Public Comment –

Brenda Godfrey – Question on Mr. Palmer moving into the EID office and update on financial advisor.

Melinda Morgan –

Comments on new Supervisor office being the EID office that the previous Supervisor was removed from. Why are you blaming the treasurer and not the clerk for financial problems? On January 16th I sent the entire board a letter along with an e-mail expressing some serious concerns and asking for you as the elected board members to investigate. What is taking so long?

Kevin Kubik – Questions regarding Superintendent Contract and evaluations discussed in closed session, who is responsible for the newsletters, and request to be on agenda.

Reta Engle – Questions on Closed Session and legality of going into closed session, follow up on group home on Norway and issues with residents, follow up on financial advisor, and follow up on Kubik being on the agenda.

Kelly Brown – Talked about transparency and use of social media, providing all resignations to the board, posting open positions, question on if a fraud audit is being done, previous audit review, Downtown Beatification at the family fun fair, and mention of upcoming cleanup at the beach and open for more volunteers to help.

Jeff Linderman – Congratulations to officer promoted to Sergeant and question on if a test was administered and how the choice was made for this position.

Clayton Jolly – Talked about First Amendment and freedom of speech being violated last year when a woman was removed from the meeting.

Board and Staff Comments –

Mr. Cummings-Would like to add a Happening Business Section to the Agenda. I would like to discuss committee appointments and the FOIA Process at our next meeting. Still working on EIC Website with Digital55 as the contract needed to be amended. I don't have the status of a financial advisor. The Sergeant was chosen by the process laid out by the Union Contract and I am aware of testing being one of the components.

Mr. Spencer- The Oscoda Township Fire Department needs 800-megahertz radios to standardize communications across the county. The county requests that our fire department go out for a grant to help pay for them and see if maybe the Township can pay the difference. I would also

Mr. Tasior- I will work to the best of my abilities to fill this position. I'd also like to thank Jeff for applying for the position. This position is very serious, and I was surprised that only two people applied. I would really hope that in the future more people in the community will step forward.

Ms. McGuire- I don't know what was going on with the timer for comment. I used the timer on my phone to ensure your time to speak and apologize if it seemed like you had unused time as I used my phone to make sure you had the full 4 minutes.

Mr. Sutton- I would like to remind everyone about the May 2nd, 2023, election.

Mr. Palmer- I have plans that when we hire a new EIC director I will find another location for my office hours. I mentioned before the person we were looking for to be a financial consultant has declined the offer and so we will be looking for someone else to fill that position in the future. I want to thank Ms. McGuire and her deputy for helping in the Clerk's office to make our accounts payable run a little more streamlined. The workplace investigation is ongoing and we're waiting for a report I spoke with the attorney that's working on that a week ago and he is supposedly going to be wrapping that up and have a report on that to me soon.

Adjourn – Mr. Palmer made a motion to adjourn at 09:16 p.m.

Regards: Bike Purchase

Superintendent Kline,

I would like to purchase 20 pedal bikes as approved for our 2023 Capitol Improvement schedule For Old Orchard Park. This will be a new amenity for our park as these bikes will be used as park rentals and will be a welcome addition to the campground and the new bike path into Oscoda. The bikes are made by "Firmstrong" and designed as a fleet bike. As such, these bikes are a little "beefier" with a thicker frame for rental purposes/multiple users. I have attached a picture of the "men's" version for your reference. Bikes/equipment are itemized as follows below:

- Eight men's bikes (8) - \$289.99 each X 8 = \$2,319.92
- Eight Women's bikes (8) - \$329.99 each X 8 = \$2,639.92
- Four Kids bikes (4) - \$370.20 each X 4 = \$1,480.80
- Sixteen adult helmets (16) - \$14.49 each X 16 = \$231.84
- Four kid's helmets (4) - \$23.99 each X 4 = \$95.96
- Twenty bike locks (20) - \$16.99 (two locks per package) = \$169.90

Total for bikes	=	\$6,440.64
Total for helmets	=	\$327.80
Total for bike locks	=	\$169.90
Total for all items	=	\$6,938.34
CIP Budgeted	=	\$7,300.00

All bikes/helmets/locks will be marked with Old Orchard Park Campground stickers and engraved/numbered. Each rental will be provided with a helmet and a bike lock. Each rental will have an agreement before using and all equipment will be insured through our Township insurance provider.

Thank you for your consideration,

Al Apsitis

Three projects to bring to the board for approval.

#Snapshot Oscoda is an initiative to reach out to businesses to create a Cut-out in front of their store to create more selfie opportunities. We will help facilitate with any questions and requests for artists to create their vision. They will be themed by the business, something that speaks to what they do. Businesses already on board are Tait's, Lake Theater and To the Moon & Back.

Nicole Villete has been questioned about the permits we may need, and she said there is no ordinance against them, as long as they aren't impeding foot traffic on the sidewalks.

No money from the Township is needed at this time, we just wanted your blessing to move forward.

Repair of Art Walk Pedestals

There are 13 pedestals in pots that need to be permanently placed in the ground. The two in pots at the Oscoda Press pocket park area in decent shape, but they will still need full posts, just no vinyl sleeve or topper. The artwork from each pedestal is in good condition and will not need anything. The solar light on the pedestal by To The Moon and Back is also still functional. The items needed for repair and placement the 13 pedestals that were previously in moveable pots. They will be placed in clusters to create more of a focal point for the Walk.

13 treated posts, 4 x 4 x 8 - \$195 (Menards, \$14.99 each)

11 vinyl sleeves, 4 x 4 x 6 - \$275 (Home Depot, Model# 195168, \$24.76 each)

10 solar lights - \$350 (Menards, #SLO74W, \$70 for a pack of 2)

Total Requested from Township: Up to \$1200

Rise and Shine Oscoda

Our contest for the 2023 Oscoda Art Walk is called **Rise and Shine Oscoda**.

We need funds to purchase 50 wooden plaques where artists will be asked to create a sunrise scene. It can be mixed media, collage, paint, ect. They will be made weather proofed for outdoor placement on businesses and as an addition to the art walk pedestals.

The wood plaque will be purchased with an entry fee for the contest totaling \$40.

We will use the money from the entry fee to pay Cash Prizes for the winners, and we will be creating an art event to show off the artists work and give our community the opportunity to vote on the winners. We will sell them at Art on the Beach, as well as have them available for purchase at To the Moon and Back, the Library and the Chamber of Commerce.

We have received a price from Ausable Hardware to purchase the plaques for \$19.99

Advertising budget: \$200

Total Requested from Township: Up to \$1500

Oscoda Township Board of Directors:

I address the Board on behalf of a majority of the Oscoda Volunteer Fire Department with concerns that have come to light over the last couple of years.

This department has a team of 26 volunteers who currently serves approximately 187 square miles. There is no other volunteer department in the entire state of Michigan which covers this large of an area. Our department covers 79,174 acres of National Forest, 12 Miles of Lake Huron Shoreline, over 30 miles of AuSable River property plus covers the Northeast section of Wilber township. In comparison, Tawas City Fire Department covers 91 square miles and East Tawas department covers 68 square miles.

Looking at the 2020 Census information provided, you will see that our department covers a total of 7253 households (164 included for Wilber comes from Tax Assessors Map provided), East Tawas covers 3132 households, and Tawas City 1823 households.

My letter to you today wishes to address the following concerns:

- #1. The Fuel expense each firefighter on this department absorbs for each run.
- #2. Hourly Compensation
- #3. Clothing and Personal Equipment Allowance
- #4. Dive Department Policies
- #5. Airport Fire Training

First and foremost as I originally stated we cover an area larger than any other department in the entire State of Michigan. To give you further information for reference, I am including several points of reference from the 2020 U.S. Census, Statistical Reports from the Tax Assessors Offices, Maps from the Tax assessors Offices, and graphs of this information for easy comparison.

- #1. Mileage Compensation - At this time we are asking the Board to consider a compensation to cover the cost of our fuel/vehicle expense. We ask that any run within a 6 mile radius, we be compensated \$10. Beyond the 6 mile radius we ask for \$20 mileage compensation. We remind you of the huge wear and tear on our vehicles as we serve on this department. We attend Weekly meetings for trainings, again we remind you of the large area of coverage for runs, running at high speeds to attend runs, hauling our fire equipment at all times to be assured of preparedness day or night.
- 2. Hourly Compensation - Currently in the state of Michigan the average rate of pay for a volunteer firefighter is \$23.50 hour as stated by the U.S. Bureau of Labor Statistics in May of 2021. We are therefore asking the Board to consider adding this as an hourly rate of compensation for every hour beyond the first 2 hours on an emergency run. Please consider that our firefighters run all hours of the day and night. Most of these people carry a full time job outside of this volunteer position - so if they are up until 1 or 2 or 3 in the morning, they are still getting up to be prepared for their "regular" job in the morning as well. In addition, a majority of this department has families which they take time away from to dedicate to the service of others while training and meeting the needs of those suffering tragedy. For this dedication and service we believe they deserve the pay we ask

you to consider.

3. Clothing and Personal Equipment allowance - In addition, we ask the boards consideration for an annual allowance of \$500 to be used to purchase items needed to serve on this department: Personal Clothing, Wild Land Boots which are a requirement of the department, vehicle lights, sirens, flashlights etc. Clothing, shoes, and boots are continually damaged and destroyed due to smoke damage, water damage, items being torn from extraction during vehicle accidents, holes from Chemical spills, and blood borne pathogens which we come in contact with during emergencies.
4. This department is currently limited on the time we are allowed for fire training to our normal Thursday night meetings. Being that our current dive team members are also a part of our regular department they must train on these nights as well. Because of this, it leaves them even more limited for the Dive Team training which they so desperately need. It is imperative for their safety and for those they rescue to log hours in order to be a successful Dive Team. With this in mind we ask the Board to make a policy to allow our Divers permission to use their assigned equipment as follows:
 "The Oscoda township will allow Dive Team Members to use existing Township Dive equipment when Two or more Dive Team Members are working together to log training hours."
5. As a small "Volunteer" department we are extremely concerned in regards to this town housing an active Maintenance Runway with Kalitta Air and no one on our department having any proper certification for Crash/Rescue. We are asking this township board to certify all members of this department in Crash/Rescue. It is for the safety of this all members of this community as a plane crash could occur at any time, anywhere, not just on a runway on Kalitta property. We need to be prepared and trained and ready if such a disaster were to happen.

If you research volunteer fire departments you will see it is becoming harder and harder to staff a volunteer department these days for the exact reasons I have listed above. To find individuals who are willing to serve on a department, willing to serve their community but who are not compensated for their time, their efforts and reimbursed for their expense makes it very difficult in today's economy. But, not only are we not being compensated for time, and efforts, we are also not being given the proper training or equipment necessary to serve in the capacity we are asked to serve. Please don't misunderstand me - each of us on this department do what we do because we have a heart for it, but people lose heart when they realize no one stands behind them to support them.

Thank you for your time.

2021 Fox Run – West Branch, MI 48661 – P 989.345.2304 – F 989.345.5666 – www.stingnarcotics.com

April 03, 2023

To All County, City, and Township Boards,

This letter is being mailed to you on behalf of the STING Executive Board regarding the funding for the Fiscal Year (2023). STING has been successful in obtaining Federal Byrne Grant money for continued support of the Team. The Byrne award was decreased to the funding level of \$56,800. The award amounts were lowered for everyone and is not a reflection of the hard work being done by STING. The award does not cover our expenses. Our 2022 budget had expenses exceeding \$70,000.00.

In these unprecedented times, we are persistently working to keep drugs out of your community. The team has a total of eight (8) sworn law enforcement members to the task force and we cover six counties. During the COVID-19 pandemic, my officers have continued to fight to keep drugs off our streets. We have seen a dramatic increase in the use and delivery of methamphetamine within our coverage area. The United States had a record number of overdoses this past year. We are doing our part to save lives. **This year our seizures for narcotics had a street value more than \$331,000.00 and we took 51 firearms off the streets.**

STING is respectfully asking for your contribution to provide continued support and commitment to keeping STING operational. This contribution funding assists in the operational needs of STING to be successful tackling the illegal drug sources in our communities while working cooperatively with our local law enforcement partners to provide the necessary investigative services and assistance.

I thank you for your continued support and if you would like any additional information or have any questions, please feel free to contact me by phone (989)345-2304 or at my email address listed below. We all want to live in a violence free, drug free community. Stay healthy and safe.

SIGNIFICANT ACTIVITIES DURING 2022

2022 Annual Report

CASE NUMBERS - STG-21-22 & STG-22-22 – CRAWFORD COUNTY:

On 02-09-22 a quarter pound of methamphetamine was purchased from the suspect. Prior to this purchase, STING detectives, using a confidential source, conducted several controlled purchases, over a 3-month period, from this suspect who is a known drug dealer in the Grayling area.

Based on the controlled purchases, surveillance, tracker data, and pole camera surveillance, detectives served search warrants on two residences involved with the investigation. Total seized in the investigation was 179.10 Grams of Crystal Methamphetamine, 2.7 Grams of Heroin/Fentanyl and 24 Unknown pills. Detectives also seized 7 Long Guns and 2 Pistols.

The main suspect was lodged in the Crawford County Jail on several felony charges. The investigation continues as we try to identify downstate suppliers.

STING detectives were assisted by the Crawford County Sheriff's Department, Grayling City Police Department, HUNT, BAYANET, ATF, Third District Violent Crime Task Force, Third District and Seventh District TSU, 7th District ES Team, K-9#70 and K-9#32. The cooperation from all involved made this a successful investigation.

SIGNIFICANT ACTIVITIES DURING 2022

2022 Annual Report

CASE NUMBER - STG-91-22 – OGEMAW COUNTY:

In August, STING developed a confidential informant and the CI stated he could purchase large amounts of Crystal Methamphetamine from a subject in Saginaw.

On 08-15-22, STING detectives, using the confidential informant, purchased 57 Grams of Crystal Methamphetamine from the suspect who agreed to drive to Standish from Saginaw.

On 08-17-22, STING detectives, using the same confidential informant, purchased 3.99 Ounces of Crystal Methamphetamine from the suspect and a friend of the suspect, who arrived in a rental vehicle.

Once the deal was completed, uniform troopers and detectives took both individuals into custody without incident. Detectives seized 225 Clonazepam Pills from the vehicle. The driver was lodged on felony PWID charges. STING was assisted by the ES Team and uniform personnel from the West Branch Post.

CASE NUMBER - STG-112-22 – IOSCO COUNTY:

On 10-06-22, A Search Warrant was executed in South Branch. Detectives seized 3 Grams of Cocaine, 57 Hydrocodone Pills, 30 Xanax Pills, and 100 Grams of Mushrooms. Also seized was a Rifle and \$1,607.00 in U.S. Currency.

CASE NUMBER - STG-117-22 – OGEMAW COUNTY:

In late September, troopers from the Michigan State Police, West Branch Post were able to obtain methamphetamine from suspects on a complaint and convince them to cooperate with STING.

Utilizing one of the suspects as a confidential source, STING was able to conduct two controlled purchases of methamphetamine from an Ogemaw County residence. Intelligence was developed on the residence which revealed security cameras, firearms, dogs, and multiple outbuildings converted to living quarters.

On 10-13-22 an early morning search warrant was conducted, and 24.6 Grams of Crystal Methamphetamine was seized along with evidence of sales, 5 long guns, 1 pistol, and \$1,831.00 in cash.

RE: Support for Iosco County Recycling Infrastructure Grant

To Whom it may concern:

On behalf of the Charter Township of Oscoda, I am pleased to express our support for the Recycling Infrastructure Grant being submitted by Iosco County for implementing recycling drop-offs across the county to be available to all residents. With the support of this grant, Iosco County will be able to make recycling available to all residents, ensure recycling drop-offs are convenient, and position the County to implement additional recycling activities once the program is established.

This opportunity to expand recycling in Iosco County will both help the local economy and environment and strengthen the supply chain for the new Alpena Materials Recovery Facility (MRF) where recyclables are planned to be sent for processing. The regional collaboration of this project demonstrates not only the strong partnerships the Iosco County team is fostering, but also the broad impacts across the region.

Oscoda Township has expressed interest in serving as a host for one of the strategically located drop-off sites and has been collaborating closely with the County to plan and strategize the direction of this project. Driven by interest from the community, including students, we are excited to provide convenient and cost-effective opportunities for recycling. The opportunities for engagement of students are a significant driver of support for this program demonstrated by students' advocating for recycling opportunities. In addition to student interest, a survey deployed in Fall 2022 demonstrates the top priorities for residents related to recycling including more opportunities for curbside recycling and establishing more recycling drop-off centers. This project will directly address the interests of county residents including ensuring residents are educated about recycling, making recycling affordable, and helping keep our communities clean. As part of support for this project, our community plans to enter into an interlocal agreement with the County for support of implementing Public Act 138 which will help fund the long-term activities.

This project is considered the start of a longer journey for Iosco County and our community to expand local recycling solutions. We look forward to this project receiving grant funding to help provide access and education to Iosco County residents, support the regional recycling system, and be part of the larger transition to a circular economy in Michigan.

Tammy Kline

Re: New Hire Firemen

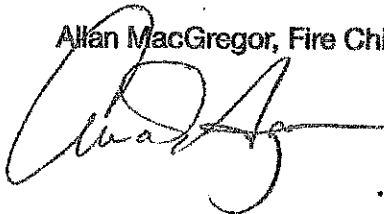

Ms. Kline,

After completing the recruitment process, background investigations, and interviews for new firemen, the following are the names of five subjects who meet all the necessary requirements to start as probationary firefighters with the Oscoda Township Fire Department. All of these applicants would need to be sent to the Fire Academy within two years of hiring to meet all necessary requirements by the State of Michigan. We are currently at 26 members and this would move us to 31 total. Our maximum allowed membership is 34. Minimal equipment may be needed to at least start these individuals in the process of becoming a Michigan certified firefighter. Thank you for all your assistance in this process.

By signing this application, I agree that all of the information now or later given by me in support of my application for employment is true and complete. I give you my permission to verify any of the information concerning my employment, education, credit or medical history with the appropriate individuals, organizations, or governmental agencies. I give these individuals, organizations, or governmental agencies my permission to release any information that you need, including my previous disciplinary record, without requiring them to contact me or give me written notice before revealing the information to you. By signing this application, I release you and them from any liability whatsoever arising out of any information request or disclosure. I agree that any false information in support of my application may subject me to discharge at any time during my employment.

At-Will Employment Status

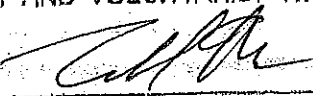

I AGREE THAT EITHER PARTY MAY TERMINATE THE EMPLOYMENT RELATIONSHIP, WITH OR WITHOUT CAUSE, AT ANY TIME, FOR ANY REASON, AND I FURTHER AGREE THAT THIS ARRANGEMENT MAY ONLY BE CHANGED BY THE BOARD OF TRUSTEES AT A REGULAR SCHEDULED BOARD MEETING. I agree that I shall be bound by the other rules, policies, regulations, and terms and conditions of employment of the Township as they are from time to time changed and that no additional obligations can be imposed by me on the Township except those which have been acknowledged, in writing, by the Township Supervisor. I further agree that my employment is conditional upon satisfactory completion of documentation as required by the Immigration Reform and Control Act of 1986 and until such time as the results of my pre-employment physical (if such physical is required) are known.

Disability Accommodation Request

I understand that Michigan law requires employers to make accommodations to disabled applicants and employees where the accommodation does not impose an undue hardship on the employer. I further understand disabled employees and applicants may request an accommodation of their disability by notifying the Township in writing of the need for accommodation within 182 days of the date the disabled person knows or should know that an accommodation is needed. Failure to properly notify the Township will preclude any claim that the Township failed to accommodate the disabled person. There is no such requirement under federal law.

Waiver Regarding Statute Of Limitations

I acknowledge and agree that I will not file and am forever barred from bringing any claim, lawsuit, or other action against the Township, its agents, employees and elected officials, which in any way relates to my Application for Employment, employment and/or termination of my employment, more than six (6) months after the date of the event giving rise to said claim, lawsuit or other action, unless applicable law provides for a shorter limitations period and in that case the shorter limitations period provided by law shall control. I acknowledge that the statute of limitations for some claims may be longer than six months and I HEREBY KNOWINGLY AND VOLUNTARILY WAIVE ANY STATUTE OF LIMITATIONS TO THE CONTRARY.

If T <1.0, calculate Treated or Source TOC RAA (based on quarterly averages). If Treated or Source TOC RAA is <2.0, then system in compliance.
May reduce if Treated RAA <1.0 for 1 year or <2.0 for 2 years.
Revert to monthly if Treated RAA >=2.0

IN LATE APRIL, THE LOCAL NONPROFIT ROUND TABLE (NPRT) HELD THEIR ANNUAL VOLUNTEER APPRECIATION DAY AT THE LIBRARY. THE EVENT WAS HELD IN HONOR OF THE HARD WORK AND DEDICATION OF ALL THE VOLUNTEERS WHO HELP OUR LOCAL NON PROFITS RUN SMOOTHLY. THE EVENT SHOWCASED NEARLY 20 NON PROFIT ORGANIZATIONS AND WELCOMED NEARLY 60 VOLUNTEERS. LIVE MUSIC, FOOD AND PRIZES HELPED TO MAKE THE EVENT MEMORABLE.

FOR MORE INFORMATION ABOUT THE NPRT, CONTACT ROBIN. 989-739-9581.

BRANCH DIRECTOR VISITS STATE CAPITOL

Robin was busy in late April, visiting Lansing to participate in The Michigan Library Association's event, "Michigan Libraries = A Better Michigan." Robin met with local state representatives to discuss the needs of additional state funding as well as other struggles facing small town libraries. Although she was met with a snow storm upon arrival in Lansing, it was a great time nonetheless.

3rd Annual Spring Art Show

Parks Library's 3rd Annual Spring Art Show will be taking place April 22-May 15 this year. The art show is free to attend and includes art from local artists of all ages and abilities. The goal of our annual art show is to bring to light the many talented artists in the area and offer art for sale at reasonable prices. This year we have a total of nineteen artists participating so be sure to come in and check it out.

Summer Programs Abound!

This year's summer program theme for children is: *Altogether Now*. We are excited to announce that we will be having our district programs throughout July (every Tuesday at 10:30 am.) We will also be having a June Young Authors Club program at the library for kids ages 9-13 and a new reading program in August featuring crafts and stories, for kids ages 6-9. Stay tuned, also, for the line up of adult programs, including a Womens' Self Defense class, Holistic Health workshop, Animal and Pet Welfare presentation and the Alcona/Iosco Conservation District's program on invasive species.
