## INSTRUCTIONS

Please follow these instructions in completing the application for your animal license.

1. Complete all boxes on the right-hand side of the form (telephone number, name and address).
2. List all animals you own, completing all of the boxes of information. Use the code for proper license type and the appropriate fee from the table below. Enter the code in the "Code" block of the application.
3. Fill in the proper fee amount for each vehicle or animal. Then add the amount column to obtain the total fees due.
4. For the state license plate number please record the number of the most current plate presently in your possession.
5. A current rabies vaccination is required for all animals. Record the current tag number and vaccination date.
6. Take the completed application intact (**do not separate**) to the cashier with your payment to receive your vehicle license sticker and/or animal tags.
7. Your vehicle sticker must be permanently applied to the lower right side of the windshield by the 3rd Friday of June . Sticker may be displayed as soon as purchased.
8. If you change cars or windshields you must return the original sticker in order to buy a transfer for \$5.00.
