CEDAR LAKE IMPROVEMENT BOARD ALCONA COUNTY AND IOSCO COUNTY, MICHIGAN

RESOLUTION NO. 2020-1

CEDAR LAKE MANAGEMENT & WEED CONTROL SPECIAL ASSESSMENT DISTRICT

DECLARATION OF INTENT TO MAKE PUBLIC IMPROVEMENTS; TENTATIVE DESIGNATION OF THE SPECIAL ASSESSMENT DISTRICT; NOTICE OF PUBLIC HEARING

Minutes of a regular public meeting of the Cedar Lake Improvement Board ("Board") having jurisdiction in Alcona County and Iosco County, Michigan, held via electronic video conferencing on July 23, 2020, at 10:00 a.m., local time.

PRESENT: Board Members: Carolyn Brummund, Jim Baier, Dave Dailey, Rob Huebel, Fred

Strauer, Al Scully, Rex Vaughn

ABSENT: Board Members: None

The following resolution was offered for adoption by Board Member Dailey and supported by Board Member Brummund:

WHEREAS, MCL 324.30901 et seq, as amended (the "Act"), provides for the making of certain improvements by Michigan statutory lake improvement boards and provides the means to finance the improvements; and

WHEREAS, in the case of public improvements involving the improvement to or maintenance of a lake or other body of water, the Act provides that the Board may proceed, on its own initiative, to carry out the public improvements; and

WHEREAS, the Board intends to proceed to undertake certain public improvements (i.e. the control and eradication of certain aquatic weeds and also lake management activities and certain other improvements) as described in Exhibit A attached hereto (the "Public Improvements") with regard to Cedar Lake located within Alcona County and Iosco County; and

WHEREAS, the nature of the Public Improvements is such that a periodic redetermination of costs may be necessary without a change in the special assessment district boundaries and, if at any time during the term of the special assessment district an actual incremental costs equals or exceeds the estimate or the prior year's costs by 10% or more, notice

shall be given and a hearing afforded to the property owners and interested parties of record in the special assessment district; and

WHEREAS, there exists a need for the Public Improvements for Cedar Lake; and

WHEREAS, the Act provides the means to finance the Public Improvements in this matter.

NOW, THEREFORE, BE IT HEREBY RESOLVED:

- 1. That the Board intends to proceed on its own initiative to make the Public Improvements as described in Exhibit A.
- 2. That the Board has authorized the preparation of plans showing the Public Improvements, their location, and an estimate of the costs thereof.
- 3. That the plans and the estimate of costs have been filed with the Greenbush Township Clerk and also the Oscoda Township Clerk, as well as the Chairman of the Cedar Lake Improvement Board.
- 4. That the Board anticipates assessing the costs of the Public Improvements on a yearly basis beginning in 2020 based upon the estimates on file with the Board, Greenbush Township and Oscoda Township and the resolutions adopted by the Board pursuant to this process. Each year thereafter on or before September 30, the Board shall, to the extent possible, ascertain the project costs for the coming year. The Board shall establish the amount to be assessed based on unexpended funds, cash on hand, and the estimated project costs for that year and assesses that amount. The costs for administration and legal expenses for setting up this special assessment district shall be assessed in 2020.
- 5. That the Board hereby tentatively designates a special assessment district known as the Cedar Lake Management & Weed Control Special Assessment District, consisting of certain parcels of property described as set forth in the Notice of Public Hearing attached hereto as Exhibit B, which descriptions are incorporated herein by reference for the special assessment district, and against which parcels all or a portion of the costs of said Public Improvements shall be assessed.
- 6. That the Board shall hold a public hearing on August 21, 2020, at 10 a.m. to hear and consider any objections to the proposed Public Improvements, the proposed Special Assessment District, the proposed special assessment, and all other matters relating to the Public Improvements. In accordance with Executive Order 2020-154 signed by the Governor, this meeting will be held via Zoom electronic video conferencing. Public access information is provided as noted below.

FIRST PUBLIC HEARING

TAKE NOTICE that the Cedar Lake Improvement Board will hold a public hearing on August 21, 2020, at 10 a.m. to hear and consider any objections to the proposed Public Improvements, the proposed Special Assessment District, the proposed special assessment, and all other matters relating to the Public Improvements. In accordance with Executive Order 2020-154 signed by the Governor, this meeting will be held via Zoom electronic video conferencing. Public access information is provided as noted below.

ZOOM ONLINE MEETING PUBLIC ACCESS INFORMATION:

To join the Zoom meeting participants should do one of the following at the time of the meeting:

- -Windows, Android, and Apple Devices https://us02web.zoom.us/j/88555565952
- Phone Call (No Video) Call 312 626 6799 and enter Meeting ID: 885 5556 5952
- Alternative for Windows Desktops and Laptops Go to the Zoom Web Site (zoom.us), Click on "Join a Call" and enter using Meeting ID: 885 5556 5952
- Alternative for Android and Apple iPhones and Tablets Download the Zoom app from the store prior to the meeting and then use Meeting ID: 885 5556 5952

TAKE FURTHER NOTICE that a description of the Public Improvements and estimates of cost for the Public Improvements are on file with the Board (as well as with Greenbush Township and Oscoda Township) for public examination.

PROPERTY SHALL NOT BE ADDED TO THE PROPOSED SPECIAL ASSESSMENT DISTRICT AND THE ORIGINAL ESTIMATE OF COSTS SHALL NOT BE INCREASED BY 10% OR MORE PER YEAR WITHOUT FURTHER NOTICE AND PUBLIC HEARING.

Periodic redeterminations of the costs of the Public Improvements may be necessary, without a change in the Special Assessment District, and in that event, such redeterminations may be made by the Board without further notice to record owners or parties in interest in the lands in the Special Assessment District, in accordance with the provisions of the Act (unless the amounts assessed increase by 10% or more from the prior year, in which case notice and public hearing will occur).

TAKE FURTHER NOTICE that a property owner or person in interest must either appear and object at the public hearing or submit a letter of appearance and objection to the Cedar Lake Improvement Board prior to the public hearing in order to preserve the person's right to appeal the special assessment to the Michigan Tax Tribunal. A record owner of land may appeal a special assessment by filing a written appeal with the Michigan Tax Tribunal within 30 days after written confirmation of the special assessment roll.

Should the Cedar Lake Improvement Board determine at the above-mentioned hearing to approve the proposed special assessment district, then thereafter, a second hearing will be held to confirm the tax roll for the special assessment district.

This notice was authorized by the Cedar Lake Improvement Board.

RESOLUTION NO. 2020-2

CEDAR LAKE MANAGEMENT & WEED CONTROL SPECIAL ASSESSMENT DISTRICT

DETERMINATION TO PROCEED WITH AND MAKE THE PUBLIC IMPROVEMENTS; APPROVAL OF THE PLANS AND ESTIMATE OF COSTS; TO DEFRAY THE COSTS BY SPECIAL ASSESSMENT; FINAL DETERMINATIONS OF THE SPECIAL ASSESSMENT DISTRICT; DIRECTIVE TO THE TOWNSHIP SUPERVISORS TO PREPARE THE SPECIAL ASSESSMENT ROLL.

Minutes of a public hearing of the Cedar Lake Improvement Board ("Board") having jurisdiction in Alcona County and Iosco County, Michigan, held via electronic video conferencing on August 21, 2020, at 10:00 a.m., local time.

PRESENT:

Board Members: Carolyn Brummund, Jim Baier, Dave Dailey, Rob Huebel, Fred

Strauer, Al Scully, Rex Vaughn

ABSENT:

Board Members: None

The following resolution was offered for adoption by Board Member Brummund and supported by Board Member Dailey:

WHEREAS, the Cedar Lake Improvement Board, pursuant to MCL 324.30901 et seq, as amended ("the Act"), has tentatively declared its intention to undertake certain public improvements described as the control and partial eradication of aquatic plants and weeds within Cedar Lake located within Greenbush Township and Oscoda Township by means of chemical and/or biological means and/or weed harvesting and also lake management activities and lake studies and reports (collectively, the "Public Improvements"); and

WHEREAS, after notice duly given pursuant to the Act, the Board held a public hearing on August 21, 2020 via electronic video conferencing to hear and consider comments and objections to the proposed Public Improvements, the estimate of costs, the creation of a special assessment district, the special assessment district tentatively designated and all other matters related to the creation and activities of the proposed special assessment district; and

WHEREAS, at said public hearing, the Board heard and considered all comments and objections to the proposed Public Improvements, the tentatively designated special assessment district and proposed special assessments, and all other matters related to the proposed Public Improvements; and

WHEREAS, the Board deems it advisable and necessary to proceed pursuant to the Act, to make the Public Improvement for Cedar Lake.

NOW, THEREFORE, BE IT RESOLVED THAT:

- 1. The Cedar Lake Improvement Board hereby determines that it is necessary and in the best interests of the Board and property owners on and along Cedar Lake to make and complete the Public Improvements described above, and to defray the costs of the same and permitted associated costs by special assessment upon the properties specially benefited by the Public Improvements.
- 2. The Special Assessment District known as the Cedar Lake Management & Weed Control Special Assessment District (the "District") is hereby determined to consist of the parcels of land tentatively designated by earlier resolution of the Board on July 23, 2020.
- 3. The Board hereby approves the profiles, plans and specifications for the Public Improvement and determines that the term of the special assessment district's existence shall be ten (10) years. The Board determines that the assessable cost of said improvements shall be One Hundred Fourteen Thousand Dollars (\$114,000.00) in total per year. If at any time during the term of the special assessment district an actual incremental cost increase exceeds the estimate therefore by ten percent (10%) or more, notice shall be given and a hearing afforded to the affected property owners pursuant to the Act.
- 4. The Board determines that all of said total assessable cost, the total sum of \$1,140,000.00 (i.e., \$114,000.00 per year for ten (10) years), be paid by special assessment upon the properties specially benefited, as more particularly hereinafter described.
- 5. The Board designates the lots and parcels of land described on Exhibit A as attached hereto (i.e. all of lakefront properties with frontage Cedar Lake located within Greenbush Township and Oscoda Township) as the property to comprise the special assessment district upon which the special assessment shall be levied.
- 6. The annual special assessment shall be made on a per taxable parcel basis and is estimated to be \$150.00 per year per taxable parcel with lake frontage on Cedar Lake within the special assessment district.
- 7. The Township Supervisor of Greenbush Township and the Township Supervisor of Oscoda Township shall each prepare a special assessment roll for their respective townships including all lots and parcels of land within the special assessment district as herein designated. The rolls shall describe all of the parcels of land to be assessed, with the names of the respective record owners of each parcel, if known, and the total amount to be assessed against each lot and parcel of land. The total amount to be assessed against each parcel of land to be affected shall be

such relative portion of the whole sum to be levied against all parcels in the special assessment district as the benefit to such parcel of land bears to the total benefit to all parcels of land and local units of government in the special assessment district. The special assessment rolls shall be prepared and certified by each Township Supervisor as required by the Act.

- 8. When the Township Supervisors shall each have completed their respective assessment roll, each Township Supervisor shall file the same with the Chairman of the Cedar Lake Improvement Board for presentation to the Board (and also with the Greenbush Township Clerk and the Oscoda Township Clerk).
- 9. The Board further determines that in the event property is to be added to the special assessment district or in the event that the assessable cost will be increased by ten percent (10%) or more, an additional public hearing will be held.
- 10. All actions heretofore taken by Board officials, employees, and agents with respect to the Public Improvements and proceedings under the Act are hereby ratified and confirmed.
- 11. All resolutions or parts of resolutions in conflict herewith shall be and the same are hereby rescinded.

CEDAR LAKE IMPROVEMENT BOARD ALCONA COUNTY AND IOSCO COUNTY, MICHIGAN

RESOLUTION NO. 2020-3

CEDAR LAKE MANAGEMENT & WEED CONTROL SPECIAL ASSESSMENT DISTRICT

ACKNOWLEDGEMENT OF FILING AND PRESENTATION OF THE OVERALL OR COMBINED SPECIAL ASSESSMENT ROLL TO THE CEDAR LAKE IMPROVEMENT BOARD; NOTICE OF PUBLIC HEARING

Minutes of a public meeting of the Cedar Lake Improvement Board ("Board") having jurisdiction in Alcona County and Iosco County, Michigan, held via electronic video conferencing on September 3, 2020, at 10:00 a.m., local time.

PRESENT: Board Members: Carolyn Brummund, Jim Baier, Dave Dailey, Fred Strauer, Al

Scully, Rex Vaughn

ABSENT: Board Members: Rob Huebel

The following resolution was offered for adoption by Board Member Dailey and supported by Board Member Baier:

WHEREAS, the Cedar Lake Improvement Board (the "Board"), pursuant to MCL 324.30901 *et seq*, as amended ("the Act"), has resolved its intent to make certain Public Improvements to and within Cedar Lake located within Greenbush Township and Oscoda Township, consisting of the eradication or control of aquatic weeds and plants in said lake, as well as lake management activities and lake studies and reports; and

WHEREAS, the Township Supervisors for Greenbush Township and Oscoda Township have each prepared and certified a special assessment roll (comprised of the assessment roll for Greenbush Township and also the assessment role for Oscoda Township) for the purpose of specially assessing that portion of the cost of the public improvements (more particularly hereinafter described in Exhibit A) ("Public Improvements") to the properties specially benefited by said Public Improvements, and the same has been presented to the Board.

NOW, THEREFORE, IT IS RESOLVED THAT:

- 1. The overall or combined special assessment roll shall be filed in the office of the Chairman of the Cedar Lake Improvement Board and with the Greenbush Township Clerk and also the Oscoda Township Clerk, and shall be available for public examination or inspection.
- 2. The Board shall hold a public hearing on September 25, 2020, at 10 a.m. for the purposes of reviewing the overall special assessment roll (i.e. the combined tax assessment roll for Greenbush Township and the tax assessment roll for Oscoda Township) and for hearing all persons interested in that overall special assessment roll and any objections to the roll. In accordance with Executive Order 2020-154 signed by the Governor, this meeting will be held via Zoom electronic video conferencing. Public access information is provided as noted below:

NOTICE IS FURTHER GIVEN THAT the Supervisors of Greenbush Township and Oscoda Township have each made and certified a special assessment roll for the overall special assessment district, which roll sets forth the relative portion of the costs of said Public Improvements which is to be levied in the form of a special assessment against each benefited lot and parcel of land in the special

assessment district. Pursuant to an earlier resolution of the Cedar Lake Improvement Board, the costs of the Public Improvements are to be periodically redetermined on a yearly basis in accordance with the resolution and the Act.

PUBLIC HEARING:

TAKE NOTICE that the Cedar Lake Improvement Board will hold a public hearing on September 25, 2020, at 10 a.m. for the purpose of reviewing and potentially confirming the overall special assessment roll and also hearing and considering any and all objections thereto. In accordance with Executive Order 2020-154 signed by the Governor, this meeting will be held via Zoom electronic video conferencing. Public access information is provided as noted below.

ZOOM ONLINE MEETING PUBLIC ACCESS INFORMATION:

To join the Zoom meeting participants should do one of the following at the time of the meeting:

CONFIRMATION OF THE SPECIAL ASSESSMENT ROLL; LIEN; PAYMENT AND COLLECTION OF SPECIAL ASSESSMENTS

Minutes of a public hearing of the Cedar Lake Improvement Board ("Board") having jurisdiction in Alcona County and Iosco County, Michigan, held via electronic video conferencing on September 25, 2020, at 10:00 a.m., local time.

PRESENT: Board Members: Carolyn Brummund, Jim Baier, Dave Dailey, Fred Strauer, Al

Scully, Rob Huebel, Rex Vaughn

ABSENT: Board Members: None

The following resolution was offered for adoption by Board Member Brummund and supported by Board Member Dailey

where a sequence which shall consist of the control and partial eradication of aquatic plants and weeds within Cedar Lake by means of chemical treatment, biological agents, and/or mechanical harvesting, as well as lake management activities and lake studies and reports (collectively, the "Public Improvements"); and

WHEREAS, the Township Supervisors for the Township of Greenbush and the Charter Township of Oscoda have each prepared and certified a special assessment roll (comprised of the combined assessment rolls for the Township of Greenbush and the Charter Township of Oscoda) for the purpose of specially assessing that portion of the cost of the Public Improvements to the properties specially benefited thereby, and the same was presented to the Board and filed in the office of the Chairman of the Cedar Lake Improvement Board for public examination; and

WHEREAS, after notice duly given pursuant to the Act, the Board held a public hearing via electronic video conferencing on the 25th day of September, 2020 at 10:00 a.m. to consider the proposed special assessment roll and any objections thereto for the Public Improvements; and

WHEREAS, after hearing all persons interested therein, giving due consideration to any written objections to the overall special assessment roll filed with the Chairman of the Cedar Lake Improvement Board, and after reviewing the special assessment roll, the Board deems the special assessment roll to be fair, just and equitable, and that each of the assessments contained thereon is relative to the benefits to be derived by the parcels of land assessed.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

- 1. That the said special assessment rolls prepared by the Township Supervisors for the Township of Greenbush and the Charter Township of Oscoda as combined and reported to the Board in the total amount of One Million One Hundred Twelve Thousand Six Hundred Fifty Dollars (\$1,112,650.00) (or \$112,650.00 per year), for the Cedar Lake Management & Weed Control Special Assessment District, a copy of which is attached hereto as Exhibit A, is hereby confirmed and shall be known and designated as the Cedar Lake Management & Weed Control Special Assessment District Roll (collectively, the "Roll").
- 2. That the Chairman for the Cedar Lake Improvement Board, the Township of Greenbush Clerk and the Charter Township of Oscoda Clerk shall each endorse on the Roll the date of this meeting as the date of confirmation of the Roll.
- 3. That the assessments in the Roll shall be divided into ten (10) annual installments (i.e. one installment per year), the first of which shall be due and payable on or before December 1, 2020, and the following installments to be due on or before the first day of the same month of each year thereafter.
- 4. That all unpaid installments prior to their transfer to the tax roll as provided by the Act, as amended, shall bear interest payable annually on each installment due date at the rate of six percent (6%) per annum commencing on the due date of the first installment as set forth in this Resolution. Any payments before such first installment due date shall not bear any such interest.
- 5. That future due installments of an assessment against any parcel of land may be paid to the Township Treasurer of the Township of Greenbush or the Charter Township of Oscoda (as applicable) at any time in full, with interest accrued through the month in which the installments are paid.
- 6. If an installment of a special assessment is not paid when due, then the installment shall be considered to be delinquent and there shall be collected on the installment, in addition to the interest provided in paragraph 4, above, a penalty at the rate of one half of one percent (1%) for each month or fraction of a month that the installment remains unpaid before being reported to the Board for reassessment upon the tax roll as provided in the Act.
- 7. That all special assessments contained in the Roll, including any part thereof deferred as to payment, shall, from the date of confirmation of the Roll, pursuant to the Act, constitute a lien upon the respective parcels of land assessed and such lien shall be of the same character and effect as the lien created for the Township of Greenbush or the Charter Township of Oscoda taxes (as applicable) and shall include accrued interest and penalties. A judgment,

decree, or any act of the Board vacating a special assessment does not destroy or impair the lien upon the premises assessed for the amount of the assessment as may be equitably charged against the premises, or as by a regular mode of proceeding might be lawfully assessed on the premises.

- 8. That the special assessments made in the confirmed Roll are hereby ordered and directed to be collected and the Township Clerks of the Township of Greenbush and the Charter Township of Oscoda shall each deliver the Roll to the respective Township Treasurers of the Township of Greenbush and the Charter Township of Oscoda with a warrant attached thereto, which shall command the Township Treasurers of the Township of Greenbush and the Charter Township of Oscoda to collect the special assessments in the Roll (within their respective township) in accordance with the direction of the Board and which warrant shall further require the Township Treasurers of the Township of Greenbush and the Charter Township of Oscoda on the first day of September following the date when any such assessments or any part thereof have become due to submit to the Board a sworn statement setting forth the names of the persons delinquent, if known, a description of the parcels of land upon which there are delinquent assessments and the amount of such delinquency including accrued interest and penalties computed to September 1 of such year. The form of the warrant is attached hereto as Exhibit B.
- 9. That upon receiving the Roll and warrant, the Township Treasurers of the Township of Greenbush and the Township Treasurer of the Charter Township of Oscoda shall each proceed to collect the several amounts assessed therein as the same become due.
- 10. That the assessments shall be allocated and collected based on a per taxable parcel basis, as set forth in the Roll, and that the assessments shall be apportioned to each taxable parcel (or portions thereof) set forth in the Roll and as shown on Exhibit C.
- 11. If the Treasurer of the Township of Greenbush or the Treasurer of the Charter Township of Oscoda reports as delinquent any assessment or part of a Township of Greenbush or of a Charter Township of Oscoda assessment, the Board shall certify the delinquency to the assessing official, who shall reassess, on the annual tax roll of the Township of Greenbush or of the Charter Township of Oscoda of that year, in a column headed "special assessments", the delinquent sum, with interest and penalties to September 1 of that year, and an additional penalty of 6% of the total amount. Thereafter, the statutes relating to taxes shall be applicable to the reassessments in the Township of Greenbush and the Charter Township of Oscoda.
- 12. That the Chairman of the Cedar Lake Improvement Board shall, as soon as possible but in no event more than seven (7) days after confirmation of the Roll, send notice of the special assessment, in the form attached hereto on Exhibit D, to the person responsible for payment of the ad valorem property taxes or the record owner of or the party in interest in (whichever is applicable) each parcel of land assessed, at the address shown for such persons upon the last Township of Greenbush or Charter Township of Oscoda tax assessment rolls for ad valorem tax purposes, subject to any subsequent changes in the names and addresses of the owners or parties listed thereon.
- 13. When the Board received the official certified assessment rolls from the township supervisors from the two townships, it became apparent that the total estimated number of

parcels used in the earlier calculations and resolutions for the special assessment district went down by nine parcels in total (i.e. the number of estimated parcels went from 760 down to 751 actual parcels confirmed). Therefore, for purposes of the special assessment district and this Resolution, the Board has adjusted the value of the assessments to 751 parcels times \$150 per parcel equals \$112,650.00 per year, which is an adjustment from the earlier Resolutions in this case. The Board has reduced the annual revenue obtained by the special assessment collection but kept the amount of the special assessment levied on each parcel the same. Therefore, all prior Resolutions and actions by the Board are hereby revised and amended accordingly.

- 14. That all actions heretofore taken by Board officials, employees, and agents with respect to the Public Improvements and proceedings under the Act are hereby ratified and confirmed. Should anything specified in this Resolution (or any earlier resolution) be contrary to or in conflict with the Act, the relevant portion of the Act shall govern and the offending portion of this Resolution (or any earlier resolution) shall be deemed substituted with that relevant portion of the Act.
- 15. That all resolutions or parts of resolutions in conflict herewith shall be and the same are hereby rescinded.

Resolution No. 2023-1

At a special meeting of the Cedar Lake Improvement Board (the "Lake Board") held on February 3rd, 2023, beginning at 10:00 a.m. at the Alcona County Building, the following Resolution was offered for adoption by Lake Board Member Wusterbarth and was seconded by Lake Board Member Huebel:

A RESOLUTION TO APPROVE THE CEDAR LAKE IMPROVEMENT BOARD 2023 ANNUAL BUDGET

WHEREAS, Section 30927 of Part 309 of Public Act 1994 (MCL 324.30927) requires that the Lake Board adopt an annual budget;

WHEREAS, the Uniform Budgeting and Accounting Act, Public Act 2 of 1968, as amended by Public Act 621 of 1978, requires that the Lake Board hold a public hearing prior to the adoption of the annual budget;

WHEREAS, the Lake Board has convened a public hearing on the proposed annual budget after the publication of notice as required by law; and

WHEREAS, the Lake Board has considered the proposed annual budget and any comments made at the public hearing related to the annual budget.

NOW, THEREFORE, BE IT RESOLVED AS FOLLOWS:

- 1. The Lake Board hereby adopts the Cedar Lake Improvement Board 2023 Annual Budget in the total amount of \$130,762.00 (copy attached as Exhibit A) as its general appropriations act pursuant to the Uniform Budgeting and Accounting Act.
- 2. The Lake Board expenditures pursuant to the annual budget, the amendment of the budget, the transfer of funds thereunder and other matters pertaining to financial operations pursuant to the budget shall be subject to applicable provisions of the Uniform Budgeting and Accounting Act and other applicable law.
- 3. This resolution shall become effective upon signature.

The vote on the motion to adopt this Resolution was as follows:

Property Tax No. 041-196-000-068-00 AND 040-015-400-100-00

The following provisions apply to the conveyance of unplatted property: The Grantor grants to the Grantee the right to make <u>ALL</u> division(s) allowed under section 108 of the Land Division Act, Act No. 288 of the Public Acts of 1967. The number of divisions granted has been determined by Grantor and Grantee. If no number is inserted, the right to make divisions stays with the portion of the parent tract retained by the Grantor, if any; and if all of the parent tract is conveyed, then 100% or all division rights are granted to the Grantee. Drafter makes no assertions with respect to the applicability of or compliance with the Land Division Act and assumes no responsibility for the number of divisions granted.

This property may be located within the vicinity of farmland or farm operation. Generally accepted agricultural and management practices which may generate noise, dust, odors, and other associated conditions may be used and are protected by the Michigan Right To Farm Act.

Re: Cedar Lake Improvement Board Questions

Dear Controller Carruthers-Soboleski:

This is in response to your request that this office provide the County with an opinion as to questions regarding the Cedar Lake Improvement Board (hereinafter referred to as the "CLIB") submitted to the Board of Commissioners by a Cedar Lake resident.

The CLIB was created by Resolution of the losco County Board of Commissioners on January 18, 1995. The initial Resolution empowered the CLIB to conduct a feasibility study for the purposes of weed control on Cedar Lake and authorized the CLIB to fund the cost of the study and necessary improvements through the creation of a special assessment district. (See January 18, 1995, Resolution, attached as *Exhibit A.*) On February 15, 1995, the losco County Board of Commissioners adopted an amended Resolution to specifically restrict the CLIB project to conducting a feasibility study for weed control and management of aquatic plants in Cedar Lake, implementing the findings of the study and implementing a special assessment district. It was further resolved that the Counties of losco and Alcona were to act jointly in establishing one Lake Board. (See February 15, 1995, Resolution, attached as *Exhibit B.*)

On January 16, 2002, the losco County Board of Commissioners expanded the CLIB project to include dredging, and removing and disposing of dredged materials on Cedar Lake. The Resolution authorized the CLIB to fund the costs of the study and dredging through the creation of a special assessment district. (See January 16, 2002, Resolution, attached as *Exhibit C.*) On April 17, 2002, the losco County Board of Commissioners replaced the January 16, 2002, Resolution with Resolution 02-065, which again broadened the scope of the CLIB project to

include conducting "a feasibility study for the protection of public health, welfare and safety and the conservation of natural resources, to preserve property values around the lake, provide for improvements around the lake and/or adjacent wetlands, with implementation of the study and or void the proposed project." The losco Board of Commissioners again authorized the CLIB to "fund the costs of the study and implementation of the desired lake improvements through the creation of a special assessment district." (See April 17, 2002, Resolution, attached as *Exhibit D.*)

On June 19, 2002, the losco County Board of Commissioners adopted Resolution 02-106, which acknowledged that the enabling resolution originally creating the CLIB restricted the scope of the CLIB to weed control and management of aquatic plants, and the Board of Commissioners determined that it was necessary to formally release these restrictions previously imposed on the CLIB. The Board of Commissioners then by this Resolution amended all previous Resolutions affecting the CLIB, having resolved that "it is expedient to have the Cedar Lake Improvement Board and by this resolution this governing body directs the Cedar Lake Improvement to initiate proceedings as provided in the current inland lakes improvement chapter of the Natural Resources and Environmental Protection Act to conduct a Feasibility study and to take the necessary steps to implement the findings of the study if the Cedar Lake Improvement Board determines the same to be feasible or to void the proposed project." This Resolution again authorized the CLIB to establish a special assessment district. (See June 19, 2002, Resolution 02-106, attached as *Exhibit E*.)

Finally, on October 3, 2007, the losco County Board of Commissioners adopted Resolution 07-146, authorizing an amendment to the CLIB "to conduct a feasibility study for the protection of the public health, welfare, and safety and the conservation of the natural resources, to preserve property values around the lake, provide for the improvement of the lake, and/or adjacent wetlands, with the implementation of said study and/or void the proposed project." Once again, the Resolution also authorized the CLIB to establish a special assessment district to fund the feasibility study and implementation of the desired lake improvements. (See October 3, 2007, Resolution, attached as *Exhibit F*.)

The CLIB now has broad authority to study and implement lake improvement projects. The questions posed by the Cedar Lake resident relate to the power and authority of losco County to oversee the work of the CLIB. You have asked for our opinion as to the following questions.

Once created by the losco County Board of Commissioners by resolution, does losco County retain oversight of the CLIB?

The short answer to this question is no; once created, the losco County Board of Commissioners does not retain authority over the CLIB. Through its Resolutions, as set forth above, the losco County Board of Commissioners granted the CLIB broad authority to conduct feasibility studies and implement improvements for the benefit of Cedar Lake. Lake Improvement Boards are governed by Part 309 of the Michigan Natural Resources and Environmental Protection Act, being MCL 324.30901 – 324.30929. Pursuant to MCL 324.30906 and MCL

324.30908, in creating a Lake Board, the losco County Board of Commissioners must direct the CLIB to (1) institute proceedings to bring about the desired lake improvement, (2) determine the scope of the project, and (3) establish a special assessment district. The Resolutions of the losco County Board of Commissioners met these requirements. Once this requirement is met, the CLIB is charged with studying and implementing the project. The Board of Commissioners has no ongoing statutory oversight authority over the CLIB.

2. Are projects initiated by the CLIB brought back to the losco County Board of Commissioners for approval?

No, the statute does not require projects to be brought back to the losco County Board of Commissioners for final approval. In fact, the CLIB is empowered by statute to:

- 1) Retain a professional engineer to conduct a Feasibility Study. MCL 324.30909(1)(2) and (3);
- Determine the practicability of improvement projects. MCL 324.30910;
- 3) Establish a special assessment district to pay for improvements. MCL 324.30912 and MCL 324.30913;
- 4) Borrow money from local lending institutions, issue lake level orders and issue bonds to finance projects. MCL 324.30922; and
- 5) Enter into contracts for improvement projects. MCL 324.30926(1)(2).

Does the CLIB present their yearly budget to the County Commissioners for approval? If so, does losco County perform an audit and/or review of the CLIB budget and expenses.

The CLIB is not required by statute to present their yearly budget to the losco County Board of Commissioners. Further, the losco County Board of Commissioners has no oversight authority over the CLIB budget and expenses.

4. Did Iosco County have any involvement with the creation or funding of the CLIB Special Assessment District?

Aside from the Resolutions directing the CLIB to establish the special assessment district as required by MCL 324.30908, losco County did not have any involvement with the creation or funding of the CLIB Special Assessment District. The CLIB creates the special assessment district, prepares the assessment roll, and directs the assessing official of each local unit of government to be affected to join in making an assessment roll. MCL 324.30912. When the assessing roll is complete, each assessing official is required "to affix to the assessment roll his or her certificate stating that it was made pursuant to a resolution of the lake board adopted on a specified date, and that in making the assessment roll he or she has, according to his or her best judgment conformed in all respects to the directions contained in the resolution and the statutes of the state". *Id.* Approval by the County is not authorized or required by statute.

5. Did losco County Board of Commissioners have any involvement in the purchase of properties by the CLIB, which were funded from the Special Assessment District created by the CLIB?

To our knowledge, the losco County Board of Commissioners did not have any involvement in the purchase of the properties by the CLIB, nor would it be a statutory responsibility of the Board of Commissioners to play a role in such purchases.

6. The CLIB purchased several parcels of property utilizing funding from the CLIB Special Assessment District. Since these parcels were purchased by the CLIB, which was created by losco County resolution, does losco County acknowledge liability for each property? If so, does losco County carry liability insurance for these parcels?

losco County does not own this property and, therefore, should not acknowledge any liability for this property. As this property is not owned by losco County, losco County's liability insurance does not cover this property. The property was purchased by the CLIB which does not have any authority to bind losco County to any contract, including a contract for the purchase of property. The losco County Board of Commissioners did not authorize the purchase of this property and the deed was not signed by the Chair of the losco County Board of Commissioners.

7. The CLIB does not have Articles of Incorporation or recorded Bylaws with the State of Michigan. How can this entity own property?

First, it should be noted that the CLIB has the authority to and does employ its own attorney to advise the CLIB on legal matters, including whether the CLIB is empowered by statute to own property. MCL 324.30927(4). Our recommendation is that losco County refrain from taking a position on whether the CLIB properly purchased the subject property. However, as referenced above, the CLIB has broad statutory authority as it pertains to lake improvement projects. This included the power to condemn property which implies authority to also own property. MCL 324.30923. Finally, there is no statutory requirement for the CLIB to file Articles of Incorporation or Bylaws with the State of Michigan.

8. Has losco County delegated the CLIB any authority to explore or initiate any "augmentation" projects outlined in Part 307?

No, the County has not delegated any authority to the CLIB for projects outlined in Part 307. The losco County Board of Commissioners delegated broad authority to the CLIB as it pertains to improvements to Cedar Lake consistent with MCL 324.30901. Specifically, pursuant to Resolution, the CLIB has authority "to conduct a feasibility study for the protection of the public health, welfare, and safety and the conservation of the natural resources, to preserve property values around the lake, provide for the improvement of the lake, and/or adjacent wetlands, with the implementation of said study and/or void the proposed project." Part 307 of Act 451 of 1994 deals with determining and maintaining inland lake levels as opposed to specific lake improvement projects covered by Part 309. The losco County Board of Commissioners properly

delegated authority for projects under Part 307 to the Iosco County Drain Commissioner, not the CLIB.

In summary, the losco County Board of Commissioners created the CLIB by Resolution and granted the CLIB broad authority to study and implement lake improvement projects. As provided for by statute, after creating the CLIB, the losco County Board of Commissioners does not retain oversight authority over the CLIB.

Should you have any questions, do not hesitate to contact me.

Sincerely,

COHL, STOKER & TOSKEY, P.C.

RE: Cedar Lake Hydrology Considerations for CLIB Purchase of the Reis Property

K&A is providing relevant Cedar Lake level and hydrology consideration associated with the possible purchase of private property surrounding Jones Creek in the watershed drainage of northwest cedar swamp. These considerations relate to approved Watershed Management Plan recommendations to manage Jones Creek hydrology to benefit lake level needs; both for natural control and potential augmentation well applications.

K&A has completed a preliminary review of the Ries Property described as:

- Parcel ID 04-015-400-100-00 & 041-196-000-068-00
- Address of 3325 W. Cedar Lake Road
- Containing two parcels; one 11.71 acres and one 0.81 acres adjacent to and south
 of the larger parcel. The larger parcel lies on both sides of W. Cedar Lake Road.
 The smaller parcel encompasses Jones Creek between W. Cedar Lake Road and
 Cedar Lake.

Preliminary Site Review Considerations:

- The Ries Property is unique as it encompasses the outflow of the Jones Creek Marsh and Jones Creek from the outflow at W. Cedar Lake Road to Cedar Lake.
- The 2011 Augmentation Study and current K&A pumping calculations suggest that at least two well sites, each producing 500 gallons per minute, will likely be needed to maintain desirable lake levels during dry recreational seasons on Cedar Lake. Locating a well site closer to the north end of the lake, particularly within or near the Jones Creek Marsh, is advantageous. The Ries Parcel would facilitate this need in addition to the Sherman Creek property already under CLIB control. The Ries property will accomplish this by providing:
 - A location for one or more of the wells associated with this potential northern augmentation well site.
 - Access to a possible well site for electricity.
 - A pathway for discharge of the well water through Jones Creek Marsh and Jones Creek.
- The Ries Property, once purchased may be split into appropriate parcels to minimize further ownership and needs; that is:
 - A parcel containing Jones Creek and appurtenances to be petitioned to be a county drain.

- o A parcel containing well locations, power access and controls for a possible northern augmentation well site.
- o A lake access property with a residence that could be sold off to mitigate any costs of purchasing and development for augmentation.
- The Ries Property appears to be an advantageous purchase for the CLIB under the Watershed Management Plan:
 - o It provides for ownership of a parcel of land that is identified in the watershed management plan to be improved for Cedar Lake augmentation of both surface flows and infiltration.
 - o It provides for ownership of a parcel that provides access to land for installation of augmentation wells.
 - o It supports the control of surface water flows to the Lake.

It is K&A's opinion that if the CLIB has the opportunity to purchase this property, CLIB control will benefit long-term lake level management needs.

Crane v Director of Assessing for the Charter Twp of West Bloomfield, unpublished decision by the Michigan Court of Appeals dated April 19, 2012, 2012 WL 1367692 (Case No. 301878), involved Upper Long Lake, a private inland lake. In 1984, the Upper Long Lake Improvement Board was created via property owner petition to eradicate aquatic lake weeds. In 2005, the two townships involved expanded the lake board authority to include dredging. In 2007, the lake board proceeded to impose a special assessment district for a significant dredging project. A property owner within the district challenged the actions of the lake board in establishing a new special assessment district for dredging without having expanded the lake board's authority by landowner petitions. The Court of Appeals sided with the objecting landowner. The Court held that the lake board could not initiate a new project (here, dredging) on its own or with only local government approval, without a new petition being circulated and signed by two-thirds of the property owners authorizing the new project. Although the Court recognized that a project for a private lake could be for a multiyear duration (as the aquatic weed treatments had occurred for over twenty years), an entirely new project could not be authorized absent new property owner petitions. That limitation does not apply to public inland lakes, as the statute allows the creation of an entirely new statutory lake improvement board (or the expansion of the powers of an existing lake board) pursuant to the approval of the local governmental unit or units. Left unanswered is the question of whether or not a statutory lake improvement board for a public lake originally authorized by a two-thirds property owners' petition can initiate new projects based simply on the approval of the local governmental unit(s), or whether a new petition would have to be utilized since the property owner petition initiated the original lake board. Given the number of statutory lake improvement boards which exist in Michigan and the ambiguity of many portions of the Act, it is important for a lake board (or its constituents) to work with an attorney who is knowledgeable about statutory lake improvement boards when questions arise.

Cedar Lake Improvement Board Meeting Online Public Meeting Thursday, July 23, 2020 10:00 a.m.

- 1. Call to order 10:00 a.m.
- 2. Online Meeting Operating Protocol was announced.
- Roll Call: Present---Brummund, Huebel, Vaughn, Scully, Strauer, Baier, D Dailey Absent--- none

Guests: M. Kieser; B Vokal; G. Metzner-Gustafson; T. Socia; P Dailey

- 4. Public Comment: none
- 5. Agenda: Motion made by Brummund/Strauer to approve Agenda as presented. Roll call vote on motion: All Ayes, motion passed.
- 6. Minutes: Motion made by Brummund/Huebel to approve Minutes of the 4/30/20 meeting as presented. Roll call vote on motion: All Ayes, motion passed.

7. Old Business:

- a) Bloom Sluggett Retainer Agreement was distributed to members of the board.
- b) Cedar Lake Dam: The mobilization date have been moved up to August, almost a month early. More information will be available after Jesse Campbell meets with the contractor. Prior to the start of the project, a Ground Breaking "party" should be scheduled.
- c) District Health Department #2 Press Release regarding PFAS & VOC testing at Cedar Lake has been distributed to the board: One twenty-fifth of the amount found in Van Ettan Lake has been found in Cedar Lake. However the source in Cedar Lake is not the same as Van Ettan. It is not from the Air Force. It is from every day items and coming from somewhere else. Rex Vaughn has test results for anyone that is interested in reading them. Jim Baier asked if it is in one particular location of the lake. There was only one sample taken from the north causeway on the East side. It is not enough to determine a primary point. Baier responded that he has not seen foam at his end of the lake.

8. New Business:

a) Review and approve bills that were paid since the 4-30-20 meeting, or are now due:

Motion made by Brummund/D Dailey to approve all invoices that have been paid and are now due that have been listed on the Agenda as 8 a) i - vii. Roll call vote on motion: All ayes, motion passed.

Invoice that have been paid or are now due are:

- Kieser & Associates/Doug Pullman LakeScan services Inv #20-062 through 6/30/2020, \$3,832.00 (paid)
- ii. Kieser & Associates, professional services, Inv #20-061 through 6/20/2020, \$6.987.05 (paid)
- iii. Kieser & Associates, professional services, Inv #20-057, through 4/30/2020, \$1,991.25 (paid)
- iv. Kieser & Associates, field instrumentation per contract, Inc # 20-040, \$8,005.80 (paid)
- v. Reimbursement, RainWise rain gauge replacement, \$390.00 (paid) and \$41.10 (NEW)
- vi. Aquatic Services, June lake herbicide treatment, Inc. #1144, \$10,199.50 (paid)
- vii. Bloom Slugget, legal services for S.A.D., Inv. # 20348, \$1,935.00 (paid)
- b) Cedar Lake Management & Weed Control Special Assessment District (SAD)
 - i. SAD Implementation process step sheet was reviewed.
- ii. Key dates & milestones were reviewed and discussed. Board members discussed their availability to attend meetings and public hearings as outlined in the SAD Implementation Process Step Sheet and Key dates and milestones. A motion was made by Brummund/Baier that the dates reviewed to be approved by the board. Roll call vote on motion: All ayes, motion passes. The dates approved are as follows:

Fulfilling Steps 4 & 5: Public Hearing & Resolution #2 to be held on August 21, 2020 10a.m.

Fulfilling Step 6: Resolution #3 to be held on September 4, 2020 10a.m.

Fulfilling Sept 8: Public Hearing & Resolution #4 to be held on September 25, 2020 10a.m.

After September 25, 2020 no meetings should be needed.

iii. Exhibit A Description of the Public Improvements; Cost Estimates: Vaughn and Kieser worked on this together. It covers the anticipated projected costs and plans for the 10 years assessment period. Kieser highlighted 1a) Invasive & Nuisance Aquatic/Wetland Plant Management. He projected the cost by looking at the last 7 years, inflation considered, and possible increase of costs. 2) Watershed Management Plan Implementation: This lists what is still out there to do going forward for the project. Also noted in his comments: The per parcel per year would not change for the next 10 years.

Exhibit B Notice of Public Hearing, Cedar Lake Management & Weed Control Special Assessment District will list all parcels contained in this assessment district. The district consists of only lake front property/parcels.

Motion made by D Dailey/Brummund to approve Board Resolution 2020-1 Rev 4. Roll call vote on motion: All ayes, motion passed.

- 9. Public Comment: Brian Vokel requested a copy of Exhibit A when available.
- 10. Next meeting dates can be found in the body of the minutes above.
- 11. Adjournment: 11:19 a.m.

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT) Act 451 of 1994

PART 309 INLAND LAKE IMPROVEMENTS

324.30901 Definitions.

Sec. 30901. As used in this part:

(a) "Benefit" or "benefits" means advantages resulting from a project to public corporations, the inhabitants of public corporations, the inhabitants of this state, and property within public corporations. Benefit includes benefits that result from elimination of pollution and elimination of flood damage, elimination of water conditions that jeopardize the public health or safety; increase of the value or use of lands and property arising from improving a lake or lakes as a result of the lake project and the improvement or development of a lake for conservation of fish and wildlife and the use, improvement, or development of a lake for fishing, wildlife, boating, swimming, or any other recreational, agricultural, or conservation uses.

(b) "Inland lake" means a public inland lake or a private inland lake.

(c) "Interested person" means a person who has a record interest in the title to, right of ingress to, or reversionary right to a piece or parcel of land that would be affected by a permanent change in the bottomland of a natural or artificial, public or private inland lake, or adjacent wetland. In all cases, whether having such an interest or not, the department is an interested person.

(d) "Local governing body" means the legislative body of a local unit of government.

(e) "Preliminary costs" includes costs of the engineering feasibility report, economic study, estimate of total cost, and cost of setting up the assessment district.

(f) "Private inland lake" means an inland lake other than a public inland lake.

(g) "Public inland lake" means a lake that is accessible to the public by publicly owned lands or highways contiguous to publicly owned lands or by the bed of a stream, except the Great Lakes and connecting waters.

324.30909 Engineering and economic reports; cost estimates.

Sec. 30909. (1) The lake board shall retain a licensed professional engineer to prepare an engineering feasibility report, an economic study report, and an estimate of cost. The report shall include, when applicable, recommendations for normal lake levels and the methods for maintaining those levels.

- (2) The engineering feasibility report shall include the methods proposed to implement the recommended improvements, such as dredging, removal, disposal, and disposal areas for undesirable materials from the lake. The report shall include an investigation of the groundwater conditions and possible effects on lake levels from removal of bottom materials. A study of existing nutrients and an estimate of possible future conditions shall be included. Estimate of costs of right-of-way shall be included.
- (3) The estimate of cost prepared under subsection (1) shall show probable assessments for the project. The economic report shall analyze the existing local tax structure and the effects of the proposed assessments on the local units of government involved. A copy of the report shall be furnished to each member of the lake board.

324.30910 Review of reports by board; determinations of practicability; public hearings; notice; determination.

Sec. 30910. Within 60 days after his or her receipt of the reports, the chairperson shall hold a meeting of the lake board to review the reports required under section 30909 and to determine the practicability of the project. The hearing shall be public, and notice of the hearing shall be published twice in a newspaper of general circulation in each local unit of government to be affected. The first publication shall be not less than 20 days prior to the time of the hearing. The board shall determine the practicability of the project within 10 days after the hearing unless it is determined at the hearing that more information is needed before the determination can be made. Immediately upon receipt of the additional information, the board shall make its determination.

Popular name: Act 451 Popular name: NREPA

324.30912 Approval of plans and cost estimates; sufficiency of petition; resolution; publication; assessment roll.

Sec. 30912. If the lake board passes a resolution in which it determines the project to be practicable, the lake board shall determine to proceed with the project, shall approve the plans and estimate of costs as originally presented or as revised, corrected, amended, or changed, and shall determine the sufficiency of the petition for the improvement. The resolution shall be published once in a newspaper of general circulation in each local unit of government to be affected. After the resolution has been published, the sufficiency of the petition shall not be subject to attack except in an action brought in a court of competent jurisdiction within 30 days after publication. The lake board, after finally accepting the special assessment district, shall prepare an assessment roll based upon the benefits to be derived from the proposed lake improvement, and the lake board shall direct the assessing official of each local unit of government to be affected to join in making an assessment roll in which shall be entered and described all the parcels of land to be assessed, with the names Rendered Friday, March 25, 2022

324.30913 Report of assessment to lake board; review; notice and hearing; confirmation.

Sec. 30913. The assessment roll shall be reported to the lake board by the assessing official of the local unit or units of government initiating the proceeding and filed in the office of the clerk of each local unit of government to be affected. Before confirming the assessment roll, the lake board shall appoint a time and place when it will meet and review the assessment roll and hear any objections to the assessment roll, and shall publish notice of the hearing and the filing of the assessment roll twice prior to the hearing in a newspaper of general circulation in each local unit of government to be affected, the first publication to be at least 10 days before the hearing. Notice of the hearing shall also be given in accordance with Act No. 162 of the Public Acts of 1962, being sections 211.741 to 211.746 of the Michigan Compiled Laws. The hearing may be adjourned from time to time without further notice. Any person or local unit of government objecting to the assessment roll shall file his or her objection in writing with the chairperson before the close of the hearing or within such further time period as the lake board may grant. After the hearing, the lake board may confirm the special assessment roll as reported to it or as amended or corrected by it, may refer it back to the assessing officials for revision, or may annul it and direct a new roll to be made. When a special assessment roll has been confirmed, the clerk of each local unit of government shall endorse on the assessment roll the date of the confirmation. After confirmation, the special assessment roll and all assessments on the assessment roll shall be final and conclusive unless attacked in a court of competent jurisdiction within 30 days after notice of confirmation has been published in the same manner as the notice of hearing.

324.30914 Special assessments; installments; interest; penalties.

Sec. 30914. Upon the confirmation of the assessment roll, the lake board may provide that the assessments be payable in 1 or more approximately equal annual installments, not exceeding 30. The amount of each installment, if more than 1, need not be extended upon the special assessment roll until after confirmation. The first installment of a special assessment shall be due on or before such time after confirmation as the board shall establish, and the several subsequent installments shall be due at intervals of 12 months from the due date of the first installment or from such other date as the board shall establish. All unpaid installments, prior to their transfer to the tax roll of each local unit of government involved, shall bear interest, payable annually on each installment due date, at a rate to be set by the board, not exceeding 6% per annum, from such date as established by the board. Future due installments of an assessment against a parcel of land may be paid to the treasurer of each local unit of government at any time in full, with interest accrued to the due date of the next installment. If any installment of a special assessment is not paid when due, then it shall be considered to be delinquent and there shall be collected on the installment, in addition to interest as above provided, a penalty at the rate of 1/2 of 1% for each month or fraction of a month that it remains unpaid before being reported to the township board for reassessment upon the tax roll.

324.30915 Special assessments; liens.

Sec. 30915. All special assessments contained in any special assessment roll, including any part of the special assessment payment that is deferred, constitute a lien, from the date of confirmation of the roll, upon the respective parcels of land assessed. The lien shall be of the same character and effect as the lien created Rendered Friday, March 25, 2022

for taxes in each local unit of government and shall include accrued interest and penalties. A judgment, decree, or any act of the board vacating a special assessment does not destroy or impair the lien upon the premises assessed for the amount of the assessment as may be equitably charged against the premises, or as by a regular mode of proceeding might be lawfully assessed on the premises.

324.30916 Special assessments; collections.

Sec. 30916. When any special assessment roll is confirmed, the lake board shall direct the assessments made in the roll to be collected. The clerk of each local unit of government involved shall then deliver to the treasurer of each local unit of government the special assessment roll, to which he or she shall attach his or her warrant commanding the treasurer to collect the assessments in the roll in accordance with the directions of the lake board. The warrant shall further require the treasurer, on September 1 following the date when any assessments or any part of an assessment have become due, to submit to the lake board a sworn statement setting forth the names of delinquent persons, if known, a description of the parcels of land upon which there are delinquent assessments, and the amount of the delinquency, including accrued interest and penalties computed to September 1 of the year. Upon receiving the special assessment roll and warrant, the treasurer shall collect the amounts assessed as they become due.

Sec. 30917. If the treasurer reports as delinquent any assessment or part of an assessment, the lake board shall certify the delinquency to the assessing official of each local unit of government, who shall reassess, on the annual tax roll of the local unit of government of that year, in a column headed "special assessments", the delinquent sum, with interest and penalties to September 1 of that year, and an additional penalty of 6% of the total amount. Thereafter, the statutes relating to taxes shall be applicable to the reassessments in each local unit of government.

324.30918 Division of land parcels; uncollected assessment apportioned.

Sec. 30918. If any parcel of land is divided after a special assessment on the land has been confirmed and before the collection of the assessment, the lake board may require the assessment official to apportion the uncollected amounts between the divisions of the parcel of land, and the report of the apportionment when confirmed by the lake board shall be conclusive upon all parties. If the interested parties do not agree in writing to the apportionment, then, before confirmation, notice of hearing shall be given to all the interested parties, either by personal service or by publication as provided in the case of an original assessment roll.

Sec. 30919. If the assessments in any special assessment roll prove insufficient for any reason, including the noncollection of the assessment, to pay for the improvement for which they were made or to pay the principal and interest on the bonds issued in anticipation of the collection of the assessment, then the lake board shall make additional pro rata assessments to supply the deficiency, but the total amount assessed against any parcel of land shall not exceed the value of the benefits received from the improvement.

assessment illegal, the lake board, whether the improvement has been made or not and whether any part of the assessment has been paid or not, may proceed from the last step at which the proceedings were legal and cause a new assessment to be made for the same purpose for which the former assessment was made. All proceedings on that reassessment and for the collection of the assessment shall be conducted in the same manner as provided for the original assessment. Whenever an assessment or any part of an assessment levied upon any premises has been set aside, if the assessment or part of an assessment has been paid and not refunded, the payment shall be applied upon the reassessment.

324.30922 Borrowing; issuance of lake level orders and bonds.

Sec. 30922. The lake board may borrow money and issue lake level orders or the bonds of the special assessment district in anticipation of the collection of special assessments to defray the cost of any improvement made under this part after the special assessment roll has been confirmed. The bonds or lake level orders shall not exceed the amount of the special assessments in anticipation of the collection of which they are issued. Collections on special assessments to the extent pledged for the payment of bonds or lake level orders shall be set aside in a special fund for the payment of the bonds or lake level orders. The issuance of special assessments bonds or lake level orders shall be governed by the general laws of this state applicable to the issuance of special assessments bonds or lake level orders and in accordance with the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. Bonds or lake level orders may be issued in anticipation of the collection of special assessments levied in respect to 2 or more public improvements, but no special assessment district shall be compelled to pay the obligation of any other special assessment district. The local governing body may pledge the full faith and credit of a local unit of government for the prompt payment of the principal of and interest on the bonds or lake level orders as they become due. The pledge of full faith and credit of the local unit of government shall be included within the total limitation prescribed by the revised municipal finance act, 2001 PA 34, MCI. 141.2101 to 141.2821. Bonds and lake level orders issued under this part shall be executed by the chairperson and secretary of the lake board, and the interest coupons to be attached to the bonds and orders shall be executed by the officials causing their facsimile signatures to be affixed to the bonds and orders.

(a) The fees and expenses of special commissioners.

(b) The contracts for dredging or other work to be done on the project.

(c) The estimated cost of an appeal if the apportionment made by the lake board is not sustained.

(d) The estimated cost of inspection.

(c) The cost of publishing all notices required.

(f) All costs of the circuit court.

(g) Any legal expenses incurred in connection with the project, including litigation expenses, the costs of any judgments or orders entered against the lake board or special assessment district, and attorney fees.

(h) Fees for any permits required in connection with the project.

(i) Interest on bonds for the first year, if bonds are to be issued.

(j) Any other costs necessary for the administration of lake board proceedings, including, but not limited to, compensation of the members of the lake board, record compilation and retention, and state, county, or local government professional staff services.

(2) In addition to the amounts computed under subsection (1), the lake board may add not less than 10% or more than 15% of the gross sum to cover contingent expenses, including additional necessary hydrological studies by the department. The sum of the amounts computed under subsection (1) plus the amount added under this subsection is considered to be the cost of the lake improvement project.

(3) A lake board shall not expend money for improvements, services, or other purposes unless the lake board has adopted an annual budget.

(4) A lake board may retain an attorney to advise the lake board in the proper performance of its duties. The attorney shall represent the lake board in actions brought by or against the lake board.

324.30929 Lake board for inland lake; dissolution.

Sec. 30929. A lake board for an inland lake is dissolved if all of the following requirements are met:

(a) The governing body of each local unit of government in which all or part of the lake is located holds a public hearing on the proposed dissolution, determines that the lake board is no longer necessary for the improvement of the lake because the reasons for the establishment of the lake board no longer exist, and approves the dissolution of the lake board. For a public inland lake, the governing body of each local unit of government in which all or part of the lake is located may hold the public hearing on the dissolution of the lake board on its own initiative. For a public or private inland lake, the governing body of each local unit of government in which all or part of the lake is located shall hold a public hearing on the dissolution of the lake board upon petition of at least 2/3 of the property owners owning land abutting the lake or upon petition of the property owners who have been assessed at least 2/3 of the cost of the most recent improvements, excluding the amount assessed to local units at large. Notice of the public hearing shall be published twice in a newspaper of general circulation in each local unit of government in which all or part of the lake is located. The first notice shall be published not less than 10 days before the date of the hearing.

(b) All outstanding indebtedness and expenses of the lake board are paid in full.

(c) Any excess funds of the lake board are refunded based on the last approved special assessment roll. However, if the amount of excess funds is de minimis, the excess funds shall be distributed to the local units of government in which all or part of the lake is located, apportioned based on the amounts assessed against each local unit of government and lands in that local unit on the last approved special assessment roll.

(d) The lake board determines that it is no longer necessary for the improvement of the lake, because the reasons for its establishment no longer exist, and adopts an order approving its dissolution.

History: Add. 2004, Act 522, Eff. Mar. 1, 2005; -- Am. 2011, Act 96, Imd. Eff. July 15, 2011.

Popular name: Act 451 Popular name: NREPA deployed near the outlet structure in November 2020, and its data were downloaded in March, June, and November of 2021. Visual inspections of the outlet structure during site visits by K&A staff revealed a semi-constant loss of water, either from groundwater or surface water from Cedar Lake. Ongoing concerns regarding the loss of water from the outlet structure have been voiced by Cedar Lake stakeholders, and the efficacy of the outlet structure will be further discussed herein. Future monitoring efforts will continue to closely inspect the outlet structure and will guide any action needed to correct the loss of water through the structure.

Water level data collected for Cedar Lake continue to be vital for assessing, understanding, and cost-effectively pursuing appropriate water level control options in a phased manner. These are particularly relevant given the aforementioned recent changes and their impacts to water levels in respect to the low-level conditions observed in 2021. Other future management strategies actively being pursued include water retention improvements to Jones Creek and utilizing deep groundwater withdrawal augmentation wells. Preliminary water quality sampling of the deep aquifer augmentation well near Sherman Creek revealed no PFAS contamination above Michigan regulatory limits as of August 2021. With no contamination present, the implementation of this management effort in the near-future is increasingly likely.

This technical memorandum therefore presents findings of the ongoing water level studies in the Cedar Lake watershed and discusses these in the context of implemented, ongoing, and potential future water level management strategies being contemplated. All tables and figures referenced in the body of this memo are provided separately at the end of the memo narrative.

Program Background

A volunteer water level monitoring program was initially developed at select groundwater and surface water monitoring sites around Cedar Lake in 2004. Since then, water level monitoring efforts have expanded to include additional critical areas using automated water level logger equipment in lieu of intermittent volunteer measurements. The 2021 water level monitoring program included 30 level loggers located around the lake, as shown on the map in Figure 1.

Consistent with previous years, a combination of surface water stations along with shallow and deep groundwater stations were monitored to document the interactions between surface water, groundwater, and Cedar Lake water levels. Sherman Creek, Jones Creek, and the King's Corner Road culvert continued to be monitored in 2021 to calculate estimates of surface water flows into Cedar Lake. Level loggers were also deployed in the three in-stream stilling wells in Sherman Creek to further understand the impacts of the instream grade structures on creek water levels and discharges. Additional loggers deployed at the wetland berm spillway monitored water levels and discharges upstream and north of King's Corner culvert.

The wetland berm was constructed in fall of 2017 as part of the ongoing efforts to retain water levels in the cedar swamp. Direct field measurements of water levels and flows from 2018-2021 were used to estimate surface water flows occurring through the wetland berm spillway based on continuous water level data. The wetland berm was designed with a stone-laden spillway meant to overflow at an elevation of 611.50 feet so as not to permanently alter historic high-water

Cedar Lake Hydrology Considerations for CLIB Purchase of the Reis Property

K&A is providing relevant Cedar Lake level and hydrology consideration associated with the possible purchase of private property surrounding Jones Creek in the watershed drainage of northwest cedar swamp. These considerations relate to approved Watershed Management Plan recommendations to manage Jones Creek hydrology to benefit lake level needs; both for natural control and potential augmentation well applications.

K&A has completed a preliminary review of the Ries Property described as:

- Parcel ID 04-015-400-100-00 & 041-196-000-068-00
- Address of 3325 W. Cedar Lake Road
- Containing two parcels; one 11.71 acres and one 0.81 acres adjacent to and south
 of the larger parcel. The larger parcel lies on both sides of W. Cedar Lake Road.
 The smaller parcel encompasses Jones Creek between W. Cedar Lake Road and
 Cedar Lake.

Preliminary Site Review Considerations:

- The Ries Property is unique as it encompasses the outflow of the Jones Creek Marsh and Jones Creek from the outflow at W. Cedar Lake Road to Cedar Lake.
- The 2011 Augmentation Study and current K&A pumping calculations suggest that at least two well sites, each producing 500 gallons per minute, will likely be needed to maintain desirable lake levels during dry recreational seasons on Cedar Lake. Locating a well site closer to the north end of the lake, particularly within or near the Jones Creek Marsh, is advantageous. The Ries Parcel would facilitate this need in addition to the Sherman Creek property already under CLIB control. The Ries property will accomplish this by providing:
 - A location for one or more of the wells associated with this potential northern augmentation well site.
 - o Access to a possible well site for electricity.
 - A pathway for discharge of the well water through Jones Creek Marsh and Jones Creek.
- The Ries Property, once purchased may be split into appropriate parcels to minimize further ownership and needs; that is:
 - A parcel containing Jones Creek and appurtenances to be petitioned to be a county drain.

- A parcel containing well locations, power access and controls for a possible northern augmentation well site.
- A lake access property with a residence that could be sold off to mitigate any costs of purchasing and development for augmentation.
- The Ries Property appears to be an advantageous purchase for the CLIB under the Watershed Management Plan:
 - o It provides for ownership of a parcel of land that is identified in the watershed management plan to be improved for Cedar Lake augmentation of both surface flows and infiltration.
 - It provides for ownership of a parcel that provides access to land for installation of augmentation wells.
 - o It supports the control of surface water flows to the Lake.

It is K&A's opinion that if the CLIB has the opportunity to purchase this property, CLIB control will benefit long-term lake level management needs.

Dear Ms Simmons

Enclosed is a letter from the Alcona, Iosco Cedar Lake Assoc. requesting that we be placed on the agenda for the next County Board Meeting. The purpose of this request is it is our desire to form a LAKE BOARD for the purpose of dredging Cedar Lake. If you have any questions please feel free to contact me at my home 739-8551

Alcona losco Cedar Lake Association Post Office Box 180 Greenbush, MI 48738-0180

Alcona and Iosco County Commissions

Dear Sirs:

At a meeting of the Alcona losco Cedar Lake Association, the membership overwhelmingly approved the following motion:

Pursuant to Act 345, P. A. of 1966 as amended and known as "The Inland Lake Improvement Act of 1966" it is my motion under this act that we establish a lake board that is charged with the responsibility of carrying out the desired improvements to Cedar Lake which includes the dredging, removal, relocation and disposal of dredge material from Cedar Lake and authorizes the board to raise money by taxation and special assessments.

The Greenbush Township Hall was filled to overflowing. We estimate that 250 people were present. Based on a show of hands, about half the persons present were from losco county and the other half from Alcona County. It was a membership meeting, but we announced it to all riparian owners and we turned nobody away because they were not members. We have included a copy of the minutes of that meeting with this letter.

Cedar Lake is shallow and getting shallower due to the accumulation of muck on the bottom. That muck is beginning to interfere with all boating activity on the lake. It already makes swimming or water skiing unpleasant. We believe we cannot wait any longer to get started on dredging the lake to restore the quality of the lake experience and prevent a fall in property values around the lake.

About two years ago, our members voted to dredge the lake. Our Board considered options until about a year ago when we decided that our best choice was to ask you to form a lake improvement board. First, we got a list of taxpayers on the lake from each county and prepared a mailing list from those taxpayers. We have included a copy of our mailing list. Then, we started to mail our newsletter to each of those addresses. We have constantly corrected that mailing list, even visiting addresses on the lake from which the post office returned our mail.

We have included a copy of each of the six newsletters we have sent this year. You will note that we have commented on the condition of the lake in each edition. In August, we specifically said that dredging was our agenda for the September meeting. We also established a web site. Many people discussed dredging of the lake on that web site, including at least one person who did not have a computer, but used someone else's.

We have marked our mailing list with a number for our members, the letter N for non members and a letter C for those persons who receive the newsletter as a courtesy. Based on that list our Association has 413 members. We believe that there are 734 riparian owners around the lake. Therefore, we believe we speak for the home owners on the lake. We ask for your support.

We have included a sample resolution on this matter which you may find helpful as you prepare your own resolution.

Thank you for your attention to this matter.

Oscoda Township Superintendent, Supervisor, Clerk, Treasurer, Board of Trustees 110 State Street Oscoda, MI 48750

I have been a riparian of Cedar Lake since 2016, member of the Alcona-Iosco Cedar Lake Association (AICLA), and an active participant in the Cedar Lake Improvement Board (CLIB). On March 29th, 2022, I emailed the CLIB Chairperson, Rex Vaughn requesting electronic copies and access to CLIB documents, such as Budgets-Minutes-Financials. I was denied public access to the requested items, with no electronic copies of the documents being sent. I was advised via email that the documents I requested were unavailable publically, stored on a non-governmental personal CLIB Board Member computer, and unavailable for review or inspection in a Public Setting. On September 19th, 2022, I again emailed the CLIB Chairperson, Rex Vaughn again requesting electronic copies and access to the same information requested on March 19th, 2022, which was denied.

On November 15th, 2022, I submitted as a Riparian Owner of Cedar Lake, a FOIA request via email to Alcona County, Iosco County, Greenbush Township and Oscoda Township, requesting all CLIB documents, such as Minutes, Agendas, Budgets, Resolutions and email communications between all the current, and former Board Members of the CLIB. All FOIA requests were partially answered by Alcona County, Iosco County, Greenbush Township and Oscoda Township. Each governmental entity replied that the items I requested where not available or retained by each governmental unit, however CLIB email correspondences were provided.

Once I reviewed the FOIA responses, I discovered Resolution 2020-1, adopted by the CLIB at a public meeting held on July 23rd, 2020 and signed by Chairman Rex Vaughn on July 28th, 2020. Resolution 2020-1 outlines the Special Assessment Districts anticipated funding amount for the 10-year Special Assessment District's Tax capture, along with the projects to be funded with that funding from 2021-2030.

I am distressed, concerned and troubled by the CLIB's lack of transparency and unwillingness to provide requested documents as outlined in FOIA and the Michigan Open Meetings Act, Act 267 of 1976.

While conducting research into the creation of Lake Improvement Boards, I discovered the following excerpt from the CLIB Attorney, which outlines the OMA process stating, "the Cedar Lake Improvement Board (the Lake Board) is a local government unit or agency. Accordingly, it is fully subject to the Michigan Open Meetings Act, being MCL 15.261 et seq. (the OMA). Under the OMA, all meetings of the Improvement Board must be public, properly noticed/posted ahead of time, minutes must be kept, members of the public have the right to reasonable comment, etc."

"A statutory lake improvement board in Michigan is a local government agency created pursuant to the Inland Lake Improvements Act, being MCL 324.30901 et seq. (The Act). Statutory lake boards can be created by one or more adjoining townships, as well as one or more adjoining counties, within which a particular lake is located. They are semi-independent bodies that are typically created to remedy lake problems, including the control or eradication of aquatic weeds or invasive species, dredging, improving watershed or similar purposes."

It should be noted, the CLIB, created by Michigan Statute (Act 451 of 1994-Part 309), is comprised of one (1) Cedar Lake Riparian, and six (6) governmental officials, from 4 separate units of government. (1) Alcona County Commissioner, (2) Alcona County Acting Drain Commissioner, (3) Iosco County Commissioner, (4) Iosco County Drain Commissioner, (5) Greenbush Township Representative, (6)

Oscoda Township Trustee. The one Cedar Lake Riparian member, and current Chairperson of the CLIB, was appointed by the 6 governmental officials to this governmental board and elected Chairperson.

Due to the lack of transparency, refusal to allow public inspection to CLIB documents as outlined in the OMA, failure to record and to secure the minutes of CLIB meetings, I have serious concerns that the Cedar Lake Improvement Board (CLIB) has committed OMA violations in the past, and continues to commit violations under the OMA.

Listed below are items of concern and supporting documentation:

CLIB SAD Projects-Improvements & Budget

On page 1 of resolution 2020-1, it states in part, "WHERAS, the Board intends to proceed to undertake certain public improvements (i.e. the control and eradication of certain aquatic weeds and also lake management activities and other certain improvements) as described in Exhibit A attached hereto (the "Public Improvements") with regard to Cedar Lake located within Alcona and Iosco County: and...

In reviewing "Exhibit A¹", which outlines the total income for the 10-year SAD, is \$1,140,000, or \$114,000 per year for expenses/projects. The Estimated Category Budgeted Costs outlined in "Exhibit A" for 2021-2030 are \$1,140,000. There is a breakdown of itemized individual cost estimates for services to be provided by the CLIB for Cedar Lake by the CLIB-Special Assessment District. I also reviewed the yearly budgets/line items for the CLIB from 2020 thru 2023², as presented during the budget adoption in 2023. Upon review of the budget documents obtained from the FOIA request from Alcona County, I did not see a redetermination hearing of projected costs, or a budget amendment for the cost of the land purchase located adjacent to, and including 'Jones Ditch". This land purchase project was never adopted and budgeted by the CLIB at any time since Resolution 2020-1 was approved. I did locate documents, where the current board approved this purchase during a meeting, however this "project" was never included in the original SAD creation/budget for 2021-2030, nor brought back to the entire SAD district for approval. How was this projected funded? If there was a surplus of unutilized SAD funding prior to this purchase, how much was the surplus and why was it not used for "approved projects" as listed in "Exhibit A or returned to the riparian's?"

Based on initial review of CLIB documents, there was approximately $$450,000^3$ surplus funding in the CLIB budget in FY2022 prior to the purchase of the "Jones Ditch Property".

CLIB Contracts for Service:

During a prior CLIB meeting, there was discussion on requesting RFP's for contracted services, funded by the CLIB, for Cedar Lake. One CLIB representative was adamant on not doing yearly contracts for service, and requested the board extent the awards to 5 years. Upon review of the limited CLIB minutes obtained from Alcona County via a FOIA request, it revealed that for the past 15 plus years, there has never been a request for bids for service, which are funded by the CLIB-Special Assessment District (SAD). The CLIB awarded yearly no bid contracts to (1) Consulting and Engineering (Kieser & Associates) (2) Lake Management/Scientist (Dr. Pullman) (3) Lake Herbicide Treatment (Clarke Aquatics). Although this statute does not define the length or frequency of bids required, continuing with the same service provider for extended periods without the bidding process could cause concerns. Additionally, these service providers have been involved with Cedar Lake concerns for 15 plus years, however no sustainable solutions for maintaining the established legal water level have been

implemented. We continue to have serious seasonal fluctuation of water levels during the "summer season". NOTE: RFP's were never solicited prior to FY2023.

Lake Level Augmentation:

Since the creation of the CLIB, there has been many discussions, inquiries, concerns and scientific studies funded by the CLIB in regards to the hydrology of Cedar Lake and Invasive Weed Control/Treatment. ⁵ One area of concern has been, and currently being pursued by the CLIB is the prospect of "Augmentation". In 2010, the CLIB awarded a contract to Kieser & Associates to explore/drill augmentation test wells on CLIB owned property near Sherman Ditch, located in Alcona County. Ultimately, a 12 inch well was drilled for testing and future use in augmenting Cedar Lake with groundwater. The funding for this augmentation project was funded by the Special Assessment District created by the CLIB. This augmentation well was never put into operation and was sealed. Again, I did not see this project outlined in the previous SAD creation, nor included in the current SAD projects, as written in Exhibit "A". Years later, the CLIB consulting firm of Kieser & Associates was tasked by the CLIB to further research augmentation. The Kieser & Associates report suggests 5 augmentation wells on the CLIB property located near Sherman Ditch. In 2021, the CLIB began the process of purchasing addition property Northwest of Cedar Lake near Jones Ditch. In 2022, the CLIB completed the purchase of this property, which surrounded Jones Ditch, and the wetlands adjacent to Jones Creek, located west of Cedar Lake Road. Kieser & Associates identified 5 additional augmentation wells in this proposed property acquisition by the CLIB. Cost of the property acquisition and research by Kieser & Associates was paid for using CLIB-Special Assessment District Funding. A redetermination hearing was never conducted by the CLIB, to include these costs for the exploration of Augmentation.

It's noteworthy, that Augmentation and the purchase of land by the CLIB (Sherman and Jones Ditch property) was never included in the budget for the CLIB as presented to the SAD district, in CLIB resolution 2020-1. Further, If the SAD was created to fund the projects listed in Exhibit "A". Where did this additional funding come from? These 2 property purchased and the projects completed within the Sherman Ditch area constitute approximately half (1/2) of the total SAD for a 10-year period.

During research of the Augmentation process for inland lakes, it is defined in Act 451 of 1994-Part 307. Under section 324.30708, it clearly states:

324.30708 Maintenance of normal level; acquisition by gift, grant, purchase, or condemnation; contract for operation and maintenance of existing dam; dam in adjoining county; operation of pumps and wells.⁹

Sec. 30708. (1) After the court determines the normal level of an inland lake in a proceeding initiated by the county, the delegated authority of any county or counties in which the inland lake is located shall provide for and maintain that normal level.

(2) A county may acquire, in the name of the county, by gift, grant, purchase, or condemnation proceedings, an existing dam that may affect the normal level of the inland lake, sites for dams, or

rights in land needed or convenient in order to implement this part. A county may enter into a contract for operation and maintenance of an existing dam. The county may construct and maintain a dam that is determined by the delegated authority to be necessary for the purpose of maintaining the normal level. A dam may be acquired, constructed, or maintained in a county adjoining the county in which the lake is located.

(3) For the purpose of maintaining the normal level, a <u>delegated authority</u> may drill wells or pump water from another source to supply an inland lake with additional water, may lower the level of the lake by pumping water from the lake, and may purchase power to operate pumps, wells, or other devices installed as part of a normal level project.

Upon attending CLIB meetings, and having been in discussion with both the Iosco, and Acting Alcona Drain Commissioners, I found no documentation that the CLIB was designated a "delegated authority" to initiate, or implement any drilling of Augmentation wells for Cedar Lake. In a letter authored by the Iosco County Attorneys on June 12th, 2023, it states, "No. the County has not delegated any authority to the CLIB for projects outlined in Part 307". Further research revealed the Cedar Lake Improvement Board was created by Alcona & Iosco County Resolutions. In a written opinion by the CLIB Attorney Clifford Bloom, he refers to the CLIB as a local government unit of agency. There are no published Budgets, Agendas, Documentation or Minutes for the CLIB, available for public review. On September 30th, 2022, Oscoda Township began to publish CLIB Meeting notices and agendas. Based on the refusal of the CLIB to make publically available, or provide electronic copies as requested of CLIB financials, meeting minutes, or other documents, the only possible source for these documents, was to FOIA Alcona & Iosco Counties, as well as Greenbush and Oscoda Townships to receive historical minutes, and other documents from CLIB meetings, if they exist with those entities.

Maintaining Cedar Lake Legal Lake Level-Cedar Lake Improvement Board

As delineated in the Technical Memorandum from Kieser & Associates dated March 8^{th} , 2022, it states the following:

"As part of the 2021 Task 6 (Stage 2) work scope under the CLIB, K&A was authorized to assess the next level of augmentation well use to help maintain recreationally desired water levels during summer months, particularly during years with limited precipitation. These current efforts included the following initial two stages of assessment:

- 1. Sample the existing augmentation well at the Sherman Creek site for PFAS contaminants, and then simulate future pumping conditions in the context of reported PFAS groundwater contamination associated with Wurtsmith Air Force Base contaminant plume to determine whether the CLIB Sherman Creek property was suitable for multiple augmentation wells.
- 2. If no PFAS concerns were identified in Stage 1, proceed to Stage 2 for preliminary engineering and costing of equipment needs and operation of multiple augmentation wells necessary to maintain desired lake levels under a variety of conditions. K&A has completed both to these initial two stages of augmentation well use assessment. Non-detect PFAS laboratory results were previously communicated to the CLIB from sampling of the existing 12- inch augmentation test well. This memorandum presents results from preliminary engineering and costing of equipment and operation for augmentation wells including capacity needs to maintain lake levels and considerations of regional groundwater contamination to the south of Cedar Lake. For the augmentation well assessment, K&A studied several historic and current data sets including the following (supplemental information is provided for reference in appendices to this memorandum):
- Lake level and precipitation data between 2014 and 2021, particularly years 2020 and 2021 to identify augmentation needs for maintaining water levels between the legal lake level of 608.2 and one

¹⁰ CLIB Attorney Bloom Email Dated March 27th, 2023

foot below legal lake level at 607.2 as a targeted range for suitable summer lake levels (see Appendix A for related graphs and data summaries used in this historic examination)

NOTE: The Alcona Circuit Court ordered the Legal Lake Level be established at 608.2, and never suggested a "range" of acceptable water levels.

- Inflows to the lake from precipitation with direct measurements from Sherman Creek and Jones Creek (Appendix B)
- State of Michigan PFAS groundwater testing results for regional aquifer conditions (Appendix C)
- Publicly available well data for the sections west of Cedar Lake (Appendix D)
- Cedar Lake Augmentation Feasibility Study of August 2011 and particularly, the Williams & Works Groundwater Resource Evaluation Cedar Lake Wetlands Improvement Project aquifer testing (excerpted and included here as Appendix E)"

The CLIB continues to spend Cedar Lake Special Assessment District funding for Augmentation projects, that it (CLIB) has no legal authority to pursue. As stated in Part 324.30708, the statute outlines:

Sec. 30708. (1) After the court determines the normal level of an inland lake in a proceeding initiated by the county, the <u>delegated authority</u> of any county or counties in which the inland lake is located shall provide for and maintain that normal level.

- (2) A county may acquire, in the name of the county, by gift, grant, purchase, or condemnation proceedings, an existing dam that may affect the normal level of the inland lake, sites for dams, or rights in land needed or convenient in order to implement this part. A county may enter into a contract for operation and maintenance of an existing dam. The county may construct and maintain a dam that is determined by the delegated authority to be necessary for the purpose of maintaining the normal level. A dam may be acquired, constructed, or maintained in a county adjoining the county in which the lake is located.
- (3) For the purpose of maintaining the normal level, a <u>delegated authority</u> may drill wells or pump water from another source to supply an inland lake with additional water, may lower the level of the lake by pumping water from the lake, and may purchase power to operate pumps, wells, or other devices installed as part of a normal level project.

Mileage Reimbursement to Riparian Representative

On December 16th, 2022, the CLIB Board of Directors discussed and approved a "Meeting travel policy for non-governmental board members." ¹¹ Since the CLIB does not have by-laws to govern the duties and operation of the CLIB, how will this new policy be implemented? The mileage rate would be 62.5 cents per mile as set forth in IRS Notice 2022-03. Subsequent to the board approval, the CLIB Riparian representative submitted mileage reimbursement, paid from the SAD tax capture, for travel from his residence in Flint Township, to his home in Greenbush Township, then returning to Flint Township, for the purpose of attending CLIB meetings of the Board of Directors. ¹² The Cedar Lake Riparian representative is a voluntary position. Michigan Statute requires the representative have ownership and riparian rights on Cedar Lake. Based on this position being voluntary, and requiring riparian rights on Cedar Lake, the mileage from Flint Township to Greenbush Township should not be funded by tax payer SAD funding and be repaid to the SAD funding account. This Cedar Lake Riparian position is purely voluntary in nature and reimbursements should not be funded by tax capture. I believe mileage would be appropriate from their Cedar Lake residence to the meeting location, and return to their Cedar Lake residence.

CLIB By-Laws

In May 2021, the CLIB received an email from the CLIB Attorney Bloom suggesting the CLIB create by-laws. A motion was made to research/create bylaws on May 7th 2021, New Business, item I "recommendation from our attorney to create by-laws to cost approximately \$600" was discussed. Motion was approved for the Chairperson to proceed with his recommendation and report to the board". Subsequently, numerous CLIB meeting have been held since May 7th, 2021, and no action has been taken to present or adopt the creation of the by-laws. Despite being added to various CLIB Agendas; this task has not been completed as of July 25th, 2023, which is over 2 years after being made aware by the CLIB Attorney.

CLIB Property Ownership

During the CLIB meeting of August November 22th, 2014, the CLIB Chairperson advised the CLIB closed on a property purchase for the McDaniel's parcel on 8-14-2014. (Under Old Business "a") During Old Business "b". there was board discussion regarding insurance. "Nothing settled, still discussing with agent and need for liability, etc."

During the CLIB meeting of November 6th, 2014, Old Business "b", Insurance Requirements. The CLIB minutes reflect: "Lappan not convinced it's needed. Needs posted for trespassing."

How can the CLIB purchase and own real property? The CLIB is an entity with no physical address, never filed financials to the State of Michigan since inception in 1995, and operating without bylaws or Articles of Incorporation? The CLIB purchased several parcels of property in the past and never secured liability insurance. Who is responsible for any claims of injury by citizens who may become injured while on CLIB property? I did not see anything in the meeting minutes to suggest this liability issue was reviewed by the CLIB Attorney. Based on this board's action, who is liable for injuries on CLIB owned property, since every governmental entity represented on The CLIB voted in the affirmative to purchase the property? (Alcona & Iosco Counties- Oscoda & Greenbush Townships)

CLIB Elected Officers

In Act 451 or 1994 (Part 309) Inland Lake Improvements. It states, "The lake board <u>shall</u> elect a chairperson, treasurer, and <u>secretary</u>. ¹⁴ The <u>secretary</u> shall attend meetings of the lake board and <u>shall</u> <u>keep a record of the proceedings</u> and perform other duties delegated by the lake board."

The CLIB delegated Alcona Commissioner Brummund as the Treasurer, however the (CLIB) never elected a Secretary as outlined, and employs a "Fiduciary/Scribe" who performs Treasury function, as well as recording and completing the documentation of meeting minutes for the CLIB. The Fiduciary/Scribe is assigned these tasks, despite not being a member of the CLIB board, and financially compensated by the CLIB using SAD funding each year. 15

Meeting Minutes

At the CLIB meeting on November 11th, 2022, CLIB Board Members discussed recommendations from the "Fiduciary/Scribe" and the Auditor to move all CLIB records from a Greenbush Township owned laptop computer to a CLIB owned laptop computer. A motion to authorize the "Fiduciary/Scribe" to purchase a laptop and necessary software at a cost not to exceed \$1,000 made by Wusterbarth,

The CLIB does not maintain an office, so these documents cannot be reviewed by the public, as outlined in Michigan Open Meetings Act. Under Act 267 of 1976, Section 15.269 Minutes, it states:

- (1) Each public body shall keep minutes of each meeting showing the date, time, place, members present, members absent, any decisions made at a meeting open to the public, and the purpose or purposes for which a closed session is held. The minutes shall include all roll call votes taken at the meeting. The public body shall make any corrections in the minutes at the next meeting after the meeting to which the minutes refer. The public body shall make corrected minutes available at or before the next subsequent meeting after correction. The corrected minutes shall show both the original entry and the correction.
- (2) Minutes are public records open to public inspection, and a public body shall make the minutes available at the address designated on posted public notices pursuant to section 4. The public body shall make copies of the minutes available to the public at the reasonable estimated cost for printing and copying.
- (3) A public body shall make proposed minutes available for public inspection within 8 business days after the meeting to which the minutes refer. The public body shall make approved minutes available for public inspection within 5 business days after the meeting at which the minutes are approved by the public body.
- (4) A public body shall not include in or with its minutes any personally identifiable information that, if released, would prevent the public body from complying with section 444 of subpart 4 of part C of the general education provisions act, 20 USC 1232g, commonly referred to as the family educational rights and privacy act of 1974.
- ***The CLIB Meeting notices does not designate an address where these public documents could be inspected, as enumerated above in section (2). The CLIB meeting notices do identify the date, time and location of their meetings, which are governmental buildings/locations. I inquired with both the Alcona County Clerk, and the Greenbush Township Clerk, requesting copies of the CLIB meeting minutes. Both entities replied that those requested documents do not exist in their offices. ***18

Summary

After careful review of this information, the appearance of inappropriate spending of SAD tax funding. Along with supporting documentation and the lack of public availability/access to Cedar Lake Improvement Board (CLIB) documents, **I'm requesting that the Cedar Lake Improvement Board be dissolved.**

During my research, I was astounded to discover that the CLIB, since inception, has never provided Financial Audits to the State of Michigan as required, or to the Alcona & Iosco Counties board of commissioners, who created the CLIB by resolution, as well as Greenbush & Oscoda Township Officials, who oversee the collection of the Special Assessment Funding for the CLIB. Bi-Annual audits were never performed by the CLIB since inception. The first State of Michigan required audit, since the CLIB creation in 1995, was performed in the fall of 2022, with the report being filed in early 2023. If m dismayed at the lack of fiduciary responsibility by the CLIB, as it relates to the tax capture by the Special Assessment District along with the lack of reporting to the riparian stakeholders of Cedar Lake. Although there are CLIB members, who are elected County Commissioners from both Alcona and Iosco serving on the CLIB board, I suspect there has been no detailed informational updates or

communication from these individuals to their respective County Board of Commissioners on the status of the Cedar Lake Improvement Board, created by County resolutions.

The CLIB is functioning without Bylaws, as suggested by the CLIB Attorney. Additionally, Meeting Minutes, as required by the Michigan OMA, which are public records open to public inspection, are not a available for the public to review.²⁰

Documents/minutes are purportedly secured on a personal computer located at the personal residences of the CLIB Chairperson, and the personal residence of the CLIB hired/contracted "Fiduciary/Scribe"²¹, which denies public inspection of these public records. Minutes, Agendas, Budgets or Expenses are not posted on the CLIB website, or available for review by the public at the Alcona County, Iosco County, Greenbush Township, or Oscoda Township Clerks Office, despite having members of each governmental organization on the CLIB Board of Directors. The CLIB meeting notices list governmental agency addresses for each CLIB Board of Director meetings. (Alcona County & Greenbush Township Offices)

The CLIB-OMA violations under the Open Meetings Act, Act 267 of 1976, Section 15.269 are quite clear. In a FOIA response dated July 5th, Chairperson Vaughn states, "given the very broad, vague, and voluminous request for documents that you are seeking under FOIA, the estimated amount of costs to comply will be significant". "However the Cedar Lake Improvement Board has no employees and must hire contracted labor. In this case, that is \$60.60 per hour for a contractor (6 times the state minimum wage of \$10.10/hour)²²

It should be noted that the CLIB does employ a "fiduciary/scribe" that attends each CLIB meeting, records detail of the meetings such as roll call, motions, recording the vote of each board member, makes official detailed records of CLIB meeting minutes, and prepares a written record (minutes) for each meeting. Additionally, the "fiduciary/scribe" does initiate and conduct financial transactions for the CLIB, reporting to the CLIB Chairperson & Treasurer.²³

It appears the CLIB email response, dated and received on July 5th, 2023 is an attempt to circumvent the OMA Act, procedures and timeline requirements, to intimidate persons requesting FOIA information from the CLIB, as outlined in the OMA, Section 15.269.²⁴ In an email response from CLIB Chairperson Vaughn dated September 19th, 2022, it was written that the documents requested were, "included in the minutes". The most recent email from CLIB Chairperson Rex Vaughn, dated July 5th, 2023 states that the CLIB does not have these requested documents available, and they (CLIB) must hire a contractor to search for the documents requested, despite having a "Fiduciary/Scribe employed and paid by the CLIB for such activity.

The outrageous cost to fulfill a FOIA request, (\$3,636) in my opinion, is an attempt to intimidate anyone requesting public records open to public inspection as outlined in the OMA Act 267 of 1976, Section 15.269.

If there are any other questions, please feel free to reach out to me. I have included all of the footnote documents I referenced in this communication. Please see attached documents.

Alcona-losco Cedar Lake Association

P.O. Box 180 Greenbush, MI 48738

Date: June 4, 2007

To: Oscoda Township

Subject: Request the Township to Conduct a Special Assessment

The Cedar Lake Watershed Management Plan (WMP) Steering Committee is requesting that the township of Oscoda conduct a special assessment of all Cedar Lake lakefront township residents. An identical request is simultaneously being sent to Greenbush Township. The purpose of the requested assessment is to provide funding for the development of a WMP.

The steering committee is made up of the following elected officials, and representatives from federal, state and private organizations within the community who have a stake in the wellbeing of Cedar Lake.

- Iosco County Gary Adams, Drain Commissioner
- · Alcona County Carolyn Brummond, County Commissioner
- Alcona County Ron Young, Road Commission Engineer (drain commission function)
- Oscoda Township Rob Huebel, Township Supervisor
- Greenbush Township Ed Roddy, Township Supervisor
- Michigan DNR Steve Sendek
- Michigan DEQ Rick Shoemaker
- Alcona, and Iosco County Conservation Districts Rick Myrick
- Natural Resources Conservation Service Ryan Kruse
- Lakewood Shores Resort Craig Peters, Director
- Lakewood Shores, Property Owners Association Tammy Velton, Director
- Alcona-Iosco Cedar Lake Association, Inc. Caryl Anton, Secretary
- Alcona-Iosco Cedar Lake Association, Inc. Russ Anton. President
- Kieser & Associates Environmental Science & Engineering Mark Kieser, Senior Engineer
- Aquest Corporation Dr. Doug Pullman, Doctor of Limnology, Owner

In 2004 the lake association sponsored a two year hydrological evaluation of Cedar Lake to be conducted by the environmental science and engineering firm of Kieser & Associates. The purpose was to determine the reasons for dramatic annual water level drops on Cedar Lake, and to identify what might be done to mitigate or eliminate the water level fluctuations.

During the 1st year of the study the water level of Cedar Lake, which averages less then five feet deep, dropped over two feet during the recreational season. When this happens much of the lake becomes non-navigable. Many waterfront homes have large expanses of unsightly, foul smelling, exposed muck beaches. Many residents are forced to remove their boats early in the season. Under these dire conditions swimming, waterskiing, tubing, even just pleasure boating become very limited throughout the lake, and certainly all are significantly less pleasant.

The Kieser & Associates study determined that the significant, often severe, annual fluctuations in water level on Cedar Lake are the unintended consequences of human development.

Human development in the Cedar Lake watershed has seriously compromised the swamp on the northwest side of the lake. That swamp, aside from precipitation, is the only source of recharge water for the lake.

Additionally, human development has significantly lowered the water table on the southeastern side of the lake. The water table in that area is now, as a result, lower then the lake, with a constant outflow of water from Cedar Lake into a drainage system which empties into Lake Huron, and accounts for approximately 40% of the lake's water loss throughout the year.

Human development detrimental to the lake is going on today in exactly those two areas, and development of those areas that is potentially damaging to the lake is on the "drawing board" of a number of local interests.

If further adverse development of those two areas is allowed to proceed, it is a certainty that Cedar Lake will suffer even greater water level drops throughout the season, and at the same time, the swamp will become less and less capable of recharging the lake. Cedar Lake will be turned into a wetland.

The development of a WMP is one of the main recommendations from the Kieser study. A WMP will be the vehicle to protect the swamp and the rest of the watershed from further adverse development, to restore lost lake recharge function to the swamp, to make more efficient use of the recharge potential that exists in the swamp, and to restore a pike fishery.

The steering committee initially hoped to fund the development of a WMP via a DEQ Section 319(h) federal Clean Water Act grant. We were denied a grant in 2006, and our request for a grant in 2007 is pending. However, realistically, considering the state's economic condition, as-well-as Cedar Lake's place in the state's overall environmental picture, it is less likely that we'll be awarded a grant this year then it was in 2006. In any case, we'll be notified if we are awarded a grant by early August 2007.

If a grant is awarded, obviously, we'll withdraw our request for an assessment. However, we've been told by the supervisors of both Oscoda and Greenbush townships that in order to have an assessment added to this winter's tax bill, the townships need to begin an effort to develop this special assessment immediately. So, in order to secure funding this year, we, by necessity, must pursue both funding options, until we learn the outcome of our request for a grant.

We cannot afford to wait yet an additional year before we address the problems confronting Cedar Lake.

The WMP is expected to take two years to develop. Using the cost model from our response to the DEQ request for proposals (RFP) for a grant, the development of the WMP will cost just under \$70,000 over the two year process.

Between Oscoda and Greenbush there are approximately 715 lakefront properties around Cedar Lake. Spreading the assessment out over the two years of plan development would increase the tax burden to those 715 taxpayers by approximately \$50 per year for the two years.

Over the last three years the lake association has used every means available to educate our constituency on this problem, and to learn and understand their preferences for addressing it. Support for the development of a WMP, understanding that it would likely be paid for by a special assessment is, as far as we've been able to discern, enthusiastic and nearly unanimous. There are no surprises here. This is a non-controversial issue.

As for the oversight of the WMP development, and the management of funds, we would also offer the townships the same management model proposed in our response to the DEQ grant RFP. Ed Roddy, Greenbush Township Supervisor would manage the effort, the lake association, an IRS approved non-profit 501 (c) (3) organization would provide Ed the resources needed to manage the plan development, the WMP Steering Committee described above would oversee the development of the plan and expenditure of funds, and Kieser & Associates would be the contracted technical consultant.

Finally, it is the recommendation of the steering committee that at the completion of the study, a lake board be formed and tasked with the job of plan implementation. The make up of the lake board would be very similar to the lake board which currently exists for the purposes of aquatic plant management on Cedar Lake, including representatives of both counties and townships in which Cedar Lake resides, as-well-as the required citizen representative.

We thank you for your attention to this matter of utmost importance to the residents around Cedar Lake, and to the many members of our community who enjoy the use of this beautiful natural resource.

1.0 INTRODUCTION

Kieser & Associates, LLC (K&A), of Kalamazoo, Michigan, was retained by the Cedar Lake Improvement Lake Board (Lake Board) to conduct a feasibility study to evaluate seasonal options to augment summer water levels within Cedar Lake near Oscoda, Michigan. Initial tasks related to automated groundwater and surface water monitoring equipment purchases and installation were authorized by the Lake Board in October of 2009. The Lake Board authorized all other feasibility study tasks on April 20, 2010 for this 14-month study.

The Cedar Lake watershed straddles the southeast corner of Alcona County and the northeast corner of Iosco County. The area draining to Cedar Lake is located in the U.S. Geological Survey Hydrologic Unit Code (HUC) 04070003-0406. This 1,075-acre, high-quality lake is situated approximately 0.5 miles east of the Lake Huron shoreline and one mile north of the City of Oscoda. Cedar Lake is approximately 5.9 miles long, averaging approximately 0.2 miles wide. The lake is shallow, about five feet deep on average with a limited area as deep as fourteen feet. The lake is used for boating, swimming, fishing, hunting, and wildlife viewing. Land uses in the areas immediately surrounding and directly draining to the lake are generally comprised of residential, recreational, transportation, forests, grasslands, and wetlands. These comprise a very small drainage area, only 3,613 acres of land to the immediate northwest drain to Cedar Lake via intermittent streams and groundwater recharge. Because the lake is perched above other surface features, nearly 75% of the surrounding lands to the southwest, south, and east, (including shoreline areas) do not drain to the lake (K&A, 2005). This condition presents a unique influence on both lake water level and water quality.

The lake is primarily groundwater-fed with two intermittent streams, Sherman Creek and a second unnamed creek, known locally as Jones Creek, flowing during late winter months through late spring in the drainage area to the northwest of Cedar Lake. These creeks originate in a large wetlands/cedar swamp complex on the northwest side of Cedar Lake. The lake has two concrete outflow drop-box weir structures at its north end that were constructed in the 1950's to regulate water level at an established legal lake elevation of 608.5 feet (K&A, 2005). Surface outflows from these structures typically occur following snowmelt through May and discharge to Lake Huron through an intermittent stream channel terminating in a wetlands complex north of the lake. A map of these surface water inflow and outflow locations is provided as Figure 1. Water levels in this shallow lake typically continue to drop through the summer months of June-September once spring outflows cease. During dry years with limited summer rainfall, these drops have been recorded as much as 26 inches (K&A, 2005).

2.0 BACKGROUND AND PUPROSE OF THIS STUDY

In July of 2005, K&A completed a Phase I Study for the Alcona-Iosco Cedar Lake Association (AICLA) to provide an initial assessment of the hydrologic conditions influencing Cedar Lake water levels. The Phase I report presented a compilation of available information, field reconnaissance, field data, and a preliminary assessment of

estimated gains and losses of lake water as influenced by local and regional conditions. Results of this study demonstrated significant lake level loss in late summer months, and found limited contributing surface water resources to Ccdar Lake (K&A, 2005).

As a follow-up to the Phase I efforts, K&A was authorized by the AICLA to complete a Phase II Study to further characterize manageable factors influencing lake levels and preliminarily identify management and/or structural solutions to help maintain lake levels during summer months. The Phase II study revealed that land development and installation of a drainage system on the southeast side of the lake was a major source of water loss from the lake during summer months. In addition, the wetlands complex in the northwest portion of the Cedar Lake watershed was identified as a primary resource of water recharge, both through groundwater and intermittent surface flows (K&A, 2006).

From 2008-2010, a watershed management plan (WMP) was developed by K&A for the Lake Board. This plan represents the framework for watershed needs and solutions by identifying strategies to preserve, protect or restore water quality and natural resources around Cedar Lake. The WMP identified watershed goals developed through stakeholder input and an integrated analysis of the watershed threats and concerns, designated and desired uses in the watershed, and critical areas to protect. The WMP also assisted in the evaluation of augmentation source options (K&A, 2011).

The concept of lake level augmentation for Cedar Lake during the summer months provided a practical opportunity to assist with maintaining biologically/recreationally appropriate lake levels. Based on the observed Phase II relationships between measured lake elevation drop and monthly precipitation during the summer recreational season, some augmentation source options were suggested. Following the Phase II Study, additional groundwater monitoring was completed, and surface water inputs and outputs were further explored. On-going data collection provided K&A with sufficient information to evaluate options to augment summer water levels in Cedar Lake.

This lake augmentation feasibility study is intended to provide an evaluation of water level augmentation options and associated costs to supplement summer water levels in Cedar Lake. A list of each subsequent report section is provided as follows.

PART 307 INLAND LAKE LEVELS

324.30701 Definitions.

Sec. 30701. As used in this part:

- (a) "Commissioner" means the county drain commissioner or the county road commission in counties not having a drain commissioner, and, if more than 1 county is involved, each of the drain commissioners or drain commissioner and road commission in counties having no drain commissioner.
- (b) "County board" means the county board of commissioners, and if more than 1 county is involved, the boards of commissioners of each of those counties.
- (c) "Court" means a circuit court, and if more than 1 judicial circuit is involved, the circuit court designated by the county board or otherwise authorized by law to preside over an action.
- (d) "Dam" means an artificial barrier, structure, or facility, and appurtenant works, used to regulate or maintain the level of an inland lake.
- (e) "Delegated authority" means the county drain commissioner or any other person designated by the county board to perform duties required under this part.
- (f) "Inland lake" means a natural or artificial lake, pond, impoundment, or a part of 1 of those bodies of water. Inland lake does not include the Great Lakes or Lake St. Clair.
- (g) "Interested person" means the department and a person who has a record interest in the title to, right of ingress to, or reversionary right to land that would be affected by a permanent change in the natural or normal level of an inland lake.
- (h) "Normal level" means the level or levels of the water of an inland lake that provide the most benefit to the public; that best protect the public health, safety, and welfare; that best preserve the natural resources of the state; and that best preserve and protect the value of property around the lake. A normal level shall be measured and described as an elevation based on national geodetic vertical datum.

324.30702 Determination of normal inland lake level; motion or petition to initiate action; delegation of powers and duties by county board; maintenance.

Sec. 30702. (1) The county board of a county in which an inland lake is located may upon the board's own motion, or shall within 45 days following receipt of a petition to the board of 2/3 of the owners of lands abutting the inland lake, initiate action to take the necessary steps to cause to be determined the normal level of the inland lake.

- (2) Unless required to act by resolution as provided in this part, the county board may delegate powers and duties under this part to that county's commissioner, road commission, or other delegated authority.
- (3) If a court-determined normal level is established pursuant to this part, the delegated authority of the county or counties in which the lake is located shall maintain that normal level.

History: Add. 1995, Act 59, Imd. Eff. May 24, 1995.

324.30703 Preliminary study; costs; contents of study.

Sec. 30703. (1) Before proceeding on a motion made or a petition filed under section 30702, the county board may require that a preliminary study be conducted by a licensed professional engineer. The county board, by resolution, may require a cash payment from the petitioners sufficient to cover the actual preliminary study costs or of \$10,000.00, whichever is less.

(2) A preliminary study shall include all of the following:

(a) The feasibility of a project to establish and maintain a normal level of the inland lake.

(b) The expediency of the normal level project.

(c) Feasible and prudent alternative methods and designs for controlling the normal level.

(d) The estimated costs of construction and maintenance of the normal level project.

(e) A method of financing initial costs.

(f) The necessity of a special assessment district and the tentative boundaries if a district is necessary.

(g) Other information that the county board resolves is necessary.

324.30704 Initiating proceeding for determining normal inland lake level and establishing special assessment district; required finding; multicounty lake; joinder permitted.

Sec. 30704. (1) If the county board, based on the preliminary study, finds it expedient to have and resolves to have determined and established the normal level of an inland lake, the county board shall direct the prosecuting attorney or other legal counsel of the county to initiate a proceeding by proper petition in the court of that county for determination of the normal level for that inland lake and for establishing a special assessment district if the county board determines by resolution that one is necessary as provided in section 30711.

(2) If the waters of an inland lake are located in 2 or more counties, the normal level of the lake may be determined in the same manner if the county boards of all counties involved, by resolution, direct the prosecuting attorney or other legal counsel of 1 or more of the counties to institute proceedings. All counties may make a single preliminary study.

(3) The department may join a proceeding initiated under this section.

324.30705 Special assessment bonds; lake level orders; proceedings; issuance of notes; full faith and credit.

Sec. 30705. (1) The special assessment district may issue bonds or lake level orders in anticipation of special assessments. All proceedings relating to the making, levying, and collection of special assessments authorized by this part and the issuance of bonds or lake level orders in anticipation of the collection of bonds or orders shall conform as nearly as possible to the proceedings for levying special assessments and issuing special assessment bonds or lake level orders as set forth in the drain code of 1956, 1956 PA 40, MCL 280.1 to 280.630.

- (2) The special assessment district may issue notes in anticipation of special assessments made against lands in the special assessment district or public corporation at large. The final maturity of the notes shall be not later than 10 years from their date. The notes are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.
- (3) A county board by a vote of 2/3 of its members may pledge the full faith and credit of a county for payment of bonds or notes issued by a special assessment district.

prosecuting attorney or other legal counsel of the county or counties or the department shall give notice of the hearing by publication in 1 or more newspapers of general circulation in the county and, if the waters of the inland lake are situated in 2 or more counties, in 1 or more newspapers of general circulation in each of the counties in which the inland lake is located. The notice shall be published at least once each week for 3 successive weeks before the date set for the hearing.

- (2) The commissioner shall serve a copy of the published notice of hearing by first-class mail at least 3 weeks prior to the date set for the hearing to each person whose name appears upon the latest city or township tax assessment roll as owning land within a tentative special assessment district at the address shown on the roll; to the governing body of each political subdivision of the state in which the lake is located; and to the governing body of each affected political subdivision of the state. If an address does not appear on the roll, then a notice need not be mailed to the person. The commissioner shall make an affidavit of mailing. The failure to receive a notice properly mailed shall not constitute a jurisdictional defect invalidating proceedings under this part.
- (3) The prosecuting attorney or the legal counsel of the county shall serve notice on the department at least 21 days prior to the date of the hearing.
 - (4) In a determination of the normal level of an inland lake, the court shall consider all of the following:
 - (a) Past lake level records, including the ordinary high-water mark and seasonal fluctuations.
 - (b) The location of septic tanks, drain fields, sea walls, docks, and other pertinent physical features.
 - (c) Government surveys and reports.
 - (d) The hydrology of the watershed.
 - (e) Downstream flow requirements and impacts on downstream riparians.
 - (f) Fisheries and wildlife habitat protection and enhancement.
 - (g) Upstream drainage.
 - (h) Rights of riparians.
 - (i) Testimony and evidence offered by all interested persons.
 - (j) Other pertinent facts and circumstances.
- (5) The court shall determine the normal level to be established and maintained, shall have continuing jurisdiction, and may provide for departure from the normal level as necessary to accomplish the purposes of this part. The court shall confirm the special assessment district boundaries within 60 days following the lake level determination. The court may determine that the normal level shall vary seasonally.

324.30708 Maintenance of normal level; acquisition by gift, grant, purchase, or condemnation; contract for operation and maintenance of existing dam; dam in adjoining county; operation of pumps and wells.

Sec. 30708. (1) After the court determines the normal level of an inland lake in a proceeding initiated by the county, the delegated authority of any county or counties in which the inland lake is located shall provide for and maintain that normal level.

- (2) A county may acquire, in the name of the county, by gift, grant, purchase, or condemnation proceedings, an existing dam that may affect the normal level of the inland lake, sites for dams, or rights in land needed or convenient in order to implement this part. A county may enter into a contract for operation and maintenance of an existing dam. The county may construct and maintain a dam that is determined by the delegated authority to be necessary for the purpose of maintaining the normal level. A dam may be acquired, constructed, or maintained in a county adjoining the county in which the lake is located.
- (3) For the purpose of maintaining the normal level, a delegated authority may drill wells or pump water from another source to supply an inland lake with additional water, may lower the level of the lake by pumping water from the lake, and may purchase power to operate pumps, wells, or other devices installed as part of a normal level project.

324.30709 Powers of department.

Sec. 30709. (1) After the court determines the normal level of an inland lake in a proceeding initiated by the department, the department may provide for and maintain that normal level.

(2) In a proceeding initiated by the department, the department has the same powers in connection with a normal level project as a county has under sections 30708, 30713, and 30718.

324.30711 Defraying project costs by special assessment; special assessment roll; reassessment.

Sec. 30711. (1) The county board may determine by resolution that the whole or a part of the cost of a project to establish and maintain a normal level for an inland lake shall be defrayed by special assessments against the following that are benefited by the project: privately owned parcels of land, political subdivisions of the state, and state owned lands under the jurisdiction and control of the department. If the county board determines that a special assessment district is to be established, the delegated authority shall compute the cost of the project and prepare a special assessment roll.

(2) If the revenues raised pursuant to the special assessment are insufficient to meet the computation of cost included in section 30712, or if these revenues are insufficient to meet bond obligations, the special assessment district may be reassessed without hearing using the same apportioned percentage used for the original assessment.

324.30712 Computation of project costs.

Sec. 30712. (1) Computation of the cost of a normal level project shall include the cost of all of the following:

- (a) The preliminary study.
- (b) Surveys.
- (c) Establishing a special assessment district, including preparation of assessment rolls and levying assessments.
 - (d) Acquiring land and other property.
- (e) Locating, constructing, operating, repairing, and maintaining a dam or works of improvement necessary for maintaining the normal level.
 - (f) Legal fees, including estimated costs of appeals if assessments are not upheld.
 - (g) Court costs.
 - (h) Interest on bonds and other financing costs for the first year, if the project is so financed.
 - (i) Any other costs necessary for the project which can be specifically itemized.
- (2) The delegated authority may add as a cost not more than 15% of the sum calculated under subsection (1) to cover contingent expenses.

History: Add. 1995, Act 59, Imd. Eff. May 24, 1995.

Popular name: Act 451 Popular name: NREPA

324.30713 Contract with agency or corporation; provisions.

Sec. 30713. The delegated authority of a county in which an inland lake is located may contract with a state or federal government agency or a public or private corporation in connection with a project for the establishment and maintenance of a normal level. The contract may specify that the agency or corporation will pay the whole or a part of the cost of the project or will perform the whole or a part of the work connected with the project. The contract may provide that payment made or work done relieves the agency or corporation in whole or in part from assessment for the cost of establishment and construction of the project.

324.30714 Special assessment roll; public hearing; notice; approval; appeal.

Sec. 30714. (1) A special assessment roll shall describe the parcels of land to be assessed, the name of the owner of each parcel, if known, and the dollar amount of the assessment against each parcel.

(2) The delegated authority shall set a time and place for a public hearing or hearings on the project cost and the special assessment roll. Notice of a hearing shall be by both of the following:

(a) By publication of notice at least twice prior to the hearing in a newspaper that circulates in the special assessment district, the first publication to be at least 10 days before the hearing.

(b) As provided in Act No. 162 of the Public Acts of 1962, being sections 211.741 to 211.746 of the Michigan Compiled Laws.

(3) At or after a public hearing, the delegated authority may approve or revise the cost of the project or the special assessment roll. Before construction of a project is begun, the county board shall approve the cost and the special assessment roll by resolution.

(4) The special assessment roll with the assessments listed shall be final and conclusive unless appealed in a court within 15 days after county board approval.

324.30715 Assessment payments; installments; amount; interest, penalty, and collection; lien; preliminary study payment credited.

Sec. 30715. (1) The county board may provide that assessments under this part are payable in installments.

- (2) Assessment payments shall be sufficient to meet bond and note obligations of the special assessment district.
- (3) Special assessments under this part shall be spread upon the county tax rolls, and shall be subject to the same interest and penalty charges and shall be collected in the same manner as county taxes.
- (4) From the date of approval of the special assessment roll by the county board, a special assessment under this part shall constitute a lien on the parcel assessed. The lien shall be of the same character and effect as a lien created for county taxes.
- (5) A payment for the cost of the preliminary study under section 30703 shall be credited against an assessment for the amount of the payment made by the person assessed.

Sec. 30718. Plans and specifications for a dam constructed or maintained under this part shall be prepared by a licensed professional engineer under the direction of the delegated authority. The plans and specifications shall be approved by the department before construction begins. The department shall review and approve or reject the plans and specifications within 30 days after they are received by the department. If the plans and specifications are rejected, the department shall propose changes in the plans and specifications that would result in their approval by the department. Bids for doing the work may be advertised in the manner the delegated authority directs. The contract shall be let to the lowest responsible bidder giving adequate security for the performance of the contract, but the delegated authority may reserve the right to reject any and all bids. The county may erect and maintain a dam as a work relief project in accordance with the law applicable to a work relief project.

The inspection shall be conducted by a licensed professional engineer. The inspection shall take place every third year from the date of completion of a new dam or every third year from the determination of a normal level for an existing dam. An inspection report shall be submitted promptly to the department in the form and manner the department prescribes.

(2) If a report discloses a need for repairs or a change in condition of the dam that relates to the dam's safety or danger to natural resources, the department shall conduct an inspection to confirm the report. If the report is confirmed and the public safety or natural resources are endangered by the risk of failure of the dam, the department may require the county either to repair or to replace the dam. Plans and specifications for the repairs or replacement shall be prepared by a licensed professional engineer under the direction of the delegated authority. Re:

Cedar Lake

Dredging - The Canal/Channel

Briarwood Bay and the Lakewood Shores Plat

Dear Rex:

This letter addresses several legal issues that have arisen regarding a possible lake dredging project by the Cedar Lake Improvement Board (the "Lake Board").

FACTS

Cedar Lake is situated in both Iosco and Alcona Counties (collectively, the "Counties"). On January 18, 1995, the Counties acted jointly, by resolution, to create the Cedar Lake Improvement Board (the "Lake Board"), a governmental body. The Counties determined that creation of the Lake Board was necessary to protect the public health, welfare, and safety, to conserve natural resources, and to preserve property values around Cedar Lake.

The Lake Board was originally established in 1995 under the Michigan Inland Lake Improvement Act of 1966, Public Act 345 of 1966, being MCL 281.901 et seq., as amended. Because the Lake Board was created pursuant to the statutory scheme set forth in Act 345, it is what is often referred to as a "statutory lake board." Act 345 was later repealed by (and incorporated into) the Michigan Natural Resources and Environmental Protection Act ("NREPA"), Public Act 451 of 1994, effective May 24, 1995. See Public Act 59 of 1995. The provisions governing statutory lake boards are now found in Part 309 of NREPA, being MCL 324.30901 et seq. ("Part 309"), which regulations are very similar to those in effect before May of 1995.

¹ As we discussed recently, Michigan's citation system for statutes is confusing. When legislation is enacted, it is given a public act number and year (for example, Public Act No. 37 of 2022). However, very few lawyers and courts

The Act provides that a statutory lake board may be created in the following manner(s):

- Public Inland Lakes: The local governing body(ies) of a county, city, village or township in which the whole lake or any part of the lake is situated may establish the lake board upon its/their own motion. Alternatively, the local governing body(ies) may establish a lake board upon receipt of a petition signed by 2/3 of the freeholders owning land abutting the lake involved.
- <u>Private Inland Lakes</u>: The local governing body(ies) of a county, city, village or township in which the whole lake or any part of the lake is situated may establish the lake board only upon receipt of a petition signed by 2/3 of the freeholders owning lands abutting the lake.

A "public inland lake" is "a lake that is accessible to the public by publicly owned lands or highways contiguous to publicly owned lands or by the bed of a stream, except the Great Lakes and connecting waters". MCL 324.30901(g). A "private inland lake" is any inland lake other than a public inland lake. MCL 324.30901(f). It is our understanding that Cedar Lake is a public lake as defined in MCL 324.30901(g). Therefore, it appears that the Lake Board was properly established by the Counties in 1995.

When the Lake Board was originally created in 1995, its limited scope was restricted to: (1) "conducting a feasibility study for the purpose of weed control and management of aquatic plans in Cedar Lake"; (2) "implementing the findings of the study if the Lake Board determines the same to be feasible"; and (3) "establishing a special assessment district to fund the costs of the study and the implementation of the same as long as the special assessment district shall not cause the County of Iosco and the Township of Oscoda to incur any costs."

Originally, the Lake Board generally limited its activities to aquatic weed treatment and control purposes in Cedar Lake, including establishing a special assessment district for that purpose. We understand that a few years after the Lake Board's creation, a significant number of Cedar Lake property owners became concerned about the overall watershed for the lake and believed that a more comprehensive approach should be utilized to protect the lake, nearby wetlands, and the watershed.

Thus, on or about April 17, 2002, the two Counties adopted a resolution authorizing the Lake Board" to conduct a feasibility study for the protection of the public health, welfare, and safety and the conservation of the natural resources, to preserve property values around the lake, provide for the improvement of the lake, and/or adjacent wetlands, with implementation of said study and/or void the proposed project." The Counties also authorized the Lake Board "to fund

refer to public act numbers, but instead, use the official repository of Michigan statutes called "Michigan Compiled Laws" or "MCL" for short. To further complicate matters, laypeople quite often use the public act number, which is not helpful to lawyers and courts. Accordingly, hereinafter, I will refer to the above-mentioned statutory provisions as "the Act."

the costs of the feasibility study and implementation of the desired lake improvements through the creation of a special assessment district." Similarly, on October 3, 2007, the Iosco County Board of Commissioners adopted/re-adopted a similar resolution authorizing the Lake Board to conduct a feasibility study, provide for improvements, and fund the costs of the study and improvements through the creation of a special assessment district.

Therefore, since the Lake Board's inception in 1995, the two Counties have enacted two different formal amendments to the original Resolutions. Both amendments adopted by the Counties provides that the Lake Board shall have the following powers and authority:

- (1) To conduct a feasibility study for the protection of the public health, welfare, and safety and the conservation of the natural resources, to preserve property values around the lake, provide for the improvement of the lake, and/or adjacent wetlands, with implementation of said study and/or void the proposed project; and
- (2) To fund the costs of the feasibility study and implementation of the desired lake improvements through the creation of a special assessment district.

The Briarwood Bay development or Lakewood Shores (the "Development") was developed and created in the 1960's and 1970's. A new artificial "bay" for Cedar Lake (the "Bay") was created within the Development and a new artificial canal/channel or "cut" ("the Canal") was dug to connect the main Cedar Lake to the new Bay.

Due to lower lake levels recently, the Canal is becoming increasingly difficult for boat traffic to traverse. Low water levels disproportionately impact Cedar Lake and its property owners given that the lake has always been quite shallow. Furthermore, sedimentation and silt have further filled up the Canal over the years.

Certain property owners within the Development would like to have the Canal dredged via a new public improvement project by the Lake Board and have advocated for the project. That proposed dredging project appears to have support by some property owners within the Development and also lesser support among other property owners around other parts of Cedar Lake. The "umbrella" association which represents less than 50% of the property owners around Cedar Lake, including within the Development (i.e. the Alcona – Iosco Cedar Lake Association; the "Association") has indicated (through its President) the Association's general support for a Canal dredging project to be pursued by the Lake Board.

You and other members of the Lake Board have several legal questions regarding whether or not the Lake Board can pursue the dredging project (or is legally obligated to do so), how such a project should be funded, and similar issues.

DISCUSSION

1. Statutory Authority

The Lake Board was established under and operates pursuant to the Act (as amended). Therefore, to the extent that the Lake Board has authority over a particular matter of public improvement, it must be derived from the Act.

Does the Lake Board have the statutory authority to dredge the Canal? Interestingly, the Act does not use the common phrase "public improvement", but rather discusses a "lake improvement" or "improving the lake." The word "improvement" is not expressly defined in the Act. In order for a Michigan statutory lake board to approve and pursue a lake project, the project must "benefit" the "inhabitants of public corporations, the inhabitants of the state, and property within public corporations." See MCL 324.30901(a). In this instance, the "public corporations" would be the two Counties (or the townships), the inhabitants of this state would be the property owners around Cedar Lake, and the property involved would be the lake and properties around it. MCL 324.30907 does indicate that the Michigan Department of Natural Resources (now, "EGLE") may petition a local government or statutory lake board "to have a lake dredged or improved." See also MCL 324.30902(1) and 324.30909(2), which also mention "dredging." Furthermore, dredging in general would likely be a "benefit" because dredging parts of a lake can provide "elimination of flood damage, elimination of water conditions that jeopardize the public health or safety; increase the value or use of lands of property arising from improving a lake or lakes as a result of the lake project and the improvement or development of a lake for conservation of fish and wildlife, and the use, improvement or development of a lake for fishing, wildlife, boating, swimming or any other recreational, agricultural or conservation uses." MCL 324.30901(a).

Therefore, it is highly likely that the Lake Board has the authority to dredge under the Act (a) if the Lake Board's creation and authority documents grant it such power, (b) such dredging is found to be a "lake improvement" and (c) the Lake Board decides to pursue the Canal dredging project.

The Lake Board's Creation Documents

It is not enough that the Lake Board has authority under the Act to pursue the Canal dredging project. Rather, the local documents creating and authorizing the Lake Board must still authorize and grant the Lake Board the authority to pursue the dredging project in Cedar Lake.

Under the original Resolutions creating the Lake Board in 1995, the Lake Board was not granted the authority to pursue a dredging project. Those original Resolutions only authorize the Lake Board to:

 "conducting a feasibility study for the purpose of weed control and management of aquatic plans in Cedar Lake";

- (2) "implementing the findings of the study if the Lake Board determines the same to be feasible"; and
- (3) "establishing a special assessment district to fund the costs of the study and the implementation of the same as long as the special assessment district shall not cause the County of Iosco and the Township of Oscoda to incur any costs."

The two amendments in 2002 and 2007 contain identical new language as follows:

- (a) To conduct a feasibility study for the protection of the public health, welfare, and safety and the conservation of the natural resources, to preserve property values around the lake, provide for the improvement of the lake, and/or adjacent wetlands, with implementation of said study and/or void the proposed project; and
- (b) To fund the costs of the feasibility study and implementation of the desired lake improvements through the creation of a special assessment district.

Based on the above, it is likely that the Lake Board has the authority to do the proposed Canal dredging project so long as the Lake Board pursues the procedures specified in Section 6 below. However, it would still be preferable to have both Counties adopt another formal amendment to the original 1995 Resolutions creating the Lake Board to expressly provide for such dredging.

The Canal Dredging Project Must Be an "Improvement"

In order for the Lake Board to pursue (and pay for) the Canal dredging project, two factors must be present. First, the project must be an "improvement" that benefits the public and/or property owners (i.e., in this case, all or substantially all of the lake property owners around Cedar Lake within the Lake Board's district.) Second, if the Lake Board utilizes a special assessment to pay for the dredging of the Canal, it must have a proportionate benefit to all of the property owners within the district pursuant to Michigan assessing statutes and law.

Whether or not the proposed dredging project will benefit some, all or substantially all of the property owners on Cedar Lake (or the public) is likely a "close call." The subset group of the property owners on Cedar Lake that will be most benefitted are those within the Development. However, their properties only represent approximately 3.6% percent of all the lots or parcels around Cedar Lake. Although it is true that people using speedboats, personal watercraft, sailboats and kayaks occasionally do go through the Canal into the Bay, certainly not all of the lake users and boaters on greater Cedar Lake utilize the Canal or the Bay.

It can be argued that every permissible lake improvement done by a statutory lake improvement board in Michigan benefits some lakefront property owners more than others. And, that is generally true. For example, aquatic weed treatments are frequently done by statutory lake boards in "backwater" bays and areas of the lake that are not frequently used by either the majority of property owners on the lake or members of the public who access the lake via a public park or

public access site due to shallow waters, obstacles such as stumps or similar conditions that makes use of such bay or backwater undesirable by most boaters, swimmers, fisherpersons, etc. on the lake. Nevertheless, in most of those cases, expending such funds on aquatic weed treatments, even for those lesser used areas, is almost always a "benefit" and thus legally permissible.

In this case, the degree to which the proposed "improvement" via dredging of the Canal really benefits substantial numbers of property owners on Cedar Lake or the general public is reasonably debatable. Nevertheless, if the members of the Lake Board make a proper finding regarding such benefit, it is highly likely that such determination would be upheld if challenged in the Michigan Tax Tribunal.

4. Is the Lake Board Required to Pursue the Canal Dredging Project?

Some have asserted that the Lake Board is required to pursue the proposed Canal dredging project. That is not true. The Act gives the Lake Board (and the counties and/or townships creating it) fairly broad discretion regarding which improvements to pursue on a lake. Furthermore, even if granted broad lake improvement powers, a given statutory lake improvement board may pursue certain projects but not others. Obviously, it would be virtually impossible for most statutory lake improvement boards to engage in all possible lake improvement projects. In almost all situations, there would not be enough funds to cover all such improvements, and the statutory lake board involved also may not have the time or other resources to pursue all such possible improvements. For example, on a given lake, suppose that possible lake improvement projects could include aquatic weed treatments, dredging, redirecting the culvert drainage from area public roads, engaging in a necessary extensive study, etc. The total cost for all such projects could be five million dollars, whereas the funds available to the statutory lake improvement board are under two hundred thousand dollars. Obviously, not all possible improvements could be done.

Therefore, the Lake Board is not required to pursue the Canal dredging project.2

Will a New Special Assessment District be Necessary?

Perhaps the most difficult issue regarding the proposed dredge project is whether or not the Lake Board will have to create an entirely new special assessment district ("SAD") or can it utilize the existing SAD if the Lake Board determines to pursue the dredging project. As you know, creating an entirely new SAD is a somewhat expensive, time-consuming and staff resource consuming matter. However, if a new SAD is not pursued and the existing SAD's use for dredging the Canal is successfully challenged in the Michigan Tax Tribunal, that could also be problematic.

Unfortunately, it is highly likely that if the Lake Board decides to pursue the Canal dredging project and the Lake Board desires to pay for the same, it will need to create a new SAD.

² If the resolutions creating the Lake Board by the two Counties were to expressly provide for dredging the Canal and mandate that the Lake Board must pursue such dredging, then it is possible that the Lake Board would be required to do the Canal dredging project even if the Lake Board did not desire to do so.

That new SAD could be created as a second special assessment district (in addition to the current SAD) or the existing SAD could be "rolled into" the new SAD. Why is it likely that the Lake Board would have to create a new SAD and not simply increase the annual collections under the existing SAD by over 10%? In the Lake Board resolutions creating the current SAD from a few years ago, the purpose of the SAD and the description of the allowed "public improvements" that could be funded by the SAD included the following:

"Control and partial eradication of aquatic weeds, plants and weeds within Cedar Lake by means of chemical and/or biological means and/or weed harvesting and also lake management activities and studies."

The only portion of the above sentence that could arguably cover dredging of the Canal would be "lake management activities." However, it is unlikely that the Michigan Tax Tribunal ("MTT") would consider a significant and new dredging project to be part of the allowed "lake management activities."

Cannot the existing SAD simply be "amended" more easily? Unfortunately, there is no mechanism in the relevant state statutes to pursue that type of simpler amendment.

If the Lake Board decides that "lake management activities" (as specified in the existing SAD") is broad enough to cover the Canal dredging project and it is worth the risk of a possible MTT appeal, then the Lake Board will have to hold a formal public hearing to raise the annual assessments in the current SAD by over 10%.

6. What Procedures Must Be Followed by the Lake Board to Pursue the Canal Dredging Project?

Should the Lake Board tentatively decide to pursue the Canal dredging project, the Lake Board would also have to follow several steps and procedures as follows:

- (a) Ideally, have both Counties enact another Resolution expressly authorizing the Lake Board to pursue dredging projects.
- (b) Have a feasibility study done by an engineering firm for the dredge project.
- (c) Create an entirely new and separate SAD (or create a new SAD which "incorporates" the existing SAD and provides for the additional dredging project and costs therein as well). Alternately, if the Lake Board decides to take the risk of utilizing the existing SAD, it will have to hold a public hearing to increase the annual special assessments by more than 10% over the prior year and to receive public comment regarding the proposed dredging project.
- (d) Have a final vote taken by the Members of the Lake Board regarding the project. The Lake Board would have to formally approve:

- the dredging project; and
- create a new SAD or increasing the existing annual assessment by over 10%

A Possible Compromise.

If the Lake Board ultimately determines that the likely cost of the Canal dredging project might exceed the benefit to most property owners around Cedar Lake or the general public, a possible compromise would be to have the property owners within the Development pay a portion of the project costs, as well as the overall lake association or area township governments. MCL 324.30924(1) allows a statutory lake improvement board to receive and accept gifts or donations for purposes of implementing a lake improvement project.

Or alternately, if the Lake Board decides that it does not want to utilize SAD funds (or create a new SAD to fund the dredging project), it could indicate to the stakeholders involved that the Lake Board will pursue the Canal dredging project if, and only if, the proponents are able to obtain sufficient donations to the Lake Board or grants to cover all of the dredging costs.

Please do not hesitate to contact me should you or any other Lake Board official have any further questions regarding these matters. Thank you.

Mr. Jeff Linderman 7729 Cedar Lane Greenbush, MI 48738

Dear Mr. Linderman:

This letter responds to your written email request under the Michigan Freedom of Information Act, being MCL 15.231 et seq. ("FOIA" or the "Act"), received by the Cedar Lake Improvement Board on Monday, June 12, 2023, (and pursuant to MCL 15.235(1) deemed received on June 13, 2023), regarding a wide variety of Cedar Lake Improvement Board documents. Subject to the payment of allowed fees to the Cedar Lake Improvement Board, your request is granted as to existing, non-exempt responsive public records in the possession of the Cedar Lake Improvement Board that fall within the scope of your request.

Pursuant to MCL 15.234, a public body may charge a fee for labor and costs associated with fulfilling a FOIA request when the failure to do so will result in unreasonably high costs to the public body that are excessive and beyond the normal or usual amount for services compared to the public body's usual request. Also, given the very broad, vague, and voluminous request for documents that you are seeking under FOIA, the estimated amount of costs to comply will be significant. If you wish to narrow your request, the cost of compliance (for which you will have to reimburse the Cedar Lake Improvement Board) will be reduced.

FOIA requires that the amount charged be equal to the salary of the lowest paid employee capable of doing the work. However, the Cedar Lake Improvement Board has no employees and must hire contracted labor. In this case, that is \$60.60 per hour for a contractor (6 times the state minimum wage of \$10.10/hour). To process your request, the Cedar Lake Improvement Board estimates a FOIA processing fee of \$3,636.00 to search, retrieve, review, examine, redact, and separate exempt material (if any). The total estimated fee (less any copying costs or allowed attorney fees) will be based upon the following time estimate:

\$60.60/hourly rate (contractor)	Time Total	Cost Total
Locate and compile documents	60 Hours	Total: \$3,636.00

Pursuant to MCL 15.234(8), a public body may require a 50% good-faith deposit if the entire fee estimate exceeds \$50.00. Accordingly, the Cedar Lake Improvement Board requires a deposit in the amount of \$1,818.00 before commencing the documents search.

Pursuant to MCL 15.234(14), this deposit must be received within 45 days, otherwise this request will be considered abandoned, and the Cedar Lake Improvement Board will not be required to fulfill the request.

You have also indicated that you are seeking copies of the requested documents on behalf of the Alcona-Iosco Cedar Lake Association. The Cedar Lake Improvement Board will need written verification of that (i.e. Association minutes or an Association Resolution) and the monetary deposit <u>before</u> the document search will commence.

Under Section 10a of the Freedom of Information Act, you have the right to appeal the fee to the head of the public body. Upon receipt of the deposit required above, we will begin compiling the requested records. The Cedar Lake Improvement Board estimates a processing time of 40 business days after receipt of payment of the good-faith deposit. The balance will be due upon completion.

If you disagree with the Cedar Lake Improvement Board's determination, pursuant to FOIA, you are hereby advised and put on notice of your rights to do either of the following:

(1) You can submit a written appeal to the Cedar Lake Improvement Board. That appeal must be in writing, must contain the word "appeal," and must identify the reason or reasons for reversal of the disclosure denial.

(2) You may seek judicial review of the denial under Section 10 of the Act. You are further advised of the right to receive attorneys' fees and damages as provided in Section 10 of the Act if, after judicial review, the Circuit Court determines that the Township has not complied with Section 5 of the Act and orders disclosure of all or a portion of a public record.

Section 5(7) of FOIA <u>also</u> states that if the Cedar Lake Improvement Board denies in whole or in part a request to inspect or receive a copy of a public record or portion of a public record, the requesting party may do either of the following:

(a) Appeal the denial to the head of the public body pursuant to Section 10.

(b) Commence an action in Circuit Court, pursuant to Section 10 of the Act.

OPEN MEETINGS ACT Act 267 of 1976

AN ACT to require certain meetings of certain public bodies to be open to the public; to require notice and the keeping of minutes of meetings; to provide for enforcement; to provide for invalidation of governmental decisions under certain circumstances; to provide penalties; and to repeal certain acts and parts of acts.

History: 1976, Act 267, Eff. Mar. 31, 1977.

The People of the State of Michigan enact:

15.261 Short title; effect of act on certain charter provisions, ordinances, or resolutions.

Sec. 1. (1) This act shall be known and may be cited as the "Open meetings act".

(2) This act shall supersede all local charter provisions, ordinances, or resolutions which relate to requirements for meetings of local public bodies to be open to the public.

(3) After the effective date of this act, nothing in this act shall prohibit a public body from adopting an ordinance, resolution, rule, or charter provision which would require a greater degree of openness relative to meetings of public bodies than the standards provided for in this act.

History: 1976, Act 267, Eff. Mar. 31, 1977.

15.262 Definitions.

Sec. 2. As used in this act:

- (a) "Public body" means any state or local legislative or governing body, including a board, commission, committee, subcommittee, authority, or council, that is empowered by state constitution, statute, charter, ordinance, resolution, or rule to exercise governmental or proprietary authority or perform a governmental or proprietary function; a lessee of such a body performing an essential public purpose and function pursuant to the lease agreement; or the board of a nonprofit corporation formed by a city under section 40 of the home rule city act, 1909 PA 279, MCL 117.4o.
- (b) "Meeting" means the convening of a public body at which a quorum is present for the purpose of deliberating toward or rendering a decision on a public policy, or any meeting of the board of a nonprofit corporation formed by a city under section 40 of the home rule city act, 1909 PA 279, MCL 117.40.
 - (c) "Closed session" means a meeting or part of a meeting of a public body that is closed to the public.
- (d) "Decision" means a determination, action, vote, or disposition upon a motion, proposal, recommendation, resolution, order, ordinance, bill, or measure on which a vote by members of a public body is required and by which a public body effectuates or formulates public policy.

History: 1976, Act 267, Eff. Mar. 31, 1977; - Am. 2001, Act 38, Imd. Eff. July 11, 2001.

- 15.263 Meetings, decisions, and deliberations of public body; requirements; attending or addressing meeting of public body; COVID-19 safety measures; tape-recording, videotaping, broadcasting, and telecasting proceedings; accommodation of absent members; remote attendance; rules; exclusion from meeting; exemptions.
- Sec. 3. (1) All meetings of a public body must be open to the public and must be held in a place available to the general public. All persons must be permitted to attend any meeting except as otherwise provided in this act. The right of a person to attend a meeting of a public body includes the right to tape-record, to videotape, to broadcast live on radio, and to telecast live on television the proceedings of a public body at a public meeting. The exercise of this right does not depend on the prior approval of the public body. However, a public body may establish reasonable rules and regulations in order to minimize the possibility of disrupting the meeting. For a meeting of a public body held in person before April 1, 2021, the public body shall do both of the following:
- (a) To the extent feasible under the circumstances, ensure adherence to social distancing and mitigation measures recommended by the Centers for Disease Control and Prevention for purposes of preventing the spread of COVID-19, including the measure that an individual remain at least 6 feet from anyone from outside the individual's household.
- (b) Adopt heightened standards of facility cleaning and disinfection to limit participant exposure to COVID-19, as well as protocols to clean and disinfect in the event of a positive COVID-19 case in the public body's meeting place.
- (2) All decisions of a public body must be made at a meeting open to the public. For purposes of any meeting subject to this section, except a meeting of any state legislative body at which a formal vote is taken, the public body shall, subject to section 3a, establish the following procedures to accommodate the absence of Michigan Compiled Laws Complete Through PA 80 of 2023

any member of the public body due to military duty, a medical condition, or a statewide or local state of emergency or state of disaster declared pursuant to law or charter or local ordinance by the governor or a local official, governing body, or chief administrative officer that would risk the personal health or safety of members of the public or the public body if the meeting were held in person:

(a) Procedures by which the absent member may participate in, and vote on, business before the public

body, including, but not limited to, procedures that provide for both of the following:

(i) Two-way communication.

- (ii) For each member of the public body attending the meeting remotely, a public announcement at the outset of the meeting by that member, to be included in the meeting minutes, that the member is in fact attending the meeting remotely. If the member is attending the meeting remotely for a purpose other than for military duty, the member's announcement must further identify specifically the member's physical location by stating the county, city, township, or village and state from which he or she is attending the meeting remotely.
- (b) Procedures by which the public is provided notice of the absence of the member and information about how to contact that member sufficiently in advance of a meeting of the public body to provide input on any business that will come before the public body.

(3) All deliberations of a public body constituting a quorum of its members must take place at a meeting

open to the public except as provided in this section and sections 7 and 8.

- (4) A person must not be required as a condition of attendance at a meeting of a public body to register or otherwise provide his or her name or other information or otherwise to fulfill a condition precedent to attendance.
- (5) A person must be permitted to address a meeting of a public body under rules established and recorded by the public body. The legislature or a house of the legislature may provide by rule that the right to address may be limited to prescribed times at hearings and committee meetings only.
- (6) A person must not be excluded from a meeting otherwise open to the public except for a breach of the peace actually committed at the meeting.
 - (7) This act does not apply to the following public bodies, but only when deliberating the merits of a case:
 - (a) The Michigan compensation appellate commission operating as described in either of the following:
 - (i) Section 274 of the worker's disability compensation act of 1969, 1969 PA 317, MCL 418.274.
 - (ii) Section 34 of the Michigan employment security act, 1936 (Ex Sess) PA 1, 421.34.
- (b) The state tenure commission created in section 1 of article VII of 1937 (Ex Sess) PA 4, MCL 38.131, when acting as a board of review from the decision of a controlling board.
- (c) The employment relations commission or an arbitrator or arbitration panel created or appointed under 1939 PA 176, MCL 423.1 to 423.30.
 - (d) The Michigan public service commission created under 1939 PA 3, MCL 460.1 to 460.11.
- (8) This act does not apply to an association of insurers created under the insurance code of 1956, 1956 PA 218, MCL 500.100 to 500.8302, or other association or facility formed under that act as a nonprofit organization of insurer members.
- (9) This act does not apply to a committee of a public body that adopts a nonpolicymaking resolution of tribute or memorial, if the resolution is not adopted at a meeting.
- (10) This act does not apply to a meeting that is a social or chance gathering or conference not designed to avoid this act.
- (11) This act does not apply to the Michigan veterans' trust fund board of trustees or a county or district committee created under 1946 (1st Ex Sess) PA 9, MCL 35.602 to 35.610, when the board of trustees or county or district committee is deliberating the merits of an emergent need. A decision of the board of trustees or county or district committee made under this subsection must be reconsidered by the board or committee at its next regular or special meeting consistent with the requirements of this act. "Emergent need" means a situation that the board of trustees, by rules promulgated under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, determines requires immediate action.
 - (12) As used in subsection (2):
- (a) "Formal vote" means a vote on a bill, amendment, resolution, motion, proposal, recommendation, or any other measure on which a vote by members of a state legislative body is required and by which the state legislative body effectuates or formulates public policy.
 - (b) "Medical condition" means an illness, injury, disability, or other health-related condition.

- 15.263a Electronic public meetings; telephonic or video conferencing; "agricultural commodity group" defined; permissibility under certain circumstances; 2-way communication required; advance notice of electronic meetings; availability of agenda; registration requirement prohibited; remote participation limited to military duty or medical condition.
- Sec. 3a. (1) A meeting of a public body held, in whole or in part, electronically by telephonic or video conferencing in compliance with this section and, except as otherwise required in this section, all of the provisions of this act applicable to a nonelectronic meeting, is permitted by this act in the following circumstances:
- (a) Before March 31, 2021 and retroactive to March 18, 2020, any circumstances, including, but not limited to, any of the circumstances requiring accommodation of absent members described in section 3(2).
- (b) Subject to subdivision (d), on and after March 31, 2021 through December 31, 2021, only those circumstances requiring accommodation of members absent for the reasons described in section 3(2). For the purpose of permitting an electronic meeting due to a local state of emergency or state of disaster, this subdivision applies only as follows:
 - (i) To permit the electronic attendance of a member of the public body who resides in the affected area.
 - (ii) To permit the electronic meeting of a public body that usually holds its meetings in the affected area.
- (c) Subject to subdivision (d), after December 31, 2021, only in the circumstances requiring accommodation of members absent due to military duty as described in section 3(2).
- (d) On and after March 31, 2021, for a public body that is an agricultural commodity group, any circumstances, including, but not limited to, any of the circumstances requiring accommodation of absent members described in section 3(2). As used in this subdivision, "agricultural commodity group" means any of the following:
- (i) A committee as that term is defined in section 2 of the agricultural commodities marketing act, 1965 PA 232, MCL 290.652.
- (ii) The state beef industry commission created in section 3 of the beef industry commission act, 1972 PA 291, MCL 287.603.
 - (iii) The potato industry commission created in section 2 of 1970 PA 29, MCL 290.422.
 - (iv) The Michigan bean commission created in section 3 of 1965 PA 114, MCL 290.553.
- (2) A meeting of a public body held electronically under this section must be conducted in a manner that permits 2-way communication so that members of the public body can hear and be heard by other members of the public body, and so that public participants can hear members of the public body and can be heard by members of the public body and other participants during a public comment period. A public body may use technology to facilitate typed public comments during the meeting submitted by members of the public participating in the meeting that may be read to or shared with members of the public body and other participants to satisfy the requirement under this subsection that members of the public be heard by others during the electronic meeting and the requirement under section 3(5) that members of the public be permitted to address the electronic meeting.
- (3) Except as otherwise provided in subsection (8), a physical place is not required for an electronic meeting held under this section, and members of a public body and members of the public participating electronically in a meeting held under this section that occurs in a physical place are to be considered present and in attendance at the meeting for all purposes.
- (4) If a public body directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, the public body shall, in addition to any other notices that may be required under this act, post advance notice of a meeting held electronically under this section on a portion of the public body's website that is fully accessible to the public. The public notice on the website must be included on either the homepage or on a separate webpage dedicated to public notices for nonregularly scheduled or electronic public meetings that is accessible through a prominent and conspicuous link on the website's homepage that clearly describes its purpose for public notification of nonregularly scheduled or electronic public meetings. Subject to the requirements of this section, any scheduled meeting of a public body may be held as an electronic meeting under this section if a notice consistent with this section is posted at least 18 hours before the meeting begins. Notice of a meeting of a public body held electronically must clearly explain all of the following:
 - (a) Why the public body is meeting electronically.
- (b) How members of the public may participate in the meeting electronically. If a telephone number, internet address, or both are needed to participate, that information must be provided specifically.

- (c) How members of the public may contact members of the public body to provide input or ask questions on any business that will come before the public body at the meeting.
 - (d) How persons with disabilities may participate in the meeting.
- (5) Beginning on the effective date of the amendatory act that added this section, if an agenda exists for an electronic meeting held under this section by a public body that directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, the public body shall, on a portion of the website that is fully accessible to the public, make the agenda available to the public at least 2 hours before the electronic meeting begins. This publication of the agenda does not prohibit subsequent amendment of the agenda at the meeting.
- (6) A public body shall not, as a condition of participating in an electronic meeting of the public body held under this section, require a person to register or otherwise provide his or her name or other information or otherwise to fulfill a condition precedent to attendance, other than mechanisms established and required by the public body necessary to permit the person to participate in a public comment period of the meeting.
- (7) Members of the general public otherwise participating in a meeting of a public body held electronically under this section are to be excluded from participation in a closed session of the public body held electronically during that meeting if the closed session is convened and held in compliance with the requirements of this act applicable to a closed session.
- (8) At a meeting held under this section that accommodates members absent due to military duty or a medical condition, only those members absent due to military duty or a medical condition may participate remotely. Any member who is not on military duty or does not have a medical condition must be physically present at the meeting to participate.

15.264 Public notice of meetings generally; contents; places of posting.

Sec. 4. The following provisions shall apply with respect to public notice of meetings:

- (a) A public notice shall always contain the name of the public body to which the notice applies, its telephone number if one exists, and its address.
- (b) A public notice for a public body shall always be posted at its principal office and any other locations considered appropriate by the public body. Cable television may also be utilized for purposes of posting public notice.
- (c) If a public body is a part of a state department, part of the legislative or judicial branch of state government, part of an institution of higher education, or part of a political subdivision or school district, a public notice shall also be posted in the respective principal office of the state department, the institution of higher education, clerk of the house of representatives, secretary of the state senate, clerk of the supreme court, or political subdivision or school district.
- (d) If a public body does not have a principal office, the required public notice for a local public body shall be posted in the office of the county clerk in which the public body serves and the required public notice for a state public body shall be posted in the office of the secretary of state.

History: 1976, Act 267, Eff. Mar. 31, 1977; -- Am. 1984, Act 87, Imd. Eff. Apr. 19, 1984.

- 15.265 Public notice of regular meetings, change in schedule of regular meetings, rescheduled regular meetings, or special meetings; posting; statement of date, time, and place; website; recess or adjournment; emergency sessions; emergency public meeting; meeting in residential dwelling; limitation; notice; duration requirement.
- Sec. 5. (1) A meeting of a public body shall not be held unless public notice is given as provided in this section by a person designated by the public body.
- (2) For regular meetings of a public body, there shall be posted within 10 days after the first meeting of the public body in each calendar or fiscal year a public notice stating the dates, times, and places of its regular meetings.
- (3) If there is a change in the schedule of regular meetings of a public body, there shall be posted within 3 days after the meeting at which the change is made, a public notice stating the new dates, times, and places of its regular meetings.
- (4) Except as provided in this subsection or in subsection (6), for a rescheduled regular or a special meeting of a public body, a public notice stating the date, time, and place of the meeting shall be posted at least 18 hours before the meeting in a prominent and conspicuous place at both the public body's principal office and, if the public body directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, on a portion of the website that is

fully accessible to the public. The public notice on the website shall be included on either the homepage or on a separate webpage dedicated to public notices for nonregularly scheduled public meetings and accessible via a prominent and conspicuous link on the website's homepage that clearly describes its purpose for public notification of those nonregularly scheduled public meetings. The requirement of 18-hour notice does not apply to special meetings of subcommittees of a public body or conference committees of the state legislature. A conference committee shall give a 6-hour notice. A second conference committee shall give a 1-hour notice. Notice of a conference committee meeting shall include written notice to each member of the conference committee and the majority and minority leader of each house indicating time and place of the meeting.

- (5) A meeting of a public body that is recessed for more than 36 hours shall be reconvened only after public notice that is equivalent to that required under subsection (4) has been posted. If either house of the state legislature is adjourned or recessed for less than 18 hours, the notice provisions of subsection (4) are not applicable. Nothing in this section bars a public body from meeting in emergency session in the event of a severe and imminent threat to the health, safety, or welfare of the public when 2/3 of the members serving on the body decide that delay would be detrimental to efforts to lessen or respond to the threat. However, if a public body holds an emergency public meeting that does not comply with the 18-hour posted notice requirement, it shall make paper copies of the public notice for the emergency meeting available to the public at that meeting. The notice shall include an explanation of the reasons that the public body cannot comply with the 18-hour posted notice requirement. The explanation shall be specific to the circumstances that necessitated the emergency public meeting, and the use of generalized explanations such as "an imminent threat to the health of the public" or "a danger to public welfare and safety" does not meet the explanation requirements of this subsection. If the public body directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, it shall post the public notice of the emergency meeting and its explanation on its website in the manner described for an internet posting in subsection (4). Within 48 hours after the emergency public meeting, the public body shall send official correspondence to the board of county commissioners of the county in which the public body is principally located, informing the commission that an emergency public meeting with less than 18 hours' public notice has taken place. The correspondence shall also include the public notice of the meeting with explanation and shall be sent by either the United States postal service or electronic mail. Compliance with the notice requirements for emergency meetings in this subsection does not create, and shall not be construed to create, a legal basis or defense for failure to comply with other provisions of this act and does not relieve the public body from the duty to comply with any provision of this act.
- (6) A meeting of a public body may only take place in a residential dwelling if a nonresidential building within the boundary of the local governmental unit or school system is not available without cost to the public body. For a meeting of a public body that is held in a residential dwelling, notice of the meeting shall be published as a display advertisement in a newspaper of general circulation in the city or township in which the meeting is to be held. The notice shall be published not less than 2 days before the day on which the meeting is held, and shall state the date, time, and place of the meeting. The notice shall be at the bottom of the display advertisement, set off in a conspicuous manner, and include the following language: "This meeting is open to all members of the public under Michigan's open meetings act".
- (7) A durational requirement for posting a public notice of a meeting under this act is the time that the notice is required to be accessible to the public.

History: 1976, Act 267, Eff. Mar. 31, 1977;—Am. 1978, Act 256, Imd. Eff. June 21, 1978;—Am. 1982, Act 134, Imd. Eff. Apr. 22, 1982;—Am. 1984, Act 167, Imd. Eff. June 29, 1984;—Am. 2012, Act 528, Imd. Eff. Dec. 28, 2012.

15.266 Providing copies of public notice on written request; fee.

- Sec. 6. (1) Upon the written request of an individual, organization, firm, or corporation, and upon the requesting party's payment of a yearly fee of not more than the reasonable estimated cost for printing and postage of such notices, a public body shall send to the requesting party by first class mail a copy of any notice required to be posted pursuant to section 5(2) to (5).
- (2) Upon written request, a public body, at the same time a public notice of a meeting is posted pursuant to section 5, shall provide a copy of the public notice of that meeting to any newspaper published in the state and to any radio and television station located in the state, free of charge.

History: 1976, Act 267, Eff. Mar. 31, 1977.

15.267 Closed sessions; roll call vote; separate set of minutes.

Sec. 7. (1) A 2/3 roll call vote of members elected or appointed and serving is required to call a closed session, except for the closed sessions permitted under section 8(a), (b), (c), (g), (i), and (j). The roll call vote

and the purpose or purposes for calling the closed session shall be entered into the minutes of the meeting at which the vote is taken.

(2) A separate set of minutes shall be taken by the clerk or the designated secretary of the public body at the closed session. These minutes shall be retained by the clerk of the public body, are not available to the public, and shall only be disclosed if required by a civil action filed under section 10, 11, or 13. These minutes may be destroyed 1 year and 1 day after approval of the minutes of the regular meeting at which the closed session was approved.

History: 1976, Act 267, Eff. Mar. 31, 1977;—Am. 1993, Act 81, Eff. Apr. 1, 1994;—Am. 1996, Act 464, Imd. Eff. Dec. 26, 1996.

15.268 Closed sessions; permissible purposes; applicability to independent citizens redistricting commission.

Sec. 8. (1) Except as otherwise provided in subsection (2), a public body may meet in a closed session only

for the following purposes:

- (a) To consider the dismissal, suspension, or disciplining of, or to hear complaints or charges brought against, or to consider a periodic personnel evaluation of, a public officer, employee, staff member, or individual agent, if the named individual requests a closed hearing. An individual requesting a closed hearing may rescind the request at any time, in which case the matter at issue must be considered after the rescission only in open sessions.
- (b) To consider the dismissal, suspension, or disciplining of a student if the public body is part of the school district, intermediate school district, or institution of higher education that the student is attending, and if the student or the student's parent or guardian requests a closed hearing.
- (c) For strategy and negotiation sessions connected with the negotiation of a collective bargaining agreement if either negotiating party requests a closed hearing.
- (d) To consider the purchase or lease of real property up to the time an option to purchase or lease that real property is obtained.
- (e) To consult with its attorney regarding trial or settlement strategy in connection with specific pending litigation, but only if an open meeting would have a detrimental financial effect on the litigating or settlement position of the public body.
- (f) To review and consider the contents of an application for employment or appointment to a public office if the candidate requests that the application remain confidential. However, except as otherwise provided in this subdivision, all interviews by a public body for employment or appointment to a public office must be held in an open meeting pursuant to this act. This subdivision does not apply to a public office described in subdivision (j).
 - (g) Partisan caucuses of members of the state legislature.
 - (h) To consider material exempt from discussion or disclosure by state or federal statute.
- (i) For a compliance conference conducted under section 16231 of the public health code, 1978 PA 368, MCL 333.16231, before a complaint is issued.
- (j) In the process of searching for and selecting a president of an institution of higher education established under section 4, 5, or 6 of article VIII of the state constitution of 1963, to review the specific contents of an application, to conduct an interview with a candidate, or to discuss the specific qualifications of a candidate if the particular process of searching for and selecting a president of an institution of higher education meets all of the following requirements:
- (i) The search committee in the process, appointed by the governing board, consists of at least 1 student of the institution, 1 faculty member of the institution, 1 administrator of the institution, 1 alumnus of the institution, and 1 representative of the general public. The search committee also may include 1 or more members of the governing board of the institution, but the number does not constitute a quorum of the governing board. However, the search committee must not be constituted in such a way that any 1 of the groups described in this subparagraph constitutes a majority of the search committee.
- (ii) After the search committee recommends the 5 final candidates, the governing board does not take a vote on a final selection for the president until at least 30 days after the 5 final candidates have been publicly identified by the search committee.
- (iii) The deliberations and vote of the governing board of the institution on selecting the president take place in an open session of the governing board.
- (k) For a school board to consider security planning to address existing threats or prevent potential threats to the safety of the students and staff. As used in this subdivision, "school board" means any of the following:
 - (i) That term as defined in section 3 of the revised school code, 1976 PA 451, MCL 380.3.
- (ii) An intermediate school board as that term is defined in section 4 of the revised school code, 1976 PA 451, MCL 380.4.

Courtesy of www.legislature.mi.gov

- (iii) A board of directors of a public school academy as described in section 502 of the revised school code, 1976 PA 451, MCL 380.502.
- (iv) The local governing board of a public community or junior college as described in section 7 of article VIII of the state constitution of 1963.
- (*l*) For a county veteran services committee to interview a veteran or a veteran's spouse or dependent regarding that individual's application for benefits or financial assistance and discuss that individual's application for benefits or financial assistance, if the applicant requests a closed hearing. This subdivision does not apply to a county veteran services committee voting on whether to grant or deny an individual's application for benefits or financial assistance. As used in this subdivision, "county veteran services committee" means a committee created by a county board of commissioners under section 1 of 1953 PA 192, MCL 35.621, or a soldiers' relief commission created under section 2 of 1899 PA 214, MCL 35.22.
- (2) This act does not permit the independent citizens redistricting commission to meet in closed session for any purpose. As used in this subsection, "independent citizens redistricting commission" means the independent citizens redistricting commission for state legislative and congressional districts created in section 6 of article IV of the state constitution of 1963.

History: 1976, Act 267, Eff. Mar. 31, 1977;—Am. 1984, Act 202, Imd. Eff. July 3, 1984;—Am. 1993, Act 81, Eff. Apr. 1, 1994;—Am. 1996, Act 464, Imd. Eff. Dec. 26, 1996;—Am. 2018, Act 467, Eff. Mar. 27, 2019;—Am. 2021, Act 31, Imd. Eff. June 24, 2021;—Am. 2021, Act 166, Imd. Eff. Dec. 27, 2021.

Compiler's note: Enacting section 1 of Act 166 of 2021 provides:

"Enacting section 1. This amendatory act is intended to clarify that the independent citizens redistricting commission for state legislative and congressional districts, since its establishment under section 6 of article IV of the state constitution of 1963, has been required to conduct all of its business at open meetings, without exception and in a manner that invites wide public participation throughout this state, as provided in section 6(10) of article IV of the state constitution of 1963, and that the commission continues to be subject to this unqualified open meetings requirement."

15.269 Minutes.

- Sec. 9. (1) Each public body shall keep minutes of each meeting showing the date, time, place, members present, members absent, any decisions made at a meeting open to the public, and the purpose or purposes for which a closed session is held. The minutes shall include all roll call votes taken at the meeting. The public body shall make any corrections in the minutes at the next meeting after the meeting to which the minutes refer. The public body shall make corrected minutes available at or before the next subsequent meeting after correction. The corrected minutes shall show both the original entry and the correction.
- (2) Minutes are public records open to public inspection, and a public body shall make the minutes available at the address designated on posted public notices pursuant to section 4. The public body shall make copies of the minutes available to the public at the reasonable estimated cost for printing and copying.
- (3) A public body shall make proposed minutes available for public inspection within 8 business days after the meeting to which the minutes refer. The public body shall make approved minutes available for public inspection within 5 business days after the meeting at which the minutes are approved by the public body.
- (4) A public body shall not include in or with its minutes any personally identifiable information that, if released, would prevent the public body from complying with section 444 of subpart 4 of part C of the general education provisions act, 20 USC 1232g, commonly referred to as the family educational rights and privacy act of 1974.

History: 1976, Act 267, Eff. Mar. 31, 1977;—Am. 1982, Act 130, Imd. Eff. Apr. 20, 1982;—Am. 2004, Act 305, Imd. Eff. Aug. 11, 2004.

15.269a Sound recordings of public meetings.

Sec. 9a. (1) Every meeting of a public body that is a state licensing board, state commission panel, or state rule-making board, except a meeting or part of a meeting held in closed session, must be recorded in a manner that allows for the capture of sound, including, without limitation, in any of the following formats:

- (a) A sound-only recording.
- (b) A video recording with sound and picture.
- (c) A digital or analog broadcast capable of being recorded.
- (2) A recording required under subsection (1) must be maintained for a minimum of 1 year from the date of the meeting in a format that can be reproduced upon a request under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

History: Add. 2022, Act 63, Eff. Mar. 29, 2023.

15.270 Decisions of public body; presumption; civil action to invalidate; jurisdiction; venue; reenactment of disputed decision.

- Sec. 10. (1) Decisions of a public body shall be presumed to have been adopted in compliance with the requirements of this act. The attorney general, the prosecuting attorney of the county in which the public body serves, or any person may commence a civil action in the circuit court to challenge the validity of a decision of a public body made in violation of this act.
- (2) A decision made by a public body may be invalidated if the public body has not complied with the requirements of section 3(1), (2), and (3) in making the decision or if failure to give notice in accordance with section 5 has interfered with substantial compliance with section 3(1), (2), and (3) and the court finds that the noncompliance or failure has impaired the rights of the public under this act.
- (3) The circuit court shall not have jurisdiction to invalidate a decision of a public body for a violation of this act unless an action is commenced pursuant to this section within the following specified period of time:
- (a) Within 60 days after the approved minutes are made available to the public by the public body except as otherwise provided in subdivision (b).
- (b) If the decision involves the approval of contracts, the receipt or acceptance of bids, the making of assessments, the procedures pertaining to the issuance of bonds or other evidences of indebtedness, or the submission of a borrowing proposal to the electors, within 30 days after the approved minutes are made available to the public pursuant to that decision.
- (4) Venue for an action under this section shall be any county in which a local public body serves or, if the decision of a state public body is at issue, in Ingham county.
- (5) In any case where an action has been initiated to invalidate a decision of a public body on the ground that it was not taken in conformity with the requirements of this act, the public body may, without being deemed to make any admission contrary to its interest, reenact the disputed decision in conformity with this act. A decision reenacted in this manner shall be effective from the date of reenactment and shall not be declared invalid by reason of a deficiency in the procedure used for its initial enactment.

As we have discussed, the Cedar Lake Improvement Board (the "Lake Board") is a local government unit or agency. Accordingly, it is fully subject to the Michigan Open Meetings Act, being MCL 15.261 et seq. (the "OMA"). Under the OMA, all meetings of the Improvement Board must be public, properly noticed/posted ahead of time, minutes must be kept, members of the public have the right to reasonable comment, etc. The Lake Board also has the right to go into a closed or executive session pursuant to MCL 15.267.

One of the reasons that a public municipal body in Michigan can go into a closed/executive session is to discuss a privileged and confidential written opinion letter or email from the municipality or local government agency's attorney. That is allowed pursuant to MCL 15.268(1)(h). Although the local agency's attorney can be present and go into closed/executive session with the legislative body involved, the attorney need not be present. In a closed session, the public body must limit its discussion to the four corners of the written opinion letter or email from the attorney. No decisions can be made in a closed/executive session.

In order to go into a closed/executive session, there must be a roll call vote of the members of the Lake Board, and generally, the motion must pass by two-thirds of the membership of the Lake Board. Should the Lake Board decide to go into a closed/executive session to discuss my recent legal opinion letter, a suggested motion could be as follows:

"I hereby move to go into a closed or executive session under the Michigan Open Meetings Act pursuant to MCL 15.268(1)(h) to discuss a privileged and confidential opinion letter from the attorney for the Cedar Lake Improvement Board dated March _____ 2023 and involving various matters relating to possibly dredging the canal between Cedar Lake and the south

Both the vote on the motion to go into the closed/executive session and to go back into the open session should be done by roll call vote.

What occurs in a closed/executive session must remain confidential, even after a particular member of the Lake Board retires or is no longer on that body. It is a serious offense to improperly disclose confidential matters or documents discussed in a closed/executive session of a municipal body.

Please do not hesitate to contact me should you or any other member of the Lake Board have any questions or wish to discuss these matters further. Thank you. -Cliff

MOV 1 4 1994

OAKLAND COUNTY DRAIN COMMISSIONER

Mr. Glen Yrjanainen, P.E./P.S. Chief Deputy Oakland County Drain Commissioner One Public Works Drive Waterford, Michigan 48328-1907

Re:

White Lake, Proposed Island Purchase

Dear Mr. Yrjanainen:

You have asked three questions relating to the Inland Lake Improvement Act, 1966 PA 345, as amended; MCL 281.901, et seq. Specifically, you have asked:

- Whether a Lake Improvement Board may use earmarked special assessment funds for a purpose other than that for which they were collected?
- Whether the term "lake improvement" can be defined to include the 2. purchase of property to be used for recreational purposes?
- Whether special assessment funds may be utilized for the operation 3. and maintenance of land purchased as part of a lake improvement?

Question I

Whether a Lake Improvement Board may use earmarked special assessment funds for a purpose other than that for which they were collected?

In answering this question, it is essential to first note the additional information provided in your packet. The press reports and other materials provided indicate that it is the desire of the White Lake Citizens League, a nonpublic entity the membership of which is comprised of residents on White Lake, to purchase Hubbell (Youth) Island, located within White Lake.

The League's proposal is to fund the purchase by borrowing from the Lake Improvement Board some \$89,000 collected during the last three years for a dredging and weed control project. The plan is to have the funds "repaid" to the Board by renewing the special assessment district assessments, which expire 1995, for three additional years.

(Mr. Glen Yrjanainen, P.E./P.S.) November 9, 1994 Page 2

It is my opinion that the Lake Improvement Board, a political subdivision as defined at MCL 691.1401(B), is constitutionally forbidden to extend credit in the form of a loan to the White Lake Citizens League. Const 1963, art 9, § 18.

Article 9, § 18 states the general rule that the state shall not lend its credit except as provided in the Constitution. The prohibition of Article 9, § 18 applies to local governments as political subdivisions and instrumentalities of the state. In re: Advisory Opinion on 1986 PA 281, 430 Mich. 93, 119 (1988). Accordingly, the proposal, as outlined in the paper, for the Lake Improvement Board to loan its funds to the White Lake Citizens League is prohibited under the Michigan Constitution.

In addition to the Constitutional prohibition, it is my opinion that it would be improper for the Lake Improvement Board to deviate earmarked special assessment funds from the project for which they were collected in order to fund a different project.

The Inland Lake Improvement Act is a project-oriented statute. After a lake board is created by the local governing body, it is charged by resolution of the local governing body with the duty of determining the scope of the project and with establishing a special assessment district benefited by the improvement. MCL 281.909. Before making this determination, the law requires the board obtain an engineering feasibility report, an economic study report, and an estimate of project cost. MCL 281.910. Within 60 days of the receipt of these reports, the lake board must hold a public hearing to determine the practicability of the project. MCL 281.913.

Upon project approval, a special assessment roll is prepared. The lake board is then required to appoint a time and place to publically meet and hear objections thereto. MCL 281,914.

After the roll is approved and amounts assessed, additional assessments may be imposed to pay for the improvement for which the initial assessments were made. MCL 281.920.

These provisions make it clear that individual projects are to be executed by a lake board. A project is assigned to the lake board by resolution of the local governing body. MCL 281.909. That project is evaluated by the lake board after it first receives the engineering feasibility report, economic study reports, and an estimate of cost. MCL 281.910. A public hearing is then conducted under MCL 281.911 to determine the practicability of the project. Upon the board's determination by resolution that the project is practicable, it determines to proceed with the project. MCL 281.913. After further notice and public hearing providing an opportunity to object, special assessment rolls are created and the cost of the project apportioned. Deficiencies in initial assessments for the improvement can be made up pursuant to MCL 281.920.

Clearly, in order for the purchase of the island to be considered a lake board project, it is necessary for the project to be assigned to the lake board by the local unit; for feasibility, engineering and cost estimate reports to be prepared; for public hearings to be held to determine the practicability of the project; and for assessment rolls to be created, with the public being provided the opportunity to object. The proposal presented at this time does not contemptate these statutory procedures and is, therefore, inappropriate.

(Mr. Glen Yrjanainen, P.E./P.S.) November 9, 1994 Page 3

> [Note: The supplemental packet of materials indicates that the DNR has denied the dredging permits requested by the Lake Improvement Board for which \$250,000 in assessments has been collected. It would seem that if it was the desire of the Lake Improvement Board to enable the White Lake Citizens' League to develop a pool of money for its constituent members to be utilized for the purchase of the island by the League, it would be appropriate for the Lake Improvement Board to void a portion of the approved project for dredging and weed control due to the fact of the DNR's denial of permit. The funds may be returned to those persons who paid into the assessment district, thereby creating a pool of resources for homeowners who may wish to join the White Lake Citizens' League's program to purchase the island to be held in the name of the League. These revenues can be made up for future projects by establishing a new project for dredging and weed control with a view to identifying a project that the DNR will approve.]

Question II

Whether "lake improvement" can be defined to include the purchase of property to be used for recreational purposes?

It is my opinion that a lake board may acquire land as part of a lake improvement project. In addition, it is my opinion that a lake improvement can be for the purpose of conferring recreational benefits on public corporations, the inhabitants of public corporations, the inhabitants of the state and property within public corporations.

Considering first the ability of a lake board to acquire land, two sections of the act are important. MCL 281.924 provides that a lake board may condemn private property to effectuate the purpose of the act. In addition, MCL 281.925 provides that a lake board may receive and accept gifts for the purpose of carrying out the provisions of the act. Such gifts could certainly include grants of land. Finally, to the extent that it can be argued that these provisions are ambiguous with respect to the acquisition of land, it is appropriate to consider the legislative intent as expressed in the title of the statute. Recorder's Court v City of Detroit, 134 Mich. App. 239 (1984); Grantham v Grantham, 117 Mich. App. 678 (1982).

The title to 1966 Public Act 345 specifically provides that it is an "act to provide for the improvement of certain inland lakes; to authorize the dredging and removal of undesirable materials from lakes; to authorize the acquisition of lands and other property by gift, grant, purchase or condemnation; . . . " (Emphasis added.) Clearly, land acquisition is authorized by the act.

The next component of the question concerns whether or not a recreational improvement is appropriate under the act. Again, in determining the legislative intent, the act is to be interpreted as a whole and construed so as to give effect to each provision and to produce a harmonious and consistent result. Grantham v Grantham, supra, at 681.

(Mr. Glen Yrjanainen, P.E./P.S.) November 9, 1994 Page 4

While the act does not define "improvement", it does define the term "benefit" or "benefits". MCL 281.902(I) defines "benefit" or "benefits" to mean advantages resulting from a project to public corporations, inhabitants of public corporations, inhabitants of this state and property within public corporations. The term includes benefits which result from elimination of pollution and elimination of flood damage, elimination of water conditions which jeopardize the public health or safety; increase the value or use of lands and property arising from improving a lake or lakes as a result of a lake project and the improvement or development of a lake for conservation of fish and wildlife and the use, improvement or development of a lake for fishing, wildlife, boating, swimming or any other recreational, agricultural or conservation uses. Clearly, the legislature intended improvements that conferred recreational benefits upon the individuals who were charged with paying for the improvements, the members of the special assessment district, to be appropriate.

Question III

Whether special assessment funds can be utilized for the operation and maintenance of land purchases of lake improvement?

It is my opinion that under MCL 281.909 a lake board has the authority to maintain any project initiated under the act as it may be necessary. This would include the use of special assessment funds to pay for ongoing operational and maintenance fees and costs necessary for the proper execution of the project.

PART 309 INLAND LAKE IMPROVEMENTS

324.30901 Definitions.

Sec. 30901. As used in this part:

(a) "Benefit" or "benefits" means advantages resulting from a project to public corporations, the inhabitants of public corporations, the inhabitants of this state, and property within public corporations. Benefit includes benefits that result from elimination of pollution and elimination of flood damage, elimination of water conditions that jeopardize the public health or safety; increase of the value or use of lands and property arising from improving a lake or lakes as a result of the lake project and the improvement or development of a lake for conservation of fish and wildlife and the use, improvement, or development of a lake for fishing, wildlife, boating, swimming, or any other recreational, agricultural, or conservation uses.

(b) "Inland lake" means a public inland lake or a private inland lake.

(c) "Interested person" means a person who has a record interest in the title to, right of ingress to, or reversionary right to a piece or parcel of land that would be affected by a permanent change in the bottomland of a natural or artificial, public or private inland lake, or adjacent wetland. In all cases, whether having such an interest or not, the department is an interested person.

(d) "Local governing body" means the legislative body of a local unit of government.

(e) "Preliminary costs" includes costs of the engineering feasibility report, economic study, estimate of total cost, and cost of setting up the assessment district.

(f) "Private inland lake" means an inland lake other than a public inland lake.

(g) "Public inland lake" means a lake that is accessible to the public by publicly owned lands or highways contiguous to publicly owned lands or by the bed of a stream, except the Great Lakes and connecting waters.

324.30903 Lake board; composition; election of chairperson, treasurer, and secretary; quorum; concurrence of majority required; technical data; recommendations.

Sec. 30903. (1) The lake board shall consist of all of the following:

- (a) A member of the county board of commissioners appointed by the chairperson of the county board of commissioners of each county affected by the lake improvement project; 1 representative of each local unit of government, other than a county, affected by the project, or, if there is only 1 such local unit of government, 2 representatives of that local unit of government, appointed by the legislative body of the local unit of government; and the county drain commissioner or his or her designee, or a member of the county road commission in counties not having a drain commissioner.
- (b) A member elected by the members of the lake board serving pursuant to subdivision (a) at the first meeting of the board or at any time a vacancy exists under this subdivision. Only a person who has an interest in a land contract or a record interest in the title to a piece or parcel of land that abuts the lake to be improved

is eligible to be elected and to serve under this subdivision. An organization composed of and representing the majority of lakefront property owners on the affected lake may submit up to 3 names to the board, from which the board shall make its selection. The terms served by this member shall be 4 years in length.

(2) The lake board shall elect a chairperson, treasurer, and secretary. The secretary shall attend meetings of the lake board and shall keep a record of the proceedings and perform other duties delegated by the lake board. A majority of the members of the lake board constitutes a quorum. The concurrence of a majority in any matter within the duties of the board is required for the determination of a matter.

(3) The department, upon request of the lake board, shall provide whatever technical data it has available and make recommendations in the interests of conservation.

324.30912 Approval of plans and cost estimates; sufficiency of petition; resolution; publication; assessment roll.

Sec. 30912. If the lake board passes a resolution in which it determines the project to be practicable, the lake board shall determine to proceed with the project, shall approve the plans and estimate of costs as originally presented or as revised, corrected, amended, or changed, and shall determine the sufficiency of the petition for the improvement. The resolution shall be published once in a newspaper of general circulation in each local unit of government to be affected. After the resolution has been published, the sufficiency of the petition shall not be subject to attack except in an action brought in a court of competent jurisdiction within 30 days after publication. The lake board, after finally accepting the special assessment district, shall prepare an assessment roll based upon the benefits to be derived from the proposed lake improvement, and the lake board shall direct the assessing official of each local unit of government to be affected to join in making an assessment roll in which shall be entered and described all the parcels of land to be assessed, with the names Rendered Friday, January 13, 2023

of the respective owners of the parcels of land, if known, and the total amount to be assessed against each parcel of land and against each local unit of government to be affected, which amount shall be such relative portion of the whole sum to be levied against all parcels of land and local units of government in the special assessment district as the benefit to such parcel of land and local unit of government bears to the total benefit to all parcels of land and local units of government in the special assessment district. When the assessment roll has been completed, each assessing official shall affix to the assessment roll his or her certificate stating that it was made pursuant to a resolution of the lake board adopted on a specified date, and that in making the assessment roll he or she has, according to his or her best judgment, conformed in all respects to the directions contained in the resolution and the statutes of the state.

324.30913 Report of assessment to lake board; review; notice and hearing; confirmation.

Sec. 30913. The assessment roll shall be reported to the lake board by the assessing official of the local unit or units of government initiating the proceeding and filed in the office of the clerk of each local unit of government to be affected. Before confirming the assessment roll, the lake board shall appoint a time and place when it will meet and review the assessment roll and hear any objections to the assessment roll, and shall publish notice of the hearing and the filing of the assessment roll twice prior to the hearing in a newspaper of general circulation in each local unit of government to be affected, the first publication to be at least 10 days before the hearing. Notice of the hearing shall also be given in accordance with Act No. 162 of the Public Acts of 1962, being sections 211.741 to 211.746 of the Michigan Compiled Laws. The hearing may be adjourned from time to time without further notice. Any person or local unit of government objecting to the assessment roll shall file his or her objection in writing with the chairperson before the close of the hearing or within such further time period as the lake board may grant. After the hearing, the lake board may confirm the special assessment roll as reported to it or as amended or corrected by it, may refer it back to the assessing officials for revision, or may annul it and direct a new roll to be made. When a special assessment roll has been confirmed, the clerk of each local unit of government shall endorse on the assessment roll the date of the confirmation. After confirmation, the special assessment roll and all assessments on the assessment roll shall be final and conclusive unless attacked in a court of competent jurisdiction within 30 days after notice of confirmation has been published in the same manner as the notice of hearing.

324.30914 Special assessments; installments; interest; penalties.

Sec. 30914. Upon the confirmation of the assessment roll, the lake board may provide that the assessments be payable in 1 or more approximately equal annual installments, not exceeding 30. The amount of each installment, if more than 1, need not be extended upon the special assessment roll until after confirmation. The first installment of a special assessment shall be due on or before such time after confirmation as the board shall establish, and the several subsequent installments shall be due at intervals of 12 months from the due date of the first installment or from such other date as the board shall establish. All unpaid installments, prior to their transfer to the tax roll of each local unit of government involved, shall bear interest, payable annually on each installment due date, at a rate to be set by the board, not exceeding 6% per annum, from such date as established by the board. Future due installments of an assessment against a parcel of land may be paid to the treasurer of each local unit of government at any time in full, with interest accrued to the due date of the next installment. If any installment of a special assessment is not paid when due, then it shall be considered to be delinquent and there shall be collected on the installment, in addition to interest as above provided, a penalty at the rate of 1/2 of 1% for each month or fraction of a month that it remains unpaid before being reported to the township board for reassessment upon the tax roll.

324.30915 Special assessments; liens.

Sec. 30915. All special assessments contained in any special assessment roll, including any part of the special assessment payment that is deferred, constitute a lien, from the date of confirmation of the roll, upon the respective parcels of land assessed. The lien shall be of the same character and effect as the lien created Rendered Friday, January 13, 2023

324.30916 Special assessments; collections.

Sec. 30916. When any special assessment roll is confirmed, the lake board shall direct the assessments made in the roll to be collected. The clerk of each local unit of government involved shall then deliver to the treasurer of each local unit of government the special assessment roll, to which he or she shall attach his or her warrant commanding the treasurer to collect the assessments in the roll in accordance with the directions of the lake board. The warrant shall further require the treasurer, on September 1 following the date when any assessments or any part of an assessment have become due, to submit to the lake board a sworn statement setting forth the names of delinquent persons, if known, a description of the parcels of land upon which there are delinquent assessments, and the amount of the delinquency, including accrued interest and penalties computed to September 1 of the year. Upon receiving the special assessment roll and warrant, the treasurer shall collect the amounts assessed as they become due.

324.30918 Division of land parcels; uncollected assessment apportioned.

Sec. 30918. If any parcel of land is divided after a special assessment on the land has been confirmed and before the collection of the assessment, the lake board may require the assessment official to apportion the uncollected amounts between the divisions of the parcel of land, and the report of the apportionment when confirmed by the lake board shall be conclusive upon all parties. If the interested parties do not agree in writing to the apportionment, then, before confirmation, notice of hearing shall be given to all the interested parties, either by personal service or by publication as provided in the case of an original assessment roll.

assessment illegal, the lake board, whether the improvement has been made or not and whether any part of the assessment has been paid or not, may proceed from the last step at which the proceedings were legal and cause a new assessment to be made for the same purpose for which the former assessment was made. All proceedings on that reassessment and for the collection of the assessment shall be conducted in the same manner as provided for the original assessment. Whenever an assessment or any part of an assessment levied upon any premises has been set aside, if the assessment or part of an assessment has been paid and not refunded, the payment shall be applied upon the reassessment.

324.30922 Borrowing; issuance of lake level orders and bonds.

Sec. 30922. The lake board may borrow money and issue lake level orders or the bonds of the special assessment district in anticipation of the collection of special assessments to defray the cost of any improvement made under this part after the special assessment roll has been confirmed. The bonds or lake level orders shall not exceed the amount of the special assessments in anticipation of the collection of which they are issued. Collections on special assessments to the extent pledged for the payment of bonds or lake level orders shall be set aside in a special fund for the payment of the bonds or lake level orders. The issuance of special assessments bonds or lake level orders shall be governed by the general laws of this state applicable to the issuance of special assessments bonds or lake level orders and in accordance with the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. Bonds or lake level orders may be issued in anticipation of the collection of special assessments levied in respect to 2 or more public improvements, but no special assessment district shall be compelled to pay the obligation of any other special assessment district. The local governing body may pledge the full faith and credit of a local unit of government for the prompt payment of the principal of and interest on the bonds or lake level orders as they become due. The pledge of full faith and credit of the local unit of government shall be included within the total limitation prescribed by the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. Bonds and lake level orders issued under this part shall be executed by the chairperson and secretary of the lake board, and the interest coupons to be attached to the bonds and orders shall be executed by the officials causing their facsimile signatures to be affixed to the bonds and orders.

324.30927 Costs of projects; computation; expenditures; representation by attorney.

Sec. 30927. (1) Within 10 days after the letting of contracts or, in case of an appeal, immediately after the appeal has been decided, the lake board shall make a computation of the entire cost of a project under this part that includes all preliminary costs and engineering and inspection costs incurred and all of the following:

(a) The fees and expenses of special commissioners.

(b) The contracts for dredging or other work to be done on the project.

(c) The estimated cost of an appeal if the apportionment made by the lake board is not sustained.

(d) The estimated cost of inspection.

(e) The cost of publishing all notices required.

(f) All costs of the circuit court.

(g) Any legal expenses incurred in connection with the project, including litigation expenses, the costs of any judgments or orders entered against the lake board or special assessment district, and attorney fees.

(h) Fees for any permits required in connection with the project.

(i) Interest on bonds for the first year, if bonds are to be issued.

(j) Any other costs necessary for the administration of lake board proceedings, including, but not limited to, compensation of the members of the lake board, record compilation and retention, and state, county, or local government professional staff services.

(2) In addition to the amounts computed under subsection (1), the lake board may add not less than 10% or more than 15% of the gross sum to cover contingent expenses, including additional necessary hydrological studies by the department. The sum of the amounts computed under subsection (1) plus the amount added under this subsection is considered to be the cost of the lake improvement project.

(3) A lake board shall not expend money for improvements, services, or other purposes unless the lake board has adopted an annual budget.

(4) A lake board may retain an attorney to advise the lake board in the proper performance of its duties. The attorney shall represent the lake board in actions brought by or against the lake board.

324.30929 Lake board for inland lake; dissolution.

Sec. 30929. A lake board for an inland lake is dissolved if all of the following requirements are met:

- (a) The governing body of each local unit of government in which all or part of the lake is located holds a public hearing on the proposed dissolution, determines that the lake board is no longer necessary for the improvement of the lake because the reasons for the establishment of the lake board no longer exist, and approves the dissolution of the lake board. For a public inland lake, the governing body of each local unit of government in which all or part of the lake is located may hold the public hearing on the dissolution of the lake board on its own initiative. For a public or private inland lake, the governing body of each local unit of government in which all or part of the lake is located shall hold a public hearing on the dissolution of the lake board upon petition of at least 2/3 of the property owners owning land abutting the lake or upon petition of the property owners who have been assessed at least 2/3 of the cost of the most recent improvements, excluding the amount assessed to local units at large. Notice of the public hearing shall be published twice in a newspaper of general circulation in each local unit of government in which all or part of the lake is located. The first notice shall be published not less than 10 days before the date of the hearing.
 - (b) All outstanding indebtedness and expenses of the lake board are paid in full.
- (c) Any excess funds of the lake board are refunded based on the last approved special assessment roll. However, if the amount of excess funds is de minimis, the excess funds shall be distributed to the local units of government in which all or part of the lake is located, apportioned based on the amounts assessed against each local unit of government and lands in that local unit on the last approved special assessment roll.
- (d) The lake board determines that it is no longer necessary for the improvement of the lake, because the reasons for its establishment no longer exist, and adopts an order approving its dissolution.

Adam Florey – Disputed Hearing as Mr. Linderman was not served notice of hearing. The board has no authority to act on anything today.

Marc Kaszubski – Mr. Linderman did receive the subject matter he requested, as for slander I am just stating that the Ethics have been violated.

Continued discussion between Mr. Florey and Mr. Kaszubski.

Tom Maxwell – I was not reached out to regarding my thoughts on this.

Brian Haley – Comments of Furtaw Field tied to.

Rose Latham – I received notice from a friend about the meeting. That's the only reason I knew about it.

Devon Tasior - Question on Notice of meeting.

David Carmona - Concern as to why meetings have been cancelled.

<u>Close Public Hearing</u> – Mr. Tasior supported a motion by Mr. Wusterbarth to approve closing public hearing.

NEW BUSINESS:

<u>Action on INDEPENDENT ETHICS COUNSEL OPINION</u> – Mr. Wusterbarth supported a motion by Mr. Palmer to postpone action.

ALL YEAS:

MOTION CARRIED

Statement by Mr. Tasior – I did not ask for an investigation, I asked for the planner and engineering comments that were being withheld from myself and the rest of the commission which was needed for the case to be properly reviewed. I am simply doing my job, if anyone has ethics violations against me, please bring them forward. Statement by Mr. Wusterbarth – I am going to continue to do my job as a trustee and call out wrongs that I see. In this case I find Mr. Linderman in violation of The Township Code Ethics. I would be happy to postpone for our attorney to review and I will not recuse myself from a future vote on this unless our attorney states that I must.

PUBLIC COMMENT

David Carmona – Question about charging station at Rogers, did it come to Planning Commission for approval.

Mr. Florey – Thank you for your time.

Brian Haley – Discussed closed session from 2020 to sell Furtaw Field. Merry Christmas.

Devon Tasior - Closed session is done based on attorney recommendation and council.

Adjourn – Mr. Palmer made a motion to adjourn at 11:42 a.m.

CHARTER TOWNSHIP OF OSCODA Superintendent's Report January 22, 2024

ACTION ITEMS

DIGICOM GLOBAL - FIRE DEPARTMENT RADIO PURCHASE REQUEST-

Your packet contains a price quote from Digicom Global in the amount of \$17,758.55 for 5 mobile radios and 1 portable radio. These radios are quoted through the MiDeal process therefore no RFP process is required.

These items were budgeted for in the 2024 Capital Improvement Plan for \$18,500.00.

Action: Approval is being sought to purchase 5 mobile radios and 1 portable radio from Digicom Global Inc. in the amount of \$17,758.55 to be paid from 206-000-981.000.

OSCODA PUMP STATION REPLACEMENT PROJECT PAY APPLICATION NO. 18 -

Your packet contains the eighteenth (Final) pay request in the Pump Station Replacement project in the amount of \$60,295.40, leaving a zero-balance remaining for this project.

Action: I would ask that the Board consider approving the eighteenth (Final) pay request from RCL Construction in the amount of \$60,295.40 to be paid from the CWSRF checking after reimbursement is requested and deposited into the Township's account.

ROWE ENGINEERING INVOICES-

Your packet contains the following listed invoices from Rowe Engineering for services rendered. These invoices require Township Board approval:

The following preamble and resolution were offered by	_, and supported by

RECITALS:

WHEREAS, the Charter Township of Oscoda Board of Trustees is authorized under the Charter Township Act, MCL 42.10, to appoint an individual as the Township Superintendent and to delegate to him or her any or all of the functions and duties, unless so delegated, exercised by the Supervisor; and

WHEREAS, the Board of Trustees previously hired a Superintendent and established the duties of that position in Resolution 2021-27, which included, among other things, the assumption of all the duties and responsibilities as personnel director of all township employees; and

WHEREAS, in addition to those already delegated duties, the Board of Trustees desire to specifically delegate to the Superintendent the authority to hire personnel to fill previously created and budgeted positions without Board approval, except for those positions that require approval of the Township Board by law, to wit: positions of Township police (MCL 42.12) and fire personnel (MCL 42.13); and

WHEREAS, in order to include the Superintendent's delegated duties in one Resolution, this Resolution shall supersede and replace Resolution 2021-27 only to the extent it establishes the duties delegated to the Superintendent.

NOW, THEREFORE BE IT RESOLVED,

- 1. The duties of the Township Superintendent shall be as follows:
- a. To see that all laws and Township Ordinances are enforced.
- b. To manage and supervise all public improvements, works and undertakings of the Township.
- c. To have charge of the construction, repair, maintenance, lighting and cleaning of streets, sidewalks, bridges, pavements, sewers and of all the public buildings or other property belonging to the Township.
- d. To manage and supervise the operation of all Township utilities.
- e. To be responsible for the preservation of property, tools and appliances of the Township.
- f. To see that all terms and conditions imposed in favor of the Township or its inhabitants in any public utility franchise, or in any contract, are faithfully kept and performed.
- g. To attend all meetings of the Township Board, with the right to take part in discussions, but without the right to vote.
- h. To be a member, ex officio, of all committees of the Township Board.
- To prepare and administer the annual budget under policies formulated by the Township Board and keep the said Board fully advised at all times as to the financial condition and needs of the Township.
- j. To recommend to the Township Board for adoption such measures as he may deem necessary or expedient.
- k. To be responsible to the Township Board for the efficient administration of all departments of the Township government.
- I. To act as the purchasing agent for the Township or, under his responsibility, delegate such duties to some other officer or employee.
- To conduct all sales of personal property which the Township Board may authorize to be sold.
- n. To assume all the duties and responsibilities as Personnel Director of all Township employees or delegate such duties to some other officer or employee.
- o. To hire personnel to fill previously created and budgeted positions without Board of Trustees approval, except for those positions that require approval of the Township

Board by law, to wit: positions of Township police (MCL 42.12) and fire personnel (MCL 42.13).

- p. To be responsible for preparing and administrating an annual budget under policies formulated by the Township and keep the Township Board fully advised at all times as it relates to the financial condition and needs of the Township, including but not limiting to making recommendations for action upon any and all necessary items, make recommendations for the efficient administration of all departments and to in fact provide oversight of same, including but not limited to police, fire, department of public works, as well as administrative Township staff.
- q. To perform such other duties as may be prescribed or required of the position by Resolution adopted by the Township Board, or which are not assigned to some other official in conformity with the provisions of the Charter Township Act.
- 2. This Resolution shall supersede and replace Resolution 2021-27 only to the extent it establishes and reestablishes the duties delegated to the Superintendent.

RESOLUTION NUMBER 2021-27

CHARTER TOWNSHIP OF OSCODA IOSCO COUNTY OSCODA, MICHIGAN 48750

RESOLUTION APPOINTING TOWNSHIP SUPERINTENDENT AND APPROVING CONTRACT.

At a regular meeting of the Township Board of the CHARTER TOWNSHIP OF OSCODA, losco County, State of Michigan, held on the 13th day of September 2021, at 7:00 o'clock p.m. with the membership as follows:

PRESENT: Ms. McGuire, Mr. Spencer, Mr. Palmer, Mr. Wusterbarth, Mr. Cummings, Mr. Sutton, Ms. Richards

ABSENT: None

The following Resolution was offered by Mr. Palmer and seconded by Mr. Sutton.

WHEREAS, the Charter Township of Oscoda has historically become a Charter Township pursuant to relevant law; and

WHEREAS, this Board has determined to proceed with the employment of a Township Superintendent; and

WHEREAS, the following Resolution is deemed to be in the best interest of the Township's health, welfare, and safety;

NOW THEREFORE, BE IT RESOLVED:

1. That the duties of the Township Superintendent shall be as follows:

- a. To see that all laws and Township Ordinances are enforced.
- b. To manage and supervise all public improvements, works and undertakings of the Township.
- c. To have charge of the construction, repair, maintenance, lighting and cleaning of streets, sidewalks, bridges, pavements, sewers and of all the public buildings or other property belonging to the Township.
- d. To manage and supervise the operation of all Township utilities.
- e. To be responsible for the preservation of property, tools and appliances of the Township.
- f. To see that all terms and conditions imposed in favor of the Township or its inhabitants in any public utility franchise, or in any contract, are faithfully kept and performed.
- g. To attend all meetings of the Township Board, with the right to take part in discussions, but without the right to vote.
- h. To be a member, ex officio, of all committees of the Township Board.
- i. To prepare and administer the annual budget under policies formulated by the Township Board and keep the said Board fully advised at all times as to the financial condition and needs of the Township.
- j. To recommend to the Township Board for adoption such measures as he may deem necessary or expedient.
- k. To be responsible to the Township Board for the efficient administration of all departments of the Township government.
- I. To act as the purchasing agent for the Township or, under his responsibility, delegate such duties to some other officer or employee.
- m. To conduct all sales of personal property which the Township Board may authorize to be sold.
- n. To assume all the duties and responsibilities as Personnel Director of all Township employees or delegate such duties to some other officer or employee.

o. To perform such other duties as may be prescribed or required of him by ordinance

or by direction of the Township Board, or which are not assigned to some other official

in conformity with the provisions of the Charter Township Act.

2. That the Contract of Employment commencing between the Charter Township of

Oscoda and Tamara Kline is hereby approved and the Supervisor and Clerk are

directed to execute same for and on behalf of the Township.

3. All resolutions and parts of resolutions in conflict with this resolution are hereby

repealed.

FURTHER BE IT RESOLVED, that the Township Superintendent shall be

responsible for preparing and administrating an annual budget under policies formulated

by the Township and keep the Township Board fully advised at all times as it relates to

the financial condition and needs of the Township, inclusive but not limited to making

recommendations for action upon any and all necessary items, make recommendations

for the efficient administration of all departments and to in fact provide oversight of

same, including but not limited to police, fire, Department of Public Works, as well as

administrative Township staff;

THEREFORE FURTHER BE IT RESOLVED, that there may be additional duties

as required by either Township ordinance and/or direction of the Township Board, and

therefore it is the intent of this Resolution that same may be amended by the further

act(s) of future Township Boards;

Describe any experiences that led to your desire to serve the community.

Growing up in Oscoda and completing my education there, I witnessed the powerful impact of merging community involvement and service, thanks to both of my parents actively participating in local business and volunteer efforts.

My father, Karel Weisl, owned S & W Ford from 1955 to 1984. He played a vital role in various community organizations such as Kiwanis, serving on multiple boards, and investing in Lakewood Shores. On the other hand, my mother, who made history as the first woman to lead the Oscoda/AuSable Chamber of Commerce, was a founding member of the Oscoda Garden Club, Tawas Hospital Auxiliary, the Paul Bunyan Festival, and Kiwanis Ladies Auxiliary. She also served on the Oscoda School Board, Oscoda Township Board, Planning Commission, and held various positions, including president, vice president, and secretary, within the Lioness Club, of which she was a lifelong member.

Her community involvement extended to being a member of the Iosco County Republican Women's Committee and the Officers' Wives Auxiliary Club at Wurtsmith Air Force Base. She played a pivotal role in the rehabilitation of the Indian Mission Methodist Church, maintained lifelong membership in the Oscoda United Methodist Church, the American Legion, and the VFW. Additionally, she served as Vice President of S and W Ford, Director of the Chamber of Commerce, and co-owner of the "A Summer Place" Antique shop.

Amidst the challenges of the Covid pandemic, I chose to reconnect with my roots in Oscoda. Leveraging my extensive education and professional background, I proudly became part of the dedicated team at our local Oscoda VA hospital, where I contribute to addressing the mental health needs of both our community and Veterans in a meaningful manner. There's a compelling pull within me to uphold a family legacy of volunteerism, dedicating my efforts to enhance and contribute to the well-being of our community, following in the footsteps of my family.

Provide a brief biography including your skills, background and expertise, as well as involvement in the community, professional or other nonprofit organizations that are specifically applicable to this board or commission.

I hold both a bachelor's and master's degrees, coupled with extensive experience in navigating situations that demand meticulous evaluation, adept listening, effective communication, and thorough research and follow-up. My proficiency in coordinating efforts across diverse groups, addressing specific needs within complex scenarios, and my strong interpersonal and communication skills make me well-suited for contributing to the

assessment and advancement of our town's growth as a member of the Planning Commission.

I am confident that my skills and abilities would be valuable assets to the Planning Commission. Moreover, my history in Oscoda, having grown up here, exemplifies a deep commitment to supporting, relating to, and facilitating the community's embrace of positive growth. When I owned my own business in Annapolis, MD I had experience building development, reading plans, and have applied for approval thru various local municipalities.

I have actively engaged in various local functions, closely followed board meetings, and dedicated time to support our local Shoreline Players, both on stage and behind the scenes. My most recent involvement includes contributing to the success of "Little Shop of Horrors."

EXECUTIVE SUMMARY

The 4th Quarter (October – December 2023) operation and maintenance summary report for the Oscoda Township water and wastewater operations is provided for your review. All NPDES permit required testing and monitoring were performed at the wastewater lagoon during this period. The Final Effluent data from the October – December 2023 Discharge Monitoring Reports (DMRs) is provided for the Board's review in Attachment C.

Maintenance Allowance expenditures for the contract year May 2023 – April 2024 total \$16,882.60 through December 2023. The Maintenance Allowance report is included in <u>Attachment B</u>.

A tabulation of all water and sewer work orders completed for 2023 is provided in Attachment A.

October 2023

October 2 – FVOP staff installed a new one-inch water service and meter pit at 7263 North US-23.

October 2 – FVOP was dispatched to Lakewood Shores to repair the hydrant at Ahrens Road & US-23 that was hit by a county mower. Staff installed two new valve box covers.

October 2 – FVOP staff replaced the bonnet and gasket on Cedar Lake Road hydrant #319.

October 2 – FVOP staff checked the manhole adjacent to Hangar 7 to confirm the sewer plug that isolates the old AFFF holding pond from the Township sewer was still in place.

October 4 – FVOP staff responded to a call from the homeowner at 5524 North US-23 because he was concerned that Consumers Energy had damaged his R900 while performing tree trimming in his yard. Staff did not find any damage to the R900, which transmitted correctly to the meter reading equipment.

October 4 – FVOP responded to a call from the owner of 209 South State Street. The owner is planning to split the building into three different shops and wanted to know what was required to get separate water and sewer service to each shop. The staff helped indicate where the sewer location was behind the building which will need to be tapped, and advised that three separate water meters will be needed if the shops are to be billed for water and sewer individually. The configuration will not be conforming, so the shops cannot be sold separately, and two shops will share one sewer service.

October 4 – FVOP staff installed a repair sleeve on the water service at 4747 Interlake Drive, and checked that the curb stop was working correctly.

October 4 – FVOP staff were sent to 6010 Skeel Avenue to clean out a curb stop that was filled with sand in preparation to do a water meter change.

October 4 – The renter at 9803-B Minnesota called because they stated their water had an odd taste. Staff responded and showed the renter how to take off the kitchen sink aerator to clean it. The problem was resolved.

October 4 – A concerned citizen called Township Hall to report that they suspected the homeowner at 6400 Potomac Street had turned their water back on after being shut off in September for non-payment. Staff were sent to investigate and found that the homeowner did turn the water back on. Staff then turned the water off and installed a curb box lock.

October 9 – FVOP staff performed non-pay shut-offs.

Oscoda Charter Township

October 9 – FVOP staff performed a water meter replacement at 9208-B Rhode Island Drive; this address had not been included in the three phases of water meter replacements.

October 10 – FVOP staff were sent to 5606 F-41 to verify meter numbers and services. The new owner was unaware that two service lines were going into the restaurant.

October 12 – FVOP staff verified service at 5676 North US-23. Unit 17 and Unit 19 were thought to have their meter serial numbers switched in the utility billing data base due to water usage. The staff corrected the issue.

October 12 – FVOP staff responded to a call from the homeowner at 6312 Iroquois Street. The homeowner claimed that in the two years they had lived there, they have had low water pressure. Staff investigated and found the water line from the curb stop to the main had deteriorated and had pin holes throughout the line. Staff replaced the water line to the main and the curb stop. Staff checked the water pressure, and the homeowner was happy they had normal water pressure. Water loss from the time the issue was reported was estimated at 7,590 gallons.

Leaking water service removed from 6312 Iroquois Street

October 13 – FVOP staff were sent to 6680 Cedar Lake Road to replace the water meter and locate the curb stop. Staff located the service line using the Township's McLaughlin verifier locator with an induction clamp that sends an impulse through the water line. The service line was found to be under the blacktop driveway, and the curb stop was below the driveway and inaccessible. Staff shut the water off at the meter horn in order to replace the meter.

October 13 – FVOP responded to a call from the homeowner at 6162 Ridge Road to relocate their R900. The homeowner was concerned about it being damaged. The staff placed the R900 inside the meter pit and checked to see if the meter read was still transmitted to the reading equipment.

Oscoda Charter Township

October 16 – FVOP checked the hydrant at Cedar Lake Road and McNichol Avenue after the fire department reported that it was leaking from the bonnet when operated. The checked the hydrant, and it operated normally. The hydrant was pumped down to help prevent freezing.

October 17 – FVOP was called out to 9419-B 6th Street for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

October 18 – FVOP staff responded to a possible sewer backup at 9107-B Wyoming Street. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

October 19 – FVOP staff installed a new fire hydrant and auxiliary valve on Georgia Drive near Perimeter Road following a water main tap by John Henry Excavating. The Township does not have equipment needed to perform a six-inch main tap.

New hydrant and valve on Georgia Drive near Perimeter

October 23 – FVOP staff performed a meter replacement at 6748 Cedar Lake Road to restore service after fire reconstruction.

October 23 – FVOP staff were sent to verify meter serial numbers at 7181 North US-23 and 7187 North US-23 and found that the meters were mixed up when installed by UMS in 2020. The issue was corrected.

October 25 – FVOP staff replaced the fire hydrant and auxiliary valve on Cedar Lake Road that had been badly damaged by a vehicle earlier in the year. The water main had to be shut down for the repair, so a precautionary boil water advisory was issued for 7816 – 7994 Cedar Lake Road. The boil water advisories were delivered door-to-door.

October 28 – The boil water advisory for 7816 – 7994 Cedar Lake Road was lifted after two consecutive samples were non-detect for bacteriological contamination. The boil water lifted advisories were delivered door-to-door.

October 29 – FVOP performed an emergency shut off at 4499 F-41 Unit B. Upon arriving, staff found that water was leaking from the bathroom sink and turned off the water at the valve under the apartment.

Oscoda Charter Township

October 30 – FVOP was called out to 8822-A 3rd St. for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

October 31 – FVOP performed an emergency shut-off at 7852 Cedar Lake Road. Upon arrival, staff found that the water was gushing from a broken hose bib connected to the irrigation well and not from the municipal water. The homeowner was notified that they would need to contact a plumber.

November 2023

November 1 – FVOP was called out to 9100-A Wyoming Street for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

November 2 – FVOP was called out to 9602-A Missouri Street for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

November 3 – FVOP was called out to 9807-B Minnesota Street for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

November 3 – FVOP staff installed a new one-inch water service and meter pit at 6298 Cedar Lake Road.

November 7 – FVOP staff installed replacement protectors and plugs for the monitoring wells near the lagoon site.

New well protector and plug on monitoring well #7

November 7 – FVOP staff performed non-pay shut-offs.

Oscoda Charter Township

November 8 – FVOP staff were on-site at 6803 Roanoak Road to locate the curb stop.

November 8 – FVOP staff removed accumulated grease, wipes, and debris from the wetwell at PS #25.

November 9 – FVOP staff were on-site at 6167 North US-23 to lower the curb stop to grade level.

November 10 – FVOP staff installed a new three-quarter-inch water service and meter pit at 6120 North US-23.

November 15 – FVOP staff flushed the hydrants at the north end of Cedar Lake Road due to customer complaints of air in their water lines after the recent hydrant repair.

November 16 – FVOP was called out to 8718-B Pennsylvania Street for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

November 16 – FVOP was sent to Kalitta Air after receiving a report of a leaking hydrant on the runway. Staff investigated and found that Hydrant #12 had been used, possibly by a contractor, and left partially open. After fully closing the hydrant, the leaking stopped.

November 19 – FVOP staff responded to a water main break on Stagecoach. Water was bubbling up in a driveway. FVOP closed a total of five (5) water main isolation valves, but could not slow down the leak. FVOP staff worked throughout the night to excavate the site and place a repair band while the main was still under pressure. The leak was stopped on November 20th, and site cleanup was performed. Further restoration will take place in the spring. Water loss from the break was estimated at 120,000 gallons.

Water main repair on Stagecoach

November 29 – FVOP consulted with the owner at 4557 F-41 regarding the water and sewer hookups. Staff located and marked the water and sewer mains.

November 29 - FVOP was called out to 10330 7th Street for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

November 30 – FVOP was called out to 6288 Cedar Lake Road to check a leak around the water meter. Staff discovered that the ball valve in the homeowner's plumbing needed to be replaced, and informed the homeowner that such a repair was their responsibility.

Oscoda Charter Township

December 2023

December 1 – FVOP staff were called to 5601 Weir Road for complaints of low water pressure. The issue was found to be isolated to the shower at the residence, and the homeowner was advised to contact a plumber.

December 5 – FVOP staff installed a new three-quarter-inch water service and meter pit at 4557 F-41.

New water service, curb stop, and meter pit at 4557 F-41

December 6 – FVOP staff replaced a leaking curb stop at 7554 Teal Street.

Curb stop removed from 7554 Teal Street

December 7 – FVOP installed a new one-inch water service and meter pit at 7318 Cedar Lake Road.

December 7 – FVOP received a call from the homeowner at 7978 Cedar Lake Road stating that they had air in their lines. Staff pulled the water meter and flushed the water service line, as well as two hydrants on Cedar Lake Road and Cedar Street.

December 7 – FVOP staff responded to a complaint from 6167 North US-23 regarding the disruption of their lawn due to the installation of a water service for the house across the road. Staff explained that site restoration will take place in the spring when topsoil and grass seed will be placed.

December 8 – FVOP was called out to 9613-A & B Missouri Street for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

Oscoda Charter Township

December 8 - FVOP had an emergency shut-off call from 7910 Cedar Lake Road for a broken water line under the house. Staff turned the water off at the curb stop and informed the homeowner that they would need to contact a plumber.

December 11 – FVOP staff performed non-pay shut-offs.

December 12 – FVOP was called out to 8027B 1st Street for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

December 12 – FVOP staff repaired the curb stop at 4706 Gaston Way.

December 13 – FVOP received a call from the homeowner at 4535 Interlake Drive regarding a hydrant that had been leaking at the end of the street. Staff found that the hydrant, which was installed as part of the recent water main project, had not been closed completely and had been slowly leaking, causing an icicle to form. The hydrant was thawed, closed completely, and pumped down.

December 13 – FVOP was called out to 10616 Bissonette Drive for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

December 15 – FVOP was called to 10507 Idaho Street to check the water meter to make sure it was working correctly. The homeowner was upset that their water bills were consistently high. Upon investigating, staff found that the meter was working correctly. Staff explained to the homeowner how much water is typically used per resident, and identified that they had older 5-gallon per flush toilets, which could contribute to high water usage.

December 15 – FVOP staff flushed the hydrants at the north end of the Cedar Lake Road and Cedar Street due to ongoing complaints of air in the water services in the area.

December 8 – FVOP was called out to 10616 Bissonette Drive for a possible sewer backup. The upstream and downstream manholes were checked, and the sewer main was flowing normally. The Villages of Oscoda were notified that the issue was not in the main and that they would need to contact a plumber.

December 21 – FVOP were called to 4624 Oscoda Street due to reports of low water pressure. Upon arrival, staff checked the water pressure at the meter pit and found that it was normal. The homeowner was advised to contact a plumber.

December 21 – FVOP installed a new one-inch water service and meter pit at 7253 Shoreview Drive.

ACC Scholarships: A Two (2) Month Window

The ACC Foundation offers numerous scholarships funded by individuals, service clubs, corporations, and foundations to provide financial assistance to ACC students who meet the criteria established by the scholarship donors.

Recipients may:

- Be new or returning students depending upon the scholarship offered.
- Reside in or out of district depending upon the scholarship offered.
- Be full-time or part-time depending upon the scholarship offered.

Apply today! The ACC Scholarship Application is available from January 2, 2024 to March 1, 2024 for students attending ACC in the 2024-2025 school year (beginning Fall 2024).

You will need your ACC login information to begin the scholarship application. If you don't have your login, please contact the ACC Information Technology Help Desk at helpdesk@alpenacc.edu or by calling 989-358-7374.
