

October 12, 2021

A Regular Meeting of the Piscataway Township Council was held on October 12, 2021 at the Piscataway Municipal Building, 455 Hoes Lane, Piscataway, New Jersey. The meeting was called to order by Council Vice President, Michele Lombardi, at 7:30 pm.

Council Vice President Lombardi made the following Statement, in compliance with the Open Public Meetings Act: Adequate notice of this meeting has been provided as required under Chapter 231, P.L. 1975, specifying the time, date, location or dial in information, and, to the extent known, the agenda by posting a copy of the notice on the Municipal Building, Municipal Court and the two Municipal Library Bulletin Boards, Municipal Website, providing a copy to the official newspapers of the Township and by filing a copy in the office of the Township Clerk in accordance with a certification by the Clerk which will be entered in the minutes.

The Township continues to use the telephone meeting format in an effort to mitigate the chance of exposure to COVID-19, as a part of the Township's ongoing effort to slow the rate of transmission and avoid overwhelming our treatment centers.

In order to make sure a clear record of the meeting can be made and that all parties are heard in an organized fashion, all members of the public will be muted during the meeting. If a member of the public wishes to speak during any public comment portion, please press *9 (star nine) in order to raise your hand to speak. We will unmute members of the public individually if they have their hand raised. When it is your turn to speak, you will hear a notification that you have been unmuted. It is at that time that you should begin to ask any questions you may have. You will have three minutes to speak, at the conclusion of which you will be muted again, and the council or administration will respond as necessary. Should you have any further comments or questions, the Township Council is always available by email and phone, and you can always call the Mayor's office during normal operating hours. Each member of the public shall only have one opportunity to speak during each public portion. As the technology does not allow us to know if there are multiple callers on an individual line, we ask that if you wish to speak, that you dial in on a separate line so that we can recognize you as a separate individual.

Individuals may also submit written comments to the Township Clerk up to forty-eight (48) hours prior to the meeting, to be read by the Township Clerk during the Public Comment Portion of the meeting. Said comments shall be limited to three minutes of reading.
