NOTICE

The Orleans County Planning Board (CPB) has **canceled** its regular **August meeting** due to passing a resolution during the July meeting to cancel the August 2023 meeting. Please note that submission of a substantial project to the Orleans County Planning Board would overrule that resolution.

With that said, **NO** substantial applications were submitted to the Office of Orleans County Planning and Development. If cancellation of the September CPB meeting is not required, we shall resume our normal schedule as follows:

Deadline for Receipt of Referrals for September Meeting: ***September 21, 2023***

September Meeting Date: ***September 28, 2023***
