## **GENERAL TAX INSTRUCTIONS**

The City of Perrysburg's income tax ordinance is accessible online at www.ci.perrysburg.oh.us

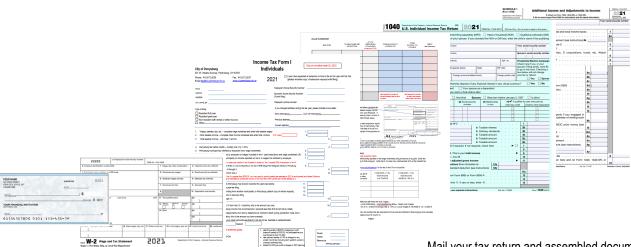

- April 18<sup>th</sup>, 2022 is the deadline to file a 2021 City of Perrysburg income tax return, submit payment of tax due for the 2021 tax year
  and submit payment of estimated tax for the first quarter of the 2022 tax year.
- Extensions to <u>file</u> a 2021 City of Perrysburg income tax return are granted to taxpayers who have received a Federal extension from the
  IRS <u>provided the taxpayer includes a copy of the Federal extension when they submit their city tax return</u>. This extension of
  time to file does <u>not</u> apply to payment of any tax due.
- Residents of the City of Perrysburg may be eligible to file electronically at: https://www.ci.perrysburg.oh.us/income\_tax/e-file.php

Taxpayers filing a paper tax form should complete the taxpayer identification section located along the upper portion of the tax return and then follow the line-by-line instructions provided on the lower sections of the tax return.

## INSTRUCTIONS FOR WAGE WORKSHEET <

**Full year residents:** enter taxable wages, Perrysburg tax withheld and other municipal tax withhelding received from each employer in worksheet. In general, taxable wages can be found in Box 5 (Medicare Wages) on at least one of the W-2's issued by your employer. If your employer did not report Medicare Wages in any of the W-2's issued by them, or Box 18 Local Wages is greater than Box 5 Medicare Wages, please see EXCEPTIONS below. If you paid tax to more than one other municipality per employer, utilize multiple rows in columns 4 through 6 per employer.

Part year residents and non-residents who were under withheld by their employers: report only wages earned while a resident and/or wages earned within the City of Perrysburg. Part year wages can be determined by referencing payroll reporting from the date of move-in or move-out, by an allocation percentage or other methods as long as copies of the paystubs or calculations used are included with your return.

Examples of exceptions to wage reporting on worksheet include (but are not limited to):

- Local Wages (Box 19) exceed Medicare Wages (Box 5): Enter local wages unless it they include wages not taxable at the municipal level or were misreported by employer.
- Medicare Wages not reported: if employer not required to report as Medicare Wages but wages are subject to taxation at the municipal level (ex. Railroad workers, Students employed at
  the institution where they are enrolled, use RRMed wages reported in Box 5, local wages reported for work municipality or pay data.
- · Medicare Wages not reported: if wage payment is not taxable at the municipal level (ex. long term disability), do not include on worksheet.

## CREDIT FOR TAX WITHHELD FOR MUNICIPALITY OTHER THAN CITY OF PERRYSBURG:

Determine credit for taxes paid to other municipalities on wages and withholding reported on the wage worksheet using the below guide. Note this worksheet assumes the following:

- income taxed by other municipality is also being taxed on line 2 on front of return.
- tax withheld on local wages at the full rate of municipality– see exceptions below.

Search Tax Municipalities at www.columbustax.net for tax rate of other Ohio municipalities

WAGES Taxed by other Municipality	TAX PAID to other Municipality	TAX RATE of other Municipality Ex. 2% = 2.0	A If TAX RATE ≤ 1.5% credit should be ½ of TAX PAID	B If TAX RATE > 1.5% credit should be WAGES X 1.5% X ½

Enter the calculated credit for each income type from either column A or B into the corresponding row in the "Wage Worksheet" above.

## Exceptions:

If employer reports local withholding that does not equal the municipalities tax rate times the local wages:

- Determine the wages actually taxed at the municipalities tax rate: Tax Paid ÷ Tax Rate = Wages Taxed.
- Calculate credit based on wages taxed: Wages Taxed X 1.5% X ½ = Credit (if municipal rate ≥ 1.5%) or (Wages Taxed X Tax Rate) X 1/2 = Credit (if municipal rate < 1.5%).</li>

Resident taxpayers receiving a refund of city tax withheld for their work site (Non-Resident Refund) will need to deduct the amount refunded from the amount withheld (as reported on their W-2 form) before calculating their credit.

Add amounts in column above and enter total on line 8 of return (page 2).

## INSTRUCTIONS OTHER INCOME WORKSHEET

Full year residents should enter taxable income or loss on taxable activities from each type in worksheet below. Taxable sources can be found on Form 1040 Schedule 1 lines 3-6, and line 8 (b,c,g,h j,k,l and certain items reported on line z).

Part year residents will need to determine what portion of the income reported on their Schedule 1 was earned while they were residents, and/or were earned within the City of Perrysburg. They may calculate this using an allocation or by specific sources. <u>Please include a copy of the calculations used with your filing</u>.

Non-residents will report only the income/loss from the specific source of income from activity sourced entirely with the City of Perrysburg. These amounts will be found on their Form 1099-M, Form 1099 NEC, Schedule C Net Profit/Loss, Schedule E line 21 income/loss for properties in Perrysburg, etc. If income reported on a schedule is earned from both sources inside and out of Perrysburg, individuals must use the City of Perrysburg's Business return.
