All golf course members, per this memo the City of Owensville is informing you that for the 2023/2024 golf season the Golf Course will not be leasing any new golf shed storage units until further notice. If you were renting last year and currently store a cart, you will be able to keep and continue to lease your current unit, but no new spaces will be opened up for new leases at this time. As you are aware the golf shed fire last year resulted in a significant loss, and the Parks Commission and the Board of Aldermen needs to reassess whether it is in the City's best interests to continue or discontinue the golf shed leasing program.

We apologize for any inconvenience and thank you for your patience, while the City makes its determination.

Sincerely,

Randy Blaske
