if Mr. Astles or Mr. Balcerzak had been designated Project Coordinator.

Supervisor Swiercznski moved that the meeting be adjourned.

Adjourned at 3:30 p.m. until December 29, 1977 at 10:00 a.m.

ANNUAL SESSION  
Sixth Day  
Thursday, December 29, 1977

The meeting was called to order at 10:05 a.m. by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were found present.

Privilege of the floor was granted to Sheriff White. Sheriff White explained to the Board that about a year and a half ago the Albion Fire Service people requested that the dispatching for Albion be done out of the Sheriff's office, the Albion Police Dept. have also requested that their dispatching be done from the Sheriff's office. The Sheriff said that he had talked to the Public Safety Committee about this and the committee was in agreement that the County ought to have at least the salary and fringe benefits and any and all administrative costs involved paid by the Village of Albion. The Village has agreed to this so that there will be no cost to the County. The employee doing the work would be a County employee but the cost would be paid by the Village, any problems would be directed to the Sheriff.

Supervisor Nayman told the Board he felt that if the County agreed to do this work that it should be on a five year agreement.

Supervisor Piedimonte agreed that it was a good idea and should save the Village of Albion money.

Sheriff White told the Board that the Village of Holley is also interested in having the County do the dispatching.

When questioned about the legality of such an arrangement, the County Attorney replied, "any municipality can perform services that are available, if certain villages don't choose to take advantage of it, that doesn't mean that they are unconstitutional. There would have to be a showing by the Board that it was for the benefit of the county that it was done."

Supervisor Swiercznski suggested that a resolution from the Village Board to the Board of Supervisors would be needed.

The Board discussed the fact that some people including the Planning Board had thoughts on establishment of a consolidation of police forces in the County.

The question of dispatcher service from the Sheriff's office was tabled until a resolution is received from the Village.

Privilege of the floor was granted to Alan McKenna. Mr. McKenna requested that the agreement between him and the County for use of a solid waste facility for 1978 be changed to allow the facility to be closed Saturday afternoons.

RESOLUTION NO. 410

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AMENDING AGREEMENT BETWEEN THE COUNTY AND ALAN MCKENNA

RESOLVED, that the agreement between the County of Orleans and Alan McKenna for use of a solid waste facility, effective January 1, 1978, be amended to allow the facility to close Saturday afternoons.

Adopted. 372 ayes; 0 nays; 0 absent.

It was moved by Supervisor Swiercznski and seconded by Supervisor Piedimonte that Arnold Basinait, Real Property Tax Director, and any member of the Board of Supervisors, be authorized to attend the public hearing on 1978 agricultural value factors being held by the State Board of Equalization and Assessment in East Aurora on January 18, 1978, at county expense.

Unanimously adopted.

It was moved by Supervisor Bane and seconded by Supervisor Bennett that a leave of absence, without pay, be granted to Louise Lusk, an employee of the Department of Social Services, for the period December 12, 1977 to April 24, 1978.

Unanimously adopted.

It was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that all Supervisors, the Clerk and County Attorney, be authorized to attend the Supervisors' and County Legislators' Association Meeting in Niagara Falls, January 22-25, 1978, at county expense.

Carried.

The Clerk presented resolutions received from several towns and villages requesting Value Management Consultants, Inc., to perform services regarding unemployment insurance, as per the agreement between the County and VMC.

Presented a letter from Seneca County dated December 19, 1977, containing a plan for repayment of the deficit to the County of Monroe for the Regional Planning Board. Under the Seneca County plan, Orleans County would have to pay the sum of \$20,107. The Board discussed this proposal and the Genesee County proposal which called for payment of slightly over \$11,000 by Orleans County. Also discussed was the plan of payment on benefits received. The consensus of the Board was that we are willing to pay on the value received basis.

The Clerk presented the following communications acknowledging receipt of resolutions adopted by this Board:

Senator Paterson, dated December 14, 1977, acknowledging receipt of Resolution 363; Senator Paterson said, "Please be assured that I will do all I can to terminate the arbitrary limitation on reimbursements of certain road user revenues."

Office of the Director of the Budget, dated December 16, 1977, acknowledging Resolution 363.

Office of the Governor, dated December 14, 1977, acknowledging Resolution 363.

Assemblyman Hawley, dated December 16, 1977, acknowledging Resolution 363; Assemblyman Hawley said, "I would appreciate it if you could inform the Board that I will be working to revise the formula during this session in Albany. I feel as the Board does that this limitation which has been set places an unwarranted burden on the counties."

The Clerk read a letter from Robert E. Golden, Director of Probation, dated December 27, 1977, with an attached letter from him to the State Office of General Services, concerning rental of a portion of the Armory in Medina, at the sum of \$75.00 per month. Also stating that the County is agreeable to making the New York State co-insurer with us on our liability insurance coverage in connection with the occupancy of the Armory.

Supervisor Paduchak said, "Mr. Golden and I had a conversation on this and I think this is probably the first step opening the door to letting that Armory be used for office space and the amount is minimal and the area is vast, so I say the Committee approves it."

Supervisor Paduchak moved the motion to allow use of the Armory by the Probation Department at the cost of \$75.00 per month, seconded by Supervisor Kubatek.

Supervisor Dudek asked what the amount of space was. Supervisor Kubatek replied that it is in the front part where the Superintendent was, but he did not know what the amount of space was.

The County Attorney was asked to comment. Mr. Miles said that he had talked to Mr. Golden and the proposed lease was a standard state lease. The County Attorney stated that it should be made clear what our responsibilities are and what space we are responsible for.

After discussion the resolution was tabled for further information.

Dr. Douglas Houck, Superintendent of Albion Central School District and Mr. Thomas Schirmer, Superintendent of Medina Central School District, were granted the privilege of the floor.

Dr. Houck informed the Board that it appeared that none of the County School Superintendents had been contacted regarding the proposed pre-school program to be conducted through BOCES. The school authorities question the number of pre-school children involved, that before this program is instituted it should be determined how many children actually need the service, what their handicaps are. Both gentlemen suggested that the schools and the Mental Health Department work together to identify the children and their problems.

It was pointed out that there is no representation on the Mental Health Board from the school district's in the County.

After a thorough discussion of all the problems connected with the proposed agreement with BOCES to conduct the pre-school program, it was decided that a committee should be formed representing all segments to conduct a census to find out the actual needs of the children involved and how many children are involved. Mrs. Smith informed the Board that ARC would continue the program on a month to month basis until the problems can be resolved on the BOCES agreement.

#### RESOLUTION NO. 411

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Nayman.

RESOLUTION AUTHORIZING EXTENSION OF AGREEMENT BETWEEN ARC AND THE COUNTY

RESOLVED, that the agreement between the Association for Retarded Children and the County of Orleans, now in effect, be extended for a period thirty days.

Adopted. 372 ayes; 0 nays; 0 absent.

The Clerk presented a letter and resolution from the Genesee/Finger Lakes Regional Planning Council recommending the adoption of the repayment plan recommended by the Deficit Committee. Under this plan Orleans County would pay the sum of \$11,165.

RESOLUTION NO. 412

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION ABOLISHING TWO POSITIONS AND CREATING TWO ADDITIONAL POSITIONS IN THE ORLEANS COUNTY DEPARTMENT OF SOCIAL SERVICES

RESOLVED, pursuant to the request of the Department of Social Services, by letter dated December 19, 1977, this Board does hereby abolish one Typist position in the Food Stamp Unit and create in its place the position of Account-Clerk-Typist at the base salary for that position, and be it

FURTHER RESOLVED, that one position of Welfare Investigator be abolished in the Department of Social Services and in its place there be created one position of Sr. Welfare Investigator at the current salary for Welfare Investigator.

Adopted. 279 ayes; 2 nays, Supervisor Bennett (21) and Supervisor Kubatek (72); 0 absent.

It was moved by Supervisor Piedimonte, seconded by Supervisor Kemp that the maximum length of time persons can be employed under Title II and Title VI of the Public Employment Service Program in Orleans County shall be two years from the date of employment, provided, however, in order to allow those persons who have already been employed for two years or more an opportunity to seek other employment, a grace period of three months shall be allowed, effective from this date.

Supervisor Kemp said, "I feel this will encourage people to get out and look for another job rather than wait until the funds are withdrawn and have all these people out looking for a job at the same time."

Supervisor Swiercznski, "You have a trained person who you are putting out to go on welfare or collect unemployment. What would you rather have a person who is trained or someone new."

Supervisor Piedimonte, "The Federal Government is telling us we have to do this."

Supervisor Swiercznski, "This is a serious matter, have you checked with the school districts to see what they think about this?" I move this be tabled for one meeting, seconded by Supervisor Bennett. Upon vote the motion to table lost 308 to 64, Supervisors Swiercznski (24) and Bennett (21) voting in favor of tabling the resolution.

Upon roll call vote the following resolution was adopted:

#### RESOLUTION NO. 413

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Kemp.

#### RESOLUTION SETTING MAXIMUM LENGTH OF TIME PERSONS CAN BE EMPLOYED UNDER THE PUBLIC EMPLOYMENT PROGRAM - TITLE II AND VI

RESOLVED, that the maximum length of time persons can be employed under Title II and Title VI of the Public Employment Service Program in Orleans County shall be two years from the date of employment, provided, however, in order to allow those persons who have already been employed for two years or more an opportunity to seek other employment, a grace period of three months shall be allowed, effective from this date.

Adopted. 327 ayes; 2 nays, Supervisor Bennett (21) and Supervisor Swiercznski (24); 0 absent.

Adjourned at 12:05 p.m. for lunch.

#### AFTERNOON SESSION

Reconvened at 1:55 p.m., all Supervisors present.

#### RESOLUTION NO. 414

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Dudek.

#### RESOLUTION CREATING ADDITIONAL POSITIONS AT THE COUNTY HOME & INFIRMARY

RESOLVED, pursuant to the request of the Department of Social Services Staff Personnel Officer by letter dated December 19, 1977, and by mandate of the NYS Department of Health, there be and hereby are created the following positions in the Orleans County Home and Infirmary at the salaries set for said positions:

- 1 Registered Nurse - Full Time
- 2 Registered Nurse - Part Time
- 2 Licensed Practical Nurse - Part Time
- 7 Institutional Aide - Part Time

FURTHER RESOLVED, that the above positions be effective January 1, 1978.

Adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 415

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Swiercznski.

RESOLUTION AUTHORIZING INCREASE IN AMBULANCE RATES

RESOLVED, that the agreement between the County of Orleans and Midland Ambulance Service, Inc., be amended to increase the rate for patient loaded trip as follows:

Village from \$30.00 to \$50.00

Outside Village \$50.00 plus \$2.00 per loaded mile.

Adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Paduchak reported that he had met with Mr. Lyman concerning the window which was broken at the old Storefront office. However as a result of the meeting nothing was settled. Supervisor Paduchak said, It all stems back that the window was broken by someone who had a gripe against one of the people who worked there. We are trying to find out where the County's obligation starts and where it ends as far as liability is concerned. This is a \$406.60 bill for glass. It wasn't broken during working hours it was broken after working hours. The individual somewhere along the line has admitted it but there were no witnesses. So we have nothing settled."

Supervisor Piedimonte, "I would like to request that the County Attorney look into this matter. I do not personally feel we owe Mr. Lyman anything. But I would like the Attorney to weigh everything and see if we have an obligation."

Mr. Miles, "If I recall there was a provision in the lease that the County was responsible for the glass to the extent that the owner could secure glass insurance and add it to the rent. It did not matter when the glass was broken because the County was in possession of the premises. The point was one of the building people said that if they had had the opportunity to replace the glass they could have done it for a quarter of the cost. Maybe there should be some adjustment on that basis."

Supervisor Piedimonte, "I think someone should approach him on that basis. We could have had it replaced for a lot less."

Supervisor Paduchak informed the Board that the Committee had met with the Probation Director concerning his request for additional personnel. Originally he requested creation of three positions at a cost to the County of \$17,643.82. After discussion a compromise has been reached whereby the Board would create one position of Probation Supervisor at an annual salary of \$12,500.00, and delete one position of Sr. Account-Clerk-Typist, thus the cost to the County would be \$4,902.95. Mr. Golden informed the Committee that he had not been given any additional personnel since 1964, except for the LEAA project.

RESOLUTION NO. 416

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Kubatek.

RESOLUTION ABOLISHING ONE POSITION IN THE PROBATION DEPARTMENT AND  
CREATING THE POSITION OF PROBATION SUPERVISOR

RESOLVED, that one position of Sr. Account-Clerk-Typist in the Probation Department be abolished; and that there be created one position of Probation Supervisor in the Probation Department at a salary of \$12,500.00 per annum.

Adopted. 327 ayes; 2 nays, Supervisor Bennett (21) and Supervisor Swiercznski (24); 0 absent.

RESOLVED, that unanimous consent be granted to pay those claims and the Clerk and Highway Superintendent be directed to draw demand orders on the County Treasurer in payment of said claims against the County.

Adopted. 372 ayes; 0 nays; 0 absent.

#### RESOLUTION NO. 425

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION AUTHORIZING AGREEMENT BETWEEN THE COUNTY OF ORLEANS AND JOSEPH GRABOWSKI FOR THE CARE OF DOGS IN ORLEANS COUNTY

RESOLVED, that the agreements herewith presented between the County of Orleans and Joseph Grabowski, (1) to provide all necessary equipment and appliances for the humane keeping of dogs within the County of Orleans be, and the same hereby is, approved at the monthly compensation of \$350.00, to be paid upon monthly vouchers submitted to the Board of Supervisors; (2) to provide all labor and services necessary for the care of dogs picked up by representatives, agents or employees of the County of Orleans and delivered to him for keeping, is hereby approved by this Board at the monthly compensation of \$225.00, to be paid upon presentation of monthly vouchers and that the Chairman of this Board is hereby authorized to execute said agreements in the name of the County, effective January 1, 1978 through December 31, 1978.

Adopted. 372 ayes; 0 nays; 0 absent.

The County Attorney informed the Board that the suit Campbell vs the County of Orleans has been dismissed.

It was moved by Supervisor Swiercznski and seconded by Supervisor Kubatek that the County Attorney be authorized to attend a meeting on SEQRA in Syracuse, February 8, 1978, at county expense.

Carried.

The County Attorney informed the Board that he had been contacted regarding a medical scholarship for one Scott Brundage. Mr. Bloom has asked him to prepare an agreement. The consensus was that the Medical Scholarship Board approves all applications and the County Attorney said he would prepare the agreement.

Supervisor Dudek, "Just as long as we are at the end of the meeting, and I guess there is nothing formal, I'd like to say goodbye formally to Al Kemp. This is his last meeting as a member of the Board of Supervisors. It has been a pleasure working with you, and I am sure that goes for all the rest of the Board as well, and to Mr. Plummer too."

Mr. Plummer, "It has been a pleasure working for you and I've received good cooperation in the last few years, and I'll be around."

Mr. Kemp, "I think in addition to getting an awful good education, in six years time probably the greatest bonus that a Supervisor gets during his term of office is the opportunity to meet an awful lot of nice people, and I can assure all of you that your thoughts will be with me wherever I go. And frankly speaking I am going to miss you guys and probably sometime I might come up and step in on you a little bit and see what kind of a job you are doing, county-wise. It's been a great pleasure and it's been quite an education."

Mr. Plummer, "I know that everyone doesn't have the opportunity to be a Supervisor but it would do a lot of people a lot of good, if they could see how things are run - especially some of these people who question the things we do."

Mr. Kemp, "I don't think there are many people that realize the problems and obligations that anyone associated with the County have. The town isn't so bad, but when you deal with County it becomes more complicated and it's truly a great education for anyone to have the advantage to serve for a town and to be a county legislator. I appreciated the opportunity very much and I enjoyed it."

Supervisor Swiercznski moved the meeting be adjourned.

Adjourned at 2:15 p.m. Sine die.

The entire staff of the Orleans County Sheriff's Department are to be complimented on their performance during the year. Training, dedication and interest in service to the public is the key factor.

We, as a Department, would like to acknowledge the cooperation and good will we have received from all other Departments and Services, and area law enforcement, auxiliary and fire police, ambulance services and fire services.

I would like to thank the Public Safety Committee and the entire Board of Supervisors for their understanding and cooperation that we have received during the past year.

Respectfully submitted,

Yours For Better Law Enforcement,

Don White, Sheriff

ANNUAL REPORT OF THE ORLEANS COUNTY HISTORIAN for 1977

by Arden R. McAllister, County Historian

January 1978

The County Historian continued the weekly column in the Albion-Advertiser and the Medina Journal-Register. He represented the county at the County Historians Conventions held in Binghamton in May and in Albany in September. He continued to encourage the work of three local historical societies by participation as an active member in: The Cobblestone Society; Medina Historical Society; and the Orleans County Historical Association. In the latter organization he participated in an Oral History project involving the making of tape recordings of county citizens. The county history office will receive transcripts of these interviews for its files.

Mr. McAllister gave ten talks to local groups during 1977: Lyndonville Presbyterian group; Oak Orchard Manor; Mended Hearts Club; Albion Nutrition Program; County Planning Board; ABC Club; Medina Rotary Club; Medina Study Club; Orleans County Historical Association; Tuesday Club.

The historian was present at the closing ceremonies of the Armory in Medina and acquired a few artifacts and pictures of Company F. He conducted a tour of the Court House for a troop of Cub Scouts. Requests for Genealogical research and correspondence continued as heavy as in previous years. The office was used on numerous occasions by students for research.

The historian verified and approved the route for the Gaines Water District #2.

Major events in Orleans County in 1977 are as follows: The Armory in Medina was closed; The worst blizzard in local history; The Barna and Coulter Trials; Marti's restaurant in Albion changed hands to Dollingers; The Old Prisoner-of-War Barracks at the former Heinz plant in Medina was torn down; Water-line in Ridgeway underway; The new New York State Transportation building opened in Albion; the new Candlewick Factory opened in Medina; Mrs. Coulter acquitted; Excessive rain in the autumn;

page 2 (Historian's Annual Report continued)

Opening of Ontario Container plant in Medina; Voters rejected Two plans for County Government Re-organization; Judge Hamilton Doherty died at age 58; Albion Correctional Facility began admitting women as well as men; George Bachellor, Supervisor from Barre resigned due to ill health; Democrats regained control of Board of Supervisors in November elections; Richard V. Bennett elected in Barre; Manley Whipple replaced Clayton Plummer in town of Carlton; Geary J Shenck Sr. replaced Albert Kemp as Supervisor from Clarendon; Mt. Albion Cemetery designated landmark in National Register of Historic Landmarks; World's Largest Apple Pie successfully baked at A-H Fair; Dianne Knack, Coordinator of Extension Service resigned; New County Office Building approved and construction begun behind County Infirmary; Pizza Hut Restaurant opened near Plaza in Medina; Fairfield American Company opened in former BOCES school building in Medina.

To The Honorable Board of Supervisors  
Albion, New York

Gentlemen:

In compliance with the New York State Election Law, Sec. 3-212 (4), the following is the 1977 yearly report of the Orleans County Board of Elections to your Honorable Body.

Total expenses for the office were as follows:

Personal Services	--	\$26,779.92
Contractual Expenses	--	12,734.96

There were no expenses for office equipment.

Central registration began on December 3, 1976 and continued through September 2, 1977. Throughout the year, 1,015 registrations were taken, 881 of these were registrations by mail. An additional 469 registrations were taken by the district board of inspectors.

Primary Elections were conducted by the Board of Elections on September 8, 1977 in the Towns of Barre, Carlton and Yates for various town offices.

Pursuant to Sec. 394, a post card was mailed to every registered voter at the close of central registration to determine whether such voter still resides at his registration address. This communication also notified the voter of the days and hours of the ensuing general election, his election district and polling place and the fact that he must re-register if he has moved from the address where he last registered. Within one week after the conclusion of local registration a similar card was mailed to each voter who registered at such local registration.

On October 15, registration was held in the local districts from 1 - 9 P.M. and 469 registrations were taken.

Pursuant to Sec. 405, a purge list began in the second week of December and must be completed in the third week in January. All permanent records and data related to more than 16,000 enrolled voters had to be individually examined to verify if the registrant has voted at least once in a general election during the past two years. All those that have not voted, must be notified of the impending cancellation of their status as a registered voter, unless they fill out, sign and return the re-instatement request form within three weeks of the date of the postmark on the notification. All persons not voting in 4 years are purged and cancelled with appropriate notice sent.

Prior to March 1, 1977, according to Sec. 377 of the law, the Board of Elections has published enrollment digests by towns and election districts, listing every registered voter, his address and party affiliation. 300 such books were printed and distributed to the 4 State Political Chairmen, 2 County Chairmen, and the 72 committeemen of each of the 2 major political parties, as well as, various county offices. In addition to these enrollment digests, lists are printed for village, school district and special elections.

Due to the election of town offices and county offices this year, the Board had responsibility of reviewing all nominating petitions and caucus certificates and ruling on their validity.

A General Election was conducted on November 8, 1977 from 6 A.M. to 9 P.M., and state, county and town offices were elected. 385 absentee ballots were distributed for the election. A total of 11,798 registrants cast ballots, representing 70.98% of those eligible. After the close of the polls, all results had to be telephoned or delivered to the Election Office as required by law. 13 persons, along with the regular staff of the Election Office, received and tabulated voting results. Running totals, by district, were posted on a tally board displayed in the Grand Jury room, as results were made known.

As mandated by law, an inspection was made of all 36 voting machines in the county prior to the election and a re-canvass of the machines and all absentee ballots was conducted after the election and results certified to the State Board of Elections.

Article 16A requires the timely filing of at least 7 financial disclosure statements by party committees throughout the year with this office. Candidates and/or their committees must file 3 statements prior to election and at least 1 post-election report. Filings are recorded by this office and delinquents must be sent a certified letter stating failure to report by 5 days constitutes a civil penalty, subject to a fine, to be brought by either the County or State Board of Elections. This financial reporting law has added a great deal of bookwork, filings and mailings to the office workload.

In August of 1977, an agreement by the Board of Supervisors and the University of Rochester was made on a time-sharing basis, to change our system of record keeping from the Pitney-Bowes addresser-printer to a computer system. This transfer of record keeping required the engagement of a computer programmer to analyze, prepare and write a program sufficient to comply with the mandates of the Election Law. This change necessitated many extra-long hours and trips to the computer center at the University of Brockport, starting from August 22 through the end of the month of October, to enter voter information on approximately 17,000 registrants. This information consists of serial numbers, names, addresses, party affiliation, sex and election district.

Due to the new computer system and the recodification of the Election Law by the New York State Legislature this past year, the election office has had an unusually busy but progressive year.

Submitted this 11th day of January, 1978

STATEMENT OF OPERATIONS  
ORLEANS COUNTY SELF-INSURANCE PLAN  
January 1, 1977 - December 31, 1977

Board of Supervisors  
County of Orleans  
Albion, New York

To the Honorable Board Members:

We hereby submit to you a detailed report of the expenses of operation of the Orleans County Self-Insurance Plan for the year beginning January 1, 1977 and ending December 31, 1977. The breakdown of expenses as set forth hereon and as charged to the various members of the Self-Insurance Plan is the actual expense incurred by such participant through payments made to date by the Self-Insurance carrier for Workmen's Compensation claims of employees and/or volunteer firemen. The amounts as shown are not to be considered assessments but are presented solely for the purpose of showing the disposition of funds.

## DEFINITIONS AND INSTRUCTIONS

Grid #1 - Refers to total number of establishment types within respective jurisdiction and total number visited for the purpose of inspections and tests.

1. Supermarket - a store selling primarily a variety of food at retail in large volume and utilizes a prepackaging operation e.g. Grand Union, A & P, Star Markets, etc.
2. Food Store - a store selling primarily a variety of food at retail in relatively low volume e.g. "Ma & Pa", Convenience, 7-11, etc.
3. Deli, Fish, Butcher, Candy, Bakery, Drug, Hardware, etc. - stores that sell commodities at retail and sale of commodities is directly related to connotational meaning of respective store name.
4. Multiple Operation - establishments which are usually considered department stores and contain such multiple operations as food store, deli, hardware, candy, drug, yard goods, etc.
5. Gas Station/Store - establishments that contain both a food or commodity store and gas station operation.
6. Processor/Warehouse/Manufacturer - businesses or establishments that sell bulk commodities or large quantities of individual items to either wholesalers, retailers or persons and where such quantity of material or item sold or delivered is determined by a device being used commercially.

Grid #2 - Refers to total number of classes or types of commercial weighing and measuring devices within respective jurisdiction, results of inspections and tests, and the number of devices not tested.

1. Pre-packaging scale - a device which is approved for and has capability of pre-packaging commodities.
2. Track scale - a hanging type of scale with hooks usually found in a meat room of a supermarket or butcher.
3. Misc. scales - includes hanging, axle, platform, belt-conveyor and any other scale type not mentioned.
4. Petroleum pump - a stationary device that pumps gasoline, kerosene, etc.
5. Petroleum meter - a vehicle mounted device that delivers fuel oils, kerosene, etc.
6. Liquid measure - a rigid measure of capacity designed for general and repeated use in measurement of liquids.
7. Volumetric measures - refers to a vehicle tank used as measures.
8. Linear measuring devices - refers to cordage, fabric, and wire measuring devices.
9. (+) plus and (-) minus - refers to a device's actual operation or performance determined by testing methods. E.g. A scale reads 10 lbs. with a nine pound test load is (+), running fast; a gasoline pump that indicates five gallons delivered but the official's test measure reads minus 8 cubic inches is (-), minus.
10. Other - refers to a device that is neither (+), (-), nor corrected. E.g. scale sticks, no indicator, tare may be set past "0", lack of money-value agreement, etc.

Grid #3 - refers to types of commodities tested, commodities found correct, short or over, and number of labeling violations found.

1. Labeling violations are not to be calculated into % correct.
2. Bulk commodities refers to coal, fertilizer, lime, household goods, etc.

## Annual Report of Orleans County Veterans Service Agency - 1977

Pursuant to Article 17 of the Executive Law of the State of New York, I hereby submit a summary and comment on the activities of this office for 1977.

Attached is a statistical summary of the workload of this office in 1977.

In 1977, veterans of this county received 6971 days of hospital in-patient bed care at the Batavia Veterans Administration Hospital and 2487 days at the Buffalo Veterans Administration Hospital for a total of 9468 days at these two hospitals.

A total of 64 veterans of this county died during 1977.

Again in 1977, the Congress provided raises for service connected compensation, non-service connected pension for both veterans and their dependents or survivors and educational benefit rates.

This office expresses its appreciation to the Orleans County Board of Supervisors, to the Director and staff of the U. S. Veterans Administration Regional Office at Buffalo, to the Directors and staffs of the Batavia, Bath, Buffalo, Canandaigua and Syracuse Veterans Administration Hospitals, to veteran organizations and to other federal, state and county agencies for their cooperation and assistance during 1977.

Respectively submitted,

William H. Murray  
Director

Dear Sirs:

Pursuant to Resolution #119 adopted May 16, 1974 by the Orleans County Board of Supervisors, I herewith submit a summary of indigent veterans' burials, the number of permits issued for burial in county owned veterans' cemetery plots and the number of headstones furnished during 1977.

Indigent Burials (Section 148 General Municipal Law) - Funds were expended in the amount of \$695 toward the cost of burial of one World War I veteran and one widow of a World War I veteran.

Permits Issued for Interrment - Veterans' Plots (Section 222 County Law, State of New York) - Six interments were authorized in Mt. Albion, Albion, two in Boxwood Cemetery, Medina and one in Hillside Cemetery, Holley. A total of nine permits were issued, one request for interment in Hillside Cemetery, Holley was rejected because the deceased was not a resident of the county.

Headstones Provided (Section 148 General Municipal Law) - In 1977, twenty-four upright and six flat stones, for a total of thirty headstones were provided to mark the graves of veterans.

Sincerely,

William H. Murray

ORLEANS COUNTY OFFICE FOR THE AGING  
ANNUAL REPORT  
January 1, 1977 - December 31, 1977

The Office directed much of its energy in 1977 to strengthening its base of operation, while also working in new directions. The Office functions under a two fold federal mandate; that is to provide certain kinds of direct service and to provide service coordination and implementation assistance to develop new or expand existing services needed by older persons. The latter goal may be directed towards other agencies and need not be accomplished solely within the Office for the Aging.

In this second full year of operation, Office staff continually developed keener insights into the needs of older Orleans County residents. Every effort was made to translate insight into solid service to clients.

**I. Staffing**

The Office staff includes three full time positions (Director, Aging Services Aide, Secretary) and one part time position (outreach worker). The Director is primarily responsible for planning and service development activities, and editing the monthly newsletter, in addition to normal administrative duties. The Aging Services Aide is responsible for the federally mandated information and referral file and service, which includes Medicare counseling and monthly contacts with Senior Citizen Clubs. During 1977, she also did most of the coordination for the Meals on Wheels program. The Outreach Worker visits people in their homes to assess their needs and link them to the community services which will maintain them at home.

Because of the position's part time status, the need for outreach has been much more than we could meet. However, limited funding made it impossible to increase the hours. Therefore a long term effort to develop a solution to this problem was completed in July, when Green Thumb gave the Office a part time Outreach Worker. Green Thumb is a federally funded employment program for people age 55 and over. This solution proved very successful, however the person placed with the Office left in October because she was moving out of the area. Green Thumb was unable to find a replacement although they hoped to by early 1978.

Staff members attended appropriate training conferences throughout the year. The Director attended a statewide Aging Services Conference in September. The Aging Services Aide attended a Conference of Senior Citizen Club Staff and Office for Aging personnel in June. Several other day long conferences in Rochester, Buffalo, and Batavia were attended to further educate and train staff.

Staff members also presented speeches to several organizations. The Aging Services Aide spoke to most Senior Citizen Clubs on a monthly basis to bring them information and to listen to their suggestions. The Director presented speeches to the LPN class at BOCES on the "Problems of Aging", to the Albion BFW on "Pre-Retirement Education - What it Is and What It Does", and to all the Senior Citizen Clubs in the County on "Medicare - How to Get Your Full Benefits".

## II. Planning and Implementation

A major portion of the Director's time is spent in identifying areas where unmet needs of older people exist. Means are then explored to develop approaches to meet these needs. Three major areas were identified and worked on in 1977. These were to develop a Title VII Nutrition Project under the sponsorship of the Salvation Army, develop a Recreation for the Elderly Program under the sponsorship of the Village of Albion, and to assist in the development of a Homemaker/Home Health Aide program under the sponsorship of the Interagency Council.

During the first four months of the year, a great deal of time was devoted to the Nutrition Project. Most of the groundwork was laid the previous year; however many technical details remained to be worked out. The Salvation Army had little expertise in this developmental stage; until the grant was approved the Army wasn't able to hire a qualified program Director. Therefore the Office had to attend to many technical details involving application completion, site location, kitchen renovations, personnel interviews, and contacts with the State Office for the Aging. All these aspects were conducted with the Army enabling them to learn many of these details. Approach was designed to involve increasingly less Office time as the Project became more self sufficient. As soon as the Project Director was hired in March, the Office dropped its lead role and began to function on a cooperative and consultant basis.

The Project served its first meals on May 2, 1977. This opening marked the greatest achievement by the Office in its operations to date. A very necessary service was brought to Orleans County without costing the County any further money. Although the program is funded 90% federal and 10% local, the Salvation Army is picking up the 10% and the responsibility of overseeing the program. Therefore while the County technically put some financial efforts into developing the program (because of the Office time devoted to it), they do not have the burden of funding, bookkeeping, or supervising this new service.

Since the Nutrition Project opening, the Office has developed a close working relationship with it. Because both the Office and Nutrition Project are funded under the same legislation and because many of their goals are the same, it is important to work cooperatively in order to avoid duplication, waste of funds, and rivalry. To this end the Directors of both programs consult regularly; also the Office has provided information and referral and staff training to the Project.

The second major area under this heading was the efforts to develop the Homemaker/Home Health Aide project. Working with a special Interagency Committee including Social Services, the Health Dept., Cooperative Extension, and Headstart, time was spent all year in developing funding and finally implementing the program. The Committee met often throughout May to develop a workable strategy. During May it was decided to accept a special CETA grant to fund a six month pilot project to hire and train ten people who were over age 55 to become Homemaker/Home Health Aides. This money was available from the State Office for the Aging who had a dual goal of providing employment to older workers and providing means to develop this necessary service. At this time the Dept. of Social Services was designated as the lead agency in Orleans County to coordinate this project.

During the summer the Office assisted Social Services in their lead role by making the formal presentation to the Salvation Army asking for their commitment to take over the project following the demonstration period. Such a commitment by a sponsor was necessary before the Board of Supervisors would agree to accept the six month CETA grant. The Office also participated in numerous planning meetings and interview sessions for the Program Coordinator.

The Office spent considerable time in September in locating persons over age 55 who were interested in the new jobs. Newsletter articles were printed and many person to person contacts were made.

Following actual program implementation, the Office continued to serve on the Advisory Council and has referred numerous clients to the new service. The Director also presented a segment in a training session, that focused specifically on how to deal with problems of elderly clients. It also provided a grant to the program of \$2,000 to help cover administrative costs that the CETA grant could not fund. The Office's ability to provide this grant at one point was a deciding factor in continuing the program. To receive County approval to implement this service, assurances had been given that no cost would be involved. The possibility of this grant fulfilled that assurance.

Thirdly, the Office assisted the Village of Albion in the start up of its Recreation for the Elderly Program. Assistance was offered to the newly hired Director of the program to interpret project regulations, develop programming and prepare publicity. Since its inception in March, a monthly newsletter article was done on the new program. Technical assistance was provided throughout the year on vouchering procedures and fiscal year 1978 applications.

In late spring when a violent crime against an elderly Albion resident occurred, the Office arranged for a program on Self Protection to be presented by the County Sheriff at the new project. Many elderly people had been seriously frightened by this event and over 60 came to this special presentation.

In addition to these three major program areas, the Office devoted time to a number of other areas where needs of elderly persons exist. A \$2,000 grant was received from the State Office for the Aging for training purposes. It was partially used to cooperatively fund a one day Conference on Aging with the Genesee and Wyoming County Offices for Aging. The Conference was held at Genesee Community College and was very well attended. The rest of the grant funded a six session pre-retirement series. The series was designed to help people nearing retirement make plans for the changes they would meet. The series was poorly attended although well received by those few persons involved. It was scheduled to be repeated but because of poor attendance in the first series, these plans were cancelled.

A new employment program for older workers expanded into Orleans County in July. The Office worked closely with Green Thumb to publicize the program and develop job slots. As a result, 10 low income persons over age 55 were placed in jobs by the end of the year.

A new avenue of funding buildings for use as Senior Citizen Centers was made available in 1977. It is Title V of the Older Americans Act. Money from this Title can be used to acquire or renovate an existing building. The Office held several meetings to describe the availability of \$25,000 for this purpose in Orleans County. Although several groups of Senior Citizens were seriously interested, no one chose to actually apply. This was most likely because of the difficulty of raising the required 25% local share.

The Office also in this year, became acutely aware of many housing problems which plague older people. Testimony on the Housing Problems of Older People was prepared by the Director for two separate public hearings held on the subject. This testimony was presented in person at the hearings by the Director and Aging Services Aide.

The Office also participated in the County wide Christmas Basket effort. Staff at the Office worked on compiling a list of persons they knew to be low income who would welcome a Christmas basket. The list was then given to Community Action who coordinated this effort.

The Director also served on several other Boards and planning committees to represent the interests of the elderly. These included the Community Counseling Centers Board, Home Services Agency Board, and Mental Health Planning Committee.

### III. Direct Service

The Aging Services Aide and Outreach personnel spend 100% of their time in direct service. The Office also contracts with the Community Action Transportation System (CATS) for transportation of older persons on their mini bus system although providing direct services is not the only goal of the Office, it represents the majority of personnel time and budget allocations.

Two major programs of direct service that were outside the normal sphere of operations occurred in 1977. The first was assisting people during and after the Blizzard. Office staff contacted many isolated older people by phone throughout the five days when the County was closed down. These phone calls were designed to make sure these people were safe and not in need of basic supplies. A few needs for medicine and food were filled by contacting the Sheriff or snowmobilers. However, most people were in good shape although generally very nervous. The phone calls seemed to calm some people as they then knew there would be help if it was needed. Many of the people were alone in their homes and did not see another person during the 5 day shutdown.

Immediately following the Blizzard when traffic began to move again, numerous people were helped to shovel out and get to grocery stores. When extra manpower was assigned by CETA to shovel, the Office obtained their services for a number of older persons. For those who had storm damage, the Office provided information and assistance in applying for disaster aid.

When free food stamps became available it was quickly apparent that few older people would be eligible. Basically there was little financial assistance available for older people. Office efforts were mainly directed to helping people get their lives and property in order, not in obtaining benefits.

The second unplanned area of direct service occurred in July. A program, designed to help low income people pay excessive fuel bills from the previous winter, was offered nation wide (Special Crisis Intervention Program - SCIP). The Unemployment Office had the responsibility of processing applications. However Offices for the Aging were asked to do outreach to find and assist eligible persons to apply. The Office had just received the Green Thumb outreach worker who was able to devote her entire time to helping people apply.

Applications were accepted from July 25th - September 23rd. During this time Office staff contacted people all across the County. People were found from office files, door to door canvassing, referrals from other agencies and organizations, people calling in after reading newsletter articles, and personal acquaintances. Many older people were very leery of this program as they couldn't believe they were actually eligible for government aid and wondered what the "catch" was. However through diligent staff efforts, 179 persons were certified as eligible. Each received \$250 to pay off back fuel bills or to credit towards coming bills.

As with many large scale government programs, there was a great deal of red tape involved. Therefore the Office spent many hours after September 23rd trying to track down payments and working with fuel companies to accept the credits most people had.

The entire operation proved to be a good learning experience for the staff. Approximately 95% of the people helped had somehow managed to pay their fuel bills last winter. They had eaten less, closed off rooms, turned down heat, and borrowed money. The percentage for people under 60 was not nearly as high. The Office also met several people who were living under extreme poverty circumstances who were eligible for assistance such as SSI, Medicaid, food stamps, and weatherization. As soon as the fuel assistance program was over, these people were revisited and offered further help. Many of them had never heard of the Office for the Aging until this time, which again pointed out the need for expanded outreach abilities.

The normal direct service activities include the monthly newsletter, information and referral, outreach services, and telephone reassurance and friendly visiting services. The newsletter reached a circulation of 2,561 by the end of the year. It provides a great deal of information that is important and interesting to older persons; from the many comments we receive it is very welcome by our readers. The newsletter also provides a volunteer opportunity for the approximately 15 people who help collate and address it each month. Without their help it would take days to compile the letter.

Information and referral services showed sizeable increase over last year. This service is based on a file of many different types of information older people need. The file is updated continually and is the responsibility of the Aging Services Aide. People receive this service through phone calls and visits to the Office. Requests are extremely varied, so much so that a full 17% were classified as miscellaneous. The largest area of inquiry is Medicare and other health insurance at 25%.

Outreach visits also increased in 1977. Much of the increase can be attributed to the fact that Green Thumb placed an outreach worker in the Office. When this person resigned, it left the Office in a precarious position as we were overextended and had no way to serve our increased clientele. It necessitated imposing long waits for service on people and prioritizing needs. This was a discouraging aspect to the Office's program and one which is our top priority for solving. Prior to the Green Thumb we knew there was additional needs, but hadn't promised to meet them. However after her arrival we had made promises that we could no longer keep.

Telephone reassurance and friendly visiting was another area in which the Office did an unsatisfactory job. Active volunteers were rarely followed up on and recruiting of new clients and volunteers was at a minimum. The program dwindled to the point that at the end of the year we were no longer sure who was participating. This area also was assigned to be given full attention early in 1978.

A large amount of time was spent in Coordinating the Meals on Wheels program for the Home Services Agency. They have always used in kind services to coordinate the program. The Office provided this from October 1976 to December 1977. Responsibilities included coordinating volunteers, billing clients, evaluating clients, starting meal service, discontinuing meal service, and trouble shooting when volunteers failed to show up. As the program uses approximately 120 volunteers per month this responsibility demanded an overwhelming amount of time and frustration. The program certainly serves a great need and was a legitimate use of personnel. However this partly accounts for the decline of the telephone reassurance and friendly visiting program.

The Office also provided assistance to the Senior Citizen Action Council. Small amounts of secretarial time were given as well as advice on the operation of their discount program. The entire staff assisted at their four membership sessions during the year by operating the identification camera, typing and organizing.

Rides on CATS also increased this year. It was very exciting to find that the Office funding covered only 3,600 rides, although the total was 4,125. This is because riders make a contribution according to what they feel they can afford for their rides; it was these contributions that paid for the extra 525 rides. Contributions averaged 45 cents per round trip.

The last item under this heading was actually a volunteer effort by the outreach worker. On her day off, she organized an over-60 bowling program. It was extremely successful and she had upwards of 50 people coming out to bowl once a week. This program emphasized older persons' desire for active recreation and filled a real void. It also proved to be the springboard for weekly golf games during the summer, again organized by the outreach worker.

#### IV. Senior Citizen of the Year

Thirteen nominations were received by the Advisory Council for the Senior Citizen of 1977 Award. The Council selected Grace Ilse Williams, chosen for her dedication to community life. She spent many years in service to schools, church, and individuals. She now serves as a hospital and Office for Aging telephone reassurance volunteer.

An award luncheon was held during Senior Citizen Month (May) with Donna Rodden (Mayor of Albion) as guest speaker and George Bane (Chairman, Aging Committee on the Board of Supervisors) to present the award.

#### V. Expenditures

Expenditures are reimbursed at 87.5% with federal funds channelled through the State Office for the Aging. 12.5% of expenses are paid by the County. For the first time in 1977, the Office used some inkind as local match. Therefore not all of the 12.5% was cash. Inkind was made up of a percentage of the County Treasurer's salaries.

The Office also had use of a Green Thumb worker for three and a half months. The value of this donated resource was \$736.

## ANNUAL REPORT

### ORLEANS COUNTY PROBATION DEPARTMENT

January 1, 1977 - December 31, 1977

#### DEFINITION OF PROBATION

" Probation is a community based governmental agency primarily established to protect society by aiding, through utilization of social work principles, individuals and their families who are involved or about to be involved in the Juvenile or Criminal Justice System." <sup>1</sup> Accordingly, our service endeavors to provide opportunity for our client to realize increased self-determination in meeting his needs and those of his family, friends, and society. <sup>2</sup>

INTAKE - Through INTAKE ( the " sifting " and " screening " process), where possible and prudent, cases are adjusted by treatment without Court action. Otherwise, they are referred to Court. This process is used principally in the handling of children's cases, young offenders, marital problems, and offenses and crimes arising out of domestic difficulties.

Probation Officers, through intake counseling, give advice and enlist the cooperation of spouses, parents, school authorities, police, and private citizens and community resources, in an effort to adjust cases without Court action where such adjustment seems in the best interest of all concerned. It is helpful in re-uniting families, conciliating spouses, assisting in settling family and neighborhood quarrels and minor criminal matters.

### INVESTIGATION

The investigation attempts to examine and evaluate the defendant's exact role and attitude before, during and after the crime; any past record; his social history including the emotional and economic atmosphere of his home, his relationships with family members, his school adjustments and achievement, work and military experiences, habits and leisure-time activities, religious contacts, etc. All this is to help the Judge have a factual picture and an emotional grasp of the human before him so that he can sentence in a manner best suited to the protection of society, the rehabilitation of the defendant and to deter others from committing crime.

### SUPERVISION

Through understanding, concern and discipline, and through an assortment of treatment methods concentrating on assisting the client to draw upon his own resources and those of the community, the Probation Officer helps the client avoid further criminal activity and, when applicable, to realize greater personal potential, enhancing his self-esteem and his becoming a more productive person and member of his community.

The Method of supervision includes devising a case plan, tailored to each individual probationer, based on review and evaluation of the pre-sentence investigation. Running records are kept on each probationer containing factual data as to the probationer's performance, as well as an evaluation of his behavior and attitudes, and in the process of recording each case in this fashion, the case plan is continually being updated to meet the changing circumstances and needs.

#### SUPPORT BUREAU

As of January 1, 1978 the support enforcement and collections activities through the Probation Support Bureau were transferred to the Social Services Support Collections Unit. This is the result of state legislation presented by the State Social Services, prompted by Federal legislation aimed at "clamping down" on "runaway pappy's", that is, fathers who fail to support their children on welfare. Actually the welfare connected aspects of support collection and enforcement through Family Court, comprise only approximately 1/4 of the enforcement caseload, in our county approximately 125 of the 533 cases we were supervising as of December 30, 1977. Nevertheless, State Social Services sought to take over all support collections and enforcement.

There seemed to be some logic to such a move, since Social Services does provide grants through taxpayers' funds to needy families, it would seem reasonable that support collections should be administered by them and that they be the conduit for the support reluctant or separated fathers would be ordered to pay for their dependent children. Practically, of course, it would seem to facilitate information with respect to funds that families are receiving through support and Social Services to, hopefully, cut down on the over payment of welfare grants to persons who are, in fact, receiving support from fathers and husbands.

As can be guessed, the transfer of over five hundred cases from one agency to another, especially at the end of a business year, which involved the transfer of over five hundred accounts as well, was a monumental task.

It is to the credit to all involved, both at the Orleans County Social Services Department and the Probation Department, that the transfer occurred quite smoothly and with a minimum of trauma. Several meetings took place between the leaders and the responsible staff of each department, occasionally involving members of the Probation and Social Services Committees of the Board of Supervisors. Various enabling proposals were sent to the Board and met with approval. I'd like to publicly thank Social Services, particularly Pat Hardenbrook and Ashley Ward, and the Board of Supervisors for helping make this process, necessarily involving a great deal of work, as reasonable and friendly as possible.

For us it meant, at one point in time, bringing some five hundred accounts up to date, accomplishing on a specific day what would normally be accomplished over a month's period of time and running through some five hundred support cases, which we had integrated into our entire system, separating support enforcement information from information pertaining to our efforts at intake, investigation and supervision in the same case.

Kathleen Dreyfus, who had previously worked as our Support Bureau Clerk, and now as a Probation Officer, was asked to take charge of the actual phase-over. Although she retained her active caseload at that time, we gave her no further cases nor assigned any pre-sentence investigations to her for the last three months of 1977 and further made efforts not to give her any additional work for the beginning months of the year so that she could continue in her liaison activities with Social Services and assist them with problems that they might run into; questions that would arise. Eleanor Yungfleisch, our bookkeeper of ten years, spent nights and weekends reconciling individual ledgers and bank deposits.

Sue Lane came to us as a volunteer on November 5, 1977 and worked full time for us for five weeks before we actually hired her as a paid staff member, was assigned to work with Mrs. Dreyfus. Highly recommended for her intelligence and industriousness, she demonstrated those qualities by very quickly grasping the necessities of the situation and becoming an invaluable aide to Mrs. Dreyfus and the entire department in the phase-over process.

To these three women, in particular, I owe a great debt as does Social Services and the citizens of this county, for conducting a complicated, detailed task of great quantity with a minimum of fuss and no additional expense to taxpayers. Thanks also go out to Account Clerk Typists Aggie Zicari and Mamie Walker, who regularly substituted for Mrs. Yungfleisch in taking in the day-to-day receipts and sending out payments, that involve as many as 300 separate financial transactions, mailings and a bank deposit each day. Further, I'd like to publicly thank the whole Probation Department staff, who in the last days, totalled receipts and disbursements in accounts, figured arrearages and sorted files.

A special vote of thanks goes to two former staff persons, Linda Williams and Sue VanAlstyne, both of whom had recently left the department to have their first and second children, and who, because of their knowledge of the Support operation, I asked to volunteer time and they readily accepted and contributed immeasurably.

In a world that seems increasingly concerned with only working "within their job description" and fighting endlessly over, in fact, what their duties are, it renewed my faith in humanity to see this staff and volunteers rally to the necessity of this project selflessly and unjealously.

This transfer of support/collections to Social Services did not significantly reduce the responsibilities of Support Bureau Probation Officer, as she retained the duties of Support intake- 144 cases in 1977; Counselling- principally visitation negotiation with support cases (average caseload in 1977 was 456 cases). We have retained other bookkeeping responsibilities (approximately 20%) in collecting restitution or fines in criminal cases as well as much petition responsibility -- 70% of all support petitions, all family offense, juvenile delinquency, persons in need of supervision, support modifications and occasional custody petitions.

\* \* \* \* \*

Support Bureaus were created in each County by the Family Court Act to receive and disburse funds pursuant to any Court Order of the Court. The Orleans County Probation Department handled this function. Money was received from Respondents in Family Court Support cases and also on occasion, from Supreme Court cases, and in fines and restitutions in Criminal Court cases. Records are kept of all transactions and money is disbursed by the Support Bureau according to Court Orders. In 1977 \$401,795.57 was received by the Support Bureau in 9,511 individual transactions. In certain instances money is disbursed directly to the Dependents. In many other instances the support provided to Dependents reduces the amount of public assistance which the County must provide.

Figures for 1977 are as follows:

	<u>TOTALS</u>	<u>FAMILY COURT</u>	<u>CRIMINAL COURT</u>
1. Support	\$401,795.57	\$401,795.57	-0-
2. Restitution	5,428.57	439.20	4,989.37
3. Fines	208.50	-0-	208.50
<b>TOTALS</b>	<b>\$407,432.64</b>	<b>\$402,234.77</b>	<b>\$5,197.87</b>

Comparing 1976 and 1977

	<u>1976</u>	<u>1977</u>	<u>Percentage increase</u>
Transactions	8,530	9,511	11.5%
Support payments	\$347,154.80	\$401,795.57	15.7%

Thus, the Support Bureau and Probation Department staff are owed thanks not only for the ease of transition to Social Services Support Collections Unit, but to also closing out our collection operations with a banner year.

The Honorable Board of Supervisors  
The County of Orleans  
Court House Square  
Albion, New York 14411

Gentlemen:

The Mental Health Board respectfully submits herein,  
its Annual Report for the year 1977.

The year 1977 was one of reorganization and new directions in the Mental Health Department at State, Regional and local levels. Two major achievements of the Orleans County Community Mental Health, Mental Retardation and Alcoholism Services Board this year were: 1.) a plan for staff reorganization and 2.) the establishment of three subcommittees as mandated by the new Mental Hygiene Law for planning in the fields of mental health, developmental disabilities, and alcoholism/substance abuse.

The year began with Dr. Inci Terry, Director of Services, also functioning as Supervising Psychologist in the Mental Health Clinic. Also on the Clinic staff were two assistant Social Workers and a Psychiatrist (Dr. Yeon) who served half time. A staff Psychologist (Dr. Uhrman) was added in January and a staff Social Worker (Mr. Waite) was employed in June. Dr. Yeon resigned in April and was replaced in May by two part time Psychiatrists, Dr. Shim and Dr. Sangani. At a meeting of the Board in July, much dissatisfaction with the Director of Services was expressed by representatives of the Social Services Department and the Sheriff's Department. Following this confrontation, Dr. Terry resigned as Director of Services on August 12, 1977 and Mr. Thomas Waite was appointed Interim Director with Dr. Sangani's services being increased to half time. Assistant Social Workers, Dumanian and Murphy, also resigned in August.

It was imperative that the Mental Health Board study the alternatives available under Mental Hygiene Law and decide on

a staffing pattern to best meet the needs of Orleans County. Based on these premises: 1.) the additional administrative responsibilities being given to the Director of Services with increasing emphasis on providing services to the developmentally disabled and the alcoholic as well as the mentally ill, 2.) the desire for improved public relations, and 3.) the request by referring agencies in this County that the Mental Health Clinic Director be a physician, the Board decided to separate these positions. It was decided to choose the alternative set forth in the law which provides that the Director of Community Services may be a Certified Social Worker, who has an M.S.W. from an accredited university and who has had at least seven years of progressively responsible experience working in programs for the mentally ill, mentally retarded, or the alcoholic, at least two of which must have been in an administrative capacity. The Director of Services as per Mental Hygiene Law 102.2 would serve as chief executive officer of the local government unit, exercise general supervision over local services and encourage development of programs in the field of mental illness, mental retardation and alcoholism, and report to the Board on programs under his direction, including a fiscal accounting. The Director would work closely with Regional and State offices of the Department of Mental Hygiene and seek appropriate funding for programs. The Board expects to have hired a Director of Services by May, 1978.

Even before receiving the mandate from the State Mental Hygiene Department to establish subcommittees, the Board had decided to seek input from County agencies and interested citizens in identifying problems, studying programs, and planning services in the fields of mental health, developmental disabilities, and alcohol/substance abuse. Three separate committees were formed, each chaired by a member of the Mental Health Board. Each committee has met once a month or more, often with an average of twenty persons in attendance at each meeting.

Changes to be taking place in 1978 include enlarging the Orleans County Community Mental Health, Mental Retardation, and Alcoholism Services Board to fifteen members, by Mental Hygiene Law mandate, working with three separate offices in the State Department of Mental Hygiene, coming under the jurisdiction of an enlarged regional mental hygiene area headquartered in Rochester, and updating the by-laws of the local Board.

The Board pledges itself to support and expand the services offered by the Mental Health Clinic and to initiate services for the developmentally disabled and for the alcoholic. The Board wishes to express its appreciation to the Board of Supervisors for its cooperation and support during this rather difficult year.

- 3 -

Supervisors have faithfully attended Board meetings as well as Subcommittee meetings and have contributed much to mental health planning.

Sincerely,

A handwritten signature in dark ink, appearing to read "Satya P. Sahukar", followed by a horizontal line and a small flourish.

## PLANNING

In 1977 the Department, consistent with the policy and mandate of the Mental Health Board and the State Department of Mental Hygiene, recognized the importance of developing planning components to address each of the target areas of alcoholism, developmental disabilities, and mental health separately, but equally to avoid the unequal distribution of resources which had previously characterized service development.

Although this planning effort was not reflected in the Five Year Plan which we are mandated to submit to the State (as this submission was made in August), the Board did, in October 1977, establish three separate planning and coordinating sub-committees: the Mental Health Planning, Developmental Disabilities, and Alcoholism and Drug Abuse (see appendices A-C Committee Memberships).

These committees were established in accordance with Section 41.11 of the Mental Hygiene Law which also requires that the local government appoint nine official (voting) members, three of which must be Local Service Board members. The committees are currently composed of representatives of schools, service organizations, interested citizen groups, consumer groups, etc. with as many as 25-40 ex-officio members currently participating and attending meetings on a regular basis.

The various roles of the committees include identification of the needs for services, service gaps, service duplication, etc.,

PLANNING (Continued)

the identification and development of alternative program approaches and service systems to meet the needs, the evaluation of program proposals and the recommendation of services to the Community Services Board.

Overall, the Board and the Department are surprised at, and well pleased with the ongoing community participation and interest which these committees have engendered. We feel, as we have previously stated, that these committees have been in part, responsible for the regeneration of community confidence in the Department. The Board has been commended by the Regional Department of Mental Hygiene representatives for its foresightedness in the development of these committees and the degree of community participation.

## MENTAL HEALTH PROGRAMS

In 1977 the Department has continued to operate the two main stays of Community Mental Health Services in Orleans County, the Unrestricted Psychiatric Outpatient Clinic serving children and adults and the Therapeutic Day Treatment Center for adults.

The outpatient clinic continues to provide a variety of direct services. Included in these are: 1.) psychiatric and psychological diagnostic workups and evaluations for the Courts, the Jail, Probation Department, the Social Service Department, schools and preschool programs, hospitals and physicians, and the community at large, 2.) crisis and emergency intervention in the form of telephone counseling, outreach, and if necessary facilitation of involuntary hospitalization, 3.) individual psychotherapy, 4.) family therapy, 5.) marriage counseling. (see also appendix D "Analysis of Services").

Despite the provision of these services, the clinic has chronically suffered and continues to suffer from poor relations with many of the agencies in the community, as evidenced by complaints regarding such issues as 1.) clinic stubbornness in refusing to release confidential information, 2.) lack of follow-up on referrals, 3.) lack of communication and feedback with referring agencies, 4.) lack of clear policies and procedures, 5.) and general lack of cooperativeness. In recent months particularly, every effort has been made by both the Board and Clinic staff and leadership to reduce these frictions and the

MENTAL HEALTH PROGRAMS (Continued)

Clinic's bad image. We believe that significant strides have been made toward an overall improvement of community relations, particularly as a result of the development of the Mental Health Planning and Coordinating Subcommittee (which will be more fully described later) and through joint staff meetings and personal contacts. However, some of these same problems seem to continue for the following reasons:

1.) Differences in roles and philosophies of agencies, e.g. the coercive / monitoring and societal / protective role of Probation versus the individual / therapeutic role of Mental Health.

2.) The absence of a written policy and procedure manual. Note: previous Directors and Boards have failed to ever develop the written Policy and Procedure Manual required for continued state certification of the Clinic. Continued neglect in this area may result in decertification of the Clinic and jeopardize Clinic eligibility for State Aid.

3.) Staff shortages and Staff turnover. There seems to be not enough staff time available to provide adequate follow-up, feedback and maintenance of good community and inter/agency relationships. The available number of staff does not seem adequate to meet the community's needs. The Board intends to direct the new director to conduct a time study to document this point. This situation is aggravated by the role of staff turnover at the Clinic, resulting in the community perception (perhaps a justifiable one) that the Clinic does not have adequate staff to service their needs.

MENTAL HEALTH PROGRAMS (Continued)

To address these problems, the Board has developed the following plans:

A Clinical Director (Psychiatrist) will be appointed, who in addition to seeing patients, would be available in emergencies, would establish policies and procedures for referral, intake, etc. to the Clinic, and would recommend to the Director of Services Clinic budget and staffing needs. The Board has a commitment for a 3/5 time Psychiatrist-Director and will continue to seek a Psychiatrist to fill this position full time. The Mental Health Clinic, in addition to the Psychiatrist-Clinical Director, will be staffed by a Supervising Psychologist, two Staff Social Workers, and an Assistant Social Worker. Again, the Board will request that a time-study be done and that no new staff be added until the need is established.

The Clinic has been privileged in 1977 to receive the assistance, one day per week, of two shared staff Community Mental Health Nurses from Buffalo State Psychiatric Center. However, in March, 1978, due to staffing retrenchments being made at the Center, based upon cuts in their budget, the loan of these nurses is being withdrawn.

Overall, we can conclude, given the removal of these nurses and the existence of two vacancies, that the Clinic is functioning at an improved but very marginal level with resultant ongoing community and interagency relations problems. Provision of in-

MENTAL HEALTH PROGRAMS (Continued)

direct service such as consultation and inservice training to other community agencies is often precluded by the lack of staff time.

The Day Center continues to offer a therapy and recreation program two days per week for 15 - 20 adult clients per day. The Day Center program is designed to prevent institutionalization and hospitalization episodes in what would otherwise be a high risk group. The program offers group therapy, crafts, recreation, individual therapy ( in conjunction with the Clinic) and basic living skill development.

Although the Day Program has not been the target of inter-agency complaints, it has also suffered from the lack of adequate staffing. In 1977 the Day Center lost its State Certification as a Day Care Program due to inadequate staffing and therapeutic programming and the absence of written policies and procedures. Specifically there was not then and there remains (due to Clinic priorities) no on site professional supervision of, or participation in the Day Center Program. In addition, the State guidelines now call for the availability of a nurse in the program. It may be that we would be able to regain one of the B.P.C. nurses for this purpose if we can adequately staff the program on the supervisory level. Here too, the State Aid eligibility of this program is in jeopardy if we do not make an effort to re-certify during the upcoming year.

MENTAL HEALTH PROGRAMS (Continued)

One area of need which may be addressed more fully in the up-coming year is that for a 24 hour emergency hotline or telephone crisis answering service. In this area, the Clinic is working closely with other agencies on the Mental Health Planning Subcommittee.

#### DEVELOPMENTAL DISABILITIES

As the heading for this section indicates, the focus for services in this category has broadened from only those for retardation to services for all of the developmental disability categories including cerebral palsy, physical handicaps, speech and hearing impairment and learning disabilities.

In 1977 the Board and the Department have been engaged in a tremendously rewarding effort (through the Developmental Disabilities Planning and Coordinating Committee and the special efforts of A.R.C.) to identify the County's needs for services and to develop programs to meet those needs.

A.R.C. continued to contract to provide a therapeutic and educational day care program to eight of the County's preschool age retarded children in 1977. However, with the recognition that (1) this program was not receiving adequate administrative support and supervision due to the voluntary nature of A.R.C., (2) the program required expanded and better quality of services in the form of speech and hearing and physio-therapy and psychological evaluations, and (3) the program did not meet the needs of the whole County (estimating that 20-30 children could benefit from the program), it was proposed that Niagara-Orleans B.O.C.E.S. Project S.A.S.H. replace A.R.C. as the contract agency for this service.

DEVELOPMENTAL DISABILITIES (Continued)

As you know, the B.O.C.E.S. contract was found to be unacceptable by the Board of Supervisors and upon closer examination, by the Community Services Board. The result was a complete re-evaluation of the need for this service with a thorough need assessment and census study conducted by the Developmental Disabilities Subcommittee in cooperation with the schools. The subcommittee confirmed the need for the service, identifying a possible thirty developmentally disabled preschool age children in the process. Alternative program proposals were reviewed with submissions being made by B.O.C.E.S., Headstart, and A.R.C. The Mental Health Board recommended the continuance of A.R.C. as service provider with an expanded budget (see appendix - A.R.C. preschool proposal).

In addition to an expanded preschool program, the Community Services Board and the Board of Supervisors have approved the initial development of a Sheltered Workshop program for developmentally disabled adults through contract with A.R.C. Although limited in its scope of operation this year, we look forward to a more fully operational program in 1978 (see appendix A.R.C. Sheltered Workshop proposal).

The Board and the Supervisors have also budgeted to approve the continued operation of the A.R.C. Camp Rainbow/Recreation and Therapeutic Day Program which has already proven itself in the past. Previously this program was run on a completely volunteer basis, but has proven so successful as to justify support through contract with the Department (see appendix).

DEVELOPMENTAL DISABILITIES (Continued)

Overall, A.R.C. has proven so dedicated and successful in its advocacy for and operation of therapeutic programs for the developmentally disabled as to justify the well deserved and necessary staffing support which it will now receive through contract with the Department. The result will be an equalization of the distribution of resources to this previously unserved group.

Progress has been made by the Mental Health Board in improving communication with A.R.C. Apparently A.R.C. had felt that the developmentally disabled had been neglected by the Board in past planning and as a result, A.R.C. had gone directly to the Board of Supervisors with its requests and even had threatened to go around the County Mental Health Board to request direct funding from the State. Since the County Mental Health, Mental Retardation, and Alcoholism Board is responsible for services to the mentally retarded and such services are a part of the State Aid plan, a strong attempt will be made to continue to strengthen the relationship between the Mental Health Board and the Association for Retarded Children.

## ALCOHOLISM

Alcoholism remained a somewhat neglected area of responsibility in 1977. However, the Board has taken efforts to correct this situation. It began by establishing the Alcoholism and Drug Abuse Planning and Coordinating Committee in October. Many alcoholism task forces and ad hoc committees have existed in the past, however, with no success in the development of ongoing alcoholism services. It is hoped that the present committee will meet with more success. If motivation and attendance are any measure, it will, as the committee has manifested ample evidence of both.

During the budget process in September, the Department of Mental Hygiene indicated the availability of 25-30,000 dollars of 100% State reimbursable monies for the development of alcoholism services of which the County of Orleans could avail itself. The Department, with the endorsement of the Board, has submitted a letter of intent to the State Department of Mental Hygiene Office of Alcoholism and Drug Abuse to develop a program plan for the utilization of these monies.

The Subcommittee on Alcohol and Drug Abuse Planning compiles statistical data supplied by law enforcement agencies, Probation, industry, Youth Services, and others to support the need for alcoholism services in the County. The Task Force on Alcoholism Survey completed in 1974 was reviewed. The committee recommended to the Mental Health Board that the Board of Supervisors be asked to support a \$25,000 100% reimbursable

ALCOHOLISM (Continued)

alcoholism grant from the State. Study and discussion is continuing on the best way to use this \$25,000. The consensus is that it be used for service to alcoholics, rather than for more planning. The Mental Health Board had originally believed that a Citizens Council on Alcoholism was about to become incorporated and as a Council on Alcoholism, might become a contract agency which would provide service. However, representatives from that Citizens Council reported that they were not interested in becoming a contract agency. A proposal has been submitted by Orleans County Youth Services to provide service to alcoholics and a speaker was obtained from Allegany County, where a program is being carried on by a Council on Alcoholism and Drug Abuse. Another proposal for direct service by the Mental Health Board has been submitted by Mr. Waite. These proposals will be studied further and a recommendation made to the Mental Health Board.

COMMENTS ON THE 1977 FOURTH QUARTERLY FINANCIAL STATEMENT (see appendix H)

Income, which includes Medicaid, Medicare, Blue Cross/Blue Shield and Patient Receipts, has decreased \$5,000.00 over last years total.

Personal Services in 1976 were expended 91%. In 1977 only 78% was expended. This is due to:

- A. Director was vacant from September through December.
- B. (½ Time) Psychiatrist was vacant from April through July.
- C. (¼ Time) Psychiatrist was vacant from January through March.
- D. Staff Social Worker was vacant from January through May.
- E. One Assistant Social Worker was vacant from August through December.
- F. One Stenographer was vacant from January through March.

In 1976, ARC expended 100% of their budgeted \$11,414.00. This year only 93% was expended on the \$20,000.00 budgeted. The unexpended monies lie in General Operating Expenses (\$106.41), Rent (\$400.00) and Fringe Benefits (\$895.00). ARC is in the process of encumbering \$895.00 for F.I.C.A.

670% was expended from Advertising for Personnel due to advertisements for Social Worker, Psychiatrist and Director of Community Services. More should be allocated next year.

1976's total budget was expended 83%. 1977's budget was expended only 74%. The underexpenditures show themselves in Personal Services, Fringe Benefits and ARC.

General Operating expenses in 1976 were expended 66% and in 1977 we expended 71%.

Telephone was expended 165% this year due to a large increase in business related long distant phone calls. More should be budgeted next year.

The \$4,500 allotted for Jurisdictional Patients has been expended 0% for two years in a row, but we must continue budgeting for these patients.

In 1976 actual county expenditures for the Mental Health Department amounted to \$51,800. This figure takes into account the Department of Mental Hygiene's reimbursement. In 1977 this figure decreased to \$50,942.

PROPOSAL

Orleans County Chapter  
New York State Association for Retarded Children, Inc.

PRESCHOOL

PROPOSAL

The Orleans County Chapter of the New York State Association for Retarded Children proposed to continue services and facilities for handicapped preschoolers between the ages of two and five years of age or entry into public school or another program.'

TITLE AND LOCATION OF THE PROGRAM

The proposed program will be known as Rainbow Preschool.

It will be located at 16 East Academy Street, Albion, New York as long as this site continues to be available at a rental within the proposed budget.

III. PURPOSE AND OBJECTIVES OF THE PROGRAM

A. Purposes:

The purposes of this program is to provide educational, social, and developmental experiences for handicapped preschoolers of Orleans County who are living within the county, and to offer experiences which will enable these preschoolers to better adjust to public school when and where possible or develop skills which will assist them in social living in the community.

B. Objectives:

1. To stimulate language and speech development
2. Reduce social isolation and develop social skills through contact with peers.
3. To stimulate participants, through reinforcement training, to achieve their fullest possible development.
4. To improve and develop physical skills.
5. To assist parents, through consultations and referrals to other agencies, in planning and implementing a developmental program for their child.
6. To build a sense of self worth.
7. To aid parents in adapting to the stresses of a handicapped individual in the family and to help integrate the handicapped person in the family and community.
8. To develop good self care habits.

#### IV. PERSONS TO BE SERVED

These services are planned for mentally retarded, physically handicapped speech impaired and learning disabled between 2 and 5 years of age. Children may attend preschool only until they are of public school age.

#### V. ADMINISTRATIVE ORGANIZATION

The Chapter's Board will authorize and delegate responsibility for class supervision to a teacher coordinator. The Chapter's Director will have administrative responsibilities for the preschool and will be responsible for reporting to the ARC Board on all activities.

#### VI. GENERAL DESCRIPTION OF PROGRAM

The program will be conducted five days a week for a minimum of three (3) hours per session, ten months a year.

Transportation will be provided under Family Court Petitions.

One class will be operated until at least 12 children are enrolled. At that time, a second class will be opened. The maximum capacity for each class will be ten children. The children will be grouped to best meet their needs. Physical therapy and speech therapy will be contracted as needed. Psychological services for evaluation and consultations will be contracted. A nurse-outreach worker will coordinate health services and the program for parents. The teacher or teachers will spend four hours at class and two hours a day visiting homes and planning. The teacher coordinator will spend extra time on coordinator duties. There will be two aides who will work with both classes.

Staff training and in-service training will be conducted once a month as planned by the ARC Director and teacher coordinator.

The classes will follow the Albion School calendar, operating 10 months each year. A preschool parents group will be initiated to assist parents in understanding their child and planning developmental activities for their child. The teacher coordinator and nurse outreach worker will plan a program of speakers to help the parents cope with the problems of maintaining a handicapped child in the home.

#### VII. NUMBER OF CLIENTS

The preschool will serve a maximum of 20 children. One class will operate until a maximum of 12 children has been reached. At that time a second class will be opened.

#### VIII. ADVISORY GROUP

It is assumed the Developmental Disabilities Committee of the Mental Health Board will be available for professional advice to the Program Director in appropriate areas. The ARC Board will seek guidance from appropriate professionals and the New York State Association for Retarded Children as needed.

IX. PROFESSIONAL PERSONNEL

- A. Director - A director will be hired to administrate all ARC Programs. He will spend approximately one quarter of his time on preschool. His duties will be:
1. Administration of the total program.
  2. Hiring staff.
  3. Assignment of children to specific classes when two classes exist.
  4. Maintenance of professional records.
  5. Planning inservice training and conferences with input of teacher coordinator.
  6. Interpretation of the program to the community and other professionals.
  7. Reporting to the ARC Board on all phases of the program.
- B. Secretary-Bookkeeper - Will be responsible for secretarial work of the preschool, and will be responsible for financial bookkeeping and payroll. Approximately one quarter of their time will be spent on preschool.
- C. Teacher Coordinator - Will be certified by the State of New York to teach Special Education. They will be responsible for:
1. Teaching a class of no more than 12 preschool handicapped children.
  2. Planning individual developmental programs for these children.
  3. Planning and helping parents implement a home training program.
  4. Maintaining all records pertaining to the children.
  5. Coordinating program for the children.
  6. Coordinating with the Director, the staff in-service and conferences.
  7. Coordinating with the nurse outreach worker, the parent program.
  8. Coordinating with other professionals.
- D. Teacher - Will be Certified by the State of New York to teach special education. The teacher will be hired when a second class is needed. Their duties will be:
1. Teaching a class of no more than 10 preschool handicapped children.
  2. Planning and helping parents implement a home training program.
  3. Planning and implementing individual, developmental programs for these children.

D. Teacher - Continued

4. Maintaining all records pertaining to the children.

E. Nurse-Outreach Worker will be a registered nurse, licensed by the State of New York. The duties of the nurse will be:

1. Emergency first aid.
2. Coordinating with the teacher coordinator, the parent program.
3. Assisting in the classrooms with program.
4. Working with parents and other professionals to plan and implement a health and developmental program.
5. Maintaining health records for all children in the program.

F. Teacher Aides - Will be persons with an ability to relate well to handicapped children and to work with them under supervision of the teachers and nurse. There will be one aid per class until class size reaches 6 at which time there will be 2 aides per class. The same aides will work with both classes and salaries will be adjusted according to the hours worked.

X. CONTRACT SERVICES

Physical Therapy, speech therapy, psychological services and any other professional assistance needed will be contracted with other agencies inside Orleans County and outside as necessary. These services will be sought to meet the needs of individual children. The need will be determined by conferences with:

- A. Child's physician.
- B. West Seneca Developmental Center Staff.
- C. Other agencies in contact with the child.
- D. Parents.

The teacher and nurse-outreach worker will be responsible for the coordination of this conference. The Director will make the need contractual arrangements for these services.

XI. METHOD AND SOURCE OF REFERRAL

Children will be referred to the preschool by the following sources:

- A. Physicians.
- B. Mental Health Clinic
- C. West Seneca Developmental Center
- D. Public School Committee on the Handicapped.
- E. United Cerebral Palsy

XI. METHOD AND SOURCE OF REFERRAL - Continued

- F. Evaluation centers like Monroe Developmental Center and Children's Hospital.
- G. Families of the handicapped. Efforts will be made to inform these sources of the services offered by verbal and written communication. Referral sources will be encouraged to refer children before 2 years of age and parents will be invited to join the parent program.

XII. COORDINATION WITH OTHER AGENCIES

The preschool will require support and coordination with all other agencies dealing with young handicapped children. The director will be responsible for initiating and developing this support and coordination.

PROPOSAL

Orleans County Chapter  
New York State Association For Retarded Children, Inc.

SHELTERED WORKSHOP

ORLEANS COUNTY CHAPTER  
NEW YORK STATE ASSOCIATION FOR RETARDED CHILDREN, INC.

I. PROPOSAL

The Orleans County Chapter of the New York State Association for Retarded Children proposes to begin services and facilities to accommodate handicapped adults who are now receiving no services of a vocational-occupational nature in our county.

II. TITLE AND LOCATION OF THE PROGRAM

The proposed program would be known as The Orleans County Workshop (Rainbow Industries). It will be located in either Medina or Albion if a site can be rented within the proposed budget. If no such site can be located, sites in smaller villages or rural areas will be considered, including existing facilities at Camp Rainbow.

III. PURPOSES AND OBJECTIVES OF THE PROGRAM

A. Purposes: The purpose of this program is to provide organizational and developmental vocational and occupational experiences for handicapped adults of this county who are living within the county, and when possible, to offer habilitation which will enable them to enter the mainstream of community life.

B. Objectives:

1. To facilitate home care by developing independence in personal needs.
2. To reduce social isolation through contact with peers in collaborative activities.
3. To stimulate participants through reinforced training to achieve fullest possible development and the use of their abilities or to learn to compensate for their disabilities.
4. To channel energies of participants into constructive, personally accepted goals.
5. To provide a facility offering work discipline and competence training for potential employment. When available, remunerative assignments within the scope of this program will be undertaken.
6. To aid parents in adapting to the stress of a retarded or other handicapped individual in the family, and to aid in integrating the handicapped individual into home and community.
7. To build individual sense of self worth.
8. To provide follow-up guidance for each handicapped individual placed into a community situation.

#### IV. PERSONS TO BE SERVED

These services are planned for:

1. Mentally retarded adults will be defined as those retarded people over eighteen years of age. Those under twenty-one years of age would be accepted only if no public school class is currently available.
2. Physically handicapped adults will be defined as those people over eighteen years of age who are defined as physically handicapped by the Office of Vocational Rehabilitation standards and eligible for funding under OVR. Those under 21 years of age would be accepted only if no public school class is currently available.

#### V. ADMINISTRATIVE ORGANIZATION OF THE PROGRAM

The Chapter's Board of Directors will authorize and delegate to a director full responsibility for conduct of the Workshop with the responsibility to report to the Board on all activities.

#### VI. GENERAL DESCRIPTION OF PROGRAM

The program will be conducted five times weekly for six to eight hour sessions; this would include the lunch period.

The pre-vocational and vocational program will provide a series of experiences to assist the handicapped adult develop his competence in employment skills. Some of these skills would be: use of tools, acclimation to work discipline, appreciation of acceptable standards, communication and self-care.

As the facilities and situation permits, contract work will be undertaken. This will lead to a program of job placement for some of the clients and long range sheltered employment for others.

A program for parents or guardians will be developed to assist in effective adaption and follow-through of the Workshop activities. This program will include meetings both within the Chapter and with the professional staff.

#### VII. NUMBER OF CLIENTS

The proposed schedule would open the Workshop in September with a minimum of ten (10) clients. This would be expanded as space, work and staffing permit. The maximum for the first year would be 25 clients.

#### VIII. ADVISORY BOARD

Because the Workshop Program is so closely allied to the Community Mental Health Board, it is assumed that this group will be available for professional advice to the Program Director in appropriate areas. The ARC Board will seek the guidance needed from appropriate professionals within the Chapter and the New York State ARC.

## **IX. PROFESSIONAL PERSONNEL**

- .. **Director** - A Director will be selected based upon standards set up by the State of New York for such a program. It is our plan to set up a search committee as soon as this proposal is approved. The Director of the Workshop would be responsible for:
  - 1. Administration of the total program
  - 2. Screening Applicants
  - 3. Assignment of participants to specific programs
  - 4. Social case work, guidance and counselling, parent education
  - 5. Maintenance of progressional records.
  - 6. Planning in-staff training and conference programs
  - 7. Interpretation of the program to the community
- B. **Secretary-Bookkeeper** - This person will be responsible for all secretarial work of the Orleans County Chapter for Retarded Children and maintenance of the records of the center. They would be responsible for the financial bookkeeping and payroll.
- C. **Supervisor** - A supervisor will be selected to meet the qualifications of the New York State Department of Mental Hygiene and Occupational Vocational Rehabilitation. They will be responsible for planning and conducting projects geared to each participants capacity and current need. They will supervise clients and volunteers and will report individual performances.
- D. **Coordinator-Evaluator** - This position will require a college graduate, meeting the standards set by the New York State Department of Mental Hygiene and the Division of Vocational Rehabilitation. Their responsibilities would be to evaluate work potential of each client, make appropriate assignments, re-evaluate clients at proper intervals, job placement and contract procurement.
- E. **Psychiatric Services** - An arrangement on a consultant basis would be made with the Mental Health Clinic.

## **X. METHOD AND SOURCE OF CLIENT REFERRAL**

Clients would be referred to the work activities center from the following sources:

- 1. Mental Health Clinic
- 2. Private Physicians.

**X. METHOD AND SOURCE OF CLIENT REFERRAL - continued**

3. United Cerebral Palsey and other Agencies.
4. BOCES and the Public Schools.
5. Evaluation centers like Monroe Developmental Center and Children's Hospital.
6. Families of the Handicapped.

**XI. COORDINATION WITH OTHER AGENCIES**

The workshop would require support and coordination with numerous other agencies. Some would be sources of referral, some consulting groups. The director of the workshop would be responsible for initiating and developing the coordination and support of the agencies.

APPENDIX G

Proposal for Contract for  
THERAPUTIC RECREATION  
by  
Orleans County Chapter  
New York State  
Association for Retarded Children

## I NEED

Therapeutic recreation programs are recreation with a special emphasis on the needs of the ill or handicapped individual. Therapeutic recreation is needed in every community for the following:

1. The developmentally disabled person has a right under law to have services available within his community. Communities must provide programs which meet the needs of their residents.
2. Many developmentally disabled persons stagnate and lose skills when no program is available to encourage them in the use of the skills learned.
3. Therapeutic recreation can be utilized to provide practical application of academic skills learned in school, thus strengthening those skills.
4. Through therapeutic recreation, the handicapped can learn uses of leisure time, develop positive attitudes of self worth, improve leadership abilities and learn or improve social relationships.

Orleans County at this time has no complete recreation program available to the handicapped. The two POCES units which serve Orleans County report over 300 students in classes for the handicapped. United Cerebral Palsy of Rochester reports 2 handicapped adults. The Community Action Survey currently taking place has 23 positive responses for need of services to handicapped adults in Orleans County. This survey has covered only one third of the county to date. Preschool class for the handicapped has eight students. All of these people are potential clients for a therapeutic recreation program.

## II NUMBERS TO BE SERVED AND TYPES OF CLIENTS

The therapeutic recreation program would attempt to meet the needs of the following groups:

1. Handicapped adults (age 18 and up)
2. Handicapped teens and young adults (13 to 25)
3. Intermediate level children (6 to 13)

Groups to be served would be limited when necessary to provide instruction or proper supervision. A dance would be larger than a group receiving instruction in bowling.

## III METHOD AND SOURCE OF REFERRAL

Participants in a therapeutic recreation program would be referred from the following sources:

1. Orleans County Chapter of the New York State Association for Retarded Children camp and member lists.
2. Other agencies dealing with the handicapped. (Mental Health, Scouting, Social Services, Churches)
3. Families of the handicapped.

Each person referred would be required to have a physical examination by a physician and a statement of ability to participate in the programs on file with the Orleans

County Chapter of the New York State Association for Retarded Children.

Notices of the proposed programs would be sent to all identified handicapped through the schools and mail. Notices would be placed in the local papers and sent to interested individuals and agencies.

#### IV DESCRIPTION OF SERVICES AND METHOD OF DELIVERY

There would be two components to the therapeutic recreation program. The first would be an expansion of the present program being operated at Camp Rainbow. This program would be expanded to eight weeks with a maximum of 25 campers per week. The campers would be allowed to attend more than one week as space and program permitted.

The camping program would be planned around interest and age levels. Each camping session would be one week in length, with the sessions being repeated as needed to meet the needs of the participants. The camper would be offered games, crafts, field trips, speakers, swimming instruction, and nutrition instruction.

The second component of the program would be the weekly, year round recreation program. This program would be formed around age and interest groups. The groups would meet at regular intervals which will vary depending on the type of activity. No group would meet less than once a month. The groups would include swimming, bowling, ice skating, crafts, cards, dances, attending movies, group games, and parties. Some activities would be open to all ages, others only to preregistered individuals. The need for preregistration is necessary to obtain an instructor.

## VI DESCRIPTION OF PHYSICAL SPACE TO BE USED

Component one of the therapeutic recreation program would be held at Camp Rainbow, located on Town line Road, north of the Oak Orchard River in the Town of Ridgeway. The camp consists of ten acres, part wooded, a swimming pool, bathhouse, two small storage buildings, a potential office trailer, caretakers mobile home with infirmary, and pavilion with kitchen.

Component two would be held in places of public recreation, Camp Rainbow, room currently used for preschool, other borrowed and if necessary rented space.

## VII QUALIFICATIONS OF PERSONNEL

The recreation director would have a minimum of a Bachelor's Degree in recreation with emphasis on work with the handicapped. It is preferred he have had at least one years work in therapeutic recreation or in administration of a similar program.

The program nurse must have either a LPN or RN and at least one years work with children or the handicapped.

Bus drivers must be qualified for the type of vehicle they will be driving.

Swimming instructors must have a current water safety instructors certificate.

Other instructors must be generally accepted as qualified to teach the specific skill for which they are employed.

The nutrition program would be co-ordinated with the nutrition programs run by Co-Operative Extension.

The Senior counselor must be over 25 years of age. They must have had at least three years prior experience in camping and one years experience working with the handicapped.

Junior counselors must be over 16 years of age and had at least one year of prior experience as a camper. Preference will be given to applicants who have worked as a volunteer in programs with the handicapped.

## VIII CO-ORDINATION WITH COMMUNITY BASED SERVICES

The Co-operative Extension nutrition program will be utilized to provide nutrition education for this program. Surrounding colleges will be approached to provide students working on degrees in recreation needing in field experience to assist with the program or to do traineeships with the program. The local Scouting programs will be asked to co-ordinate programs with this program so there is no duplication of services.

ORLEANS COUNTY HEALTH DEPARTMENT

Albion, New York 14411

HIGHLIGHTS 1977

Divisions of the Health Department have been fully staffed in all areas for the entire year. It should be noted that an additional Environmental Health Technician may be needed in 1978 to provide needed coverage for expanded programs and additional mandated requirements from the State.

Blizzard conditions in January 1977 brought the entire County to a standstill including cessation of all but emergency traffic. However, steps were taken to assure that persons needing nursing or emergency care of a public health import received the assistance needed during this period. The Division of Environmental Health and nursing personnel of course were on standby to render whatever advice and assistance possible under such adverse weather conditions.

During 1977 the New York State Department of Health discontinued its tuberculosis clinic network which served most of the counties in New York State placing the responsibility for providing diagnostic and treatment services on the individual counties. Prior to July, the County had a contractual agreement with Livingston County for ambulatory Tb services. The changeover has been completed and appears to be functioning satisfactorily with the County Health Department assuming a larger role in the program. A Tb consultant has been retained to handle cases of questionable diagnosis and confirmatory diagnosis and treatment whenever necessary. X-ray and patients' records have been retrieved from Livingston County.

Nurses were approved to administer certain subcutaneous or intradermal diagnostic tests as part of the approved public health program. This procedure has

improved service to the public especially in the pre-school immunization clinics where waiting time has been greatly reduced. Training in venapuncture was given to the nurses which they completed at the Medina Memorial Hospital.

Water Systems Workshop presented by the Water Systems Council was sponsored by the Orleans County Health Department and attended by over 30 contractors, building inspectors, and public health personnel (local, State, nearby counties). Responses were that it was very informative and literature distributed would be handy reference material.

Efforts to promote public health education have been instituted by printing articles in local publications on subjects such as nutrition, water, public safety, etc. Training courses have been attended by Health Department personnel on epidemiology, food service, etc.

Programs have progressed quite well in the Division of Environmental Health over the year. Certain areas have engendered more interest than others due to events such as an explosion at a Migrant Labor Camp and resultant law suit by three individuals for a considerable amount for injuries. A proposed Rock Concert involved a considerable amount of time until the promoter decided to abandon the idea. One of the Mobile Home Parks finally was vacated due to the operator's inability to comply with the Health Department and the Department of Environmental Conservation regulations regarding the sewage disposal systems. A project was started to pinpoint sewage to ground surface discharges along Jeddo Creek from Lake Ontario to Town of Shelby as part of a program to reduce stream pollution. A sizeable amount of time is still being spent in this County on sewage disposal system and water problems. An alleged foodborne illness outbreak in a school was investigated but no basis could be found to substantiate the allegation. However, the illness may

be linked to a virus possibly winter vomiting illness.

Surveys have been made of the Home Health Agency of the Health Department and the Agency has been re-certified.

Plans are being made to utilize the Orleans County Homemaker/Home Health Aides who have completed their on-the-job training. The Home Health Aide program of the Department may be expanded by using this service part time which will provide back-up and summer vacation replacements.

17 February 1978

TO: Orleans County Board of Supervisors

FROM: David M. Green, Director  
Orleans County Office of  
Natural Disaster and Civil Defense

SUBJECT: Annual Report for Orleans County Office of  
Natural Disaster and Civil Defense for Period  
of 1 January 1977 to 31 December 1977

Gentlemen:

I hereby submit the Annual Report of progress for the Orleans County Office of Natural Disaster and Civil Defense.

The following is a summary of the activities for the year of 1977. We will attempt to show benefiting compensation to the county for money expended through efforts put forth by the paid and volunteer staff of this office and through reimbursement under Public Law 85-606. Under PL 85-606 we are reimbursed 50% in matching funds for administrative expenses.

Efforts for emergency service and rescue are coordinated through this office during the initial disaster and are carried out through the state and federal level where necessary. During the past 12 months our volunteer services were called upon to assist in many areas as will be explained throughout the report.

It is my responsibility to organize, recruit, and train the volunteers for our various services. I must also see that our plans and annexes are reviewed and updated annually. Periodic tests and exercises are conducted through this office for the various services. Surplus Property, Excess Property, and Matching Funds are also secured through this office. We must also maintain records for goods and money received.

Early in 1972 the Fire Service was also placed under my jurisdiction. We secure training courses for the departments and maintain all such records.

I was appointed County Energy Coordinator in 1974. All records and correspondence are maintained through this office.

It is also my responsibility to coordinate the ambulance service in this County.

The Blizzard of '77 necessitated the activation of all services for rescue operations under the direction of this office.

#### CIVIL DEFENSE DUTIES:

1. Surplus Property did not offer much this year as the warehouse was relocated in Rotterdam, New York. Property was purchased for \$200.00 which had a value of \$1800.00. The following agencies made purchases this year:
  - 1.. Orleans County Treasurer
  2. Orleans County Highway
  3. Orleans County Self Insurance
  4. Orleans County Clerk
  5. Orleans County CD Office
  6. Kendall Fire Dept.
  7. Town of Shelby
  8. Medina Fire Dept.
2. The Excess Property Program did not provide any new equipment for the County during 1977, however, loan agreements were extended for another five (5) years for trucks acquired in 1972.
3. Several groups toured the Civil Defense Center during the past year. During the tours we show movies and describe the duties of this office.
4. "Go Home" plans are prepared and updated each year for the schools in Orleans County. In the event of a nuclear attack or a natural disaster we attempt to get all students home. Shelter drills are also conducted in the schools in case it is not possible to get the students home.
5. A 21 hour EMT course was conducted during 1977. This was a refresher course needed by those who have already completed the initial 81 hour course to keep their card up-to-date.
6. A seminar was held covering updating annexes, however, the program has not been completed as yet as the guidelines have not been passed down from the government.
7. Weekly radio checks are conducted each week in conjunction with the Civil Defense Office on the following radios:
  1. Each Monday the school monitors are checked. Eight schools have monitors and are capable of receiving weather warnings for their information.
  2. Citizens Radio Service tests are conducted each Tuesday night by Mark Porter and his volunteer staff.
  3. Orleans County Fire Police are also tested on Tuesday night.
  4. Fire radios and sirens are also tested each Tuesday night.
8. I attended monthly meetings of the Western District Directors Association. These meetings are held to keep us informed concerning legislation and other areas of direct interest to the well being of our program.
9. I attended a Civil Defense Seminar in Albany for CD Directors in October. Several other seminars were also held throughout the year in Batavia and Canandaigua.
10. The County Civil Defense Auxiliary Police served over 8,000 hours during the past year. This represents a great savings to the county as they assist at parades, carnivals, county political functions, the county fair, and ride patrol with the Sheriff's Dept. The Auxiliary Police were also activated for service during the blizzard.

11. I have been the guest speaker at several fraternal organization meetings. My program consists of showing films, discussing the various functions of the many services in my organization, and the measures we take during emergencies.
12. An "On-Site Assistance Program" was conducted in conjunction with the Federal and State Government throughout our county. At this time, representatives met with various individuals in private and public offices to discuss ways to improve cooperation and continuation of operations should a disaster occur. The findings of this program have not been returned as of this time.
13. I attended monthly meetings of the Lakes Area Emergency Medical Services Council in Buffalo. This organization was set up to assist and improve emergency medical services and help secure funds for same. During the past year we were able to secure approximately \$5500. for our county emergency medical services and fire departments.
14. During the blizzard I spent 5 days and nights in the dispatch room directing supply and rescue operations through the 13 county fire departments and other organizations. Our Auxiliary Police unit was activated, and our radio club provided a great service. The snowmobile organizations were also called upon to work with the local fire departments. After the blizzard was officially declared it was necessary to coordinate meetings and information gatherings. This office processed or helped to process the following applications for assistance:

APPLICANT	TOTAL COST	AUDIT APPROVAL	APPLICANT COST
1. Town of Albion	\$ 19,490.05	\$ 7,218.52	\$ 12,271.53
2. Town of Barre	43,068.93	33,610.32	9,458.61

	<u>1,140,270.97</u>	<u>940,800.05</u>	<u>199,470.92</u>

\*These jurisdictions were initially written and approved for amounts under \$25,000.00, therefore, they were not audited. All other applicants have been audited.

Appeals have been made for the following:

1. County of Orleans	\$ 7,270.81
2. Town of Carlton	6,362.62
3. Town of Albion	2,183.78

The paperwork lasted approximately 11 months from the time of the blizzard until completion. The appeals have not been settled as of this time. Until final checks arrive all accounts remain open and additional information is needed by the government in certain cases.

15. The SCUBA Team was activated to recover one body and one stolen automobile during the past year.

## FIRE SERVICE RESPONSIBILITIES:

1. The County Fire Service conducted 8 training courses during 1977. This office sets up the schedule for all training courses and maintains all records. The Division of Fire Prevention and Control provides instructors for state courses.
2. The training officer for the county also conducted several classes on the fire training grounds. We also maintain these records.
3. An all day fire workshop is also conducted each year. This is mainly for fire and rescue personnel and guest speakers are brought in to present various programs.
4. Monthly newsletters are sent to the Orleans County Fire Departments and Emergency squads.
5. The training grounds was used on an average of three times a week during the good weather.
6. I have continued to take courses in arson investigation and approximately six arrests have been during the past year. I work in conjunction with the Orleans County Sheriff's Dept. on these cases. There are several cases under investigation.
7. Following is the number of calls the Fire Service in Orleans County responded to during 1977:

<u>DEPARTMENT</u>	<u>FIRE CALLS</u>	<u>AMBULANCE CALLS</u>
1. Albion Fire Dept.	109	5
2. Barre Fire Dept.	47	6
3. Carlton Fire Dept.	41	18
4. Clarendon Fire Dept.	53	108
5. East Shelby Fire Dept.	28	2
6. Holley Fire Dept.	131	251
7. Hulberton Fire Dept.	43	
8. Medina Fire Dept.	79	661
9. Morton Fire Dept.	63	
10. Lyndonville Fire Dept.	70	
11. Kendall Fire Dept.	20	104
12. Ridgeway Fire Dept.	83	
13. Shelby Fire Dept.	47	
	<u>814</u>	<u>1155</u>
14. Midland Ambulance Service		<u>1000</u>
		<u>2155</u>

8. I respond to all mutual aid fire calls and investigate all fires that the chief feels are of a suspicious origin.

This office wishes to express our appreciation to the Orleans County Board of Supervisors, other county departments and agencies and the many other organizations we have worked with during the past year. We would also like to thank the many volunteers who have made our programs workable and successful.

Respectfully yours,

*David M. Green*

ANNUAL REPORT OF COUNTY SUPERINTENDENT OF  
HIGHWAYS FOR THE FISCAL YEAR ENDING  
DECEMBER 31, 1977  
PURSUANT TO SECTION 102, of the  
HIGHWAY LAW

To the Honorable Board of Supervisors  
Orleans County, Albion, N.Y.

Gentlemen:

Three roads were constructed, using #2 and #3 stone and asphalt as a base and #1 stone and asphalt for a leveling coat. Ditches were rebuilt and corrugated pipe, posts and guard rail installed as needed.

TELEGRAPH ROAD - a distance of .06 mile

Labor	843.00
Equipment	1386.00
Mat'l	9310.28
Paver rent	<u>270.00</u>
TOTAL COST	\$11809.28

OAK ORCHARD RIVER ROAD - a distance of 1.7 miles

Labor	14084.94
Equip.	13208.20
Mat'l	62365.63
Paver rent	<u>846.00</u>
TOTAL COST	\$90504.77

TOWN LINE ROAD - a distance of 1.00 mile

Labor	1832.75
Equip.	2848.60
Mat'l	19350.54
Paver Rent	<u>252.00</u>
TOTAL COST	\$24283.89

The three roads were striped with a center line of yellow, and edge lines of white, with reflectorized beads under the Safer Roads program at no cost to the County.

Surface Treating was done, in part, on several County roads at a total cost of \$60,432.44, exclusive of Labor and equipment:

CR 64; 83; 77; 54; 76; 78; 68; 2; 52; and CR 81 was covered with State Black Top.

The total cost of D5110-Maintenance on County Roads, including patching, surface-treating, mowing, etc., and the aforementioned construction was \$526,013.60 on 199.05 miles of County Road System.

The County of Orleans contracts with all of the towns of Orleans for Snow and Ice Control on 199.05 miles of County Road System at a cost of \$300.00 per mile for ice control and \$300.00 per mile for Snow Removal at a cost of \$126,936.00. Total expenses for County Snow and Ice Control for 1977 were \$128,944.36

The cost of Snow and Ice control on the State Highway System for the winter season 1976-1977 was \$229,812.16. The County of Orleans received, by agreement, from the State of New York, Department of Transportation \$150,791.68, an amount higher by \$74,201.68 than our 1977 Budgeted Estimated Income.

The mileage of State Highways, County Roads, and Town Roads in Orleans County, as ammended, is as follows:

REVISED MILEAGES - 1977					
TOWN	STATE HIGHWAYS		County Roads	Town Hwys	Combined TOTALS State, County & Town
	Inside Villages	Outside Villages			
Albion	3.04	9.19	19.81	24.78	55.82
Barre		6.70	25.70	64.03	96.43
Carlton		19.18	26.30	50.82	96.30
Clarendon		13.08	15.30	44.20	72.58
Gaines	0.15	16.48	18.57	16.28	51.48
Kendall		11.63	22.00	26.20	59.83
Murray	2.33	20.03	16.80	29.29	68.45
Ridgeway	2.22	20.39	18.72	47.92	89.25
Shelby	1.73	13.94	17.89	46.21	79.77
Yates	<u>1.01</u>	<u>13.22</u>	<u>17.96</u>	<u>36.06</u>	<u>68.25</u>
	10.48	143.84	199.05	385.79	739.16

Total mileage of State Highways inside and outside Villages is 154.32 miles.

The following Equipment was purchased and paid from E5130 (and E701) Machinery Fund monies of 1976 and 1977.

Rex Roller	\$16,973.00
Used Intn'l Tractor	<u>9,500.00</u>
	\$26,473.00

The amount of inventory is \$339,624.00 for the automotive equipment and tools located at our Highway Garage on

Academy Street. An itemized copy of the Inventory is on file at the office of the Orleans County Highway Superintendent in Albion.

Under the Safer Roads program, funded from Federal sources, the County of Orleans replaced and erected signs as administered by the New York State Department of Transportation.

After the Storm Emergency of 1977 Orleans County crews replaced I-Beams; guard rails and ends; posts; pipe; sign-posts, etc., on various county roads. We also surface-treated some Orleans County roads with a rented paver, using our material, equipment and labor in the amount of \$14,923.93. We have entered a claim and anticipate that the Federal Grant covering the Storm Emergency will replace the major portion of the above expense.

ULDINE D. JURHS  
Clerk of the Board

ORGANIZATION MEETING  
Thursday, January 5, 1978

The Organization Meeting of the Orleans County Board of Supervisors was held in the Supervisors' Room, Court House, Albion, New York, on Thursday, January 5, 1978.

The meeting was called to order at 10:10 a.m. by the Clerk, Uldine D. Jurhs; Supervisors representing the ten towns in the county responded to roll call as follows:

Francis Nayman.....	Albion
Richard Bennett.....	Barre
Manley Whipple.....	Carlton
Geary Shenck.....	Clarendon
Theodore Swiercznski.....	Gaines
Michael Paduchak.....	Kendall
James Piedimonte.....	Murray
Stanley R. Kubatek.....	Ridgeway
Stanley Dudek.....	Shelby
George W. Bane.....	Yates

The Clerk announced that the first order of business was the selection of a Temporary Chairman, and called for nominations. It was moved by Supervisor Swiercznski and seconded by Supervisor Nayman that Supervisor Michael Paduchak be nominated for Temporary Chairman; it was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that Supervisor George Bane be nominated for Temporary Chairman. There being no further nominations, it was moved by Supervisor Piedimonte and seconded by Supervisor Bennett that nominations be closed. Upon roll call vote Supervisor Bane was elected Temporary Chairman, 237 votes for Bane and 135 votes for Paduchak.

Temporary Chairman Bane asked for nominations for a Permanent Chairman for the year 1978. It was moved by Supervisor Dudek that Supervisor Stanley R. Kubatek be nominated for Permanent Chairman; it was moved by Supervisor Swiercznski that Supervisor Francis Nayman be nominated for Permanent Chairman. There being no further nominations, it was moved by Supervisor Piedimonte, seconded by Supervisor Swiercznski that nominations be closed. Carried.

The Clerk called the roll and the vote showed 237 votes for Supervisor Kubatek, 135 votes for Supervisor Nayman; for Supervisor Kubatek, Supervisors' Shenck (20), Paduchak (22), Piedimonte (46), Kubatek (72), Dudek (54), and Bane (23); for Supervisor Nayman, Supervisors' Nayman (65), Bennett (21), Whipple (25), and Swiercznski (24).

Supervisor Kubatek was declared Permanent Chairman for the year 1978 and took the Chair.

Chairman Kubatek asked for nominations for a County Attorney for a two year term. Supervisor Piedimonte nominated Thomas J. Young, Holley, N.Y., for County Attorney to act for the Board of Supervisors, the County of Orleans, and the County Officers, for a term of two years, at a salary of \$11,260.00 per annum, such salary to be payable at the time and in the manner the salaries of other county officers are paid; and, that in addition thereto, the reasonable disbursements and expenses of the County Attorney incurred in the conduct of County business shall be paid upon the usual monthly vouchers to be audited by this Board of Supervisors; Supervisor Bennett nominated Thomas Parmele, Kendall, N. Y., to be County Attorney, seconded by Supervisor Nayman; Supervisor Piedimonte moved that nominations be closed, seconded by Supervisor Bane, and carried.

Upon roll call vote, Thomas J. Young was appointed County Attorney, 237 votes to 135 votes for Mr. Parmele; Supervisors' Shenck (20), Paduchak (22), Piedimonte (46), Kubatek (72), Dudek (54), and Bane (23) voting for Mr. Young; Supervisors' Nayman (65), Bennett (21), Whipple (25), and Swiercznski (24), voting for Mr. Parmele.

Chairman Kubatek asked for nominations for Clerk of the Board of Supervisors. Supervisor Paduchak nominated Mrs. Uldine D. Jurhs, Clerk of the Board of Supervisors at an annual salary of \$12,032.00, seconded by Supervisor Bane; Supervisor Bennett nominated Mrs. Georgia L'Hommedieu, Town of Carlton, to be Clerk of the Board of Supervisors at an annual salary of \$11,000.00; it was moved by Supervisor Piedimonte and seconded by Supervisor Bane that nominations be closed.

Supervisor Bennett requested a recess before the vote on the appointment of Clerk. Chairman Kubatek seated the new Supervisors.

Upon roll call vote Mrs. Uldine D. Jurhs was appointed Clerk of the Board of Supervisors at an annual salary of \$12,032.00. The vote was as follows: 237 votes for Mrs. Jurhs, Supervisors' Shenck (20), Paduchak (22), Piedimonte (46), Kubatek (72), Dudek (54), and Bane (23). 135 votes for Mrs. L'Hommedieu, Supervisors' Nayman (65), Bennett (21), Whipple (25), and Swiercznski (24).

The Chairman declared a recess to allow the Chairman, County Attorney, and Clerk to take their oath of office.

Reconvened at 10:45 a.m.

Supervisor Paduchak stated that there are some changes which should be made to the Rules of Procedure for 1978 and therefore he would make the following motion:

Moved by Supervisor Paduchak, seconded by Supervisor Bane that the Board operate under the Rules of Procedure for 1977 until the Board has an opportunity to review the rules and formulate any needed amendments.

Unanimously adopted.

Moved by Supervisor Paduchak and seconded by Supervisor Bane that the compensation of the Chairman of the Board be fixed at \$7,750.00 for 1978 and each Supervisor to receive \$4,400.00 for 1978; that mileage be set at 15¢ per mile for travel, and that the remainder of the resolution be as adopted for 1977.

Supervisor Swiercznski moved that the resolution be amended to call for a \$250.00 increase from 1977 for the Chairman and the members.

After discussion the amendment was voted upon and lost - 135 ayes; 237 nays; Supervisors' Shenck, Paduchak, Piedimonte, Kubatek, Dudek, and Bane, voting nay.

Upon roll call vote the following resolution was adopted:

#### RESOLUTION NO. 1

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION FIXING COMPENSATION OF SUPERVISORS

RESOLVED, that pursuant to provisions of Subd. 1 of Section 23-b of the County Law effective January 1, 1978, the compensation of each Supervisor of this Board payable by the County of Orleans shall be annual salary, the Chairman of the Board to receive \$7,750.00 and each other member to receive \$4,400.00, in lieu of all other compensation, for both board meetings and committee work, payable in monthly installments in the same manner as other county salaries are paid, and be it

FURTHER RESOLVED, that each Supervisor shall also, in pursuance of the provision of Subd. 5-a, Section 12 of the County Law, receive from the county travel allowance and expenses in the performance of his duties in attending Board meetings, committee work and other duties committed to him, to consist of necessary meals and mileage at the rate of Fifteen (\$.15) Cents per mile for the miles actually traveled by the most usual route in going and returning between his residence to the place of the performance of each duty, and be it

FURTHER RESOLVED, that in performing duties assigned or committed to him outside the county, each Supervisor shall receive from the county his actual expenses and if he furnishes his personal automobile for such travel shall receive therefore mileage at the rate of Fifteen (\$.15) Cents per mile for the miles actually traveled by the most usual route in going and returning between his residence and place of such assignment. Such expenses and mileage shall be audited by the Board of Supervisors upon the usual voucher thereof and paid as are other county charges.

Adopted. 237 ayes; 135 nays, Supervisors Nayman (65), Bennett (21), Whipple (25), and Swiercznski (24), voting nay; 0 absent.

The Chairman asked if the Board wished to appoint a Majority and Minority Leader. Supervisor Paduchak requested that the appointments be tabled.

## RESOLUTION NO. 2

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Shenck.

## RESOLUTION DESIGNATING NEWSPAPERS

RESOLVED, that pursuant to Section 214, Subd. 2 of the County Law, the following newspapers be designated as the official newspapers of the County of Orleans for the publication of all local laws, notices and other matters required by law to be published.

The Albion Advertiser, Inc., published in the Village of Albion, New York.

The Medina Daily Journal-Register, Inc., published in the Village of Medina, New York.

Adopted. 372 ayes; 0 nays; 0 absent.

Before adoption of the above resolution, Supervisor Bennett moved that it be amended to include the Albion and Medina Pennysavers. After discussion Supervisor Bennett withdrew his request when Supervisor Piedimonte agreed to serve on a committee with Supervisor Bennett to investigate the cost of using the Pennysaver's in addition to the two legal newspapers for advertising legal notices. Supervisor Nayman withdrew his second.

Privilege of the floor was granted to Sheriff White. Sheriff White presented a resolution from the Village of Albion requesting the County to consider providing the dispatch service for the Village of Albion under certain terms to be approved by the Sheriff and the attorneys for the County and the Village. A resolution from the Board of Supervisors approving contracting with the Village of Albion to provide this service for the village would be needed.

It was moved by Supervisor Dudek and seconded by Supervisor Piedimonte that the County Attorney be empowered to prepare an agreement between Orleans County, the Sheriff, and the Village of Albion, to allow for the County to provide dispatcher services for the Village of Albion.

Supervisor Piedimonte said that he was seconding the motion because he felt it would save the village money. Supervisor Nayman replied that the village has not said that the village fire dispatchers will be eliminated.

Supervisor Dudek, "we have had a request from the Village of Albion whose responsibility it is to analyze if it is beneficial to them. We know it is favorable from the County's point of view, we have the ability to handle that, we are doing the same service for many fire companies and it appears to be beneficial from both sides."

The Sheriff said, "one of the things we give is service to the public - what we are talking about here, is better service to the public."

The Board discussed having a similar agreement between the Sheriff and the Village of Albion such as he has with the Village of Medina.

It was moved by Supervisor Nayman and seconded by Supervisor Bennett that the resolution be amended to provide that the Sheriff look into having a similar agreement with the Village of Albion as he has with the Village of Medina to allow the Village Police to act outside the Village upon the call of the Sheriff.

Motion was approved. 372 ayes; 0 nays; 0 absent.

The following resolution was adopted as amended:

#### RESOLUTION NO. 3

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION AUTHORIZING COUNTY ATTORNEY TO PREPARE AGREEMENT BETWEEN THE COUNTY OF ORLEANS AND THE VILLAGE OF ALBION FOR DISPATCH SERVICES

RESOLVED, that the County Attorney be authorized to prepare an agreement between the Orleans County Sheriff and the Village of Albion to allow the County to provide dispatch services for the Village of Albion out of the Sheriff's office, and be it

FURTHER RESOLVED, that the Sheriff be authorized to investigate having an agreement with the Village of Albion similar to the one he has with the Village of Medina to answer calls when directed by the Sheriff.

Adopted. 372 ayes; 0 nays; 0 absent.

The Sheriff also brought to the attention of the Board the problem that the Sheriff's Department telephone number was left out of the new telephone book. Sheriff White informed the Board that he felt that the only way to correct the situation would be for the Telephone Company to reprint the books. It was also noted that the Motor Vehicle Department was also not listed. The Sheriff said he would be meeting with the Telephone Company representative. Supervisor Whipple moved that the Sheriff publish the telephone number in the official newspapers. Mr. Whipple withdrew his motion when he was informed that that was being done.

Privilege of the floor was granted to Francis Rumble, County Clerk. Mr. Rumble said that he knew that the former County Attorney had discussed the new process of jury selection with the Board. The immediate problem is that the Board of Supervisors must appoint one of their member, who is not an attorney, to sit with the Supreme Court Judge, the County Judge, if we had one, to appoint a Commissioner of Jurors. This appointment of a Supervisor should be done immediately. Mr. Rumble said that his office had ordered 5,000 envelopes, letters and questionnaires to be sent out to prospective jurors, but because the State had turned down his request for \$1,300.00 to cover the cost, the letters have not been mailed out. Therefore, there is no jury list.

The Clerk read a letter from the District Attorney, dated January 4, 1978, informing the Board that "I am concerned about this because of the statutory and Court mandates for speedy trials for defendants charged with crimes. I am also concerned because of the necessity to have Grand Juries at least every forty-five days, and the lack of a jury list prohibits me from having Grand Juries properly selected and seated.

Because of this, I respectfully ask the allocation of the sum of Thirteen Hundred Dollars (\$1,300.00) from whatever sources are available to the Board for the payment of postage so that these jury qualification questionnaires may be sent out."

Supervisor Piedimonte questioned whether the County would be reimbursed if they paid for the postage. Mr. Rumble was directed to inquire about this.

Matter tabled until after lunch for information on reimbursement.

Mr. Rocco Sidari requested that he be allowed to ask a question of the Chairman. Mr. Sidari said, "For the benefit of myself and others, we would like to have you inform us as to your party affiliation?"

Mr. Kubatek replied, "At the present time I am a Democrat."

Mr. Sidari, "Are you a Democrat as of yesterday afternoon at 4 o'clock?"

Mr. Kubatek, "Yes, I am."

Recessed at 11:55 a.m. until 1:30 p.m.

#### AFTERNOON SESSION

Reconvened at 1:40 p.m., all Supervisors present.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the Board go into executive session to discuss the agreement between the County and CSEA.

Unanimously adopted.

Adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 7

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Shenck.

RESOLUTION APPOINTING BUDGET OFFICER

RESOLVED, that Mrs. Mary B. Basinait, be appointed Budget Officer of this County, effective January 1, 1978 through December 31, 1978, at an annual salary of \$2,500.00, and be it

FURTHER RESOLVED, that the Budget Officer be authorized to appoint a Deputy Budget Officer at an annual salary of \$500.00 for the year 1978.

Adopted. 372 ayes; 0 nays; 0 absent.

RESOLUTION NO. 8

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION SETTING SALARY OF DISTRICT ATTORNEY AND ASSISTANT DISTRICT ATTORNEY

RESOLVED, that the salary of the District Attorney and the salary of the Assistant District Attorney be set at \$17,500.00 and \$7,526.00, respectively, effective January 1, 1978.

Adopted. 351 ayes; 1 nay, Supervisor Bennett (21); 0 absent.

In voting nay on the above resolution, Supervisor Bennett noted that, "it amazes me that people are out begging for these jobs and the first thing they want when they get them is want more money."

RESOLUTION NO. 9

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION TENTATIVELY APPROVING THE PROPOSED AGREEMENT BETWEEN THE COUNTY AND CSEA FOR 1978-79

RESOLVED, that the proposed agreement between the County of Orleans and CSEA providing for a 4.5% wage increase for 1978 on the base salary and a .25 cent per hour increase for clerical and operational and a \$500.00 increase for administrative for 1979, be approved tentatively pending completion and approval of the complete contract between the County and CSEA for 1978-79.

Adopted. 372 ayes; 0 nays; 0 absent.

Chairman Kubatek nominated Supervisor Swiercznski to serve on the Region I, Fish & Wildlife Board. Supervisor Swiercznski informed the Board that he had already served several terms on the Fish & Wildlife Board and felt someone else should be appointed. The following resolution was adopted:

#### RESOLUTION NO. 10

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION APPROVING APPOINTMENT TO REGION I, FISH AND WILDLIFE MANAGEMENT BOARD

Sheriff White reported that the Telephone Company told him they would not republish the telephone book. The Sheriff, County Attorney, and Public Safety Committee will be meeting with representatives of the telephone company on Monday. It was suggested that the Sheriff file a complaint with the Public Service Commission. After discussion it was decided to await the results of the meeting with the representative of the company.

The County Attorney informed the Board of a law which went into effect in January whereby the County must provide legal counsel to indigents involved in Surrogate and Family Court matters. It provides that the County should implement a plan to have counsel available when they are appointed by the Judge. The plan can be either through the Legal Aid Bureau, Public Defender's office, or some other plan through the County Bar Association. The County Attorney requested permission to contact the Legal Aid Bureau, Public Defender and the Bar Association to see what would be the best plan.

Supervisor Piedimonte stated that he did not particularly like the Legal Aid Bureau. Mr. Young said that the Public Defender has acted on some cases in the past. The County Attorney will contact all three parties and bring a plan back to the Board for their approval.

Supervisor Bane moved that the meeting be adjourned.

Adjourned at 3:00 p.m. until January 12th at 11:30 a.m.

Adopted. 348 ayes; 0 nays; 1 absent, Supervisor Swiercznski (24).

COMMITTEE FOR A COUNTY LEGISLATURE  
ORLEANS COUNTY, N. Y.

December 10, 1977

Hon. Board of Supervisors  
Orleans County  
Court House  
Albion, N.Y. 14411

Gentlemen:

Following the meeting with Justice Kasler over the future of re-apportionment in Orleans County, we wish to assure you that we are vitally interested in this county's move in that direction. We share a mutual interest with you in providing the county with the best possible form of government.

Wide public interest was demonstrated by the people in the November election.

In order to accomplish the objective, in view of the results of November's balloting, we write while time permits a thorough discussion and study. We offer any of the personnel and resource material of our group to confer with you on the re-apportionment matter. Positive results can come from this type of exchange.

Please advise us when a meeting of this sort can be arranged. Our sincere interest lies in benefitting Orleans County.

Cordially,

COMMITTEE for  
COUNTY LEGISLATURE

By: Arthur Eddy  
Roger LaMont  
William Lyman

The Clerk presented a letter from the Dept. of Labor, dated December 29, 1977, informing the Board that funds in the amount of \$42,982 have been allocated to OJT and \$39,802, including Vocational Education funds, for Individual Referral.

The Clerk read a letter from Mr. Earl S. Cole, President of the Orleans County Council on the Arts, dated January 2, 1978, requesting that the Board allocate a CETA position of full-time Executive Secretary to the Council. Supervisor Piedimonte informed the Board that the Council members had been doing a great deal of work to get funding and to book shows into the County. Both Supervisor Paduchak and Supervisor Piedimonte told the Board that they felt that many worthwhile events had been held for the benefit of the people in Orleans County and that if CETA funds were available for such a position it might enable the Council to become self-sustaining in time.

RESOLUTION NO. 19

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION APPROVING CETA POSITION FOR ORLEANS COUNTY COUNCIL ON THE ARTS

RESOLVED, pursuant to the request of Earl S. Cole, President, of the Orleans County Council on the Arts, by letter dated January 2, 1978, this Board of Supervisors does hereby approve allotting one CETA position to the Orleans County Council on the Arts, when funds are available with the salary to be set by the Finance Committee of this Board.

Adopted. 348 ayes; 0 nays; 1 absent, Supervisor Swiercznski (24).

The Clerk presented the following communications:

Letter of resignation from J. Rupert Kenny, dated January 3, 1978, as a member of the Orleans County Mental Health Board.

It was moved by Supervisor Bane and seconded by Supervisor Shenck that Mr. Kenny's resignation be accepted with regret.

Carried.

Letter from Mrs. Cecilia A. White, Medina, N. Y., dated December 27, 1977, regarding County involvement in the Health Systems Agency of Western New York. Mrs. White expressed concern that the County not establish too many special facilities for health care which might cost the taxpayer a great deal of money and not accomplish the goal of the best health care for rural areas. She urged the Board to take a hard look at any proposed health planning goals.

Several members of the Board said that they felt that Mrs. White had a valid concern.

NOTE: This report is to be made in the month of January and a copy thereof filed immediately with the Commissioner of Agriculture and Markets of the State of New York, State Campus, Albany, New York 12235.

Chairman Kubatek urged the Reapportionment Committee to get together with the County Attorney to work on the reapportionment plan for the County.

Mr. Young informed the Board that he had talked to Judge Kasler and told him that the new committee would be appointed today and as soon as possible he would meet with them and report back to him. The County Attorney must make monthly reports to Judge Kasler on the status of the plan and the final decision must be made April 20th.

Supervisor Paduchak told the Board that he wished to wait before adopting the new rules of procedure so that the matter of purchasing could be clarified.

Supervisor Bennett reported that he and Supervisor Piedimonte had looked into costs for advertising in the Penny Savers and after talking to Mrs. Jurhs felt that whenever the Board felt it necessary to advertise in the Penny Savers, it could be done by resolution for each specific item.

Supervisor Dudek reported that the appointments to the County Planning Board have not been finalized legally. He suggested that the names of proposed members should be submitted to the Board for approval at the next meeting. The names must be submitted to the Board of Supervisors for approval, the only legally appointed member is Mr. Milford Phinney from the Town of Shelby.

Supervisor Nayman suggested that each of the names for membership should be submitted to the Town Boards for a resolution from them. It was suggested that perhaps the by-laws of the Planning Board might be changed.

RESOLUTION NO. 24

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Shenck.

Adjourned at 12:50 p.m. until February 2, 1978 at 10:00 a.m.

REGULAR MEETING  
Thursday, February 2, 1978

The meeting was called to order at 10:05 a.m. by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were present except Supervisor Nayman who was ill.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Mr. Frank Zona, Sr. Welfare Investigator in the Department of Social Services. Mr. Zona presented several proposals requested by the Commissioner and the Social Services Committee regarding the Investigations Unit of the Department of Social Services. After discussion by the Board the following resolution was adopted:

RESOLUTION NO. 32

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION AUTHORIZING CERTAIN CHANGES IN THE INVESTIGATION UNIT OF THE  
DEPARTMENT OF SOCIAL SERVICES

WHEREAS, there has been presented to this Board a proposal from the Commissioner of Social Services, through the Sr. Welfare Investigator, Mr. Frank Zona, regarding certain changes in the Investigation unit of the Department of Social Services, and the Human Services Committee of this Board does recommend approval of said proposal, now therefore be it

RESOLVED, that the position of Welfare Investigator currently filled by Mrs. Eunice Pace, be transferred from the CETA program to the County payroll and that the vacant Welfare Investigator position be abolished and in its place there be created one position of Stenographer under the CETA program at the base salary for that position, and be it

FURTHER RESOLVED, that the Investigation Unit be authorized to have one additional telephone installed to use as a "Fraud Hotline" at an approximate cost of \$70 for the initial hookup plus \$25 per month and advertising costs.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

Privilege of the floor was granted to Robert Golden, Probation Director. Mr. Golden discussed the previous request by him to rent office space at the Armory in Medina. The following resolution was adopted:

RESOLUTION NO. 33

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING COUNTY ATTORNEY AND PROBATION DIRECTOR TO  
NEGOTIATE FOR USE OF SPACE AT THE ARMORY

RESOLVED, that the County Attorney and the Probation Director be authorized to negotiate with the Office of General Services to settle the question of insurance coverage for use of the space at the Armory in Medina by the Orleans County Probation Department.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

Privilege of the floor was granted to Walter Schutt, Public Safety Administrator for the Village of Albion. Mr. Schutt spoke in favor of the proposed agreement between the Village and the Orleans County Sheriff's Department to provide dispatcher service for the Village Police Dept. He pointed out that the Village Board did pass a resolution requesting the County to take over this service.

County Attorney Young, "At the last Board meeting I was authorized to get together with the Sheriff and the Village Department and draft an agreement. The Sheriff came up with the actual cost to the Sheriff's Dept. to be slightly less than \$15,000 - the agreement was prepared that the Village would pay the County of Orleans \$15,000 for this year. The agreement would be for a period of five years and compensation in future years would include above the \$15,000, any difference to the deputy's salary."

It was moved by Supervisor Dudek and seconded by Supervisor Piedimonte that the agreement between the County and the Village of Albion to have the Orleans County Sheriff's Department provide dispatcher service for the Village of Albion police as per the request from the Village of Albion, be approved by this Board and the Chairman be authorized to execute same in the name of the County.

Supervisor Swiercznski requested that the motion be tabled until the next meeting. He asked if any members had read the NEWSVANE in which there is a statement that a County sheriff can not enter into a contract with a village under these auspices.

The County Attorney replied that the opinion states in effect that the County Sheriff can not enter into a contract with a village in order to receive compensation for furnishing additional police protection, because the Sheriff has an obligation under the law to provide police protection for residents in this county. So that the county sheriff can not contract with a village or local municipality to provide something that he is already obligated to provide. It is a little different than what the village is asking the county sheriff to do in this case. The County Sheriff is not obligated to provide police dispatch calls for local departments.

Supervisor Swiercznski moved that the motion be tabled until Supervisor Nayman can be present to vote on it, seconded by Supervisor Bennett.

The meeting was recessed for a short period. Reconvened all present except Supervisor Nayman.

February 2, 1978

To the Honorable  
Board of Supervisors  
County of Orleans,  
New York

Re: Transfer of Police Communications and Alarm Circuits

Gentlemen:

The New York State Comptroller's opinion (Book 18 - 1962 page 454, opinion 453) and the feelings of the undersigned, we respectfully request that any transfer of the Village of Albion Police Communications and Alarm Circuits now located at the Village of Albion Fire Headquarters, 106 Platt Street, to the Orleans County Sheriff's Department be delayed until the incoming Mayor and Trustees have an opportunity to evaluate and consider the effects and consequence of such a move. We believe the safety and welfare of our residents and taxpayers could be seriously compromised by such a move at this time.

This delay of a few short weeks may also result in the savings of thousands of dollars to our Village of Albion taxpayers. This fact alone is worthy of your consideration.

Respectfully yours,  
Republican-Democratic  
Mayoral Candidate

  
Daniel E. Geiger  
Republican Trustee  
Candidate-

---

Lewis Lunn

Democratic Trustee  
Candidate-

  
James Aina

Privilege of the floor was granted to Mr. Daniel Geiger a candidate for the position of Mayor of the Village of Albion. Mr. Geiger told the Board that he felt the reason behind the move to have the dispatch services done in the Sheriff's office was that two departments within the Village were "fighting". He informed the Board that there will still be 57 alarms that ring on the street and will have to be rerung from the fire hall if enough men do not respond on the first call or unless someone pulls the same box over again. Mr. Geiger informed the Board that he felt that the village would not be saving any money on the move because they still would be paying fire dispatchers.

Supervisor Piedimonte noted that there seems to be an argument between the Village Board and the people.

Supervisor Swiercznski noted that part of the Village of Albion is located in the Town of Gaines and he felt that fire dispatching would also be effected for his area.

Mr. Geiger was asked if he had appeared before the village board on this matter. He replied that he had not.

Supervisor Dudek, "The point I want to make is that we responded to a request from an elected board of this county, the Village of Albion. The people elected to represent the Village. They are in office. I think it is wrong for the county to get involved in anything that is going to be a political issue. I think deferring this would do that. I would be willing to agree to a table because of the fact that Supervisor Nayman isn't here and that would be the only reason. We have the capacity to provide a service for the village and we are only responding to their request."

After discussion the Board voted 307 ayes; 0 nays; 1 absent Supervisor Nayman (65), to table the motion regarding the agreement with the Village of Albion.

The Director of Real Property Tax Services reported that he has been working with Kenwalt on the revaluation project. Schooling of CETA personnel has begun. CETA applicants were interviewed and given some testing before being chosen for the project.

When asked if it had been decided to include the photographs in the Kenwalt contract - Mr. Basinait stated that he personally did not feel they were necessary except perhaps for farm property.

Mr. Dye from Kenwalt Valuation, Inc. explained how the photographs would be taken - front view only - that they would be of the main complex of buildings only. Mr. Dye told the Board that photographs are handy that in a sense that in the future when the assessors have to maintain the rolls and up-date the rolls they have some indication and guide to what the property looked like when the revaluation project was undertaken.

Mr. Patrick from the State Board of Equalization and Assessment also informed the Board that he thought photos would be helpful but they were not mandated by the State for reimbursement.

The Board discussed the question of public relations in regard to the revaluation project. It was stressed that pictures would help in showing the property owner his property records. The cost of photographs would be \$8,000.00.

Supervisor Piedimonte questioned whether the Town of Murray could be done first because of the lawsuit and the ruling against the town. Mr. Dye said this would be a problem. The County Attorney informed the Board that he felt the court would take into consideration the fact that the county is involved in a revaluation project.

Supervisor Paduchak asked Mr. Dye how long an option would be open to the County to get the photographs for the \$8,000.00 price without including it in the present agreement. Mr. Dye informed the Board that the photo process does not need to be started for about six months.

Mr. Basinait informed the Board that I.D. cards would be required for all personnel in the field.

Sheriff White, "I'd like to say something on that. We do give out I.D. cards for various departments but I am not signing my name to something when we do not know anything about these people. I think it would be important to investigate these people. If they are going to go into our homes and our farms and with our families, I think we ought to know who we have got going into those houses. Before signing an I.D. I am going to have some kind of background to know what I am signing my name to."

The Chairman asked Mr. Basinait if he could supply a list of the persons to check them out. Mr. Basinait said he could supply such a list.

On the subject of public relations, Mr. Dye, informed the Board that Kenwalt representatives would be having meetings in all the towns and with various civic groups that would be interested. It would be standard procedure to have articles in the newspapers prior to any data collection outlining the responsibilities of the data collectors and naming the data collectors. All efforts will be coordinated with local authorities, giving names, license numbers, etc.

Mr. Dye described the type of applicants who were interviewed. There were 54 persons, 32 were selected for training. When asked if any were farmers, Mr. Dye, told the Board that several were knowledgeable about farming.

After more discussion of the project, the following resolutions were adopted:

#### RESOLUTION NO. 34

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Shenck.

#### RESOLUTION ACCEPTING PROPOSAL OF KENWALT VALUATION SERVICE, INC. FOR REVALUATION OF PROPERTY WITHIN THE COUNTY OF ORLEANS

RESOLVED, that the proposal to Orleans County for revaluation submitted by Kenwalt Valuation Service, Inc., in the amount of \$325,770.00, be and it is hereby accepted, and it is

FURTHER RESOLVED, that the County Attorney is authorized to prepare a contract between the County of Orleans and Kenwalt Valuation Service, Inc., based on their proposal, said contract to contain a provision allowing the County of Orleans to elect within six months, the option of having Kenwalt provide photographs of each improved parcel of realty within the County of Orleans at an additional fixed price of \$8,000.00.

The Clerk read the following communications:

Letter from Orleans County Soil & Water Conservation District, dated January 23, 1978, requesting the Board to send a similar letter to the federal representatives concerning the Regulatory Program of the Corps of Engineers. Referred to the Agriculture Committee.

Letter from Henry W. Williams, Jr., Chairman of the Genesee/Finger Lakes Regional Planning Council, dated January 24, 1978, requesting the County to take action relative to the Regional Council's plan for repayment of the old Board's deficit.

The County Attorney informed the Board that pursuant to the Board's instructions Mr. Miles had notified the Planning Council in December that this County wished to proceed on a benefits derived formula.

The Board discussed the various proposals for repayment of the deficit and adopted the following resolution:

RESOLUTION NO. 41

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Paduchak.

RESOLUTION AUTHORIZING PAYMENT TO GENESEE/FINGER LAKES REGIONAL PLANNING COUNCIL FOR ORLEANS COUNTY SHARE OF DEFICIT

WHEREAS, the Genesee/Finger Lakes Regional Planning Council has requested the County for an indication of their plan to eliminate any deficit of the Planning Board and this Board of Supervisors have reviewed the various proposals, including the direct benefit derived proposal and the average balance of deficit proposal which has been approved by the Genesee/Finger Lakes Regional Planning Council and after numerous meetings and discussions on the matter, it is

NOW, THEREFORE RESOLVED, that Orleans County is in favor and agrees to the plan to pay to the Council the sum of \$3,565.00, which would be their share of the deficit, derived by applying to all the county's involved the direct benefits received adjustment (Plan 2-A). The County of Orleans is unwilling to pay towards the deficit any sum of money in excess of \$3,565.00 as computed under any of the other various proposals.

Adopted. 282 ayes; 1 nay, Supervisor Whipple (25); 1 absent, Supervisor Nayman (65).

The Clerk read a letter from the County Attorney, dated January 16, 1978, designating Norris L. Webster, Esq., as Assistant County Attorney from the the period January 3, 1978 through December 31, 1978. Mr. Webster's duties will be primarily connected with the Social Services Department and will be the first assistant county attorney and in charge in the County Attorney's absence.

In another letter from the County Attorney dated January 16, 1978, he advised the Board that he has appointed Harry K. McConnell as Assistant County Attorney from the period January 3, 1978 through December 31, 1978. Mr. McConnell's duties will be primarily connected with the representation of the Social Services Department in Title IV D matters (support) in the Orleans County Family Court. Mr. Young also advised the Board that he has appointed Mr. David A. Baird as an Assistant County Attorney from the period January 3, 1978 through December 31, 1978. Mr. Baird's duties will be primarily representation of the County of Orleans and the Orleans County Attorney's office at Orleans County Family Court. The following resolution was adopted concerning these positions:

Supervisor Piedimonte introduced the following local law:

#### LOCAL LAW NUMBER 1 OF 1978 - INTRO.

A LOCAL LAW INCREASING THE SALARIES OF VARIOUS EMPLOYEES OF THE COUNTY OF ORLEANS APPOINTED OR ELECTED FOR A DEFINITE TERM

BE IT ENACTED by the Board of Supervisors of the County of Orleans as follows:

SECTION 1. Pursuant to the provisions of the Municipal Home Rule Law of the State of New York, the salaries of the following County employees are raised as follows, per annum, retroactive to January 1, 1978.

Employee	Present Salary	Proposed Increased Salary
County Clerk	\$ 15,000.00	\$ 16,000.00
Commissioner of Social Services	22,500.00	23,000.00
Election Commissioners (2)	3,500.00	3,650.00
Personnel Officer	6,000.00	7,750.00
Superintendent of Highways	16,000.00	17,000.00
Sheriff	16,500.00	17,500.00
County Treasurer	13,500.00	14,500.00
Director of Real Property Tax Services	11,000.00	11,867.00

SECTION 2. This local law is adopted subject to referendum on petition pursuant to Section 24, Subdivision 2-h of the Municipal Home Rule Law of the State of New York.

SECTION 3. This local law shall take effect 45 days after adoption hereof, or after approval by the affirmative vote of a majority of the qualified voters of the County of Orleans voting on a proposition for its approval, after petition, whichever event first occurs.

RESOLUTION DESIGNATING PERSONNEL OFFICER IN CHARGE OF UNEMPLOYMENT RECORDS

RESOLVED, that the Personnel Officer be, and hereby is designated as the person in charge of all unemployment records.

Adopted. 283 ayes; 1 nay, Supervisor Swiercznski (24); 1 absent, Supervisor Nayman (65).

Supervisor Dudek informed the Board that the Director of Real Property Tax Service is looking for office space to use as permanent office space for the CETA workers and Kenwalt as called for in the agreement. He has looked at several locations, the space needs to be close to Albion because of the records. Mr. Dudek also told the Board that two additional sets of the complete record of tax maps must be purchased by the County for the contractor as called for in the proposal.

Regarding office space it was suggested that the Highway Superintendents office will soon be vacant. Mr. Dudek told the Board that would not be large enough. Between 1200 and 1500 sq. feet of space is needed. The Civil Defense Center was also discussed. One of the problems with that would be that meetings are held there at night - it was suggested that perhaps one of the fire halls could be used for the meetings.

Supervisor Shenck reported on a meeting he attended at Mental Health concerning the pre-school program. BOCES proposal would be approximately \$65,000; ARC did not have any figures available at the meeting. It appeared that perhaps Head Start could provide the most reasonable service.

RESOLUTION NO. 47

REGULAR MEETING  
Thursday, February 16, 1978

The meeting was called to order at 8:00 p.m. by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were present except Supervisor Nayman who was ill.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Mayor Donna Rodden of Albion. Mayor Rodden informed the Board that the Village Board had again met and voted to request the County to allow the Sheriff to provide dispatch service for the Village of Albion Police. The vote was unanimous - three members were wholeheartedly in favor and the other member was in favor but would have liked a trial period of one year rather than the five year agreement. Mayor Rodden said the Village is moving to a public safety department rather than a police department.

Mayor Rodden also told the Board that in conjunction with the sesquicentennial of the Village of Albion it is hoped that buildings on Court House Square can be open to the public. She said, "This is a very special place - Court House Square in Orleans County is unique - it is the only place in the United States that you will find a building for law - the Court House; a building for order - the Surrogate's Building; a building for justice - the jail. Your law, order and justice, completely surrounded by every symbol of democracy. Seven churches, very important to democracy; the symbol of knowledge - Swan Library; the means of communication - the U.S. Post Office; businesses, two schools, homes and the American Legion Building for the men who died in the service of their country. Architecturally this Court House Square which is the symbol of law, order and justice, and completely surrounded by all of these things, for that reason this area is going to be listed as a historical area by the National Register of the United States. As you know, the National Register is a list of the places important to the history of the United States. This has been approved by the State and approved nationally but has not been written in because they need a series of photographs which because of the weather have not been taken. The Surrogate's Building is probably the most fire proof building in the United States because of its marble floors, slate roof, etc. The Free Methodist Church was the first one in the whole world. In conjunction with the celebration of the sesquicentennial it is hoped that you will allow the Court House and perhaps the Surrogate's Building to be open to the public on the tour which is being planned."

County Attorney Young informed the Board that he attended the meeting of the Village Board and the Board did give the Mayor approval to sign the agreement.

Supervisor Dudek moved the adoption of a resolution to allow the County to provide dispatch service to the Village of Albion; seconded by Supervisor Paduchak.

The Clerk read a letter from Mr. Daniel K. Weale of The Corner Pharmacy, dated February 10, 1978, regarding their burglar alarm system. Mr. Weale stated that, "I did not request a change in location from the Police Station to the Sheriff's Dept. I was told that this was a necessity. It would involve considerable expense to us in this change over. I have contacted other businesses and I know that their feelings coincide with mine."

Mr. Walter Schutt appeared before the Board and explained his position regarding the dispatch situation. He stated that there are times when the present alarm system is unattended and he would not be responsible to the businessmen because of the situation that exists. He said he would send a letter to the businessmen to this effect if the situation remains as it is at present.

Supervisor Swiercznski informed the Board that he had talked to Supervisor Nayman and he said that he would go along with the wishes of the Village Board.

After further discussion the following resolution was adopted:

#### RESOLUTION NO. 71

By Supervisor Dudek, who moved the adoption.

Seconded by Supervisor Paduchak.

#### RESOLUTION APPROVING AGREEMENT BETWEEN THE COUNTY AND THE VILLAGE OF ALBION

RESOLVED, that the agreement herewith presented between the County of Orleans and the Village of Albion authorizing the Orleans County Sheriff's Department to provide dispatch service for the Village of Albion Police Department, be and the same hereby is approved by this Board and the Chairman is authorized to execute same in the name of the County of Orleans.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

Privilege of the floor was granted to Mr. Paul Haines. Mr. Haines informed the Board that he had been requested by the Insurance Committee of the Board to investigate the cost of additional liability insurance for the County. The estimated cost of adding a million dollars to the present liability coverage would be approximately \$15,000.00. The County presently has \$500,000 on the public liability insurance; \$200,000 on the automobile coverage for one person, \$500,000 for all the people hurt in one accident; \$100,000 for property damage. This additional insurance would bring the coverage to 1.5 million dollars. Mr. Haines also suggested that another way additional coverage could be added would be to just take the present policy and raise the injury portion one million and not raise the property damage portion of the policy. Mr. Haines discussed various aspects of the county's insurance coverage with the Board and answered questions from the members. The Chairman requested that the Insurance Committee meet with Mr. Haines and bring back a recommendation to the Board.

The Clerk presented the following communications:

Letter from the Village of Albion Sesquicentennial Committee requesting opening of buildings on Court House Square for their tour.

#### RESOLUTION NO. 72

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING VILLAGE OF ALBION SESQUICENTENNIAL COMMITTEE TO  
INCLUDE COURT HOUSE SQUARE BUILDINGS ON TOUR

RESOLVED, pursuant to the request of the Village of Albion Sesquicentennial Committee, they are hereby authorized to use the Court House Square buildings as part of the tour planned to celebrate that Villages' sesquicentennial celebration and the Clerk is instructed to notify the Buildings and Grounds Superintendent of this authorization.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

Stanley Kubatek, Chairman  
Orleans County Board of Supervisors  
Court House  
Albion, New York 14411

Dear Stan:

The purpose of this letter is to ask the Board to urge our New York State Governor to make a Judgeship appointment to Orleans County as soon as possible.

Under difficult circumstances, the visiting Judges have done an excellent job and have handled the cases and sentencing with thoughtful consideration for all parties involved.

However, because they have had to fit their trips to Orleans County into their own busy schedules, there have been delays in sentencing meaning that persons have had to be held in our jail longer than usual, and this represents expensive injustice. Also, sentencing rescheduling has been more frequent, causing complications to victims, defendants and the convicted persons. In the case of the victims, interested in seeing justice done, they sometimes fruitlessly miss work and on occasions have ultimately missed the sentencing. In the case of the defendants and convicted persons out on bail or ROR, they have on occasion had to miss work and to travel long distances only to have the matter adjourned.

Not having a County Judge has resulted in a disadvantage in responding to Juvenile Delinquencies, PINS, and Family Offence emergencies and also in making Detention arrangements (that is, scheduling Detention hearings and Juvenile Delinquent hearings in a fashion to keep Detention and costs at a minimum.)

In addition, our present Court situation results in a disadvantage in taking quick action on Probation Violations. Also, Probation has a decreased ability to discuss with a judge issues that might arise in the course of preparing Pre-Sentence Investigations and in conducting the supervision of our Probationers.

Further, having to deal, in an afternoon, with as many as 30 cases with which the visiting Judge is generally unfamiliar, obviously is not an optimum condition and does not allow him adequate time to consider cases to his own satisfaction.

Thus, we at the Probation Department feel that quick action by the Governor on the appointment of a Judge to Orleans County is necessary.

Very truly yours,

  
Robert E. Golden  
Director

Hon. Board of Supervisors  
Court House  
Albion, New York

Gentlemen:

The County of Orleans has not had a resident Judge since the death of Judge Doherty in September 1977, and the business continues to mount in each Court.

Office of Court Administration has assigned Judges from time to time to alleviate some of the work load. These Judges come from Batavia, Geneseo, Seneca Falls and Utica, New York.

The work load is tremendous as it involves scheduling Court at the convenience of the Judge, and, quite often for one reason or another there is a cancellation of Court. This involves contacting the lawyers, defendants, Jurors, reporter. Reporters receive \$49.00 per day, plus mileage and expenses whether they are here oneday or one hour. Vouchers have to be completed each time they appear and this could all be eliminated if we had our own Judge as he would have his own reporter. All probation papers and any other Court related papers have to be forwarded by mail for signatures to an out of town Judge, when there is none sitting here.

On February 8, 1978 we had a Judge come here from Seneca Falls, a Court reporter from Buffalo for one sentencing of one defendant. The whole procedure took fifteen minutes in Court but the expense and time involved is double that it would be if we had our own Judge.

The Governor has a real responsibility to the citizens of Orleans County to appoint a Judge for the remainder of 1978. I strongly urge that you forward a Resolution to the Governors Council requesting that a Judge be appointed at a very early date.

Very truly yours,

Francis A. Rumble

Honorable Board of Supervisors  
Orleans County Court House  
Albion, New York 14411

Gentlemen:

I join my colleagues in urging the Board of Supervisors to pass a resolution urging the Governor of the State of New York to expedite a decision in the matter of the appointment of a Judge for Orleans County. The presence of a sitting Family Court, Surrogates and County Court Judge is critical to the orderly function and operation of this Department.

Eighty percent of the Child and Family Services Program is dependent upon a working relationship with the Family Court Judge, i.e. the Foster Care and Adoptive Programs, the CPS Program, all Custody and Private Adoptions, etc. The Family Court Judge sets the standard for interpretation of the law so that preparation by caseworkers and attorney is carried out compatibly with the Court's emphasis. We are, at present, holding approximately two dozen cases for major court decisions affecting compliance with the law, case planning for children, and our relationship with other community agencies and schools. The obvious cost in time in dealing with inconsistencies among the visiting Judges goes without saying and will be effecting a quality control survey expected in the near future.

In the case of the Support Collection Unit, when we had a sitting Judge, our support, violation and paternity petitions that were filed in the Court were processed and orders were returned to this Department in approximately six weeks. To date, we have cases for which petitions were filed in September, 1977 and the orders still have not been returned.

The Support Collection Unit is holding funds which they have been unable to disburse because of the time laps between the effective date of the support order and the date the order is received by this Department.

Matters that need several adjournments become very complicated when we have a different Judge for every session. Paternity trials have not been held at all because of problems in scheduling temporary Judges who must come on short notices.

February 16, 1978

Since respondents know we have no sitting Judge, enforcement of Support Orders has been very difficult and we do not expect to meet the collection goal set by the state CSEU (April 1, 1977 - March 31, 1978).

Your support in this matter is urgently requested.

Very truly yours,

Jerim Klapper, Commissioner  
Orleans County Dept. Social Services

RESOLUTION NO. 74

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION URGING GOVERNOR TO MAKE APPOINTMENT OF ORLEANS COUNTY JUDGE

WHEREAS, the County of Orleans and its citizens have been deprived of the services of their County Judge, Surrogate and Family Court Judge since the untimely death of Hon. Hamilton Doherty in September, 1977, and

WHEREAS, limited Judicial services have been provided by Judges from other Counties as far distance as Utica, New York, and

WHEREAS, in spite of these limited Judicial services the County of Orleans has suffered financially and in many other ways by the inability of its departments to promptly and efficiently prosecute Family Court support proceedings, and to institute and prosecute other needed proceedings, and

WHEREAS, law enforcement has suffered because of the unavailability of a County Judge on a full time basis to participate in criminal proceedings, and

WHEREAS, many delays occur in Surrogate's Court in the handling and settlement of estates of County residents, and

WHEREAS, Civil proceedings in all of the three Courts have been restricted because of the unavailability of a Judge on a full time basis, and

WHEREAS, General Court Administration, including the selection of Jury Panels has been restricted, and

WHEREAS, as a result of these factors the citizens of Orleans County have been deprived of their rights of access to these three important Courts and of a resident Judge, all to their irreparable injury, and

WHEREAS, this situation and its costly delays and deprivation of service will continue until a County Judge, Surrogate and Family Court Judge is appointed by Governor and confirmed by the New York State Senate.

NOW, THEREFORE, the Orleans County Board of Supervisors in Regular Session does

HEREBY RESOLVE that the positions of Orleans County Judge, Surrogate and Family Court Judge be filled immediately by Appointment by Hon. Hugh Carey, Governor of the State of New York, and

FURTHER RESOLVE that said Appointment of the new Orleans County Judge, Surrogate and Family Court Judge be expeditiously confirmed by the New York State Senate, and

FURTHER RESOLVE that all citizens of the County and interested persons be encouraged to use their best efforts to obtain an early Appointment and confirmation of the Orleans County Judge, Surrogate and Family Court Judge, and

FURTHER RESOLVE that copies of this Resolution be immediately transmitted to Governor Carey, our State Senator and State Assemblyman and all appropriate members of the New York State Senate and Office of Court Administration.

RESOLUTION OF COUNTY OF ORLEANS AGREEING TO PERMIT THE DEPARTMENT OF TRANSPORTATION TO CONSTRUCT A FEDERAL-AID-RAIL-HIGHWAY CROSSING PROGRAM PROJECT ON THE HIGHWAYS, STREETS AND/OR ROADS OF THE MUNICIPALITY.

WHEREAS, the New York State Department of Transportation has proposed a Rail-Highway Crossing Program Project, pursuant to Section 203 of the Federal Safety Act of 1973 as amended by Section 203 of the Federal Highway Safety Act of 1976, and

WHEREAS, the New York State Department of Transportation has notified this Board of the approval of plans and specifications for such a Rail-Highway Crossing Program Project, for the Rail-Highway Crossing which are under the jurisdiction of the municipality, and which project is more completely described as (SEE ATTACHED LISTING) covered under PIN S9300.00.122, and

WHEREAS, the New York State Department of Transportation has made known its intention to advertise a contract for the above-described improvement and has requested an agreement from the Board to the effect that it will permit the State, its agents and employees to enter upon the highways, roads and/or streets under the jurisdiction of the municipality for the purpose of performing the above-described improvement.

NOW, THEREFORE, BE IT RESOLVED: That the Board of Supervisors of the County of Orleans duly convened in legal session held on the 16th day of February, 1978, does hereby approve of the above-described improvement to be performed on the highways, roads and/or streets of this municipality and does hereby agree with the State Department of Transportation that the authorities will permit the State, its agents and employees to enter upon the highways, roads and/or streets of the municipality for the purposes of carrying out the above-described Rail-Highway Crossing Program Project, and it is

FURTHER RESOLVED: That the Board of Supervisors of this municipality does hereby agree with the State Department of Transportation that the municipality shall retain jurisdiction over the highways, roads and/or streets within the project area and hold harmless the State of New York for any damage to the property or persons of others due to the performance of any of the employees or agents of the municipality, and it is

FURTHER RESOLVED, Notwithstanding any other provisions of this agreement New York State shall indemnify and hold harmless the County of Orleans, its officers, agents and employees from any negligence arising as a result of the negligence of New York State or its employees, and it is

FURTHER RESOLVED: That upon completion of the above-described Rail-Highway Crossing Program Project, the County of Orleans will maintain the improvement and the highways, roads and/or streets so improved in accordance with the New York State Highway Law and the Federal Highway Safety Acts of 1973 and 1976 and Federal Standards and criteria in connection with such project.

RESOLVED: That for the Rail-Highway Crossing Program Project, the County of Orleans agrees to schedule any highway resurfacing so that it will not obliterate newly painted markings, except as necessitated by emergency situations whereby resurfacing is essential to maintaining proper traffic operations, it is

FURTHER RESOLVED: That the clerk of this Board is hereby directed, within ten days after the adoption of this resolution, to transmit five (5) certified copies of the foregoing resolution to the New York State Department of Transportation.

RESOLUTION NO. 89

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING PAYMENT OF CLAIM AGAINST THE COUNTY AND TRANSFER OF FUNDS FROM THE COUNTY GENERAL CONTINGENT FUND

WHEREAS, pursuant to Resolution No. 368 of 1977, the County agreed to pay the sum of \$25,000.00, subject to the court approving a compromise settlement in the case of Lynn Powell vs the County of Orleans, and the County has now received the necessary releases and other documents, now therefore be it

RESOLVED, that the sum of \$25,000.00 payment be made to Beckerman, Davidson, Cook & Fink, as attorneys for Deloise and Lynn Powell, Jr., and that the Orleans County Treasurer be authorized to transfer the sum of \$25,000.00 from the County General Contingent Fund Account A1990 to Account A1930 to provide funds in that account for payment of said claim.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

Chairman Kubatek requested that approval be given for appointment of Supervisors' Swiercznski and Shenck to the Western New York Health Systems Agency, Inc. Supervisor Bane has been a member for five years and Supervisor Kemp is no longer on the Board. Supervisor Swiercznski requested that he not be appointed because he is on the Reappraisal Committee and that will take a considerable amount of time. He suggested that Supervisor Bennett be appointed in his stead.

Supervisor Bennett said, I won't do it. I am on four committees and I was only supposed to be on three." It was moved by Supervisor Swiercznski and seconded by Supervisor Paduchak that the appointment of Supervisors' Bennett and Shenck to the HSA be approved. The matter was open for discussion. Supervisor Bennett said, "I just tell you I am not going to do it - I am on four committees and it isn't fair." The following resolution was adopted:

RESOLUTION NO. 90

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION APPOINTING SUPERVISOR REPRESENTATIVES TO HSA

RESOLVED, that Supervisors' Geary Shenck and Richard Bennett be appointed as the Supervisor representatives on the Sub-Area Council Advisory Committee of the Health Systems Agency of Western New York, Inc.

Adopted. 261 ayes; 2 nays, Supervisor Bennett (21) and Whipple (25); 1 absent, Supervisor Nayman (65).

RESOLUTION NO. 91

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Piedimonte.

RESOLUTION AUTHORIZING COUNTY ATTORNEY TO PREPARE RESOLUTION AMENDING  
THE RULES AND REGULATIONS FOR PUBLIC INSPECTION OF RECORDS

RESOLVED, that the County Attorney be authorized to prepare a resolution amending the Rules and Regulations for Public Inspection of Records to conform with changes in the New York State Freedom of Information Law.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

Chairman Kubatek informed the members that the Reapportionment Committee had met with several citizens interested in the reapportionment issue and another meeting will be set up in the near future. Mr. Kubatek also said that he hopes to set up a meeting of all the municipalities concerning a proposal for a county-wide water district.

A short discussion of the proposed equalization rates for 1978 which have been received by the towns from the State Board of Equalization and Assessment also took place.

It was moved by Supervisor Paduchak and seconded by Supervisor Piedimonte that the question of changing the exemption for Age 65 from \$5,000 to \$6,000, be tabled until the next meeting.

Adopted. 307 ayes; 0 nays; 1 absent, Supervisor Nayman (65).

The Board discussed several questions concerning the hiring of the CETA personnel to do the revaluation of property. Supervisor Dudek told the Board that there are several things involved in the process of training, etc., of the persons to do this work. The County will make sure that all the persons who go out into the field are reliable and well trained and that they have identification.

It was moved by Supervisor Bane and seconded by Supervisor Swiercznski that the meeting be adjourned.

Carried.

Adjourned at 10:55 p.m.

REGULAR MEETING  
Thursday, March 2, 1978

The meeting was called to order at 10:00 a.m., by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Mr. Lloyd Camp, Correctional Facilities Specialist and Ms. Janet Welch, of the Citizens Policy Complaint Review Council. Mr. Camp reviewed the analysis of the staffing and facilities at the Orleans County Jail which was prepared by him after a recent visit to the jail. This report will be submitted to the New York State Commission of Correction within the next 30 days.

Mr. Camp's report concluded that five additional jailors are needed to meet the staff requirements. He cited statistics which he felt backed up his findings. The Board members disagreed with the findings, they pointed out that Mr. Camp did not take into consideration the part-time personnel who fill in when regular employees are out. The following letter from the Sheriff outlines his position regarding additional employees:

DONALD WHITE  
SHERIFF

HOWARD W. LAKI  
UNDER SHERIFF

OFFICE OF THE  
SHERIFF OF ORLEANS COUNTY  
ALBION, NEW YORK 14411  
716-589-5527

March 2, 1978

Upon receiving the Commission of Corrections' recommendations for 5 additional jailors, I wrote responses to each section of their recommendation in an attempt to explain why we do not need additional staff, and why our system is working now as it has in the past.

The State warned me that should I NOT increase the Staff to their recommendation, and should I have an incident occur in the Jail, their testimony would be that they told me as Sheriff and the County they made the recommendation for more Staff and it should have been increased.

I believe if an incident is to occur it will regardless of the number of Staff. I support this statement by the number of incidents, riots, and deaths in State Correctional Facilities or are we to assume they too are understaffed?

In an attempt to reach a medium, I have suggested to the Board of Supervisors that an additional 2 Staff members, 5 days a week, Monday through Friday,

6 A.M. to 10 P.M. might be used to comply with the strictest interpretation of the States Minimum Standards by use of CETA help. However, I feel now as I have in the past that we are doing the job with the 14 Correction Officers and we have. In addition, I have 1 part time Female Correction Officer and 4 part time Male Correction Officers. These Officers are used in special watch situations and to support the regular Staff when necessary.

After two unfortunate suicides in the Jail within the past two years, the Grand Jurys of this County found no cause, and made no recommendations for change in the physical plant, training or staffing in either case.

The people of this County have heard me many times in the past say that if the State wants to run Local Correctional Facilities (County Jails) then relieve me of the Constitutional responsibility to operate it, otherwise, as Sheriff, I must run the Jail with control as I see it, and with the best interest of the people of this County in mind. This does not place me above the Commission's rules, but rather puts me in line with the full responsibility I must assume as Sheriff under the law for the security, care, safety and welfare of the inmates as it relates to our facility.

  
Donald White, Sheriff

It was pointed out by Ms. Welch and Mr. Camp that all local correctional facilities throughout the State are being inspected and evaluated. Supervisor Paduchak asked Mr. Camp if the State facilities are also being inspected and evaluated since more incidents seem to occur in those facilities. Mr. Camp did not know, his job was to inspect local facilities.

The Board was told that if they did not agree with the report they could ask the State Commission of Correction for a variance on the staffing requirements. It would then be up to the Commission to decide if they would allow a variance.

After further discussion of the matter the following resolution was adopted:

#### RESOLUTION NO. 92

By Supervisor Bennett, who moved the adoption.

Seconded by Supervisor Piedimonte.

#### RESOLUTION TO REQUEST GOVERNOR, STATE LEGISLATURE AND CORRECTION COMMISSION TO COOPERATE IN KEEPING COSTS OF GOVERNMENT DOWN

RESOLVED, that this Board send a letter to the Governor, State Legislature and the New York State Commissioner of Correction, requesting that they cooperate in keeping costs down and not mandate expensive standards for local governments.

372 ayes; 0 nays; 0 absent.

The matter of requesting a variance was referred to the Public Safety Committee, Sheriff and County Attorney for recommendations.

Recessed at 11:00 a.m., reconvened at 11:05 a.m.

Privilege of the floor was granted to Mr. Thomas Waite, Acting Director of the Mental Health Department. Mr. Waite informed the Board that a census conducted by the Development Disabilities sub-committee showed that there are 30 pre-school children who could be served by the proposed pre-school program. The Mental Health Board having reviewed proposals from BOCES, Head Start and ARC to conduct the pre-school program, are recommending that the County contract with ARC for the program. One of the reasons for contracting with ARC is that ARC also runs the Camp Rainbow program and would run the proposed sheltered workshop program, thus keeping all the programs under one "umbrella". The proposed agreement with ARC would keep within the budgeted amount for the pre-school program. Mr. Waite suggested that the Board authorize continuing the agreement with ARC for another month so that an agreement can be prepared and approved for the new program.

#### RESOLUTION NO. 93

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION AUTHORIZING EXTENSION OF AGREEMENT BETWEEN THE COUNTY AND ARC

RESOLVED, that the agreement between the County of Orleans and the Association for Retarded Children be extended through the month of March, 1978.

Adopted. 372 ayes; 0 nays; 0 absent.

#### RESOLUTION NO. 94

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Swiercznski.

#### RESOLUTION ADOPTING RULES OF PROCEDURE FOR 1978

RESOLVED, that the Rules of Procedure for 1977 be adopted as the Rules of Procedure of this Board for the year 1978.

Adopted. 372 ayes; 0 nays; 0 absent.

The Clerk read a letter from the Community Free Library of Holley, dated February 27, 1978, thanking the Board for the check to the library.

The Board asked the County Treasurer to appear before them to discuss the appropriations to the libraries.

Mrs. Basinait explained that the Holley and Yates libraries would get the same amount as last year as was provided in the 1978 budget. The Swan and Lee-Whedon libraries are participating in the Division for Youth program again this year but rather than having the libraries put up the local share the County is providing it.

RESOLUTION NO. 95

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING PAYMENT OF MONIES TO LIBRARIES

RESOLVED, that the County Treasurer be authorized to pay to the libraries in Orleans County the following sums of money:

Yates Community Library	\$ 2,436.00
Community Free Library - Holley	3,272.00
Lee-Whedon Memorial Library - Medina	14,293.70
Swan Library - Albion	14,129.00

and be it

FURTHER RESOLVED, that 50% of the monies appropriated to the Lee-Whedon Memorial Library and the Swan Library shall be reimbursed by the New York State Division for Youth.

Adopted. 372 ayes; 0 nays; 0 absent.

Mrs. Basinait informed the Board that she would like them to consider having a thirty day waiting period for enrollment of employees in Blue Cross/Blue Shield coverage. Many times a new employee quits County employment after only a few days and the County must pay that months BC/CS. It was pointed out that this is a matter for negotiation.

Supervisor Swiercznski suggested that the County set a date to pay only single coverage for new employees. Supervisor Piedimonte said he would prefer a sixty day waiting period for enrollment of new employees. The matter was tabled.

The Clerk read the following letters supporting an increase in salary for David Green, Director of the Office of Natural Disaster and Civil Defense. Orleans County Chief's Association, dated February 27, 1978; Orleans County Fire Advisory Board, dated February 28, 1978; East Shelby Volunteer Fire Co., Inc., dated February 28, 1978.

Supervisor Piedimonte, Chairman of the Finance Committee, informed the Board that the Committee was requesting that Value Management re-evaluate Mr. Green's job.

It was moved by Supervisor Paduchak and seconded by Supervisor Bane that the Board go into executive session to discuss Mr. Green's salary.

Unanimously adopted.

Recessed at 12:00 for executive session. Executive session adjourned at 12:25 p.m.

Supervisor Swiercznski moved that the Board adjourn for lunch. Adjourned at 12:10 p.m.

AFTERNOON SESSION

Reconvened at 2:10 p.m., all Supervisors present.

The Clerk presented a letter from the NYS Dept. of Health dated February 7, 1978, responding to a request for information concerning whether or not the County owns equipment purchased under the physically handicapped children's program. The letter read in part, "The County PHC Program should notify parents of patients that any equipment supplied by the program must be returned when the equipment was no longer needed by the patient. Some counties have formed loan closets for used equipment or have donated the used equipment to an already existing loan closet in the county."

The Clerk informed the Board that Mrs. Freeman, Administrator of the Physically Handicapped Children's program, will be notifying all parents of this requirement.

Presented annual reports from the Extension Service, Highway Dept., and Office of Natural Disaster and Civil Defense.

It was moved by Supervisor Swiercznski and seconded by Supervisor Bane that the above mentioned reports be printed in the 1977 Proceedings.

Carried.

Presented a report submitted by Donald Lamay, dated February 20, 1978, on the F.W.M.A. meeting of February 10, 1978. Part of the letter listed items to be considered by the Board of Supervisors, such as, (1) appointment of alternates to F.W.M.A.; (2) approval or disapproval of idea of incorporating into school libraries sportsmen oriented literature; (3) consideration of proposals to prevent littering and parking problems during fall fishing; (4) consider requesting highway superintendents to postpone roadside mowing and spraying until after pheasant nesting is over.

Referred to Supervisor Whipple, F.W.M.A. representative.

Letter from Assemblyman Steingut, acknowledging receipt of Resolution No. 74.

Letter from County Attorney dated February 16, 1978, enclosing a copy of letter to him from Judge Balio. The letter from Judge Balio praised the conduct of the Assistant County Attorneys' McConnell and Baird. A copy of the letter is to be sent to Mr. McConnell and Mr. Baird.

It was moved by Supervisor Piedimonte and seconded by Supervisor Shenck that Mrs. Sandra Bower, Personnel Officer, be authorized to attend a meeting in Syracuse on March 1-2, 1978, at county expense.

Carried.

It was moved by Supervisor Bane and seconded by Supervisor Swiercznski that a maternity leave of absence, without pay, be granted to Mrs. Susan Nichols, an employee of the Department of Social Services, for a period of sixty days, effective March 15, 1978.

Unanimously adopted.

The following letter was received from the Department of Transportation.

NEW YORK STATE  
DEPARTMENT OF TRANSPORTATION  
William C. Hennessy, Commissioner

Region 4 Office: 1530 Jefferson Road, Rochester, New York 14623

February 21, 1978

Mr. Stanley Kubatek, Chairman  
Orleans County Board of Supervisors  
Court House, RD #1  
Albion, New York 14411

Dear Mr. Kubatek:

We received a copy of Resolution No. 40 adopted by the Orleans County Board of Supervisors on February 10, 1978, requesting that our Department give serious consideration to extending Route 490, west through Orleans County to Route 63 in the Village of Medina, rather than making changes in the present route of Route 31 west.

It should be clearly understood that Interstate Route 490 is a part of the Interstate Highway System as approved by the Federal Highway Administration in accordance with authorizing legislation approved by Congress. This legislation controls the total mileage, and establishes criteria for designation and design of the Interstate Highway System. The approved Interstate Route 490 begins at an interchange with Interstate Route 90 (NYS Thruway) near Route 19 north of LeRoy, runs northeasterly to the City of Rochester, and thence southeasterly to an interchange with Interstate Route 90 near Victor.

During the construction of Interstate Route 490 an interchange was provided, north of Buffalo Road and east of Elmgrove Road. The roadway connection between this interchange and Elmgrove Road was constructed with non-Interstate funds. Any westerly extension of this connecting roadway is not eligible for construction with Interstate System funds, and should not be referred to as a westerly extension of Interstate Route 490.

Route 31 is functionally classified as a rural Minor Arterial highway and has been approved as a part of The Federal Aid Primary highway system. Reconstruction to improve this route along its present location, or on a new location, is eligible for Federal Aid. However, the approval of specific improvement project proposals requires that these projects be developed in accordance with the State's approved Environmental Action Plan. Attached is a copy of the approved plan. This plan provides for complete documentation of the need for an improvement, the evaluation of alternative locations for making an improvement, and the assessment of the social, economic and environmental effects of an improvement.

At the present time we are progressing studies, meeting these requirements, for the segment of Route 31 from the Brockport area to the Rochester Outer Loop (Route 47) on the west side of the Rochester Urban Area. As a member of the Genesee Transportation Council, you and your Planning Committee representative have been receiving information on these studies as they progressed. In the near future a Project Report I and II summarizing the studies on this segment of Route 31 will be distributed for public review.

We believe that your review of the above-noted report will allow you to realistically assess the potential for further improvement of Route 31 in Orleans County.

I appreciate your interest in transportation improvements, and trust that this letter establishes a reasonable basis for further discussions.

Sincerely,

  
A.J. Kopczynski  
Regional Director

AJK/RBT/ef

The Clerk was instructed to send a copy of the above letter to Congressman LaFalce.

A request was received from the Department of Social Services, dated February 16, 1978, requesting that temporary employees be granted the benefits of accrued leave time and medical insurance coverage.

It was moved by Supervisor Bane and seconded by Supervisor Whipple that temporary employees be granted accrued leave time and medical coverage.

The Board discussed various aspects of the question including the definition of a temporary employee.

It was moved by Supervisor Piedimonte and seconded by Supervisor Swiercznski that the above motion be tabled.

Carried.

Presented a questionnaire from DEC regarding solid waste management. Referred to the Solid Waste Committee.

Read a request from the County Highway Superintendent, dated February 27, 1978, requesting purchase of 1 heavy duty diesel truck w/ dump body; 1 1/2 ton pick up truck and 1 1/2 ton pick up truck for use of Social Services Dept.

It was moved by Supervisor Nayman and seconded by Supervisor Bennett that the above requests be tabled.

Carried.

RESOLUTION NO. 96

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Shenck.

RESOLUTION APPROVING APPOINTMENTS TO THE ORLEANS COUNTY DRUG ABUSE PREVENTION COUNCIL

RESOLVED, that the following persons be appointed to the Orleans County Drug Abuse Prevention Council, to fill vacancies on that council, said terms to expire 4/7/80:

Ms. Johanna Swann  
187 Glenwood Avenue  
Medina, New York 14103

Ms. Sandra Patterson  
Ryan Road  
Medina, New York 14103

Adopted. 372 ayes; 0 nays; 0 absent.

#### RESOLUTION NO. 97

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION APPROVING APPOINTMENT TO THE ADVISORY BOARD FOR THE C.A.C. WINTERIZATION PROGRAM

RESOLVED, that Tony Piazza, Albion, N. Y., be re-appointed to represent the Board of Supervisors on the Orleans Community Action Committee, Inc., Advisory Board for the Winterization Program to be conducted by that organization.

Adopted. 372 ayes; 0 nays; 0 absent.

Supervisor Nayman reported that he had received some information from Mr. VanAlstyne regarding a program which could be purchased from Broome County for Social Services use on the computer. Mr. VanAlstyne also informed Mr. Nayman that the computer which the County has been using at Brockport is for lease or sale. Lease price would be \$5,000 per year excluding maintenance. Referred to the Purchasing Committee. Supervisor Nayman was asked to work with the new Purchasing Committee to bring them up to date on what has transpired regarding computers.

#### RESOLUTION NO. 98

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

#### RESOLUTION ADOPTING LOCAL LAW NO. 1 OF THE YEAR 1978

WHEREAS, the following proposed Local Law No. 1, for the year 1978, was duly introduced at the meeting of the Orleans County Board of Supervisors on February 2, 1978, and a public hearing was held at 9:45 a.m., March 2, 1978, at which time no persons appeared wishing to be heard, be it enacted as follows:

#### LOCAL LAW NO. 1 OF 1978

A LOCAL LAW INCREASING THE SALARIES OF VARIOUS EMPLOYEES OF THE COUNTY OF ORLEANS APPOINTED OR ELECTED FOR A DEFINITE TERM

BE IT ENACTED by the Board of Supervisors of the County of Orleans as follows:

SECTION 1. Pursuant to the provisions of the Municipal Home Rule Law of the State of New York, the salaries of the following County employees are raised as follows, per annum, retroactive to January 1, 1978.

Employee	Present Salary	Proposed Increased Salary
County Clerk	\$ 15,000.00	\$ 16,000.00
Commissioner of Social Services	22,500.00	23,000.00
Election Commissioners (2)	3,500.00	3,650.00
Personnel Officer	6,000.00	7,750.00
Superintendent of Highways	16,000.00	17,000.00
Sheriff	16,500.00	17,500.00
County Treasurer	13,500.00	14,500.00
Director of Real Property Tax Services	11,000.00	11,867.00

SECTION 2. This local law is adopted subject to referendum on petition pursuant to Section 24, Subdivision 2-h of the Municipal Home Rule Law of the State of New York.

SECTION 3. This local law shall take effect 45 days after adoption hereof, or after approval by the affirmative vote of a majority of the qualified voters of the County of Orleans voting on a proposition for its approval, after petition, whichever event first occurs.

Adopted. 351 ayes; 1 nay, Supervisor Bennett (21); 0 absent.

Supervisor Bennett before adoption of the above local law, stated that he felt it should be tabled until the other salaries are adopted. It was pointed out to Mr. Bennett that this law will not become effective for forty-five days.

Reapportionment Committee reported that a meeting will be set up this week and the members will be notified of it.

Supervisor Dudek informed the Board that the State Board of Equalization and Assessment will be able to provide someone to do the monitoring on the revaluation project. It was decided that the following "position paper" on the project should be sent to each town board member and assessors.

#### REVALUATION PROGRAM - STATEMENT OF POSITION

##### 1. Why is the Revaluation Program Necessary?

The real property tax burden should be distributed among all taxable properties in proportion to their full value. Under State law, a uniform tax rate is paid on each dollar of assessed value. Therefore, the fairness of the tax distribution is solely a function of the assessment. If the assessments of all properties on an assessment roll have an equal relationship to the full value, the tax is fair. When this is not true, inequity exists. The primary source of inequity is the improper assessment of real property. An assessment is supposed to be an estimate of the current market value of a property. The most obvious result of improper assessment is that taxes are not apportioned equally, and for every underassessment there is a corresponding overassessment.

Surveys conducted in the past several years have indicated that there are inequities in the amount of property tax paid by persons owning similar homes in different locations. It was also discovered that there are discrepancies in the method of assessment from jurisdiction to jurisdiction. At present, assessments are based upon a percentage of full market value. This percentage is commonly referred to as the "equalization rate". Each jurisdiction within Orleans County assesses at a different percentage of full market value, thus making the process even more complicated.

Rapid inflation in the value of property in many parts of the County and deterioration and blight in other areas have made it physically impossible for Assessors to keep assessments, especially in the large communities, at a uniform ratio of full value. Since reassessments are costly, unpopular and, therefore, rarely done, older homes tend to be assessed much lower than newer homes, regardless of the actual market value.

The Amendment of the Real Property Tax Law of 1970 marked the beginning of the State's deeper interest in the problem of inequity. The State Board of Equalization and Assessment has spent years researching and developing long term and workable solutions to this problem. In recent years, the State of New York has developed a highly sophisticated system for the assessment of Real Property. The system has three major areas:

1. The complete tax mapping system.
2. The tax billing and collection system.
3. The property valuation system.

With this complete system, local Assessors have the ability to assess all properties accurately and fairly and to adjust assessments annually as the market values rise and fall. Many New York Counties, Cities and Towns have implemented the Real Property Information System.

At this time Orleans County seeks to utilize these State perfected methods and, in cooperation with the local Assessors, to revalue the real property in the County so as to bring equity to all taxpayers. Then, after the Revaluation is complete, the local Assessors will continue to receive updated information which will enable them to maintain equitable tax rolls. This will result in yearly monitoring of the assessed values with the local Assessors taking appropriate action where necessary. The costs associated with the "constant updating" method are relatively minimal and any future total revaluation effort will be unwarranted.

## 2. How will the Revaluation Program be Accomplished?

The first phase of the Revaluation Program is to collect current information concerning each property in Orleans County. The kinds of information collected will include the following: exterior dimensions, number of rooms, number of bedrooms, number of baths, approximate age of house, neighborhood, type of dwelling, size of garage (if any), type of heating system, general conditions, and other factors affecting real property value. The County has hired Kenwalt Valuation Service, Inc., an appraisal firm, to collect this information over the next two years.

Once the data has been collected and carefully checked, a computer assisted preliminary value estimate will be developed utilizing current information regarding recently sold properties and very comprehensive mathematical techniques. The preliminary value estimates will be reviewed in the field by qualified appraisers in order to determine that the value estimates are reasonable for each piece of property. Naturally, value changes will be made where appropriate.

Preliminary property value estimates will then be made available to the local Assessors for their review and modification. After their review, the final value estimates and the data used to calculate these values will be posted to computer files and notices will be produced and mailed to all taxpayers. The purpose of these notices is to estimate the effect of the new value estimate upon property taxes.

After the taxpayers have received the notices, "informal hearings" will be set up in each jurisdiction in order to give each taxpayer a chance to discuss the value which has been placed on his or her property. After this procedure is complete, the same channels that are currently available to taxpayer's will still be available in the event that grievances still exist.

### 3. Misconceptions concerning the Revaluation Program.

1. Contrary to popular misconceptions, the Revaluation Program will not in itself lead to a single dollar of higher taxes in any community. The tax levy is determined by the annual budget. All the assessment process does is to spread the levy over property owners. Thus, the Revaluation Program will only lead to a more equitable distribution of the tax levy.
2. The data collectors employed by the County and trained by Kenwalt are only collecting data. They do not and cannot place any values on the properties.
3. While Assessors are not legally required, at this time, to employ the new valuations in preparing assessment rolls, virtually all of them have endorsed the program, and should any Assessor arbitrarily ignore the results, legal proceedings by individual property owners and/or groups who the data indicate are overassessed, could force compliance. In addition, the Revaluation is all but mandated by recent court decisions calling for full value assessment in New York State. As of this date, 3 jurisdictions have been mandated by the courts to revalue and there are more than 50 other cases pending in the Court of Appeals. One of the most well known cases was in Suffolk County Town of Islip which was given until December 31, 1976 to revalue at 100% of fair market value.
4. The data collection phase of the Revaluation Program is not intended to violate the "invasion of privacy" regulations outlined in the Constitution. The purpose of the data collection phase is only to collect the information necessary to estimate a fair and equitable market value. It is in the best interest of each taxpayer to allow the data collectors to collect the required information so that the values will be based on accurate information and not upon estimates which will otherwise have to be made.
5. A total Revaluation Program would cost the County \$750,000 today. However, by utilizing federal funds to supplement the data collection phase, and obtaining the use of the State's computer facilities this cost has been reduced to approximately \$400,000. Upon completion of the program, the cost will be further reduced by the State reimbursement of an additional \$170,000. Orleans County has wisely elected to enter into this program voluntarily. Through the use of experienced professional consultants, the County was able to obtain a high quality Program for the lowest possible cost. If the County were to wait until revaluation is mandated by the State, the future cost could be substantially higher than the present cost.
6. Each property owner will have complete access to the final data collected.

7. Contrary to some beliefs, the Revaluation Program in itself will not affect the Old Age Exemption. This exemption is based upon one-half of the assessed valuation independent of whether that assessed valuation is based upon a percentage of full value or 100% of full value.
8. It is a fact that a property in a particular jurisdiction is worth more than a similar property in another jurisdiction. These types of neighborhood effects will be taken into consideration in the value estimating process.
9. If each individual City and Town were required to conduct a Revaluation Program of their own similar to that being conducted at the County level, it would undoubtedly cost substantially more than the County program. Also, there would still be no guarantee that inequities would be eliminated.
10. The County-wide data collection phase is a "one time only" effort. After the data has been collected, the local Assessors will keep the data up to date with respect to new construction, demolition, subdivisions, transfers, etc. in a manner that valuations can be produced on an annual basis for minimal costs.
11. All data collectors have an official Orleans County photo ID card identifying them as being authorized to collect the required property characteristic information; thus, no one can enter a property for any other purpose under the false pretense of being a data collector.
12. Although an assessment of a particular property may increase due to the Revaluation Program, the taxes may not increase. The Revaluation Program cannot increase the tax levy, only redistribute it. Taxes will go up for those properties currently under-valued and taxes will go down for those properties currently over-valued. The net result will be an equitable distribution of the property tax as required by the New York State Real Property Tax Law. Past experience has shown that as a result of similar Revaluation Programs in other counties, taxes increase for 30% of the properties, taxes decrease for 30% of the properties, and taxes remain about the same for the remaining 40% of the properties.
13. The Revaluation Program should not discourage a property owner from beautifying or enhancing his or her property. Naturally the value on property will increase if construction improvements are made such as a new garage, additional rooms, a new porch, etc. Improvements such as these increase the market (resale) value of a property and this increase in market value should be reflected in the assessment. This is the only fair and equitable way to administer the property tax. However, the effect of home improvements on the assessment should be put in proper perspective. Unless there are major constructional changes to a property, the effect on the assessment will probably be minimal, assuming the property owner is already paying his or her fair share of property taxes. Furthermore, if and when a property is sold that has been enhanced by additional improvements, the owner will certainly reap the benefits of the enhancements in the selling price.

Q. Why revalue?  
Why revalue now?  
What will revaluation do for me?

- A. Recent studies show inequities existing in local assessment rolls in Orleans County. This program will provide Town and Village Assessors with standardized, objective valuations and set up a computerized system for future maintenance of these valuations.

Currently, some people are not paying their fair share of taxes. For every person under-assessed, there is someone else who is correspondingly over-assessed. In effect, some people are paying other people's taxes. Past revaluation efforts have shown that about 30% are currently paying too much tax, 30% are paying too little, and 40% are paying their fair share. This indicates that 70% of the public would either not be affected by modified assessments or would be favorably affected.

Also, by law, the Assessor in each jurisdiction is required to assess all property at 100% fair market value. This statute has not been followed in many places in New York State. However, recent court opinions have held that this statute is enforceable. This current program will provide the best means for the Assessor to comply with the law. Orleans County has shown remarkable foresight in installing this program at the present time. In this way, any future edicts issued by the State will have been fully prepared for. In effect, Orleans County will be one step ahead of everyone else.

Again, the overall emphasis of this equalization effort is to provide the Assessors with the best possible tools and information so that they can correspondingly equalize assessments, thereby assuring that each individual pays his or her fair share of taxes and that one person doesn't have to pay his neighbor's taxes, as is currently the case.

Q. Why can't property be assessed the way it has been in the past?  
What will prevent the same problem from re-occurring?

A. I think we can all agree that inequities currently exist in the procedures for assessing real property in Orleans County. It has been, and still is, a physical impossibility to keep up to date on all properties at all times.

Because of this, properties are valued (or revalued) at time of construction and/or time of sale. Also, when construction permits are issued, a property is generally reassessed. Homes that have not been recently sold, probably have the same assessment since the last revaluation. This result is simply unfair and inequitable and MUST be changed. The people will no longer tolerate the inequities.

Under the proposed system, each and every property will be analyzed both separately and in conjunction with other similar properties. The volume can now be handled because it will be done by the computer. Valuations will then be determined and given to each local Assessor. He can then reassess if he sees fit. He will have available to him complete, accurate, and unbiased information to use as support for his decision.

Once the system is installed, it will be the local Assessor's job to enter into the system any changes that occur in his jurisdiction (for example, sales, construction, improvements, etc.). Each year the computer will re-analyze all the properties and re-issue new values to the Assessors. In this manner, the problems of assessments getting outdated cannot occur. This, in turn, will result in fair and equitable tax administration from that point on.

Q. Why employ an outside contractor to do the job?  
Aren't the local Assessor's doing their job?  
Is this a duplication of effort between the County, the local Assessors, and the outside firm?  
Why can't the Assessors do the data collection?

- A. It is the Assessor's responsibility, and only his, to determine property assessments. The permanent force of Assessors currently available is not sufficient to perform a total revaluation of their respective jurisdictions. In theory, a sufficient number of permanent employees could be hired to complete such a task, however, the specific jurisdictions would then be obligated to perform the training of these employees, their supervision and the final approval of their work. This would, in turn, cause an extra burden to the Assessors, thereby causing them to neglect their day to day obligations. Hence, a contractor with the necessary expertise and experience could get the job done and not impact the Assessors in their normal line of duty. Local people are employed and no training, personnel and/or administrative costs are incurred. Effort is not duplicated because each party has specific responsibilities. Working together can get the job done as accurately as possible, in the shortest possible time, and with the least total cost.

- Q. Will this program lead to higher taxes?  
My assessment will go up, therefore, my taxes will go up!

- A. Assessments and the tax burden are independent processes. They are unrelated to each other.

The assessment process is a procedure designed to place an equitable value on a specific piece of property (the full fair market value is the only real method of placing a realistic value on property). This procedure is carried out by local Assessors who, based on internal and external conditions, determine assessed valuation for each property. This has nothing to do with the amount of taxes needed to support our government.

At the same time, an annual budget is being developed that will allow our government to perform all of its appropriate functions. This budget determines the amount of money needed, hence, tax burden that must be levied. This process has nothing to do with assessments.

Finally, the total amount of taxes required (developed by the budgetary process) is prorated to each individual taxpayer via his assessment (determined by the local Assessor) and each individual's tax amount is determined (after the tax rate is applied). Ideally, then, each person would pay his or her fair share of the tax burden. Since the total tax burden is a constant, this can only be accomplished if each person is fairly assessed, hence, this equalization program.

To further illustrate the independence of the tax burden with the assessment process, consider the following:

1. Many people will notice that their taxes have increased repeatedly over the past few years EVEN THOUGH their assessments have remained the same.
2. If ALL assessments were doubled as a result of this program, individual taxes would remain the SAME since the total amount that must be collected will not change. What will happen is that the tax rate per thousand will be cut in half.

Typically, in an equalization effort of this nature, the majority of assessments will increase if for no other reason, than because of the valuing at 100% as opposed to fractional equalization rates. However, as previously shown, this DOES NOT imply an increase in overall taxes. It can, however, result in an increase in individual taxes, those being those people that had previously not been paying their fair share. Past experience shows that this is typically 30% of the people.

- Q. Exactly how will this program proceed?  
What is the current schedule for this project?  
When will my assessment change?
- A. The equalization program has been carefully planned and scheduled over the next 2½ years. The intent is to begin using assessments based on 100% fair market value for the 1980 tax year.

A general sequence of events for this project are:

1. Data Collection Training

The County has employed data collectors to gather information on all properties in the County. These employees are trained by Kenwalt using manuals that have been prepared for Orleans County detailing property characteristics prescribed by the State of New York.

2. Prior to Data Collection

A leaflet will be left at each property to inform the resident that a data collector will be coming to the property within the next few days to gather information. The leaflet will explain what the data collector will look at and how they will identify themselves.

3. Data Collection Phase

Each property will be visited by a data collector to gather information on the property. The data collector is only there to gather specific data and is not making a "value judgement" on the property. The data collectors will be under close supervision of the Kenwalt appraisal staff. There will also be a quality check by Kenwalt of random properties to insure accuracy of the data.

4. Data Management

The property characteristics collected on each property will be keypunched into a computer. This will provide Kenwalt with assistance in analyzing the information collected in the field. It will also provide an accurate base for valuation of all properties in the County.

5. Data Mailer

After the computerized files have been cleared of all keypunch and data errors a computerized report of the information collected on each property will be mailed to each property owner. This report will have the major items that have been collected and will instruct the property owner to verify these. If a property owner feels that any of the data is in error there will be an opportunity to discuss this with the County and Kenwalt by setting up an appointment.

6. Preliminary Valuations

Kenwalt will analyze the information that has been gathered in the field and using the accepted appraisal methodologies develop a preliminary value for each property in the County. These values will be verified in the field by professional appraisers. The values will then be turned over to the local Assessors for their review.

7. Notice of Assessment Change

After the preliminary values have been reviewed, a notice of the proposed value will be sent to each property owner. This notice will explain the effect of the proposed value by giving the amount of taxes that would be charged to the property if the proposed value was utilized with the previous years tax rate.

8. Informal Discussions

Should the property owners have questions regarding the proposed new value there will be an opportunity to meet with representatives from Kenwalt in order to discuss such questions. All information pertaining to the property will be reviewed before the final values are generated. At this time, it is hoped that any still existing inequities will be eliminated.

9. Final Assessments

After the informal discussions the final valuations will be turned over to the jurisdictions for implementation on the roll.

10. On-Going Maintenance

Each local Assessor will have the responsibility, as he now does, of keeping the files updated. The new computerized system will provide the Assessor with the capability to annually maintain equitable assessment rolls. This will eliminate any future need for full scale data collection.

- Q. What will happen if I refuse access?  
Why should I have my privacy violated?  
Aren't my constitutional rights being violated?

- A. If you refuse entry, no repercussions will result and no action will be taken against you. However, it will be in your best interests to admit entry.

If entry is refused, the data collector must estimate the information he is required to collect. He must guess at property dimensions, at type of interior, number of bathrooms, number of rooms, fireplaces, etc. This estimate will then be used to determine value. You will then be notified to this estimated value.

The whole intent of this program is to fairly and equitably distribute the property tax burden by adjusting assessments to 100% fair market value. Accurate information is vital for this and estimates tend to introduce inaccuracy to the data. This, in turn, can lead to an unfair distribution, just what we are trying to avoid.

Also, concerning estimated assessments, if you don't agree, you can appeal them, in which case, you'll have to allow someone into your house anyway. This round-about method of refusal, appeal and final entry can only cost you; the taxpayer, more money to achieve the same original goal.

The main reason why people want to refuse access is NOT the invasion of privacy, the fear of robbery or any other such excuse, BUT, is rather, the fear of their taxes being raised. It is presumed, therefore, that they have something to hide, which, in turn, could lead to an increased valuation. After all, these same people admit the meter reader, the TV repairman, the phone man, etc., into their homes.

The data collectors have been carefully interviewed and screened. They carry, and immediately display, valid photo identification. You are forewarned of their actions. You can check on them simply by calling your local police and/or Assessor.

In short, all of the reasons given for refusal of entry can be refuted. Only those with something to hide will persist, and it is these very people that are currently allowing others to pay their taxes.

Q. Will remodeling raise my taxes?

Why should I get new rugs and paint?

A. The data collector is interested in real property only. That is, property that is a part of the structure or a part of the residence. This includes such items as:

1. number of rooms
2. number of baths
3. number of stories
4. property and residence dimensions
5. in-ground pools
6. garage (s)
7. style of kitchen and bathroom
8. outside finish (brick; frame)
9. finished basement

This does not include such items as:

1. carpeting
2. draperies
3. furniture
4. wallpaper and paint
5. appliances
6. above ground pools
7. chandeliers
8. ornaments, etc.

The only data that will be collected and used is that concerning real property. All personal property DOES NOT affect valuation, and hence, will not affect assessment.

Q. Why should I improve my property?

Aren't you penalizing the conscientious homeowner?

A. First of all, it's important to distinguish two points; improving and beautifying. Improving your property includes permanent modifications such as a new garage, a new porch, additions, paved driveways, built-in pool, etc. Beautification includes landscaping (shrubbery) painting, shingle repair, and the like. Only improvements, not beautifications, are considered.

Any equalization program such as this shouldn't discourage improvements. The market value of the property will indeed increase when improvements are made. This increase in market value should be reflected in the assessment. This is the only fair and equitable way to administer the property tax.

It is important to note, too, that any improvement will be only a small part of the total criteria used to determine valuation. Therefore, most improvements will result in only a minimal increase in total value. For example, a new garage costing \$3,000 will probably result in a fraction of the \$3,000 being added to the assessment (depending upon the neighborhood and other like residences). This, in turn, will cause only a minimal tax increase.

These improvements have another effect on your property. When it comes to selling, you will receive a higher payment than otherwise, although, just as in the assessment process, probably not as much as the improvement cost. The marketability of your property will also be enhanced. And, finally, your standard of living will be improved.

Finally, it is important to note that this equalization program does not "go after" those who want to make improvements to their property. As in the past, any property improvements require a permit. This, in turn, will cause the local Assessor to re-examine that property and revalue it. This procedure will remain unchanged and is, in no way, connected to the current project.

It was moved by Supervisor Bane, seconded by Supervisor Nayman, and carried, that the following Clerk's bills for reporting delinquent dog owners, as presented and read by the Clerk, be allowed as claimed and that the Clerk be directed to certify same to the County Treasurer for payment:

3. The records access officer is responsible for assuring that agency, personnel:

- (a) Maintain an up-to-date subject matter list;
- (b) Assist the requester in identifying requested records, if necessary;
- (c) Upon locating the records, take one of the following actions:
  - (i) Make records available for inspection; or
  - (ii) Deny access to the records in whole or in part and explain in writing the reasons therefor;
- (d) Upon request for copies of records:
  - (i) Make copy available upon payment or offer to pay established fees, if any or
  - (ii) Permit the requester to copy those records;
- (e) Upon request, certify that a record is a true copy; and
- (f) Upon failure to locate records, certify that:
  - (i) The agency is not the custodian for such records, or
  - (ii) The records of which the agency is a custodian can not be found after diligent search.

4. Records shall be available for public inspection and copying at the various agencies and departments of the County, located at the addresses set forth in Paragraph 2 above. Records pertaining to the Board of Supervisors may be obtained at the address set forth in Paragraph 2 above.

5. Requests for public access to records:

(a) Request for examination of documents must be made in writing to the person designated to receive such requests and on such forms as the Board of Supervisors may from time to time provide. Each such request shall be in writing identifying the person requesting the same and shall describe the document sought to be examined sufficiently to allow the person in charge of the documents to identify the same.

(b) An agency shall respond to any request reasonably describing the record or records sought within five business days of receipt of the request.

(c) Examination of such records shall only be made in the room or area designated by the person to whom the request is made and shall only be made in the presence of the person to whom the request is made or his delegate. In no event shall any person place any mark upon any record or document or mutilate or deface the same.

(d) Copies may be made of documents or records at the expense of the person requesting the same in a manner satisfactory to the person to whom the request is made and in a manner that will not mark, deface or mutilate such documents or records.

(e) Copies or certified copies of documents or records will be made by the person to whom the request for examination is made or his delegate upon request in writing on forms designated by the County Board of Supervisors and payment of the fees hereinafter set forth. The person to whom the request is made may require such requests to be made 5 business days prior to the examination. In the event a request is made for a large number of copies, the copy work will be done as quickly as possible in a manner which will not interfere with normal routine of the agency or office involved. All fees required shall be paid by check or money order, payable to the Orleans County Treasurer.

#### 6. Subject matter list:

(a) Each agency or department shall maintain a reasonably detailed current list by subject matter of all records in its possession, whether or not records are available pursuant to subdivision two of Section 87 of the Public Officers Law.

(b) Subject matter list shall be sufficiently detailed to permit identification of the category of the record sought.

(c) The subject matter list shall be updated not less than twice per year. The most recent update shall appear on the first page of the subject matter list.

#### 7. Denial of access to records:

(a) The Chairman of the Board of Supervisors, the County Attorney and a member of the news media appointed by the Board of Supervisors shall hear appeals regarding denial of access to records under the Freedom of Information Law.

(b) Denial of access shall be in writing stating the reason therefor and advising the person denied access of his or her right to appeal to the person or body established to hear appeals, and that person or body shall be identified by name, title, business address and business telephone number.

(c) If any agency fails to respond to a request within five business days of receipt of a request as required in Section 3 of these rules such failure shall be deemed a denial of access by the agency.

(d) Any person denied access to records may appeal within thirty days of denial.

(e) The time for deciding an appeal by the body designated to hear appeals shall commence upon receipt of written appeal identifying:

- (i) the date and location of a request for records
- (ii) the records that were denied; and
- (iii) the name and return address of the appellant.

(f) The agency shall transmit to the Committee on Public Access to Records copies of all appeals upon receipt of an appeal. Such copies shall be addressed to:

Committee on Public Access to Records  
Department of State  
162 Washington Avenue  
Albany, New York 12231

(g) The body designated to hear appeals shall inform the appellant and the Committee on Public Access to Records of its determination in writing within seven business days of receipt of an appeal. The determination shall be transmitted to the Committee on Public Access to Records in the same manner as set forth in subdivision (f) of this section.

(h) A final denial of access to a requested record, as provided for in subdivision (g) of this section, shall be subject to court review, as provided for in Article 78 of the Civil Practice Law and Rules.

8. Fees. Except when a different fee is otherwise prescribed by Law:

(a) There shall be no fee charged for the following:

- (i) inspection of records;
- (ii) search for records; or
- (iii) any certification pursuant to this part.

(b) An agency may charge a fee for copies of records as follows:

Copy per page not exceeding

REGULAR MEETING

Thursday, March 16, 1978

The meeting was called to order at 8:00 p.m., by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were found present, except Supervisor Swiercznski.

It was moved by Supervisor Bane and seconded by Supervisor Piedimonte that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to Rev. Julius Simpkins, a Canon of the Episcopal Church of Rochester and a member of the management group presently in charge of Carlken Manor in the Town of Carlton. Rev. Simpkins explained that a little over a year ago the New York State Urban Development Corp. asked the management company to take over the operation of Carlken Manor. Rev. Simpkins told the Board that Carlken Manor has had a great deal of difficulty in collecting their rents and thus making it difficult to pay their bills. There is an outstanding bill of \$15,000 owed to Niagara-Mohawk. The tax bill is due and there is also an outstanding water bill. Rev. Simpkins explained that the reason he was appearing at the Board of Supervisors meeting was to request their support for a rent subsidy program for low and moderate income families - not only for those at Carlken Manor but throughout the County. The federal government has a subsidy program called the Section 8 program which makes it possible for low income people to pay not more than 25% of their income for housing. These funds are usually allotted to an area through a local housing authority.

Rev. Simpkins discussed some of the problems he encountered in the operation of Carlken Manor. He introduced Ms. Judy Bersudi from Program Funding, Inc. Ms. Bersudi administers the Section 8 program in Genesee County. Rev. Simpkins explained that under New York State law county's are not allowed to operate a housing authority but that the County Board of Supervisors can pass a resolution supporting the Section 8 program and request the New York State Urban Development Corporation to make an application to the Department of Housing and Urban Development for an allocation under the Section 8 program for Orleans County.

Rev. Simpkins introduced Mr. Andreas from UDC. Mr. Andreas explained how the Section 8 program operates. The County may designate an agency to administer the Section 8 program - such as Program Funding, Inc. The application would be for approximately 100 units - 40-50% of these would be assigned to senior citizens and handicapped persons. The rest of the allocation would be divided up between small family units and large family units. If the allocation for the County is approved - ads would be put in the newspapers advising everyone that the program is going to be available as of a certain date. An outreach program to tenants and landlords would be undertaken to familiarize them with the program. All applications would be on a first-come-first-serve basis. There would have to be approved leases between the landlord and the tenant and those applying would have to meet the income and other requirements of the program.

After a question and answer period - the matter was referred to the Planning and Development Committee for recommendation.

Supervisor Shenck introduced Mr. William G. Ebersbach, P.E., Project Engineer for the Oak Orchard Watershed Project. Mr. Ebersbach explained the project to the Board and answered questions regarding the project. The Watershed Project will be constructed in the Towns of Barre and Clarendon in Orleans County and the Towns of Elba and Byron in Genesee County. The cost of the project will be paid by funds from the Federal and State governments and by assessment on the tax rolls of the benefited parcels. Supervisor Dudek expressed concern that the property in his town might be effected by flooding from the project. Mr. Ebersbach said he thought that would be minimal. Action on the proposed watershed district will be taken at a later date.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the Board hold an executive session at the request of the County Attorney to discuss the case of Robinson vs. the County.

Unanimously adopted.

Adjourned at 9:30 p.m. for executive session.

Reconvened at 9:45 p.m., Supervisor Swiercznski arrived at this time.

REPORT OF SPECIAL  
REAPPORTIONMENT  
COMMITTEE OF THE  
ORLEANS COUNTY BOARD  
OF SUPERVISORS TO THE  
ORLEANS COUNTY BOARD  
OF SUPERVISORS

The Reapportionment Committee, consisting of Supervisors Nayman, Paduchak, Whipple and Bane, respectfully submit this report on recommendation to the Orleans County Board of Supervisors:

The Reapportionment Committee held an organizational meeting on February 7, 1978 at which meeting the past history of the Reapportionment action against the County of Orleans was discussed. It was noted that the Board of Supervisors was under a court order to submit to the Supreme Court of the State of New York a plan for constitutional reapportionment of Orleans County on or before April 17, 1978.

On February 15, 1978, the Reapportionment Committee again met with the other members of the Board of Supervisors together with Arthur B. Eddy, Roger Lamant and Robert W. Waters. At this meeting it was pointed out that the majority of the Board of Supervisors felt that any reapportionment plan which altered township lines would be unacceptable. The interested citizens present requested that they be

entitled to come before the Reapportionment Committee and the Board of Supervisors to prevent possible alternative plans for the reapportionment in the County of Orleans. The request was granted and follow up meetings were held with these interested citizens and William Lyman who discussed various alternatives and a number of follow up meetings were held to discuss various alternatives.

The basic issues which were considered and discussed at length by the Reapportionment Committee, the various members of the Board of Supervisors, and those concerned citizens present included the following questions:

(a) whether or not once elected the County representative would have one vote or whether or not he would have a weighted vote;

(b) whether or not the town supervisor would be entitled to sit as a county representative;

(c) whether or not the governing body should contain ten members or more or less than ten members;

(d) whether or not the boundaries from which the representatives are elected be coterminous with the town or cross over town boundaries;

In order to illustrate these questions and to obtain a real understanding of the implications thereof the Reapportionment Committee considered among others the following plans which were presented:

1. A 16-member Board consisting of one representative each from the Towns of Carlton, Yates, Gaines, Barre, Kendall, and Clarendon. Two members each from the Towns of Murray and Shelby and three members each from the Towns of Albion and Ridgeway.

In utilizing this plan without a computerized weighted vote, so that each representative would have a single vote a problem arose in that a representative, for instance, from the Town of Clarendon, with population of 1,969 would have the same vote as a representative from the Town of Shelby who theoretically would represent one-half of the

population or 2,683 votes. It was thought that this variation which is approximately 15.1% would not be acceptable to the Court as a constitutional plan. In addition, this proposal was not considered to be acceptable in that there was a strong feeling that the County of Orleans did not need as many as 16 members to govern it effectively.

2. Another proposal which was considered was a 13-member multi-district set up which would provide for three members of the governing body be elected from a district composing the towns of Murray, Clarendon, and Kendall. That five members be elected from a district composing the Towns of Carlton, Gaines, Albion and Barre, and that five members be elected from a district composing the Towns of Yates, Shelby and Ridgeway. It was generally felt that each Town should be guaranteed one representative from their town on the county governing body. Therefore, within the district there would be a residency requirement that at least one of the legislator elected within the district reside within each of the Towns in that district. This plan would provide that once elected each representative would have one vote on the county board. The variation between any population differences within the districts amounted to approximately 3.7% and if this plan had been established it was felt that possibly the Court and the Attorney General would accept its constitutionality at least until the next census.

This plan was unacceptable to the supervisors of the smaller towns due to the fact that even though they were guaranteed to have a resident on the county board, there could be no guarantee that the larger towns within the district would cast more votes for one particular town candidate than in fact the voters within the Town had cast for him. In other words by way of illustration and using the district composed of the Towns of Carlton, Gaines, Albion and Barre the voters within the Town of Carlton could vote in favor of candidate A whereas the voters within the entire district and particularly taking into consideration the strong vote from the residents of the Town of Albion could elect candidate B from the Town of Carlton.

Another difficulty seen with this plan was the obvious requirement that any candidate would have in campaigning cross the entire district which would be a large geographical area.

3. The last major plan considered was the 14-member Board which consisted of a supervisor from each of the ten towns together with an additional supervisor from the Towns of Albion, Murray, Shelby, and Ridgeway.

The majority of the Board of Supervisors felt that the representation of their town together with joint representation of the County was an asset and should be maintained. The close cooperation between Town and County government and the flow of information between the two would be enhanced in retaining that set-up. In using the 14-member plan the voting of the various members would have to be a computerized weighted vote since the variation based solely upon population would again not pass a constitutional one man one vote test. A good number of the Board of Supervisors felt that it would not hurt if additional members were added to the Board of Supervisors to aid in the work load of the county legislature.

The plan would maintain the present town boundaries thus guaranteeing that the representative from each town would be the choice of those voters within the Town. The Plan would also maintain the benefits to be derived from a Town Supervisor sitting on the county governing board. The use of a computerized weighted vote would make the proper adjustment to meet the constitutional one man one vote test.

In comparing the 14-member computerized weighted voting plan with the four additional supervisors coming from the four larger towns, it was pointed out that in comparison with the present ten-man weighted voting system it would take at least seven of the fourteen-member board to control on a majority issue. This is in contrast to the present system where it is possible that three members (those representing the three largest towns) control on such an issue. It was also pointed out

that the variance in the weighted vote from a smaller town like the Town of Barre in comparison with a supervisor from Ridgeway, would be cut from approximately 3½:1 to 1½:1.

This fourteen-member plan was discussed at length with all those persons present at the various reapportionment committee hearings and it would seem to be a plan that the parties who have been active in this litigation would accept and it further appearing that the plan would be a constitutional reapportionment of Orleans County it is therefore the recommendation of this Committee that the plan as proposed and submitted herewith be accepted by the Orleans County Board of Supervisors as the reapportionment plan to be presented to the Supreme Court of the State of New York, Hon. Theodore S. Kasler in accordance with his court order dated December 2, 1977 and entered in the Orleans County Clerk's Office December 15, 1977.

RESPECTFULLY SUBMITTED,  
REAPPORTIONMENT COMMITTEE

by Francis Nayman  
Michael Paduchak  
George Bane  
Manley Whipple

Supervisor Nayman also presented the following reapportionment plan:

**A LOCAL LAW ESTABLISHING A PLAN FOR THE REAPPORTIONMENT OF THE ORLEANS COUNTY BOARD OF SUPERVISORS**

BE IT ENACTED, by the Board of Supervisors of the County of Orleans as follows:

**SECTION 1. ADOPTION OF PLAN**

1.1 The Board of Supervisors of the County of Orleans, pursuant to an Order of the Supreme Court of the State of New York dated October 4, 1971, does hereby adopt the plan set forth herein for the reapportionment of the Orleans County Board of Supervisors.

**SECTION 2. COMPOSITION OF BOARD**

2.1 The membership of the Orleans County Board of Supervisors shall be increased from ten (10) to fourteen (14) members.

### SECTION 3. TOWN SUPERVISORS

3.1 Each member of the Board of Supervisors elected as the Supervisor of his Town pursuant to the Town Law of the State of New York, shall be referred to herein as "Town Supervisors." Each such supervisor shall serve as a member of the Orleans County Board of Supervisors.

### SECTION 4. COUNTY SUPERVISORS

4.1 In addition to the Town Supervisors, there shall be elected at large one Supervisor to be known as "County Supervisor of each of the Towns of Albion, Murray, Shelby and Ridgeway.

4.2 Such County Supervisors shall hold no town office, shall be county officers and shall be compensated by the County of Orleans at the rate established by the County of Orleans for the compensation of Town Supervisors from County Funds, together with expenses as now or hereafter provided by law for Town Supervisors.

4.3 Each County Supervisor shall have the same qualifications to hold office as are set forth for Town Officers by Section 23 of the Town Law of the State of New York and other applicable statutes.

4.4 Each such County Supervisor shall hold office for a term of two (2) years commencing on the 1st day of January in each even numbered year and terminating December 31, in the following odd numbered year. Such County Supervisors shall be elected by the voters of the Town which they represent and shall be voted upon in the general election held in November of each odd numbered years.

4.5 Each County Supervisor as herein defined shall be a member of the Board of Supervisors of the County of Orleans and as a member of such Board he shall have powers and duties coordinate with the powers and duties of Town and County Supervisors of the other Towns in the County of Orleans.

4.6 Vacancies in the Office of Town Supervisor shall continue to be filled in accordance with the provisions of the Town Law.

4.7 Vacancies existing in the Office of the County Supervisor shall be filled in the same manner as is provided for filling vacancies in the Office of the Coroner under provisions of the County Law of the State of New York.

### SECTION 5. VOTING ON BOARD OF SUPERVISORS

5.1 Voting on all matters coming before the Orleans County Board of Supervisors shall be by weighted vote as analyzed by computer and adjusted so that the voting power of each supervisor shall be more or less equal to the percentage of the population which each supervisor represents.

5.2 No Supervisor may split his assigned weighted vote, but when voting, must cast the entire weighted vote assigned him as a block.

5.3 The apportionment of the vote strength of the members of the Board of Supervisors of the County of Orleans shall be determined by the 1970 federal census in the County of Orleans until the next decennial federal census, in which event the voting strength shall be changed, if necessary, to conform to such decennial federal census. On and after the effective date of this local law and continuing until the next decennial federal census, unless an official county census shall be made sooner, the apportionment of the voting strength of the members of the Board of Supervisors of the County of Orleans shall be determined by the number of residents in each town.

In preparing each reapportionment in accordance with any future federal census, or official county census, the Board of Supervisors shall employ an independent computerized mathematical analysis and such other method or methods as shall most nearly equalize the percentage of voting power of each Town and County Supervisor to its percentage of the total county population in accordance with this local law. Once the computerized weighted voting power of each Town and County Supervisor is obtained in accordance with such new census, Section 7 of this local law shall be amended to reflect any such changes in the assigned weighted voting power of the respective Town and County Supervisor. Such amendment shall be by local law and subject to permissive referendum.

#### SECTION 6. VOTES OF TOWNS

6.1 In each town having a Town Supervisor, but no County Supervisor, the voting power of such town shall be determined equally to the assigned weighted voting power of its Town Supervisor.

6.2 In each Town having both a County Supervisor and a Town Supervisor, each Supervisor shall represent all of the residents of the Town at large and neither shall be considered as representing a certain geographical district within the Town. In Towns having both a Town and County Supervisor, the computerized weighted voting power of the Town and County Supervisor will be determined by assuming that both the Town and County Supervisor each represents one-half the residents of their Town.

6.3 On any vote taken on the Board of Supervisors, the Town Supervisor and the County Supervisor shall separately cast their respective votes independently.

#### SECTION 7. ASSIGNMENT OF WEIGHTED VOTES

7.1 Assignment of weighted votes, pursuant to computer analysis on votes of the Orleans County Board of Supervisors requiring a simple majority for passage shall, after the effective date of this Law, and until the next special or general county-wide United States Census or Orleans County, be as follows:

7.4 A total of 751 affirmative votes shall be required for the adoption of any resolution, local law, motion or proposal requiring a majority vote; a total of 666 affirmative votes shall be required for the adoption for any resolution, local law, motion or proposal requiring a two-thirds vote; a total of 602 affirmative votes shall be required for the adoption of any resolution, local law, motion or proposal requiring a three fifths vote.

#### SECTION 8. FIRST ELECTION OF COUNTY SUPERVISORS

8.1 In the Towns in which the four additional at large County Supervisors are to be elected, such County Supervisors shall be elected in the general election held in November of 1978 for a term of one year commencing on January 1, 1979 and ending on December 31, 1979.

#### SECTION 9. EFFECT OF OTHER LAWS OR ACTS

9.1 Any law, ordinance, resolution or other act inconsistent with the provisions hereto shall be superseded by this local law.

#### SECTION 10. SEPARABILITY

10.1 If any clause, sentence, paragraph or section of this Local Law shall be adjudged by any Court of competent jurisdiction to be invalid, such adjudication shall not effect, impair or invalidate the remainder thereof, but shall be confined in its operation to the claims, sentence, paragraph or section thereof directly involved in the proceedings in which such adjudication shall have been rendered.

## SECTION 11. REFERENDUM

11.1 The Reapportionment plan included in this local law shall be subject to a permissive referendum.

## SECTION 12. EFFECTIVE DATE

12.1 This local law shall be effective on the first day of January, 1979, provided however, that if within forty-five (45) days after the adoption of this local law, a petition for a permissive referendum is presented, this local law shall not take effect unless it is approved by the affirmative vote of a majority of the qualified electors of the County of Orleans voting on a proposition for its approval.

Chairman Kubatek asked the members to comment on the feelings of their town boards towards the proposed plan.

Supervisor Nayman - "They felt that they had agreed to a particular plan and passed a resolution indicating such and they see some problems in this plan, they feel they would not be getting the representation as before."

Supervisor Kubatek - "My Board preferred the 10 member plan but they could live with the 14 member. They said they could not see what can be gained by the 14 member plan but if this is unanimous they will go with it."

Supervisor Dudek - "While our Board favored the legislative plan and still do, this does provide some significant advantages over the current plan. It does provide more voice for the larger towns which in effect equalizes the one-man one-vote principle. It takes at least 50% of the Board to carry an issue. Currently it is 30%. Also the discrepancy between the voting strengths of individual supervisors is a lot closer - being 1.43 to 1 instead of 3.6 to 1. For those reasons they favor the plan and a resolution to that effect was made at a special meeting and passed unanimously."

Supervisor Paduchak - "I polled the members of the Kendall Town Board and the majority were in favor of this plan in weighing it between a legislature plan because they feel that we as a small town would have some voice and some continuity between one and the other positions. Therefore I voice their request that this plan be put forth."

Supervisor Piedimonte - "I had a meeting with my board and discussed this at some length - they were pretty much in agreement with staying the way we are and letting it go to a referendum. I explained that we had given some and they had given some - they said fine but if this is knocked down we recommend that it stays the way it is and go to a referendum."

Supervisor Kubatek said that his board also felt that way.

Supervisor Swiercznski - "My Board favors any plan which keeps the integrity of the small towns and keeps a representative on the county board - a direct continuity - which ever plan is approved either the 10 member of this plan they will favor it."

Supervisor Bane - "My Board prefers the 10 member plan but will support this plan".

Supervisor Paduchak - "In the course of the deliberations everything was conducted in a gentlemanly fashion. This plan came out of a compromise."

Chairman Kubatek asked Mr. Roger LaMont to comment - Mr. LaMont, "Our side was most pleased with the way we were allowed to discuss the matter. The meetings were most productive and a lot was done in the amount of time - we were most pleased with the process. Our comments are like yours - it isn't what we wanted but each side gave a little - in any compromise neither side is happy. On that definition I feel we have done our job on this thing and I feel our members will be satisfied if this plan is adopted."

Dick Eddy - "The Board gave very generously of their time - we are taking a forward step today after two hundred years in having a representative form of government that is close to the one-man one-vote concept. I am very pleased with it and the people I have talked with agree that this is a very good compromise."

William Lyman - "I would like to reiterate what has already been said, we have been most appreciative of the attention and response we have had and would very much appreciate it if you could see your way clear to adopt this proposition."

County Attorney Young, "Any presentation as a local law at this time would be premature. The County has to take the legal action and present a plan to the court by April 17th. The resolution from this Board would be to present this proposal to the court. Once the court has determined its constitutionality then it could be presented as a local law."

Recessed at 4:25 p.m. Reconvened at 4:30 p.m.

The County Attorney discussed various questions which are to be determined by the courts in relation to the filling of vacancies and whether or not the plan can be adopted subject to a permissive referendum or a mandatory referendum. Mr. Young also informed the Board that Judge Kasler has granted a delay in the court appearance and the court will hear the plan at 1:15 p.m. on April 27, 1978.

Supervisor Whipple asked what the additional cost of adding four supervisors would be. It was pointed out that it would cost more money but that the courts are decreeing that the Board must reapportion and the court is not concerned with what it will cost.

Mr. Young invited Mr. LaMont, Mr. Eddy and Mr. Lyman to attend the court appearance on the 27th of April.

#### RESOLUTION NO. 128

By Supervisor Nayman, who moved the adoption.

Seconded by Supervisor Paduchak.

WHEREAS, the Orleans County Board of Supervisors is presently under court order to present to the Supreme Court of the State of New York, Hon. Theodore S. Kasler, a proposal for the adoption of a plan for constitutional reapportionment of the legislative body of Orleans County, and

WHEREAS, this Board of Supervisors did on the fifth day of January, 1978, appoint a special reapportionment committee with the primary purpose being to determine such a constitutional reapportionment plan, and

WHEREAS, said committee did on this day file their report to the Board of Supervisors, and

WHEREAS, said report proposes a plan for the reapportionment of Orleans County which would provide for a fourteen (14) member Board of Supervisors consisting of the ten (10) town supervisors of the various towns in the County of Orleans and an additional county supervisor to be elected within each of the Towns of Murray, Albion, Shelby and Ridgeway and said plan further proposes that once elected, the various town and county supervisors be allocated a computerized weighted vote which would be adjusted following any federal decennial census or special county census, and

WHEREAS, the proposed plan having been duly considered by all members of this Board of Supervisors and discussed with other interested citizens and it appearing that the proposed plan would be acceptable to a majority of citizens and taxpayers within the County of Orleans,

NOW, be it resolved as follows:

The proposed plan for reapportionment as is set forth in the report of the Reapportionment Committee be submitted to the Supreme Court of the State of New York, Hon. Theodore S. Kasler, as the plan for the constitutional reapportionment of the Orleans County Legislature in accordance with the order of the Hon. Theodore S. Kasler dated December 2, 1977 and granted December 14, 1977 and entered in the Orleans County Clerk's Office on December 15, 1977.

Adopted. 372 ayes; 0 nays; 0 absent.

The Clerk read a request from the Department of Social Services to transfer two CETA positions to the County payroll. Supervisor Swiercznski protested that the towns had to abide by the two year cut off and the County should also. Supervisor Dudek pointed out that by putting the two positions in question under the county, the CETA money could be made available to be used for other positions and the two positions put under the county payroll would only cost 25% of county money for one position and nothing for the other.

#### RESOLUTION NO. 129

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Dudek.

#### RESOLUTION AUTHORIZING TWO CETA POSITIONS AT THE DEPARTMENT OF SOCIAL SERVICES TO BE TRANSFERRED TO THE COUNTY PAYROLL

RESOLVED, pursuant to the request of the Staff Personnel Officer of the Department of Social Services, by letter dated March 15, 1978, the following two positions in the Department of Social Services are to be transferred to the County payroll from the CETA program, effective April 1, 1978:

- 1 Social Welfare Examiner position assigned to the Food Stamp Unit
- 1 Community Services Worker position assigned to the Child Health Assurance Program

Adopted. 327 ayes; 2 nays, Supervisor Bennett (21) and Supervisor Swiercznski (24); 0 absent.

RESOLUTION NO. 130

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION AUTHORIZING PEAT, MARWICK, MITCHELL & CO. TO DO AUDIT OF  
MEDICAID COST AT COUNTY HOME AND INFIRMARY

RESOLVED, pursuant to the request of Stephen T. Heard, Administrator of the Orleans County Home and Infirmary, by letter dated March 21, 1978, this Board does hereby authorize the firm of Peat, Marwick, Mitchell & Co., to audit the Medicaid Cost Report for the County Home and Infirmary as outlined in their proposal dated January 16, 1978, at a cost of \$6,800, and be it

FURTHER RESOLVED, that the Chairman of this Board be, and hereby is authorized to execute said proposal in the name of the County of Orleans.

Adopted. 372 ayes; 0 nays; 0 absent.

The Board stood for a minute of silence in tribute to former Supervisor George Batchellor who passed away on March 25, 1978.

Adjourned at 4:55 p.m.

REGULAR MEETING  
Thursday, April 6, 1978

The meeting was called to order at 10:00 a.m. by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were found present.

It was moved by Supervisor Piedimonte and seconded by Supervisor Bane that the reading of the minutes of the previous meeting be dispensed with and the same be approved as prepared by the Clerk.

Carried.

Privilege of the floor was granted to James Dusett and Peter Germeo representing the Orleans County Snowmobile Association. Mr. Dusett discussed the trail improvement bills now before the New York State Legislature. If the bills are passed funds could be received back into the County to pay for signs, trail improvements, etc. Mr. Dusett urged the Board to support Legislature bills S102-A and A. 69-A and to notify Orleans County's representatives in the Legislature of this support.

RESOLUTION NO. 131

By Supervisor Piedimonte, who moved the adoption.

Seconded by Supervisor Bane.

RESOLUTION SUPPORTING LEGISLATION AMENDING PARKS AND RECREATION LAW

RESOLVED, that this Board does hereby go on record as supporting legislation to amend the Parks and Recreation Law in relation to the state-wide trails system and making appropriations therefore, and be it

FURTHER RESOLVED, that this Board does urge its representatives in the New York State Legislature to support the legislation contained in S-102-A and A-69-A, and be it

FURTHER RESOLVED, that copies of this resolution be forwarded to the Hon. Hugh Carey, Hon. Stanley Steingut, Hon. Warren Anderson, Hon. Perry Duryea, Senator Lloyd Paterson and Assemblyman Stephen Hawley.

Adopted. 372 ayes; 0 nays; 0 absent.

Mr. Dusett thanked the Board for the privilege of being able to register snowmobiles in the Albion Motor Vehicle Office.

The Clerk presented the following communications:

Letter from Department of Labor re: OJT funding for Orleans County and the allocation of same.

Letter from the Office for the Aging requesting that they be allowed to help sponsor a seminar for the aged at Genesee Community College.

RESOLUTION NO. 132

By Supervisor Bane, who moved the adoption.

Seconded by Supervisor Whipple.

RESOLUTION AUTHORIZING PARTICIPATION BY ORLEANS COUNTY OFFICE FOR THE AGING IN THE TRI-COUNTY CONFERENCE ON THE AGING

RESOLVED, pursuant to the request of the Director of the Office for the Aging, by letter dated March 30, 1978, the Orleans County Office for the Aging is hereby authorized to participate in sponsoring a conference on the aging with the County's of Genesee and Wyoming, and be it

FURTHER RESOLVED, that the Orleans County Office on the Aging is authorized to expend the sum of \$350.00 as its share of sponsoring said conference, approximately \$44.00 of this cost to be from the County's 1978 budget and the remainder to be reimbursed by State aid.

Adopted. 372 ayes; 0 nays; 0 absent.

Acknowledgment of Resolution No. 106 from Gov. Carey by letter dated 3/16/78; Assemblyman Steingut by letter dated 3/14/78; Assemblyman Hawley by letter dated 3/16/78; Senator Paterson by letter dated 3/20/78; Assemblyman Duryea by letter dated 3/21/78; Senator Anderson by letter dated 3/20/78; Letter from Assemblyman Hawley dated 3/78 acknowledging resolution regarding jail staffing mandates, along with a copy of the letter he sent to the Governor; Letter from Congressman LaFalce regarding extension of Route 490, dated 3/13/78; Letter from Shelby Fire Dept. urging increase in salary for David Green.

Regarding sales tax on home heating fuels, Supervisor Paduchak suggested that the County should give 1% back to the home owner.

It was moved by Supervisor Bane and seconded by Supervisor Whipple that the maternity leave of absence, without pay, be extended for another sixty day period for Kathleen Holliday, effective March 16, 1978.

Carried.

It was moved by Supervisor Bane and seconded by Supervisor Piedimonte that maternity leaves of absence, without pay, be granted for a sixty day period to Tina McAdoo and Ann Tower, employed in the Department of Social Services; Mrs. McAdoo's leave to be effective April 8, 1978 and Mrs. Tower's leave to be effective April 14, 1978.

Carried.

A request for a leave of absence for Patricia Doolan for a maternity leave for the period April 28, 1978 to October 28, 1978, was tabled for further information regarding leaves for CETA employees.

Privilege of the floor was granted to Mr. Darryl Van Alstyne. Mr. Van Alstyne brought the new Board members up-to-date on what has transpired in the past concerning the computer being used by the Board of Elections. He also informed the Board that the computer at Brockport State which is owned by the University of Rochester, which the Board of Elections have been using, will not be available after July 1st. The U of R wishes to sell or lease the computer. To lease the cost would be \$5,000.00 a year plus an additional \$5,000 or more for a maintenance agreement. The U of R would

like to sell the computer - they would accept \$20,000. The U of R bought the computer 4 or 5 years ago at a cost of \$90,000. The computer has been in use at the college 24 hours a day with 32 terminals connected to it. Mr. Van Alstyne suggested that there were several things for the Board to consider, 1) First the need for a computer for County use - this has been proven with the Board of Elections; 2) To lease or purchase a computer - Mr. Van Alstyne recommended that the County either lease or purchase the computer from the U of R since the Board of Elections have their data on that computer; 3) Whether to employ a Program Analyst to keep up the Board of Election program, write new programs, set up a back up system and determine priorities for use of time on the computer. Mr. Van Alstyne suggested such a person could be hired for a salary between \$15,000-19,000.

The cost of moving the computer from Brockport to the County would be approximately \$2,000.00, including the set-up, etc. A room about half the size of the Supervisors Room would be needed - it would have to be air conditioned. Mr. Van Alstyne suggested that some changes be made in the computer which would result in only 16 terminals available to the computer. When asked if the information from the Board of Elections could be transferred to another computer - Mr. Van Alstyne replied that if it were a similar computer it might be possible otherwise all the transfer of information would have to be done over again.

Supervisor Dudek suggested that the Board invite a representative of the Packard-Hewitt Company, which makes the computer, to appear before the Board. It was also suggested that a representative of the U of R be asked to attend. Mr. Van Alstyne will try to set up a meeting for the 14th of April.

It was moved by Supervisor Piedimonte and seconded by Supervisor Swiercznski that the Board go into executive session to discuss negotiations with employees of the Sheriff's Department.

Unanimously adopted.

Adjourned at 11:05 a.m. for executive session. Reconvened at 12:05 p.m. Adjourned for lunch.

#### AFTERNOON SESSION

Reconvened at 1:30 p.m., all Supervisors present.

It was moved by Supervisor Paduchak and seconded by Supervisor Bane that two Probation Officers be authorized to attend the Institute on Criminal Justice to be held in Syracuse on April 12, 1978, at county expense.

Carried.

It was moved by Supervisor Paduchak and seconded by Supervisor Bane that Karen H. Yager and E. Dean Holland, Probation Department, be authorized to attend a training session April 3-6, 1978, at county expense.

Carried.

#### RESOLUTION NO. 133

By Supervisor Paduchak, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION ALLOTING SEAT ON THE COMMUNITY ACTION BOARD OF DIRECTORS TO A MEMBER OF OFFICE FOR THE AGING ADVISORY COUNCIL

RESOLVED, pursuant to the request of Carri Blake, Director of the Office for the Aging, by letter dated March 27, 1978, the vacant seat formerly held by David Mathes on the Orleans Community Action Committee, Inc. Board of Directors is hereby allotted to a member of the Office for the Aging Advisory Council.

Adopted. 372 ayes; 0 nays; 0 absent.

The Board received a copy of a resolution adopted by Ontario County accepting the repayment plan for the deficit to the Regional Planning Board.

#### RESOLUTION NO. 135

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Nayman.

#### RESOLUTION RE: REPAYMENT OF DEFICIT TO GENESEE/FINGER LAKES REGIONAL PLANNING BOARD

WHEREAS, the County of Orleans, a member County of the Genesee/Finger Lakes Regional Planning Board, has been notified that the Board has incurred a deficit of some \$1,336,416 between 1968 and March 1976 at which time the Board ceased operations and,

WHEREAS, the reorganized Genesee/Finger Lakes Regional Planning Council, of which Orleans County is a member, has developed and officially recommended a plan for the repayment of said deficit by the 8 member counties, and

WHEREAS, this Board of Supervisors has reviewed the proposed repayment plan as approved by said Council now, therefore, be it

RESOLVED, that this Board of Supervisors does hereby approve the repayment plan, as attached hereto, with the County of Orleans being responsible for the repayment of up to \$11,165.00 or .8354% of the total deficit as reflected in the plan and be it

FURTHER RESOLVED, that if it is determined that said deficit is less than \$1,336,416, the County of Orleans share of said deficit will be no more than .8354% of the total deficit and be it further

RESOLVED, that said repayment by the County of Orleans is contingent upon:

- A. Acceptance of the repayment plan, as attached hereto, as presented by the Genesee/Finger Lakes Regional Planning Council by the 7 other counties referred to in the plan and be it further,

RESOLVED, that certified copies of this resolution be sent by the Clerk to the member Counties of the Council, the Council Office, and the County Planner.

Adopted. 260 ayes; 112 nays, Supervisors Whipple (25), Shenck (20), Bennett (21), and Piedimonte (46) voting nay; 0 absent.

## BRIEFING PAPER

### ON

#### REPAYMENT OF DEFICIT

#### INCURRED BY GENESEE/FINGER

#### LAKES REGIONAL PLANNING BOARD

### PURPOSE

The purpose of this briefing paper is to provide a summarized account of the deficit of the Genesee/Finger Lakes Regional Planning Board and a proposed method of resolving the deficit as recommended by the reorganized Genesee/Finger Lakes Regional Planning Council. The paper is primarily intended to assist County Legislators in understanding the deficit issue and the recommended repayment plan which will require approval by each County Legislative Body if it is to be implemented. As a matter of necessity, only a brief review will be made of those developments leading to the deficit itself. These developments have been detailed in audit reports prepared by the Monroe County Office of Controller and the New York State Department of Audit and Control. The paper will, however, address itself in depth to the recommended repayment plan and those actions required to carry-out the plan by the eight (8) member counties of the Genesee/Finger Lakes Region.

### BACKGROUND OF DEFICIT

In audit reports filed by the Monroe County Office of the Controller and the New York State Department of Audit and Control, there has been identified a deficit fund balance of some \$1,326,306.09 incurred by the Genesee/Finger Lakes Regional Planning Board between 1958 and March of 1976 when the Board ceased operations. This \$1,326,306.09 was also identified as being owed the County of Monroe which had accrued the major portion of the liability while acting as the Board's fiscal agent, and the New York State Retirement Fund. The Retirement Fund is owed some \$195,016 of the total deficit fund balance.

The State audit report noted that the basic source of the Board's fiscal problems was the almost complete lack of specific financial requirements and procedural guidelines in governing legislation and the organizational agreement. Without specific requirements, as the audit notes, the actual operational procedures of the Board were governed more by expediency than principles of financial management.

The State audit report specifically identified seven (7) conditions which were largely responsible for the decline of the Board's financial condition. These include the following:

1. Cash transactions of the Board were processed through the general fund of the County of Monroe. This gave the Board access to the cash assets of the county limited only by gross budgetary appropriations without regard to the resources of the Board. These funds, however, were supposedly supported by either receivables or revenues estimated by

while audits by various funding agencies noted that projects were over expended, no recommendations were made to the Board to revise spending or budgeting policies. Even the Department of Audit and Control, as noted in the State report, accepted responsibility since prior reports to the Board by the Department made no critical comment or recommendation concerning the deficit shown in the statements or the conditions which led to it. In short, the State report indicated that the fiscal crisis of the Regional Planning Board was the result of general neglect and willingness to ignore problems that did not demand immediate attention. Finally, in the State Audit report's letter of transmittal, the Department of Audit and Control has concluded that no person or body but rather all the parties involved should be held accountable for the decline of the Board's financial position and should assume responsibility for the fiscal plight of the Board.

#### PAST ATTEMPTS TO RESOLVE DEFICIT

Prior to the reorganization agreement among member counties which established the Genesee/Finger Lakes Regional Planning Council in June of 1977, a number of meetings between officials and agency representatives of the eight counties in the Region were held for the purpose of discussing equitable formulas for contributing to the \$1.3 million deficit. Over fourteen (14) formulas were considered. Each of these alternative formulas were related to one or more of three factors including population, benefits derived, and federal aid dollars. Although considerable efforts were expended to reach an agreement on one repayment plan, a resolution of the issue failed to materialize during the period from when the old Board ceased operations to when the new Regional Planning Council was created.

#### CURRENT REPAYMENT PROPOSAL

The issue of repayment of the Regional Planning Board deficit to Monroe County has been one of the priority concerns of the reorganized Regional Planning Council. The Chairman of the new Regional Council initiated the Council's involvement in the issue by appointing a Deficit Committee at the July 14, 1977 meeting of the Council. The composition of this Deficit Committee included the legislative heads of all eight member counties, the Monroe County Manager, and a representative of the City of Rochester. Additionally, the County Attorney from Seneca County was appointed to the Committee, in a non-voting capacity, to provide legal consultation.

The specific charge of the Deficit Committee was to study the deficit issue and report back a recommendation on the issue to the full Regional Council. This task required several meetings of the Committee and considerable background work by its members. Additionally, the Committee's efforts were augmented by the involvement of the County Attorneys from the member counties who provided legal advice.

At the November 17, 1977 meeting of the Deficit Committee, a proposal for repayment of the deficit received the endorsement of the Committee. In turn, the Committee transmitted a recommendation in support of the proposal to the Regional Planning Council for action at its December 15, 1977 meeting.

The proposed repayment plan is derived from previously suggested formulas including a "direct benefits derived" formula and a formula based on the average of all repayment proposals. The "direct benefits derived" formula is based upon a report of major accomplishments prepared by the Regional Planning Board in February of 1976.

the Regional Planning Board. Further, the purely ministerial act of issuing a check had the effect of providing an advance from one public entity to another without specific authorization or, conceivably, knowledge of either governing board.

2. The budgets by which the Board's operations were controlled were those adopted by the Monroe County legislature. In addition, such budgets could be amended during the year by administrative action with no legislative approval. It should be noted that at no time did the Board's expenditures exceed its authorized budgets, however, such budgets were not matched by the receivables collected.
3. The financial records maintained by Monroe County, in its role of fiscal agent for the Board, were based on accounting principles applicable to normal county operations. Due to the unique and specialized nature of the Board's operation, records using such principles were not adequate to present a complete picture of the Board's financial position. The subsidiary records maintained by the Board's staff did not fulfill the purpose of such records because the additional information was neither communicated to the County of Monroe nor applied effectively by the Board's staff.
4. Expenditures for individual projects consistently exceeded the project budgets and the resources available to finance such projects. Although the Board's subsidiary records indicated this condition, there was apparently no attempt by the Board to control the level of expenditures or seek the necessary additional financing.
5. The erosion of the Board's financial position was not accurately reflected by the financial statements largely as a result of over accrued revenues at year end. In the 1973 and 1974 years, revenues accrued by the Board at December 31, were based on total contract amounts and generally were in excess of amounts earned.
6. No annual financial reports were required to be prepared by or for the Board. While the annual report for the County of Monroe contained statements relating to the Board, it is not clear whether such statements were formally submitted to the Board or other member counties.
7. Prior to the Monroe County Controller's Audit and the New York State Audit, no comprehensive, project-by-project audit was conducted for Board operations. Previous audits of the financial statements relied solely on the records maintained by the County of Monroe. Other audits of specific projects did not consider all functions of the Board in a given period nor relate the effect of the audit findings to the financial statements.

#### RESPONSIBILITIES FOR DEFICIT

The above noted conditions were those which played a major role in the accumulation of the deficit over the life of the Regional Planning Board. The key to a resolution of the deficit issue however centers around the responsibility for allowing these conditions to exist. The State audit report specifically addresses the question and notes that all interested parties must share equally in the responsibility for allowing such conditions to continue. At the local level, member counties did not request an accounting of the joint activity until the matter of the deficit was publicized. Further, at the federal and state level,

The recommendation of the Deficit Committee sums the "direct benefits derived" formula and the "average" of all previous repayment proposals with the difference between the two being split to arrive at allocations by county. These allocations are noted below:

<u>COUNTY</u>	<u>REPAYMENT SHARE</u>	<u>PERCENTAGE OF TOTAL</u>
GENESEE	\$18,641	1.3949
LIVINGSTON	39,404	2.9485
MONROE	1,096,436	82.0430
ORLEANS	11,165	.8354
ONTARIO	66,982	5.0121
SENECA	40,290	3.0148
WAYNE	57,104	4.2729
YATES	6,394	.4784
<b>TOTAL</b>	<b>1,336,416</b>	<b>100.00%</b>

Please note that the total amount involved in the above noted plan is \$1,336,416 which is some \$10,110 higher than the amount identified in the 1976 Financial Statement for the County of Monroe as the deficit fund balance. This is explained by the occurrence of several factors, as outlined in the State audit, which have had and are having upon the fund balance. Such factors include collection of receivables, payment on new claims, sale of furniture, etc. At this point in time, the amount of \$1,336,416 is the best figure available of the deficit fund balance. In any case, the percentages awarded to each county involved will remain constant even if the dollar amounts are revised.

Finally, the proposed plan includes a payback schedule of a maximum of five (5) years. As this is the maximum amount of time for repayment of the deficit, each County will have the options of retiring its share of the repayment plan over the five-year period or sooner if desired.

The Genesee/Finger Lakes Regional Planning Council accepted the Deficit Committee's recommendation at the Council's December 15, 1977 meeting and adopted the proposed repayment plan by a vote of 18 to 1 with 1 abstention. This action was in the form of a resolution adopting and recommending the repayment plan to member counties, a copy of which is attached. The Council also directed that the recommendation be forwarded to the legislative bodies of member counties and that a briefing or instructional paper on the deficit issue be prepared and submitted with the Council's recommendation.

#### ACTIONS REQUIRED TO IMPLEMENT REPAYMENT PLAN

The implementation of the repayment plan adopted by the Regional Planning Council requires first the adoption of the plan by each of the eight (8) member counties of the Genesee/Finger Lakes Regional Planning Council. Following the adoption of the plan by each county, special legislation will be submitted to the New York State Legislature which, once passed into law, will specifically authorize repayment of the deficit by the counties.

It should be noted that the New York State Department of Audit and Control has approved of the plan in concept, including the five year period of payback. Although Audit and Control has indicated that they cannot express an opinion as to the equity of the dollar amount determinations as this right is reserved to the parties concerned, they also have stated that they would not take issue with any basis or amounts as agreed to.

It should also be noted that implementation of the repayment plan will require agreement by all eight (8) member counties. Failure to secure adoption of the plan by all counties involved may negate the legitimacy of the plan in total.

#### SUMMARY

The repayment plan recommended by the Genesee/Finger Lakes Regional Planning Council is the result of a substantial commitment of time and effort by representatives of the eight (8) counties in the Region. Although there may be disagreement with the basis of the repayment plan or questions of equity, the plan does represent a earnest attempt to deal with a problem which must be addressed either through a cooperative venture by member counties or in a court of law. Perhaps more importantly, the continuation of the regional planning organization itself may be dependent upon how the deficit issue is resolved. Should the newly reorganized Regional Planning Council be dissolved, the opportunity costs involved will be substantially higher than the deficit itself. Such costs involve not only potential federal and state aid but more importantly, the opportunity to promote inter-county cooperation in resolving economic, physical, and social problems which can be dealt with most effectively and economically on a regional basis.

#### RESOLUTION DECLARING THE MONTH OF MAY 1978 - SENIOR CITIZEN MONTH

RESOLVED, that this Board of Supervisors does hereby declare the MONTH OF MAY, 1978 AS SENIOR CITIZENS MONTH IN ORLEANS COUNTY.

Adopted. 372 ayes; 0 nays; 0 absent.

The Clerk read a letter from the Department of Social Services dated April 5, 1978, requesting that the last week of April or the first week of May be declared "Foster Care Week". The Board of Supervisors were also asked if they would serve as judges for a poster contest for all foster children with the prize being a trip to Fantasy Island. The Board had some questions concerning the date of Foster Care Week and also who would pay for the trip. Matter tabled.

Recessed at 1:45 p.m., reconvened at 2:05 p.m.

Privilege of the floor was granted to Yorke Knapp, Office Manager for the ASCS. Mr. Knapp informed the Board of a new law which subsidizes a voluntary grain diversion program. Mr. Knapp told the Board that over \$600,000 could come into the County through this program as a subsidy to the area farmers primarily for not growing corn. The sign-up time is short for this program and Mr. Knapp asked the Board to publicize the program as much as possible.

Privilege of the floor was granted to Jeff Astles. Mr. Astles told the Board that he had received a letter from the office of the Secretary of State indicating that in order to receive the 701 funding, the Land Use Study Summary would need to be approved by the Board. After discussing various aspects of the Land Use Study, the Board agreed that a meeting should be arranged between the Board and the County Planning Board to modify portions of the plan. In order not to jeopardize 701 funding, the Board passed the following resolution authorizing a letter to be sent to the Secretary of State.

RESOLUTION NO. 137

By Supervisor Swiercznski, who moved the adoption.

Seconded by Supervisor Dudek.

RESOLUTION AUTHORIZING CHAIRMAN TO SEND LETTER TO SECRETARY OF STATE REGARDING THE COUNTY'S LAND USE AND HOUSING SUMMARY STATEMENT IN CONNECTION WITH 701 FUNDING

WHEREAS, the County Planner, Geoffrey C. Astles, received a letter from the Department of State, dated March 24, 1978, explaining HUD's Rules and Regulations concerning 701 Comprehensive Planning Assistance funding, and

WHEREAS, the Board of Supervisors was presented with the County's Land Use and Housing Summary Statement and supportive documents for their approval, and

WHEREAS, HUD's Rules and Regulations concerning 701 funding require approval of a land use plan and this Board in reviewing the plan determined that there were some modifications that had to be made prior to their endorsement of the plan, now therefore be it

RESOLVED, that this Board of Supervisors meet with the County Planning Board to arrive at a plan that would be acceptable to the Planning Board as well as the Board of Supervisors, and be it

FURTHER RESOLVED, that the Chairman of this Board be authorized to notify the Secretary of State that the County is working toward the implication of an approved plan that their current status under the 701 Program would be unaffected.

Adopted. 372 ayes; 0 nays; 0 absent.

The Board received a letter from Livingston County informing them that Orleans County will receive \$1,639.07 as its share of the final accounting for the T.B. Clinic which has been disbanded.

The following notice of the abandonment of portions of the Penn Central line was received:

N O T I C E

The Trustees of Penn Central Transportation Company hereby give notice, pursuant to Section 304(b) of the Regional Rail Reorganization Act of 1973, as amended, of their intention, effective May 3, 1978 to abandon the

Local Law No. 2 of the year 19 78

A local law providing for the County of Orleans to claim against  
(Insert title)  
Fire Insurance Proceeds for Unpaid Taxes

Be it enacted by the Board of Supervisors of the  
(Name of Legislative Body)

County  
~~City~~ of Orleans as follows:  
~~Town~~  
~~Village~~

SECTION 1: DEFINITIONS: As used in this Local Law, the following terms shall have the following meanings:

- (a) "Collecting Officer" means the Orleans County Treasurer.
- (b) "Tax District" means the County of Orleans.

(c) "Real Property" means property upon which there is erected any residence, commercial or industrial building or structure, except a one or two family residential structure.

(d) "Lien" means any lien including liens for taxes, special ad valorem levies, special assessment and municipal charges, arising by operation of law against property in favor of the County of Orleans and remaining undischarged for a period of one year or more.

(e) "Governing Body" means the Orleans County Board of Supervisors.

SECTION 2: The County of Orleans is hereby authorized and empowered to claim against the proceeds of a policy of fire insurance insuring the interest of an owner and issued on real property located within the County of Orleans to the extent of any lien thereon which claim when made and perfected in the manner provided in this law shall further constitute a lien against such proceeds and shall, as to such proceeds, be prior to all other liens and claims except the claim of a mortgage of record named in such policy.

SECTION 3. Upon the adoption of a resolution by the governing body of Orleans County, the County Treasurer shall cause a notice of intention to claim against proceeds to be served upon the State Superintendent of Insurance for entry in the index of liens maintained by him as provided in Section 33-a of the Insurance Law of the State of New York. Thereafter the County Treasurer shall render to any insurer the certificate required by Section 33-a of the Insurance Law in the manner prescribed by such section and the amount stated in such certificate shall be a lien on the proceeds of the insurance policy until paid.

SECTION 4. The Board of Supervisors of the County of Orleans by resolution may authorize for the release or return to the owner insured of any amounts to which the County would otherwise be entitled to claim, provided that the owner insured agrees with the County in writing to restore the affected premises to the same or improved condition that the premises were in prior to the time that the lien of the County arose. The County in such a resolution may provide for such conditions as it deems necessary to guarantee the performance of the owner insureds obligation to restore.

SECTION 5. This Local Law shall become effective on its passage by the County of Orleans and its filing in the Office of the Secretary of State of the State of New York. An additional copy of this local law shall be filed with the State of New York Insurance Department.

SPECIAL MEETING  
Friday, April 14, 1978

A special meeting of the Board of Supervisors was called to order at 9:15 a.m. by the Chairman. After the Pledge to the Flag, the Clerk called the roll and all Supervisors were found present except Supervisor Paduchak.

The purpose of the Special Meeting was to discuss the computer owned by the U of R and presently used by the Board of Elections. Daryl VanAlstyne was granted the privilege of the floor. Mr. VanAlstyne introduced Mr. Bruce Vanetta the Associate Director at the U of R Computing Center and a Mr. Steve Robinson a representative of the Hewitt-Packard Corp. who were present to answer any questions which the Board might offer.

Mr. Robinson presented information on the new computer which the company is offering for a price of \$64,000 not including software.

The Board discussed the computer owned by the U of R which the Board of Elections has been using and which the U of R wishes to sell or lease. The computer could be purchased for approximately \$20-28,000, plus the installation costs, maintenance contract, etc. To lease the computer would be about \$5,000 per year. These costs do not include programs. After a complete discussion of various aspects of purchasing or leasing the computer from the U or R versus purchase or lease of other types of computers, Mr. Van Alstyne was directed to prepare figures for the next Board meeting. He is to list the purchase cost of the U of R computer, the original cost, moving it, maintaining it, etc. Also he is to present costs for a new machine leased or purchased. Whatever specifications required for the power supply, bringing the wiring to the room, and also the air conditioning unit that would be required for the area. He was also asked to get some figures from other time-sharing outfits in the area, so that the Board will have comparative costs on other equipment.

Adjourned at 10:45 a.m.
